<i>Overview</i>			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Animal Services incurs costs ranging from \$250.00 - \$400.00 per client to provide no cost spay/neuter services to qualified DuPage County residents receiving benefits through the Illinois LINK or Social Security Disability programs. Per the State of IL, Animal Services collects Pet Population Fund (PPF) differential fees that are restricted for this service. Animal Services partners with multiple DuPage County veterinary hospitals/clinics to provide vaccinations and surgery. Qualified residents are given a PPF voucher for a no cost spay/neuter and are provided with a list of veterinarians participating in the program. Residents select a veterinarian of their choosing from the list to perform the spay/neuter (participation in the program is open to any DuPage County vet hospital/clinic). Spay Illinois Pet Well Clinics is a PPF partner vet clinic and the one most commonly used. There is no way for staff to predetermine the volume any one PPF partner vet will have in a given year. The requested Contract Total is based on YTD expenditure with Spay Illinois Pet Well Clinics.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished Spay Illinois is the only PPF program partner that actively promotes the DCAS no-cost spay/neuter program to DuPage County residents. Resident participation in the program reduces the number of unwanted pets in DuPage County, reduces the number of animals entering the shelter system, and ensures that pets of residents in financial need are vaccinated against rabies and microchipped for faster identification.
