7. CHAIR'S REPORT / PRESENTATIONS

Chair Conroy made the following remarks:

Today I want to acknowledge what most of you already know. The DuPage County State's Attorney filed a suit against the DuPage County Clerk last week seeking a court order compelling the Clerk to comply with County accounting practices. Because there is a pending court case and the State's Attorney is acting on behalf of the County, it's my hope we can refrain from commenting on this situation on the Board floor and I ask Board Members to generally be mindful of any public comments regarding this situation. If you have questions, all inquiries should be directed to the State's Attorney's Office.

This month, September is National Suicide Prevention Month. It's a time dedicated to raising awareness about the importance of mental health, supporting those who struggle, and promoting resources that can save lives. This month, in coordination with our DuPage Health Department, we are ensuring that our community is aware of our 988 Suicide and Crisis Lifeline. By calling, texting, or chatting to 988, people can connect with trained counselors who provide confidential, compassionate care 24/7.

The Crisis Recovery Center (CRC), scheduled to open in the summer of 2025, will be another transformative resource for those facing a mental health or substance use crisis, offering comprehensive and compassionate care, immediate support, stabilization, and connection to ongoing services. Starting today on our DuPage County Board Facebook page, we will join our partners in promoting a new video which will introduce the community to the vital services the CRC will provide. We kindly ask for your support in sharing this video with your networks and partners to help increase visibility and reach those who may benefit from our services. Again, the video is up today on our DuPage County Facebook page.

And finally, thanks to all who attended our Mental Health Summit held on Saturday. We had a wonderful turnout featuring some great information and inspiration shared by former Congressman Patrick Kennedy who spoke. The event also featured a resource expo and tours of the mental health court and services available at the Health Department's Community Center. I am grateful to Jenna Rossi from our County Board Office and Mila Sagalis, from the Health Department who planned the event. And a shout out to the elected officials, staff and community members who all contributed their time and made the event such a success.
