Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Negotiate managed care contracts for Medicaid, eldercare advantage & commercial plans. ILASN will notify as to which payor contracts they agree to participate in as provider of health care services for the period January 1, 2024 through December 31, 2024, for a total amount not to exceed \$18,139.48, per Other Professional Services (this is to obtain the best rates and quality incentive bonuses for the DuPage Care Center)

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
The payor source for over 80% of the residents at DPCC is Medicaid. As part of the Medicaid managed care expansion negotiates managed care contracts for Medicaid, ElderCare advantage and commercial plans. Each facility is expected to negotiate contracts individual MCO's This has been a very challenging process as DPCC is a stand alone facility and there is not a structured contracting process established by the State. Leading Age is building a network of not for profit facilities that can reach out to these MCOs to negotiate contracts. As part of this network, DPCC will have leverage to negotiate better rates and terms of reimbursement and will be able to negotiate multiple contracts in a timely manner, thereby offering improved choice to our residents. This in turn will help improve number of admissions Long Term Care, thereby improving occupancy rates and reimbursement. We will also be able to accept more patients into our Post Acute Unit, thereby improving our reimbursement and meeting our financial projections.

NOTE: Previously we have received this renewal in November, however, invoice was received on 12/19/23 via email, next scheduled is January 9, 2024. (discharged committee)

Re: CSBG Funding Request

Dear Gina,

Thank you for the opportunity to apply for CSBG funding to continue our Youth Educational and Vocational Development program serving young people who are experiencing homelessness.

360 Youth Services is the only housing provider in DuPage County serving youth 18-24 of all genders, gender identities and sexual orientations. We operate 38 beds of transitional housing, 8 beds of community-based rapid rehousing, and have received funding to continue the emergency shelter for an additional year from for a minimum of 15 beds. We also operate Cornerstone Shelter – a group home for youth-in-care with DCFS ages 13-18. All of our housing programs are based in DuPage County. Beyond safe and all-inclusive youth-specific shelter, we provide client centered support services including intensive case management, residential counseling, the “Seven Challenges” evidence-based substance abuse curriculum, life skills groups, financial literacy training.

Our partnership with HOME DuPage is proving to be a huge success with 80% of clients to date have completed two core classes on topics such as budgeting and credit score education.

Youth Educational and Vocational Development: We believe that being prepared to obtain *and sustain* a living-wage job is the primary pathway for youth to become self-sufficient and subsequently stably housed. Overarching, homeless youth are recovering from trauma and many are learning skills for the very first time. As a result, they require a great deal more support than other job seekers. Our Educational and Vocational Development program has been successful in tailoring needs to meet the unique needs of this population. Services include job preparation and placement, resume preparation, vocational counseling (including navigating challenges at a current job), and advocacy on behalf of youth with educators and employers, tutoring, internet access and computing equipment, clothing and transportation assistance, and linkages to mainstream resources. All services are trauma-informed, client centered and grounded in positive youth development, which empowers young people to make choices about their own lives.

Continuing Needs and Challenges in a post Covid 19 environment

During COVID-19, we saw a lot of young people lose their jobs, have their vocational programs stalled, and otherwise negatively impact all life aspects. While moving forward into 2024, a post Covid is still presenting unprecedented challenges in increased mental health needs that impacts both education and employment. The Education and Employment program has continued to

provide client based services to this changed landscape by making adaptations to provide virtual job search sessions / job boards, and by providing laptops and tablets for attending peer support / career orientation programs via virtual means to tap into the community's resources. For our youth who are still working on their G.E.D/ (HSE) , we will continue to partner with College of DuPage, to meet the needs of each individual. Thus far in the CSBG funding cycle, two youth are in their final portions of class preparation to achieve this milestone. Transportation continues to be a barrier for accessing services. Via C.S.B.G funding, 360 YS is able to provide supervised ride share transportation to youth to work and school when no other means of transport are available such as bus, staff transport or bicycle.

Homelessness has also increased per the most recent P.I.T. Count for DuPage County. New requests for youth and adult shelter continue to increase with wait lists holding an average of 30 Youth (18-24), and exceeding 300 for shelter as reported by our closest shelter partner in the DuPage area. As previously stated, we are grateful to have received funding for FY '24 to continue the emergency shelter program. *While this trend continues of increased need, 360 YS continues to cross train our Housing Staff to attempt to lessen staff burnout, and to allow for adequate time off to retain a robust team. A new Education and Employment Coordinator for this program was hired last September, and has proved to be an asset to the housing team and clients of 360YS. Only by utilizing the critical C.S.B.G. funding are able to continue to provide this essential supportive service.*

This position will continue to coordinate the employment and educational support for youth across the emergency shelter and transitional housing programs.

2. **Fees:** \$1000 is requested to partially cover fees associated with skills assessment, vocational matching and GED testing. Our costs have risen as we serve more youth who are entering our housing programs without secondary degrees. The remainder will be self-funded.

1. **Supplies and Materials: \$3,000 is requested** to partially cover the cost of basic clothing and materials to prepare youth for employment and school. We hope to obtain additional support through in-kind donations.
2. **Client Equipment:** 360 clients are using existing equipment for to access the internet for educational and vocational purposes, as well as utilize existing funding.
3. **Client Transportation: \$5,000 is requested** for client travel to work, school and vocational training opportunities. Our request last year was for the same amount. While transportation costs have increased significantly, we will continue to use these our existing funds only when no other means of transportation are available.

The total amount requested - \$55,242. Understanding that funding may be limited, our priority is that the hire of our Educational and Vocational Coordinator will use community resources to the best advantage in addition to using the agency's other funding for a most efficient outcome. We utilize 360 Youth Services Self Sufficiently Matrix to maximize these outcomes using measureable objectives, community partnerships for a most cost efficient, yet impactful outcome to serve the communities most vulnerable youth.

Best regards,

Program Description Overview

H.O.M.E. DuPage, Inc's (HOME) Financial Fitness (FFIT) program strives to empower individuals and families throughout DuPage County with Financial Education and one-on-one coaching. Education provides clients the necessary tools that lead to self-sufficiency, financial stability, and achievement of personal life-goals. The Financial Fitness Program offers six different workshops and one-on-one financial coaching, tailored to the needs of DuPage County's low-income families. The education and coaching provided contribute to successful financial management and stable living over the long-term, for all residents of DuPage County regardless of their housing status.

To enter this program, case managers from referring agencies will identify clients at or below 200% of the Federal poverty level who need income management, budgeting and/or credit repair skills and will refer them to H.O.M.E. DuPage. Clients may enter into the program through educational workshops or coaching. HOME will offer/provide the following services:

Financial Fitness (Financial Literacy) Workshops

Group workshops are available through this program (up to 6 different workshops available in 90 minute modules) and are held multiple times each month at H.O.M.E. DuPage, Inc., either at these locations - DuPage County Complex, and other external locations throughout DuPage County, or via zoom as agreed upon with current collaborators. Currently, an example of meeting clients where they are at, HOME has designated one day every two weeks to meet at 360 Youth Services to provide financial coaching, as well as financial education workshops to their clients who have transportation challenges. HOME will work with other partner organizations in order to assist their clients in a similar situation.

Group workshop education modules offered by HOME FFIT to all collaborators will include - understanding banking and bank products; developing and sticking to a budget/spending plan; digging out of debt; using credit wisely and how to repair damaged credit; building savings; avoiding scams and financial pitfalls, managing student debt; tips to be a wise consumer, and more. Small group, hands-on activities practice real-life scenarios relevant to clients' individual situations and keep them engaged in learning. Pre- and post-tests are given at each workshop to ensure principles are fully grasped, and to indicate areas that need more work in coaching sessions. Currently, workshops offer in-person or virtual options.

*CSBG clients entering FFIT program may be obtained through workshops.

*CSBG clients entering FFIT through a referral as a CSBG grant recipients requirement – the focus will be budgeting, action plan, and establishing savings, with the overall goal of financial stability. Any clients who desire to participate in any other FFIT programs, or other programs of HOME DuPage, will be allowed to do so.

Financial Coaching (Individual Income Management and Credit Repair)

Individualized, one-on-one Financial Coaching provides a dedicated coach to help clients review their finances and credit if so desired, determine goals, develop a budget and personalized Action Plan, and eventually achieve their financial goals. During coaching sessions, coaches reinforce workshop lessons, guide through challenges, monitor progress, assist with addressing credit/debt issues, and help build lasting positive financial habits.

All clients attending one or more workshops are encouraged to attend individual Financial Coaching at HOME's office, or a partnering agency. At this time, one-on-one coaching is offered both virtually and in person.

Clients who desire to work on their credit will be offered coaching with a HOME FFIT coach. During this process HOME financial coach will obtain a copy of clients credit report, discuss the information provided, and obtain guidance on addressing problem areas and improving credit scores. Clients who are at a relatively high level of self-sufficiency may find that they have enough information from the workshops and the individual coaching session to move forward on their own to repair their credit. A follow-up coaching session will be scheduled to confirm success with credit repair and income management.

A focus of the Financial Fitness Program is to educate clients regarding banking services and to engage clients in developing a banking relationship to better manage their finances. HOME's FFIT program goals for clients are as follows; introduce a banking relationship for 10 clients, whose goal is to be "banked," coaching 20 clients to increase savings in an existing savings account and assisting 10 clients in opening of a savings account. Banked clients are eligible for matching CSBG funds; this step will assist the client in developing the habit of saving and to grow existing savings. Clients will be provided \$50.00 in matching funds for every \$50.00 that a client saves, up to a total of \$300.00. The client must agree to leave the savings untouched for 90 days.

For clients that the HOME FFIT coach, or referring agency case managers identify as having multiple, relatively complex issues contributing to housing risk and income management issues, H.O.M.E. DuPage Inc will provide continued income management and credit repair coaching services. The clients will continue to meet with a H.O.M.E. DuPage Inc's FFIT coach for a baseline assessment of their financial situation and development of a Financial Management Action Plan. Specific services will include:

- Pulling the client's credit report and reviewing it with the client
- Reviewing the client's bank statements for the past three months (if the client has a mainstream banking relationship)
- Reviewing other client documentation, such as pay stubs, public benefits received, utility bills, other financial obligations and debts, etc, and discussing the client's goals and money management practices.
- Developing a customized Action Plan and assist clients in identifying specific goals to work towards such as
 - Formulating a budget and maintaining it for a specific time frame
 - Improving credit scores
 - Developing a savings plan
 - Addressing collections or judgments
 - Accessing mainstream banking services and eliminating vulnerability to fringe lending institutions such as title and payday loans
 - Improving cash flow management to eliminate bank NSF fees

The FFIT coach and the client will determine a mutually agreed follow-up schedule to monitor the client's progress and provide guidance and encouragement toward achieving the specified goals.

The FFIT coach will obtain the client's permission to share the Action Plan with the case manager from the referring agency so that the Action Plan is integrated into the client's overall case management plan. The FFIT coach also will keep the referring agency case manager apprised of client progress in meeting goals as they complete scheduled check-ins.

Direct Client Assistance

Many clients struggle to meet their basic needs. To encourage success in this program, HOME will provide clients who meet income eligibility criteria with direct client assistance for costs related to financial stability in the form of a savings match. This program will start at a minimum of \$50 and a maximum of \$300 for the program year – per household. Clients must attend successive coaching sessions to be eligible for this match, continue to demonstrate savings, and savings must be untouched for 90 days. The client must remain within the income eligibility criteria and demonstrate evidence of working toward stated goals.

Services, Activities, Outputs

We plan to provide the following outputs:

- Income Management Coaching/Education for 60 families.
- Financial Coaching for the development of a Spending Plan and maintaining a budget for at minimum 90 Days for 30 families
- Money Management coaching for 20 families who have increased their savings

- Money Management coaching for 10 families who have developed a banking relationship and opened a savings account or IDA
- Financial Coaching to individuals working to grow their savings for asset purchase for 10 families.

Our actual volume is dependent on the number of referrals we receive from outside agencies.

Outcomes

The desired outcome is that clients develop sustainable financial management skills to remain housed and achieve self-sufficiency. A poor credit record and unsustainable income management can impede a client's ability to achieve self-sufficiency in multiple ways: lenders, employers, landlords and insurance companies all use credit scores as evaluation tools; failure to stick with a budget often leads to overdrafts (and fees), reliance on payday loans, and loss of housing/utilities.

HOME FFIT coaches and the agency case managers will use the following measures as indicators that clients are improving their financial management and credit profiles:

1. Maintaining a budget for 90 days
2. Paying housing costs on time
3. Avoiding NSF/overdraft fees
4. Not using payday loans/connecting with mainstream banking services
5. Improving credit scores or housing credit evaluation

Overall, we anticipate that at least 60% of the clients receiving credit repair services will meet one or more of the outcome measures listed.

Coordination with Other Agencies/Meeting Requirements for Clients of other CSBG Grant Recipients

HOME will receive referrals of clients already enrolled in services at a collaborative agency and clients referred to HOME by other CSBG grant recipients (within DuPage County) to fulfill the budgeting requirement. HOME and the referring agency will receive the client's written permission to share information so that the FFIT coach and the referring agency case manager can communicate to coordinate services as part of the client's Action Plan.

DuPage County CS Funding Request 2023

Description of Need

Based on IMPACT DuPage's County Health Assessment, 1 in 8 individuals do not have reliable access to affordable, nutritious food. While emergency food assistance can increase access to these items, their choices are limited and many of the fresher items are near the end of their shelf life. With access to land, community engagement, and regional advocacy towards food sovereignty, GardenWorks' community-based food growing model has met a critical gap that traditional food pantries have not addressed. Our work advocating for food growing and local agriculture has increased access to fresh produce in under-resourced communities and introduced valuable educational resources that directly improve health equity. With the goal of improving the supply, access, and equity of fresh produce throughout the county's emergency food assistance agencies, The GardenWorks Project is well positioned as a forward-thinking organization that is leading change towards long-term sustainability through collaboration, partnership, and resource development.

The recent pandemic revealed an inequitable and unsustainable food supply chain as the charitable food assistance network faced sourcing challenges as retailers and partners had less to donate. As a result of the many pandemic-related challenges, as well as the expected near-term challenges to come due to SNAP benefit decreases in March 2023, GardenWorks surveyed its partners and clients to identify the unique challenges of the region, and determine solutions within our programmatic scope of work. First, the survey discovered that lack of fixed assets, such as refrigerated vehicles and the challenges of volunteer burnout post-pandemic created more disadvantages of receiving nutrient dense food donations. In addition, inflation rates have impacted the cost of food, and several sites indicated that their costs for produce to supplement their donations have increased due to these short-term economic burdens. Finally, the survey also indicated that culturally palatable foods were often unavailable from donations.

Organization Description

The mission of The GardenWorks Project is to promote organic suburban agriculture to improve the well-being of our community, the environment, and those facing food insecurity. We empower, educate, and support all food growers in their efforts to nourish their families and neighbors in need.

In 2012, our founder began our Home Gardening Program through a partnership with the Glen Ellyn Food Pantry to support families reliant on food pantry assistance. That year, four families facing food insecurity received home vegetable gardens for the purposes of providing a nutritional supplement for themselves during the growing months. After a positive response from the community, the organization was designated a 501(c)(3) nonprofit organization in July 2014. In our 12th year, The GardenWorks Project continues to utilize a volunteer-based model to educate the entire community about the importance of healthy eating and sustainability, as well as a partnership-based focus to collaborate and work in tandem with our 50+ food pantries and social service agencies to promote health and wellness and fight hunger. Since 2012, we have provided gardens to over 2600 individuals in western Chicagoland. In addition, GardenWorks has supported the establishment of 26 community gardens within the western Chicagoland region, dedicated to nourishing those facing food insecurity.

The GardenWorks Project values making sustainable and significant change by participating in groups such as The DuPage Community Hunger Network, COD's Horticulture Advisory Committee, and Giving DuPage, along with landowners, farmers and food growers, and local food system vendors to encourage the supply and accessibility of fresh produce to all DuPage County residents. We also encourage partnerships between community health leaders and local community groups to engage further in this work of nourishing our neighbors in need. We continue to respond to the needs of the community and clients to provide a more holistic approach to promoting nutrition and healthy eating. Most recently, GardenWorks began a partnership with DuPage County Fair and Event Center to begin growing a demonstration garden space to promote food growing and organic suburban agriculture as a sustainable and viable solution towards food security within the region. In addition, GardenWorks' recent licensing agreement (since February 2022) with Fresh Food Connect (freshfoodconnect.org), provides a mobile app to communicate with growers, donors, and couriers within the region to connect more fresh produce with pantries that need it.

most. The most recent partnerships aim to expand its reach by supporting all home growers as active participants in the local food economy, and the organization hopes to empower every neighbor to support each other through the simple act of sharing harvests together.

Purpose of funding

The GardenWorks Project requests \$14,000 in calendar 2023 to support the following objectives: 1) identify food deserts and under-resourced emergency food assistance sites within DuPage County; 2) determine potential garden sites through surveys, committee/taskforce development, and agency-based collaboration; 3) build new partnerships within targeted communities to provide technical assistance and build collaborative process to increase the availability, access, and supply of fresh food grown for emergency food assistance locations. All targeted planning, community surveying, and programmatic marketing will be completed in calendar 2023, and any future requests will support the Community Gardening Support Program initiative, which will fund the installation, technical assistance, and management of large food growing community gardens within identified food deserts to increase the total supply of nutrient dense, culturally relevant foods to emergency food assistance agency sites.

Program Objectives

The GardenWorks Project Produce for Pantries Program (“PFP Program”) will build on the current assets available within the GardenWorks network and the greater community to 1) improve food resilience within the western Chicagoland region through the future installation of community gardens that will serve as educational sites, as well as a source of food production and processing; and 2) improve food access and equity through a stream-lined communications tools and resources that will more effectively connect food growers and divert food waste towards emergency food assistance agencies.

