8. DISCUSSION

Laura pointed out the proposed naming rights & memorials policy/procedure and naming

opportunities document for the new Animal Services building. This document does not require County Board approval as it contains department policy and procedure guidelines. Laura pointed out that in the absence of a policy document for the existing Tree of Love in the shelter lobby, engraved plaques have been hung indefinitely with no clear plan for retiring old plaques and making room for new ones. Laura asked that the committee review the naming rights information included in the packet and provide any feedback. A vote will be taken at the September meeting.

Donations for naming opportunities will be managed by DuPage Animal Friends. Once the Animal Services committee reviews and approves the enclosed naming rights policy, it will then go in front of the DAF board who will ratify it as their own.

Laura and Chair Krajewski informed the committee that the capital campaign feasibility study was conducted with and by professional fundraising agency CCS Fundraising who DAF and Animal Services contracted with at the onset of the capital campaign planning process in 2018.

Laura shared that while many capital campaign funds have been raised, we still have not hit our goal. Chair Krajewski shared that the objective is to raise enough capital campaign funding so that Animal Services financial reserves remain intact and available for expenses that will be encountered by performing operations in a facility twice the size. Laura pointed out that the DAF board is an all-volunteer board. At this time the DAF board is weighing their capacity to hire a professional fundraiser to manage the capital campaign to ensure that it receives the attention this important campaign deserves. More will be known after their budget planning workshop later this month.

10. ADMINISTRATIVE UPDATE

Staff is working on implementing new functionality with the current shelter data software platform. The 24Petcare Conference will help staff to navigate these changes while we aim to enhance efficiency.

Animal Services participated in the Chicagoland Area Chip-In free microchip event on June 24th. The event was a huge success. More than 300 animals were microchipped and registered in a 12 hour period making DCAS the top performing agency out of eleven participating locations. The next closest performing agency microchipped 105 animals. The event was free and open to the public including out of county residents. Laura thanked all who helped spread the word about the event, along with County Security who helped managed traffic lines, Best Friends, 24 PetWatch and DuPage Animal Friends. She especially thanked the volunteers and staff who worked hard to make this first event such a success.

The shelter has seen a sharp increase in the number of animals coming in. The number of animal hoarding cases has already increased sharply - some have been shared publicly, some have not. Staff have been quietly dealing with quite a few cat and small animal hoarders. Animal intakes are up 14% compared to this time last year. Staff are seeing an increase in the number of owner surrender requests for moving, financial hardship, and many unclaimed strays. Intake is typically 50% stray/50% owner relinquished pets. In an effort to avoid having to euthanize healthy adoptable animals for space, staff are doing their best to manage intake and are being very frank with the public by sharing the challenges the shelter is facing. Even if there is an empty cage available, staff still must be mindful of the number of resources needed to care for the animal in that cage. Capacity for care and shelter animal quality of life is very important. To overlook either is not healthy for the people or the animals.

Member DeSart asked about the reference to an increase in animal cruelty investigations under 7B. Laura explained that when Animal Services gets involved in an animal concern that results in seizing or impounding the animal, the animals involved stay in the shelter's care significantly longer than if it were a surrendered or found pet. Unless the owner surrenders the animal(s) to DCAS or the judge orders forfeiture, the animal(s) must be held at the shelter while the legal process plays out. Additionally, animals that are a part of a cruelty case often require medical care that further extends their stay and increases the number of resources needed to care for the animal. Laura shared that on the same day that the 33 dogs from the Glen Ellyn hoarding case arrived, an additional 12 dogs from another case arrived at the shelter. Several dogs from the Glen Ellyn case were near-death when they arrived at the shelter. As a result of the increase in cruelty cases DCAS has experienced a spike not only in personnel costs, but in food and medical expenses as well.

Member DeSart requested from Laura a "wish list" that might include personnel, goods, etc. in light of the recent surge in expenses. Laura stated that she will share some of this when the FY24 budget is presented to the committee.

11. OLD BUSINESS

No old business was discussed.

12. NEW BUSINESS

Member Eckhoff requested to revisit the topic of the 24 Petcare Software Conference out of state travel request and made a motion to review an amended travel request at the September meeting that would reimburse the employee for their hotel, travel and other expenses related to their attendance at the 24 Petcare Software Conference.

