ZONING-26-000011 – Elliott: The Zoning Hearing Officer recommended to approve the following zoning relief:

(Bloomingdale/District 1) (Generally located southeast of Par Lane and Fairway Lane, on the east side of Fairway Lane)
ZHO Recommendation to Approve
Development Committee VOTE (Motion to Approve): 5 Ayes, 0 Nays, 1 Absent

WHEREAS, a public hearing was held on May 6, 2026 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 year, on the property hereinafter described:

THE NORTH 18.00 FEET OF LOT 21, AS MEASURED ALONG THE EAST AND WEST LINES OF SAID LOT, ALL OF LOT 22 AND THE SOUTH 20.00 FEET OF LOT 23, AS MEASURED ALONG THE EAST AND WEST LINES SAID LOT, ALL IN BLOCK 9, IN NORDIC PARK, BEING A SUBDIVISION OF PART OF THE EAST ½ OF SECTION 13, TOWNSHIP 40 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF, RECORDED DECEMBER 6, 1928, AS DOCUMENT NUMBER 270732, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on May 20, 2026 does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is for a Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 years.

B. That petitioner testified that they purchased the subject property in 1993 and installed an above-ground pool on the property approximately thirty (30) years ago.

C. That petitioner testified that they are unable to move the subject above-ground pool as in doing so would destroy the pool in the process.

D. That petitioner testified that the pool is older and has very limited use now that their children have grown.

E. That the Zoning Hearing Officer finds that petitioner has presented sufficient evidence to satisfy the Standards for a Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 years.

F. That the Zoning Hearing Officer further finds that the existing pool and pool equipment do not adversely impact adjacent properties or roadways, do not negatively affect drainage patterns in the area, and do not impede adequate light or ventilation to the subject property or neighboring properties.

G. In addition, the Zoning Hearing Officer finds that approval of the Conditional Use for eighteen (18) months allows the subject pool to be used for two (2) additional seasons as petitioner testified and concurred that the pool is older and has very limited use currently.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically that the granting of the Conditional Use will not:

    a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the existing above-ground pool and pool equipment does not impact the supply of light and air to adjacent properties.

    b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that the existing above-ground pool and pool equipment was installed thirty (30) years ago and has been maintained for thirty (30) years with no hazards.

    c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the existing above-ground pool and pool equipment has existed for thirty (30) years and does not diminish the value of land and buildings throughout the County.

    d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the existing above-ground pool and pool equipment is located in the

rear yard and does not increase or impact traffic congestion.

e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the existing above-ground pool and pool equipment has existed for thirty (30) years and does not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the existing above-ground pool and pool equipment does not incur additional public expense for flood protection, rescue or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the existing above-ground pool and pool equipment has existing for thirty (30) years and does not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

ZONING-26-000014 – Ansari: The Zoning Hearing Officer recommended to approve the following zoning relief:
1. Variation to reduce the front setback from required 30 feet to approximately 19 feet for a new single-family house.
2. Variation to reduce the corner side setback from required 30 feet to approximately 23 feet for a new single-family house and approximately 20 feet for a new detached garage.
(York/District 4) (Located at the southeast corner of Route 53 and Harding Road)
ZHO Recommendation to Approve
Development Committee VOTE (Motion to Approve): 5 Ayes, 0 Nays, 1 Absent

WHEREAS, a public hearing was held on May 6, 2026 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

1. Variation to reduce the front setback from required 30 feet to approximately 19 feet for a new single-family house.
2. Variation to reduce the corner side setback from required 30 feet to approximately 23 feet for a new single-family house and approximately 20 feet for a new detached

garage.

on the property hereinafter described:

THE WEST ½ OF LOT 48 IN SURGES FARM ESTATES, BEING A SUBDIVISION OF PART OF THE SOUTHWEST ¼ OF SECTION 7, AND OF THE NORTHWEST ¼ OF SECTION 18, TOWNSHIP 39 NORTH, RANGE 11 EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED OCTOBER 19, 1943 AS DOCUMENT 454869, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on June 3, 2026 does find as follows:

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Variation to reduce the front setback from required 30 feet to approximately 19 feet for a new single-family house and a Variation to reduce the corner side setback from required 30 feet to approximately 23 feet for a new single-family house and approximately 20 feet for a new detached garage.

2. That petitioner testified that he proposes to construct a new single-family ranch home for himself and his father.

3. That petitioner testified that the Illinois Department of Transportation (IDOT) would not permit new driveway access onto IL-53; therefore, the property was designed by his engineer to provide access from Harding Road.

4. That petitioner testified that, due to the required septic system setbacks from surrounding wells, the proposed house and detached garage were positioned closer to Route 53 and Harding Road, as required by the DuPage County Health Department.

    a. That petitioner testified that due to the requirements by the Health Department and IDOT, the only location to place a single-family home on the subject property is approximately nineteen (19) feet from the front property line and approximately 20 feet from the corner side property line.

5. That, as requested by the Zoning Hearing Officer at the May 6, 2026 public hearing, the Petitioner submitted additional information from its septic engineer and from IDOT confirming the testimony presented at the hearing regarding: (a) the proposed location of the residence, which is necessitated by the required access to Harding Road; and (b) the proposed location of the septic system, which is designed to satisfy the required isolation distances from surrounding wells.

6. That the Zoning Hearing Officer finds that the Petitioner has demonstrated a practical difficulty and particular hardship warranting the requested Variations. Specifically, the subject property cannot obtain access from Route 53 and therefore must be accessed from Harding Road. This access requirement, together with the need to maintain the required isolation distances between the septic system and surrounding wells, necessitates shifting the proposed residence to the west and north.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed home will not impair an adequate supply of light and air to the adjacent property and will be ranch home.

   b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will obtain a building permit for the proposed home and that it will be built pursuant to all DuPage County building codes.

   c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed home will be an added benefit to the surrounding area and not diminish the value of land and buildings throughout the County.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed home will be a single-family house and will not increase traffic congestion in the public streets and highways.

   e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that they will receive a building permit for the proposed home and will not increase the potential for flood damages to adjacent property.

   f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that they will receive a building permit for the proposed home and will not incur additional public expense for flood protection, rescue, or relief.

   g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed home will meet all building requirements and will not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

Additional Information

Please explain why you wish to serve as an appointee and share any unique qualifications or experience you feel you would bring to this agency.

I wish to serve as an appointee to the NITA Board because the future of regional transit is one of the most important issues facing DuPage County. A strong, accountable, and financially sustainable transit system is essential to economic development, workforce mobility, access to jobs and services, and the long-term competitiveness of our communities. For DuPage County, that means not only maintaining connections to Chicago, but also building a more balanced system that better supports intercommunity and inter-suburban connectivity.

As the region continues to evolve, our transit system must respond to how people actually live, work, study, shop, and access services today. The traditional hub-and-spoke model has served an important purpose, but it cannot be the only framework for future investment. DuPage County residents need practical connections between suburbs, employment centers, health care facilities, educational institutions, downtowns, commercial corridors, and regional destinations. We also need creative, flexible solutions for pockets of our communities where traditional fixed-route transit may not fully meet the need, but where better public transportation access could make a meaningful difference for residents, workers, seniors, students, and people with limited mobility options.

I would bring a unique combination of municipal, regional, fiduciary, private-sector operational, and educational experience to this role. I hold a Bachelor’s degree in Urban and Regional Planning from the University of Illinois at Urbana-Champaign and am nearing completion of a Master of Public Policy and Administration from Northwestern University. That academic background complements my real-world experience and gives me a strong foundation in land use, public finance, governance, policy analysis, and the relationship between transportation systems and community development.

As Mayor of Roselle, I manage a municipal budget and oversee core local government services for a community located along the Metra Milwaukee District West Line. This gives me direct experience with the connection between transit access, infrastructure investment, redevelopment, and local economic vitality. I have also led long-term strategic planning, infrastructure funding efforts, zoning modernization, and downtown redevelopment initiatives that prioritize walkability, design quality, and transit-supportive development. Regionally, I have served in executive leadership with the DuPage Mayors and Managers Conference, including as President. In those roles, I worked with municipal leaders across DuPage County on transportation funding, transit governance, municipal finance, infrastructure, pensions, and state legislative policy. That experience has given me a strong appreciation for the need to balance regional coordination with local accountability, and to ensure DuPage County has a meaningful voice in shaping the

future of transit.

I also serve as an Executive Trustee of the Illinois Firefighters Pension Investment Fund, helping provide fiduciary oversight for a statewide public pension investment system managing approximately $11.1 billion in assets. That role has strengthened my experience with governance, transparency, compliance, long-term financial stewardship, and taxpayer accountability.

In my private-sector career at a fortune 500 company, I lead teams across the United States, Canada, and Panama focused on automation, supplier operations, process improvement, and performance management. That background would allow me to bring an operational mindset to NITA’s work, with a focus on measurable outcomes, efficient service delivery, cross-functional coordination, and continuous improvement.

If appointed, I would approach the role with a commitment to fiscal responsibility, regional collaboration, practical problem solving, and balanced transit policy. My goal would be to help advance a system that continues to connect our region to Chicago while also doing more to connect DuPage communities to one another, support suburban job centers, and serve residents whose daily transportation needs do not fit neatly into an outdated commute pattern.

RE: TAX INCREMENT FINANCING DISTRICT INTERGOVERNMENTAL AGREEMENT

Dear Janell:

On February 05, 2026, the Mayor and Board of Trustees for the Village of Woodridge adopted Ordinance #2026-10, which formally established the 75th Street Corridor Tax Increment Financing District ("the TIF"). Prior to establishing the TIF, the Village convened multiple Joint Review Board ("JRB") meetings in compliance with statutory requirements under the TIF Act. As an outgrowth of those meetings, the Village engaged in good faith negotiations with our local school districts to mitigate their concerns about potential impacts that they perceived could result from the Village's TIF District. Following the conclusion of those negotiations, the Mayor and Board of Trustees agreed to certain concessions (*e.g.*, TIF increment sharing), which were memorialized in the enclosed Intergovernmental Agreement ("the IGA"), which was adopted by the Board of Trustees via Resolution #2026-59 on May 21, 2026.

We are forwarding a copy of the approved IGA to all the local taxing bodies for their review and consideration for formal adoption. If you could please let me know by or

before Friday, July 24, 2026, if (and when) your agency intends to bring this IGA forward to your elected boards for formal adoption. I can be reached via e-mail at astonitsch@woodridgeil.gov or via my office line at (630)719-4707.

Sincerely,

AGREEMENTS

NOW THEREFORE, in consideration of the statements and findings hereinafter set forth, the mutual covenants herein contained, and other good and valuable consideration the sufficiency of which is hereby acknowledged, the Parties hereto find that all of the recitals contained in the preamble to this Agreement are full, true and correct and incorporate them into this Agreement by this reference and further agree as follows:

A. ANNUAL DECLARATION OF TIF SURPLUS FUNDS

1. **Annual Declaration of TIF Surplus Funds:** The Parties acknowledge that the Village shall during the life of the TIF district, by municipal ordinance annually declare a portion of the incremental real estate tax revenues (the "TIF Increment") generated within the TIF District as "TIF Surplus Funds" pursuant

to *Section 11-74.4-7* of the TIF Act and in the manner set forth below:

a. On an annual basis and during the life of the TIF District the Village shall set aside from the 75th Street Corridor TIF District Special Tax Allocation Fund ("TIF Fund") and declare as TIF Surplus Funds **Eight (8.0%)** of the annual incremental property tax revenues received by the Village from DuPage County as may be generated within the TIF District Redevelopment Project Area, and shall promptly return such percentage of TIF Surplus Funds allocation to the County Collector for redistribution to the affected taxing districts on a pro-rata basis as provided in the TIF Act.

b. **Specific Parcel TIF Surplus Funds Designation.** In lieu of the TIF Surplus Funds designation specified in ***Subparagraph "a"*** above, the Village shall annually declare TIF Surplus Funds in the sum of **One Hundred Percent (100.0%)** of the annual incremental property taxes received by the Village from DuPage County as may be generated from those parcels with **PIN 0825200009** (currently common address of 2340 75th Street) and **PIN 0930401135** (currently common address of 1335 75th Street).

In lieu of the TIF Surplus Funds designation specified in ***Subparagraph "a"*** above, the Village shall annually declare TIF Surplus Funds in the sum of **Twenty-Five Percent (25.0%)** of the annual incremental property taxes received by the Village from DuPage County as may be generated from the parcels identified below:

1. **PIN 0825307040** (Current common address of 2401-57 W 75th Street);

2. **PIN 0825307028** (Current common address of 7500 Janes Avenue);

3. **PIN 0825110009** (Current common address of 7400 Janes Avenue);

4. **PIN 0825400035** and **PIN 0825400036** (Current common address of 7515 Janes Avenue).

For all Additional TIF Surplus parcels identified in this ***Subparagraph "b"*** the Additional TIF Surplus Funds shall be annually declared and returned to DuPage County for redistribution to the affected Taxing Districts provided that such parcel(s) does not have a Village agreed and approved redevelopment agreement in effect at the time the TIF Surplus Funds are annually declared.

All TIF Surplus Funds in the TIF Fund as may be received by the Village shall be distributed no later than annually within 180 days after the close of the Village's fiscal year by being paid by the Village Treasurer to the County Collector in direct proportion to the tax incremental revenue received as a result of an increase in the equalized assessed value of property in the redevelopment project area. The County Collector shall thereafter make distribution to the respective Taxing Districts in the same manner and proportion as the most recent distribution by the County

Collector to affected taxing districts of real property taxes from real property in the redevelopment project area.

c. If a refund or reimbursement of tax increment is potentially due from the Village's Special Tax Allocation Fund for any reason, including but not limited to any tax objection, assessment challenge or formal appeal to the Illinois Property Tax Appeal Board (PTAB), issuance of a certificate of error or other such action, including any appeals therefrom for any property located within the TIF District Redevelopment Project Area, the Village may at its sole discretion withhold a proportional amount of the TIF Surplus Funds in question that are due the Taxing Districts hereunder until the time such action is resolved.

d. The Village shall have the right to unilaterally declare this TIF Surplus Funds provision null and void and no declaration of such TIF Surplus Funds shall be made by the Village in any year during the life of the TIF District in which the establishment or annual administration of the TIF District is, in any manner, being challenged in a court of law.

e. Without prejudice to any other right or claim which the Taxing Districts may have against the Village, the Taxing Districts hereby waive any claim under the statutory provision of the TIF Act for any other TIF funds unless otherwise agreed to in writing with the Village.

f. Pursuant to *Section 5/11-74.4-3 (q)(7)* of the TIF Act and notwithstanding anything in this Agreement to the contrary, the Village hereby reserves the authority in the Village's sole discretion to separately reimburse all or a portion of a taxing district's capital costs that are incurred or are to be incurred within a taxing district for which such capital costs: (i) result

from the TIF District redevelopment project; (ii) are in furtherance of the objectives of the TIF District redevelopment plan and project; and (iii) are the subject of a written agreement that is accepted and approved by the Village.

B. REIMBURSEMENT OF CAPITAL COSTS

Pursuant to *Section 5/11-74.4-3(u)* of the TIF Act, **"Taxing districts' capital costs"** means those costs of taxing districts for capital improvements that are found by the municipal corporate authorities to be necessary and directly result from the redevelopment project.

1. **Capital Cost Reimbursements.** The Parties agree that the Village may approve Intergovernmental Agreements with a taxing district during the life of the TIF District if additional impact(s) are found by the Village to have resulted from development within the Redevelopment Project Area. Furthermore, if any portion of the Village's TIF funds are paid as a reimbursement for additional capital costs that a taxing district(s) incurs and as may be attributable to development occurring within the TIF District, the taxing district(s) shall be required to provide the Village with an accounting of said capital costs as part of an ongoing impact analysis.

2. **Bond Referendum Tax Rate.** The Parties agree that upon an increase in a Taxing District's total real estate tax rate as the result of a Bond Referendum passed and approved by the voters of the Taxing District during the life of the TIF District and in accordance with applicable law, the Village agrees to set aside annually within the 75th Street Corridor TIF District Special Tax Allocation Fund a sum equal to the real estate tax increase generated as a direct result of the increase in the Taxing District's real estate tax rate over its operating rate and bond rate(s) levied prior to this Agreement and as a consequence of said approved Bond Referendum approved after this Agreement and shall distribute said sum to that Taxing District for the reimbursement of capital costs as described below. The Parties agree that the term *"operating tax rate"* as used herein for school districts shall have the same meaning as that set forth in the Evidence-Based Funding for Student Success statute of the School Code of Illinois (105 ILCS 5/18-8.15 (a)(4)).

3. **Reimbursement of Capital Costs for New Residential Construction.** The Parties agree and the Village Board has determined that the construction of certain **new residential development** within the boundaries of the TIF District may result in a net increase in enrollment for one more School District(s) and thereby cause the School District to incur increased capital costs with regard to school buildings and facilities and thereby result in the need for additional capital improvements which are necessary and directly result from the redevelopment projects. Therefore, with regard to any private redevelopment project that has a redevelopment agreement approved by the Village that provides TIF assistance, for which new, **non-age-restricted housing** is constructed during the life of the TIF District, the

   Village shall in addition to an annual declaration of TIF Surplus Funds as provided in ***Section "A"*** of this Agreement:

   a. Reimburse the affected secondary school district **Nine Percent (9%)** of the total amount of property tax increment revenue produced by those non-age-restricted housing units that have received tax increment finance assistance pursuant to the TIF Act within the TIF District Redevelopment Project Area and within said secondary school district; and

   b. Reimburse the affected elementary school district **Eighteen Percent (18%)** of the total amount of property tax increment revenue produced by those non-age-restricted housing units that have received tax increment finance assistance pursuant to the TIF Act within the TIF District Redevelopment Project Area and within said elementary school district; and

   c. Annual reimbursements payable by the Village to affected secondary and elementary school districts pursuant to ***Sections "B(3)(a) and B(3)(b)"*** above shall not exceed **Twenty-Seven Percent (27.0%)** in the aggregate of the total amount of property tax increment revenue produced by those non-age-restricted housing units that have received tax increment finance assistance pursuant to the TIF Act within the TIF District Redevelopment Project Area and within said secondary school district, unless this agreement is amended pursuant to ***Section "D(4)"*** below, or such additional assistance is approved by the affected parties in a separate

Intergovernmental Agreement.

d. For the avoidance of doubt, the Village and the affected school districts agree that for new , non-age restricted housing constructed during the life of the TIF District, the annual reimbursements provided for in Sections B(3)(a) and B(3)(b), and the proportionate amounts obligated to the schools as part of the annual TIF Surplus Funds determined pursuant to Section A(1)(a), shall be determined and payable by the Village solely from annual incremental property tax revenues received by the Village from DuPage County. Therefore, notwithstanding reimbursements payable by the Village pursuant to Section B(2), if any, the amount of gross real estate tax increment herein obligated by the Village as may be received from such new, non-age restricted housing for affected secondary and elementary school districts pursuant to Sections A(1)(a), B(3)(a), and B(3)(b) above shall not cumulatively exceed Thirty Five Percent (35%).

e. The Village and the affected school districts further agree that should new residential development cause an extraordinary impact on one or more of the affected school districts, the school district(s) may present the Village with evidence of such impact, including a report from a third party consultant, and the Village will make a good faith effort to provide additional reimbursement to address such impact to the extent such additional real estate tax increment generated by new, non-age restricted residential development within the affected real estate tax code is available.

"Age-restricted housing" is herein defined as residential housing that legally limits residency based on age, to people 55 or older, and is specifically designed to accommodate the lifestyle needs of older adults.

"New residential development" is herein defined as residential housing constructed on undeveloped or vacant land (such as a former golf course), residential housing constructed on land recently cleared of some other improvements through demolition or the removal of the prior improvements, and existing residential housing renovated or rehabilitated to the extent that an independent objective observer would consider the residential housing to be essentially new given the extent of the renovation or rehabilitation.

A School District shall use all TIF funds described in this ***Paragraph "B(3)"*** for **"capital costs"** and job training costs (defined below) relating to any facility and/or educational program of the School District which serves students who reside within the Village of Woodridge. For purposes of this Agreement, the term *"capital costs"* shall mean expenditures for the purchase, rental, or use of "capital assets" or "non-capitalized equipment" as those terms are defined in the current Illinois State Board of Education Regulations. Examples of "capital costs" may include:

a. Acquisition of land to serve the immediate or future needs of children from the development;

b. Improvement to any existing school site which already serves such needs;

c. Development of classrooms, parking lots, sidewalks, traffic signals, internal roadways, connections with water, sewer and electrical lines; playgrounds; recreation grounds and athletic fields;

d. Construction, remodeling or renovation of school facilities;

e. Purchase and prefabrication of classroom units;

f. Material, goods or equipment having a depreciable life of more than 1-year;

g. Buses, maintenance equipment, office equipment, district vehicles, or playground equipment;

h. Any other capital equipment deemed necessary by the School District; and

i. Any expenditures associated with advanced vocational education programs such as Vocational Building Trades.

C. DEVELOPMENT IMPACT FEES

Pursuant to the Illinois Municipal Code *(65 ILCS 5/11-12-5)* and *Section 31A-3* of the Village Code, as well as Title 10 entitled *"Subdivisions,"* Chapter 5 entitled *"Required Improvements,"* Section 12 entitled *"Dedication of Park Lands and School Donations,"* the Village shall include language in Private Redevelopment Agreements that are executed for private redevelopment projects within the TIF District a requirement for such applicable "Impact Fees," including but not limited to, cash donations or impact fees payable by a Developer contribution to be used specifically for construction of school buildings or other infrastructure necessitated by said new development.

D. GENERAL PROVISIONS

1. **Binding Effect:** This Agreement shall be binding on the Parties and their respective successors, including successors in office. Should any of the Taxing Districts merge with another Taxing District, this Agreement shall apply to the successor Taxing District. Further, should any of the Taxing Districts not approve or sign this Agreement, the Agreement shall bind those Taxing Districts that approve or sign the Agreement, despite the failure to approve the Agreement by any other Taxing District(s) except that the Parties hereby specifically acknowledge, notwithstanding anything herein to the contrary, that the Village's approval and execution of this Agreement is subject to the school districts, library district, park districts, and fire protection districts executing this Agreement on or before May 1, 2026, or this agreement automatically becomes null and void absent a mutually agreeable amendment.

2. **Governing Law:** This Agreement is governed by and shall be construed in accordance with the laws of the State of Illinois.

3. **Term:** This Agreement shall become effective upon its execution by the Taxing Districts and shall remain in effect until either the Village adopts an Ordinance dissolving the TIF District, or until the termination of the TIF District as adopted in the Redevelopment Plan, whichever is earlier.

