10. PRESENTATION

10.A. Finance Department FY2026 Budget Presentation

Jennifer Sinn, Deputy Chief Financial Officer, provided a brief overview of the Finance Department's and Tort Liability's FY2026 budget request. The Finance Department helps the County Board, Elected Officials, Executive Staff, and Departments. The Department assists with budget, procurement, accounts payable, auditing, grants, accounting, risk management, and the mailroom. In addition, the Department performs long-term financial planning, forecasts revenues and expenses, and manages the County-wide financial systems including the OpenGov budget system, the Infor ERP accounting system, and the MHC invoicing system. The Department is funded by overall General Fund revenues. The Department has taken a conservative approach to spending in FY2026, with a budget request that is only 1.5% higher than the FY2025 current budget. Committee members appreciated the presentation's layout and clear information, along with the budget to actual information. All Elected Officials and Departments have been asked to present their FY2026 budget requests to the Finance Committee.

5. PRESENTATION

5.A. Housing Solutions Presentation

Committee Members Sheila Rutledge and Sam Tornatore, Co-Chairs of the Ad-Hoc Housing Solutions Committee, provided a brief introduction to the Housing Solutions presentation. Member Tornatore explained the meaning of the "missing middle", people who are born, raised, and work in DuPage County, but who maybe make too much money to receive government assistance, and not enough money to live where they work or where they were raised.

Jeremy Custer, Senior Advisor, provided the Committee with a recap of the work that has been done so far. In both FY22 and FY23, the County allocated \$2.5 million dollars for housing from the County's surplus fund. In July 2024, the housing action plan was released. Definitions for the terms "Housing Trust Fund", "Community Land Trust", and "Land Bank" were explained. Staff's preferred recommendation is to establish a County Land Bank with an established nonprofit. This gives the County the internal controls it desires, the ability to receive the Community Land Trust expertise needed, and the authority to address the diverse needs of housing within the County. This option also helps alleviate the staff burden and is a proven, tested model.

Paul Hoss, Planning & Zoning Administration Coordinator, reviewed next steps with the Committee. First, on today's County Board agenda, is approval of a resolution establishing the County Land Bank and authority to enter into an agreement with a nonprofit for the Community

Land Trust. Future upcoming steps include: issuing an RFQ/RFP for potential nonprofit partners, establishing internal administrative rules and guidelines for the Land Bank & Community Land Trust, formalizing an agreement with the nonprofit partner, and then implementing the programming based off the needs of the community working with the nonprofit and housing partners.

The average median income (AMI) that participants must meet for this program is 80%, which follows State statute. Staff is working on a legislative level to raise the AMI for this program to 150%. The nonprofit will be in charge of ensuring that program participants meet the income eligibility requirements. The rules of the program would follow current State law. Future funding options for this program may include fundraising opportunities, private donations, and potential County funding.

2. In the event of material cost changes in federal, state, or local taxes including, but not limited to, social security taxes, unemployment taxes or payroll based taxes or an increase in the minimum wage rate or the implementing regulations or the enactment or application of any “living wage”, “prevailing wage” or similar laws by any governmental entity; and/or an increase in employee benefits whether as a result of a change in federal, state, or local laws or a federal, state, or local legislative or regulatory mandate or otherwise, it is agreed that the parties shall adjust the meal prices to reflect said increases. Following this incident, we have found some shortcomings in our backup system. To provide the best possible service to the Sheriff's Office, we would like to have it managed and maintained by a service, so we won't encounter problems like we have in the past. Our multiple backup locations did help with this. Still, to maintain a well-dispatched backup poster, we would need personnel to monitor the backups and perform regular tests on them, or partner with a service. We want to partner with ThinkGuard for this service.</p> <p>We have approximately 50TB of data to back up and around 540 Office 365 users.</p> <p>This service will provide the Sheriff's Office Servers 1 year of backups, Off-site backups on the East and West coasts, 24/7/365 monitoring and support for backs, 1-2 annual disaster recovery testing, Works with the Sheriff's Office on the Disaster recovery plan, they can do it every 5 minutes, 24 hours. Office 365 is unlimited backup storage (OneDrive, email, Teams, SharePoint). This backup is performed three times a day, and the same level of monitoring and support is provided for servers. From start to finish, it is HIPAA and CJIS compliant.</p> <p>They are on the Interlocal Purchasing System (TIPS): https://www.tips-usa.com ThinkGard contract number: 220105</p>

SREC Aggregation and Purchase Agreement for the Illinois Adjustable Block Program

Parties

The parties to this Renewable Energy Certificate Purchase Agreement ("Agreement") are: "Seller," listed as the System Owner in Cover Sheet A and "Buyer," which is Carbon Solutions SREC LLC.

The above named entities, referred to collectively as the "Parties" to this contract and individually as a "Party," wish to agree to the following:

These General Terms and Conditions are intended to facilitate the purchase and sale of Renewable Energy Credits ("RECs") from photovoltaic solar systems in accordance with Illinois Adjustable Block Program ("ABP"). The ABP terms, provisions, and supporting documents are outlined on the ABP Website: <http://illinoisabp.com/>. Unless defined differently in this Agreement terms and definitions for this contract are consistent with the ones listed in the Illinois Power Agency ("IPA") Act and in the Program Guidebook listed on the ABP Website.

The Seller certifies that it has exclusive rights to the RECs produced by the distributed generation renewable energy system ("the System") described in Appendix A from which the Buyer has agreed to purchase renewable energy credits under the Agreement.

Seller certifies the system is eligible for compliance with the ABP. Seller warrants, as of the Effective Date and for the ongoing term of the contract, that the System meets all the requirements of the ABP for compliance. The ABP contained within the Illinois Renewable Portfolio Standard, as established under [20 ILCS 3855/1-75, is](#) the Applicable Program under this Agreement. Seller further certifies the following:

- Seller has received and reviewed the Illinois ABP Brochure (as noted in System Owner/Host Certifications);
- Seller has reviewed and signed the Illinois ABP Standard Disclosure Form (as noted in System Owner/Host Certifications);
- All Part I System information and supporting documentation has been provided to the Buyer;
- All Part II System information and supporting documentation have been or will be provided to the Buyer upon energization;
- The System is not and will not be a generating unit whose costs are being recovered through rates regulated by Illinois or any other state or states, as required by Section 1-75(c)(1)(J) of the IPA Act;
- The System is a new generating unit such that the Date of Final Interconnection Approval did not occur before June 1, 2017, as required by Section 1-75(c)(1)(K) of the IPA Act;
- The System has been installed by Qualified Persons in compliance with Section 16-128A of the Public Utilities Act and any rules or regulations adopted thereunder, as required by Section 1-75(c)(7) of the IPA Act;

CARBON SOLUTIONS SREC | 515 N State | Chicago, IL 60654 | 312.971.6245
SREC.carbonsolutionsgroup.com

- The System has been or will be installed by a company with current Distributed Generation Installer certification from the Illinois Commerce Commission ("ICC"). (<https://www.icc.illinois.gov/Electricity/authorities/DistributedGenerationCertification.aspx>);
- The System meets the definition of the Class of Resource indicated in Cover Sheet A and meets the requirements specified in the IPA Act or rules promulgated by the ICC for the designated Class of Resource;
- The System is interconnected at the distribution system level in Illinois with the electric facilities of Ameren Illinois Company, Commonwealth Edison Company, MidAmerican Energy Company, Mt. Carmel Public Utility Co., or a "municipal utility" as defined in Section 3-105 of the Illinois Public Utilities Act, or a "rural electric cooperative" as defined in Section 3-119 of the Illinois Public Utilities Act;
- The System is located on the customer side of the customer's electric meter and is primarily used to offset that customer's electricity load; and
- The System's Nameplate Capacity (AC rating) is no more than 2,000 kW (2 MW).

This Agreement is contingent on the System's acceptance into the ABP. The Seller acknowledges that all of the terms and conditions in the Agreement are contingent upon the System being accepted and approved by the IPA or its designee and subsequent approval by the ICC and inclusion within the assigned utility's ABP Renewable Energy Credit Agreement "Utility Agreement."

Projected Purchase Price: Price indicated in Cover Sheet A. This is the price to Seller after fees have been taken out, but not before bonding has been withheld (if bonding is withheld from payment). This price is subject to change before becoming the Final Purchase Price if system specifications change between the issuance of Cover Sheet A and the System's installation and energization. If the ABP Block the System is accepted in has a lower price than listed in Cover Sheet A the Final Purchase price will also reflect the lower block price and therefore differ from the Projected Purchase Price.

Article 2. Terms

2.1. Term of Agreement. This Agreement shall commence as of the Effective Date and shall remain in effect until the Delivery Term End Date or, in the case that the Delivery Term End Date is extended beyond the Initial Delivery Term; two (2) years after the end of the final Delivery Term End Date Extension period. Alternatively, the Term of the Agreement may end upon the termination of the Agreement in accordance with its terms (the "Term of the Agreement"). Earlier termination of this Agreement may occur as a result of the execution by the Parties of an additional agreement.

2.2. Initial Delivery Term. The initial Delivery Term shall commence on the Delivery Term Start Date and end on the Delivery Term End Date and this shall constitute the full Term of the Agreement. Unless modified in accordance with Section 2.4, the Delivery Term will end the last day of the one-hundred eightieth (180th) month after the date on which the initial REC delivery has been completed from the System. Buyer is not obligated to purchase any RECs delivered to Buyer's account after the Delivery Term End Date. The Seller and the Buyer may enter into an extension or a second contract after the Delivery Term End Date to market the Seller's RECs beyond those contracted for.

2.3. Delivery Term Start Date. The Delivery Term Start Date is the date the first REC delivery under this contract is made to the Contracting Utility. This delivery will be made after the System is registered in either the PJM-GATS or M-RETS tracking registry. For systems larger than 5 kW AC, the first REC must be delivered within 90 days of the date the System is energized and registered in GATS or M-RETS. For Systems smaller than 5 kW AC, 180 days for the first REC delivery will be allowed.

2.4. Delivery Term End Date Extension. The Delivery Term End Date shall be extended by five (5) calendar years (1) for each Delivery Year Shortfall as defined in Cover Sheet C and Section 5.5.5, or (2) in the event Seller's default. The Delivery Term End Date shall also be extended by one (1) year as set forth in Section 3.6 and Section 5.5.8. In situations where the Delivery Term End Date is extended ("Extended Term") beyond the initial Term of the Agreement, all rights shall convey to Buyer as described in Section 7.3 during such Extended Term(s). Each extension shall be expressly additive in nature insofar as multiple extensions for remedy of the above referenced sections shall be sequential and successive.

2.5. **Delivery Date.** Seller must send or maintain access for Buyer to obtain meter reads from a meter meeting the requirements listed in Section 3.5 of this contract for the duration of the Term of the Agreement. Meter reads must be sent or available monthly for the duration of the Term from the 1st to the 15th of each calendar month.

2.6. **Delivery Term End Date.** Unless modified in accordance with Section 2.4, the Delivery Term will end the last day of the one-hundred eightieth (180th) month after the date on which the initial REC delivery has been completed from the System. Buyer is not obligated to purchase any RECs generated by the System after the Delivery Term End Date. In the event of an extended delivery compensation for any RECs will solely be made according to Section 7.3.

Article 3. System

3.1. **RECs only from System.** Buyer will only purchase RECs from the System that is identified in Cover Sheet A. RECs that are not from the System will not be accepted by Buyer unless expressly agreed upon by the Parties.

3.2. Omitted.

3.3. **Installation Consistent with Description.** The System is required to have been Installed consistent with the description set forth in Cover Sheet A of this Agreement. Any modifications to the System from that described in Cover Sheet A must be accepted and approved by the IPA or the IPA's Designee and must adhere to the rules of this Agreement.

3.3.1 **Co-Location of Systems.** The total capacity of DG Systems enrolled in the ABP at a customer's location will be considered a single System. (For example, three 100 kW systems at a single location will be considered a single 300 kW system.) For purposes of determining the System's REC price, a System's location is considered to be (a) a single building (regardless of the number of utility accounts at the location) for rooftop installations and (b) a single property parcel for ground-mounted systems (if a property had both rooftop and ground-mounted systems, it will be considered a single system). Additionally, systems located on multiple different rooftops on the same parcel will be considered a single System if each system is owned by the same entity or its affiliates.

If two or more projects on one parcel are separately owned and serve to offset the load of separate entities, then in order to have these arrays considered as separate projects, Seller must provide proof that the occupants are not affiliated entities, and each has a separate utility meter and separate utility billing and the IPA must confirm and accept the systems as separate.

3.4. **Tracking Registration and Energized Date.** The System must be completely installed in compliance with IPA rules, energized and registered with the tracking system (PJM-EIS GATS or M-RETS) in accordance to the following Deadlines:

3.4.1 **Deadline to Energize Systems.** DG Systems must be energized within twelve (12) months of being approved by the Program Administrator and Utility. Seller must provide Buyer with all required documentation no later than thirty (30) days before the System Energization Date. This additional time is required for Buyer to register the System with the applicable tracking registry and set up standing orders for the term of the contract. Systems which do not provide energization information thirty (30) days prior to their energization deadline may not meet the deadline and could have their contract terminated and corresponding Collateral forfeited.

3.4.2. **Notice of Energization.** Within five (5) business days after the System is installed and successfully energized, Seller shall provide notice to Buyer by updating its original Application on Buyer's web portal, and such update shall include the final Nameplate Capacity (AC rating) of the project ("Final System Size"), the "Energized Date" (the date on which the System became energized and operational), and any associated documentation required therein, including, but not limited to the documents listed in Attachment F. Seller shall provide any additional required or requested information or documentation reasonably requested by Buyer. At the time the Notice of Energization is submitted to Buyer (through the update to the original Application), Seller will thereby represent and warrant that all information and certifications contained therein are true, accurate and correct, and Seller shall not fail to include information required so as not to be misleading or misrepresentative.

3.5. System Metering Requirements The System must meet the following metering criteria. The meter described below is not the System's Utility meter, but the System's Solar Production Meter. All systems not yet registered on a tracking system that will be registered by Buyer will be registered in PJM GATS unless specifically noted on this contract.

3.5.1 Systems Registered with M-RETS All systems registered with M-RETS must utilize an ANSI C.12 certified revenue quality meter as specified in M-RETS Operating Procedure 7.2. The IPA will not accept any metering less stringent than that required by M-RETS.

3.5.2 Systems Registered with PJM GATS

Systems up to 10 kW AC Systems of 10kW in size and below registered with GATS must utilize either a meter that is accurate to +/- 5% (including refurbished and certified meters), or an inverter that is specified by the manufacturer to be accurate to +/- 5%. The inverter must be UL-certified and must include either a digital or web-based output display.

Systems over 10 kW AC and less than 25 kW AC Systems over 10 kW and less than 25 kW in size registered with GATS must utilize a meter that meets ANSI C.12 standards. Meters that are refurbished (and certified by the meter supplier) are allowed.

