AMENDMENT TO RESOLUTION DT-R-0030-24
TO ALLIANCE CONTRACTORS, INC.
2024 RETAINING WALL REPAIR PROGRAM
SECTION 23-RETWL-04-MS
(INCREASE \$104,312.20, + 29.4%)

WHEREAS, the DuPage County Board heretofore adopted Resolution DT-R-0030-24 on August 13, 2024; and

WHEREAS, a contract was awarded by County Board Resolution DT-R-0030-24 to Alliance Contractors, Inc. for the 2024 Retaining Wall Repair Program, Section 23-RETWL-04-MS; and

WHEREAS, changes to the contract plans, pay items and/or contract quantities were necessary due to field conditions, as listed on the attached "Supporting Data for Amendment"; and

WHEREAS, to satisfy a previous agreement with an adjacent property owner it was necessary to add additional landscape material at one project location; and

WHEREAS, in order to comply with the Railroads safety regulations and access requirements for working adjacent to their property it was necessary for Alliance Contractors, Inc. to obtain a Railroad Permit and additional insurance; and

WHEREAS, an additional project location was included in the program budget, designed, and included in the original contract plans, but was eliminated prior to bidding due to Right-of-Way acquisition being incomplete; and

WHEREAS, during the course of the contract the Right-of-Way was acquired, and as the Contractor has agreed to extend the contract bid prices to the additional project location the Division of Transportation has determined it is in the best interest of the County to add the additional project location to the existing contract; and

WHEREAS, an adjustment in funding is in the best interest of the County and is authorized by law.

NOW, THEREFORE, BE IT RESOLVED that the DuPage County Board adopt this Amendment to Resolution DT-R-0030-24, issued to Alliance Contractors, Inc., to increase the funding in the amount of \$104,312.20, resulting in an amended contract total amount of \$459,116.20, an increase of 29.4%.

**AMENDMENT TO RESOLUTION DT-P-0154A-22
AGREEMENT BETWEEN THE COUNTY OF DU PAGE AND KNIGHT E/A, INC.
PROFESSIONAL PHASE II DESIGN ENGINEERING SERVICES
FOR IMPROVEMENTS ALONG CH 21/FABYAN PARKWAY
FROM ILLINOIS ROUTE 38 TO THE COUNTY LINE
SECTION 08-00210-03-FP
(INCREASE \$75,452.66 +9.37%)**

WHEREAS, the DuPage County Board heretofore adopted Resolutions DT-P-0154A-22 on August 13, 2024 and DT-P-0154-22 on May 10, 2022, which approved a Local Public Agency Engineering Services Agreement between the County of DuPage and Knight E/A, Inc. (hereinafter referred to as CONSULTANT), to provide Professional Phase II Design Engineering Services for improvements along CH 21/Fabyan Parkway, from Illinois Route 38 to the County Line, Section 08-00210-03-FP; (hereinafter referred to as the AGREEMENT); and

WHEREAS, the current cost of said contract to the County of DuPage, by and through the Division of Transportation is \$805,354.66; and

WHEREAS, it has been determined that the existing drainage infrastructure adjacent to Fabyan Parkway cannot meet the current detention requirements for this project; and

WHEREAS, additional engineering work is needed to design a suitable alternative solution addressing the drainage needs for the roadway improvements, which were not included in the original scope of the contract; and

WHEREAS, the Transportation Committee recommends a change order to increase the contract in the amount of \$75,452.66 +9.37%, resulting in an amended contract total amount of \$880,807.32.

NOW, THEREFORE, BE IT RESOLVED, that the DuPage County Board adopt this Amendment to Resolution DT-P-0154A-22, issued to Knight E/A, Inc., to increase the contract in the amount of \$75,452.66 +9.37%, resulting in an amended contract total amount of \$880,807.32, a cumulative increase of 20.83%, and

BE IT FURTHER RESOLVED that four (4) original copies of this amending Resolution and AGREEMENT be sent to the STATE and one (1) original copy of this amending Resolution and AGREEMENT be sent to the CONSULTANT, by and through the DuPage County Division of Transportation.

Requesting Department: Division of Transportation	Department Contact: Dan Nowak
Contact Email: daniel.nowak@dupagecounty.gov	Contact Phone: 6909
Vendor Name: Knight E/A, Inc.	Vendor #:

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

The DOT has determined that the contract issued to Knight E/A, Inc. for Professional Phase II Design Engineering Services for the CH 21 / Fabyan Parkway from IL 38 to County Line requires additional work beyond the original scope of the project resulting in an increase to the contract in the amount of \$75,452.66.

Increase the upper limit of the contract by \$75,452.66.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

The Fabyan Parkway - IL 38 to County Line project is progressing through Phase II engineering. During the development of the Phase II plans, it was determined that the project's use of the Kress Creek Reservoir for detention and compensatory storage would require additional modeling and permitting in order to determine if the reservoir had the additional capacity needed for the project. This would cause the project to be delayed an indefinite amount of time. In order to keep the project on schedule, a new detention and compensatory design needs to be pursued within the project site. This will require the plans, specifications, estimates, and stormwater permit to be updated by Knight E/A, Inc. Additionally, during the development of the Phase II plans, the DOT received notice from the FAA that the original Aeronautical Study has expired and a new Aeronautical Study must be submitted and approved in order for construction to commence. All of this work is not included in the original scope of the contract.

Original Source Selection/Vetting Information - Describe method used to select source.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry. Statements of Interest were received from 24 firms. Based on the review of the Statements of Interest, 3 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the qualifications of the firm and understanding key issues of the project, experience of the firm and key personnel on similar projects, and any strategies to ensure timely completion of the phase I updated and design phase are met. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Knight E/A, Inc. was most qualified and had the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

1. Supplement the contract to Knight E/A, Inc. This is the recommended option.
2. Contract with another firm. Not recommended due to staff's determination that Knight E/A, Inc. is the most qualified to perform this work and has been awarded a design engineering contract for this work.
3. Do not supplement the current contract. Not recommended as the DOT does not possess the staff resources or the technology to perform this work and must contract for these services.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

The FY25 fiscal impact for this supplement is anticipated to be \$75,452.66. The DOT has sufficient funds to account for this increase.

SCOPE OF WORK

Proposed improvements to Fabyan Parkway (CH 21) from IL 38 to the County Line, Section 08-00210-03-FP, are anticipated to include two 12-foot thru lanes in each direction separated by an 18-foot barrier median, with dual left turn lanes and a right turn lane in both directions at the intersection of Fabyan Parkway and Technology Boulevard. Additional scope includes a multi-use path on the south side of Fabyan Parkway between Technology Boulevard and McChesney Road, a combination of open and closed drainage, and the replacement of the double box culvert at Kress Creek.

The proposed limits of construction will extend from approximately eight hundred feet west of IL 38 to the DuPage/Kane County line. The limits of improvement measure approximately 8,000 feet.

During the development of the Phase II plans, after the prefinal submittal, meetings were held with DuPage County Stormwater Management (Stormwater) and the City of West Chicago to discuss the project's use of the Kress Creek Reservoir for detention and compensatory storage for the Fabyan Parkway Project and general project detention and compensatory storage requirements. There was prior discussions during Phase I that would have allowed excess capacity of the reservoir to be use for the roadway detention and compensatory storage. From the meetings with Stormwater and West Chicago, additional modeling and permitting would be required in order to determine if the reservoir had the additional capacity needed for the roadway project. DuPage County decided that in order to keep the project on schedule, they would pursue a design that provides detention and compensatory storage on the project site. New detention calculations, new compensatory storage calculations, revised plans, right-of-way analysis, new/revised quantities, and revised stormwater permit application will be required meeting the City of West Chicago requirements will be required.

During the development of Phase II plans, after the prefinal submittal, DuPage County Division of Transportation received notice that the Aeronautical Study which was submitted in 2009 was expired and con not be extended. A new Aeronautical Study must be submitted and approved in order for construction to be allowed. Filing of Form 7460-1 and location exhibit is required in order to obtain a Determination of No Hazard to Air Navigation Letter for this project.

Knight proposes to perform the following supplemental Phase II Engineering services. These services are in addition to the services provided in the original agreement dated May 10, 2020 and Amendment 1 dated August 29, 2024 . The attached Workhour Estimate and CECS provide additional detailed information in a similar order as provided below.

Stormwater Detention and Compensatory Storage Determination and Analysis

Fabyan Parkway will need detention and compensatory storage provided for the increased imperviousness and fill in the floodplain from the widening and reconstruction. Previously, the volumes for this were assumed to be provided in the Kress Creek reservoir, which is unknown if it is presently available to be used. Because of this, a new concept and analysis is needed for detention and compensatory storage. Additionally, the Stormwater Permit application which was developed for the Kress Creek Reservoir for submittal to DuPage County Stormwater Management will need to be modified to reflect the new concept/analysis and to be submitted to the City of West Chicago. Knight will provide the following:

- o Outlet evaluation of all six outlets
- o Calculate pre- and post-development runoff rates using NRCS Curve Number and TR-55 methods
- o Delineate drainage subbasins
- o XPSWMM model setup for existing and proposed conditions for all six outlets
- o Size outlet structure to meet release rate criteria
- o Design overflow spillway to prevent upstream flooding
- o Attempt to locate detention in available ROW thru oversized ditches and/or storm sewers
- o Attempt to locate Compensatory Storage volume in available ROW to accommodate floodway fill
- o Recommend necessary revisions to right of way and/or easements to accommodate detention and compensatory storage areas.
- o Prepare technical memorandum that documents the results and recommendation
- o Coordinate with DuPage County and West Chicago and Prepare a Disposition of Comments to address comments.
- o Revise Proposed Drainage Plans and Profiles, Drainage Schedules
- o Develop Detention Basin and Outlet Control Details
- o Develop Detention Basin Grading
- o Develop Detention volume calculations to show what is required
- o Develop Compensatory Storage Calculations to show what is required
- o Develop a concept plan that reflects the Detention and Compensatory Storage, requirements
- o Revise the Stormwater Permit Application to reflect the new concepts
- o Provide City of West Chicago site development permit application.

Deliverables: Detention and Compensatory Storage Calculations and Concept Plan, Revised Stormwater Permit Application, City of West Chicago Site Development Permit Application.

PreFinal Plan Resubmittal

Based on the findings of the Stormwater Detention Analysis, Plans, Specifications, and Estimates will be revised to reflect the requirements of the Stormwater Detention and Compensatory Storage Analysis. Additionally, grading of the southern shoulder area from Kress Creek to the Poorman development for a future multi-use path shelf will be investigated and provided if feasible. We anticipate the following will be revised:

Sheets to have design updates:

Summary of Quantities	4 sheets
Schedules	5 sheets
Maintenance of Traffic	6 sheet
Erosion Control Plans	15 sheets
Drainage Plans	15 sheets
Drainage Schedules	8 sheets
Landscaping Plans	15 sheets
Cross Sections	60 sheets
Plan Detail for Comp. Storage	1 sheet (new)
Outlet Control Structures Details	1 sheet (new)

Sheets that will have updates due to revised ROW, easements, structures, pipes, etc:

Removal Plans	15 sheets
Plan and Profiles	15 sheets
Maintenance of Traffic	68 sheets
Pavement Marking and Signing Plan	15 sheets
Temporary Traffic Signal Plan	6 sheets
Traffic Signal Plans	2 sheets
Lighting Plans	15 sheets

Specifications will need to be updated for new pay items

Cost Estimate will need to be updated for quantity revisions

Deliverables: Knight will provide revised plans, specifications, and cost estimate reflecting the changes associated with the detention and compensatory storage changes identified in the previous task.

Aeronautical Study

Due to the expiration of the 2009 Aeronautical Study, a new submission is required to the FAA. Knight will prepare FAA Form 7640-1 along with a location exhibit on a USGS 7.5 minute Quadrangle Map and submit to the FAA for review. The expected result of this is a Determination of No Hazard to Air Navigation Letter, since nothing has changed since the 2009 submittal. One round of comments and resubmittal is included in this work.

Deliverables: Knight will submit FAA Form 7640-1 and location exhibit. Knight will respond to one round of comments and resubmit the required documents in order to obtain a Determination of No Hazard to Air Navigation Letter.

Coordination

Meetings with DuPage County Stormwater Management, City of West Chicago, and DuPage County are needed to discuss the projects path forward regarding the change in stormwater design. Knight will or has attended three (3) meetings and will/has prepared agendas and meeting minutes.

Assumptions

All assumptions from the original agreement and Amendment 1 are still in effect. There are no new general assumptions, other than what is outlined in the proposed items above.

QC/QA

All work shall be completed to meet current IDOT and DuPage County policies, procedures and standards and reviewed according to Knight quality control and quality assurance procedures.

The DuPage County Procurement Ordinance requires the following written disclosures prior to award:

1. Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the county resulting in an aggregate amount at or in excess of \$25,000, shall provide to Procurement Services Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor within the current and previous calendar year to any incumbent county board member, county board chairman, or countywide elected official whose office the contract to be awarded will benefit. The contractor, union or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions

☒ **NONE (check here) - If no contributions have been made**

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future county contracts.

Continuing disclosure is required, and I agree to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner
- 30 days prior to the optional renewal of any contract
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments

Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.).

Recommendation for the approval of a contract purchase order to Cintas Corporation., to furnish and deliver rental of mechanics uniforms, floor mats and medical supplies for the Division of Transportation, for the period September 12, 2025 through August 31, 2026, for a contract total not to exceed \$15,000.00; contract pursuant to the Intergovernmental Cooperation Act (OMNIA Contract #222886).

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished

Employee uniforms are necessary to identify County Employees and to supply employees with safety clothing and apparel while performing the day to day operations of the Division of Transportation. First aid supplies help staff respond effectively to common injuries and emergencies. Floor mat rentals capture dirt and liquids to protect flooring and provide a safe surface to walk on near entryways.

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.

DECISION MEMO REQUIRED Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.

COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. This contract was setup using the cooperative OMNIA Contract #222886.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. DOT staff recommends issuing a purchase order to Cintas Corporation, using the OMNIA Contract #222886. 2. The OMNIA cooperative has proven to be cost savings over going out for bid.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

CONTRACT OFFICER: SALVADOR SERVIN III

Rental of Uniforms, Floor Mats, Mops, Towels, and Related Services

THIS CONTRACT IS AMENDED AS FOLLOWS:

ITEM ONE (1): PRICE ADJUSTMENT

In accordance with Contract Special Terms and Conditions, Section F.6., "Price Adjustment", the City hereby accepts the proposed price adjustment. The pricing shall be replaced in its entirety per the attached price pages for the period of September 12, 2025 through August 31, 2026.

The City of Tucson authorizes a 2.4% price adjustment increase to all contract items per Attachment A, attached below.

All non-contracted items are subject to the price adjustment and are priced pursuant to the structure detailed in the Contract # 222886-01.

ITEM TWO (2): STANDARD TERMS AND CONDITIONS ADDITION

In accordance with Contract, "Standard Terms and Conditions", Subsection "Prevention of Heat-Related Illnesses and Injuries" the City hereby adds the following language upon execution of this addendum:

H.44. PREVENTION OF HEAT-RELATED ILLNESSES AND INJURIES

If Contractor's employees or contract workers will perform work under this Contract in an outdoor environment, Contractor must have and implement a written plan listing the preventative and proactive measures that Contractor will take to protect those employees and contract workers from heat hazards (the "Heat Safety Plan") while performing that work. The City may request a copy of this Heat Safety Plan and documentation of all heat safety and mitigation efforts currently implemented by Contractor to prevent heat-related illnesses and injuries for work done under this Contract. The Heat Safety Plan must also be posted where it is accessible to employees. At a minimum, the Heat Safety Plan must include each of the following elements as it relates to heat safety:

1. Availability of sanitized cool drinking water free of charge at locations that are accessible to all employees and contract workers.

2. Ability to take regular and necessary breaks as needed and additional breaks for hydration.

3. Access to shaded areas and/or air conditioning.

4. Access to air conditioning in vehicles with enclosed cabs.

5. Effective acclimatization practices to promote the physiological adaptation of employees or contract workers newly assigned or reassigned to work in an outside environment.

6. Training of employees and contract workers, no later than one week prior to being deployed to work in an outdoor environment, on heat illness and injury that focuses on environmental and personal risk factors, prevention, how to recognize and report signs and symptoms of heat illness and injury, how to administer appropriate first aid measures, and how to report heat illness and injury to emergency medical personnel.

7. The posting of signage at the job site that contains information, in both English and Spanish, explaining how to (a) recognize and report signs and symptoms of heat illness and injury; (b) administer appropriate first aid

measures, and (c) report heat-related illness and injury to emergency medical personnel. The signage must also include a phone number for reporting heat violations to OSHA/ADOSH.

8. Providing written notification to all employees and contract workers regarding their new worker protections under this provision. This notification shall be provided to existing employees and during the onboarding process for new employees. The notification shall be provided to each worker in the language preferred by that worker and must be posted in the workplace.

Contractor will incorporate this section in all subcontracts with subcontractors or other entities or individuals who may perform work under this Contract, including the requirement that those subcontractors impose the same obligations under any sub-subcontractors. It is the obligation of Contractor to ensure compliance with this provision by its subcontractors. City may terminate this Contract for failure to comply with this provision.

REQUIRED VENDOR ETHICS DISCLOSURE STATEMENT

Section I: Contact Information

Please complete the contact information below.

BID NUMBER:	222886
COMPANY NAME:	Cintas Corp
CONTACT PERSON:	Jeremy Jordan
CONTACT EMAIL:	jordanj4@cintas.com

Section II: Procurement Ordinance Requirements

Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the County, shall provide to the Procurement Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor to any incumbent County Board member, County Board chairman, or Countywide elected official whose office the contract to be awarded will benefit within the current and previous calendar year. The contractor, union, or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors, and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

Has the Bidder made contributions as described above?

☐ Yes

☒ No

If "Yes", complete the required information in the table below.

RECIPIENT	DONOR	DESCRIPTION (e.g., cash, type of item, in-kind services, etc.)	AMOUNT/VALUE	DATE MADE

All contractors and vendors who have obtained or are seeking contracts with the County shall disclose the names and contact information of their lobbyists, agents and representatives and all individuals who are or will be having contact with county officers or employees in relation to the contractor bid and shall update such disclosure with any changes that may occur.

Section III: Violations

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments

Overview			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Game Changer, a portable traffic data collection system for highways, roads, intersections, and round-a-bouts, with near real time access to all vehicle, pedestrian, and bicycle classifications, counts, speed, and traffic data.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished This traffic data collection system will deliver Automated Pedestrian and Bicycle Counts, Automated Turning Movement Counts, Vehicle Volume, Speed, and Classification with no additional labor effort to transfer or post-process a video file to achieve report of desired traffic data collection.			

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
SOLE SOURCE PER DUPAGE ORDINANCE, SECTION 2-350 (MUST FILL OUT SECTION 4)

DECISION MEMO REQUIRED Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action).

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement. SOLE PROVIDER OF A LICENSED OR PATENTED GOOD OR SERVICE
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific. Rhythm Engineering is the sole manufacturer and provider of the Game Changer. It is not manufactured, licensed or distributed by any other entity. The Game Changer equipment and associated services, eliminates labor intensive parts of field data collection by automatically processing traffic data and making data available by web download.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not. Market Not tested, Vendor solution offers an alternate data processing solution that functions as a (unlimited-use) 12 month subscription instead of paying to process video by each hour processed. Solution's included subscription is believed to be better for DOT operations (reduced labor per study) and will be verified during first 12 months of use.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted. Game|Changer

Portable, Battery-Powered, AI Traffic Data Collector

Proposal for

DuPage County, IL

Prepared for:
Stephen Zulkowski

From the desk of: Reggie Chandra.

Dear Mr. Stephen Zulkowski:

Thank you for your interest in Rhythm Engineering's traffic solutions.

Per your request, I am attaching a proposal for procuring an AI-powered, portable, battery powered, turning movement counting solution for DuPage County, IL. This solution is powered by artificial intelligence and helps you collect data round-the-clock. The system processes the data in the field and is capable of transmitting the data over a cellular modem to the cloud.

This proposal recommends **Game|Changer**, our advanced and portable data collection system, as the ideal solution to address your data collection challenges. The proposed solution is a battery-powered system designed to deliver precise, real-time insights into pedestrian, bicycle, and vehicle movements, empowering you to optimize traffic flow and enhance safety effectively. Game|Changer provides the comprehensive functionality, including:

- **Automated Pedestrian and Bicycle Counts:** Game|Changer captures accurate pedestrian and bicycle counts using a high-resolution 4 MP camera and edge-based video processing, enabling precise monitoring of multimodal traffic.
- **Automated Turning Movement Counts:** With its advanced video analysis capabilities, Game|Changer offers precise turning movement counts at intersections, allowing you to track vehicle movements and enhance intersection performance.
- **Vehicle Volume, Speed, and Classification:** Game|Changer can measure vehicle volume, speed, and classification data, delivering robust insights to support data-driven traffic management and safety improvements.

Additional key benefits of the **Game|Changer**, our proposed solution, include:

- **Streamlined Setup and Scheduling:** Designed for quick and intuitive deployment, the **Game|Changer** features a user-friendly configuration interface. Staff can specify operational days and times, allowing for targeted data collection with minimal time on-site. This simple setup process reduces labor costs and improves study efficiency.
- **Dependable Power and Portability:** Featuring a rechargeable battery system, **Game|Changer** offers extended operational periods with minimal recharging requirements. Its compact and durable design allows for deployment across multiple sites, making it adaptable for short- and long-term studies.

We believe that **Game|Changer**, our proposed solution, perfectly aligns with the DuPage County, IL's objectives in traffic management. This solution provides the precision necessary for high-quality data

and significantly saves time and cost, supporting your goals for safer and more efficient urban mobility.

The counts are collected in a database for seamless analysis and timing plan generation + near miss analytics coming in the fall of 2025.

I am looking forward to connecting with you soon.

Sincerely,

**UNLIMITED TRAFFIC DATA,
UNBELIEVABLE VALUE**

PORTABLE | POWERFUL | AFFORDABLE

AI-POWERED TRAFFIC DATA COLLECTION & SIGNAL OPTIMIZATION

- **Pedestrians, bicycles, vehicles** with classification.
- **Unlimited data**, no hourly processing fees.
- **Real-time insights** for smarter traffic management.
- **Extraordinarily Economical:** Collect data around the clock for just pennies an hour.
- **Simplify your workflow** by eliminating manual video uploads and human counting.
- **Proven, award-winning technology** trusted by leading traffic professionals.

