10. **PRESENTATIONS**

10.A. Office of Homeland Security and Emergency Management FY25 Budget Presentation - Craig Dieckman, Director

Craig Dieckman, Director of the Office of Homeland Security and Emergency Management, presented the FY25 Budget Request on behalf of his agency (OHSEM). He informed the

Committee members that a copy of his presentation would be emailed to them following the meeting. Director Dieckman provided an overview of the variances for the reimbursements and expenses being requested for FY25 as compared to the actual amounts adopted in FY24. He then commented that the consolidated budget request for FY25 is 1% less than in FY24. He concluded his presentation by stating that, in regard to the FY24 expenses, he anticipates finishing as budgeted. At this time, Director Dieckman asked if there were any questions.

Member Krajewski requested a more detailed budget report which reflects not only the actual dollar amounts, but the budgeted amounts as well. Jason Blumenthal responded to his feedback and assured him that this additional information will be included on all future budget reports. Member Garcia inquired whether or not Campus Security will be providing security services in the Judicial Building. Chief Administrative Officer Nick Kottmeyer explained that all security services for this building are provided by the Sheriff's Office, not Campus Security.

10.B. Domestic Violence Statistics Update - Robert Berlin, State's Attorney

DuPage County State's Attorney Robert Berlin provided an update on domestic violence cases both prior to and after September 18, 2023, the date in which the Pretrial Fairness Act portion of the SAFE-T Act went into effect. These cases include domestic battery (bodily harm), domestic battery (physical contact) and VOOB (violation of Order of Protection). Initially, Mr. Berlin reviewed the conditions that must be present in order to detain an offender. He then compared data on the number of arrests and the number of petitions filed and granted for these types of cases for two time periods: September 18, 2023 through April 28, 2024 and April 29, 2024 through June 25, 2024. The April 28, 2024 date is significant as that is when the State's Attorney's Office instituted a new policy which added staff to cover evening shifts as well as First Appearance Court on weekends. These individuals handle domestic violence intake calls from police which provide information about the case, as well as the offender's background, which is needed to prepare a Petition. Mr. Berlin stated that, according to a study published by Loyola University on April 24, 2024, DuPage County surpasses the surrounding counties that have dashboards with the highest percentage of offenders being detained. Mr. Berlin concluded his presentation by recognizing his staff for their outstanding work. At this time, questions and comments were brought forth by Members Zay, Yoo, DeSart, Chaplin and Tornatore. Topics discussed included: ways to increase percentage of offenders detained, repeat offenders, victim cooperation and changes to Orders of Protection.

11. OLD BUSINESS

Consultation Agreement

This Agreement as outlined below is effective 7/1/24 between the DuPage County, Department of Probation and Court Services and the National Association of State Head Injury Administrators (NASHIA).

SCOPE OF WORK:

The duration of the project is from 7/1/24 to 6/30/27. Activities and products may be modified with a written amendment by DuPage County and NASHIA.

NASHIA (“Contractor”) will support DuPage County Department of Probation and Court Services (“Client”) with developing a brain injury identification and support protocol for use with their participant population. Specifically, NASHIA’s Online Brain Injury Screening and Support System (OBISSS) is a brief screening tool for nonexperts to identify individuals needing support because of a history of brain injury. OBISSS also provides evidenced-based compensatory strategies customized for the individuals as well as tip sheets with strategies for the Veterans Treatment Court. These tip sheets will include simple compensatory strategies for Court staff that will help them support veterans with brain injury more effectively with the goal to ultimately increase better outcomes for the veteran in the court system.

Additionally, scholarships will be provided for 20 community treatment providers that partner with the VTC to take NASHIA’s Neuropsychological Screening Course for justice, mental health, and community-based treatment providers, so that they can assess for brain injury impairment when indicated. This three-hour, three-part course is designed for masters-level community providers, (community rehabilitation provider staff, addictions professionals, etc) who want to be able to thoroughly assess an individual with a brain injury.

Contractor will also develop and implement an online, on demand, brain injury training designed to provide education to the DuPage VTC team for insight as to what brain injury is and strategies for accommodating the challenges associated with brain injury. The project will incorporate basic brain injury training within the court’s existing peer support model. This will ensure that certified peer support specialists are brain injury informed.

Finally, Contractor will develop a brain injury informed guide on implementing the motivational interview approach. This will include components of “traditional” motivational interviewing with simple changes and strategies to ensure that it is most impactful for people with brain injury.

<i>Overview</i>			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). The Sheriff's Office uses a connection to the FBI and State records. They are mandating that computers that have access to this connection or the data from it must have multi-factor authentication (MFA). This mandate goes into effect on October 1st. We can lose our connection if we do not comply with the mandate. This is a sole source because they only sell directly and only have the wireless technology we are looking for.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished We have looked at multiple MFA technologies. This Solution is the best for what we are looking for. The wireless dongle helps us who is at the computer, and when the user walks away from the computer, the computer will lock. One of the requirements is to have a way to lock the computer when there is no user or activity on it. If we do not use this Solution, we will have to use other means that could impact the computers' day-to-day operations.

These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days’ prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.113; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this

Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer’s guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase “Funding provided in whole or in part by the [Grantor].” 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part,

with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. **Claims**. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. **Independent Contractor**. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. **Indemnification and Liability**.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII MISCELLANEOUS

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.11. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

PROJECT DESCRIPTION

The DuPage County Forensic Science Center (DPCFSC) is a department of the DuPage County Sheriff's Office. Established in 1971, the laboratory is located at 501 N. County Farm Road, Wheaton, IL 60187. The laboratory provides forensic analysis free of charge for any law enforcement agency (approximately 35 agencies) investigating crime in DuPage County, IL. The agencies provide law enforcement for the residents of DuPage County. The current services provided by the laboratory include drug analysis, latent prints, forensic biology, and DNA. Staff testify when needed and the laboratory maintains accreditation to industry recognized standards.

