Purchase Order #: _____

Requesting Department: Division of Transportation	Department Contact: Steve Mlynarczyk
Contact Email: steven.mlynarczyk@dupagecounty.gov	Contact Phone: 6900
Vendor Name: BLA, Inc.	Vendor #: 10796

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

The Professional Construction Engineering Services contract 5752-1-SERV with BLA, Inc. for improvements along 75th Street, from Millbrook Drive to Green Road, Section# 18-00233-04-SP expires November 30, 2024. An extension of time until October 31, 2025 is recommended.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

Due to various supply chain delays for the procurement of traffic signal equipment, the project could not be completed by the end of 2022 as per the approved construction progress schedule. The physical construction was substantially completed in the summer of 2023. Due to long processing times by IDOT for the final contract documentation and closeout process has been drawn out. It is anticipated that this process can be substantially completed by the fall of 2025.

Original Source Selection/Vetting Information - Describe method used to select source.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry and responses were received from 22 firms qualified to perform this work. The DOT reviewed each submittal with specific attention to their understanding of the project, experience of staff to be assigned to the project, and relevant past work. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by BLA, Inc. is qualified and has the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

An extension of time to October 31, 2025 with no change in the contract amount is the recommended course of action since BLA, Inc. has completed the work to date in a satisfactory and timely manner. BLA, Inc. is in the best position to continue to provide the construction engineering for this project at the lowest cost to the County. Terminating this contract and soliciting proposals for a new contract would delay the work and result in higher costs.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

No change in the contract encumbrance.
