Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control.** Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management.** Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

VIII.1. **Improper Influence.** Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

VIII.2. **Federal Form LLL.** If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

VIII.3. **Lobbying Costs.** Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. VIII.4. **Procurement Lobbying.** Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

VIII.5. **Subawards.** Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

VIII.6. **Certification.** This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

IX.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

IX.3. Failure to Maintain Books and Records. Failure to maintain books, records and supporting documentation, as described in this ARTICLE, establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

IX.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. (b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

X.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in Exhibit A, PART TWO or PART THREE.

XIII.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs

that Grantee could not reasonably avoid during the period of suspension.

XIII.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

XIII.4. Objection. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

XIII.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIV
SUBCONTRACTS/SUBAWARDS**

XIV.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

XIV.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

XIV.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

XV.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

XV.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

XV.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

XV.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

XVI.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

XVII.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to

Grantor. 2 CFR 200.113; 30 ILCS 708/35.

XVII.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

XVIII.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

XVIII.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

XVIII.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

XVIII.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

XVIII.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all

contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

XIX.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

ARTICLE XX INSURANCE

XX.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in PART TWO or PART THREE.

XX.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

XXI.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

XXI.2. Indemnification and Liability.

(a) **Non-governmental entities.** This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities.** This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. PROJECT DESCRIPTION

The project has been implemented and the VOCA funds will be utilized to continue partially funding one (1) case manager who provides victim services and referrals to child victims of sexual and severe physical abuse as well as their non-offending family members. The Case Managers work together in teams providing criminal justice support/advocacy; personal, medical and emergency legal advocacy; information, referrals and follow-up contact. Generally, the case management duties include conducting service needs assessments, following up and assessing client progress and modifying service plans to accommodate changes. A case manager is assigned to each team and becomes involved in the case from intake.

The DuPage County Children's Advocacy Center interacts with the YWCA as well as other counselors in the community by informing the victims of the counseling services they provide to help the victims and their non-offending families through these difficult times. The Center also interacts with Edward Hospital by having them perform specialized exams of the victims when needed. The doctors and nurses at Edward Hospital are trained to provide a caring environment which puts the victims a little more at ease with these types of examinations.

Normal hours of operation are Monday through Friday, 8:00 a.m. to 4:30 p.m. In addition, investigators are on call 24 hours a day, 365 days a year. The Center investigators and Case Managers will also adjust their working hours to accommodate the needs of a victim's families' schedules.

There are several ways victims and their non-offending families are made aware of the Crime Victim's Compensation Program. Every non-offending family that comes to the Children's Center is given a Crime Victim's Compensation Program application and pamphlet. The application and pamphlet are also available in the waiting room of the Children's Center. When a case manager attends a specialized medical exam with the families at Edward Hospital, they are also given Crime Victim's Compensation Program information. Many of the counselors to whom the case managers refer the families also give Crime Victim's Compensation Program information for counseling reimbursement.

The DuPage CAC's facility is large enough to safely accommodate the clientele and is handicapped accessible. The facility contains sufficient equipment and furniture to provide the services offered.

Due to the sensitive nature of the investigations, the Center does not use volunteers. All investigators and staff are employees of the DuPage State's Attorney's office and are subject to a criminal background check and fingerprinting at hiring.

Staff training is given a high priority at the Center and every effort is made to provide training to staff on a regular basis, to update and improve skills and to keep current on best practices and research in the field of child abuse investigation, prosecution and treatment. Funds for training are available through the DuPage County State's Attorney's Office as well as the Friends of DuPage County Children's Advocacy Center. Training will be identified as it becomes available and determined relevant to the tasks of the case manager

25. Commencement of Performance.

25.1. If performance has not commenced within 60 days of the execution date of this Agreement, Grantee agrees to report by letter to Grantor the steps taken to initiate the program, the reasons for the delay, and the expected starting date.

25.2. If the program is not operational within 90 days of the execution date of this Agreement, Grantee agrees to submit a second letter to Grantor explaining the implementation delay. Grantor may at its discretion either cancel this Agreement or extend the implementation date of the program past the 90-day period.

25.3. If the program is interrupted for more than 30 days after commencement, Grantee agrees to notify Grantor in writing explaining the reasons for the interruption and the steps being taken to resume operation of the program. Grantor may, at its discretion, reduce the amount of grant funds awarded and/or terminate this Agreement if the program is interrupted for more than 90 days.