Provides a clear, concise summary of the proposal and states outcomes to be gained.

The laboratory seeks to improve quality and timeliness by seeking training, equipment, supplies, and contractual purchases. Over 60% of the fundings' use is related to the testing of suspected opioid and synthetic drugs. Attendance by two staff members at one in-person training event (multiple tracks of presentations) will provide continuing education in the areas of quality assurance, best practices, and management. By providing this continuing education the laboratory is seeking to strengthen staff members' knowledge and identify potential areas of improvement for laboratory operations before they become an issue and impact quality and timeliness of service.

Equipment purchases include a document scanner for drug chemistry preparing data packets for casefiles and two flammable-rated lab fridge/freezer combination units to improve the safety of storage of drug evidence and drug standards.

Most of the supply purchases support the continued testing of suspected opioids and synthetic drugs: thin layer chromatography (TLC) supplies, a digital library update for each operational gas chromatograph/mass spectrometer (GC/MS), anti-fatigue mats, macro camera, micro camera, replacement chairs and automated liquid sampling (ALS) vials and inserts for the preparation of samples to be analyzed using the GC/MS's. Additionally, funding for the latent print section, a camera, color printer and computer with monitors to replace an aging/end of life current workstation.

Contractual funding will be used to support the laboratory's quality assurance program with funding for the annual accreditation fee to the accrediting body, the purchase of 4 proficiency tests for drug chemistry and a minimum of 15 proficiency tests for drug chemistry, latent prints and/or forensic biology/DNA to demonstrate continued competency by staff. For training and meeting registration for two staff members to the American Society of Crime Laboratory Directors symposium, and for two memberships to the National Association of Forensic Science Boards to provide education on best practices for state forensic science boards which relates to laboratory improvement and quality issues. Finally for a custom report for drug chemistry to be created by the Laboratory Information Management System (LIMS) provider Porter Lee.

DuPage County continues to be impacted by the opioid crisis. Between the years of 2015 and 2019, DuPage County experienced an 88% increase in deaths caused by opioid overdose from either heroin, fentanyl, a combination of the two drugs or an opioid prescription medication. Several agencies within DuPage County responded to the rising threat of opioid deaths. The DuPage County Health Department collaborated with the Coroner, Sheriff, State’s Attorney, and Chiefs of Police to create the DuPage Narcan Program (now part of HOPEduPage, <https://hopedupage.org/>) which put the life-saving opioid reversal drug, naloxone, into the hands of first responders. Despite these efforts, the use of opioids in the county remains high as seen in the consistently high number of opioid related deaths and opioid saves depicted in the below charts as reported in the 2022 DuPage Narcan Program Annual Report (Chart 2).

The DuPage County Coroner published data for 2022 overdoses on April 3, 2023 ([Public Safety Announcement: DuPage Overdose Statistics 2022](#) (dupagecounty.gov)) as shown below. Of interest, many of the overdoses were due to polydrug usage. Fentanyl/Heroin/Opioid Prescription medication accounted for 37% of the total of drugs described below. From the report:

“It was very unusual for an analysis to find one or two drugs in the system. Rather, it was commonplace to find up to 15 drugs making it difficult to determine which drug was responsible for the death. Therefore, this data will be reported only identify which drugs were present in what number of toxicology reports and not to try and state which drug was responsible for the death.”

Overdose Death Data

There were 150 overdose deaths in 2022 with an increase in non-opioid drugs, especially Cocaine and prescription medications causing or contributing to death.

The Chemistry Section of the DuPage County Forensic Science Center (DCFSC) averages roughly 1,000 assignments a year which generates between 2,000 – 4,000 individual exhibits that are analyzed. The below chart depicts the trends in the number of exhibits tested and reported opioids (Chart 4). Each year, the DCFSC reported approximately a fifth of drug exhibits analyzed as containing an opioid. Typically, these samples are present in lower concentrations due to their potency and are more challenging to analyze. From 2022 to 2023 there was a slight decrease in the number of assignments generated (Chart 1), a decrease in the number of opioids identified, but there was an increase in the number of exhibits found to contain cocaine and reported as ‘no controlled substance identified’.

Strategies Being Implemented

The DuPage County Forensic Science Center (DCFSC) assisted with the County's response to the opioid crisis in numerous ways. The Chemistry Section, which analyzes seized drug evidence for the presence of cannabis and controlled substances, prioritized cases related to jail seizures and opioid buys and search warrants when typical officer field tests provided inconclusive results for low level drugs or mixtures. Prioritized cases also included instances when officer safety was a concern due to evidence being coated in powder or if the officer suspected personal exposure to an opioid. The laboratory's evidence acceptance policy for seized drug evidence requires there be a suspect in the case upon submission. Due to the rising number of opioid overdose deaths where a suspect may

not yet be identified, the laboratory enacted an exception to the policy and began accepting the submission of one item for analysis to assist with investigations. In July 2018, the Chemistry Section and the Forensic Biology Section of the laboratory began to work closely together to collect DNA from evidence found with the victim in an effort to identify the person delivering the drugs. Through September 2019, the drug evidence obtained from nineteen different opioid related deaths had the packaging (i.e., plastic bag) swabbed for DNA and the contents analyzed for the presence of controlled substances. DNA results were eligible for upload into CODIS (Combined DNA Index System) for three of those cases, with one hitting to a convicted offender after entry. The controlled substance results in those cases are provided to the agency to facilitate testing at the coroner's office or provide probable cause for additional buys/search warrants.

