SENIOR GRANT PROGRAM**

This Intergovernmental Agreement for Paratransit Service – Senior Grant Program (“Agreement”) is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation (“Pace”), and the County of DuPage, a body politic and corporate of the State of Illinois (“County”).

Pace was established under the Regional Transportation Authority Act (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance.

The Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) authorizes and encourages intergovernmental cooperation.

The parties are units of local government within the meaning of article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) and have the power and authority to enter into this Agreement.

On January 24, 2006, the parties entered into an Intergovernmental Agreement for the creation of a coordinated paratransit program known as Ride DuPage (“Project”) in DuPage County, IL (“2006 IGA”).

County has requested that Pace provide paratransit service on behalf of County’s clients, constituents, and/or Project sponsors.

In consideration of the foregoing recitals, the mutual promises in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Effective Date.** This Agreement will be in effect beginning on December 1, 2025. If a party signs this Agreement but fails to date its signature, the date that the other party receives the signing party’s signature on this Agreement will be deemed to be the date that the signing party signed this Agreement.
2. **Service Description.** Demand response curb-to-curb paratransit service will be provided for eligible riders as described in Exhibit A (“Service”).
3. **Term and Termination.** This Agreement will remain in effect through November 30, 2026 unless earlier terminated by:
 - (a) County upon 60 days’ advance written notice to Pace;

- (b) Pace upon written notice to County in the event: (i) sufficient funds have not been appropriated to cover County's financial obligations to Pace under this Agreement or to any other agency funding the Service; (ii) Pace develops alternative public transportation services, which, as determined by Pace, will better meet the transportation needs of the public; or (iii) County fails to make payments as required by paragraph 6; or
- (c) the 2006 IGA ceasing to be in full force and effect.

Termination of this Agreement pursuant to paragraph 3(a) will be effective on the 60th day following Pace's receipt of County's notice. Termination of this Agreement pursuant to paragraph 3(b) will be effective upon County's receipt of Pace's notice. Termination of this Agreement pursuant to paragraph 3(c) will be effective upon the date that the 2006 IGA ceases to be in full force and effect.

4. **Service Provider.** Pace shall contract with one or more outside service provider(s) to provide the Service ("contracted outside service provider(s)"). Pace will not be responsible for any failure to provide the Service due to circumstances beyond the reasonable control of Pace and/or Pace's contracted outside service provider(s). Pace shall make every reasonable effort to have the Service restored as soon as practical. No fees will be charged by any contracted outside service provider for Service not performed.

The hourly Service expense will be calculated by multiplying the number of vehicle revenue hours by the hourly rate charged to Pace by Pace's contracted outside provider(s) delivering the Service. The per-trip Service expense will be calculated on a trip-by-trip basis. The operating expense will be the aggregate of rates and/or fees charged to Pace by Pace's contracted outside service provider(s) delivering the Service.
- (b) The County Reimbursement will not exceed \$172,450. County will be responsible for promptly submitting written Service change requests to Pace to avoid exceeding that amount.
- (c) County shall pay Pace within 30 days after receiving the monthly bill for the County Reimbursement. County shall mail payment to:

550 W. Algonquin Road
Arlington Heights, IL 60005
Attention: Accounts Payable

7. **Independent Relationship.** Pace is an independent contractor and not an employee, agent, joint venture, or partner of County, and nothing in this Agreement will be construed as creating any other relationship between Pace and County or between any employee or agent of Pace and County. Pace employees will at all times remain employees of Pace, and Pace will be solely responsible for all aspects of their employment, including, without limitation, compensation, benefits, payment or withholding of taxes, Social Security, Medicare, unemployment or other insurance, and workers' compensation.

Pace shall provide County with a copy of the certificate of insurance upon written request by County.

9. **Indemnification.** County shall indemnify, defend, and hold harmless Pace, the Regional Transportation Authority, and their respective directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from County's intentional or negligent acts or omissions concerning the performance of any of County's obligations under this Agreement. Pace shall indemnify, defend, and hold harmless County and County's directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from Pace's intentional or negligent acts or omissions concerning the performance of any of Pace's obligations under this Agreement. No party will be liable for or be required to indemnify another party, entity, or person indemnified under this paragraph 9 for claims based upon the intentional or negligent acts or omissions of third persons. Upon written notice by a party, entity, or person claiming indemnification ("Claimant") to the indemnifying party ("Indemnitor") regarding any claim which Claimant believes to be covered under this paragraph 9, Indemnitor shall appear and defend all suits brought upon such claim and shall pay all costs and expenses related to that claim, but Claimant will have the right, at Claimant's option and expense, to participate in the defense of any suit, without relieving Indemnitor of Indemnitor's obligations under this paragraph 9.

INTERGOVERNMENTAL AGREEMENT FOR PARATRANSIT SERVICE

This Intergovernmental Agreement for Paratransit Service ("Agreement") is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation ("Pace"), and the County of DuPage, a body politic and corporate of the State of Illinois ("County").

Pace was established under the Regional Transportation Authority Act (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance.

The Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) authorizes and encourages intergovernmental cooperation.

The parties are units of local government within the meaning of article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) and have the power and authority to enter into this Agreement.

On January 24, 2006, the parties entered into an Intergovernmental Agreement for the creation of a coordinated paratransit program known as Ride DuPage ("Project") in DuPage County, IL ("2006 IGA").

County has requested that Pace provide paratransit service on behalf of County's clients, constituents, and/or Project sponsors.

In consideration of the foregoing recitals, the mutual promises in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Effective Date.** This Agreement will be in effect beginning on December 1, 2025. If a party signs this Agreement but fails to date its signature, the date that the other party receives the signing party's signature on this Agreement will be deemed to be the date that the signing party signed this Agreement.

2. **Service Description.** Demand response curb-to-curb paratransit service will be provided for eligible riders as described in Exhibit A ("Service").

3. **Term and Termination.** This Agreement will remain in effect through November 30, 2026 unless earlier terminated by:

- (a) County upon 60 days' advance written notice to Pace;

- (b) Pace upon written notice to County in the event: (i) sufficient funds have not been appropriated to cover County's financial obligations to Pace under this Agreement or to any other agency funding the Service; (ii) Pace develops alternative public transportation services, which, as determined by Pace, will better meet the transportation needs of the public; or (iii) County fails to make payments as required by paragraph 6; or
- (c) the 2006 IGA ceasing to be in full force and effect.

Termination of this Agreement pursuant to paragraph 3(a) will be effective on the 60th day following Pace's receipt of County's notice. Termination of this Agreement pursuant to paragraph 3(b) will be effective upon County's receipt of Pace's notice. Termination of this Agreement pursuant to paragraph 3(c) will be effective upon the date that the 2006 IGA ceases to be in full force and effect.

4. **Service Provider.** Pace shall contract with one or more outside service provider(s) to provide the Service ("contracted outside service provider(s)"). Pace will not be responsible for any failure to provide the Service due to circumstances beyond the reasonable control of Pace and/or Pace's contracted outside service provider(s). Pace shall make every reasonable effort to have the Service restored as soon as practical. No fees will be charged by any contracted outside service provider for Service not performed.

5. **Reporting.** Pace shall provide County with electronic access to or, in the event electronic access is unavailable, a copy of the reports shown on Exhibit B. Pace, in its sole discretion, may design additional reports, as needed.

6. **Reimbursement and Pace Contribution.**

- (a) **Reimbursement.** County shall reimburse Pace monthly for the total expense incurred by Pace in providing the Service ("Total Expense") less any fare revenue from the Service ("County Reimbursement").
 - (i) The Total Expense will equal the sum of the hourly Service expense and the per-trip Service expense. The hourly Service expense will be calculated by multiplying the number of vehicle revenue hours by the hourly rate charged to Pace by Pace's contracted outside provider(s) delivering the Service. The per-trip Service expense will be calculated on a trip-by-trip basis.
 - (ii) The County Reimbursement will not exceed \$690,000. County will be responsible for promptly submitting written Service change requests to Pace to avoid exceeding that amount.
 - (iii) County shall pay Pace within 30 days after receiving the monthly bill for the County Reimbursement. County shall mail payment to:

Pace, the Suburban Bus Division of the Regional Transportation Authority
550 W. Algonquin Road
Arlington Heights, IL 60005
Attention: Accounts Payable

- (ii) 100% of the Mobility Management/Call Center Services annual (12-month) operating costs, which are covered by a federal grant to Pace, up to the budgeted total grant amount of \$241,274.

The annual Pace Contribution specified in paragraph 6(b)(i) will be calculated monthly at 75% of the Operating Deficit on a year-to-date basis.

7. **Independent Relationship.** Pace is an independent contractor and not an employee, agent, joint venture, or partner of County, and nothing in this Agreement will be construed as creating any other relationship between Pace and County or between any employee or agent of Pace and County. Pace employees will at all times remain employees of Pace, and Pace will be solely responsible for all aspects of their employment, including, without limitation, compensation, benefits, payment or withholding of taxes, Social Security, Medicare, unemployment or other insurance, and workers' compensation.

8. **Insurance.** Pace shall require its contracted outside service provider(s) providing the Service to obtain and maintain insurance coverage and furnish Pace with evidence of such coverage, including a certificate of insurance. Pace shall provide County with a copy of the certificate of insurance upon written request by County.

9. **Indemnification.** County shall indemnify, defend, and hold harmless Pace, the Regional Transportation Authority, and their respective directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from County's intentional or negligent acts or omissions concerning the performance of any of County's obligations under this Agreement. Pace shall indemnify, defend, and hold harmless County and County's directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from Pace's intentional or negligent acts or omissions concerning the performance of any of Pace's obligations under this Agreement. No party will be liable for or be required to indemnify another party, entity, or person indemnified under this paragraph 9 for claims based upon the intentional or negligent acts or omissions of third persons. Upon written notice by a party, entity, or person claiming indemnification ("Claimant") to the indemnifying party ("Indemnitor") regarding any claim which Claimant believes to be covered under this paragraph 9, Indemnitor shall appear and defend all suits brought upon such claim and shall pay all costs and expenses related to that claim, but Claimant will have the right, at Claimant's option and expense, to participate in the defense of any suit, without relieving Indemnitor of Indemnitor's obligations under this paragraph 9.

10. **Compliance with Laws.** The parties shall comply with all local, state, and federal laws, statutes, ordinances, regulations, and rules applicable to this Agreement, including but not limited to section 2-105(A)(4) of the Illinois Human Rights Act (775 ILCS 5/2-105(A)(4)).

Grantee may be subject to additional requirements in **PART TWO**, **PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than \$750,000 in State-issued Awards, but expends at least \$500,000 in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) **Program-Specific Audit.** If, during its fiscal year, Grantee expends at least \$1,000,000 in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) **Financial Statement Audit.** If, during its fiscal year, Grantee expends less than \$1,000,000 in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) **Publicly-Traded Entities.** If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. **Performance of Audits.** For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. **Delinquent Reports.** When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A, PART TWO** or **PART THREE**.

13.2. **Suspension.** Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. **Non-compliance.** If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. **Objection.** If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. **Effects of Suspension and Termination.**

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. **Close-out of Terminated Agreements.** If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, but not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or

governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the

Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) Non-governmental entities. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

**ARTICLE XXII
MISCELLANEOUS**

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 et seq. Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10 Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq.*) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between PART ONE and PART TWO or PART THREE of this Agreement, PART ONE controls. In the event there is a conflict between PART TWO and PART THREE of this Agreement, PART TWO controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in PART TWO or PART THREE, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees, costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. Code 7000.90 and ARTICLE XII ; (e) property management and disposition requirements established in 2 CFR 200.310 through 2 CFR 200.316 and ARTICLE XVIII; or (f) records related requirements pursuant to ARTICLE IX. 44 Ill. EXHIBIT A

PROJECT DESCRIPTION

Grantee must complete the Award Activities described on this **Exhibit A**, the Deliverables and Milestones listed on **Exhibit B** and the Performance Measures listed on **Exhibit D** within the term of this Agreement, as provided in Paragraph 2.1, herein.

AUTHORITY: The Grantor is authorized to make this Award pursuant to statutes cited in the Program Objective below.

The purpose of this authority is as follows:

To provide grants for client services under a comprehensive low income energy assistance program which incorporates assistance in regards to utility services(LIHEAP), and energy conservation measures via weatherization, in an effort to ensure citizens have access to affordable energy services.

PROJECT DESCRIPTION:

Through the Low Income Home Energy Assistance Program ("LIHEAP"), Grantee shall assist eligible households with the costs of home energy by incorporating fuel assistance, home weatherization and other related measures in accordance with the current LIHEAP regulations and requirements.

Grant Funds will be allocated to Local Administering Agencies (individually, each a "Grantee") to administer the LIHEAP on a local level, assisting low income residents in Illinois with energy and heating bills and providing other LIHEAP-related services. Grantee must comply with all LIHEAP regulations, requirements, policies and procedures set forth by federal and state laws and by Grantor including, but not limited to, the Grantor Office of Community Assistance ("OCA") program manual(s), technical assistance memoranda, written directives, training, and any other guidance or instructions in connection with the LIHEAP.

Program Objective

Grantee must use Grant Funds provided under this Agreement for the LIHEAP to develop and implement a program to assist low income, Illinois residents conserve fuel and defray rising costs of energy as set forth in Exhibits A and B, herein. For carrying out such program objectives, the total compensation and reimbursement payable by the Grantor to the Grantee shall be in compliance with and not exceed the amount specified in the Budget (Attachment A). The Grantor shall distribute/pay the total amount of the Grant Funds to the Grantee in accordance with the Energy Assistance Act (305 ILCS 20/1 *et seq.*), applicable sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR Part 75), Subpart H of the Department of Health and Human Services Block Grant Regulations (45 CFR Part 96), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 establishing the Low Income Home Energy Assistance Act of 1981, the Federal Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)), the Illinois Administrative Rules (47 Ill. Admin. Code Part 100), and any other applicable regulations and policies promulgated by the federal and state governments and by the Grantor. The Grantee further agrees that this Agreement is subject to such modifications which the Grantor determines may be required by federal or state laws, rules, or regulations applicable to this Agreement. Any such modifications to this Agreement shall be incorporated in accordance with the applicable provisions herein, including but not limited to, paragraphs 5.2 and 6.2.

- Grantee shall make payments under this Award with respect to households with income, which does not exceed a level determined and communicated by Grantor.
- Grantee shall place top priority on outreach efforts to the elderly and disabled populations, but must not discriminate against any other population groups. Grantee must conduct outreach activities designed to ensure that eligible households are made aware of the assistance available under this Award, and any similar energy-related assistance available under the federal and state statutes and rules referenced in Exhibit A, herein, including Subpart H of the Department of Health and Human Services Energy Assistance Block Grant Regulations (45 CFR Part 96), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 establishing the Low Income Home Energy Assistance Act of 1981 (the "Act"), the Federal Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)), the Energy Assistance Act (305 ILCS 20/1 *et seq.*), and the Illinois Administrative Rules (47 Ill. - Grantee shall provide, in a manner consistent with the efficient and timely payment of benefits, the highest level of assistance to those households which have the lowest incomes and the highest energy costs in relation to income, also taking into account the number of members in the household.
- Grantee shall establish procedures to notify each participating household of the amount of assistance paid on its behalf. EXHIBIT D

PERFORMANCE MEASURES AND STANDARDS

Grantee's performance for this Award will be measured based on the LIHEAP and/or PIPP requirements, as applicable, that Grantor will review periodically during the Award Term, including, but not limited to the following:

1. Application Status Report (LH004):
 - Are GFE/CPR applications being processed (approved or denied) timely?
 - Are the applications in LAA Approved/Verified status that indicate the electronic communications stalled and the LAA needs to intervene?
 - Are there any LOF (Lack of Funds) applications the LAA should research and resolve?
 - Are there applications that have exceeded the 30-day timeframe to reach approved or denied for LIHEAP benefit status?
 - Are there crisis assistance applications that aren't processed within the 18/24 hour federally mandated timeframe?
 - Are there rejected applications that require LAA follow-up?
2. 90 Days Closeout Report (LH022): Applications on this report are past 30 days from the application date and therefore, out of compliance, and could be in jeopardy of being automatically denied by the LIHEAP database as "Application Lapsed."
3. Audit Invoices and Register Report (LH429): Does the LAA have unpaid registers that are more than 45 days from the Register Accepted date?
4. PIPP Finance Reports: These reports will be used to determine the timeliness of processing applications and paying vendors.

The Grantor reserves the right to deny any voucher request(s), at its discretion, based on lack of progress toward meeting the performance measures listed in Exhibit E. If the Grantee fails to meet any of the performance measures, and if deemed appropriate at the discretion of the Grantor, the Grant Funds may be decreased, and/or the Grantee may be responsible for the return of Grant Funds in the amount specified by the Grantor. The Grantor may initiate an Agreement modification(s) to de-obligate Grant Funds based on non-performance.

EXHIBIT E

SPECIFIC CONDITIONS

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

No Specific Conditions.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV ADDITIONAL MONITORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

**ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS**

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

**ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES**

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity

associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX

ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (Exhibits A, B and D).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (Exhibits A, B and D) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee will not expend Grant Funds under this Agreement which result in the destruction, alteration, renovation, transfer or sale, or utilization of a historic property, structure or structures, or in the introduction of visual, audible or atmospheric elements to a historic property, structure or structures, which will result in the change in the character or use of any historic property, except as approved by the Illinois Department of Natural Resources, Historic Preservation Division. The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.3. Victims' Economic Security and Safety Act (820 ILCS 180 et seq.). If the Grantee has one (1) or more employees, it may not discharge or discriminate against an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence, for taking up to the allowable amount of leave from work to address the domestic violence, pursuant to the Victims' Economic Security and Safety Act. 820 ILCS 180/20(a)(2). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 et seq.). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 et seq.).

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) **Personal Information Defined.** As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

(b) **Protection of Personal Information.** The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) **Security Assurances.** Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

**ARTICLE XXXIV
ADDITIONAL MISCELLANEOUS PROVISIONS**

34.1. Workers' Compensation Insurance, Social Security, Retirement and Health Insurance Benefits, and Taxes. The Grantee must provide Workers' Compensation insurance where the same is required and accepts full responsibility for the payment of unemployment insurance, premiums for Workers' Compensation, Social Security and retirement and health insurance benefits, as well as all income tax deduction and any other taxes or payroll deductions required by law for its employees who are performing services specified by this Agreement.

34.2. Required Notice. Grantee agrees to give prompt notice to the Grantor of any event that may materially affect the performance required under this Agreement. Any notice or final decision by Grantor relating to (a) a Termination or Suspension (ARTICLE XIII), (b) Modifications, Management Waivers or Term Extensions (ARTICLE XXX) or (c) Assignments (Paragraph 22.2) must be executed by the Director of the Grantor or her or his authorized designee.

**ARTICLE XXXV
ADDITIONAL REQUIRED CERTIFICATIONS**

The Grantee makes the following certifications as a condition of this Agreement. These certifications are required by State statute and are in addition to any certifications required by any federal funding source as set forth in this Agreement. Grantee's execution of this Agreement shall serve as its attestation that the certifications made herein are true and correct.

35.1. Sexual Harassment. The Grantee certifies that it has written sexual harassment policies that must include, at a minimum, the following information: (i) the illegality of sexual harassment; (ii) the definition of sexual harassment under State law; (iii) a description of sexual harassment, utilizing examples; (iv) the Grantee's internal complaint process including penalties; (v) the legal recourse, investigative and complaint process available through the Department of Human Rights and the Human Rights Commission; (vi) directions on how to contact the Department of Human Rights and the Human Rights Commission; and (vii) protection against retaliation as provided by Sections 6-101 and 6-101.5 of the Illinois Human Rights Act. 775 ILCS 5/2-105(A)(4). A copy of the policies must be provided to the Grantor upon request.

35.2. Federal, State and Local Laws; Tax Liabilities; State Agency Delinquencies. The Grantee is required to comply with all federal, state and local laws, including but not limited to the filing of any and all applicable tax returns. If Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor will disburse Grant Funds only if the Grantee enters into an installment payment agreement with the applicable tax authority and remains in good standing with that authority. Grantee is required to tender a copy of all relevant installment payment agreements to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. **The execution of this Agreement by the Grantee is its certification that: (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.**

35.3. Lien Waivers. If applicable, the Grantee must monitor construction to assure that necessary contractors' affidavits and waivers of mechanics liens are obtained prior to release of Grant Funds to contractors and subcontractors.

35.4. Grant for the Construction of Fixed Works. Grantee certifies that all Projects for the construction of fixed works which are financed in whole or in part with funds provided by this Agreement will be subject to the Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*) unless the provisions of that Act exempt its application. In the

construction of the Projects, Grantee must comply with the requirements of the Prevailing Wage Act including, but not limited to: (a) paying the prevailing rate of wages required by the Illinois Department of Labor, or a court on review, to all laborers, workers and mechanics performing work with Grant Funds provided through this Agreement, (b) inserting into all contracts for such construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the Project must be paid to all laborers, workers, and mechanics performing work under this Award; and (c) requiring all bonds of contractors to include a provision as will guarantee the faithful performance of the prevailing wage clause as provided by contract.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

PART THREE – PROJECT-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE** and Grantor-Specific Terms in **PART TWO**, Grantor has the following additional requirements for this Project:

The Grantee may not modify the reporting deliverable schedules in ARTICLES X, XI, XII and XXXVI unilaterally, and must obtain prior written approval from Grantor or the Grant Accountability and Transparency Unit of the Governor's Office of Management and Budget, if applicable, to change any reporting deadlines.

ARTICLE XXXVII GRANT-SPECIFIC TERMS/CONDITIONS

37.1. This Agreement is issued contingent upon the Grantee's successful completion of the 2026 Low-Income Home Energy Assistance Program ("LIHEAP"). Failure of the Grantee to comply with the terms and conditions of the 2026 LIHEAP Grant Agreement may result in termination of this Grant Agreement.

37.2. Federal Grant Requirements.

(a) In addition to the federal requirements set forth in Article VII, herein this Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for U.S. Department of Health and Human Services ("HHS") awards at 45 CFR Part 75, which implement the language in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200, (the "Uniform Requirements"). For the avoidance of doubt, all references in this Agreement to any of the OMB Circulars are subject to the Uniform Requirements referenced herein.

(b) Grantee must also comply with the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. §§ 8621-8630), the federal LIHEAP block grant rules (45 CFR Part 96), the federal Energy Conservation and Production Act of 1976 (P.L. 94-385), the Energy Assistance Act (305 ILCS 20), the Illinois LIHEAP administrative rules (47 Ill. Admin. Code Part 100), and all related Grantor policies and procedures. Any specific exceptions to the Uniform Requirements adopted by HHS may be found at 2 CFR Part 300.

37.3. Administrative Costs. Pursuant to Article VII, herein Grantee shall receive reimbursement for Allowable Costs under the general Administrative, Client Assistance (solely for outreach purposes under HHS' Assurance 16 as required by law), and Program Support cost budget categories at a ratio of allowable expenditure to amounts budgeted no higher than the ratio of total allowable client benefit expenditures to the total amounts budgeted in the Client Assistance cost budget categories. As an example, a grantee which expends 75% of the total budgeted Client Assistance funds will only be allowed to spend 75% of the amount budgeted for general Administrative, Client Assistance (solely for outreach purposes under Assurance 16), and Program Support, respectively.

37.4. Additional Reporting Requirements. In addition to the reporting requirements set forth in paragraphs 10.1, 11.1 and 36.3, herein, as applicable, the Grantee must provide the following additional reports to Grantor:

- (a) For each Award, a certified cost report must be submitted via the GRS Fiscal electronic reporting system prior to submitting a request for Grant Funds;
- (b) Programmatic reports as required by Grantor; and

- (c) Any additional reports requested from Grantee by the Grantor.

37.5. Method of Compensation.

(a) In addition to the payment requirements described in Article IV, herein the Grant Funds will be distributed in accordance with the invoice-voucher procedures of the Office of the State Comptroller. The first payment of Grant Funds will be for program initiation and will be based on the Grantee's reported obligation for the program's immediate cash needs. Thereafter, the Grant Funds will be distributed for the dual purpose of covering the allowable expenditures to date, as well as the immediate cash needs of the Grantee to operate the program under this Agreement in accordance with the financial management standards set forth in Article VII, herein.

(b) Costs allocated to this Award must conform to the HHS cost principles at 45 CFR Part 75 and as set forth in the Uniform Requirements, as applicable. Further, costs charged under this Agreement cannot exceed the total amount of this Award.

37.6. Additional Audit Requirements. In addition to the audit requirements in Article XII, herein Grantor reserves the right to conduct limited scope audits, at any time, of any Grant Funds expended under this Agreement or of the Grantee's agency-wide financial statements. Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including, but not limited to, federally-owned and exempt property, equipment and supplies (collectively referred to as "Non-Expendable Personal Property") costing **\$10,000** or more without Grantor's prior written approval.

(b) In addition to Article XVIII, herein the Grantee agrees to comply with the applicable property standards set forth in 45 CFR §§ 75.316–75.323, as specifically related to its organization, in the management of Non-Expendable Personal Property for authorized LIHEAP purposes under this Award. Specifically, as set forth under 45 CFR §§ 75.319 – 75.321, Non-Expendable Personal Property includes such property acquired under this Agreement and also such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by the Grantee in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 45 CFR 75.320 and paragraph 18.4, herein. Grantee must not sell, abandon or otherwise dispose of such Non-Expendable Personal Property without the prior written approval of Grantor.

(d) In accordance with 45 CFR §§ 75.320–75.321, Non-expendable Personal Property must be used for LIHEAP purposes, as required under this Agreement, for as long as needed. While being used on the program under this Award, Non-Expendable Personal Property may be made available for "shared

use” with other activities, provided that such use will not interfere with its primary use for the original purposes of LIHEAP prescribed under this Award. When no longer needed for the program, equipment may be used for other projects subject to Grantor’s written approval.

(e) The Grantee must maintain appropriate property records and annually conduct an inventory of all Non-Expendable Personal Property purchased with Grant Funds. Within thirty (30) days of receipt of purchased equipment, an “Equipment Acquisition Form” must be completed by Grantee and sent to Grantor. Upon the termination of the Agreement and upon the election of Grantor, the Grantee must surrender possession of such property to Grantor.

37.8. Procurement. Grantee shall follow the procurement standards as established in 45 CFR §§ 75.326 – 75.335.

37.9. Travel Costs.

(a) Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the Grantee performing duties/services related to this Agreement in accordance with 45 CFR 75.474. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the Grantee’s non-federally-funded activities and in accordance with the Grantee’s written travel reimbursement policies. Absent a policy, the Grantee must follow the rules of the Governor’s Travel Control Board. Notwithstanding the provisions of 45 CFR 75.444, travel costs of officials covered by that section are allowable with the prior written approval of the Federal awarding agency or Grantor when they are specifically related to the Federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at www.gsa.gov and 41 CFR Subtitle F, Chapters 300-304. Grantee’s policy cannot exceed the federal travel and per diem rates. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee’s control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

37.10. Publication, Reproduction and Use of Material. In addition to Article XIX, herein no material produced in whole or in part under this Award shall be subject to copyright in the United States or in any other country. Grantor shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under the Agreement.

37.11. Debarment. In addition to Grantee’s certification in paragraph 3.5(j) and the representations and warranties in paragraph 28.1, herein Grantee must additionally certify that all contractors and subcontractors are in compliance with paragraphs 3.5(j) and 28.1 prior to engaging their services under this Agreement and must certify such compliance at least annually thereafter.

37.12. Bond and Depository Insurance Requirements.

(a) Pursuant to 45 CFR 75.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of **\$100,000** or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 45 CFR 75.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 45 CFR 75.305(b)(8). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 45 CFR 75.308, subject to the following:

- **Program Support:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may *decrease* the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.
- **Client Benefits:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Client Benefits budget Line 0201 only. In no event may such transfers in this specific cost category result in an increase to the total Budget without prior Grantor written approval.
- **Direct Administrative Costs:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 300 series sub-line items except Line 317 Indirect Costs in the Direct Administration cost category of the Budget. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.

- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse or misconduct associated with any LIHEAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff, or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

Home Energy Savings Single-Family Utility Braided IHWAP Initiative

January 1, 2026

INTRODUCTION

The Home Energy Savings – Braided IHWAP Initiative (“**Program**”) is sponsored by ComEd, Nicor Gas, North Shore Gas and Peoples Gas (the “**Utilities**”), and managed by Resource Innovations, Inc. (“**Company**”). The Program provides financial assistance (“**Incentives**”) to install eligible energy efficiency measures (“**Braided Retrofits**”) in existing single-family or multi-family homes with household incomes at or below 200% of Federal Poverty Level (“**Income Eligible**”) per IHWAP guidelines. Customers must meet the minimum income qualifications and be current residential delivery service customers of ComEd, and/or residential customers with natural gas service from Nicor Gas, North Shore Gas or Peoples Gas (“**Customers**”). The Program will be offered in coordination with the Illinois Home Weatherization Assistance Program (“**IHWAP**”). A detailed description of the Program is provided in **Exhibit 1 – Program Description**.

This Participating Agency Agreement (“**Agreement**”) between Resource Innovations, Inc. (“**Company**”) and DuPage County Community Services (“**Agency**”) sets forth the terms and conditions governing Agency’s participating in the Program. By signing this Agreement, Agency is agreeing to comply with and be bound by these terms. The Agreement may be extended or modified by written consent of the parties via an addendum.

COMPANY ROLE

Company is the Program Implementer. The Program Implementer is the designated representative of the Utilities. Company and its subcontractor, the Illinois Association of Community Action Agencies (“**IACAA**”), are responsible for developing an Agency network and administrative process to support delivery of Braided Retrofit services to Income Eligible customers. Company and IACAA will provide Program oversight, process incentive requests from the Agency, conduct quality assurance trainings, and provide general support to the Agency for successful participation in the Program.

AGENCY ROLE

To qualify as an agency authorized to participate in the Program, Agency must complete **Exhibit 2 – Applicant Information Forms**. Company reserves the right to deny applications at its sole discretion.

Agency is responsible for Program promotion and marketing in collaboration with Company and/or the Utilities, Customer enrollment, intake and scheduling of the assessment, completing the in-home assessment, scoping and specifying Braided Retrofit projects, managing installation of energy efficiency measures, combustion safety testing, following Program-provided safety protocols and coordinating quality assurance and control activities with Company and/or its designated representative. Agency shall be responsible for the proper disposal of all materials, including any hazardous material when applicable.

The Program offers eligible Customers Braided Retrofits at no-cost to the Customer. Agency will conduct an assessment of eligible Customer homes, develop a work order with eligible Program measures and obtain a signed customer authorization form. Agency is responsible for entering all required project details and submitting Program required documentation in the Data Collection Tool (DCT) provided by the Program. Upon completion of the project, Agency will submit the signed customer authorization form, invoices, and final inspection report to Company via the DCT. Invoices will include Program eligible measures and measure-level costs from the measure catalog approved by IHWAP.

Agency shall treat all customers fairly and attempt in good faith to deliver promised services in a timely, respectful, and responsible manner. Failure to adhere to generally accepted principals of professional conduct may result in Agency being excluded from participation in the Program.

Agency shall conduct themselves in a professional, respectful, and reasonable manner when interacting with any Utility, Company, Customer, or affiliated Program staff. Agency shall not engage in behavior that adversely

impacts the Utilities or Company, tarnishes their service marks, and/or diminishes the profession or service in the eyes of the public. Failure to adhere to generally accepted principals of professional courtesy may result in Agency being excluded from participation in the Program.