Advanced Technology

AI TRAFFIC DATA COLLECTION MADE SIMPLE

- Effortless one-person field installation in under 7 minutes.
- AI edge-processing: Zero manual video uploads.
- Immediate cloud data transmission via cellular.
- Collects comprehensive data: vehicles, pedestrians, bicycles, classifications, and speeds.
- Collects, Processes, and Transmits data near-real-time.

VERSATILE APPLICATIONS

Game-Changing Benefits

UNLIMITED DATA COLLECTION, EXCEPTIONAL AFFORDABILITY

Unlimited, 24/7/365 data at an unbeatable \$0.39/hour.

Near-instant data availability for informed decisions.

Accurate pedestrian and bicycle counts to enhance safety and planning.

Over 30 interactive charts and deep analytics dashboards.

Seamlessly generate optimized traffic signal timing plans.

Extendable battery supports up to 100 hours of field analysis.

Time-of-day scheduling flexibility for targeted data insights.

Precise speed study capability for informed infrastructure decisions.

MASSIVE SAVINGS, MAXIMUM EFFICIENCY

- No costly hourly data processing fees.
- Dramatically reduced human resource requirements.
- Complete field processing reduces overall workflow complexity.
- Pays for itself after just one field deployment - enjoy free counts for the rest of the year!

Real Results, Real Savings

INDUSTRY-ACCLAIMED SOLUTION

Recognized as the "Best ITS Implementation Project" by ITS Arizona, 2022.

TRUSTED TESTIMONIALS

"It just makes it easier, because now you have real numbers to look at."

Game|Changer HARDWARE SPECIFICATIONS Version 1.0

Game|Changer is the most advanced AI-based data collection solution on the market and provides immediate results with a GPU at the edge and cellular connectivity.

FEATURES

- Collect unlimited traffic data year-round with a cost-effective, flat annual license.
- Instant, automated uploads deliver real-time access to your data.
- Accurately detects and classifies pedestrians, bicycles, and vehicles.
- Perform detailed speed studies on intersections, arterials, freeways, and roundabouts.
- On-device AI processes video streams at the edge, eliminating the need for external uploads.
- Supports up to five 12V 50Ah LiFePO₄ batteries for 100+ hours of field processing.
- Customizable study schedules maximize battery efficiency.
- Hot-swappable batteries enable continuous, uninterrupted data collection.
- Deep data analytics, rich data charting, and optimized timing plans.

HARDWARE COMPONENTS

Included Components:

- Extendable pole with network cable retractor and pole mount brackets
- Two lockable ratchet straps for pole mounting
- 4MP wide angle camera with sun-shield and M12 network cable
- Equipment case which houses:
 - › Two rechargeable 12V 50Ah LiFePO₄ batteries
 - › 20A circuit breaker and switch
 - › Advanced AI-based NVIDIA GPU and processing unit with cellular and Wi-Fi capabilities
 - › Industrial 5-port Gigabit PoE switch
 - › PoE Injector
- Padlocks for ratchet straps, case lid, and case mount
- Steel cable lock to prevent theft
- Battery charger

Spare Components Sold Separately:

- Ratchet strap
- Padlock
- Battery charger
- 12V 50Ah LiFePO₄ battery

RE: Rhythm Engineering as the sole provider of Game|Changer.

Rhythm Engineering, LLC provides GameChanger, the only portable traffic data collection system for highways, roads, intersections, and round-a-bouts, with near real time access to all vehicle, pedestrian, and bicycle classifications, counts, speed, and traffic data. Our unique technology, designed to provide accurate counts and seamlessly generate optimized timing plans, is protected by five United States patents: numbers 8,050,854; 8,103,436; 8,253,592; 8,653,989; and 8,922,392.

Rhythm Engineering is the sole manufacturer and provider of the Game|Changer system. It is not manufactured, licensed or distributed by any other entity. The Game|Changer equipment and our associated services, including software configuration and yearly data packages, always come directly from Rhythm.

This letter is to confirm that Rhythm Engineering is the sole provider of Game|Changer, that no other entity is authorized to provide the Game|Changer system.

Specific Benefits:

- Cost-effective data collection solution providing unlimited data 24/07/365.
- Near-real-time data transmission for ALL collected data.
- Seamless deep data analytics with over 30 charts and customizable dashboards.
- Seamless generation of optimized traffic signal timing plans.
- Single person, under ten-minute, field set up.
- Expandable battery capability to process and analyze up to 100 hours of field data.
- Ability to schedule traffic counts by time-of-day.

Any questions or if further information is necessary, please let me know.

Best Regards,

DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. DOT and Procurement followed an RFI/RFP process. Responding vendors submitted proposals to Procurement Department which were evaluated by a DOT team and vendor was selected based on professional qualifications, technical capabilities and cost proposal.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). : Award contract to IMS 1) Award contract to Vendor (IMS) – Vendor has the technical capability, equipment and experience to collect, review, analyze and integrate the data collected in an efficient manner. The vendor also has staffing and availability to perform this work for the entire system of county highways in the required time. 2) Perform work in-house – DuDOT does not have the time nor the equipment capabilities to perform these services in-house. It would be a challenge to provide pavement assessment on all DuDOT pavements in this calendar year without equipment and experienced staff. 3) Do Nothing – DuDOT requires frequent assessment of pavement to determine the next two to three years of pavement rehabilitation and investment. Doing nothing would put the county's ability to determine the best and most cost-effective pavement treatment locations and strategies at risk.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.

Price Proposal

PAVEMENT MANAGEMENT SYSTEM & PAVEMENT ASSET TRACKING SYSTEM

25-055-DOT | MAY 13, 2025

SUBMITTED BY

Price

We understand that the RFP has requested the use of the 2.8 direct labor multiplier applied to fee structures. We normally scope and price projects of this nature on a fixed fee/lump sum basis, primarily based on per-mile rates. Based on the response to questions in Addendum 1, we have built our fee schedule using fixed fees for tasks mainly related to data acquisition and data processing, and the 2.8 multiplier for consulting portions of the scope of work. We welcome a discussion on this topic to work through any adjustments or feedback the county may have on this structure.

The fee schedule below reflects our standard pricing methodology, with a callout to consulting tasks. We believe our consultants, utilizing the 2.8 multiplier method, will result in fees being aligned with the estimated dollars stated per task.

As outlined in our proposal, we are providing the county with two pavement management software (PMS) options, given the broad spectrum of options available in the market that would comply with the stated requirements. We urge the county to gain a thorough understanding of any PMS contemplated for use, as the capabilities vary and many may not meet the desired outputs/results needed for the county to fully leverage the high-quality data they are seeking in the RFP. We have displayed the fees to show a three-year outlook for the two software options, Decision Optimization Technology (DOT) and StreetLogix.

We have also provided our standard pricing for various optional, value-added services for reference. Many clients add on right-of-way inventory extraction, given that the data is obtained through the road condition survey. There is also flexibility in adding these items at a later date, leveraging the same collected dataset.

APPROVED PER DT-P-0089-23 BETWEEN THE COUNTY OF DU PAGE
AND V3 COMPANIES, LTD. FOR
PROFESSIONAL CONSTRUCTION ENGINEERING SERVICES
CH 4/BLOOMINGDALE ROAD BRIDGE OVER CHICAGO
CENTRAL & PACIFIC RAILROAD
SECTION 22-00184-12-BR

WHEREAS, the DuPage County Board heretofore adopted Resolution DT-P-0089-23 on August 8, 2023, wherein the County of DuPage (hereinafter referred to as "COUNTY") and V3 Companies, Ltd. (hereinafter referred to as "CONSULTANT") entered into a Professional Services Agreement for Construction Engineering Services ("ORIGINAL AGREEMENT") for improvements to the CH 4/Bloomingtondale Road bridge over the Chicago Central & Pacific Railroad, Section 22-00184-12-BR (hereinafter referred to as "IMPROVEMENT"); and

WHEREAS, Resolution DT-P-008-23 included a contract total cost not to exceed \$641,743.81 for the Construction Engineering Services related to the IMPROVEMENT; and

WHEREAS, since the execution of the aforementioned ORIGINAL AGREEMENT (COUNTY Resolution DT-R-0089-23), the COUNTY has received notification that Federal funds have been awarded to pay for the construction of the IMPROVEMENT and the construction of the project will be administered through the Illinois Department of Transportation; and

WHEREAS, the COUNTY had previously performed initial conceptual design engineering work to facilitate coordination with the Chicago Central & Pacific Railroad and by virtue of the Federal funds, new Phase I and Phase II Engineering work is required to make the project federally eligible, which will result in changes in scope and will further delay the start of the project, including the Construction Engineering Services expected to be provided by the CONSULTANT under the ORIGINAL AGREEMENT.

NOW, THEREFORE, BE IT RESOLVED that the DuPage County Board rescinds Resolution DT-P-0089-23, including the ORIGINAL AGREEMENT between the COUNTY and the CONSULTANT; and

BE IT FURTHER RESOLVED that an original copy of this Resolution be transmitted to V3 Companies, Ltd., 7325 Janes Avenue, Suite 100, Woodridge, Illinois 60517, by and through the Division of Transportation.

Enacted and approved this 12th day of August, 2025 at Wheaton, Illinois.

RECREATIONAL LEASE

THIS RECREATIONAL LEASE (the “**Lease**”) is made as of August 12, 2025 by and between COMMONWEALTH EDISON COMPANY, an Illinois corporation (“**Landlord**”) and the COUNTY OF DUPAGE (“**Tenant**”) a municipal corporation (hereinafter referred to as “**Tenant**”) whose address is 421 North County Farm Road, Wheaton, IL 60187.

WHEREAS, Landlord is the owner of various parcels of land on or adjacent to the former rights-of-way of the City of Prospect Heights, IL and more fully described on Exhibit A (“**Landlord’s Property**”);

NOW THEREFORE, Landlord, for and in consideration of the payment of Rent (as hereinafter defined) by Tenant, and of the covenants, conditions and agreements of Tenant hereinafter set forth, does hereby lease and demise to the Tenant (without warranty of title), and Tenant does hereby lease from Landlord, a portion of Landlord’s property located in DuPage County, Illinois as shown on Exhibit A attached hereto and made a part hereof (the “**Leased Premises**”), for the purposes specified in Section 2 below.

1. TERM.

A. The term of this Lease (the “**Term**”) shall begin on August 12, 2025 (the “**Commencement Date**”) and shall terminate on **June 30, 2045 unless sooner terminated as provided herein.**

B. Subject to the terms and provisions of this Lease, Landlord hereby grants to Tenant one (1) option to renew this Lease on the same terms and conditions (each, a “**Renewal Option**”) for a renewal term of ten (10) years (each, a “**Renewal Term**”). If Tenant desires to exercise a Renewal Option, it shall notify Landlord in writing no earlier than one (1) year and not later than one hundred eighty (180) days prior to the then current expiration date of the Term (before the operation of the Renewal Option being exercised); and, once exercised, shall operate to extend the Term to end concurrently with the Renewal Term set by the Renewal Option so exercised.

C. Subject to Subsection 1.D. below, such notice shall only be effective if delivered at a time when Tenant is not in default hereunder and when to the knowledge of Tenant, no default, breach, unsatisfied condition or other event has occurred or circumstances exist that constitute or which, with the giving of notice or the passage of time (including the passage of time during which a default has occurred and has not yet been cured during any applicable grace period) or both, would constitute such a default.

D. In addition to any other inspections of the Leased Premises that Landlord may conduct during the Term of this Lease, during the period between the exercise of a Renewal Option and the start of the associated Renewal Term, Landlord shall review the Leased Premises and determine whether Tenant is in compliance with the terms and conditions of the Lease. Landlord shall notify Tenant in writing if any deficiencies in the performance of Tenant’s obligations under the Lease are discovered during such review and any actions needed to correct them. Unless otherwise agreed in writing by Landlord, Tenant shall correct any item on such notice prior to the start of the Renewal Term in question.

E. Prior to the beginning of any Renewal Term, the parties shall execute an amendment to this Lease to memorialize such Renewal Term. If Tenant does not exercise a Renewal Option, such Renewal Option and all subsequent remaining Renewal Options (if any) shall thereupon expire.

2. **PURPOSE.** The Leased Premises shall be used by Tenant solely for the purposes of a Ten (10) foot wide recreational trail for pedestrians and bicyclists and equestrians (“**Tenant’s Facilities**”), in compliance with all Legal Requirements (as defined in the next sentence) and the terms and provisions of this Lease, and for no other purposes (the “**Permitted Use**”). For purposes hereof, the term “**Legal Requirements**” shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes (including the National Electrical Safety Code), executive orders, court orders, rules of common law, and any judicial interpretations thereof, extraordinary as well as ordinary, of all governmental authorities, and all rules, regulations and government orders with respect thereto, and of any applicable fire rating bureau, or other body exercising similar functions, affecting the Leased Premises or the maintenance, use or occupation thereof, or any street, sidewalk or other property comprising a part thereof, regardless of whether imposed by their terms upon Landlord or Tenant, or the use and occupancy thereof by Tenant. “Legal Requirements” shall include “Environmental Laws” as defined in Section 15, below. Tenant’s use of the Leased Premises shall also be and remain subject to Landlord’s superior right to use all or any portion of the Leased Premises for its business purposes, including the installation, use and maintenance of any transmission, distribution or communications improvements, fixtures, facilities, machinery, equipment and/or other property owned by Landlord and now or hereafter installed by Landlord on or near the Leased Premises (“**Landlord’s Facilities**”).

3. **RENT.**

A. **Base Rent.** Landlord acknowledges its receipt of the payment of “**Base Rent**”, a one-time payment by Tenant in the amount of One and No/100 Dollars (\$1.00) and no other Base Rent shall be assessed during the term of this Lease.

B. **Rent.** For purposes of this Lease, the term “**Rent**” shall mean the Base Rent, together with all other amounts due and payable by Tenant to Landlord under this Lease.

C. **Payment of Rent.** All Rent due and payable by Tenant under this Lease shall be paid to the following address:

Commonwealth Edison Company
Real Estate Department, 4th Floor
Three Lincoln Center
Oakbrook Terrace, Illinois 60181
Attn: Lease Payment Department

or to such other place as Landlord may from time to time designate in writing. All payments due from Tenant hereunder which are not paid when due shall bear interest at a rate equal to ten percent (10%) per annum from the date due until paid (the “**Default Rate**”). Such interest shall be compounded monthly. In addition to, and not in lieu of, the foregoing (and any other rights and remedies to which Landlord is entitled under this Lease), in the event that any payment due from Tenant hereunder is not paid within five (5) business days of the date that the same is due, then a late fee in the amount of ten percent (10%) of the unpaid amount shall be due and payable by Tenant to Landlord. All Rent shall be paid by Tenant without notice or demand, and without any set-off, counterclaim, abatement or deduction whatsoever, in lawful money of the United States by bank check or wire transfer of immediately available funds. Tenant’s obligations to pay Rent are independent of each and every covenant contained in this Lease.

E. **Net Lease.** Except as otherwise provided in this Lease, the Rent herein shall be absolutely net to Landlord, so that this Lease shall yield, net to Landlord, the Rent in each year during the Term of this

Lease and any renewals thereof, and that all costs, expenses and obligations of every kind and nature whatsoever, relating to the Leased Premises which may arise or become due during the Term of this Lease or any renewal or extension thereof, or as a result of Tenant's use or occupancy of the Leased Premises, shall be paid by Tenant, and Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord from all such costs, expenses and obligations.

4. **TAXES.** Tenant shall pay the following amounts as "Taxes" to Landlord in each case no later than thirty (30) days after Landlord's written demand therefor:

A Tenant's proportionate share of the land component of all real estate taxes for each tax parcel of which the Leased Premises is a part for all periods falling within the Term, which proportionate share shall be calculated as follows: (i) the total land component of each tax bill for each such real estate tax parcel which includes any portion of the Leased Premises, multiplied by (ii) a fraction, the numerator of which shall be the acreage of the portion of such tax parcel which falls within the Leased Premises, and the denominator of which shall be the total acreage of such tax parcel; plus

B All real estate taxes and other assessments which are allocable to any improvements, structures or fixtures constructed, installed, or placed by Tenant at the Leased Premises for all periods falling within the Term, plus

C Any increase in the real estate taxes and other assessments payable with respect to the Leased Premises (or any tax parcel of which the Leased Premises is a part) which is allocable to this Lease, Tenant's use or occupancy of the Leased Premises, or any improvements, structures or fixtures constructed, installed or placed by Tenant at the Leased Premises (but without duplication of any amount payable pursuant to clause (B) above), for all periods falling within the Term; plus

D For purposes of this Lease, Taxes "for" or "with respect to" any particular period (or portion thereof) shall mean the Taxes which are payable during the calendar year in which any portion of such period falls, irrespective of the fact that such Taxes may have accrued with respect to a different period.

E Tenant hereby covenants and agrees that Tenant shall, no later than the Tax Exemption Date (as hereinafter defined), at Tenant's sole cost and expense, execute and deliver all documents, instruments petitions and applications, and take all other actions which may be reasonably necessary and/or appropriate, in order to cause the Leased Premises to be exempted from the payment of real estate taxes, to the extent that it is possible without the transfer of any ownership or change in the property owner name in the records of the applicable taxing jurisdiction, under applicable Legal Requirements. Concurrently with the delivery of any such documents, instruments, petitions and applications, Tenant shall furnish Landlord with copies thereof. In the event that Tenant is successful in obtaining any such real estate tax exemption for the Leased Premises, then Tenant shall thereafter cause such real estate tax exemption to be continued for each tax year (or portion thereof) during which this Lease is in effect (and Tenant shall execute such documents, instruments, petitions and applications, and take such other actions which may be reasonably necessary and/or appropriate, to cause such property tax exemption to be so continued). In the event that Tenant is unsuccessful in obtaining or continuing any such real estate tax exemption with respect to the Leased Premises, then Tenant shall thereafter use commercially reasonable efforts to continue to seek such exemption (or continuance thereof, as applicable) and shall, from time to time if Landlord so requests, take such actions as may be reasonably necessary to apply for such exemption (or continuation); provided however, in no event shall Tenant have any power or authority to change, alter or modify in any way, the tax parcel number, property owner name or mailing address of the Leased Premises in the records of the applicable taxing jurisdiction. For purposes hereof, the term "Tax Exemption Date" shall mean the date that is the earlier of: (i) sixty (60) days after the date of this Lease, or (ii) the deadline for submitting a real estate tax exemption petition or application for the real estate taxes for the year in which this Lease is

executed and delivered. Notwithstanding anything contained in this paragraph, to the extent Tenant fails to obtain a tax exemption with respect to the Leased Premises for any reason, Tenant shall pay the Taxes as required above in this Section 4.

5. CONDITION. Tenant has examined the Leased Premises and knows its condition. Tenant hereby accepts the condition of the Leased Premises in its **AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS**. No representations or warranties as to the condition, repair or compliance with Legal Requirements thereof, and no agreements to make any alterations, repairs or improvements in or about the Leased Premises have been made by or on behalf of Landlord. By accepting possession of the Leased Premises, Tenant shall be conclusively presumed to have accepted the condition thereof and to have unconditionally waived any and all claims whatsoever related to the condition of the Leased Premises.

6. MAINTENANCE; SERVICES AND UTILITIES.

A. Tenant agrees at its sole cost and expense, to keep and maintain **the Leased Premises together with the [adjacent] open grass way area (such open grass way area together with Tenant's Facilities being the "Specified Area")** in a clean, safe, neat, sanitary and sightly condition and repair, and commensurate with the conditions existing at the time this Lease is executed to Landlord's satisfaction at all times during the Term hereof. Without limiting the generality of the foregoing, Tenant shall (subject to the terms and provisions of this Lease and all at Tenant's sole cost and expense): (i) perform any and all necessary paving, grading, landscaping, cutting and mowing of grass and weeds (including all Canadian thistles and other noxious weeds and growths at the Leased Premises) and (ii) promptly (and if Landlord provides written notice, no later than three (3) business days after receipt of such notice) remove all litter, garbage and graffiti from, and repair any vandalism (except for vandalism to Landlord's Facilities) to, the Specified Area or any nearby area, including, without limitation, any structure or bridge crossing used for Tenant's Facilities, on or near the Specified Area. Tenant's obligations under this Section 6 are solely those of Tenant and Landlord shall have no responsibility to undertake such obligations or to perform any action required of Tenant hereunder.

B. Landlord shall not be responsible for furnishing or providing any services or utilities to the Leased Premises (or any costs or expenses associated therewith), but rather, Tenant shall be responsible, at Tenant's sole cost and expense, for providing all such services and utilities. Landlord has made no representation, warranty or covenant of any kind regarding the availability (or future availability) of any such utilities and services, and no failure to provide or interruption of any such services or utilities or services shall give rise to any right or remedy in favor of Tenant under this Lease. Landlord may from time to time, but shall have no obligation to, maintain the Leased Premises in accordance with its customary maintenance program then in effect and Tenant shall have no right to require Landlord to maintain the Leased Premises in any manner.

C. Tenant assumes all of the responsibilities normally identified with the ownership of the Leased Premises, including, but not limited to, responsibility for the condition of the Leased Premises, such as the operation, repair, replacement, maintenance and management of the Leased Premises, including, without limitation, repairs to all buildings, structures, fixtures, equipment and other property thereon; provided, that (except as expressly set forth below) in no event shall Tenant maintain, repair, gain access to or in any way use or operate any of Landlord's Facilities.

7. SURRENDER OF LEASED PREMISES; RESTORATION. Tenant agrees that upon termination of the Term of this Lease, whether by expiration or otherwise, Tenant will peaceably quit and surrender the Leased Premises to Landlord, and will, at its sole cost and expense, remove all Tenant's personal property, fixtures, structures and improvements, and will, at Landlord's sole and absolute

discretion, restore and regrade the Leased Premises to substantially the same condition the Leased Premises were in on the date hereof (other than any improvements, installations and modifications made by Landlord). This Section shall survive the termination or expiration of the Lease.

8. COMPLIANCE WITH LAWS; WASTE; OTHER COVENANTS OF TENANT.

A. General. Tenant, at its sole expense, shall comply, and cause the Leased Premises to comply, with all Legal Requirements, Landlord's vegetation management practices and procedures and all of the requirements listed in Exhibits C-1 and C-2 attached to this Lease and made a part hereof. In addition, Tenant covenants and agrees that it will not commit waste, loss or damage to the Leased Premises or any other property of Landlord.