The work product of the DCFSC assists the criminal justice system, in particular the DuPage County State's Attorney's Office (DC-SAO) which has taken an aggressive stance against opioid use in the county. Drug mixtures are more complicated to analyze than pure samples. When a sample is pure, confirmatory results are easily obtained with the instruments available in the laboratory. With mixtures, a separation technique is applied to isolate each drug for identification. In the DCFSC, the primary instrument used for both separation of mixtures and ultimate confirmation of a drug's identity is the Gas Chromatograph/Mass Spectrometer (GCMS). With opioid casework trending towards more complex mixtures and mixtures of low concentration drugs, the laboratory relies heavily on the GCMS to meet testing requirements for identification.

Project Implementation

The DCFSC would use grant funds for the following opioid related activities:

- Equipment purchases of a document scanner and two flammable laboratory fridge/freezer units for drug evidence and drug standards.
- Supply purchases of TLC supplies, electronic library of mass spectra data, anti-fatigue mats, cameras for macro and micro photography, ALS vials and inserts and chairs.
- A minimum of four drug chemistry proficiency tests.

The DCFSC would use grant funds for the following non-opioid related activities:

- Two staff members to attend for training to the American Society of Crime Laboratory Directors meeting (travel and registration), multiple track presentations.
- Camera and a colored printer for latent prints.
- A replacement computer and monitors for latent prints to replace aging/end of life workstation.
- Annual accreditation fee.
- A minimum of 15 proficiency tests for staff.
- A custom drug chemistry report for LIMS.
- Two memberships to the National Association of Forensic Science Boards.

The DCFSC follows the County of DuPage procurement process (updated for FY21). For goods and equipment up to \$14,999, the purchase can be approved by the department head. For purchases \$15,000 to \$29,999 the purchase has to be approved by the department head and county parent committee (judicial and public safety) with procurement or the department obtaining three quotes or submitting a decision memo. Purchases over \$30,000 require approval by the department head, county parent committee (judicial and public safety), county finance committee and county board. These purchases are competitive unless they meet sole source justification.

“Youth” means an individual under 18 years of age.

24. Mandatory Attendance. Grantee shall attend meetings as required by Grantor.25. Commencement of Performance.

25.1. If performance has not commenced within 60 days of the execution date of this Agreement, Grantee agrees to report by letter to Grantor the steps taken to initiate the program, the reasons for the delay, and the expected starting date.

25.2. If the program is not operational within 90 days of the execution date of this Agreement, Grantee agrees to submit a second letter to Grantor explaining the implementation delay. Grantor may at its discretion either cancel this Agreement or extend the implementation date of the program past the 90-day period.

25.3. If the program is interrupted for more than 30 days after commencement, Grantee agrees to notify Grantor in writing explaining the reasons for the interruption and the steps being taken to resume operation of the program. Grantor may, at its discretion, reduce the amount of grant funds awarded and/or terminate this Agreement if the program is interrupted for more than 90 days.

26. Budget Changes. Grantee may transfer funds among direct cost categories, however line-item transfers are capped at \$50,000 and limited to 10% of the total award. 32.6 Prior to the execution of its grant agreement, Grantee will submit their subaward monitoring protocol to Grantor for approval.

32.7 Grantee shall use a competitive bidding process for the selection of any subaward not specifically named in this Agreement.

32.8 Grantee shall conduct a programmatic risk assessment of every subaward that receives a subaward through this Agreement.

32.9 Grantee will evaluate each subaward's risk of noncompliance with federal and state statutes; regulations; rules; laws; guidelines; and conditions of this award. Grantee will impose specific conditions upon a subaward, if appropriate.

32.10 Grantee will make fiscal and programmatic technical assistance available to all subawards.

35.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.

36. Management and Disposition of Equipment and Commodities.

36.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.

36.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee shall provide equivalent insurance coverage for grant funded equipment and supplies as provided for other equipment and supplies owned by Grantee. Any loss, damage or theft of equipment and supplies shall be investigated and fully documented, and immediately reported to Grantor.

36.4. If, for an item of equipment described in the Budget to be purchased with Grantor funds, Grantee does not have, at a minimum, a purchase order dated within 90 days after the start date of the agreement, Grantee shall submit a letter to Grantor explaining the delay in the purchase of equipment. Grantor may, in its discretion:

- A. Reduce the amount of funding;
- B. Cancel this agreement;
- C. Allow Grantee to reallocate the funds that were allocated for such equipment to other allowable Grantor approved costs; or
- D. Extend the period to purchase this equipment past the 90-day period.

37. Program Income. All income, including income resulting from asset seizures or forfeitures, generated as a direct result of the program shall be deemed program income. Program income must be used for the purposes and under the conditions applicable to the use of grant funds. Program income may be used by Grantee for any purpose that furthers the objectives of the grant or deducted from the total allowable costs in accordance with Part I, 7.7. Grantee shall report and account for such program income as

required by the Grantor.

38. Separate Revenue and Expenditure Accounts. Grantee must have an accounting system that meets the following requirements prior to receiving grant funds:

- (h) Maintain an accounting system that utilizes generally accepted standards of accounting.

Upon request, Grantor may allow Grantee to receive funds without meeting the above requirements. Such exception shall be granted in writing and Grantee shall be given no more than six (6) months after the exception to meet all requirements of this section.

39. Publications.

39.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

39.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than \$1000 to create or produce. These publication review requirements do not apply to press releases, flyers advertising approved program activities only, newsletters and issue analyses.

39.3. Grantor reserves the right to require the resubmission of any publication for additional review and comment, prior to its printing.

39.4. All publications shall supplement the language required by Part I, Article XIX with the following statement:

39.6 Exceptions to the above requirements shall only be allowed upon Grantor's written prior approval.

40. Reporting Grant Irregularities.

40.1. Grantee shall promptly notify Grantor through their Grant Monitor when an allegation is made, or Grantee otherwise receives information, reasonably tending to show the possible existence of any irregularities or illegal acts in the administration of Grant Funds. Grantor, per its agency policy, shall determine the reasonableness of the allegation of the irregularities or illegal action and determine the appropriate course of action. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

40.2. Grantee shall inform any sub-recipient of Grantor's Grant Funds that the sub-recipient is similarly obligated to report irregularities.

