SERVICE PACKAGES

GENERAL ASSUMPTIONS

The following assumptions serve as the basis for the Service Package(s) reflected below. Any service or activity not described below is not included in the scope of services to be provided. Variations to the following may impact the Service Package's cost and/or schedule, justifying a change order.

- JustFOIA's completion of a Deliverable to Client shall constitute that JustFOIA has conducted its own review and believes it meets Client's requirements. Client shall then have the right to conduct its own review of the Deliverable as Client deems necessary. If Client, in its reasonable discretion, determines that any submitted Deliverable does not meet the agreed upon expectations, Client shall have five (5) business days after JustFOIA's submission to give written notice to JustFOIA specifying the deficiencies in reasonable detail. JustFOIA shall use reasonable efforts to promptly resolve any such deficiencies. Upon resolution of any such deficiencies, JustFOIA shall resubmit the Deliverable for review as set forth above. Notwithstanding the foregoing, if Client fails to reject any Deliverable within five (5) business days, such Deliverable shall be deemed accepted.
- If either party identifies a business issue during the project, JustFOIA and Client must jointly establish a plan to resolve the issues with potential impact analysis of timeline and budget within five (5) business days of identification. Any necessary business decision resulting from the identified business issues must be made by Client within five (5) business days from request.
- Client will maintain primary contacts and project staff for the duration of the project, as a change in staff may result in a change order for time spent by JustFOIA on retraining, reeducating, or changes in direction.
- Any deviations from the contract will be documented in a Change Order that Client must execute.
- All rates are based on normal business hours, Monday through Friday from 8 am to 5 pm local time. If scheduling needs to occur after business hours, additional rates may apply.
- For JustFOIA to excel in providing the highest level of service, Client must provide timely access to technical resources. Client must provide adequate technical support for all JustFOIA installation and support services. If Client does not have "in-house" technical support, it is Client's responsibility to make available the appropriate Information Technology resources/consultant when needed.
- Client will ensure that all Client's personnel who may be necessary or appropriate for the successful performance of the services will, on reasonable notice: (i) be available to assist JustFOIA personnel by answering business, technical and operational questions and providing requested documents, guidelines, and procedures in a timely manner; (ii) participate in the services as reasonably necessary for performance under this Order; and (iii) be available to assist JustFOIA with any other activities or tasks required to complete the services in accordance with this Order.
- Note that all services contracted for must be done as part of the initial implementation. For the avoidance of doubt, if there are services or portions thereof that the Client does not elect to implement as part of the initial implementation, such services are forfeited.
- All services, unless otherwise noted, will be performed remotely.

<i>Overview</i>			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Annual fee for DocAccess document accessibility service, per GSA Contract GS-35F-0124U pricing and is subject to one (1) one-year renewal.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished DocAccess is essential for bringing the County's existing PDF and document library into compliance with the DOJ Title II ADA requirements, with a compliance deadline of April 24, 2026. The service provides automated and assisted remediation of PDF documents to meet WCAG 2.1 accessibility standards, reducing manual effort, mitigating legal risk, and ensuring equitable access to County information for residents with disabilities.			

SECTION 2: DECISION MEMO REQUIREMENTS	
DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING	

SECTION 3: DECISION MEMO	
SOURCE SELECTION	Describe method used to select source. We are utilizing GSA Contract GS-35F-0124U pricing.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). Staff recommends procuring DocAccess to remediate the County's PDF and document library in compliance with the DOJ Title II ADA deadline of April 24, 2026. Without it, the County risks noncompliance with federal accessibility regulations, potential legal exposure, and inequitable access to County information for residents with disabilities. Alternatives include taking no action, which would leave the County out of compliance and require significant staff time to manually remediate documents with no guarantee of meeting the deadline, or relying on the PDF remediation tool offered by Revize, the County's CMS vendor. However, the Revize solution only addresses documents hosted within the Revize platform and does not cover documents managed through other County applications, making it insufficient as a county-wide compliance solution. DocAccess is the only available tool that addresses the County's full document remediation needs across all platforms, ensuring timely compliance and reducing ongoing manual effort.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.
