ARPA funds have been used to pay for a bilingual interventionist for the past two school years. The interventionist has helped improve attendance by providing direct support to Spanish speaking students. In the past four years, 30% of students referred to the Attendance & Truancy Team are Spanish speaking. The Regional Office of Education is requesting \$136,510 in additional ARPA funds to continue to pay for the bilingual interventionist for the next two school years. By a show of hands, the Committee gave their approval for the additional funding.