26. Budget Changes. Grantee may transfer funds among direct cost categories, however line-item transfers are capped at \$50,000 and limited to 10% of the total award. Line-item transfers larger than this amount require a budget revision approval from Grantor.

27. Reporting and Evaluation Requirements.

27.1. Grantee shall submit the following reports to the Grantor:

- Performance reports for the preceding quarter relevant to the performance indicators listed in the Agreement. The quarterly progress reports are due not more than 15 days after the end of the quarter, unless another reporting schedule has been required or approved by the Grantor. and

28. Timekeeping.

28.1. Grantee shall maintain the following time keeping records on-site for all grant-funded and match personnel:

- A. Personnel who spend less than 100% of their time on the funded program must maintain records that accurately reflect the time the employee spends performing the program and any other duties. These records must:
 - 1. reflect an after-the-fact distribution of the employee's actual activity (not budgeted time);
 - 2. account for attendance and the daily total activity for which the employee is compensated (by all funding sources);
 - 3. be prepared at least monthly and coincide with one or more pay periods;

30. Failure to File in a Timely Fashion.

30.1. In order to preclude the possibility of lapsing of funding, Grantor requires the timely filing of all required reports. Reports shall include but are not limited to, monthly fiscal reports, quarterly progress reports and all reports included in the closeout materials. The final date for submission for all of the closeout material reports is 30 days after the end of the grant period.

30.2. Failure to meet the reporting dates established for the particular reports shall result in the "freezing" of all funds,

in addition to any other remedy stated in this Agreement. The frozen funds shall not be limited to a particular grant that is delinquent, but all grant funds that Grantee has with Grantor shall be frozen. Funds will be released following the completion of all the reporting requirements.

30.3 Failure to meet the reporting dates may also result in Grantee being placed on the Illinois Stop Payment List. Grantee will be removed from the Illinois Stop Payment List once past due reports are submitted to Grantor.

31. Procurement Requirements and Requests for Proposals.

31.1. All procurement transactions shall be conducted by Grantee in a manner to provide, to the maximum extent practical, open and free competition. Procurement transactions include the purchasing of equipment, commodities, goods and services. Procurement transactions do not include the making of sub-grants. Grantee may use their own procurement regulations which reflect State and local law, rules, and regulations, provided that all procurements made with grant funds minimally adhere to standards established by the Illinois Procurement Code (30 ILCS 550) and 2 CFR 200.318 - 327.

- For procurements of \$100,000 or less, the Grantee is encouraged to formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process. If this is not possible, the Grantee must solicit quotes or bids from at least three sources.

33. Subawards.

33.1 Grantee will monitor subawards to ensure compliance with State and/or Federal statutes, regulations, and the terms and conditions of the subaward. Approval of a subaward does not relieve Grantee of its obligation to assure performance under this Agreement.

33.2 Subawards are subject to site visits by both Grantee and Grantor, and must make available all fiscal, personnel, and programmatic data to Grantee and Grantor at either's request. Grantor reserves the right to conduct site visits of all subawards.

33.3 Grantee will require all subawards to submit, at a minimum, periodic performance reports and periodic financial reports to Grantee.

33.4 As Grantee awards each subaward, Grantee will forward a site visit schedule to Grantor along with any increased monitoring provisions. Any site reports created by Grantee that require a corrective action by a subaward shall be submitted to Grantor along with verification of the corrective action.

33.5 If the use of a subaward is approved by Grantor, the terms and conditions of this Agreement shall apply to and bind the party to whom such work is subawarded as fully and completely as Grantee is bound and obligated. Grantee is obligated to ensure that the terms of this Agreement are contained in any written subaward agreement. Grantee will ensure that all subawards comply with GATA prequalification requirements as identified in 44 Ill. Admin. Code 7000.70, including but not limited to Sam.gov registration.

33.6 Prior to the execution of its grant agreement, Grantee will submit their subaward monitoring protocol to Grantor for approval.

33.7 Grantee shall use a competitive bidding process for the selection of any subaward not specifically named in this Agreement.

33.8 Grantee shall conduct a programmatic risk assessment of every subaward that receives a subaward through this Agreement.