4. **Amendments, Waivers, Modifications:** No amendment, waiver or modification of any term or condition of this Agreement shall be binding or effective for any purpose unless expressed in writing and adopted by each of the parties as required by law.

5. **Real Estate Tax Increment Information:** The Administrators of this TIF District Redevelopment Plan and the Village agree to provide the Taxing Districts with information developed to establish the initial equalized assessed valuation of the TIF District and the calculations for successive years' computation of the real estate increment for the TIF District as a whole. The Administrators further agree to provide the Taxing Districts with a copy of the TIF Annual Report when it is presented to the Village Board and such other documents or information required by law to be provided to the Taxing Districts.

6. **Enforcement:** The Parties agree that in the event any Party to this Agreement fails to perform or avoids its obligations hereunder, any Party not in breach may initiate an action in the local circuit court to enforce the terms and conditions set forth herein and shall be permitted to assess all costs and reasonable attorneys' fees incurred by reason of such enforcement action against the Party in breach, which costs and reasonable attorneys' fees shall be promptly paid.

7. **Waiver of Objections:** The Taxing Districts by their execution and approval of this Agreement hereby waive forever any and all right to directly or indirectly set aside, modify or contest in any manner the establishment or administration of the TIF District including the Redevelopment Plan, Projects and Area as proposed and approved by the Village. The Taxing Districts further acknowledge that the Village shall not declare TIF Surplus Funds or reimburse Capital Costs for new, non-age restricted development during any year in which the establishment or qualifications of the TIF District is the subject of a legal challenge. Furthermore, the Taxing Districts may not contest, challenge or otherwise object to the calculation of any surplus funds or capital costs reimbursement declared by the Village hereunder, after a period that is one year from the date said payment of surplus funds is issued by the County to the Taxing Districts. Nothing contained herein is to be construed to give the Taxing Districts any right to participate in the administration of the TIF District Redevelopment Plan or Projects. This waiver does not limit or prohibit the Taxing Districts from contesting the Village's distribution of TIF Funds as it relates to this Agreement. In the event the Village fails to perform any obligations within this Agreement, this *Paragraph "D (7)"* is null and void.

8. **Indemnification and Non-waiver:** Each Taxing District individually shall indemnify and hold harmless the Village, its agents, board members, attorneys, officers, representatives, and employees (in both their individual and official capacities) against all injuries, deaths, losses, damages, claims, suits, liabilities, judgments, costs and expenses (including any liabilities, judgments, costs and expenses, expert witness fees and costs of investigations, and reasonable attorneys' fees) which may arise directly or indirectly from (i) from any default or breach of the terms of this Agreement by the Taxing District; or (ii) from any reckless or willful misconduct of the Taxing District or any of

its contractors, subcontractors or agents or employees thereof (so long as such contractor, subcontractor or agent or employee is hired by the Taxing District). This paragraph shall not apply, and the Taxing District shall have no obligation whatsoever, with respect to any acts of reckless or willful misconduct on the part of the Village or any of its officers, agents, employees, or contractors.

a. The Village covenants and agrees to defend, indemnify and hold the Taxing Districts and their officers, board members, attorneys, agents, employees and representatives (in both their individual and official capacities) harmless from all claims, suits, costs or expenses, or other causes of action of any kind (including expert witness and attorney's fees, and costs of investigations) ("Loss") of defending any claims or actions contesting the validity or legality of the Woodridge 75th Street Corridor TIF District Redevelopment Plan, Project, and Area, or this Agreement. The Village covenants and agrees to indemnify, defend, and hold harmless each Taxing District against any Loss brought against the Taxing District arising from or in connection with the acts or omissions of the Village or its employees or agents related to this Agreement or the Village's breach of this Agreement, provided that said Loss has not been caused by the negligence or misconduct of the respective Taxing District and its employees.

b. No Party to this Agreement waives any defenses or immunities it otherwise has under the law, including but not limited to any immunities under the Local Governmental and Governmental Employees Tort Immunity Act *(745 ILCS 10/1 et. seq.)*, the State Employee Indemnification Act *(5 ILCS 350/1, et. seq.)*, or otherwise provided by law.

9. **Final Payments.** Payments made to the Taxing Districts under this Agreement shall be final and non-refundable once made unless there is an adjustment resulting from any tax objection, assessment challenge or formal appeal to the Illinois Property Tax Appeal Board (PTAB), or a calculation error in the distribution of funds under this Agreement.

10. **Prevailing Wage:** The Taxing Districts acknowledge their responsibility for compliance with the Illinois Prevailing Wage Act to the extent such is applicable. The Taxing Districts shall not pay less than the prevailing rate of wages as found by the Village or Illinois Department of Labor to all laborers, workers and mechanics performing construction work paid for in whole or in part with TIF funds received under this Agreement. The Taxing Districts shall indemnify and hold harmless the Village, its officers, officials, agents, and consultants from any and all claims related thereto.

11. **Complete Agreement:** This Agreement expresses the complete and final understanding of the Parties with respect to the subject matter as of the date of its execution. Each Party acknowledges that no representations have been made which have not been set forth herein.

12. **Titles of Paragraphs:** Titles of the several parts, paragraphs, sections, or articles of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any provisions hereof.

13. **Partial Invalidity:** In the event that any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

14. **Notices:** All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement shall be in writing and shall be executed by the Party or an officer, agent or attorney of the Party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, or as of the third (3rd) day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid addressed as follows:

ARTICLE XIII
TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

The Illinois Homeless Response Collaborative will increase the capacity of local homeless crisis response systems to implement best practices to reduce the number of people experiencing homelessness. The grant will expand local capacity for leading systems improvement and build dynamic, reliable data systems that can measure real-time changes in homelessness. Expanded capacity, including but not limited to new staff members, will be supported through consultants to convene stakeholder workgroups to collectively build strategies and steer plans for testing changes that are likely to produce positive statewide results.

This program leverages and promotes continuous quality improvement best practices to actively reshape community processes and behavioral norms. The CoC develops a shared vision for success across the community, provides program and project management support to actualize that vision, and embeds Collective Impact principles into community processes to achieve and sustain system-level improvement. EXHIBIT B

DELIVERABLES

1)Provide expanded capacity to the Homeless Continuum of Care to work in at least one of the following domains:
a) System Coordination improvements
b) Homeless Management Information System improvements

This program leverages and promotes continuous quality improvement best practices to actively reshape community processes and behavioral norms. The CoC develops a shared vision for success across the community, provides program and project management support to actualize that vision, and embeds Collective Impact principles into community processes to achieve and sustain system-level improvement. The CoC establishes and maintain critical communication and knowledge-sharing lanes between end users, provider organizations, the whole community, and the broader systems that impact housing and homelessness. The measures and communicate progress towards ending homelessness.
CoCs will engage in this area of focus:

Data Analysis and Reporting: Collect, report, manage, and analyze data related to population-level homelessness and the CoC's performance. Utilize data-driven insights to inform decision-making, identify trends, and assess the impact of system changes.

CoCs will choose at least one additional area of focus:
Change Cycle Leadership: Lead and facilitate strategic planning & action cycles within the CoC, to identify areas of improvement and implement evidence-based practices. Collaborate with stakeholders to develop and execute strategies that enhance service delivery and outcomes.
System Analysis & Improvement: Work closely with member agencies to identify gaps, inefficiencies, and opportunities for improvement in the homeless services system, through activities such as needs and risk assessments, asset and process mapping, and other targeted analyses. Develop and implement action plans to address these issues effectively.
Collaboration and Networking: Build and maintain strong relationships with key stakeholders, including government agencies, service providers, community organizations, housing providers, service users, and the community at-large. Foster a collaborative environment to promote effective communication and resource sharing.
Center Equity & Lived Expertise: Lead (or contribute to) efforts to identify the community's systemic inequities in housing security and homelessness and center those inequities in plans and strategies to reduce homelessness. Champion and facilitate the inclusion of input from people with lived experience of homelessness in system improvement priorities and plans.
Capacity Building: Identify training and capacity-building needs for CoC member agencies and stakeholders. Organize and facilitate workshops, seminars, and training sessions to enhance service providers' skills and knowledge. Support individual organizations/agencies in their own tests of change, by establishing improvement projects, facilitating provider goal setting, and serving as an accountability partner.

EXHIBIT B

Grantee will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Requests for advance payment must be accompanied by an IDHS Advance Payment Request Cash Budget Template (Cash Budget).

I. Advance Payment Method (Advance and Reconcile)

A.An initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.

B.Grantees must submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. The first invoice is due within 20 days after the first month of the grant operations. Invoices must include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

C.Subsequent monthly payments will be based on each monthly invoice submitted to the grant program, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.

D.Grantees that do not expend all advance payment amounts by the end of the grant term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective grant budget, must return the funds or be subject to grant funds recovery.

E.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

F.Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments

G. Approp Allows for prior year expenditures.

II.Reimbursement Method

A.IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.

B.Grantees must submit monthly invoices in a format prescribed by Grantor. Invoices must include all allowable incurred costs for the first and each subsequent month of operations until the end of the grant term. Invoices must be submitted on or before the 20th day following the end of any respective monthly invoice period. As practicable, Grantor shall process payment within 30 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.

C.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III.Working Capital Advance Method

A.IDHS Grant Program Managers will advance working capital payments to the grantee to

cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.
B.Grantees must submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. The first invoice is due 20 calendar days after the first month of the grant term. Invoices must include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

(a) **Adult Protective Services Act.** Grantee certifies that it is in compliance with the Adult Protective Services Act to protect people with disabilities who are abused, neglected or financially exploited and who, because of their disability, cannot seek assistance on their own behalf. Anyone who believes a person with a disability living in a domestic setting is being abused, neglected or financially exploited must file a complaint with the Illinois Department on Aging. Grantee has an obligation to report suspected fraud or irregularities committed by individuals or other entities with whom it interacts on Grantor's behalf and should make a report to the appropriate program office (320 ILCS 20/1 *et seq.*).

When it is specifically required as a condition of an Award, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by Grantor to be critical to the Award's successful completion. All requests for approval of changes in key Grant personnel shall be signed by Grantee's authorized representative and submitted to the appropriate Grantor program personnel. Evidence of the qualifications for replacement personnel (such as a résumé) shall be included. 2 CFR 200.308.

24.4 Grant Funds Recovery. The provisions of 89 Ill. Admin. Code 511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

24.5 Employee and Subcontractor Background Checks. Grantee certifies that neither Grantee, nor any employee or subcontractor who works on Grantor's premises, has a felony conviction. Any request for an exception to this rule must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction. Grantee will also supply Grantor with a list of individuals assigned to work on DHS' premises at least ten (10) working days prior to the start of their employment, unless circumstances prevent Grantee from giving a list within that time. If Grantee cannot provide a list, or the name of an individual, at least ten (10) working days prior to his/her employment, it shall do so as soon as possible. Grantor may conduct, at its expense, criminal background checks on Grantee's employees and subcontractors assigned to work on Grantor's premises. To the extent permitted by Illinois law, Grantee agrees to indemnify and hold harmless Grantor and its employees for any liability accruing from said background checks.

24.6 Gifts. In addition to the Gift ban described in Paragraph 22.1, Grantee will provide Grantor with advance notice of Grantee's provision of gifts, excluding charitable donations, given as incentives to community-based organizations in Illinois and clients in Illinois to assist Grantee in carrying out its responsibilities under this Agreement.

24.7 Current Contact Information and Notices. Grantee shall update its contact information, including email address, phone number and job title, in the Community Services Agreement (CSA) Tracking System under the My Info tab, when any such information changes. In addition, Grantee shall contact the DHS Office of Contract Administration when its mailing address changes to update that information. Grantee acknowledges and agrees that any notices from Grantor may be made to its mailing address, electronic mail (email) address, or facsimile (fax) telephone number, at Grantor's choosing. Such notice shall be effective upon dispatch.

24.8 Supplies Disposition. Grantee must obtain disposition instructions from Grantor when supplies, purchased in whole or in part with Grant Funds, are no longer needed for their intended purpose. Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any supplies to Grantor or a third party for any reason, including, without limitation, an Award is terminated or Grantee no longer conducts Award activities. The Grantee shall properly maintain, track, use, store and insure the supplies according to applicable best practices, manufacturer's guidelines, federal and State laws or rules, including without limitation those contained at 2 CFR 200.310 to 2 CFR 200.326, and Department requirements stated herein. All obligations regarding use and ownership of supplies, purchased in whole or in part with Grant Funds, shall survive the termination of this Agreement.

24.9 Reporting Requirements. The reporting timeframes described in Paragraphs 10.1, 10.2, 11.1 and 11.2 are specified in **EXHIBIT B**. In addition, Grantee acknowledges it must cooperate with all Grantor-initiated post Close-out audits or reviews, including, but not limited to, submission of any Grantor-required forms.

25.1 Monitoring of Conduct. In addition to ARTICLE IX of **PART ONE**, Grantor shall monitor Grantee's conduct under this Agreement which may include, but shall not be limited to, reviewing records of performance in accordance with administrative rules, license status review, fiscal and audit review, Agreement compliance and

compliance with the affirmative action requirements of this Agreement. Grantor shall have the authority to conduct announced and unannounced monitoring visits and Grantee shall cooperate with Grantor in connection with all such monitoring visits. Failure of Grantee to cooperate with Grantor in connection with announced and unannounced monitoring visits is grounds for Grantor's termination of this Agreement.

25.2 Requests for Information. 25.3 Rights of Review. This 0 does not give Grantor the right to review a license that is not directly related to the Award being audited nor does it allow Grantor to unilaterally revoke a license without complying with all due process rights to which Grantee is entitled under Federal, State or local law or applicable rules promulgated by Grantor.

ARTICLE XXVI
WORK PRODUCT

26.1 Assignment of Work Product. "Work Product" means all the tangible materials, regardless of format, delivered by Provider to DHS under this Agreement. Grantee assigns to Grantor all right, title and interest in and to Work Product. However, nothing in this Agreement shall be interpreted to grant Grantor any right, title or interest in Grantee's intellectual property that has been or will later be developed outside this Award.

26.2 License to Grantor. To the extent Grantee-owned works are incorporated into Work Product, Grantee grants to Grantor a perpetual, non-exclusive, paid-up, world-wide license in the use, reproduction, publication and distribution of such Grantee-owned works when included within the Work Product. Grantee shall not copyright Work Product without Grantor's prior written consent.

26.3 License to Grantee; Objections. Grantor grants to Grantee a perpetual, non-exclusive, paid-up license to publish academic and scholarly articles based upon the services rendered under this Agreement. All materials to be published shall first be submitted to Grantor at least forty-five (45) days prior to publication or other disclosure. Upon written objection from Grantor, Grantee shall excise any confidential information, as that term is defined in applicable State and Federal statutes, federal regulations and Grantor administrative rules, from materials before publication. Grantor may also object to the publication on grounds other than confidentiality. As to the latter objections, Grantee and Grantee will attempt to resolve Grantor's concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. Grantor waives any objections not made to Grantee in writing before expiration of the review period.

26.4 Unresolved Objections; Disclaimer. If Grantor's objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Grantee may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the [Grantor], the [Grantor] does not endorse or adopt the opinions or conclusions presented in the article." Notwithstanding the above, Grantor shall not have the right to control or censor the contents of Grantee publications.

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantor may make site visits as warranted by Program needs. 2 CFR 200.329; 200.332. Additional monitoring requirements may be in **PART TWO** or **PART THREE**.

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. (d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. 13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. For grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. For grantees who have previously negotiated an Indirect Cost Rate, the Indirect Cost Rate Proposal must be submitted for approval within 180 days of Grantee's fiscal year end, as dictated in the applicable appendices, such as:

Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs , which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

(a) **Accounting System**. Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO**, **PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control**. Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control**. Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. 13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII
MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees,

costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. Code 7000.90 and ARTICLE XII ; (e) property management and disposition requirements established in 2 CFR 200.310 through 2 CFR 200.316 and ARTICLE XVIII; or (f) records related requirements pursuant to ARTICLE IX. 44 Ill. PAYMENT

Grantees will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Grantees will automatically be paid via Reimbursement Method unless a request for Advance Payment Method or Working Capital Advance Method is made using the IDHS Advance Payment Request Cash Budget Template (Cash Budget).

I. Advance Payment Method (Advance and Reconcile)

A.An initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.
B.Grantees must submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. Invoices must be submitted no later than 15 days following the end of any respective monthly invoice period, or as indicated in their UGA Exhibit F - Payments. Invoices must include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
C.Subsequent monthly payments will be based on each monthly invoice submitted to the grant program, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
D.Grantees that do not expend all advance payment amounts by the end of the grant term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective grant budget, must return the funds or be subject to grant funds recovery.
E.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
F.Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

II. Reimbursement Method

A.IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.
B.Grantees must submit monthly invoices in a format prescribed by Grantor. Invoices must include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices must be submitted no later than 15 days following the end of any respective monthly invoice period, or as indicated in their UGA Exhibit F - Payments. As practicable, Grantor shall process payment within 30 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.

EXHIBIT F

PAYMENT

C.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III. Working Capital Advance Method

A.IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.
B.Grantees must submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. Invoices must be submitted no later than 15 days following the end of any respective monthly invoice period, or as indicated in their UGA Exhibit F - Payments. Invoices must include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
C.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
D.Working Capital Advance Payments are limited to a single occurrence per grant term.
E.Following the initial working capital advance payment, grantees will be paid via reimbursement method unless an IDHS Advance Payment Request Cash Budget Template is submitted for Advanced Payment Method.

PART TWO –GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII

23.1 Certifications. Grantee shall be responsible for compliance with the enumerated certifications to the extent that the certifications legally apply to Grantee:

(a) **Adult Protective Services Act.** Grantee certifies that it is in compliance with the Adult Protective Services Act to protect people with disabilities who are abused, neglected or financially exploited and who, because of their disability, cannot seek assistance on their own behalf. Anyone who believes a person with a disability living in a domestic setting is being abused, neglected or financially exploited must file a complaint with the Illinois Department on Aging. Grantee has an obligation to report suspected fraud or irregularities committed by individuals or other entities with whom it interacts on Grantor's behalf and should make a report to the appropriate program office (320 ILCS 20/1 *et seq.*).

(b) **Grant Award Requirements.** Grantee certifies that it is in compliance with 45 CFR Part 93 and 45 CFR Part 94.

(c) **Business Entity Registration.** Grantee certifies that it is not required to register as a business entity with the State Board of Elections pursuant to the Procurement Code (30 ILCS 500/20-160 and 30 ILCS 500/50-37). Further, Grantee acknowledges that all contracts between State agencies and a business entity that do not comply with this Paragraph shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

ARTICLE XXIV
ADDITIONAL TERMS

24.1 Renewal. This Agreement may be renewed for additional periods by mutual consent of the Parties, expressed in writing and signed by the Parties. Grantee acknowledges that this Agreement does not create any expectation of renewal.

24.2 Multiple Locations. In the event that Grantee has more than one location, Grantee shall include in **EXHIBIT C** either (1) the address, phone number and hours of operation of each location, or (2) the address, phone number and hours of operation of Grantee's primary location.

24.3 Changes in Key Grant Personnel. When it is specifically required as a condition of an Award, the replacement of the Program director or a key person or a substantial reduction in the level of their effort, e.g., their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Award purposes, requires Prior Approval from Grantor. When it is specifically required as a condition of an Award, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by Grantor to be critical to the Award's successful completion. All requests for approval of changes in key Grant personnel shall be signed by Grantee's authorized representative and submitted to the appropriate Grantor program personnel. Evidence of the qualifications for replacement personnel (such as a résumé) shall be included. 2 CFR 200.308.

24.4 Grant Funds Recovery. The provisions of 89 Ill. Admin. Code 511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

24.5 Employee and Subcontractor Background Checks. Grantee certifies that neither Grantee, nor any employee or subcontractor who works on Grantor's premises, has a felony conviction. Any request for an exception to this rule must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction. Grantee will also supply Grantor with a list of individuals assigned to work on DHS' premises at least ten (10) working days prior to the start of their employment, unless circumstances prevent Grantee from giving a list within that time. If Grantee cannot provide a list, or the name of an individual, at least ten (10) working days prior to his/her employment, it shall do so as soon as possible. Grantor may conduct, at its expense, criminal background checks on Grantee's employees and subcontractors assigned to work on Grantor's premises. To the extent permitted by Illinois law, Grantee agrees to indemnify and hold harmless Grantor and its employees for any liability accruing from said background checks.

24.6 Gifts. In addition to the Gift ban described in Paragraph 22.1, Grantee will provide Grantor with advance notice of Grantee's provision of gifts, excluding charitable donations, given as incentives to community-based organizations in Illinois and clients in Illinois to assist Grantee in carrying out its responsibilities under this Agreement.

24.7 Current Contact Information and Notices. Grantee shall update its contact information, including email address, phone number and job title, in the Community Services Agreement (CSA) Tracking System under the My Info tab, when any such information changes. In addition, Grantee shall contact the DHS Office of Contract Administration when its mailing address changes to update that information. Grantee acknowledges and agrees that any notices from Grantor may be made to its mailing address, electronic mail (email) address, or facsimile (fax) telephone number, at Grantor's choosing. Such notice shall be effective upon dispatch.

24.8 Supplies Disposition. Grantee must obtain disposition instructions from Grantor when supplies, purchased in whole or in part with Grant Funds, are no longer needed for their intended purpose. Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any supplies to Grantor or a third party for any reason, including, without limitation, an Award is terminated or Grantee no longer conducts Award activities. The Grantee shall properly maintain, track, use, store and insure the supplies according to applicable best practices, manufacturer's guidelines, federal and State laws or rules, including without limitation those contained at 2 CFR 200.310 to 2 CFR 200.326, and Department requirements stated herein. All obligations regarding use and ownership of supplies, purchased in whole or in part with Grant Funds, shall survive the termination of this Agreement.

24.9 Reporting Requirements. The reporting timeframes described in Paragraphs 10.1, 10.2, 11.1 and 11.2 are specified in **EXHIBIT B**. In addition, Grantee acknowledges it must cooperate with all Grantor-initiated post Close-out audits or reviews, including, but not limited to, submission of any Grantor-required forms.

24.10 Payment Information. Payment information described in PART ONE is specified in EXHIBIT F.

ARTICLE XXV
MONITORING AND INFORMATION

25.1 Monitoring of Conduct. In addition to ARTICLE IX of **PART ONE**, Grantor shall monitor Grantee's conduct under this Agreement which may include, but shall not be limited to, reviewing records of performance in accordance with administrative rules, license status review, fiscal and audit review, Agreement compliance and

compliance with the affirmative action requirements of this Agreement. Grantor shall have the authority to conduct announced and unannounced monitoring visits and Grantee shall cooperate with Grantor in connection with all such monitoring visits. Failure of Grantee to cooperate with Grantor in connection with announced and unannounced monitoring visits is grounds for Grantor's termination of this Agreement.

