MEMORANDUM

TO: Nick Kottmeyer, P.E., Chief Administrative Officer
Jeffrey Martynowicz, Chief Financial Officer

FROM: Stephen M. Travia, P.E. *SMT*
Director of Transportation

DATE: December 23, 2024

RE: FY2022-2026 Vehicle Replacement

Attached are purchase requisitions for (2) two vehicle replacements for DuPage County Office of Emergency Management. To meet the operational needs of this department, these vehicles have been requisitioned pursuant to FI-O-0056-22 and DT-R-0306C-22 approved by the County Board on December 12, 2023. These vehicles have been locally sourced and are available to purchase. I am requesting your signature approval for the Division of Transportation to process this purchase order for the FY2025 vehicle replacements. A copy of this packet will be forwarded to the department to be added to their next Parent Committee agenda as informational. The Division of Transportation has confirmed that sufficient funds exist to cover the cost of these vehicle requisitions. Additionally, the DOT has confirmed that the vehicles being replaced have not been replaced in previous requisitions.

<i>Overview</i>			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). (1) Ford F-150 Police Responder Crew Cab for the Office of Emergency Management.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished The DuPage County vehicle replacement policy requires that a vehicle be in service a minimum of 12 years or have a minimum of 150,000 miles, and/or must be assessed by a mechanic prior to being considered for replacement. Each year as part of the budget process, the Division of Transportation will assess and recommend vehicles to be replaced for the upcoming fiscal year. Due to supply chain and reduced inventory, the County Board authorized the Division of Transportation to move forward with FY2023 through FY2026 vehicle replacement recommendations as soon as contract orders open. DOT is purchasing comparable priced vehicles off dealers lot. Current PO's will be decreased/closed if applicable.			

SECTION 2: DECISION MEMO REQUIREMENTS	
DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
OTHER THAN LOWEST BID	

SECTION 3: DECISION MEMO	
SOURCE SELECTION	Describe method used to select source. The Division of Transportation chose Sutton Ford, Inc. in accordance with the DuPage County Procurement Ordinance - Section 2-355 - Circumstances not suitable for bid (extreme supply chain interruption) and DT-R-0306C-22. Available cooperatives are no longer accepting new vehicle orders. Sutton Ford, Inc. has the vehicle available and competitively priced.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award a contract to Sutton Ford, Inc. This is the recommended option as Sutton Ford, Inc. has provided pricing competitive to closed cooperatives and other area dealers.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.
