Additional Information

Please explain why you wish to serve as an appointee and share any unique qualifications or experience you feel you would bring to this agency.

I have served on the LWFD Board of Trustees for the past ten years. I have taken a major role to assure that the District stays on sound financial footing which was not the case when I started. We took significant steps to "right the ship" in order to sustain operations and provide funding for pension funding for over 100 firefighters. We needed to reduce operating expenses in order to fund \$6,000,000 more in annual pension expenses. Since I began, we have improved funding of unfunded obligations by 20%. I have served on the State Fire Fighters Pension Investment Fund which manages over 7 Billion in Illinois pension investments.

Despite these challenges, we have maintained our ISO 1 status and become accredited. Our current status puts us in the top 1% of Fire Districts.
