**UNDERSHERIFF**

## COUNTY OF DUPAGE

**To: Finance Department – County of DuPage**  
**From: Staff Sergeant Tony Liu #856**  
**Subject: Taser X26 and Taser 7 Equipment Disposition Request**  
**Date: 10/30/2024**

In the year 2024, the Sheriff's Office began utilizing the latest taser technology from Axon, Inc. - Taser 10. The previous models of taser technology (X26 and Taser 7) do not have transferrable equipment, except for Taser 7 batteries, therefore previous taser technology is at end of life.

Axon, Inc. advised that their return policy would not allow for the Sheriff's Office to receive a refund, nor credit from Taser X26 and Taser 7 hardware (See attached). I am requesting the following:

<b>Taser X26</b>		
<b>Item Description</b>	<b>Quantity</b>	<b>Disposition (Recycle / Donation / Destruction)</b>
Conducted Energy Weapon	91	Destruction – Return to Axon
Taser Cartridges (Mixed Variety)	715	Donation – L.E. agencies
Holsters	42	Donation – L.E. agencies
Batteries (Taser Cams)	31	Recycle – Return to Axon
Batteries (Standard)	56	Donation – L.E. agencies and/or Recycle – DuPage Co.
Sync Cords	14	Donation – L.E. agencies and/or Recycle – DuPage Co.
Taser Cam Chargers	20	Recycle – DuPage Co.
Firmware Update Cords	3	Recycle – DuPage Co.

<b>Taser 7</b>		
<b>Item Description</b>	<b>Quantity</b>	<b>Disposition (Recycle / Donation / Destruction)</b>
Conducted Energy Weapon	139	Destruction – Return to Axon
Taser Cartridges (Mixed Variety)	2344	Donation – L.E. agencies
Holsters	61	Donation – L.E. agencies

Thank you in advance,

Staff Sergeant Tony Liu #856