During the calendar year, the following objectives will be considered:

1. Determine under-resourced communities facing food insecurity. This may include geographic municipalities, food desert/food swamp neighborhoods, concentrated under-resourced populations served, etc.
2. Build a comprehensive taskforce of agencies to survey, determine resource allocations, and build consensus on targeted communities;

3. Determine next steps for food growing gardens within targeted communities, including securing land, MOU's, and any other necessary leasing agreements;
4. Promote Fresh Food Connect and determine operational processes to divert food waste and connect local home growers with food donation efforts.

The program will commence in 2024 with the installation of food growing gardens, plants, and seeds within targeted communities within the region. The community gardens will be supported with resources for a total of two years. All community gardens beyond the first two years will be connected to the educational resources available through The GardenWorks Project as well as access to trainings available through Fresh Food Connect.

Population Served

The GardenWorks Project has identified four target municipalities within the county: Addison, Glendale Heights, Hanover Park, and Willowbrook. However, the re-establishment of a Food Security Council within DuPage County will provide more context for stakeholders to dialogue and identify under-represented regions/neighborhoods/populations. A taskforce of experts, community members and clients will gather for a minimum of four meetings to determine a prioritization of locations under-represented and in need of supplemental nutrition resources.

In the first year, the two locations will be partnered with a community garden project, installed and managed by The GardenWorks Project, to support the production of food resources for food pantry distribution. This community garden will aim to be self-sufficient by year 3, through leadership and volunteer development as well as technical assistance to move towards sustainability. In addition, the garden site will be an educational site with various events throughout the year to empower home gardeners to “grow a row” to increase available supply of fresh produce for distribution. Outreach Community Services

Proposal to DuPage County – PY2024 Community Services Block Grant Funds

Submitted August 7, 2023

Program Summary

Outreach Community Services (OCS) operates a comprehensive Employment Opportunity Program for local economically disadvantaged young adults. Eligible participants are young adults, and vulnerable adults ages 18-39, who lack necessary job skills to successfully enter the job market and those looking to develop their skill level to advance in the workforce. The overall objective of this program is to create stability and increase life options through job and life skills training, academic support (for GED completion and job certification), work experience and support with case management assistance across several life domains.

Services for participants include Job Skills development, Academic Assistance for GED completion, and preparation for job certifications, life skill development, and direct work experience and coaching at our Job Training Centers. The second stage of the program includes employment internships at community job sites through our corporate and business partners. The final stage includes employment search and follow up services for 12- 30 additional weeks. Throughout the entire program, case management services are used to support participants in practical needs such as securing and maintaining housing, obtaining stable transportation, and utilizing mental health services to gain the emotional stability needed to become self-sufficient.

CSBG Funding Utilization in PY2024

In PY24, CSBG funds will be used to support the OCS Employment Opportunity Program by meeting these goals:

1. Increase the probability that eligible participants who have significant barriers to employment will increase the necessary employment skills and secure employment.
2. Decrease the significant barriers participants bring into the program that deter them from life stability and from obtaining permanent employment through case management and support services offered.

Client Needs

The program applicants range from young adults with very low academic achievement and no job skills or experience, to moderately skilled adults with basic job skills but no significant work experience or certification to secure sufficient work opportunities that will allow them to live independently or support their family. Program applicants face several barriers to workforce success, such as lack of an understanding of public benefits, transportation, homelessness, health needs and emotional health issues, in addition to low academic achievement and the need for greater life skills development.

Impact Over the Last Three Years

Over the last three years, OCS has served a total of 60 new participants. Of those participants, 45 ended the program and 15 participants carried over into this fiscal year. Of the 45 participants who ended the program, 44 (98%) completed the program successfully. Of those that completed the program, the following outcomes have been achieved.

- 100% Gained job skills
- 87% Secured employment
- 86% Secured and maintained employed for at least 90 days
- Advanced in employment – N/A
- 93% Improved their financial position

Need for Funds

OCS now has three significant referral sources (DuPage County Probation, Naomi's House, and the neighborhood resources centers throughout DuPage County) who are utilizing the comprehensive services we provide. OCS is the only employment training program in DuPage County providing comprehensive services to address the needs of the most vulnerable young adults who need additional time and services to successfully meet the goals of permanent employment and stability of basic needs. Whether they are homeless, lacking transportation, need assistance securing childcare, or have physical or emotional health issues, the Employment Opportunity Center, with CSBG funds can provide the comprehensive case management services along with the work experience needed for young adult residents of DuPage County. Therefore, OCS is requesting \$100,000 in PY2024 to serve 18 participants.

Memorandum of Understanding Between County of DuPage and AFSCME Council 31

The County of DuPage (the “County”) and the American Federation of State, County and Municipal Employees, Council 31 enter this Memorandum of Understanding on the 9th day of January 2024. The parties agree to the following:

1. In March 2020, the County established the 1 East Unit as the place to quarantine residents who show symptoms of COVID 19 (fever, difficulty breathing, a new or change in cough or sore throat). According to prior agreement between the parties, the County paid employees who provided services on 1 East (or any other unit deemed by the County to quarantine positive COVID, later amended to include Persons Under Investigation (PUI) for COVID) a \$5 per hour increase in pay while the employee performed services on that unit. (the “Covid Stipend”). That stipend did not apply when employees performed services on the 1 East Unit (or any other unit deemed to quarantine positive COVID or Persons Under Investigation (PUI) for COVID) and there are no residents placed on the unit due to COVID-19 related reasons.
2. Pursuant to the terms of those prior agreements, the Covid Stipend expired on the date the parties ratified their current collective bargaining agreement.
3. The County resumed payment of the Covid Stipend effective December 15th, 2021 and desires to extend such Stipend through June 30, 2024. To be clear, for purposes of this MOU, Persons Under Investigation (PUI) for COVID means as follows. The County pays the Covid Stipend for employees performing services on the 1 East Unit when there is a resident placed on the unit due to COVID-19 related reasons. The County also will pay employees working the shift and unit where the resident resided when the resident received a positive result and then transported to 1 East. If that resident had a roommate, the roommate is a Person Under Investigation and is also transferred to the COVID Unit in the PUI section.
4. This MOU shall expire on June 30, 2024, unless otherwise terminated or extended by the parties.

AGREEMENT

This agreement is entered into by the County of DuPage, by its duly constituted County Board and Kenneth Moy DuPage Care Center, a nursing home of County of DuPage, hereinafter referred to as the "Employer", and the American Federation of State, County and Municipal Employees, Council 31.

PREAMBLE

The purpose of the Agreement is to provide an orderly collective bargaining relationship between the Employer and the Union representing the employees in the bargaining units, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Union to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employee wages, hours and working conditions.

In consideration of mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenants and agree as follows:

ARTICLE I RECOGNITION

Section 1.1 Unit Description

The Employer recognizes the Union as the sole and exclusive bargaining representative in all matters establishing and pertaining to wages, hours and other conditions of employment as determined by law for employees in the bargaining unit in compliance with the certification issued by the Illinois State Labor Relations Board in case No. S-RC-19-020. The bargaining unit consists of all employees in the following full-time, permanent part-time positions and active registry employees at the DuPage Care Center.

Account Clerk, Administrative Specialist, Admissions Coordinator, Admissions Nurse Liaison, Central Supply Aide, Certified Nursing & Rehabilitation Aide, Certified Nursing Associate, Cook, Diet Technician; Dining Services Worker, Division Assistant I, Housekeeper I, Housekeeper II, Intermediate Staff Assistant, Laundry Attendant I, Laundry Attendant II, Licensed Practical Nurse, MDS Coordinator, Medical Records Clerk, Medical Records Supervisor, Nutrition Assistant, Office Assistant, Pharmacy Technician, Principal Account Clerk, Recreation All-House Coordinator, Recreation Therapy Coordinator, Recreation Therapy Supervisor, Registered Nurse, Senior Account Clerk, Senior Staff Assistant, Senior Certified Nursing & Rehabilitation Aide, Unit Secretary, Wheelchair Specialist, Wheelchair Technician and Wound Care Coordinator.

Section 1.2 New or Changed Job Classifications

If during the term of this Agreement, the Employer establishes a new job classification which requires performance of work of a nature performed by employees in the bargaining unit, or modifies the duties of an existing job classification, it will notify the Union. Upon request of the Union, which is made within ten (10) calendar days of the Employer's notice, the Employer shall negotiate the proper rate, benefits and other terms and conditions of employment for the classification. The Employer may implement its proposed rate of pay prior to and during such negotiations. If the result of the negotiations is an increase in rate of pay, then the Employer shall pay the difference retroactively to the date the employee began employment in the new position. The parties shall jointly petition the Illinois State Labor Relations Board to seek the necessary unit clarification.

Section 1.3 Integrity of the Bargaining Unit

The Employer will assign bargaining unit work to bargaining unit employees. Non-bargaining unit employees may perform unit work in the following circumstances: when training an employee; in emergency situations; when the performance of unit work is minimal, and/or to fill in for employees who are absent, late or when there is inadequate staff to fill all required shifts of work, provided the Employer has made a reasonable effort to fill the shift by contacting qualified bargaining unit employees as Employer operational needs permit, and is not using supervisors to fill in solely to avoid overtime shifts. The Employer retains the authority to use temporary or seasonal employees, volunteers, supervisors to perform regular and routine cooking duties at the 421 Cafe, and supervisors and qualified staff in all areas to assist as needed to fulfil the Employer's obligations to its residents, and consistent with its past practices. Employer agrees that it will not exercise the authority described in this paragraph for reducing the number of bargaining unit employees, or to implement a layoff. The parties agree that duties related to Physical Therapy, Speech Therapy, Respiratory and Occupational Therapy are not bargaining unit work.

Local Union representatives shall be allowed up to eight (8) days of time off, without pay, for legitimate Union business such as Union meetings, State or Area-wide Union committee meetings, Union training sessions, State or International conventions, provided such representative shall give fifteen (15) days' notice to his/her supervisor of such absence and shall be allowed such time off if it does not substantially interfere with the operating needs of the Employer. ARTICLE VIII VACANCIES

Section 8.1 Vacancies and Postings

A vacancy exists when the Employer intends to fill a permanent position in the bargaining unit. Position vacancies shall be posted for ten (10) working days on the bulletin board located at the Care Center employee cafeteria. The Human Resources Office may continue to post these positions if they are not filled according to the terms of this Article.

To be considered, all interested bargaining unit employees must submit an application by the time and date indicated on the posting. Postings shall include the job title, pay grade, work shift and any weekend rotation, job duties, responsibilities and requirements.

Section 8.2 Selection

The Employer prefers to fill vacancies in the bargaining unit with qualified internal candidates. The Employer may continue its practice of interviewing qualified internal and external candidates simultaneously. When filing the vacancy, the County shall hire qualified current employees who have submitted a bid before hiring outside bidders, provided the internal candidate has relatively equal or greater skills and ability to fulfil the Employer's needs. Where more than one qualified internal candidate applies for a vacancy, selection will be based on seniority if the internal candidates are relatively equal based on qualifications, skill, ability to perform the work without further training, knowledge, job performance, experience, discipline record (those maintained by the Employer under the terms of this Agreement) and attendance (for the prior 18 months).

Section 8.3 Right to Return

Upon the employee's request, s/he may return to his/her former position within sixty (60) calendar days after selection for the vacancy if the former position has not been filled or there is another vacancy in their former classification for which the employee is qualified.

ARTICLE IX LAYOFF AND RECALL

Section 9.1 Definition and Notice.

If the Employer determines that layoffs are necessary, it shall give the Union at least thirty (30) days' notice of any layoffs.

Section 9.2 General Procedures

If the Employer determines that layoffs are necessary, employees shall be laid off in the following order:

- 1) Temporary, Seasonal and Contract employees
- 2) Registry employees with less than six months seniority
- 3) Probationary employees
- 4) Registry employees with six or more months of seniority
- 5) Non probationary part time and full-time employees

The County shall layoff registry and non-probationary employees in reverse order of their bargaining unit seniority by appropriate job title within each Department within the DuPage Care Center, currently identified as:

Administration
Financial Services
Dining Services
Laundry
Housekeeping
Nursing Services
Rehab & Therapy Services
Recreation/Activities
Resident and Volunteer Services
Pharmacy

An employee subject to layoff shall be able to exercise his or her bargaining unit seniority for the following options in lieu of layoff in the order set forth below, provided that the employee is qualified for the position:

- a.) To fill a vacant position Care Center facility-wide;
- b.) To displace an employee with the least seniority in the same job title.
- c.) To displace an employee within the same group as the employee subject to layoff. For purposes of this Section Group is defined as:

Group A:
Administration
Financial Services
Recreation
Volunteer Services

Group B:
Dining Services
Housekeeping
Laundry

Group C:
Nursing
Pharmacy
Rehabilitation

An employee subject to displacement by the above procedure shall be considered subject to layoff and shall have the right to exercise the same options. Displaced employees with no further rights to a.), b.) or c.), above shall be considered laid off.

An employee who has been laid off shall have the right to exercise his or her seniority to fill a vacancy, provided the employee is qualified for the position. The laid off employee shall have the right to refuse such vacancies without losing recall rights.

Section 9.3 Recall Rights

Recall rights for employees who are not in their new hire probationary period shall exist for a one (1) year period. Laid off employees shall be recalled in accordance with the reverse application of the procedure for layoff. Employees who filled vacant positions or displaced other employees in lieu of being laid off and laid off employees who filled vacant positions shall have the right to be recalled to their original position.

A laid off employee who returns to their position shall return to the same rate of pay the employee earned at the time the layoff occurred.

Following a layoff, employees retain their recall rights even if they accept another position in the Department outside the bargaining unit.

Employees who are eligible for recall shall be given five (5) working days' notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union. The employee must notify the Director of Human Resources, or designee of their intention to return to work within three (3) working days after receiving the notice of recall. The County shall be deemed to have fulfilled its obligations by mailing the recall notice by certified or registered mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the Director of Human Resource Department, or designee with their latest mailing address. If an employee fails to respond to a recall notice their name shall be removed from the re-employment registry.

ARTICLE X DISCIPLINE POLICY AND PROCEDURES

Section 10.1 Discipline - Definition

The County may impose disciplinary action upon an employee only for just cause, except that the County may impose discipline for any reason and without just cause on an employee who has not completed the initial six month probationally period. The Employer agrees with the tenets of progressive and corrective discipline. However, violations the Employer believes to be serious acts of misconduct may be grounds for discharge or suspension without any prior warning, reprimand, suspension or discipline. Depending on the severity of the offense, the following disciplinary measures include:

- a) Verbal reprimand;
- b) Written reprimand;
- c) Suspension; and
- d) Discharge.

Conduct which may be grounds for discipline may be observed by, including but not limited to, a supervisor, co-worker, member of the public, volunteers, resident of the facilities, building video surveillance, internet/email activity, or cell phone/telephone usage.

For Registry employees, just cause includes failure to complete the number of shifts or to work on the weekends and holidays listed in the In-House Registry Agreement, consistent with the County's application of that Agreement among Registry employees. The employer agrees that before it terminates a Registry employee for failure to meet the requirements of the In-House Registry Agreement, it will provide at least one Verbal Reprimand and one Written Reprimand to the employee.

Section 10.2 Manner of Discipline

If the Employer has reason to discipline an employee, it shall normally be done in a manner that will not embarrass the employee before other employees, residents or the public.

Section 10.3 Discipline – Notification and Measure of Disciplinary Action

Investigatory Meeting:

If the Employer desires to conduct an investigatory interview, as defined by law, of an employee, the Employer agrees to first inform the employee that the employee has the

right to Union representation at such interview. If the employee desires such Union representation, no interview shall take place without the presence of a Union representative, which the Union shall provide within 24 hours of the Employer's request. If the employee does not request Union representation (which the Employer will confirm in writing), the Employer agrees to notify the Union staff representative, and agrees to allow the Union up to one hour to confer with the employee about the decision to not have the union present.

The Union agrees to have Union Stewards available seven days per week, 24 hours per day. After giving fifteen (15) days' notice to their supervisor, two employee(s) per shift who have been designated as a steward (in writing to management) shall be allowed up to three (3) hours' time off without loss of pay to attend AFSCME Certified Steward's Training, if such attendance does not disturb or interfere with the operations of the Nursing Center. The employee shall provide proof of attendance to the Employer.

Pre-Discipline Meeting:

For suspensions or discharges, the Employer shall convene a pre-disciplinary meeting.

The Employer shall meet with the employee involved to inform him or her of the reason for the contemplated suspension or discharge. The employee shall be notified of his/her right to Union representation. The employee may, at their option, request the presence of a Union representative. If the employee does not request Union representation (which the Employer will confirm in writing), the Employer agrees to notify the Union staff representative, and agrees to allow the Union up to one hour to confer with the employee about the decision to not have the union present.

The employee shall be afforded the opportunity to rebut or clarify the charges during the meeting or provide a written rebuttal within five (5) working days. The Employer may proceed with the intended suspension or discharge at any time and need not delay due to the employee's desire to provide a rebuttal. If Employer implements its decision within the five-day period, it will reimburse the employee if it overturns the discipline as a result of the rebuttal evidence.

Discipline Meeting:

The Employer agrees to use the following disciplinary procedure: The employee shall be notified of his or her right to Union representation at any meeting to discuss and impose discipline at the written warning stage or higher. If the employee does not request Union representation a Union representative shall nevertheless be notified of any meeting.

Any meeting called by the Employer to discuss and impose discipline shall be conducted without loss of pay for the employee or the Union representative

Issuing Discipline

The Employer agrees to provide copies of all disciplinary notices to the Union.

Investigations

Nothing in this Section shall prevent the Employer from relieving employees from duty in accordance with its practice. The employer may follow current practice of reassigning the employee to a non-patient care area during the investigation. The employee must accept this alternate assignment if offered unless the employee would rather be relieved from duties without pay.