Systems 25 kW AC and above Systems of 25 kW and above registered with GATS must utilize a new meter that meets ANSI C.12 standards. The meter must be new at the time of the installation of the meter on the System and not new for this contract.

3.6. Metering. The System must be located behind the customer's utility meter of a distribution customer of the Interconnecting Utility indicated in Cover Sheet A. The System must have a Revenue Quality Meter so as to allow the System owner to have the ability to measure the output of the System. Such meter or separate meter dedicated to the measurement of the System's energy output for the determination of the quantity of RECs created shall be installed, operated, maintained and tested in accordance with good utility practice, PJM-EIS GATS or M-RETS requirements, as applicable, and any other requirements and standards issued by the Interconnecting Utility and the IPA. Seller shall be responsible for the System to be in compliance with the terms and conditions of the Interconnecting Utility's tariff for all other metering required of the System. Seller shall be responsible or shall ensure the System owner is responsible for all costs associated with such metering consistent with all standards and requirements set forth by the Interconnecting Utility. Failure to maintain meter in working order including internet connection may result in default by Seller. Systems are strongly encouraged to maintain an internet connected meter. Systems that do not have internet connected meters will be charged an additional fee of 8% of the Purchase Price by the Buyer. As outlined in Section 5.5.8, each three (3) month period of missed meter reads will result in an extension of the Term of the Agreement by one (1) year.

3.7. Interconnection Agreement. This Agreement does not provide for the interconnection of the System to the Interconnecting Utility's electric distribution system. Seller shall seek such interconnection service from the Interconnecting Utility in accordance with the Interconnecting Utility's applicable interconnection process. Seller shall comply with the terms and conditions of the Interconnection Agreement. Seller shall be responsible for all costs and expenses associated with the interconnection of the System consistent with all standards and requirements set forth by the Interconnecting Utility.

3.8. Systems with a Battery Backup. All systems which include a battery shall be electrically connected in a manner which ensures that any non-solar generated electricity used to charge the battery is not later metered as solar generated power. This can be done in one of two ways:

1. The meter used to report production is electrically located before the battery charger and does not measure any power that is drawn from the battery bank.
2. A net meter is connected to the system that runs in reverse when any non-solar power, including on-site generator power, is used to charge the battery bank.

This must be an integral part of the physical system design. An inverter which can be configured using software to preclude non-solar charging of the battery bank is not sufficient if that inverter is used as the source of reporting for renewable generation.

3.8.1. Battery Backup Environmental Attributes. Any environmental attributes associated with a battery installed with the system shall convey to Buyer as prescribed in Section 7.3.

3.9. No Partial Systems. All Systems entered into the ABP must include the entire output of the system. Any capacity of a System which is not part of the ABP must be separately metered with a separate inverter.

3.10. Changes To System Size. If the Final Installed System Capacity is different from the System Capacity in Cover Sheet A and the Final Installed System Capacity is within the greater of: +/-5kW or +/-25% of such System Capacity in Cover Sheet A, then the following shall apply:

3.10.1. If the System Capacity in Cover Sheet A is equal to or less than 10 kW, and the Final Installed Capacity is greater than 10 kW, then the monetary amount that is eligible for payment for RECs from such System in the first REC payment shall be adjusted from one hundred percent (100%) to twenty percent (20%) of the REC Purchase Payment Amount with the remaining balance of the REC Purchase Payment Amount eligible to be made ratably over the subsequent 16 quarterly periods. If the System Capacity in Cover Sheet A is greater than 10 kW, and the Final Installed Capacity is equal to or less than 10 kW, then the monetary amount that is eligible for payment for RECs from such System in the first REC payment shall be adjusted from twenty percent (20%) to one hundred percent (100%) of the REC Purchase Payment Amount;

3.10.2. If the Final Installed Capacity is greater than the System Capacity in Cover Sheet A then:

- (A) the Purchase Price for purposes of payment shall be the REC price applicable to the Final Installed Capacity under the ABP at the time of Energization of such System, and if such REC price is not available then the last prevailing REC price applicable to the Final Installed Capacity under the ABP; and
- (B) the quantity of RECs used for purposes of payment shall be the lesser of the REC quantities calculated based on: (1) the System Capacity in Cover Sheet A and Capacity Factor and (2) the Final Installed Capacity and Capacity Factor.

3.10.3 If the Final Installed Capacity is less than the System Capacity in Cover Sheet A, then:

- (A) the Purchase Price for purposes of payment shall remain unchanged from the Proposed Price indicated in Cover Sheet A to the Final Purchase Price applicable to such System. For avoidance of doubt, the Purchase Price for purposes of payment shall not include any additional adders that may be applicable to smaller sized generating units under the ABP; and
- (B) the quantity of RECs used for purposes of payment shall be the lesser of the REC quantities calculated based on: (1) the System Capacity in Cover Sheet A and Capacity Factor and (2) the Final Installed Capacity and Capacity Factor.

Article 4. Prerequisites for Purchases

4.1. Buyer's obligation to begin the purchase of RECs from Seller at the rates of payment specified in Cover Sheet A is contingent upon the satisfaction of all of the following conditions:

4.1.1. Seller has provided or will provide Buyer with all documents required for participation in the ABP. These documents include but are not limited to supporting documents listed in Attachment F;

4.1.2. Seller has provided Buyer with all information, documentation, and permission necessary to create a valid account in PJM-EIS GATS or M-RETS for purposes of obtaining full rights and title to RECs from the System and delivering such RECs to Buyer's PJM-EIS GATS or M-RETS account. This includes but is not limited to: system identification information and Schedule A (attached to contract);¹

4.1.3. Seller has all rights to the RECs to be delivered by Buyer to the contracted utilities' PJM-EIS GATS or M-RETS account and such rights include the rights to deliver and convey title of such RECs to Buyer such that, upon delivery, all rights and ownership of delivered RECs shall belong to Buyer. This includes that the System did not participate in or receive any funding from a grant that claimed ownership of the System's RECS or prohibited the system from selling RECS.

4.1.4. The Delivery Term Start Date has occurred;

4.1.5. If System owner and host are different entities or individuals, the Seller must provide the Buyer with a signed host agreement as an attachment to this Agreement;

4.1.6. The ICC has entered an order approving a batch including the System;

4.1.7. Seller shall not claim to be using clean or renewable energy or otherwise suggest that the System owner/System host receives or uses renewable electricity or make any other claim which might interfere with the right to the RECs. Any environmental claims made by Seller as they pertain to a System subject to this Agreement that are not expressly approved by Buyer may constitute default under this contract. Further guidelines on marketing claims are available in the ABP Marketing Guidelines on illinoisABP.com;

4.1.8. The IPA and ICC have accepted the system into the ABP program; and

[4.1.9.] The IPA must approve of the System's participation in the ABP. If the System is not selected or approved to participate in the ABP this agreement shall remain in place for one (1) calendar year to allow for submission of the system in subsequent blocks. If after one (1) year the system has still not been accepted in the ABP and no extension of this Agreement has been agreed upon, this Agreement is void. Furthermore, the IPA is the primary entity responsible for confirming whether each System's characteristics meet the requirements of the ABP for purposes of this Agreement, and the Parties acknowledge and agree that the IPA (or its designee) shall have the right to request more information from Seller on a System and conduct on-site inspections and audits to verify the quality of the installation and conformance with information submitted to the Buyer. If the IPA (or its designee) determines that a System as built (i) is in material non-conformance with requirements of the ABP; or (ii) is materially non-conforming with the information previously submitted by Seller to the IPA (or its designee) about that System, then the Buyer shall provide notice of the material deficiency to Seller. Seller shall then have twenty (20) business days to cure the material deficiency, with extensions for good cause issued at the discretion of the Buyer. If the Buyer or the IPA determines in its reasonable discretion that the System's material deficiency continues rendering the System ineligible for the ABP, the Buyer shall have the right to terminate this Agreement through written notice to Seller. Buyer's rights to recover any losses from Seller under this Agreement shall survive such termination of the Agreement. Buyer's remedies include, but are not limited to, payment by Seller in the amount of the greater of: (i) the Collateral Requirement or (ii) one hundred percent (100%) of the total payments Seller has received from Buyer associated with RECs from such System, but only to the extent that such payment covers Buyer's actual and reasonable losses under this Agreement. This shall be drawn automatically from the payment method the Seller has on file and Buyer shall pursue all means including ones in the Security Agreement Addendum to recover payments.

Article 5. Purchase and Sale of RECs

5.1. Obligation to Purchase and Sell RECs

5.1.1. After the Delivery Term Start Date, upon satisfaction of all Article 4 pre-requisites and until the Delivery Term End Date Seller shall sell and Buyer shall receive and purchase all RECs generated by the System. Notwithstanding the foregoing, Buyer may, at its sole discretion, annul its obligation under this Section 5.1.1 to receive and purchase RECs beyond the end of the Delivery Term described in Section 2.2.

5.1.2. In addition to Seller's sale and Buyer's purchase of RECs, Buyer, without the payment of any additional consideration to Seller, shall receive title to, and Seller shall convey to Buyer, any and all other Environmental Attributes associated with the electricity generated or load saved by the System. Buyer shall also retain rights to data and records associated with the energy generated by the system during the life of the contract.

5.1.3. Beginning from the Delivery Term Start Date through the Delivery Term End Date (including any extensions), ownership of all RECs generated by the System shall belong exclusively to Buyer, and Seller shall not sell, divert, grant, transfer or assign such RECs to any person or entity other than Buyer unless otherwise specifically provided herein. Seller shall not enter into any agreement or arrangement under which any person or entity other than Buyer can claim such RECs from the Delivery Term Start Date through the Delivery Term End Date (with any extensions) except as otherwise specifically provided herein.

5.1.4. Omitted.

5.1.5. Omitted.

5.1.6 Omitted.

5.2. For purposes of clarification, Buyer shall not purchase, or take title to any energy or capacity from the System under this Agreement.

5.3. This Agreement shall not provide the basis for any preferential treatment for any other products or services between the Parties. This Agreement also makes no provision for net metering.

5.4. Seller agrees to provide any additional permission, information, or documentation needed to register the System in any other REC or environmental credit market that is requested by the Buyer

5.5 **Seller Responsibilities.** The seller agrees to comply with all of the following terms:

5.5.1 The Seller grants Buyer the right to act as its REC generator on the appropriate tracking system. This includes completing all the necessary paperwork for the applicable tracking system (PJM GATS or MRETS).

5.5.2 The Project must give all ownership rights to all RECs generated for the Term of the Agreement (and any extensions thereof) to the Buyer.

5.5.3 The System must meet the metering requirements in the ABP (see Sections 3.5 and 3.6, supra).

5.5.4 Projects must either maintain an internet connection (which may be a cellular or wireless connection) to the device being used for generating metering data and grant Buyer the rights to their energy production data so Buyer may generate RECS accordingly, or, alternatively, the Seller must furnish monthly production data to the Buyer. This may include but is not limited to a picture of the meter or inverter reading each month. Sellers without online monitoring of their System must provide Buyer with their System's production on a monthly basis according to the method provided by Buyer. Systems without an internet connected meter will have 8% of the Purchase Price withheld as a non-internet fee by the Buyer. The cost of the internet connection is the Seller's sole responsibility.

5.5.5 In the event of a sale of the property hosting the System or any change otherwise in the ownership of the System, Buyer maintains the rights to the RECs generated following the change in ownership of the System. To be clear, this applies whether or not the ownership rights of the System are sold along with the rest of the property. Seller commits that this Agreement shall be assigned, if necessary, to the appropriate entity to effectuate the purpose of this Agreement. The Buyer retains the rights to all RECs generated during the Term of this Agreement as set forth herein. All Collateral held from the System will be transferred and refunded to the System owner at the end of the Term of the Agreement. Additional Collateral may be required from the new System owner upon transfer of ownership. Each transfer of ownership of the system will automatically incur a cost of either: \$25/kW AC (paid by SREC seller at the time of sale to Carbon Solutions) or, if not paid at the time of sale, a 5 year unpaid extension of the REC delivery schedule.

5.5.6 The System must meet any other requirements not explicitly mentioned here but required under the IPA Act, 20 ILCS 3855/1-1 et seq., or the orders entered in ICC Docket No. 17-0838.

5.5.7 Systems must be completely located within the State of Illinois

5.5.8 Failure by the System owner to deliver meter reads or applicable documents to Buyer at least once every three (3) calendar months can result in default of this Agreement by the System owner.

5.5.8.1 **Failure to deliver meter reads.** If Seller fails to deliver to Buyer meter reads at least once every three (3) months in accordance with Section 5.5.8, then Buyer will provide electronic notice to Seller of such failure. If Seller has

not delivered meter read data to Buyer within twenty (20) business days of the notice to Seller the Buyer has the option to hold Seller in Default and or to extend the term of this Agreement by one (1) year in order to recoup any losses to Buyer arising from such failure. Failure to deliver meter reads for a full year will result in Default by the Seller.

5.5.8.2 Failure to deliver registration documents. If Seller fails to deliver to Buyer required registration documents including but not limited to those listed in Attachment F within twenty (20) calendar days of System energization, Buyer will provide electronic notice to Seller of such failure. If within twenty (20) business days following the notice to Seller the registration documents are not delivered by Seller, Buyer has the option to hold Seller in Default or extend the term of this Agreement by one (1) year in order to recoup any losses to Buyer arising from such failure.

5.5.9 Maintenance and Repair; Insurance.

5.5.9.1 System Upkeep And Maintenance. Seller shall be responsible for all necessary upkeep and maintenance of the System in order for the System to achieve the expected REC deliveries set forth in Cover Sheet C, or any amendments thereto or any other such minimum output requirements or obligations under an extension of this Agreement. If the System falls into a state of disrepair or is destroyed, or its production is otherwise interrupted, Seller shall promptly notify Buyer upon notice or event of such disrepair, destruction, or interruption.

5.5.9.2 System Disrepair or Destruction. If the System falls into a state of disrepair or is destroyed, or its production is otherwise interrupted, Seller shall be responsible for initiating repair on the System within thirty (30) calendar days from the date of initial disrepair, destruction, or interruption. Failure to notify Buyer of the initiation of such repairs within thirty (30) calendar days from the notice or event of initial disrepair, destruction, or interruption may constitute an Event of Default of this Agreement at the Buyer's option.

5.5.9.3 System Interruption. If the System falls into a state of disrepair or is destroyed, or its production is otherwise interrupted, Seller shall be responsible for bringing the System back online and operational including reporting meter reads to buyer and ensuring the System recommences the production and delivery of electricity onto the grid, commensurate with its Nameplate Capacity (AC rating) within thirty (30) days from the initiation of such repairs. Failure to bring the System back online within thirty (30) days from the initiation of such repairs shall be an Event of Default of this Agreement. If necessary and at the sole discretion of Buyer, Seller grants to Buyer permission to access the site of the malfunctioning System such that Buyer, or its representatives, could repair the System. All reasonable costs incurred by Buyer to repair the System will be reimbursed by Seller immediately upon receipt of invoice from Buyer. Seller's failure to reimburse such costs may result in an equivalent amount withheld from any future payments due Seller under this Agreement.