“Subcontractors” are service providers, installation contractors, or any other individual or entity engaged by Agency to perform Program work on behalf of Agency pursuant to this Agreement. If Agency uses a third-party Subcontractor for any of the Braided Retrofit measure installations, Agency must complete **Exhibit 2b – Subcontractor Information**.

To the extent permitted by law, Agency shall be fully responsible for all work performed by any Subcontractor and its employees, their compliance with all applicable terms and conditions of the Program and this Agreement, compliance with any plans or specifications, the professional interaction of Subcontractor and its employees with Customers, the required quality of the work, the costs of any subcontracted work and to ensure that there is no gap between the work of individual Subcontractors in any instance. Agency shall be solely responsible to pay all Subcontractors for their respective work on each project and shall promptly pay each Subcontractor amounts owed to such Subcontractor.

ACCEPTABLE PRACTICE

Agency must comply with the Program standards, processes and procedures outlined in the following exhibits to the Agreement.

- Exhibit 1 – Program Description
- Exhibit 3 – Illinois Home Weatherization Assistance Program (IHWAP) – Program Operations Manual
- Exhibit 4 – Safety Guidelines
- Exhibit 6 - Illinois Home Weatherization Assistance Program (IHWAP) – Field Standards Manual

Exhibits 1, 3, 4, and 6 form the basis of **“Acceptable Practice”** for the Program that Agency must comply with to participate in the Program and to receive payment of incentives offered by the Program. Company reserves the right to exclude Agency from participating in the Program if Agency does not comply with the Acceptable Practices. Company may also withhold Incentive payments from Agency with Braided Retrofit projects that do not comply with Acceptable Practice.

MANDATORY ORIENTATION

A management-level representative employed by Agency must attend a Program Orientation Meeting provided by Company. Company may deny payment of Incentives to Agency or exclude Agency from participation in the Program if this requirement is not met. The Program Orientation Meeting will include training on the Program Terms and Conditions and Acceptable Practice as outlined in Exhibits 1, 3, 4, and 6 of the Agreement.

MARKETING

Company will collaborate with the Utilities to provide Program collateral, customer education and promotional materials, and website content to support Agency marketing and Customer enrollment efforts (**“Program Marketing Materials”**). Agency may only use approved Program Marketing Materials provided by the Program for the express purpose of promoting the Program and subject to Agency’s compliance with promotional guidelines provided in writing to Agency, if any. Agencies may propose to create supplemental marketing tactics for use in promoting the Program, subject to review and pre-approval in writing by Company before public release or use. Company will respond to requests for pre-approval of such marketing tactics within ten business days of receipt. Company reserves the right to exclude Agency from participation in the Program for failure to secure written pre-approval of marketing tactics from Company.

Agency must submit all supplemental marketing tactics for pre-approval to Company contact:

NAME AND LOGO USE

Agency agrees to allow their name and contact information to appear on participating agency lists that might be offered on the Program website and on other Program marketing materials.

For purposes of this Agreement, the “**Marks**” means any trademarks, service marks, corporate and program names, logos, designs of a Utility or its programs, including all intellectual property rights therein that are now or hereafter owned, claimed, adopted, acquired, or used by a Utility, its parent, subsidiaries, affiliated or related companies. Agency shall not use a Utility’s Marks or any other intellectual property capital of a Utility or its programs (including the Program Marketing Materials) without prior written consent of Company and the Utilities. Each Utility reserves all ownership rights in its respective Marks.

Failure to comply with the marketing and use of Marks requirements is grounds for suspension from the Program. If Agency is suspended from the Program or upon termination of this Agreement, Agency shall immediately cease all use of Marks and Program Marketing Materials.

INCENTIVE PAYMENTS

The Utilities fund eligible Customer projects as outlined in the Customer Eligibility section of Exhibit 1. Company will issue incentive payments to Agency for approved projects after Company receives payment from the Utilities. Incentive payments will be made directly to Agency by Company. Agency is solely liable for payment of costs associated with performance of the Work. Agency must request payment of Incentives by submitting the completed project via the Program-provided tool. Payment of any incentives is contingent upon Agency’s compliance with Acceptable Practices. Company reserves the right to make final determination of customer eligibility, qualifying measures, Program compliance and final incentive amounts.

To be considered for payment, projects submitted by Agency must:

- Be submitted within 30 days following the project completion date, or by Thursday, **December 17, 2026**, whichever comes first.
- Have an electric and/or natural gas customer account number provided by the Utility(ies).
- Include eligible measures at the agreed upon cost-share with the IHWAP grants.
- Measure-level eligibility is contingent upon the equipment fuel and corresponding utility account(s), as detailed in Exhibit 1 – Program Description.

Project submissions are accepted on a first-come, first-served basis until **December 17, 2026** or until Program funds are no longer available. Once total funding available for the Program is exhausted within the Program Term, no further Incentive payments will be made for any Work completed in that Program Term. Agency must adhere to the Budget provided to Agency by Company to ensure available incentive funding for all projects prior to commencing work.

Company may withhold payment to Agency based on any failure to comply with any term, requirement, guideline, or expectation set forth in this Agreement, including without limitation, Acceptable Practices or for any of the following reasons:

1. Agency fails to submit project documentation or deliverables in accordance with Program documentation submission requirements or such submission, or a part thereof, is incomplete or inaccurate;
2. Nonconforming or defective work has not been corrected in a timely fashion;
3. Failed inspection, including inspections performed by OCA
4. Company has reasonable suspicion that Agency is involved in fraudulent activity.

If the Program identifies payment has been made to Agency which it is not entitled, Company, without prejudice to any other right or remedy, may, at any time and without notice to Contractor, set off or deduct from payments it owes to Agency against any liability for which Company determines Agency is liable to Company.

Neither Company nor the Utilities shall be responsible for any taxes that may be imposed on Agency, its subcontractors or customers as a result of receiving Incentives through the Program.

AGENCY INCENTIVE ALLOCATIONS

This Agreement includes the Agency's initial incentive allocation ("**Budget**") as provided in the Budgets by Agency Table in Exhibit 5. Agency agrees to make every effort to utilize the full Budget for eligible projects participating in the Program, while managing participation within the Budget. Company is not responsible for Agency expenditures beyond the Budget, unless otherwise agreed to in writing by Company and Agency.

Company and Agency will monitor Agency's progress to the Budget during the Term of this Agreement. Company and Agency will reconcile monthly, at a minimum, actual expenditures against the Budget. When the Agency has forecasted a complete spend of the Budget, which the Company deems reasonable to achieve, an additional allocation to the Agency may be provided, at Company's discretion.

Company and Agencies participating in the Program will go through a mid-year fund utilization review which may result in a redistribution of funds among participating agencies and a change in Agency's Budget and savings goals. Once finalized, relevant agencies will sign a "Reallocation Notice" and will be responsible for the revised Budget and achieving savings goals as provided in the Reallocation Notice.

In the event Company and/or Agency forecast the Agency spending less than the Budget, and the Agency is unable to develop or achieve a reasonable plan of action to address the shortfall, Company may reallocate any or all of the remaining Budget away from the Agency to ensure the Company's goals are achieved.

AGENCY REPORTING EXPECTATIONS

Agency will submit completed projects via the Program-provided tool, known as the Data Collection Tool (DCT), for incentive processing and payment. Agency will also report the below key reporting data and information to Company on an agreed-upon schedule. Failure to provide the below key reporting data and information to Company on the agreed-upon schedule may result in the termination of this Agreement and Agency's removal from the Program. Agency will provide the information to Company either via the Program-provided tool or via a mechanism established between Agency and Company.

Key reporting data and information:

- Project pipeline (e.g., number of planned assessments for month/year, number of assessments completed that are pending project scheduling, and number of scheduled project installations) on an ongoing basis via the DCT.

- Scheduled assessment and installation appointments on an ongoing basis via the DCT.

Agency is responsible for maintaining records that demonstrate obtainment of the required technical credentials by its designated employee and will provide copies to Company upon request. Agency must notify the Program within 5 business days of a change in the status of staff that provided for Agency's compliance with technical credential requirements. Company reserves the right to exclude Agency from participation in the Program and deny Incentive payments for failure to meet the technical credential requirements of the Program.

Agency shall comply with, and cause its Subcontractors to comply with, as applicable, the requirements applicable to installers of energy efficiency measures under Section 16-128B of the Public Utilities Act ("Act") [220 ILCS 5/16-128B]¹ and 83 Ill. Adm. Code 462 ("Part 462")² and provide evidence of certification and good standing upon request by Company. Per the requirement, "An entity is only required to seek certification pursuant to Code Part 462 if the entity performs, while installing energy efficiency measures, electrical connections other than connections of class 2 circuits as defined in the National Electric Code effective August 24, 2016." Incentive payment may be contingent upon Agency and/or Subcontractor(s) completing the required certification.

COMPLIANCE WITH LAWS

Agency and its Subcontractors, at their own expense, shall maintain any relevant licenses required by federal, state, county, or municipal governments or any other agencies for work in the trades undertaken in the Program. Agency shall abide by all local, state, and federal guidelines, applicable laws, building codes, and regulations; and perform work in accordance with the Program standards. In addition, Agency agrees to comply with the provisions of 29 CFR Part 470. Upon request, Agency shall supply Company with a certificate demonstrating compliance with the foregoing.

- Worker's Compensation as required by applicable statutory code for all applicable federal and state laws.

Agency shall provide the property owner associated with the work with a written warranty on labor and materials for a minimum period as established by IHWAP protocols. Equipment and materials installed shall carry manufacturer's warranty, plus any extended warranty coverage, if applicable. Agency shall deliver the written warranty by leaving it affixed to a readily visible location and notifying the Customer of its location, or otherwise providing written documentation of warranty to the customer upon completion of the work.

MECHANIC'S LIENS

To the extent allowed and provided under IHWAP, Agency shall keep each Customer's property free of liens and claims associated with the Work. To the extent permitted by law, Agency shall defend, indemnify and hold Company, the Utilities and any Customer harmless from all expenses and losses incurred as a result of liens or claims filed by Subcontractors and vendors of Subcontractors and others claiming by or through Agency.

Agency, in compliance with the Mechanic's Lien Act (770 ILCS 60), shall provide the customer with a signed statement listing all companies that provided services for the project. This will always include the Agency's own company and any subcontracted companies that worked on the project.

CONFIDENTIALITY AND SECURITY

Reports, correspondence, and other documents relating to the Work are Company and the Utilities' property and are to be considered as proprietary and confidential during the Term of the agreement. Agency shall maintain

intellectual property rights in its self-created training materials or other created materials whose use in this Program is not specific to performing the obligation of this Agreement alone.

Agency agrees that in the course of participation in the Program, Agency may have access to or receive information relating to the Utilities' customers, including, without limitation, personal information, account information and energy usage data, obtained in connection with performance of any services as a result of this Agreement or arising out of the Program ("**Customer Information**") and proprietary information relating to Company's business that is not available to the general public ("**Internal Information**"), Internal Information together with Customer Information ("**Confidential Information**").

Agency agrees and covenants that during and subsequent to the term of this Agreement, Agency shall (a) maintain Confidential Information in the strictest confidence, and protect Confidential Information, including Agency systems containing Confidential Information from unauthorized use, access, disclosure, dissemination, or publication using the same degree of care which it uses to protect its own proprietary and confidential information of a like nature, but no less than a reasonable degree of care; (b) not use or access Confidential Information for any purpose whatsoever other than for the purpose of performing the services and fulfilling its obligations pursuant to this Agreement; (c) not disclose the Confidential Information to any person, firm, corporation or other entity other than to its employees and Subcontractors (i) who have a need to know such Confidential Information in order to perform Program services and then only to the extent necessary to carry out such services and (ii) who are bound by written confidentiality obligations no less protective than the terms contained herein. Agency shall at all times cause its employees and Subcontractors to abide strictly by Agency's obligations under this Agreement and its standard policies and procedures. Agency shall remain responsible for any breach of the obligations set forth in this Confidential Information section and any violation of any applicable privacy laws by Agency's employees and Subcontractors to the same extent as if Agency caused such breach or violation.

Agency represents and warrants that its creation, collection, receipt, access, use, storage, disposal, and disclosure of personal information does and will comply with all applicable federal and state privacy and data protection laws, as well as all other applicable regulations and directives.

In the event that Agency or its Subcontractors are requested or required to disclose any Confidential Information subject to this Agreement in a legal or regulatory proceeding, Agency shall provide the Company with prompt written notice of any such request or requirements in order to provide Company an opportunity to seek a protective order or other appropriate remedy. Agency shall cooperate with Company and its counsel in their efforts to prevent or limit such disclosure of Confidential Information.

Upon request or in any event within thirty (30) days of termination of its Agreement, Agency shall, and shall ensure all employees and Subcontractors, return or destroy all original and copies of Confidential Information which is in a physical form and delete or destroy any other records (including electronic records) containing Confidential Information, and certify in writing to Company that such Confidential Information has been returned or disposed of securely.

"Security Incident" means (a) any act or omission that compromises (which includes any unauthorized use, access or disclosure) the security or confidentiality of Confidential Information or Agency systems, or Company systems to which Agency has access, storing or processing Confidential Information; or (b) receipt of a complaint in relation to the privacy and data security practices of Agency. Agency shall notify Company within 3 hours, upon becoming aware of Security Incident and, at Agency's cost and expense, assist and cooperate with Company and the Utilities concerning any investigation, disclosures or notices to affected parties and other remedial measures as requested by the Utilities or Company or required under applicable privacy laws. Agency shall reimburse the Utilities and Company's reasonable costs and expenses, including without limitation, claims,

internal administrative costs, third-party fees and expenses (including attorneys and consultants) and any other costs or losses related to such access, disclosure, use, loss, corruption, compromise or destruction of Confidential Information. Agency shall not inform any third party of any Security Incident involving Confidential Information without first obtaining Company's prior written consent, other than to inform a complainant that the matter has been forwarded to Company's legal counsel. Further, Agency agrees that the parties shall mutually agree as to: (y) whether notice of the Security Incident is to be provided to any individuals, regulators, law enforcement agencies, consumer reporting agencies or others as required by law or regulation; and (z) the content of such notice, whether any type of remediation may be offered to affected persons, and the nature and extent of any such remediation.

Agency shall, and shall cause its Subcontractors, to implement and maintain a written information security program including appropriate policies, procedures, and risk assessments that are reviewed at least annually. Agency's information security program shall include administrative, physical, organizational, and technical safeguards to protect Confidential Information and systems storing or processing Confidential Information that are no less rigorous than accepted industry standards and practices for information security. Upon Company's written request, to confirm compliance with this Agreement, as well as any applicable laws and industry standards, Agency shall promptly and accurately complete a written information security questionnaire provided by Customer, or a third party on Company's behalf, regarding Agency's business practices and information technology environment in relation to all Confidential Information being handled and/or services being provided by Agency pursuant to this Agreement. Agency shall fully cooperate with such inquiries.

Agency acknowledges that disclosure or misuse of Confidential Information by the Agency, a Subcontractor or a Agency employee may result in irreparable harm to the Company or the Utilities, the amount of which may be difficult to ascertain and which could not be adequately compensated by monetary damages, and that therefore the Company or the Utilities is entitled to seek specific performance and/or injunctive relief to enforce compliance by the Agency with the terms of this Agreement. Such right of the Company and the Utilities shall be in addition to the remedies otherwise available at law and in equity or under this Agreement. The Agency agrees to waive any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief.

The obligations of this section shall survive any termination of this Agreement for a period of three (3) years provided, however, that any Confidential Information retained by Agency in accordance with any permitted exception herein shall remain subject to these obligations.

INDEMNIFICATION AND LIMITATION OF LIABILITY

To the extent permitted by law, Agency shall defend, protect, indemnify and hold harmless Company, the Utilities and their respective affiliates, directors, employees, subcontractors, and agents (collectively, the "**Indemnified Parties**") against all claims, losses, damages, demands, judgments, causes of action, costs, expenses, (including attorney's fees and expenses) and liability of every kind and character whatsoever ("**Claims**") arising out of or incident to, or related in any way to, directly or indirectly, this Agreement or Agency's participation in the Program; provided however, that Agency shall not be required to indemnify and hold harmless any Indemnified Party against Claims adjudicated to have been caused by an Indemnified Party's sole negligence or willful misconduct.

Company's and the Utilities' total liability arising out of or related to this Agreement, regardless of the number of claims, will be limited to Agency's actual costs associated with providing goods and services under this Agreement, and Company, the Utilities and their respective directors, employees, agents, and subcontractors shall not be liable to Agency or any other party for any other obligation. To the fullest extent not prohibited by applicable law, in no event shall Company, the Utilities, or their respective directors, employees, agents, and

subcontractors be liable hereunder for any other type of damages, whether indirect, special, incidental, consequential, exemplary, reliance or punitive (even if advised of the possibility of such damages), including, without limitation, loss of use or loss of profits, regardless of the legal theory on which the claim is based, notwithstanding any other provision of this Agreement to the contrary.

WARRANTIES AND REPRESENTATIONS

Failure to comply with the requirements of this Agreement shall constitute a reason to suspend the Agency's participation in the Program. In all cases involving Agency's status or denial of Program incentives, Company and/or the Utilities' decision is final.

All work in progress shall be completed according to the terms of the Agreement, unless Company elects to relieve Agency of responsibility for incomplete work. Survival. The rights and obligations of the parties set forth in Sections Confidentiality and Security, Indemnification and Limitation of Liability, Term and Termination, and Miscellaneous, and any right or obligation of the parties in this Agreement which, by its nature, should survive termination or expiration of this Agreement, will survive any such termination or expiration of this Agreement.

Waiver. Company's failure to enforce any provisions of this Agreement shall not constitute a waiver of such provisions, nor does it limit Company's or the Utilities' ability to enforce such provisions in the future.

Severability. If any provision of this Agreement, or portion thereof, is held to be unenforceable in any respect, then (i) it will not affect any other provisions of this Agreement; (ii) the unenforceable provision, as between the parties, will be modified, but only to the minimum extent necessary to cure the defect; and (iii) the remainder of this Agreement will continue in full force and effect.

Entire Agreement. This Agreement, including all exhibits and incorporated references, constitutes a complete statement and understanding between the parties with respect to the subject matter of this Agreement and supersedes all prior or contemporaneous representations, proposals, understandings or agreements, whether written or oral.

Exhibit 1 – Program Description

The Home Energy Savings – Braided IHWAP Initiative (“**Program**”) is offered in partnership with the Illinois Home Weatherization Assistance Program (“**IHWAP**”), administered by the Office of Community Assistance (“**OCA**”). The Program leverages the existing operations and funding of IHWAP, while establishing a dedicated relationship with each participating agency. The Program strives to achieve greater customer participation within the income eligible segment, enhance the services, products and home improvements offered to each customer, and support each agency’s success in the Utilities’ energy efficiency portfolio.

PROGRAM SERVICES

The Utilities, in collaboration with Agency, will offer income-eligible customers the following services at no-cost to the customer.

- Customer engagement, eligibility verification and enrollment
- Home energy assessment and home retrofit project scoping
- Direct installation of energy-saving products
- Installation of comprehensive home retrofit measures
- Quality assurance and quality control inspections

The Program and all services provided by Agency in the Program will adhere to IHWAP operations and standards, in addition to Program requirements and procedures as provided in this Agreement. IHWAP and Program requirements may be modified or updated during the Program year in collaboration with OCA. Agency shall comply with the most current version of such requirements provided to Agency in writing. Projects for which assessments have been completed and data entered into the Company’s data collection tool by Agency will be processed to completion under the terms and conditions in effect at the time of the project’s entry.

Agency will accept incoming customer inquiries and other customer referrals, conduct an income and utility account eligibility verification, and schedule the customer for an assessment. Agency will conduct an in-home assessment and comprehensive retrofit project scoping, including the installation of free and eligible energy-saving products. Following the scoping of a comprehensive project, if approved by the customer to move forward, Agency will schedule the customer for an installation appointment. Agency, using either qualified personnel or approved third-party installers that adhere to IHWAP and Program requirements, will install eligible weatherization and HVAC measures, and conduct necessary home repairs to facilitate the project, in the second visit.

CUSTOMER ELIGIBILITY

The Program will serve existing single-family homes, which includes detached homes and attached homes, including duplexes, condominium tenant spaces, and other similar properties. Multi-unit complexes with less than three units per complex will serve each unit as a single-family home. The Program will serve multi-family properties with three or more units through the Agency, as outlined in **Exhibit 5 – Program Incentive Allocation and Funding**.

The Program is designed to serve income-eligible customers, with incomes up to 200% of Poverty Level in partnership with IHWAP, leveraging IHWAP funds as outlined in the following section.

Agency will adhere to fuel-source eligibility requirements for each customer, as defined by the Program in collaboration with OCA. In the event a project includes a measure that will not be funded through the cost-share with IHWAP and the Utility funding, the IHWAP grant(s) will cover 100% of the cost as long as the measure

qualifies for IHWAP. For example, for a customer who has Nicor Gas and natural gas heating and water heating, but has a municipal electric utility account (in place of ComEd), the IHWAP grant(s) will fully fund any qualifying LEDs and other electric-only saving measures. The measures with natural gas savings will be funded 50% by Nicor Gas, as defined in the following section.

Customer eligibility for each offer is defined as:

1. Customers with incomes up to 200% of Poverty Level will be served in partnership with IHWAP where possible, leveraging IHWAP funds as outlined in the following section.
 - a. Agencies should prioritize serving as many customers as possible leveraging both IHWAP and utility funding (i.e., “braided” projects).
2. Nicor Gas and municipal electric utility or Ameren Electric
 - a. Nicor Gas will fund 50% of the total project cost, with the exception of any electric-only measures (e.g. central air conditioners, window air conditioners, refrigerators, freezers and LEDs), which will be funded at 100% by the IHWAP grant(s).
3. ComEd only (electric-only, or an alternative heating fuel source, e.g., propane)
 - a. ComEd will fund 50% of the total project cost.

MEASURE-LEVEL INCENTIVE CALCULATIONS AND BRAIDING IHWAP FUNDS

Agency will braid IHWAP and Utility funds for each eligible Agency-selected project, allocating 50% of the total project cost to the IHWAP grant(s) and 50% of the total project cost to the Utility funds. Agency may choose which projects to braid IHWAP and Utility funding throughout the year, but agrees to allocate funds at the full 50% allocation to each source (IHWAP grant or Utility funds) for all installed measures in the selected project.

The total project cost, also referred to as the “**True Grant Expenditure**,” includes the Materials and Labor cost, in addition to the Program Support and Administrative costs as defined and calculated by the associated IHWAP grant. The Utility funding will be matched one-for-one to the IHWAP grant amount allocated for that measure, as detailed below.

State and Health and Human Services (HHS) Grants:

Agency will indicate, by measure, the total Material and Labor Cost amount allocated to the State and/or HHS Grants, which will then be funded by the Utility per the following calculation:

- **Total Material and Labor Cost** = (Material Cost + Labor Cost)
- **Program Support** = (Total Material and Labor Cost x Program Support (35%))
- **Total Administration** = (Total Material and Labor Cost + Program Support) x (State (8%) and HHS (6%) Administration)

Utility Funded Amount = (Total Material and Labor Cost + Program Support + Total Administration) x 50%

For example:

- **Total Material and Labor Cost** = (\$800 + \$200) = \$1,000
- **Program Support** = (\$1,000 x 35%) = \$350
- **Total Administration** = (\$1,000 + \$350) x 6% = \$81
- **Utility Funded Amount** = (\$1,000 + \$350 + \$81) x 50% = **\$715.50**

Department of Energy (DOE) Grants:

Agency will indicate, by measure, the total Material and Labor Cost amount allocated to the DOE Grant, which will then be funded by the Utility per the following calculation:

- **Total Material and Labor Cost** = (Material Cost + Labor Cost)
- **Program Support** = (Total Material and Labor Cost x Program Support (35%))
- **Total Administration** = (Total Material and Labor Cost + Program Support) x (DOE Administration (7.5% or 12.5%, as defined below))
 - Agency with an annual DOE Grant allocation of up to \$350,000 receives 12.5% Administration, as directed by the Office of Community Assistance
 - Agency with an annual DOE Grant allocation of \$350,000 or more receives 7.5% Administration, as directed by the Office of Community Assistance

Utility Funded Amount = (Total Material and Labor Cost + Program Support + Total Administration) x 50%

For example, for an Agency with an annual DOE Grant allocation of up to \$350,000:

- **Total Material and Labor Cost** = (\$800 + \$200) = \$1,000
- **Program Support** = (\$1,000 x 35%) = \$350
- **Total Administration** = (\$1,000 + \$350) x 12.5% = \$1518.75
- **Utility Funded Amount** = (\$1,000 + \$350 + \$168.75) x 50% = **\$759.38**

For example, for an Agency with an annual DOE Grant allocation of more than \$350,000:

- **Total Material and Labor Cost** = (\$800 + \$200) = \$1,000
- **Program Support** = (\$1,000 x 35%) = \$350
- **Total Administration** = (\$1,000 + \$350) x 7.5% = \$101.25
- **Utility Funded Amount** = (\$1,000 + \$350 + \$101.25) x 50% = **\$725.63**

ADDITIONAL REQUIREMENTS AND EXPECTATIONS

Agencies will be responsible for procuring products and materials that match product specifications and minimum expectations, as determined by the IHWAP requirements. The energy-saving products may be modified during the Program Year, which runs from January 1 to December 31, with sufficient time for the Agencies to procure the new product or material, and the required operations and procedures to be updated.

A post-installation inspection will be completed by the Agency's inspector for each completed project. A sampling of all completed projects will be inspected by the Program, as outlined in the Agreement.

The Program will work with each Agency on a plan to achieve the annual savings and spending goals of the Program. Additional funds may be allocated during the Program Year at the discretion of the Program. Payment of the incentive allocation is not guaranteed and is dependent on the Agency's ability to complete the necessary projects to spend the funds available.

The Program will monitor Agency activity and collaborate with the Agency, no less than monthly, to determine additional resources that may be required to achieve the Program targets (e.g., marketing support, training series for new staff, additional installation contractors, etc.). If the Agency forecasts achieving the savings and spending targets, and the Program finds the forecast reasonable, an additional incentive allocation may be provided to the Agency for use in the remainder of the Program Year. Alternatively, if the Agency is unable to

achieve the targets, previously provided incentive allocations may be redistributed to one or more Agencies upon written notice to the Agency, to ensure the Program achieves the full annual savings and spending goals.

The Program aims to achieve high customer satisfaction through quality program delivery. Agencies are expected to provide each customer with a high level of customer service. Agencies should strive to:

- Return all customer inquiries within 24 hours of receipt, either via phone or email
- Resolve all customer escalations and complaints within two business days of receipt
- Avoid damage to customer property and minimize the potential for accidents
- Maintain customer confidentiality and protect customer information provided to the Program at all times
- Provide customers with professional, courteous, high quality and customized interactions and services
- Achieve a 4.5 out of 5.0 on customer satisfaction surveys

The Program additionally strives to continually improve and enhance the services offered and internal operations and procedures. Each Program partner, including the participating agencies, will serve as key contributors for the necessary input and recommendations to continue improving the Program.

Exhibit 2 – Applicant Information Forms

Exhibit 2 consists of Exhibit 2a – Participating Agency Information, which is required of all applicants, and Exhibit 2b – Subcontractor Information, which is required for each Subcontractor used by the Agency to fulfill the work associated with this Agreement.

Agency must complete Exhibit 2a – Participating Agency Information only if there are changes to the originally submitted form. If Agency uses a third-party contractor for any of the Braided measure installations under the Program, Agency must complete Exhibit 2b – Subcontractor Information, unless previously submitted and no changes apply.

Exhibit 4 – Safety Guidelines

INTRODUCTION

The Utilities and Company are committed to safety as the number one priority when delivering, implementing and overseeing the Home Energy Savings – Braided IHWAP Initiative (“**Program**”) for all contractors, subcontractors, customers and other program participants. As a Program partner, each Community Action Agency agrees to support the Program in this mission by implementing a comprehensive safety plan, monitoring operations for improvements, minimizing risks and hazardous conditions, and providing the proper training and resources to all staff working on the Program.

Each Agency is expected to be knowledgeable of and in compliance with all applicable laws, regulations and OSHA requirements pertaining to daily operations. Agency Staff must be properly trained and provided with sufficient time, resources and guidance to personally support the Agency’s safety mission during Program operations.

The Program reserves the right to suspend or disqualify an Agency from participation in the Program in the event minimum safety requirements are not met, and/or an Agency fails to remedy any situation or procedure that has been deemed unsafe.

This Safety Guidelines document is not comprehensive, and does not supersede any established or existing IHWAP, Agency or Installing Contractor safety guidelines, requirements or expectations. It is ultimately the Agency’s responsibility to fulfill and comply with all relevant safety requirements and regulations. The Program agrees to support the Agency in implementing and improving safe operations throughout the duration of the Program. Agency feedback and recommendations to the Program on improving safety standards and operations are encouraged and expected. The Program will provide regular safety tips, recommendations and reminders to the Agency in support of the safety mission.

GENERAL GUIDELINES AND EXPECTATIONS

Agency shall adhere to all relevant Illinois Home Weatherization Assistance Program (“**IHWAP**”), organization and industry-standard safety protocols when providing services on behalf of the Program. Minimum expectations are established and outlined, below.

Responsibility and Accountability: Agency is ultimately responsible for providing a healthy and safe workplace for all Agency staff and any subcontractors working on the Program. Agency’s internal staff, subcontractor and/or contractor personnel, and any other staff working at each job site (“**Field Staff**”), including Assessors, Inspectors (as defined by IHWAP) and other staff who may interact with customers or visit customers’ homes, have a further obligation to comply with all safety protocols and instructions given by Agency, IHWAP and the Program, as applicable.

Safety Plan: Agency will develop and use a comprehensive safety plan (the “**Safety Plan**”) in all operations related to the implementation of the Program. The Safety Plan should include, at a minimum, the following safety requirements and guidelines:

- Environmental and occupational health and safety rules
- Job hazard identification protocols and mitigation strategies
- Safe driving practices
- Personal Protective Equipment (PPE) requirements and instructions for use
- Walk-away policies for unsafe conditions and situations
- Reporting and tracking procedures

IHWAP and Industry Standards: Agency will adhere to all IHWAP safety protocols, as well as any relevant industry standards applicable to Program operations. Agency agrees to advise fully all Field Staff, of the risks and all necessary environmental, safety, and health procedures, as applicable and required.

Continuous Monitoring, Evaluation and Improvements: Agency is expected to have a comprehensive monitoring and evaluation process to ensure and verify safety protocols are adhered to during Program operations. Agency will also have a feedback and improvement process to identify, address and further prevent deficiencies and gaps in safety protocols, with the goal of reducing the number of safety incidents and near-misses that happen during Program operations.

Incident Handling: Agency is expected to have a written process for handling incidents. In addition to reporting incidents as required to IHWAP, Agency agrees to adhere to the protocols outlined in the Community Action Agency Agreement – Safety section for reporting incidents to Company.

OSHA Compliance: Agency is responsible for being aware of and maintaining compliance with all applicable regulations established by the Occupational Safety and Health Association (OSHA) under the Federal Occupational Safety and Health Act of 1970 and the American National Standards Institute, and any applicable amendments or revision thereof whether associated with the furnishings or equipment and/or systems, the construction of facilities, the performance of services, or any other similar contractual relations.