40.3. Failure to report known irregularities can result in suspension of the Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. If the possible misconduct involves Grantee's director, Grantee staff member shall provide prompt notice directly to Grantor.

40.4. In addition, Grantor, if in its judgment there is a reasonable allegation of irregularity or illegal act, shall inform the Office of Justice Program's Office of the Comptroller, the Department of Justice's Office of Professional Responsibility and the Office of Inspector General, and state and local law enforcement agencies or prosecuting authorities, as appropriate, of any known violations of the law within their respective area of jurisdiction.

40.5. Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to Grantor and appropriate federal, State, and local law enforcement officials.

40.5. Grantee agrees to develop and maintain a record-keeping system to document all Agreement related activities and expenditures. These records will act as the original source material for compilation of the data and all other program activity.

40.6. The reporting of any irregularities, illegal acts and the proposed or actual corrective action shall be reported to Grantor at:

Illinois Criminal Justice Information Authority

Grantee shall promptly refer to Grantor, via their assigned Grant Monitor, any credible evidence that a principal, employee, agent, contractor, subcontractor, or subaward has either submitted a false claim for grant funds in violation of the False Claims Act or committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct involving grant funds.

41.2. Potential fraud, waste, abuse or misconduct shall be reported to Grantor at:

43. Conflict of Interest in Hiring and Procurement. In addition to the requirements of Part I, Article XVII, no employee, officer, or agent of Grantee shall participate in the selection of a contractor, award of a contract, administration of a contract, or hiring of personnel supported by grant funds if a conflict of interest, real or apparent, would be involved. Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.
44. Safeguarding Constitutional Protections Related to Religion
- 44.1 Grantee certifies that grant and match funded services must be offered without regard to religious affiliation. Grantee also certifies that the receipt of services through the grant funded program shall not be contingent upon participation in a religious event or activity. Grant or match funds may not be used for any explicitly religious activities such as worship, religious instruction, or proselytization. Grantee may engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and beneficiaries cannot be compelled to participate in them.
- 44.2 Faith-based organizations may consider religion when hiring staff if consistent with the Religious Freedom Restoration Act and other applicable laws. If the grant is funded with federal funds, Grantee must receive prior approval from the Department of Justice, Office for Civil Rights.

- b. If Grantee makes subawards or contracts under this award –
 - i. it represents that –
 - 1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - 2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

46. Background Checks for youth programs. Background checks are required for all program staff, independent contractors, and volunteers, including program staff, independent contractors, and volunteers for subawards and subcontractors, who have direct contact with youth before hiring or before working on the program. Grantee must have a written protocol on file requiring fingerprint-based background checks through the Illinois State Police for all persons and maintain documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

82. Opioid-Related Expenses. Grantee agrees to (1) distinguish in its budget whether a line item expense is "opioid-related" or "non-opioid related", and (2) provide a statement (as described in the solicitation) regarding proposed use of funds to address challenges posed by the opioid abuse crisis, if requested by Grantor.

83. Employment Eligibility Verification for Hiring Under the Award.

83.1. Grantee (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, Grantee (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with Grantee (or any subrecipient) who are or will be involved in activities under this award of both--

- (1) this award requirement for verification of employment eligibility, and
- (2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

83.2. Monitoring. Grantee's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

83.3. Allowable costs. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

83.4. Rules of construction

A. Staff involved in the hiring process For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person

authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require Grantee, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 33.4.B., shall be understood to relieve Grantee, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

83.5. Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email EVerify at E-VerifyEmployerAgent@dhs.gov.

84. Specific Federal Authorization. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract"). The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

85. Unreasonable Restrictions on Competition.

85.1. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by Grantee or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

85.2. No discrimination, in procurement transactions, against associates of the federal government Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

85.3. Monitoring. Grantee 's monitoring responsibilities include monitoring of subrecipient compliance

with this condition.

85.4. Allowable costs. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

86.5. Rules of construction.

A. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

B. Nothing in this condition shall be understood to authorize or require Grantee, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

86. Trafficking in Persons.

86.1. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantee, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of Grantee or of any subrecipient.

86.2. The details of Grantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

87. Determination of suitability to interact with participating minors.

87.1. Grantee, and any subrecipient ("subgrantee") at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

87.2 The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

88. Approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000.

88.1. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition

applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

88.2 The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

89. Copyright; Data Rights.

89.1. Grantee acknowledges that OJP reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under an award or subaward (at any tier); and (2) any rights of copyright to which a recipient or subrecipient (at any tier) purchases ownership with Federal support.

89.2 Grantee acknowledges that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under any such award or subaward; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data - General).

89.3 It is the responsibility of the grantee (and of each subrecipient (at any tier), if applicable) to ensure that the provisions of this condition are included in any subaward (at any tier) under this award.

89.4 Grantee has the responsibility to obtain from subrecipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the recipient's obligations to the Government under this award. If a proposed subrecipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the recipient shall promptly bring such refusal to the attention of the OJP program manager for the award and not proceed with the agreement in question without further authorization from the OJP program office.

90. Fee Change Notice. Grantee understands and agrees that, throughout the award period, it must promptly notify BJA if it either starts or stops charging fees for forensic science or medical examiner services, or if it revises its method of allocating fees received for such services to program income. Notice must be provided in writing to the Grantor grant manager for the award within ten (10) business days of implementation of the change.