25.2 Requests for Information. Grantor may request, and Grantee shall supply, upon request, necessary information and documentation regarding transactions constituting contractual (whether a written contract exists or not) or other relationships, paid for with funds received hereunder. Documentation may include, but is not limited to, information regarding Grantee's contractual agreements, identity of employees, shareholders and directors of Grantee and any party providing services which will or may be paid for with funds received hereunder, including, but not limited to, management and consulting services rendered to Grantee.

25.3 Rights of Review. This 0 does not give Grantor the right to review a license that is not directly related to the Award being audited nor does it allow Grantor to unilaterally revoke a license without complying with all due process rights to which Grantee is entitled under Federal, State or local law or applicable rules promulgated by Grantor.

ARTICLE XXVI
WORK PRODUCT

26.1 Assignment of Work Product. "Work Product" means all the tangible materials, regardless of format, delivered by Provider to DHS under this Agreement. Grantee assigns to Grantor all right, title and interest in and to Work Product. However, nothing in this Agreement shall be interpreted to grant Grantor any right, title or interest in Grantee's intellectual property that has been or will later be developed outside this Award.

26.2 License to Grantor. To the extent Grantee-owned works are incorporated into Work Product, Grantee grants to Grantor a perpetual, non-exclusive, paid-up, world-wide license in the use, reproduction, publication and distribution of such Grantee-owned works when included within the Work Product. Grantee shall not copyright Work Product without Grantor's prior written consent.

26.3 License to Grantee; Objections. Grantor grants to Grantee a perpetual, non-exclusive, paid-up license to publish academic and scholarly articles based upon the services rendered under this Agreement. All materials to be published shall first be submitted to Grantor at least forty-five (45) days prior to publication or other disclosure. Upon written objection from Grantor, Grantee shall excise any confidential information, as that term is defined in applicable State and Federal statutes, federal regulations and Grantor administrative rules, from materials before publication. Grantor may also object to the publication on grounds other than confidentiality. As to the latter objections, Grantee and Grantee will attempt to resolve Grantor's concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. Grantor waives any objections not made to Grantee in writing before expiration of the review period.

26.4 Unresolved Objections; Disclaimer. If Grantor's objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Grantee may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the [Grantor], the [Grantor] does not endorse or adopt the opinions or conclusions presented in the article." Notwithstanding the above, Grantor shall not have the right to control or censor the contents of Grantee publications.

ARTICLE XXVII

POST-TERMINATION/NON-RENEWAL

27.1 Duties. Upon notice by Grantor to Grantee of the termination of this Agreement or notice that Grantor will not renew, extend or exercise any options to extend the term of this Agreement, or that Grantor will not be contracting with Grantee beyond the term of this Agreement, Grantee shall, upon demand:

(a) Cooperate with Grantor in assuring the transition of recipients of services hereunder for whom Grantee will no longer be providing the same or similar services or who choose to receive services through another Grantee.

5. That petitioner testified that the proposed addition will not alter the character of the neighborhood.

6. That the Zoning Hearing Officer finds that the Petitioner has demonstrated a practical difficulty and particular hardship warranting the requested Variations. Specifically, due to the lot shape, size and configuration limits the buildable area available on the property.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed addition will not impair an adequate supply of light and air to the adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will obtain a building permit for the proposed addition and that it will be built pursuant to all DuPage County building codes.

SUBJECT: Housing and Community Development Intergovernmental Joint Agreement between DuPage County and the Village of Downers Grove

---

Action Requested: Approval of the Housing and Community Development Intergovernmental Joint Agreement between DuPage County and the Village of Downers Grove incorporating provisions required within the Agreement, as reflected in the U.S. Department of Housing and Urban Development (HUD) Notice CPD-26-08, Instructions for Urban County Qualification for Participation in the CDBG Program, issued 05/15/2026.

Details: As part of DuPage County's requalification as a Community Development Block Grant (CDBG) Program Urban County for Federal fiscal years 2027, 2028, and 2029 the County has reviewed the existing Housing and Community Development Joint Agreement between DuPage County and the Village of Downers Grove enacted and approved 06/24/2014 under County Board Resolution #DC-R-0127-14, along with Amendment One enacted and approved on 06/13/2023 under County Board Resolution #HS-R-0054-23. Review was completed to ensure the existing Agreement meets required standards established by the HUD within Attachment 4. of Notice CPD-26-08, Instructions for Urban County Qualification for Participation in the CDBG Program, issued 05/15/2026.

Upon review, it was determined that entering into a new Joint Agreement would be more effective than modifying an existing agreement. Therefore, a new Housing and Community Development Intergovernmental Joint Agreement has been prepared, incorporating all requirements of joint agreements set forth in the above noted Urban County Qualification Notice applicable to the FY2027-2029 three-year urban county qualification period.

WHEREAS, updated standards have been issued by the U.S. Department of Housing and Urban Development ("HUD") and it is most expedient for the COUNTY and VILLAGE to replace, rather than amend the previous Community Development Intergovernmental Joint Agreement dated 06/24/2014, and adoption of this new JOINT AGREEMENT will meet the current standards acceptable to HUD for the three-year urban county qualification period including federal fiscal years 2027, 2028 and 2029; and

WHEREAS, the VILLAGE Mayor is authorized to execute this JOINT AGREEMENT on behalf of the VILLAGE; and

WHEREAS, the DuPage County Board Chair is authorized to execute this JOINT AGREEMENT on behalf of the COUNTY; and

WHEREAS, the COUNTY and VILLAGE authorize the execution of this JOINT AGREEMENT in exercise of their respective powers and other governmental authority, and, in exercise of their intergovernmental cooperation authority under the Constitution and statutes of the State of Illinois.

NOW, THEREFORE, upon the consideration of the mutual promises contained herein and upon the further consideration of the recitals hereinabove set forth, it is hereby agreed between and among the Parties hereto as follows:

1. RECITALS. The foregoing recitals are incorporated herein and made part of this JOINT AGREEMENT.

That it is the purpose and intent of the Parties hereto by this JOINT AGREEMENT to cooperate in undertaking, or assisting in undertaking, essential community development and housing assistance activities, specifically community renewal and lower-income housing assistance activities within the VILLAGE.

3. PARTICIPATION IN OTHER PROGRAMS. This JOINT AGREEMENT covers the following formula funding programs administered by HUD where the COUNTY is awarded and accepts funding directly from HUD: the Community Development Block Grant (CDBG) Program, the HOME Investment Partnerships (HOME) Program, and the Emergency Solutions Grant (ESG) Program. The VILLAGE understands and agrees that, by executing this JOINT AGREEMENT, it:

    a. May not apply for grants under the State CDBG Program for the fiscal years during the period in which the VILLAGE participates in the Urban County's CDBG Program; and

    b. May receive a formula allocation under the HOME Program only through the COUNTY.

        i. If the VILLAGE qualifies to receive a separate allocation of HOME funds, it has three options: (1) it may form a HOME consortium with the Urban County, in which case it will be included as part of the Urban County when the HOME funds for the county are calculated; (2) it may elect to

continue to receive its separate HOME grant but have the Urban County administer it; or (3) the Metropolitan City may administer its HOME program on its own.

c. May receive a formula allocation under the ESG Program only through the COUNTY.

d. This does not preclude the Urban County or the VILLAGE from applying for HOME or ESG funds from the State, if the State allows.

4. JOINT AGREEMENT.

a. The COUNTY and the VILLAGE, in cooperation, agree to undertake, or assist in undertaking, essential community development and housing assistance activities as approved and authorized between the Parties in the CDBG Agreements, including the Consolidated Plan.

b. It is hereby understood by the respective parties hereto that the COUNTY shall have authority to undertake or assist in undertaking essential community development and housing assistance activities within the entire VILLAGE.

c. The VILLAGE understands that the COUNTY will have final responsibility for selecting projects and filing annual grant requests and submitting the Consolidated Plan to HUD.

d. The Urban County agrees that the CDBG funds the VILLAGE is entitled to will be utilized to benefit the VILLAGE. The COUNTY will notify the VILLAGE when a project is proposed inside the VILLAGE's corporate limit so that the VILLAGE may have the opportunity to comment on the project.

e. The VILLAGE and COUNTY shall take all actions necessary to assure compliance with the COUNTY's certification under Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, that the grant will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964, and the implementing regulations at 24 CFR Part 1, the Fair Housing Act, and the implementing regulations at 24 CFR Part 100, and will comply with the obligation to affirmatively further fair housing, Section 109 of Title I of the Housing and Community Development Act of 1974, and the implementing regulations at 24 CFR Part 6, which incorporates Section 504 of the Rehabilitation Act of 1973, and the implementing regulations at 24 CFR Part 8, Title II of the Americans with Disabilities Act of 1974, and the implementing regulations at 28 CFR Part 35, the Age Discrimination Act of 1975, and the implementing regulations at 24 CFR Part 146, Section 3 of the Housing and Urban Development Act of 1968, Uniform Relocation and Real Property Policies Act of 1970 and the implementing regulations at 49 CFR Part 24; Section 104(d) of the Housing and Community Development Act of 1974 and the implementing regulations at 24 CFR Part 42, and all other applicable laws and regulations. The Parties agree that Urban

County funding in no event will be used for activities in, or in support of, any cooperating unit of general local government that impedes the COUNTY's actions to comply with the COUNTY's fair housing certification and duty to affirmatively further fair housing.

f. The VILLAGE agrees to evidence its consent to participate in this JOINT AGREEMENT by providing the COUNTY with: (a) a certified copy of a Resolution from the governing body of the VILLAGE that the Chief Elected Official of the VILLAGE is authorized to sign the JOINT AGREEMENT; and, (b) an unqualified opinion of its legal counsel acceptable to the COUNTY concluding that the VILLAGE is authorized under Illinois and local law, to enter into the terms and provisions of the JOINT AGREEMENT and to undertake, or assist in undertaking, community development activities under the CDBG Program.

5. DURATION OF JOINT AGREEMENT & AMENDMENT.

a. This JOINT AGREEMENT shall remain in effect for the three-year program period of Federal Fiscal Years 2027, 2028, and 2029, and until funds granted and program income received during the three-year program period are expended and the funded activities completed. This applies to future qualification periods which renew automatically as described in Section 5.b. below. Neither the COUNTY nor the VILLAGE may terminate, withdraw, or be removed from the program during the three-year program period.

b. This JOINT AGREEMENT will renew automatically for participation for one successive three-year Urban County qualification period (Federal Fiscal Years 2030, 2031, and 2032), unless the VILLAGE or the COUNTY provide written notice to the other party that it elects not to participate in a new qualification period. The terminating party shall send a copy of the notice of termination to the HUD field office by the date specified on the HUD.gov Urban Counties website. The COUNTY will notify the VILLAGE in writing of the VILLAGE's right to make this election. A copy of the COUNTY's notification must be sent to the HUD field office by the date specified on the HUD.gov Urban Counties website.

c. The Parties agree to adopt amendment(s) to this JOINT AGREEMENT as may be required by HUD to meet any new Urban County Qualification requirement(s), when applicable. Failure by either Party to adopt any such amendment, and to submit such amendments to HUD, will void the Joint Agreement for such qualification period.

d. The COUNTY and VILLAGE agree that they cannot terminate or withdraw from this JOINT AGREEMENT while it remains in effect.

6. PROGRAM INCOME.

a. The VILLAGE will inform the COUNTY of any income generated by the expenditures of CDBG or HOME funds received by the VILLAGE from the COUNTY.

b. The VILLAGE will return any such program income to the COUNTY for reprogramming for eligible activities for use in any part of the COUNTY as the COUNTY determines is best.

c. The COUNTY shall monitor and report to HUD on the use of any program income.

d. The VILLAGE shall comply with all rules and regulations for appropriate record keeping in relation to the generation and return of any program income.

e. In the event of a closeout of a project, change in status of the VILLAGE, or termination of this JOINT AGREEMENT, any program income that is on hand at that time or is received subsequent thereto, shall be returned to the COUNTY.

7. PROPERTY ACQUISITION AND DISPOSITION.

a. The VILLAGE shall comply with all rules and regulations in connection with the acquisition and disposition of real property.

b. The VILLAGE shall immediately notify the COUNTY of any modification or change in the use of the acquired real property from the use planned at the time of the acquisition or improvement, including but not limited to, disposition.

c. The VILLAGE shall pay to the COUNTY an amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-CDBG funds, or HOME funds, where applicable) of any property acquired or improved with CDBG funds, or HOME funds, where applicable, which the VILLAGE sells or transfers for a use which does not qualify under CDBG regulation, or HOME regulations, where applicable.

d. Any program income generated from the disposition or transfer of property prior or subsequent to closeout, change of status of the VILLAGE, or termination of this JOINT AGREEMENT shall be returned by the VILLAGE to the COUNTY for reprogramming for eligible activities in any part of the COUNTY as the COUNTY determines is best.

8. ALLOCATION AND EXPENDITURES. No funds under the terms of this JOINT AGREEMENT will be allocated or spent by the VILLAGE prior to approval by the COUNTY.

9. PROHIBITION FROM FUNDING. The COUNTY and VILLAGE agree that the COUNTY is prohibited from and shall not fund the VILLAGE for activities in, or in support of, the VILLAGE when the VILLAGE does not affirmatively further fair housing

within its own jurisdiction or when the VILLAGE's actions impede the COUNTY's actions to comply with its fair housing certification to the federal government.

10. VILLAGE AS SUBRECIPIENT. The VILLAGE agrees that, pursuant to 24 CFR 570.501(b), the VILLAGE is subject to the same requirements applicable to subrecipients in the CDBG Program, including the requirement of a written agreement set forth in 24 CFR 570.503.

11. NON-VIOLENT CIVIL RIGHTS DEMONSTRATIONS POLICY.

    a. The VILLAGE certifies that it has adopted and is enforcing a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations.

    b. The VILLAGE certifies that it has adopted and is enforcing a policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

12. NO SALE, TRADE OR TRANSFER OF FUNDS. Parties to this Joint Agreement understand and agree that they may not sell, trade, or otherwise transfer all or any portion of CDBG funds to a Metropolitan City, Urban County, unit of general local government, or insular area that directly or indirectly receives CDBG funds in exchange for any funds, credits, or non-Federal considerations, but must use such funds for activities eligible under Title I of the Housing and Community Development Act of 1974, as amended.

13. REMEDIES.

    a. Upon the determination by HUD or by the COUNTY that any funds provided to the VILLAGE under this program have been spent in violation of the requirements of federal or state laws, or the terms of this JOINT AGREEMENT, such funds will, upon the request of the COUNTY, be returned to the COUNTY.

    b. Upon the direction of HUD or the COUNTY to alter or modify a program to eliminate a violation of law, the VILLAGE will take such action.

14. SEVERABILITY. If any provision of this JOINT AGREEMENT is invalid for any reason, such invalidation shall not affect the other provisions of this JOINT AGREEMENT which can be given effect without the invalid provision; and to this end, the provisions of this JOINT AGREEMENT are severable.

15. MISCELLANEOUS. The Parties hereto agree that this JOINT AGREEMENT which may be executed in one or more counterparts, each of which shall, for all purposes, be deemed an original and all of such counterparts, taken together, shall constitute one and the same JOINT AGREEMENT.

IN WITNESS WHEREOF, the undersigned Parties have caused this JOINT AGREEMENT to be executed by their duly designated officials, pursuant to a proper resolution of their respective governing bodies.

SUBJECT: Housing and Community Development Intergovernmental Joint Agreement between DuPage County and the City of Wheaton

---

Action Requested: Approval of the Housing and Community Development Intergovernmental Joint Agreement between DuPage County and the City of Wheaton incorporating provisions requirement within the Agreement, as reflected in the U.S. Department of Housing and Urban Development (HUD) Notice CPD-26-08, Instructions for Urban County Qualification for Participation in the CDBG Program, issued 05/15/2026.

Details: As part of DuPage County's requalification as a Community Development Block Grant (CDBG) Program Urban County for Federal fiscal years 2027, 2028, and 2029 the County has reviewed the existing Housing and Community Development Joint Agreement between DuPage County and the City of Wheaton enacted and approved 06/24/2014 under County Board Resolution #DC-R-0128-14, along with Amendment One enacted and approved on 06/13/2023 under County Board Resolution #HS-R-0053-23. Review was completed to ensure the existing Agreement meets required standards established by the HUD within Attachment 4. of Notice CPD-26-08, Instructions for Urban County Qualification for Participation in the CDBG Program, issued 05/15/2026.

Upon review, it was determined that entering into a new Joint Agreement would be more effective than modifying an existing agreement. Therefore, a new Housing and Community Development Intergovernmental Joint Agreement has been prepared, incorporating all requirements of joint agreements set forth in the above noted Urban County Qualification Notice applicable to the FY2027-2029 three-year urban county qualification period.

HOUSING AND COMMUNITY DEVELOPMENT
INTERGOVERNMENTAL JOINT AGREEMENT BETWEEN
DU PAGE COUNTY AND THE CITY OF WHEATON

(FOR FEDERAL FISCAL YEARS ENDING IN 2027, 2028, 2029

2. Have determined that the said improvements can be accomplished by participation in the program established by the Housing and Community Development Act of 1974 ("CDBG") (42 USC 5301, *et seq.*), as amended, and the HOME Investment Partnerships Act ("HOME") (42 USC 3535(d) and 12701-12839), as amended, the McKinney-Vento Homeless Assistance Act of 1987, Title IV, as amended, 42 U.S.C. 11371-78 and the 2009 Homeless Emergency Assistance and Rapid Transition to Housing: Emergency Solutions Grants Program and Consolidated Plan Conforming Amendments, ("ESG") 24 CFR Parts 91 and 576 [Docket No. FR 5474 I 01] RIN 2506 AC29. 3. Have determined that joint action by the COUNTY and CITY is the most effective way to accomplish the purposes of the ACTS within the CITY.

"Units of local government and school districts may contract or otherwise associate among themselves, with the State, with other states and their units of local government and school districts, and with the United States to obtain or share services and to exercise, combine, or transfer any power or function, in any manner not prohibited by law or by ordinance. Units of local government and school districts may contract and otherwise associate with individuals, associations, and corporations in any manner not prohibited by law or by ordinance. WHEREAS, Sections 3 and 5 of the Intergovernmental Cooperation Act (5 ILCS 220/3 and 220/5) provide as follows:

"Section 3. INTERGOVERNMENTAL COOPERATION. Any power or powers, privileges, functions or authority exercised or which may be exercised by a public agency of this State may be exercised, combined, transferred, and enjoyed jointly with any public agency of this State and jointly with any public agency of any other state or of the United States to the extent that laws of such other state or of the United States do not prohibit joint exercise or enjoyment and except where specifically and expressly prohibited by law…."; and

WHEREAS, updated standards have been issued by the U.S. Department of Housing and Urban Development ("HUD") and it is most expedient for the COUNTY and CITY to replace, rather than amend the previous Community Development Intergovernmental Joint Agreement dated 06/24/2014, and adoption of this new JOINT AGREEMENT will meet the current standards acceptable to HUD for the three-year urban county qualification period including federal fiscal years 2027, 2028 and 2029; and

WHEREAS, the CITY Mayor is authorized to execute this JOINT AGREEMENT on behalf of the CITY; and

WHEREAS, the DuPage County Board Chair is authorized to execute this JOINT AGREEMENT on behalf of the COUNTY; and

WHEREAS, the COUNTY and CITY authorize the execution of this JOINT AGREEMENT in exercise of their respective powers and other governmental authority, and, in exercise of their intergovernmental cooperation authority under the Constitution and statutes of the State of Illinois.

NOW, THEREFORE, upon the consideration of the mutual promises contained herein and upon the further consideration of the recitals hereinabove set forth, it is hereby agreed between and among the Parties hereto as follows:

1. RECITALS. The foregoing recitals are incorporated herein and made part of this JOINT AGREEMENT.

2. BASIS, PURPOSE AND INTENT. The Parties hereto, by their respective governing bodies, have investigated the provisions of the ACTS and hereby find and declare:

    a. That the recitals hereinabove set forth show that joint action by the CITY and the COUNTY is the most effective way to accomplish the purpose of the ACTS; and

    b. That it is the purpose and intent of the Parties hereto by this JOINT AGREEMENT to cooperate in undertaking, or assisting in undertaking, essential community development and housing assistance activities, specifically community renewal and lower-income housing assistance activities within the CITY.

This JOINT AGREEMENT covers the following formula funding programs administered by HUD where the COUNTY is awarded and accepts funding directly from HUD: the Community Development Block Grant (CDBG) Program, the HOME Investment Partnerships (HOME) Program, and the Emergency Solutions Grant (ESG) Program. The CITY understands and agrees that, by executing this JOINT AGREEMENT, it:

    a. May not apply for grants under the State CDBG Program for the fiscal years during the period in which the CITY participates in the Urban County's CDBG Program; and

    b. May receive a formula allocation under the HOME Program only through the COUNTY.

        i. If the CITY qualifies to receive a separate allocation of HOME funds, it has three options: (1) it may form a HOME consortium with the Urban County, in which case it will be included as part of the Urban County when the HOME funds for the county are calculated; (2) it may elect to continue to receive its separate HOME grant but have the Urban County

administer it; or (3) the Metropolitan City may administer its HOME program on its own.

c. May receive a formula allocation under the ESG Program only through the COUNTY.

d. This does not preclude the Urban County or the CITY from applying for HOME or ESG funds from the State, if the State allows.

4. JOINT AGREEMENT.

a. The COUNTY and the CITY, in cooperation, agree to undertake, or assist in undertaking, essential community development and housing assistance activities as approved and authorized between the Parties in the CDBG Agreements, including the Consolidated Plan.

b. It is hereby understood by the respective parties hereto that the COUNTY shall have authority to undertake or assist in undertaking essential community development and housing assistance activities within the entire CITY.

c. The CITY understands that the COUNTY will have final responsibility for selecting projects and filing annual grant requests and submitting the Consolidated Plan to HUD.

d. The Urban County agrees that the CDBG funds the CITY is entitled to will be utilized to benefit the CITY. The COUNTY will notify the CITY when a project is proposed inside the CITY's corporate limit so that the CITY may have the opportunity to comment on the project.

e. The CITY and COUNTY shall take all actions necessary to assure compliance with the COUNTY's certification under Section 104(b) of Title I of the Housing and Community Development Act of 1974, as amended, that the grant will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964, and the implementing regulations at 24 CFR Part 1, the Fair Housing Act, and the implementing regulations at 24 CFR Part 100, and will comply with the obligation to affirmatively further fair housing, Section 109 of Title I of the Housing and Community Development Act of 1974, and the implementing regulations at 24 CFR Part 6, which incorporates Section 504 of the Rehabilitation Act of 1973, and the implementing regulations at 24 CFR Part 8, Title II of the Americans with Disabilities Act of 1974, and the implementing regulations at 28 CFR Part 35, the Age Discrimination Act of 1975, and the implementing regulations at 24 CFR Part 146, Section 3 of the Housing and Urban Development Act of 1968, Uniform Relocation and Real Property Policies Act of 1970 and the implementing regulations at 49 CFR Part 24; Section 104(d) of the Housing and Community Development Act of 1974 and the implementing regulations at 24 CFR Part 42, and all other applicable laws and regulations. The Parties agree that Urban County funding in no event will be used for activities in, or in support of, any

cooperating unit of general local government that impedes the COUNTY's actions to comply with the COUNTY's fair housing certification and duty to affirmatively further fair housing.

f. The CITY agrees to evidence its consent to participate in this JOINT AGREEMENT by providing the COUNTY with: (a) a certified copy of a Resolution from the governing body of the CITY that the Chief Elected Official of the CITY is authorized to sign the JOINT AGREEMENT; and, (b) an unqualified opinion of its legal counsel acceptable to the COUNTY concluding that the CITY is authorized under Illinois and local law, to enter into the terms and provisions of the JOINT AGREEMENT and to undertake, or assist in undertaking, community development activities under the CDBG Program.

