4. CHAIR REMARKS - CHAIR EVANS

Chair Evans welcomed all to the Committee. She then informed everyone that the 18th Judicial Circuit Court was awarded the Illinois Courts Technology Modernization Program Grant. With this funding, the Court plans to complete two major projects: the completion of the traffic courtroom AV equipment upgrades and the implementation of an updated jury management system. Notification of this grant was received too late for these items to be placed on today's Judicial and Public Safety Committee Agenda. Therefore, in order to complete these projects in the FY24 grant cycle, it is necessary to discharge the Judicial and Public Safety Committee and bring these procurement items directly to the Finance and County Board meetings on March 26, 2024. Chair Evans thanked the staff of the 18th Judicial Circuit Court for their efforts in securing this grant.

Member Yoo asked about the medical services provided to the inmates in the past and whether the previous rates are comparable with the rates proposed in this new Agreement. Mr. Blumenthal responded that this is the exact same contract and simply a renewal. Member Chaplin asked when the contract end date is. Mr. Blumenthal confirmed that the end date is July 31, 2027. In addition, Member Chaplin asked what kind of services are being provided to the inmates. Intergovernmental Agreement with Bloomingdale Township for Police Services for a total amount of \$137,656.81, for the period April 1, 2024 through March 31, 2025. (Sheriff's Office)

Member DeSart commented that the dollar amounts on these Intergovernmental Agreements are not consistent and asked for an explanation as to how the rates are calculated. Deputy Chief Dan Bilodeau from the Sheriff's Office explained that Milton

Township has three deputies assigned to it which triples the dollar amount of its contract. The other three townships are each assigned only one deputy. A question was raised by Member Tornatore as to why Milton Township has three deputies while the other three townships only have one. Deputy Chief Bilodeau responded that these requests from the townships for the number of deputies they require have remained consistent for at least twenty years. Member Chaplin asked what, if any, additional pressure having deputies assigned to townships places on the department. Deputy Chief Bilodeau replied that these assignments do not bring any hardship to the Sheriff's Office. Member Eckhoff stated that, in previous years, 80% of these contracts were paid by the Township and 20% were paid by DuPage County. He asked if this was still the split and Mr. Blumenthal confirmed that it is. According to Member Zay, the number of deputies assigned to each township was decided by the voters through a referendum many years ago. Another question was brought forth by Member Yoo who asked for an explanation of the number of hours the deputies work. Deputy Chief Bilodeau explained the amount of hours that the deputies work per shift for each township.

The motion was approved on a voice vote, all "ayes".