91. Justification of Consultant Rate. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.

92. The grantee agrees that no funds under this grant award (including via subcontract or subaward, at any tier) may be used for unmanned aircraft systems (UAS), which includes unmanned aircraft vehicles (UAV), or any accompanying accessories to support UAS.

93. Grantee may not obligate, expend, or drawdown funds until the Bureau of Justice Assistance, Office of Justice Programs has reviewed and approved the Budget Narrative portion of the application and has issued an Award Condition Modification (ACM) informing the grantee of the approval.

Agreement No.723503

94. Grantee may not obligate, expend, or drawdown funds until the Bureau of Justice Assistance, Office of Justice Programs has received and approved the required applications attachment(s) and has issued an Award Condition Modification (ACM) releasing this award condition.

95. Grantee may not obligate, expend, or drawdown any funds under this award until: (1) the grantee has submitted a list of all forensic science laboratories in the State that specifies each forensic science laboratory's accreditation status (and the accrediting body" and the scope of each accreditation; (2) the grantee has submitted a completed and properly-executed "Accreditation Status Certification" using the template provided in the Paul Coverdell Forensic Science Improvement Grants program solicitation; and (3) an Award Condition Modification (ACM) has been issued removing this special condition.

96. The grantee may not obligate, expend, or drawdown any funds under this award until: (1) the grantee has submitted documentation sufficient to demonstrate that any forensic laboratory or forensic laboratory system that will receive any portion of the grant amount either is accredited or will (or will be required to) prepare and apply for accreditation consistent with the Coverdell law and (2) an Award Condition Modification (ACM) has been issued removing this special condition.

97. SECTION - A (continued) Indirect Cost Rate Information

If your organization is requesting reimbursement for indirect costs on line 17 of the Budget Summary, please select one of the following options.

- 1) Our Organization receives direct Federal funding and currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with our Federal Cognizant Agency. A copy of this agreement will be provided to the State of Illinois' Indirect Cost Unit for review and documentation before reimbursement is allowed. This NICRA will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations.

NOTE: (If this option is selected, please provide basic Negotiated Indirect Cost Rate Agreement information in area designated below)

Your Organization may not have a Federally Negotiated Indirect Cost Rate Agreement. Therefore, in order for your Organization to be reimbursed for Indirect Costs from the State of Illinois, your Organization must either:

- A. Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from your State Cognizant Agency on an annual basis.
- B. Elect to use the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois Awards.
- C. Use a Restricted Rate designated by programmatic or statutory policy. (See Notice of Funding Opportunity for Restricted Rate Programs)

- 2a) Our Organization currently has a Negotiated Indirect Cost Rate Agreement with the State of Illinois that will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations. Our Organization is required to submit a new Indirect Cost Rate Proposal to the Indirect Cost Unit within six (6) months after the close of each fiscal year (2 CFR 200 Appendix IV (C)(2)(c)).

NOTE: (If this option is selected, please provide basic Indirect Cost Rate information in area designated below)

- 2b) Our Organization currently does not have a Negotiated Indirect Cost Rate Agreement with the State of Illinois. Our Organization will submit our initial Indirect Cost Rate Proposal (ICRP) immediately after our Organization is advised that the State award will be made and, in no event, later than three (3) months after the effective date of the State award (2 CFR 200 Appendix IV (C)(2)(b)). The initial ICRP will be sent to the State of Illinois' Indirect Cost Unit.

NOTE: (Check with your State of Illinois Agency for information regarding reimbursement of indirect costs while your proposal is being negotiated)

- 3) Our Organization has never received a Negotiated Indirect Cost Rate Agreement from either the Federal government or the State of Illinois and elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards (2 CFR 200.414 (c)(4)(f) & (200.68)).

NOTE: (Your Organization must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs)

- 4) For Restricted Rate Programs (check one) -- Our Organization is using a restricted indirect cost rate that:
 Is included as a "Special Indirect Cost Rate" in our NICRA (2 CFR 200Appendix IV (5) Or;

Section C - Budget Worksheet & Narrative

16. Indirect Cost (2 CFR 200.414) --Provide the most recent indirect cost rate agreement information with the itemized budget. The applicable indirect cost rate(s) negotiated by the organization with the cognizant negotiating agency must be used in computing indirect costs (F&A) for a program budget. The amount for indirect costs should be calculated by applying the current negotiated indirect cost rate(s) to the approved base(s). After the amount of indirect costs is determined for the program, a breakdown of the indirect costs should be provided in the budget worksheet and narrative below.

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

§200.308 Revision of budget and program plans

(e) The Federal/State awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal/State awards in which the Federal/State share of the project exceeds the Simplified Acquisition Threshold and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent or \$1,000 per detail line item, whichever is greater of the total budget as last approved by the Federal/State awarding agency. The Federal/State awarding agency cannot permit a transfer that would cause any Federal/State appropriation to be used for purposes other than those consistent with the appropriation.

State of Illinois -- Uniform Budget Template (updated by ICJIA) -- GATA General Instructions

Section A – Budget Summary

FEDERAL/STATE FUNDS

All applicants must complete Section A and provide a break-down by all applicable budget categories. **Please read all instructions before completing form.**

FEDERAL/STATE GRANT FUNDS

Provide a total requested ICJIA Grant amount for each year in the Revenue portion of Section A. The amount entered in Line (a) will equal the total amount budgeted on Line 18 of Section A.

BUDGET SUMMARY – FEDERAL/STATE FUNDS

All applicants must complete Section A and provide a break-down by the applicable budget categories.

For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Please see detail worksheet and narrative section for further descriptions and explanations of budgetary line items

Section A - Indirect Cost Information: *(This information should be completed by the applicant's Business Office)* . If the applicant is requesting reimbursement for indirect costs on line 17, the applicant's Business Office must select one of the options listed on the Indirect Cost Information page under Section-A Indirect Cost Information (1-4).

