P. Email signatures (contact information at the bottom of each email) must be used for emails sent externally, and should be used for emails sent to other employees within the County email system. Employees must keep signatures professional in nature. At a minimum, the signature must identify the County, the sender's name, and their Department.

Q. The County requires the use of an Out of Office message if the employee will be out of the office for the entire business day or more. The message should notify the sender that the employee is out of the office and who the sender should contact if immediate assistance is required.

~~The County makes the distinction between the sending of mass emails and the sending of unsolicited email (SPAM). Mass emails may be useful and is allowed as the situation dictates. Sending of SPAM emails is strictly prohibited. Mass emails must have the following characteristics. Emails sent to County employees or persons who have already inquired about the County's services are exempt from the below requirements.~~

- ~~The email must contain instructions on how to unsubscribe from receiving future emails. Unsubscribe requests must be honored immediately.~~
- ~~The email must contain a subject line relevant to the content.~~
- ~~The email must contain contact information, including the physical address, of the sender.~~
- ~~The email must not contain intentionally misleading information.~~

R. Employees should be advised that the County owns and maintains all legal rights to its email system and network, and thus any email passing through these systems is is owned by the County, and it may be subject to use for purposes not anticipated by the employee. Email may be backed up, otherwise copied, retained, or used for legal, disciplinary, or other reasons. Additionally, certain emails sent to or from the County may be considered public record and, therefore, subject to the Freedom of Information Act (5 ILCS 140/1 et seq.).

S. Accessing the County's email system from a non-County device without the permission of an Employee's supervisor is prohibited. If the County provides the Employee a smart phonesmartphone, then permission is implied.

T. The County requires the use of email disclaimers and attaches email disclaimers on every original outgoing external email sent from County Board Departments. An email disclaimer is appended to the bottom of outgoing email messages and is intended to notify recipients of any limitations on the email content. For example, that contentscontent may be subject to public inspection as part of the Freedom of Information Act.

U. Emails that are or may be constituted as "Records" per the State of Illinois Records Retention Act must be retained as per the regulations in that act. Each Department's Application for Authority determines what constitutes a Record What constitutes a

Record is determined by each Department's Application for Authority to dispose of local records. These records should be retained outside of the email system.

- V. Employees are encouraged to delete non-record ~~email~~emails periodically when the email is no longer needed for business purposes, however, Employees are strictly prohibited from deleting an email in an attempt to hide a violation of this or another County policy, or where the deleted email is a "record" as defined by the Illinois Record Retention Act. Email must not be deleted when there is an active investigation or litigation where that email may be relevant.

CELLPHONE AND WIRELESS DEVICE USE GUIDELINES

The County will provide cellphones to employees where an employee is required, ~~in at~~ the sole discretion of the Department Head, to have a cellphone to conduct County business. Any cellphone equipment provided will be limited to equipment that is provided at minimal cost by the current contracted wireless carrier. Exceptions will be made on a ~~case by case~~case-by-case basis and only if a special accommodation is needed.

The following guidelines apply to ~~any and all~~ devices used to access the County's e-mail system.

- A. Employees shall not download and/or save sensitive, ~~confidential~~confidential, or inappropriate information to their wireless devices unless the devices are encrypted with County approved encryption software, and/or ~~are~~ password protected.
- B. Employees are responsible for locking and securing their wireless devices. Please contact the IT Department for procedures regarding securing wireless devices.
- C. All wireless devices that access the County's e-mail system must have the ability to be disabled remotely.
- D. Installation of non-~~business related~~business-related applications or software that results in any cost to the County is prohibited.
- E. Lost phones must be reported immediately to the Department Head ~~or Elected Official~~, Security Office, and the IT Department.
