8. DEDIR SYSTEM

8.A. [25-2331](#)

October DEDIR System Update

Executive Director Zerwin said the fire radio rollout continued with Lombard, Villa Park, West Chicago, and Hanover Park on Monday, followed by Downers Grove and Darien-Woodridge on Tuesday, Elmhurst, Clarendon Hills, Bloomingdale, and Glenside for Thursday, and Winfield and Wheaton for Friday. She said the upcoming ETS Board meeting would include the final change order for additional equipment, mobile radio purchases, and the replacement of APX4000 radios in coordination with the County, noting that it was a business decision to upgrade at 2022 pricing with a 47 percent discount.

Vice Chair Clark said the Fire Focus Group had reviewed and supported the mobile radio purchase. Member Jansen asked about battery issues, and Executive Director Zerwin said none had been reported. She said police batteries would soon be replaced after three years of use and that fire batteries were performing well, with a replacement planned for December.

Chair Selvik said he and Vice Chair Clark met with Motorola about encryption and were dissatisfied with their lack of progress, saying the plan lacked detail and clear direction for PSAPs and agencies. He said Motorola needed to create a step-by-step task plan before moving forward. Vice Chair Clark said their focus was to make the transition easier for end users, not for Motorola. Executive Director Zerwin said the meeting helped clarify responsibilities but that more work was needed to finalize a usable format before involving focus groups and directors.

Executive Director Zerwin said that Ms. Jennifer Jager had joined as the new Motorola technical lead replacing Mr. Andy Saucedo, with Mr. Otalvaro continuing to assist. She said the team needed to determine the simplest way to ensure that only authorized users could access the investigations channels. She said the Police Chiefs would need to be engaged to identify which personnel should have access, similar to how access is managed for MERIT channels. She explained that while the channels could exist in all radios, only authorized users would have access, and changes could later be made through firmware updates as assignments changed. She said once priorities shifted from the Fire radio rollout, staff would meet to address this process and develop a policy similar in structure to the MERIT policy to govern investigative channel access.

8.B. [25-2332](#)

Discussion of Policy 911-005.6: DuPage Emergency Dispatch Interoperable Radio System (DEDIR System) Use of Emergency Button

Member Burmeister said the matter remained status quo. He said he and Member Benjamin had a brief discussion and agreed that the Directors should be included in the

process. He said they hoped to schedule a meeting with the PSAP Directors within the next month and have an update ready for the next meeting.

8.C. Real Time Crime Center Requests

Executive Director Zerwin said she and Mr. Nebl planned to meet with Schaumburg toward the end of October to discuss GPS and access concerns once the radio rollout was completed. She said the matter required input from the Police Chiefs since it involved broader issues of data visibility and security. She explained that while access for outside entities could be useful for operations like saturation patrols, some Chiefs were concerned about other agencies viewing their units' GPS data, including investigators or sensitive assignments. She also mentioned security risks tied to users accessing CommandCentral from home. She suggested developing an outline or survey to gather Chiefs' feedback before moving forward.

Member Fleury raised concerns about officer safety and privacy, noting that GPS tracking could expose undercover officers or sensitive investigations. Chair Selvik and Vice Chair Clark agreed the issue needed review and discussed exploring options for controlling or limiting GPS visibility. Executive Director Zerwin said technical capabilities, such as user-selectable GPS settings, would be explored. Chair Selvik said the next Police Focus Group meeting would focus on creating a list of questions and recommendations, Executive Director Zerwin said that the upcoming meeting with Schaumburg could help clarify best practices.

8.D. [25-2441](#)

Discussion of Updated Police Template

Chair Selvik said the Police Focus Group met to review and update the Police radio template, confirming channel placements, verifying talkgroups, and removing any that were not part of existing IGAs. Vice Chair Clark asked if all talkgroups worked in every radio, noting that some, like MERIT, required authorization. Chair Selvik confirmed that was correct, and Executive Director Zerwin added that while the channels appeared in the radios, they would not function without proper access. Chair Selvik said the Focus Group approved the template as the final version, with only minor adjustments expected in the future.

9. OLD BUSINESS

Executive Director Zerwin said that next month's agenda would include approval of the calendar for the following year before sending it to the ETS Board. She said there had been discussion about the meeting time and day and offered to look at alternative options if members were interested. She said Tuesdays were difficult because of County Board and committee meetings, and said PAC meetings were usually scheduled before the ETS Board meeting to allow business

items to carry forward. Discussion ensued, and members said they agreed to set the meeting time to Monday at 2:00 p.m. Executive Director Zerwin said the updated calendar would be on next month's agenda for approval.

10. NEW BUSINESS

There was no new business.

11. ADJOURNMENT

11.A. Next Meeting: Monday, November 3 at 8:15am in Room 3-500A

Member Benjamin made a motion to adjourn the meeting at 8:43 am, seconded by Member Jansen. On voice vote, motion carried.

Respectfully submitted,

Andres Gonzalez