B. Change in Law. Tenant acknowledges that Landlord may incur costs as a result of the enactment of new Legal Requirements relating to the Leased Premises, and/or changes in Legal Requirements relating to the Leased Premises. Tenant agrees that any such costs incurred by Landlord for complying with such new or changed Legal Requirements and due in whole or in part to Tenant's use and/or occupancy of the Leased Premises shall be an expense recoverable by Landlord from Tenant. To the extent any such expense paid by Tenant to Landlord is subsequently recovered by or reimbursed to Landlord through insurance or recovery from responsible third parties or other action, Tenant shall be entitled to a proportionate share (as reasonably determined by Landlord) of such recovery or reimbursement.

C. Notice of Violations. Tenant shall immediately provide Landlord with written notice: (i) upon Tenant's obtaining knowledge of any potential or known violations of any Legal Requirements relating to the Leased Premises, and/or (ii) of Tenant's receipt of any notice, correspondence, demand or communication of any nature from any governmental authority related to the Leased Premises, including without limitation, any alleged or actual violation of any Legal Requirements or any request for additional information, rejection or confirmation regarding any application for exemption from real estate taxes.

D. Height and Other Limitations. No vehicles, equipment or anything else (including, but not limited to, any equipment attached to vehicles or equipment such as antennas, and/or any trees, shrubs or other plants or vegetation planted or installed per Exhibit E at the Leased Premises by Tenant) having a height which exceeds the maximum allowable height under OSHA's height standards in effect from time to time during the Term, shall be driven, moved or transported on the Leased Premises without Landlord's prior written consent with the exception of maintenance (including third party) vehicles or emergency vehicles. Tenant shall not allow any activity which could result in a wire to ground electrical contact or damage to towers or poles; such as, flying kites, model airplanes, driving minibikes, go carts and snowmobiles. If Landlord so requests, Tenant will post signs prohibiting such activities.

9. ALTERATIONS.

A. Generally. Tenant shall not make any alterations, installations, improvements, additions or other physical changes (collectively, the "**Alterations**") in or about the Leased Premises without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any Alterations shall be performed: (i) by Tenant, at Tenant's sole cost and expense (and Landlord shall have no duty or obligation with respect thereto), (ii) pursuant to plans and specifications approved in writing by Landlord (in Landlord's sole discretion), (iii) by contractors and subcontractors approved in writing by Landlord (in Landlord's sole discretion), (iv) in compliance with all Legal Requirements, and (v) in a good and workmanlike manner, free of all liens. Tenant shall, at Tenant's sole cost and expense, obtain any and all permits and approvals necessary for the performance of any Alterations. During the performance of any Alterations, Tenant shall carry, and shall cause its contractors and subcontractors to carry, such insurance as Landlord shall, in its sole discretion, direct. Neither Tenant

nor any of Tenant's authorized agents shall, at any time prior to or during the Term, directly or indirectly, employ, or permit the employment of, any contractor, mechanic or laborer in the Leased Premises, or permit any materials to be delivered to or used in the Leased Premises, whether in connection with any Alteration or otherwise, if, in Landlord's sole judgment, such employment, delivery or use will interfere or cause any conflict with other contractors, mechanics or laborers engaged in the construction, maintenance or operation of the Leased Premises (or any other property) by Landlord, Tenant or others, or the use and enjoyment of the Leased Premises by Landlord or other tenants or occupants of the Leased Premises. In the event of such interference or conflict, upon Landlord's request, Tenant shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Leased Premises immediately. At the sole discretion of Landlord, any proposed Alterations shall be subject to a review fee, the amount of which will be determined by Landlord upon receipt of Tenant's request for consent to such Alterations. Such fee shall be due and payable by Tenant within five (5) days from receipt of notice from Landlord of the amount of such review fee and Landlord shall not be required to consider Tenant's request for Landlord's consent to any Alterations until the review fee for such Alterations is paid.

B. Paving, Filling and Planting. Without limiting the generality of the terms and provisions of Subsection 9.A. above, Tenant acknowledges and confirms that any and all grading, leveling, adding or removing soil and/or paving of the Leased Premises (or any portion thereof), and any and all planting, seeding and similar activities shall constitute "**Alterations**" for purposes of this Lease, and shall be subject to each and all of the terms and provisions relating thereto. In any event, any and all debris from any Alterations of Tenant shall be promptly removed from the Leased Premises by Tenant. In the event that, in connection with Tenant's Alterations, Tenant elects to fill any low spots on the Leased Premises, only clean fill (defined as not containing debris such as gravel, concrete, tree roots, brick or any contaminants) shall be used prior to the spreading of base fill underlying any paving. No paving or grading work (or similar work) of any kind will be undertaken within a ten (10) foot radius of any tower leg (or similar equipment, improvement or facility) of Landlord. Paving shall be well drained, firm and solid blacktop (or other substance approved in writing by Landlord), and shall be neat and clean in appearance. In addition, and not in lieu of the foregoing, any such grading, leveling, paving, filling and/or planting or seeding of the Leased Premises shall comply with the terms and provisions of Section 12 below and Landlord's vegetation management practices and procedures. Tenant shall not cause or permit the existing ground grade on the Leased Premises to be increased or decreased in excess of 8 inches (8") without Landlord's prior written consent.

C. Drainage. Tenant covenants and agrees that no Alterations made by Tenant pursuant to this Lease shall cause any surface water drainage problems for Landlord or any adjoining landowners. In the event that any such water drainage problems are caused by Tenant's Alterations, Tenant shall correct such problems immediately at Tenant's sole cost and expense.

D. Fencing and Barriers. Tenant covenants and agrees that, in the event that Tenant installs (or is required (by Landlord or otherwise) to install) any fencing and/or gates in connection with Tenant's Alterations at the Leased Premises (or its use or occupancy of the Leased Premises), Tenant will install, maintain and operate such fences and/or gates in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto and made a part hereof, and any and all other fencing and locking rules, regulations and guidelines which Landlord may deliver to Tenant from time to time prior to or during the Term. Tenant also acknowledges and confirms that, in connection with Landlord's review and/or approval of the plans and specifications for Tenant's Alterations at the Leased Premises (as provided in Subsection 9.A. above), Landlord may require, prior to or at any time during the Term of this Lease, that barriers ("**Barriers**") be installed on the Leased Premises in order to protect Landlord's Facilities and/or other equipment, improvements and facilities of Landlord and other users and occupants of the Leased Premises. Any such Barriers shall be installed, at Landlord's sole option, either: (i) by Tenant, at Tenant's sole cost and expense, in a manner satisfactory to Landlord, or (ii) by Landlord, in which event Tenant shall pay to Landlord, prior

to such installation, Landlord's reasonable estimate of the cost of such installation of the Barriers. Any barriers required to be installed hereunder shall be installed, maintained and operated by Tenant in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto, and any and all rules, regulations and guidelines regarding barriers which Landlord may deliver to Tenant from time to time prior to or during the Term.

E. Soil Removal. Tenant hereby agrees that it will not remove any soil from the Leased Premises without the prior written consent of Landlord. Any soil removed from the Leased Premises to which Landlord consents (as provided in the preceding sentence) shall become the property of Tenant and shall be: (i) transported and disposed of by Tenant (at its sole cost and expense) in a manner approved in writing by Landlord and in compliance with all Legal Requirements, and (ii) promptly replaced by Tenant at its sole cost and expense, with clean soil not contaminated with Hazardous Materials (as defined in Section 15 below).

F. Third Party Facilities. Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection reasonably required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

G. Supervision. Landlord shall have the right (but not the obligation) to monitor and observe Tenant's performance of any Alterations at the Leased Premises (or any component thereof) and, in the event that Landlord so elects, Tenant shall reimburse Landlord for any and all costs of such monitoring and observation, together with a charge for Landlord's overhead, as determined by Landlord. In the event that Landlord elects to monitor or observe any such work, in no event shall Landlord be deemed to have approved or made any representation or warranty regarding the same.

H. Notification. In addition to and not in lieu of, Tenant's other obligations under this Section 9, Tenant also agrees to notify Landlord's Representative, at ComEdRealEstateFacilities@comed.com, at least seventy two (72) hours prior to the commencement of any Alterations at the Leased Premises.

10. INDEMNITY. To the maximum extent permitted under Legal Requirements, Tenant agrees to protect, indemnify, defend (with DuPage County counsel acceptable to Landlord) which acceptance shall not be unreasonably withheld because under Illinois law, 55 ILCS 5/3-9005, any attorney representing the County of DuPage, who is not already an Assistant State's Attorney, is to be appointed as Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008 and hold harmless Landlord and Exelon Corporation, a Pennsylvania corporation, and their respective parents, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, the "**Indemnified Parties**") from and against any and all losses, costs, damages, liabilities, expenses (including, without limitation, reasonable attorneys' fees) and/or injuries (including, without limitation, damage to property and/or personal injuries) suffered or incurred by any of the Indemnified Parties (regardless of whether contingent, direct, consequential, liquidated or unliquidated) (collectively, "**Losses**"), and any and all claims, demands, suits and causes of action brought or raised against any of the Indemnified Parties (collectively, "**Claims**"), arising out of, resulting from, relating to or connected with: (i) any act or omission of Tenant or its officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, "**Tenant Group**") at, on or about the Leased Premises, and/or (ii) any breach or violation of this Lease on the part of Tenant, and notwithstanding anything to the contrary in this Lease, such obligation to indemnify, defend and hold harmless the Indemnified Parties shall survive any termination or expiration of this Lease. This indemnification shall include, without limitation, claims made

under any workman's compensation law or under any plan for employee's disability and death benefits (including, without limitation, claims and demands that may be asserted by employees, agents, contractors and subcontractors). Neither party makes any representation of the extent or nature of its authority to defend or indemnify.

11. WAIVER. Any entry onto the Leased Premises by Tenant and, to the extent permitted by law, each and every member of the Tenant Group, shall be at such parties' sole risk, and Landlord makes (and has heretofore made) no representations or warranties of any kind whatsoever regarding the Leased Premises or the condition of the Leased Premises (including, without limitation, the environmental condition thereof). To the fullest extent permitted by law, Tenant and each member of the Tenant Group hereby waives any and all claims, demands, suits and causes of action against the Indemnified Parties, and fully and forever releases the Indemnified Parties, for any loss, cost, damage, liability or expense (including, without limitation attorneys' fees) suffered or incurred by Tenant or any member of the Tenant Group in connection with any entry onto the Leased Premises pursuant to this Lease. Without limiting the generality of the foregoing, in no event shall any of the Indemnified Parties be responsible or liable for any loss, damage, destruction, theft or misappropriation of any of the property of Tenant or any member of the Tenant Group. This Section will survive termination or expiration of the Lease.

12 DIGGING WORK. If Tenant performs any grading, leveling, digging or excavation work on the Leased Premises (which work shall be subject to Landlord's prior written approval), Tenant will notify J.U.L.I.E. at telephone number (800) 892-0123, C.U.A.N. at (312) 744-7000 if the Leased Premises are located in the City of Chicago, or in the event the Leased Premises are located outside J.U.L.I.E.'s or C.U.A.N.'s jurisdiction, any other services required by the utilities in the jurisdiction, at least seventy-two (72) hours prior to the commencement of such work in order to locate all existing utility lines that may be present on the Leased Premises. If Tenant damages any such underground facilities in the course of its work, Tenant will promptly reimburse Landlord or the owner of such equipment or facilities for any and all expense incurred in repairing or replacing such damage.

13. CASUALTY. In the event of any damage to or destruction of the Leased Premises, by fire or other casualty, which materially and adversely affects Tenant's use and enjoyment of the Leased Premises for the purposes specified in this Lease, then either Landlord or Tenant shall have the right, no later than ninety (90) days after such party becomes aware of such damage or destruction, to terminate this Lease upon sixty (60) days' prior written notice to the other. In the event of any damage or destruction which is not so extensive, or in the event that Landlord and Tenant elect not to terminate this Lease pursuant to the preceding sentence, then this Lease shall continue in full force and effect, and Tenant will promptly and diligently, at its sole cost and expense, repair, restore, rebuild and replace the Leased Premises (and all improvements, fixtures, equipment and property thereat) as nearly as possible to the condition they were in immediately prior to such damage or destruction. Any such work shall be done in a manner satisfactory to Landlord, and in accordance with all Legal Requirements and the terms and provisions of this Lease. Landlord shall not be liable or responsible for any loss or damage caused to any property of Tenant or any member of the Tenant Group (including, without limitation, any such loss or damage caused by fire, vandalism or other casualty) at any time during the Term hereof.

14. CONDEMNATION. If the Leased Premises, or a substantial part thereof, or a portion which prevents use of the Leased Premises for the purposes specified herein, shall be taken or condemned by any competent authority for any public use or purpose, the Term shall end on the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of any condemnation award or proceeds (it being understood that Landlord shall be entitled to the entire amount of any such award or proceeds, and Tenant shall have no right to share therein). Then current Rent shall be apportioned as of the date of such termination.

15. ENVIRONMENTAL PROTECTION.

A. General. Tenant covenants and agrees that Tenant shall conduct its operations on the Leased Premises in compliance with all applicable Environmental Laws (as hereinafter defined) and further covenants that neither Tenant nor any member of the Tenant Group shall use, bring upon, transport, store, keep or cause or allow the discharge, spill or release (or allow a threatened release) in each case of any Hazardous Materials (as hereinafter defined) in, on, under or from the Leased Premises. Without limiting any other indemnification obligations of Tenant contained herein, Tenant hereby agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless the Indemnified Parties from and against any and all Losses and Claims (including, without limitation, (i) reasonable attorneys' fees, (ii) liability to third parties for toxic torts and/or personal injury claims, (iii) fines, penalties and/or assessments levied or raised by any governmental authority or court, and (iv) assessment, remediation and mitigation costs and expenses and natural resource damage claims) arising out of, resulting from or connected with any Hazardous Materials used, brought upon, transported, stored, kept, discharged, spilled or released by Tenant, any member of the Tenant Group or any other person or entity (except for any person or entity which is an Indemnified Party) in, on, under or from the Leased Premises. For purposes of this Lease, the term "**Hazardous Materials**" shall mean all toxic or hazardous substances, materials or waste, petroleum or petroleum products, petroleum additives or constituents or any other waste, contaminant or pollutant regulated under or for which liability may be imposed by any Environmental Law. For purposes hereof, the term "**Environmental Laws**" shall mean all federal, provincial, state and local environmental laws, statutes, ordinances, regulations and other requirements (including common law) regulating or imposing standards of care with respect to the handling, storage, use, emitting, discharge, disposal or other release of Hazardous Materials, including, but not limited to, the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901 et seq., the Clean Air Act, 42 U.S.C. §§ 7401, et seq., the Federal Water Pollution Control Act, 33 U.S.C. §§ 1251, et seq., the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 1101, et seq., the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §§ 9601 et seq., the Toxic Substances Control Act, 15 U.S.C. §§ 2601, et seq., the Oil Pollution Control Act, 33 U.S.C. §§ 2701, et seq., any successor statutes to the foregoing, or any other comparable local, state or federal statute or ordinance pertaining to protection of human health, the environment or natural resources, including without limitation the preservation of wetlands, and all regulations pertaining thereto, as well as applicable judicial or administrative decrees, orders or decisions, authorizations or permits.

B. Wetlands. If there are wetlands on the Leased Premises, or if wetlands should develop on the Leased Premises during the Term, Tenant shall strictly comply with and observe all applicable Environmental Laws. At Landlord's request, Tenant shall, at Tenant's sole cost, furnish Landlord with a survey of the Leased Premises delineating any wetland areas located on the Leased Premises. Under no circumstances shall Tenant change the physical characteristics of any wetland areas located on the Leased Premises, or any other adjoining land or place any fill material on any portion of the Leased Premises, or any adjoining land, without in each instance obtaining Landlord's prior written consent (which may be granted or withheld in Landlord's sole discretion), and only then in compliance with applicable Environmental Laws.

C. Notice of Violation/Release. Tenant shall provide Landlord with prompt written notice upon Tenant's obtaining knowledge of the existence of any Hazardous Materials on, in or under the Leased Premises in violation of Environmental Laws, or of any potential or known release or threat of release of any Hazardous Materials affecting the Leased Premises.

D. Survival. This Section shall survive the expiration or other termination or expiration of the Lease.

16. **INSURANCE.** Tenant shall comply with the insurance provisions contained in Exhibit D attached hereto and made a part hereof.

17. **ZONING.** Tenant hereby acknowledges that Landlord has made no representations that the Leased Premises may be used or is properly zoned for the Permitted Use, and Tenant further agrees that it will (at its sole cost and expense) obtain all necessary permits and other approvals prior to undertaking the Permitted Use. Tenant assumes all obligations and responsibilities for compliance with all Legal Requirements including, without limitation, all applicable zoning laws and ordinances, building codes and governmental regulations. This Lease is not preconditioned on Tenant obtaining any zoning or use permits or approval. This Lease does not constitute the authority to seek a zoning change to permit the Permitted Use, and in no event shall Tenant seek or apply for any such zoning change to the Leased Premises without Landlord's prior written consent, which consent may be given or withheld in Landlord's sole and absolute discretion.

18. **NO SIGNS.** Tenant shall not place or permit to be placed by any person or entity (other than Landlord) on the Leased Premises any signs or billboards (including, without limitation, any advertising signs or billboards) without the prior written approval of Landlord, which approval Landlord may give or withhold in Landlord's sole and absolute discretion. Tenant may place signs on the Specified Area without the consent of Landlord relating solely to safety and directional matters involving the Permitted Use. Tenant agrees to place a sign in a visible area within the Specified Area that contains an acknowledgment of Landlord's assistance and cooperation with the Tenant with respect to the Permitted Use, all in a manner and form reasonably acceptable to Landlord.

19. **DAMAGE TO LANDLORD'S FACILITIES.** Tenant agrees that in the event any work done by or on behalf of the Tenant on the Leased Premises causes damage to Landlord's Facilities, Tenant will promptly reimburse Landlord for any and all expense incurred for the repairing or replacement of such damage, within thirty (30) days, after presentation to Tenant of Landlord's statement therefor.

20. **DEFAULT.**

A. The occurrence of any of the following shall be considered a "**Default**":

(i) Tenant shall at any time fail to make any payment of Rent (or any portion thereof) or any other payments required of Tenant hereunder when required, and such failure continues for a period of more than ten (10) days (without necessity of any notice or demand therefor); or

(ii) Tenant shall breach or violate any of its duties or obligations set forth in Section 7 (Surrender of Leased Premises; Restoration), Section 8 (Compliance with Laws), Section 16 (Insurance), Section 22 (Covenants Against Liens), Section 23 (Assignment and Subletting) or Section 30 (Subordination; Estoppel) of this Lease; or

(iii) Tenant shall at any time be in default of any other covenants and conditions of this Lease to be kept, observed and performed by Tenant, which and such default continues for more than thirty (30) days (or such shorter time period as may specifically be set forth in this Lease) after notice from Landlord; or

(iv) this Lease or Tenant's interest therein, or any interest in Tenant, shall be assigned, transferred, mortgaged or pledged, levied on or attempted to be taken by execution, attachment or other process of law, or if any execution or attachment shall be issued against Tenant, or any of Tenant's property in the Leased Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Tenant; or

(v) a receiver, assignee or trustee shall be appointed for Tenant or Tenant's property or if the Tenant shall file bankruptcy, or if involuntary bankruptcy proceedings shall be filed against Tenant; or

(vi) Landlord shall receive notice of any alleged violation of any Legal Requirements resulting from or in any way connected with Tenant's use of the Leased Premises and such violation is not cured (and all liabilities connected therewith fully satisfied) by Tenant prior to the earlier of (a) the last day of the period permitted by law for curing such violation or (b) the first date Landlord becomes subject to any fine, penalty, lien, judgment, order or other liability due to the continued existence of such violation; or

(vii) Tenant shall abandon the Leased Premises or vacate same during the Term hereof.

B. If a Default occurs, Landlord may do any or all of the following (all of which remedies shall be cumulative and not exclusive, and all of which remedies shall be in addition to, and not in lieu of, any other rights and remedies to which Landlord may be entitled under this Lease, at law or in equity):

(i) At its option, at once, without notice to Tenant or to any other person, terminate this Lease and at its option, require payment in full of the Rent due for the unexpired term of the Lease;

(ii) Enter into the Leased Premises, and remove Tenant's property and effects therefrom, and/or take and hold possession thereof, without such entry and/or possession terminating this Lease or releasing Tenant in whole or in part from Tenant's obligations to pay Rent and perform all its other obligations hereunder for the full Term, and to relet the Leased Premises or any part or parts thereof, either in the name of for the account of Landlord or Tenant, for such Rent and for such term and terms as Landlord may see fit, which term may at Landlord's option extend beyond the balance of the Term of this Lease. Except to the extent required under applicable Legal Requirements, Landlord shall not be required to accept any tenant offered by Tenant or to observe any instructions given by the Tenant about such reletting. In any case, Landlord may make such repairs, alterations and additions in or to the Leased Premises as it sees fit. Tenant shall pay Landlord any deficiency between the Rent hereby reserved and covenanted to be paid and the net amount of the rents collected on such reletting, for the balance of the Term of this Lease, as well as any expenses incurred by Landlord in such reletting, including, but not limited to attorney's fees, broker fees, the expenses of repairing, altering the Leased Premises, and otherwise preparing the same for re-rental. All such costs, other than the rental, shall be paid by Tenant upon demand by Landlord. Any deficiency in rental amounts shall be paid in monthly installments, upon statements rendered by Landlord to Tenant, unless Landlord has declared the entire Rent for the balance of the Term due, as elsewhere in this Lease provided. Any suit brought to collect the amount of the deficiency for any one or more months' Rent shall not preclude any subsequent suit or suits to collect the deficiency for any subsequent month's Rent;

(iii) Require that upon any termination of this Lease, whether by lapse of time, the exercise of any option by Landlord to terminate the same, or in any other manner whatsoever, or upon any termination of Tenant's right to possession without termination of this Lease, the Tenant shall at once surrender possession of the Leased Premises to the Landlord and immediately vacate the same and remove all effects therefrom, except such as may not be removed under other provisions of this Lease. If Tenant fails to do so, Landlord may forthwith re-enter the Leased Premises, with or without process of law, and repossess itself thereof as in its former estate and expel and remove Tenant and any other persons and property therefrom, using such force as may be necessary without being deemed guilty of trespass, eviction or forcible entry, without thereby waiving Landlord's rights to Rent or any other rights given Landlord under this Lease or at law or in equity;

(iv) Remove, at its option if the Tenant shall not remove all effects from the Leased Premises in this Lease as provided, any or all of such effects in any manner that Landlord shall choose and store the same without liability for loss thereof, and Tenant will pay Landlord, upon demand, any and all expenses incurred in such removal and also storage of said effects for any length of time during which the same shall be in Landlord's possession or in storage, or Landlord may at its option, without notice, sell any or all of said effects in such manner and for such price as the Landlord may deem best and apply the proceeds of such sale upon any amounts due under this Lease from the Tenant to Landlord, including the expenses of removal and sale;

(v) Collect from Tenant any other loss or damage Landlord may sustain by reason of any breach (including, without limitation, the unamortized portion of any brokerage fee or commission paid by or on behalf of Landlord to any broker or finder with respect to this Lease) and any diminished value of the Leased Premises resulting from said breach;

(vi) Enjoin any such breach of this Lease by Tenant; and/or

(vii) Take any and all corrective actions Landlord deems necessary or appropriate to cure the default of Tenant in question and charge the cost thereof to Tenant, together with (i) interest at the Default Rate, and (ii) an administrative charge in an amount equal to ten percent (10%) of the cost of the corrective action to defray part of the administrative expense incurred Landlord in administering such cure, such payment to be made by Tenant upon Landlord's presentment and demand therefor.