COMMUNITY ACTION AGENCY FIELD OPERATIONS

Agency will adhere to IHWAP Assessment Protocols and follow all relevant industry standards for safe operating procedures and protocols. Agency Assessors and Inspectors must be Training and Certification Program (TCP) certified within one year of employment as, specified in the IHWAP Program Operations Manual.

Agency will adhere to IHWAP, industry and Program safety standards while traveling to and from project sites, and while performing any and all Work associated with the Program.

Agency is expected to designate a responsible member of its organization at each work site who will enforce the Agency Safety Plan, identify opportunities for improvement in operations, track near-misses and incidents, and report any issues to the Program Manager or supervisor.

The Program recommends the Agency include a professional code or standards within the Agency Safety Plan to establish expected professional behavior on job sites for Field Staff.

Field Staff are required to follow all manufacturer guidelines and recommendations when installing measures and will practice caution when handling potentially hazardous materials and equipment.

Agency representatives and all Field Staff will train staff on and adhere to OSHA Safe Driving Practices for Employees³ guidelines, and, as appropriate, institute other OSHA safe driving training and techniques, as found on the OSHA website⁴. In the event a driving incident occurs when traveling to, from or between customer sites, Agency will follow guidelines in the Community Action Agency Agreement – Safety section for reporting incidents to Resource Innovations.

Additionally, to further support safe driving, Agency is encouraged to instruct all staff to:

- Conduct a visual inspection of the vehicle prior to each use;
- Use well-maintained vehicles, free of defects and damage;
- As possible, avoid driving during inclement weather when unsafe driving conditions occur or are possible during the work-day;

³ https://www.osha.gov/Publications/Safe_Driving_Practices.pdf

⁴ https://www.osha.gov/Publications/motor_vehicle_guide.html

- Take extra precaution while driving in inclement weather and use good judgment to determine whether it is safe to drive; and
- Allow sufficient time for travel, understanding a late arrival to a customer's home is preferable to unsafe or reckless driving.

Field Staff are expected to establish and support a safe working environment for themselves, as well as for other Field Staff and customers they may encounter (e.g., Agency staff, Assessors and Inspectors; Installing Contractor staff; household members and visitors). Field Staff will:

- Assess each work environment for potential hazards, resolve potential hazards prior to commencing work and not commence work if the hazard cannot sufficiently be resolved;
- Maintain a safe, tidy, and organized work environment;
- Look after their personal safety and well-being on project sites;
- Notify customers and other Field Staff of potential hazards;
- Keep all equipment safe and secured, well maintained, and in good working order;
- Only use equipment and tools that have been tested, are in good working order and are free of defects;
- Strive to eliminate or reduce risk of slips, trips, and falls by being aware of and correcting or resolving, as possible:
 - Uneven surfaces, hole in floors, carpet edges, drop-clothes or changes in floor surface level and
 - Ladders, equipment and other obstacles that may be present in the work area;
- Wear and/or use all relevant personal protective equipment (PPE) as determined by IHWAP, OSHA and/or industry standards, and be trained in its proper use; and
- Adhere to Agency walk-away protocols for unsafe conditions, environments or situations.

Exhibit 5 – Program Incentive Allocation and Funding

INCENTIVE ALLOCATION METHODOLOGY

Agency 2026 Incentive Allocations (“2026 Allocation(s)”) were developed with input from each Agency, based on capacity and potential, aligned with the Utilities’ priority of maximizing braided production across the network.

INCENTIVE ALLOCATIONS

The initial allocations are based off the following information, with an annual Single-Family budget from the Utilities of \$4,755,094.

Agency will be responsible for managing project and measure-level costs within its Budget as outlined in the Budgets by Agency table below. Agency may also submit a request for additional braided Single-Family funding throughout the year, under the condition that at least 50% of planned Single-Family production is complete.

Table - Budgets by Agency

Agency Name	Single Family Material and Labor	Single Family Incentive (Total)
Community Action Partnership of Lake County	\$48,234	\$70,000
Community and Economic Development Association of Cook County, Inc	\$2,112,037	\$3,065,094
Community Contacts, Inc.	\$172,265	\$250,000
DuPage County Community Services	\$241,171	\$350,000
McHenry County Housing Authority	\$241,171	\$350,000
Tazwood Community Services, Inc.	\$48,234	\$70,000
Tri-County Opportunities Council	\$68,906	\$100,000

Total	\$3,276,551	\$4,755,094

AGENCY PARTICIPATION TARGETS

The 2026 Incentive Allocations correspond, by Agency, to the following electric savings (kWh) and natural gas savings (therms). These initial targets are intended to provide Agency with a target of the associated savings for the incentive funds that the Utilities aim to achieve in 2026. The Utilities will calculate, per the Illinois Technical Reference Manual, measure-level savings on behalf of Agency. Actual Agency results may vary, and Company will continuously monitor Agency participation and provide recommendations, as appropriate, in support of achieving these targets.

As a reference, for Single-Family production, the following targets were used:

ComEd kWh per project	Nicor Gas Therms per project	Peoples Gas Therms per project	North Shore Gas Therms per project
3,159 kWh	508 Therms	679 Therms	638 Therms

MEASURE-LEVEL INCENTIVES

The Utility(ies), via Company, will fund Agency for 50% of the True Grant Expenditure incurred by the Agency for each qualifying measure in an eligible Braided Retrofit home, subject to Agency's compliance with Program requirements and this Agreement. Agency will allocate IHWAP grant funds and/or invoice the Office of Community Assistance (OCA), per existing IHWAP protocols, for the remainder of the true grant expenditure at the measure level. As of the initial distribution of this Agreement, Agency must adhere to the existing IHWAP per-home, per-measure and per-measure category maximums or spending limits established in the IHWAP Operations Manual, inclusive of Utility incentive funds.

Utilities and Company may fund Agency for 50% of the True Grant Expenditure, as defined in Exhibit 1, for any qualifying projects installed on or after **January 1, 2026** but prior to the date this Agreement is executed. Company will coordinate with OCA and Agency to determine the necessary steps to complete this Reconciliation Period Funding process, which may include, but is not limited to, establishing processes for:

1. Capturing the required data from OCA and/or the Agency,
2. Validating eligibility of Agency-installed projects and measures,
3. Updating the IHWAP system and accounting information for the Utility-funded amount, and
4. Funding Agency directly for the eligible Incentives

AGENCY FORECASTS AND PRODUCTION COMMITMENTS

Agency agrees to spend 100% of its Budget outlined in this document, per the following guidelines:

1. Agency will develop a project pipeline schedule that reasonably achieves the monthly and quarterly commitments outlined in the Production Schedule below. Agency shall consider the customer intake, assessment, installation, and inspection volumes necessary to complete the targeted jobs within the schedule to ensure reasonable commitments are provided. Agency shall provide monthly forecasts based on Agency's ability to submit the full count of committed projects by the last project submittal date of the month. For example, Agency may commit two Braided IHWAP projects for the month of January 2026, which must be submitted no later than January 15, 2026 to be considered against the committed forecast.
2. Activity will be monitored each month, including, but not limited to:

- a. Agency shall provide a forecasted number of project submissions and estimated incentives to Company each calendar month, on a monthly basis, via SharePoint link provided by Company.
 - b. Company and Agency shall review all deviations (both overages and shortfalls) to the Production Schedule and determine whether further monthly or quarterly adjustments are needed to manage to the overall 2026 Allocation.
 - c. Agency shall provide monthly pipeline details, such as customer intake, assessment, installation and inspection targets, as requested by Company, to demonstrate the targets are reasonable and attainable.
 - d. Agency shall add projects to the Data Collection Tool after the project has been assessed, including customer / preliminary project information, estimated project cost, and estimated milestone dates (contractor assignment, installation, inspection, project submittal dates). Agency shall revise estimated milestone dates (contractor assignment, installation, inspection and project submittal dates) if the schedule changes and update the project with actual dates when the actual milestones occur.
3. Company and Agency will review actual activity from the prior months, in addition to the upcoming commitments, to determine any further adjustments that may be needed to ensure reasonable commitments are made for the remaining months within 2026.
 4. Agency shall notify Company of any anticipated shortfall in production, whether monthly, quarterly or for the full 2026 period, as soon as a shortfall is identified.
 - a. Company shall inquire no less than monthly on Agency's pipeline schedule and confidence level in achieving the targets in the current Production Schedule.
 5. Upon identifying a shortfall, Company and Agency will work together to identify any opportunity for making up the shortfall within the month, quarter or year.
 - a. In the event Company and Agency agree that the shortfall cannot be made up by Agency, Agency shall relinquish the funding to Company for reallocation to another Agency or effort that can spend the available funding.
 - b. In the event Company and Agency agree that the shortfall can be made up by Agency, Agency shall provide a revised Production Schedule for the remainder of 2026 which outlines monthly commitments for all remaining months. Agency shall additionally provide monthly pipeline details, such as customer intake, assessment, installation and inspection targets, as requested by Company, to demonstrate the targets are reasonable and attainable.

Agencies shall complete and provide the following Production Schedule to Resource Innovations upon submittal of the signed Addendum, outlining the initial plan for spending the Agency Allocation.

GRANT AGREEMENT BETWEEN THE COUNTY OF DUPAGE
AND THE CHILD FRIENDLY COURTS FOUNDATION
FOR THE SAFE HARBOR CHILDREN'S WAITING ROOM
IN THE AMOUNT OF \$106,000
(ARPA INTEREST)

WHEREAS, the County of DuPage ("County") is a body corporate and politic; and

WHEREAS, the Child Friendly Courts Foundation ("Agency") is a 501(c)(3) organization that maintains a children's waiting room for children whose parents have business in the DuPage County courthouse, known as the Safe Harbor Children's Waiting Room; and

WHEREAS, the County and the Agency are hereafter sometimes referred to as the "Party" and collectively referred to herein as "the Parties"; and

WHEREAS, the Parties have prepared this Agreement to govern the distribution of the grant funds identified above.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. **Purpose of the Agreement.** The purpose of this Agreement is to reimburse the Agency up to \$106,000 to support the continuation of services provided by the Safe Harbor Children's Waiting Room to children whose parents have business before the 18th Judicial Circuit Court. The Agreement provides a process for the reimbursement of eligible expenses and a process for reporting on the funds in compliance with federal, state, and local requirements.
2. **Eligible Uses.** Funds appropriated by the County Board for disbursement under this Agreement shall be used to support the Agency's operating expenses for the Safe Harbor Children's Waiting Room for the period of December 1, 2025 through November 30, 2026.
3. **Recitals.** The recitals to this Agreement are incorporated as though set forth fully herein.
4. **Term.** This Agreement shall remain in effect through December 15, 2026. Sections 6, 7, 8, 9, 10, 11, 13, 14, 15 and 16 of this Agreement shall remain in effect indefinitely and shall survive the termination of this Agreement.

5. **Termination, Breach.** This Agreement may be terminated upon thirty (30) days' notice to the other Party with the written consent of the other Party. All terms of this Agreement shall be considered material terms and therefore all breaches shall be deemed material breaches. In the event of a breach of this Agreement by any Party, the non-breaching Party shall provide the breaching Party with written notice of the breach and shall provide a period of not less than thirty (30) days to cure said breach.
6. **Venue, Applicable Law.** The exclusive venue for disputes arising from this Agreement shall be the 18th Judicial Circuit Court, sitting in Wheaton, Illinois. This Agreement shall be governed by the laws of the State of Illinois.
7. **Payment.** The County agrees to reimburse the Agency up to \$106,000 for operational expenses related to the services provided by the Agency for the Safe Harbor Children's Waiting Room. For payments to be issued, the Agency must provide the County with a fully executed copy of this agreement, subsequently accompanied by monthly invoices.
8. **Report to the County.** The Agency shall submit monthly performance reports using the County's ARPA on-line portal. Said reports are due no later than 15 days after the end of the month. Reports shall include performance metrics and expenditure summaries. Performance reports shall include, but not be limited to, monthly data on: (i) the number of children served for the reporting month, and (ii) the cumulative number of children served. Expenditure summaries shall include monthly expenditures, cumulative expenditures and supporting documentation that verify these expenditures (i.e., bank statements, invoices, payroll ledgers, timesheets, and the Finance Department's payroll planning worksheet).
9. **Audit.** The use of these funds may be audited and reviewed by the Office of the County Auditor and external audit. The Agency agrees to retain and provide access to all financial records and documents related to this Agreement for a period of not less than seven (7) years for audit purposes.
10. **Review of Operations.** The County may monitor and conduct an evaluation of operations funded. An evaluation may include a visit from County personnel to observe and review the Agency's financial and program materials relating to the activities financed.
11. **Liquidated Damages.** If the cumulative expenditures in the final performance report are less than the amount awarded by the County to the Agency, then the County shall keep any unused funds in the ARPA Interest fund. Further, in the event that any entity authorized by law audits the County's

disbursal of these funds and determines that the funds disbursed to the Agency were used for purposes other than those permitted under this Agreement, the Agency agrees to indemnify the County and hold the County harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, related to the disbursal of funds to the Agency.

12. **Assignment.** Neither Party shall assign performance under this Agreement, nor shall either Party transfer any right or obligation under this Agreement without the express written approval of the County.
13. **Amendment.** Any amendment to the terms of this Agreement must be in writing and will not be effective until it has been executed and approved by the same Parties who approved and executed the original agreement or their successors in office.
14. **Waiver.** If the County fails to enforce any provision of this Agreement, that failure does not waive said provision or the County's right to enforce it.
15. **Sole Agreement.** This Agreement contains all negotiations between the County and the Agency. No other understanding regarding this grant Agreement, whether written or oral, may be used to bind either Party.
16. **Liability.** The Agency agrees to indemnify, save, and hold the County, its officers, agents and employees, harmless from any claims or causes of action, including attorney's fees incurred by the County, arising from the performance of this Agreement by the Agency, its officers, agents or employees. This clause will not be construed to bar any legal remedies the Agency may have for the County's failure to fulfill any of the County's obligations under this Agreement. Notwithstanding any provisions of this Agreement to the contrary, indemnification of this Agreement shall be limited to the Agency's allocation, less any amount returned to the County pursuant to Section 11 of this Agreement.

 - a. Impair an adequate supply of light and air to the adjacent property as petitioner **has not demonstrated** sufficient evidence that the proposed Variation will not impair an adequate supply of light and air to adjacent property.

- b. Increase the hazard from fire or other dangers to said property as petitioner **has not demonstrated** sufficient evidence that the proposed Variation will not increase the hazard from fire or other dangers to said property.
- c. Diminish the value of land and buildings throughout the County as petitioner **has not demonstrated** that the proposed Variation will not diminish the value of land and buildings throughout the County.

Staff has had the opportunity to review the cases for 2304 Maple and 2S651 Lloyd Avenue. The Village of Downers Grove has an opinion in this matter because of the case's close proximity to the municipal boundary, or location within the Village's planning area. The petitioner is proposing a variances and a conditional use as noted below:

For ZONING-25-000043 7-ELEVEN

1. Variation to allow a video gaming terminal establishment within 1,000 feet of a place of assembly and daycare.
2. Variation to allow a video gaming terminal establishment within 1,000 feet of an existing video gaming café restaurant/video gaming terminal establishment.

For ZONING-25-000044 7-ELEVEN

1. Conditional Use to allow a video gaming terminal establishment in a B-1 Local Business Zoning District.
2. Variation to allow a video gaming terminal establishment within 1,000 feet of a school and daycare.

No summary was provided to determine the specifics of the proposed project, beyond the proposed site plan. If variances or a conditional use is being requested for these case, no evidence of meeting the required standards was provided. Staff has the following comments and concerns:

1. The Village of Downers Grove expressly prohibits Video Gaming throughout the Village with the exceptions as noted in VoDG Sec 3.33 Prohibited Activities On Licensed Premises.
2. The County of DuPage Ordinance specifically prohibits video gaming terminals within a certain distance of sensitive uses, such as schools, daycares and assembly uses.

The Village of Downers Grove does not recommend approval of the variances or conditional use as they would not meet the Village requirements as stated above. Furthermore the County's Zoning Ordinance intentionally provides separation of video gaming terminals from sensitive uses such as schools, daycare or assembly uses. The Village is concerned what precedent this can create for similar requests in the future and the proximity of both uses. Furthermore, the Village is interested to understand if the affected school, daycare and assembly uses were contacted about the case.

The Village of Downers Grove asks DuPage County to deny the request since the proposed use would vary from the existing characteristics of the immediate neighborhood and zoning districts, in addition to the protections that are placed in the County Ordinance to separate the proposed use from schools, daycares and assembly uses. If I can be of further assistance, please do not hesitate to contact me.

WHEREAS, a public hearing was held on October 15, 2025 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 6:00 P.M. before the DuPage County Zoning Board of Appeals and notice of said hearing was duly given; and

 - a. Impair an adequate supply of light and air to the adjacent property as petitioner **has not demonstrated** that the proposed video gaming terminal establishment would impair an adequate supply of light and air to the adjacent properties.
 - b. Increase the hazard from fire or other dangers to said property as petitioner **has not demonstrated** that the proposed video gaming terminal establishment would not increase the hazard from fire or other dangers to said property.

Staff has had the opportunity to review the cases for 2304 Maple and 2S651 Lloyd Avenue. The Village of Downers Grove has an opinion in this matter because of the case's close proximity to the municipal boundary, or location within the Village's planning area. The petitioner is proposing a variances and a conditional use as noted below:

For ZONING-25-000043 7-ELEVEN

1. Variation to allow a video gaming terminal establishment within 1,000 feet of a place of assembly and daycare.
2. Variation to allow a video gaming terminal establishment within 1,000 feet of an existing video gaming café restaurant/video gaming terminal establishment.

For ZONING-25-000044 7-ELEVEN

1. Conditional Use to allow a video gaming terminal establishment in a B-1 Local Business Zoning District.
2. Variation to allow a video gaming terminal establishment within 1,000 feet of a school and daycare.

No summary was provided to determine the specifics of the proposed project, beyond the proposed site plan. If variances or a conditional use is being requested for these case, no evidence of meeting the required standards was provided. Staff has the following comments and concerns:

1. The Village of Downers Grove expressly prohibits Video Gaming throughout the Village with the exceptions as noted in VoDG Sec 3.33 Prohibited Activities On Licensed Premises.
2. The County of DuPage Ordinance specifically prohibits video gaming terminals within a certain distance of sensitive uses, such as schools, daycares and assembly uses.

The Village of Downers Grove does not recommend approval of the variances or conditional use as they would not meet the Village requirements as stated above. Furthermore the County's Zoning Ordinance intentionally provides separation of video gaming terminals from sensitive uses such as schools, daycare or assembly uses. The Village is concerned what precedent this can create for similar requests in the future and the proximity of both uses. Furthermore, the Village is interested to understand if the affected school, daycare and assembly uses were contacted about the case.

The Village of Downers Grove asks DuPage County to deny the request since the proposed use would vary from the existing characteristics of the immediate neighborhood and zoning districts, in addition to the protections that are placed in the County Ordinance to separate the proposed use from schools, daycares and assembly uses. If I can be of further assistance, please do not hesitate to contact me.

RE: DuPage County Public Hearing 25-000044
7-Eleven 34077- 2S651 Lloyd Ave
Village of Lombard Comments

Dear Chairman, Kartholl:

The Village of Lombard is in receipt of the public hearing notice regarding Zoning Board of Appeals (ZBA) Case 25-000044, a request for conditional use and variations, associated with a proposed video gaming establishment in a B-1 Local Business Zoning District within 1,000 feet of a school and daycare, located at 2S651 Lloyd Avenue.

Per the public hearing notice, the Village recognizes that the petitioner is seeking a conditional use and variations to allow video gaming at a 7-Eleven located at 2S651 Lloyd Avenue. Although the subject property is not within the corporate limits of the Village of Lombard, it is positioned inside Lombard's planning boundary. As such, the request does not comply, pursuant to the Village's Code of Ordinances and the Village offers the following:

Classification

The Village Board approved certain classifications that allow the use of video gaming.

Section 112.12(A)

1. Currently there are no liquor license classifications providing for "convenience stores, no packaged sales, consumption on premises".
2. All Video Gaming licenses are for liquor license locations with consumption on premises and there are no video gaming licenses for locations that are packaged goods only.

Restrictions on licenses

There are certain restrictions on all liquor licenses with the video gaming component.

Section 112.18(D)

(D) The following restrictions apply to all liquor licenses which allow for and authorize the operation of video gaming terminals upon the licensed premises:

- (1) The operation of video gaming terminals shall not be permitted during the hours alcoholic liquor sales are prohibited, as provided in § 112.36 of this Code.
- (2) As required by the Illinois Video Gaming Act, video gaming is prohibited in any establishment located within 100 feet of any school (as defined in the Illinois Video Gaming Act) or place of worship.
- (3) As required by the Illinois Video Gaming Act, video gaming shall be located in an area that is restricted to persons 21 years of age or older.
- (4) As required by the Illinois Video Gaming Act, the total number of video gaming terminals located in the establishment shall not exceed six (6).
- (5) The establishment shall comply with all of the village's sign regulations and it shall be unlawful to advertise for video gaming via a sign visible from any street, alley or public right-of-way within the village. This includes temporary or permanent signage that may include a business name, name, identification, description, display, illustration or attention-getting device which is affixed to or painted or represented directly or indirectly upon a building or other outdoor surface or lot, and which directs attention to a person, business, product, service, place, organization or entertainment.
- (6) The establishment shall be required to install, operate and maintain a video camera surveillance system capable of recording clear and unobstructed photographic representations of the segregated area of the establishment where the video gaming terminals are located, and shall retain the video recordings produced therefrom for a minimum of 30 days. Said video recordings shall be subject to inspections by the Village's Police Department upon request therefor.
- (7) The establishment shall be equipped with a direct connect burglar alarm system to the Village's Police Department, or to such other location as directed by the Village's Police Department, to address instances of unpermitted entry into the establishment.
- (8) The percentage of income received from Video Gaming shall not exceed 49 percent of the establishment's gross revenue. The liquor licensee shall be prepared to establish that the liquor licensee has met the 49 percent standard upon the request of the Village and this determination shall be based upon, but not be limited to, audited financial statements, corporate financial reports, tax return information, State liquor license reports, or any other form of documentation/information deemed acceptable by the village. At the village's discretion, each liquor licensee shall be subject to an annual audit to verify compliance with this subsection.
- (9) As required by the Illinois Video Gaming Act, all video gaming terminals shall be located in a segregated area which shall be accessible only to persons over 21 years of age. Applicants shall

DuPage County Public Hearing 25-000044
7-Eleven 34077- 2S651 Lloyd Ave
Village of Lombard Comments

submit a site plan clearly indicating the proposed location of all video gaming terminals and the type of barrier to be utilized to segregate the area; provided however, that such barrier shall not obstruct the view of the video gaming area, which shall be visible to an employee of the liquor licensee, who is over 21 years of age, at all times.

- (10) The liquor licensee applicant/business establishment must be in good standing with the village at the time of the application for a liquor license which allows for the operation of video gaming terminals on the licensed premises. To be in "in good standing":
- (a) the liquor license applicant shall owe no sums of money to the Village at the time of submitting an application for a liquor license which allows for the operation of video gaming terminals on the licensed premises;
 - (b) the liquor license applicant shall have had no violations causing a suspension of its liquor or business license in the 12 months prior to submitting an application for a liquor license which allows for the operation of video gaming on the licensed premises; and
 - (c) the liquor license applicant shall be in compliance with all dram shop and video gaming laws, rules and regulations of the village and the State of Illinois.
- (11) The liquor license applicant shall have operated a business with a liquor license on the premises for which a video gaming liquor license is sought for at least 24 consecutive months at the time of application. This requirement may be waived by legislative action of the Village Board for good cause shown.

After reviewing the proposed conditional use and variations, the Village of Lombard realizes that the submitted petition and the supplemental information received to date from DuPage County does not comply with the existing licensing provisions of the Village.

Please include this letter as part of the case file and advise the DuPage County Zoning Board of Appeals of the Village's position with respect to this matter.

Respectfully,

Sheila York

- b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** sufficient evidence that the proposed Variation will not increase the hazard from fire or other dangers to said property.

Address 2230 Maple Avenue, Avenue Downers Grove, IL 60515

Staff has had the opportunity to review the case for 2230 Maple Avenue. The Village of Downers Grove has an opinion in this matter because of the case's close proximity to the municipal boundary and location within the Village's planning area. The petitioner is proposing a variances as noted below:

1. Variation to allow a video gaming terminal establishment within 1,000 feet of a place of assembly and daycare.
2. Variation to allow a video gaming terminal establishment within 1,000 feet of an existing video gaming café restaurant/video gaming terminal establishment.

No summary was provided to determine the specifics of the proposed project, beyond the proposed site plan. If variances are being requested for these case, no evidence of meeting the required standards was provided. Staff has the following comments and concerns:

1. The Village of Downers Grove expressly prohibits Video Gaming throughout the Village with the exceptions as noted in VoDG Sec 3.33 Prohibited Activities On Licensed Premises.
2. The County of DuPage Ordinance specifically prohibits video gaming terminals within a certain distance of sensitive uses, such as schools, daycares and assembly uses.

The Village of Downers Grove does not recommend approval of the variances as they would not meet the Village requirements as stated above. Furthermore the County's Zoning Ordinance intentionally provides separation of video gaming terminals from sensitive uses such as schools, daycare or assembly uses. The Village is concerned what precedent this can create for similar requests in the future and the proximity of both uses. Furthermore, the Village is interested to understand if the affected school, daycare and assembly uses were contacted about the case.

The Village of Downers Grove asks DuPage County to deny the request since the proposed use would vary from the existing characteristics of the immediate neighborhood and zoning districts, in addition to the protections that are placed in the County Ordinance to separate the proposed use from schools, daycares and assembly uses. If I can be of further assistance, please do not hesitate to contact me.

COMMENTS:	
In our opinion, this request does not satisfy the variation standards, including hardship. This property is surrounded by the Village of Addison and is in close proximity to existing gaming establishments located along Lake Street, including across the street at 701 W. Lake Street, which is about 200 feet away. Further, this property is adjacent to single family residential located along Barry Avenue and on 2 nd Street.

MEMORANDUM OF UNDERSTANDING

This Agreement is entered into between the Midwest Renewable Energy Association (“MREA”) and DuPage County (“COUNTY”) and is effective as of January 13, 2026.

THE PROJECT

The Project is a Solar and Heat Pump Group Buy program, called Switch Together Chicagoland (“PROGRAM”). PROGRAM will provide homeowners and small businesses (“RESIDENTS”) who are interested in rooftop solar, battery energy storage systems, electric vehicle charging upgrades and heat pumps with the necessary support to reduce the cost and complexity of making these important investments for a clean energy transition. COUNTY will be one of MREA’s leadership partners for the PROGRAM, along with Cook, DuPage, Kane, Lake, and Will Counties and the City of Chicago.

MREA and Citizens Utility Board (“CUB”) will continue to administer the Program and manage public engagement including program website and public information sessions (i.e. Solar Power Hours).

MREA’s program implementation partner, iChoosr, holds a contract with solar and heat pump installers (selected through a competitive bid process), which outlines the scope of work and legal obligations of a qualified installer who wishes to participate in the Program. This contract requires the installer to adhere to the group pricing they proposed during the competitive bid process, subject to audit by the Program. The installer contract shall indemnify, defend, and hold harmless the MREA and any additional Program Team members and all the program partners (jurisdictions and local nonprofit organizations, if any), including COUNTY. However, nothing contained herein or in said installer contract(s) shall be construed as constituting a waiver of the COUNTY’s right to select counsel of its choice to defend the COUNTY in any claims filed against it. The installer contract shall provide for installer’s payment of all defense costs in such circumstances. Furthermore, nothing contained herein or in the installer contract(s) shall be construed as constituting a waiver of the COUNTY’s defenses or immunities under the Illinois Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1 *et seq.* The installer carries liability for the work they perform and minimum hardware and workmanship warranties are required of all participating installers. For each solar installation, each individual property owner enters into their own contract with the installer separately. Neither COUNTY, MREA, CUB or iChoosr shall be made a party or privy in the contract between the Resident and installers. There shall be no third-party beneficiaries to this Agreement.

MREA and CUB will strive to execute 3 group buys per year, with the first targeted to launch by January 21, 2026.

THE AGREEMENT

The following is an agreement between MREA, CUB and COUNTY with the goal of furthering the respective missions of both. MREA, CUB and COUNTY acknowledge that no contractual relationship is created by or between them by this MOU, but agree to work together collaboratively to provide united, visible and responsive leadership of the PROGRAM.

The following responsibilities will be shared by MREA and CUB, including but not limited to:

- Preparing requests for proposals, establishing requirements and qualifications for the solar and heat pump installers, including but not limited to: NABCEP certification, Master Electrician on staff, locally headquartered;
- Providing regular updates to advisory committee members;
- Developing presentations for PROGRAM;
- Developing and implementing a schedule of public information sessions;
- Creating promotional materials, which may include direct mail, posters, handbills, yard signs;
- Developing community partnerships to support program outreach efforts;
- Targeted social media advertising;
- Facilitating conference calls with program partners;
- If necessary, auditing proposals given to RESIDENTS by the solar installer;
- Drafting press releases and other materials that COUNTY can share directly via its own communication channels;
- Cultivating email contacts and sending regular informational and promotional emails;
- Developing local promotional partnerships with Solar Power Hour host venues and others.

To assist in facilitating a successful program, COUNTY will be expected to:

- Allow PROGRAM to utilize the name and logo of the COUNTY on a COUNTY reviewed and approved direct mailer to identify that the COUNTY supports the PROGRAM. COUNTY shall first be reviewed and approved by COUNTY in writing.
- Invite local stakeholders to join COUNTY, MREA and CUB as program partners;
- Provide staff for one to two seats on Advisory Committee, which will be our primary program contacts, including for approval of co-branded program marketing materials;
- Participate in program team meetings via teleconference, as needed;
- In place of securing public space for info sessions, help promote PROGRAM through local and social media, electronic newsletters, and/or other means, and help local jurisdictions and nonprofits similarly promote PROGRAM;

This MOU shall be and remain in effect beginning the date of COUNTY'S Countersignature for a period of one (1) year. This MOU may only be amended or renewed upon written agreement of the Parties.

Neither Party shall have any liability for failure to perform, or delay in performance, in any obligation hereunder caused by circumstances beyond the Party's reasonable control including, but not limited to, acts of God acts of nature, floods, fire, explosions, war or military mobilization, United States governmental action or inaction, request of governmental authority, delays of any kind in transportation or inability to obtain material or equipment, acts of other governments, strikes, or labor disturbances.

This MOU shall be governed by the laws of the State of Illinois, and any dispute arising hereunder shall be subject to the exclusive jurisdiction of the 18th Judicial Circuit Court, Wheaton, DuPage County, Illinois.

All parties may terminate this MOU for any reason with 30-days advance written notice. In the event that either party decides to terminate this MOU, both parties agree to provide their respective best efforts to complete any open or ongoing PROGRAM responsibilities as it pertains to RESIDENTS that may already be participating.

**SUBJECT: DuPage Pads Tenant-Based Rental Assistance Program FY2025 –
HM25-02b HOME Investment Partnerships (HOME) Program
Agreement**

On 12/02/2025, the HOME Advisory Group approved the following action.

Action Requested: The HOME Advisory Group approved this project at a conditional commitment level so that staff could prepare a HOME Investment Partnership (HOME) Program Agreement for the project. Staff recommends approval of the 2025 Program Year Agreement with DuPage Pads for project number HM25-02b, HOME Program Tenant-Based Rental Assistance (TBRA) Program in the amount of \$139,000.