33.9 Grantee will evaluate each subaward's risk of noncompliance with federal and state statutes; regulations; rules; laws; guidelines; and conditions of this award. Grantee will impose specific conditions upon a subaward, if appropriate.

33.10 Grantee will make fiscal and programmatic technical assistance available to all subawards.

33.11 All unspent subaward funds will be returned by Grantee to Grantor within 30 days after the end of each subaward's period of performance.

33.12 Grantee will be responsible for the recovery of any unspent and/or misspent grant funds paid to the subaward by Grantee.

33.13 Grantor is not responsible for the performance, acts, or omissions of any subaward. Grantor will not mediate disputes between Grantee and subawardees.

34. Food Costs. Grantee agrees to act in accordance with Grantor's food policy for any food costs paid in whole or in part by funds under this agreement. Grantees must maintain records of actual food costs and how the food supported its program. For events, grantees must maintain records of the event, including receipts for food and other costs and the number of program participants. For emergency food provisions, grantees must maintain records of both the cost of the food provided and the program participant who received it.
35. Transportation Costs. Grantee must utilize a tracking system for any transportation costs funded by this agreement. At minimum, the tracking system must track the purpose of each trip and the cost per trip. Grantee shall submit a description of the tracking system to Grantor prior to incurring any transportation costs.
36. Copyrights and Patents.
- 36.1. If this Agreement results in a copyright, the Grantor reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for government purposes, the work or the copyright to any work developed under this Agreement and any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.
- 36.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.
37. Management and Disposition of Equipment and Commodities.
- 37.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.
- 37.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee shall provide equivalent insurance coverage for grant funded equipment and supplies as provided for other equipment and supplies owned by Grantee. Any loss, damage or theft of equipment and supplies shall be investigated and fully documented, and immediately reported to Grantor.
- 37.3. Equipment purchased using Grantor funds shall be made available for inspection during site visits, and upon request of Grantor as part of its grant monitoring and oversight responsibilities.

37.4. If, for an item of equipment described in the Budget to be purchased with Grantor funds, Grantee does not have, at a minimum, a purchase order dated within 90 days after the start date of the agreement, Grantee shall submit a letter to Grantor explaining the delay in the purchase of equipment. Grantor may, in its discretion:

- A. Reduce the amount of funding;
- B. Cancel this agreement;
- C. Allow Grantee to reallocate the funds that were allocated for such equipment to other allowable Grantor approved costs; or
- D. Extend the period to purchase this equipment past the 90-day period.

38. Program Income. All income, including income resulting from asset seizures or forfeitures, generated as a direct result of the program shall be deemed program income. Program income must be used for the purposes and under the conditions applicable to the use of grant funds. Program income may be retained by Grantee for any purpose that furthers the objectives of the grant or deducted from the total allowable costs in accordance with Part I, 7.7. Grantee shall report and account for such program income as required by the Grantor.

39. Separate Revenue and Expenditure Accounts. Grantee must have an accounting system that meets the following requirements:

- (a) Provides for the clear identification, in its accounts, of all Federal awards, State awards, and matching funds received or expended.
- (b) Enables the preparation of reports required by general and program-specific terms and conditions of Grantee's awards.
- (c) Allows the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes; regulations; and the terms and conditions of the Federal or State award.
- (d) Requires each Federal award, State award, and matching fund revenues and expenditures to be accounted, recorded, and tracked separately by funding source.
- (e) Includes classification of expenditures (e.g., personnel, commodities, equipment).
- (f) Maintains a system coding or classification system that permits summarization and reporting of grant revenue and expenditures by specific accounts, programs, projects, etc.
- (g) Ensures that Federal and State awarded funds and matching funds are not commingled with funds from other Federal, State, or private sources. 2 CFR 200.302.
- (h) Maintain an accounting system that utilizes generally accepted standards of accounting.

40. Publications.

40.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

40.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than \$1000 to create or produce. These publication review requirements do not apply to press releases, flyers advertising approved program

activities only, newsletters and issue analyses.

40.3. Grantor reserves the right to require the resubmission of any publication for additional review and comment, prior to its printing.