C. Except as specifically provided in this Section Tenant expressly waives the service of any notice of intention to terminate this Lease or to terminate Tenant's right of possession of the Leased Premises or to re-enter the Leased Premises and waives the service of any demand for payment of Rent or for possession and waives the service of any and every other notice or demand prescribed by any statute, law or ordinance and agrees that the simple breach of any of the covenants of this Lease (beyond any applicable notice and cure periods) shall, of itself, without the service of any additional notice or demand whatsoever, at Landlord's option, constitute a default on the part of Tenant. No receipt of monies by the Landlord from or for the account of Tenant or from anyone in possession or occupancy of the Leased Premises after termination in any way of this Lease or after the giving of any notice, shall reinstate, constitute or extend the Term of this Lease or affect any notice given to the Tenant prior to the receipt of such money, it being agreed that after the service of notice of the commencement of a suit, or after final judgment for possession of the Leased Premises, Landlord may receive and collect any Rent or other amounts due Landlord and such payment not waive or affect said notice, said suit, or said judgment.

D. Any and all rights and remedies which Landlord may have under this Lease at law or in equity, shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of said rights and remedies may be exercised at the same time or at different times and from time to time.

E. If Landlord is required to incur expense, legal, incidental, or consequential, because of the breach of this Lease by Tenant, the Tenant shall promptly reimburse Landlord for such expense upon being given a written itemization and explanation thereof. In the event of commencing a court action as a result of any breach, it is agreed that such expenses are to be considered a part of the damages claimed in said action and any expense incurred in prosecuting that action shall be included. It is agreed that the term "expenses" as used herein shall include, but not be limited to, attorney's fees, court costs, district justice costs, and any and all other costs and expenses reasonably related to such breach.

F. The failure of Landlord to enforce rights under this Lease on one or numerous occasions shall not affect the Landlord's ability to enforce that right on any subsequent occasion or occasions.

G. Upon the occurrence of a Default or any breach or default under this Lease by Tenant, Tenant shall be liable for and shall reimburse Landlord upon demand for all reasonable attorney's fees and costs incurred by Landlord in enforcing Tenant's obligations under this Lease, whether or not Landlord files legal proceedings in connection therewith.

H. In the event that a Default shall occur and Landlord elects to terminate this Lease, or upon expiration of this Lease, Tenant shall not be relieved of its duties or obligations under this Lease so long as Tenant or any of Tenant's property remains on the Leased Premises. Additionally, any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

I. In the event of a threatened breach by Tenant of any of the covenants or provisions of this Lease, Landlord shall (without limiting any of Landlord's other rights or remedies hereunder, at law or in equity) have the right to enjoin any such threatened breach.

21. LIMITATION ON LIABILITY. It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements continued in this Lease are made or intended as personal covenants, undertakings or agreements by Landlord or any entity which is affiliated with Landlord its parent or subsidiaries. Tenant specifically agrees to look solely to Landlord's interest in the Leased Premises for the recovery of any sums, damages, awards or judgments from Landlord. It is agreed that neither Landlord, nor any entity which is affiliated with Landlord (nor any of their respective parents or subsidiaries, nor any of their respective shareholders, venturers, officers, directors or employees) shall be personally liable for any such sums, damages, awards or judgments. This Section will survive termination or expiration of the Lease.

22. COVENANTS AGAINST LIENS. Tenant hereby covenants and agrees that it will not cause or permit any lien (including, without limitation, any mechanic's lien) or claim for lien to be asserted against the Leased Premises or any interest therein, whether such lien or claim for lien results from or arises out of any act or omission of Tenant or any member of the Tenant Group or otherwise. In the event any such lien or claim for lien is filed, Tenant will immediately pay and release the same. In the event such lien or claim of lien is not released and removed within five (5) days after notice from Landlord, Landlord, at its sole option and in addition to any of its other rights and remedies, may take any and all action necessary to release and remove such lien or claim of lien (it being agreed by Tenant that Landlord shall have no duty to investigate the validity thereof), and Tenant shall promptly upon notice thereof reimburse Landlord for all sums, costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Landlord in connection with such lien or claim of lien. Tenant hereby agrees to indemnify, defend and hold harmless Landlord from and against any and all liens or claims to the extent permitted by law for lien arising out of or in any way connected with Tenant's use and occupancy of the Leased Premises. Any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

23. ASSIGNMENT AND SUBLETTING. Tenant shall not, directly or indirectly, assign, mortgage, pledge, encumber, or otherwise transfer this Lease (or any interest of Tenant herein), whether by operation of law or otherwise, and shall not sublet (or underlet), or permit, or suffer the Leased Premises or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any assignment, sublease, mortgage, pledge, encumbrance or transfer by Tenant in contravention of the provisions of this Section shall be void. For purposes of this Lease any transfer, directly, indirectly or by operation of law, of a "controlling" interest in Tenant shall constitute an assignment of this Lease, and shall be subject to the terms and provisions of this Section. For purposes hereof, a "controlling" interest in Tenant shall mean: (a)

the ownership, directly or indirectly, of a majority of the outstanding voting stock or interests of Tenant, or (b) the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting securities or other ownership interests, by statute, or by contract.

24. TERMINATION. Prior to the end of the Term, this Lease may be terminated at any time by either of the parties hereto by giving ninety (90) days prior written notice to the other party of such termination. This Lease may also be terminated by Landlord, if Landlord is required to do so by a regulatory body, by a court of competent jurisdiction or Legal Requirements. In the event this Lease is terminated for any reason, any Rent paid in advance shall be prorated to the effective date of such termination and the unearned portion thereof refunded to Tenant.

25. LANDLORD'S RIGHTS. The rights of the Landlord to utilize the Leased Premises in its utility business, at all times, will be and remain paramount to the rights herein granted to Tenant by Landlord and nothing stated herein is to be construed as restricting Landlord from granting rights to other parties or persons in, upon or under the Leased Premises. Without limiting the generality of the foregoing, the parties specifically refer to rights relating to sewers, water pipes and mains, drainage tiles and pipes, gas main and pipelines and other associated uses. In addition, Landlord shall have the right to enter upon the Leased Premises at any time and from time to time during the Term to (a) show the same to prospective tenants, mortgagees and/or purchasers, and to place "For Rent" and/or "For Sale" signs thereon and (b) to conduct any and all vegetation management in, on, or about the Leased Premises in accordance with Landlord's then current vegetation management practices and procedures.

26. RIGHT OF ENTRY.

A. Tenant agrees that Landlord and Landlord's agents, representatives, employees, contractors, licensees, invitees, tenants, successors and assigns (collectively, "**Landlord Parties**"), shall have the right to enter the Leased Premises at any time Landlord deems necessary, to alter, modify, augment, supplement, improve, upgrade, use, operate, repair, replace, install, construct, maintain or protect Landlord's Facilities and to conduct vegetation management activities, including the right to cut down, trim and remove any trees, brush or other vegetation that interferes with or potentially interferes with Landlord's Facilities on the Leased Premises as Landlord deems necessary in its sole discretion. Tenant shall not plant any trees or other vegetation on the Leased Premises without the prior written consent of Landlord which it may withhold in its sole discretion. Landlord has the right to require Tenant to remove and relocate any paving, improvements or property owned or used by Tenant at the Leased Premises, in connection with the use, operation, maintenance, repair, installation and/or removal of Landlord's Facilities by any Landlord Party, and/or or in connection with any other use (present or future) of the Leased Premises by the Landlord Parties, all of which removal and relocation shall be at Tenant's sole cost and expense. In the event that Tenant fails to remove and/or relocate any such paving, improvements or property upon notice from Landlord, then Landlord shall have the right (but not the obligation) to remove such paving, improvements or property on Tenant's behalf, and at Tenant's cost, and Tenant shall promptly reimburse Landlord for any costs and expenses paid or incurred by Landlord in connection therewith. Tenant agrees that it will cooperate with Landlord in connection with any entry on, and work at, the Leased Premises by the Landlord Parties, and shall coordinate Tenant's use of the Leased Premises with any use of the Leased Premises by any of the Landlord Parties, including but not limited to vegetation management. Landlord shall not in any event be liable for inconvenience, disruption, disturbance, loss of business or other damage to Tenant by reason of any entry on, or work at, the Leased Premises by any Landlord Party, or on account of bringing materials, supplies, and equipment into or through the Leased Premises. Tenant understands that the business of the Landlord involves, among other things, the construction, installation, maintenance, operation, and use of Landlord's Facilities now or which may

hereafter be erected or installed upon, along, on, over, across or under the Leased Premises, or property adjacent thereto, which are used or useful in connection with the generation, conversion, transmission or distribution of electricity and gas and communications services. Tenant covenants and agrees (as a specific condition of this Lease) that Tenant and each member of the Tenant Group will not, under any circumstances whatsoever, touch, handle, tamper with or contact, directly or indirectly, any of the Landlord's Facilities, nor damage, destroy, interfere with, obstruct or otherwise adversely affect, Landlord's Facilities.

B. Landlord and its representatives may enter the Leased Premises at all reasonable times for the purpose of inspecting the Leased Premises, or to show the Leased Premises to prospective purchasers, investors, encumbrancers, or tenants. In the case of an emergency, Landlord or its agents may enter the Leased Premises without prior notice, and may enter forcibly, without liability to Tenant, and without affecting this Lease. During the final twelve (12) months of the Term, Landlord may place customary "For Sale" or "For Lease" signs on the Leased Premises

27. LANDLORD'S RIGHT TO TRANSFER. This Lease shall not in any manner or to any extent limit or restrict the right of Landlord to use or dispose of the Leased Premises as Landlord may in its discretion desire, subject to rights of Tenant hereunder. Landlord shall have the right, without notice to or consent from Tenant, to assign this Lease to any person or entity that succeeds (directly, indirectly or by operation of law) to any of Landlord's right, title or interest in or to the Leased Premises.

28. TENANT'S PROPERTY. It is expressly understood and agreed that all equipment and other personal property that Tenant may install upon the Leased Premises during the Term shall remain the property of Tenant and shall be removed by Tenant (as set forth in Section 7 hereof), at its sole cost and expense, at the expiration of the term of this Lease or at any time prior thereto.

29. HOLDING OVER. Tenant shall have no right to remain in possession of all or any part of the Leased Premises after the expiration of the Term. In the event that Tenant remains in possession of all or any part of the Leased Premises after the expiration or earlier termination of the Term, at Landlord's option (exercised by giving Tenant written notice): (a) such tenancy shall be deemed to be either (at Landlord's sole option) a periodic tenancy from month-to-month only, or a tenancy at sufferance terminable at will by Landlord; (b) such tenancy shall not, unless Landlord otherwise elects (as set forth above), constitute a renewal or extension of this Lease for any further Term; and (c) such tenancy may be terminated by Landlord upon the earlier of thirty (30) days' prior written notice or the earliest date permitted by law. In the event Tenant remains in possession after the expiration or earlier termination of the Term, then: (i) Landlord shall have the right to charge Tenant a monthly Base Rent equal to Landlord's estimate (as determined by Landlord in its sole discretion) of two hundred percent (200%) of the fair market monthly rental value of the Leased Premises, and any other sums due under this Lease shall be payable in the amount and at the times specified in this Lease, and (ii) Tenant agrees to the extent permitted by law to indemnify, defend (with counsel acceptable to Landlord, which acceptance shall not be unreasonably withheld) and hold the Indemnified Parties harmless from and against any and all Losses and Claims sustained, incurred and/or brought against any of the Indemnified Parties by reason of such retention of possession of the Leased Premises (which may include, without limitation, any Claims made by any actual or prospective subsequent lessee or other user or occupant of the Leased Premises or any portion thereof). Any such month-to-month tenancy or tenancy at sufferance shall be subject to every other term, condition, and covenant contained in this Lease.

30. SUBORDINATION; ESTOPPEL.

A. This Lease and the rights of Tenant hereunder shall be and are hereby made expressly subject and subordinate at all times to the lien of any mortgage now or hereafter existing against all or any portion of the Leased Premises. Tenant acknowledges that its title is and always shall be subordinate to the title of the owner of the Leased Premises and nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of the owner of the Leased Premises. In confirmation of such subordination, Tenant shall promptly execute and deliver any instrument that Landlord or any mortgagee of Landlord may request to evidence such subordination no later than ten (10) business days after Landlord's request therefor. If any mortgagee of Landlord (or its successors or assigns), or any other person or entity, shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlord's rights ("**Successor Landlord**") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's Landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such attornment. Upon such attornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such attornment.

B. Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than ten (10) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant, (a) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the Base Rent, (c) setting forth the date to which the Rent has been paid, (d) stating whether or not, to the best knowledge of the Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such default, (e) stating whether there are any subleases affecting the Leased Premises, (f) stating the address of Tenant to which all notices and communication under the Lease shall be sent, and the Commencement Date, and (g) containing any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered pursuant to this paragraph may be relied upon by others with whom Landlord may be dealing, including any purchaser or owner of the Leased Premises, or of Landlord's interest in the Leased Premises or any lender or mortgagee of Landlord. If Tenant fails to execute and return such written statement to Landlord within such ten (10) day period, such failure shall constitute Tenant's agreement as to the accuracy of the information contained in the written statement submitted to Tenant by Landlord.

31. MISCELLANEOUS.

A. Illinois Commerce Commission Approval. Landlord and Tenant acknowledge that Landlord is a public utility regulated by the Illinois Commerce Commission ("**Commission**") and other governmental authorities, and this Lease and the obligations of the parties hereto are subject to all Legal Requirements applicable to Landlord as a public utility. Although it is not expected that the Commission's or other governmental authorities' approval will be required for this Lease, the rights and obligations of the parties hereunder are conditioned upon the Commission's and any other applicable governmental authorities' approval of this Lease, under any circumstances in which such approval is required. It is further agreed and understood that this Lease may be terminated by Landlord immediately at any time in the event that Landlord is required to do so by the Commission or some other governmental authority.

B. Notices. Whenever notice is required to be given pursuant to this Lease, the same shall be either personally delivered, sent by a nationally recognized overnight delivery service, postage prepaid, or sent via United States certified mail, return receipt requested, postage prepaid, and addressed to the parties at their respective addresses as follows:

If to Landlord:

Commonwealth Edison Company
Three Lincoln Centre 4th Floor
Oakbrook Terrace, IL 60181
Attn: Real Estate Asset Management

with a copy to:

Exelon Business Services Company, LLC
Law Department
10 South Dearborn Street, 49th Floor
Chicago, Illinois 60603
Attn: Assistant General Counsel – Real Estate

If to Tenant:

County of DuPage
421 North County Farm Road
Wheaton, Illinois 60187
Attn: County Engineer

or at such other addresses as any party, by written notice in the manner specified above to the other party hereto, may designate from time to time. Unless otherwise specified to the contrary in this Lease, all notices shall be deemed to have been given upon receipt (or refusal of receipt) thereof.

C. Prohibition on Recording. To the maximum extent permitted under Legal Requirements, Tenant agrees not to record this Lease. This Section will survive the termination or expiration of this Lease.

D. Waiver of Jury Trial. Landlord and Tenant, by this Section, waive trial by jury in any action, proceeding, or counterclaim brought by either of the parties to this Lease against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Leased Premises, or any other claims, and any emergency statutory or any other statutory remedy.

E. Captions. The section headings appearing in this Lease are for convenience of reference only and are not intended, to any extent and for any purpose, to limit or define the text of any section or any subsection hereof.

F. Binding Effect. The covenants, conditions, and agreements contained in this Lease will bind and inure to the benefit of Landlord and Tenant and their respective heirs, distributees, executors, administrators, successors and permitted assigns. In the event that Tenant is comprised of more than one individual or entity, the obligations of such individuals or entities under this Lease shall be joint and several.

G. Entire Agreement. This Lease, the exhibits and addenda, if any, contain the entire agreement between Landlord and Tenant regarding the subject matter hereof, and fully supersede all prior written or oral agreements and understandings between the parties pertaining to such subject matter. No promises or representations, except as contained in this Lease, have been made to Tenant respecting the condition or the manner of operating the Leased Premises.

H. Further Assurances. Each party agrees that it will execute and deliver such other documents and take such other action as may be reasonably requested by the other party to effectuate the purposes and intention of this Lease.

I. No Waiver. The failure of either party to enforce at any time any provision of this Lease shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Lease or any part hereof or the right of such party thereafter to enforce each and every such provision. No waiver of any breach of this Lease shall be held to constitute a waiver of any other or subsequent breach.

J. No Third Party Beneficiaries. Landlord and Tenant agree and acknowledge that, except as expressly set forth herein, there are no intended third party beneficiaries of this Lease nor any of the rights and privileges conferred herein.

K. Governing Law. The terms and provisions of this Lease shall be governed by and construed in accordance with the laws of the State of Illinois. With respect to any suit, action or proceeding relating to this Lease (each a “**Proceeding**”), the parties hereto each irrevocably: (a) agree that any such Proceeding shall be commenced, brought, tried, litigated and consummated in the courts of the State of Illinois located in the County of DuPage or (as applicable) in the United States District Court for the Northern District of Illinois, (b) submit to the exclusive jurisdiction of the courts of the State of Illinois located in the County of DuPage and the United States District Court for the Northern District of Illinois, and (c) waive any objection which they may have at any time to the laying of venue of any Proceeding brought in any court, waive any claim that any Proceeding brought in any such court has been brought in an inconvenient forum, and further waive the right to object, with respect to such Proceeding, that any such court does not have jurisdiction over such party.

L. Counterparts. This Lease may be executed by the parties in counterparts. Each such counterpart shall be deemed an original and all such counterparts, taken together, shall constitute one and the same agreement.

M. Subordinate. This Lease, and all of Tenant’s rights and interests hereunder, are subject and subordinate to any and all recorded and unrecorded easements, licenses, leases and permits, and all other matters (whether recorded or unrecorded) affecting the Leased Premises (or title thereto) dated prior to the date of this Lease.

N. Severability. If any term, provision or condition in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease (or the application of such term, provision or condition to persons or circumstances other than in respect of which it is invalid or unenforceable) shall not be affected thereby, and each term, provision and condition of this Lease shall be valid and enforceable to the fullest extent permitted by law.

O. Time of the Essence. Time is of the essence of this Lease, and each and every term and provision hereof.

P. No Partnership. None of the terms or provisions of this Lease shall be deemed to create a partnership between or among the parties hereto in their respective businesses or otherwise, nor shall any of the terms or provisions of this Lease cause them to be considered joint venturers or members of any joint enterprise.

Q. Not an Employee. By signing this Lease, Tenant affirms and states that it is not an employee of Commonwealth Edison Company nor Exelon Corporation, nor any of their respective parents, subsidiaries or affiliates, nor does Tenant have any affiliated interest in any such entities.

R. No Oral Change. This Lease cannot be changed orally or by course of conduct, and no executory agreement, oral agreement or course of conduct shall be effective to waive, change, modify or discharge it in whole or in part unless the same is in writing and is signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

S. Tenant's Authority. Tenant represents and warrants that it has full right, power and authority to execute and deliver this Lease, and to perform each and all of its duties and obligations hereunder. If Landlord so requests, Tenant shall provide Landlord with reasonable written evidence of such right, power and authority.

T. Termination of Lease Based Upon Change In Law. If any Legal Requirement is enacted or modified during the Term, and such enactment or modification places any additional material burden on Landlord (as determined by Landlord) as a result of Tenant's use or occupancy of the Leased Premises for any purpose, or if the use of the Leased Premises by Tenant would violate any Legal Requirements hereinafter enacted or modified, then (without limiting any other rights or remedies of Landlord hereunder) Landlord shall have the right to terminate this lease effective as of the effective date of such Legal Requirement is so enacted or modified.

U. Negotiated. The parties acknowledge that the parties and their counsel have reviewed and revised this Lease and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease or any exhibits or amendments hereto.

V. Brokers. Tenant represents and warrants to Landlord that Tenant has dealt with no broker, finder or similar person or entity in connection with this Lease, or Tenant's use or occupancy of the Leased Premises. Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold Landlord harmless from and against any and all Claims and Losses brought against, sustained or incurred by Landlord by reason of Tenant's breach of the foregoing representation and warranty.

W. Tenant's Authority to Act. This Lease shall be executed for and on behalf of the Tenant pursuant to a resolution adopted by the County Board of Tenant, at a regular meeting held _____, 20____, and signed by the officers therein designated as signatories and attested by the clerk of Tenant.

X. Additional Requirements. Tenant shall comply the Additional Requirements listed on Exhibit E attached hereto and made a part hereof.

[REMAINDER OF THE PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease on the date first written above.

APPLICATION

- THIS STANDARD SHALL BE USED FOR INSTALLATION OF VEHICLE BARRIERS AROUND TRANSMISSION STRUCTURES AND ILLUSTRATES THE DIFFERENT TYPES OF VEHICLE BARRIERS WHICH MAY BE USED FOR TRANSMISSION STRUCTURE PROTECTION.

