Subject: Supporting community members with ICE presence

Comment:

I am asking the members of DuPage County board to please use any and all resources to support members of our community who are feeling scared, anxious and afraid to step out into public spaces now that ICE raids are intensifying . There is a growing fear across DuPage County and I personally want to see more from our elected leaders about how they will support those who are being racially profiled and scared to even go to work. Please collaborate with community leaders across DuPage County to stand up to ICE.
