7. **COMMUNITY DEVELOPMENT COMMISSION - MARY KEATING**7.A. [HS-R-0015-26](#)

Recommendation for approval of the Housing and Community Development Intergovernmental Joint Agreement between DuPage County and the Village of Downers Grove for Federal Fiscal Years 2027, 2028, 2029, with automatic renewal as allowed, to incorporate requirements under Notice CPD-26-08 Instructions for Urban County Qualification for Participation in the Community Development Block Grant (CDBG) Program.

Mary Keating, Director of Community Services, shared that while Naperville, Downers Grove and Wheaton all qualify for their own CDBG entitlements, Wheaton and Downers Grove have agreed to participate in the CDBG program and have allowed their population and their funds to be included with the County's CDBG program. However, Naperville has chosen to administer its own program.

There is a change in HUD's interpretation of the agreement language. In the past the County has used a fully competitive process to select CDBG projects, with infrastructure projects generally selected by the percentage of low- and moderate-income residents served. Downers Grove has not previously applied for a CDBG project. Wheaton has applied in the past, but its projects have generally not scored as competitively as projects from other communities and therefore have not received infrastructure funding through the program. HUD's revised language indicates that participating communities should receive an amount of project funding comparable to what they may have received independently. We may need to establish a set-aside for Wheaton and Downers Grove beginning with the 2027 CDBG program. Projects must still meet eligibility requirements and serve a low- and moderate-income population. One option is to bundle multiple years of funding and work with Wheaton and Downers Grove on a project approximately every three years.

13. **DUPAGE CARE CENTER UPDATE - JANELLE CHADWICK**

Janelle Chadwick, Administrator of the DuPage Care Center, advised there are currently two cases of rhinovirus. Masks are required only for the affected unit. Rhinovirus has caused more symptoms among residents than COVID over the past couple of years, so residents are being closely monitored for signs of illness. The rest of the building is not masking at this time.

The Secret Garden project is underway. Dirt has been moved, railroad ties have been removed, and residents enjoy watching the progress from the windows. Residents are also participating in the temporary garden which is located in the old Circle Drive, where several planter boxes are available for residents to partake in gardening. The Secret Garden project is expected to be completed in the fall in time for residents to use the new area for educational classes with the University of Illinois.

The Care Center will present its budget at the second meeting in August.

14. **COMMUNITY SERVICES UPDATE - MARY KEATING**

Mary Keating, Director of Community Services, stated there is a plan in place for all ARPA funded projects and staffing for 2027. She reminded committee members to join the 1:35 AM meeting for CDC EXEC. Community services will present its budget at the first meeting in August.
