People's Resource Center	Homelessness Prevention	2025/2026	\$100,000.00	\$2,294,279.00	Public Service to provide housing support through case management by securing financial assistance to maintain or obtain housing - CDBG	PRC's Homelessness Prevention Program (HPP) prevents homelessness for low-income residents of DuPage County by distributing financial assistance and issuing referrals for related services and resources. When a client comes to PRC for a service and a housing need is identified during the intake process, the client is contacted to complete a "pre-screening" for initial eligibility. Clients who call directly for housing assistance are connected to PRC's Homeless Prevention Hotline, with a recorded message detailing eligibility requirements. HPP staff, a social work intern, or a trained volunteer will return their call and conduct a pre-screening. Households that may be eligible for assistance after the pre-screen schedule an in-person or virtual appointment to complete a housing assessment. They receive a verbal, written or emailed explanation of the documentation required for the appointment. During the pre-screen, referrals for any other immediate needs are provided. Eligible households can receive assistance with rent, mortgage, security deposit, HOA fees and utility assistance to avoid eviction or foreclosure or secure affordable housing. As needed, families receive case management support. Clients are also directed to other PRC services to help alleviate financial strain, such as free food, clothing & SNAP assistance. The total cost of HPP in FY2025 is \$2,294,279.	109.5