40.4. All publications shall supplement the language required by Part I, Article XIX with the following statement:

"Funding provided in whole or in part by the Illinois Criminal Justice Information Authority. Points of view or opinions contained within this document are those of the author and do not necessarily represent the official position or policies of the State of Illinois, or the Illinois Criminal Justice Information Authority."

40.5. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal grant funds, Grantee shall clearly state (1) the percentage of the total cost of the program or project which will be funded under this agreement, and (2) the dollar amount of funding for the project or program in addition to the statement required in 42.4.

40.6. Exceptions to the above requirements shall only be allowed upon Grantor's written prior approval.

41. Reporting Grant Irregularities.

41.1. Grantee shall promptly notify Grantor through their Grant Monitor when an allegation is made, or Grantee otherwise receives information, reasonably tending to show the possible existence of any irregularities or illegal acts in the administration of grant funds. Grantor, per its agency policy, shall determine the reasonableness of the allegation of the irregularities or illegal action and determine the appropriate course of action. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

41.2. Grantee shall inform any sub-recipient of Grantor's grant funds that the sub-recipient is similarly obligated to report irregularities.

41.3. Failure to report known irregularities can result in suspension of the Interagency Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. If the possible misconduct involves Grantee's director, Grantee staff member shall provide prompt notice directly to Grantor.

41.4. In addition, Grantor, if in its judgment there is a reasonable allegation of irregularity or illegal act, shall inform the Office of Justice Program's Office of the Comptroller, the Department of Justice's Office of Professional Responsibility and the Office of Inspector General, and state and local law

enforcement agencies or prosecuting authorities, as appropriate, of any known violations of the law within their respective area of jurisdiction.

41.5. Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to Grantor and appropriate federal, State, and local law enforcement officials.

41.5. Grantee agrees to develop and maintain a record-keeping system to document all Agreement related activities and expenditures. These records will act as the original source material for compilation of the data and all other program activity.

41.6. The reporting of any irregularities, illegal acts and the proposed or actual corrective action shall be reported to Grantor at:

And ICJIA at:

Illinois Criminal Justice Information Authority
Attn: Office of General Counsel
60 E. Van Buren Street, Ste 650
Chicago, IL 60605
CJA.OCReport@Illinois.gov

42. Reporting Potential Fraud, Waste, or Similar Misconduct.

42.1. Grantee shall promptly refer to Grantor, via their assigned Grant Monitor, any credible evidence that a principal, employee, agent, contractor, subcontractor, or subaward has either submitted a false claim for grant funds in violation of the False Claims Act or committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct involving grant funds.

42.2. Potential fraud, waste, abuse or misconduct shall be reported to Grantor at:

And ICJIA at:

Illinois Criminal Justice Information Authority
Attn: Office of General Counsel
60 E. Van Buren Street, Ste 650
Chicago, IL 60605
CJA.OCReport@illinois.gov

43. Crimes of Dishonesty. Grantee shall notify Grantor if any of its own or any of its subawards' and/or its subcontractors' board members, executive officers, directors, administrators, supervisors, managers, or financial officers or anyone holding such a position of authority is criminally charged with or convicted of theft, fraud, or any other crime involving dishonesty at any point during the period of performance of this grant. Grantor may terminate this agreement, at Grantor's sole discretion, if Grantee's or any of its subawards' and/or its subcontractors' board members, executive officers, directors, administrators, supervisors, managers, or financial officers or anyone holding such a position of authority become convicted of theft, fraud, or any crime involving dishonesty.
44. Conflict of Interest in Hiring and Procurement. In addition to the requirements of Part I, Article XVII, no employee, officer, or agent of Grantee shall participate in the selection of a contractor, award of a contract, administration of a contract, or hiring of personnel supported by grant funds if a conflict of interest, real or apparent, would be involved. Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.
45. Safeguarding Constitutional Protections Related to Religion
- 46.1 Grantee certifies that grant and match funded services must be offered without regard to religious affiliation. Grantee also certifies that the receipt of services through the grant funded program shall not be contingent upon participation in a religious event or activity. Grant or match funds may not be used for any explicitly religious activities such as worship, religious instruction, or proselytization. Grantee may engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and beneficiaries cannot be compelled to participate in them.
- 46.2 Faith-based organizations may consider religion when hiring staff if consistent with the Religious Freedom Restoration Act and other applicable laws. If the grant is funded with federal funds, Grantee must receive prior approval from the Department of Justice, Office for Civil Rights.
46. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters. Grantee and any entity that receives a contract or subcontract with any funds under this award, may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency

authorized to receive such information.