Section 10.4 Disciplinary Document Removal

No disciplinary records will be removed from an employee's personnel file. However, the Employer agrees that it will not rely on discipline for purposes of progressive discipline if the employee has not engaged in the same conduct for a period of eighteen (18) months, unless the conduct is of a nature to expose the County to liability due to its repetition, such as harassment, violence or abuse.

ARTICLE XI GRIEVANCE PROCEDURE

Section 11.1 Statement of Principle

The parties agree that in order for the grievance procedure to function efficiently and effectively, all grievances must be resolved at the lowest possible level of the Grievance Procedure.

Section 11.2 Grievance

A grievance is defined as a dispute over the interpretation or application of a specific section or sections of this Agreement.

Only the Union on behalf of an employee, or on behalf of a group of employees, or itself may process grievances. The grievant(s) or one grievant representing a group of grievants may be present at any step of the grievance procedure. The employee is entitled to Union representation at each and every step of the grievance procedure.

"Working" day as used in this Article means Monday through Friday.

Section 11.3 Grievance Steps

Step 1: Immediate Supervisor

- a) The employee and/or the Union shall orally raise the grievance with the employee's supervisor who is outside the bargaining unit. The employee shall inform the supervisor that this discussion constitutes the first step of the grievance procedure.
- b) All grievances must be presented not later than ten (10) working days from the date the grievant become aware of the occurrence giving rise to the complaint. The grievant (s), Union representative, and supervisor shall meet in an attempt to resolve the grievance, unless the union waives such meeting. The immediate Supervisor outside the bargaining unit shall render a written response to the grievant and Union within five (5) working days after the grievance is presented, or within five (5) working days of the meeting, whichever is later.

Step 2: Director of Nursing or Department Manager

In the event the grievance is not resolved at Step 1, it shall be presented, in writing, by the Union to the Director of Nursing or Department Manager within ten (10) working days from the receipt of the answer or the date the answer was due, whichever is earlier. The grievance shall be on a form provided by the Union, and contain the name of grievant, a complete statement of the facts, and the provision or provisions of this Agreement which are alleged to have been violated, and the relief requested. The grievance shall be signed and dated by the grievant or Union representative. Using the improper grievance form, date or Section citation shall not be grounds for denial of the grievance.

Within ten (10) working days after the grievance is presented to Step 2, the Director of Nursing or Department Manager shall meet, discuss and attempt to resolve the grievance with the Union and the grievant(s). The Director of Nursing or Department Manager shall render a written answer to the grievance within five (5) working days after such discussion is held and provide a copy of the answer to the Union.

Step 3: Facility Administrator or Designee

If the grievance is still unresolved after Step 2, the Union shall present it in writing to the Facility Administrator or Designee within ten (10) working days after receipt of the Director of Nursing or Department Manager's answer at Step 2 or after the Step 2 response is due, whichever is earlier. Within ten (10) working days after receipt of the grievance the Facility Administrator or Designee shall meet with the grievant and the Union to discuss and attempt to resolve the grievance. If the grievance is not resolved, the Facility Administrator or Designee shall submit a written answer to the grievant and Union within five (5) working days following the meeting.

Step 4: Arbitration

Any grievance not resolved through the process outlined above may be appealed to arbitration by the Union. Such an appeal shall be made in writing to the Administrator within twenty (20) working days after either the date the answer of the Facility Administrator or Designee is received or the date on which such answer was due, whichever is earlier.

If a grievance is appealed to arbitration, representatives of the Union shall contact the Employer to attempt to select an arbitrator. In the event the parties are unable to agree upon an arbitrator, the parties shall jointly request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service.

The parties shall alternately strike the name of an arbitrator, taking turns as to the first strike. The person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators.

The arbitrator shall be notified of his/her selection by a joint letter from the Employer and the Union requesting that s/he set a time and date for the hearing subject to the availability of the Employer and Union representatives and s/he shall be notified of the issue where mutually agreed by the parties.

The parties shall attempt to arrive at a joint stipulation of the facts and issues to be submitted to an arbitrator. No more than one grievance may be submitted to an arbitrator at any one time without the consent of the other party. The expenses and fees of the arbitrator and the cost of the hearing room shall be shared equally by the parties.

The Employer or Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expenses (e.g. witness fees and wages) of its own witnesses who are not employees of the Employer. Employer agrees that employee witnesses will be paid straight time wages if testifying during his or her scheduled work hours.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall neither amend, modify, nullify, ignore, add, or subtract from the provisions of the Agreement. The Arbitrator may consider applicable state laws and IDPH regulations and guidelines. The Arbitrator shall limit any claim for back wages to the amount of wages that grievant would have otherwise earned, less any unemployment compensations, or interim earnings from any source.

Neither party shall present any information, evidence, or grounds for relief before the Arbitrator which the party had not previously disclosed to the other party, unless the information had been the subject of a request or subpoena.

The decision and award of the arbitrator shall be final and binding on the Employer, the Union and the employee(s) involved, unless reversed on appeal in accordance with the provisions of the Uniform Arbitration Act and the Illinois Labor Relations Act.

The Arbitrator shall attempt to render his/her decision in writing to the parties within 30 calendar days following the close of the arbitration hearing or the submittal date of briefs, whichever is later. The Arbitrator shall support his/her findings with a written opinion. The decision and opinion shall be based solely on and directed to the issue presented. The award shall clearly direct the parties as to what actions(s) must be taken in order to comply with the award.

The Employer and Union agree to share equally the costs associated with the arbitration hearing including the cost of the court reporter, except that each shall be responsible for the costs of their own witnesses. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent panel of arbitrators during the term of the Agreement or to use the expedited arbitration procedures of the American Arbitration Association. There shall be no transcript unless mutually agreed by the parties.

Section 11.4 Withdrawal

Grievances may be withdrawn at any step of the procedure without prejudice or Precedent. Grievances not appealed within the designated time limits shall be treated as withdrawn.

Section 11.5 Failure to Answer

Grievances not discussed or answered by the Employer within the designated time limits shall be automatically advanced to the next step of the grievance procedure. The time limits at any step or for any hearing may be extended by mutual agreement of the parties.

Section 11.6 Advanced Step Grievance Filing

Grievances may be filed at any step of the grievance procedure by mutual agreement of the parties at that step.

Section 11.7 Information Requests

The Employer recognizes the legal right of the Union to information necessary to process grievances. Upon reasonable request, the Employer will provide the Union with such relevant information as is required by law.

Section 11.8 Time Off; Meeting Space; Telephone and Fax Use

- a) No employee or Union representative shall leave his or her worksite to investigate, file or process grievances without first notifying his/her supervisor or designee, as well as the supervisor of any worksite to be visited, and making mutually-agreeable arrangements with his or her supervisor to address these issues as well as the appropriate time off for these activities.
- b) Meeting Space/Telephone Use/Fax Use: Upon request, the employee or Union representative shall be allowed the use of an available appropriate room while investigating or processing a grievance and shall also be permitted the use of any employer-provided email address, a telephone, facsimile machine or computer if available. Such use shall not include any long-distance calls at the Employer's expense. The Union may also access for these matters any County-provided email address, provided nothing in this Article compels the County to create an email address for any employee.

ARTICLE XII HOURS OF WORK AND OVERTIME

Section 12.1 Registry Employees

Unless otherwise stated in the agreement, the terms and conditions of Registry employees are governed by their Registry Agreement. Registry Agreements for all relevant positions are attached as Appendix B.

Section 12.2 Application

a. General Policy

This Article or Agreement shall not be construed as a guarantee of hours of work per day, per week, or per year. Nothing contained herein shall be construed as preventing the Employer from establishing the work schedules of employees, or from establishing part-time positions.

b. Notice and Discussion.

The Employer shall provide 30 days' notice to the Union before it changes or restructures its current practices involving the workday and work week. The notice period may be shortened when necessary in cases of emergencies, in response to regulatory changes, or when employee and manager agree. Upon request, the Employer will meet with the Union to discuss such changes or restructuring. This provision does not apply to temporary schedule changes, which is addressed in Sections below.

Section 12.3 No Pyramiding

Overtime compensation shall not be paid more than once for the same hour under any provision of this Article or Agreement.

Section 12.4 Workday and Work Week

a. The parties agree that the positions covered by this agreement are in a facility which requires continuous coverage. Scheduled days off may fall on any day of the work week. The Employer will follow its current practice of attempting to accommodate an employee request for a particular day off, for example to attend school.

The work week shall be defined as beginning at 7:00 a.m. on Saturday and ending at 6:59 a.m. on the following Saturday.

The employer will maintain its current practice for exempt level staff in Nursing and Recreation as well as the finance staff. Staff will be paid for 75 hours during the pay period (two weeks) and scheduled daily for eight and a half (8 ½) hours which includes a one (1) hour unpaid lunch break.

For Nursing, Support Services, Dining Services, Pharmacy, Rehab Services, Recreation and Resident & Volunteer Services staff who are scheduled hourly will be paid for 80 hours during the pay period (two weeks) and scheduled for an eight-hour workday with a one half (½) hour paid lunch break.

b. The parties agree that the workday for each bargaining unit position will include meal and break period(s) per shift according to current practice in each Department. For part-time employees, the normal workday is as established at the time the parties execute this Agreement. Part-time employees will receive a break period consistent with current practice in each Department.

c. The meal period will be regularly scheduled at the same point of each shift whenever possible. However, it is understood, should a situation unforeseen or unanticipated by the employer develop, the scheduled time of meal periods may temporarily change.

d. Each Department will follow its current practice related to employees leaving the worksite during their lunch period.

Section 12.5 Work Shift.

Except as provided in this Agreement, each employer Department shall maintain its current practices related to the number shifts per workday and the starting and quitting times of each employee. Pursuant to current practice, the employer may modify the starting and/or ending times of the employee's shift by employee agreement. Employees in the Nursing and Resident and Volunteer Services Departments must remain in their position until relieved by the next scheduled employee for that position if the employees are scheduled for consecutive shifts.

Section 12.6 Work Schedule.

a. Work schedules showing the employees' shift, workdays and hours shall be displayed at convenient places and times, which may include notification by electronic mail. The Employer will not temporarily change a work schedule once posted, except in unanticipated situations, such as the need to complete an IDPH survey, or to otherwise comply with regulatory requirements, or by agreement between the employer and the employee.

b. Trade-offs initiated by the Employees are permitted within a given pay period only upon approval of the Employer. The Employer will attempt to respond to trade requests as quickly as possible and shall approve or deny trades within three (3) days of submissions, not including Saturday, Sunday, and Holidays. The Direct Supervisor shall have the right to approve or deny a trade. Tradeoffs will be reviewed on a case-by-case basis. In most cases, the Supervisor will deny requests that result in overtime.

c. The employer may schedule the following Employees to work consecutive weekends: (1) an Employee who volunteers to work consecutive weekends and (2) Employees who are hired specifically to work weekends, such as Registry employees. The employer will not require other non-probationary employees to work more than every other weekend unless there is an emergency. Nothing herein prohibits Departments from requiring mandatory overtime according to the terms of this Agreement.

C.N.A. and nurses who work more than 32 hours during Saturdays and Sundays during any calendar month shall receive an additional \$2 per hour for C.N. A.'s and \$3 per hour for nurses for each Saturday or Sunday hour worked over 32 in the calendar month.

Section 12.7 Attendance and punctuality.

Employees shall clock-in on their assigned unit or Department, unless his or her supervisor has approved an alternate location. An employee who expects to miss a scheduled shift must contact his or her supervisor by telephone no later than two hours prior to the start of the scheduled shift and provide the reason for absence. The employee must speak with the supervisor (or designee) unless the employee's department has established a voicemail for receiving absences. See Appendix C for specific department call in numbers. Staff are expected to leave a voicemail if the specified department contact is not available.

Employees with a multiple day absence must call in before each scheduled shift unless the employee has previously reported the multiple day absence to the supervisor. Employees who know they will arrive at work after the start of a scheduled shift shall also call the supervisor at least two hours before the start of the shift if the tardy is foreseeable, otherwise, the employee shall provide the supervisor with as much notice as safely possible.

An employee that is a No Call/No Show for three (3) consecutive days will be subject to the job abandonment guidelines as outlined in the Termination/Involuntary Separation of Employment Policy 3.10 in the DuPage County Employee Handbook. Emergency situations will be taken into consideration on a case-by-case basis at the discretion of the appropriate manager/supervisor and the Administrator (or designee) which will require documentation.

An employee who demonstrates a pattern of poor attendance and/or punctuality shall be subject to disciplinary action.

When absences occur, employees will be required to use any accrued vacation, sick or personal time for the duration of the absence.

Employees who No Call/No Show for a scheduled shift will be paid using accrued vacation, sick or personal time balances.

Emergency situations related to incidents of No Call/No Show will be taken into consideration on a case-by-case basis.

Section 12.8 Overtime Payments

In the following Departments (exceptions noted), the County shall pay non-exempt bargaining unit employees at the rate of one and one-half (1 1/2) times the employee's straight time hourly rate for all hours worked over eight (8) in a workday

Employer approved training will be included as actual hours worked for purposes of all overtime calculations. Sick days, vacation days, personal days, designated holidays, jury duty bereavement time will not be included in calculating actual hours worked for purposes of overtime, unless unscheduled. Unscheduled overtime hours are hours of actual performed work that are outside of an employee's normal work schedule and are not scheduled in advance by the Department Head or designee. When an employee has worked unscheduled overtime hours during a week, or during the pay period for the Care Center, the calculation of actual hours worked during the week may include vacation days, personal days, designated holidays, jury duty, and bereavement time. Sick time is not counted toward the calculation of actual hours worked for weeks with unscheduled overtime hours worked by an employee.

All unscheduled overtime must be approved as provided in this agreement, currently Article 12.9.

Exempt level employees may, upon prior approval by the County Administrator and Director of Human Resources be granted additional compensation assigned short-term workload increases. Additional compensation, at straight time, may be authorized when temporary staffing shortages or increased service demands require work to be performed outside the employee's usual work schedule in order to maintain the Care Center's compliance with deadlines, regulations, statutes, or grant requirements.

Section 12.9 Unscheduled Overtime Payments

No later than one hour before the end of the employee's shift, an employee wishing to work unscheduled overtime must obtain pre-approval from the employee's supervisor before working unscheduled overtime, such as staying beyond a scheduled shift to complete charting duties. Any staff who works more than the hours for which the employee was approved will be subject to progressive discipline up to and including termination.

Section 12.10 Voluntary Overtime and Mandatory Overtime Distribution

a. Voluntary Overtime Distribution

To distribute overtime on a basis that allows everyone in the bargaining unit an equal opportunity to select overtime assignments, voluntary overtime assignments shall be distributed in the following manner:

Employees may submit their name for voluntary overtime consideration by signing a copy of the form attached herewith as Appendix D. Voluntary overtime is department specific. Individuals interested in working overtime shifts must complete the form for any and all departments the individual is interested in working.

When the Employer determines the need for overtime, the Employer will notify volunteers from the employees working the department in which overtime is to be worked. Notification will be conducted by open shift postings and/or blast texts/emails.

Employees who have elected to participate in voluntary overtime will be placed on the list in order of seniority by their respective department. Overtime will be offered to the next person on the voluntary overtime list in rotating order. Once the voluntary overtime list has been exhausted, employees from other departments in the bargaining unit may be asked to work for overtime purposes. Overtime will only be available to individuals that have prior working knowledge; experience; required certification or license; or appropriate department training.

Once an employee has confirmed and agreed to the voluntary overtime work, the employee may not refuse to work the scheduled overtime, unless the employee has obtained a qualified replacement. If the voluntary overtime assignment remains unfilled, mandatory overtime will apply.

Every pay period, the Employer shall provide the Union a list of the overtime hours worked, the employees who worked overtime and the number of hours each employee so worked.

Employees may withdraw their name from voluntary overtime consideration by signing a copy of the form attached herewith as Appendix E. Those employees who withdraw themselves from voluntary overtime consideration are not exempt from mandatory overtime.

Employees who fill a voluntary overtime shift (one eight (8) hour or two four (4) hour shifts), shall have their name moved to the bottom of the list for Mandatory Overtime. Unscheduled overtime (i.e. staying over to complete urgent/unexpected work; charting; attend/complete mandatory in-services) will not move an employee to the bottom of the mandatory overtime list. Only time worked covering open hours will move the employee to the bottom of the list.

Volunteer overtime lists will be maintained by individual departments and available for review upon request.

b. Mandatory Overtime Distribution

The parties desire that mandatory overtime will be the exception and not the norm for DuPage Care Center operations and may only be used after the Employer has exhausted reasonable efforts to voluntarily fill the overtime required. If there are no volunteers for an overtime assignment, such vacancy will be filled by Mandatory Overtime using the Mandatory Overtime list. Such list shall be maintained by each department in reverse seniority order on a rotating basis. Individuals whose primary work assignment is in another department cannot be mandated to work by a different department (i.e., an individual who is a C.N.R.A. whose primary assignment is within the Physical Rehab Department cannot be mandated to work as a C.N.A. in the nursing department).

Mandatory overtime is considered part of the regular work schedule. If an employee is scheduled for mandatory overtime and they call off sick on the day before, the day of or the day after a holiday, holiday pay will be forfeited.

Employees shall have the right to refuse one (1) prescheduled mandatory overtime shift every three (3) months. Such refusal must be communicated to the Employee's supervisor within three (3) days of the posting of the employee's schedule. Employees who exercise this option shall return to the top of the Mandatory overtime list.

Staff who call in sick for mandatory overtime will not be paid sick time, personal time or vacation time for hours not worked.

Mandatory overtime lists will be maintained by individual departments and available for review upon request.

The least senior employee mandated to work overtime goes to the end of the list and is not mandated to work overtime again until the entire list has been expired.

Finance, Pharmacy and Admission staff will be offered overtime for specified hours versus shifts. Such overtime will be episodic and will only be available for staff qualified to complete the specified duties.

