Conditional Use to allow a second mausoleum building on the subject property.

Subject to the following conditions:

1. That the property be developed in accordance with the petitioner's site plan made part of Zoning Petition #**ZONING-25-000025 Assumption Cemetery** dated May 21, 2025.

2. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.
3. That the property be developed in accordance with all other codes and Ordinances of DuPage County.

ZHO Recommendation to Approve

FINDINGS OF FACT:

- A. That petitioner testified that the subject zoning relief is to allow a second mausoleum building on the subject property.
- B. That petitioner testified that the subject property is the Assumption Cemetery that currently includes one (1) mausoleum building.
- C. That petitioner testified that they propose to build a second mausoleum building on the subject property.
- D. That petitioner testified the second mausoleum building will not impact the surrounding area as the subject use is very dormant with little to no traffic, and only occasional visitors.
- E. That petitioner testified there is currently sufficient detention storage in the existing pond on the subject property to support the second mausoleum.
- F. That the Zoning Hearing Officer recommended to approve the subject zoning relief as petitioner provided sufficient information for the requested Conditional Use to construct a second mausoleum building on the subject property.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically, that the granting of the Conditional Use will not:
 - a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the proposed mausoleum exceeds the required setbacks and will not be located near any property lines.
 - b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that they will obtain a building permit for the proposed mausoleum and any construction or excavation that occurs on the subject property.
 - c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the proposed mausoleum will be an added benefit to the neighborhood and will not diminish the value of land and buildings.
 - d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the proposed mausoleum does not generate traffic and will not unduly increase traffic congestion in the public streets and highways.

- e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the proposed mausoleum will not increase the potential for flood damages as there is sufficient detention storage in the existing pond.
- f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the proposed mausoleum will not incur additional public expense for flood protection, rescue, or relief as there is sufficient detention storage in the existing pond.
- g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the proposed mausoleum will not impair the public health, safety, comfort, morals, or general welfare as the mausoleum will be an added benefit to the surrounding area as it is primarily dormant use that generates little to no traffic and is sufficiently setback from all other property lines.