- a. In accepting this award, Grantee –
 - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to Grantor, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Grantor.
- b. If Grantee makes subawards or contracts under this award –
 - i. it represents that –
 - 1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - 2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
 - ii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

47. Background Checks for youth programs. Background checks are required for all program staff, independent contractors, and volunteers, including program staff, independent contractors, and volunteers for subawards and subcontractors, who have direct contact with youth before hiring or before working on the program. Grantee must have a written protocol on file requiring fingerprint-based background checks through the Illinois State Police for all persons and maintain documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

48. Project Monitoring and Evaluation.

48.1. Project Monitoring: Grantee understands that Grantor may impose additional reporting requirements during the grant period by providing notice in writing to Grantee. Grantee agrees to report any additional information required by Grantor.

48.2. Grantor Evaluation: As required by Grantor, Grantee agrees to cooperate with Grantor's evaluation of the grant project, conducted either by Grantor or external parties.

48.3. Grantee Evaluation: Project evaluation is limited to evaluation of Grantee's project, as described in this Agreement, to determine the project's effectiveness. Grantee understands and agrees that grant and match funds cannot be used for research purposes, as defined under 45 CFR 46.102(d). Grantee will provide Grantor with aggregate project data and summary reports related to project performance, including process and outcome, and any other information, as requested by Grantor.

49. Confidentiality of Records. Grantee agrees not to use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with this program and all applicable federal guidelines and legislation without written consent from Grantor. Grantee shall notify Grantor within three (3) business days of any such request.

50. Tax Liabilities: State Agency Delinquencies. Grantee is required to file of any and all applicable tax returns. In the event that a Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor shall disburse Grant Funds only if the Grantee enters into an installment payment agreement with said tax authority and remains in good standing therewith. Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

51. Compliance. Grantee agrees to comply with all applicable laws, regulations, and guidelines of the State of Illinois, the Federal Government and Grantor in the performance of this Agreement.

PART THREE –PROJECT-SPECIFIC TERMS

In addition to the Uniform Requirements in **PART ONE** and Grantor-Specific Terms in **PART TWO**, Grantor has the following additional requirements for this Project:

52. **Pre-Award Costs.** Pre-award costs are authorized in accordance with 2 CFR 200.209. Pre-award costs are those incurred from the beginning of the period of performance of the grant until the execution of this grant agreement and must be in accordance with the final approved program budget. ICJIA has the right to review supporting documentation for all pre-award costs that are submitted for reimbursement on a financial report from grantees. Costs that are not in accordance with the final approved budget (necessary, reasonable, allowable, and allocable) shall be disallowed.

53. **Applicability of Part 200 Uniform Requirements.**

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this Agreement.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the Grantee (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the Grantee (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by Grantor that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the grantee is to contact ICJIA promptly for clarification.

54. **Requirement to report actual or imminent breach of personally identifiable information (PII).** Grantee (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to Grantor no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

55. **Safe policing and law enforcement subrecipients.** If this award is a discretionary award, Grantee agrees that it will not make any subawards to State, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.

56. Effect of failure to address audit issues. Grantee understands and agrees that Grantor may withhold award funds, or may impose other related requirements, if (as determined by Grantor) the Grantee does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

57. Requirements of the award; remedies for non-compliance or for materially false statements.

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the Grantee that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the Grantee, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in Grantor taking appropriate action with respect to the recipient and the award. Among other things, the Grantor may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

58. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination.

- 58.1 28 C.F.R. Part 38: The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to grantee and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

- 58.2 28 C.F.R. Part 42: The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.
- 58.3 28 C.F.R. Part 54: The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

59. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees).

The Grantee (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the Grantor for guidance.

60. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

61. Requirement for data on performance and effectiveness under the award. The Grantee must collect and

maintain data that measure the performance and effectiveness of work under this award. The data must be provided to Grantor in the manner (including within the timeframes) specified by Grantee in the NOFO or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

62. Requirements related to "de minimis" indirect cost rate. A Grantee that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise Grantor in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

63. Determination of suitability to interact with participating minors. This condition applies to this award if it is indicated that a purpose of some or all of the activities to be carried out under the award (whether by the Grantee, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The Grantee, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

64. Compliance with DOJ Grants Financial Guide. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The Grantee agrees to comply with the DOJ Grants Financial Guide.

