5. PRESENTATION

5.A. Marsh McLennan Insurance Presentation

Chris Bouschet, President of Marsh McLennan Agency, presented the 2025 Employee Benefit Planning PowerPoint to the Committee. A recap of the coverage decisions that were made in 2024 was discussed first, followed by a review of the 2021 through 2024 plan years. Gross costs per employee per year were compared for the 2019 through 2024 plan years. 2025 cost projections and cost reduction alternatives were also discussed with the Committee.

If no changes to the 2025 plan design or employee contributions were to be adopted, this would result in a \$549,617 employer net increase. Mr. Bouschet recommended removing the surcharge associated with Illinois House Bill 5285, and replacing the County's telemedicine provider. These recommendations would result in an adjusted \$603,679 employer net increase. Committee members supported these two recommendations. No recommendations were made at this time to increase the employee contributions for the 2025 plan year.