INFORMATION

- ① ACTUAL STRUCTURE TYPE, SHAPE & BASE DIMENSIONS MAY VARY. DETAILS WILL BE FURNISHED ON THE PROJECT DRAWINGS WHERE DIFFERENT THAN SHOWN.
- ② ITEM "Q", (S.I.#701129) CAN BE REPLACED WITH 4000 PSI READY-MIX CONCRETE PER EM48003. ONE CONCRETE TRUCK WITH 7 CUBIC YARD CAPACITY IS APPROXIMATELY EQUIVALENT TO 220 BAGS OF S.I.#701129 AFTER ADDING WATER AND MIXING.
- ③ NUTS ON GUARDRAIL BARRIER SHALL BE TIGHTENED WITH A TORQUE WRENCH TO A TORQUE VALUE OF 75 FOOT-POUNDS.
- ④ SPACING OF BARRIERS FROM STRUCTURE OUTLINE AS SHOWN IS MINIMUM AND MAY BE INCREASED WHERE NECESSARY.
- ⑤ THE TOWER PROTECTIVE BARRIER SPACING SHALL BE BASED ON ACTUAL TOWER BASE DIMENSIONS. DETAILS SHOWN ARE APPLICABLE TO A TOWER WITH A MAXIMUM BASE DIMENSION OF 36'-0". ADD ONE UNIT AT EACH SIDE IF THE TOWER BASE DIMENSION EXCEEDS 36'-0".
- ⑥ WHERE THIS DIMENSION CAN BE KEPT AT 4 FEET OR LESS, WITH CORNER OPENING NO MORE THAN 4 FEET. THE INTERMEDIATE POST SHOWN HERE CAN BE ELIMINATED.
- ⑦ NUMBER OF UNITS DEPENDENT ON SIZE OF TOWER BUT SPACES BETWEEN UNITS SHALL NOT EXCEED THE 4 FEET SHOWN, NOR SHALL THE MINIMUM DISTANCE FROM TOWER BE CHANGED. ADD ONE UNIT AT EACH SIDE IF THE TOWER BASE DIMENSION EXCEEDS 25'-0".
- ⑧ THE LOCATIONS OF THE PROTECTIVE BARRIERS WILL BE STAKED BY THE OWNER UNLESS OTHERWISE INDICATED ON THE PROJECT DRAWINGS.
- ⑨ CARE SHALL BE TAKEN TO AVOID DISTURBANCE OF ALL AREAS OUTSIDE OF THE IMMEDIATE WORK AREA. ANY DAMAGE TO PROPERTY SHALL BE IMMEDIATELY REPAIRED. ALL ADJACENT PROPERTY SHALL BE RESTORED TO ITS ORIGINAL CONDITION IMMEDIATELY AFTER THE INSTALLATION OF THE VEHICLE BARRIERS.

EXHIBIT D

Insurance Requirements

(current 2/13/2018)

A. Tenant agrees to require its contractors, before commencing any work on the Leased Premises to purchase and maintain, or at the option of Tenant to itself purchase and maintain, at the cost of Tenant or its contractors, a policy or policies of insurance issued by insurance companies authorized to do business in the State of Illinois, having ratings of A-/VII or better in the Best's Key Rating Insurance Guide (latest edition in effect at the latest date stated in the Certificates of Insurance) and in a form satisfactory to Landlord as follows:

COVERAGE #1

Workers' Compensation Insurance with statutory limits, as required by the state in which the work is to be performed, –and Employers' Liability Insurance with limits not less than One Million dollars (\$1,000,000.00) each accident/occurrence

COVERAGE #2

Commercial General Liability (CGL) Policy or Policies (with coverage consistent with ISO CG 0001 (12 04)) covering all contractors, subcontractors and all their subcontractors with limits not less than Four Million dollars (\$4,000,000.00) per occurrence covering liability for bodily injury and property damage arising from premises, operations, independent contractors, personal injury/advertising injury, blanket contractual liability and products/completed operations for not less than three (3) years from the date the work is accepted. (CGL insurance includes, but is not limited to coverage for claims against Landlord for injuries to employees of Tenant and its contractors or any subcontractors) Landlord shall be added as an Additional Insured providing coverage consistent with ISO Form CG 20 26 11 85 or the combination of ISO Form CG 20 10 10 01 and CG 20 37 10 01.

COVERAGE #3

Automobile Liability in an amount of not less than one million dollars (\$1,000,000) per accident for bodily injury and property damage, covering all owned, leased, rented or non-owned vehicles, which shall include automobile contractual liability coverage.

Policies covering contractors may substitute lower limits for any of the policies listed above, provided that Contractors maintains an umbrella or excess liability policy or policies which provide a total minimum limit of four million dollars (\$4,000,000) per occurrence for general liability and one million dollars (\$1,000,000) for automobile liability, and that all other requirements of this insurance clause are satisfied by such umbrella or excess policy or policies.

There shall be furnished to Landlord, prior to commencing the work above described a certificate of insurance showing the issuance of insurance policies pursuant to the requirements contained in Coverages #1, #2, and #3 of this paragraph. Insurance coverage as required herein shall be kept in force until all work has been completed.

Insurance coverage provided by Tenant's contractors shall not include any of the following; any claims made insurance policies; any self-insured retention or deductible amount greater than two hundred fifty thousand dollars (\$250,000) unless approved in writing by Landlord; any endorsement limiting coverage available to Landlord which is otherwise required by this Article; and any policy or endorsement language that (i) negates coverage to Landlord for Landlord's own negligence, (ii) limits the duty to defend Landlord under the policy, (iii) provides coverage to Landlord only if Tenant or its contractors are negligent, (iv) permits recovery of defense costs from any additional insured, or (v) limits the scope of coverage for liability assumed under a contract.

To the extent permitted by applicable Laws, all above-mentioned insurance policies shall provide the following:

- (1) Be primary and non-contributory to any other insurance carried by Landlord
- (2) Contain cross-liability coverage as provided under standard ISO Forms' separation of insureds clause; and
- (3) Provide for a waiver of all rights of subrogation which Tenant's, or its Contractors' insurance carrier might exercise against Landlord; and
- (4) Any Excess or Umbrella liability coverage will not require contribution before it will apply

Landlord hereby reserves the right to amend, correct and change from time-to-time the limits, coverages and forms of policies as may be required from Tenant and/or its contractors.

WAIVER OF SUBROGATION

Tenant and its contractors shall waive all rights of subrogation against Landlord under those policies procured in accordance with this Lease.

EXHIBIT E

Additional Requirements

Tenant shall adhere to the following requirements:

1. Tenant shall maintain the Leased Premises and Additional Area to be Maintained (which includes the open grass way area) of the Landlord right of way property.
2. The metallic goal structures are not to be permanent fixtures and must be removed after each use. It is suggested the metallic structures be grounded to guard against induced voltages.
3. No part of the field or goal structures shall be located within ten (10) feet of any Landlord equipment or facilities.
4. Care must be used when mowing the fields such that no Landlord structures are touched.
5. If lighting and landscaping is required, plans and details must be provided to ComEd for review to ensure safety clearances are not violated.
6. Tenant's facilities on Landlord's property should be designed for HS20 axle loading per AASHTO highway specifications in order to withstand Landlord's construction traffic.
7. Tenant must not excavate and /or store material or construction equipment within 10 feet of the existing metallic and/or wood structures installed on Landlord property. Tenant shall contact the Overhead Transmission Engineering department with any questions concerning this request.
8. Tenant must use care when working on Landlord property to avoid damage to existing facilities and equipment. The owners of the various pipelines and /or owners of underground facilities shall be contacted by the Tenant to provide any restrictions such as grade cover and/ or specific protection and/or restrictions during any penetration and/or disturbing of the Landlord property and surface.
9. There are existing buried hand holes for the LLR fiber in the area. If these hand holes were paved over during the installation of the bike path it poses a maintenance concern. Slack coils exist in the hand holes for emergency restoration purposes. The cable route should be located to verify the newly installed bike path is not over the cable or hand holes. If it is over the hand holes access to those hand holes needs to be addressed by either rerouting the path or other means. This applies to plan se 05-655 and 06-689.
10. Staging and stockpiling of material during construction must not exceed ten (10) feet in elevation above grade. Construction equipment shall not be placed on the upper-most sections of the stockpiles.
11. Tenant must remove all scrub brush, limbs and/or tree trunks from the Leased Premises. Burning of vegetation, scrub brush, limbs and/or tree trunks is not permitted.
12. Tenant must not plant trees within fifteen (15) feet of existing overhead transmission facilities, distribution structures or other Landlord's Facilities.
13. Tenant shall only plant vegetation and /or trees that will not exceed ten (10) feet in elevation at maturity.
14. Landlord reserves the right to trim vegetation and /or trees and remove any vegetation or trees to (i) assure National Electrical Safety Code (NESC) electrical clearances are met (ii) perform maintenance and/or repairs to Landlord's Facilities.
15. The path shall not meander, but it may curve around existing structures and shall maintain fifteen (15) foot spacing from all existing transmission structures.
16. At all path access points, Tenant must post highly visible signs indicating that motorized vehicular use of the path by the public is prohibited except for required County maintenance, including third party maintenance or emergency service activities as may be required. Further, Tenant shall take responsibility to ensure that motorized vehicular use does not occur.
17. The path surface for Tenant's project cannot use aggregate concrete or curbs. A crushed limestone or asphalt surface is acceptable.
18. Tenant's proposed grade change cannot exceed eight (8) inches within the Landlord's property and must ensure that the existing drainage and storm water will not pool on the Leased Premises or adjacent properties.

19. Any damage to Landlord's property caused by Tenant shall be repaired at Tenant's expense.
20. Tenant shall not place obstructions on the Leased Premises that may restrict Landlord's ability to access, operate and maintain existing and future transmission and distribution facilities. Tenant shall not leave trenches open overnight.
21. Due to the presence of Landlord's electrical wires located on the Leased Premises, no vehicles, equipment or anything else having a height more than fourteen (14) feet from grade level including, but not limited to any equipment attached to vehicles or equipment such as antennas, shall be placed, driven, moved or transported thereon. Tenant shall not permit any activity which could result in a wire to ground electrical contact or damage to Landlord's Facilities. Such activities include, but are not limited to flying kites, model airplanes, driving minibikes, go carts and snowmobiles.
22. Tenant shall not leave construction equipment and materials on Leased Premises when there is no work activity actually in progress, including overnight.
23. When working in the vicinity of Landlord's electric distribution/transmission lines during installation, operation, maintenance or otherwise, Tenant shall comply with OSHA requirements of a minimum twenty (20) feet working clearance distance to be maintained between the booms, arms or other parts that can be raised on the equipment of Tenant or Tenant's contractor and Landlord's existing 138,000 and 345,000 volt electric transmission conductors. Under no circumstances shall truck beds be raised underneath Landlord's distribution and /or transmissions lines. This paragraph shall be added to any construction drawings.
24. Tenant acknowledges that the Landlord does use heavy equipment and that Landlord will not be responsible for any damage to the Tenant's facilities that may occur due to the Landlord's right to access Landlord's property to operate and maintain new and existing transmission and distribution facilities.
25. Upon completion of Tenant's project, Tenant must remove any equipment, construction debris and material from Landlord's property and restore any other disturbed areas of the Landlord's property to their pre-construction condition.
26. All applicable environmental permits must be obtained by Tenant at Tenant's sole cost, including, if required, Wetlands and National Pollutant Discharge Elimination System (NPDES) stormwater permits as required under the Clean Water Act as well as any other applicable environmental permits.
27. Tenant shall comply with requirements of all permits, which may include site monitoring, reporting and restoration extending well beyond the construction time period.
28. Tenant shall comply with all applicable regulations including implementation of a Stormwater Pollution Prevention Plan (SWPPP) and a Soil Erosion and Sediment Control Plan (SESC) to minimize sediment pollution in stormwater runoff as well as any other required practices.
29. If the project requires excavation of soil on the Leased Premises, such work shall be performed at Tenant's cost with a contractor selected by Landlord.
30. If the project requires additional soil, only clean fill shall be used.
31. No hazardous materials may be stored on Landlord's property including in any vehicle.
32. Pervious materials shall be used in the construction of any paths on the Leased Premises.
33. A high level summary of the project plans shall be provided by Tenant to Landlord for Landlord's review and approval prior to any construction, including the following:
 - A letter that summarizes the results of Tenant's analysis of what types of environmental permits, plans, and controls are required (e.g., wetlands, SWPPP, SESC, threatened and endangered species impacts, etc.)
 - A copy of any required environmental permits
 - A copy of any environmental reports required by the permits
34. Tenant shall, at its expense, pay for all costs associated with any of the above items (consulting, permitting, cleanup, audit, etc.).

Lease Requirements

1. The continued use of the subject property is permitted only for the purposes of a recreational bike path and trail for pedestrians, bicyclists, and equestrians, as indicated in the lease agreement.
2. Motorized vehicles are not permitted on the leased property, except in the event of the discharge of regular maintenance duties or emergency services.
3. No construction debris, soil, fill material, or spoils may be stored on ComEd property.
4. No hazardous materials, including petroleum products, may be stored, used, or transferred on ComEd property. No fueling of lawn mowers or similar maintenance equipment is allowed on ComEd property.
5. Lessee will be held responsible for the clean-up of any spills (oil, antifreeze, fuel, etc.) as this could be a potential source of contamination and future liability for ComEd.
6. In the event of a leak/spill on ComEd property, Lessee must notify ComEd within 24 hours and provide a written report within 5 business days.
7. Lessee is responsible for the maintenance of any onsite stormwater management system at the subject property and will be held responsible for any adverse drainage issues that arise for the duration of the lease. Inlet filters must be placed on all storm sewer manholes on ComEd property and must be properly maintained.
8. Lessee is not permitted to develop the unpaved areas or change the grading of the property without prior authorization from ESD. This includes activities of adding gravel or other fill-in activities to the surface of ComEd property.
9. Any damage to ComEd property caused by the Lessee will be repaired at the Lessee's expense.
10. At lease-end, the site must be returned to its original condition, including seeding, as necessary. However, ComEd has the discretion to allow the property to remain in its improved condition.
11. Lessee must follow all applicable environmental laws and regulations and obtain all required environmental permits.
12. Lessee must follow all federal, state, and local wetlands requirements, including United States Army Corps of Engineers and DuPage County regulations and guidelines.
13. Good housekeeping must be maintained at all times on the leased ComEd property.
14. Lessee must assume responsibility for all maintenance of the leased ComEd property. This includes keeping the entire property free of garbage, debris, and any third-party dumping. If third-party dumping occurs on or around the leased premises, Lessee must notify ComEd immediately or be held responsible for cleanup of any illegally dumped materials.

RECREATIONAL LEASE

THIS RECREATIONAL LEASE (the “**Lease**”) is made as of August 12, 2025 by and between COMMONWEALTH EDISON COMPANY, an Illinois corporation (“**Landlord**”) and the COUNTY OF DU PAGE (“**Tenant**”) a municipal corporation (hereinafter referred to as “**Tenant**”) whose address is 421 North County Farm Road, Wheaton, IL 60187.

WHEREAS, Landlord is the owner of various parcels of land on or adjacent to the former rights-of-way of the DU PAGE COUNTY and more fully described on Exhibit A (“**Landlord’s Property**”).

NOW THEREFORE, Landlord, for and in consideration of the payment of Rent (as hereinafter defined) by Tenant, and of the covenants, conditions and agreements of Tenant hereinafter set forth, does hereby lease and demise to the Tenant (without warranty of title), and Tenant does hereby lease from Landlord, a portion of Landlord’s property located in Du Page County, Illinois as shown on Exhibit A attached hereto and made a part hereof (the “**Leased Premises**”), for the purposes specified in Section 2 below.

1. TERM.

A. The term of this Lease (the “**Term**”) shall begin on August 12, 2025 (the “**Commencement Date**”) and shall terminate on **June 30, 2045 unless sooner terminated as provided herein.**

B. Subject to the terms and provisions of this Lease, Landlord hereby grants to Tenant one (1) option to renew this Lease on the same terms and conditions (each, a “**Renewal Option**”) for a renewal term of ten (10) years (each, a “**Renewal Term**”). If Tenant desires to exercise a Renewal Option, it shall notify Landlord in writing no earlier than one (1) year and not later than one hundred eighty (180) days prior to the then current expiration date of the Term (before the operation of the Renewal Option being exercised); and, once exercised, shall operate to extend the Term to end concurrently with the Renewal Term set by the Renewal Option so exercised.

C. Subject to Subsection 1.D. below, such notice shall only be effective if delivered at a time when Tenant is not in default hereunder and when to the knowledge of Tenant, no default, breach, unsatisfied

condition or other event has occurred or circumstances exist that constitute or which, with the giving of notice or the passage of time (including the passage of time during which a default has occurred and has not yet been cured during any applicable grace period) or both, would constitute such a default.

D. In addition to any other inspections of the Leased Premises that Landlord may conduct during the Term of this Lease, during the period between the exercise of a Renewal Option and the start of the associated Renewal Term, Landlord shall review the Leased Premises and determine whether Tenant is in compliance with the terms and conditions of the Lease. Landlord shall notify Tenant in writing if any deficiencies in the performance of Tenant's obligations under the Lease are discovered during such review and any actions needed to correct them. Unless otherwise agreed in writing by Landlord, Tenant shall correct any item on such notice prior to the start of the Renewal Term in question.

E. Prior to the beginning of any Renewal Term, the parties shall execute an amendment to this Lease to memorialize such Renewal Term. If Tenant does not exercise a Renewal Option, such Renewal Option and all subsequent remaining Renewal Options (if any) shall thereupon expire.

2. **PURPOSE.** The Leased Premises shall be used by Tenant solely for the purposes of a one thousand two hundred(1,200) foot recreational trail for pedestrians and bicyclists and equestrians ("**Tenant's Facilities**"), in compliance with all Legal Requirements (as defined in the next sentence) and the terms and provisions of this Lease, and for no other purposes (the "**Permitted Use**"). For purposes hereof, the term "**Legal Requirements**" shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes (including the National Electrical Safety Code), executive orders, court orders, rules of common law, and any judicial interpretations thereof, extraordinary as well as ordinary, of all governmental authorities, and all rules, regulations and government orders with respect thereto, and of any applicable fire rating bureau, or other body exercising similar functions, affecting the Leased Premises or the maintenance, use or occupation thereof, or any street, sidewalk or other property comprising a part thereof, regardless of whether imposed by their terms upon Landlord or Tenant, or the use and occupancy thereof by Tenant. "Legal Requirements" shall include "Environmental Laws" as defined in Section 15, below. Tenant's use of the Leased Premises shall also be and remain subject to Landlord's superior right to use all or any portion of the Leased Premises for its business purposes, including the installation, use and maintenance of any transmission, distribution or communications improvements, fixtures, facilities, machinery, equipment and/or other property owned by Landlord and now or hereafter installed by Landlord on or near the Leased Premises ("**Landlord's Facilities**").

3. **RENT.**

A. **Base Rent.** Landlord acknowledges its receipt of the payment of "Base Rent", a one-time payment by Tenant in the amount of One and No/100 Dollars (\$1.00) and no other Base Rent shall be assessed during the term of this Lease.

B. **Rent.** For purposes of this Lease, the term "**Rent**" shall mean the Base Rent, together with all other amounts due and payable by Tenant to Landlord under this Lease.

C. **Payment of Rent.** All Rent due and payable by Tenant under this Lease shall be paid to the following address:

or to such other place as Landlord may from time to time designate in writing. All payments due from Tenant hereunder which are not paid when due shall bear interest at a rate equal to ten percent (10%) per annum from the date due until paid (the “**Default Rate**”). Such interest shall be compounded monthly. In addition to, and not in lieu of, the foregoing (and any other rights and remedies to which Landlord is entitled under this Lease), in the event that any payment due from Tenant hereunder is not paid within five (5) business days of the date that the same is due, then a late fee in the amount of ten percent (10%) of the unpaid amount shall be due and payable by Tenant to Landlord. All Rent shall be paid by Tenant without notice or demand, and without any set-off, counterclaim, abatement or deduction whatsoever, in lawful money of the United States by bank check or wire transfer of immediately available funds. Tenant’s obligations to pay Rent are independent of each and every covenant contained in this Lease.

E. Net Lease. Except as otherwise provided in this Lease, the Rent herein shall be absolutely net to Landlord, so that this Lease shall yield, net to Landlord, the Rent in each year during the Term of this Lease and any renewals thereof, and that all costs, expenses and obligations of every kind and nature whatsoever, relating to the Leased Premises which may arise or become due during the Term of this Lease or any renewal or extension thereof, or as a result of Tenant’s use or occupancy of the Leased Premises, shall be paid by Tenant, and Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord from all such costs, expenses and obligations.

4. TAXES. Tenant shall pay the following amounts as “Taxes” to Landlord in each case no later than thirty (30) days after Landlord’s written demand therefor:

A Tenant’s proportionate share of the land component of all real estate taxes for each tax parcel of which the Leased Premises is a part for all periods falling within the Term, which proportionate share shall be calculated as follows: (i) the total land component of each tax bill for each such real estate tax parcel which includes any portion of the Leased Premises, multiplied by (ii) a fraction, the numerator of which shall be the acreage of the portion of such tax parcel which falls within the Leased Premises, and the denominator of which shall be the total acreage of such tax parcel; plus

B All real estate taxes and other assessments which are allocable to any improvements, structures or fixtures constructed, installed, or placed by Tenant at the Leased Premises for all periods falling within the Term, plus

C Any increase in the real estate taxes and other assessments payable with respect to the Leased Premises (or any tax parcel of which the Leased Premises is a part) which is allocable to this Lease, Tenant’s use or occupancy of the Leased Premises, or any improvements, structures or fixtures constructed, installed or placed by Tenant at the Leased Premises (but without duplication of any amount payable pursuant to clause (B) above), for all periods falling within the Term; plus

D For purposes of this Lease, Taxes “for” or “with respect to” any particular period (or portion thereof) shall mean the Taxes which are payable during the calendar year in which any portion of such period falls, irrespective of the fact that such Taxes may have accrued with respect to a different period.

E Tenant hereby covenants and agrees that Tenant shall, no later than the Tax Exemption Date (as hereinafter defined), at Tenant’s sole cost and expense, execute and deliver all documents, instruments petitions and applications, and take all other actions which may be reasonably necessary and/or appropriate, in order to cause the Leased Premises to be exempted from the payment of real estate taxes, to

the extent that it is possible without the transfer of any ownership or change in the property owner name in the records of the applicable taxing jurisdiction, under applicable Legal Requirements. Concurrently with the delivery of any such documents, instruments, petitions and applications, Tenant shall furnish Landlord with copies thereof. In the event that Tenant is successful in obtaining any such real estate tax exemption for the Leased Premises, then Tenant shall thereafter cause such real estate tax exemption to be continued for each tax year (or portion thereof) during which this Lease is in effect (and Tenant shall execute such documents, instruments, petitions and applications, and take such other actions which may be reasonably necessary and/or appropriate, to cause such property tax exemption to be so continued). In the event that Tenant is unsuccessful in obtaining or continuing any such real estate tax exemption with respect to the Leased Premises, then Tenant shall thereafter use commercially reasonable efforts to continue to seek such exemption (or continuance thereof, as applicable) and shall, from time to time if Landlord so requests, take such actions as may be reasonably necessary to apply for such exemption (or continuation); provided however, in no event shall Tenant have any power or authority to change, alter or modify in any way, the tax parcel number, property owner name or mailing address of the Leased Premises in the records of the applicable taxing jurisdiction. For purposes hereof, the term "Tax Exemption Date" shall mean the date that is the earlier of: (i) sixty (60) days after the date of this Lease, or (ii) the deadline for submitting a real estate tax exemption petition or application for the real estate taxes for the year in which this Lease is executed and delivered. Notwithstanding anything contained in this paragraph, to the extent Tenant fails to obtain a tax exemption with respect to the Leased Premises for any reason, Tenant shall pay the Taxes as required above in this Section 4.