Option (1): The applicant has a Negotiated Indirect Cost Rate Agreement (NICRA) that was approved by the Federal government. A copy of this agreement must be provided to the State of Illinois' Indirect Cost Unit for review and documentation. This NICRA will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations. *If this option is selected by the applicant, basic information is required for completion of this section. See bottom of "Section-A Indirect Cost Information"*

NOTE: The applicant may not have a Federally Negotiated Indirect Cost Rate Agreement. Therefore, in order for the applicant to be reimbursed for Indirect Costs from the State of Illinois, the applicant must either:

- A) **Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from our State Cognizant Agency on an annual basis.**
- B) **Elect to use the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois Awards.**
- C) **Use a Restricted Rate designated by programmatic statutory policy. (See Notice of Funding Opportunity for Restricted Rate Programs)**

Option (2a): The applicant currently has a Negotiated Indirect Cost Rate Agreement with the State of Illinois that will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations. The applicant is required to submit a new Indirect Cost Rate Proposal to the Indirect Cost Unit within six (6) months after the close of each fiscal year (2 CFR 200 Appendix IV (C)(2)(c)). **Note:** *If this option is selected by the applicant, basic information is required for completion of this section. See bottom of "Section-A Indirect Cost Information"*

OR

Option (2b): The applicant currently does not have a Negotiated Indirect Cost Rate Agreement with the State of Illinois. The applicant must submit its initial Indirect Cost Rate Proposal (ICRP) immediately after the applicant is advised that the State award will be made and, in no event, later than three (3) months after the effective date of the State award (2 CFR 200 Appendix IV (C)(2)(b)). The initial ICRP will be sent to the State of Illinois' Indirect Cost Unit. **Note:** *The applicant should check with the State of Illinois awarding Agency for information regarding reimbursement of indirect costs while its proposal is being negotiated*

Option (3): The applicant elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards (2 CFR 200.414 (c)(4)(f) & (200.68).

Note: *The applicant must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs. Note the applicant may only use the 10 percent de minimis rate if the applicant does not have an Approved Indirect Cost Rate Agreement. The applicant may not use the de minimis rate if it is a Local government, or if your grant is funded under a training rate or restricted rate program.*

Option (4): If you are applying for a grant under a Restricted Rate Program, indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement, or whether you are using a restricted indirect cost rate that complies with statutory or programmatic policies. **Note:** *See Notice of State Award for Restricted Rate Programs*

Section B - Budget Summary

MATCH FUNDS

MATCH FUNDS: If the applicant is required to provide or volunteers to provide cost-sharing or matching funds or other non-ICJIA resources to the project, the applicant must provide a revenue breakdown of all Match funds in lines (b)-(d). the total of "Match Funds" should equal the amount budgeted on Line 18 of Section B. If a match percentage is required, the amount should be entered in this section.

BUDGET SUMMARY – MATCH FUNDS

If the applicant is required to provide or volunteers to provide cost-sharing or matching funds or other match resources to the project, these costs should be shown for each applicable budget category of Section B.

For each applicable budget category for which matching funds are provided, show the total contribution. Only use those categories that are visible.

Please see detail worksheet and narrative section for further descriptions and explanations of budgetary line items

Section C - Budget Worksheet & Narrative

[Attach separate sheet(s)]

Pay attention to applicable ICJIA-specific instructions.

All applicants are required to submit a budget narrative along with Section A and Section B. The budget narrative is sometimes referred to as the budget justification. The narrative serves two purposes: it explains how the costs were estimated and it justifies the need for the cost. The narrative may include tables for clarification purposes. The State of Illinois recommends using the State of Illinois Uniform Budget Template worksheet and narrative guide provided.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B.
2. For match funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
 - a. The specific costs or contributions by budget category;
 - b. The source of the costs or contributions; and
 - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

Budget Instructions (General)

[Please review cost sharing and matching regulations found in 2 CFR 200.306.]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.

4. If the applicant is requesting reimbursement for indirect costs on line 17, this information should be completed by the applicant's Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which the applicant is applying and/or the applicant's approved Indirect Cost Rate Agreement, some direct cost budget categories in the applicant's grant application budget may not be included in the base and multiplied by your indirect cost rate. Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

5. Provide other explanations or comments you deem necessary.

Keep in mind the following—

Although the degree of specificity of any budget will vary depending on the nature of the project and State of Illinois agency requirements, a complete, well-thought-out budget serves to reinforce your credibility and increase the likelihood of your proposal being funded.

- A well-prepared budget should be reasonable and demonstrate that the funds being asked for will be used wisely.
- The budget should be as concrete and specific as possible in its estimates. Make every effort to be realistic, to estimate costs accurately.
- The budget format should be as clear as possible. It should begin with a budget narrative, which you should write after the entire budget has been prepared.
- Each section of the budget should be in outline form, listing line items under major headings and subheadings.
- Each of the major components should be subtotaled with a grand total at the end.

Your budget should justify all expenses and be consistent with the program narrative:

- Salaries should be comparable to those within the applicant organization.
- If new staff is being hired, additional space and equipment are considered, as necessary.
- If the budget lists an equipment purchase, it is the type allowed by the agency.
- If additional space is rented, the increase in insurance is supported.

- If an indirect cost rate applies to the proposal, the division between direct and indirect costs is not in conflict, and the aggregate budget totals refer directly to the approved formula. Indirect costs are costs that are not readily assignable to a particular project, but are necessary to the operation of the organization and the performance of the project (like the cost of operating and maintaining facilities, depreciation, and administrative salaries).