5. DURATION OF JOINT AGREEMENT & AMENDMENT.

a. This JOINT AGREEMENT shall remain in effect for the three-year program period of Federal Fiscal Years 2027, 2028, and 2029, and until funds granted and program income received during the three-year program period are expended and the funded activities completed. This applies to future qualification periods which renew automatically as described in Section 5.b. below. Neither the COUNTY nor the CITY may terminate, withdraw, or be removed from the program during the three-year program period.

b. This JOINT AGREEMENT will renew automatically for participation for one successive three-year Urban County qualification period (Federal Fiscal Years 2030, 2031, and 2032), unless the CITY or the COUNTY provide written notice to the other party that it elects not to participate in a new qualification period. The terminating party shall send a copy of the notice of termination to the HUD field office by the date specified on the HUD.gov Urban Counties website. The COUNTY will notify the CITY in writing of the CITY's right to make this election. A copy of the COUNTY's notification must be sent to the HUD field office by the date specified on the HUD.gov Urban Counties website.

c. The Parties agree to adopt amendment(s) to this JOINT AGREEMENT as may be required by HUD to meet any new Urban County Qualification requirement(s), when applicable. Failure by either Party to adopt any such amendment, and to submit such amendments to HUD, will void the Joint Agreement for such qualification period.

d. The COUNTY and CITY agree that they cannot terminate or withdraw from this JOINT AGREEMENT while it remains in effect.

6. PROGRAM INCOME.

a. The CITY will inform the COUNTY of any income generated by the expenditures of CDBG or HOME funds received by the CITY from the COUNTY.

b. The CITY will return any such program income to the COUNTY for reprogramming for eligible activities for use in any part of the COUNTY as the COUNTY determines is best.

c. The COUNTY shall monitor and report to HUD on the use of any program income.

d. The CITY shall comply with all rules and regulations for appropriate record keeping in relation to the generation and return of any program income.

e. In the event of a closeout of a project, change in status of the CITY, or termination of this JOINT AGREEMENT, any program income that is on hand at that time or is received subsequent thereto, shall be returned to the COUNTY.

7. PROPERTY ACQUISITION AND DISPOSITION.

a. The CITY shall comply with all rules and regulations in connection with the acquisition and disposition of real property.

b. The CITY shall immediately notify the COUNTY of any modification or change in the use of the acquired real property from the use planned at the time of the acquisition or improvement, including but not limited to, disposition.

c. The CITY shall pay to the COUNTY an amount equal to the current fair market value (less any portion thereof attributable to expenditures of non-CDBG funds, or HOME funds, where applicable) of any property acquired or improved with CDBG funds, or HOME funds, where applicable, which the CITY sells or transfers for a use which does not qualify under CDBG regulation, or HOME regulations, where applicable.

d. Any program income generated from the disposition or transfer of property prior or subsequent to closeout, change of status of the CITY, or termination of this JOINT AGREEMENT shall be returned by the CITY to the COUNTY for reprogramming for eligible activities in any part of the COUNTY as the COUNTY determines is best.

8. ALLOCATION AND EXPENDITURES. No funds under the terms of this JOINT AGREEMENT will be allocated or spent by the CITY prior to approval by the COUNTY.

9. PROHIBITION FROM FUNDING. The COUNTY and CITY agree that the COUNTY is prohibited from and shall not fund the CITY for activities in, or in support of, the CITY when the CITY does not affirmatively further fair housing within its own jurisdiction or when the CITY's actions impede the COUNTY's actions to comply with its fair housing certification to the federal government.

10. CITY AS SUBRECIPIENT. The CITY agrees that, pursuant to 24 CFR 570.501(b), the CITY is subject to the same requirements applicable to subrecipients in the CDBG Program, including the requirement of a written agreement set forth in 24 CFR 570.503.

11. NON-VIOLENT CIVIL RIGHTS DEMONSTRATIONS POLICY.

    a. The CITY certifies that it has adopted and is enforcing a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations.

Project Understanding

Hexordia is highly interested in this engagement as it allows us to leverage our deep-rooted partnership with **Magnet Forensics** to provide DuPage County with elite-level tools at a **discounted, competitive rate**. We understand that the State's Attorney's Office (SAO) requires a robust, web-based solution to manage digital data—relevant in 90% of criminal cases—without the prohibitive costs or complexities of managing multiple vendor relationships. Our approach focuses on efficient delivery, technical implementation, and maximizing the County's return on investment through value-added pricing.

Strategic Approach to Service Delivery

As a reseller, Hexordia acts as the bridge between the County's operational requirements and Magnet Forensics' technical capabilities.

- **Competitive Procurement**: We utilize our partner status to offer the County discounted pricing, ensuring the SAO receives the lowest possible cost for the required software and services.
- **Unified Toolset**: We will provide the Magnet platform to serve as the single web-based system for ingesting and analyzing data from all sources, including **Cellebrite UFDR** and **Magnet portable reports**.

- **Cloud-First Efficiency**: Magnet Forensics' delivery focuses on a **Cloud-only** implementation to eliminate the need for on-premises server maintenance and to reduce the potential for media degradation associated with physical storage.
- **Discovery Streamlining**: We will facilitate the configuration of secure, role-based access for defense counsel, enabling the SAO to fulfill discovery obligations via web interface rather than manual file transfers.

Ongoing Management for Services

Hexordia provides a single point of contact for all contractual and technical matters, streamlining the management of the Magnet Forensics ecosystem.

- **License Management**: Proactive tracking of software renewals to ensure no interruption in service during the contract term.
- **Technical Assistance**: Direct coordination with Magnet Forensics for high-level technical updates, maintenance, and system reliability.
- **Professional Guidance**: Assistance with on-site configuration and deployment across multiple County agencies.

Performance Metric Guarantees

We commit to the following metrics to ensure the success of this project:

- **Pricing Stability**: All proposed prices remain firm for at least **120 calendar days** from the proposal due date.
- **Delivery Timeliness**: Software provisioning and implementation support will begin within **15 days** of the Notice of Intent to Award.
- **Training Availability**: Provision of all required documentation and training programs to ensure user proficiency.

Problem Escalation and Notification Procedures

Hexordia utilizes a tiered escalation process to ensure issues are resolved promptly:

1. **Initial Contact**: The County notifies the Hexordia **Client Relations Director** (Jenn Torrisi) of the issue via email.
2. **Tier 1 (Reseller Level)**: Hexordia team performs immediate troubleshooting of configuration or licensing issues.
3. **Tier 2 (Vendor Escalation)**: For software-specific bugs, Hexordia or County employees coordinate directly with **Magnet Forensics** engineering for prioritized resolution.

RE: Sole Source Supplier Applied Biosystems™ Instruments, Consumables and Software for Human Identification

Dear Valued Customer:

Thank you for your interest in Thermo Fisher Scientific's Applied Biosystems™ (formerly known as Life Technologies) brand of instruments, software and consumables for Human Identification. Please accept this letter to document that Thermo Fisher Scientific is the sole manufacturer and distributor of the Applied Biosystems Genetic Analyzers, real-time PCR thermal cyclers, thermal cyclers, Ion Torrent Next Generation Sequencing, RapidHIT ID Systems and associated software as detailed in Table 1.

Genetic Analyzers, Ion instruments, real-time PCR thermal cyclers, RapidHIT ID and associated software contain a dedicated computer that is customized to operate the system and is compatible with our software. The computers attached to these systems are imaged specifically for Thermo Fisher Scientific and are not available from another source.

The Applied Biosystems Genetic Analyzers are the only commercially available 4, 8, and 24 capillary systems that have been validated according to SWGDAM guidelines to analyze DNA samples for the purpose of Human Identification. In addition, Thermo Fisher Scientific is the sole distributor of validated system consumables including capillaries, cartridges, chips, polymer, buffers, size standards and replacement parts as detailed in Table 2. Only Thermo Fisher Scientific factory trained, and certified engineers are authorized to service these instruments.

Further documentation describing the unique specifications of the Applied Biosystems brand of instruments can be found on the Thermo Fisher Scientific website, including user manuals.

In addition to Applied Biosystems instruments and software, Thermo Fisher Scientific is the sole manufacturer of all Applied Biosystems consumables, including kits for sample preparation, quantitation, and amplification as described in Table 3. Furthermore, Thermo Fisher Scientific is the sole authorized distributor and supplier within North America of such products.

This information should justify Thermo Fisher as "Sole Source" supplier for all Applied Biosystems instruments, software, consumables, and services that you need to perform DNA Analysis, for the purpose of Human Identification. Please note that the SKU's in the tables are not exhaustive but represent the key sole source products in our portfolio.

In addition, we are pleased to provide the Thermo Fisher Scientific Human Identification Professional Services (HPS) group. HPS provides validation, consultancy, and training services for Human Identification applications with expertise focused on the extensive line of the Applied Biosystems™ brand of instruments, software, and consumables. The HPS team combines extensive internal technical product knowledge with vast experience in forensic laboratory validations across a global team to customize end-to-end solutions for laboratories. Since 2007, the HPS team has completed hundreds of projects that include many combinations of the Applied Biosystems products listed below.

The HPS team is comprised of forensic scientists with broad and extensive validation experience with forensic DNA applications. Validation project work at customer laboratories is performed by Thermo Fisher Scientific Validation Application Specialists (VAS), who have all worked as forensic scientists and understand the workflow, standards, attention to detail, and unique needs of forensic DNA laboratories. External consultants with the relevant qualifications and training may also be involved in some areas of the validation project.

Additionally, the HPS team works with the Field Applications and Technical Support teams to offer comprehensive training packages through our HID Education Programs. Our training content is continually updated as our HPS, FAS and TS teams accumulate knowledge from across the globe. With internal technical knowledge of our products, expertise in validations, and problem-solving experience specific to our products, the HID team is well-positioned to instruct users on best practices for using, maintaining, and troubleshooting our products in the forensic workflow.

We appreciate your business and request that if you have any further questions that you contact me directly.

Regards,

If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect in accordance with the maintenance and support process set forth in Section C(S), below, the SLA and our then current Support Call Process.

6. Saas Services.

6.1 Our Saas Services are audited at least yearly in accordance with the AICPA's Statement on Standards for Attestation Engagements ("SSAE") No. 21. We have attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as you are timely paying for Saas Services. Upon execution of a mutually agreeable Non-Disclosure Agreement ("NDA"), we will provide you with a summary of our compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which you make a written request, we will provide that same information.

6.2 You will be hosted on shared hardware in a Tyler data center or in a third party datacenter selected by Tyler, but in a database dedicated to you, which is inaccessible to our other customers.

6.3 We have fully-redundant telecommunications access, electrical power, and the required hardware to provide access to the Tyler Software in the event of a disaster or component failure. In the event any of your Data has been lost or damaged due to an act or omission of Tyler or its subcontractors or due to a defect in Tyler's software, we will use best commercial efforts to restore all the Data on servers in accordance with the architectural design's capabilities and with the goal of minimizing any Data loss as greatly as possible. In no case shall the recovery point objective ("RPO") exceed a maximum of twenty-four (24) hours from declaration of disaster. For purposes of this subsection, RPO represents the maximum tolerable period during which your Data may be lost, measured in relation to a disaster we declare, said declaration will not be unreasonably withheld.

6.4 In the event we declare a disaster, our Recovery Time Objective ("RTO") is twenty-four (24) hours. For purposes of this subsection, RTO represents the amount of time, after we declare a disaster, within which your access to the Tyler Software must be restored.

6.5 We conduct annual penetration testing of either the production network and/or web

application to be performed. We will maintain industry standard intrusion detection and prevention systems to monitor malicious activity in the network and to log and block any such activity. We will provide you with a written or electronic record of the actions taken by us in the event that any unauthorized access to your database(s) is detected as a result of our security protocols. We will undertake an additional security audit, on terms and timing to be mutually agreed to by the parties, at your written request. You may not attempt to bypass or subvert security restrictions in the Saas Services or environments related to the Tyler Software.
Unauthorized attempts to access files, passwords or other confidential information, and unauthorized vulnerability and penetration test scanning of our network and systems (hosted or otherwise) is prohibited without the prior written approval of our IT Security Officer.

6.6 We test our disaster recovery plan on an annual basis. Our standard test is not client-specific. Should you request a client-specific disaster recovery test, we will work with you to schedule and execute such a test on a mutually agreeable schedule. At your written request, we will provide test results to you within a commercially reasonable timeframe after receipt of the request.

6.7 We will be responsible for importing back-up and verifying that you can log-in. You will be responsible for running reports and testing critical processes to verify the returned Data.

6.8 We provide secure Data transmission paths between each of your workstations and our servers.

6.9 For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies. Our data centers are accessible only by authorized personnel with a unique key entry. All other visitors must be signed in and accompanied by authorized personnel. Entry attempts to the data center are regularly audited by internal staff and external auditors to ensure no unauthorized access.

6.10 Where applicable with respect to our applications that take or process card payment data, we are responsible for the security of cardholder data that we possess, including functions relating to storing, processing, and transmitting of the cardholder data and affirm that, as of the Effective Date, we comply with applicable requirements to be considered PCI DSS compliant and have performed the necessary steps to validate compliance with the PCI DSS. We agree to supply the current status of our PCI DSS compliance program in the form of an official Attestation of Compliance, which can be found at https://www.tylertech.com/about-us/compliance, and in the event of any change in our status, will comply with

applicable notice **requirements.**

SECTION C- OTHER PROFESSIONAL SERVICES

1. Other Professional Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in our industry standard implementation plan. We will finalize that documentation with you upon execution of this Agreement.

2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.

3. Additional Services. The Investment Summary contains the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.

4. Cancellation. If travel is required, we will make all reasonable efforts to schedule travel for our personnel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.

5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.

6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us.

7. Client Assistance. You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to

use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).

8. Maintenance and Support. For so long as you timely pay your Saas Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:

8.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (limited to the then-current version and the immediately prior version);

8.2 provide telephone support during our established support hours;

8.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;

8.4 make available to you all major and minor releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and

8.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with our then-current release life cycle policy.

We will use all reasonable efforts to perform support services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain your VPN for backup connectivity purposes.

For the avoidance of doubt, Saas Fees do not include the following services: (a) onsite support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (b) application design;
(c) other consulting services; or (d) support outside our normal business hours as listed in our then-
current Support Call Process. Requested services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.

SECTION D-THIRD PARTY PRODUCTS

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.

2. Third Party Software. As part of the Saas Services, you will receive access to the Third Party Software and related documentation for internal business purposes only. Your rights to the Third Party Software will be governed by the Third Party Terms.

3. Third Party Products Warranties.

   3.1 We are authorized by each Developer to grant access to the Third Party Software.

   3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.

   3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.

SECTION E - INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you the Saas Fees and fees for other professional services in the Investment Summary per our Invoicing and Payment Policy, subject to Section E(2).

2. Invoice Disputes. **If** you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within 45 days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice.
You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all Saas Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so. Nothing in this provision shall be construed to require you to violate applicable provisions of the Government Prompt Payment Act.

SECTION F -TERM AND TERMINATION

1. Term. The initial term of this Agreement is two (2) years, commencing October 1, 2026, unless earlier terminated as set forth below. Upon expiration of the initial term, this Agreement may be renewed for successive one (1) year renewal terms by mutual agreement of the parties at our then-current SaaS Fees. Client may indicate its agreement to renewal terms by timely payment of a Tyler invoice of annual fees for the renewal term. Your right to access or use the Tyler Software and the Saas Services will terminate at the end of this Agreement and any renewal(s) thereto.

2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).

2.1 Failure to Pay Saas Fees. You acknowledge that continued access to the Saas Services is contingent upon your timely payment of Saas Fees. If you fail to timely pay the Saas Fees, we may discontinue the Saas Services and deny your access to the Tyler Software. We may also terminate this Agreement if you don't cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.

2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section H(3).

2.3 For Convenience. You may terminate the contract for convenience on thirty (30) days' prior written notice. Upon termination, you shall remit payment for all products and services delivered to you and all expenses incurred by us prior through the effective date of termination. You will not be entitled to a refund or offset of previously paid license and other fees.

2.4 Lack of Appropriations. If you should not appropriate or otherwise make available funds sufficient to utilize the Saas Services, you may unilaterally terminate this Agreement upon thirty
(30) days written notice to us. You will not be entitled to a refund or offset of previously paid, but unused Saas Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

2.5 Fees for Termination without Cause during Initial Term. If you terminate this Agreement during the initial term for any reason other than cause, or lack of appropriations, or if we terminate this Agreement during the initial term for your failure to pay Saas Fees, you shall pay us the following early termination fees:

a. if you terminate during the first year of the initial term, 100% of the Saas Fees through the date of termination plus 15% of the Saas Fees then due for the remainder of the initial term;

b. if you terminate during the second year of the initial term, 100% of the Saas Fees through the date of termination plus 10% of the Saas Fees then due for the remainder of the initial term; and

c. if you terminate after the second year of the initial term, 100% of the Saas Fees through the date of termination plus 5% of the Saas Fees then due for the remainder of the initial term.

1.2 Our obligations under this Section G(I) will not apply to the extent the claim or adverse final judgment is based on your use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.

1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.

1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. The foregoing notwithstanding, we will obtain your consent before agreeing to any settlement requiring payment by you. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your willful misconduct. 14. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.

Exhibit B
Schedule 1
Business Travel Policy

1. Air Travel

   A. Reservations & Tickets

   Tyler's Travel Management Company (TMC) will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within $100 (each way) of the lowest logical fare. If a net savings of $200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

   Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

   Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

   B. Baggage Fees

   Reimbursement of personal baggage charges are based on trip duration as follows:

   - Up to five (5) days = one (1) checked bag
   - Six (6) or more days = two (2) checked bags

   Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee's private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a "mid-size" or "intermediate" car. "Full" size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler's TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

"No shows" or cancellation fees are not reimbursable if the employee does not comply with the hotel's cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of Defense and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

   Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to $10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

   All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

   When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

   The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

   Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C

SERVICE LEVEL AGREEMENT

I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. All other support services are documented in the Support Call Process.

II. Definitions. Except as defined below, all defined terms have the meaning set forth in the Agreement.

Attainment: The percentage of time the Tyler Software is available during a calendar quarter, with percentages rounded to the nearest whole number.

Client Error Incident: Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

Downtime: Those minutes during which the Tyler Software is not available for your use. Downtime does not include those instances in which only a Defect is present.

Service Availability: The total number of minutes in a calendar quarter that the Tyler Software is capable of receiving, processing, and responding to requests, excluding maintenance windows, Client Error Incidents and Force Majeure.

III. Service Availability

The Service Availability of the Tyler Software is intended to be 24/7/365. We set Service Availability goals and measures whether we have met those goals by tracking Attainment.

a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support incident number.

You must document, in writing, all Downtime that you have experienced during a calendar quarter. You must deliver such documentation to us within 30 days of a quarter's end.

The documentation you provide must evidence the Downtime clearly and convincingly. It must include, for example, the support incident number(s) and the date, time and duration of the Downtime(s).

b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work with you to identify the cause of the Downtime (including whether it may be the result of a Client Error Incident or Force Majeure). We will also work with you to resume normal operations.

Upon timely receipt of your Downtime report, we will compare that report to our own outage logs and

support tickets to confirm that Downtime for which we were responsible indeed occurred.

We will respond to your Downtime report within 30 day(s) of receipt. To the extent we have confirmed Downtime for which we are responsible, we will provide you with the relief set forth below.

c. Client Relief

When a Service Availability goal is not met due to confirmed Downtime, we will provide you with relief that corresponds to the percentage amount by which that goal was not achieved, as set forth in the Client Relief Schedule below.

Notwithstanding the above, the total amount of all relief that would be due under this SLA per quarter will not exceed 5% of one quarter of the then-current SaaS Fee. The total credits confirmed by us in one or more quarters of a billing cycle will be applied to the SaaS Fee for the next billing cycle. Issuing of such credit does not relieve us of our obligations under the Agreement to correct the problem which created the service interruption.

Every quarter, we will compare confirmed Downtime to Service Availability. In the event actual Attainment does not meet the targeted Attainment, the following Client relief will apply, on a quarterly basis:

Targeted Attainment	Actual Attainment	Client Relief
100%	98-99%	Remedial action will be taken.
100%	95-97%	4% credit of fee for affected calendar quarter will be posted to next billing cycle
100%	<95%	5% credit of fee for affected calendar quarter will be posted to next billing cycle

You may request a report from us that documents the preceding quarter's Service Availability, Downtime, any remedial actions that have been/will be taken, and any credits that may be issued.

IV. Applicability

The commitments set forth in this SLA do not apply during maintenance windows, Client Error Incidents, and Force Majeure.

We perform maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

V. Force Majeure

You will not hold us responsible for not meeting service levels outlined in this SLA to the extent any failure to do so is caused by Force Majeure. In the event of Force Majeure, we will file with you a signed request that said failure be excused. That writing will at least include the essential details and circumstances supporting our request for relief pursuant to this Section. You will not unreasonably withhold its acceptance of such a request.

Issue Handling

Incident Tracking

Every support incident is logged into Tyler's Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler's website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client's needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain "characteristics" may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client's remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler's responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of Data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler's responsibility for loss or corrupted Data is limited to assisting the client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler's responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

(1) Level 1: front-line representatives
(2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
(3) Level 3: assist in incident escalations and specialized client issues
(4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

(1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
(2) Email – clients can send an email to software support in order to escalate the priority of an issue
(3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

Pricing Details on Page 7.

