As requested, I am providing a letter that confirms that JusticeText is the Sole Source of the following item(s) and/or service(s):

- **Edit and annotate** the output transcript, with all changes automatically saved, via a best-in-class user experience
- **Create video clips** of relevant parts of the file that can be shared with clients/colleagues via a unique link
- **Export your transcript and video clips** to your local machine
- **Share a fully-editable version** of your interactive transcript with clients and colleagues

JusticeText is the Sole Source of the item(s) and/or service(s) listed above, and no other company or firm sells or distributes such item(s) and/or service(s).

Providing technological support for public defenders is at the core of our company's mission. My co-founder and I started building this product while we were college students at the University of Chicago to [address the challenges](#) faced by the local public defender's office. We currently work with state and local public defender organizations across the nation; a selection of our key client partnerships is included below:

- [Public Defender Service for the District of Columbia](#)
- [Harris County Public Defender Office](#)
- [Sonoma County Public Defender's Office](#)

To the best of my knowledge, there is/are no other item(s) and/or service(s) available for purchase that would serve the same purpose or function as JusticeText.

Sincerely,

**Devshi Mehrotra**

CEO & Co-Founder, JusticeText
