ARTICLE I
INCORPORATION OF RECITALS

Such recitals are hereby incorporated into and made a part of this Agreement as though fully set forth in this Article I.

ARTICLE II
GENERAL PROVISIONS

A. **APPLICABILITY OF THIS AGREEMENT:** All zoning, construction and development upon the Property shall be undertaken in conformance with the requirements of this Agreement. The codes, ordinances, resolutions, rules, regulations and standards generally in force,

from time to time, within the City shall regulate the relationship and governance of the parties not specifically addressed by this Agreement, by way of example, liquor control.

B. TERM: The Initial Term of this Agreement shall be for five (5) years (the “Initial Term”) from the date the last Party authorizes its execution (the “Effective Date”). Following the Initial Term, this Agreement shall automatically renew on the fifth (5th) anniversary of its Effective Date for successive five (5) year terms (individually “Subsequent Renewal Term”) without the need for further action by the Parties unless otherwise terminated in accordance with Section II.C. below.

C. TERMINATION: Either Party may terminate this Agreement by giving 365 days’ written notice to the other Party. Such termination notice shall be accompanied by a resolution or ordinance by that Party’s governing body declaring the Party’s intention to terminate this Agreement. In the event of termination of this Agreement, the County shall retain oversight for any work, construction, alteration, remodeling, or demolition of any building, structure or improvement (project) for which a permit has been issued but not yet completed prior to the termination notice. Following termination of this Agreement, the Property shall be subject to all of the City’s ordinances, codes, resolutions, rules, regulations and standards.

ARTICLE III **ZONING**

A. ZONING GRANT: The Property has heretofore been zoned and classified within the City’s Zoning Ordinance (“Zoning Ordinance”). The City has held a public hearing to review the Zoning Ordinance attached hereto and incorporated herein as Attachment “2” creating a DuPage County Governmental Campus District (“County District”). Within 90 days after the governing bodies of both Parties approve this Agreement, the Wheaton City Council will vote on

whether to amend its Zoning Ordinance to create the County District. If the City does not amend its Zoning Ordinance to create the County District, this Agreement shall automatically terminate.

B. ZONING APPROVAL PROCESS: The County shall receive and process applications for zoning requests relating to the Property and provide copies to the City. The County has the authority to issue approvals for the Permitted Uses identified in the County District. With respect to applications for special uses and variations, the County shall follow the procedures set forth in the Zoning Ordinance. However, the County shall conduct the required hearing procedures referred to in section 5.8 of the Zoning Ordinance as may be amended from time to time, but the City shall have final authority to approve, with or without conditions, or deny any such applications. Following any hearing conducted by the County, the County shall forward to the City the record, which includes, but is not limited to the application, plans, memoranda, a transcript of the hearing (the "Hearing Documents"), within thirty (30) days of the date of the hearing, for consideration by the City Council. The City Council will vote to approve, with or without conditions, or deny any such applications within thirty (30) days of receipt of the Hearing Documents from the County.

Authority for text amendments to the Zoning Ordinance shall remain solely the authority of the City. Except as modified by this Agreement and the County District zoning Article in the Zoning Ordinance, all other provisions of the Zoning Ordinance remain applicable and in full force and effect as they relate to the Property.

C. PRIOR DEVELOPMENT: The Parties agree that all existing development on the Property has been permitted under the Zoning Ordinance.

B. POLICE PROTECTION: The Property shall be governed by all applicable state, county and local laws not inconsistent with this Agreement. As of December 1, 2025, the DuPage County Sheriff's Office ("Sheriff's Office") shall be responsible for enforcement of the provisions of state and County and local laws on the Property. In the case of an inability to resolve the issue, the Parties shall jointly choose and hire, at the County's expense, within fourteen (14) days of written notice by either Party that it believes the Parties cannot resolve the issue, an independent third-party architect to make a binding ruling to resolve the issue.