Executive Summary:

Dear Gavin,

The following proposal is for replacing the Metasys Server currently serving the equipment in your facility. The original N2 controllers were developed in the early 1990's and these controllers have served the facility well for many years. Due to a shortage of parts and advancing technology, the N2 controllers have been discontinued. We are currently supporting this product line thru remaining stock and repair parts.

Metasys features an intuitive design, with navigation based in spaces and equipment-serving relationships, helping facility operators identify and correct problems more quickly and making it easier to troubleshoot equipment. These M4 controllers offer additional point capability as well as additional memory and more flexible programming options. This will allow additional future enhancements to be implemented to improve performance and energy reduction strategies.

The increasingly urgent need to protect data and buildings and gain measurable results requires an up-to-date building automation system. Metasys provides a flexible modernization path for customers with the porting over of feature functionality from legacy system components and enhanced replacements for ageing hardware devices.

Metasys is optimized for mobility. Enhancing facility operators' productivity. The Metasys single experience makes a full range of system capabilities available on any device (phones, tablets, laptops, and PCs.). This can assist facility operators to manage their buildings no matter where they are and no matter what device they are using.

Metasys ADX Server Software Upgrade Scope of Work:

We propose upgrading the existing Metasys server software and supervisory controller software to our latest version possible. After upgrading the server software, the next step would be to upgrade the existing supervisory controllers to our M-4 Series. The new M4-series product line has better performance, faster processors, more expandable memory, and enhanced security.

1. **Extended Application & Data Server Software**
   - The Application and Data Server (ADX) is a component of the Metasys system that manages the collection and presentation of large amounts of trend data, event messages, operator transactions, and system configuration data.
   - As Site Director, the ADX provides secure communication to a network of NAE/SNE series engines.

2. **Upgrade/Patch Existing Network Engines Software**
   - Upgrade/Patch the existing NAE supervisory network controller software to the highest Metasys revision possible

3. **Existing SMP Graphics**
   - Backup existing system data.
   - Provide SMP License
   - Integrate existing graphics to be used on Metasys – This proposal does not include upgrading to MUI Graphics.
   - Integrate BACnet compatible devices.

Installation Notes:

- Pricing assumes work/travel is performed during normal 40-hour business week (Monday – Friday). After-hours or overtime service can be provided for additional cost.
- Pricing assumes customer to provide virtual machine environment and any updated SQL software required.
- **NOTE:** This proposal includes JCI material discounts only available through **9/15/26.**
- Does not include any electrical work.

Application and Data Server: Supply, Installation, and Commissioning of (1) ADX Server Software Upgrade

Supply, installation, and commissioning of Application and Data Server (ADX) software upgrade.

Benefits of Application and Data Server (ADX):

1. Long-Term Trend Data Storage
    - Enables the analysis of building systems performance to identify opportunities for efficiency improvements and the development of predictive strategies.
2. Alarm and Event Management
    - Routes event messages to building operators for rapid fault diagnosis and response. Creates an audit trail for later detailed analysis.
3. FIPS 140-2 compliant
    - The ADS/ADX is FIPS 140-2 compliant. FIPS 140-2 uses cybersecurity techniques to prevent unauthorized access to systems and data.
4. Support of IT Standards and Internet Technologies
    - Enables you to install the Application and Data Server on the existing IT infrastructure within the building or enterprise and is compatible with industry-standard firewalls.
5. Secure User Access
    - Authenticates users and authorizes access privileges to protect system integrity.
6. BACnet Secure Connect
    - It is a secure, encrypted datalink layer that is specifically designed to meet the requirements, policies and constraints of IP infrastructures.
7. Flexible System Navigation and Dynamic User Graphics
    - Enable customization of system presentation for different users to enhance information access and facilitate system operation.

Risk of loss or damage passes to Buyer upon Delivery. If Buyer fails to accept delivery of any of the Equipment on the date set forth in Seller's notice that Seller has delivered the Equipment to the Delivery Location, or if Seller is unable to deliver the Equipment to the Delivery Location on the date because Buyer has failed to provide appropriate instructions, documents, licenses, or authorizations, then: (i) the Equipment will be deemed to have been delivered to Buyer; and (ii) Seller, at its option, (A) may store the Equipment until Buyer takes possession of them, at which time Buyer will be liable for all costs and expenses resulting therefrom (including but not limited to the cost of storage and insurance during the storage period), or (B) ship the Equipment to Buyer, at Buyer's cost and expense. Title to Equipment and hardware manufactured by a third party ("Third Party Hardware") passes to Buyer upon delivery of Equipment and/or Third-Party Hardware to the Delivery Location. Unless Buyer has prepaid for the Equipment or Third-Party Hardware, the Equipment and Third-Party Hardware in Buyer's inventory shall be subject to a security interest of Seller in the Equipment and Third-Party Hardware until Seller receives full payment from Buyer. Seller may, in its reasonable discretion, register such security interest in Equipment and Third-Party Hardware and their sale proceeds pending payment in the applicable official registers of any national or local jurisdiction where Equipment and/or Third-Party Hardware are delivered or physically located. Promptly upon Seller's request, Buyer shall execute all documents and take all actions as Seller reasonably directs at Seller's expense to enable Seller to exercise its security rights under this Section. The Equipment will be deemed accepted at the end of the Inspection Period unless Buyer notifies Seller in writing of any Nonconforming Equipment and furnishes Seller with written evidence or other documentation reasonably required by Seller. If Buyer notifies Seller of any Nonconforming Equipment prior to expiration of the Inspection Period, then Seller will, in its sole discretion, (i) replace the Nonconforming Equipment with conforming Equipment, or (ii) credit or refund the purchase price for the Nonconforming Equipment, together with any reasonable shipping and handling expenses incurred by Buyer. At Seller's request and direction, Buyer will return the Nonconforming Equipment at Seller's expense or dispose of the Nonconforming Equipment in a manner approved by Seller, and upon request Buyer shall provide Seller with a certificate of destruction of such Nonconforming Equipment. Upon receipt of the Nonconforming Equipment, Seller will promptly refund the monies owed or ship the replacement Equipment to the Delivery Location at Seller's expense, with Seller retaining the risk of loss until delivery. (7) LIMITED WARRANTY. Seller warrants that the Equipment furnished by Seller under the Agreement will be free from defects in material and workmanship for a period of twelve (12) months from initial product startup, or eighteen (18) months from product shipment, whichever occurs first (the "Warranty Period") unless such Warranty Period is modified by Seller's Quotation or the supplied separate written product warranty accompanying the Equipment. No warranty is provided for third-party products and equipment installed or furnished by Seller. Such third-party products and equipment are provided with the third-party manufacturer's warranty to the extent available, and Seller will transfer the benefits together with all limitations of that manufacturer's warranty to Buyer. This limited warranty does not cover failures or defects caused in whole or in part by (i) misuse, neglect, accident or improper installation or maintenance performed by anyone other than Seller; (ii) Force Majeure, improper storage or protection of equipment from date of shipment until start-up, or other causes beyond the control of Seller; (iii) normal wear and tear or corrosion; (iv) improper use, application or operation beyond rated capacity; (v) use of replacement parts, refrigerants, oil, additives, or antifreeze agents other than those authorized by Seller; or (vi) any Equipment manufactured or customized according to Buyer's specifications and not authorized in writing by Seller. To qualify for warranty consideration, Buyer must notify Seller in writing of its warranty claim prior to expiration of the Warranty Period to obtain instructions on warranty procedures and provide Seller with reasonable site access to inspect the Equipment and/or perform any necessary warranty work within 72 hours of any access request by Seller. Seller's sole obligation for breach of this warranty, at Seller's option, shall be to repair or to replace defective parts or to properly redo defective Services, to provide equivalent replacement equipment instead of repair parts, or to offer a replacement price allowance to be applied toward the purchase of new or refurbished equipment offered by Seller. This limited warranty does not cover costs of consumable parts and components (e.g., oil, coolant, refrigerant, batteries, gaskets, O-rings, sacrificial anodes, filters, belts and kits), or additional costs for access and transportation. Further details on covered costs, claims processing and actions that may void this warranty are set forth in the applicable Certificate of Limited Warranty. This limited warranty is expressly conditioned on Buyer's proof of payment of the purchase price in full, and all replaced Equipment becomes Seller's property. Any changes/extension to the Warranty Period that may be required due to project delays or slippage will be mutually agreed upon in writing by the parties and may require contract modifications to incorporate additional warranty products to accommodate such change/extension. THIS WARRANTY IS EXCLUSIVE AND IS PROVIDED IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY DISCLAIMED. Seller makes no and specifically disclaims all representations or warranties that the Services, Equipment, Software or third-party product or software will be secure from cyber threats, hacking or other similar malicious activity or will detect the presence of, or eliminate, treat, or mitigate the spread, transmission, or outbreak of any pathogen, disease, virus or other contagion, including but not limited to COVID 19. Unless agreed to in writing by the parties, any technical support, assistance, or advice ("Technical Support") provided by Seller, such as suggestions as to design use and suitability of the Equipment for Buyer's application, is provided in good faith, but Buyer acknowledges and agrees that Seller is not the designer, engineer, or installer of record and is not providing any professional design services hereunder. Any Technical Support is provided for informational purposes only and shall not be construed as professional design services or as a representation or warranty, express or implied, concerning the proper selection, use, and/or application of Equipment. Buyer assumes exclusive responsibility for determining if the Equipment supplied by Seller is suitable for its intended application and all risk and liability, whether based in contract, tort or otherwise, in connection with its application and use of the Equipment.

(8) INTELLECTUAL PROPERTY. Buyer acknowledges Seller and its affiliates are the owners or licensors of brands, trademarks, designs, patents, copyrights and other intellectual property relating to Seller's Equipment, and that no right or license is conveyed by Seller to Buyer to manufacture, have manufactured,

modify, import or copy such Equipment. Buyer agrees that it will reference brands of Seller or its affiliates only in connection with the use or sale of Equipment delivered to Buyer hereunder, and not in connection with the sale of any other Equipment, except as separately authorized by Seller in writing. Buyer further agrees that it will not, directly or through intermediaries, reverse engineer, decompile, or disassemble any software (including firmware) comprising or contained within Equipment, except and only to the extent that such activity may be expressly permitted, notwithstanding this limitation, either by applicable law or, in the case of open-source software, the applicable open-source license.

(9) REMEDIES AND LIMITATIONS OF LIABILITY. Except as set forth in Paragraph 8 below regarding patents, Buyer agrees that Seller shall be responsible only for such injury, loss, or damage caused by the intentional misconduct or the negligent act or omission of Seller. If Buyer claims Seller has breached any of its obligations, whether of warranty or otherwise, Seller may request the return of the Equipment and tender to Buyer the purchase price paid by Buyer, and in such event, Seller shall have no further obligation under the Agreement except to refund such purchase price upon redelivery of the Equipment. If Seller so requests the return of the Equipment, the Equipment shall be redelivered to Seller in accordance with Seller's instructions and at Seller's expense. The remedies contained in these Standard Terms and Conditions shall constitute the sole recourse of Buyer against Seller for breach of any of Seller's obligations under the Agreement, whether of warranty or otherwise. To the maximum extent permitted by law, in no event shall Seller and its affiliates and their respective personnel, suppliers and vendors ("Seller Parties") be liable to Buyer or any third party under any cause of action or theory of liability, even if advised of the possibility of such damages, for any: (a) special, indirect, incidental, punitive, or consequential damages; (b) lost profits, revenues, data, Buyer opportunities, business, anticipated savings or goodwill; (c) business interruption; or (d) data loss or other losses arising from viruses, ransomware, cyber-attacks or failures or interruptions to network systems In any case, and to the fullest extent permitted by law, the entire aggregate liability of the Seller Parties under this Agreement for all damages, losses and causes of action, whether in contract, tort (including negligence), or otherwise) shall be limited to the purchase price paid by Buyer hereunder for the Equipment giving rise to the claim or $10 million U.S. Dollars whichever is less.

(10) PATENT INDEMNITY. Seller shall defend or, at its own option settle, any action against Buyer brought by a third party to the extent that the action is based upon a claim that the equipment provided under the Agreement infringes any U.S. patents or copyrights for Buyers located in the United States or Canadian patents or copyrights, for Buyers located in Canada, or misappropriates any trade secrets of a third party (any of the foregoing, a "Claim"), provided that: (i) Buyer gives Seller full authority to defend or settle any such Claim, and (ii) Buyer gives Seller proper and full information and assistance, at Seller's expense (except for Buyer's employees' time) to defend or settle any such Claim. Seller will pay those costs and damages finally awarded against Buyer in the action that are specifically attributable to the Claim, or those costs and damages agreed to in a monetary settlement of the action. Nothing contained herein shall be construed as prohibiting the Buyer, its officers, agents, or its employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, actions or suits brought against them. Seller shall likewise be liable for the cost, fees and expenses incurred in the defense of any such claims, actions, or suits. Nothing contained herein shall be construed as constituting a waiver of Buyer's defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act, 745 ILCS 10/1 et seq. by reason of indemnification or insurance THE FOREGOING IS IN LIEU OF ANY WARRANTIES OF NONINFRINGEMENT, WHICH ARE HEREBY DISCLAIMED. The foregoing obligation of Seller does not apply with respect to Equipment or portions or components thereof (a) not supplied by Seller, (b) made in whole or in part in accordance with specifications furnished by Buyer, (c) which are modified after shipment by Seller, if the alleged infringement related to such modification, (d) combined with other products, processes or materials where the alleged infringement relates to such combination, (e) where Buyer continues allegedly infringing activity after being notified thereof and/or after being informed of modifications that would have avoided the alleged infringement without significant loss of performance or functionality, or (f) where the Claim is incident to an infringement not resulting primarily from the Equipment. Buyer will indemnify Seller and its officers, directors, agents, and employees from all damages, settlements, attorneys' fees and expenses related to a claim of infringement, misappropriation, defamation, or violation of rights of publicity or privacy excluded from Seller's indemnity obligation herein.

(11) DISPUTES. Seller shall have the sole and exclusive right to determine whether any dispute, controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be submitted to a court of law or arbitrated. For Buyers located in the United States, the laws of Illinois shall govern the validity, enforceability, and interpretation of this Agreement, without regard to conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in DuPage County, Illinois. For Buyers located in Canada, this Agreement shall be governed by and be construed in accordance with the laws of Ontario, without regard to conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in Ontario, Canada. The parties waive any objection to the exclusive jurisdiction of the specified forums, including any objection based on forum non conveniens. If the matter is submitted to arbitration by Seller, the costs of arbitration shall be borne equally by the parties, and the arbitrator's award may be confirmed and reduced to judgement in any court of competent jurisdiction. Except as provided below, no claim or cause of action, whether known or unknown, shall be brought by either party against the other more than one year after the claim first arose. Claims not subject to the one-year limitation include claims for unpaid amounts due under this Agreement.

(12) DIGITAL ENABLED SERVICES; DATA. If Seller provides Digital Enabled Services under this Agreement, these Digital Enabled Services require the collection, transfer and ingestion of building, equipment, system time series, and other data to Seller's cloud-hosted software applications. Buyer consents to and grants Seller the right to collect, transfer, ingest and use such data to enable Seller and its affiliates and agents to provide, maintain, protect, develop and improve the Digital Enabled Services and Seller products and services. Buyer acknowledges that, while Digital Enabled

Services generally improve equipment performance and services, Digital Enabled Services do not prevent all potential malfunction, insure against all loss, or guarantee a certain level of performance. Buyer shall be solely responsible for the establishment, operation, maintenance, access, security and other aspects of its computer network ("Network"), shall appropriately protect hardware and products connected to the Network and will supply Seller secure Network access for providing its Digital Enabled Services. As used herein, "Digital Enabled Services" mean services provided hereunder that employ Seller software and related equipment installed at Buyer facilities and Seller cloud-hosted software offerings and tools to improve, develop, and enable such services. Digital Enabled Service may include, but are not limited to, (a) remote servicing and inspection, (b) advanced equipment fault detection and diagnostics, and (c) data dashboarding and health reporting. If Buyer accesses and uses Software that is used to provide the Digital Enabled Services, the Software Terms (defined below) will govern such access and use. Certain equipment sold hereunder includes by default Seller's Connected Equipment Services. Connected Equipment Services is a data-analytics and monitoring Software platform that uses a cellular or network connection to gather equipment performance data to assist Seller in advising Buyer on (and Buyer in better understanding) such equipment's health, performance or potential malfunction. If Buyer's equipment includes Connected Equipment Services, such services will be on by default and the remote connection will continue to connect to Buyer's Equipment through the full equipment lifecycle, unless Buyer specifically requests in writing that Seller disable the remote connection, or Seller discontinues or removes such remote connection.

(13) SELLER DIGITAL SOLUTIONS. Use, implementation, and deployment of the software and hosted software products ("Software") if any, furnished by Seller shall be subject to, and governed by, Seller's standard terms for such Software and Software related professional services in effect from time to time at www.johnsoncontrols.com/techterms (collectively, the "Software Terms"). Specifically, the Seller General EULA set forth at www.johnsoncontrols.com/buildings/legal/digital/generaleula governs access to and use of software installed on Buyer's premises or systems and the Seller Terms of Service set forth at www.johnsoncontrols.com/buildings/legal/digital/generaltos govern access to and use of hosted software products. The applicable Software Terms are incorporated herein by this reference. Other than the right to use the Software as set forth in the Software Terms, Seller and its licensors reserve all right, title, and interest (including all intellectual property rights) in and to the Software and improvements to the Software. The Software that is licensed hereunder is licensed subject to the Software Terms and not sold. If there is a conflict between the other terms herein and the Software Terms, the Software Terms shall take precedence and govern with respect to rights and responsibilities relating to the Software, its implementation and deployment and any improvements thereto.

Notwithstanding any other provisions of this Agreement, unless otherwise agreed, the following terms apply to Software that is provided to Buyer on a subscription basis (i.e., a time limited license or use right), (each a "Software Subscription"): Each Software Subscription provided hereunder will commence on the date the initial credentials for the Software are made available (the "Subscription Start Date") and will continue in effect until the expiration of the subscription term noted in the applicable statement of work, order or other applicable ordering document. At the expiration of the Software Subscription, such Software Subscription will renew for consecutive one (1) year terms (each a "Renewal Subscription Term"), upon written agreement of the Parties. To the extent permitted by applicable law, Software Subscriptions purchases are non-cancelable, and the sums paid nonrefundable. Fees for Software Subscriptions shall be paid annually in advance, invoiced on the Subscription Start Date and each subsequent anniversary thereof. Buyer shall pay all invoiced amounts within sixty calendar days after the date of invoice. Payments not made within such time period shall be subject to late charges as set forth in the Software Terms. Unless otherwise agreed by the parties in writing, the subscription fee for each Renewal Subscription Term will be priced at Seller's then-applicable list price for that Software offering. Any use of Software that exceeds the scope, metrics or volume set forth in this Agreement and applicable SOW will be subject to additional fees based on the date such excess use began.

(14) PRIVACY. Seller as Processor. Where Seller factually acts as Processor of Personal Data on behalf of Buyer (as such terms are defined in the DPA) the terms at www.johnsoncontrols.com/dpa ("DPA") shall apply. Seller as Controller: Seller will collect, process and transfer certain personal data of Buyer and its personnel related to the business relationship between it and Buyer (for example names, email addresses, telephone numbers) as controller and in accordance with Seller's Privacy Notice at https://www.johnsoncontrols.com/privacy. Buyer acknowledges Seller's Privacy Notice and strictly to the extent consent is required under applicable law, Buyer consents to such collection, processing and transfer. To the extent consent to such collection, processing and transfer by Seller is required from Buyer's personnel under applicable law, Buyer warrants and represents that it has obtained such consent.

(15) MISCELLANEOUS.

(a) CHANGES OF CONSTRUCTION AND DESIGN: Seller reserves the right to change or revise the construction and design of the Equipment purchased by Buyer, without liability or obligation to incorporate such changes to Equipment ordered by Buyer unless specifically agreed upon in writing reasonably in advance of the delivery date for such Equipment. Buyer agrees to bear the expense of meeting any changes or modifications in local code requirements that become effective after Seller has commenced production of the Equipment.

(b) CHARACTER OF EQUIPMENT AND SECURITY INTEREST: The Equipment delivered by Seller under the Agreement shall remain personal property and retain its character as such no matter in what manner affixed or attached to any structure or property. Buyer grants Seller a security interest in said Equipment, any replacement parts and any proceeds thereof until all sums due Seller have been paid to it in cash. This security interest shall secure all indebtedness or obligations of whatsoever nature now or hereafter owing Buyer to Seller.

(c) INSURANCE: Buyer agrees to insure the Equipment in an amount at least equal to the purchase price against loss or damage from fire, wind, water or other causes. The insurance policies are to be made payable to Seller and Buyer in accordance with their respective interests, and when issued are to be delivered to Seller and held by it. Failure to take out and maintain such insurance shall entitle Seller to declare the entire purchase price to be immediately due and payable and shall also entitle Seller to recover possession of said Equipment.

(d) INSTALLATION: If installation by Seller is included within Seller's Quotation, Buyer shall always provide all of the following at its own expense and pertinent to the installation: i) free, dry, and reasonable access to Buyer's premises; and ii) proper foundations, lighting, power, water and storage facilities reasonably required.

(e) COMPLIANCE WITH LAWS: Seller's obligations are subject to the export administration and control laws and regulations of Canada or the United States with respect to where Seller is performing work or providing goods. Buyer shall comply fully with such laws and regulation in the export, resale or disposition of purchased Equipment. Quotations or proposals made, and any orders accepted by Seller from a Buyer outside of Canada or the United States are with the understanding that the ultimate destination of the Equipment is the country indicated therein. Diversion of the products or equipment to any other destination contrary to Canada or the United States as set out in the Quotation or proposal, is prohibited. Accordingly, if the foregoing understanding is incorrect, or if Buyer intends to divert the Equipment to any other destination, Buyer shall immediately inform Seller of the correct ultimate destination.

(f) BUYER RESPONSIBILITIES: Buyer is solely responsible for the

establishment, operation, maintenance, access, security and other aspects of its computer network ("Network") and shall supply Seller secure Network access for providing its services. Equipment networked, connected to the internet, or otherwise connected to computers or other devices must be appropriately protected by Buyer and/or end user against unauthorized access. Buyer is responsible to take appropriate measures, including performing back-ups, to protect information, including without limit data, software, or files (collectively "Data") prior to receiving the service or Equipment.

(g) LIEN LEGISLATION: Notwithstanding anything to the contrary contained herein, the terms of this Agreement shall be subject to the lien legislation applicable to the location where the Equipment will be installed or Services will be performed, and, in the event of conflict, the applicable lien legislation shall prevail.

