11. COMMUNITY SERVICES UPDATE - MARY KEATING**11.A. [24-0971](#)**

ERA Update

Mary Keating, Director of Community Services, updated the committee on the emergency rent assistance program. Ms. Keating reviewed the history of the original programs run by the Illinois Housing Development Authority (IHDA) which started in 2021 with funding from the U.S. Treasury, expending about \$40M and assisted about 4000 households.

IHDA closed the programs in 2023 but are continuing to use state funds to assist individuals currently in eviction court. They have assisted about 1500 DuPage County households for about \$15M dollars. DuPage County still has about \$10M left.

Ms. Keating stated we should see an open contract consisting of several different agencies we will work with to process applications for rent assistance at the Finance Committee on Tuesday, March 26. The agencies will assist residents with applications by gathering all pertinent information from the household and from the landlord. Prairie State Legal will have a contract for legal services.

The pending program's primary focus will be on homeless prevention. The program will serve households below 50% of the area median income which is about \$55,000 for a household of four. Funding will cover rent arrearages for up to six months, and up to three months in advance. They will be able to rehouse individuals provided they show a futurability to pay rent.

The contracts will be in effect April 1, 2024, but we do not anticipate the program to be fully functional until July, as we are still working to establish the process and the workflow. What we expect to happen is that individuals reaching out will be referred to the agency that will best serve them, based on population, geography, or who may be processing applications for the general public. The agency will pay the landlord and we will then reimburse the agency, giving the agency a 10% administration fee.

The funds must be expended by September 2025. The contracts will go through January 2026, to ensure we can close out funding applications and complete all reporting.

Mary Keating answered questions regarding the pending program.

Requesting Department: DuPage Care Center	Department Contact: Nursing

Vendor Name: Maxim Healthcare Services, Inc.	Vendor #: 13962

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

Increase contract in the amount of \$28,715.00 to cover services through April 12, 2024.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

This contract is to provide supplemental staffing (CNA's, LPN's & RN's) for the period 04/13/23 through 04/12/24, per Proposal renewal #21-006-CARE.

The Nursing Department has analyzed this contract and it has been determined that this contract will need to be increased to provide supplemental staffing services.

DPCC has decreased Novastaff Healthcare in the amount of \$28,715.00 to accommodate this increase to Maxim Healthcare (1 of 3 supplemental staffing companies). Maxim Healthcare has been providing the most staff on a consistent basis out of the three (3) supplemental staffing contracts.

NOTE: Decreasing Novastaff Healthcare (1 of 3) to allow for an increase to Maxim Healthcare, which will not impact budget line. No change in the budget line amount needed at this time.

Strategic Impact

Select one of the five strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

Maxim Healthcare Services is one (1) of three (3) companies that provides supplemental staffing to our facility. Maxim has been the company that is currently providing consistent agency staff for for the DuPage Care Center.

Source Selection/Vetting Information - Describe method used to select source.

RFP #21-006-CARE

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

- 1) DuPage Care Center recommends that this contract for supplemental staffing (CNA's, LPN's & RN's) for the period 04/13/23 through 04/12/24, be increase in the amount of \$28,715.00 to cover services provided through the end of this contract period.
- 2) Develop cash based incentives (beyond those that already are offered) to further entice current staff to work more overtime to cover the open shifts. This has the potential to cause significant staff burnout, resulting in less than desirable performance levels and an exacerbation to the current challenges.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

NO CHANGE TO THE BUDGET LINE