5.5.9.4 Insurance. A non-residential Seller with a System above 25 kW (AC) shall maintain, at all times during the Term of the Agreement, commercial liability insurance, general liability insurance, third party liability insurance, and all risk insurance policies of a normal and customary value, provided that the risk insurance policy shall cover, at the minimum, the total cost of the System, for purposes of maintenance and repair. Seller shall present proof of such coverage to Buyer upon request. A residential Seller shall maintain, at all times during the Term of the Agreement, general liability and property insurance which covers, at a minimum, the total cost of the System, for purposes of maintenance and repair. Any unresolved lapse in coverage for more than three (3) months during the term of the contract may constitute a default under this Agreement at Buyer's option.

Article 6. Quantity; Purchase Price & Collateral

6.1. Purchase Price During Initial Delivery Term. All RECs produced by the System during the Initial Delivery Term of the Agreement shall be purchased by Buyer at the Purchase Price indicated in Cover Sheet A or the Final Purchase Price if amended. For avoidance of doubt this initial purchase price shall only apply to RECs which have been sold under the Buyer's ABP contract and shall not include any RECs generated under any extended terms.

6.1.1 Purchase Price During Extended Term. RECs produced by the System and delivered to the buyer during any Extended Term shall be acquired in accordance with Article 7.3. For avoidance of doubt RECs delivered during any extended term shall not be compensated at the rates awarded for ABP contracts, but instead shall be conveyed solely as described in Article 7.3.

6.2. Application Fee & Collateral. The Seller shall pay a non-refundable application fee of \$20/kW (up to \$15,000 per System) to the Buyer immediately upon entering into this Agreement, unless the fee has been covered by another party outside of this Agreement. If the fee will be covered by a third party Buyer must be given notice in writing and agree. The Seller shall also pay 5% of the Total Contract Value before fees to the Buyer as Collateral upon ICC approval of the System. Buyer will notify Seller of ICC approval via email. Seller has sixty (60) days after notification from the Seller to pay the full Collateral requirement to the Seller. If the Seller pays more than sixty (60) days after this notification, a penalty will be added consistent of the terms of the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* A failure or delay to pay Collateral may result in default by the Seller. The Buyer may, at its sole discretion, withhold payment from Seller to recoup collateral and or late payment penalty,

6.3. Collateral Maintenance and Management. Seller understands and agrees that Seller will be required to maintain a predefined Collateral balance (refer to Coversheet B) with Buyer for the entire Term of the Agreement. The Collateral will be determined in the Application based on the kilowatt AC size of the System, and further adjusted based on the Final Contract Value. The Collateral will be used to fulfill shortfalls in REC production relative to the production schedule agreed upon in the Coversheet C. In the event the Collateral is needed to meet a shortfall in RECs delivered under Buyers ABP contract due to REC production shortfall, Seller will be required to make a payment to Buyer to restore the Collateral to the full original balance (a "Performance Call"). Payment to restore the Collateral will be made by credit card, ACH withdrawal from Seller's bank account, or other method as required. In all instances when a Performance Call is made, Seller will have no more than five (5) business days to restore the Collateral. In the event that Buyer requires a Performance Call from the Seller and the Seller is unable to restore the Collateral in the required time frame, Seller agrees and authorizes that Buyer may use any and all commercially available means to collect the Collateral from Seller. Commercially available means include, but are not limited to, charging a credit card the Seller keeps on file with Buyer, withdrawing funds automatically from the Seller's bank account, utilizing another form of payment, or hiring third party collection agencies. If it is determined that during the Term of the Agreement the Seller's form of payment in the event of Performance Calls is no longer active, the Seller will be required to update its form of payment for events of Performance Calls in their account on Buyer's website. Additionally, Buyer reserves the right to take all legal actions under any Security Agreement Addendum as set forth in Section 6.4. At all times during the Term of this Agreement, the Seller represents and warrants that it has the financial wherewithal to maintain the Collateral required under the terms of this Agreement. Furthermore, for each 30 day period for which the Performance Call is not answered Seller will accrue an additional 1.5% monthly fee.

For the avoidance of doubt, the full Collateral associated with the System under this Agreement shall be forfeited should a System not meet the REC production obligation outlined in Cover Sheet C for more than three (3) delivery years. If a system is greater than 10 kW (AC) and underproduces for more than three (3) delivery Years relative to its expected annual REC Quantity, Buyer reserves the right to automatically revise the system's Capacity Factor during the initial four-year payment term. Additionally, Buyer reserves the right to use all existing Collateral, Collateral subsequently received from a Performance Call, and any future payments still forthcoming from the Contracting Utility to adjust the system's Total Contract Value as Buyer deems necessary.

6.3.1 Additional Collateral Withheld from REC Payments. Buyer reserves the right to withhold Additional Collateral. At the Buyer's discretion Systems will have Additional Collateral withheld from the first REC payment. This Additional Collateral requirement is outlined in Cover Sheet C.

6.3.2 Collateral Payment Information. No payment will be made to Seller until Seller has given Buyer valid authorization and transaction information to be used for automatic Collateral Drawdown. Buyer shall have the right to verify payment method is valid. This includes the right to charge the seller One (1) Dollar each Delivery year to verify this payment method.

6.3.3 Collateral Withheld from REC Payments. Buyer reserves the right to withhold Additional Collateral and Collateral Drawdown payments directly from from payments made to the Seller. If the System is over 25kW AC and requires Collateral Drawdown before all REC payments have been made to the Seller, then the Buyer may withhold the Collateral Drawdown Payment from the payment(s) to the Seller.

6.4. Security Agreement Addendum. As a condition to providing the services outlined in this Agreement, if Seller has a property interest in the System, Buyer may require the Seller to enter into the Security Agreement Addendum attached hereto as Attachment

E. Pursuant to the Security Agreement Addendum, the Seller shall grant to Buyer a security interest in all equipment comprising Seller's System. Such security interest is considered part of Buyer's Collateral. In the event that Buyer requires a Performance Call from the Seller and the Seller is unable to meet its obligation in the required time frame, Buyer reserves the right to take all action to collect the additional Collateral required under the Performance Call including, but not limited to, foreclosing on Seller's System and taking all actions of a secured creditor permitted under applicable law. Terms and conditions relating to the Collateral are contained in the Security Agreement Addendum and are incorporated by reference herein.

6.5. Omitted.

6.6. Final System Size. If the Final System Size differs from the planned installed capacity size as set forth on the Application under the ABP, the following limitations shall apply:

- a) Any increase that results in an Installed System Size behind the customer's utility meter that exceeds 2,000 kW (2 MW) AC rating shall result in the immediate and automatic termination of this Agreement.
- b) Any change in system size that results in an increase in the estimated REC production will not result in an increase in the Final Contract Value. The value of the contract will be determined based on the lesser of the estimated production in the original application compared to the Final System Size.

Article 7. Billing and Payment

7.1. **Timing of Payment.** The Buyer shall pay Seller no later than 45 days after receiving payment from the utilities. Unless payment record is not on file in accordance with 6.3.2 or used for Collateral in accordance with 6.3.3.

7.2. Omitted.

7.2. **Payment Timing with System Size Change.** Any increase or decrease in a Final System Size that results in a change in size category from under 10 kW AC to over 10 kW AC will result in a change in payment timing. The Final System Size category will determine if the system receives the Purchase Price at the time of Energization, or 20% on energization with the balance to be paid over the next four (4) years.

7.3. **Payment During Extended Term.** In the case that an Extended Term is required or elected under Sections 3.6, 5.5.8.1, or 5.5.8.2, for Delivery Shortfall or Seller's Default, all rights to RECs and any other Environmental Attribute during such Extended Term shall accrue to Buyer as a remedy at no cost to Buyer.

7.4. **Disputes.** If Seller disputes any information in the Buyer's payment receipt, the Seller shall so notify the Buyer in writing and any disputed amount shall be withheld by Buyer pending resolution of the dispute. If Seller disputes the amount paid to it by Buyer, Seller shall so notify the Buyer in writing within 30 days of receipt.

7.5. **Payment Method.** All payments shall be made by electronic funds transfer, PayPal, check, or by other mutually agreeable method(s), although additional fees may apply to payment methods other than check. The Seller will select its payment method, designate the payee, and provide the information necessary to process payment on Cover Sheet D attached to this Agreement or on the Buyer's website.

7.6. **Netting and Setoff.** Each Party reserves to itself all rights, setoffs, counterclaims, combination of accounts, liens and other remedies and defenses which such Party has or may be entitled to (whether by operation of law or otherwise). The obligations to make payments under this Agreement and any other REC purchase and sale Agreement(s) between the Buyer and Seller, if any, may upon mutual agreement of the Parties be aggregated, and the Parties may discharge their obligations to pay through netting, in which case the Party, if any, owing the greater aggregate amount shall pay to the Party owed the difference between the amounts owed.

7.7. **Taxes.** Seller shall pay or cause to be paid all applicable taxes imposed by any governmental authority ("Governmental Charges") on or with respect to the RECs or production of the RECs arising prior to delivery. Nothing shall obligate or cause a Party to pay or be liable to pay any Governmental Charges for which it is exempt under the law.

7.8. **No Additional Payments.** The amount of Purchase Price is the entirety of the payment(s) made to the Seller by the Buyer under this Agreement. Under no circumstances shall the Buyer owe additional payment(s) to the Seller during this Agreement, including for RECs sold during any extensions to the Delivery Term.

Article 8. Covenants, Representations and Warranties

8.1. **Seller Covenants, Representations and Warranties.** On and as of the Effective Date, and upon delivery, Seller hereby covenants, represents and warrants to Buyer as follows:

8.1.1. Seller has, and at all times during the Term of the Agreement will have, all necessary power and authority to execute, deliver and perform its obligations hereunder;

8.1.2. The execution, delivery and performance of this Agreement by Seller has been duly authorized by all necessary action and does not violate any of the terms or conditions of Seller's governing documents, or any contract to which it is a party, or any law, rule, regulation, order, judgment or other legal or regulatory determination applicable to Seller;

8.1.3. There is no pending or (to Seller's knowledge) threatened litigation, arbitration or administrative proceeding that materially adversely affects Seller's ability to perform its obligations under this Agreement;

8.1.4. Seller is not bankrupt and there are no proceedings pending or being contemplated by it or, to its knowledge, threatened against it which would result in it being or becoming Bankrupt.

8.1.5. The Seller acknowledges and agrees that any Environmental Attribute associated with or related to the RECs subject to this Agreement, including without limitation any verified emissions reduction, (or the REC itself) will not be sold or otherwise made available to a third party but will be transferred to Buyer pursuant to this Agreement.

8.1.6. For the entire Term of the Agreement, Seller shall have the right to convey title to any and all of the RECs generated by the System in accordance with this Agreement free and clear of any and all liens or other encumbrances or title defects and Seller further represents that all of the RECs are of the type of REC product specified in Cover Sheet A.

8.1.7. Seller represents and warrants to Buyer that (a) Seller has sold RECs once and only once exclusively to Buyer; (b) the RECs and any other Environmental Attributes sold hereunder have not expired and have not been, nor will be retired, claimed or represented as part of electricity output or sale, or used to satisfy any renewable energy or other carbon or renewable generation attributes obligations under Illinois law or in any other jurisdiction; and (c) that it has made no representation, in writing or otherwise, that any third-party has received, or has obtained any right to, such RECs that are inconsistent with the rights being acquired by Buyer hereunder.

8.1.8. Seller warrants that as of the Delivery Term Start Date and continuing through the Delivery Term End Date, the System is a "Distributed Renewable Energy Generation Device" as defined in the IPA Act (20 ILCS 3855/1-10).

8.1.9. Seller covenants that it shall ensure that the System shall not change, as described in Cover Sheet A, except as set forth in Article 3 or with the prior written consent of Buyer.

Seller understands that failure to comply with any of the warranties and certifications hereof, or any inaccuracy in or failure of foregoing warranties and certifications to be true and correct, constitutes and/or will constitute a material default of this Agreement and may result in the termination of the Agreement, which may result in the forfeiture of Seller's Collateral and recovery of the Final Contract Value. Additionally, if Seller has entered into the Security Agreement Addendum, Buyer shall have the right to take all action to collect the Final Contract Value, including, but not limited to, foreclosing on the Collateral and taking all actions of a secured creditor permitted under applicable law.

8.2. **Buyer Covenants, Representations and Warranties.** On and as of the Effective Date, Buyer hereby represents and warrants to Seller as follows:

- 8.2.1. Buyer has, and at all times during the Term of the Agreement will have, all necessary power and authority to execute, deliver and perform its obligations hereunder;
- 8.2.2. The execution, delivery and performance of this Agreement by Buyer has been duly authorized by all necessary actions and does not violate any of the terms or conditions of Buyer's governing documents, or any contract to which it is a party, or any law, rule, regulation, order, judgment or other legal or regulatory determination applicable to Buyer;
- 8.2.3. There is no pending or (to Buyer's knowledge) threatened litigation or administrative proceeding that materially adversely affects Buyer's ability to perform its obligations under this Agreement; and
- 8.2.4. Buyer does not, by entering into the Agreement with Seller, make any implied warranties or guarantees as to the covenants, representations, warranties, and certifications supplied by Seller in its Application. Accordingly, should the IPA or the Buyer learn that any of the covenants, representations, warranties, and certifications required to be made for the ABP and/or in the Agreement are false, misleading, inaccurate, or otherwise incomplete, Seller shall hold harmless Buyer from any resulting damages suffered due in whole or in part to Seller's false, misleading, inaccurate, or otherwise incomplete covenant(s), representation(s), warranty or warranties, and certification(s).