Emergency Overtime: in the event of a bona fide emergency, overtime will be filled on an "as needed" basis, without regard to seniority or department.

ARTICLE XIII WORK ASSIGNMENTS

Section 13.1 Floating General Provisions

Definition:

1. Floating is defined as the temporary reassignment of a staff member to an area outside of their regularly assigned unit. The parties recognize that certain employees are designated as floating staff who do not have a permanent assignment. This section does not apply to such employees.

2. Employees may be assigned to float to another unit other than their own, subject to the limitations provided in this Article.

Floating Order: Employees shall float in the following order, except for the Dining Services Department:

1. Agency Staff
2. Active Registry
3. Volunteers
4. Employees on overtime
5. Staff normally assigned to a unit or contracted agency staff that are employed to maintain a consistent assignment.

Unless the needs of patients/residents require deviation from this order.

B. Voluntary Floating:

Nothing herein shall prohibit an Employee from volunteering to float to other areas, provided that the Conditions in this Article are satisfied, and subject to supervisory approval.

D. Floating Records:

For the Nursing department only, the Employer will maintain any legally required competency validation. Float rotation lists will be maintained and will be available for inspection by affected Employees in the Unit and job classification. Information in this paragraph shall be made available and provided to the Union upon request.

Section 13.2 Call-Back Pay

Any employee called back to work outside of his/her regularly scheduled shift or on his/her scheduled days off shall be paid a minimum of three (3) hours pay at the applicable rate. A continuation of the end of a normal workday shall not qualify for this minimum. Employees notified prior to clocking out of the need to extend the workday will not be eligible for the call-back pay.

Section 13.3 On-Call Pay

A non-exempt employee, as defined by the Fair Labor Standards Act, is entitled to on-call pay if he/she is required by the Employer to be on on-call; that is to be available for possible recall for work, either on a day the employee was not scheduled to work or for a period of time after completing the employee's work day. For every two weeks that an employee is assigned a cell phone and is required to be on-call, the employee shall receive three (3) hours of pay at the employee's straight time rate. If more than three hours of work is required during the on call period, then the Employer will compensate the employee at his/her straight time hourly rate unless hours worked exceed 40 in a work week. The Employer will then pay hours in excess of 40 per week at the overtime rate.

Section 13.4. Temporary Assignment

The Employer may temporarily assign an employee to perform the duties of another position classification, including those of a supervisor. An employee temporarily assigned to a position with a lower rate of pay shall receive his or her regular rate of pay. In those cases where the employee performs the duties of a higher paying classification, while performing those duties, they shall be paid at the entry rate of the higher classification or ten (10) percent higher than their current pay, whichever is higher. Persons performing supervisory duties shall be paid ten (10) percent higher than their current pay for hours worked in that position.

For supervisory positions, the Employer shall rotate such temporary assignments among employees who volunteer for and receive appropriate training for the position.

Section 13.5 Call Off/Flexing Procedure

A. Call Off/Flexing when staffing levels are appropriate

Call Off/Flexing may be available to employees when staffing levels are appropriate and no other support duties are critical or necessary. This option must be approved by a Department Head or designee. Employees may volunteer to take the day off using their available benefit time. Registry employees who chose this option will receive credit toward their required shifts.

B. Call Off/Flexing as Time Worked

If an Employee is cancelled or volunteers to take time off, the hours that an Employee was scheduled to work shall count as time worked for purposes of maintaining status, like full-time or registry requirements. Unless the employees elect to use earned paid time off, the time off is without pay.

ARTICLE XIV HOLIDAYS AND PERSONAL DAYS

Section 14.1 Designation of Holidays.

All employees covered by this Agreement shall receive holidays equivalent to the provisions adopted within the DuPage County Board Employment Policies and Guidelines, and applicable County Board Resolutions through the length of the contract. Designated Holidays are:

New Year's Day	Martin Luther King Day
Christmas Day	Memorial Day
Thanksgiving Day	Independence Day
Day after Thanksgiving	Labor Day
President's Day	Columbus Day
Veterans Day	Juneteenth

If the Employer declares any additional dates as observed holidays, such date(s) shall be considered holiday(s) for all bargaining unit employees. If the employer declares any reduced dates as observed holidays, such dates shall be reduced holidays for all bargaining unit employees.

Section 14.2 Eligibility Requirements.

To be eligible for holiday pay, an employee must work in the week in which the holiday falls and must work his/her full scheduled workday immediately preceding and following the holiday unless on a leave of absence approved by the Department Head.

Section 14.3 Holiday Application.

Departments with 24/7 operations shall observe the actual holiday. Otherwise, when a holiday falls on a Saturday, it will be observed on the preceding Friday. When a holiday falls on a Sunday, it will be observed on the following Monday. When a holiday is observed by the County on an employee's normally scheduled day off, the employee will receive an extra day's pay in lieu of the holiday.

Section 14.4 Holiday Pay and Scheduling

All full and part time employees under county board jurisdiction who work a minimum of 20 hours per week shall receive pay for each holiday equal to their normally scheduled hours of work for the week in which the holiday occurs. Employees who work the designated holiday will receive their regular wages for working the holiday.

Care Center shift employees who work the designated holiday will receive in addition to their regular wages holiday pay at straight time or may request to bank the holiday and receive equivalent time off at straight time. Employees must provide advance notice to their supervisor in writing if they wish to exercise their option to bank the holiday time.

Banked holiday time must be used by the end of the calendar year it is earned. If the employee does not use the banked holiday time by the end of the calendar year, he/she will receive payment for any unused time.

For Departments, who have a twenty-four (24) hour or 365 days per year operation, employees may be scheduled to work one of the two (2) holiday rotation schedules listed below:

Holiday Rotation 1:

New Year's Day
Martin Luther King's

Holiday Rotation 2:

These departments include: Administration (Admissions), Nursing, Dining Services, Housekeeping, Laundry, Pharmacy, Recreation and Resident & Volunteer Services. The first selection for holiday rotation shall be by seniority. If the employee works Holiday Rotation schedule 1, then they will work Holiday rotation 2 the following year.

Section 14.5 Personal Days.

All full and part time employees under county board jurisdiction who work a minimum of 20 hours per week are eligible for personal days. Except in the case of initial hiring all employees covered by this Agreement shall receive five (5) Personal Days each year. The Personal Days may be taken any time during the calendar year subject to a minimum of twenty-four (24) hours advance notice and approval of Department Head or designee. Personal Days may be used in a minimum of one half (1/2) hour increments. Personal Days may not be carried over into the next year. During the first year of employment the employee shall be awarded personal days on a pro-rated basis after passing the six-month probationary period to be used in the calendar year in which the employee completes the probationary period, according to the following schedule:

Probationary Period Ends	Eligible For
January - February	5 days
March - April	4 Days
May - June	3 Days
July - August	2 Days
September - October	1 Day

It is expressly understood that the final right to designate vacation periods and the maximum number of employee(s) who may be on vacation at any one time is exclusively reserved by the County. In establishing vacation schedules, the Employer shall consider both the employee's preference and the Employer's operating needs.

Section 15.4 Limitation on Accumulation of Earned Vacation.

Earned vacation days shall normally be taken within one year after they are earned. Employees may carry over up to ten (10) days of vacation from one (1) year to the next not to exceed ten (10) days, according to their normally scheduled bi-weekly hours. Any unused vacation time above the 10-day carryover maximum allowed, may

Sick, personal and vacation days will not accrue while the employee is on a Personal Leave, nor will an employee be eligible for holiday pay. During a Personal Leave, an employee may continue participation in the County's benefits programs by paying the total cost of those programs. ANTI-HARASSMENT POLICY

DuPage County is committed to a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits discriminatory practices.

It is the policy of DuPage County to comply with local, state and federal anti-discrimination laws, and to provide a workplace free of discrimination and harassment based on race, color, religion, age, sex, national origin, familial status, disability, sexual orientation, gender identity, status as a veteran, order of protection status, or any other protected class. In keeping with this commitment, we will not tolerate harassment of employees by anyone, including any manager, coworker, vendor, resident, contractual staff or citizen.

ELIGIBILITY

All employees under County Board Jurisdiction regardless of employment status.

GUIDELINES

1. Sexual Harassment constitutes discrimination and is illegal under federal, state and local laws. For the purposes of this policy, sexual harassment includes, but is not limited to:
2. Unwelcome sexual advances, requests for sexual acts or favors, or other verbal or physical conduct of a sexual nature
3. Any statement or implication that an individual's submission to or rejection of such sexual conduct could be used as a condition of employment, or as the basis for any employment decision affecting such individual; and
4. Any conduct, whether physical or verbal, which has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment. This includes, but is not limited to: slurs, jokes or degrading comments of a sexual nature; offensive sexual flirtation, sexual advances or propositions; abuse of a sexual nature; graphic verbal comments about an individual's body; sexual innuendo or suggestive comments; sexually oriented "kidding" or "teasing"; unwanted physical touching, such as patting or pinching another's body; sending,

forwarding or soliciting sexually suggestive letters, notes, emails, or images; and the display in the workplace of sexually suggestive printed or visual materials, clothing, objects or pictures.

B. Sexual Harassment may include a range of subtle to obvious behaviors and may involve individuals of the same or different gender.

C. Harassment based on other protected classes is also strictly prohibited. Under this policy, harassment is defined as verbal or physical conduct that demeans or shows hostility or aversion toward an individual because of their race, color, religion, sex, sexual orientation, gender identity, order of protection status, national origin, age, disability, marital status, citizenship or any other characteristic protected by law, and that:

1. Has the effect of creating an intimidating, hostile or offensive work environment
2. Has the effect of unreasonably interfering with an individual's work performance
3. Otherwise adversely affects an individual's employment opportunities

D. Harassment includes, but is not limited to: epithets, slang, nicknames, slurs, negative stereotyping, threatening, intimidating or hostile acts, denigrating jokes, and written or graphic material or material that is transmitted electronically that demeans or shows hostility or aversion toward an individual or group.

PROCEDURES

A. Every employee must end and/or avoid any conduct that reasonably could be interpreted as discrimination or harassment under this policy, even if such conduct was not intended as offensive. Conversely, employees are expected and encouraged to inform others in the workplace whenever conduct is unwelcome, offensive or in poor taste.

B. DuPage County expects the immediate reporting of all perceived incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position, or the perceived severity of the incident. Individuals who believe that they have been subjected to harassment (or who have reason to believe that someone else has been subjected to harassment) should discuss their concerns with any County Supervisor, Department Head or Human Resources Representative immediately. The employee may prepare a statement in writing, and/ or be prepared to discuss the following:

1. The name, department, and position of the person or persons allegedly causing the harassment.

2. A description of the incident(s) including the date(s), location(s), the presence of witnesses, and the names of other employees who might have been subject to the

3. The alleged effect of the incident(s) on the complainant's position.

4. The steps the complainant has taken to try to stop the harassment.

5. Any other information the complainant believes to be relevant to the harassment complaint.

C. Any reported allegations of harassment, discrimination or retaliation will be investigated promptly by the Human Resources Department. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge.

1. Confidentiality will be maintained throughout the investigative process to the greatest extent possible.

2. Anonymous complaints will be accepted; however, the County may be limited in its options in investigating or resolving anonymous complaints due to a limited ability to collect additional information.

3. Appropriate action, which may include disciplinary action, not to exclude termination, will be taken against any employee found to have engaged in the harassment of any other employee in the workplace in accordance with (Policy 10.1: Disciplinary Guidelines). If an employee is concerned about behavior or harassment by another employee that occurs outside of the workplace, they will be encouraged to contact appropriate law enforcement officials.

4. Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action, not to exclude termination. Acts of retaliation should be reported immediately and will be promptly investigated and addressed. An individual may also file a claim of retaliation pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/15-10), the Whistleblower Act 740 ILCS 174/15(a), or the Illinois Human Rights Act (775 ILCS 5/6-101)).

5. Failure of an employee or supervisor to cooperate with an investigation of harassment, or refusal to comply with disciplinary action resulting from an

investigation of harassment may be subject to further disciplinary action, not to exclude termination.

6. A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to \$5,000 against any person who intentionally makes a false, frivolous or bad faith allegation.

An employee who believes s/he has been subjected to sexual harassment has the right to file a complaint with the Illinois Department of Human Rights (IDHR), 100 West Randolph Street, 10th Floor, Intake Unit, Chicago, Illinois 60601; (312) 814-6200 or (800) 662-3942; Chicago TTY (866) 740-3953; Springfield (217) 785-5100; Springfield TTY (866) 740-3953; and/or the Illinois Human Rights Commission (IHRC), Chicago (312) 814-6269; Chicago TTY (312) 814-4760; Springfield (217) 785-4350; Springfield TTY (217) 557-1500; and/or the Equal Employment Opportunity Commission, JCK Federal Building, 230 S. The Illinois Human Rights Act provides that complaints of harassment must be filed within 180 days of the alleged incident. A complaint with the EEOC must be filed within 300 days of the alleged incident. It is also a violation of section 6-101 of the Illinois Human Rights Act to retaliate against an employee for opposing or complaining about conduct believed to be a violation of the Act

It is the employee's responsibility to inform their Department Head or Supervisor if they are currently on prescription medication that may affect their ability to safely and effectively perform the duties of their job. Should the employee be unable to perform the essential functions of their position as a result of taking prescription medication, the County will evaluate whether a reasonable accommodation exists in accordance with Personnel Policy 2.5: Workplace Accommodations.

4. The County reserves the right to offer employees participation in an approved rehabilitation or drug abuse assistance program, at the employee's cost, as an alternative or in conjunction with disciplinary action. If such a program is offered, and

accepted by the employee, the employee must satisfactorily participate in the program as a condition of continued employment.

In the event sufficient funds are not appropriated in a subsequent fiscal year by the County of DuPage for performance under this Agreement, the Court shall notify Contractor and this Agreement shall terminate on the last day of the fiscal period for which funds were appropriated. In no event shall the Court be liable to the Contractor for any period in excess of the cost of the Services rendered up to and including the last day of the fiscal period, provided said notice is given.

14. **Insurance:**
- 14.1 **Automobile Insurance:** If Contractor will be driving a vehicle in the course of performing the Services, Contractor shall attach a copy of its current automobile insurance card confirming that the vehicle is covered by insurance.
- 14.2 Contractor agrees to obtain Commercial General Liability Insurance, Professional Liability Insurance and Worker's Compensation and Employer's Liability Insurance and hold the County, its members, trustees, employees, agents, officers, and officials harmless and from all liability in any claim or action made by Contractor or any third party, and harmless from any judgment awarded by any court or administrative body, for personal injury, disability or death, or damage or destruction of property resulting from or connected with the Services, unless caused by the gross negligence of the County.

Dear Kevin and Team:

On behalf of Logicalis, I have enclosed our proposal for Microsoft 365 Hosting and Managed Services in response to your RFP# 23-101-CCC.

Companies like Dupage Cty Clerk of the Cir Court who are tasked with the internal management of IT environments struggle to meet business expectations. Too often, demands are not met because internal resources are preoccupied with attending to IT infrastructure instead of focusing on delivering the solutions needed to move business forward. A lack of dedicated internal resources, an unpredictable IT budget or overworked IT employees overwhelmed with everyday tasks are all common problems that create the need for a better option. Trusting Logicalis with your IT services can empower your team to shift priorities and cost-effectively focus IT resources on business directed initiatives, while continuing to provide essential services. Logicalis' Managed Services enable you to focus on your core business while our experts attend to your IT infrastructure and immediately provide you high levels of operational maturity. Our Managed Services model is a proven, cost-effective way to manage your IT operations and deliver higher service levels to your organization.

Logicalis has appreciated our partnership and is responding with 3 proposed options for the Circuit Court to consider:

Option 1 is similar to the solution and managed services you receive today.

Option 2 is our Digital Workplace Services with Identity and Collaboration Management

Option 3 is our Digital Workplace Services with Identity, Collaboration and Endpoint Management

We are presenting alternatives for your consideration in the event you would like extended services over time to meet DuPage's needs.

The M365 productivity suite has over 50% market share globally and continues to expand the solutions and services as part of the portfolio. In October of 2022, Microsoft released the "New Commerce Experience", which effectively replaced the previous Cloud Solution Provider (CSP) licensing model that Dupage had been leveraging. Logicalis continues to invest in the M365 services and have released our new Microsoft Licensing Portal to provide our clients self-service for their licensing and a new response tree for M365 and Azure New Commerce licensing requests. We've also invested in a new Customer Experience Team, who will be adding monthly reporting and discussions about your current and future Microsoft services. Understanding where you are moving as a company and providing insights into additional M365 and Azure capabilities and optimizations for your organization.

In addition to the M365 suite, Logicalis has been recognized as one of just a few Microsoft Azure Expert Managed Services Providers (MSPs) worldwide, Logicalis underwent Microsoft's rigorous and extensive process to become an Azure Expert MSP, which includes:

- Both a pre-audit assessment and an onsite audit of our company-wide processes
- Partnership as a Cloud Solution Provider (CSP), along with Logicalis-created intellectual property
- A minimum of 15 Microsoft-certified engineers to support your needs

As a result, Logicalis has proven that it can manage your IT systems and maximize IT productivity, while your team focuses on delivering long-term, sustainable business growth. Section 5.2 Proposal Narrative

Project Management

Logicalis leverages a Project Management methodology, the Logicalis Solutions Framework (LSF), designed to encompass the diverse services that we perform for our customers. This framework was developed to focus on technology requirement gathering, design, implementation and support services. These principles provide the baseline by which project are executed, reported and documented. LSF follows a four-phased approach for managing projects: Scope Definition, Project Planning, Execution, and Closure. Each phase focuses business and technology expertise on the services provided during each stage of the project.

The following graphic provides a representation of the interrelationship between project phases, guiding activities within our framework. We understand the fluid nature of projects and have developed this framework to support and control the complexity of technology services.

