10. FY2026 ANIMAL SERVICES BUDGET PRESENTATION

Laura presented the FY2026 Animal Services budget to the committee.

Key takeaways:

- Animal intake for 2024 was 1,970 despite efforts to limit intake due to construction
- Live Release Rate increased to 94%
- Animal Control Officers conducted 1,325 animal investigations and completed 348 field calls
- 1,629 animals received community outreach medical services
- DCAS is prioritizing community services and education outreach for FY2026, including the soft launch of veterinary clinic services and on-site programming
- Animal Services will complete a reorganization in FY2026 which will include the addition of supervisory positions that will allow supervisors to step out of the day-to-day and manage their teams, while providing the support needed to meet increasing demand for services in a bigger shelter. Veterinary positions are being added to support the launch of veterinary clinic services.
- Once reorganization is completed, Animal Services will be comprised of 28 full-time, 4 part-time, and 3 seasonal staff members.
- No increase in registration fees is anticipated at this time.
- Final construction expenses are expected to be paid in FY26 once HVAC issues are resolved. County Facilities, the general contractor and engineers are working toward resolution.
- DuPage Animal Friends will continue to provide Animal Services with a \$50K annual unrestricted grant.

11. ADMINISTRATIVE UPDATE

Laura shared that demand for owner pet relinquishment is high and the availability of assistance for pets owners in need of relinquishing their pets in other counties is very low to nonexistent.

Animal Services will participate in Clear the Shelter by offering fee-waived adoptions for adult dogs and cats for the week of August 23rd - 30th. Puppy and kitten adoption fees will be half off during the same timeframe.

8. ADMINISTRATIVE UPDATE

Laura shared that more than 500 people attended tours of the newly renovated shelter during the Grand Opening celebration on June 14th. An additional 150-200 people attended the ribbon cutting ceremony and visited with rescue partners and activities outdoors. Staff are working on developing a video tour of the renovated shelter that will be made available to the public. Feedback from the community was very positive with people speaking very highly of the lack of animal odor, myriad flex spaces, real life room and upgraded medical facilities. An private evening tour was hosted on Wednesday evening for major capital campaign donors.

Through adoption and rescue efforts the population of parakeets is down to 25. Shelter population is currently 194. Kitten season has arrived much earlier than usual this year. The majority of the animals in the shelter's care are cats. DCAS is grateful for the partnership with Feral Fixers who prevent hundreds of unwanted litters from entering the shelter each year. Staff are researching ways in which we can revamp the low cost spay/neuter program and other services to more directly address the cat overpopulation problem and the issues and behaviors that lead to cat overpopulation.

Animal Services welcomed the newest Animal Control Officer, ACO Simeo, last week.

The Animal Services leadership team is reviewing the staffing plan and considering a possible reorganization to better meet the needs of the community. Laura will have more detail to share with committee members at the August meeting.

The department has been understaffed for at least the last decade which has resulted in significant overtime by both exempt and non-exempt staff, high levels of unplanned absence due to fatigue/burn-out, increased length of stay for animals, and challenges with delivering high customer service standards. The work load by the department has increased in the last decade with increased demands for services, a higher live release rate, and now the physical expansion of the facility.
