\*Special Note: Manholes #J98, J99A, and J99 are in a wooded area near 97<sup>th</sup> & Madison. We are requesting that the county provide a clear access to the manholes for equipment access. We intend on utilizing our tracked skid steer to mobilize in and out of the area.

\*Special Note #2: Manhole #130 located at 7731 Gail has an existing epoxy liner that cannot be removed. Through our video inspection, the current lining appears to be complete and does not need replacement. MH #130 was removed from the proposed lining quantities (7.66 VF).

Thank you for the opportunity to quote this manhole lining project. If this proposal is accepted, regular payments to be made to Hoerr Construction, Inc. monthly as the work progresses, as billed, for the units that were installed. If a separate contract format is used, this document shall be included as an exhibit. This proposal may be retracted if not accepted within 30 days. If you have any questions, please call me on 312 350 0301