As depicted in the graphic, the LSF focus is primarily on quality and planning, which helps verify that:

- Project objectives are understood by all stakeholders and goals are attained
- Project timeframes and commitments are maintained
- Project financial constraints are taken into consideration
- Project changes are minimized, documented and approved in line with project objectives to support overall change management activities
- Project status reporting is consistent and effective
- Risks are understood and mitigated

Logicalis understands the complex trade-offs required to apply technology services to the enterprise. Under LSF, deliverables are defined, prior to each project phase. This provides tangible outputs, which can be measured throughout the life of the project. We strive for partner relationship with our Customers; therefore communication of project progress and expectations is key to overall project success.

Project Management tasks that facilitate meeting the stated business objectives, have been included in this response. We strive through the performance of these Project Management processes to manage the project's scope to the primary constraints of time, quality and cost. This permits both organizations to realize the benefits of successful project completion.

Solution Profile

Logicalis is proposing a comprehensive solution for the Dupage County's Microsoft 365 tenant. Combining the Microsoft New Commerce Experience (NCE) licensing and Logicalis traditional Managed Services offerings and the new Logicalis Digital Workplace (DWP) service, we believe we have a solution and service offering to continue to support the Dupage County end-users today and well into the future.

Logicalis has responded with a few different options for consideration. These options vary in solution scope and service pricing:

1. New Commerce Experience Licensing (M365 Licenses) + Traditional Managed Services – This provides a comparable solution and service to what Dupage has been receiving from Logicalis over the last 5 years.
2. New Commerce Experience Licensing (M365 Licenses) + Traditional Managed Services + Digital Workplace – Identity & Collaboration
3. New Commerce Experience Licensing (M365 Licenses) + Traditional Managed Services + Digital Workplace – Identity & Collaboration + EndPoint Management

We broke each of these options out as a separate section and explained them in greater detail. Each option builds upon the previous option and option 3 is by far the most comprehensive service that will help DuPage County support and manage the M365 tenant.

Below is a high-level comparison of the three Managed Services Offerings:

Option 1 - Current Offering

In this option, Logicalis is proposing the Microsoft New Commerce Experience (NCE) licensing and Logicalis Managed Services that most closely resemble what Dupage County has under contract today with Logicalis.

We know that today's IT organizations continue to face IT skills and talent shortages. In fact, many IT decision-makers believe that they cannot meet their organization's demand for IT expertise with internal resources alone. In addition, most organizations operate in multiple computing environments, such as on-premises, cloud, and edge computing—environments that are often managed separately. Though they are connected through the network, it is difficult to see the entire environment, share data, and take advantage of insights.

Logicalis Managed Services overcomes IT skills and talent shortages and unifies management of disparate environments by changing the focus from remediation to prediction and insight and delivering unparalleled levels of business uptime through our AIOps-powered Digital Service Platform (DSP).

More than just a portal, DSP is rigorously structured and defined and services are connected, automated and managed in a standardized way to ensure consistent high quality. AI and machine learning (M/L) add the ability to predict and prevent potential failures and, where appropriate, automatically deliver a self-healing resolution. The result is unrivaled service levels, clarity and confidence by reducing risk and increasing system performance.

The platform provides services composed of applications, methodologies, frameworks, service definitions and processes. It is built and maintained by a global virtual team, agile methodologies and a global governance structure. It delivers a well-orchestrated set of best-practice processes and integrated systems to optimize business outcomes throughout services fulfillment and management.

More specifically, the DSP platform is comprised of the following features -

- AIOps – Platforms that include automation and machine learning for contextualizing large volumes of varied and volatile data.
- M/L Clustering – Use of machine learning to group related events.
- AI Automation – Use of scripts and workflows to automate routine resolutions, fulfillments, queries, etc.
- Cockpit – Dashboard where engineers have a single pane of glass to view all relevant information for an incident (e.g. ticket information, related events, monitoring, analytics).
- Analytics – Graphical representation that provides insights into large volumes of underlying data.
- M/L Anomaly – Use of machine learning to detect unusual behavior in a device or environment.
- M/L Prediction – Use of machine learning to detect behavioral patterns and statistically predict the next event in a behavioral pattern. It provides a high-probability prediction about something that will occur in the future.

Logicalis Managed Services combines multiple technologies required to provide real-time monitoring integrated with our Service Management/Workflow system to drive efficient proactive and reactive support.

Monitoring and management details for the technologies included in this RFP are found in the appendices for each specific technology.

Next-Generation Managed Services

Most organizations operate in on-premises, cloud, and edge environments. While often connected to the same network, many of these environments are managed separately, making it difficult to predict issues or prevent them from taking operations down. Logicalis takes the management of your computing environments to the next level using our Digital Service Platform (DSP). Powered by Artificial Intelligence Operations (AIOps), DSP focuses on prediction and prevention instead of remediation after the fact. This breakthrough Digital Service Platform powers digital transformation with services that deliver unparalleled levels of business uptime through sophisticated design and artificial intelligence.

The Key to Next-Generation Managed Services

According to Gartner, AIOps platforms are "software systems that combine big data and AI or machine learning functionality to enhance and partially replace a broad range of IT operations processes and tasks, including availability and performance monitoring, event correlation and analysis, IT service management, and automation." But AIOps is more than tools and algorithms. For the most trusted, accurate results from AIOps, organizations should consider addressing these three pillars of data science:

Compute - We use robust compute and data lake technologies to ingest and analyze massive data sets.

Algorithmic Skills – We work with a team of PhD-level data scientists to tune, contrast, and compare algorithm results based on accuracy and speed.

Business Knowledge – We have deeply knowledgeable business and process people working with the data scientists, who understand the full spectrum of data involved and how to achieve the desired impacts and outcomes.

An Unprecedented, AIOps-Powered Technical Foundation

The Logicalis Digital Service Platform uses machine learning and automation to enhance the Managed Services experience we deliver to customers and alter it with richer insights and visibility, unprecedented prediction and prevention, and automated resolutions and responses.

Logicalis DSP Benefits:

Significant reduction in outage cost – Delivers greater levels of business continuity—and drives down costs—through early incident detection, automated remediation, and predictive incident prevention.

Maximum business productivity – Prevents business disruption by intelligently correlating events and systems and detecting anomalies and behavioral patterns for advanced warning of system issues.

Optimized system productivity – Improves system performance through early detection and remediation of performance issues and resource constraints before they become issues.

Maximum user productivity – Enhances the user experience and productivity through optimized service activation, operational excellence, and service level coordination.

Accelerated business value – Speeds time to value as your service goes live and all relevant service components are auto-activated.

Consistent global services – Delivers a consistent service experience, no matter where in the world you are, with a platform used by Logicalis operations centers and engineers.

Optimal Services Program

Partnering with an organization like Logicalis, which has the people, processes, and technological platforms to deliver operational efficiencies, is the best way to stay ahead of your business's changing demands. At Logicalis, our array of solution design and consulting services, provisioned consumption-based offerings, managed services, and lifecycle services are all built on a best-practices framework backed by world-class ITIL processes designed to help you manage your technology infrastructure more efficiently and cost-effectively while responding proactively to your organization's transformation goals.

Using an array of leading service management tools and finely tuned processes, our Optimal Services platform enables our Managed Services operations to:

- Professionally manage your IT infrastructure
- Deliver consistency in your IT services and the user experience you provide
- Reduce operational costs
- Achieve fast IT infrastructure maturity

In short, Optimal Services is an incredible framework that has been painstakingly designed to deliver repeatable, consistent services across all participating geographies while still giving us the ability to remain flexible and agile in meeting your unique regional needs.

ITIL processes are used to provide a framework to measure what your provider is doing. ITSM tools make it possible to apply all of the ITIL best practices built into the tools and DSP, linking to systems Logicalis manages for our clients - essentially delivering state-of-the-art service management efficiencies right out of the box. Service Definitions are used to define the tasks Logicalis will execute to keep the client's systems in good working order. The Logicalis Digital Service Platform builds on traditional ITSM, and layers of machine learning and applied algorithms designed and maintained by our data scientists to move from reactive to predictive support.

Monitoring & Event Management Summary

Logicalis Monitoring & Event Management includes proactive monitoring for the identification of events and alerts. Logicalis monitors and identifies events or thresholds that have been exceeded in accordance with the parameters in the Service Definition.

Incident Management Summary

Procedural resolution of issues with escalations and SLAs, leveraging AIOps to continually reduce MTTR and shift to Incident Avoidance via predictive Change Management. The primary aim of Logicalis' Incident Management process, based upon ITIL, is to restore service operation as quickly as possible and maintain the best possible service quality and availability for the customer's business operations.

Deliverables include:

- Incident management services, including identification, logging, processing, escalation, and resolution management, including third-party vendors as required.
- Incidents will be automatically generated by our monitoring tools or created via agreed customer contact methods.
- Escalation procedures based on formal, pre-defined criteria and processes.
- Customer notification when an incident occurs and during resolution updates.

- Urgency - the urgency is either assigned by the associated monitoring alarm or the data collected from the user reporting the issue.

Incident priority is determined by the table below. For example, a High Urgency Service Impacting Event on a High Impact device is a Priority 1 Incident, whereas a Medium Urgency Service Impacting Event on a Medium Impact device is a Priority 3 Incident.

Incident Priority Matrix

Medium	Priority 2	Priority 3	Priority 4
Low	Priority 3	Priority 4	Priority 5

Standard Target Resolution Times for Managed Devices by Priority

Priority	Incident		
	Email Notification	TRT*	Phone Call (24x7)

As part of the Digital Workplace service, Dupage County will also get access to the Logicalis Digital Fabric Dashboard. The Dashboard is a foundation for change, as organisations continue to advance digital transformation initiatives, the layers of digital infrastructure is becoming more complex.

With so many competing priorities, pressure to reduce costs and carbon emissions, disparate technology and tools, and an advancing IT skills gap, both problems and opportunities can become hard to see, and even harder to address.

So how do you really know if you’re making progress? To truly optimise, you must simplify and combine the layers of digital infrastructure to form a solid foundation.

At Logicalis we harness our collective expertise to help you build a **blueprint for success in a digital-first world**. So, you can create a sustainable business, with outcomes that matter. We recognise that you’re advancing your digital business, fast. Through our managed services, we ensure that your business can evolve as you evolve by helping you to create a **digital fabric** that weaves throughout your entire technology suite – unifying and elevating your IT infrastructure – to give you greater control, visibility and a clear path forward.

Gain economies of scale in interoperability performance

When you break down what you need to transform your organisation, there’s often overlap between priorities and it’s hard to know where to begin. Our Digital Fabric ties together your transformation initiatives efficiently, uncovering synergies and capturing savings as you go.

Get a real time view of your entire technology suite

Disparate systems don’t build a solid foundation – they create gaps and inefficiencies. By bringing the layers of digital infrastructure together into a central Digital Fabric Dashboard, you can get a real time view that spans your technology suite, ensuring you stay on top of performance and ahead of surprises.

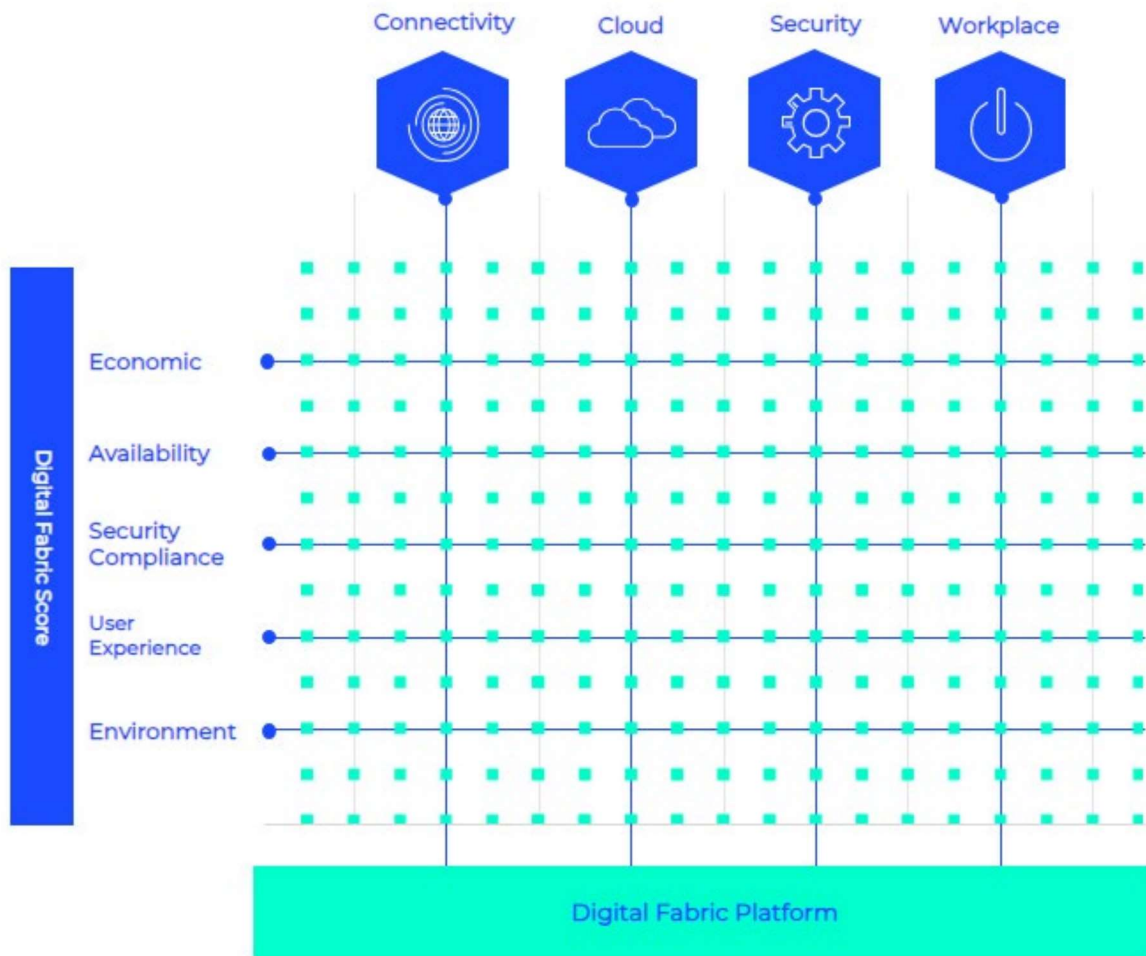

Harness actionable leadership benchmarks

Forget guesswork – through our **Digital Fabric Scoring system** you can gain access to industry benchmarks across environment, economics and user experience, showing you exactly how your organisation measures up against the competition.

How does it work?

Our Digital Fabric encompasses our global solutions which are designed to help you **reduce risk, optimise operations** and **empower employees**. We use our objective scoring system – the **Digital Fabric Score** – to benchmark you in each solution area against competitors in your industry so you can see how you measure up.

This data is combined into the **Digital Fabric Platform** – to ensure insights are shared, resources are evenly spread, costs are optimised, and emissions and security are controlled across your entire digital fabric.

The Digital Fabric Score

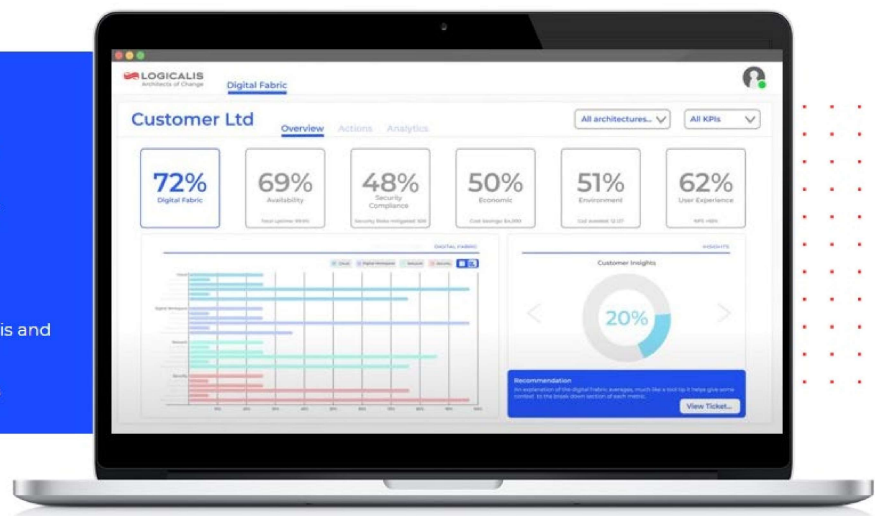

The Digital Fabric Score allows you to drive performance across your entire digital fabric. Not only do you get a view of how you measure up against similar organisations within your industry, but we also provide practical recommendations to help you improve.