(h) FORCE MAJEURE: Neither Party shall be liable, nor in breach or default of its obligations under this Agreement, for any delays, interruption, failure to perform under this Agreement, where such delay, interruption or failure is caused, in whole or in part, directly or indirectly, by a Force Majeure Event. A "Force Majeure Event" is a condition or event that is beyond the reasonable control of the Party, whether foreseeable or unforeseeable, including but not limited to the following: acts of God or natural disasters, acts or omissions of any governmental authority (including, without limitation, change of any applicable law or regulation), disease or public health risks and/or responses thereto, strikes, labor disputes, an increase of 5% or more as a result of Trade Restrictions or other excise taxes for materials to be used on the project, fires, explosions or other casualties, thefts, vandalism, civil disturbances, riots, war or other armed conflict (or the serious threat of same), acts of terrorism, electrical power outages, interruptions or degradations in telecommunications, computer, network, or electronic communications systems, cyber-attacks, or unavailability or shortage of parts, materials, supplies, or transportation. If a Party's performance is delayed, impacted, or prevented by a Force Majeure Event or its continued effects, that Party shall be excused from performance or, at the Party's option, entitled to complete performance and extend any relevant completion date or scheduled milestone by the amount of time that the Party was delayed as a result of the Force Majeure Event, plus such additional time as may be reasonably necessary to overcome the effect of the delay.

(i) ASSIGNMENT: This Agreement is not assignable either Party except with prior written consent of Seller. Seller shall have the right to subcontract any of its obligations under this Agreement without notice to Buyer.

(j) FAR: In the United States, Seller supplies "commercial items" within the meaning of the Federal Acquisition Regulations (FAR), 48 CFR Parts 1-53. As to any Buyer order for a U.S. Government contract, Seller will comply only with those mandatory flow-downs for commercial item and commercial services subcontracts listed either at FAR 52.244-6, or 52.212-5(e)(1), as applicable.

Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.).
Recommendation for the approval of a contract to Malcor Roofing of IL, Inc., for roof restoration work at the Sheriff's Office, for Facilities Management, for the period July 14, 2026, through July 13, 2027, for a total contract amount not to exceed $548,784.50. Contract pursuant to the Intergovernmental Cooperation Act – OMNIA Partners Contract #R230404.

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
A full roof restoration is necessary to protect the integrity of the building envelope, to ensure the facilities remain reliable for proper operation as to not impact the life, health and safety of our employees and the public. The existing roof is nearing the end of its current warranty and by restoring the roof at this time, we do not need to tear off the existing roof system and will seal any of the new penetrations from recent HVAC work. Moisture testing revealed part of the existing insulation is wet after rain events; this contract would repair the damp insulation areas. We are able to apply a two-part, bio-based, polyurethane roof coating system which provides a new 20 year warranty.

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.

COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. Region 4 ESC through the Omnia Partners received responses from eight (8) vendors to RFP #23-04 for Roofing Products and services. The proposals were evaluated by an evaluation committee. Using the evaluation criteria established in the RFP, the committee elected to enter into negotiations with Weatherproofing Technologies, Inc. (WTI) Region 4 ESC, Omnia Partners and WTI successfully negotiated a contract, Region 4 ESC executed the agreement with a contract effective date of November 1, 2023. Malcor Roofing of Illinois, Inc. is apart of the WTI Contractor Network.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1) Staff recommends securing a contract with Malcor Roofing of Illinois, Inc, for roof restoration work at the Sheriff's Office, for Facilities Management, for the period July 14, 2026, through July 13, 2027, for a total contract amount not to exceed $548,784.50. Contract pursuant to the Intergovernmental Cooperation Act – OMNIA Partners Contract #R230404. 2) Do not approve a contract and let the roof systems warranties expire and have the roofs fall into disrepair. 3) The other option includes sending the annual contract out to bid which does not guarantee prices will be lower or that the quality of product and service will be equivalent. 4) Staff did review other national-cooperative proposals for this and similar products and this was the most economical choice.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Understanding Nuclear Surveys

A nuclear roof moisture survey is the only effective method for locating areas of wet insulation within a ballasted roof system or multi-layered roof assembly. A nuclear gauge is used to detect varying levels of hydrogen ions within the roof system, with hydrogen being most abundant in wet materials. Readings are taken in conjunction with physical sampling to determine a baseline reading for dry materials. Typically readings are taken on a 10'x10' grid pattern and transferred to a scaled roof plan showing a visual representation of the wet areas. Readings over the dry baseline benchmark indicate damp to wet materials, with moisture content increasing with higher readings.

Inspector: Len Simkins Phone: (231) 590-9899

This report provides the inspector's opinion of the condition of the elements inspected. The findings are based on a limited time/scope inspection performed according to the terms of Infrared Roofing Technologies and in a manner consistent with property inspection industry standards. The inspection is limited to readily accessible systems or components of the property. No guarantees are implied with respect to future deficiencies or conditions. No engineering, geological, design, environmental, biological, health related or code compliance evaluations of the property were performed. The information in this report was prepared exclusively for the named client and/or their authorized representative. The report, including supplemental information and addenda should be reviewed in its entirety.

Comments: Overall, the roof sections had 236 SF of wet insulation which is detailed in the report. Thank you for allowing Infrared Roofing Technologies to perform a Nuclear inspection of your facility. If you have any questions please do not hesitate to call or e-mail me.

Thanks again – Len Simkins

Region 4 ESC shall have the authority to conduct random audits of Contractor's pricing at Region 4 ESC's sole cost and expense. Notwithstanding the foregoing, in the event that Region 4 ESC is made aware of any pricing being offered that is materially inconsistent with the pricing under this agreement, Region 4 ESC shall have the ability to conduct an extensive audit of Contractor's pricing at Contractor's sole cost and expense. Region 4 ESC may conduct the audit internally or may engage a third-party auditing firm. In the event of an audit, the requested materials shall be provided in the format and at the location designated by Region 4 ESC.

19) Discontinued Products. If a product or model is discontinued by the manufacturer, Contractor may substitute a new product or model if the replacement product meets or exceeds the specifications and performance of the discontinued model and if the discount is the same or greater than the discontinued model.

23) Site Cleanup. Contractor shall clean up and remove all debris and rubbish resulting from their work as required or directed. Upon completion of the work, the premises shall be left in good repair and an orderly, neat, clean, safe and unobstructed condition.

24) Site Preparation. Contractor shall not begin a project for which the site has not been prepared, unless Contractor does the preparation work at no cost, or until Region 4 ESC includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

25) Registered Sex Offender Restrictions. For work to be performed at schools, Contractor agrees no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Contractor agrees a violation of this condition shall be considered a

material breach and may result in the cancellation of the purchase order at Region 4 ESC's discretion. Contractor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

26) Safety measures. Contractor shall take all reasonable precautions for the safety of employees on the worksite and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Contractor shall post warning signs against all hazards created by its operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

30) Indemnity. Contractor shall protect, indemnify, and hold harmless both Region 4 ESC and its administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the Contractor, Contractor employees or subcontractors in the preparation of the solicitation and the later execution of the Contract. Any litigation involving either Region 4 ESC, its administrators and employees and agents will be in Harris County, Texas.

INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF DUPAGE, ILLINOIS AND THE VILLAGE OF DOWNERS GROVE FOR 39th STREET WATER QUALITY STRUCTURES PROJECT

This INTERGOVERNMENTAL AGREEMENT is made this 14th day of July 2026 between the COUNTY OF DUPAGE, a body politic and corporate, with offices at 421 N. County Farm Road, Wheaton, Illinois (hereinafter referred to as the COUNTY) and VILLAGE OF DOWNERS GROVE, a body politic and corporate, with offices at 5101 Walnut Ave, Downers Grove, Illinois 60515 (hereinafter referred to as the VILLAGE).

R E C I T A L S

WHEREAS, the VILLAGE and the COUNTY are public agencies within the meaning of the Illinois "Intergovernmental Cooperation Act" and as authorized by Article 7, Section 10 of the Constitution of the State of Illinois; and

WHEREAS, the purposes of the "Intergovernmental Cooperation Act" and Article 7 of the Constitution of the State of Illinois include fostering cooperation among government bodies; and

WHEREAS, the Illinois General Assembly has granted the COUNTY authority to take action to manage stormwater and control flooding and to enter into agreements for the purposes of stormwater management and flood control (Illinois Compiled Statutes, Chapter 55 paragraphs 5/5-1062.3 and 5/5-15001 et. seq.); and

WHEREAS, the COUNTY has adopted the DuPage County Stormwater Management Plan which recognizes the reduction of stormwater runoff and improving water quality as an integral part of the proper management of storm and flood waters; and

WHEREAS, the VILLAGE has developed a conceptual design for the construction of a water quality project on 39th Street (herein referred to as the "PROJECT"); and

WHEREAS, the COUNTY and the VILLAGE have determined that the construction of the PROJECT will benefit local citizens by improving the water quality in Lacey Creek, a tributary to the East Branch DuPage River; and

WHEREAS, the VILLAGE has requested COUNTY participation in cost sharing of the PROJECT through a grant from the COUNTY'S Water Quality Improvement Program in an amount not to exceed thirty-seven thousand five hundred fifty dollars ($37,550); and

WHEREAS, the VILLAGE shall pay PROJECT expenses to the contractors as they become due and will be reimbursed by the County for qualified expenses not to exceed thirty-seven thousand five hundred fifty dollars ($37,550) per this AGREEMENT; and

WHEREAS, the VILLAGE shall share any available data collected from the PROJECT for the purposes of fostering community education and improving upon similar future projects; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

1.1 All recitals set forth above are incorporated herein and made a part hereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the installation of three (3) water quality structures within the 39th Street right-of-way. The goal of the VILLAGE is to remove pollutants from runoff prior to entering Lacey Creek, and East Branch DuPage River.

2.2 The PROJECT shall be developed essentially in accord with the Preliminary Project Plan (39th Street Water Quality Structures), as prepared by the Village of Downers Grove and submitted on January 2, 2026, which document is incorporated herein by reference but is not attached hereto due to space limitations.

3.0 FUNDING.

3.1 The total water quality related PROJECT costs are estimated to be one hundred fifty thousand two hundred dollars ($150,200). The cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

VILLAGE OF DOWNERS GROVE	$112,650
COUNTY OF DUPAGE	$37,550
TOTAL	$150,200

3.2 The VILLAGE shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the VILLAGE and COUNTY agree to apportion such extra costs in writing before they are incurred.

3.3 This AGREEMENT shall in no way obligate the VILLAGE to undertake this PROJECT if the VILLAGE in its sole discretion determines that it is no longer in the VILLAGE'S best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by May 31, 2028, the VILLAGE shall promptly reimburse the COUNTY any monies paid by the COUNTY to the VILLAGE pursuant to this AGREEMENT. The VILLAGE'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the VILLAGE'S timely and satisfactory completion of the PROJECT.

3.4 The VILLAGE may only seek COUNTY reimbursement for allowable PROJECT expenses. Allowable PROJECT expenses incurred and paid by the VILLAGE in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the VILLAGE'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.

4.2 The VILLAGE shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.

4.3 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.

4.4 The VILLAGE shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.

4.5 The VILLAGE shall be responsible for obtaining all required land rights necessary for the completion of the PROJECT.

4.6 The VILLAGE shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.

4.7 The VILLAGE may enter into additional agreements to secure its portion of the local PROJECT costs.

4.8 The VILLAGE shall submit no more than one invoice per month to the COUNTY during the construction and maintenance phases of the PROJECT. Under no circumstances shall the COUNTY be invoiced for any amount(s) exceeding a total of thirty-seven thousand five hundred fifty dollars ($37,550). The invoice(s) shall show the quantities and cost per item and be summarized by PROJECT area.

4.9 The VILLAGE shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE in the amounts herein agreed upon, nor shall this provision affect the VILLAGE'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.

4.10 The VILLAGE shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY.

4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. The VILLAGE and VILLAGE'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the VILLAGE shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S Water Quality Improvement Program.

4.12 During the PROJECT and after its substantial completion, the VILLAGE shall be solely responsible for the ownership, operation, supervision, staffing, control, and maintenance of the PROJECT.

4.13 The VILLAGE must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage and other promotion of the

PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 COUNTY'S RESPONSIBILITIES.

5.1 The COUNTY shall reserve the right to review the PROJECT'S plans and specifications, prior to the VILLAGE'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT components qualify for reimbursement through the COUNTY'S Water Quality Improvement Program. The COUNTY shall promptly provide the VILLAGE with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.

5.2 The COUNTY shall cost share in the PROJECT as follows:

5.2.1 The COUNTY shall reimburse the VILLAGE for approved costs associated with the PROJECT which have been incurred and paid for by the VILLAGE, as specified in Paragraph 3.1.

5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed thirty-seven thousand five hundred fifty dollars ($37,550).

5.2.3 In the event PROJECT costs total less than one hundred fifty thousand two hundred dollars ($150,200), the COUNTY'S total reimbursement amount shall not be more than twenty-five percent (25%) of the actual total PROJECT costs. Any amounts overpaid by the COUNTY shall be promptly refunded by the VILLAGE.

5.2.4 The COUNTY shall not be obligated to pay invoices received after May 31, 2028, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.

5.3 The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT. The COUNTY shall provide the VILLAGE reasonable advance notice of when the COUNTY requires such access.

6.0 GOVERNMENT REGULATIONS.

6.1 The VILLAGE shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.

7.0 INDEMNIFICATION.

7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE 'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.

7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, their officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.

7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this Section 7 is to be the State’s Attorney, in accord with the applicable law. The COUNTY’S participation in its defense shall not remove the VILLAGE’S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors or agents. The VILLAGE’S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

8.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties, excluding term extensions as provided for in the following provision.

8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment pursuant to Paragraph 8.1, above.

9.0 TERM OF THIS AGREEMENT.

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

9.1.1 May 31, 2028, or to a new date agreed upon by the parties.

9.1.2 The completion by the VILLAGE and COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before May 31, 2028.

10.0 ENTIRE AGREEMENT.

10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between the parties.

10.2 There are no other covenants, warranties, representations, promises, conditions or understandings, either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In the event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 NO THIRD-PARTY BENEFICIARIES

12.1 This Agreement is for the sole benefit of the Parties and their respective permitted successors and assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any person or entity other than the Parties any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

2.4 The relationship of the CONSULTANT to the COUNTY is that of independent contractor, and nothing in this AGREEMENT is intended nor shall be construed to create an agency, employment, joint venture relationship, or any other relationship allowing the COUNTY to exercise control or direction over the manner or method by which the CONSULTANT or its sub-contractors/sub-consultants provide services

hereunder. Neither the CONSULTANT nor the CONSULTANT'S employees shall be entitled to receive any COUNTY benefits. The CONSULTANT shall be solely responsible for the payment of all taxes and withholdings required by law which may become due with regard to any compensation paid by the COUNTY to the CONSULTANT.

2.5 Services deemed to be a professional service under this AGREEMENT shall be performed and/or supervised by individuals licensed to practice by the State of Illinois in the applicable professional discipline.

2.6 Neither the CONSULTANT, nor the CONSULTANT'S employees, shall be retained as expert witnesses by the COUNTY except as by separate agreement.

3.3 The CONSULTANT shall not perform additional work related to a submittal until the COUNTY has completed its review of the submittal, unless otherwise directed in writing by the Director or his designee. The CONSULTANT may continue to

work on items unrelated to the submittal under review by the COUNTY.

4.0 TECHNICAL SUBCONSULTANTS

4.1 The prior written approval of the COUNTY shall be required before the CONSULTANT hires any sub-consultant(s) to complete COUNTY-ordered technical or professional tasks or services under the terms of this AGREEMENT. COUNTY approval of sub-consultant(s) includes approval of any new and/or modified employee rates (Exhibit C) and/or fee schedules if permitted in Paragraph 7.3.

4.2 The CONSULTANT shall supervise any sub-consultant(s) hired by the CONSULTANT and the CONSULTANT shall be solely responsible for any and all work performed by said sub-consultant, or sub-consultants, in the same manner and with the same liability as if performed by the CONSULTANT.

4.3 The CONSULTANT shall require any sub-consultant hired for the performance of any work or activity in connection to this AGREEMENT to agree and covenant that the sub-consultant also meets the terms of Sections 8.0 and 13.0 and Paragraph 26.3 of this AGREEMENT and shall fully comply therewith while engaged by the CONSULTANT in services for the COUNTY on the PROJECT.

5.0 TIME FOR PERFORMANCE

5.1 The CONSULTANT shall commence work to meet the requirements for professional services on the PROJECT after the COUNTY issues its written Notice to Proceed. The COUNTY is not liable and will not pay the CONSULTANT for any work performed before the date of the Notice to Proceed.

5.2 Unless otherwise defined in Exhibit A the CONSULTANT shall submit a schedule for completion of the PROJECT within ten (10) days of the written Notice to Proceed. The schedule is subject to approval by the COUNTY. All of the services required hereunder shall be completed by November 30, 2027, unless the term of this AGREEMENT is extended in conformity with Article 14 below.

5.3 If the CONSULTANT is delayed at any time in the progress of the work by any act or neglect of the COUNTY or by any employee of the COUNTY or by changes ordered by the COUNTY, or any other causes beyond the CONSULTANT'S control, the sole remedy and allowance shall be an extension of time for completion.

Such extension shall be that which is determined reasonable by the COUNTY upon consultation with the CONSULTANT. The CONSULTANT shall accept and bear all other costs, expenses and liabilities that may result from such delay.

6.0 DELIVERABLES

6.1 The CONSULTANT shall provide the COUNTY on or before the expiration of this AGREEMENT, or 14 days after notice of termination or when the Director directs, the deliverables specified in Exhibit B, or as otherwise agreed to by the COUNTY and CONSULTANT.

7.0 COMPENSATION

7.1. The COUNTY shall pay the CONSULTANT for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.

7.2. Total payments to the CONSULTANT under the terms of this AGREEMENT shall not under any circumstances exceed $65,000. This amount is a "not to exceed" amount. In the event the COUNTY directs the CONSULTANT to perform services which would cause the stated amount to be exceeded, the CONSULTANT shall not be responsible for such services until this AGREEMENT is modified pursuant to Article 14.0.

7.3 For services performed, the COUNTY will pay the CONSULTANT at a 2.8 direct labor multiplier applied to the actual hourly rates of staff and/or the fee schedule(s) as incorporated herein. The multiplier shall include the cost of overhead and profit. A chart listing the hourly rate ranges for the CONSULTANT'S staff and approved sub-consultant's staff, identified by classification, is attached and incorporated hereto as Exhibit C. The CONSULTANT may request adjustments to the hourly rate ranges and additions or deletions to the position classifications to/from Exhibit C which will be subject to approval by the COUNTY provided the adjustment(s) do not exceed the total compensation as stated herein and subject to the terms in 7.3(b) below. The COUNTY retains the authority to limit the maximum rate per classification on Exhibit C. It is the sole responsibility of the CONSULTANT to provide the COUNTY with a current Exhibit C (including Exhibit C for approved sub-consultant(s)) when invoices are submitted for the PROJECT.

7.3.a If this AGREEMENT or a modification thereto authorizes the CONSULTANT to alter its fees, such fee changes shall be subject to the following unless otherwise provided in the AGREEMENT: (i) The CONSULTANT may only change the fees stated in Exhibit C once per calendar year; (ii) fees may not be changed prior to one hundred twenty (120) days from the date of execution of this AGREEMENT or from the date of any previous fee change; and (iii) the CONSULTANT shall provide the COUNTY with forty-five (45) days' notice of any proposed fee change. The CONSULTANT shall not invoice the COUNTY at an increased fee without compliance to the notice requirements listed above.

7.4 NOT USED

7.5 If the scope of work for this AGREEMENT includes the use of job classifications covered by the prevailing rate of wages, the prevailing rate must be reflected in the cost estimate for this AGREEMENT. The rates have been ascertained and certified by the Illinois Department of Labor for the locality in which work is to be performed. If the Illinois Department of Labor revises the prevailing rates of wages to be paid, as listed in the specification of rates, the CONSULTANT may not pay less than the revised rates of wages. Current wage rate information shall be obtained by calling the Illinois Department of Labor at 312-793-2814 or visiting the web site at http://www.state.il.us/agency/idol/. It is the responsibility of the CONSULTANT to review the rates applicable to the work in this AGREEMENT, at regular intervals, in order to ensure the timely payment of current rates. Provision of this information to the CONSULTANT, by means of the Illinois Department of Labor web site, satisfies the notification of revisions by the COUNTY to the CONSULTANT pursuant to the Act, and the CONSULTANT agrees that no additional notice is required. The CONSULTANT shall notify each of its sub-consultants of the revised rates of wages.

7.6 The CONSULTANT shall submit invoices, for services rendered including any allowable expenses, to the COUNTY. All invoices shall include a remittance address. The COUNTY shall not be required to pay the CONSULTANT more often than monthly. Each invoice shall be submitted in a format agreed to in advance by the COUNTY. Separate invoices shall be submitted and each invoice shall also include a progress report that describes work completed for the invoice period, anticipated work for the next invoice period, outstanding issues or items that require a response, whether the work is progressing according

to the approved schedule, and a discussion of the budget status. The CONSULTANT shall be required to submit a monthly progress report to the COUNTY even if a monthly invoice is not submitted to the COUNTY. The CONSULTANT shall provide the COUNTY with a valid taxpayer identification number prior to making any request for compensation. Payment will not be made for services completed or expenses incurred more than six-months (180 days) prior to submission of any invoice and any statute of limitations to the contrary is hereby waived. When requested by the COUNTY, the CONSULTANT shall submit certified time sheets as additional documentation for the invoiced services.

7.7 Upon approval of properly documented invoices, the COUNTY shall reimburse the CONSULTANT the amount invoiced for services completed in accordance with this AGREEMENT, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."

7.8 In the event of any overcharge by the CONSULTANT, the CONSULTANT shall refund the COUNTY within thirty (30) days of discovery of said overcharge by the CONSULTANT or notice to the CONSULTANT by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing the CONSULTANT under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.

7.9 Upon acceptance of all deliverables specified in Exhibit B of this AGREEMENT, final payment shall be made to the CONSULTANT, including any retainage.

The CONSULTANT shall provide the COUNTY endorsements at the beginning of each year evidencing same or a new carrier policy that has a retroactive date prior to the date of this AGREEMENT.

8.2 It shall be the duty of the CONSULTANT to provide to the COUNTY copies of the CONSULTANT'S Certificates of Insurance, as well as all applicable coverage and cancellation endorsements before issuance of a Notice to Proceed. It is the further duty of the CONSULTANT to immediately notify the COUNTY if any insurance required under this AGREEMENT has been cancelled, materially changed, or renewal has been refused, and the CONSULTANT shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of the CONSULTANT curing any breach of its required insurance coverage, the COUNTY shall notify the CONSULTANT that the CONSULTANT can resume work under this AGREEMENT. The CONSULTANT shall accept and bear all costs that may result from the cancellation of this AGREEMENT due to CONSULTANT'S failure to provide and maintain the required insurance.