Details: The TBRA provides ongoing rental assistance to eligible low-income formerly homeless clients in DuPage County. Through a collaboration with non-profit agencies and DuPage County, since 2016, DuPage County has been collaborating with non-profit agencies to provide low-income households with rental assistance to retain affordable rental housing throughout the DuPage County HOME Consortium.

DuPage Pads is requesting \$139,000.00 in HOME Investment Partnerships (HOME) Program funds to provide ongoing rental assistance to approximately 5-6 households annually. DuPage Pads request is based on historic annual spending with a monthly caseload between averaging 11 households. Due to the increased per-household rental costs, the estimated households to be served via the requested HOME funds is a conservative estimate. DuPage Pads is requesting existing allocated HOME funds from Program Year 2025 to be utilized over the next 12 months, which will overlap Program Years 2025 and 2026.

Underwriting Memo – DuPage Pads

Tenant Based Rental Assistance Program

1. Overview

The Tenant Based Rental Assistance Program provides ongoing rental assistance and case management including supportive services to eligible low-income formerly homeless clients in DuPage County. Since 2016, DuPage County has been collaborating with non-profit agencies to provide low-income households with rental assistance to retain affordable rental housing throughout the DuPage County HOME Consortium.

DuPage Pads is requesting \$139,000.00 in PY25 HOME funds to provide ongoing rental assistance to approximately 5-6 households annually. Each tenant receives rental assistance based on a formula resulting in the tenant paying no more than 30% of their monthly adjusted gross income. Each program participant's rent varies based on their income. In addition, a tenant may be recertified if they experience a significant increase and/or decrease in income. DuPage Pads request is based on historic annual spending with a monthly caseload averaging 11 households. Due to increased per-household rental costs, the number of households served with the requested HOME funding is expected to only support those 5-6 households referenced above. DuPage Pads is requesting existing allocated funds from Program Year 2025 to support the TBRA program over the next 12 months. The PY25 funding will serve eligible clients during program years 2025 and 2026.

2. Executive Summary

2.A Challenges / Opportunities Presented

CDC staff reviewed DuPage Pads funding request which corresponds with the number of tenants they intend to assist over the next year, which will overlap Program Years 2025 and 2026.. Historically, DuPage Pads has been an important partner in the County's efforts to assist eligible low-income homeless clients retain affordable housing. The Tenant Based Rental Assistance Program remains an important tool for low-income residents who could not otherwise afford housing within DuPage County. It is anticipated that this project will benefit 5-6 households over one program year, including families with children, single adults, and other vulnerable households with barriers to accessing housing without ongoing assistance and case management. The current rental market presents challenges for the low-income clients that the TBRA Program assists. One challenge is the increase in rental prices and simultaneous decrease in accessibility to affordable fair market units within DuPage County. It is not only difficult to find an affordable unit but to find a property manager or private landlord willing to work with clients who have barriers (i.e., poor credit, criminal history, fixed income, limited employment history, inconsistent rental history, etc.). Often, without ongoing rental assistance, these households would otherwise remain homeless, "doubled up", or rent burdened. TBRA ensures these most vulnerable clients have access to affordable housing, case management, and ongoing support as they either seek permanent affordable housing or gainful full-time employment.

2.B. Risks

Pertinent risk factors for this project are:

Market	Low There are 53 potentially eligible clients currently on a list to be assessed for TBRA as a housing intervention (<i>Coordinated Entry System clients scoring 6 – 8 via the VISPDAT</i>). According to the National Low Income Housing Coalition, The State of Illinois has a shortage of 293,767 affordable rental homes and 75% of low-income tenants are cost burdened. There is a great need for assistance to help low-income clients retain affordable housing.
Subrecipient	Low DuPage Pads has been a longstanding partner in administering a variety of client-based programs. They have been operating TBRA for nearly nine years.
Financing	Low DuPage Pads operates this program with HOME funds and will not exceed a client caseload that can be supported by year-over-year funds as they become available. DuPage Pads has several funding sources (federal, state, and private) which fund their staff who operate the program.
Underwriting Assumptions	Low Clients are assessed for eligibility and abide by a Self-Sufficiency plan which, in most cases, helps transition a client off assistance within 24 months.
Other	The proposed project presents a low, favorable risk profile and is recommended for approval.

3. Project Market

TBRA serves low-income formerly homeless DuPage County residents. This population includes low-income individuals and families who are currently residing in emergency shelter in DuPage County who have been prioritized for a housing intervention on the Homeless Management Information System (HMIS) Coordinated Entry System (CES). There are currently 53 clients (CES clients scoring 6 – 8 on VISPDAT) awaiting assessment for a housing intervention, which includes TBRA. Clients are contacted to complete an assessment and, if determined to meet the minimum requirements, are scheduled for an in-person appointment to complete the application process. Clients develop a Self-Sufficiency Plan (SSP) and encouraged to participate in monthly case management to meet goals outlined in the SSP. Case managers consistently engage clients with services throughout the County – money management, employment coaching, childcare assistance, etc. Clients exit the program successfully either when they obtain gainful full-time employment or permanent affordable housing (i.e., Housing Choice Voucher, subsidized senior housing, etc.).

4. Development Entity and Capacity

DuPage Pads has administered the TBRA Program since 2016 to low-income families and individuals seeking rental assistance throughout the DuPage County HOME Consortium. DuPage Pads employs a full-time Rapid Rehousing Case Manager, Rapid Rehousing Supervisor, and Director of Client Services to support the TBRA Program. In addition to HOME funds, which may only be used for staff time spent determining income eligibility for the TBRA

Program, Illinois Department of Human Services (IDHS) as well as unrestricted fundraising dollars support the TBRA Program.

5. Proposed Financial Structure

Each tenant receives rental assistance based on a formula resulting in the tenant paying no more than 30% of their monthly adjusted gross income. Each program participant's rent varies based on their income. In addition, a tenant may be recertified if they experience a significant increase and/or decrease in income which can result in a fluctuation of program costs. HOME funds the reimbursement of the agency's subsidized rental assistance portion. DuPage Pads estimates serving 5-6 households annually which will ensure the total costs do not exceed \$139,000.00 in a 12-month period.

6. Conclusion

The proposed project meets all Notice of Funding Available (NOFA), application requirements and has a favorable risk profile. The CDC staff recommendation is that the project be approved for a total of \$139,000.00 from PY25 HOME funds.

IX. SUSPENSION AND TERMINATION

- A. In accordance with 2 C.F.R. § 200.339, suspension or termination of this AGREEMENT may occur if the SUBRECIPIENT materially fails to comply with any term of the award. The award may also be terminated for convenience in accordance with 2 C.F.R. § 200.339.
- B. No action taken or withheld by the COUNTY under this paragraph shall relieve the SUBRECIPIENT of its liability to the COUNTY for any funds expended in violation of any of the terms of this AGREEMENT.

X. REMEDIES

- A. In the event of any violation or breach of this AGREEMENT by SUBRECIPIENT, misuse or misapplication of funds derived from this AGREEMENT by SUBRECIPIENT or any violation of any of the statutes, rules and regulations, directly or indirectly, by the SUBRECIPIENT and/or any of its agents or representatives, then SUBRECIPIENT, to the fullest extent

The SUBRECIPIENT shall have the right to contest the claim, in its own name or in the name of the COUNTY, with its consent, through all levels of any administrative proceedings or in any court of competent jurisdiction without any cost to the COUNTY. Upon any final adjudication, or upon any settlement agreed to between the SUBRECIPIENT and the Federal agency, the SUBRECIPIENT shall promptly pay any funds found due and owing.
- C. - D. If the COUNTY has lost or been prevented from receiving any federal funds, other than the funds for the PROJECT, as a result of any alleged violation subject to the remedy provisions hereof, the SUBRECIPIENT shall repay, upon demand by the COUNTY, such amount of HOME funding due, as a result of the alleged breach, and the SUBRECIPIENT may then pursue any remedy it may have in an appropriate forum in its own name or in the name of the COUNTY, subject to approval by the State's Attorney's Office, whichever is applicable.
- E. To the fullest extent allowed by law, the SUBRECIPIENT shall assume the defense of and shall pay, indemnify, and hold harmless COUNTY, its designees, and its employees from all suits, actions, claims, mechanics' liens, demands, damages, losses, expenses, and costs of every kind and description to which the COUNTY, its designees, and its employees may be subject by reason of any act or omission of SUBRECIPIENT, its agents or employees, in undertaking and performing under this AGREEMENT. DuPage County Tenant Based Rental Assistance Program (TBRA) – February 4, 2014

As amended: April 1, 2014

As amended: October 4, 2016

As amended: January 3, 2017

As amended: October 3, 2017

As amended: January 24, 2019

1. **Authority.**

- 24 CFR 92.205(a) Provision of tenant-based rental assistance, including security deposits (not to exceed two months' rent), is an eligible expense under the HOME program.
- 24 CFR 92.207(a)(5) Costs of administering tenant-based rental assistance program are eligible under the HOME program.
- 24 CFR 92.209 states eligible costs and requirements.

2. **Eligible Program Costs.** Rental assistance, security deposits, utility deposits, costs of inspecting the housing, costs of determining income eligibility of the family. HOME funds may provide security deposits, whether or not any other tenant-based rental assistance is provided. For the purpose of this section, "security deposit" refers to any up-front fee required by a landlord to process an application or move into a unit, including "administrative fees," "application fees," "move-in fees," or equivalent types of fees, in lieu of or in addition to a traditional "security deposit." whether or not such fee is classified as "security deposit" under any state or local statute, law, or ordinance. The total of all such fees and/or traditional "security deposit," may not exceed the equivalent of two-month's rent for the unit.

3. **Program Boundaries:** Assistance must be used within the boundaries of the DuPage HOME Consortium which as of February 2018 includes DuPage County, the Village of Downers Grove, the City of Naperville, and the City of Wheaton. However, this Consortium area may change during HUD's HOME Consortium requalification process, which occurs every three years.

4. **Tenant Selection.** All members of a family receiving assistance through TBRA must be U.S. citizens or resident aliens or meet very specific State Department exceptions. The DuPage County program will give preferences for homeless families. "Family" is defined in 24 CFR 5.403 and includes either single persons or groups of persons residing together (with or without children). Homeless shall be as defined as it is defined under the Emergency Solutions Grant (ESG) (Category 1 and Category 4) as stated below. The Continuum of Care (CoC) Coordinated Entry System (CES) prioritization list will be utilized to select tenants. The CES operates through the Homeless Management Information System (HMIS); the County will work with the CoC to provide a tenant selection process for any potential Subrecipient Agency which may be prohibited from entering clients into the HMIS. Full income eligibility intake and documentation of U.S. citizen or resident alien status must be completed before TBRA assistance is committed or given. Documentation of homeless status must also be completed if preference is being given on that basis.

ESG Definition of Homelessness: Category 1. An individual or family who lacks a fixed regular and adequate nighttime residence, meaning: (i) Individual or family has a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground; (ii) Individual or family is living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); (iii) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution

Category 4. Any individual or family who is fleeing; AND has no other residence; AND no resources AND lives in an emergency shelter or other place described in Category 1 above.

Participants who are on a Housing Choice Voucher Program (HCV; formerly Section 8) wait list at entry into TBRA will be assisted by case managers to ensure they maintain their status on the wait list. The family will provide their new address to the corresponding Public Housing Authority (PHA) and continue to monitor the wait list in the event that a Housing Choice Voucher becomes available to them.

5. **Income Eligibility.** Families must be determined to be income eligible prior to receiving assistance. The “Part 5” method of income qualification will be utilized. At least two months of source documentation are required to determine income. Families’ income cannot exceed 50% of the median family income (MFI) for DuPage County, as promulgated by HUD from time to time, at initial occupancy. Income must be recertified annually if family is receiving ongoing TBRA. If a family’s income is greater than 80% MFI at any recertification, the TBRA assistance will cease.
6. **The CPD Income Eligibility** Calculator will be used to determine/verify the Annual Income and the Adjusted Gross Income for each household requesting assistance. The anticipated household income is to be projected for the coming 12-month period.
7. **Expectation of Family.** A family shall contribute 30% of its adjusted monthly income (minus utility allowance) to the rental payment commencing with month two of the lease, with a minimum tenant contribution of \$25.00 (minus utility allowance; however, negative outcome of this formula will not be refunded to the family). First month’s rent may be paid entirely through TBRA, (when that amount is within the maximum subsidy limit for that household), as families often need a month to accumulate sufficient funds to begin to meet this expectation and it would not be intent of this program to keep a family unhoused longer than necessary. If a family’s income is equal to or greater than 80% MFI at any recertification, the TBRA assistance will cease. Families must participate in a self-sufficiency program through the Subrecipient Agency handling its case. If a family fails to continue in the self-sufficiency program, their TBRA assistance will not be renewed. DuPage County will work with Subrecipient Agencies to develop a TBRA Self-Sufficiency Program plan.

8. **Program Operation.** DuPage County will operate the program through Subrecipient Agencies that are members of the DuPage CoC that have both the capacity to operate a rental program and the ability to provide the particular types of nonmandatory services that are appropriate for homeless families. The Subrecipient Agency shall make rental and security deposit payments directly to the owner of the unit on behalf of the family, in accordance with the terms of the lease, and receive reimbursement from DuPage County under the terms of its subrecipient agreement. Each lease must be held in the name of the tenant, but the subrecipient agency must also have an agreement for rental assistance with the owner. The term of the initial rental assistance contract will be for twelve (12) months, but may be renewed, subject to the availability of HOME funds and continuing eligibility. The term of the contract must begin on the first day of the term of the lease and terminate upon termination of the lease. If a tenant receives notice of the availability of a HCV, the Subrecipient Agency will work with the Landlord to transition the lease agreement from a TBRA contract to a DuPage Housing Authority (DHA) Housing Assistance Payment (HAP) contract.
9. **Leases and Rents.** Leases entered into by TBRA assisted families must comply with the tenant protection requirements of the HOME program and must be approved by DuPage County. Leases will be reviewed using the TBRA Lease Requirements form in compliance with 24 CFR 92.253. Rents must be reasonable, based on rents charged for comparable unassisted rental units and may not exceed the standard set by the DuPage Housing Authority for its Housing Choice Voucher Program, based on number of bedrooms. However, up to 110% of the rent standard may be applied for 20% of the program participants when a Request for Unit Specific Rent Payment Standard is approved by DuPage County. The general occupancy standard for DHA HCV is one bedroom for the head of household and 2 persons per bedroom after that. This may be varied by DuPage County with specific request by the Subrecipient Agency.

Maximum Subsidy. The amount of the monthly assistance that may be paid on behalf of a family may not exceed the difference between the Small Area Fair Market Rent Standard (SAFMRS) for the unit size as established by HUD and adopted by DuPage Housing Authority, and 30% of the family's monthly adjusted income. The CPD Income Calculator Rental Assistance Calculation Rental Voucher Model will be used to determine/verify the maximum subsidy and 30% of the family's monthly adjusted income. Note: the tenant payment may exceed 30% of the family's monthly adjusted income depending on the unit selection, though the maximum subsidy remains as calculated according to the formula.
10. **Housing Standards.** Requirements of 24 CFR 982.401 apply. Unit must pass a Housing Quality Standards (HQS) inspection at initial inspection and annual reinspection for units where family continues to receive ongoing TBRA. Should a client issue a complaint that local codes/HQS are not being met, the Subrecipient Agency will advocate for the client and if necessary, request DuPage County to re-inspect the unit.
11. **Subrecipient Agencies.** Any agency that is a member of the DuPage CoC that is currently receiving CDBG or ESG funds through DuPage Community Development Commission may apply to participate as a Subrecipient Agency under the DuPage County TBRA program. Acceptance into the program will be based on the agency's ability to demonstrate through its completion of an application process that it can provide the types of nonmandatory services that are appropriate for homeless families, will abide by the terms of the DuPage County TBRA Self-

Sufficiency Program, has the capacity to hold clients accountable to the terms of the DuPage County TBRA Self-Sufficiency Program, and has the capacity to operate a rental program (including financial capacity). Approval to participate does not guarantee that there will be sufficient funding available to operate the TBRA program through multiple agencies. If a family selected from the wait list already has case management or services history with a Subrecipient Agency under the DuPage County TBRA program, management of that family's case will be handled by that agency.

12. **Denial and/or Termination Process:** All assistance provided under TBRA is subject to eligibility requirements and program guidelines. Final decisions regarding admittance into the program or non-continuation will be relayed in writing, to the household, by the Subrecipient Agency. The Subrecipient Agency will provide, when appropriate, referrals and resources.

A formal separation process will, at a minimum, consist of the following:

- Written notice which includes date of termination, reason for termination, opportunity for appeal, and, if appropriate, any helpful resources to assist the participating household to maintain housing stability.
- Opportunity to appeal – Participating households which are selected for non-continuation are entitled to request a review of the decision by the Subrecipient Agency with the opportunity to present oral or written objections before a person other than the person (or a subordinate of the person) who made or approved the termination decision. Final decisions regarding the appeal will be provided promptly in writing.

13. **HMIS.** Subrecipient Agencies will report in accordance with the terms of the Subrecipient Agreement. This will include reporting required in the HMIS, unless the Subrecipient Agency is prohibited from entering clients into HMIS (e.g. agencies whose primary mission is to serve victims of domestic violence) and maintains an equivalent database that will be able to meet any HUD required reporting standards.

DuPage County

Tenant Based Rental Assistance (TBRA)

Self-Sufficiency Program

Introduction

The goal of TBRA Program is provide rental assistance, security deposits and supportive services to assist homeless individuals and families in achieving self-sufficiency (herein referred to as “Participant(s)”). TBRA Program rental assistance will be provided with funds received by DuPage County (“County”) under the HOME Investment Partnerships Program (HOME) through the U.S. Department of Housing and Urban Development (“HUD”). TBRA funds and program policies will be administered through agencies that have entered into a Subrecipient Agreement with County (each referred to as “Agency”). . Each subrecipient agency administering the TBRA funds will develop a self-sufficiency program plan for each client receiving TBRA assistance to provide the greatest possible support for TBRA participants’ success.

Case Management

Agency Case Managers will take the lead in working with participants. The purpose of case management will be to assist participants in enrolling in mainstream benefits and to engage participants in eviction prevention strategies and may include, but not be limited to:

- Assessment of participant’s health, welfare, education, employment and, if applicable, children’s needs
- Determination of individual goals
- Development of an individualized action plan to help the participant meet his or her needs, solve problems or achieve goals
- Provision of support in-house or referral to community resources and services to achieve objective in the action plan
- Ongoing interaction with the participant and outside resources in the coordination of action plan activities
- Periodic re-evaluation of the participants’ needs and goals and modification of action plan to respond to the current situation
- Advocacy to help the participant obtain services or benefits to which they are entitled
- Intervention during a crisis (i.e., job loss, substance abuse, family violence) to prevent a problem from escalating
- Empowerment of the participant by help them improve coping skills and increase knowledge of community resources and how to use them
- Follow-up to ensure that the participant continues to progress toward meeting needs, solving problems or achieving goals that were identified

Agency Case Managers will assist participants with the TBRA Program application and required documentation to determine income eligibility for the program. The Case Manager, with participant

cooperation and input, will develop a Self-Sufficiency Program plan. The Plan will explicitly outline the goals of the Participant, the immediate and measurable steps to be taken, by whom and in what time frame and the role of the Case Manager in attaining these goals. To ensure that Plans are useful, the Participant will actively participate in the development of the Plan including meeting with a Case Manager, if required under the terms of that Participant's plan.

Independent Living and Employment Skills Training

Participants must be engaged in learning the skills they need to live independently. Each Participant's Plan will include independent living and employment skills training, based on Participant's needs. Such training may include, but not be limited to:

- Housekeeping
- Fire prevention and safety
- Money management
- Household management
- Landlord/tenant issues
- Food and nutrition
- Basic home repair
- How to access social services
- Parenting
- Employment readiness

Only Participant(s) who have fulfilled their obligations under the individual Self-Sufficiency Program plan, who continue to be income eligible for the program, and who have fulfilled their obligations under the TBRA Tenant Agreement will be eligible to apply for recertification and renewal of assistance after the termination of the initial or current period of assistance.

Reporting

As part of periodic outcomes reporting, Agency Case Managers will submit compliance documentation to DuPage County, in the monthly progress reports. Agencies will indicate which Participants are ***compliant*** with Self-Sufficiency Program plans after sixty days of assistance and ninety days prior to the expiration of the Participant's lease. Changes in household income, household composition, or indicators of housing instability may result in DuPage County requesting additional reporting documentation.

DUPAGE COUNTY CONSORTIUM EMERGENCY TRANSFER PLAN
FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, AND STALKING

DuPage County, by and through its Community Services Department, Community Development Commission (CDC) (collectively, the “County”) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act of 1994, as amended (“VAWA”), the County allows any tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. VAWA protections are not limited to women. Victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex (including perceived or actual sexual orientation or gender identity), familial status, disability, or age. HUD-assisted and HUD-insured housing must also be made available to all otherwise eligible individuals and families regardless of age, or actual or perceived gender identity, sexual orientation, or marital status.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance regarding safety and security. The plan is based on Federal regulations at 24 Code of Federal Regulations (CFR) part 5, subpart L, related program regulations, and the model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD). HUD is the Federal agency that oversees that relevant housing programs within the DuPage County Consortium area are in compliance with VAWA.

Relevant HUD programs for the County are: (i) the HOME Investment Partnerships (HOME) program, (ii) the Emergency Solutions Grants (ESG) program, and (iii) the Continuum of Care (CoC) program (collectively, “HUD Programs”). For purposes of this Plan, eligible housing within DuPage County, and eligible housing located within the DuPage County Consortium area, that is supported by funding provided through any of these three HUD Programs, shall be called “HUD Program-Supported Housing.”

Definitions

- **HUD Program-Supported Housing Provider** means Developer, Owner, and/or Sponsor of HOME-assisted properties, and ESG and CoC delegate agencies.
- **Eligible Person** refers to someone residing in HUD Program-Supported Housing who is a victim of domestic violence, dating violence, sexual assault, or stalking, or an affiliated individual as those terms are defined in the VAWA Implementing Regulations.
- **External Emergency Transfer** refers to an emergency relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is, the tenant must undergo an application process in order to reside in the new unit.
- **Internal Emergency Transfer** refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.
- **Safe Unit** refers to a unit that the victim of VAWA violence/abuse believes is safe.
- **VAWA violence/abuse** means an incident or incidents of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in 24 CFR 5.2003 and “Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking” (Form HUD-5382).

DuPage County and the CDC are not landlords, nor do they operate any HUD Program-Supported

Housing directly. Therefore, the County will undertake the following actions under this Plan, however, nothing in this Plan is intended to supersede any eligibility or other occupancy requirements that may apply under any individual HUD Program-Supported Housing program.

This plan may be amended, from time to time, by the County.

Eligibility for Emergency Transfers

A tenant, even those not in good standing, may seek an emergency transfer to another unit if they or their household member is a victim of VAWA violence/abuse, as outlined in the *Notice of Occupancy Rights Under the Violence Against Women Act*, Form HUD-5380. This emergency transfer plan provides further information on emergency transfers, and the County must provide a copy if requested.

HUD-Program Supported Housing Providers may ask for submission of a written request for an emergency transfer, such as form HUD-5383, to certify eligibility for the emergency transfer.

A Tenant is eligible for an emergency transfer if:

1. The tenant (or their household member) is a victim of VAWA violence/abuse;
2. The tenant expressly requests the emergency transfer; **AND**
3. **EITHER**
 - a. The tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if they (or their household member) stays in the same dwelling unit; **OR**
 - b. If the tenant (or their household member) is a victim of sexual assault, either the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or their household member) were to stay in the unit, or the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

The County and HUD-Program Supported Housing Providers, in response to an emergency transfer request, will not evaluate whether the tenant (Eligible Person) is in good standing with the HUD Program-Supported Housing as part of the assessment or provision of an emergency transfer. Whether or not a tenant is in good standing does not impact their ability to request an emergency transfer under VAWA.

Assisting HUD Program-Supported Housing Providers in Fulfilling Their VAWA Responsibilities

The County, through its contractual relationships with HUD Program-Supported Housing Providers, such as the Developers, Owners and/or Sponsors of HOME-assisted properties and ESG and CoC delegate agencies, will undertake to assist them in fulfilling their VAWA responsibilities generally. This will include:

- Adding requisite text concerning VAWA, including changes to tenant lease addenda and lease bifurcation text, to delegate agency agreements, HOME regulatory agreements, and the like;
- Ensuring that HUD Program-Supported Housing Providers give priority to Eligible Persons who qualify for an emergency transfer over other categories of tenants seeking transfers and individuals seeking placement on waiting lists;
- Maintaining a list of HOME-assisted units and making the list available to HUD Program-Supported Housing Providers and/or tenants requesting an emergency transfer;
- Seeking confirmation that covered housing providers have an emergency transfer plan in place, and that

they have provided all required VAWA information to all appropriate tenants and applicants; and collecting from covered housing providers all information that the County is required to collect under the implementing regulations.

To ensure that the County can meet these responsibilities, each HUD Program-Supported Housing provider must communicate with the County regarding VAWA compliance within its program. On an annual basis or when requested, typically during monitoring, HUD Program-Supported Housing providers must share the information included above, including any individualized Emergency Transfer Plan for the program, updated leasing documents, any tenant selection plan or other tenant prioritization plan, and any de-identified data regarding VAWA compliance as required under the law.

Emergency Transfer Policies

The County requires HUD Program-Supported Housing Providers to act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit.

When the HUD Program-Supported Housing provider reviews the Eligible Person's transfer request, it will inquire and document where the Eligible Person believes it would be reasonable and safe to transfer to.

Upon receipt of an Eligible Person's full request to emergency transfer, absent any conflicting or missing information, the HUD Program-Supported Housing provider will approve or disapprove the Eligible Person's request within five business days.

Upon approving a request for emergency transfer, the HUD Program-Supported Housing provider will attempt to identify an alternative dwelling unit or placement, exhausting all resources available. The HUD Program-Supported Housing provider will confirm whether it has available internal units (utilizing the resources available through the current program or other programs that are County-funded within its housing portfolio) within five business days and communicate with the Eligible Person to determine if any of the available units are safe and reasonable to move to. If the unit is a safe unit for the Eligible Person, the HUD Program-Supported Housing provider will coordinate with its staff and the Eligible Person to coordinate the emergency transfer. If a HUD Program-Supported Housing provider identifies an available unit and the Eligible Person believes that unit would not be safe, they may request a transfer to a different unit.

To request an emergency transfer, the Eligible Person should follow the procedures listed for the particular HUD Program that provides the Eligible Person's housing. Information specific to each program should also be listed in the Eligible Person's lease and/or notice for reference. Please also see the Emergency Transfer Request Documentation section below.

An Eligible Person who requests an emergency transfer due to VAWA violence/abuse is considered a high-priority transfer and HUD Program-Supported Housing providers should make all attempts to expedite the move process. Eligible Persons who qualify for an emergency transfer under VAWA will be given priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists. HUD Program-Supported Housing providers should update their Tenant Selection Plans and other property-specific documents to be consistent with this definition and process for an internal transfer.

HUD Program-Supported Housing providers should provide copies of the document(s) that identify the

positions responsible for reviewing and approving emergency transfer requests, facilitating the emergency transfer process, and ensuring that VAWA requests are kept confidential and separate from main tenant files. HUD Program-Supported Housing providers should also be sure to account for staff turnover and rule changes by providing regular updates to tenants when the above positions change. HUD Program-Supported Housing providers will update these documents with the County annually, or whenever the position or policies surrounding emergency transfers changes.

Internal Transfers – When a Safe Unit is Immediately Available

If an Eligible Person requests an internal transfer, defined in this Plan as a transfer to any available and appropriate unit that the Eligible Person identifies as safe within the HUD Program-Supported Housing provider's property portfolio, the HUD Program-Supported Housing provider will facilitate the provision of VAWA protections for the Eligible Person as set out in the program-specific regulations below.

The County directs HUD Program-Supported Housing providers to treat emergency transfers within its housing portfolio, or another unit funded by the HUD Program-Supported Housing, as an internal transfer, where an Eligible Person will not be treated as a new applicant and will follow the timeline and procedures identified within this Plan. Even for these internal transfers, an Eligible Person may need to complete a housing application, sign a new lease, or complete other essential documentation to relocate to a new unit. However, they will not be treated as a new applicant, have to undergo an application process, and/or be added to a waitlist.

Internal Transfers – When a Safe Unit is Not Immediately Available

If an Eligible Person requests an internal transfer, defined in this Plan as a transfer to any available and appropriate unit that the Eligible Person identifies as safe within the HUD Program-Supported Housing provider's property portfolio, but the HUD Program-Supported Housing Provider does not have a safe unit available, the HUD Program-Supported Housing Provider shall give the Eligible Person priority over all others when the next unit becomes available. The HUD Program-Supported Housing Provider shall notify the County that no internal emergency transfer is available.

If the Eligible Person wishes to move forward with an external transfer in lieu of waiting for the next available unit to become available for an internal transfer, the HUD Program-Supported Housing Provider will support an external transfer for the Eligible Person, as outline below under "External Transfers".

The County recognizes an Eligible Person's right to choose a unit that is safe to them. The County is aware that nothing precludes an Eligible Person from seeking an internal emergency transfer and an external emergency transfer concurrently if a safe unit is not immediately available.

External Transfers

If the HUD Program-Supported Housing provider cannot transfer an Eligible Person within their property portfolio within a reasonable timeframe, or the available unit is not deemed safe by the Eligible Person, it will support the Eligible Person in connecting with an external transfer, as described within the procedures herein. HUD Program-Supported Housing providers will not penalize an Eligible Person requiring an external emergency transfer with any unlawful fees or penalties in relation to their required move and will comply with all federal, state, and local protections for survivors of VAWA violence/abuse, including the Illinois Safe Homes Act, the Fair Housing Act, and the Illinois Human Rights Act.

For external transfers, the HUD Program-Supported Housing provider cannot guarantee the timeframe in

which a new unit will be available beyond the Emergency Transfer Plan's requirement that the HUD Program-Supported Housing provider attempt to identify a new unit as quickly as possible. However, the HUD Program-Supported Housing provider should respond to the transfer request within five business days to update the Eligible Person on the process and anticipated time frame.

HUD Program-Supported Housing Provider's will provide Eligible Person's with referrals to community partners and assist in identifying external affordable housing options, which may be done, in part, through utilization of the County's 211 system. Outreach will also be made to Family Shelter Services of Metropolitan Family Services DuPage and other organizations aiding victims of domestic violence, dating violence, sexual assault, or stalking.

VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. HUD Program-Supported Housing Providers may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Transfer Plan Procedures for each HUD Program-Supported Housing Program
HOME Investment Partnerships (HOME) Program:

If an Eligible Person in a HOME-assisted unit seeks VAWA protections under 24 CFR § 92.359, the request may be made through the Eligible Person's housing or facility owner, or manager. The owner of HOME-assisted rental housing must provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) described in 24 CFR 5.2005(a) to applicants and tenants upon admission or denied admission to a HOME-assisted unit, and with any notification of eviction from a HOME-assisted unit.

DuPage County operates a HOME Tenant-Based Rental Assistance (TBRA) program through Subrecipient agencies which are also HUD Program-Supported Housing Providers. These Subrecipient HUD Program-Supported Housing Providers must similarly provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) described in 24 CFR 5.2005(a) to applicants and tenants for HOME TBRA when HOME TBRA rental assistance is approved or denied, with notification of termination of HOME TBRA, and with any notification of eviction.

