Subject: Cold case murder at Pratt's Wayne Woods

Comment:

Lorraine Bieze was a 21 year-old mother who was raped and murdered August 31, 1982. She was left near Pratt's Wayne Woods (District 6).

The case remains unsolved being investigated by experienced members of the DuPage County Sheriff Office. I ask that this committee continue to advocate

on behalf of Lorraine in supporting the sheriff office in its ongoing efforts to solve this egregious murder.

A public information effort by the sheriff office requires many things, one aspect is an informational bulletin. I ask that District 6 Representatives Mr. Zay and Mr. Schwarze and the other members of this committee lead the effort to inform the public so more information can be developed while investigators pursue all leads in this cold case investigation.