Article 9. Assignment

9.1. Omitted.

9.2. Assignments by Seller.

- 9.2.1. When assignable, this Agreement shall be binding upon, shall inure to the benefit of, and must be performed by the successors and assigns of Seller. Seller may make a request to Buyer (or Buyer's successors) for the transfer or assignment of Seller's rights and obligations under the Agreement to the "Transferee". Such request must name the Transferee, provide the relationship between Seller and Transferee (if any), and must provide all necessary documentation to show that Transferee meets all conditions specific to a seller under this Agreement. Transferee must be an Approved Vendor for the ABP. Buyer may request additional information from Seller, which must be provided by Seller within (10) ten business days. Necessary documentation may include an updated Cover Sheet A, Cover Sheet B, and Cover Sheet C, and Cover Sheet D, if applicable. Upon receipt of all requested information, Buyer will have thirty (30) calendar days to accept or reject the proposed transfer or assignment of this Agreement. Buyer may only reasonably reject a proposed transfer or assignment. Any costs incurred by the Buyer to assign the contract shall be paid by the Seller.
- 9.2.2. In its notice to Buyer, Seller may state that the assignment or transfer is for purposes of pledging or assigning the revenues under this Agreement to a lender or other financing party as security for the project financing or tax equity financing of the System, or to an affiliate of Seller. In such cases, consent shall be deemed automatic if Seller remains the counterparty to the Agreement.
- 9.2.3. Seller will be required to effect any necessary assignment or transfer in the event of bankruptcy or dissolution.
- 9.3. **Permitted Assignment by Buyer.** Buyer, including Buyer's successors and assigns, may assign this Agreement without Seller's consent. Buyer shall notify seller within (180) one-hundred eighty days if Buyer assigns contract. Seller shall reserve the right to terminate this Agreement upon any such non-consensual assignment

Article 10. Default Remedies

10.1. Remedies Upon Default.

- 10.1.1. **Remedies.** Upon the occurrence and continuation of an Event of Default, the Non-Defaulting Party may (i) terminate this Agreement upon written or electronic notice to the Defaulting Party and/or (ii) exercise such remedies as provided in this Agreement. If the System has been energized and registered with PJM-EIS GATS or M-RETS, and the Agreement is

terminated due to an Event of Default by Seller, then (a) the RECs to be delivered to Buyer under this Agreement from the System shall not be eligible for use under any future IPA procurement event(s), (b) Buyer shall withhold any payments due under this Agreement, and (c) Seller shall be required to refund to Buyer any payments made under this Agreement for RECs that have not been generated as well as all Collateral Drawdowns resulting from a default in the Buyer's contract with the Contracting Utility if such Collateral has not yet been returned to Buyer by the IPA, or the utility, or recouped by REC payments received by Buyer. Seller shall refund to Buyer any unrecouped bonding and participation fees as calculated in Cover Sheet B within sixty (60) days of an Event of Default. Both Parties hereby stipulate that the remedies set forth in this section are reasonable in light of the anticipated harm and the difficulty of estimation or calculation of actual damages, and each Party hereby waives the right to contest such penalties.

10.1.2. Suspension of Performance. Notwithstanding any other provision hereof, if an Event of Default has occurred and is continuing, the Non-Defaulting Party may, on notice to the Defaulting Party, suspend performance of its obligation to deliver and sell, or receive and purchase, as applicable, RECs until such Event of Default is cured. Any such suspension shall be without prejudice to any remedy provided herein or otherwise available at law or in equity, including the right to subsequently terminate under Article 12.

10.1.3 Damages. In the event that the System owner is in default of this contract, Buyer is owed damages equal to its actual, reasonable costs associated with the System.

10.1.4 Extended Term. In the event that the System owner is in default of this Agreement, Buyer shall have a right to extend the Term of the Agreement for the life of the System under the conditions outlined for an Extended Term in Section 7.3.

10.2. Defaults Impacting the IPA or Contracting Utility. Seller understands and agrees that if Seller defaults under this Agreement, the System as a result may be or become in default of an agreement with the Contracting Utility or of its obligations to the IPA with respect to the Collateral. Even if Seller cures any or all such defaults within twenty (20) business days of notice of the default(s), Buyer does not guarantee that Seller's actions will cure defaults with respect to the Contracting Utility or IPA. In the event that Seller's curing of the default(s) under this Agreement does not cure any default with respect to the Contracting Utility or IPA, then Seller will be deemed to remain in default of this Agreement and will be subject to the penalties hereunder.

10.3. Requirement of Additional Collateral. Buyer may require up to 200% of the original Collateral to be paid if System underperforms Cover Sheet C by more than 10% in any given year or for more than two (2) years during the contract. This Additional Collateral may be withheld from payments owed to Seller or collected by methods listed in 6.3 or 6.4. The amount of Additional Collateral withheld or collected will be at the Buyers discretion but not to exceed 200% of the original Collateral amount.

10.4. Reduction in Contract Value. At the Buyer's sole discretion Buyer may require Seller to pay back some of the Purchase Price if the System underperforms by more than 10% of the annual values listed in Cover Sheet C in any three (3) delivery years during the Term of the Agreement. This would immediately cause Seller to owe Buyer for the difference in the contract reduction value. Further, Buyer will furnish Seller with updated Cover Sheet C which will describe the reduced annual delivery quantities thereon owed from the System during the Term of Agreement.

Article 11. Notices and Contact Information

11.1. Notices and other communications provided for herein shall be given in writing by e-mail, by registered or certified mail, return receipt requested, by receipted hand delivery, or by courier (UPS, Federal Express or other similar and reliable carrier) showing the date and time of successful receipt. Notices shall be sent to the individuals at the applicable address set forth in Cover Sheet A. Each such notice shall be deemed to have been provided at the time it is actually received. By giving notice, either Party may change the contact information.

Article 12. Force Majeure

12.1. If either Party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations with respect to this Agreement, that upon such Party's (the "Claiming Party") giving notice and full particulars of such Force Majeure as soon as reasonably possible after the occurrence of the cause relied upon, confirmed in writing, then the obligations of the Claiming Party will, to the extent it is

affected by such Force Majeure, be suspended during the continuance of said inability, but for no longer period, and the Claiming Party will not be in default hereof or liable to the other Party for, or on account of, any loss, damage, injury or expense resulting from, or arising out of such event of Force Majeure during such Suspension Period. The Party receiving such notice of Force Majeure will have until the end of the tenth (10th) business day following such receipt to notify the Claiming Party that it objects to or disputes the existence of Force Majeure. If Seller is the Claiming Party, then such notification must be made to the Buyer, and a determination of whether to object to or dispute the existence of Force Majeure shall be made by Buyer.

12.2. "Force Majeure" means an event or circumstance which materially adversely affects the ability of a Party to perform its obligations under this Agreement, which event or circumstance was not reasonably anticipated as of the date such transaction was entered into and which is not within the reasonable control of, or the result of the negligence of, the Claiming Party, and which the Claiming Party is unable to overcome or avoid or cause to be avoided, by the exercise of due diligence. Force Majeure includes acts of God (such as tornadoes, fires, earthquakes and floods), explosions, war, hostilities, riots and acts or threats of terrorism (any such event, an "External Event") that disrupt the operation of the System. Force Majeure may include delays in the establishment by the System of an operating interconnection with the applicable distribution system as a result of the actions or inactions of the distribution provider, provided Seller can demonstrate to Buyer that such delay is not primarily attributable to Seller's failure to make in a timely manner a formal request for interconnection to such distribution provider or to provide in a timely manner the information or payment required by such distribution provider. Force Majeure may also include the failure or disruption in deliveries of any certification authority that is not the Claiming Party. In the case of a Party's obligation to make payments hereunder, Force Majeure will only be an event or act of a governmental authority that on any day disables the banking system through which a Party makes such payments.

12.3. Force Majeure may also include curtailments of the System (except economic curtailments as explicitly excluded pursuant to (iv) below) by either the interconnecting utility (including those through a smart inverter) or the Regional Transmission Organization ("RTO") responsible for the operation of the transmission system to which the System is interconnected that result in reduced REC production. In the event that Seller fails to so notify Buyer of such curtailment, Seller shall not be relieved of its delivery obligations as a result of such curtailment. Upon the occurrence and proper notice of a curtailment, Seller shall estimate the amount of deliveries prevented by such curtailment based on the most recent twelve (12) months of actual production data from the System and utilizing actual meteorological conditions during the period of curtailment and shall provide such estimate to Buyer along with all supporting documentation, including any supporting information from the interconnected utility or RTO that curtailed the applicable System's generation. Unless expressly recognized by the IPA as a Force Majeure event, Force Majeure may not be based on: (i) the loss or failure of Buyer's markets; (ii) Buyer's inability to economically use or resell the REC(s) purchased hereunder; (iii) Seller's ability to sell the REC(s) to another at a price greater than the Purchase Price; (iv) curtailment for economic purposes only of the System(s) if acting as a wholesale market participant, made by the interconnected utility or RTO responsible for the operation of the distribution or transmission system to which the System is interconnected; (v) insufficiency or unavailability of insolation to operate the System or generate sufficient quantities of RECs; (vi) the performance or breakdown of equipment or an electrical grid outage not directly caused by an External Event; or (vii) the loss of tax credits, the denial of deductions, or the imposition of additional taxes.

12.4. If Force Majeure adversely affects the ability of Seller to deliver RECs from a System, then there shall be a Suspension Period with respect to that System's obligations to deliver RECs under this Agreement. If the Suspension Period arising from such event lasts for a consecutive period of seven hundred thirty (730) days, then the Agreement shall be terminated. If payments have been made to Seller with respect to the System, Seller shall return the amount of payment based on the applicable Purchase Price and on the difference between the number of RECs used to calculate payment and the number of RECs delivered from such System.

12.1.3. **Utility Approval of Force Majeure:** If Seller is the Claiming Party, after such notification has been made to the Buyer, the determination of whether to object to or dispute the existence of Force Majeure shall be made by Buyer, subject to the concurrence of the IPA (who, upon receipt of notification from the Buyer, shall promptly confer to consider the Force Majeure notice).

Article 13. Liability

13.1. **Limitation of Liability.** With respect to any liability hereunder, the Buyer shall not be liable to the Seller for any consequential, incidental, punitive, exemplary or indirect damages, lost profits, or business interruption damages, whether by statute, in tort or in contract, under any indemnity provision or otherwise, in excess of the amount(s) paid by Seller to Buyer pursuant to this Agreement.

13.2. No Assumption of Liability. Buyer shall not assume, and Seller, if Seller is the System owner, shall retain and be responsible for any and all liabilities and obligations of Seller of any kind or nature whatsoever with respect to the System, including, without limitation, any and all liabilities and obligations of Seller under Seller's Project Documents. "Project Documents" means this Agreement, the executed project development agreement or other agreement between Seller and a project developer evidencing a legally enforceable obligation to develop, design, procure, and install the System warranted to operate at the host location for at least the Term of the Agreement, and, if Seller is a project developer, any applicable leases, easements, power purchase agreements between the project developer and host and licenses evidencing project developer's rights of access and rights to develop, design, procure, install and operate a solar-powered photovoltaic generation system at the host's location and warranted to operate at the host's location for at least the Term of the Agreement. The Buyer is not liable for lost revenues due to the System not being accepted into the ABP.

13.3 No Guarantee of ABP Participation. Buyer does not guarantee that the System will participate in the ABP or otherwise receive payment for RECS. Buyer is not responsible for a System's participation in the ABP and will not be held liable for any damages if the System does not or can not participate in the ABP for any reason.

13.4 No Guarantee of Payment. Buyer does not guarantee that a System that participates in the ABP will receive payment for the RECS it generates. Buyer only guarantees that if payment is received by Buyer from the Contracting Utility for RECs generated by a System participating in the ABP that the payment will be made to the System owner. The payment schedule is dictated by the rules of the ABP. Seller shall hold Buyer harmless for all expenses and lost revenues which arise out of a missed opportunity to participate in the ABP for any reason.

13.4.1 Developer Caps. The System may not be accepted into a block or may be accepted and subsequently removed by the IPA due to developer caps. Buyer has no responsibility for the System being rejected or not awarded a contract due to a developer cap on the Seller.

13.4.2. ABP Lottery. The System may be entered into a lottery for participation in the ABP. Buyer makes no guarantees and holds no responsibility for ABP lottery results. If a System is not selected in the lottery, the Buyer may terminate this contract.

Article 14. Dispute Resolution

14.1. Except as otherwise expressly set forth herein, for any and all disputes or issues, the Parties shall refer to this Article 14. A Party must respond to the other Party's notice concerning a disputed issue within ten (10) business days of first notification unless otherwise specified in this Agreement.

14.2. Any Party may give the other Party notice of any dispute not resolved in the normal course of business ("Initial Notice"). Such Initial Notice shall include: (a) a statement of that Party's position and a summary of arguments supporting that position; and (b) the name and title of the individual who will be representing that Party and of any other person who will accompany the individual. Within five (5) business days after delivery of the Initial Notice, the receiving Party shall respond with: (a) a statement of that Party's position and a summary of arguments supporting that position; and (b) the name and title of the individual who will represent that Party and of any other person who will accompany the individual. Within fifteen (15) business days after delivery of the Initial Notice, representatives of both Parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. Such a meeting may occur in person or by telecommunication. All reasonable requests for information made by one Party to the other will be honored. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

Article 15. Miscellaneous

15.1. Records. The Parties shall keep (or as necessary cause to be kept by their respective agents) for a period of at least twenty-one (21) years such records as may be needed to afford a clear history of all Deliveries of RECs pursuant to this Agreement. For any matters in dispute, the Parties shall keep the records related to such matters until the dispute is ended. This section shall survive the expiration or termination of this Agreement.

15.2. Audit Rights. Buyer shall have the right throughout the Term of the Agreement and for a period of six (6) years following the end of the Term of the Agreement, upon reasonable prior notice, to audit copies of relevant portions of the books and records of the other Seller to the limited extent necessary to verify the basis for any claim by a Seller for payment from the Buyer or to determine a Seller's compliance with the terms of this Agreement. If upon review, books and records indicate inconsistencies related to the information provided for the System, Buyer and its representatives shall have the right, but not the obligation, during business hours, upon reasonable notice to Seller, to visit and view the System site to the extent Seller has access to the site. The Buyer requesting the audit shall pay the Seller's reasonable costs allocable to such audit.

15.3. Forward Contract. Buyer and Seller each acknowledge that, for purposes of this Agreement, it is a "forward contract merchant" and that all transactions pursuant to this Agreement constitute "forward contracts" within the meaning of the United States Bankruptcy Code.

15.4. Severability. If any article, section, phrase or portion of this Agreement is, for any reason, held or adjudged to be invalid, illegal or unenforceable by any court of competent jurisdiction, such article, section, phrase, or portion so adjudged will be deemed separate, severable and independent and the remainder of this Agreement shall remain in full force and effect, and shall not be invalidated or rendered illegal or unenforceable or otherwise affected by such adjudication, provided that the basic purpose of this Agreement and the benefits to the Parties are not substantially impaired.

15.5. Entire Agreement. This Agreement completely and fully supersedes all other understandings or agreements, both written and oral, including any term sheet or confirmation, between the Parties relating to the subject matter hereof.

15.6. Waiver. Except as specifically waived in writing, failure by a Party to exercise or enforce a right does not waive that Party's right to exercise or enforce that or other rights in the future.

15.7. Governing Law. This Agreement and the rights and duties of the Parties hereunder shall be governed by and shall be construed, enforced and performed in accordance with the laws of the State of Illinois, without regard to principles of conflicts of law. Any dispute arising out of this Agreement shall be governed by Section 14 of this Agreement.

15.8. Headings. The article and section titles in this Agreement are only for purposes of convenience and do not form a part of this Agreement and will not be taken to qualify, explain or affect any provision thereof.