8.3 The coverage limits required under subparagraphs 8.1.c and 8.1.d above may be satisfied through a combination of primary and excess coverage. The insurance required to be purchased and maintained by the CONSULTANT shall be provided by an insurance company acceptable to the COUNTY, and except for the insurance required in subparagraph 8.1.e licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the limits of the liability specified herein or required by law or regulation whichever is greater; and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least thirty (30) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. The CONSULTANT shall provide a copy of said section of the excess/umbrella liability policy upon request by the COUNTY.

8.4 The CONSULTANT shall require all approved sub-consultants, anyone directly or indirectly employed by any of them, or by

anyone for whose acts any of them may be liable under this AGREEMENT to maintain the same insurance required of the CONSULTANT, including naming the COUNTY as an additional insured in the same coverage types and amounts as the CONSULTANT, per Section 8.0. The COUNTY retains the right to obtain evidence of sub-consultants insurance coverage at any time.

9.0 INDEMNIFICATION

9.1 The CONSULTANT shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CONSULTANT'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT.

9.2 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officer and employees from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 9.1, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. The COUNTY'S participation in its defense shall not remove the CONSULTANT'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.

9.3 Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. The CONSULTANT'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

9.4 The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 *et seq.*) or otherwise available to it, or to the CONSULTANT, under the law.

Accordingly, the CONSULTANT'S and sub-consultant(s) standard of performance under the terms of this AGREEMENT shall be that which is to the satisfaction of the COUNTY and meets the quality and standards commonly provided by similar professional engineering firms practicing in the COUNTY and the State of Illinois.

10.2 In the event there are no similar professional firms practicing in DuPage County, Illinois, with respect to the type of work for which this CONSULTANT has been engaged, the CONSULTANT'S services shall be performed in a manner consistent with the customary skill and care of its profession.

10.3 If any errors, omissions, or acts, intentional or negligent, are made by the CONSULTANT, or its' sub-consultant(s), in any phase of the work, the correction of which requires additional field or office work, the CONSULTANT shall be required to perform such additional work as may be necessary to remedy same without undue delay and without charge to the COUNTY. In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, the CONSULTANT may at the COUNTY'S option have the responsibility to cure same under this provision.

10.4 Acceptance of the work shall not relieve the CONSULTANT of the responsibility for the quality of its work, nor its liability for loss or damage resulting from any errors, omissions, or negligent or willful acts by the CONSULTANT or its sub-consultants.

11.0 BREACH OF CONTRACT

11.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice. Notwithstanding the above term, the CONSULTANT'S failure to

maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of the CONSULTANT'S sub-consultants shall be deemed a breach by CONSULTANT subject to the terms of this AGREEMENT.

12.0 OWNERSHIP OF DOCUMENTS

12.1 The CONSULTANT agrees that any and all deliverables prepared for the COUNTY under the terms of this AGREEMENT shall be properly arranged, indexed and delivered to the COUNTY as provided in paragraph 6.1. An electronic copy of all applicable deliverables, in a format designated by the COUNTY'S representative, shall be provided to the COUNTY.

12.2 The documents and materials made or maintained under this AGREEMENT shall be and will remain the property of the COUNTY which shall have the right to use same without restriction or limitation and without compensation to the CONSULTANT other than as provided in this AGREEMENT. The CONSULTANT waives any copyright interest in said deliverables.

12.3 The COUNTY acknowledges that the use of information that becomes the property of the COUNTY pursuant to Paragraph 12.2, for purposes other than those contemplated in this AGREEMENT, shall be at the COUNTY'S sole risk.

12.4 The CONSULTANT may, at its sole expense, reproduce and maintain copies of deliverables provided to the COUNTY.

13.1 The CONSULTANT, and sub-consultant(s), shall comply with Federal, State and Local statutes, ordinances and regulations and obtain permits, licenses, or other mandated approvals, whenever applicable.

13.2 The CONSULTANT, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, age, handicap, or national origin, or otherwise commit an unfair employment practice. The CONSULTANT, and sub-consultant(s), shall comply with the provisions of the Illinois Human Rights Act,

as amended, 775 ILCS 5/-101, *et seq.*, and with all rules and regulations established by the Department of Human Rights.

13.4 The CONSULTANT, by its signature on this AGREEMENT, certifies that no payment, gratuity or offer of employment, except as permitted by the Illinois State Gift Ban Act and the County of DuPage Ethics Ordinance, was made by or to the CONSULTANT, or CONSULTANT'S personnel, in relation to this AGREEMENT. The CONSULTANT has also executed the attached Ethics Disclosure Statement that is made a part hereof and agrees to update contribution information on an ongoing basis during the life of the AGREEMENT as required by said Ordinance.

13.5 The CONSULTANT covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of the CONSULTANT'S services under this AGREEMENT.

13.6 **In accordance with the Vendor Information Reporting Act (35 ILCS 200/18-50.2)**, the COUNTY is required to collect and electronically publish data from all consultants and subconsultants as to: (1) whether they are a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/.01 *et seq.*); and (2) whether the consultant or any subconsultants are self-certifying or whether they hold certifications for those above-referenced categories. (d) The COUNTY and CONSULTANT reserve the right to renew this contract. This is the first and final renewal for this contract.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

16.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, but they shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for services rendered prior to termination. There shall be no termination expenses.

16.3 Upon termination of the AGREEMENT, all data, work products, reports and documents produced because of this AGREEMENT shall become the property of the COUNTY. 17.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

17.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

18.0 ASSIGNMENT

18.1 Either party may assign this AGREEMENT provided, however, the other party shall first approve such assignment, in writing.

19.0 SEVERABILITY

19.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. Summary Explanation - Provide a summary of the action. Explain why it is necessary and what is to be accomplished.
he Division of Transportation is requesting additional funds for the HR Green, Inc. Various Preliminary/Design Engineering contract 20-DEENG-03-EG to design replacement of the box culvert under Park Boulevard south of Tamarack Drive and other stormwater improvements (Work Order #6). Due to the added scope of work being requested by the County, additional funds are necessary to accomplish the requested work resulting in an increase to the contract in the amount of $100,000. The current contract expires on October 31, 2026. Extend contract completion date through May 31, 2028.
In order to complete the design of the Park Boulevard culvert and stormwater improvements and submit plans and specifications to the DOT for review, it will be more cost effective to supplement the existing Various Preliminary/Design Engineering contract with H.R. Green, Inc. They are in the best position to complete the project on the required schedule and at the lowest cost to the County.

Original Source Selection/Vetting Information - Describe method used to select source; for instance, bid, RFP, sole source, etc.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry. Statements of Interest were received from 39 firms. Based on the review of the Statements of Interest, 4 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the qualifications of the firm and any subconsultants, experience of key personnel, understanding of the project, experience on similar projects and any strategies/opportunities to ensure the project schedule is met. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by H.R. Green, Inc. was most qualified and had the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

1. Supplement and extend contract to H.R. Green, Inc. This is the recommended option.
2. Contract with another firm. Not recommended due to staff's determination that H.R. Green, Inc., is the most qualified.
3. Do not supplement contract. Not recommended as the DOT does not possess the staff resources or expertise to perform this work and must contract for these services.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number

The DOT budget has sufficient funds to account for this increase.

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

The Division of Transportation is requesting additional funds for the HR Green, Inc. Various Preliminary/Design Engineering contract 20-DEENG-03-EG to design replacement of the box culvert under Park Boulevard south of Tamarack Drive and other stormwater improvements (Work Order #6). Due to the added scope of work being requested by the County, additional funds are necessary to accomplish the requested work resulting in an increase to the contract in the amount of $100,000.

The current contract expires on October 31, 2026. Extend contract completion date through May 31, 2028.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

Due to conflicts with proposed work by Illinois Department of Transportation (IDOT) on adjacent roadways Butterfield Road and Illinois Route 53, it is in the best interest of the County to adjust the schedule of the Park Boulevard improvements to FY 2027 and update the plans' existing utilities and other conditions and update contract documents to current standards. Furthermore, the structural design will be revised to use cast-in-place concrete retaining walls rather than sheet piling system.

Strategic Impact

Quality of Life

Select one of the six strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

In order to complete the design of the Park Boulevard culvert and stormwater improvements and submit plans and specifications to the DOT for review, it will be more cost effective to supplement the existing Various Preliminary/Design Engineering contract with H.R. Green, Inc. They are in the best position to complete the project on the required schedule and at the lowest cost to the County.

3. Do not supplement contract. Not recommended as the DOT does not possess the staff resources or expertise to perform this work and must contract for these services.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

The fiscal impact for this supplement is anticipated to be $80,000.00 for FY26 and $20,000 for FY27. The DOT budget has sufficient funds to account for this increase.

Seller acknowledges that the Customer has made no representations, assurances, or guaranties regarding the Customer's legal capacity to indemnify Seller as provided for in this Contract. In the event a court of competent jurisdiction holds that Customer is deemed to lack the lawful authority or ability to indemnify, defend or hold harmless the Seller, or any person or entity claiming a right through Seller, or in the event of changes in the laws of the State of Illinois governing Customer's indemnification authority, such occurrence(s) shall not affect the validity and enforceability of the remainder of this Contract or the parties' rights and obligations provided for therein.

Customers may also have other rights that vary by state, country or another jurisdiction. 7. Database Access Provisions

a. In consideration for using the SQL Database format of RTA, RTA is offering this section as a Letter of Understanding concerning the DATA and issues that may arise in connection with an open database system. If COMPANY has requested direct access to the database, be it understood that:
b. To provide direct connection to the COMPANY SQL database, making it available for connection from SQL Management Studio, Crystal Reports, or integrating with other SQL-aware applications, RTA must place the database on a SQL database server that is connected to the internet. The SQL server connection string listens on a non-standard port and is protected by standard SQL Server security features. A user account specific to COMPANY will be provided and is used solely to access the database. For additional security, a firewall prevents anonymous entities from connecting to the database server. COMPANY will need to provide RTA with the public IP address(es) from which COMPANY will be connecting to the database so that we may allow the connection.
c. All database connections are read only.
d. COMPANY is hereby notified that if a data element in a table is deemed to be invalid, RTA will use all diligence to determine the nature of the source of the invalidity. If source of the error is determined to be from an outside query operation or user modification to the data, RTA can assist in correcting the data at our standard professional services rate of $250/hour.
e. RTA is requesting that write access to the data be limited (e.g., Not available to non-technical users) to only certain users of the Service.
f. RTA recognizes the value of using database systems to enhance data availability, access, and reporting. RTA Tech support will support the normal database access questions (field definitions, linkage relationships) but cannot assist in writing queries, forms, or other data-access objects and methods without a formal engagement for those services.

g. COMPANY will specify static IP addresses that will be connecting to the RTA database by emailing Company Name and IP address(es) to support@rtafleet.com. Connections from all other addresses outside the Service will be blocked.

If availability is impacted by factors other than those used in RTA's Monthly Uptime Percentage calculation, then RTA may issue a Service Credit considering such factors at RTA's discretion.

PROFESSIONAL SERVICES EXCLUDED PER DUPAGE ORDINANCE (SECTION 2-353) AND 50 ILCS 510/2 (ARCHITECTS, ENGINEERS & LAND SURVEYORS)

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest for preliminary and design engineering were sent to firms throughout the industry. Statements of Interest were received from 19 firms. Based on the review of the Statements of Interest, 4 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the qualifications of the firm and any sub consultants,experience of key personnel, understanding of the project, and strategies to ensure timely completion of the project. Based on comprehensive review of the submittals, the DOT determined that the project team assembled by Christopher B. Burke Engineering, LTD, (CBBEL) was the most qualified and had the staff available to perform the work on behalf of the County.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award a contract to Christopher B. Burke Engineering, LTD. This is the recommended option. 2. Contract with another firm. Not recommended due to staffs determination that Christopher B. Burke Engineering, LTD, is the most qualified. 3. Do not award a contract. Not recommended as the DOT does not possess the staff resources to perform this work and must contract for these services.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

The rates have been ascertained and certified by the Illinois Department of Labor for the locality in which work is to be performed. If the Illinois Department of Labor revises the prevailing rates of wages to be paid, as listed in the specification of rates, the CONSULTANT may not pay less than the revised rates of wages. Current wage rate information shall be obtained by visiting the Illinois Department of Labor web site at http://www.state.il.us/agency/idol/ or calling 312-793-2800. It is the responsibility of the CONSULTANT to review the rates applicable to the work in this AGREEMENT, at regular intervals, in order to insure the timely payment of current rates. Provision of this information to the CONSULTANT, by means of the Illinois Department of Labor web site, satisfies the notification of revisions by the COUNTY to the CONSULTANT pursuant to the Act, and the CONSULTANT agrees that no additional notice is required. The CONSULTANT shall notify each of its sub-consultants of the revised rates of wages.

made for services completed or expenses incurred more than six-months (180 days) prior to submission of any invoice and any statute of limitations to the contrary is hereby waived. The CONSULTANT shall submit detailed itemized certified timesheets as additional documentation for the invoiced services. Timesheets must include names, dates, times and service being billed for on the invoice.

7.7 Upon approval of properly documented invoices, the COUNTY shall reimburse the CONSULTANT the amount invoiced for services completed in accordance with this AGREEMENT, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."

7.8 In the event of any overcharge by the CONSULTANT, the CONSULTANT shall refund the COUNTY within thirty (30) days of discovery of said overcharge by the CONSULTANT or notice to the CONSULTANT by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing the CONSULTANT under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.

The COUNTY retains the right to obtain evidence of sub-consultants' insurance coverage at any time.

Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 9.1, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. 11.0 BREACH OF CONTRACT

11.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of the CONSULTANT'S sub-consultants shall be deemed a breach by CONSULTANT subject to the terms of this AGREEMENT.

12.0 OWNERSHIP OF DOCUMENTS

13.5 The CONSULTANT covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of the CONSULTANT'S services under this AGREEMENT.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above, or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

SCOPE OF SERVICES

CH 38/63RD STREET TRAFFIC SIGNAL MODERNIZATION AND FLASHING YELLOW ARROW CORRIDOR EXPANSION #2 PROJECT

June 17, 2026

Section No. 26-00288-06-SP

UNDERSTANDING OF THE ASSIGNMENT

CBBEL will coordinate and prepare documentation for Phase I design approval regarding the 63rd Street Traffic Signal Modernization and Flashing Yellow Arrow Implementation project. The project includes six (6) traffic signal modernizations located at: 63rd Street at Belmont Rd, 63rd Street at Woodward Ave, 63rd Street at Springside Ave, 63rd Street at Dunham Rd, 63rd Street at Fairview Ave, and 63rd Street at Williams St. The project seeks to implement flashing yellow arrows, retroreflective backplates, convert pedestal mounted signal heads to mast arm mounted signal heads, and provide one signal head per lane to improve safety along the 63rd Street project corridor while utilizing HSIP funds. The Phase I project scope will include data collection, survey, SUE, required environmental screenings, crash analysis, BLR 19100 assembly and submittal, initial ROW effort, coordination meetings, and public/stakeholder involvement.

SECTION I – SCOPE OF BASIC SERVICES

Task 1: Data Collection

CBBEL will conduct a field reconnaissance to each intersection and inventory the existing traffic signal equipment. The approved HSIP application is seeking to install accessible pedestrian signals (APS), pedestrian signal heads with countdown timers, retroreflective backplates, one traffic signal head per lane, and flashing yellow arrow (FYA) signal operation. The intersection of 63rd Street at Dunham Rd. 63rd Street at Fairview Ave, and 63rd Street at Williams St will also replace the existing bracket mounted signal heads for the side streets to mast arm mounted signal heads. CBBEL will determine if any of the existing equipment can be reused for the proposed condition on a location-by-location basis. The existing ROW information and traffic signal plans for each intersection as well as the existing interconnect will be collected from the County and reviewed as well.

Task 2: Topographical Survey

Gasperec Elberts will perform a topographical survey for the six intersections of: 63rd Street at Belmont Rd, 63rd Street at Woodward Ave, 63rd Street at Springside Ave, 63rd Street at

Dunham Rd, 63rd Street at Fairview Ave, and 63rd Street at Williams St. The topographic survey will include all curb lines within 250 ft of each intersection approach. The survey will pick up all above ground features including crosswalk data points and the existing curb line to the existing ROW line including above ground utilities and evidence of utilities. The survey will also include surveying ROW monuments at each intersection, ROW research and drafting the existing ROW into the deliverable file. In addition to providing two-dimensional survey in MicroStation format, Gasperec Elberts will provide linework and ADA area TIN file. See Gasperec Elberts scope for more information.

Task 3: Initial Plat of Highways Development

Gasperec Elberts will be developing the Plat of Highways for the project. Once ROW acquisition needs are identified for Phase I, this task will allow us to get a head start on the drafting and field work required for developing the Plat of Highways. Typically, Plats of Highways are not allowed to be submitted until Phase I Design Approval is given; CBBEL plans on requesting permission to submit plats early from IDOT during the Phase I Kickoff Meeting. This task includes highway plat submittals for three parcels.

Task 4: Utility Coordination

HBK will be leading the Subsurface Utility Engineering (SUE) Level B survey and utility coordination for the five intersections of: 63rd Street at Belmont Rd, 63rd Street at Woodward Ave, 63rd Street at Dunham Rd, 63rd Street at Fairview Ave, and 63rd Street at Williams St. 63rd Street at Springside Avenue will be a traffic signal modification, therefore SUE is not being requested at this location. The SUE Level B survey will cover 250 feet on the 63rd Street approaches and 50 ft on the side street approaches. As part of this task, HBK will use locating equipment to acquire more accurate locations of the utilities as well as draft the utilities using the previously acquired topographic survey as a base.

Task 5: Environmental

GZA will conduct the Preliminary Environmental Site Assessment (PESA) in accordance with IDOT BLR policy for each intersection within the project: 63rd Street at Belmont Rd, 63rd Street at Woodward Ave, 63rd Street at Springside Ave, 63rd Street at Dunham Rd, 63rd Street at Fairview Ave, and 63rd Street at Williams St. GZA will also develop wetland documentation such as Wetland and Waterway Delineation Report and other associated wetland documents that may be required by IDOT.

Task 6: Phase I ADA Design Plans

If required, CBBEL will provide the Phase I ADA design to ensure that adequate ROW exists to construct PROWAG compliant curb ramps within the existing ROW or to inform the

limits of the proposed ROW at each of the six intersections. This task includes 24 intersection corners total with 2 corners depicted on each 11" x 17" plan sheet. ADA detail sheets will be submitted to the County for review and comment prior to sending to IDOT BLRS.

Task 7: Crash Analysis

This task will include coordinating with DuPage County DOT staff as needed to review and incorporate Crash analysis as part of any required IDOT BLRS approval process.

In the event that additional crash data becomes available and requested by IDOT for inclusion, DuPage County DOT staff will provide the appropriate updates to the analysis or in the production of any required technical memorandum.

CBBEL to provide project management, and review, and incorporation of County provided work into other required work flows as needed. As part of this task CBBEL will fill out the Crash Analysis, Section 3, of the PDR (BLR Form 22210) for submittal to IDOT BLRS.

Task 8: Project Development Documentation — BLR 22210

This task includes the preparation and development of a BLR 22210 "Local Project Development Report Categorical Exclusions and Design Approval" document and associated attachments. CBBEL will assembly the BLR 22210 form, all supporting exhibits and revisions, for initial review by the County and ultimate review by IDOT and FHWA for Phase I Design Approval. Supporting exhibits include:

- Location Maps
- Functional Classification Maps
- Typical Sections
- Environmental Survey Request
- Preliminary Cost Estimate
- ROW Exhibits
- Preliminary TS Layout Exhibits
- Public Involvement Letters
- Affected Property Owner Letters
- Assembly of previously completed documents, such as the PESA executive summary, wetland documentation, and coordination meeting minutes.

If requested by IDOT, CBBEL will also complete the Design Variance form (BLR 22120) and justifications.

Task 9: Coordination Meetings

In addition to a “kick-off” meeting with IDOT Bureau of Locals Roads and DuPage County, CBBEL staff anticipates attending up to 2 meetings with IDOT (Region 1) Bureaus of Local Road and Streets (BLRS) and FHWA representatives on behalf of the County. This task will include the preparation and distribution of all meeting agendas, minutes and necessary exhibit/handouts. Also included in this task are 2 additional coordination meetings with the County for progress status and project planning.

Task 10: Public Involvement / Stakeholder

CBBEL anticipates attending up to two (2) local coordination meetings with the municipalities of Westmont and Downers Grove on behalf of the County. This task will include the preparation and distribution of all meeting agendas, minutes and necessary exhibit/handouts. In addition, work will include developing content for a public information campaign such as websites, social media, brochures, and newsletters. CBBEL attendance at a public meeting/hearing is not anticipated.

Task 11: Project Management and QAQC

This task includes coordination with subconsultants, progress reports, invoicing, as well as quality assurance hours and status updates.

Task 12: Unforeseen of Unexpected Work

At the direction of DuDOT, to account for unforeseen or unexpected work and additional tasks if requested by the County, 200 hours will be included in this line item. Each assignment under this task will be agreed upon by DuDOT, CBBEL, and/or if needed a subconsultant before proceeding. Usage of these hours will be tracked and reported.

DuPage County Traffic Signal Modernization – 63rd Street

June 15, 2026

Scope

GEC understands that Christopher Burke Engineering (CBBEL) is working with DuPage County to modernize the traffic signalization along 63rd Street in Downers Grove, Illinois. Six intersections are included in the project: Belmont Road, Woodward Avenue, Springside Avenue, Dunham Road, Fairview Avenue, and Williams Street.

Control

Set stable control and benchmarks relative to DuPage County Benchmarks for the 6 intersections using Coordinate System-IL State Plane East and Datum-NAD83 from DuPage Co. Set a minimum of 2 control points outside the 250 foot limits. Make tie sketches.

Boundary

Perform boundary recon to determine ROW at each intersection. Search available plats and records from DuPage County Recorder. Request records from DuDOT/IDOT. Resolve and annotate boundary.

Topo

Detailed ADA survey to be performed within 50 feet from the edge of pavement. Include data within crosswalks. Collect full topographic survey within 250 feet from the stop bar at each leg. Include rim elevation for all structures within the roadway. Note type of traffic signal (mast arm, combination, etc) with direction and include crosswalk signal button with height. Linework and ADA-area TIN to be mapped.

Utilities

All aboveground, visible evidence of utilities to be collected in the process of performing the topographic survey. Underground utility survey will be handled by others.