13. ADJOURNMENT

With no further business, the meeting was adjourned.

7. DISCUSSION

7.A. [23-2151](#)

Discussion of ordinance banning declawing and devocalization.

Member Garcia joined the meeting at 7:32am.

Chair Krajewski shared with the committee his conversations with HSUS Illinois State Director Marc Ayers regarding new legislation banning cat declawing and dog devocalization (debarking). Similar to the puppy mill ban which wasn't successful at the state level until municipalities demonstrated support for the legislation or enacted their own bans, this legislation would require a similar strategy. At the moment, the Illinois State Veterinary Medical Association has taken a position against any ban on declawing as their members make money from declawing cats. No entities appear to be against banning devocalization of dogs at this time.

DCAS has taken a firm stance against declawing and includes language in adoption contracts advising owners not to declaw their adopted cat(s). Additionally, staff thoroughly counsels adopters on alternative ways of preventing/correcting inappropriate scratching and is always available to offer post-adoption support for clients struggling with this issue.

Chair Krajewski asked ASA Prindle to do some research into how DuPage County might be able to support this legislation as a non-home rule entity. Chair Krajewski stated that he would also like to reach out to home rule municipalities in DuPage County to share the model ordinances included in today's packet.

The committee was unanimously in support of bringing this information to the Legislative Committee for consideration next month.

Member Eckhoff requested that some research be done to identify how declawing bans might affect feline euthanasia rates in areas where they have been enacted. Member Rutledge suggested that language be added to the DCAS adoption contract that states dog devocalization is prohibited. Laura shared that declawing is a much more prolific problem for several reasons. Many veterinarians still perform and even recommend declawing because it is a source of revenue. Also, declawing is a relatively inexpensive procedure. Even pet-friendly landlords will sometimes require that cats living in their units be declawed. Laura also shared that there have been occasions when someone participating in the DCAS low income spay/neuter program have actually paid clinics

directly for their cats to be declawed during their spay/neuter surgery.

 [Legislation - Declaw Only](#)

8. ADMINISTRATIVE UPDATE

Laura thanked the DAF donors and board of directors for making the additional \$25,000 grant possible. DCAS has treated many critical medical cases already this year. These grants and donations are what make it possible for DCAS to never have to say no to an animal in need of extra medical care.

DCAS, in partnership with the Chicagoland Humane Coalition (CHC) and 24 PetHealth, is participating in a 12-hour drive-thru microchip clinic on Saturday, June 24th from 8am-8pm at Animal Services. The goal is to microchip as many animals as possible in an effort to get more found animals home. 24 PetHealth recently launched a website called 24 PetConnect - an online database where the public can view and share lost/found pets. DCAS uses 24 PetHealth shelter software which automatically feeds lost/found pet information to the 24 PetConnect site. 24 PetHealth is providing all of the microchips for the event for free. There are a total of 11 locations around the Chicagoland area participating with some locations offering a 24-hour microchip clinic.

CHC is re-launching the Chicago Dog campaign to create awareness around and adoption of large breed dogs that are historically more challenging to place. New merchandise will be available and the adoption fees of certain dogs 40lbs and over will be waived during the month of June by participating shelters/rescues.

Laura was happy to report that the current shelter population is under 200 animals as of today's date. DCAS has handled several large intakes and hoarding cases already this year. The dog population is currently down to 30 animals thanks to the community that heeded our calls for adopter/foster support when we reached critical capacity and were facing the possibility of having to euthanize for space. DCAS is currently caring for 118 cats and 31 small animals.

Guinea pigs are the new rabbit. DCAS is seeing huge increases in guinea pig intakes. Unfortunately, some of our guinea pigs have contracted ringworm which means even longer lengths of stay while they are treated and cleared for adoption. Staff are pushing guinea pig surrender appointments out, but in several cases, intakes consist of upwards of a dozen at one time.