15.9. Indemnification. To the extent permitted by applicable law, each Party agrees to indemnify, defend and hold harmless the other Party, and any of said other Party's affiliates, directors, officers, employees, agents and permitted assigns, from and against all third party claims, losses, injuries, liabilities, damages, judgments, awards, fines, penalties, costs and expenses (including reasonable attorneys' fees and disbursements) incurred in connection with, arising out of, or alleged to arise out of any event or circumstance first occurring or existing during the period when control and title to the products is vested in such Party or which is in any manner connected with the performance of this Agreement by such Party, except to the extent that such claim may be attributable to the gross negligence or willful misconduct of the Party seeking to be indemnified. This indemnity shall survive the expiration or termination of this Agreement for the full statutory period allowable by applicable law. To the extent permitted by applicable law, Buyer shall be explicitly indemnified as it pertains to the fees and Collateral on behalf of the Seller. Buyer makes no guarantees that Seller shall have the opportunity to participate in the ABP process. Seller shall hold buyer harmless for all expenses and lost revenues which arise out of a missed opportunity to participate for any reason. Nothing contained herein shall be construed as prohibiting the Seller, its officers, agents, or its employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, actions or suits brought against them. The Indemnifying party shall be liable for the cost, fees and expenses incurred in the Indemnitee's defense of any such claims, actions, or suits. Nothing contained herein shall be construed as constituting a waiver of Seller's defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act, 745 ILCS 10/1 et seq. by reason of indemnification.

15.9.1. Website Indemnification The Buyer website (the "site") and the services provided by Buyer thereunder, are provided on an "as is" and "as available" basis without any warranties of any kind, including that the site will operate error-free, that the site, its servers, or the content are free of computer viruses or similar contamination or destructive features. To the maximum extent permitted by applicable laws: (i) Buyer shall not be subject to liability for any defects, malfunctions, delays or interruptions of the site or the services from whatever cause and Seller agrees to use of the services and the site at Seller's own risk; (ii) Buyer disclaims all warranties, including, but not limited to, warranties of title, merchantability, non-infringement of third parties' rights, and fitness for particular purpose and any warranties arising from a course of dealing, course of performance, or usage of trade; (iii) Buyer shall not be liable for

any indirect, incidental, or consequential damages, lost profits, or damages resulting from the use or inability to access and use the site or the services whether based on warranty, contract, tort (including negligence), or any other legal theory, even if Buyer has been advised of the possibility of such damages; and (iv) Buyer's aggregate liability shall not exceed the greater of (a) the amount Seller has paid Buyer in connection with the applicable Application, or (b) U.S. \$100.00. The site and this Agreement may contain technical inaccuracies or typographical

errors or omissions. Unless required by applicable laws, Buyer is not responsible for any such typographical, technical, or pricing errors listed on the site. Buyer reserves the right to make changes, corrections, and/or improvements to the site and the services at any time without notice.

15.10. Government Action. “Government Action” means action by the IPA, ICC, other Governmental Authority, Administrator, Certification Authority, or by the governing body of the ABP to change the eligibility of a REC for the ABP or substantially change the requirements for compliance by persons obligated to comply with the ABP which in either case has a material adverse effect on the value of a REC that is the subject of a particular Transaction and includes a change in applicable law that disqualifies any particular System (by Renewable Energy Sources, Initial Operating Date, or otherwise) or REC. In this case, the “Transaction” refers to both the ABP and the subsequent the Agreements, and such terms may be used interchangeably.

The Parties acknowledge that, with respect to the Agreement entered into by and between Buyer and the Seller, the ABP, which among other things establish the conditions for a market for the RECs contemplated for purchase and sale hereunder, may be the subject of Government Action (including court challenge) that could adversely affect the eligibility of such RECs to meet the requirements of the ABP or otherwise alter the requirements of the ABP, or make RECs unavailable or dramatically diminished or increased in value. With respect to any Transaction, absent a representation by Seller that the REC complies with the requirements of a particular ABP, Buyer bears the risk that the REC is or will be in compliance with any ABP. With respect to any Transaction, if Seller represents that a REC complies with an ABP, such representation is made and effective as of the delivery date, and Seller will not be in breach of such representation on account of any Government Action occurring after the delivery date. Unless otherwise specified Government Action that changes in any respect the value of a REC, including a cancellation of the ABP, will have no effect on the obligation of the Seller to meet its obligations set forth in this Agreement. To the extent that Government Action renders delivery illegal under applicable law, such Transaction will be terminated.

15.10.1. Regulatory Termination Right. In consideration of the foregoing, Buyer shall have the right, but not the obligation, to terminate this Agreement upon either the expiration or repeal of any or all elements of the ABP or any change in the design or the administration of the ABP that would prevent or inhibit the IPA from conducting the procurement event or that would prevent or inhibit the Buyer from purchasing RECs from the System or the System from producing RECs.

15.11. Counterparts; Transmittal. This Agreement may be executed in several counterparts, each of which is an original, and all of which constitute one and the same instrument. Electronic or digital transmission of this Agreement shall constitute good and valid delivery.

15.12. Confidentiality. Both Parties acknowledge that by reason of this relationship hereunder, they may have access to certain information and material concerning the other Party’s business, plans, customers, technology and products that are confidential and of substantial value, which value would be impaired if such information were disclosed to third parties. The Parties agree that neither will use in any way for its own account or the account of any third party, nor disclose to any third party, any such confidential information revealed to them under this arrangement unless such disclosure is required by applicable law or court order. In the event of termination of this Agreement, there shall be no use or disclosure by either Party of any confidential information of the other Party and any materials related to the other Party shall be immediately returned. Each Party acknowledges that the provisions of this Section are reasonable and necessary for the protection of the other Party and that the other Party will be irrevocably damaged if such covenants are not specifically enforced. Accordingly, both Parties agree that, in addition to any other relief to which the other may be entitled in the form of actual or punitive damages, the Parties shall be entitled to seek and obtain injunctive relief from an arbitration panel or a court of competent jurisdiction for the purposes of restraining the other Party from any actual or threatened breach of such provision. The terms of this Section shall survive termination of this Agreement.

15.13 Duty to Mitigate. Each Party agrees that it has a duty to use commercially reasonable efforts to minimize and mitigate any damages it may incur as a result of the other Party’s performance or non-performance of this Agreement.

15.14 Termination of Agreement The agreement can be ended by the seller at any time if the remaining number of SRECs on the agreement are paid off. The number of SRECs remaining on the contract would be determined by the final approved number of SRECs minus lesser of the SRECs delivered to and accepted by the utility or the REC delivery obligation up to time of termination. See the example below for a sample calculation:

Example Only:

Contracted Quantity - 150 SRECS
Annual Delivery Quantity - 10 SRECS
Contracted REC Price - \$100

Seller wishes to terminate contract after year 5 and has delivered 48 SRECS

Example Only Remaining Delivery Requirement:

Greater of:

150 SRECS - 48 SRECS = 102 Remaining SRECS

or

150 SRECS - (5 years * 10 SRECS per year) = 100 Remaining SRECS

102 SRECS (Greater Quantity) * \$100/SREC = **\$10,200 - Cost to Terminate Contract**

Additionally certain sections of this contract will survive the termination such as the 2 year audit right and the Seller may not sell any SRECs generated by the System until a 15 year period after the beginning of the delivery period.

IN WITNESS WHEREOF, each of the Parties hereto has caused the Agreement to be executed by its duly authorized representative on the date set forth above.

Security Agreement Addendum: Attachment E

This Security Agreement Addendum ("Security Agreement") is legally binding as of the date this Security Agreement has been signed by Seller ("Effective Date"). In this Security Agreement the words "you" and "your" refer to Seller and Seller's permitted successors and assignees and the words "buyer," "we," "us" and "our" refer to Carbon Solutions Group SREC LLC., or its successors and assignees ("Buyer"). Capitalized terms used herein that are not otherwise defined below are defined in the terms and conditions of the Buyer's Illinois ABP Agreement ("Master Agreement"), which is incorporated here by reference. This Security Agreement supersedes any prior agreement between you and us concerning the same subject matter.

1. Grant of security interest in collateral.

a. Collateral. As consideration for the Services we are providing to you and to secure your obligations under the Agreement, you hereby grant to us a security interest in the following property and assets (collectively "Collateral"), whether you own it now or acquire it later, regardless of where the Collateral is located:

(i) all solar panels and related equipment, including, but not limited to, inverters, racking systems, wiring, electrical and mechanical connections, any compatible electricity storage units, metering, monitoring and/or other distributed generation interconnect equipment ("Solar System Equipment") comprising the System installed at the address set forth on the Application ("Premises");

(ii) all attachments, accessories, batteries, parts, supplies, replacements of and additions to all or any portion of the Solar System Equipment;

(iii) all claims of any type or nature, including warranty claims related to the Solar System Equipment;

(iv) all rebates and incentives that are payable as a result of installing the Solar System Equipment except for such rebates and incentives which have been assigned to your Installer;

(v) all of your rights, title, interests, and remedies under all agreements, books, records, statements and documentation and other general intangibles relating to the Collateral (including, without limitation, the agreement with your Installer (the "Installation Agreement") and any other agreement related to the performance, operation, or repair of the Solar System Equipment);

(vi) all consideration received from the operation, collection, sale or other disposition of any property that constitutes Collateral, including any payment received from any insurer arising from any loss, damage or destruction of any Collateral and any other payment received as a result of possessing all or any portion of the Collateral;

(vii) all supporting obligations; and

(viii) all products and proceeds of and all accessions to, substitutions and replacements for and rents, profits and products of, each of the foregoing and proceeds of any insurance, indemnity, warranty or guaranty payable to you from time to time with respect to any of the foregoing.

b. Financing Statements. You authorize us to file financing statements, a copy of this Security Agreement and any other documents necessary or desirable to perfect, protect and/or continue our security interest in the Collateral. You agree to sign any documents and to take any other actions that we might reasonably request to perfect, protect and/or continue our security interest in the Collateral. We may file an informational filing in the real property records that describes the Collateral.

2. Additional obligations and representations.

a. Ownership. You represent and covenant that:

(i) you are, or a trust controlled by you is, the fee simple owner of the Premises and the Collateral;

(ii) you are not, and will not be, in breach of your Installation Agreement by entering into this Security Agreement; and

(iii) you have not entered into a home equity conversion mortgage or other similar agreement where a lender has agreed to make advances over time secured by an interest in the Premises (a "Reverse Mortgage").

b. Collateral. You agree not to pledge, mortgage, encumber or otherwise permit the Collateral at any time to be subject to any lien or encumbrance that is superior to our security interest.

c. Collateral Access. You agree to provide us or our designees, after receiving reasonable notice, with physical or electronic access to the Premises for the purposes of (i) inspecting the Solar System Equipment until this Security Agreement terminates or (ii) after Default, removing or disabling the Collateral or any portion thereof from the Premises. Upon our request, you agree to provide to us all available access to any energy production data or other data related to your Solar System Equipment until this Security Agreement terminates.

d. Personal Property. You and we both expressly intend that no portion of the Solar System Equipment will constitute a "fixture" or goods that have been so related to the Premises that an interest therein arises under applicable real property law, and that the Solar System Equipment is and will remain personal property. You also agree not to take any action that might cause the Solar System Equipment to be treated as real property or a fixture.

e. Installation and Maintenance of Solar System Equipment. You will take all steps necessary to enable the installation and proper functioning of the Solar System Equipment to be completed in accordance with the Installation Agreement. You agree to maintain the Solar System Equipment in good working order and in compliance with manufacturing specifications, the operating and maintenance manuals, warranty requirements provided by your Installer and all applicable law, and not to remove or modify the Solar System Equipment without our prior written consent. You agree to replace any portion of the Solar System Equipment that reaches its natural end of life, including, but not limited to, any inverter or battery. You agree to maintain at all times an internet connection sufficient to ensure that monitoring data for the Solar System Equipment can be fully transmitted.

f. Required Insurance. You agree to maintain insurance covering the Solar System Equipment, whether installed on the dwelling or the property of the Premises.

g. Representations. Each representation made by you in your Application, the Master Agreement, this Security Agreement or in any other document delivered by or on behalf of you in connection with your Application, the Master Agreement or this Security Agreement, is true and complete in all material respects when made. In addition, you hereby represent as follows:

(i) we may periodically review your credit, including pulling your credit report from consumer reporting agencies;

(ii) you will comply with all applicable law that might affect your ability to perform your obligations under this Security Agreement or that might result in a lien on the Collateral or otherwise impair the value of the Collateral; and

3. DEFAULT. You will be in default ("Default") under this Security Agreement in any of the following circumstances (each an "Event of Default"):

CARBON SOLUTIONS SREC | 515 N State | Chicago, IL 60654 | 312.971.6245
SREC.carbonsolutionsgroup.com

- a. an Event of Default under the Master Agreement;
- b. you fail to make any payment under the Master Agreement or this Security Agreement within sixty (60) calendar days of the date such payment is due;

c. you fail to perform any of your obligations under the Master Agreement or this Security Agreement and you fail to cure such failure to perform to our reasonable satisfaction within sixty (60) calendar days after receiving notice from us of your failure to perform;

d. you remove, modify, sell or otherwise transfer the Collateral or sell or transfer ownership of the Premises (including through condemnation) without our approval;

e. any representation made by you in, or in connection with, your Application, the Master Agreement or this Security Agreement is false in any material respect when made;

f. any of the following occurs (each a "Bankruptcy Event"):

(i) you make an application for the appointment of a receiver, trustee or custodian, or a receiver, trustee or custodian is appointed for you or a majority of your assets;

(ii) you (1) initiate or consent to any legal proceedings under the United States Bankruptcy Code, or equivalent law providing for the relief of debtors; (2) make an assignment for the benefit of creditors; or

(3) have a petition in bankruptcy or similar relief of debtors filed against you, which is not withdrawn or discharged within thirty (30) days of being filed.

4. REMEDIES. Our remedies if you default on this Security Agreement include the following (to the fullest extent permitted by law):

a. General. In the event that you are in Default under this Security Agreement, we may:

(i) declare any payments due to us under the Master Agreement immediately due; although if a Bankruptcy Event occurs or if you sell or transfer Collateral or the Premises without our approval, amounts payable to us will be considered immediately due without the need for such a declaration by us;

(ii) foreclose on the Collateral (and exercise any other rights with respect to the Collateral that we have under this Security Agreement or applicable law, including disabling the Solar System Equipment and/or removing the Solar System Equipment); and/or

(iii) pursue any other remedies available to us under applicable law, including those of a secured creditor permitted by applicable law.

b. Performance Call. If you receive a Performance Call from us, you must promptly pay in full the unpaid principal amount of the Performance Call, including, but not limited to all accrued interest, if any, and any other amounts and fees payable under this Security Agreement.

c. Taking Possession. If we choose to foreclose on the Collateral, we may, among other things, take possession of the Collateral and then sell, lease or otherwise dispose of the Collateral.

d. Right of Set-Off. Upon the occurrence of an Event of Default and the Default has not been cured, we are hereby authorized at any time and from time to time, with notice to you as required by this Addendum and the SREC Aggregation and Purchase Agreement and to the fullest extent permitted by law, to set-off and apply any and all deposits (general or special, time or demand, provisional or final, but specifically excluding any trust or segregated accounts) at any time held by us and any and all other indebtedness at any time owing by us to or for the credit or account of you against any and all of the your obligations irrespective of whether or not we shall have made any demand under this Security Agreement and although such obligations may be contingent or unmatured. We agree to promptly notify you after any such set-off and application made by us, provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. Our rights under this Section are in addition to any other rights and remedies (including, without limitation, other rights of set-off) which we may have. Nothing contained in this Security Agreement shall impair our right to exercise

any right of set-off or counterclaim we may have against you and to apply the amount subject to such exercise to the payment of your indebtedness unrelated to this Security Agreement.

e. **Deficiency Judgment.** To the fullest extent permitted by law, regardless of whether or not we foreclose on the Collateral, we may require that you pay any amounts payable by you under this Security Agreement and the Master Agreement less any proceeds that we realize from our exercise of our remedies under this Security Agreement.

