EMERGENCY PREPAREDNESS PLAN

The Centers for Medicare and Medicaid Services have established requirements that all participating providers and their suppliers establish an Emergency Preparedness Plan. The DuPage Care Center therefore asks its vendors to participate in a memorandum of understanding (MOU) with the Care Center for the duration of this contract and its renewals.

This MOU is a voluntary agreement used to express the belief and commitment of the undersigned parties that; if a community emergency or disaster occurs, regardless of cause, the Care Center can obtain additional external help. In other words, should an emergency or disaster exceed the effective response capabilities of the DuPage Care Center, the undersigned vendor will use its best efforts to provide additional assistance to the Care Center; with such assistance most likely consisting of additional deliveries, rentals and/or services, to ensure uninterrupted care for our residents.

Please provide a contact person and a phone number so that if an emergency occurs, we can call to determine your availability to help. Additionally, if the vendor already has an Emergency Preparedness Policy (EPP) in place, please submit the EPP along with vendor's quote.