5. CONDITION. Tenant has examined the Leased Premises and knows its condition. Tenant hereby accepts the condition of the Leased Premises in its **AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS**. No representations or warranties as to the condition, repair or compliance with Legal Requirements thereof, and no agreements to make any alterations, repairs or improvements in or about the Leased Premises have been made by or on behalf of Landlord. By accepting possession of the Leased Premises, Tenant shall be conclusively presumed to have accepted the condition thereof and to have unconditionally waived any and all claims whatsoever related to the condition of the Leased Premises.

6. MAINTENANCE; SERVICES AND UTILITIES.

A. Tenant agrees at its sole cost and expense, to keep and maintain **the Leased Premises together with the [adjacent] open grass way area (such open grass way area together with Tenant's Facilities being the "Specified Area")** in a clean, safe, neat, sanitary and sightly condition and repair, and commensurate with the conditions existing at the time this Lease is executed to Landlord's satisfaction at all times during the Term hereof. Without limiting the generality of the foregoing, Tenant shall (subject to the terms and provisions of this Lease and all at Tenant's sole cost and expense): (i) perform any and all necessary paving, grading, landscaping, cutting and mowing of grass and weeds (including all Canadian thistles and other noxious weeds and growths at the Leased Premises) and (ii) promptly (and if Landlord provides written notice, no later than three (3) business days after receipt of such notice) remove all litter, garbage and graffiti from, and repair any vandalism (except for vandalism to Landlord's Facilities) to, the Specified Area or any nearby area, including, without limitation, any structure or bridge crossing used for Tenant's Facilities, on or near the Specified Area. Tenant's obligations under this Section 6 are solely those of Tenant and Landlord shall have no responsibility to undertake such obligations or to perform any action required of Tenant hereunder.

B. Landlord shall not be responsible for furnishing or providing any services or utilities to the Leased Premises (or any costs or expenses associated therewith), but rather, Tenant shall be responsible, at Tenant's sole cost and expense, for providing all such services and utilities. Landlord has made no representation, warranty or covenant of any kind regarding the availability (or future availability) of any such utilities and services, and no failure to provide or interruption of any such services or utilities or

services shall give rise to any right or remedy in favor of Tenant under this Lease. Landlord may from time to time, but shall have no obligation to, maintain the Leased Premises in accordance with its customary maintenance program then in effect and Tenant shall have no right to require Landlord to maintain the Leased Premises in any manner.

C. Tenant assumes all of the responsibilities normally identified with the ownership of the Leased Premises, including, but not limited to, responsibility for the condition of the Leased Premises, such as the operation, repair, replacement, maintenance and management of the Leased Premises, including, without limitation, repairs to all buildings, structures, fixtures, equipment and other property thereon; provided, that (except as expressly set forth below) in no event shall Tenant maintain, repair, gain access to or in any way use or operate any of Landlord's Facilities.

7. SURRENDER OF LEASED PREMISES; RESTORATION. Tenant agrees that upon termination of the Term of this Lease, whether by expiration or otherwise, Tenant will peaceably quit and surrender the Leased Premises to Landlord, and will, at its sole cost and expense, remove all Tenant's personal property, fixtures, structures and improvements, and will, at Landlord's sole and absolute discretion, restore and regrade the Leased Premises to substantially the same condition the Leased Premises were in on the date hereof (other than any improvements, installations and modifications made by Landlord). This Section shall survive the termination or expiration of the Lease.

8. COMPLIANCE WITH LAWS; WASTE; OTHER COVENANTS OF TENANT.

A. General. Tenant, at its sole expense, shall comply, and cause the Leased Premises to comply, with all Legal Requirements, Landlord's vegetation management practices and procedures and all of the requirements listed in Exhibits C-1 and C-2 attached to this Lease and made a part hereof. In addition, Tenant covenants and agrees that it will not commit waste, loss or damage to the Leased Premises or any other property of Landlord.

B. Change in Law. Tenant acknowledges that Landlord may incur costs as a result of the enactment of new Legal Requirements relating to the Leased Premises, and/or changes in Legal Requirements relating to the Leased Premises. Tenant agrees that any such costs incurred by Landlord for complying with such new or changed Legal Requirements and due in whole or in part to Tenant's use and/or occupancy of the Leased Premises shall be an expense recoverable by Landlord from Tenant. To the extent any such expense paid by Tenant to Landlord is subsequently recovered by or reimbursed to Landlord through insurance or recovery from responsible third parties or other action, Tenant shall be entitled to a proportionate share (as reasonably determined by Landlord) of such recovery or reimbursement.

C. Notice of Violations. Tenant shall immediately provide Landlord with written notice: (i) upon Tenant's obtaining knowledge of any potential or known violations of any Legal Requirements relating to the Leased Premises, and/or (ii) of Tenant's receipt of any notice, correspondence, demand or communication of any nature from any governmental authority related to the Leased Premises, including without limitation, any alleged or actual violation of any Legal Requirements or any request for additional information, rejection or confirmation regarding any application for exemption from real estate taxes.

D. Height and Other Limitations. No vehicles, equipment or anything else (including, but not limited to, any equipment attached to vehicles or equipment such as antennas, and/or any trees, shrubs or other plants or vegetation planted or installed per Exhibit E at the Leased Premises by Tenant) having a height which exceeds the maximum allowable height under OSHA's height standards in effect from time to time during the Term, shall be driven, moved or transported on the Leased Premises without Landlord's prior written consent with the exception of maintenance (including third party) vehicles or emergency vehicles. Tenant shall not allow any activity which could result in a wire to ground electrical

contact or damage to towers or poles; such as, flying kites, model airplanes, driving minibikes, go carts and snowmobiles. If Landlord so requests, Tenant will post signs prohibiting such activities.

9. ALTERATIONS.

A. Generally. Tenant shall not make any alterations, installations, improvements, additions or other physical changes (collectively, the “**Alterations**”) in or about the Leased Premises without Landlord’s prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any Alterations shall be performed: (i) by Tenant, at Tenant’s sole cost and expense (and Landlord shall have no duty or obligation with respect thereto), (ii) pursuant to plans and specifications approved in writing by Landlord (in Landlord’s sole discretion), (iii) by contractors and subcontractors approved in writing by Landlord (in Landlord’s sole discretion), (iv) in compliance with all Legal Requirements, and (v) in a good and workmanlike manner, free of all liens. Tenant shall, at Tenant’s sole cost and expense, obtain any and all permits and approvals necessary for the performance of any Alterations. During the performance of any Alterations, Tenant shall carry, and shall cause its contractors and subcontractors to carry, such insurance as Landlord shall, in its sole discretion, direct. Neither Tenant nor any of Tenant’s authorized agents shall, at any time prior to or during the Term, directly or indirectly, employ, or permit the employment of, any contractor, mechanic or laborer in the Leased Premises, or permit any materials to be delivered to or used in the Leased Premises, whether in connection with any Alteration or otherwise, if, in Landlord’s sole judgment, such employment, delivery or use will interfere or cause any conflict with other contractors, mechanics or laborers engaged in the construction, maintenance or operation of the Leased Premises (or any other property) by Landlord, Tenant or others, or the use and enjoyment of the Leased Premises by Landlord or other tenants or occupants of the Leased Premises. In the event of such interference or conflict, upon Landlord’s request, Tenant shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Leased Premises immediately. At the sole discretion of Landlord, any proposed Alterations shall be subject to a review fee, the amount of which will be determined by Landlord upon receipt of Tenant’s request for consent to such Alterations. Such fee shall be due and payable by Tenant within five (5) days from receipt of notice from Landlord of the amount of such review fee and Landlord shall not be required to consider Tenant’s request for Landlord’s consent to any Alterations until the review fee for such Alterations is paid.

B. Paving, Filling and Planting. Without limiting the generality of the terms and provisions of Subsection 9.A. above, Tenant acknowledges and confirms that any and all grading, leveling, adding or removing soil and/or paving of the Leased Premises (or any portion thereof), and any and all planting, seeding and similar activities shall constitute “**Alterations**” for purposes of this Lease, and shall be subject to each and all of the terms and provisions relating thereto. In any event, any and all debris from any Alterations of Tenant shall be promptly removed from the Leased Premises by Tenant. In the event that, in connection with Tenant’s Alterations, Tenant elects to fill any low spots on the Leased Premises, only clean fill (defined as not containing debris such as gravel, concrete, tree roots, brick or any contaminants) shall be used prior to the spreading of base fill underlying any paving. No paving or grading work (or similar work) of any kind will be undertaken within a ten (10) foot radius of any tower leg (or similar equipment, improvement or facility) of Landlord. Paving shall be well drained, firm and solid blacktop (or other substance approved in writing by Landlord), and shall be neat and clean in appearance. In addition, and not in lieu of the foregoing, any such grading, leveling, paving, filling and/or planting or seeding of the Leased Premises shall comply with the terms and provisions of Section 12 below and Landlord’s vegetation management practices and procedures. Tenant shall not cause or permit the existing ground grade on the Leased Premises to be increased or decreased in excess of 8 inches (8”) without Landlord’s prior written consent.

C. Drainage. Tenant covenants and agrees that no Alterations made by Tenant pursuant to this Lease shall cause any surface water drainage problems for Landlord or any adjoining landowners. In

the event that any such water drainage problems are caused by Tenant's Alterations, Tenant shall correct such problems immediately at Tenant's sole cost and expense.

D. Fencing and Barriers. Tenant covenants and agrees that, in the event that Tenant installs (or is required (by Landlord or otherwise) to install) any fencing and/or gates in connection with Tenant's Alterations at the Leased Premises (or its use or occupancy of the Leased Premises), Tenant will install, maintain and operate such fences and/or gates in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto and made a part hereof, and any and all other fencing and locking rules, regulations and guidelines which Landlord may deliver to Tenant from time to time prior to or during the Term. Tenant also acknowledges and confirms that, in connection with Landlord's review and/or approval of the plans and specifications for Tenant's Alterations at the Leased Premises (as provided in Subsection 9.A. above), Landlord may require, prior to or at any time during the Term of this Lease, that barriers ("**Barriers**") be installed on the Leased Premises in order to protect Landlord's Facilities and/or other equipment, improvements and facilities of Landlord and other users and occupants of the Leased Premises. Any such Barriers shall be installed, at Landlord's sole option, either: (i) by Tenant, at Tenant's sole cost and expense, in a manner satisfactory to Landlord, or (ii) by Landlord, in which event Tenant shall pay to Landlord, prior to such installation, Landlord's reasonable estimate of the cost of such installation of the Barriers. Any barriers required to be installed hereunder shall be installed, maintained and operated by Tenant in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto, and any and all rules, regulations and guidelines regarding barriers which Landlord may deliver to Tenant from time to time prior to or during the Term.

E. Soil Removal. Tenant hereby agrees that it will not remove any soil from the Leased Premises without the prior written consent of Landlord. Any soil removed from the Leased Premises to which Landlord consents (as provided in the preceding sentence) shall become the property of Tenant and shall be: (i) transported and disposed of by Tenant (at its sole cost and expense) in a manner approved in writing by Landlord and in compliance with all Legal Requirements, and (ii) promptly replaced by Tenant at its sole cost and expense, with clean soil not contaminated with Hazardous Materials (as defined in Section 15 below).

F. Third Party Facilities. Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection reasonably required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

G. Supervision. Landlord shall have the right (but not the obligation) to monitor and observe Tenant's performance of any Alterations at the Leased Premises (or any component thereof) and, in the event that Landlord so elects, Tenant shall reimburse Landlord for any and all costs of such monitoring and observation, together with a charge for Landlord's overhead, as determined by Landlord. In the event that Landlord elects to monitor or observe any such work, in no event shall Landlord be deemed to have approved or made any representation or warranty regarding the same.

H. Notification. In addition to and not in lieu of, Tenant's other obligations under this Section 9, Tenant also agrees to notify Landlord's Representative, at ComEdRealEstateFacilities@comed.com, at least seventy-two (72) hours prior to the commencement of any Alterations at the Leased Premises.

10. INDEMNITY. To the maximum extent permitted under Legal Requirements, Tenant agrees to protect, indemnify, defend (with DuPage County counsel acceptable to Landlord) which acceptance shall not be unreasonably withheld because under Illinois law, 55 ILCS 5/3-9005, any attorney representing the County of DuPage, who is not already an Assistant State's Attorney, is to be appointed as Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008 and hold harmless Landlord and Exelon Corporation, a Pennsylvania corporation, and their respective parents, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, the "**Indemnified Parties**") from and against any and all losses, costs, damages, liabilities, expenses (including, without limitation, reasonable attorneys' fees) and/or injuries (including, without limitation, damage to property and/or personal injuries) suffered or incurred by any of the Indemnified Parties (regardless of whether contingent, direct, consequential, liquidated or unliquidated) (collectively, "**Losses**"), and any and all claims, demands, suits and causes of action brought or raised against any of the Indemnified Parties (collectively, "**Claims**"), arising out of, resulting from, relating to or connected with: (i) any act or omission of Tenant or its officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, "**Tenant Group**") at, on or about the Leased Premises, and/or (ii) any breach or violation of this Lease on the part of Tenant, and notwithstanding anything to the contrary in this Lease, such obligation to indemnify, defend and hold harmless the Indemnified Parties shall survive any termination or expiration of this Lease. This indemnification shall include, without limitation, claims made under any workman's compensation law or under any plan for employee's disability and death benefits (including, without limitation, claims and demands that may be asserted by employees, agents, contractors and subcontractors). Neither party makes any representation of the extent or nature of its authority to defend or indemnify.

11. WAIVER. Any entry onto the Leased Premises by Tenant and, to the extent permitted by law, each and every member of the Tenant Group, shall be at such parties' sole risk, and Landlord makes (and has heretofore made) no representations or warranties of any kind whatsoever regarding the Leased Premises or the condition of the Leased Premises (including, without limitation, the environmental condition thereof). To the fullest extent permitted by law, Tenant and each member of the Tenant Group hereby waives any and all claims, demands, suits and causes of action against the Indemnified Parties, and fully and forever releases the Indemnified Parties, for any loss, cost, damage, liability or expense (including, without limitation attorneys' fees) suffered or incurred by Tenant or any member of the Tenant Group in connection with any entry onto the Leased Premises pursuant to this Lease. Without limiting the generality of the foregoing, in no event shall any of the Indemnified Parties be responsible or liable for any loss, damage, destruction, theft or misappropriation of any of the property of Tenant or any member of the Tenant Group. This Section will survive termination or expiration of the Lease.

12 DIGGING WORK. If Tenant performs any grading, leveling, digging or excavation work on the Leased Premises (which work shall be subject to Landlord's prior written approval), Tenant will notify J.U.L.I.E. at telephone number (800) 892-0123, C.U.A.N. at (312) 744-7000 if the Leased Premises are located in the City of Chicago, or in the event the Leased Premises are located outside J.U.L.I.E.'s or C.U.A.N.'s jurisdiction, any other services required by the utilities in the jurisdiction, at least seventy-two (72) hours prior to the commencement of such work in order to locate all existing utility lines that may be present on the Leased Premises. If Tenant damages any such underground facilities in the course of its work, Tenant will promptly reimburse Landlord or the owner of such equipment or facilities for any and all expense incurred in repairing or replacing such damage.

13. CASUALTY. In the event of any damage to or destruction of the Leased Premises, by fire or other casualty, which materially and adversely affects Tenant's use and enjoyment of the Leased Premises for the purposes specified in this Lease, then either Landlord or Tenant shall have the right, no later than ninety (90) days after such party becomes aware of such damage or destruction, to terminate this Lease upon sixty (60) days' prior written notice to the other. In the event of any damage or destruction which is not so extensive, or in the event that Landlord and Tenant elect not to terminate this Lease pursuant to the preceding sentence, then this Lease shall continue in full force and effect, and Tenant will promptly and diligently, at its sole cost and expense, repair, restore, rebuild and replace the Leased Premises (and all

improvements, fixtures, equipment and property thereat) as nearly as possible to the condition they were in immediately prior to such damage or destruction. Any such work shall be done in a manner satisfactory to Landlord, and in accordance with all Legal Requirements and the terms and provisions of this Lease. Landlord shall not be liable or responsible for any loss or damage caused to any property of Tenant or any member of the Tenant Group (including, without limitation, any such loss or damage caused by fire, vandalism or other casualty) at any time during the Term hereof.

14. CONDEMNATION. If the Leased Premises, or a substantial part thereof, or a portion which prevents use of the Leased Premises for the purposes specified herein, shall be taken or condemned by any competent authority for any public use or purpose, the Term shall end on the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of any condemnation award or proceeds (it being understood that Landlord shall be entitled to the entire amount of any such award or proceeds, and Tenant shall have no right to share therein). Then current Rent shall be apportioned as of the date of such termination.

15. ENVIRONMENTAL PROTECTION.

A. General. Tenant covenants and agrees that Tenant shall conduct its operations on the Leased Premises in compliance with all applicable Environmental Laws (as hereinafter defined) and further covenants that neither Tenant nor any member of the Tenant Group shall use, bring upon, transport, store, keep or cause or allow the discharge, spill or release (or allow a threatened release) in each case of any Hazardous Materials (as hereinafter defined) in, on, under or from the Leased Premises. Without limiting any other indemnification obligations of Tenant contained herein, Tenant hereby agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless the Indemnified Parties from and against any and all Losses and Claims (including, without limitation, (i) reasonable attorneys' fees, (ii) liability to third parties for toxic torts and/or personal injury claims, (iii) fines, penalties and/or assessments levied or raised by any governmental authority or court, and (iv) assessment, remediation and mitigation costs and expenses and natural resource damage claims) arising out of, resulting from or connected with any Hazardous Materials used, brought upon, transported, stored, kept, discharged, spilled or released by Tenant, any member of the Tenant Group or any other person or entity (except for any person or entity which is an Indemnified Party) in, on, under or from the Leased Premises. For purposes of this Lease, the term "**Hazardous Materials**" shall mean all toxic or hazardous substances, materials or waste, petroleum or petroleum products, petroleum additives or constituents or any other waste, contaminant or pollutant regulated under or for which liability may be imposed by any Environmental Law. For purposes hereof, the term "**Environmental Laws**" shall mean all federal, provincial, state and local environmental laws, statutes, ordinances, regulations and other requirements (including common law) regulating or imposing standards of care with respect to the handling, storage, use, emitting, discharge, disposal or other release of Hazardous Materials, including, but not limited to, the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901 et seq., the Clean Air Act, 42 U.S.C. §§ 7401, et seq., the Federal Water Pollution Control Act, 33 U.S.C. §§ 1251, et seq., the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 1101, et seq., the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §§ 9601 et seq., the Toxic Substances Control Act, 15 U.S.C. §§ 2601, et seq., the Oil Pollution Control Act, 33 U.S.C. §§ 2701, et seq., any successor statutes to the foregoing, or any other comparable local, state or federal statute or ordinance pertaining to protection of human health, the environment or natural resources, including without limitation the preservation of wetlands, and all regulations pertaining thereto, as well as applicable judicial or administrative decrees, orders or decisions, authorizations or permits.

B. Wetlands. If there are wetlands on the Leased Premises, or if wetlands should develop on the Leased Premises during the Term, Tenant shall strictly comply with and observe all applicable Environmental Laws. At Landlord's request, Tenant shall, at Tenant's sole cost, furnish Landlord with a survey of the Leased Premises delineating any wetland areas located on the Leased Premises. Under no circumstances shall Tenant change the physical characteristics of any wetland areas located on the Leased Premises, or any other adjoining land or place any fill material on any portion of the Leased Premises, or any adjoining land, without in each instance obtaining Landlord's prior written consent (which may be granted or withheld in Landlord's sole discretion), and only then in compliance with applicable Environmental Laws.

C. Notice of Violation/Release. Tenant shall provide Landlord with prompt written notice upon Tenant's obtaining knowledge of the existence of any Hazardous Materials on, in or under the Leased Premises in violation of Environmental Laws, or of any potential or known release or threat of release of any Hazardous Materials affecting the Leased Premises.

D. Survival. This Section shall survive the expiration or other termination or expiration of the Lease.

16. **INSURANCE**. Tenant shall comply with the insurance provisions contained in Exhibit D attached hereto and made a part hereof.

17. **ZONING**. Tenant hereby acknowledges that Landlord has made no representations that the Leased Premises may be used or is properly zoned for the Permitted Use, and Tenant further agrees that it will (at its sole cost and expense) obtain all necessary permits and other approvals prior to undertaking the Permitted Use. Tenant assumes all obligations and responsibilities for compliance with all Legal Requirements including, without limitation, all applicable zoning laws and ordinances, building codes and governmental regulations. This Lease is not preconditioned on Tenant obtaining any zoning or use permits or approval. This Lease does not constitute the authority to seek a zoning change to permit the Permitted Use, and in no event shall Tenant seek or apply for any such zoning change to the Leased Premises without Landlord's prior written consent, which consent may be given or withheld in Landlord's sole and absolute discretion.

18. **NO SIGNS**. Tenant shall not place or permit to be placed by any person or entity (other than Landlord) on the Leased Premises any signs or billboards (including, without limitation, any advertising signs or billboards) without the prior written approval of Landlord, which approval Landlord may give or withhold in Landlord's sole and absolute discretion. Tenant may place signs on the Specified Area without the consent of Landlord relating solely to safety and directional matters involving the Permitted Use. Tenant agrees to place a sign in a visible area within the Specified Area that contains an acknowledgment of Landlord's assistance and cooperation with the Tenant with respect to the Permitted Use, all in a manner and form reasonably acceptable to Landlord.

19. **DAMAGE TO LANDLORD'S FACILITIES**. Tenant agrees that in the event any work done by or on behalf of the Tenant on the Leased Premises causes damage to Landlord's Facilities, Tenant will promptly reimburse Landlord for any and all expense incurred for the repairing or replacement of such damage, within thirty (30) days, after presentation to Tenant of Landlord's statement therefor.