The Digital Fabric Platform

See how your digital fabric measures up with access to:

- A centralised view of data across your services and their consumption
- A dashboard that shows cost, security and compliance anomalies

2.2. CSP Commercial Terms

Subscriptions

1. The Product (as that term is defined and used in the Logicalis Terms and Conditions of Sale) subscriptions identified in the table above (each a "Subscription") are sold under one of two pricing models: (a) a fixed term subscription; or (b) a consumption subscription (e.g. pay as you go) model.
 - 1.1. **Fixed Term Subscriptions.**
 - 1.1.1. Products sold under fixed term subscriptions are sold for a minimum term of 12 months and may be longer, as set forth herein. This Order will identify whether the applicable Subscription will be paid on a monthly or annual basis.
 - 1.1.2. For those subscriptions billed monthly, Customer will be billed the applicable monthly Subscription price in advance for each month on Customer's scheduled invoice date. For those Subscriptions billed annually, Customer will be billed in full in advance of the Subscription commencement date, or, if applicable, at the Customer's next scheduled monthly invoice.
 - 1.1.3. The unit price for the Subscription will not change during the term of that Subscription.
 - 1.1.4. Any subsequent adjustments to Subscription (e.g., adding seats) made mid-billing cycle will be calculated and post-billed at the subsequent invoice. Such adjustments shall be co-terminous with the existing Subscription.
 - 1.1.5. Fixed term subscriptions will automatically renew for a term equal to the initial term of the underlying Subscription at the end of a Subscription Term. Customer may opt out of automatic renewal by updating the Subscription through the Logicalis CloudCentralis portal either in advance of the next scheduled invoice or in accordance with the returns policy for new subscriptions.
 - 1.2. **Consumption Subscriptions**
 - 1.2.1. Except for Reservations, Azure consumption subscriptions refers to one-month subscriptions that are billed based on actual usage in the preceding month without upfront commitment. Consumption subscriptions will be billed at Customer's next billing cycle and will include all usage from the prior month. Pricing will be based on the pricing in effect during the current billing cycle. The unit price for a Subscription sold on a consumption basis may change during the subscription period.
 - 1.2.2. Azure consumption subscriptions automatically renew unless cancelled. Azure Consumption Subscriptions can be cancelled at any time and any usage before cancellation will be billed in the next scheduled invoice date.
 - 1.2.3. Invoicing will be based on Customer's monthly consumption. Logicalis will invoice, monthly in arrears, for Customer's actual usage of all services consumed in the prior month. Any addition services not set forth herein and project-based services shall be defined in a separate statement of work.
 - 1.2.4. Pricing in the table above reflects the estimated price based on customer's anticipated consumption at the time of contract initiation.
 - 1.2.5. For Azure Reservations, Customer is agreeing to an advanced purchase of eligible Microsoft Azure Services for a specified term (e.g. Reserved VM Instances, reserved capacity, etc.). Reservations are non-cancellable and expire at the end of the specified term.
2. If Customer identifies a discrepancy between any quantity, Product fee, or other amount (a) as invoiced or payable to Logicalis, versus (b) as reported by Customer or reflected in Customer's records, then Customer must report that discrepancy to Logicalis within twenty (20) days after the invoice issue date and must provide adequate and timely assistance to Logicalis to investigate and resolve the discrepancy. Logicalis reserves the right to correct non-material errors on invoices by sending a courtesy corrected invoice, provided that the due date reflected on the original invoice will not change and late fees or interest will accrue from the original due date. If Logicalis determines that Customer has overpaid, Logicalis will give Customer a credit. Any payment disputes will be treated separately from Customer's obligation to pay invoices and other amounts when due, and Customer may not withhold or offset any amounts due before the dispute is resolved or any related credits are issued (and then only in the amount of such credit).
3. If (a) Customer fails to pay the invoice in full when due, or (b) Customer takes an unauthorized offset on amounts owed, Logicalis may take any (or any combination) of the following actions to the maximum extent permitted by applicable laws, and without waiving any other right or remedy it may possess, after notice to Customer of any failure to make timely payment:

- I. charge a recurring late charge on the past due amount equal to 1.5% per month (or the legal maximum, if less). The recurring late charge will accrue daily from the payment due date through the date of actual payment;
- II. suspend all pending orders, further shipments, or Customer's access to Subscriptions under this Order;
- III. require the prepayment of Subscription fees on future orders, place Customer's account on hold, reduce Customer's credit limit, or require that Customer provide a bank guarantee or other form of security; or
- IV. withhold the past-due amount from any other amounts payable by Logicalis to Customer under the Agreement.

Notwithstanding the foregoing, if Customer activates the Subscription before the Commencement Date, the Subscription will commence on that date.
2. Logicalis' Terms and Conditions of Sale, found at <https://us.logicalis.com/tcsales>, are incorporated herein by reference and govern the purchase of the Microsoft subscription Products and the support as part of the Product subscriptions. The resale of the subscriptions are Products.
3. By signing this Order, Customer hereby also agrees to the Microsoft Customer Agreement ("MCA") located at <https://www.microsoft.com/licensing/docs/customeragreement> and represents and warrants to Logicalis that it: (i) accepts the terms and conditions of the MCA; and (ii) enrolled Logicalis as a support provider in the Microsoft portal. Upon request by Logicalis, Customer shall provide Logicalis with any additional proof necessary to substantiate Customer's acceptance to this Microsoft Customer Agreement. Failure to provide such confirmation may result in the disablement of Customer's account. All capitalized terms used but not assigned a definition in this Order shall have the meaning ascribed to them in the MCA.
4. All Products Customer purchases under the MCA during the Term are included in and subject to the MCA regardless of purchase date. If Microsoft updates the MCA, then Customer must accept the new MCA prior to or at the submission of a subsequent order (which is not a subsequent adjustment to an existing Subscription) or the renewal of a Subscription.
5. Upon cancellation, Customer will have ninety (90) days to migrate any Customer Data to either a new Subscription with Logicalis, with Microsoft directly, or to some other service. Logicalis shall not be responsible or have any liability for data lost due to Customer's failure to migrate within this time frame if the migration is to another provider or Microsoft.
6. The Product Terms applicable to Products purchased hereunder are published at <http://www.microsoft.com/licensing/contracts> and are hereby incorporated by reference into this Order and shall govern the Customer's use of the Products. 9. Customer may directly order Products within their designated CSP Subscription via the Microsoft portal and/or Logicalis CloudCentralis portal. This activity by the Customer will be treated as an order with Logicalis on behalf of the Customer under the terms of hereunder and at the price set by Logicalis. Logicalis will monitor Customer activities and manage any limits on the types or volume of services that Customer can provision or deprovision.
10. The following requirements, or equivalent, must be always met for Logicalis to provide, and continue providing, the CSP Service in Section IV and any other agreed upon Microsoft 365 and Azure related services:
 - a.  - b. During the Term, Customer will ensure required Logicalis staff have "Admin Agent" permissions to the Azure environments being managed. This permission is set forth at: <https://docs.microsoft.com/en-us/partner-center/permissions-overview#manage-commercial-transactions-in-partner-center-azure-ad-and-csp-roles>.

If Customer removes Logicalis' administrative permissions to M365 and/or Azure related CSP environments, pricing for Customer's Products will revert to Microsoft Estimated Retail Pricing (ERP). Taxes are added at time of invoice.
- 11. Unless Customer provides written notice of non-renewal, at least forty-five (45) days prior to the end of the then-current subscription term thereof, then the Microsoft Online Cloud Services shall automatically renew and Customer agrees to pay Logicalis for such renewed subscription term at the rates charged by Logicalis therefore.
- 12. If Customer is a federal agency, state/local entity, or tribal entity acting in its governmental capacity, then the following terms shall apply:

 - d. Customer may not deploy or use Government Community Cloud Services and corresponding non-Government Community Cloud Services in the same domain. Additionally, Office 365 Government may not be deployed or used in the same domain as other Government Community Cloud Services.

3.3. Out of Scope Rates, Travel Expenses

3.3.1. Out of Scope Rates

Any service delivery request outside of the scope of this SOW will be evaluated on a case-by-case basis and, if approved, be executed through a separate SOW or executed through a Project Change Request to this SOW.

3.3.2. Travel Expenses

Travel expenses will be tracked separately and billed directly to Customer. Travel expenses will include cost incurred from travel (airfare, rental car, mileage, tolls, and lodging). Meals, if any, will be billed at the per diem rate of \$65.00.

3.4. SOW Change Enablement Process

Changes to the SOW will be negotiated separately through this Change Enablement process. In the event either party desires to change this SOW, the following procedures shall apply:

1. Either party shall notify the other party of any requested changes. Logicalis will deliver a Project Change Request to Customer for review and execution. The Project Change Request will describe the nature of the change, the reason for the change, and the effect the change will have on the SOW, which may include changes to the contracted services and/or prices.
2. If both parties agree to implement the Project Change Request, the appropriate authorized representatives of the parties will sign the Project Change Request, indicating the acceptance of the changes by the parties.
3. Each executed Project Change Request will be incorporated into, and made a part of, this SOW.
4. No party is under any obligation to proceed with the Project Change Request until such time as the Project Change Request has been agreed upon by both parties.

In the event of a conflict between a Project Change Request and the original SOW, or previous fully executed Project Change Request, the most recent fully executed Project Change Request shall prevail.

Should the sum of fully executed PCRs over the life of the contract reduce the total monthly charge below 70% of the original MRC Logicalis reserves the right to exercise early volume reduction fees. Those fees shall be calculated at that point as 25% of the difference between the MRC on the Commencement Date and the then-current MRC, multiplied by the number of months remaining in the Term.

3.5. Term and Early Termination

Pricing Validity Length. This SOW is for services only and the pricing shall remain valid for ninety days from the date this SOW was first provided to Buyer. Upon Logicalis' receipt of the fully executed SOW, the pricing shall be secure for the length of the "Term" (as described below), except as may be adjusted on an annual basis as set forth herein.

Commencement Date. As used in this SOW, "**Commencement Date**" means the first day of the month in which the total monthly recurring services are billed to the Customer. The Commencement Date will be February 1, 2024. Should Logicalis provide monthly recurring services in advance of the Commencement Date, Customer shall be responsible for payment of those monthly recurring services upon invoice and in accordance with the payment terms.

Term. The initial term of this SOW is 60 months and will commence on the Commencement Date (the "**Initial Term**"). Thereafter, this SOW will automatically renew for successive one (1) year periods (the "**Renewal Term**"; together with the Initial Term, the "Term") unless terminated by either party upon written notice to the other at least sixty (60) days before expiration of the then-current Initial Term or Renewal Term.

The MRC in each year of the Renewal Term will automatically increase by (a) ten percent (10%) over the MRC set forth in the Initial Term or applied in the preceding year of the previous Renewal Term, as applicable, AND (b) the percentage by which the consumer price index, as last reported by the Bureau of Labor Statistics of the United States Department of Labor, has increased beyond the consumer price index reported by the Bureau of Labor Statistics of the United States Department of Labor in the preceding year.

Logicalis continually endeavors to improve the services it offers to its customers. Accordingly, during the Term, Logicalis reserves the right to modify the SOW-Specific Terms at any time for the purpose of improving the Services or delivery thereof (examples of such modifications include, but are not limited to, enhancement of existing or addition of new technological support).

Early Termination Fee. Customer may terminate this SOW for convenience at any time during the Initial Term upon a minimum of thirty (30) days' prior written notice to Logicalis. Such termination will not become effective until Customer has paid (a) any outstanding invoices still owed, (b) an early termination fee equal to the undepreciated value of any implemented client specific dedicated infrastructure, and (c) an early termination fee equal to twenty-five percent (25%) of the Monthly Recurring Fees for the remaining line items for the remaining months (including partial months) in the Initial Term. In addition, Customer shall not be refunded for any portion of set-up/implementation services fees hereunder. For purposes of computing the Early Termination Fee the "Monthly Recurring Fee" means the monthly recurring fees paid or owed by Customer for the full month immediately preceding the termination or seventy-

five percent (75%) of the monthly recurring fees on the Commencement Date, whichever amount is greater

Logicalis Hardware. Any equipment (including but not limited to VPN router, universal hub appliance, etc.) provided to Customer from Logicalis as part of the Cloud Services and/or Managed Services remains the property of Logicalis. Unreturned equipment will be charged back to Customer at the then-current Manufacturer's Suggested Retail Price (MSRP) if it is not returned to Logicalis within thirty (30) days from the date of termination.

3.6. Managed Services Terms and Conditions

This Statement of Work ("SOW") is made and entered into pursuant and subject to the terms of the Master Solutions Agreement between DuPage County Circuit Clerk and Logicalis, dated December 5, 2012, and are incorporated herein by reference. - Summarized monitoring data is stored for 1 year
- Actionable events are automatically classified as High, Medium, or Low urgency based on the severity of the event

Customer Responsibilities

- Customer will open all Logicalis required ports, and any other required access, to enable monitoring and management
- If a device requires trap management to be used, the customer will allow Logicalis to receive traps

Notes

- If Logicalis does not manage or monitor a device(s) that is preventing Logicalis' ability to detect events, then the situation is considered outside of Logicalis' responsibility
- Changes to hostnames or IP addresses without prior notification to Logicalis will result in temporary discontinued monitoring/management and may require a billable effort to remediate

Resolution & Closure

Incidents are marked as "Resolved" by Logicalis; the customer then has 5 calendar days to reject the resolution or mark the Incident as "Closed" If no action is taken by the customer, the Incident will automatically be marked as "Closed" at the end of the 5th calendar day. Closed Incidents cannot be reopened however new Incidents can be created if required.

Incident Priorities

Priority is a function of both:

- Impact - the assigned impact (importance) of the affected Configuration Item (CI) / Device, or the affected Business Service (if the CI isn't provided or known).
- Urgency - the urgency which is either assigned by the associated monitoring alarm, or the data collected from the user reporting the issue.

The Priority Assignment Table is shown in the "Service Level Agreement" section of this document.

Problem Management

Summary

Root Cause Discovery and Resolution Planning

Deliverables

Logicalis' Problem Management, based upon ITIL, identifies root causes of relevant Incidents as well as recommended resolutions to the root causes. The resolutions may require Logicalis' Change Enablement to implement recommended changes. The core objective is to find the root cause and remedy, prevent or reduce the impact of future Incidents and Problems, and minimize recurring issues and Incidents that cannot be prevented

Deliverables include:

- Create Problem records, where there is no known error, for:
 - CP1 priority Incidents
 - Repetitive issues / recurring Incidents
- Problem analysis report with recommendations

Change Types are defined by Logicalis and include:

- Routine – low risk, low impact, pre-defined changes. All routine changes are pre-approved.
- Comprehensive - a planned change in response to a request, planned activities or to implement a non-urgent correction.
- Emergency – an expedited change where urgent correction of service is required to prevent an imminent service outage or to respond to an urgent legislative directive.

The customer is involved in the approval process of all change types with the exception of pre-approved Routine Changes as defined by Logicalis.

Deliverables include:

- Change processing including:
 - Technical planning documentation, including back out planning
 - Schedule planning
 - Risk assessment including conflict and impact evaluation
 - Change evaluation
 - Defined approval process
 - Configuration Management

 - Customer designated approvers
 - Logicalis Change Advisory Board (CAB)
- In the event of an emergency, change processing will fall under the CAB processing and approvals
- Activity and status tracking

Notes

Patch Changes

- Where applicable, Customer must supply all vendor provided patch CD/DVD media or vendor download site access, and the drive for installation, prior to change implementation.
- Customer is required to maintain a support contract at an appropriate level in order to obtain the patch media sets.
- Where applicable, Customer needs to provide the test environment and resources for testing patches, and for testing/deploying new code or technology. Testing of patches with applications is provided by Logicalis on a T&M basis.

Routine Changes

- Routine Changes, defined in the Service Offering Attachment(s), are deemed to be pre-approved and do not require change approval from Customer or Logicalis' CAB.

Emergency Changes

- Emergency Changes will follow an escalated approval process and will bypass Customer approvals. Customer will however be notified of the Emergency Change. Approvals will be documented by Logicalis' Change Board (CAB). Full documentation will be provided after the change and Customer sign-off will be required to confirm restoration of service and change success.
- The Customer will be billed in one (1) hour increments on a premium T&M basis at \$280 per hour and will be prioritized immediately after any Emergency Changes or P1 Incident if this Emergency Changes is required as a result of something the

Customer performed in the environment. This will be evaluated before and after execution to ensure adherence to the conditions above. As a result of this evaluation, Logicalis reserves the right to charge this premium T&M rate.

Crisis Management

3.7.2. Portal Reports and Portal Access

Reports

Logicalis provides incident reporting directly through the Self-Service Portal. The "SS-P" license type (see "Portal" section below) allows custom filters and views of ticket data. In addition reports related to specific Service Offerings can be found within the reporting section of the applicable Service Offering Attachment.

The following reports will be produced on a quarterly basis:

- Ticket Performance Report – Shows a summary of how many tickets met the TRT vs. tickets that didn't meet the TRT.
- Missed TRT Report – Shows Ticket Summary information for each ticket that missed the TRT, grouped by Valid misses and Invalid misses. This report will show the target and actual time for each ticket.

Access

Logicalis provides portal access to a variety of information and functions. The following portal user roles define the access and functionality available.

3.7.3. Audits

For audit related activities, including but not limited to, requests for custom reports, information gathering, and conference calls with internal or external auditors, Customer will receive 8 hours of effort annually as a component of their current monthly pricing. Any time required over 8 hours annually, will be charged at the Time and Materials rate(s) noted in the SOW.

3.7.4. Monitored Service Level Objectives

Service Levels

The service levels outlined in Table 3 below are applied per device and are intended to be selected according to device importance/impact on the Customer's business. A service offering description in this Attachment provides additional details by device to Table 3 below.

Table 3: Service Level Summary

Service Item	Device Service Level
	Monitoring
Device Polling	✓
Event Detection	✓

Service Level Notes:

Monitoring Services leverages Logicalis' best practice monitoring tools and service descriptions and extends them either to Logicalis' ticketing system or directly into Customer's own ticketing system. Alarms generated, per each applicable service description are sent to the defined ticketing system. Logicalis sends the following information to the ticketing system instance:

- Category
- Urgency (1-5)
- Comments (full alarm message)
- Short Description (of alarm)
- Configuration Item (short name of the CI [i.e., the monitored name])
- Company
- Correlation ID (the unique monitoring ID for the message)

Unless explicitly provided by Logicalis, the Customer will be responsible for mapping these fields into their ticketing system and auto-creating incidents from the alarm information. Two-way traffic is built into Logicalis' service to provide intelligent communication between tickets and alarms i.e. for clearing alarms if cases are resolved, etc.

Requirements:

Customer shall pay setup fees for integration work between Logicalis' monitoring API and Customer's ticketing system. Customer shall also provide knowledgeable resources to assist with this integration. Onsite HUB hardware will be priced into this solution and shall be set up onsite by the customer at their location. Logicalis will require administrative system access to any monitored device. Logicalis will have sole responsibility to setup probes, change configurations, troubleshoot probes, and remove devices. An additional 50% upcharge to MRC will be applied to any device where Logicalis does not have proper access.