TO THE FULLEST EXTENT PERMITTED BY LAW, YOU ARE PERSONALLY LIABLE FOR ALL AMOUNTS PAYABLE UNDER THIS SECURITY AGREEMENT. WE ARE NOT REQUIRED TO FORECLOSE ON THE COLLATERAL BEFORE INITIATING PROCEEDINGS AGAINST YOU AND YOUR ASSETS.

Our rights under this Security Agreement are cumulative and we may exercise these rights at any time if you Default. In the event that we exercise any of our rights or remedies under this Security Agreement, you will continue to be in Default until such time that you pay to us all amounts due and payable to us and you have cured any and all Defaults. Our failure to take any action or delay taking any action related to your default, or similar or unrelated default, does not waive, or imply a waiver of, any of our rights under this Security Agreement.

5. **TERMINATION.** We may terminate this Security Agreement in the event of termination of the Master Agreement. This Security Agreement will terminate after you have paid in full all amounts payable by you under the Master Agreement and this Security Agreement. The terms of this Security Agreement that would, by their express nature, survive the termination of this Security Agreement (including the provisions under "Additional Obligations and Representations," "Indemnification," "Governing Law and Miscellaneous," "Notices and Contact Information," "Limitation of Liability" and "Termination") will survive and be enforceable under this Security Agreement. Upon termination of this Security Agreement, our security interest in the Collateral will terminate.

6. NOTICES AND CONTACT INFORMATION

a. **Notices.** All notices may be in electronic form or in writing to the respective addresses set forth below; each party may change their Notice addresses via communication to the other party:

If to Seller: to the Seller's mailing address on our records, if in writing and to the Seller Email, if in electronic form.

If Buyer:

Attn: Legal

Phone: (312) 971-6245

Email: SREC@carbonsolutionsgroup.com

b. **Telephone Consumer Protection Act.** When you give us your mobile phone number, you are giving us your permission to contact you at that number about all of your Buyer accounts. Your permission allows us to use text messaging, artificial or prerecorded voice messages and automatic dialing technology for informational and account service calls. This could include contact from companies working on behalf of Buyer to service your accounts. This does not allow us to use text messaging, artificial or prerecorded voice message and automatic dialing technology for telemarketing or sales calls. Message and data rates from your mobile provider may apply.

7. **SERVICER.** We may, upon any term or condition specified in this Security Agreement, delegate or exercise all or any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, this Security Agreement by or through any servicer, trustee, co-agent, employee, attorney-in-fact and any other Person selected by us from time to time ("Servicer").

8. **SUCCESSORS AND ASSIGNS; TRANSFERABILITY.** This Security Agreement shall bind and inure to the benefit of the Parties' respective successors and permitted assigns. You may not assign or transfer your rights or obligations under this Security Agreement without our prior written consent. *Buyer may require up to two times the original Collateral to be paid if System underperforms Cover Sheet D by more than 10% any given year or more than 2 years during the contract. This may be withheld from payments to Seller.

Projected Net Payment to Seller

**This payment is dependent upon acceptance into the ABP. If final System installation differs from that described in Cover Sheet A, payment(s) may be less. If System is accepted into the ABP at a lower Block Price, payment(s) may be lower. An updated Cover Sheet A, B, and C will be issued after ICC Contract Approval.*

Projected Total REC Payments to Seller:

Payments below are estimated until the system is accepted into ABP and energized. If system size, or specifications change payment made to Seller may be reduced. Additionally selection in a different Block than projected may result in a lower payment.

<u>\$187,676.42</u>	Projected Total REC Value (Before Collateral and Bonding)
<u>\$10,181.86</u>	Additional Collateral, Additional Fee (if applicable), Approved Vendor Fee

<u>\$177,494.56</u>	Total Projected Payment(s) to Seller
---------------------	---------------------------------------------

SREC Payment may be lower by the amount of the 5% collateral if the collateral is Covered by and Returned to Partner Company

Projected Payment Schedule For Seller 25kW AC or less:

REC payment for systems 25kW or less will be made upon system energization, completed ABP Part II Application and payment to Buyer by Contracting Utility. We anticipate that systems 25kW or smaller will receive their REC payment 12-15 months after energization. For systems energized at the time of signing this Agreement we anticipate that payment will occur 12-15 months after signing this Agreement.

<u>\$17,969.60</u>	Full REC Projected Payment
--------------------	----------------------------

SREC Payment may be lower by the amount of the 5% collateral if the collateral is Covered by and Returned to Partner Company

Projected Payment Schedule For Seller Over 25kW AC:

The Initial REC payment for systems over 25kW will be made upon system energization, completed ABP Part II Application and payment to Buyer by Contracting Utility. We anticipate that the initial REC payment will be made 12-15 months after signing this agreement. For systems energized at the time of signing this Agreement we anticipate that the initial payment will occur 12-15 months days after signing this Agreement. Subsequent payments will be made quarterly.

\$17,969.60

_____ Initial Projected Payment to Seller

SREC Payment may be lower by the amount of the 5% collateral if the collateral is Covered by and Returned to Partner Company

\$6,646.87

_____ Projected Subsequent Quarterly Payments (24 quarters)

*Payment will only occur after ABP approval of System and subsequent payment made by Contracting Utility to Buyer. The Contracting Utility pays on a quarterly schedule so payment may be delayed if system is accepted at the beginning or end of a quarter

System Target REC Generation Table: Cover Sheet C (Preliminary only)

An updated Cover Sheet C will be issued when the System has Received IPA Approval to reflect the delivery schedule used by the IPA and Contracting Utility

Systems must meet or exceed the generation in the following table. Systems that underperform in any given year will automatically have the Term of the Agreement extended in accordance with the Agreement. Systems that underperform may also have to immediately provide Buyer with Collateral. An example of Collateral Drawdown is outlined later in this Cover Sheet C.

Delivery Year	Delivery Year Expected REC Quantity (RECs)
Delivery Year 1	209
Delivery Year 2	206
Delivery Year 3	204
Delivery Year 4	203
Delivery Year 5	201
Delivery Year 6	200
Delivery Year 7	198
Delivery Year 8	197
Delivery Year 9	195
Delivery Year 10	194
Delivery Year 11	193
Delivery Year 12	191
Delivery Year 13	190
Delivery Year 14	188
Delivery Year 15	187
Subsequent Delivery Years	99.5% of the Delivery Year Expected REC Quantity calculated for the prior Delivery Year, rounded down

A new Cover Sheet C will be issued to system owners upon ABP approval with the final delivery Schedule.

Collateral Drawn Down Example

Below is an example calculation.

Example ABP Block Price: \$65.61/REC

Example System Delivery Target for delivery year: 14 RECS

Example System's actual REC Generation for year: 12 RECS

Example Calculation:

$$\text{\$65.61 ABP Block Price} * (\text{14 System Delivery Target} - \text{12 Actual REC Generation}) = \text{\$131.22 Collateral Drawdown}$$

Example Collateral Drawdown: \$131.22

If a collateral drawdown is to occur Buyer will notify Seller at the end of the generation year where the under generation occurs. The Collateral Drawdown payment is owed to Buyer immediately upon notification and the Buyer has the right to draw this amount from the Seller automatically.

INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF DUPAGE,
ILLINOIS AND THE VILLAGE OF WESTMONT FOR THE NORTH ADAMS STREET
DETENTION NATURALIZATION PROJECT

This INTERGOVERNMENTAL AGREEMENT is made this 10th day of June 2025 between the COUNTY OF DUPAGE, a body politic and corporate, with offices at 421 N County Farm Road, Wheaton, Illinois (hereinafter referred to as the COUNTY) and VILLAGE OF WESTMONT, a body politic and corporate, with offices at 155 E Burlington Avenue, Westmont, Illinois 60559 (hereinafter referred to as the VILLAGE).

RECITALS

WHEREAS, the VILLAGE and the COUNTY are public agencies within the meaning of the Illinois "Intergovernmental Cooperation Act" and as authorized by Article 7, Section 10 of the Constitution of the State of Illinois; and

WHEREAS, the purposes of the "Intergovernmental Cooperation Act" and Article 7 of the Constitution of the State of Illinois include fostering cooperation among government bodies; and

WHEREAS, the Illinois General Assembly has granted the COUNTY authority to take action to manage stormwater and control flooding and to enter into agreements for the purposes of stormwater management and flood control (Illinois Compiled Statutes, Chapter 55 paragraphs 5/5-1062.3 and 5/5-15001 et. seq.); and

WHEREAS, the COUNTY has adopted the DuPage County Stormwater Management Plan which recognizes the reduction of stormwater runoff and improving water quality as an integral part of the proper management of storm and flood waters; and

WHEREAS, the VILLAGE has developed a conceptual design for the construction of a water quality project at the North Adams Street Detention Basin (herein referred to as the "PROJECT"); and

WHEREAS, the COUNTY and the VILLAGE have determined that the construction of the PROJECT will benefit local citizens by improving the water quality of Salt Creek; and

WHEREAS, the VILLAGE has requested COUNTY participation in cost sharing of the PROJECT through a grant from the COUNTY'S Water Quality Improvement Program in an amount not to exceed fourteen thousand seven hundred fifty dollars (\$14,750); and

WHEREAS, the VILLAGE shall pay PROJECT expenses to the contractors as they become due and will be reimbursed by the County for qualified expenses not to exceed fourteen thousand seven hundred fifty dollars (\$14,750) per this AGREEMENT; and

WHEREAS, the VILLAGE shall share any available data collected from the PROJECT for the purposes of fostering community education and improving upon similar future projects; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

- 1.1 All recitals set forth above are incorporated herein and made a part hereof, the same constituting the factual basis for this AGREEMENT.
- 1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 PROJECT DESCRIPTION.

- 1.1 The PROJECT involves the conversion of the detention basin from conventional turfgrass to native vegetation. The turfgrass will be killed with herbicide and then the basin will be seeded with a native seed mix. The goal of the VILLAGE is to reduce pollutant loadings associated with urban runoff into the Salt Creek watershed.
- 2.1 The PROJECT shall be developed essentially in accord with the conceptual design, as prepared by the Village of Westmont and submitted January 3, 2025, which document is incorporated herein by reference but is not attached hereto due to space limitations.

3.0 FUNDING.

- 3.1 The total water quality related PROJECT costs are estimated to be fifty-nine thousand dollars (\$59,000). The cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

VILLAGE OF WESTMONT	\$44,250
<u>COUNTY OF DUPAGE</u>	<u>\$14750</u>
TOTAL	\$59,000

- 3.2 The VILLAGE shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the

VILLAGE and COUNTY agree to apportion such extra costs in writing before they are incurred.

- 3.3 This AGREEMENT shall in no way obligate the VILLAGE to undertake this PROJECT if the VILLAGE in its sole discretion determines that it is no longer in the VILLAGE'S best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by June 30, 2026, the VILLAGE shall promptly reimburse the COUNTY any monies paid by the COUNTY to the VILLAGE pursuant to this AGREEMENT. The VILLAGE'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the VILLAGE'S timely and satisfactory completion of the PROJECT.
- 3.4 The VILLAGE may only seek COUNTY reimbursement for allowable PROJECT expenses. Allowable PROJECT expenses incurred and paid by the VILLAGE in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the VILLAGE'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

- 4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.
- 4.2 The VILLAGE shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.
- 4.3 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.
- 4.4 The VILLAGE shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.
- 4.5 The VILLAGE shall be responsible for obtaining all required land rights necessary for the completion of the PROJECT.

- 4.6 The VILLAGE shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.
- 4.7 The VILLAGE may enter into additional agreements to secure its portion of the local PROJECT costs.
- 4.8 The VILLAGE shall submit no more than one invoice per month to the COUNTY during the construction of the PROJECT. Under no circumstances should the COUNTY be invoiced more than fourteen thousand seven hundred fifty dollars (\$14,750). The invoice shall show the quantities and cost per item and be summarized by PROJECT area.
- 4.9 The VILLAGE shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE in the amounts herein agreed upon, nor shall this provision affect the VILLAGE'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.
- 4.10 The VILLAGE shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY.
- 4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. The VILLAGE and VILLAGE'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the VILLAGE shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S Water Quality Improvement Program.
- 4.12 During the PROJECT and after its substantial completion, the VILLAGE shall be solely responsible for the ownership, operation, supervision, staffing, control, and maintenance of the PROJECT.
- 4.13 The VILLAGE must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage and other promotion of the PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 COUNTY'S RESPONSIBILITIES.

- 5.1 The COUNTY shall reserve the right to review the PROJECT'S plans and specifications, prior to the VILLAGE'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT components qualify for reimbursement through the COUNTY'S Water Quality Improvement Program. The COUNTY shall promptly provide the VILLAGE with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.
- 5.2 The COUNTY shall cost share in the PROJECT as follows:
 - 5.2.1 The COUNTY shall reimburse the VILLAGE for approved costs associated with the PROJECT which have been incurred and paid for by the VILLAGE, as specified in Paragraph 3.1.
 - 5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed fourteen thousand seven hundred fifty dollars (\$14,750).
 - 5.2.3 In the event PROJECT costs total less than Fifty-Nine Thousand dollars (\$59,000), the COUNTY'S total reimbursement amount shall not be more than twenty five percent (25%) of the actual total PROJECT costs. Any amounts overpaid by the COUNTY shall be promptly refunded by the VILLAGE.
 - 5.2.4 The COUNTY shall not be obligated to pay invoices received after June 30, 2026, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.
- 5.3 The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT. The COUNTY shall provide the VILLAGE reasonable advance notice of when the COUNTY requires such access.

6.0 GOVERNMENT REGULATIONS.

- 6.1 The VILLAGE shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.

7.0 INDEMNIFICATION.

- 7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.
- 7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.
- 7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove the VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors or agents. The VILLAGE'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

- 8.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties, excluding term extensions as provided for in the following provision.
- 8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment pursuant to Paragraph 8.1, above.

9.0 TERM OF THIS AGREEMENT.

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

9.1.1 June 30, 2026, or to a new date agreed upon by the parties.

9.1.2 The completion by the VILLAGE and COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before June 30, 2026.

10.0 ENTIRE AGREEMENT.

10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between the parties.

