WHEREAS, the purposes of the "Intergovernmental Cooperation Act" and Article 7 of the Constitution of the State of Illinois include fostering cooperation among government bodies; and

WHEREAS, the Illinois General Assembly has granted the VILLAGE authority to operate, maintain and keep in repair necessary signage and pedestrian crossings, and to enter into agreements for those purposes pursuant to 605 ILCS 5/7-101 *et seq.* (Highway Code) and 65 ILCS 5/11-80-2 (Illinois Municipal Code)(hereinafter "PROJECT"); and

WHEREAS, the COUNTY has created the Member Initiative Program, which sets aside certain County funds for use by members within their districts; and

WHEREAS, the PROJECT will benefit local citizens by increased notification to motorists and pedestrians through the installation of rapid-flashing beacons and pedestrian crossing signage on Fair Oaks Road in Carol Stream, and

WHEREAS, in order to coordinate their respective roles in the PROJECT, the COUNTY and VILLAGE have agreed to the terms and conditions set forth in this AGREEMENT; and

WHEREAS, the VILLAGE shall undertake the PROJECT and the COUNTY shall reimburse the VILLAGE for PROJECT expenses up to ten thousand four hundred thirty dollars and sixty-five cents (\$10,430.65) in accordance with the terms and conditions of this AGREEMENT; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

**1.0 INCORPORATION AND CONSTRUCTION.**

- 1.1 All recitals set forth above are incorporated herein and made a part thereof, the same constituting the factual basis for this AGREEMENT.
- 1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.
- 1.3 The COUNTY and VILLAGE shall be referred to herein collectively as the "Parties," or individually as a "Party."

## **2.0 PROJECT DESCRIPTION.**

- 2.1 The PROJECT involves installation of certain pedestrian signs and lights at the intersection of Fair Oaks Road and the meeting of the West Branch DuPage River Trail and the Lies Road Trail. The Project is more fully described in the application attached as **Exhibit A** to this Agreement.
- 2.2 The PROJECT shall be undertaken essentially in accord with the plans, as prepared by the VILLAGE's Staff which have been mutually approved by the VILLAGE and the COUNTY, and which document is attached hereto and incorporated herein as **Exhibit B**.

## **3.0 FUNDING.**

- 3.1 The PROJECT'S gross total expenses are estimated at fifteen thousand dollars (\$15,000).
- 3.2 It is the intention of the Parties that up to ten thousand four-hundred thirty dollars and sixty-five cents in Project costs will be reimbursed by the COUNTY. The COUNTY, by this AGREEMENT, does not assume responsibility for directly paying any PROJECT costs and shall only be responsible for reimbursing portions of the VILLAGE'S PROJECT costs.
- 3.3 Allowable PROJECT expenses may include third-party professional services (architect/engineering fees, construction management, etc.), construction (labor and materials), bidding related costs, advertising, permit fees, and other related construction costs. Notwithstanding the foregoing, allowable expenses shall not include administrative costs, overhead, payroll or accounting services.

## **4.0 VILLAGE'S RESPONSIBILITIES.**

- 4.1 The VILLAGE shall be responsible for the acquisition of all materials for the PROJECT, as set forth in Exhibit A together with the installation of the PROJECT materials by Village Public Works employees.
- 4.2 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.
- 4.3 The VILLAGE shall be responsible for submitting copies of all paid receipts for Project materials and the final PROJECT inspection report to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of verifying the PROJECT's work components have been completed.
- 4.4 The VILLAGE shall submit one final invoice to the COUNTY upon the completion of the material portion of the project. Repaving, landscaping or other seasonal work shall not be considered a material portion of this PROJECT. The COUNTY shall remit payment to the VILLAGE within 30 days of submission of invoice.
- 4.5 The VILLAGE shall make direct payments to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE.
- 4.6 The VILLAGE'S contractors and consultants shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors and consultants maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and strictly enforce all applicable safety law, rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality or other unit of government in the construction of public improvements.
- 4.7 The VILLAGE shall provide the COUNTY unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for reimbursement.

## **5.0 COUNTY'S RESPONSIBILITIES.**

- 5.1 The COUNTY reserves the right to review all PROJECT invoices and PROJECT inspection reports showing the completion of the work.
- 5.2 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any

work performed for the PROJECT. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT.

- 5.3 Upon receipt of the VILLAGE'S invoice, and all necessary supporting documentation, the COUNTY shall promptly reimburse the VILLAGE for approved costs associated with the PROJECT. The total reimbursement amount paid by the COUNTY to the VILLAGE shall not exceed ten thousand four hundred thirty dollars and sixty-five cents (\$10,430.65). In the event PROJECT costs total less than ten thousand four hundred thirty dollars and sixty-five cents (\$10,430.65), the VILLAGE's total reimbursement amount shall be one hundred percent (100%) of the actual total PROJECT costs.

## **6.0 GOVERNMENT REGULATIONS.**

- 6.1 The Parties shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT. Nothing in this agreement shall be found to act as an approval of any specific works which require separate county permitting approval, such as stormwater or building permits.