§200.308 Revision of budget and program plans

(e) The Federal/State awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal/State awards in which the Federal/State share of the project exceeds the Simplified Acquisition Threshold and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent or \$1,000 per detail line item, whichever is greater of the total budget as last approved by the Federal/State awarding agency. The Federal/State awarding agency cannot permit a transfer that would cause any Federal/State appropriation to be used for purposes other than those consistent with the appropriation.

State of Illinois -- Uniform Budget Template (updated by ICJIA) -- ICJIA Specific Instructions

Section A – Budget Summary

I. Section A: Federal/State funds are those that come from ICJIA as part of a NOFO or continuation. The Implementing Agency is the entity that will be responsible for managing the agreement. Please complete all cells in blue. If indirect costs are being included in the budget, don't forget to include the Rate and Base in the left column. The following information can be found on the GATA website or on the Uniform Notice of Funding Opportunity (NOFO): NOFO ID; CFSA Number; CFSA Short Description; State Fiscal Year(s) and Project Period. If this is a continuation grant, please enter the grant number.

II. Section A - Indirect Costs: One of the following must be checked: Item 1; 2a or 2b; 3, 4, or 5. If Option 1 or 2a is selected, then the box at the bottom of the page must be filled out.

III. Section B: All required match must be included. If you are including additional match (overmatch), do not separate required match from overmatch. Those amounts should be combined together. If match is being included in your budget, please complete all cells in blue. If indirect costs will be paid by matching funds, include the Rate and Base in the left column.

IV. Applicant Certification: The Implementing Agency (and Program Agency, if different from the Implementing Agency), must complete this form at the time the grant agreement is signed.

V. FFATA Form: This should only be filled out if the source of ICJIA funds is federal (ie JAG, VOCA, VAWA, etc.) AND if the implementing agency receives \$25,000 or more in federal funds. To confirm whether federal funds are part of this award, please refer to the CFDA number on the Uniform Notice for Funding Opportunity (NOFO). If there is a CFDA number, then this award includes federal funds.

VI. Section C1- Personnel:

A) If a cost of living increase is anticipated, please reflect the adjusted salary in one line item. In the justification, please state that the salary reflects a cost of living increase and provide the amount/length of time of the initial salary and amount/length of time of the final salary.

B) If you are budgeting for overtime, please put the overtime amount on the bottom row. In the justification, please state how the overtime amount has been calculated.

C) Quantity of time will depend on the basis selected.

VII. Section C2 - Fringe:

A) If additional staff were added to the Personnel tab, please make sure they are also added here. Check the totals to make sure that all additional personnel are included. Fringe should include both the ICJIA and match amounts.

B) If a personnel's salary is prorated, then the flat rate fringe must also be prorated.

C) Please enter the percentages for retirement, insurance (include health, dental and life) and workman's comp. If there are other fringe benefits, please enter what the benefit is and the percentage.

D) Column M has been provided for any flat rate fringe benefits. Please enter the dollar amount in Column M. The narrative should provide sufficient detail that ICJIA understands how the flat rate fringe benefits were calculated.

VIII. Section C3 - Travel:

A) This page is to be used for all travel costs - both daily and out of town. Please put similarly purposed trips together. For example - daily mileage reimbursement costs can all be on one line item and daily parking costs on the next line item. Out of town trips should also be listed together. For example, if you will attend two conferences, please put costs associated with the first conference together, and then put costs associated with the second conference together.

B) Travel expenses can not exceed the State of Illinois rates (or your agency's rate, whichever is lower). Mileage, per diem, and lodging rates can be found here:

<https://www.illinois.gov/cms/Employees/travel/Pages/TravelReimbursement.aspx> (copy and paste this address into a web browser).

IX. Section C4 - Equipment:

- A) All equipment must be purchased no later than 90 days after the start of the grant, unless otherwise approved by your ICJIA grant monitor.
- B) Equipment must be pro-rated if the piece of equipment will be used for any purpose other than the grant program.

X. Section C5 - Supplies: Please list all supplies/commodities in this section.

XI. Section C6 - Contractual Services: Pro-rated Share - Certain contractual costs must be pro-rated to determine how much can be applied to the grant program. For example, telephone costs would be proportional to the number of FTEs on the grant funded program divided by the total number of FTE employees in the office. Utility or rent costs would be proportional to the space occupied by the grant funded program divided by the total space.

XII. Section C16 - Indirect Costs:

- A) If a federally-approved or state-approved indirect cost rate is being included, please provide the letter showing the approved indirect cost rate.
- B) If any indirect cost rate is being included (de minimus, federally approved or state approved), the certification must be signed at the time the grant agreement is signed.**

XIII. Summary: Please make sure the amounts on this page are the same as the amounts on each of the Budget Worksheet and Narrative tabs.

XIX. Agency Approval: Do not complete this form - this will be filled out by ICJIA.

Compliance with general appropriations-law restrictions on the use of federal funds (FY 2022)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at <https://www.ojp.gov/funding/Explore/FY22AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2022 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2022 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2022 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.334.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees>.

Required training for Grant Award Administrator and Financial Manager

The Grant Award Administrator and all Financial Managers for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after October 15, 2020, will satisfy this condition.

In the event that either the Grant Award Administrator or a Financial Manager for this award changes during the period of performance, the new Grant Award Administrator or Financial Manager must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after the date the Entity Administrator enters updated Grant Award Administrator or Financial Manager information in JustGrants. Successful completion of such a training on or after January 1, 2020, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to

The recipient should anticipate that OJP will immediately withhold (freeze) award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6

Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

7

Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

8

Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements

that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ) (or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

16

Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

17

Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

18

Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

19

Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

20

Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

at any time, or any person or other entity, or any obligation otherwise imposed by law, including 5 U.S.C. 1027a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

21

Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

22

Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

23

All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

24

Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

25

Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26

Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

27

Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

28

Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.