FY24 budget preparation is underway. We may be looking at possible changes to the fee structure, especially as it relates to veterinary service items and out of county surrender fees. DCAS continues to receive requests for owner surrendered pets from our collar counties who often are directing their residents to contact DuPage County. Our goal is to meet the needs of our residents first, so DuPage County residents are prioritized. However, it is difficult to turn away someone in need. We also don't want people to be left with no other option than to

abandon their animals.

Laura reminded the committee that even with the new shelter renovation, shelter capacity will not be increased. Rather, the expansion will allow for appropriate spaces that are currently not possible given that our current facility is almost always overflowing. There is a nation-wide crisis with shelters all over the country reaching critical capacity.

9. OLD BUSINESS

No old business was discussed.

10. NEW BUSINESS

Sheila demonstrated how plastic six-pack rings can be deconstructed to prevent wildlife from becoming tangled in them.

11. ADJOURNMENT

With no further business, the meeting was adjourned.

	DuPage County Animal Services	Document #: ADM-14-01
		Effective Date: 8/1/2023
	General Operations Manual	Revision Date:
	Donor Recognition and Memorial Policy	Approved By:

Purpose The purpose of this policy is to define the scope, standards, responsibilities, and approach for charitable gift donor naming opportunities and memorials. The DuPage County Animal Services department encourages the use of private philanthropy to enhance animal related services and further Animal Services’ mission. Philanthropy is an integral part of the Animal Services department’s success, aiding its animal care, public outreach, and service activities now and in generations to come. In appreciation and recognition of generous gifts, some donors qualify for naming opportunities. Animal Services also encourages donors to perpetuate their association with compassionate animal care through naming opportunities that honor or memorialize themselves, their families, loved ones, friends, or organizations.

Definitions

- DuPage Animal Friends – a 501(c)3 charitable partner established to solicit donations with the intent of granting it to DuPage County Animal Services or by directly funding requests of the DuPage County Animal Services department.

Policy Philanthropic naming proposals are required to be reviewed by the Veterinarian Administrator and Operations Manager. Once reviewed, proposals will be submitted through the DuPage County Animal Services Committee for final approval. A significant number of the gifts impacted by this policy are pledged to and received by DuPage Animal Friends. DuPage Animal Friends will ratify this policy as their own and will transfer cash donations through the DuPage County Grant process or will provide gifts in-kind in coordination with the Animal Services department. This policy provides:

- Authority to negotiate terms of a named gift, including exclusivity of a naming opportunity or term of years for such recognition;
- Authority to set gift levels for specific naming opportunities as they fit within the larger context of a campaign or project;
- Develop appropriate recognition levels for structured and planned gifts that reflect the present value of a structured gift or the potential of a planned, estate gift.
- Ensure that ethical and legal fundraising practices are followed;
- Drafting the Gift Agreement that must accompany each named gift.

Proposed naming opportunities will be reviewed to ensure the following:

Donor Recognition and Memorial Policy

- Enhances the reputation of the County,
- Conforms with the Animal Services' commitment to serving people and saving animals, while advancing the Animal Services' mission, without endorsing an ideological position or commercial product and/or service.
- Recognizes a reasonable and consistent proportion of the cost of the area or program to be named, as well as other considerations that relate to donor recognition.
- Plaques shall not contain the following content: a) obscene or vulgar language or images; b) references to or images of tobacco, alcohol, drug paraphernalia or illicit substances, or the use thereof; c) with a proprietary component; d) which constitutes a criminal act; e) that promotes, advocates or endorses any criminal, terrorist, seditious, supremacist or segregationist organization or activity; f) that is patently offensive, derogatory or demeaning of any person or persons on account of their race, religion, gender, ethnicity, national origin or sexual orientation; g) that promotes, advocates or endorses any partisan political organization or activity, or which involves electioneering.

Donor naming opportunities are to be determined by the following considerations:

- Proportionate – The naming opportunity must fit well with other areas in terms of giving level and expense to produce the recognition.
- Traffic – The higher the traffic (people using, walking through, or viewing virtually), the higher the dollar amount to recognize as this is greater perceived value by the donor.
- Visibility – This pertains to who is likely to see or use the area and what the value that has for donors.
- Type of Use – the area may have high appeal in terms of how it is used.
- General Appeal – Some areas have naturally high appeal, such as lobbies, building names, space names, and endowments.
- Creativity – Areas may be combined or sub-divided, for instance. Recognition is planned, but opportunities may justify changing aspects of that plan.