65. Encouragement of policies to ban text messaging while driving. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), Grantor encourages Grantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

66. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2021). The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2021, are set out at <https://ojp.gov/funding/Explore/FY21AppropriationsRestrictions.htm>, and are incorporated by reference here.

67. Employment eligibility verification for hiring under the Agreement.

67.1. Grantee (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the Grantee (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the Grantee (or any subrecipient) who are or will be involved in activities under this award of both—

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

67.2. Monitoring. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

67.3. Allowable costs. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

67.4. Rules of construction

A. Staff involved in the hiring process. For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all Grantee (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify. For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the Grantee (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any Grantee, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any Grantee, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to Grantor, before award acceptance. Should a question arise as to whether a particular use of federal funds by Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the Grantee is to contact Grantor for guidance, and may not proceed without the express prior written approval of Grantor.

68. Restrictions and certifications regarding non-disclosure agreements and related matters. No grantee or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

68.1. In accepting this award, the Grantee--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that

agency.

2. If the Grantee does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the grantee's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

69. Reclassification of various statutory provisions to a new Title 34 of the United States Code. On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this Agreement to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

70. OJP Training Guiding Principles. Any training or training materials that the Grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

71. All subawards ("subgrants") must have specific federal authorization. The grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

72. Requirements related to System for Award Management and Universal Identifier Requirements.

Grantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The details of the Grantee's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

73. Restrictions on "lobbying".

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Grantee, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by the Grantee (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact Grantor for guidance, and may not proceed without the express prior written approval of Grantor.

74. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000.

Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at

<https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

75. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and Grantor authority to terminate award).

Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantee, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the Grantee or of any subrecipient.

The details of the Grantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and authority to terminate award)), and are incorporated by reference here.

76. Requirement to report potentially duplicative funding.

If the Grantee currently has other active awards of federal funds, or if the Grantee receives any other award of federal funds during the period of performance for this award, the Grantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the Grantee must promptly notify the Grantor in writing of the potential duplication, and, if so requested by the Grantor, must seek a budget to eliminate any inappropriate duplication of funding.

77. Reporting potential fraud, waste, and abuse, and similar misconduct.

The Grantee, and any subrecipients ("subgrantees") at any tier, must promptly refer to the Grantor any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

78. VOCA Requirements.

The Grantee assures that Grantee and its subrecipients will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required. Specifically, the Grantee certifies that funds under this award will not be used to supplant State and local public funds that would otherwise be available for crime victim assistance, 34 U.S.C. 20103(a)(2), or for administering the state victim assistance program, 34 U.S.C. 20110(h); and

79. FFATA reporting: Subawards and executive compensation.

Grantee must comply with applicable requirements to report the names and total compensation of the five most highly compensated executives of the Grantee. The details of obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

80. The recipient agrees that it will submit quarterly financial status reports to Grantor, no later than the deadlines set out this Agreement. Delinquent reports may lead to funds being frozen and other remedies.

81. Discrimination Findings. The Grantee assures that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against the Grantee, the Grantee will forward a copy of the findings to Grantor.

82. Grantee integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings.

The Grantee must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from Grantor.

The details of Grantee obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIS), and are incorporated by reference here.

83. The Grantee agrees to promptly provide, upon request, financial or programmatic-related documentation related to this award, including documentation of expenditures and achievements. The Grantee understands that it will be subject to additional financial and programmatic in-depth or on-site monitoring, which may be on short notice, and agrees that it will cooperate with any such monitoring. The Grantee agrees to develop or maintain effective internal controls to manage this award (see 2 C.F.R. 200.303) and effective financial management policies and procedures to manage this award (see 2 C.F.R. 200.302).

84. Match.

84.1. Per 34 U.S.C. § 20103(a)(7) and (8), grant funds awarded under this Agreement are not subject to match. If Grantee elects to include match in the total program costs, then match is subject to the following requirements.

84.2. Grantee certifies that it (a) meets the requirements of this agreement and (b) has at least 20

percent of its support (including in-kind contributions) from sources other than federal funds for the program described in the attached exhibits. Therefore, one dollar in cash or in-kind match is required for each four dollars of federal funding received.