These VAWA provisions do not supersede eligibility or other occupancy requirements that may apply. The HUD Program-Supported Housing Provider may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Solutions Grant (ESG) Program

If an Eligible Person in an ESG program seeks VAWA protections under 24 CFR § 576.409, the request may be made through the housing owners, or Eligible Person's ESG recipient or subrecipient administering ESG rental assistance, or HUD Program-Supported Housing Provider.

The recipient or subrecipient of ESG must provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) described in 24 CFR 5.2005(a) to applicants and tenants when denied ESG rental assistance, when an application for a unit receiving project-based rental assistance is denied, when ESG rental assistance begins to be received, upon notification of termination of ESG rental assistance, and upon notification of eviction.

As of the drafting of this Plan, the County nor its ESG subrecipient's provide ESG funding in the form of project-based rental assistance. If a tenant resides in a project-based rental assistance unit and a safe unit is not immediately available for an internal emergency transfer, the tenant shall have priority over all other applicants for tenant-based rental assistance, utility assistance, and units for which project-based rental assistance is provided.

If a household receives tenant-based rental assistance and must separate because of an emergency transfer and if the non-transferring family members were on the original lease, then they will continue to receive tenant-based rental assistance, for which they are eligible. If a household receives tenant-based rental assistance and must separate because of an emergency transfer and if the non-transferring family members were not on the original lease, then they may apply for ESG tenant-based rental assistance but will not receive any priority.

These VAWA provisions do not supersede eligibility or other occupancy requirements that may apply. The HUD Program-Supported Housing Provider may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Continuum of Care (CoC)

The CoC has adopted this DuPage County Consortium Emergency Transfer Plan, and recipients and subrecipients in the CoC must follow this plan. If an Eligible Person in a CoC program seeks VAWA protections under 24 CFR § 578.99(j), the request may be made through the owner or landlord, recipient, or subrecipient of CoC program funding.

For CoC-assisted housing arrangements, the Eligible Person or family shall have priority over all other applicants for rental assistance, transitional housing, and permanent supportive housing projects funded under the CoC program, provided that: the Eligible Person or family meets all eligibility criteria by Federal law or regulation or HUD NOFA; and the Eligible Person or family meets any additional criteria or preferences established in accordance with 24 CFR 578.93(b)(1), (4), (6), or (7). The Eligible Person or family shall not be required to meet any other eligibility criteria or preferences for the project. The Eligible Person or family shall retain their original homeless or chronically homeless status for the purposes of the transfer.

The CoC recipient must provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) to applicants and tenants upon denial of permanent or transitional housing, upon admission to permanent or transitional housing, upon notification of eviction, and upon notification of termination of assistance.

If a family who is receiving tenant-based rental assistance separates to effect an emergency transfer, the family's tenant-based rental assistance and any utility assistance shall continue for the family member(s) who are not evicted or removed. If a family living in permanent supportive housing separates and the family's eligibility for the housing was based on the evicted individual's disability or chronically homeless status, the remaining tenants may stay in the project as provided under § 578.75(j). Otherwise, if a family living in a project funded under this part separates under 24 CFR 5.2009(a), the remaining tenant(s) will be eligible to remain in the project.

These VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. The HUD Program-Supported Housing Provider may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify staff of their HUD Program-Supported Housing Provider, which includes staff on-site at the property. Staff shall immediately notify the Eligible Person of their right to an emergency transfer by making available a copy of the HUD-5383 *Emergency Transfer Request for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking*, in the primary language of the tenant. If the HUD Program-Supported Housing Provider does not already have documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, the HUD Program-Supported Housing Provider may ask for this documentation in accordance with 24 CFR 5.2007. Unless the HUD Program-Supported Housing Provider receives documentation that contains conflicting information, as described in 24 CFR 5.2007(b)(2), the HUD Program-Supported Housing Provider cannot require third-party documentation to determine status as a VAWA victim for emergency transfer eligibility. The HUD Program-Supported Housing Provider will provide reasonable accommodations to this policy for individuals with disabilities.

The tenant's written request for an emergency transfer must include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or household member) stays in the same dwelling unit; OR
2. In the case of a tenant (or household member) who is a victim of sexual assault, **either** a statement that the tenant reasonably believes there is a threat of imminent harm from further violence or trauma if the tenant (or household member stays in the same dwelling unit), **or** a statement that the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when the assault occurred.

Form HUD-5383 *Emergency Transfer Request for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking* may be used for making a written request for an emergency transfer.

The HUD Program-Supported Housing Provider may request, in writing, documentation of VAWA violence or abuse. It is at the discretion of the tenant what documentation to provide. The tenant shall have a minimum of 14 days to provide documentation. The HUD Program-Supported Housing Provider is in no way required to request documentation. The following are acceptable forms of documentation:

- Form HUD-5382 *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation*, which asks your name and the perpetrator's name (if known and safe to provide);
- A document signed by a victim service provider, attorney, mental health professional, or medical professional who has helped the tenant address the VAWA violence/abuse. The professional must state "under penalty of perjury" that he/she/they believe in the occurrence of the incident of VAWA violence/abuse and that it is covered by VAWA. Both the tenant and the professional must sign the statement;
- A police, administrative, or court record (such as a protective order) that shows the tenant (or a household member) are a victim of VAWA violence/abuse; or
- If permitted by the HUD Program-Supported Housing Provider, a statement or other evidence provided by the tenant.

Priority for Transfers

Due to the urgent safety risks involved in VAWA violence/abuse, Eligible Persons who qualify for an emergency transfer under VAWA will be given priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists. These priorities are also noted above under the

Emergency Transfer Procedures section.

Confidentiality

If a tenant inquires about or requests any VAWA protections or represents that they or a household member are a victim of VAWA violence/abuse entitled to VAWA protections, the HUD Program-Supported Housing Provider and/or County must keep any information they provide concerning the VAWA violence/abuse, their request for an emergency transfer, and their or a household member's status as a victim strictly confidential. This information should be securely and separately kept from tenant files. All the information provided by or on behalf of the tenant to support an emergency transfer request, including information on the *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking* (HUD-5382) and the *Emergency Transfer Request for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking* (HUD-5383) (collectively referred to as "Confidential Information") may only be accessed by the HUD Program-Supported Housing Provider and/or County employees or contractors if explicitly authorized by the HUD Program-Supported Housing Provider and/or County for reasons that specifically call for those individuals to have access to that information under applicable Federal, State, or local law.

Confidential information must not be entered into any shared database or disclosed to any other entity or individual, except if:

- Written permission by the victim in a time-limited release;
- Required for use in an eviction proceeding or hearing regarding termination of assistance; or
- Otherwise required by applicable law.

In addition, HUD's VAWA regulations require emergency transfer plans to provide strict confidentiality measures to ensure that the location of the victim's dwelling unit is never disclosed to a person who committed or threatened to commit the VAWA violence/abuse. Accordingly, for tenant-based subsidies provided by HUD Program-Supported Housing, providers must also maintain confidentiality and consider safety risks and concerns in communicating with landlords working with their program.

Emergency Transfer Procedure

The County and HUD Program-Supported Housing Providers cannot specify how long it will take from the time a transfer request is approved until the tenant can be placed in a new, safe unit. HUD Program-Supported Housing Providers will, however, act as quickly as possible to assist a tenant who qualifies for an emergency transfer. If a HUD Program-Supported Housing Provider identifies an available unit and the tenant believes that unit would not be safe, the tenant may request a transfer to a different unit. HUD Program-Supported Housing Providers may be unable to transfer a tenant and their household to a particular unit if the tenant and their household have not established or cannot establish eligibility for that unit.

If HUD Program-Supported Housing Providers do not have any safe and available units for which the tenant is eligible, HUD Program-Supported Housing Providers will assist the tenant in identifying other covered housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HUD Program-Supported Housing Providers will also assist the tenant in contacting the local organizations offering assistance to victims of VAWA violence/abuse that are referenced in this plan.

Making the Emergency Transfer Plan Available

The County will make this Emergency Transfer Plan available upon request and publicly available as part

of the CDC's Policy Manual, which can be found on the County's website:

https://www.dupagecounty.gov/government/departments/community_services/municipalities_and_non-profits/community_development_commission/policy_groups_meetings_and_manual.php

Upon request, reasonable accommodations will be provided to ensure effective communication with individuals with disabilities. This Emergency Transfer Plan and referenced HUD forms will be made available in alternative accessible forms for persons with disabilities, upon request. VAWA forms will also be available in languages outlined in the County's Language Access Plan.

Safety and Security of Tenants

When HUD Program-Supported Housing Providers receives any inquiry or request regarding an emergency transfer, the HUD Program-Supported Housing Provider will encourage the person making the inquiry or request to take all reasonable precautions to be safe, including seeking guidance and assistance from a victim service provider. However, tenants are not required to receive guidance or assistance from a victim service provider. For additional information on VAWA and to find help in your area, visit <https://www.hud.gov/vawa>.

**SUBJECT: Catholic Charities Tenant-Based Rental Assistance Program FY2025 –
HM25-02a HOME Investment Partnerships (HOME) Program
Agreement**

On 12/02/2025, the HOME Advisory Group approved the following action.

Action Requested: The HOME Advisory Group approved this project at a conditional commitment level so that staff could prepare a HOME Investment Partnership (HOME) Program Agreement for the project. Staff recommends approval of the 2025 Program Year Agreement with Catholic Charities for project number HM25-02a, HOME Program Tenant-Based Rental Assistance (TBRA) Program in the amount of \$204,000.

Details: The TBRA provides ongoing rental assistance to eligible low-income formerly homeless clients in DuPage County. Through a collaboration with non-profit agencies and DuPage County, since 2016, DuPage County has been collaborating with non-profit agencies to provide low-income households with rental assistance to retain affordable rental housing throughout the DuPage County HOME Consortium.

Catholic Charities is requesting \$204,000.00 in HOME Investment Partnerships (HOME) Program funds to provide ongoing rental assistance to approximately 15 households annually. Catholic Charities' request is based on historic annual spending with a monthly caseload between averaging 15 households. Catholic Charities is requesting existing allocated HOME funds from Program Year 2025 to be utilized over the next 12 months, which will overlap Program Years 2025 and 2026.

Underwriting Memo – Catholic Charities, Diocese of Joliet

Tenant Based Rental Assistance Program

1. Overview

The Tenant-Based Rental Assistance (TBRA) Program provides ongoing rental assistance and case management including supportive services to eligible low-income formerly homeless clients in DuPage County. Since 2016, DuPage County has been collaborating with non-profit agencies to provide low-income households with rental assistance to retain affordable rental housing throughout the DuPage County HOME Consortium.

Catholic Charities is requesting \$204,000.00 in PY25 HOME funds to provide ongoing rental assistance to approximately 15 households annually. Each tenant receives rental assistance based on a formula resulting in the tenant paying no more than 30% of their monthly adjusted gross income. Each program participant's rent varies based on their income. In addition, a tenant may be recertified if they experience a significant increase and/or decrease in income. Catholic Charities' request is based on historic annual spending with a monthly caseload averaging 15 households. Catholic Charities is requesting existing allocated funds from Program Year 2025 to support the TBRA program over the next 12 months. The PY25 funding will serve eligible clients during program years 2025 and 2026.

2. Executive Summary

2.A Challenges / Opportunities Presented

CDC staff reviewed Catholic Charities' funding request which corresponds with the number of tenants they intend to assist over the next year, which will overlap Program Years 2025 and 2026.. Historically, Catholic Charities has been an important partner in the County's efforts to assist eligible low-income homeless clients retain affordable housing. The TBRA Program remains an important tool for low-income residents who could not otherwise afford housing within DuPage County. It is anticipated that this project will benefit 15 households over one program year, most being single with barriers to accessing housing without ongoing assistance and case management. The current rental market presents challenges for the low-income clients that the TBRA Program assists. One challenge is the increase in rental prices and simultaneous decrease in accessibility to affordable fair market units within DuPage County. It is not only difficult to find an affordable unit but to find a property manager or private landlord willing to work with clients who have barriers (i.e., poor credit, criminal history, fixed income, limited employment history, inconsistent rental history, etc.). Often, without ongoing rental assistance, these households would otherwise remain homeless, "doubled up", or rent burdened. TBRA ensures these most vulnerable clients have access to affordable housing, case management, and ongoing support as they either seek permanent affordable housing or gainful full-time employment.

2.B. Risks

Pertinent risk factors for this project are:

Market	Low There are 53 potentially eligible clients currently on a list to be assessed for TBRA as a housing intervention (<i>Coordinated Entry System clients scoring 6 – 8 via VISPDAT</i>). According to the National Low Income Housing Coalition, The State of Illinois has a shortage of 293,767 affordable rental homes and 75% of low-income tenants are cost burdened. There is a great need for assistance to help low-income clients retain affordable housing.
Subrecipient	Low Catholic Charities has been a longstanding partner in administering a variety of client-based programs. They have been operating the TBRA Program for nearly nine years.
Financing	Low Catholic Charities operates this program with HOME funds and will not exceed a client caseload that can be supported by year-over-year funds as they become available. Catholic Charities has several funding sources (federal, state, and private) which fund their staff who operate the program.
Underwriting Assumptions	Low Clients are assessed for eligibility and abide by a Self-Sufficiency plan which, in most cases, helps transition a client off assistance within 24 months.
Other	The proposed project presents a low, favorable risk profile and is recommended for approval.

3. Project Market

TBRA serves low-income formerly homeless DuPage County residents. This population includes low-income individuals and families who are currently residing in emergency shelter in DuPage County who have been prioritized for a housing intervention on the Homeless Management Information System (HMIS) Coordinated Entry System (CES). There are currently 53 clients (CES clients scoring 6 – 8 on VISPDAT) awaiting assessment for a housing intervention, which includes TBRA. Clients are contacted to complete an assessment and, if determined to meet the minimum requirements, are scheduled for an in-person appointment to complete the application process. Clients develop a Self-Sufficiency Plan (SSP) and encouraged to participate in monthly case management to meet goals outlined in the SSP. Case managers consistently engage clients with services throughout the County – money management, employment coaching, childcare assistance, etc. Clients exit the program successfully either when they obtain gainful full-time employment or permanent affordable housing (i.e., Housing Choice Voucher, subsidized senior housing, etc.).

4. Development Entity and Capacity

Catholic Charities has administered the TBRA Program since 2016 to low-income families and individuals seeking rental assistance throughout the DuPage County HOME Consortium. Catholic Charities employs a full-time Rapid Re-Housing Case Manager and Housing Navigator, as well as a full-time Emergency Services Supervisor and Community Services Director, which oversee the program administration. Funding to support the full-time case manager includes HOME TBRA funds, which may only be used for time spent determining income eligibility for

the TBRA Program, PY2025 CDBG public service funds, and United Way and DuPage Foundation funding. The full-time Housing Navigator position is also supported with PY2025 CDBG public service funding. The other two full-time staff are funded with other sources within the agency.

5. Proposed Financial Structure

Each tenant receives rental assistance based on a formula resulting in the tenant paying no more than 30% of their monthly adjusted gross income. Each program participant's rent varies based on their income. In addition, a tenant may be recertified if they experience a significant increase and/or decrease in income which can result in a fluctuation of program costs. HOME funds the reimbursement of the agency's subsidized rental assistance portion. Catholic Charities estimates serving 15 households annually which will ensure the total costs do not exceed \$204,000.00 in a 12-month period.

6. Conclusion

The proposed project meets all Notice of Funding Available (NOFA), application requirements and has a favorable risk profile. The CDC staff recommendation is that the project be approved for a total of \$204,000.00 from PY25 HOME funds.

- X. SUBRECIPIENT cannot use grant funding in a manner that by design or effect facilitates the subsidization or promotion of illegal immigration or shields illegal aliens from deportation, including by maintaining policies or practices that materially impede enforcement of federal immigration statutes and regulations, if applicable.
- Y. SUBRECIPIENT must use Systematic Alien Verification for Entitlements (SAVE), or an equivalent verification system approved by the Federal government, to prevent any Federal public benefit from being provided to an ineligible alien who entered the United States illegally or is otherwise unlawfully present in the United States, if applicable.

VII. COUNTY'S OBLIGATION TO PROSECUTE AGREEMENT

- A. COUNTY shall forthwith file all applicable documents and shall comply with all applicable rules and regulations to secure a release of funds for the PROJECT.
- B. After the COUNTY has received notification that funds for the PROJECT have been released by HUD, the SUBRECIPIENT shall be authorized to begin the PROJECT so long as the PROJECT remains in compliance with the HOME Program and this AGREEMENT.

VIII. RECORDS & REPORTS

- A. SUBRECIPIENT authorizes CDC, COUNTY, HUD, and the Comptroller General of the United States to conduct on-site reviews, to examine, inspect, and audit the SUBRECIPIENT'S records and to conduct any other procedures or practices to assure compliance with the provisions of this AGREEMENT upon demand.
- B. At the request of CDC or COUNTY, the SUBRECIPIENT shall furnish immediately, if required by the Comptroller General, otherwise within three (3) business days of such request, such reports, budgets, certifications and other documents required pursuant to federal, state, or COUNTY rules, regulations and policies that are applicable to the PROJECT and shall give specific answers to questions from the COUNTY, from time to time, relative to the SUBRECIPIENT'S contracts and operations in connection with the PROJECT, and shall submit all required information to show compliance with applicable laws, rules and regulations, as specified in this AGREEMENT.
- C. SUBRECIPIENT shall, each year as long as the PROJECT remains in effect, provide CDC with an audit conducted by an independent Certified Public Accountant that includes the funds contained in this PROJECT. SUBRECIPIENT is also required to meet any single audit requirements of the Federal Office of Management and Budget.
- D. SUBRECIPIENT shall maintain family and assistance records for this PROJECT in the DuPage Homeless Management Information System (HMIS).
- E. SUBRECIPIENT shall provide a Monthly Progress Report to CDC, reporting on the status of the PROJECT in relation to the PROJECT target dates. The Progress Reports shall begin upon the signing of this AGREEMENT and shall continue until the PROJECT is able to be closed in HUD's Integrated Disbursement and Information System (IDIS).
- F. If requested, SUBRECIPIENT shall submit each year to CDC an annual report of the status of the PROJECT in a form prescribed by CDC, or at the request of CDC from time to time if necessary to meet HOME reporting requirements. SUBRECIPIENT will comply with all requests for information and with requests for on-site inspections of books, records, and units.
- G. SUBRECIPIENT shall maintain the following records:
 - 1. For a period of five years after a family completes their assistance: records pertaining to the tenancy of each household occupying the PROJECT, including a copy of the lease showing the rent charged and those records that demonstrate that the household was income eligible.

2. For a period of five years after each year of the PROJECT: Documentation that SUBRECIPIENT has followed the required tenant selection plan.
3. For a period of five years after each year of the PROJECT: Documentation of all activities undertaken in connection with SUBRECIPIENT'S outreach for the PROJECT.
4. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the five-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular five-year period, whichever is later.
5. SUBRECIPIENT shall cooperate with the COUNTY to facilitate the maintenance of any and all other financial records as requested by the COUNTY for the length of time requested, as may be required by 24 CFR Part 92.

IX. SUSPENSION AND TERMINATION

- A. In accordance with 2 C.F.R. § 200.339, suspension or termination of this AGREEMENT may occur if the SUBRECIPIENT materially fails to comply with any term of the award. The award may also be terminated for convenience in accordance with 2 C.F.R. § 200.339.
- B. During the implementation of the PROJECT, COUNTY may terminate this AGREEMENT or may suspend payment of HOME funds to SUBRECIPIENT for SUBRECIPIENT'S breach of the AGREEMENT, abandonment of the PROJECT or occurrence rendering impossible the performance by SUBRECIPIENT of this AGREEMENT. COUNTY may also suspend payments of HOME funding due to use of funds in a manner unrelated to SUBRECIPIENT 'S performing the PROJECT, failure by SUBRECIPIENT in submitting supporting information or documentation for a claim, submission by SUBRECIPIENT of incorrect or incomplete reports, or SUBRECIPIENT 'S suspension of its pursuit of the PROJECT.
- C. In the event COUNTY elects to terminate this AGREEMENT or to suspend payments, for any reason stated hereinabove in paragraph A and B of this Section IX, or to exercise its remedies under Section X, Paragraph D hereof, it shall notify the SUBRECIPIENT in writing of such action, specifying the particular deficiency, at least five (5) business days in advance of any such action and establishing a time (not less than 30 days) and a place for the SUBRECIPIENT to refute the alleged deficiency at a time prior to COUNTY'S taking such action. After allowing the SUBRECIPIENT the opportunity to refute or correct the alleged deficiency, if the alleged deficiency continues to exist, in the reasonable opinion of the COUNTY, the COUNTY may withhold payment to the PROJECT until such time as the violation or breach is remedied. No action taken or withheld by the COUNTY under this paragraph shall relieve the SUBRECIPIENT of its liability to the COUNTY for any funds expended in violation of any of the terms of this AGREEMENT.

X. REMEDIES

- A. In the event of any violation or breach of this AGREEMENT by SUBRECIPIENT, misuse or misapplication of funds derived from this AGREEMENT by SUBRECIPIENT or any violation of any of the statutes, rules and regulations, directly or indirectly, by the SUBRECIPIENT and/or any of its agents or representatives, then SUBRECIPIENT, to the fullest extent

permitted by law, agrees to indemnify, and hold the COUNTY harmless from any requirement to repay to HUD the HOME funding received by SUBRECIPIENT for this PROJECT or penalties and expenses, including attorneys' fees and other costs of litigation, resulting from such action or omission by SUBRECIPIENT. All counsel employed by the SUBRECIPIENT to defend the COUNTY pursuant to this AGREEMENT shall first be approved by the DuPage County State's Attorney. The SUBRECIPIENT does not hereby waive any defenses or immunity available to it with respect to third parties.

- B. In the event HUD, or any other federal agency, makes any claim which would give rise to invoking the remedy provisions, as set forth in this Section X, then the COUNTY or SUBRECIPIENT shall immediately notify the other party, in writing, providing the full details of the alleged violation. The SUBRECIPIENT shall have the right to contest the claim, in its own name or in the name of the COUNTY, with its consent, through all levels of any administrative proceedings or in any court of competent jurisdiction without any cost to the COUNTY. Upon any final adjudication, or upon any settlement agreed to between the SUBRECIPIENT and the Federal agency, the SUBRECIPIENT shall promptly pay any funds found due and owing.
- C. As long as the COUNTY is not in jeopardy of losing any other Federal funding, of any kind or description, as a result of the alleged breach, the SUBRECIPIENT shall have complete right to settle or compromise any claim and to pay any judgment to the federal government, so long as COUNTY is indemnified.
- D. If the COUNTY has lost or been prevented from receiving any federal funds, other than the funds for the PROJECT, as a result of any alleged violation subject to the remedy provisions hereof, the SUBRECIPIENT shall repay, upon demand by the COUNTY, such amount of HOME funding due, as a result of the alleged breach, and the SUBRECIPIENT may then pursue any remedy it may have in an appropriate forum in its own name or in the name of the COUNTY, subject to approval by the State's Attorney's Office, whichever is applicable.
- E. To the fullest extent allowed by law, the SUBRECIPIENT shall assume the defense of and shall pay, indemnify, and hold harmless COUNTY, its designees, and its employees from all suits, actions, claims, mechanics' liens, demands, damages, losses, expenses, and costs of every kind and description to which the COUNTY, its designees, and its employees may be subject by reason of any act or omission of SUBRECIPIENT, its agents or employees, in undertaking and performing under this AGREEMENT. All litigation activity is subject to approval by the State's Attorney's Office. The SUBRECIPIENT does not hereby waive any defenses or immunity available to it with respect to third parties.

XI. MISCELLANEOUS PROVISIONS

- A. AMENDMENTS – Any proposed change in this AGREEMENT shall be submitted to the other party for prior approval. No modifications, additions, deletions, or the like, to this AGREEMENT shall be effective unless and until such changes are executed in writing by the authorized officers of each party. SUBRECIPIENT acknowledges that HUD may from time to time issue updated guidance regarding the HOME program that may require amendment of this AGREEMENT and agrees to cooperate with COUNTY in making such amendment.
- B. SUBJECT TO FINANCIAL ASSISTANCE AGREEMENT - This AGREEMENT is made

subject to financial assistance agreements between the COUNTY and the United States Department of Housing and Urban Development, with the rights and remedies of the parties hereto being in accordance with this AGREEMENT.

- C. ASSIGNMENT - SUBRECIPIENT shall not assign this AGREEMENT or any part thereof, nor shall SUBRECIPIENT transfer or assign any property or assets acquired using HOME funding or claims due or to become due hereunder, without the written approval of the COUNTY having first been obtained. The contracting or subcontracting of construction work on the PROPERTIES does not constitute an assignment.
- D. ATTORNEY'S OPINION - SUBRECIPIENT shall provide an opinion of its attorney, in a form reasonably satisfactory to the State's Attorney's Office, that all steps necessary to adopt this AGREEMENT, in a manner binding upon SUBRECIPIENT, have been taken by SUBRECIPIENT.
- E. SEVERABILITY - In the event any provision of this AGREEMENT shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.
- F. AGREEMENT DURATION - Unless terminated by the COUNTY pursuant to the terms of this AGREEMENT, the AGREEMENT will terminate on January 13, 2027, except that the provisions related to record keeping shall survive termination and remain in effect for five (5) years from the date of completion of the PROJECT in HUD's Integrated Disbursement and Information System (IDIS).
- G. NO PARTNERSHIP – Nothing contained in this AGREEMENT, any mortgage, note or any other document or instrument related to this PROJECT shall be deemed to create a joint venture, partnership relationship, or employer/employee relationship between the COUNTY and SUBRECIPIENT. SUBRECIPIENT shall at all times remain an “independent contractor” with respect to the services to be performed under this Agreement.
- H. COUNTY shall provide, upon request, copies of all laws, regulations, statutes, orders, and OMB Circulars cited in this AGREEMENT, or internet links to such.

IN WITNESS WHEREOF, the parties hereto have executed this AGREEMENT on the dates recited below to be effective on the date executed by the COUNTY.

DuPage County Tenant Based Rental Assistance Program (TBRA) – February 4, 2014

As amended: April 1, 2014

As amended: October 4, 2016

As amended: January 3, 2017

As amended: October 3, 2017

As amended: January 24, 2019

1. **Authority.**

- 24 CFR 92.205(a) Provision of tenant-based rental assistance, including security deposits (not to exceed two months' rent), is an eligible expense under the HOME program.
- 24 CFR 92.207(a)(5) Costs of administering tenant-based rental assistance program are eligible under the HOME program.
- 24 CFR 92.209 states eligible costs and requirements.

2. **Eligible Program Costs.** Rental assistance, security deposits, utility deposits, costs of inspecting the housing, costs of determining income eligibility of the family. HOME funds may provide security deposits, whether or not any other tenant-based rental assistance is provided. For the purpose of this section, "security deposit" refers to any up-front fee required by a landlord to process an application or move into a unit, including "administrative fees," "application fees," "move-in fees," or equivalent types of fees, in lieu of or in addition to a traditional "security deposit." whether or not such fee is classified as "security deposit" under any state or local statute, law, or ordinance. The total of all such fees and/or traditional "security deposit," may not exceed the equivalent of two-month's rent for the unit.

3. **Program Boundaries:** Assistance must be used within the boundaries of the DuPage HOME Consortium which as of February 2018 includes DuPage County, the Village of Downers Grove, the City of Naperville, and the City of Wheaton. However, this Consortium area may change during HUD's HOME Consortium requalification process, which occurs every three years.

4. **Tenant Selection.** All members of a family receiving assistance through TBRA must be U.S. citizens or resident aliens or meet very specific State Department exceptions. The DuPage County program will give preferences for homeless families. "Family" is defined in 24 CFR 5.403 and includes either single persons or groups of persons residing together (with or without children). Homeless shall be as defined as it is defined under the Emergency Solutions Grant (ESG) (Category 1 and Category 4) as stated below. The Continuum of Care (CoC) Coordinated Entry System (CES) prioritization list will be utilized to select tenants. The CES operates through the Homeless Management Information System (HMIS); the County will work with the CoC to provide a tenant selection process for any potential Subrecipient Agency which may be prohibited from entering clients into the HMIS. Full income eligibility intake and documentation of U.S. citizen or resident alien status must be completed before TBRA assistance is committed or given. Documentation of homeless status must also be completed if preference is being given on that basis.

ESG Definition of Homelessness: Category 1. An individual or family who lacks a fixed regular and adequate nighttime residence, meaning: (i) Individual or family has a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground; (ii) Individual or family is living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); (iii) An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution

Category 4. Any individual or family who is fleeing; AND has no other residence; AND no resources AND lives in an emergency shelter or other place described in Category 1 above.

Participants who are on a Housing Choice Voucher Program (HCV; formerly Section 8) wait list at entry into TBRA will be assisted by case managers to ensure they maintain their status on the wait list. The family will provide their new address to the corresponding Public Housing Authority (PHA) and continue to monitor the wait list in the event that a Housing Choice Voucher becomes available to them.

5. **Income Eligibility.** Families must be determined to be income eligible prior to receiving assistance. The “Part 5” method of income qualification will be utilized. At least two months of source documentation are required to determine income. Families’ income cannot exceed 50% of the median family income (MFI) for DuPage County, as promulgated by HUD from time to time, at initial occupancy. Income must be recertified annually if family is receiving ongoing TBRA. If a family’s income is greater than 80% MFI at any recertification, the TBRA assistance will cease.
6. **The CPD Income Eligibility** Calculator will be used to determine/verify the Annual Income and the Adjusted Gross Income for each household requesting assistance. The anticipated household income is to be projected for the coming 12-month period.
7. **Expectation of Family.** A family shall contribute 30% of its adjusted monthly income (minus utility allowance) to the rental payment commencing with month two of the lease, with a minimum tenant contribution of \$25.00 (minus utility allowance; however, negative outcome of this formula will not be refunded to the family). First month’s rent may be paid entirely through TBRA, (when that amount is within the maximum subsidy limit for that household), as families often need a month to accumulate sufficient funds to begin to meet this expectation and it would not be intent of this program to keep a family unhoused longer than necessary. If a family’s income is equal to or greater than 80% MFI at any recertification, the TBRA assistance will cease. Families must participate in a self-sufficiency program through the Subrecipient Agency handling its case. If a family fails to continue in the self-sufficiency program, their TBRA assistance will not be renewed. DuPage County will work with Subrecipient Agencies to develop a TBRA Self-Sufficiency Program plan.

8. **Program Operation.** DuPage County will operate the program through Subrecipient Agencies that are members of the DuPage CoC that have both the capacity to operate a rental program and the ability to provide the particular types of nonmandatory services that are appropriate for homeless families. The Subrecipient Agency shall make rental and security deposit payments directly to the owner of the unit on behalf of the family, in accordance with the terms of the lease, and receive reimbursement from DuPage County under the terms of its subrecipient agreement. Each lease must be held in the name of the tenant, but the subrecipient agency must also have an agreement for rental assistance with the owner. The term of the initial rental assistance contract will be for twelve (12) months, but may be renewed, subject to the availability of HOME funds and continuing eligibility. The term of the contract must begin on the first day of the term of the lease and terminate upon termination of the lease. If a tenant receives notice of the availability of a HCV, the Subrecipient Agency will work with the Landlord to transition the lease agreement from a TBRA contract to a DuPage Housing Authority (DHA) Housing Assistance Payment (HAP) contract.
9. **Leases and Rents.** Leases entered into by TBRA assisted families must comply with the tenant protection requirements of the HOME program and must be approved by DuPage County. Leases will be reviewed using the TBRA Lease Requirements form in compliance with 24 CFR 92.253. Rents must be reasonable, based on rents charged for comparable unassisted rental units and may not exceed the standard set by the DuPage Housing Authority for its Housing Choice Voucher Program, based on number of bedrooms. However, up to 110% of the rent standard may be applied for 20% of the program participants when a Request for Unit Specific Rent Payment Standard is approved by DuPage County. The general occupancy standard for DHA HCV is one bedroom for the head of household and 2 persons per bedroom after that. This may be varied by DuPage County with specific request by the Subrecipient Agency.