20. DEFAULT.

A. The occurrence of any of the following shall be considered a “**Default**”:

(i) Tenant shall at any time fail to make any payment of Rent (or any portion thereof) or any other payments required of Tenant hereunder when required, and such failure continues for a period of more than ten (10) days (without necessity of any notice or demand therefor); or

(ii) Tenant shall breach or violate any of its duties or obligations set forth in Section 7 (Surrender of Leased Premises; Restoration), Section 8 (Compliance with Laws), Section 16 (Insurance), Section 22 (Covenants Against Liens), Section 23 (Assignment and Subletting) or Section 30 (Subordination; Estoppel) of this Lease; or

(iii) Tenant shall at any time be in default of any other covenants and conditions of this Lease to be kept, observed and performed by Tenant, which and such default continues for more than thirty (30) days (or such shorter time period as may specifically be set forth in this Lease) after notice from Landlord; or

(iv) this Lease or Tenant’s interest therein, or any interest in Tenant, shall be assigned, transferred, mortgaged or pledged, levied on or attempted to be taken by execution, attachment or other process of law, or if any execution or attachment shall be issued against Tenant, or any of Tenant’s property in the Leased Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Tenant; or

(v) a receiver, assignee or trustee shall be appointed for Tenant or Tenant’s property or if the Tenant shall file bankruptcy, or if involuntary bankruptcy proceedings shall be filed against Tenant; or

(vi) Landlord shall receive notice of any alleged violation of any Legal Requirements resulting from or in any way connected with Tenant’s use of the Leased Premises and such violation is not cured (and all liabilities connected therewith fully satisfied) by Tenant prior to the earlier of (a) the last day of the period permitted by law for curing such violation or (b) the first date Landlord becomes subject to any fine, penalty, lien, judgment, order or other liability due to the continued existence of such violation; or

(vii) Tenant shall abandon the Leased Premises or vacate same during the Term hereof.

B. If a Default occurs, Landlord may do any or all of the following (all of which remedies shall be cumulative and not exclusive, and all of which remedies shall be in addition to, and not in lieu of, any other rights and remedies to which Landlord may be entitled under this Lease, at law or in equity):

(i) At its option, at once, without notice to Tenant or to any other person, terminate this Lease and at its option, require payment in full of the Rent due for the unexpired term of the Lease;

(ii) Enter into the Leased Premises, and remove Tenant’s property and effects therefrom, and/or take and hold possession thereof, without such entry and/or possession terminating this Lease or releasing Tenant in whole or in part from Tenant’s obligations to pay Rent and perform all its other obligations hereunder for the full Term, and to relet the Leased Premises or any part or parts thereof, either in the name of for the account of Landlord or Tenant, for such Rent and for such term and terms as Landlord may see fit, which term may at Landlord’s option extend beyond the balance of the Term of this Lease. Except to the extent required under applicable Legal

Requirements, Landlord shall not be required to accept any tenant offered by Tenant or to observe any instructions given by the Tenant about such reletting. In any case, Landlord may make such repairs, alterations and additions in or to the Leased Premises as it sees fit. Tenant shall pay Landlord any deficiency between the Rent hereby reserved and covenanted to be paid and the net amount of the rents collected on such reletting, for the balance of the Term of this Lease, as well as any expenses incurred by Landlord in such reletting, including, but not limited to attorney's fees, broker fees, the expenses of repairing, altering the Leased Premises, and otherwise preparing the same for re-rental. All such costs, other than the rental, shall be paid by Tenant upon demand by Landlord. Any deficiency in rental amounts shall be paid in monthly installments, upon statements rendered by Landlord to Tenant, unless Landlord has declared the entire Rent for the balance of the Term due, as elsewhere in this Lease provided. Any suit brought to collect the amount of the deficiency for any one or more months' Rent shall not preclude any subsequent suit or suits to collect the deficiency for any subsequent month's Rent;

(iii) Require that upon any termination of this Lease, whether by lapse of time, the exercise of any option by Landlord to terminate the same, or in any other manner whatsoever, or upon any termination of Tenant's right to possession without termination of this Lease, the Tenant shall at once surrender possession of the Leased Premises to the Landlord and immediately vacate the same and remove all effects therefrom, except such as may not be removed under other provisions of this Lease. If Tenant fails to do so, Landlord may forthwith re-enter the Leased Premises, with or without process of law, and repossess itself thereof as in its former estate and expel and remove Tenant and any other persons and property therefrom, using such force as may be necessary without being deemed guilty of trespass, eviction or forcible entry, without thereby waiving Landlord's rights to Rent or any other rights given Landlord under this Lease or at law or in equity;

(iv) Remove, at its option if the Tenant shall not remove all effects from the Leased Premises in this Lease as provided, any or all of such effects in any manner that Landlord shall choose and store the same without liability for loss thereof, and Tenant will pay Landlord, upon demand, any and all expenses incurred in such removal and also storage of said effects for any length of time during which the same shall be in Landlord's possession or in storage, or Landlord may at its option, without notice, sell any or all of said effects in such manner and for such price as the Landlord may deem best and apply the proceeds of such sale upon any amounts due under this Lease from the Tenant to Landlord, including the expenses of removal and sale;

(v) Collect from Tenant any other loss or damage Landlord may sustain by reason of any breach (including, without limitation, the unamortized portion of any brokerage fee or commission paid by or on behalf of Landlord to any broker or finder with respect to this Lease) and any diminished value of the Leased Premises resulting from said breach;

(vi) Enjoin any such breach of this Lease by Tenant; and/or

(vii) Take any and all corrective actions Landlord deems necessary or appropriate to cure the default of Tenant in question and charge the cost thereof to Tenant, together with (i) interest at the Default Rate, and (ii) an administrative charge in an amount equal to ten percent (10%) of the cost of the corrective action to defray part of the administrative expense incurred Landlord in administering such cure, such payment to be made by Tenant upon Landlord's presentment and demand therefor.

C. Except as specifically provided in this Section Tenant expressly waives the service of any notice of intention to terminate this Lease or to terminate Tenant's right of possession of the Leased Premises or to re-enter the Leased Premises and waives the service of any demand for payment of Rent or

for possession and waives the service of any and every other notice or demand prescribed by any statute, law or ordinance and agrees that the simple breach of any of the covenants of this Lease (beyond any applicable notice and cure periods) shall, of itself, without the service of any additional notice or demand whatsoever, at Landlord's option, constitute a default on the part of Tenant. No receipt of monies by the Landlord from or for the account of Tenant or from anyone in possession or occupancy of the Leased Premises after termination in any way of this Lease or after the giving of any notice, shall reinstate, constitute or extend the Term of this Lease or affect any notice given to the Tenant prior to the receipt of such money, it being agreed that after the service of notice of the commencement of a suit, or after final judgment for possession of the Leased Premises, Landlord may receive and collect any Rent or other amounts due Landlord and such payment not waive or affect said notice, said suit, or said judgment.

D. Any and all rights and remedies which Landlord may have under this Lease at law or in equity, shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of said rights and remedies may be exercised at the same time or at different times and from time to time.

E. If Landlord is required to incur expense, legal, incidental, or consequential, because of the breach of this Lease by Tenant, the Tenant shall promptly reimburse Landlord for such expense upon being given a written itemization and explanation thereof. In the event of commencing a court action as a result of any breach, it is agreed that such expenses are to be considered a part of the damages claimed in said action and any expense incurred in prosecuting that action shall be included. It is agreed that the term "expenses" as used herein shall include, but not be limited to, attorney's fees, court costs, district justice costs, and any and all other costs and expenses reasonably related to such breach.

F. The failure of Landlord to enforce rights under this Lease on one or numerous occasions shall not affect the Landlord's ability to enforce that right on any subsequent occasion or occasions.

G. Upon the occurrence of a Default or any breach or default under this Lease by Tenant, Tenant shall be liable for and shall reimburse Landlord upon demand for all reasonable attorney's fees and costs incurred by Landlord in enforcing Tenant's obligations under this Lease, whether or not Landlord files legal proceedings in connection therewith.

H. In the event that a Default shall occur and Landlord elects to terminate this Lease, or upon expiration of this Lease, Tenant shall not be relieved of its duties or obligations under this Lease so long as Tenant or any of Tenant's property remains on the Leased Premises. Additionally, any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

I. In the event of a threatened breach by Tenant of any of the covenants or provisions of this Lease, Landlord shall (without limiting any of Landlord's other rights or remedies hereunder, at law or in equity) have the right to enjoin any such threatened breach.

21. LIMITATION ON LIABILITY. It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements continued in this Lease are made or intended as personal covenants, undertakings or agreements by Landlord or any entity which is affiliated with Landlord its parent or subsidiaries. Tenant specifically agrees to look solely to Landlord's interest in the Leased Premises for the recovery of any sums, damages, awards or judgments from Landlord. It is agreed that neither Landlord, nor any entity which is affiliated with Landlord (nor any of their respective parents or subsidiaries, nor any of their respective shareholders, venturers, officers, directors or employees) shall be personally liable for any such sums, damages, awards or judgments. This Section will survive termination or expiration of the Lease.

22. COVENANTS AGAINST LIENS. Tenant hereby covenants and agrees that it will not cause or permit any lien (including, without limitation, any mechanic's lien) or claim for lien to be asserted against the Leased Premises or any interest therein, whether such lien or claim for lien results from or arises out of any act or omission of Tenant or any member of the Tenant Group or otherwise. In the event any such lien or claim for lien is filed, Tenant will immediately pay and release the same. In the event such lien or claim of lien is not released and removed within five (5) days after notice from Landlord, Landlord, at its sole option and in addition to any of its other rights and remedies, may take any and all action necessary to release and remove such lien or claim of lien (it being agreed by Tenant that Landlord shall have no duty to investigate the validity thereof), and Tenant shall promptly upon notice thereof reimburse Landlord for all sums, costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Landlord in connection with such lien or claim of lien. Tenant hereby agrees to indemnify, defend and hold harmless Landlord from and against any and all liens or claims, to the extent permitted by law, for lien arising out of or in any way connected with Tenant's use and occupancy of the Leased Premises. Any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

23. ASSIGNMENT AND SUBLETTING. Tenant shall not, directly or indirectly, assign, mortgage, pledge, encumber, or otherwise transfer this Lease (or any interest of Tenant herein), whether by operation of law or otherwise, and shall not sublet (or underlet), or permit, or suffer the Leased Premises or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any assignment, sublease, mortgage, pledge, encumbrance or transfer by Tenant in contravention of the provisions of this Section shall be void. For purposes of this Lease any transfer, directly, indirectly or by operation of law, of a "controlling" interest in Tenant shall constitute an assignment of this Lease and shall be subject to the terms and provisions of this Section. For purposes hereof, a "controlling" interest in Tenant shall mean: (a) the ownership, directly or indirectly, of a majority of the outstanding voting stock or interests of Tenant, or (b) the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting securities or other ownership interests, by statute, or by contract.

24. TERMINATION. Prior to the end of the Term, this Lease may be terminated at any time by either of the parties hereto by giving ninety (90) days prior written notice to the other party of such termination. This Lease may also be terminated by Landlord, if Landlord is required to do so by a regulatory body, by a court of competent jurisdiction or Legal Requirements. In the event this Lease is terminated for any reason, any Rent paid in advance shall be prorated to the effective date of such termination and the unearned portion thereof refunded to Tenant.

25. LANDLORD'S RIGHTS. The rights of the Landlord to utilize the Leased Premises in its utility business, at all times, will be and remain paramount to the rights herein granted to Tenant by Landlord and nothing stated herein is to be construed as restricting Landlord from granting rights to other parties or persons in, upon or under the Leased Premises. Without limiting the generality of the foregoing, the parties specifically refer to rights relating to sewers, water pipes and mains, drainage tiles and pipes, gas main and pipelines and other associated uses. In addition, Landlord shall have the right to enter upon the Leased Premises at any time and from time to time during the Term to (a) show the same to prospective tenants, mortgagees and/or purchasers, and to place "For Rent" and/or "For Sale" signs thereon and (b) to conduct any and all vegetation management in, on, or about the Leased Premises in accordance with Landlord's then current vegetation management practices and procedures.

26. RIGHT OF ENTRY.

A. Tenant agrees that Landlord and Landlord's agents, representatives, employees, contractors, licensees, invitees, tenants, successors and assigns (collectively, "**Landlord Parties**"),

shall have the right to enter the Leased Premises at any time Landlord deems necessary, to alter, modify, augment, supplement, improve, upgrade, use, operate, repair, replace, install, construct, maintain or protect Landlord's Facilities and to conduct vegetation management activities, including the right to cut down, trim and remove any trees, brush or other vegetation that interferes with or potentially interferes with Landlord's Facilities on the Leased Premises as Landlord deems necessary in its sole discretion. Tenant shall not plant any trees or other vegetation on the Leased Premises without the prior written consent of Landlord which it may withhold in its sole discretion. Landlord has the right to require Tenant to remove and relocate any paving, improvements or property owned or used by Tenant at the Leased Premises, in connection with the use, operation, maintenance, repair, installation and/or removal of Landlord's Facilities by any Landlord Party, and/or or in connection with any other use (present or future) of the Leased Premises by the Landlord Parties, all of which removal and relocation shall be at Tenant's sole cost and expense. In the event that Tenant fails to remove and/or relocate any such paving, improvements or property upon notice from Landlord, then Landlord shall have the right (but not the obligation) to remove such paving, improvements or property on Tenant's behalf, and at Tenant's cost, and Tenant shall promptly reimburse Landlord for any costs and expenses paid or incurred by Landlord in connection therewith. Tenant agrees that it will cooperate with Landlord in connection with any entry on, and work at, the Leased Premises by the Landlord Parties, and shall coordinate Tenant's use of the Leased Premises with any use of the Leased Premises by any of the Landlord Parties, including but not limited to vegetation management. Landlord shall not in any event be liable for inconvenience, disruption, disturbance, loss of business or other damage to Tenant by reason of any entry on, or work at, the Leased Premises by any Landlord Party, or on account of bringing materials, supplies, and equipment into or through the Leased Premises. Tenant understands that the business of the Landlord involves, among other things, the construction, installation, maintenance, operation, and use of Landlord's Facilities now or which may hereafter be erected or installed upon, along, on, over, across or under the Leased Premises, or property adjacent thereto, which are used or useful in connection with the generation, conversion, transmission or distribution of electricity and gas and communications services. Tenant covenants and agrees (as a specific condition of this Lease) that Tenant and each member of the Tenant Group will not, under any circumstances whatsoever, touch, handle, tamper with or contact, directly or indirectly, any of the Landlord's Facilities, nor damage, destroy, interfere with, obstruct or otherwise adversely affect, Landlord's Facilities.

B. Landlord and its representatives may enter the Leased Premises at all reasonable times for the purpose of inspecting the Leased Premises, or to show the Leased Premises to prospective purchasers, investors, encumbrancers, or tenants. In the case of an emergency, Landlord or its agents may enter the Leased Premises without prior notice, and may enter forcibly, without liability to Tenant, and without affecting this Lease. During the final twelve (12) months of the Term, Landlord may place customary "For Sale" or "For Lease" signs on the Leased Premises

27. LANDLORD'S RIGHT TO TRANSFER. This Lease shall not in any manner or to any extent limit or restrict the right of Landlord to use or dispose of the Leased Premises as Landlord may in its discretion desire, subject to rights of Tenant hereunder. Landlord shall have the right, without notice to or consent from Tenant, to assign this Lease to any person or entity that succeeds (directly, indirectly or by operation of law) to any of Landlord's right, title or interest in or to the Leased Premises.

28. TENANT'S PROPERTY. It is expressly understood and agreed that all equipment and other personal property that Tenant may install upon the Leased Premises during the Term shall remain the property of Tenant and shall be removed by Tenant (as set forth in Section 7 hereof), at its sole cost and expense, at the expiration of the term of this Lease or at any time prior thereto.

29. HOLDING OVER. Tenant shall have no right to remain in possession of all or any part of the Leased Premises after the expiration of the Term. In the event that Tenant remains in possession of all or any part of the Leased Premises after the expiration or earlier termination of the Term, at Landlord's option (exercised by giving Tenant written notice): (a) such tenancy shall be deemed to be either (at Landlord's sole option) a periodic tenancy from month-to-month only, or a tenancy at sufferance terminable at will by Landlord; (b) such tenancy shall not, unless Landlord otherwise elects (as set forth above), constitute a renewal or extension of this Lease for any further Term; and (c) such tenancy may be terminated by Landlord upon the earlier of thirty (30) days' prior written notice or the earliest date permitted by law. In the event Tenant remains in possession after the expiration or earlier termination of the Term, then: (i) Landlord shall have the right to charge Tenant a monthly Base Rent equal to Landlord's estimate (as determined by Landlord in its sole discretion) of two hundred percent (200%) of the fair market monthly rental value of the Leased Premises, and any other sums due under this Lease shall be payable in the amount and at the times specified in this Lease, and (ii) Tenant agrees to the extent permitted by law to indemnify, defend (with counsel acceptable to Landlord, which acceptance shall not be unreasonably withheld) and hold the Indemnified Parties harmless from and against any and all Losses and Claims sustained, incurred and/or brought against any of the Indemnified Parties by reason of such retention of possession of the Leased Premises (which may include, without limitation, any Claims made by any actual or prospective subsequent lessee or other user or occupant of the Leased Premises or any portion thereof). Any such month-to-month tenancy or tenancy at sufferance shall be subject to every other term, condition, and covenant contained in this Lease.

30. SUBORDINATION; ESTOPPEL.

A. This Lease and the rights of Tenant hereunder shall be and are hereby made expressly subject and subordinate at all times to the lien of any mortgage now or hereafter existing against all or any portion of the Leased Premises. Tenant acknowledges that its title is and always shall be subordinate to the title of the owner of the Leased Premises and nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of the owner of the Leased Premises. In confirmation of such subordination, Tenant shall promptly execute and deliver any instrument that Landlord or any mortgagee of Landlord may request to evidence such subordination no later than ten (10) business days after Landlord's request therefor. If any mortgagee of Landlord (or its successors or assigns), or any other person or entity, shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlord's rights ("**Successor Landlord**") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's Landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such attornment. Upon such attornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such attornment.

B. Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than ten (10) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant, (a) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the Base Rent, (c) setting forth the date to which the Rent has been paid, (d) stating whether or not, to the best knowledge of the Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such default, (e) stating whether there are any subleases affecting the Leased Premises, (f) stating the address of Tenant to which all notices and communication under the Lease shall be sent, and the Commencement Date, and (g) containing any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered

pursuant to this paragraph may be relied upon by others with whom Landlord may be dealing, including any purchaser or owner of the Leased Premises, or of Landlord's interest in the Leased Premises or any lender or mortgagee of Landlord. If Tenant fails to execute and return such written statement to Landlord within such ten (10) day period, such failure shall constitute Tenant's agreement as to the accuracy of the information contained in the written statement submitted to Tenant by Landlord.

31. MISCELLANEOUS.

A. Illinois Commerce Commission Approval. Landlord and Tenant acknowledge that Landlord is a public utility regulated by the Illinois Commerce Commission ("**Commission**") and other governmental authorities, and this Lease and the obligations of the parties hereto are subject to all Legal Requirements applicable to Landlord as a public utility. Although it is not expected that the Commission's or other governmental authorities' approval will be required for this Lease, the rights and obligations of the parties hereunder are conditioned upon the Commission's and any other applicable governmental authorities' approval of this Lease, under any circumstances in which such approval is required. It is further agreed and understood that this Lease may be terminated by Landlord immediately at any time in the event that Landlord is required to do so by the Commission or some other governmental authority.

B. Notices. Whenever notice is required to be given pursuant to this Lease, the same shall be either personally delivered, sent by a nationally recognized overnight delivery service, postage prepaid, or sent via United States certified mail, return receipt requested, postage prepaid, and addressed to the parties at their respective addresses as follows:

If to Landlord:

Commonwealth Edison Company
Three Lincoln Centre 4th Floor
Oakbrook Terrace, IL 60181
Attn: Real Estate Asset Management

with a copy to:

Exelon Business Services Company, LLC
Law Department
10 South Dearborn Street, 49th Floor
Chicago, Illinois 60603
Attn: Assistant General Counsel – Real Estate

If to Tenant:

County of Du Page
421 North County Farm Road
Wheaton, Illinois 60187
Attn: County Engineer

or at such other addresses as any party, by written notice in the manner specified above to the other party hereto, may designate from time to time. Unless otherwise specified to the contrary in this Lease, all notices shall be deemed to have been given upon receipt (or refusal of receipt) thereof.

C. Prohibition on Recording. To the maximum extent permitted under Legal Requirements, Tenant agrees not to record this Lease. This Section will survive the termination or expiration of this Lease.

D. Waiver of Jury Trial. Landlord and Tenant, by this Section, waive trial by jury in any action, proceeding, or counterclaim brought by either of the parties to this Lease against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Leased Premises, or any other claims, and any emergency statutory or any other statutory remedy.

E. Captions. The section headings appearing in this Lease are for convenience of reference only and are not intended, to any extent and for any purpose, to limit or define the text of any section or any subsection hereof.

F. Binding Effect. The covenants, conditions, and agreements contained in this Lease will bind and inure to the benefit of Landlord and Tenant and their respective heirs, distributees, executors, administrators, successors and permitted assigns. In the event that Tenant is comprised of more than one individual or entity, the obligations of such individuals or entities under this Lease shall be joint and several.

G. Entire Agreement. This Lease, the exhibits and addenda, if any, contain the entire agreement between Landlord and Tenant regarding the subject matter hereof, and fully supersede all prior written or oral agreements and understandings between the parties pertaining to such subject matter. No promises or representations, except as contained in this Lease, have been made to Tenant respecting the condition or the manner of operating the Leased Premises.

H. Further Assurances. Each party agrees that it will execute and deliver such other documents and take such other action as may be reasonably requested by the other party to effectuate the purposes and intention of this Lease.

I. No Waiver. The failure of either party to enforce at any time any provision of this Lease shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Lease or any part hereof or the right of such party thereafter to enforce each and every such provision. No waiver of any breach of this Lease shall be held to constitute a waiver of any other or subsequent breach.

J. No Third Party Beneficiaries. Landlord and Tenant agree and acknowledge that, except as expressly set forth herein, there are no intended third party beneficiaries of this Lease nor any of the rights and privileges conferred herein.

K. Governing Law. The terms and provisions of this Lease shall be governed by and construed in accordance with the laws of the State of Illinois. With respect to any suit, action or proceeding relating to this Lease (each a "**Proceeding**"), the parties hereto each irrevocably: (a) agree that any such Proceeding shall be commenced, brought, tried, litigated and consummated in the courts of the State of Illinois located in the County of DuPage or (as applicable) in the United States District Court for the Northern District of Illinois, (b) submit to the exclusive jurisdiction of the courts of the State of Illinois located in the County of DuPage and the United States District Court for the Northern District of Illinois, and (c) waive any objection which they may have at any time to the laying of venue of any Proceeding brought in any court, waive any claim that any Proceeding brought in any such court has been brought in an inconvenient forum, and further waive the right to object, with respect to such Proceeding, that any such court does not have jurisdiction over such party.

