Additional Information

Please explain why you wish to serve as an appointee and share any unique qualifications or experience you feel you would bring to this agency.

I had to honor to join the Board of the Naperville Fire Protection District in October of 2022 as the Secretary. Ever since we have worked on many tasks (levies, finance, 150 anniversary, request for new equipment to name a few). It has been a very close teamwork with the Naperville Fire Department which has been extremely constructive and rewarding. I have gotten to know the importance and need of this board and seen the impact on the township residences.

I'd like to continue working in this role because it is important for the community.