Changes:

After the initial burn-in period any device changes will be charged at the price(s) noted in the Incremental Pricing Categories section. These changes are requested via the Logicalis ServiceNow Ticketing System instance. Requests to support technologies outside of Logicalis Service Portfolio are performed on a Time and Materials basis as defined in the Time and Materials Rates, Travel Expenses section.

Reporting:

A URL, username, and password will be provided to allow Customer access into the monitoring reporting.

Disaster Recovery:

Logicalis has full redundancy in its monitoring infrastructure. Customer has the option, at an additional charge, of an additional on-premises hub that operates in an active/passive manner.

3.7.5. Managed Service Level Agreements

Incident Priorities

Incident priority is determined by Table 4 below. For example, a High Urgency event on a High Impact device is a Priority 1 Incident, whereas a Medium Urgency event on a Medium Impact device is a Priority 3 Incident.

Table 4: Incident Priority Matrix

Event URGENCY	Device Impact		
	High	Medium	Low
High	Priority 1	Priority 2	Priority 3
Medium	Priority 2	Priority 3	Priority 4
Low	Priority 3	Priority 4	Priority 5

Incident Priority Notes:

Event Urgency is determined by either:

- **System Alarm Events** – The Urgency is automatically classified as High, Medium, or Low based on the severity of the alarm event.
- **Service Call Events** – Event urgency is determined by the situation described by the caller.

Table 5: Target Resolution Times for Managed Devices by Priority

Priority	Incident		
	Email Notification	TRT*	Phone Call (24x7)
Priority 1	15 min	4 hr	15 min
Priority 2	15 min	8 hr	N/A
Priority 3	Upon Request**	16 hr	N/A
Priority 4	Upon Request**	32 hr	N/A
Priority 5	Upon Request**	48 hr	N/A

* TRT = Target Resolution Time (for High, Medium, and Low service levels). Failure to meet a TRT does not constitute a breach of contract. Resolution for Monitored contracts may be performed on a T&M basis.

** Customer may request to receive these email notifications.

SLA Penalties and Refunds

If any Target Resolution Times (TRT) from Table 5 is not met the following SLA penalties as calculated below shall apply:

Table 6: Service Level Penalties

Incident Priority	Penalty %
Priority 1 (P1)	50%
Priority 2 (P2)	40%
Priority 3 (P3)	30%
Priority 4 (P4)	20%
Priority 5 (P5)	10%

Penalty Payments are calculated as follows:

$E \text{ (Exceeded Hours)} \times P \text{ (Penalty \%)} \times V \text{ (CI Value)} = \text{Penalty paid per Incident incurring a missed TRT}$

Where:

E = Exceeded Hours - The total number of incident resolution elapsed hours beyond the Target Resolution Time. This is for “Closed” incidents in the given month and excludes pause conditions, i.e., waiting on vendor, waiting on Customer or other causes beyond the reasonable control of Logicalis. Example: A P1 incident has 4 TRT hours, if the valid elapsed time = 5.5 hours, Exceeded Hours = 1.5 hours.

P = Penalty % - This is derived from Table 6 above. Each incident has a priority and each priority has a related Penalty %.

V = CI Value - This is the MRC for the device / Configuration Item (“CI”) associated with the incident that missed the TRT. For Optimal Threat Platform and Optimal Threat Insight (“Threat Response”) the CI Value is one-fifth (1/5) the Optimal Threat Service MRC. For purposes of computing CI Value, “MRC” means the MRC paid or owed by Customer for the full month immediately preceding the incident.

Penalty Notes:

- Penalties only apply to CI’s covered by Managed (High, Medium, and Low) service levels.
- Monitored Only devices have no SLA.
- The penalty paid per incident is limited to the monthly value of the CI (i.e., the value of the amount the Customer pays Logicalis for the service associated with the CI each month), but in no event will the CI penalty or penalties, in the aggregate, exceed the MRC paid for the month giving rise to the incident(s).
- Penalties will be calculated monthly and paid quarterly as a credit issued on Customer’s account.
- A missed SLA will not be considered a penalty if the missed SLA is caused by reasons beyond the reasonable control of Logicalis. In this situation, the incident will be flagged with “Invalid Missed SLA” and will not be counted toward a penalty payment.

- All Customer terms in this SOW must be met for an incident to be counted toward a penalty calculation. For example, if a service offering is disabled due to customer changes in the environment. Any device with an associated term out of compliance with this SOW will be excluded from any penalty payments.

SLA and Incident Handling Notes:

- Related Incidents will be handled by using a Parent/Child Incident. Multiple Child Incidents will be associated with a Parent Incident to link them. The Child Incidents will be closed when the Parent Incident is closed.
- Incidents related to system or service availability are considered resolved, and the TRT achieved, when the service is restored even if in a workaround state. Related problems will however continue to be addressed toward resolution.
- “Notification” referred to in Table 5 is delivered in the form of an automatic system generated message.
- In addition to the automatic notification message, for Managed devices, Priority 1 issues will receive a phone call within 15 minutes of the Incident being logged. Customer is responsible for maintaining correct escalation and contact information.
- SLA Timers are paused when the Incident is beyond the reasonable control of Logicalis (e.g., when awaiting vendor or Customer response).
- SLA Timers are paused when Incidents require a Change to be executed. The timers will pause from the initiation of the Change Request to the Completion or Cancellation of the Change Process.
- If Logicalis does not manage or monitor a device(s) that is preventing its ability to detect necessary events, then the situation is considered outside of Logicalis’ control.
- Logicalis reserves the right to adjust ticket priority levels based on urgency and impact information gathered throughout the ticket life-cycle. For example, if initial information provided by the caller is discovered to be inaccurate.

The penalties and/or credits provided under this Attachment are Customer’s sole and exclusive remedy with respect to any failure by Logicalis to meet the availability standard described herein.

3.7.6. Setup Roles & Responsibilities and Assumptions

A. Customer Roles and Responsibilities

1. Complete on boarding information for Customer that includes contact information (telephone, cell phone, pager, e-mail) for those staff involved in the management of Logicalis Service Delivery.
2. For Managed Services, specify Notification, Alert, and Escalation contacts for priority and device types. Customer needs to document who will be notified and how notification will be received (Customer may specify single or multiple notifications and also specify an escalation path).
3. Provide a Customer point of contact for approval and authorization of service requests to Logicalis.
4. Complete Logicalis' user information requests so that applicable Portal Licenses can be enabled.
5. Participate in meetings to understand processes for assignment, escalation, change enablement, and status communication.
6. For Managed Services, modify Self-Service user account information as required.
7. Provide a distribution list, during the integration phase, within Customer's email service for alarm notifications.
8. Ensure that Logicalis is kept up to date with changes to distribution list alarm notifications.
9. For Managed Services, assign and make available a contact person with the authority to make decisions regarding alternative solutions and resolution verification recommended by Logicalis. Logicalis may, without penalty, pause SLA timers if the Customer contact is not available for necessary information or decisions.
10. Install, setup and configure of all hardware (i.e., servers, routers, switches, firewalls, data collectors, etc.) and software (i.e., applications, databases, operation systems, etc.).
11. Customer acknowledges that during the performance of services, Customer may be asked to download software as part of such services. In downloading or receiving of such software, Customer affirms that it has received the software from Logicalis for use in its internal systems only and will use the software internally according to the instructions set forth by Logicalis.
12. Provide all IP information and host name and serial numbers where applicable for all relevant Configuration Items.
13. Configure devices to report SNMP traps unless otherwise noted in this SOW.
14. Work with Logicalis' engineers to tune alarm thresholds where necessary.
15. Enable event forwarding to Logicalis' management systems, i.e., Customer will open all Logicalis required ports to enable monitoring and management.
16. Complete Logicalis Configuration requests detailing Customer's technical environment.
17. Follow vendor's device recommendations for all devices that are not hosted by Logicalis for example cooling / room temperature.
18. Either use a Logicalis-supplied VPN endpoint (preferred) or provide Logicalis access to ping Customer's external interface of their VPN endpoint. This is important in determining the root cause of alarms. In either case, the VPN is required to be a persistent LAN-to-LAN connection.

19. For Managed Services, implement recommendations of Logicalis. Logicalis will always make a best effort to look out for the best interests of the Customer but Logicalis is not responsible for Customer requests that do not follow best practices, Customer requests that lead to poor account integrity, or Customer's non execution of Logicalis recommendations.
20. For Managed Services, Logicalis provides ticketing system functionality to ensure Disaster Recovery (D/R) service fail-over functionality between devices in the ticketing system. Customer is required to identify production/primary devices and fail-over devices. In the event a production server fails and a D/R server is activated as the primary server, Customer may call Logicalis and request that the specific server be moved to "D/R Active" status. Logicalis will ensure the production server is in failed mode and will then activate the "D/R Active" status on the D/R server. The "D/R Active" status will ensure that all incidents and problems are handled with the same priority they would be for the equivalent production server. Customer will be responsible (as part of its D/R procedures) for calling to activate and de-activate the D/R status. Customer will also be responsible for identifying D/R & Production device relationships during the on boarding process and ensuring that Logicalis receives timely updates when changes to the D/R device relationships are made.
21. Work with Logicalis to determine the severity, course of action, and remote assistance for incident resolution.
22. Where necessary, provide site resources to work with hardware vendor service personnel requiring on site access.
23. For Managed Services, provide required access and information to perform relevant management tasks per this SOW. SLA timers are paused while waiting for Customer or vendor.
24. Follow Logicalis' recommendations to resolve identified environmental or resource issues which are currently or can potentially cause future problems.
25. Provide access to vendor ticketing system where required.
26. A monitoring hub is required at each Customer network-isolated data center. Logicalis requires full administrative access to this device in Customer's environment. In the event Customer refuses to provide full administrative access to this device, additional Time and Materials charges will apply for any activities requiring coordination with Customer's administrators. The Customer can choose Logicalis-provided devices, or import Logicalis' preconfigured Linux monitoring VM into Customer's VMware environment. Customer can choose redundant hubs, or a single hub depending on the urgency of the environment. Requirements for monitoring hubs are as follows:

B. Logicalis Roles and Responsibilities

1. Reports, Dashboards and Portal Setup.
2. Configure Service Offering Reports as detailed in each Service Offering Attachment.
3. Participation in meetings to discuss processes for assignment, escalation, change enablement, and status communication.

4. Connectivity Setup on Logicalis' Network including IP addressing information, VPN Connectivity, testing, and documentation of networking support contacts at Customer.
5. Agent, SPI or Probe Installation and Configuration.
6. For Managed Services, review of (Customer completed) Configuration Item information that includes each item to be supported, support identifiers, IP addresses, IDs passwords, support contract IDs and contact information, and configuration documentation.

C. Assumptions

1. Software applications and services not specifically listed in this SOW are excluded.
2. Client side network connectivity including VPN setup and configuration is the responsibility of the Customer unless Logicalis is specifically contracted for this work.
3. Customer's responsibilities for timely and proper completion of the transition and integration project will be discussed and agreed upon prior to project initiation. In order to ensure timely and proper completion of the transition and integration project and unless otherwise mutually agreed, Customer will be provided a 5-day turn-around time for required integration data. Logicalis will follow up, by phone or email, after the 5-day period to attempt to gather outstanding data. If Logicalis does not receive the data within the time period above, Logicalis will send a consultant to Customer's site, at standard T&M and travel rates, to gather the outstanding integration data.
4. Logicalis will perform maintenance on its infrastructure at such times as it deems appropriate and in such a manner so as to maintain compliance with all other provisions of this SOW. Customers will be provided advance notice of any maintenance expected to create an outage.
5. All equipment is housed on Customer's premises unless stated otherwise in this SOW.
6. Logicalis provides remote monitoring or management services for IT Configuration Items owned by Customer. Customer owns and will continue to own all software and hardware being monitored or managed.
7. Connectivity between the Logicalis Operations Center and Customer facility will be via a VPN Connection.
8. Logicalis reserves the right to limit performance metrics in the event the primary connectivity fails and Customer has not established backup network connectivity.
9. All Customer WAN devices will be available for instrumentation and monitoring via one Customer site router, unless otherwise noted. Customer must maintain on-site support if it does not have qualified staff for hardware replacement.
10. Customer will be directly responsible for all vendor hardware and software maintenance contracts.
11. For Managed Services, Customer will grant Logicalis employees access to support contracts and vendor information to grant Logicalis the ability to place support calls on behalf of Customer.

12. Customer servers under Managed Services require remote console access such as KVM, Console cards, or RILO cards to establish remote communications. These devices must be purchased by Customer.
13. Instrumentation tools, as well as monitoring agents, probes and smart plug-ins (SPIs) placed on Customer systems are, and will be, owned by Logicalis unless otherwise noted in this SOW.
14. Any hardware or software deployment is the responsibility of Customer, unless specifically stated herein and agreed upon by both parties.
15. Service pricing is based on a fully-deployed, functional, tested, and production-ready environment available at contract commencement. All parts of Customer's systems are subject to operational review. Logicalis reserves the right to adjust the pricing based on information found during due diligence or integration.
16. Only vendor supported hardware and software (at the time of the incident) are covered by this SOW. Customer is required to maintain a valid hardware support contract for each device for the duration of this SOW. Hardware external to the managed / monitored device enclosure is excluded from the Service Level Agreement. Software applications not specifically listed in the Service Level Agreement are excluded.
17. Host names or IP Addresses changed without notification to Logicalis will result in temporary discontinued monitoring/management and will require a T&M effort to reconfigure.

11.0 BREACH OF CONTRACT

- 11.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Public Sector District Sales Manager
SHI International Corporation

Dear Mr. Pfau,

I am writing to provide a letter of intent with regard to the proposed transaction between the County of DuPage and Zendesk. We appreciate the time and the energy you and your team have afforded us in discussing this opportunity. In order to obtain the preferred pricing you discussed with CIO Anthony McPhearson, please let this letter serve to announce our intention to proceed with an approval of a purchase order by the DuPage County Board in January of 2024. While I do not have the authority to act unilaterally on behalf of the County, I am informing you that the County Board will be considering that purchase order in its first meeting in January of 2024.

In order to secure the pricing you discussed with CIO Anthony McPhearson, I am requesting SHI to place an order with **Zendesk** based on a commitment that SHI will receive a valid Purchase Order no later than 2/15/2024. In the event that the DuPage County Board does not appropriate funds and approve the purchase order, it is my understanding that this commitment will be cancelled at no financial cost to the County of DuPage.

I understand the terms and obligations to pay the amounts set forth in SHI Quote 24217166 and payment terms are detailed below as well as in the quotes supplied to me. SHI and Zendesk have included non-appropriation provisions to address the potential denial of the purchase order by the DuPage County Board, which will result in a cancellation of the order referenced above at no financial cost to the County of DuPage.

I understand that the SHI's ("Reseller") financial obligations under this Service Order are contingent upon sufficient appropriations and authorization being made by the County of DuPage ("Subscriber") for the performance of its agreement with Reseller. The Subscriber's decision as to whether sufficient appropriations are available shall be accepted by Reseller and Zendesk and shall be final.

Payment 2 – \$194,728.90 will be invoiced on 12/1/2024

Payment 3 – \$209,872.90 will be invoiced on 12/1/2025

This letter's intent is to reassure you that I intend to bring these terms for approval at the first county board meeting of January of 2024, in order to take advantage of the significant price savings mentioned above. This letter is not a binding contract and only serves to memorialize the discussions of the parties to the proposed contract, specifically SHI, Zendesk, and the County of DuPage and to reassure you that as the DuPage County Board Chair, I intend to bring this matter forward for consideration by the DuPage County Board at the earliest opportunity.

Regardless of the payment method chosen by the Member, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Member at the time of purchase.

C. HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. 4. PRODUCT AND PRICING CHANGE REQUESTS

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. The CONSULTANT shall accept and bear all costs that may result from the cancellation of this AGREEMENT due to CONSULTANT'S failure to provide and maintain the required insurance.
- 8.3 The coverage limits required under subparagraphs 8.1.c and 8.1.d above may be satisfied through a combination of primary and excess coverage. The insurance required to be purchased and maintained by the CONSULTANT shall be provided by an insurance company acceptable to the COUNTY, and except for the insurance required in subparagraph 8.1.e licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the limits of the liability specified herein or required by law or regulation whichever is greater; and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least thirty (30) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. If the CONSULTANT is satisfying insurance required through a combination of primary and excess coverage, the CONSULTANT shall require that said excess/umbrella liability policy include in the "Who is Insured" pages of the excess/umbrella policy wording such as "Any other person or organization you have agreed in a written contract to provide additional insurance" or wording to that effect. The CONSULTANT shall provide a copy of said section of the excess/umbrella liability policy upon request by the COUNTY.

- 8.4 The CONSULTANT shall require all approved sub-consultants, anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable under this AGREEMENT to maintain the same insurance required of the CONSULTANT, including naming the COUNTY as an additional insured in the same coverage types and amounts as the CONSULTANT, per Section 8.0. The COUNTY retains the right to obtain evidence of sub-consultants insurance coverage at any time.

9.0 INDEMNIFICATION

- 9.1 The CONSULTANT shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CONSULTANT'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT.
- 9.2 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officer and employees from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 9.1, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. The COUNTY'S participation in its defense shall not remove the CONSULTANT'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.
- 9.3 Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. The CONSULTANT'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.
- 9.4 The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) or otherwise available to it, or to the CONSULTANT, under the law.