## **7.0 INDEMNIFICATION.**

- 7.1 To the extent permitted by law, each Party ("First Party") shall indemnify, hold harmless and defend the other Party ("Second Party"), and any of the Second Party's officials, officers, and employees from and against all liability, claims, suits, demands, liens, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the First Party's negligent or willful acts to the fullest extent that each Party is so authorized under the law; provided, however, that the First Party shall not be obligated to indemnify, hold harmless and defend the Second Party for any negligent or intentional wrongful misconduct or omissions by the Second Party's officials, employees, agents, contractors or personnel.
- 7.2 The VILLAGE shall require each consultant and contractor responsible for the construction, maintenance, or monitoring of the PROJECT to name the VILLAGE and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers as additional insureds on said consultant's and contractor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and, or contractor.

- 7.3 Nothing contained herein shall be construed as prohibiting the Parties, their officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or Paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the Parties or their consultants, contractors or agents. The First Party's indemnification of the Second Party shall survive the termination, or expiration, of this AGREEMENT.

#### **8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.**

- 8.1 The Parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both Parties, excluding term extensions as provided for in the following provision.
- 8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment to this AGREEMENT pursuant to Paragraph 8.1, above.

#### **9.0 TERM OF THIS AGREEMENT.**

- 9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect the completion by the VILLAGE and COUNTY of their respective obligations under this AGREEMENT.
- 9.2 All funds must be expended prior to November 30, 2025. Failure to submit funding requests before November 30, 2025 shall render payment of the funds under this agreement subject to re-appropriation by the DuPage County Board.

#### **10.0 ENTIRE AGREEMENT.**

- 10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between Parties.
- 10.2 There are no other covenants, warranties, representations, promises, conditions or understandings; either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

#### **11.0 SEVERABILITY.**

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

#### **12.0 GOVERNING LAW.**

12.1 The laws of the State of Illinois shall govern this AGREEMENT as to both interpretation and performance.

12.2 The venue for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the judicial circuit court for DuPage County.

Further the failure to enforce any particular breach shall not bar or prevent the remaining Party from enforcing this AGREEMENT with respect to a different breach.

**15.0 NO THIRD-PARTY BENEFICIARY.**

- 15.1 This Agreement is entered into solely for the benefit of the Parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person and/or entity who is not a party to this Agreement or to acknowledge, establish or impose any legal duty to any third party.

Members of our community have petitioned for the installation of a Rectangular Rapid-Flashing Beacon (RRFB) with crossing signage at the crosswalk on Fair Oaks Rd. The scope of this project includes a push button in addition to said signage and RRFB. The crosswalk connects the Village of Carol Stream trail system with the West Branch DuPage River trail system and the DuPage County West Branch Forest Preserve. The crosswalk is highly traveled by cyclists and pedestrians. The desired outcome is for increased notification to motorists traveling North and Southbound on Fair Oaks Rd. to minimize the potential for a vehicle/pedestrian collision.

Members of our community also feel that Fair Oaks Road and Lies Road intersection as the busiest intersection between Army Trail Road and North Avenue for pedestrian and car traffic. They feel that the intersection, as it is functioning now, creates a substantial danger to human traffic, especially on the weekends. The speed limit on these two roads is 35 mph and the petitioners said they have observed many drivers drive 50 mph or more since there are no traffic lights or stop signs on Fair Oaks Road between Army Trail Road and North Avenue.

If awarded the monies, the Village of Carol Stream fully commits to the completion of the installation of rapid flashing beacons and additional signage on Fair Oaks Rd.

Sincerely,

Adam Frederick, P.E.  
Interim Director of Engineering Services

**Re: Petition to Install Pedestrian Stoplights at the Intersection of Fair Oaks Road and Lies Road**

Dear Mayor Saverino,

The intersection of Fair Oaks Road and Lies Road is the busiest intersection between Army Trail Road and North Avenue for pedestrian and car traffic. This intersection is situated at the main entrance to the West Branch Forest Preserve and connected with the bike and pedestrian trail along Lies Road. In addition, at this same location there is another north/south bike and pedestrian trail along Fair Oaks Road which crosses Lies Road. Attached are nearly 200 signatures from residents who use these trails.

The trail to the West Branch Forest Preserve, the trail along Fair Oaks Road, and the trail on Lies Road are very popular. Every day, especially during the spring and summer, dozens if not more people cross this intersection including children, adults and elderly who are running, walking or riding from early morning to late evening. The intersection, as it is functioning now, creates a substantial danger to human traffic, especially on the weekends. Even worse, the speed limit on these two roads is 35 mph. Many drivers drive 50 mph or more since there are no traffic lights or stop signs on Fair Oaks Road between Army Trail Road and North Avenue. It would be tragic to learn in the news of any person being hurt or killed at this busy intersection.

There is an urgent need to install pedestrian "stoplights on demand" at this intersection that will allow people, especially children and elderly to safely cross the road in either direction. There are many examples of pedestrian stoplights on demand on other roads close to the Chicago area Forest Preserves which excellently fulfill this role.

As concerned residents of Carol Stream, West Chicago, or other surrounding villages, including the unincorporated areas in Wayne Township, we request that you resolve this problem as soon as possible.

Sincerely,

Concerned Citizens for Safety