Re: Phase I Environmental Services –
Traffic Signal Modernization & Flashing Yellow Implementation
63rd Street (Belmont Road to Williams Street)
Downers Grove and Westmont, DuPage County, IL
Proposal No.: 81.P013019.267

Dear Ms. Jensen:

GZA Illinois, Inc. (GZA), is pleased to submit this proposal to Christopher B. Burke, Engineering, Ltd. (Client) to perform Phase I Environmental Services, including completion of a Preliminary Environmental Site Assessment (PESA) and wetland/waterway delineation and wetland/waterway verification. This proposal presents our project approach, the scope of services, and cost.

1. PROJECT UNDERSTANDING

We understand the DuPage County Division of Transportation (DuDOT) has requested separate scope documents for Phase I and II services, which are both be locally funded. Further, we understand DuDOT is seeking Phase I and Phase II engineering services for traffic signal modernizations on 63rd Street including six (6) intersection between Belmont Road and Williams Street (approximately 2.75-miles in length).

It is currently understood that limits associated with each intersection extend approximately 250-feet from the stop bar along the 63rd Street approaches and 50-feet from the stop bar on the side street approaches.

The scope of work is expected to include complete traffic signal modernization and implementation of flashing yellow arrow control at the intersections including:

- 63rd Street and Belmont Road;
- 63rd Street and Woodward Avenue;
- 63rd Street and Springside Avenue;
- 63rd Street and Dunham Road;
- 63rd Street and Fairview avenue; and
- 63rd street and Williams Street.

2. SCOPE OF SERVICES

TASK 1 – Preliminary Environmental Site Assessment (PESA)

A PESA will be completed for local roads' portion of the project corridor, and the process will follow general protocols contained within:

- A Manual for Conducting Preliminary Environmental Site Assessments for Illinois Department of Transportation (IDOT) Highway Projects (Erdmann et al., 2012 – Revised 2014 -Circular 585).
- ASTM International (ASTM) standard 1527-21.
- Chapter 27-3 of the IDOT Bureau of Design and Environment (BDE) Manual. The IDOT BDE Manual was published in September 2010 and Revised December 31, 2025.
- IDOT Bureau of Local Roads and Streets (BLRS) Manual, Chapter 20-12, Special Waste (July 2013). The IDOT BLRS Manual was issued in April 2005 with Intermittent Revision December 2018.
- Public Act 96-1416.
- Clean Construction or Demolition Debris Fill Operations (CCDD) and Uncontaminated Soil Fill Operations: Amendments to 35 Illinois Administrative Code 1100. Effective on August 27, 2012.

Sub-Task A. Historical Research
The site's historical land use/ownership record will be developed from standard historical sources. Historic aerial photographs will be reviewed to identify land use over time and potential areas of environmental concern, such as areas of surface disturbance and outside storage.

Sub-Task B. Site Evaluation
Current environmental features and conditions of sites adjacent to the right-of-way/project area will be evaluated. A site walkover of potential right-of-way/project areas designated for excavation and/or acquisition will be conducted for first-hand evaluation of current environmental conditions within the project limits. All the features and conditions listed above will be investigated and as appropriate, documented in photographs. The land-use and housekeeping practices of adjacent properties will also be evaluated in accordance with ASTM protocols.

Sub-Task C. Records Review
We propose obtaining a corridor specific database for this project. A records review will be conducted to determine potential environmental concerns within the study area. It will include a search of standard state and federal environmental record databases in accordance with the specifications of ASTM standards. This search is based on the outline of the study area. Specifically, GZA will search each database to identify any potential sources requiring further investigation. As appropriate, Freedom of Information Act (FOIA) requests will be filed with the IEPA to obtain additional data pertaining to identified sites.

Sub-Task D. Report Preparation
One report summarizing the results of the evaluation will be prepared, including the following information:

a) The project location and description
b) Historical uses of corridor.
c) The area geology and hydrology.
d) The environmental status of sites adjacent to the corridor regarding chemical use and storage, underground and aboveground storage tanks, solid waste, special waste, hazardous waste, and PCBs.

e) An analysis of the site inspection.
f) A summary of the findings regarding environmental concerns. This will include IDOT's BDE Manual Chapter 27-3, Special Waste Procedures, and identification of Potentially Impacted Properties (PIPs) per Subpart F, Section 1100, 35 IAC, related to Clean Construction or Demolition Debris management.

TASK 2 – <u>Wetland and Waterway Delineation and Report</u>

GZA understands that regulated wetlands are potentially located within or adjacent to the project limits as described in Section 1. GZA proposes to conduct a wetland delineation for all areas within the project corridor in accordance with:

- The April 1, 2017, edition of the U. S. Army Corps of Engineers (USACE) Chicago District Regional Permit Program (RPP), revised January 10, 2020;
- The USACE *Regional Supplement to the Corps of Engineers Wetland Delineation Manual: Midwest Region (Version 2.0)*, (Supplemental Wetland Manual); and
- The DuPage County, Countywide Stormwater and Flood Plain Ordinance, as amended in May of 2019.

In preparing this proposal, GZA has made the following assumptions.

- A Jurisdictional Determination, if required, is not included in this scope of work.
- Wetland mitigation design, plan preparation, monitoring, or management services are not included in this proposal.
- Wetland permitting is not included in this scope of services. If permitting with any agency is required, a separate scope of services and cost estimate will be prepared.
- Coordination for federal and state threatened and endangered species is not part of this scope of services.
- Coordination for historic or cultural resources is not part of this scope of services.

A. Off-Site Record/Document Review

The following records/documents will be reviewed prior to conducting field investigations. Soils information will be reviewed to determine the soil types encountered during the delineation procedures.

- Current and Historic Aerial Photographs;
- U.S. Geological Survey (USGS) Topographic Maps;
- U.S. Fish and Wildlife Service (USFWS), National Wetlands Inventory (NWI) Maps;
- Natural Resources Conservation Services (NRCS), Soil Survey of DuPage County;
- Hydric Soils of the United States;
- Federal Emergency Management Agency (FEMA), Flood Insurance Rate Maps (FIRM); and
- USGS Hydrologic Atlases.
- Hydric Soils of the United States; and
- DuPage County Wetland Inventory and Critical Wetlands Maps.

B. On-Site Investigation (Field Inventory)

GZA proposes to conduct on-site investigations of all potential wetlands within the project limits. Wetland delineation

field investigation activities include on-site testing for the presence of hydric soils, hydrophytic vegetation, and sufficient hydrology. A floristic quality assessment (FQA) will be conducted for each identified wetland. Functions of wetlands based on field observations will also be evaluated during the on-site investigation. The wetland and waterway perimeters within the project limits will be surveyed by GZA using a Global Positioning System (GPS) unit.

C. Wetland Report

A Wetland Delineation Report will be prepared summarizing the findings of the desktop review and the on-site investigation. This report will be submitted to the Client as a PDF only. This scope includes conducting a boundary verification with the appropriate agencies in order to meet the requirements of the DuPage Countywide Stormwater and Flood Plain Ordinance (See Task 3). The shapefiles of the wetland and surface water boundaries as surveyed in the field and verified by DuPage County will also be supplied to the Client. Specific items to be included in the report are as follows:

- Map showing the location, limits, and wetland boundaries within the project limits;
- Aerial photography depicting the limits of the delineated wetlands;
- USACE data sheets with FQAs, as required;
- Color photos of the wetlands and the data points; and
- Written description of wetland functional classification.

TASK 3 – Wetland and Waterway Boundary Verification

One wetland is anticipated to be present within or immediately adjacent to the project limits. DuPage County requires a boundary verification for wetlands and waterways, which is only valid for two years. The completion of a boundary verification with DuPage County for any delineated wetlands or waterways as part of Task 2 has been included within this scope of work.

Time is also included for the boundary verification submittal to DuPage County and one onsite meeting with DuPage County to complete the boundary verification. This task includes fees associated with obtaining a wetland boundary verification from DuPage County. Effective August 15, 2018, DuPage County has approved a revision to the stormwater permit review fees, which now includes a fee for wetland boundary verifications. The fees are as follows: development sites ≤5 acres is $300 and > 5 acres is $500. For this project, a fee of $500.00 for the boundary verification is assumed.

Once the formal boundary verification has been completed with DuPage County, GZA will provide the Client the wetland report in PDF format as well as shapefiles of all wetlands and waterway/surface water boundaries.

TASK 4 – QA/QC

Time under this task includes QA/QC time for field investigations, resource reviews, health and safety plans, and reports as described above.

TASK 5 - Project Administration

Time under this task includes project administration activities that includes cost and schedule tracking; coordination with Client on authorized activities; report/memo production and other in-house management activities.

3. PROJECT COSTS

The estimated man-hours and project costs are tabulated in the attached IDOT Cost Estimate of Consultant Services (CECS) sheets using the Client requested BDE 3606 Fixed Raises DLM 2.80 format and supporting BDE 436 Direct Cost worksheet.

4. SCHEDULE

We anticipate work will begin for the PSI/CCDD within 5 days of the Notice to Proceed (NTP) and be completed within 10 to 12 weeks. This schedule can be expedited to meet the needs of Client and the project owner, as necessary.

Please indicate acceptance of this agreement by returning a signed copy of this agreement or a purchase order incorporating the terms of the agreement. We appreciate the opportunity to collaborate with you and look forward to the successful completion of the project. If you have any questions concerning our proposed scope of services or fees, please contact us.

5. TERMS AND CONDITIONS FOR PROFESSIONAL SERVICES *(Revised 11/20/2019 per CBBEL/GZA)*

CONDITIONS OF ENGAGEMENT

The conditions of engagement are described in the attached Terms and Conditions for Professional Services. GZA's report will be prepared on behalf of and for the exclusive use of Client. Client acknowledges and agrees that the report and the findings in the report shall not, in whole or in part, be disseminated or conveyed to any other party, or used or relied upon by any other party, in whole or in part, except for the specific purpose and to the specific parties alluded to above, without the written consent of GZA. REIMBURSEMENT AGREEMENT
PRELIMINARY ENGINEERING SERVICES

Effective Date:

Estimate: $50,000.00

THIS REIMBURSEMENT AGREEMENT (**Agreement**) is made and entered into as of the **Effective Date**, by and between UNION PACIFIC RAILROAD COMPANY, a Delaware corporation (**Railroad**), and DUPAGE COUNTY DIVISION OF TRANSPORTATION (**Agency**).

RECITALS

A. Agency desires to initiate the project more particularly described on Exhibit A attached hereto (**Project**).

B. The Project will affect Railroad's track, right of way, or operations at or near the Project area more particularly described on Exhibit A.

C. Railroad agrees to collaborate with Agency on the conceptualization and development of the Project in accordance with the terms and conditions of this Agreement and any federal regulations.

AGREEMENT

NOW THEREFORE, the parties hereto agree as follows:

1. Railroad, and/or its representatives, at Agency's sole cost and expense, agrees to perform (or shall cause a third-party consultant to perform on Railroad's behalf) the preliminary engineering services work described on Exhibit B attached hereto (**PE Work**). Agency acknowledges and agrees that: (a) Railroad's review of any Project designs, plans and/or specifications, as part of the PE Work, is limited exclusively to potential impacts on existing and future Railroad facilities and operations; (b) Railroad makes no representations or warranties as to the validity, accuracy, legal compliance, or completeness of the PE Work; and (c) Agency's reliance on the PE Work is at Agency's own risk.

2. Notwithstanding the Estimate **(Estimate)**, Agency agrees to reimburse Railroad and/or Railroad's third-party consultant, as applicable, for one hundred percent (100%) of all actual costs and expenses incurred for the PE Work. During the performance of the PE Work, Railroad will provide (and/or will cause its third-party consultant to provide) progressive billing to Agency based on actual costs in connection with the PE Work. After completion of the PE Work, Railroad will submit (and/or will cause its third-party consultant to submit) a final billing to Agency for any balance owed for the PE Work. Agency shall pay Railroad (and/or its third-party consultant, as applicable) within thirty (30) days after Agency's receipt of any progressive and final bills submitted for the PE Work. Bills will be submitted to the Agency using the contact information provided on Exhibit C. Agency's obligation hereunder to reimburse Railroad (and/or its third-party consultant, as applicable) for the PE Work shall apply regardless of whether Agency declines to proceed with the Project or Railroad elects not to approve the Project.

3. Agency acknowledges and agrees that Railroad may withhold its approval for the Project for any reason in its sole discretion, including without limitation, impacts to Railroad's safety, facilities, or operations. If Railroad approves the Project, Railroad will continue to work with Agency to develop final plans and specifications and prepare material and force cost estimates for any Project related work performed by Railroad. Approval of any design submittal shall not be construed as consent to the acquisition (or conveyance) of any property interest, nor shall it be interpreted as a representation that any such acquisition (or conveyance) would be compatible with or non-interfering with Union Pacific's current and future railroad operations.

4. If the Project is approved by Railroad, Railroad shall prepare and forward to Agency a Construction and Maintenance Agreement (**C&M Agreement**) which shall provide the terms and conditions for the construction and ongoing maintenance of the Project. Unless otherwise expressly set forth in the C&M Agreement, the construction and maintenance of the Project shall be at no cost to Railroad. No construction work on the Project affecting Railroad's property or operations shall commence until the C&M Agreement is finalized and executed by Agency and Railroad.

5. Neither party shall assign this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned, or delayed.

6. No amendment or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties.

7. This Agreement sets forth the entire agreement between the parties regarding the Project and PE Work. To the extent that any terms or provisions of this Agreement regarding the PE Work are inconsistent with the terms or provisions set forth in any existing agreement related to the Project, such terms and provisions shall be deemed superseded by this Agreement to the extent of such inconsistency.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the Effective Date.

Re: Request for Continuation of Small Agency Grant Program

Dear District 3 Board Members:

On behalf of the Westmont Lions Club and Westmont Lions Foundation, we want to formally thank you for your support with our 2024 and 2025 DuPage County Small Agency Grant Award. As the County Board considers the 2026 funding of the Small Agency Grant, we want to highlight all the all the good deeds, and all the people who benefited from this grant.

In 2023 and into 2024 The Westmont Lions Foundation purchased 1,043 winter coats for children and adults alike, all of which were distributed between three organizations; Peoples Resource Center, Hope House and School District 60. Hats, gloves and socks were also distributed at the same time. Each item was given to an underprivileged individual or family in need as vetted by each organization. Additionally, food and personal care items were purchased and distributed to Peoples Resource Center and DuPage PADS.

Again in 2025 and 2026 our Foundation purchased another 1,236 winter coats along with hats, gloves and socks for the three organizations listed above. This year, our Lions members were fortunate enough to be invited to volunteer at PRC's Westmont location Coat Closet giveaway on November 10, 2025. On that night we were able to see first hand the profound impact this grant had on members of our community. We watched as individuals arrived in nothing more than a T-shirt on this cold wet November night, only to watch them leave in a warm winter coat and hat with great appreciation for the generosity and effort of a larger community they will never know. Parents continually thanked all volunteers as they navigated their way amongst racks of coats to find the perfect fit. Amazingly, 302 coats were given away on this night alone. We have included images of this night to help you understand the profound, and positive, impact the Small Agency Grant has had on Westmont and our surrounding neighbors.

This year we were also privileged to provide food and personal care items for hundreds of individuals with the remaining grant funds. Images of items being delivered to PRC and DuPage PADS have also been included for your reference. Our first hand experience has proven to us that the Small Agency Grant program is a worthwhile cause, one worth funding again for the benefit of our community and those in need. We have no doubt the recipients of the grant need and appreciate the efforts of all involved and are eager to pay it forward on the day when they are presented with the opportunity to help someone in need. We ask that you and your fellow County Board members continue to fund this valuable program.

RE: DuPage County Small Agency Grant Program - Westmont Lions Club

Dear DuPage County District 3 Board Members

I am honored to represent the Village of Westmont and the Board of Trustees in supporting the Westmont Lions Club, and ask that you please accept our letter of support for the Westmont Lions Club Small Agency Grant Program request.

The Westmont Lions Club is an active nonprofit in the Village of Westmont. The special projects and support that this club provides for DuPage County residents is very much appreciated by our community. This additional grant money will make it possible to assist additional families in need with food and clothing. Our Lions Club is more than just eye glasses, which they do very well, but also supports the People's Resource Center, DuPage PADs, and other DuPage County nonprofits to assist residents in times of need.

On behalf of the Village of Westmont residents, Mayor, and Board of Trustees please accept this letter of support.

RE: Darien Lions Club Foundation
Food Basket Program Grant Request

Honorable Commissioners,

I am writing to respectfully request a Grant in the amount of $30,000 to support the Darien Lions Club Foundation Food Basket Program (the "Program"). Last year with your Small Grant Application 2, the Program helped over 260 families with ten tons of food and over 2,000 toys.

This Program supports all in our District 3 area: Darien, Willowbrook, Burr Ridge, Westmont, Downers Grove and Woodridge. One hundred percent of the Grant request will go directly to food. All of our volunteers work for the benefit of the surrounding community. I have attached last year's 2025 Food Basket Committee Final Report and have photos of last year's Program for your reference.

The City of Darien fully endorses our request. In addition, the Program involves the Darien Park District facility, Sportsplex, the area High Schools and many social agency referrals. We look forward to seeing the Program help those in need.

If you have any questions or require further information regarding this Program, please do not hesitate to contact our volunteer Program CPA Arthur P. Donner at (630)789-6709 or via email at Cpadonr@msn.com.

Sincerely,

2025 Darien Lions Club Food Basket Program Report

The 2025 Darien Lions Club Food Basket Program stands as a powerful example of what service, commitment, and community partnership can achieve. Over the past six months, the Food Basket Committee worked with exceptional dedication — planning, coordinating, ordering, and ensuring every detail was handled with care and precision. Their leadership and teamwork formed the backbone of this year's success.

Program Impact

This year, the Darien Lions Club proudly served 260 families, delivering hope, stability, and compassion during the holiday season. Through the combined efforts of our committee, volunteers, and partners, we distributed:

- 10 tons of food
- 2,000 toys
- Thoughtfully prepared baskets that reflected dignity and care

Any undelivered food was donated to Our Lady of Peace and Our Lady of Mount Carmel churches in Darien, ensuring that nothing went to waste and that even more families in our community benefited

from this program.

Committee Appreciation

The Food Basket Committee devoted six months of planning, vendor coordination, budgeting , wrapping toys and logistics to make this program possible. Their hard work, attention to detail, and unwavering commitment ensured that every family received a complete and meaningful basket. Their service exemplifies the very best of Lionism.

Club Member Contributions

Our club members did far more than provide financial support — they showed up with heart, strength, and unity. Members stepped up assisting with:

- Unloading deliveries
- Packing baskets
- Organizing distribution
- Completing every delivery with care and pride

This hands-on involvement is what transforms a program into a mission, and a mission into a legacy

. **Youth Engagement & Community Leadership**

One of the most inspiring aspects of the 2025 Food Basket Program was the extraordinary involvement of local youth. Their energy, professionalism, and willingness to serve played a vital role in the success of this year's effort.

Hinsdale South High School – Students

A team of 20 students from the Hinsdale South Spanish program volunteered their time to conduct professional outreach calls to all 260 families.
They confirmed delivery times, answered questions, and ensured every household felt informed and supported. Their courtesy and communication skills reflected maturity beyond their years and set a high standard for service.

Downers Grove South Football Team

The Downers Grove South football players provided essential physical support throughout the program.
They handled much of the heavy lifting, including unloading food, moving pallets, and assisting with large-scale packing operations. Their strength, teamwork, and positive attitudes made a tremendous difference during the busiest moments

.

Local youth Baseball Teams

Local baseball teams stepped up to help with the toy collection and sorting process, ensuring that every child received the correct toys designated for their family. Their attention to detail and enthusiasm helped us deliver more than 2,000 toys with accuracy and care.

Lions' Children and Grandchildren

Perhaps the most heartwarming sight was seeing the children and grandchildren of our Lions Club members working side-by-side with us.
They packed baskets, carried bags, and helped with deliveries — learning firsthand what it means to serve their community. Their involvement represents the future of Lionism and reinforces the values we hope to pass on to the next generation.

RE: Letter Requesting 2026 Grant Support

Dear DuPage County Board Members and Grant Review Committee,

On behalf of Green Halo Scholars, I am grateful for the opportunity to request a grant of $25,000 to provide comprehensive college access and success programming to 35 high school students from DuPage County. Grant funds will be used to provide individualized college counseling, academic tutoring, and ACT and SAT preparation at no cost to students.

Green Halo Scholars is the only nonprofit organization dedicated specifically to college access and success in Chicago's western suburbs. We currently serve students from seven DuPage County area public high schools: Lyons Township, Hinsdale Central, Hinsdale South, Naperville Central, Westmont, Downers Grove South, and Downers Grove North. All Green Halo scholars come from low-income households and/or will be among the first generation in their families to attend college. Approximately 83% are expected to become the first members of their families to earn a college degree.

For our students, the road to college can be extraordinarily complex. They are navigating this process without access to the private counselors, tutors, test-preparation courses, and family experience available to their more affluent peers. Without knowledgeable, sustained guidance, promising students may underestimate their options, enroll in institutions they cannot afford, take on unnecessary debt, or miss opportunities for financial aid.

Green Halo addresses these inequities through a long-term, relationship-based model that begins in 10th grade and continues through college graduation. Each student receives personalized support tailored to their goals, strengths, academic needs, and financial circumstances. Our small cohorts and consistent mentorship allow our team to identify challenges early, celebrate progress, and ensure that no scholar slips through the cracks.

Green Halo's results demonstrate the power of this intensive approach. One hundred percent of Green Halo scholars graduate high school and matriculate to a four-year college or university; on average, each high school scholar receives four offers of admission at financially feasible institutions. Recent scholars have earned admission to institutions across the country, and Green Halo college scholars have attended more than 30 colleges and universities, including Cornell University, Howard University, Michigan State University, Northwestern University, Purdue University, the University of Pennsylvania, the University of Illinois Chicago, and DePaul University. The high school scholar Class of 2029 had an average out-of-pocket cost of just $171 for their first year in college, and 64% received a "full ride" financial aid package. Green Halo college scholars maintain an average GPA of 3.47.

These outcomes extend far beyond individual college acceptances. When a Green Halo scholar earns a degree, the benefits reach parents, siblings, and future generations. Families gain knowledge about higher education that can be shared with younger children, while graduates enter their careers with stronger earning potential, broader professional networks, and less financial strain. DuPage County benefits from a more educated workforce and from young people who are prepared to contribute their talents and leadership to their communities.

We are deeply grateful for DuPage County's commitment to expanding opportunity for local young people and families. A $25,000 investment in Green Halo Scholars will provide 35 deserving students with the academic preparation, expert guidance, and sustained personal support needed to transform college aspirations into college degrees.

Thank you for considering this request and for your continued investment in the success of DuPage County students. We would be honored to partner with the County to ensure that family income or first-generation status never determines how far a talented and motivated young person can go.

Sincerely,