- 10.2 In the event there are no similar professional firms practicing in DuPage County, Illinois, with respect to the type of work for which this CONSULTANT has been engaged, the CONSULTANT'S services shall be performed in a manner consistent with the customary skill and care of its profession.
- 10.3 If any errors, omissions, or acts, intentional or negligent, are made by the CONSULTANT, or its' sub-consultant(s), in any phase of the work, the correction of which requires additional field or office work, the CONSULTANT shall be required to perform such additional work as may be necessary to remedy same without undue delay and without charge to the COUNTY. In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, the CONSULTANT may at the COUNTY'S option have the responsibility to cure same under this provision.
- 10.4 Acceptance of the work shall not relieve the CONSULTANT of the responsibility for the quality of its work, nor its liability for loss or damage resulting from any errors, omissions, or negligent or willful acts by the CONSULTANT or its sub-consultants.

11.0 BREACH OF CONTRACT

- 11.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below, and in such a case, ten (10) days'

written notice to the breaching party is sufficient notice. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of the CONSULTANT'S sub-consultants shall be deemed a breach by CONSULTANT subject to the terms of this AGREEMENT.

12.0 OWNERSHIP OF DOCUMENTS

If self-certifying, the consultants and subconsultants shall disclose whether they qualify as a small business under federal Small Business Administration standards. In compliance with the Vendor Information Reporting Act, within 60 calendar days of the COUNTY'S award of the contract for work covered under this AGREEMENT, the awarded consultant, and each subconsultant, must complete the Awarded Vendor Questionnaire. (found at <https://mwv.dupageco.org/>).**

The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.
- 15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award a contract to Parsons Transportation Group, Inc. This is the recommended option. 2. Contract with another firm. Not recommended due to staff's determination that Parsons Transportation Group, Inc. is the most qualified. 3. Do not award a contract. Not recommended as the DOT does not possess the staff resources to perform this work and must contract for these services.

Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. **Federal Form LLL.** If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. **Lobbying Costs.** Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. **Procurement Lobbying.** Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. **Subawards.** Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. **Certification.** This certification is a material representation of fact upon which reliance was placed to enter

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain books, records and supporting documentation, as described in this ARTICLE, establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantee must submit quarterly reports with Grantor describing the expenditure(s) of the funds related thereto, unless more frequent reporting is required by the Grantee due to the funding source or pursuant to specific award conditions. 2 CFR 200.208. Any report required by 30 ILCS 708/125 may be detailed in **PART TWO** or **PART THREE**.

10.2. Financial Close-out Report.

(a) Grantee must submit a financial Close-out Report, in the format required by Grantor, by the due date specified in **PART TWO** or **PART THREE**, which must be no later than sixty (60) calendar days following the end of the Period of Performance for this Agreement or Agreement termination. (b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.1.1.

ARTICLE XI PERFORMANCE REPORTING REQUIREMENTS

11.1. Required Periodic Performance Reports. Grantee must submit performance reports as requested and in the format required by Grantor no later than the due date(s) specified in **PART TWO** or **PART THREE**. 44 Ill. Admin. Code 7000.410. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

11.3. Content of Performance Reports. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the period; where the accomplishments can be quantified, a computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; and reasons why established goals were not met, if appropriate. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

12.2. Consolidated Year-End Financial Reports (CYEFR). All grantees must complete and submit a CYEFR through the Grantee Portal, except those exempted by federal or State statute or regulation, as set forth in **PART TWO** or **PART THREE**. The CYEFR is a required schedule in Grantee's audit report if Grantee is required to complete and submit an audit report as set forth herein.

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. If Grantee is not required to complete audited financial statements, the CYEFR must cover Grantee's fiscal year and must be submitted within 6 months of the Grantee's fiscal year-end.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$750,000 in federal Awards, Grantee is subject to the following audit requirements:

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.(i)

For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in **Exhibit A, PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance

Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI,

SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.113; 30 ILCS 708/35. 1.1.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310-200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities.** This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities.** This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

PROJECT DESCRIPTION

Scope of Work

DuPage County desires to perform a comprehensive assessment of trail and path usage across its system. It is important for the County to understand usage, modes of travel, access and egress to the path system and to assess the number of people crossing arterials and to program safety improvements.

The County will assess the accessibility and use of the trail and path systems throughout the county and especially in communities of color and disadvantaged areas.

The County is proposing to perform as many as 50 counts at key locations on the Illinois Prairie Path, Great Western Trail, Southern DuPage Regional Trail and various intersecting trails where no information is currently available on usage.

The program will utilize consulting and county staff to place video equipment at junctions and midblock locations. Video will be taken over multiple days and weeks and ranges of usage will be produced. The video will be retrieved and processed by the consultant.

The outcome of the process will be location and mode-based usage reports. The County will utilize the data to assess risk and safety countermeasures at high volume non-motorized crossings. The data will be posted to a geographic information system web map for use by the County, peer agencies and the public.

Ethics.

A. Code of Conduct

1. Personal Conflict of Interest - The Grantee shall maintain a written code or standard of conduct which shall govern the performance of its employees, officers, board members, or agents engaged in the award and administration of contracts supported by state or federal funds. Such code shall provide that no employee, officer, board member or agent of the Grantee may participate in the selection, award, or administration of a contract supported by state or federal funds if a conflict of interest, real or apparent would be involved. Such a conflict would arise when any of the parties set forth below has a financial or other interest in the firm selected for award:

- a. the employee, officer, board member, or agent;
- b. any member of his or her immediate family;
- c. his or her partner; or
- d. an organization which employs, or is about to employ, any of the above.

Dispute Resolution. In the event of a dispute in the interpretation of the provisions of this Agreement, such dispute shall be settled through negotiations between the Grantor and the Grantee. In the event that agreement is not consummated at this negotiation level, the dispute will then be referred through proper administrative channels for a decision and ultimately, if necessary, to the Secretary of the Illinois Department of Transportation. 6. It will make any changes in its 49 U.S.C. 5332 and Title VI implementing procedures as U.S. DOT may request.

The inability of the Grantee to certify to the certification in this section will not necessarily result in denial of participation in this Agreement. The Grantee shall submit an explanation of why it cannot provide the certification in this section. This certification is a material representation of fact upon which reliance was placed when the Grantor determined whether to enter into this transaction. If it is later determined that the Grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Grantor may terminate this Agreement for cause.

The knowledge and information of the Grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Grantee assures that it shall take all necessary and reasonable steps set forth in 49 CFR Part 26, as amended, to ensure nondiscrimination in the award and administration of all third party contracts and subagreements supported with Federal assistance derived from the U.S. DOT. Implementation of this DBE program is a legal obligation of the Grantee, and failure to carry out its terms shall be treated as a violation of the Agreement. Upon notification by the Federal Government or the Grantee to the Grantee of its failure to implement its approved DBE program, the U.S. DOT may impose sanctions as provided for under 49 CFR Part 26, as amended, and may in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001, as amended, and/or the Program Fraud Remedies Act, 31 U.S.C. 3801 et seq., as amended.

As required by U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," at 49 CFR 27.9, the Grantee assures that, as a condition to the approval or extension of any Federal assistance awarded by FHWA to construct any facility, obtain any rolling stock or other equipment, undertake studies, conduct research, or to participate in or obtain any benefit from any program administered by FHWA, no otherwise qualified person with a disability shall be, solely by reason of that disability, excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any program or activity receiving or benefiting from Federal assistance administered by the FHWA or any entity within U.S. DOT. The Grantee assures that project implementation and operations so assisted will comply with all applicable requirements of U.S. DOT regulations implementing the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, et seq., and the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. 12101 et seq., and implementing U.S. DOT regulations at 49 CFR parts 27, 37, and 38, and any applicable regulations and directives issued by other Federal departments or agencies.

12.2. Consolidated Year-End Financial Reports (CYEFR). All grantees must complete and submit a CYEFR through the Grantee Portal, except those exempted by federal or State statute or regulation, as set forth in **PART TWO** or **PART THREE**. The CYEFR is a required schedule in Grantee's audit report if Grantee is required to complete and submit an audit report as set forth herein.

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. If Grantee is not required to complete audited financial statements, the CYEFR must cover Grantee's fiscal year and must be submitted within 6 months of the Grantee's fiscal year-end.

(b) The CYEFR must include an in relation to opinion from the auditor of the financial statements included in the audit.

(c) The CYEFR must follow a format prescribed by Grantor.

12.3. Entities That Are Not "For-Profit".

(a) This Paragraph applies to Grantees that are not "for-profit" entities.

(b) Single and Program-Specific Audits. If, during its fiscal year, Grantee expends \$750,000 or more in federal Awards (direct federal and federal pass-through awards combined), Grantee must have a single audit or program-specific audit conducted for that year as required by 2 CFR 200.501 and other applicable sections of Subpart F of 2 CFR Part 200. The audit report packet must be completed as described in 2 CFR 200.512 (single audit) or 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90(h)(1) and the current GATA audit manual and submitted to the Federal Audit Clearinghouse, as required by 2 CFR 200.512. The results of peer and external quality control reviews, management letters issued by the auditors and their respective corrective action plans if significant deficiencies or material weaknesses are identified, and the CYEFR(s) must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$750,000 in federal Awards, Grantee is subject to the following audit requirements:

(i) If, during its fiscal year, Grantee expends \$500,000 or more in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS). Grantee may be subject to additional requirements in **PART TWO**, **PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than \$500,000 in State-issued Awards, but expends \$300,000 or more in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) Program-Specific Audit. If, during its fiscal year, Grantee expends \$750,000 or more in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and

must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$750,000 in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If

suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIV
SUBCONTRACTS/SUBAWARDS**

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, PART TWO or PART THREE may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.113; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a

preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) Non-governmental entities. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost

or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 et seq. Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. This Agreement and Grantee's Obligations and services hereunder must be performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.11. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.12. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.13. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.14. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees, costs and expenses associated with such proceedings.

22.15. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. Code 7000.90 and ARTICLE XII; (e) property management and disposition requirements established in 2 CFR 200.310 through 2 CFR 200.316 and ARTICLE XVIII; or (f) records related requirements pursuant to ARTICLE IX. 44 Ill. Admin. Code 7000.440.

No Specific Conditions.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV ADDITIONAL MONITORING PROVISIONS

25.1. Access to Documentation. The Award will be monitored for compliance in accordance with the terms and conditions of this Agreement, together with appropriate programmatic rules, regulations, and/or guidelines that the Grantor promulgates or implements. The Grantee must permit any agent authorized by the Grantor, upon presentation of credentials, in accordance with all methods available by law, full access to and the right to examine any document, papers and records either in hard copy or electronic format, of the Grantee involving transactions relating to this Award.

25.2. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services Payment Management System through the process set forth at 2 CFR 200.305(b)(9), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

ARTICLE XXVII ADDITIONAL BUDGET PROVISIONS

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but vary more than ten percent (10%) of the current approved Budget line item amount, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

ARTICLE XXVIII ADDITIONAL REPRESENTATIONS AND WARRANTIES

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX

ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may

seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (**Exhibits A, B and D**).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A, B and D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be

extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

31.2. Hiring State Employees Prohibited. No State officer or employee may be hired to perform services under this Agreement on behalf of the Grantee, or be paid with Grant Funds derived directly or indirectly through this Award without the written approval of the Grantor unless Grantee is a State agency.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Grantee Responsibility. Grantee is responsible for ensuring compliance with all applicable laws, rules and regulations, including, but not limited to those specifically referenced herein. Except where expressly required by applicable laws and regulations, the Grantor shall not be responsible for monitoring Grantee's compliance.

33.2. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.3. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee will not expend Grant Funds under this Agreement which result in the destruction, alteration, renovation, transfer or sale, or utilization of a historic property, structure or structures, or in the introduction of visual, audible or atmospheric elements to a historic property, structure or structures, which will result in the change in the character or use of any historic property, except as approved by the Illinois Department of Natural Resources, Historic Preservation Division. The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.4. Victims' Economic Security and Safety Act (820 ILCS 180 et seq.). If the Grantee has one (1) or more employees, it may not discharge or discriminate against an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence, for taking up to the allowable amount of leave from work to address the domestic violence, pursuant to the Victims' Economic Security and Safety Act. 820 ILCS 180/20(a)(2). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.6. Steel Products Procurement Act (30 ILCS 565/1 et seq.). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be

manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 *et seq.*).

33.7. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.8. Identity Protection Act (5 ILCS 179/1 *et seq.*) and Personal Information Protection Act (815 ILCS 530/1 *et seq.*). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) **Personal Information Defined.** As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

(b) **Protection of Personal Information.** The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) **Security Assurances.** Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in

all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

ARTICLE XXXIV ADDITIONAL MISCELLANEOUS PROVISIONS

34.1. **Workers' Compensation Insurance, Social Security, Retirement and Health Insurance Benefits, and Taxes.** The Grantee must provide Workers' Compensation insurance where the same is required and accepts full responsibility for the payment of unemployment insurance, premiums for Workers' Compensation, Social Security and retirement and health insurance benefits, as well as all income tax deduction and any other taxes or payroll deductions required by law for its employees who are performing services specified by this Agreement.

34.2. **Required Notice.** Grantee agrees to give prompt notice to the Grantor of any event that may materially affect the performance required under this Agreement. Any notice or final decision by Grantor relating to (a) a Termination or Suspension (ARTICLE XIII), (b) Modifications, Management Waivers or Term Extensions (ARTICLE XXX) or (c) Assignments (Paragraph 22.2) must be executed by the Director of the Grantor or her or his authorized designee.

ARTICLE XXXV ADDITIONAL REQUIRED CERTIFICATIONS

The Grantee makes the following certifications as a condition of this Agreement. These certifications are required by State statute and are in addition to any certifications required by any federal funding source as set forth in this Agreement. Grantee's execution of this Agreement shall serve as its attestation that the certifications made herein are true and correct.

35.1. **Sexual Harassment.** The Grantee certifies that it has written sexual harassment policies that must include, at a minimum, the following information: (i) the illegality of sexual harassment; (ii) the definition of sexual harassment under State law; (iii) a description of sexual harassment, utilizing examples; (iv) the Grantee's internal complaint process including penalties; (v) the legal recourse, investigative and complaint process available through the Department of Human Rights and the Human Rights Commission; (vi) directions on how to contact the Department of Human Rights and the Human Rights Commission; and (vii) protection against retaliation as provided by Sections 6-101 and 6-101.5 of the Illinois Human Rights Act. 775 ILCS 5/2-105(A)(4). A copy of the policies must be provided to the Grantor upon request.

35.2. **Federal, State and Local Laws; Tax Liabilities; State Agency Delinquencies.** The Grantee is required to comply with all federal, state and local laws, including but not limited to the filing of any and all applicable tax returns. If Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor will disburse

Grant Funds only if the Grantee enters into an installment payment agreement with the applicable tax authority and remains in good standing with that authority. Grantee is required to tender a copy of all relevant installment payment agreements to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. **The execution of this Agreement by the Grantee is its certification that: (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.**

35.3. Lien Waivers. If applicable, the Grantee must monitor construction to assure that necessary contractors' affidavits and waivers of mechanics liens are obtained prior to release of Grant Funds to contractors and subcontractors.

35.4. Grant for the Construction of Fixed Works. Grantee certifies that all Projects for the construction of fixed works which are financed in whole or in part with funds provided by this Agreement will be subject to the Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*) unless the provisions of that Act exempt its application. In the construction of the Projects, Grantee must comply with the requirements of the Prevailing Wage Act including, but not limited to: (a) paying the prevailing rate of wages required by the Illinois Department of Labor, or a court on review, to all laborers, workers and mechanics performing work with Grant Funds provided through this Agreement, (b) inserting into all contracts for such construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the Project must be paid to all laborers, workers, and mechanics performing work under this Award; and (c) requiring all bonds of contractors to include a provision as will guarantee the faithful performance of the prevailing wage clause as provided by contract.

37.2. Federal Grant Requirements.

(a) In addition to the federal requirements set forth in Article VII, herein this Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for U.S. Department of Health and Human Services ("HHS") awards at 45 CFR Part 75, which implement the language in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR Part 200, (the "Uniform Requirements"). Any specific exceptions to the Uniform Requirements adopted by HHS may be found at 2 CFR Part 300. For the avoidance of doubt and to the extent applicable, any references in this Agreement to any of the OMB Circulars are subject to the Uniform Requirements referenced herein.

37.5. Method of Compensation.

(a) In addition to the payment requirements described in Article IV, herein the Grant Funds will be distributed in accordance with the invoice-voucher procedures of the Office of the State Comptroller. The first payment of Grant Funds will be for program initiation and will be based on the Grantee's reported obligation for the program's immediate cash needs. Thereafter, the Grant Funds will be distributed for the dual purpose of covering the allowable expenditures to date, as well as the immediate cash needs of the Grantee to operate the program under this Agreement in accordance with the financial management standards set forth in Article VII, herein.

(b) Costs allocated to this Award must conform to the HHS cost principles at 45 CFR Part 75 and as set forth in the Uniform Requirements, as applicable. Further, costs charged under this Agreement cannot exceed the total amount of this Award.

37.6. Additional Audit Requirements. In addition to the audit requirements in Article XII, herein Grantor reserves the right to conduct limited scope audits, at any time, of any Grant Funds expended under this Agreement or of the Grantee's agency-wide financial statements. Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

For the avoidance of doubt, Grantee is subject to any and all applicable audit requirements under Subpart F of 45 CFR Part 75.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including but not limited to, federally-owned and exempt property, equipment and supplies (collectively referred to as "Non-Expendable Personal Property") costing \$5,000 or more without Grantor's prior written approval.

Absent a policy, the Grantee must follow the rules of the Governor's Travel Control Board. (b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget without prior Grantor written approval.
- **Client Assistance Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 200 series sub-line items in the Client Assistance cost category of the Budget under this Award. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget without prior Grantor written approval.
- **Direct Administrative Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 300 series sub-line items in the Direct Administration cost category of the Budget under this Award. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or increase to the total Administration category budget [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.
- **Indirect Costs and Special Program Funds:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs (line 317) and Special (400 series sub-line items) categories in the Budget under this Award.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse or misconduct associated with any CSBG service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients.
