A. The O'Hare Commission shall have the following duties and powers listed below.

(1) The O'Hare Commission shall determine certain Noise Compatibility Programs and Noise Compatibility Projects to be implemented in the O'Hare Commission Area in cooperation with the City as set forth in Appendix A, and shall establish criteria for participation in such Noise Compatibility Programs and for determining the priorities for providing such Noise Compatibility Projects.

No such recommendations shall be submitted to the FAA or implemented by the City without the prior approval of the O'Hare Commission. The O'Hare Commission also shall cooperate with the City in seeking agreements with the airlines using O'Hare and the FAA, as appropriate, with respect to aircraft noise mitigation and related matters.

(3) The O'Hare Commission may advise the City concerning any Part 150 Plan concerning O'Hare. The City shall not submit any such plan or any subsequent revision proposed by the City to the FAA without allowing the O'Hare Commission 60 days to review it and submit written recommendations to the City for consideration.

(4) The O'Hare Commission may request and, except as set forth below, the City shall provide full access to all publicly available documents relating to: (i) any O'Hare noise monitoring; (ii) any O'Hare-related Noise Compatibility Project proposed or undertaken in whole or in part by the City; and (iii) any recommendations or submissions to the FAA by the City related to aircraft noise mitigation related to O'Hare. (5) Neither the O'Hare Commission, nor any of its Members, representatives, agents, employees, consultants, or professional advisors shall use, or assist other persons in using FAA flight data for O'Hare and/or Chicago Midway International Airport ("Data") in legal actions to enforce noise abatement policy or regulations without prior approval of the FAA, and shall not

release such Data without notice to and consultation with the FAA. The O'Hare Commission and its Members, representatives, agents, employees, consultants, or professional advisors shall not release the Data for use by law enforcement agencies or for use in any civil litigation except as otherwise required by law. If the O'Hare Commission or any of its Members, representatives, agents, employees, consultants, or professional advisors are required by law to release such Data, they shall notify the FAA before doing so. This notification must be provided promptly after the O'Hare Commission or any of its Members, representatives, agents, employees, consultants, or professional advisors receives a request or requirement to release the Data, and prior to the release of the Data. The O'Hare Commission and its Members, representatives, agents, employees, consultants, or professional advisors shall not release Data if advised by the FAA that the Data contains any information deemed sensitive at the sole discretion of the FAA, unless required by law to release such Data.

(6) The O'Hare Commission shall adopt an annual expense budget for each fiscal year, which shall be consistent with the City of Chicago fiscal year. The O'Hare Commission's expense budget shall be adopted at least 30 days prior to the commencement of each such fiscal year. The O'Hare Commission's expense budget shall be funded by the City and any grants received pursuant to Section F of Appendix A of this Agreement, following the evaluation and approval by the City of the proposed budget request.

(7) The O'Hare Commission shall have the power to sue and be sued and to take any other action necessary to perform its powers under this Agreement. No funds received by the O'Hare Commission from the City shall be used for legal services or other costs in connection with any action by the O'Hare Commission against the City, its officers or employees, or any airline using O'Hare, except for enforcement of the provisions of this Agreement. The City will indemnify, defend, and hold harmless Members from any and all claims, costs, expenses, including attorney's fees, damages, judgments and court costs arising out of the Member's participation in the O'Hare Commission. Members shall promptly provide to the City copies of any notices which Members may receive of any claims, actions, fines, proceedings or suits as may be given or filed in connection with the Member's participation in the O'Hare Commission.

(8) The O'Hare Commission shall undertake any procurement activities in accordance with this Agreement and pursuant to applicable law.

(9) The O'Hare Commission shall adopt bylaws consistent with the powers enumerated herein.

B. A record of proceedings and documents of the O'Hare Commission shall be maintained, which shall be available for inspection by the City, each Member, each Advisory Member, and the public as permitted by law. The term of this Agreement may be extended upon the approval of the City and any Member which wishes to extend the term of the Agreement. If any Member defaults in any material respect in the performance of any of its duties or obligations under this Agreement, and such default continues for 30 days after the O'Hare Commission notifies the Member, the O'Hare Commission may terminate the defaulting Member's participation as a party to this Agreement. A material default by a Member shall include, but is not limited to, failure to comply with Section 6.

B. Any Member may withdraw as a Member of the O'Hare Commission at any time by providing 60 days advance written notice of its intent to withdraw to the City and the O'Hare Commission. Each such written notice shall be accompanied by a certified copy of a resolution or other official action of such Member's legislative body authorizing such withdrawal. Following its withdrawal from the O'Hare Commission, the Member shall cease to exercise any of its rights under this Agreement and to be responsible for any subsequent obligation incurred by the O'Hare Commission.

C. The City may terminate this Agreement at any time after January 1, 2026, upon 180 days prior written notice to each Member and each Advisory Member. Following the City's termination of this Agreement, the rights and obligations of each party to this Agreement shall terminate.

Section 6. Attendance Policy

A. Members' Designees or Alternates shall attend the majority of Regular Meetings in a calendar year. If a Members' Designee or Alternate misses three consecutive or the majority of Regular Meetings in a single calendar year, the Member will receive written notification from the Executive Director that it will be temporarily suspended from the O'Hare Commission for a period of one year, which shall begin on the date of the written notification.

B. Temporary suspension will involve the loss of membership and voting privileges for that one-year period from the date of the suspension. During the temporary suspension, suspended Members may attend meetings and participate in discussions as members of the public, but will not count as part of the voting quorum and will not be eligible to vote.

C. At any time during its one-year temporary suspension, a Member may appeal its temporary suspension by submitting a written request to the Executive Director due to a change in circumstances. Reinstatement of the Member shall be governed by the bylaws.