Maximum Subsidy. The amount of the monthly assistance that may be paid on behalf of a family may not exceed the difference between the Small Area Fair Market Rent Standard (SAFMRS) for the unit size as established by HUD and adopted by DuPage Housing Authority, and 30% of the family's monthly adjusted income. The CPD Income Calculator Rental Assistance Calculation Rental Voucher Model will be used to determine/verify the maximum subsidy and 30% of the family's monthly adjusted income. Note: the tenant payment may exceed 30% of the family's monthly adjusted income depending on the unit selection, though the maximum subsidy remains as calculated according to the formula.
10. **Housing Standards.** Requirements of 24 CFR 982.401 apply. Unit must pass a Housing Quality Standards (HQS) inspection at initial inspection and annual reinspection for units where family continues to receive ongoing TBRA. Should a client issue a complaint that local codes/HQS are not being met, the Subrecipient Agency will advocate for the client and if necessary, request DuPage County to re-inspect the unit.
11. **Subrecipient Agencies.** Any agency that is a member of the DuPage CoC that is currently receiving CDBG or ESG funds through DuPage Community Development Commission may apply to participate as a Subrecipient Agency under the DuPage County TBRA program. Acceptance into the program will be based on the agency's ability to demonstrate through its completion of an application process that it can provide the types of nonmandatory services that are appropriate for homeless families, will abide by the terms of the DuPage County TBRA Self-

Sufficiency Program, has the capacity to hold clients accountable to the terms of the DuPage County TBRA Self-Sufficiency Program, and has the capacity to operate a rental program (including financial capacity). Approval to participate does not guarantee that there will be sufficient funding available to operate the TBRA program through multiple agencies. If a family selected from the wait list already has case management or services history with a Subrecipient Agency under the DuPage County TBRA program, management of that family's case will be handled by that agency.

12. **Denial and/or Termination Process:** All assistance provided under TBRA is subject to eligibility requirements and program guidelines. Final decisions regarding admittance into the program or non-continuation will be relayed in writing, to the household, by the Subrecipient Agency. The Subrecipient Agency will provide, when appropriate, referrals and resources.

A formal separation process will, at a minimum, consist of the following:

- Written notice which includes date of termination, reason for termination, opportunity for appeal, and, if appropriate, any helpful resources to assist the participating household to maintain housing stability.
- Opportunity to appeal – Participating households which are selected for non-continuation are entitled to request a review of the decision by the Subrecipient Agency with the opportunity to present oral or written objections before a person other than the person (or a subordinate of the person) who made or approved the termination decision. Final decisions regarding the appeal will be provided promptly in writing.

13. **HMIS.** Subrecipient Agencies will report in accordance with the terms of the Subrecipient Agreement. This will include reporting required in the HMIS, unless the Subrecipient Agency is prohibited from entering clients into HMIS (e.g. agencies whose primary mission is to serve victims of domestic violence) and maintains an equivalent database that will be able to meet any HUD required reporting standards.

EXHIBIT B

DuPage County

Tenant Based Rental Assistance (TBRA)

Self-Sufficiency Program

Introduction

The goal of TBRA Program is provide rental assistance, security deposits and supportive services to assist homeless individuals and families in achieving self-sufficiency (herein referred to as “Participant(s)”). TBRA Program rental assistance will be provided with funds received by DuPage County (“County”) under the HOME Investment Partnerships Program (HOME) through the U.S. Department of Housing and Urban Development (“HUD”). TBRA funds and program policies will be administered through agencies that have entered into a Subrecipient Agreement with County (each referred to as “Agency”). . Each subrecipient agency administering the TBRA funds will develop a self-sufficiency program plan for each client receiving TBRA assistance to provide the greatest possible support for TBRA participants’ success.

Case Management

Agency Case Managers will take the lead in working with participants. The purpose of case management will be to assist participants in enrolling in mainstream benefits and to engage participants in eviction prevention strategies and may include, but not be limited to:

- Assessment of participant’s health, welfare, education, employment and, if applicable, children’s needs
- Determination of individual goals
- Development of an individualized action plan to help the participant meet his or her needs, solve problems or achieve goals
- Provision of support in-house or referral to community resources and services to achieve objective in the action plan
- Ongoing interaction with the participant and outside resources in the coordination of action plan activities
- Periodic re-evaluation of the participants’ needs and goals and modification of action plan to respond to the current situation
- Advocacy to help the participant obtain services or benefits to which they are entitled
- Intervention during a crisis (i.e., job loss, substance abuse, family violence) to prevent a problem from escalating
- Empowerment of the participant by help them improve coping skills and increase knowledge of community resources and how to use them
- Follow-up to ensure that the participant continues to progress toward meeting needs, solving problems or achieving goals that were identified

Agency Case Managers will assist participants with the TBRA Program application and required documentation to determine income eligibility for the program. The Case Manager, with participant

cooperation and input, will develop a Self-Sufficiency Program plan. The Plan will explicitly outline the goals of the Participant, the immediate and measurable steps to be taken, by whom and in what time frame and the role of the Case Manager in attaining these goals. To ensure that Plans are useful, the Participant will actively participate in the development of the Plan including meeting with a Case Manager, if required under the terms of that Participant's plan.

Independent Living and Employment Skills Training

Participants must be engaged in learning the skills they need to live independently. Each Participant's Plan will include independent living and employment skills training, based on Participant's needs. Such training may include, but not be limited to:

- Housekeeping
- Fire prevention and safety
- Money management
- Household management
- Landlord/tenant issues
- Food and nutrition
- Basic home repair
- How to access social services
- Parenting
- Employment readiness

Only Participant(s) who have fulfilled their obligations under the individual Self-Sufficiency Program plan, who continue to be income eligible for the program, and who have fulfilled their obligations under the TBRA Tenant Agreement will be eligible to apply for recertification and renewal of assistance after the termination of the initial or current period of assistance.

Reporting

As part of periodic outcomes reporting, Agency Case Managers will submit compliance documentation to DuPage County, in the monthly progress reports. Agencies will indicate which Participants are ***compliant*** with Self-Sufficiency Program plans after sixty days of assistance and ninety days prior to the expiration of the Participant's lease. Changes in household income, household composition, or indicators of housing instability may result in DuPage County requesting additional reporting documentation.

LEASE ADDENDUM

VIOLENCE AGAINST WOMEN AND JUSTICE DEPARTMENT REAUTHORIZATION ACT OF 2005

TENANT	LANDLORD	UNIT NO. & ADDRESS
--------	----------	--------------------

This lease addendum adds the following paragraphs to the Lease between the above referenced Tenant and Landlord.

Purpose of the Addendum

The lease for the above referenced unit is being amended to include the provisions of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA).

Conflicts with Other Provisions of the Lease

In case of any conflict between the provisions of this Addendum and other sections of the Lease, the provisions of this Addendum shall prevail.

Term of the Lease Addendum

The effective date of this Lease Addendum is _____. This Lease Addendum shall continue to be in effect until the Lease is terminated.

VAWA Protections

1. The Landlord may not consider incidents of domestic violence, dating violence or stalking as serious or repeated violations of the lease or other "good cause" for termination of assistance, tenancy or occupancy rights of the victim of abuse.
2. The Landlord may not consider criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse.
3. The Landlord may request in writing that the victim, or a family member on the victim's behalf, certify that the individual is a victim of abuse and that the Certification of Domestic Violence, Dating Violence or Stalking, Form HUD-91066, or other documentation as noted on the certification form, be completed and submitted within 14 business days, or an agreed upon extension date, to receive protection under the VAWA. Failure to provide the certification or other supporting documentation within the specified timeframe may result in eviction.

Exhibit F
DUPAGE COUNTY CONSORTIUM EMERGENCY TRANSFER PLAN
FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, AND STALKING

DuPage County, by and through its Community Services Department, Community Development Commission (CDC) (collectively, the “County”) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act of 1994, as amended (“VAWA”), the County allows any tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. VAWA protections are not limited to women. Victims cannot be discriminated against on the basis of any protected characteristic, including race, color, national origin, religion, sex (including perceived or actual sexual orientation or gender identity), familial status, disability, or age. HUD-assisted and HUD-insured housing must also be made available to all otherwise eligible individuals and families regardless of age, or actual or perceived gender identity, sexual orientation, or marital status.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance regarding safety and security. The plan is based on Federal regulations at 24 Code of Federal Regulations (CFR) part 5, subpart L, related program regulations, and the model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD). HUD is the Federal agency that oversees that relevant housing programs within the DuPage County Consortium area are in compliance with VAWA.

Relevant HUD programs for the County are: (i) the HOME Investment Partnerships (HOME) program, (ii) the Emergency Solutions Grants (ESG) program, and (iii) the Continuum of Care (CoC) program (collectively, “HUD Programs”). For purposes of this Plan, eligible housing within DuPage County, and eligible housing located within the DuPage County Consortium area, that is supported by funding provided through any of these three HUD Programs, shall be called “HUD Program-Supported Housing.”

Definitions

- **HUD Program-Supported Housing Provider** means Developer, Owner, and/or Sponsor of HOME-assisted properties, and ESG and CoC delegate agencies.
- **Eligible Person** refers to someone residing in HUD Program-Supported Housing who is a victim of domestic violence, dating violence, sexual assault, or stalking, or an affiliated individual as those terms are defined in the VAWA Implementing Regulations.
- **External Emergency Transfer** refers to an emergency relocation of a tenant to another unit where the tenant would be categorized as a new applicant; that is, the tenant must undergo an application process in order to reside in the new unit.
- **Internal Emergency Transfer** refers to an emergency relocation of a tenant to another unit where the tenant would not be categorized as a new applicant; that is, the tenant may reside in the new unit without having to undergo an application process.
- **Safe Unit** refers to a unit that the victim of VAWA violence/abuse believes is safe.
- **VAWA violence/abuse** means an incident or incidents of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in 24 CFR 5.2003 and “Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking” (Form HUD-5382).

DuPage County and the CDC are not landlords, nor do they operate any HUD Program-Supported

Housing directly. Therefore, the County will undertake the following actions under this Plan, however, nothing in this Plan is intended to supersede any eligibility or other occupancy requirements that may apply under any individual HUD Program-Supported Housing program.

This plan may be amended, from time to time, by the County.

Eligibility for Emergency Transfers

A tenant, even those not in good standing, may seek an emergency transfer to another unit if they or their household member is a victim of VAWA violence/abuse, as outlined in the *Notice of Occupancy Rights Under the Violence Against Women Act*, Form HUD-5380. This emergency transfer plan provides further information on emergency transfers, and the County must provide a copy if requested.

HUD-Program Supported Housing Providers may ask for submission of a written request for an emergency transfer, such as form HUD-5383, to certify eligibility for the emergency transfer.

A Tenant is eligible for an emergency transfer if:

1. The tenant (or their household member) is a victim of VAWA violence/abuse;
2. The tenant expressly requests the emergency transfer; **AND**
3. **EITHER**
 - a. The tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if they (or their household member) stays in the same dwelling unit; **OR**
 - b. If the tenant (or their household member) is a victim of sexual assault, either the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or their household member) were to stay in the unit, or the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when that assault occurred.

The County and HUD-Program Supported Housing Providers, in response to an emergency transfer request, will not evaluate whether the tenant (Eligible Person) is in good standing with the HUD Program-Supported Housing as part of the assessment or provision of an emergency transfer. Whether or not a tenant is in good standing does not impact their ability to request an emergency transfer under VAWA.

Assisting HUD Program-Supported Housing Providers in Fulfilling Their VAWA Responsibilities

The County, through its contractual relationships with HUD Program-Supported Housing Providers, such as the Developers, Owners and/or Sponsors of HOME-assisted properties and ESG and CoC delegate agencies, will undertake to assist them in fulfilling their VAWA responsibilities generally. This will include:

- Adding requisite text concerning VAWA, including changes to tenant lease addenda and lease bifurcation text, to delegate agency agreements, HOME regulatory agreements, and the like;
- Ensuring that HUD Program-Supported Housing Providers give priority to Eligible Persons who qualify for an emergency transfer over other categories of tenants seeking transfers and individuals seeking placement on waiting lists;
- Maintaining a list of HOME-assisted units and making the list available to HUD Program-Supported Housing Providers and/or tenants requesting an emergency transfer;
- Seeking confirmation that covered housing providers have an emergency transfer plan in place, and that

they have provided all required VAWA information to all appropriate tenants and applicants; and collecting from covered housing providers all information that the County is required to collect under the implementing regulations.

To ensure that the County can meet these responsibilities, each HUD Program-Supported Housing provider must communicate with the County regarding VAWA compliance within its program. On an annual basis or when requested, typically during monitoring, HUD Program-Supported Housing providers must share the information included above, including any individualized Emergency Transfer Plan for the program, updated leasing documents, any tenant selection plan or other tenant prioritization plan, and any de-identified data regarding VAWA compliance as required under the law.

Emergency Transfer Policies

The County requires HUD Program-Supported Housing Providers to act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit.

When the HUD Program-Supported Housing provider reviews the Eligible Person's transfer request, it will inquire and document where the Eligible Person believes it would be reasonable and safe to transfer to.

Upon receipt of an Eligible Person's full request to emergency transfer, absent any conflicting or missing information, the HUD Program-Supported Housing provider will approve or disapprove the Eligible Person's request within five business days.

Upon approving a request for emergency transfer, the HUD Program-Supported Housing provider will attempt to identify an alternative dwelling unit or placement, exhausting all resources available. The HUD Program-Supported Housing provider will confirm whether it has available internal units (utilizing the resources available through the current program or other programs that are County-funded within its housing portfolio) within five business days and communicate with the Eligible Person to determine if any of the available units are safe and reasonable to move to. If the unit is a safe unit for the Eligible Person, the HUD Program-Supported Housing provider will coordinate with its staff and the Eligible Person to coordinate the emergency transfer. If a HUD Program-Supported Housing provider identifies an available unit and the Eligible Person believes that unit would not be safe, they may request a transfer to a different unit.

To request an emergency transfer, the Eligible Person should follow the procedures listed for the particular HUD Program that provides the Eligible Person's housing. Information specific to each program should also be listed in the Eligible Person's lease and/or notice for reference. Please also see the Emergency Transfer Request Documentation section below.

An Eligible Person who requests an emergency transfer due to VAWA violence/abuse is considered a high-priority transfer and HUD Program-Supported Housing providers should make all attempts to expedite the move process. Eligible Persons who qualify for an emergency transfer under VAWA will be given priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists. HUD Program-Supported Housing providers should update their Tenant Selection Plans and other property-specific documents to be consistent with this definition and process for an internal transfer.

HUD Program-Supported Housing providers should provide copies of the document(s) that identify the

positions responsible for reviewing and approving emergency transfer requests, facilitating the emergency transfer process, and ensuring that VAWA requests are kept confidential and separate from main tenant files. HUD Program-Supported Housing providers should also be sure to account for staff turnover and rule changes by providing regular updates to tenants when the above positions change. HUD Program-Supported Housing providers will update these documents with the County annually, or whenever the position or policies surrounding emergency transfers changes.

Internal Transfers – When a Safe Unit is Immediately Available

If an Eligible Person requests an internal transfer, defined in this Plan as a transfer to any available and appropriate unit that the Eligible Person identifies as safe within the HUD Program-Supported Housing provider's property portfolio, the HUD Program-Supported Housing provider will facilitate the provision of VAWA protections for the Eligible Person as set out in the program-specific regulations below.

The County directs HUD Program-Supported Housing providers to treat emergency transfers within its housing portfolio, or another unit funded by the HUD Program-Supported Housing, as an internal transfer, where an Eligible Person will not be treated as a new applicant and will follow the timeline and procedures identified within this Plan. Even for these internal transfers, an Eligible Person may need to complete a housing application, sign a new lease, or complete other essential documentation to relocate to a new unit. However, they will not be treated as a new applicant, have to undergo an application process, and/or be added to a waitlist.

Internal Transfers – When a Safe Unit is Not Immediately Available

If an Eligible Person requests an internal transfer, defined in this Plan as a transfer to any available and appropriate unit that the Eligible Person identifies as safe within the HUD Program-Supported Housing provider's property portfolio, but the HUD Program-Supported Housing Provider does not have a safe unit available, the HUD Program-Supported Housing Provider shall give the Eligible Person priority over all others when the next unit becomes available. The HUD Program-Supported Housing Provider shall notify the County that no internal emergency transfer is available.

If the Eligible Person wishes to move forward with an external transfer in lieu of waiting for the next available unit to become available for an internal transfer, the HUD Program-Supported Housing Provider will support an external transfer for the Eligible Person, as outline below under "External Transfers".

The County recognizes an Eligible Person's right to choose a unit that is safe to them. The County is aware that nothing precludes an Eligible Person from seeking an internal emergency transfer and an external emergency transfer concurrently if a safe unit is not immediately available.

External Transfers

If the HUD Program-Supported Housing provider cannot transfer an Eligible Person within their property portfolio within a reasonable timeframe, or the available unit is not deemed safe by the Eligible Person, it will support the Eligible Person in connecting with an external transfer, as described within the procedures herein. HUD Program-Supported Housing providers will not penalize an Eligible Person requiring an external emergency transfer with any unlawful fees or penalties in relation to their required move and will comply with all federal, state, and local protections for survivors of VAWA violence/abuse, including the Illinois Safe Homes Act, the Fair Housing Act, and the Illinois Human Rights Act.

For external transfers, the HUD Program-Supported Housing provider cannot guarantee the timeframe in

which a new unit will be available beyond the Emergency Transfer Plan's requirement that the HUD Program-Supported Housing provider attempt to identify a new unit as quickly as possible. However, the HUD Program-Supported Housing provider should respond to the transfer request within five business days to update the Eligible Person on the process and anticipated time frame.

HUD Program-Supported Housing Provider's will provide Eligible Person's with referrals to community partners and assist in identifying external affordable housing options, which may be done, in part, through utilization of the County's 211 system. Outreach will also be made to Family Shelter Services of Metropolitan Family Services DuPage and other organizations aiding victims of domestic violence, dating violence, sexual assault, or stalking.

VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. HUD Program-Supported Housing Providers may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

**Emergency Transfer Plan Procedures for each HUD Program-Supported Housing Program
*HOME Investment Partnerships (HOME) Program:***

If an Eligible Person in a HOME-assisted unit seeks VAWA protections under 24 CFR § 92.359, the request may be made through the Eligible Person's housing or facility owner, or manager. The owner of HOME-assisted rental housing must provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) described in 24 CFR 5.2005(a) to applicants and tenants upon admission or denied admission to a HOME-assisted unit, and with any notification of eviction from a HOME-assisted unit.

DuPage County operates a HOME Tenant-Based Rental Assistance (TBRA) program through Subrecipient agencies which are also HUD Program-Supported Housing Providers. These Subrecipient HUD Program-Supported Housing Providers must similarly provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) described in 24 CFR 5.2005(a) to applicants and tenants for HOME TBRA when HOME TBRA rental assistance is approved or denied, with notification of termination of HOME TBRA, and with any notification of eviction.

These VAWA provisions do not supersede eligibility or other occupancy requirements that may apply. The HUD Program-Supported Housing Provider may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Solutions Grant (ESG) Program

If an Eligible Person in an ESG program seeks VAWA protections under 24 CFR § 576.409, the request may be made through the housing owners, or Eligible Person's ESG recipient or subrecipient administering ESG rental assistance, or HUD Program-Supported Housing Provider.

The recipient or subrecipient of ESG must provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) described in 24 CFR 5.2005(a) to applicants and tenants when denied ESG rental assistance, when an application for a unit receiving project-based rental assistance is denied, when ESG rental assistance begins to be received, upon notification of termination of ESG rental assistance, and upon notification of eviction.

As of the drafting of this Plan, the County nor its ESG subrecipient's provide ESG funding in the form of project-based rental assistance. If a tenant resides in a project-based rental assistance unit and a safe unit is not immediately available for an internal emergency transfer, the tenant shall have priority over all other applicants for tenant-based rental assistance, utility assistance, and units for which project-based rental assistance is provided.

If a household receives tenant-based rental assistance and must separate because of an emergency transfer and if the non-transferring family members were on the original lease, then they will continue to receive tenant-based rental assistance, for which they are eligible. If a household receives tenant-based rental assistance and must separate because of an emergency transfer and if the non-transferring family members were not on the original lease, then they may apply for ESG tenant-based rental assistance but will not receive any priority.

These VAWA provisions do not supersede eligibility or other occupancy requirements that may apply. The HUD Program-Supported Housing Provider may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Continuum of Care (CoC)

The CoC has adopted this DuPage County Consortium Emergency Transfer Plan, and recipients and subrecipients in the CoC must follow this plan. If an Eligible Person in a CoC program seeks VAWA protections under 24 CFR § 578.99(j), the request may be made through the owner or landlord, recipient, or subrecipient of CoC program funding.

For CoC-assisted housing arrangements, the Eligible Person or family shall have priority over all other applicants for rental assistance, transitional housing, and permanent supportive housing projects funded under the CoC program, provided that: the Eligible Person or family meets all eligibility criteria by Federal law or regulation or HUD NOFA; and the Eligible Person or family meets any additional criteria or preferences established in accordance with 24 CFR 578.93(b)(1), (4), (6), or (7). The Eligible Person or family shall not be required to meet any other eligibility criteria or preferences for the project. The Eligible Person or family shall retain their original homeless or chronically homeless status for the purposes of the transfer.

The CoC recipient must provide the Notice of Occupancy Rights under the Violence Against Women Act (Form HUD-5380) and HUD approved certification form (Form HUD-5382) to applicants and tenants upon denial of permanent or transitional housing, upon admission to permanent or transitional housing, upon notification of eviction, and upon notification of termination of assistance.

If a family who is receiving tenant-based rental assistance separates to effect an emergency transfer, the family's tenant-based rental assistance and any utility assistance shall continue for the family member(s) who are not evicted or removed. If a family living in permanent supportive housing separates and the family's eligibility for the housing was based on the evicted individual's disability or chronically homeless status, the remaining tenants may stay in the project as provided under § 578.75(j). Otherwise, if a family living in a project funded under this part separates under 24 CFR 5.2009(a), the remaining tenant(s) will be eligible to remain in the project.

These VAWA provisions do not supersede eligibility or other occupancy requirements that may apply under a covered housing program. The HUD Program-Supported Housing Provider may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify staff of their HUD Program-Supported Housing Provider, which includes staff on-site at the property. Staff shall immediately notify the Eligible Person of their right to an emergency transfer by making available a copy of the HUD-5383 *Emergency Transfer Request for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking*, in the primary language of the tenant. If the HUD Program-Supported Housing Provider does not already have documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking, the HUD Program-Supported Housing Provider may ask for this documentation in accordance with 24 CFR 5.2007. Unless the HUD Program-Supported Housing Provider receives documentation that contains conflicting information, as described in 24 CFR 5.2007(b)(2), the HUD Program-Supported Housing Provider cannot require third-party documentation to determine status as a VAWA victim for emergency transfer eligibility. The HUD Program-Supported Housing Provider will provide reasonable accommodations to this policy for individuals with disabilities.

The tenant's written request for an emergency transfer must include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence, including trauma, if the tenant (or household member) stays in the same dwelling unit; OR
2. In the case of a tenant (or household member) who is a victim of sexual assault, **either** a statement that the tenant reasonably believes there is a threat of imminent harm from further violence or trauma if the tenant (or household member stays in the same dwelling unit), **or** a statement that the sexual assault occurred on the premises and the tenant requested an emergency transfer within 90 days (including holidays and weekend days) of when the assault occurred.

Form HUD-5383 *Emergency Transfer Request for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking* may be used for making a written request for an emergency transfer.

The HUD Program-Supported Housing Provider may request, in writing, documentation of VAWA violence or abuse. It is at the discretion of the tenant what documentation to provide. The tenant shall have a minimum of 14 days to provide documentation. The HUD Program-Supported Housing Provider is in no way required to request documentation. The following are acceptable forms of documentation:

- Form HUD-5382 *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation*, which asks your name and the perpetrator's name (if known and safe to provide);
- A document signed by a victim service provider, attorney, mental health professional, or medical professional who has helped the tenant address the VAWA violence/abuse. The professional must state "under penalty of perjury" that he/she/they believe in the occurrence of the incident of VAWA violence/abuse and that it is covered by VAWA. Both the tenant and the professional must sign the statement;
- A police, administrative, or court record (such as a protective order) that shows the tenant (or a household member) are a victim of VAWA violence/abuse; or
- If permitted by the HUD Program-Supported Housing Provider, a statement or other evidence provided by the tenant.

Priority for Transfers

Due to the urgent safety risks involved in VAWA violence/abuse, Eligible Persons who qualify for an emergency transfer under VAWA will be given priority over other categories of tenants seeking transfers and individuals seeking placement on waiting lists. These priorities are also noted above under the

Emergency Transfer Procedures section.

Confidentiality

If a tenant inquires about or requests any VAWA protections or represents that they or a household member are a victim of VAWA violence/abuse entitled to VAWA protections, the HUD Program-Supported Housing Provider and/or County must keep any information they provide concerning the VAWA violence/abuse, their request for an emergency transfer, and their or a household member's status as a victim strictly confidential. This information should be securely and separately kept from tenant files. All the information provided by or on behalf of the tenant to support an emergency transfer request, including information on the *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking* (HUD-5382) and the *Emergency Transfer Request for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking* (HUD-5383) (collectively referred to as "Confidential Information") may only be accessed by the HUD Program-Supported Housing Provider and/or County employees or contractors if explicitly authorized by the HUD Program-Supported Housing Provider and/or County for reasons that specifically call for those individuals to have access to that information under applicable Federal, State, or local law.

Confidential information must not be entered into any shared database or disclosed to any other entity or individual, except if:

- Written permission by the victim in a time-limited release;
- Required for use in an eviction proceeding or hearing regarding termination of assistance; or
- Otherwise required by applicable law.

In addition, HUD's VAWA regulations require emergency transfer plans to provide strict confidentiality measures to ensure that the location of the victim's dwelling unit is never disclosed to a person who committed or threatened to commit the VAWA violence/abuse. Accordingly, for tenant-based subsidies provided by HUD Program-Supported Housing, providers must also maintain confidentiality and consider safety risks and concerns in communicating with landlords working with their program.

Emergency Transfer Procedure

The County and HUD Program-Supported Housing Providers cannot specify how long it will take from the time a transfer request is approved until the tenant can be placed in a new, safe unit. HUD Program-Supported Housing Providers will, however, act as quickly as possible to assist a tenant who qualifies for an emergency transfer. If a HUD Program-Supported Housing Provider identifies an available unit and the tenant believes that unit would not be safe, the tenant may request a transfer to a different unit. HUD Program-Supported Housing Providers may be unable to transfer a tenant and their household to a particular unit if the tenant and their household have not established or cannot establish eligibility for that unit.

If HUD Program-Supported Housing Providers do not have any safe and available units for which the tenant is eligible, HUD Program-Supported Housing Providers will assist the tenant in identifying other covered housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HUD Program-Supported Housing Providers will also assist the tenant in contacting the local organizations offering assistance to victims of VAWA violence/abuse that are referenced in this plan.

Making the Emergency Transfer Plan Available

The County will make this Emergency Transfer Plan available upon request and publicly available as part

of the CDC's Policy Manual, which can be found on the County's website:

https://www.dupagecounty.gov/government/departments/community_services/municipalities_and_non-profits/community_development_commission/policy_groups_meetings_and_manual.php

Upon request, reasonable accommodations will be provided to ensure effective communication with individuals with disabilities. This Emergency Transfer Plan and referenced HUD forms will be made available in alternative accessible forms for persons with disabilities, upon request. VAWA forms will also be available in languages outlined in the County's Language Access Plan.

Safety and Security of Tenants

When HUD Program-Supported Housing Providers receives any inquiry or request regarding an emergency transfer, the HUD Program-Supported Housing Provider will encourage the person making the inquiry or request to take all reasonable precautions to be safe, including seeking guidance and assistance from a victim service provider. However, tenants are not required to receive guidance or assistance from a victim service provider. For additional information on VAWA and to find help in your area, visit <https://www.hud.gov/vawa>.

- 2.2 The relationship of CONSULTANT to COUNTY is that of independent contractor, and nothing in this AGREEMENT is intended nor shall be

construed to create an agency, employment, joint venture relationship, or any other relationship allowing COUNTY to exercise control or direction over the manner or method by which CONSULTANT or its subcontractors provide services hereunder.

- 2.3 The COUNTY may, from time to time, request changes in the Scope of Services. Any such changes, including any increase or decrease in the CONSULTANT'S fees shall be documented by an amendment to this AGREEMENT in accordance with Article 14.0 below.

3.0 NOTICE TO PROCEED

- 3.1 Authorization to proceed with tasks described in Exhibit "A" shall be given on behalf of the COUNTY by the Director of Human Services of the COUNTY, (hereinafter referred to as the "Director"), in the form of a written notice to proceed following execution of the AGREEMENT by the County Board Chairman.
- 3.2 In addition to the Notice to Proceed, the Director, or his/her designee, may, on behalf of the COUNTY, approve, deny, receive, accept or reject any submission, notices or invoices from or by CONSULTANT, as provided for in this AGREEMENT, including, but not limited to, acts performed in accordance with Paragraphs 4.1, 5.2, 6.4, 7.1, 8.2 and 8.3.

Exhibit B

PHILOSOPHY OF TREATMENT AND INTERVENTION 18th Judicial Circuit Court Department of Probation and Court Services

In the past ten years, research has identified key factors that are associated with criminal behavior, the process which leads to the commission of criminal acts, and the main steps or stages of behavior change. A general model has emerged that identifies the **principles of effective intervention**.

These principles are **RISK, NEED, RESPONSIVITY** and **PROGRAM INTEGRITY**. Risk involves matching the duration, levels, and intensity of treatment and services to the criminal risk level of the individual. High-risk clients require more intensive and extensive services while low-risk clients require minimal or no intervention. The need principle focuses on the appropriate targets for intervention. Six factors are directly correlated to an individual's propensity to commit crime. They are: 1) history of antisocial behavior; 2) antisocial personality; 3) antisocial values and attitudes; 4) criminal/deviant peer association; 5) substance abuse and 6) dysfunctional family relations. Responsivity refers to the delivery of effective treatment programs in a style and mode that is consistent with the ability and learning style of the individuals. Factors to consider in the area of responsivity are motivation, culture/ethnic issues, gender, verbal skills, communication barriers and cognitive and emotional development. Program integrity refers to organizations that develop policies and procedures to enhance integrity and professional conduct, provide ongoing training and supervision of staff and adherence to program designs.

Appropriate corrections interventions have been found to reduce recidivism about 30%. Interventions that have produced these long-term outcomes are behaviorally based, focus on changing criminogenic attitudes and beliefs, increase system competence (e.g., families, peers, schools, employment) and aim to increase the ratio of pro-social to antisocial behavior.