84.3. Failure of Grantee to apply non-federal financial support to the program described in the attached exhibits in the amount of at least 20 percent of such program's costs, shall result in a proportionate reduction in the amount of federal funds awarded under this agreement and may result in the return of funds already awarded. To meet this matching funds requirement, Grantee shall apply non-federal financial support to the program, as described in the Budget.

84.4. Grantee shall maintain records that clearly show the source and amount of the program match amount, and the period of time for which such contributions were allocated. The basis for determining the value of personal services, materials, equipment, and space and facilities shall be documented. Volunteer services shall be substantiated by the same methods used by the Grantee for its paid employees. The value of volunteer services must be consistent with the rate of compensation (which may include fringe benefits) paid for similar work in the program, but if the similar work is not performed in the program, the rate of compensation shall be consistent with the rate found in the labor market in which the program competes.

85. Program Description, Budget, Exhibits, and Amendments.

85.1. Grantee agrees to undertake and perform in a satisfactory manner in accordance with the terms and conditions of this agreement, the program described in the Program Description attached and incorporated as the attached exhibits and the Budget attached and incorporated.

85.2. The documents appended are made a part of this agreement, as exhibits and amendments as the case may be. Any amendment to this agreement must be signed by the parties to be effective. Grantee shall perform the services subject to this agreement in accordance with all terms, conditions, and provisions set forth in such exhibits and amendments.

86. High-Risk Grantees. Grantee agrees to comply with any additional requirements that may be imposed by Grantor or OJP during the period of performance for this award, if Grantee is designated as "high-risk".

87. Background Checks/Youth Program.

87.1. Background checks are required for all program staff and volunteers who have direct contact with youth (under 18 years) before hiring or before working on the program. Grantee must have a written protocol on file requiring background checks for all such staff and volunteers, and maintain documentation of their completion and results. Background checks must include fingerprint-based background checks through the Illinois State Police.

87.2. Staff or volunteers with a record of the following offenses will automatically be excluded from having direct contact with youth: 1) any sex offense or 2) an offense in which the victim is, by statute, a youth, including but not limited to, child abuse and child endangerment. Staff or volunteers with a Class X felony for which the person has completed parole/supervised release within the past 5 years will automatically be excluded from having direct contact with youth, unless the program model or service provision relies on staff access or credibility with at-risk populations.

87.3. No waivers to this policy shall be granted.

88. Sub-granting.

88.1. Sub-Grantee Monitoring.

- a. Grantee will monitor sub-grantees to ensure compliance with State and/or Federal statutes, regulations, and the terms and conditions of the sub-award. Grantee will ensure that all sub-grantees comply with Grant Accountability and Transparency Act (30 ILCS 708/1 et al.) and 2 CFR 200 requirements.
- b. Sub-grantees are subject to site visits by both Grantee and Grantor, and must make available all fiscal, personnel, and programmatic data to Grantee and Grantor at either's request. Grantor reserves the right to conduct site visits of all sub-grantees.
- c. Grantee will require all sub-grantees to submit, at a minimum, quarterly data and fiscal reports to Grantee.
- d. As Grantee awards each sub-grant, Grantee will forward a site visit schedule to Grantor along with any increased monitoring provisions.
- e. Grantee shall submit all sub-grantee site visit reports resulting in corrective action along with verification of the completed corrective action to Grantor with its Close-Out report.

88.2. Grantee will select all sub-grantees based upon need, capacity, and quality, and must adhere to a competitive selection process as follows:

- For sub-awards of \$50,000 or less, the Grantee is encouraged to formally advertise the proposed sub-award through a Notice of Funding Opportunity (NOFO) or a Request for Proposals (RFP) process. If this is not possible, the Grantee must solicit quotes or bids from at least three sources.
- For sub-awards over \$50,000, the Grantee must formally advertise the proposed sub-award through a NOFO or a Request for Proposals (RFP) process.

If justification is pre-approved by Grantor, Grantee may enter into a sole source sub-grant.