10.2 There are no other covenants, warranties, representations, promises, conditions or understandings, either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In the event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 GOVERNING LAW.

12.1 The laws of the State of Illinois shall govern this AGREEMENT as to both interpretation and performance.

- 12.2 The venue for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the judicial circuit court for DuPage County.

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

- 1.1 All recitals set forth above are incorporated herein and made a part hereof, the same constituting the factual basis for this AGREEMENT.
- 1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 PROJECT DESCRIPTION.

- 1.1 The PROJECT involves the conversion of the detention basin from conventional turfgrass to native vegetation. The turfgrass will be killed with herbicide and then the basin will be seeded with a native seed mix. The goal of the VILLAGE is to reduce pollutant loadings associated with urban runoff into the Salt Creek watershed.
- 2.1 The PROJECT shall be developed essentially in accord with the conceptual design, as prepared by the Village of Westmont and submitted January 3, 2025, which document is incorporated herein by reference but is not attached hereto due to space limitations.

3.0 FUNDING.

- 3.1 The total water quality related PROJECT costs are estimated to be twenty-three thousand four hundred sixty dollars (\$23,460). The cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

VILLAGE OF WESTMONT	\$17,595
COUNTY OF DUPAGE	\$5 865
TOTAL	\$23,460

- 3.2 The VILLAGE shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the

VILLAGE and COUNTY agree to apportion such extra costs in writing before they are incurred.

- 3.3 This AGREEMENT shall in no way obligate the VILLAGE to undertake this PROJECT if the VILLAGE in its sole discretion determines that it is no longer in the VILLAGE'S best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by June 30, 2026, the VILLAGE shall promptly reimburse the COUNTY any monies paid by the COUNTY to the VILLAGE pursuant to this AGREEMENT. The VILLAGE'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the VILLAGE'S timely and satisfactory completion of the PROJECT.
- 3.4 The VILLAGE may only seek COUNTY reimbursement for allowable PROJECT expenses. Allowable PROJECT expenses incurred and paid by the VILLAGE in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the VILLAGE'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

- 4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.
- 4.2 The VILLAGE shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.
- 4.3 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.
- 4.4 The VILLAGE shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.
- 4.5 The VILLAGE shall be responsible for obtaining all required land rights necessary for the completion of the PROJECT.

- 4.6 The VILLAGE shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.
- 4.7 The VILLAGE may enter into additional agreements to secure its portion of the local PROJECT costs.
- 4.8 The VILLAGE shall submit no more than one invoice per month to the COUNTY during the construction of the PROJECT. Under no circumstances should the COUNTY be invoiced more than five thousand eight hundred sixty-five dollars (\$5,865). The invoice shall show the quantities and cost per item and be summarized by PROJECT area.
- 4.9 The VILLAGE shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE in the amounts herein agreed upon, nor shall this provision affect the VILLAGE'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.
- 4.10 The VILLAGE shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY.
- 4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. The VILLAGE and VILLAGE'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the VILLAGE shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S Water Quality Improvement Program.
- 4.12 During the PROJECT and after its substantial completion, the VILLAGE shall be solely responsible for the ownership, operation, supervision, staffing, control, and maintenance of the PROJECT.
- 4.13 The VILLAGE must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage and other promotion of the PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 COUNTY'S RESPONSIBILITIES.

- 5.1 The COUNTY shall reserve the right to review the PROJECT'S plans and specifications, prior to the VILLAGE'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT components qualify for reimbursement through the COUNTY'S Water Quality Improvement Program. The COUNTY shall promptly provide the VILLAGE with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.
- 5.2 The COUNTY shall cost share in the PROJECT as follows:
 - 5.2.1 The COUNTY shall reimburse the VILLAGE for approved costs associated with the PROJECT which have been incurred and paid for by the VILLAGE, as specified in Paragraph 3.1.
 - 5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed five thousand eight hundred sixty-five dollars (\$5,865).
 - 5.2.3 In the event PROJECT costs total less than twenty-three thousand four hundred sixty dollars (\$23,460), the COUNTY'S total reimbursement amount shall not be more than twenty five percent (25%) of the actual total PROJECT costs. Any amounts overpaid by the COUNTY shall be promptly refunded by the VILLAGE.
 - 5.2.4 The COUNTY shall not be obligated to pay invoices received after June 30, 2026, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.
- 5.3 The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT. The COUNTY shall provide the VILLAGE reasonable advance notice of when the COUNTY requires such access.

6.0 GOVERNMENT REGULATIONS.

- 6.1 The VILLAGE shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.

- 7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.
- 7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.
- 7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove the VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors or agents. The VILLAGE'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

- 8.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties, excluding term extensions as provided for in the following provision.

10.4 In the event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 GOVERNING LAW.

12.1 The laws of the State of Illinois shall govern this AGREEMENT as to both interpretation and performance.

- 12.2 The venue for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the judicial circuit court for DuPage County.

- 7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE 'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.
- 7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.
- 7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove the VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors or agents. The VILLAGE'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

10.4 In the event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. Grantor must pay Grantee for work satisfactorily performed prior to the date of the notice regarding adjustment. 2 CFR 200.308.

4.7. Interest.

(a) All interest earned on Grant Funds held by a Grantee will be treated in accordance with 2 CFR 200.305(b)(9), unless otherwise provided in PART TWO or PART THREE. Grantee must remit annually any amount due in accordance with 2 CFR 200.305(b)(9) or to Grantor, as applicable.

(b) Grant Funds must be placed in an insured account, whenever possible, that bears interest, unless exempted under 2 CFR 200.305(b)(8).

4.8. Timely Billing Required. Grantee must submit any payment request to Grantor within fifteen (15) days of the end of the quarter, unless another billing schedule is specified in ARTICLE II, **PART TWO**, or **PART THREE**. Failure to submit such payment request timely will render the amounts billed Unallowable Costs which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

4.9. Certification. Pursuant to 2 CFR 200.415, each invoice and report submitted by Grantee (or subrecipient) must contain the following certification by an official authorized to legally bind Grantee (or subrecipient):

By signing this report [or payment request or both], I certify to the best of my knowledge and belief that the report [or payment request] is true, complete, and accurate; that the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the State or federal pass-through award; and that supporting documentation has been submitted as required by the grant agreement. I acknowledge that approval for any other expenditure described herein is considered conditional subject to further review and verification in accordance with the monitoring and records retention provisions of the grant agreement. Admin. Code 7000.370(b)(7).

ARTICLE VII ALLOWABLE COSTS

7.1. Allowability of Costs; Cost Allocation Methods. The allowability of costs and cost allocation methods for work performed under this Agreement will be determined in accordance with 2 CFR Part 200 Subpart E and Appendices III, IV, V, and VII.

7.2. Indirect Cost Rate Submission.

(a) All grantees, except for Local Education Agencies (as defined in 34 CFR 77.1), must make an Indirect Cost Rate election in the Grantee Portal, even grantees that do not charge or expect to charge Indirect Costs. 44 Ill. Admin. Code 7000.420(e).

(i) Waived and de minimis Indirect Cost Rate elections will remain in effect until Grantee elects a different option.

(b) Grantee must submit an Indirect Cost Rate Proposal in accordance with federal and State regulations, in a format prescribed by Grantor. For grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. For grantees who have previously negotiated an Indirect Cost Rate, the Indirect Cost Rate Proposal must be submitted for approval within 180 days of Grantee's fiscal year end, as dictated in the applicable appendices, such as:

(i) Appendix VII to 2 CFR Part 200 governs Indirect Cost Rate Proposals for state and Local Governments and Indian Tribes,

(c) A grantee who has a current, applicable rate negotiated by a cognizant federal agency must provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge the *de minimis* rate as set forth in 2 CFR 200.414(f), which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

7.3. **Transfer of Costs.** Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. 2 CFR 200.451.

7.4. **Commercial Organization Cost Principles.** The federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.5. **Financial Management Standards.** The financial management systems of Grantee must meet the following standards:

(a) **Accounting System.** Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(7)(i) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

(b) **Source Documentation.** Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO, PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(i)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control.** Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control.** Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management.** Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

ARTICLE VIII LOBBYING

8.1. Improper Influence. Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including appropriate programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Any report required by 30 ILCS 708/125 may be detailed in **PART TWO** or **PART THREE**.

10.2. Financial Close-out Report.

(a) Grantee must submit a financial Close-out Report, in the format required by Grantor, by the due date specified in **PART TWO** or **PART THREE**, which must be no later than sixty (60) calendar days following the end of the Period of Performance for this Agreement or Agreement termination. The format of this financial Close-out Report must follow a format prescribed by Grantor. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

ARTICLE XI PERFORMANCE REPORTING REQUIREMENTS

For certain construction-related Awards, such reports may be exempted as identified in **PART TWO** or **PART THREE**. 2 CFR 200.329.

11.2. Performance Close-out Report. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

11.3. Content of Performance Reports. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the period; where the accomplishments can be quantified, a computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; and reasons why established goals were not met, if appropriate. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in **Exhibit A, PART TWO** or **PART THREE**.

13.2. **Suspension.** Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. **Non-compliance.** If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. **Close-out of Terminated Agreements.** If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIV
SUBCONTRACTS/SUBAWARDS**

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (Exhibits A, B and D).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (Exhibits A, B and D) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. Grantee also is required to provide reasonable access to its facilities, office space, resources and assistance for Grantor to conduct site visits to review project accomplishments and management control systems and to provide technical assistance, if required. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

Specifically, as set forth under 2 CFR §§ 200.312 – 75.314, Non-Expendable Personal Property includes such property acquired under this Agreement and such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 2 CFR 200.313 and paragraph 22.4, herein. Absent a policy, the Grantee must follow the rules of the Governor's Travel Control Board. Notwithstanding the provisions of 2 CFR 200.444, travel costs of officials covered by that section are allowable with the prior written approval of the federal awarding agency or Grantor when they are specifically related to a federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at www.gsa.gov and 41 CFR Subtitle F, Chapters 300-304. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee's control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

(a) Pursuant to 2 CFR 200.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of

\$100,000 or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 2 CFR 200.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 2 CFR 200.305(b)(8). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds provided under this Agreement for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility, or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 2 CFR 200.308, subject to the following:

- **Program Support Grant Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget under this Award; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may decrease the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.
- **Client Benefits (Materials/Labor and Health and Safety):** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Materials/Labor and Health and Safety sub-line items in the Client Benefits cost category. In no event may such transfers in these specific cost categories result in an increase to the total Budget without prior Grantor written approval.
- **Administrative Grant Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Direct Administration cost category of the Budget under this Award. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or an increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.
- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget under this Award.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse, or misconduct associated with any IHWAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse, or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse, or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse, or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty-five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may

request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

(b) **Single and Program-Specific Audits.** If, during its fiscal year, Grantee expends at least the threshold amount as set out in 2 CFR 200.501(a) in federal Awards (direct federal and federal pass-through awards combined), Grantee must have a single audit or program-specific audit conducted for that year as required by 2 CFR 200.501 and other applicable sections of Subpart F of 2 CFR Part 200. The audit report packet must be completed as described in 2 CFR 200.512 (single audit) or 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. (c) **Financial Statement Audit.** If, during its fiscal year, Grantee expends less than the threshold amount as set out in 2 CFR 200.501(a) in federal Awards, Grantee is subject to the following audit requirements:

(i) If, during its fiscal year, Grantee expends at least the threshold amount as set out in 44 Ill. Admin. Code 7000.90(c)(1) in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS). Grantee may be subject to additional requirements in **PART TWO, PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than the threshold amount as set out in 44 Ill. Admin. Code 7000.90(c)(1) in State-issued Awards, but expends at least the threshold amount as set out in 44 Ill. Admin. Code 7000.90(c)(2) in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(b) **Program-Specific Audit.** If, during its fiscal year, Grantee expends at least the threshold amount as set out in 2 CFR 200.501(a) in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) **Financial Statement Audit.** If, during its fiscal year, Grantee expends less than the threshold amount as set out in 2 CFR 200.501(a) in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) **Publicly-Traded Entities.** If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. **Performance of Audits.** For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. **Delinquent Reports.** When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in **Exhibit A, PART TWO** or **PART THREE**.

13.2. **Suspension.** Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. **Non-compliance.** If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. **Objection.** If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. **Effects of Suspension and Termination.**

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. **Close-out of Terminated Agreements.** If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIV
SUBCONTRACTS/SUBAWARDS**

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the

Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

PERFORMANCE MEASURES AND STANDARDS

Grantee's performance for this Award will be measured based on the requirements that Grantor will review periodically during the Award Term, including, but not limited to the following:

- Production Status versus Production Plan: How many projects are completed compared to the Grantee's production plan? (WeatherWorks Tracker)
- Completed Units
- Work Order Printed Units
- Approved Status Units
- Percentage of Grant Funds expended

The Grantor reserves the right to deny any voucher request(s), at its discretion, based on lack of progress toward meeting the performance measures listed in Exhibit E. If the Grantee fails to meet any of the performance measures, and if deemed appropriate at the discretion of the Grantor, the Grant Funds may be decreased, and/or the Grantee may be responsible for the return of Grant Funds in the amount specified by the Grantor. The Grantor may initiate an Agreement modification(s) to de-obligate Grant Funds based on non-performance.

EXHIBIT E

SPECIFIC CONDITIONS

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

No Specific Conditions.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV ADDITIONAL MONITORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(9), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

**ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS**

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but vary more than ten percent (10%) of the current approved Budget line item amount, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

**ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES**

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

- (a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;
- (b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;
- (c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;
- (d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:
 - (i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;
 - (ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;
 - (iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and
 - (iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity associated

with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX

ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (Exhibits A, B and D).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (Exhibits A, B and D) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee will not expend Grant Funds under this Agreement which result in the destruction, alteration, renovation, transfer or sale, or utilization of a historic property, structure or structures, or in the introduction of visual, audible or atmospheric elements to a historic property, structure or structures, which will result in the change in the character or use of any historic property, except as approved by the Illinois Department of Natural Resources, Historic Preservation Division. The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.3. Victims' Economic Security and Safety Act (820 ILCS 180 et seq.). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 et seq.). 33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) **Personal Information Defined.** As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

(b) **Protection of Personal Information.** The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) **Security Assurances.** Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

**ARTICLE XXXIV
ADDITIONAL MISCELLANEOUS PROVISIONS**

34.1. Workers' Compensation Insurance, Social Security, Retirement and Health Insurance Benefits, and Taxes. 35.2. Federal, State and Local Laws; Tax Liabilities; State Agency Delinquencies. The Grantee is required to comply with all federal, state and local laws, including but not limited to the filing of any and all applicable tax returns. If Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor will disburse Grant Funds only if the Grantee enters into an installment payment agreement with the applicable tax authority and remains in good standing with that authority. Grantee is required to tender a copy of all relevant installment payment agreements to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. **The execution of this Agreement by the Grantee is its certification that: (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.**

35.3. Lien Waivers. If applicable, the Grantee must monitor construction to assure that necessary contractors' affidavits and waivers of mechanics liens are obtained prior to release of Grant Funds to contractors and subcontractors.

