Grant Proposal Notification

1. Justify the department's need for this grant.

The DuPage County Sheriff's Office has over 383 sworn Deputies and 12 Court Security Officers, all who need to wear protective gear. The type of protective gear is dependent on the Bureau current assignment for each deputy. Those assigned to Corrections will wear a level 2 ballistic/stab resistant vest and those assigned to Law Enforcement, Judicial Office Facility, SWAP, and the Warrants/Transport Bureau will wear a level 3 bulletproof vest. Each vest is uniquely fitted for each deputy to allow for ease of movement and proper breathing while protecting the wearer with ample coverage. These vests have a life span of five years. The protection the two vests offer are not interchangeable. The Sheriff's Office has a policy on the Use and Care of Body Armor mandating members to wear body armor while performing their duties as a member of the Sheriff's Office. Providing potential lifesaving protective gear has a large associated cost. The Sheriff's Office must budget for approximately 100 new or replacement vests a year.

2. Based on the County's Strategic Plan, which strategic imperative(s) correlate with funding opportunity. Provide a brief explanation.

The strategic imperative that correlate most to this funding opportunity is Quality of Life. By providing up-to-date, high quality, and compliance tested protective vests can save a deputies life.