It is the goal of the Department of Probation and Court Services to develop access to a broad continuum of community-based services that adequately address offender risk, need and responsivity for the purpose of significantly reducing criminal re-offending, utilizing the most cost-effective services.

The Department of Probation and Court Services has developed the following objectives to guide the establishment of service delivery plans for those individuals under their supervision.

1. Intervention intensity and duration are based on the client's risk for re-offending, based on current research and methodology for identifying key risk factors.
2. Criminogenic beliefs, attitudes and behaviors are the highest dynamic risk factors for re-offending and need to be the primary focus of any intervention.
3. System interventions that are community-based and involve entire systems (families, spouse, peers, employment) are more likely to be effective.
4. Treatment for emotional/behavioral issues that are not linked to criminal conduct, nor are criminogenic in nature will not result in recidivism reduction.
5. Preferred treatment interventions are those which are designed to change antisocial attitudes, to increase personal skills (self-control, self-management and problem solving), to increase collateral/familial support (collateral's knowledge of client's risk factors and willingness to support client in making behavioral changes), to build on the offender's strengths and focus

on assessing the offender's total situation and treating it rather than using a strict individual or medical model approach.

6. Traditional insight-oriented, psychodynamic or non-directive therapeutic interventions are not supported for high-risk criminal offenders or for changing criminal behavior and attitudes.
7. All interventions require a behavioral treatment plan with measurable, concrete objectives and timelines that have been reviewed and accepted by probation and meet departmental guidelines for interventions.
8. Effective interventions will provide opportunities for offenders to participate in skill training with directed practice.
9. Short- and long-term behavioral outcome data, along with satisfaction measures, will be collected by the Probation Department and by the service provider.
10. Services will be monitored to assess the offender's progress in line with the service delivery plan.
11. Service plans will address public safety issues as well as behavior change.
12. Service plans will outline steps to actively engage pro-social supports for offenders in their communities in order to positively reinforce desired behaviors.

FIRM QUALIFICATIONS

a) A summary of the Bidder's general qualifications including specific disciplines represented that are applicable to the proposed work, number of employees, office locations, etc.

Favorite Healthcare Staffing, LLC (Favorite Healthcare) is the longest-standing nursing solutions provider in the United States. Established in 1981 as a per diem nurse staffing company, Favorite Healthcare has adapted its services over time to meet partner needs. Our proprietary technology, developed from this per diem foundation, allows us to respond quickly to both partners and healthcare professionals.

Our skilled nurses collaborate with hundreds of healthcare organizations across the U.S., covering roles such as locum tenens, nursing, float pool management, allied health professionals, non-clinical staff, and more. In 2021, Acacium Group, headquartered in the U.K., acquired Favorite Healthcare, making us the first global healthcare solutions provider offering new delivery models in health, social care, and life sciences.

For this opportunity, Favorite Healthcare is offering our expertise in supplying Registered Nurses, Nurse Practitioners, and Director of Nursing candidates to DuPage County by leveraging an extensive recruitment network and deep expertise in healthcare staffing.

We recruit by utilizing a dedicated team of recruitment specialists who focus on matching candidates' qualifications and cultural fit with the specific needs of DuPage County facilities. Our approach includes an ongoing screening process that verifies credentials, evaluates performance records and checks references, ensuring that each candidate meets the strict standards required for these roles.

In response to the requirements listed in the RFP, Favorite uses Primary Source verification of CPR cards as well as other required certifications as needed (ACLS, PALS, etc.). Fingerprint Clearance is obtained for each nurse prior to assignment and criminal background checks are performed in a manner compliant with DuPage County and always in accordance with government regulations.

To ensure that all assigned nurses have up-to-date certifications and training, Favorite Healthcare Staffing upholds stringent HR and Compliance protocols aligned with The Joint Commission's Healthcare Staffing Services Certification standards. These protocols are actively monitored and enforced throughout the duration of each nurse's assignment.

All nurses are required to hold an unencumbered license to practice in the applicable state or possess a multistate license under the Nurse Licensure Compact. We verify licensure status and relevant credentials at the time of onboarding and regularly throughout their assignment via

automated systems and manual compliance checks. We also mandate that all nurses hold an active CPR/BLS certification at all times.

All of Favorite Healthcare's nurses possess the following qualifications and undergo the following credentialing requirements.

Qualification	Credential/Description
Annual Training and Orientation	Evidence of a yearly review of Fire & Safety, Infection Prevention, Hazardous Waste, Joint Commission Patient Safety Goals and OSHA and HIPAA Privacy and Security standards is required of all Favorite Healthcare Staffing's employees.
Certifications	Primary Source verification of any CPR card and/or other certifications (ACLS, PALS, etc.). as required.
Criminal Background Investigation	Employees are checked in a manner compliant with the County and always in accordance with government regulations.
Education	Documentation of Education associated with profession/class.
Fingerprint Card	Fingerprint Clearance Card(s) are obtained for each Nurse before the start of work.
Health and TB Test	Pre-employment health statement by a physician, physician's assistant, or nurse practitioner. Upon hire and annually, TB test within the past year/or TB questionnaire and current clear chest x-ray. Other specific health requirements as directed by DuPage County or Illinois health guidelines. Each applicant must have received the Hepatitis B vaccination series or have provided a declination.
I-9	Documentation and verification upon pre-employment.
Interview	Prospective employees are interviewed by our expert recruitment team. During the interview, emphasis is placed upon work history, clinical expertise, and a review of the testing results.
License Verification/Copy	Primary Source On-Line Verification of the employee's license/certification verified with the state unless the state does not offer verification.
OIG/GSA Check	Automatically checked on all new hires and every 3 months thereafter.
Picture Identification	A photo I.D. from a reliable source.
Pre-Employment Screening	All applicants are subjected to a 10-panel drug screen and otherwise tested in accordance with applicable regulatory requirements.
References	At least two satisfactory written or verbal managerial references verifying work performance in applicable clinical areas.
Skills Inventory	A comprehensive skills inventory appropriate to job classification and age-specific self-assessment.

Qualification	Credential/Description
Testing	Documentation of applicants' competency tests for most clinical staffing areas. A passing grade of 80 percent or better is required. Certain specialty areas and paraprofessional testing may be replaced with client interviews or other evaluation.
Work History	Documentation of work history associated with profession/class.

Favorite Healthcare Staffing utilizes **Relias** for specific skill competency checks and training. **Relias** is a trusted online learning platform that provides our nurses with up-to-date, evidence-based training and certifications tailored to the required specialty. Finally, we also have an annual training and orientation exam that delves into the specific certification required by DuPage County.

To ensure that we only assign appropriately licensed and/or certified personnel to FCS, we follow a rigorous process of verification and maintenance. First, we ensure all employees' licenses are checked with the relevant DuPage County requirements and the State Board of Nursing, providing an initial level of assurance that they hold the necessary credentials to effectively perform their roles. Additionally, all employee references are cross verified with two professional sources.

Our verification process ensures that every candidate's education, experience, and qualifications are meticulously cross-checked before they are approved for work. To optimize this process, we utilize our Mobilize platform, a tool that significantly simplifies and accelerates the vetting and verification process. Further, there are automated precautions put in place, expiration alerts are triggered on the employee's profile whenever specific required credentials have lapsed. The system blocks scheduling of the employee until the new license has been verified and entered into the system.

Mobilize Platform Technology

Favorite Healthcare has consistently prioritized investing in technology that offers tangible benefits to our clients. Mobilize is an end-to-end staffing software solution that significantly simplifies the onboarding of candidates and accelerates the staffing process. The Mobilize platform is an in-house technology solution that empowers our clients to have full control in the management and organization of candidate profiles, onboarding, credentialing, scheduling, back-office tasks, automated timecard processing, and payroll and invoicing.

The software integrates seamlessly with other third-party technologies, allowing for a fully optimized and streamlined staffing process from a singular platform. Additionally, our Mobilize App allows employees to apply for per diem or contract positions that are available with DuPage County, as well as manage their active schedule calendar, credentials, and timecards directly from their phone.

Our Mobilize platform centralizes confirmation and scheduling details for both clients and staff within its technology. For per-diem assignments, clients can easily access agency schedules and

check available staff through the client portal. After one of our healthcare professionals completes a shift, the client also has the option to toggle timecard receipts, which send a copy to any designated contact(s) that wishes to oversee those details. This receipt includes the staff's name, date, time, approver/signee, and other details. These images are also included in our invoices, but the ability to see receipt of a timecard immediately is a benefit that our clients often choose to have turned on.

Comprehensive testing, verification of references, behavioral interviewing, and candidate AI skill matching technology helps Favorite Healthcare ensure the nurses we present are well worth your time to review and that the one decided upon has a high likelihood of success.

Each healthcare worker we hire is put through an extended interview and credential checklist template required by our company. Any client specific credentials are added to this list as healthcare workers are offered these positions. Licenses are verified online via each state. Staff credentials are stored electronically and available for request by the County at any time using our *Mobilize* platform. During the interview, we emphasize work history, clinical expertise, and we review all of their test results.

Favorite Healthcare provides applicants with critical information about performance requirements and standards, Favorite Healthcare's policies, and of course, relevant County policies and procedures. The assignment of employees is made with consideration of the skills and expertise of the employee, the needs of the County, and your acceptance of the suitability of the employee to perform the duties of the assignment.

We maintain a database built over nearly 45 years, which currently includes over 20,000 full- and part-time healthcare professionals in DuPage County, enabling us to quickly identify suitable applicants, while our Chicago team supports rapid placements by managing day-to-day staffing requirements.

For leadership roles such as Director of Nursing, we deploy our experienced recruiters with familiarity with the local territory to ensure a tailored recruitment process and hands-on support for DuPage County.

Our track record of meeting client expectations is highlighted by our long-term relationships; Over 50% of healthcare organizations have relied on our staffing support for more than five years, with 10% maintaining partnerships for over 20 years.

We also utilize our technology platform to monitor performance metrics such as time to fill, candidate conversions, and quality assurance, which allows us to adjust the recruitment strategy and maintain high service standards in line with DuPage County's goals.

This integrated recruitment and management approach allows us to not only supply high-caliber Registered Nurses, Nurse Practitioners, and Director of Nursing professionals, but also provide ongoing support through our local and corporate teams, ensuring that DuPage County receives a responsive and reliable staffing solution.

b) An outline of the Bidder's depth and breadth of knowledge needed to carry out the scope and the extent of the work required, especially that of the project lead.

Favorite Healthcare has extensive depth and breadth of knowledge and capability in healthcare staffing. Founded in 1981, we are Joint Commission certified, meeting national standards for determining staff qualifications, placement, and competence. Through this certification, our clients are provided with assurance of audited clinical quality and compliance, including adherence to standards set by the National Commission of Correctional Healthcare, the American Correctional Association, the Illinois Department of Corrections, and county jail standards.

We have continuously expanded our service offerings as the healthcare staffing industry has evolved. Today, Favorite Healthcare is proud to offer a whole workforce staffing model, including over 600 classifications of high-quality clinical and non-clinical nursing staff and has provided customized staffing support to hundreds upon hundreds of hospitals, clinics, school districts, prisons, rehabilitation centers, veterans homes, nursing homes, and retirement communities across the nation. Favorite's ability to provide immediate, coordinated responses for rapid deployment at the local, regional, and national levels is crucial and remains as one of Favorite's key differentiators.

Our services include per-dem, travel, block and contract staffing, as well as direct hire solutions covering nursing, allied health, advanced practice, physician roles, rapid response, and disaster and project staffing. We understand that the DuPage County Sheriff's Office employs its own medical personnel, and as a provider of supplemental staffing, we will work closely with these medical professionals to maintain a continuum of care and meet the high standards of care provided by the Sheriff's Office.

Favorite Healthcare revolutionized healthcare staffing by being the first agency in the United States to create a National Operations Center. This center ensures that skilled representatives are available, on-demand, 24/7, 365 days a year. We use our proprietary Mobilize technology platform and app to instantly notify clinicians and subcontractor vendors of staffing requirements, enabling swift responses to meet urgent demands.

Favorite Healthcare also takes pride in our thorough verification process, ensuring that every candidate's education, experience, and qualifications are meticulously cross-checked before they are approved for work. To optimize this process, we utilize our Mobilize platform, which significantly simplifies and accelerates the vetting and verification process. Furthermore, there are automated precautions put in place, where expiration alerts are triggered on the employee's profile whenever their required credentials are nearing expiration, as well as other automated checks on their annual training and skills. If there is ever a lapse in their licensure, our Mobilize system blocks scheduling of the employee until the new license has been verified and entered into the system.

Favorite Healthcare's Account Manager (Project Lead) and our regional operations team will play a crucial role in ensuring the needs of the Sheriff's Office are met efficiently and consistent with our high standards. The Account Manager builds relationships with client departments and ensures clear communication, the resolution of issues, the advocacy of client preferences, and the collection of feedback on a regular basis. Our account management team oversees the successful execution of the service contract, including daily activities like order management, scheduling support, overseeing project timelines, and working with our local recruitment teams to help fulfil the needs of DuPage County Sheriff's Office.

Our Account Managers confirm role details with hiring managers upon requisition receipt, adjusting candidate selection based on skills and cultural fit, and utilize our technology technology to broadcast open roles instantly to clinicians through the mobile app.

HAN's payroll and accounting operations are supported by a secure, automated system that provides:

- Direct deposit or pay card options for employees

GPS Offender Funded Program Service Fees and Payments

Sentinel shall collect from each of the defendants and/or Probationers participating in this program at a rate of \$10.00 per day unless the DuPage County Probation and Court Services have determined the participant to be indigent. For those participants that have been determined to be indigent, the DuPage County Probation and Court Services shall list the reduced rate to be collected or list the participant as being 100% indigent.

It is agreed that once the ability to pay for services has been assessed, program participants who willfully do not pay the program fees at the time fees are due, will be subject to a supervisory meeting between Customer, its designated agent, Sentinel, and the participant to determine circumstances for non-payment. At the conclusion of any supervisory meeting, if it is determined the participant continues to have the ability to pay but continues with the willful non-payment of services for 14 days, they will be subject to revocation. If it is found the financial condition has changed, the agency will have the option to transfer the payment for services over to the agency paid program or move them to the indigent rate.

Indigent Provision: The costs for participants determined to be indigent will be \$0 (no cost). Sentinel will provide up to 5 slots to the county at no cost.

Termination: Should either Party determine this agreement, and the program is not meeting their expectations, either party may terminate this agreement, without cause, by giving the other Party 30 days Written Notification on their decision to exercise their Right to Terminate.

Sentinel Standard Operating Procedures for DuPage County Process for Collections

SCOPE

This procedure details the responsibilities of the intake and fee collections process for both Sentinel and DuPage County.

NEW CLIENT ENROLLMENT

- 1.) Every new referral must have the required paperwork provided at the time of enrollment. If the entire referral package is not provided to the Sentinel Representative on the day of enrollment, the Sentinel Representative will notify the assigned probation officer via a Status Report of what information is missing.
- 2.) On the day of enrollment, the client will be instructed to contact the Sentinel representative and make the initial payment of \$140.00. If contact does not occur, and no later than 24 business hours following enrollment, the Sentinel Representative will contact the program participant and require an initial payment of \$140.00. This payment will cover the first two weeks of program supervision.

SENTINEL RESPONSIBILITIES

- 1.) Each morning, a Sentinel Representative will compare the active caseload in the Monitoring Application with the active cases in DNA Case Management to ensure any offender added to active monitoring by DuPage has also been entered into DNA by Sentinel and had their daily invoicing initiated.
- 2.) Daily, the Sentinel Representative will contact each participant who is currently delinquent and require a payment that brings the client current, plus an amount equal to two weeks in advance
- 3.) The Sentinel Representative will deliver the following message to participants when calling for payment on fees:

IF CLIENT CANNOT PAY OR CLAIMS TO BE HOMELESS

- 1.) If a client claims that he/she cannot pay for program fees or states they are homeless, a Status Report will be immediately sent to the Supervising Officer requesting that the officer instruct Sentinel as to what steps will be taken by the Department. Regardless of which option below is chosen, a Status Report will summarize the decision. Options include:
 - a. Consider the client to be indigent and count the participant as part of the indigent allotment outlined in the contract (This is only an option if the indigent allotment has not been fully fulfilled).

**Participating Addendum Number for

- 2.) If the officer is contacted and indicates the client will pay within 24 hours and no payment is received, a Non-Compliance Report (NCR) will be submitted to the Supervising Officer outlining the client's failure to comply with program requirements. The NCR will also formally request that an Administrative Hearing with the client and the court occur.
- a. Every Friday, a Financial Status Report will be provided to the DuPage Supervisors that identifies those individuals who are not in full compliance with their financial obligation.
 - b. For clients who have an arrearage amount greater than \$70.00, the Supervising Officer will be given one week to get the client into compliance

Overview			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). The Sheriff's Office wants to do an E.A. (Enterprise Agreement) with Fortinet. The E.A. work is similar to the county's Microsoft License E.A. This will consolidate most of the service agreements into a single five-year agreement. There are some online services we use that are year-to-year. This covers the majority of systems. There are multiple benefits to this in terms of service and cost. The first benefit is that we would receive a 15-minute response time for critical items and 2 hours for non-critical items. Currently, we are experiencing delays of over an hour for critical issues and one day or more for non-critical issues. The E.A. also locks in the price of hardware and services for five years upon the day of signing. The current estimated cost per year is about \$211,000 for our current needs. That totals about \$1,055,000 for 5 years. The E.A. and other non-E.A. items for the five years are about \$970,000.00. The most significant advantage is the cost savings and the upgraded support. We would save approximately \$84,000 over the five years. The Fortinet ECO system provided the Sheriff's Office with Edge Security (Web Filtering, IPS, DNS, Firewall, etc.), networking, wireless, Web Application Firewall, Sandbox, Email Filtering, SOCAaaS, Log Collection, Network Access Control, MDR/XDR, Endpoint security, Dark web Monitoring, and Authentication. All these services require a subscription for the items to operate and a warranty on the hardware in case something goes wrong that needs to be fixed or replaced. They are on the TIPS Contract 220105 JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished If we stay with the current year-to-year approach, we would not receive the benefits of the upgraded support and the cost savings between the E.A. contract and price locking for the 5 years.

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. We have already invested heavily in the Fortinet Eco system. We have had their Firewall, network infrastructure, and endpoint security for many years. We are working towards establishing their security operation center to gain end-to-end visibility of our systems, which we achieved this year. This will enable us to provide better services and save the county money over the next five years.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). If we go with another company, the system will be unable to integrate. If we stay status quo, we would still have to pay for the support services but on a yearly bases with no benefits of that come from the E.A.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Sentinel Standard Operating Procedures for DuPage County Process for Collections

SCOPE

This procedure details the responsibilities of the intake and fee collections process for both Sentinel and DuPage County.

NEW CLIENT ENROLLMENT

- 1.) Every new referral must have the required paperwork provided at the time of enrollment. If the entire referral package is not provided to the Sentinel Representative on the day of enrollment, the Sentinel Representative will notify the assigned probation officer via a Status Report of what information is missing.
- 2.) On the day of enrollment, the client will be instructed to contact the Sentinel representative and make the initial payment based on the type of Alcohol Monitoring Equipment required. If contact does not occur, and no later than 24 business hours following enrollment, the Sentinel Representative will contact the program participant and require an initial payment covering the first 14 days of the program. This payment will cover the first two weeks of program supervision.

SENTINEL RESPONSIBILITIES

- 1.) Each morning, a Sentinel Representative will compare the active caseload in the Monitoring Application with the active cases in DNA Case Management to ensure any offender added to active monitoring by DuPage has also been entered into DNA by Sentinel and had their daily invoicing initiated.
- 2.) Daily, the Sentinel Representative will contact each participant who is currently delinquent and require a payment that brings the client current, plus an amount equal to two weeks in advance.
- 3.) The Sentinel Representative will deliver the following message to participants when calling for payment on fees:
 - a) You have been ordered by the court to participate in the Alcohol Monitoring Program. It is your responsibility to remain current with supervision program fees. Thus, in order to remain compliant and avoid being violated, you must make a payment today in the amount of \$XXX.

IF CLIENT CANNOT PAY OR CLAIMS TO BE HOMELESS

- 1.) If a client claims that he/she cannot pay for program fees or states they are homeless, a Status Report will be immediately sent to the Supervising Officer requesting that the officer instruct Sentinel as to what steps will be taken by the Department. Regardless of which option below is chosen, a Status Report will summarize the decision. Options include:
 - a. Consider the client to be indigent and count the participant as part of the indigent allotment outlined in the contract (This is only an option if the indigent allotment has not been fully fulfilled).
 - b. Work out a payment plan with the participant and follow up to ensure all agreed fees will be paid prior to their program sentence ending.

**Participating Addendum Number for
Electronic Monitoring Products and Services**

Between **DuPage County, IL** and
Sentinel Offender Services, LLC

- c. Confirmation that the officer will contact the client within 24 hours and require payment within 24 hours for the first two weeks of the program.
- 2.) If the officer is contacted and indicates the client will pay within 24 hours and no payment is received, a Non-Compliance Report (NCR) will be submitted to the Supervising Officer outlining the client's failure to comply with program requirements. The NCR will also formally request that an Administrative Hearing with the client and the court occur.
 - a. Every Friday, a Financial Status Report will be provided to the DuPage Supervisors that identifies those individuals who are not in full compliance with their financial obligation.
 - b. For clients who owe more than \$140.00 and the participant has not abided by any payment schedule agreed to, there shall be a corresponding Non-Compliance Report submitted to the Supervising Officer requesting.
- 3) It is agreed that once the ability to pay for services has been assessed, program participants who willfully do not pay the program fees at the time fees are due, will be subject to a supervisory meeting between Customer, its designated agent, Sentinel, and the participant to determine circumstances for non-payment. At the conclusion of any supervisory meeting, if it is determined the participant continues to have the ability to pay but continues with the willful non-payment of services for 14 days, they will be subject to revocation.

Flood-Simulation System Support for Salt Creek, East Branch DuPage River, and West Branch DuPage River in DuPage County, Illinois through November 2026

CENTRAL MIDWEST WATER SCIENCE CENTER

Summary

The Salt Creek, East Branch DuPage River, and West Branch DuPage River are small headwater watersheds in northeastern Illinois. A near real-time streamflow simulation system has been developed and is being tested and enhanced by the USGS Central Midwest Water Science Center (CMWSC) in cooperation with the DuPage County Stormwater Management Department (DPC-SMD) to evaluate different rainfall amounts and/or structure operation scenarios.

Background/Introduction

DuPage County, Illinois is highly urbanized and is one of five collar counties that border Chicago's Cook County in northeastern Illinois. The DuPage County Stormwater Management Department (DPC-SMD) selected continuous simulation and dynamic routing models for use in watershed analysis and floodplain mapping, instead of single-event steady-state models, so that the impacts of antecedent moisture on runoff volumes and peaks, non-uniform precipitation distributions, backwater, flood plain storage, and complex urban stream systems could be studied (County of DuPage, 2020). The County uses the Hydrologic Simulation Program – FORTRAN (HSPF) (U.S. Environmental Protection Agency, 2017) model for hydrologic modeling and the one-dimensional dynamic-wave model Full Equations (FEQ) (Franz, D.D., and Melching, C.S., 1997a) for hydraulic modeling and has developed models for the watersheds in the County.

The USGS CMWSC and DPC-SMD have continued a cooperative program that began in approximately 1985 to install and maintain a precipitation and streamflow gaging network. In 2025, the cooperative gaging network consisted of ten discharge sites (streamgages), three continuous stage sites, 30 tipping-bucket precipitation sites, and one Ott Pluvio precipitation gage site located throughout the county (fig 1). The DPC-SMD operates and maintains three

stage sites in the Salt Creek watershed at Irving Park Road, Elmhurst Quarry, and Harger Road; and one stage site in the West Branch DuPage River watershed at Fawell Dam.

Figure 1. Salt Creek, East Branch DuPage River, and West Branch DuPage River watersheds in Northeastern, Illinois.

The USGS CMSWC in cooperation with DPC-SMD started development in approximately 1997 of a near real-time streamflow simulation system for the Salt Creek watershed to evaluate different rainfall amounts and/or hydraulic structure operation scenarios. The near real-time streamflow simulation system uses existing HSPF and FEQ models furnished and used by DPC-SMD in watershed analysis and floodplain mapping studies. The models were modified for use in the simulation system, and programs were developed for retrieving and processing near real-time streamflow and precipitation data from the gaging network (Ortel and Martin, 2010; Bera, ScienceBase data releases), National Weather Service (NWS) Next Generation Radar (NEXRAD) Multisensor Precipitation Estimates (MPE) data (Bera and Ortel, 2018; Ortel and Spies, 2015), U.S. Department of Energy Argonne National Laboratory (ANL) meteorological data (Murphy, 2005; Murphy, 2006; Over and others, 2010; Bera, ScienceBase data releases), NWS precipitation and meteorological forecast data, and computation of potential evapotranspiration (PET) estimates (Murphy, 2005) using the retrieved meteorological data. The runoff time series generated by HSPF are input to the FEQ model for routing (Ishii and others, 1998). The GENeration and analysis of model simulation SCeNarios (GENSCN) (Kittle and others, 1998) module of the U.S. Environmental Protection Agency's Better Assessment Science Integrating Point and Non-point Sources (BASINS) (U.S. Environmental Protection Agency, 2017) system was utilized for data input, HSPF simulation, display of the meteorologic and hydrologic data, and for display and analysis of the observed and simulated stage and discharge hydrographs. The hydraulic model was also used to create a flood inundation map library for a 1.6 mile section of the Salt Creek (Soong and others, 2012).

The near real-time streamflow simulation system developed for the Salt Creek was applied to the West Branch DuPage River watershed in 2010 and the East Branch DuPage River watershed in 2018 by the USGS CMWSC in cooperation with the DPC-SMD. The Salt Creek watershed is 115 square miles to the downstream streamgage 05531500 (Salt Creek at Western Springs, IL) and contains several offline flood-control reservoirs whose operations can be optimized by using accurate estimates of the timing and elevation of flood peaks. The West Branch DuPage River watershed is 123 square miles to the downstream streamgage 05540130 (West Branch DuPage River near Naperville, IL) and contains one operable in-line dam. The East Branch DuPage River is 75.8 square miles to the downstream streamgage 05540250 (East Branch DuPage River at Bolingbrook, IL) and has a levee system and pump stations along a flood prone area but does not have flood-control structures to help reduce flood damages from major storm events.

The USGS CMSWC in cooperation with DPC-SMD has supported and documented the FEQ model (Franz and Melching, 1997a; Franz and Melching, 1997b), applied it in verification studies (Ishii and Turner, 1996; Turner and others, 1996), and developed utility software for data input and review (Ancalle and others, 2017; Ern and others, 2019) from approximately 1996 to present. As part of the flood simulation system development, an FEQ output file of computed water surface elevations and flows has been reformatted for input and display in HEC-RAS software (Brunner, 2016). HEC-RAS can be used with RAS Mapper to create inundation maps of the streamflow-simulation system water-surface profiles from the FEQ simulations.

Problem

The highly urbanized land use in DuPage County combined with extreme hydrologic events such as high intensity or long duration rainfall can produce flooding that is a risk to life and property. In August 1987, extreme rainfall in the Chicago area flooded thousands of homes along the Des Plaines River and Salt Creek resulting in \$78 million in damages and parts of Cook and DuPage Counties being declared disaster areas (McCoppin, 2007). Continued urban growth in DuPage County since 1987 and the construction of additional flood control structures and updated hydrologic and hydraulic models necessitates ongoing testing, updates, and enhancements for a near real-time flood simulation system that utilizes real-time and forecast data to evaluate forecast precipitation and hydraulic structure operation scenarios. Real-time precipitation and streamflow data are needed to monitor local conditions and for streamflow simulation. This will allow for the simulation results to be based on the most current conditions in the watershed using up-to-date hydrologic and hydraulic models.

Objectives and Scope

The USGS proposes to continue testing, updating, and enhancing flood-simulation systems for three watersheds in DuPage County according to the most current watershed conditions of Salt Creek, West Branch DuPage River, and East Branch DuPage River using updated hydrologic and hydraulic models and near real-time input data. The flood-simulation systems are comprised of furnished hydrologic (HSPF) and hydraulic (FEQ) models. The systems use real-time data from the USGS-DuPage County network streamgages, continuous stage gages, and precipitation gages. The system also utilizes NWS NEXRAD MPE precipitation data, NWS precipitation and meteorological forecast data, and ANL meteorological data in the simulations. Furnished stream stage data at DuPage County gages are compared to simulation results.

Study objectives include:

1. Maintain an existing USGS-DuPage County cooperative gage network of ten streamgages, three continuous stage gages, 31 precipitation gages, and one co-located webcam.
2. Testing and refinement of furnished hydrologic and hydraulic models for running in a near real-time continuous simulation system.
3. Update and enhance processes for real-time data acquisition, conversion, and filling of missing data from multiple agencies for input to hydrologic and hydraulic models and to verify model results.
4. Support for FEQ and FEQUTL, and support for HSPF recalibration processes.
5. Develop, update, and maintain web pages for custom data display.

Relevance and Benefits

The gage network and flood simulation system updates will allow DuPage County managers and decision makers to evaluate alternative scenarios of forecast precipitation amounts and/or hydraulic structure operations to better prepare and respond to flooding risks and potentially reduce stormwater damages. It will provide emergency responders with a tool to protect life and property, and emergency responders and public works will have better anticipation of road

closures, evacuation areas, routes of egress, and overall planning during flooding. U.S. Geological Survey water mission goals addressed by this study include addressing the anticipation and response to water-related emergencies (flooding), prediction of changes in the quantity of water resources in response to land use and management changes and contributing to the advancement of hydrologic monitoring networks and delivery of timely hydrologic data (Everson and others, 2013).

Approach

Five tasks will be completed to accomplish the objectives of this study. These tasks are: 1) network gage data collection and compilation, 2) model assessment and refinement, 3) near real-time scenario simulations and process updates, 4) hydraulic and hydrologic model updates and support, and 5) reporting. A general timeline for the completion of these tasks is provided in the Timeline and Budget section of this proposal.

Task 1: Network Gage Data Collection

The USGS and DuPage County will maintain a gage network consisting of ten streamgages, three continuous stage gages, and 31 precipitation gages (table 1). The gage data are critical for running forecast simulations in near real-time and for model calibration. The gage data are published according to USGS standards and provide water data for the nation. The USGS and DuPage County will maintain one webcam located at USGS streamgage 05531175, Salt Creek at Wood Dale, IL, to provide visual confirmation of stream stage at a critical location.

Task 2. Model Assessment and Refinement to Maintain Continuous Simulation

The continuous-simulation time period spans multiple years; to reduce the computer run time the hydrologic model initial conditions will be periodically moved forward in time to maintain a simulation time span of nine months or less. The start and end dates of the hydraulic model simulations will be moved forward in conjunction with the hydrologic model. The hydraulic models will be modified as needed to prevent numerical breakdowns during low flow periods or sudden changes in flow, by adding cross sections, changing baseflow, or changing the numerical solution parameters. The hydraulic and hydrologic models will be periodically reviewed to help determine causes for differences between simulated and observed elevations and flows at streamgage sites. The hydraulic models also create output files that can be reformatted and input to HEC-RAS and RASmapper for creating inundation surfaces.