D. No later than 30 days following the end of the temporary suspension period, a Member may submit a written request to the Executive Director to be reinstated. Reinstatement of the Member shall be governed by the bylaws. If the Executive Director does not receive the reinstatement request within 30 days after the end of the suspension period, then this Agreement shall be terminated between the City and the Member.

APPENDIX A

Implementation of Noise Compatibility Programs and Projects

In connection with the development and implementation of Noise Compatibility Programs and Noise Compatibility Projects in the O'Hare Commission Area, the City and the O'Hare Commission shall have the following duties and responsibilities listed below.

A. The Members of the O'Hare Commission shall direct the further development of the Noise Compatibility Programs for the O'Hare Commission Area. The Members of the O'Hare Commission shall establish criteria for the equitable allocation of Noise Compatibility Projects and approved airport revenues (including by not limited to FAA Airport Improvement Program ("AIP") grants, Passenger Facility Charge ("PFC") funds, and General Airport Revenue Bonds, and/or bonds backed by such funding sources) within the O'Hare Commission Area and the priorities for providing Noise Compatibility Projects, subject in each case to approval by the FAA and in compliance with all applicable FAA regulations and grant assurances, as well as other applicable law, and subject to available funding.

B. The City shall retain all necessary powers to satisfy the assurances made to the FAA in connection with the expenditure of airport revenues, including eligibility for sound insulation and/or sound insulation funding that is paid by airport revenues. The City shall enter into all agreements and assurances and shall take all other actions that may be necessary to provide for the utilization of airport revenues on the basis set forth in this Appendix A. Each Member and municipality and county that receives Noise Compatibility Projects shall enter into all agreements and assurances, including agreements with and assurances to the City, shall execute any necessary certificates, records, and other documents, and shall take all other actions that may be necessary to obtain and maintain FAA approval for the use of the airport revenues as contemplated in this Appendix A. Neither the O'Hare Commission nor any Member shall take or omit to take any action if such action or omission violates restrictions on the use of airport revenues. The City shall not be obligated in any year to pay or utilize any amounts in excess of available airport revenues to carry out the purposes of this Appendix A.

C. The determination of eligibility to participate in a Noise Compatibility Program or receive a Noise Compatibility Project is not to be construed as an admission or determination of negative impact by aircraft noise or of liability for damages or any other injury relating to aircraft noise on the part of the City or the O'Hare Commission.

D. In the event they are determined to be eligible for participation in a Noise Compatibility Program, property owners in the O'Hare Commission Area shall not be required to pay any portion of the cost of any Noise Compatibility Project. Upon approval by the City and with the consent of the property owner, at its option the City may acquire homes that are subject to very high levels of aircraft noise.

E. Noise Compatibility Projects outside the City may be implemented through Members and other municipalities and counties located in the O'Hare Commission Area. A municipality and county may request that the City undertake a Noise Compatibility Project within

its corporate boundaries. Noise Compatibility Projects within the boundaries of the City shall be implemented by the City. The City may enter into agreements in connection with the planning and implementation of proposed Noise Compatibility Projects in the O'Hare Commission Area. All procurement activities related to Noise Compatibility Projects shall be undertaken in accordance with applicable law.

F. The City shall provide administrative support and professional and technical assistance to the O'Hare Commission, each Member, and all other municipalities and counties located in the O'Hare Commission Area in connection with the operations of the O'Hare Commission and the planning and implementation of Noise Compatibility Projects.

G. The O'Hare Commission may receive grants from any source to be used for the purpose of discharging its duties and obligations in accordance with the provisions of this Appendix A, and also may make grants for such purposes. The O'Hare Commission may expend any such grants for purposes consistent with this Appendix A. The City and the O'Hare Commission shall each use its best efforts (including serving as the sponsor or applicant for federal grants) to obtain the maximum amount of federal funds in connection with any Noise Compatibility Projects, so as to maximize the availability and impact of the City's financial contribution to Noise Compatibility Projects in the O'Hare Commission Area.

H. The City shall install, operate, and maintain a permanent noise monitoring system ("System") at and around O'Hare. The purposes of the System include validation of the FAA-approved noise contour for O'Hare, assisting in determining the eligibility and priority of proposed Noise Compatibility Projects for schools, enhancing public understanding of aircraft noise issues, and monitoring trends in aircraft noise.

(1) The City may retain a third-party vendor ("System Operator") selected by the City with the input of the O'Hare Commission to operate and maintain the System pursuant to an agreement between the City and the System Operator.

(2) At the request of the O'Hare Commission, the City may also retain and pay the cost of another third-party vendor ("System Expert") to provide independent management oversight of the System. The System Expert shall be mutually selected by the City and the O'Hare Commission. The System Expert will be responsible for independently verifying data and system operation through the review of all inputs and operational aspects of the System. All reports prepared by the System Expert shall be provided directly to the City and the O'Hare Commission. The activities and duties of the System Expert shall be consistent in all respects with the applicable requirements of the FAA. If the O'Hare Commission requests the City to retain and pay for such a System Expert, the amount that the City is obligated to pay the System Expert shall not exceed \$200,000 per year, adjusted annually in accordance with the Consumer Price Index for All Urban Consumers ("CPI-U") for the Chicago-Naperville-Elgin area.

(3) The System shall include a minimum of 36 monitoring sites in the O'Hare Commission Area, plus such number of additional permanent monitoring sites as may be agreed upon by the City and the O'Hare Commission.

(4) The data collected by the System shall be made available by the City to the O'Hare Commission and any Member that requests such data. The City shall provide reports to the O'Hare Commission and any Member based on the data collected by the System.

(5) Neither the O'Hare Commission, nor any of its Members, representatives, agents, employees, consultants, or professional advisors shall use, or assist other persons in using, information generated by the System in violation of Section 4.A.(5) of this Agreement.