29

Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

30

The recipient understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The recipient further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

31

FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

32

Applicants must ensure that Limited English Proficiency persons have meaningful access to the services under this program(s). National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI and the Safe Streets Act, recipients are required to take reasonable steps to ensure that LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with Title VI requirements. The guidance document can be accessed on the Internet at www.lep.gov.

33

The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

34

Verification and updating of recipient contact information

The recipient must verify its Grant Award Administrator, Financial Manager, and Authorized Representative contact information in JustGrants, including telephone number and e-mail address. If any information is incorrect or has changed, the award recipient's Entity Administrator must make changes to contact information through DIAMD. Instructions on how to update contact information in JustGrants can be found at <https://justicegrants.usdoj.gov/training/training-entity-management>.

35

The recipient agrees that no funds under this grant award (including via subcontract or subaward, at any tier) may be used for unmanned aircraft systems (UAS), which includes unmanned aircraft vehicles (UAV), or for any accompanying accessories to support UAS.

36

The recipient agrees to submit to BJA for review and approval any curricula, training materials, proposed publications, reports, or any other written materials that will be published, including web-based materials and web site content, through funds from this grant at least thirty (30) working days prior to the targeted dissemination date. Any written, visual, or audio publications, with the exception of press releases, whether published at the grantee's or government's expense, shall contain the following statements: "This project was supported by Grant No. <AWARD_NUMBER> awarded by the Bureau of Justice Assistance. The Bureau of Justice Assistance is a component of the Department of Justice's Office of Justice Programs, which also includes the Bureau of Justice Statistics, the National Institute of Justice, the Office of Juvenile Justice and Delinquency Prevention, the Office for Victims of Crime, and the SMART Office. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the U.S. Department of Justice." The current edition of the DOJ Grants Financial Guide provides guidance on allowable printing and publication activities.

37

Any Web site that is funded in whole or in part under this award must include the following statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a Web-based service, including any pages that provide results or outputs from the service: "This Web site is funded in whole or in part through a grant from the Bureau of Justice Assistance, Office of Justice Programs, U.S. Department of Justice. Neither the U.S. Department of Justice nor any of its components operate, control, are responsible for, or necessarily endorse, this Web site (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)." The full text of the foregoing statement must be clearly visible on the home page. On other pages, the statement may be included through a link, entitled "Notice of Federal Funding and Federal Disclaimer," to the full text of the statement.

38

Protection of human research subjects

The recipient (and any subrecipient at any tier) must comply with the requirements of 28 C.F.R. Part 46 and all OJP policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

39

Confidentiality of data

The recipient (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

40

Copyright; Data rights

The recipient acknowledges that OJP reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under an award or subaward (at any tier); and (2) any rights of copyright to which a recipient or subrecipient (at any tier) purchases ownership with Federal support.

The recipient acknowledges that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under any such award or subaward; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data - General).

It is the responsibility of the recipient (and of each subrecipient (at any tier), if applicable) to ensure that the provisions of this condition are included in any subaward (at any tier) under this award.

The recipient has the responsibility to obtain from subrecipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the recipient's obligations to the Government under this award. If a proposed subrecipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the recipient shall promptly bring such refusal to the attention of the OJP program manager for the award and not proceed with the agreement in question without further authorization from the OJP program office.

41

The award recipient agrees to participate in a data collection process measuring program outputs and outcomes. The data elements for this process will be outlined by the Office of Justice Programs.

42

Conditional Clearance

The recipient may not obligate, expend or draw down funds until the Office of the Chief Financial Officer (OCFO) has approved the budget and budget narrative and an Award Condition Modification (ACM) has been issued to remove this award condition.

43

Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

44

Statement of Federal Involvement

Due to the substantial Federal involvement contemplated in completion of this project, the BJA has elected to enter into a cooperative agreement rather than a grant. This decision is based on OJP and BJA's ongoing responsibility to assist and coordinate projects that relate to the funded activities. OJP and BJA will provide input and re-direction to the project, as needed, in consultation with the recipient, and will actively monitor the project by methods including, but not limited to, ongoing contact with the recipient. In meeting programmatic responsibilities, OJP, BJA, and the recipient will be guided by the following principles: responsibility for the day-to-day operations of this project rests with the recipient in implementation of the recipient's approved proposal, the recipient's approved budget, and the terms and conditions specified in this award. Responsibility for general oversight and redirection of the project, if necessary, rests with BJA. In addition to its programmatic reporting requirements, the recipient agrees to provide necessary information as requested by OJP and BJA. Information requests may include, but are not limited to, specific submissions related to: performance, including measurement of project outputs/outcomes; meeting performance specifications; developmental decision points; changes in project scope or personnel; budget modifications; and/or coordination of related projects.

45

Within 45 calendar days after the end of any conference, meeting, retreat, seminar, symposium, training activity, or similar event funded under this award, and the total cost of which exceeds \$20,000 in award funds, the recipient must provide the program manager with the following information and itemized costs:

- 11) costs of refreshments provided during the event;
- 12) costs of event planner;
- 13) costs of event facilitators; and
- 14) any other costs associated with the event.

The recipient must also itemize and report any of the following attendee (including participants, presenters, speakers) costs that are paid or reimbursed with cooperative agreement funds:

- 1) meals and incidental expenses (M&IE portion of per diem);
- 2) lodging;
- 3) transportation to/from event location (e.g., common carrier, Privately Owned Vehicle (POV)); and,
- 4) local transportation (e.g., rental car, POV) at event location.

Note that if any item is paid for with registration fees, or any other non-award funding, then that portion of the expense does not need to be reported.

Further instructions regarding the submission of this data, and how to determine costs, are available in the DOJ Financial Guide Conference Cost Chapter.

46

The recipient agrees to budget funds for one staff representative to attend BJA's Annual Training and Technical Assistance Providers' Meeting once a year for two to three (2-3) days in Washington, D.C.