L. Counterparts. This Lease may be executed by the parties in counterparts. Each such counterpart shall be deemed an original and all such counterparts, taken together, shall constitute one and the same agreement.

M. Subordinate. This Lease, and all of Tenant's rights and interests hereunder, are subject and subordinate to any and all recorded and unrecorded easements, licenses, leases and permits, and all other matters (whether recorded or unrecorded) affecting the Leased Premises (or title thereto) dated prior to the date of this Lease.

N. Severability. If any term, provision or condition in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease (or the application of such term, provision or condition to persons or circumstances other than in respect of which it is invalid or unenforceable) shall not be affected thereby, and each term, provision and condition of this Lease shall be valid and enforceable to the fullest extent permitted by law.

O. Time of the Essence. Time is of the essence of this Lease, and each and every term and provision hereof.

P. No Partnership. None of the terms or provisions of this Lease shall be deemed to create a partnership between or among the parties hereto in their respective businesses or otherwise, nor shall any of the terms or provisions of this Lease cause them to be considered joint venturers or members of any joint enterprise.

Q. Not an Employee. By signing this Lease, Tenant affirms and states that it is not an employee of Commonwealth Edison Company nor Exelon Corporation, nor any of their respective parents, subsidiaries or affiliates, nor does Tenant have any affiliated interest in any such entities.

R. No Oral Change. This Lease cannot be changed orally or by course of conduct, and no executory agreement, oral agreement or course of conduct shall be effective to waive, change, modify or discharge it in whole or in part unless the same is in writing and is signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

S. Tenant's Authority. Tenant represents and warrants that it has full right, power and authority to execute and deliver this Lease, and to perform each and all of its duties and obligations hereunder. If Landlord so requests, Tenant shall provide Landlord with reasonable written evidence of such right, power and authority.

T. Termination of Lease Based Upon Change In Law. If any Legal Requirement is enacted or modified during the Term, and such enactment or modification places any additional material burden on Landlord (as determined by Landlord) as a result of Tenant's use or occupancy of the Leased Premises for any purpose, or if the use of the Leased Premises by Tenant would violate any Legal Requirements hereinafter enacted or modified, then (without limiting any other rights or remedies of Landlord hereunder) Landlord shall have the right to terminate this lease effective as of the effective date of such Legal Requirement is so enacted or modified.

U. Negotiated. The parties acknowledge that the parties and their counsel have reviewed and revised this Lease and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease or any exhibits or amendments hereto.

V. Brokers. Tenant represents and warrants to Landlord that Tenant has dealt with no broker, finder or similar person or entity in connection with this Lease, or Tenant's use or occupancy of the Leased Premises. Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold Landlord harmless from and against any and all Claims and Losses brought against, sustained or incurred by Landlord by reason of Tenant's breach of the foregoing representation and warranty.

W. Tenant's Authority to Act. This Lease shall be executed for and on behalf of the Tenant pursuant to a resolution adopted by the County Board of Tenant, at a regular meeting held _____, 20____, and signed by the officers therein designated as signatories and attested by the clerk of Tenant.

Y. Additional Requirements. Tenant shall comply the Additional Requirements listed on Exhibit E attached hereto and made a part hereof.

APPLICATION

- THIS STANDARD SHALL BE USED FOR INSTALLATION OF VEHICLE BARRIERS AROUND TRANSMISSION STRUCTURES AND ILLUSTRATES THE DIFFERENT TYPES OF VEHICLE BARRIERS WHICH MAY BE USED FOR TRANSMISSION STRUCTURE PROTECTION.

INFORMATION

- ① ACTUAL STRUCTURE TYPE, SHAPE & BASE DIMENSIONS MAY VARY. DETAILS WILL BE FURNISHED ON THE PROJECT DRAWINGS WHERE DIFFERENT THAN SHOWN.
- ② ITEM "Q". (S.I.#701129) CAN BE REPLACED WITH 4000 PSI READY-MIX CONCRETE PER EM48003. ONE CONCRETE TRUCK WITH 7 CUBIC YARD CAPACITY IS APPROXIMATELY EQUIVALENT TO 220 BAGS OF S.I.#701129 AFTER ADDING WATER AND MIXING.
- ③ NUTS ON GUARDRAIL BARRIER SHALL BE TIGHTENED WITH A TORQUE WRENCH TO A TORQUE VALUE OF 75 FOOT-POUNDS.
- ④ SPACING OF BARRIERS FROM STRUCTURE OUTLINE AS SHOWN IS MINIMUM AND MAY BE INCREASED WHERE NECESSARY.
- ⑤ THE TOWER PROTECTIVE BARRIER SPACING SHALL BE BASED ON ACTUAL TOWER BASE DIMENSIONS. DETAILS SHOWN ARE APPLICABLE TO A TOWER WITH A MAXIMUM BASE DIMENSION OF 36'-0". ADD ONE UNIT AT EACH SIDE IF THE TOWER BASE DIMENSION EXCEEDS 36'-0".
- ⑥ WHERE THIS DIMENSION CAN BE KEPT AT 4 FEET OR LESS, WITH CORNER OPENING NO MORE THAN 4 FEET. THE INTERMEDIATE POST SHOWN HERE CAN BE ELIMINATED.
- ⑦ NUMBER OF UNITS DEPENDENT ON SIZE OF TOWER BUT SPACES BETWEEN UNITS SHALL NOT EXCEED THE 4 FEET SHOWN, NOR SHALL THE MINIMUM DISTANCE FROM TOWER BE CHANGED. ADD ONE UNIT AT EACH SIDE IF THE TOWER BASE DIMENSION EXCEEDS 25'-0".
- ⑧ THE LOCATIONS OF THE PROTECTIVE BARRIERS WILL BE STAKED BY THE OWNER UNLESS OTHERWISE INDICATED ON THE PROJECT DRAWINGS.
- ⑨ CARE SHALL BE TAKEN TO AVOID DISTURBANCE OF ALL AREAS OUTSIDE OF THE IMMEDIATE WORK AREA. ANY DAMAGE TO PROPERTY SHALL BE IMMEDIATELY REPAIRED. ALL ADJACENT PROPERTY SHALL BE RESTORED TO ITS ORIGINAL CONDITION IMMEDIATELY AFTER THE INSTALLATION OF THE VEHICLE BARRIERS.

EXHIBIT D

Insurance Requirements

(current 2/13/2018)

A. Tenant agrees to require its contractors, before commencing any work on the Leased Premises to purchase and maintain, or at the option of Tenant to itself purchase and maintain, at the cost of Tenant or its contractors, a policy or policies of insurance issued by insurance companies authorized to do business in the State of Illinois, having ratings of A-/VII or better in the Best's Key Rating Insurance Guide (latest edition in effect at the latest date stated in the Certificates of Insurance) and in a form satisfactory to Landlord as follows:

COVERAGE #1

Workers' Compensation Insurance with statutory limits, as required by the state in which the work is to be performed, –and Employers' Liability Insurance with limits not less than One Million dollars (\$1,000,000.00) each accident/occurrence

COVERAGE #2

Commercial General Liability (CGL) Policy or Policies (with coverage consistent with ISO CG 0001 (12 04)) covering all contractors, subcontractors and all their subcontractors with limits not less than Four Million dollars (\$4,000,000.00) per occurrence covering liability for bodily injury and property damage arising from premises, operations, independent contractors, personal injury/advertising injury, blanket contractual liability and products/completed operations for not less than three (3) years from the date the work is accepted. (CGL insurance includes, but is not limited to coverage for claims against Landlord for injuries to employees of Tenant and its contractors or any subcontractors) Landlord shall be added as an Additional Insured providing coverage consistent with ISO Form CG 20 26 11 85 or the combination of ISO Form CG 20 10 10 01 and CG 20 37 10 01.

COVERAGE #3

Automobile Liability in an amount of not less than one million dollars (\$1,000,000) per accident for bodily injury and property damage, covering all owned, leased, rented or non-owned vehicles, which shall include automobile contractual liability coverage.

Policies covering contractors may substitute lower limits for any of the policies listed above, provided that Contractors maintains an umbrella or excess liability policy or policies which provide a total minimum limit of four million dollars (\$4,000,000) per occurrence for general liability and one million dollars (\$1,000,000) for automobile liability, and that all other requirements of this insurance clause are satisfied by such umbrella or excess policy or policies.

There shall be furnished to Landlord, prior to commencing the work above described a certificate of insurance showing the issuance of insurance policies pursuant to the requirements contained in Coverages #1, #2, and #3 of this paragraph. Insurance coverage as required herein shall be kept in force until all work has been completed.

Insurance coverage provided by Tenant's contractors shall not include any of the following; any claims made insurance policies; any self-insured retention or deductible amount greater than two hundred fifty thousand dollars (\$250,000) unless approved in writing by Landlord; any endorsement limiting coverage available to Landlord which is otherwise required by this Article; and any policy or endorsement language that (i) negates coverage to Landlord for Landlord's own negligence, (ii) limits the duty to defend Landlord under the policy, (iii) provides coverage to Landlord only if Tenant or its contractors are negligent, (iv) permits recovery of defense costs from any additional insured, or (v) limits the scope of coverage for liability assumed under a contract.

To the extent permitted by applicable Laws, all above-mentioned insurance policies shall provide the following:

- (1) Be primary and non-contributory to any other insurance carried by Landlord
- (2) Contain cross-liability coverage as provided under standard ISO Forms' separation of insureds clause; and
- (3) Provide for a waiver of all rights of subrogation which Tenant's, or its Contractors' insurance carrier might exercise against Landlord; and
- (4) Any Excess or Umbrella liability coverage will not require contribution before it will apply

Landlord hereby reserves the right to amend, correct and change from time-to-time the limits, coverages and forms of policies as may be required from Tenant and/or its contractors.

WAIVER OF SUBROGATION

Tenant and its contractors shall waive all rights of subrogation against Landlord under those policies procured in accordance with this Lease.

EXHIBIT E

Additional Requirements

Tenant shall adhere to the following requirements:

1. Tenant shall maintain the Leased Premises and Additional Area to be Maintained (which includes the open grass way area) of the Landlord right of way property.
2. The metallic goal structures are not to be permanent fixtures and must be removed after each use. It is suggested the metallic structures be grounded to guard against induced voltages.
3. No part of the field or goal structures shall be located within ten (10) feet of any Landlord equipment or facilities.
4. Care must be used when mowing the fields such that no Landlord structures are touched.
5. If lighting and landscaping is required, plans and details must be provided to ComEd for review to ensure safety clearances are not violated.
6. Tenant's facilities on Landlord's property should be designed for HS20 axle loading per AASHTO highway specifications in order to withstand Landlord's construction traffic.
7. Tenant must not excavate and /or store material or construction equipment within 10 feet of the existing metallic and/or wood structures installed on Landlord property. Tenant shall contact the Overhead Transmission Engineering department with any questions concerning this request.
8. Tenant must use care when working on Landlord property to avoid damage to existing facilities and equipment. The owners of the various pipelines and /or owners of underground facilities shall be contacted by the Tenant to provide any restrictions such as grade cover and/ or specific protection and/or restrictions during any penetration and/or disturbing of the Landlord property and surface.
9. There are existing buried hand holes for the LLR fiber in the area. If these hand holes were paved over during the installation of the bike path it poses a maintenance concern. Slack coils exist in the hand holes for emergency restoration purposes. The cable route should be located to verify the newly installed bike path is not over the cable or hand holes. If it is over the hand holes access to those hand holes needs to be addressed by either rerouting the path or other means. This applies to plan se 05-655 and 06-689.
10. Staging and stockpiling of material during construction must not exceed ten (10) feet in elevation above grade. Construction equipment shall not be placed on the upper-most sections of the stockpiles.
11. Tenant must remove all scrub brush, limbs and/or tree trunks from the Leased Premises. Burning of vegetation, scrub brush, limbs and/or tree trunks is not permitted.
12. Tenant must not plant trees within fifteen (15) feet of existing overhead transmission facilities, distribution structures or other Landlord's Facilities.
13. Tenant shall only plant vegetation and /or trees that will not exceed ten (10) feet in elevation at maturity.
14. Landlord reserves the right to trim vegetation and /or trees and remove any vegetation or trees to (i) assure National Electrical Safety Code (NESC) electrical clearances are met (ii) perform maintenance and/or repairs to Landlord's Facilities.
15. The path shall not meander, but it may curve around existing structures and shall maintain fifteen (15) foot spacing from all existing transmission structures.
16. At all path access points, Tenant must post highly visible signs indicating that motorized vehicular use of the path by the public is prohibited except for required County maintenance including third party maintenance or emergency service activities as may be required. Further, Tenant shall take responsibility to ensure that motorized vehicular use does not occur.
17. The path surface for Tenant's project cannot use aggregate concrete or curbs. A crushed limestone or asphalt surface is acceptable.
18. Tenant's proposed grade change cannot exceed eight (8) inches within the Landlord's property and must ensure that the existing drainage and storm water will not pool on the Leased Premises or adjacent properties.

19. Any damage to Landlord's property caused by Tenant shall be repaired at Tenant's expense.
20. Tenant shall not place obstructions on the Leased Premises that may restrict Landlord's ability to access, operate and maintain existing and future transmission and distribution facilities. Tenant shall not leave trenches open overnight.
21. Due to the presence of Landlord's electrical wires located on the Leased Premises, no vehicles, equipment or anything else having a height more than fourteen (14) feet from grade level including, but not limited to any equipment attached to vehicles or equipment such as antennas, shall be placed, driven, moved or transported thereon. Tenant shall not permit any activity which could result in a wire to ground electrical contact or damage to Landlord's Facilities. Such activities include, but are not limited to flying kites, model airplanes, driving minibikes, go carts and snowmobiles.
22. Tenant shall not leave construction equipment and materials on Leased Premises when there is no work activity actually in progress, including overnight.
23. When working in the vicinity of Landlord's electric distribution/transmission lines during installation, operation, maintenance or otherwise, Tenant shall comply with OSHA requirements of a minimum twenty (20) feet working clearance distance to be maintained between the booms, arms or other parts that can be raised on the equipment of Tenant or Tenant's contractor and Landlord's existing 138,000 and 345,000 volt electric transmission conductors. Under no circumstances shall truck beds be raised underneath Landlord's distribution and /or transmissions lines. This paragraph shall be added to any construction drawings.
24. Tenant acknowledges that the Landlord does use heavy equipment and that Landlord will not be responsible for any damage to the Tenant's facilities that may occur due to the Landlord's right to access Landlord's property to operate and maintain new and existing transmission and distribution facilities.
25. Upon completion of Tenant's project, Tenant must remove any equipment, construction debris and material from Landlord's property and restore any other disturbed areas of the Landlord's property to their pre-construction condition.
26. All applicable environmental permits must be obtained by Tenant at Tenant's sole cost, including, if required, Wetlands and National Pollutant Discharge Elimination System (NPDES) stormwater permits as required under the Clean Water Act as well as any other applicable environmental permits.
27. Tenant shall comply with requirements of all permits, which may include site monitoring, reporting and restoration extending well beyond the construction time period.
28. Tenant shall comply with all applicable regulations including implementation of a Stormwater Pollution Prevention Plan (SWPPP) and a Soil Erosion and Sediment Control Plan (SESC) to minimize sediment pollution in stormwater runoff as well as any other required practices.
29. If the project requires excavation of soil on the Leased Premises, such work shall be performed at Tenant's cost with a contractor selected by Landlord.
30. If the project requires additional soil, only clean fill shall be used.
31. No hazardous materials may be stored on Landlord's property including in any vehicle.
32. Pervious materials shall be used in the construction of any paths on the Leased Premises.
33. A high level summary of the project plans shall be provided by Tenant to Landlord for Landlord's review and approval prior to any construction, including the following:
 - A letter that summarizes the results of Tenant's analysis of what types of environmental permits, plans, and controls are required (e.g., wetlands, SWPPP, SESC, threatened and endangered species impacts, etc.)
 - A copy of any required environmental permits
 - A copy of any environmental reports required by the permits
34. Tenant shall, at its expense, pay for all costs associated with any of the above items (consulting, permitting, cleanup, audit, etc.).

Lease Requirements

1. The continued use of the subject property is permitted only for the purposes of a recreational bike path and trail for pedestrians, bicyclists, and equestrians, as indicated in the lease agreement.
2. Motorized vehicles are not permitted on the leased property, except in the event of the discharge of regular maintenance duties or emergency services.
3. No construction debris, soil, fill material, or spoils may be stored on ComEd property.
4. No hazardous materials, including petroleum products, may be stored, used, or transferred on ComEd property. No fueling of lawn mowers or similar maintenance equipment is allowed on ComEd property.
5. Lessee will be held responsible for the clean-up of any spills (oil, antifreeze, fuel, etc.) as this could be a potential source of contamination and future liability for ComEd.
6. In the event of a leak/spill on ComEd property, Lessee must notify ComEd within 24 hours and provide a written report within 5 business days.
7. Lessee is responsible for the maintenance of any onsite stormwater management system at the subject property and will be held responsible for any adverse drainage issues that arise for the duration of the lease. Inlet filters must be placed on all storm sewer manholes on ComEd property and must be properly maintained.
8. Lessee is not permitted to develop the unpaved areas or change the grading of the property without prior authorization from ESD. This includes activities of adding gravel or other fill-in activities to the surface of ComEd property.
9. Any damage to ComEd property caused by the Lessee will be repaired at the Lessee's expense.
10. At lease-end, the site must be returned to its original condition, including seeding, as necessary. However, ComEd has the discretion to allow the property to remain in its improved condition.
11. Lessee must follow all applicable environmental laws and regulations and obtain all required environmental permits.
12. Lessee must follow all federal, state, and local wetlands requirements, including United States Army Corps of Engineers and DuPage County regulations and guidelines.
13. Good housekeeping must be maintained at all times on the leased ComEd property.
14. Lessee must assume responsibility for all maintenance of the leased ComEd property. This includes keeping the entire property free of garbage, debris, and any third-party dumping. If third-party dumping occurs on or around the leased premises, Lessee must notify ComEd immediately or be held responsible for cleanup of any illegally dumped materials.

MEMORANDUM

To: DuPage County Transportation Committee

cc: Stephen Travia, Director, DuDOT

From: John Loper, Chief Transportation Planner

Re: Hinsdale Lake Terrace Rideshare Access Pilot

Date: July 29, 2025

Signature on file

The Hinsdale Lake Terrace Rideshare Access Pilot (HLT-RAP) was created to help the community south of 91st Street and west of IL 83 in unincorporated DuPage County overcome both economic and transportation barriers to success. It was staff's belief that the Pilot would help prove need and demand in the community where other attempts have failed. Through five months, the HLT-RAP has far exceeded our estimates of ridership and, therefore, costs. The program has been very valuable to the neighborhood, and it is common to see every member of a family enrolled and using the program. DuDOT staff continue to see 5-10 new enrollees per week and expect to reach 300 by end of summer. It is the intent of DuDOT to continue the service as we evaluate other, more economical and meaningful ways to serve the community and all of their varying needs.

As you recall, DuDOT signed an agreement with Pace and Uber in November 2024 that went into effect January 1, 2025. The parameters of the service per the agreement were that the County would subsidize the rides up to \$30 per ride, four times daily, within a prescribed geographic area (an area that is roughly 5 miles in radius). As of the date of this memo, we are seeing about 2500 rides per month at an average of a little more than \$15 per ride. Invoices are coming in at about \$37,000 to \$40,000 per month but we have yet to see summer invoices. Through the first four months of service the County has been invoiced over \$107,000 with an annual budget of \$100,000. The County estimates that over the remaining 8 months, with continuing growth in the program, the invoices could reach as much as \$500,000 for the year.

DuDOT staff appreciates that this is not a sustainable number over a number of years without a dedicated fund source and that the DOT's Local Gas Tax options are not viable sources. As a consequence, DuDOT has evaluated a number of simple solutions, and we are bringing these to the Committee for your feedback.

The basic solutions include the following options:

- Reducing the per ride subsidy
- Introducing a service charge
- Reducing the number of rides per month
- A combination of the above

Proposed Changes

DuDOT staff has evaluated the effect of all of the above options. Here is a summary of the options and their effects on the neighborhood.

Option	Option Detail	Effectuated Riders	Budget Effect
Reducing Ride Subsidy	Reduce Subsidy from \$30 per ride to \$20	~20%	5-10% reduction in annual cost
Introducing Service Charge	Introduce a nominal per ride charge of \$2	100%	12-15% reduction in annual cost
Reduced number of rides per month	Reduce number of rides per month to max of 60 (2 per day)	~12-15%	10% reduction in annual cost
Combination of reduced subsidy and rides	\$2 service fee, \$20 maximum subsidy per ride and max of 60 rides per month	100%	25-30% reduction in annual cost

To offset the proposed changes in cost to the residents, we are proposing an amendment to the current agreement that will benefit the neighborhood as well. The principal change involves eliminating the geographic boundaries that the Pilot imposed. One of the common complaints that we have received is that the boundaries in the Pilot prohibit people from taking “complete” rides from the neighborhood to medical appointments at Hinsdale Hospital or Loyola Medical or Hines VA Hospital in Cook County, work in Bolingbrook, classes at College of DuPage or many other reasons. This change is likely to increase the trip length and the average cost. The resident taking the ride would pay the excess fee over the maximum subsidy.

Considering the anticipated financial impacts of the possible alternatives, staff is recommending a combination of all of the possible alternatives as follows.

- A service fee of \$2.00 per ride for all users comparable to the current discounted base fare of a Pace bus ride, a savings of 12 - 15%,
- A new cap on the maximum subsidy of \$20.00 per ride, a savings of 5 to 10%,
- Reducing the maximum number of trips per month to 60, a savings of 5 to 10%,
- And, eliminating the existing trip distance restriction of 5 miles

The approximate total savings of this combination of alternatives is anticipated at 25% or \$125,000 annually for a total program cost of \$375,000 versus the anticipated \$500,000 under the existing program agreement.

Putting any of these changes into effect will require an amendment to the agreement with Pace and Uber. This will require a month or more to process and in the interest of time and conservation of resources, staff respectfully requests your consideration.

In the meantime, staff will continue to investigate appropriate funding sources through the state and federal grant portals as well as to work with Pace to prioritize changes to existing fixed route services that may bring other options to the community.