88.3. Any sub-grant under this Agreement shall be specified by written contract, and shall be subject to all terms and conditions contained in this Agreement. If the use of a sub-grantee is approved by Grantor, the terms and conditions of this Agreement shall apply to and bind the party to whom such work is sub-granted as fully and completely as Grantee is bound and obligated. Grantee will ensure that all sub-grantees comply with the requirements to obtain a DUNS number and to register with SAM.gov, unless the sub-grantee is a sole proprietor.

88.4. Grantor reserves the right to deny a sub-grantee, impose additional conditions to the sub-grant, or reduce the amount of the sub-grant. Grantee shall submit to Grantor a copy of a sub-grantee's grant agreement and budget for Grantor approval. Approval of a sub-grantee does not relieve Grantee of its

obligation to assure performance under this Agreement.

88.5. Grantee shall be responsible for the recovery of any unspent and/or misspent grant funds paid to the sub-grantee by Grantee.

88.6. Grantor is not responsible for the performance, acts, or omissions of any sub-grantee.

88. 7. Grantee will evaluate each sub-grantee's risk of noncompliance with federal and state statutes; regulations; rules; laws; guidelines; and conditions of this award. Grantee will impose specific conditions upon a sub-grantee, if appropriate.

89. Nondiscrimination.

89.1 Grantee certifies that it will not engage in any prohibited discrimination based on any race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, pregnancy, physical or mental disability, military status, sexual orientation, gender identity, or unfavorable discharge from military service. Grantee understands that federal and state statutes and regulations applicable to awards made by Grantor include civil rights and nondiscrimination requirements and Grantee certifies that it will abide by those requirements. Specifically, those requirements as found in:

- c. The DOJ regulations on the Partnerships with Faith-Based and Other Neighborhood Organizations (Executive Order 13,559 and 28 C.F.R. pt. 38), DOJ Implementing Regulations as found in 28 C.F.R. pt. 42, 28 C.F.R. pt 35, 28 C.F.R. pt 31, and 28 C.F.R. pt 94;
- d. The Illinois Human Rights Act (775 ILCS 5), The Public Works Employment Discrimination Act (775 ILCS 10), The Illinois Environmental Barriers Act (410 ILCS 25); and

89.2 Grantee certifies it shall comply with such guidance regarding civil rights matters as may be issued by Grantor and the United States Department of Justice, Office of Justice Programs, Office for Civil Rights. Grantee agrees to have written sexual harassment policies which satisfy the requirements set forth in the Illinois Human Rights Act. (775 ILCS 5)

89.3 National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI of the Civil Rights Act of 1964 and the Safe Streets Act, Grantee is required to take reasonable steps to ensure that LEP persons have meaningful access to programs. Meaningful access may entail providing language assistance services, including oral and written translation when necessary.

89.4 Faith-Based and Community Organizations that statutorily qualify as eligible applicants under OJP programs are invited and encouraged to apply for assistance awards and will be considered for awards on the same basis as any other eligible applicants and, if they receive assistance awards, will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant will be discriminated against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization.

89.5 In the event that a Federal or State court or a Federal, State, or local administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, age, religion, national origin, disability, or sex against Grantee, or any sub-grantee or contractor of Grantee, Grantee will forward a copy of the finding to Grantor within five (5) business days of said finding. If applicable, Grantor will forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs.

89.6 Grantee shall designate a Civil Rights Coordinator to serve as a liaison for all civil rights related matters. The Civil Rights Coordinator need not be grant funded. Grantee shall promptly notify Grantor of any change regarding the designated Civil Rights Coordinator.

89.7 Grantee's Civil Rights Coordinator and any program staff and match volunteers who have direct contact with program beneficiaries shall complete annual civil rights training as required and approved by Grantor.

89.8 Grantee shall provide notice to employees and beneficiaries regarding applicable civil rights laws and the procedure for filing a complaint with Grantor or appropriate federal and state agencies. Grantee shall promptly refer to Grantor, via their assigned Grant Monitor, any complaints of prohibited discrimination or harassment filed with Grantee regarding grant employees, beneficiaries, or potential beneficiaries. Grantee shall fully cooperate in any investigation regarding an allegation of prohibited discrimination.

89.9 Grantee shall complete a Civil Rights Compliance Questionnaire as required by Grantor.

89.10 Grantee will require subrecipients and subcontractors to comply with all applicable civil rights and nondiscrimination statutes and regulations