Upon approval, Animal Services will administer the implementation of the naming opportunity in collaboration with the donor and the DuPage County Facilities Management.

For a naming opportunity equal to or greater than \$10,000, a donor(s) will present a minimum of 20% of the gift total in cash when a Gift Agreement is executed. Pledges are expected to be paid at least annually for a period of not more than five years.

Stewardship and Maintenance

In such circumstances, the County and DuPage Animal Friends will make a reasonable effort to work with the donor to adjust terms of the gift and pursue other financing opportunities.

Animal Services reserves the right to remove any plaque from public display, and to rescind any prior approvals to install a plaque, in the event the County determines that the continued display of the subject plaque would not be in the County's best interests or the if the agreed-upon philanthropic contributions are significantly reduced. The County shall determine what matters are in its best interest but will specifically consider whether the plaque's honoree engaged in any unlawful, immoral or notorious act.

The Animal Services Committee may revoke a previously approved recognition materials, or direct that a recognition, or portion(s) of a recognition, be removed or relocated, at any time and in the Committee's sole discretion. After the County has incurred expenses ordering goods or performing work the Donor is not eligible for reimbursement or restitution for the revocation of a Recognition. The decisions of the Animal Services Committee regarding this policy are final and not appealable to the County Board.

The duration of a name on any structure ordinarily continues as long as the structure is used in the same manner or for the same purpose for which the naming occurred. Upon demolition, replacement, substantial renovation, or redesignation of purpose, Animal Services may deem that the naming period has concluded. The appropriate Animal Services representative will make all reasonable efforts to inform the donor and his or her representatives in advance when the naming period is deemed to have concluded. Animal Services may, but is not required to, provide for the appropriate recognition of the previous name in or near new and renovated facilities. The donor shall be responsible for keeping their, or their designee's, contact information updated with the Animal Services Management.

All Recognitions installed under this policy become the property of the County of DuPage. In the event a Recognition is damaged by accidents, Acts of God, vandalism or other criminal act, the Recognition, or any damaged component thereof, may be removed, replaced or repaired at the County's discretion. If a plaque can be salvaged, the County will use its best efforts to return it to the donor or donor's designee.

Nothing herein shall prevent the immediate removal of any Recognition deemed by the County to constitute an immediate threat or danger to the public's health, safety or welfare without notice to the donor. This policy specifically includes removing a Recognition tree, without notice to the donor, whenever such tree is infested or diseased and there is a risk of such infestation or disease spreading to other trees.

Donor Recognition and Memorial Policy

County staff charged with carrying out this policy may report to the Animal Services committee from time to time on the effectiveness of this policy, the need to amend the policy and to seek direction on policy matters involving:

- Policy updates;
- Fees;
- Resolution of disputes;
- Financial implications; and
- Other matters as deemed appropriate

EXTERIOR OPPORTUNITIES

- **ADOPTION CENTER** – Thousands of visitors are expected at the adoption center. This serves not only to find positive placement for animals, but other daily business such as the sale of rabies tags and educational and community outreach programs. Prominent signage on the front of the building will last for the useful life of the Facility. **\$1,000,000**
- **INTAKE CENTER** – Thousands of animals are brought to the facility as strays or owner surrendered pets. A separate entrance for admissions and lost/found animals will help the community know where to bring animals to the shelter. Prominent signage at the intake entrance of the building will last for the useful life of the facility. **\$500,000**
- **OUTDOOR DOG PLAY YARD** – Dogs will get plenty of outdoor play time and a dedicated space to meet prospective adopters in this spacious play yard, complete with agility equipment and other enrichment items. Benches will be located inside the yard. Prominent signage will be placed on the exterior fence line and the interior doorway for the useful life of the Facility. **\$500,000**