Currently (September 2025), the Salt Creek simulation system consists of an old set (four models from approximately 1995) and a new set of hydraulic models (15 models from approximately 2015). The system will be updated to not run the old models of the upper Salt Creek and Spring Brook tributary because they are primarily in Cook County; however, the old hydraulic model of the lower Salt Creek in DuPage County that uses a streamgage as an upstream boundary condition will continue to be run for results comparison with the new hydraulic models of the same area. A copy of the new set of hydraulic models for the upper Salt Creek and Spring Brook tributary will be modified to use stream gage data at Rolling Meadows and Elk Grove Village, respectively, as the upstream boundary condition. In the modified models, the streamflow upstream of the stream gage will be represented by the stream gage data, and the streamflow downstream of the stream gage will be represented by the HSPF hydrologic model. The new hydraulic models that use HSPF hydrologic modeling for the entire watershed will be ran in addition to the modified models for results comparison. The FEQ input file of the old version of the lower Salt Creek model will be reformatted to run using the latest version of FEQ so that all the Salt Creek hydraulic models use the same FEQ version.

Task 3. Conduct Near Real-Time Scenario Simulations

The three forecast simulation systems (Salt Creek, East Branch DuPage River, and West Branch DuPage River) consist of scripts and programs that retrieve and process near real-time and forecast data, run hydrologic and hydraulic models, and create time-series graphs of the results at selected locations. The real-time scenario simulations consist of separate hydrologic simulations that are run using different precipitation data sources, precipitation gage data and NWS NEXRAD MPE data, and separate hydraulic simulations that use different upstream boundary conditions, for example data at different streamgage sites. The results can be compared between the two precipitation data sources and upstream boundary conditions. The simulation systems will be run daily using a scheduling program and the results will be reviewed two or more times per week by USGS CMWSC staff to check for data and simulation errors. Updates to resolve modeling issues will be sent to DPC-SMD staff. Annual updates of the Watershed Data Management (WDM) database of the processed input data will be published according to USGS standards.

The systems consist of 20-25 Perl scripts per system that retrieve and process data and/or execute other programs. Most of the scripts were developed more than 10 years ago and need to be refactored to remove obsolete code, reduce code complexity, and improve readability so that the scripts can be more easily maintained and/or updated to incorporate new functionality.

The USGS CMWSC maintains a Local Data Manager (LDM) connection with the NWS to receive NWS NEXRAD MPE data from the North Central River Forecast Center. The LDM connection is difficult to maintain and alternative methods for obtaining the NEXRAD MPE data are under review. The LDM may be replaced if a preferred alternative is found. Additionally, the CMWSC maintains a local web server and processed data are shared with the DPC-SMD using it. The use of the CMWSC web server will be replaced with a national USGS web server.

Task 4. Hydraulic and Hydrologic Model Support

Support for the FEQ (Franz, D.D., and Melching, C.S., 1997a) and FEQUTL (Franz, D.D., and Melching, C.S. 1997b) programs will be provided. The FEQ and FEQUTL code for the latest versions will be made available on the USGS Git website (<https://code.usgs.gov>) and the FEQ and FEQUTL latest manuals will be included. Support for the utility software previously

developed by the USGS for data input and review (FEQinput and FEQ-GDI) will be provided but problems requiring source code modification and/or program recompilation are beyond the scope. Support provided will be limited in scope, for example answering questions on model application or providing existing support programs; support requiring an extensive time commitment may be conducted under separate agreement. The CMWSC maintains a local web server with FEQ and FEQUTL resources web pages. These web pages will be moved from the CMWSC web server (<https://il.water.usgs.gov/>) to an USGS national web server (<https://cm.water.usgs.gov/>) because the CMWSC web server may be decommissioned at a future date.

The computer programs and Graphical User Interface (GUI) to assist with HSPF recalibration due to land-use and precipitation changes using DPC-SMD hydrologic procedures will be maintained. The GUI is used to retrieve, process, review, and store the input data in a Watershed Data Management (WDM) database; disaggregate daily rainfall totals to hourly values; edit and run HSPF model input files; process and review the HSPF model results; and create a list of storm events for FEQ simulation. The GUI will be made available on the USGS Git website and a user's manual will be published. The programs and GUI used in the periodic recalibration of the HSPF model will be transferable to other studies that use HSPF.

Task 5. Reporting

Network gage data collected under Task 1 will be available on the USGS Water Data for the Nation (WDFN) web sites. Processed data used in the hydrologic simulations will be published as annual updates to USGS ScienceBase data releases (Bera and Over, 2025; Bera, 2025a; Bera, 2025b). The USGS CMWSC will move existing project web pages developed for the DPC-SMD from a CMWSC web server to an USGS national web server. The USGS CMWSC will maintain and update a public web page at <https://cm.water.usgs.gov/data/precip/il> that contains USGS precipitation gage totals and NWS NEXRAD data for reviewing precipitation amounts and spatial distribution. The USGS CMWSC will also maintain web sites for sharing processed data for the streamflow simulation systems with DPC-SMD. The DPC-SMD maintains a public web page (County of DuPage, 2025) containing forecast discussions and recent simulation results for public dissemination.

Quality Assurance Plan

Quality assurance (QA) measures will be followed to ensure the completeness of the information communicated during the study. The QA objectives for the collection and communication of information will:

- Withstand scientific scrutiny
- Be obtained by methods appropriate for its intended use, and
- Be representative and of known completeness and comparability.

Data used in the modeling process will be derived from reliable host sources, including the USGS WDFN system for precipitation, stage, and streamflow data, the U.S. Department of Energy ANL for meteorological data, and the NWS for forecast data. USGS streamflow and precipitation data will be collected and published as documented in Rantz (1982) and Office of

Surface Water (OSW) Technical Memorandum 2017.10. All digital data and models will be reviewed by USGS personnel to ensure proper documentation and technical standards documented in OSW Technical Notes 2015.03 and recent OSW guidance for hydraulic modeling studies documented in OSW Technical Notes 2015.37 and 2016.25. The models, modeling results, and data releases will be archived in accordance with OSW Technical Memorandum 2015.01 ([Model Archive Memo](#)). Policies and procedures for archiving Surface-Water data and project information also provided in the Central Midwest Water Science Center data management plans. The project and project budget will be reviewed by USGS management on a quarterly basis to ensure project timelines are met.

Deliverables

USGS ScienceBase data releases will reflect annual updates for the Salt Creek database, West Branch DuPage River database, and Argonne National Laboratory meteorological database. Precipitation, stage, and streamflow data will be archived and available through the USGS WDFN web sites. Code repositories for the HSPF recalibration GUI, FEQ, and FEQUTL will be made available on <https://code.usgs.gov/>.

The columns in the timeline and the budget tables show the federal fiscal years running from October 1 through September 30 of the following year, and the period of this proposal covers the DuPage County fiscal year running from December 1 through November 30 of the following year. Thus, the proposal covers December 2025 in quarter 1 of federal fiscal year 2026 and October and November 2026 in quarter 1 of federal fiscal year 2027.

DIV. OF TRANSPORTATION

Dear Mr. Snyder:

The Illinois Department of Transportation (Department) is in receipt of DuPage County's (County) letter dated December 6, 2018 requesting state financial participation in two locally initiated improvement projects: Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road. The Department has reviewed your request and offers the following information.

The Department will consider state financial participation in the non-federal portion of the payable construction and construction engineering associated with the Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road improvements for approaches currently under the Department's jurisdiction. It is the Department's understanding that the County will be seeking Federal Surface Transportation Program (STP) funding through the DuPage Mayors and Managers Conference, or through the Shared Regional Fund, to allow for full funding of the County's projects.

Based on the cost estimates provided by the County, the anticipated costs for Phase I engineering are provided in the table below. The Department can provide fifty percent (50%) of the cost of the locally initiated Phase I engineering. These amounts can be made available in a program year to correspond with the County's schedule for Phase I engineering. Please note that a qualifications-based selection (QBS) process is required for the procurement of engineering services for federally funded projects.

JN-120-503

JN-120-502

Project Location	Total Cost	County Participation	State Participation
Illinois Route 38 at Naperville Road	\$250,000	\$125,000	\$125,000
US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road	\$350,000	\$175,000	\$175,000

Mr. Christopher C. Snyder, P.E.
December 20, 2018
page two

The Department's anticipated maximum financial participation for the Phase I engineering in these locally initiated improvements shall not exceed \$300,000. Any increase in anticipated state financial participation resulting from refined costs estimated during the project development process must be requested in writing and approved prior to any additional expenditure. This will serve as Letter of Intent and will serve as a basis for the preparation of the future formal intergovernmental agreement for the improvements. The County will continue to act as the lead agency for these improvements and will continue to process this project through the District's Bureau of Local Roads and Streets. Future cost sharing in subsequent phases of work will be contingent upon the availability of federal funds and scope of work on the intersection approaches.

At the end of this letter, there is an area where you can state your concurrence to the state financial participation in this locally initiated improvement. Please indicate your concurrence and return an original signed copy of this letter at your earliest convenience.

If you have any questions or need additional information, please contact me or Mike Sullivan, Area Programmer, at (847) 705-4078.

Very truly yours.

DIV. OF TRANSPORTATION

Dear Mr. Snyder:

The Illinois Department of Transportation (Department) is in receipt of DuPage County's (County) letter dated December 6, 2018 requesting state financial participation in two locally initiated improvement projects: Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road. The Department has reviewed your request and offers the following information.

The Department will consider state financial participation in the non-federal portion of the payable construction and construction engineering associated with the Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road improvements for approaches currently under the Department's jurisdiction. It is the Department's understanding that the County will be seeking Federal Surface Transportation Program (STP) funding through the DuPage Mayors and Managers Conference, or through the Shared Regional Fund, to allow for full funding of the County's projects.

Based on the cost estimates provided by the County, the anticipated costs for Phase I engineering are provided in the table below. The Department can provide fifty percent (50%) of the cost of the locally initiated Phase I engineering. These amounts can be made available in a program year to correspond with the County's schedule for Phase I engineering. Please note that a qualifications-based selection (QBS) process is required for the procurement of engineering services for federally funded projects.

JN-120-503

JN-120-502

Project Location	Total Cost	County Participation	State Participation
Illinois Route 38 at Naperville Road	\$250,000	\$125,000	\$125,000
US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road	\$350,000	\$175,000	\$175,000

Mr. Christopher C. Snyder, P.E.
December 20, 2018
page two

The Department's anticipated maximum financial participation for the Phase I engineering in these locally initiated improvements shall not exceed \$300,000. Any increase in anticipated state financial participation resulting from refined costs estimated during the project development process must be requested in writing and approved prior to any additional expenditure. This will serve as Letter of Intent and will serve as a basis for the preparation of the future formal intergovernmental agreement for the improvements. The County will continue to act as the lead agency for these improvements and will continue to process this project through the District's Bureau of Local Roads and Streets. Future cost sharing in subsequent phases of work will be contingent upon the availability of federal funds and scope of work on the intersection approaches.

At the end of this letter, there is an area where you can state your concurrence to the state financial participation in this locally initiated improvement. Please indicate your concurrence and return an original signed copy of this letter at your earliest convenience.

If you have any questions or need additional information, please contact me or Mike Sullivan, Area Programmer, at (847) 705-4078.

Very truly yours.

- 13.2 The CONSULTANT, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, age, handicap, or national origin, or otherwise commit an unfair employment practice. The CONSULTANT, and sub-consultant(s), shall comply with the provisions of the Illinois Human Rights Act, as amended, 775 ILCS 5/1-101, et seq., and with all rules and regulations established by the Department of Human Rights.
- 13.3 The CONSULTANT, by its signature on this AGREEMENT, certifies that it has not been barred from being awarded a contract or subcontract under the Illinois Procurement Code, 30 ILCS 500/1-1, et seq.; and further certifies that it has not been barred from contracting with a unit of State or local government as a result of a violation of Section 33E-3 or 33E-4 of the Illinois Criminal Code (Illinois Compiled Statutes, Chapter 720, paragraph 5/33E-3).
- 13.4 The CONSULTANT, by its signature on this AGREEMENT, certifies that no payment, gratuity or offer of employment, except as permitted by the Illinois State Gift Ban Act and the County of DuPage Ethics Ordinance, was made by or to the CONSULTANT, or CONSULTANT'S personnel, in relation to this AGREEMENT. The CONSULTANT has also executed the attached Ethics Disclosure Statement that is made a part hereof and agrees to update contribution information on an ongoing basis during the life of the AGREEMENT as required by said Ordinance.

- 13.5 The CONSULTANT covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of the CONSULTANT'S services under this AGREEMENT.
- 13.6 **In accordance with the Vendor Information Reporting Act (35 ILCS 200/18-50.2), the COUNTY is required to collect and electronically publish data from all consultants and subconsultants as to:** (1) whether they are a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/.01 et seq.); and (2) whether the consultant or any subconsultants are self-certifying or whether they hold certifications for those above-referenced categories. - 14.2 The CONSULTANT agrees to submit changes for Scope of Work or compensation on a COUNTY designated form.

15.0 TERM OF THIS AGREEMENT

- 15.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:
- (a) The termination of this AGREEMENT in accordance with the terms of Section 16.0, or

- (c) The completion by the CONSULTANT and the COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before May 31, 2028.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above, or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

16.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, but they shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for services rendered prior to termination. There shall be no termination expenses.

16.3 Upon termination of the AGREEMENT, all data, work products, reports and documents produced because of this AGREEMENT shall become the property of the COUNTY. Further, the CONSULTANT shall provide all deliverables within fourteen (14) days of termination of this AGREEMENT in accordance with the other provisions of this AGREEMENT.

- 17.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

18.0 ASSIGNMENT

- 18.1 Either party may assign this AGREEMENT provided, however, the other party shall first approve such assignment, in writing.

19.0 SEVERABILITY

- 19.2 In the event of the contingency described in Paragraph 19.1, above, the parties shall make a good faith effort to amend this AGREEMENT pursuant to Paragraph 14.1, above, in order to remedy and, or, replace any provision declared unenforceable or invalid.

22.0 WAIVER OF/FAILURE TO ENFORCE BREACH

- 22.1 The parties agree that the waiver of, or failure to enforce, any breach of this AGREEMENT shall not be construed, or otherwise operate, as a waiver of any future breach of this AGREEMENT and shall not prevent the remaining party from enforcing this AGREEMENT with respect to a different breach.

23.0 FORCE MAJEURE

23.1 Neither party shall be liable for any delay or non-performance of their obligations caused by any contingency beyond their control including but not limited to Acts of God, war, civil unrest, strikes, walkouts, fires or natural disasters.

24.0 ACCESS TO PROPERTY

24.1 The CONSULTANT shall make a reasonable effort to obtain access to property of a third party necessary for the performance of its obligations under this AGREEMENT. If the CONSULTANT is unable to obtain access to the property, the COUNTY shall be responsible for securing access for the CONSULTANT. In the event the COUNTY cannot secure access for the CONSULTANT, the COUNTY shall excuse the CONSULTANT from the performance of any work that necessitated such access. The CONSULTANT shall have no claim to compensation for any work excused under this provision. The COUNTY shall provide the CONSULTANT, upon the CONSULTANT'S request, proof of the COUNTY'S permission, or legal authority, to enter onto the property of a third party.

Any and all materials, including wastes that cannot be introduced back into the environment under existing law without additional treatment shall be deemed hazardous wastes, radioactive wastes, or hazardous substances ("Hazardous Substances") related to the services and shall be packaged in accordance with the applicable law by the CONSULTANT and turned over to the COUNTY for appropriate disposal. The CONSULTANT shall not arrange or otherwise dispose of Hazardous Substances under this AGREEMENT. The CONSULTANT, at the COUNTY'S request, may assist the COUNTY in identifying appropriate alternatives for off-site treatment, storage or disposal of the Hazardous

Substances, but the CONSULTANT shall not make any independent determination relating to the selection of a treatment, storage, or disposal facility nor subcontract such activities through transporters or others. The COUNTY shall sign all necessary manifests for the disposal of Hazardous Substances. If the COUNTY requires: (1) the CONSULTANT'S agents or employees to sign such manifests; or (2) the CONSULTANT to hire, for the COUNTY, the Hazardous Substances transportation, treatment, or a disposal contractor for the Hazardous Substances, then for these two purposes, the CONSULTANT shall be considered to act as the COUNTY'S agent so that the CONSULTANT will not be a generator, transporter, or disposer of such substances or considered to be the arranger for disposal of Hazardous Substances.

26.0 QUALIFICATIONS

- 26.1 The CONSULTANT shall employ only persons duly licensed or registered in the appropriate category in responsible charge of all elements of the work covered under this AGREEMENT, for which Illinois Statutes require license or registration, and further shall employ only well qualified persons in responsible charge of any elements of the work covered under this AGREEMENT, all subject to COUNTY approval.

If for any reason, substitution of a key person becomes necessary, the CONSULTANT shall provide advance written notification of the substitution to the COUNTY. Such written notification (Exhibit D) shall include the proposed successor's name and resume of their qualifications. The COUNTY shall have the right to approve or reject the proposed successor.

PROFESSIONAL SERVICES EXCLUDED PER DUPAGE ORDINANCE (SECTION 2-353) AND 50 ILCS 510/2 (ARCHITECTS, ENGINEERS & LAND SURVEYORS)	

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry and responses were received from 29 firms qualified to perform this work. Based on the review of the Statements of Interest, 3 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the firm's understanding of the project, strategies to ensure timely completion of the project, experience on similar projects, experience of key personnel and coordinating projects with multiple agencies. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Civiltech Engineering, Inc. is qualified and has the staff available to perform the work on behalf of the County.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award a contract to Civiltech Engineering, Inc. This is the recommended option. 2. Contract with another firm. Not recommended due to staff's determination that Civiltech Engineering, Inc. is the most qualified. 3. Do not award a contract. Not recommended as the DOT does not possess the staff resources to perform this work and must contract for these services.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."
- 7.9 In the event of any overcharge by the CONSULTANT, the CONSULTANT shall refund the COUNTY within thirty (30) days of discovery of said overcharge by the CONSULTANT or notice to the CONSULTANT by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing the CONSULTANT under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.
- 7.10 Upon acceptance of all deliverables specified in Exhibit A of this AGREEMENT, or as otherwise agreed to by the COUNTY and the CONSULTANT final payment shall be made to the CONSULTANT, including any retainage.

The CONSULTANT shall provide the COUNTY endorsements at the beginning of each year evidencing same or a new carrier policy that has a retroactive date prior to the date of this AGREEMENT.

8.2 It shall be the duty of the CONSULTANT to provide to the COUNTY copies of the CONSULTANT'S Certificates of Insurance, as well as all applicable coverage and cancellation endorsements before issuance of a Notice to Proceed. It is the further duty of the CONSULTANT to immediately notify the COUNTY if any insurance required under this AGREEMENT has been cancelled, materially changed, or renewal has been refused, and the CONSULTANT shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of the CONSULTANT curing any breach of its required insurance

coverage, the COUNTY shall notify the CONSULTANT that the CONSULTANT can resume work under this AGREEMENT. The CONSULTANT shall accept and bear all costs that may result the cancellation of this AGREEMENT due to CONSULTANT'S failure to provide and maintain the required insurance.

- 8.3 The coverage limits required under subparagraphs 8.1.c and 8.1.d above may be satisfied through a combination of primary and excess coverage. The insurance required to be purchased and maintained by the CONSULTANT shall be provided by an insurance company acceptable to the COUNTY, and except for the insurance required in subparagraph 8.1.e licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the limits of the liability specified herein or required by law or regulation whichever is greater; and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least thirty (30) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. If the CONSULTANT is satisfying insurance required through a combination of primary and excess coverage, the CONSULTANT shall require that said excess/umbrella liability policy include in the "Who is Insured" pages of the excess/umbrella policy wording such as "Any other person or organization you have agreed in a written contract to provide additional insurance" or wording to that effect. The CONSULTANT shall provide a copy of said section of the excess/umbrella liability policy upon request by the COUNTY.
- 8.4 The CONSULTANT shall require all approved sub-consultants, anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable under this AGREEMENT to maintain the same insurance required of the CONSULTANT, including naming the COUNTY as an additional insured in the same coverage types and amounts as the CONSULTANT, per Section 8.0. The COUNTY retains the right to obtain evidence of sub-consultants insurance coverage at any time.

9.0 INDEMNIFICATION

- 9.1 The CONSULTANT shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any

loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CONSULTANT'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT.

- 9.2 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officer and employees from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 9.1, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. The COUNTY'S participation in its defense shall not remove the CONSULTANT'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.
- 9.3 Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. The CONSULTANT'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.
- 9.4 The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) or otherwise available to it, or to the CONSULTANT, under the law.

10.0 SATISFACTORY PERFORMANCE

- 10.1 The COUNTY is entering into an AGREEMENT with this CONSULTANT because the CONSULTANT professes to the COUNTY that it will employ the standard of care within its profession in the performance of the services herein contracted. Accordingly, the CONSULTANT'S and sub-consultant(s) standard of performance under the terms of this AGREEMENT shall be that which is to the satisfaction of the COUNTY and meets the quality and standards commonly provided by similar professional engineering firms practicing in the COUNTY and the State of Illinois.
- 10.2 In the event there are no similar professional firms practicing in DuPage County, Illinois, with respect to the type of work for which this CONSULTANT has been engaged, the CONSULTANT'S services shall be performed in a manner consistent with the customary skill and care of its profession.

- 10.3 If any errors, omissions, or acts, intentional or negligent, are made by the CONSULTANT, or its' sub-consultant(s), in any phase of the work, the correction of which requires additional field or office work, the CONSULTANT shall be required to perform such additional work as may be necessary to remedy same without undue delay and without charge to the COUNTY. In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, the CONSULTANT may at the COUNTY'S option have the responsibility to cure same under this provision.
- 10.4 Acceptance of the work shall not relieve the CONSULTANT of the responsibility for the quality of its work, nor its liability for loss or damage resulting from any errors, omissions, or negligent or willful acts by the CONSULTANT or its sub-consultants.

11.0 BREACH OF CONTRACT

- 11.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of the CONSULTANT'S sub-consultants shall be deemed a breach by CONSULTANT subject to the terms of this AGREEMENT.

12.0 OWNERSHIP OF DOCUMENTS

- 12.1 The CONSULTANT agrees that any and all deliverables prepared for the COUNTY under the terms of this AGREEMENT shall be properly arranged, indexed and delivered to the COUNTY as provided in paragraph 6.1. An electronic copy of all applicable deliverables, in a format designated by the COUNTY'S representative, shall be provided to the COUNTY.

- 12.2 The documents and materials made or maintained under this AGREEMENT shall be and will remain the property of the COUNTY which shall have the right to use same without restriction or limitation and without compensation to the CONSULTANT other than as provided in this AGREEMENT. The CONSULTANT waives any copyright interest in said deliverables.
- 12.3 The COUNTY acknowledges that the use of information that becomes the property of the COUNTY pursuant to Paragraph 12.2, for purposes other than those contemplated in this AGREEMENT, shall be at the COUNTY'S sole risk.
- 12.4 The CONSULTANT may, at its sole expense, reproduce and maintain copies of deliverables provided to the COUNTY.

13.0 COMPLIANCE WITH THE LAW AND OTHER AUTHORITIES

- 13.1 The CONSULTANT, and sub-consultant(s), shall comply with Federal, State and Local statutes, ordinances and regulations and obtain permits, licenses, or other mandated approvals, whenever applicable.
- 13.2 The CONSULTANT, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, age, handicap, or national origin, or otherwise commit an unfair employment practice. The CONSULTANT, and sub-consultant(s), shall comply with the provisions of the Illinois Human Rights Act, as amended, 775 ILCS 5/-101, et seq., and with all rules and regulations established by the Department of Human Rights.
- 13.3 The CONSULTANT, by its signature on this AGREEMENT, certifies that it has not been barred from being awarded a contract or subcontract under the Illinois Procurement Code, 30 ILCS 500/1-1, et seq.; and further certifies that it has not been barred from contracting with a unit of State or local government as a result of a violation of Section 33E-3 or 33E-4 of the Illinois Criminal Code (Illinois Compiled Statutes, Chapter 720, paragraph 5/33E-3).
- 13.4 The CONSULTANT, by its signature on this AGREEMENT, certifies that no payment, gratuity or offer of employment, except as permitted by the Illinois State Gift Ban Act and the County of DuPage Ethics Ordinance, was made by or to the CONSULTANT, or CONSULTANT'S personnel, in relation to this AGREEMENT. The CONSULTANT has also executed the attached Ethics Disclosure Statement that is made a part hereof and agrees to update contribution information on an ongoing basis during the life of the AGREEMENT as required by said Ordinance.

13.5 The CONSULTANT covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of the CONSULTANT'S services under this AGREEMENT.

13.6 **In accordance with the Vendor Information Reporting Act (35 ILCS 200/18-50.2),** the COUNTY is required to collect and electronically publish data from all consultants and subconsultants as to: (1) whether they are a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/.01 *et seq.*); and (2) whether the consultant or any subconsultants are self-certifying or whether they hold certifications for those above-referenced categories. If self-certifying, the consultants and subconsultants shall disclose whether they qualify as a small business under federal Small Business Administration standards. **In compliance with the Vendor Information Reporting Act, within 60 calendar days of the COUNTY'S award of the contract for work covered under this AGREEMENT, the awarded consultant, and each subconsultant, must complete the Awarded Vendor Questionnaire.** (found at <https://mwv.dupagecounty.gov/>).

13.7 The CONSULTANT acknowledges knowledge of the COUNTY'S Procurement Ordinance, which is hereby incorporated in this AGREEMENT, and has had an opportunity to review it. The CONSULTANT agrees to submit changes for Scope of Work or compensation in accordance with said Ordinance.

14.0 MODIFICATION OR AMENDMENT

14.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties.

14.2 The CONSULTANT agrees to submit changes for Scope of Work or compensation on a COUNTY designated form.

15.0 TERM OF THIS AGREEMENT

15.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

- (a) The termination of this AGREEMENT in accordance with the terms of Section 16.0, or

- (b) The expiration of this AGREEMENT on October 31, 2028, or to a new date agreed upon by the parties, or
- (c) The completion by the CONSULTANT and the COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before October 31, 2028.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

16.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, but they shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for services rendered prior to termination. There shall be no termination expenses.

16.3 Upon termination of the AGREEMENT, all data, work products, reports and documents produced because of this AGREEMENT shall become the property of the COUNTY. Further, the CONSULTANT shall provide all deliverables within fourteen (14) days of termination of this AGREEMENT in accordance with the other provisions of this AGREEMENT.

17.0 ENTIRE AGREEMENT

- 17.1 This AGREEMENT, including matters incorporated herein, contains the entire agreement between the parties.
- 17.2 There are no other covenants, warranties, representations, promises, conditions or understandings; either oral or written, other than those contained herein.
- 17.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.
- 17.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

18.0 ASSIGNMENT

- 18.1 Either party may assign this AGREEMENT provided, however, the other party shall first approve such assignment, in writing.

19.0 SEVERABILITY

- 19.1 In the event that any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.
- 19.2 In the event of the contingency described in Paragraph 19.1, above, the parties shall make a good faith effort to amend this AGREEMENT pursuant to Paragraph 14.1, above, in order to remedy and, or, replace any provision declared unenforceable or invalid.

20.0 GOVERNING LAW

- 20.1 The laws of the State of Illinois govern this AGREEMENT as to both interpretation and performance.

22.0 WAIVER OF/FAILURE TO ENFORCE BREACH

- 22.1 The parties agree that the waiver of, or failure to enforce, any breach of this AGREEMENT shall not be construed, or otherwise operate, as a waiver of any future breach of this AGREEMENT and shall not prevent the remaining party from enforcing this AGREEMENT with respect to a different breach.

23.0 FORCE MAJEURE

- 23.1 Neither party shall be liable for any delay or non-performance of their obligations caused by any contingency beyond their

control including but not limited to Acts of God, war, civil unrest, strikes, walkouts, fires or natural disasters.

24.0 ACCESS TO PROPERTY

- 24.1 The CONSULTANT shall make a reasonable effort to obtain access to property of a third party necessary for the performance of its obligations under this AGREEMENT. If the CONSULTANT is unable to obtain access to the property, the COUNTY shall be responsible for securing access for the CONSULTANT. In the event the COUNTY cannot secure access for the CONSULTANT, the COUNTY shall excuse the CONSULTANT from the performance of any work that necessitated such access. The CONSULTANT shall have no claim to compensation for any work excused under this provision. The COUNTY shall provide the CONSULTANT, upon the CONSULTANT'S request, proof of the COUNTY'S permission, or legal authority, to enter onto the property of a third party.
- 24.2 In the event of the following: a) it is necessary for the CONSULTANT to access the property of a third party in order for the CONSULTANT to perform its obligations under this AGREEMENT, and b) the COUNTY has obtained an easement, license or other grant of authority allowing the CONSULTANT to access such property; the CONSULTANT shall fully abide by and comply with the terms and conditions of said authorizing instrument as though the CONSULTANT were a signatory thereto.

25.0 DISPOSAL OF SAMPLES AND HAZARDOUS SUBSTANCES

- 25.1 All non-hazardous samples and by-products from sampling processes performed in connection with the services provided under this AGREEMENT shall be disposed of by the CONSULTANT in accordance with applicable law. Any and all materials, including wastes that cannot be introduced back into the environment under existing law without additional treatment shall be deemed hazardous wastes, radioactive wastes, or hazardous substances ("Hazardous Substances") related to the services and shall be packaged in accordance with the applicable law by the CONSULTANT and turned over to the COUNTY for appropriate disposal. The CONSULTANT shall not arrange or otherwise dispose of Hazardous Substances under this AGREEMENT. The CONSULTANT, at the COUNTY'S request, may assist the COUNTY in identifying appropriate alternatives for off-site treatment, storage or disposal of the Hazardous Substances, but the CONSULTANT shall not make any independent determination relating to the selection of a treatment, storage, or disposal facility nor subcontract such activities through transporters or others. The COUNTY shall sign all

necessary manifests for the disposal of Hazardous Substances. If the COUNTY requires: (1) the CONSULTANT'S agents or employees to sign such manifests; or (2) the CONSULTANT to hire, for the COUNTY, the Hazardous Substances, transportation, treatment, or a disposal contractor for the Hazardous Substances, then for these two purposes, the CONSULTANT shall be considered to act as the COUNTY'S agent so that the CONSULTANT will not be considered to be a generator, transporter, or disposer of such substances or considered to be the arranger for disposal of Hazardous Substances.

26.0 QUALIFICATIONS

- 26.1 The CONSULTANT shall employ only persons duly licensed or registered in the appropriate category in responsible charge of all elements of the work covered under this AGREEMENT, for which Illinois Statutes require license or registration, and further shall employ only well qualified persons in responsible charge of any elements of the work covered under this AGREEMENT, all subject to COUNTY approval.
- 26.2 The CONSULTANT'S key personnel specified in the AGREEMENT (Jeff Lange, Project Manager) shall be considered essential to the work covered under this AGREEMENT. Such written notification (Exhibit D) shall include the proposed successor's name and resume of their qualifications. The COUNTY shall have the right to approve or reject the proposed successor.
- 26.3 Failure by the CONSULTANT to properly staff the PROJECT with qualified personnel shall be sufficient cause for the COUNTY to deny payment for services performed by unqualified personnel and will serve as a basis for cancellation of this AGREEMENT.
- 26.4 The CONSULTANT shall require any sub-consultant(s) utilized for the PROJECT to employ qualified persons to be the same extent such qualifications are required of the CONSULTANT'S personnel.