ADDITIONAL EXTERIOR OPPORTUNITIES

- **MEMORIAL BENCHES** – Located around the exterior of the building will be benches for the public to sit and enjoy their time with a pet as well as benches in the dog runs. Bronze plaques installed with new benches shall be installed flush-inset on the back support of the bench. Such plaques shall be kept for a ten (10)-year recognition period. **\$5,000/bench**
- **MEMORIAL TREES WITH MARKER** – If trees could talk, they would tell the stories of all the happy pet adoptions, reunions of owners with lost pets, and the physical and emotional healing that happens within the walls of the shelter. These trees will be planted around the exterior of the shelter. A bronze plaque shall be installed mounted to a memorial stone placed near the base of the tree. Such plaques shall be kept for a ten (10)-year recognition period. **\$2,500/tree**

INTERIOR OPPORTUNITIES

Such plaques shall be kept for a ten (10)-year recognition period. **\$10,000**
- **CAT CONDO** – Cats will have spacious condos with an opportunity to acknowledge your donation above the condo door. An engraved plaque will be prominently displayed on the condo door. Such plaques shall be kept for a ten (10)-year recognition period. **\$2,500/each**
- **SMALL ANIMAL ROOM** – The new shelter will have a room dedicated to the hundreds of small animals we see each year. Many of these animals are prey animals and should be housed away from the predator sounds of dogs and cats. Rabbits, guinea pigs, hamsters, gerbils, and other small critters will have a safe, comfortable place to wait for their forever homes. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$10,000**
- **DOG ADOPTION ROOM** – Prospective adopters and visitors will walk through this room to hopefully meet their new best friend. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$10,000**
- **DOG PRE-PLACEMENT ROOMS** – Dogs will have a comfortable, quiet space to decompress upon intake while they either wait to be reunited with their owner or are evaluated for health and behavior. Designed with good air quality, natural lighting, and enrichment items. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$10,000**
- **DOG KENNEL** – Dogs will have spacious kennels with internal doors to allow more than one kennel space. An engraved plaque will be prominently displayed above the kennel door. Such plaques shall be kept for a ten (10)-year recognition period. **\$2,500/each**
- **SURGERY/WELLNESS SUITE** – Performing thousands of procedures and exams per year, this suite allows for us to provide the best care possible. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a twenty (20)-year recognition period. **\$50,000**
- **SURGERY CAT WARD** – Cats recovering from surgery or other procedures need a quiet place to be monitored. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$10,000**

PHASE II RECOGNITION OPPORTUNITIES - DRAFT

- **EDUCATION AND MULTI-PURPOSE ROOM** – This flexible space will be a hub of activity for volunteer orientations, educational programs, pet training classes, meetings and birthday party rentals, and more! Such plaques shall be kept for a twenty (20)-year recognition period. **\$25,000**
- **ADOPTION COUNSELING ROOM** – Helping a family find the perfect pet pick is important to us. Having an indoor space to allow meaningful conversations and exciting introductions to new animals is important in making that magical match. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$5,000**
- **INTAKE COUNSELING ROOM** – Surrendering a pet is never an easy thing. We believe that it is in the best interest of the pet and the person to have a dedicated, private space to have honest conversations about the challenges that lead a person to surrender. This gives us an opportunity to offer resources to keep the pet or get as much reliable information as possible so we can set that pet up for success when rehoming it. This is a safe space, free of judgement. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$5,000**
- **VOLUNTEER CENTER** – We can't do this without the help of our amazing volunteers. Our current facility doesn't even provide them a place to hang up their coats. The new volunteer center will be equipped with lockers, a break table, and be a welcoming environment that truly shows them how much we appreciate the lifesaving work they do along side us. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$10,000**
- **GROOMING STATION** – So many of the stray animals we receive are in desperate need of a good bath and groom. This grooming station allows us to get them the spay day they deserve. An engraved plaque will be prominently displayed above the grooming tub and table area. Such plaques shall be kept for a ten (10)-year recognition period. **\$2,500**
- **KITCHEN/BREAK ROOM** – In order to provide the best care, we strive to be the best place to work so we attract the most dedicated and talented staff. Those staff members deserve to have a dedicated space to rest, eat and decompress from the hard work of saving animals. The kitchen will also serve to be a food prep area for our community events and training activities. An engraved plaque will be prominently displayed at the entry door to the room. Such plaques shall be kept for a ten (10)-year recognition period. **\$5,000**