35.4. Grant for the Construction of Fixed Works. Grantee certifies that all Projects for the construction of fixed works which are financed in whole or in part with funds provided by this Agreement will be subject to the Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*) unless the provisions of that Act exempt its application. In the

**ARTICLE XXXVII
GRANT-SPECIFIC TERMS/CONDITIONS**

37.1. This Agreement is issued contingent upon the Grantee's successful completion of the 2024 Illinois Home Weatherization Assistance Program ("IHWAP"). Failure of the Grantee to comply with the terms and conditions of the 2024 IHWAP Grant Agreement may result in termination of this Agreement.

37.2. Federal Grant Requirements.

(a) In addition to the federal requirements set forth in Article VII, herein this Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200, (the "Uniform Requirements"). For the avoidance of doubt and to the extent applicable, any references in this Agreement to any of the OMB Circulars are subject to the Uniform Requirements referenced herein.

(b) Grantee must maintain compliance with the weatherization and related provisions of the Grantor's IHWAP Operations Manual, the federal Energy Conservation and Production Act of 1976 (P.L. 94-385), the Energy Assistance Act (305 ILCS 20/1 *et seq.*), Urban Weatherization Initiative Act (30 ILCS 738), Illinois LIHEAP administrative rules (47 Ill. Admin. Code Part 100), and all Grantor policies and procedures.

37.3. Administrative Costs. Pursuant to Article VII, herein Grantee shall receive reimbursement for Allowable Costs under the Administration and Program Support cost budget categories at a ratio of allowable expenditure to amounts budgeted no higher than the ratio of total allowable client benefit expenditures to the total amounts budgeted in the Client Assistance cost budget categories. As an example, a grantee which expends 75% of the total budgeted Client Assistance funds will only be allowed to spend 75% of the amount budgeted for Administration and Program Support funds, respectively.

(a) Under no condition is Grantee permitted to allocate funds for the Equipment/Vehicle cost category without prior written approval from Grantor.

(b) Grantee shall receive reimbursement for Allowable Costs under the Program Support cost category at a ratio of 35% of the Allowable Costs in the Materials/Labor and Health and Safety sub-line items of the Client Assistance cost category. Notwithstanding the foregoing, if Grantee operates a weatherization crew, Grantee shall receive reimbursement for Allowable Costs as set forth, herein at an increased ratio of 45%.

37.4. Additional Reporting Requirements. In addition to the reporting requirements set forth in paragraphs 13.1, 14.1 and 40.3, herein, as applicable, Grantee must provide the following reports to Grantor:

- (a) A certified cost report submitted via the GRS Fiscal electronic reporting system prior to submitting a request for Grant Funds;
- (b) Programmatic reports as required by Grantor; and
- (c) Any additional reports requested from Grantee by the Grantor.

37.5. Method of Compensation.

(a) In addition to the payment methods described in Article IV, herein the Grant Funds will be distributed in accordance with the invoice-voucher procedures of the Office of the State Comptroller. The first payment of Grant Funds will be for program initiation and will be based on the Grantee's reported obligation for the program's immediate cash needs. Thereafter, the Grant Funds will be distributed for the dual purpose of covering the allowable expenditures to date, as well as the immediate cash needs of the Grantee to operate the program under this Agreement in accordance with the financial management standards set forth in Article VII, herein.

(b) Costs allocated to this Award must conform to the cost principles at 2 CFR 200. Further, costs charged under this Agreement cannot exceed the total amount of this Award.

37.6. Additional Audit Requirements. In addition to the audit requirements in Article XV, herein Grantor reserves the right to conduct limited scope audits, at any time, of any Grant Funds expended under this Agreement or of the Grantee's agency-wide financial statements. Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. Grantee also is required to provide reasonable access to its facilities, office space, resources and assistance for Grantor to conduct site visits to review project accomplishments and management control systems and to provide technical assistance, if required. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including but not limited to, federally owned and exempt property, equipment, and supplies (collectively referred to as "Non-Expendable Personal Property") costing **\$10,000** or more without Grantor's prior written approval.

(b) In addition to Article XXII, herein the Grantee agrees to comply with the applicable property standards set forth in 2 CFR §§ 200.310–75.316, as specifically related to its organization, in the management of Non-Expendable Personal Property for authorized IHWAP purposes under this Award. Specifically, as set forth under 2 CFR §§ 200.312 – 75.314, Non-Expendable Personal Property includes such property acquired under this Agreement and such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 2 CFR 200.313 and paragraph 22.4, herein. Grantee must not sell, abandon, or otherwise dispose of such Non-Expendable Personal Property without disposition instructions and the prior written approval of Grantor.

(d) In accordance with 2 CFR §§ 200.313–200.314, Non-expendable Personal Property must be used for IHWAP purposes, as required under this Agreement, for as long as needed. While being used on the program under this Award, Non-Expendable Personal Property may be made available for "shared use" with other activities, provided that such use will not interfere with its primary use for the original purposes of IHWAP prescribed under this Award. When no longer needed for the program, equipment may be used for other projects subject to Grantor's written approval.

(e) The Grantee must maintain appropriate property records and annually conduct an inventory of all Non-Expendable Personal Property purchased with Grant Funds. Within thirty (30) days of receipt of purchased equipment, an "Equipment Acquisition Form" must be completed and sent to Grantor. Upon the termination of the Agreement and upon the election of Grantor, the Grantee must surrender possession of such property to Grantor.

37.8 Procurement. Grantee shall follow the procurement standards as established in 2 CFR §§ 200.317 – 200.326 and in the Grantor's Office of Community Assistance Procurement Manual ("OCA Procurement Manual"). Pursuant to the OCA Procurement Manual, for every procurement transaction in excess of the simplified acquisition threshold, including contract modifications, and for all procurements involving materials and labor for weatherization services, Grantee is required to perform a cost or price analysis. See 2 CFR 200.332; OCA Procurement Manual at 23-24.

37.9 Travel Costs.

(a) Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the Grantee performing duties/services related to this Agreement in accordance with 2 CFR 200.474. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the Grantee's non-federally-funded activities and in accordance with the Grantee's written travel reimbursement policies. Absent a policy, the Grantee must follow the rules of the Governor's Travel Control Board. Notwithstanding the provisions of 2 CFR 200.444, travel costs of officials covered by that section are allowable with the prior written approval of the federal awarding agency or Grantor when they are specifically related to a federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at www.gsa.gov and 41 CFR Subtitle F, Chapters 300-304. Grantee's policy cannot exceed the federal travel and per diem rates. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee's control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

37.10 Publication, Reproduction and Use of Material. In addition to Article XXIII, herein no material produced in whole or in part under this Award shall be subject to copyright in the United States or in any other country. Grantor shall have unrestricted authority to publish, disclose, distribute, and otherwise use, in whole or in part, any reports, data or other materials prepared under the Agreement.

37.11 Debarment. In addition to Grantee's certification in paragraph 8.1(k) and the representations and warranties in paragraph 32.1, herein Grantee must additionally certify that all contractors and subcontractors are in compliance with paragraphs 8.1(k) and 32.1 prior to engaging their services under this Agreement and must certify such compliance at least annually thereafter.

37.12 Bond and Depository Insurance Requirements.

(a) Pursuant to 2 CFR 200.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of **\$100,000** or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 2 CFR 200.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 2 CFR 200.305(b)(8). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds provided under this Agreement for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility, or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 2 CFR 200.308, subject to the following:

- **Program Support Grant Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget under this Award; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may decrease the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.
- **Client Benefits (Materials/Labor and Health and Safety):** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Materials/Labor and Health and Safety sub-line items in the Client Benefits cost category. In no event may such transfers in these specific cost categories result in an increase to the total Budget without prior Grantor written approval.
- **Administrative Grant Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Direct Administration cost category of the Budget under this Award. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or an increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.
- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget under this Award.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse, or misconduct associated with any IHWAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse, or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse, or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse, or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty-five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may

request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including appropriate programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantor may make site visits as warranted by Program needs. 2 CFR 200.329; 200.332. Additional monitoring requirements may be in **PART TWO** or **PART THREE**.

ARTICLE X FINANCIAL REPORTING REQUIREMENTS

10.1. Required Periodic Financial Reports. Grantee must submit financial reports as requested and in the format required by Grantor no later than the dues date(s) specified in **PART TWO** or **PART THREE**. Grantee must submit quarterly reports with Grantor describing the expenditure(s) of the funds related thereto, unless more frequent reporting is required by the Grantee due to the funding source or pursuant to specific award conditions. 2 CFR 200.208. Any report required by 30 ILCS 708/125 may be detailed in **PART TWO** or **PART THREE**.

10.2. Financial Close-out Report.

(a) Grantee must submit a financial Close-out Report, in the format required by Grantor, by the due date specified in **PART TWO** or **PART THREE**, which must be no later than sixty (60) calendar days following the end of the Period of Performance for this Agreement or Agreement termination. The format of this financial Close-out Report must follow a format prescribed by Grantor. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

ARTICLE XI PERFORMANCE REPORTING REQUIREMENTS

11.1. Required Periodic Performance Reports. Grantee must submit performance reports as requested and in the format required by Grantor no later than the due date(s) specified in **PART TWO** or **PART THREE**. 44 Ill. Admin. Code 7000.410. Grantee must report to Grantor on the performance measures listed in **Exhibit D**, **PART TWO** or **PART THREE** at the intervals specified by Grantor, which must be no less frequent than annually and no more frequent than quarterly, unless otherwise specified in **PART TWO**, **PART THREE**, or **Exhibit E** pursuant to specific award conditions. For certain construction-related Awards, such reports may be exempted as identified in **PART TWO** or **PART THREE**. 2 CFR 200.329.

11.2. Performance Close-out Report. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

11.3. Content of Performance Reports. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the period; where the accomplishments can be quantified, a computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; and reasons why established goals were not met, if appropriate. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

ARTICLE XII AUDIT REQUIREMENTS

12.1. Audits. Grantee is subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules and policies set forth by the Governor's Office of Management and Budget. 30 ILCS 708/65(c); 44 Ill. Admin. Code 7000.90.

12.2. Consolidated Year-End Financial Reports (CYEFR). All grantees must complete and submit a CYEFR through the Grantee Portal, except those exempted by federal or State statute or regulation, as set forth in **PART TWO** or **PART THREE**. The CYEFR is a required schedule in Grantee's audit report if Grantee is required to complete and submit an audit report as set forth herein.

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. If

Grantee is not required to complete audited financial statements, the CYEFR must cover Grantee's fiscal year and must be submitted within 6 months of the Grantee's fiscal year-end.

(c) The CYEFR must follow a format prescribed by Grantor.

12.3. Entities That Are Not "For-Profit".

(b) **Single and Program-Specific Audits.** If, during its fiscal year, Grantee expends at least the threshold amount as set out in 2 CFR 200.501(a) in federal Awards (direct federal and federal pass-through awards combined), Grantee must have a single audit or program-specific audit conducted for that year as required by 2 CFR 200.501 and other applicable sections of Subpart F of 2 CFR Part 200. The audit report packet must be completed as described in 2 CFR 200.512 (single audit) or 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90(h)(1) and the current GATA audit manual and submitted to the Federal Audit Clearinghouse, as required by 2 CFR 200.512. The results of peer and external quality control reviews, management letters issued by the auditors and their respective corrective action plans if significant deficiencies or material weaknesses are identified, and the CYEFR(s) must be submitted to the Grantee Portal at the same time the audit report packet is submitted to the Federal Audit Clearinghouse. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) **Financial Statement Audit.** If, during its fiscal year, Grantee expends less than the threshold amount as set out in 2 CFR 200.501(a) in federal Awards, Grantee is subject to the following audit requirements:

(i) If, during its fiscal year, Grantee expends at least the threshold amount as set out in 44 Ill. Admin. Code 7000.90(c)(1) in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS). Grantee may be subject to additional requirements in **PART TWO, PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than the threshold amount as set out in 44 Ill. Admin. Code 7000.90(c)(1) in State-issued Awards, but expends at least the threshold amount as set out in 44 Ill. Admin. Code 7000.90(c)(2) in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) **Program-Specific Audit.** If, during its fiscal year, Grantee expends at least the threshold amount as set out in 2 CFR 200.501(a) in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) **Financial Statement Audit.** If, during its fiscal year, Grantee expends less than the threshold amount as set out in 2 CFR 200.501(a) in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) **Publicly-Traded Entities.** If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. **Performance of Audits.** For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. **Delinquent Reports.** When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in **Exhibit A, PART TWO** or **PART THREE**.

13.2. **Suspension.** Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. **Non-compliance.** If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. **Objection.** If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. **Effects of Suspension and Termination.**

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. **Close-out of Terminated Agreements.** If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIV
SUBCONTRACTS/SUBAWARDS**

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the

Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.113; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose.

Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies

available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) Non-governmental entities. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

**ARTICLE XXII
MISCELLANEOUS**

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 et seq. Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation,

federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between PART ONE and PART TWO or PART THREE of this Agreement, PART ONE controls. In the event there is a conflict between PART TWO and PART THREE of this Agreement, PART TWO controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in PART TWO or PART THREE, and in such cases, those requirements control.

22.11. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.12. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

Grantee must complete the Award Activities described on this **Exhibit A**, the Deliverables and Milestones listed on **Exhibit B** and the Performance Measures listed on **Exhibit D** within the term of this Agreement, as provided in Paragraph 2.1, herein.

AUTHORITY: The Grantor is authorized to make this Award pursuant to statutes cited in the Program Objective below.

The purpose of this authority is as follows:

To provide grants for client services under a comprehensive low income energy assistance program which incorporates assistance in regards to utility services(LIHEAP), and energy conservation measures via weatherization, in an effort to ensure citizens have access to affordable energy services

PROJECT DESCRIPTION:

Through the Low Income Home Energy Assistance Program ("LIHEAP"), Grantee shall assist eligible households with the costs of home energy by incorporating fuel assistance, home weatherization and other related measures in accordance with the current LIHEAP regulations and requirements.

Grant Funds will be allocated to Local Administering Agencies (individually, each a "Grantee") to administer the LIHEAP on a local level, assisting low income residents in Illinois with energy and heating bills and providing other LIHEAP-related services. Grantee must comply with all LIHEAP regulations, requirements, policies and procedures set forth by federal and state laws and by Grantor including, but not limited to, the Grantor Office of Community Assistance ("OCA") program manual(s), technical assistance memoranda, written directives, training, and any other guidance or instructions in connection with the LIHEAP.

Program Objective

Grantee must use Grant Funds provided under this Agreement for the LIHEAP to develop and implement a program to assist low income, Illinois residents conserve fuel and defray rising costs of energy as set forth in Exhibits A and B, herein. For carrying out such program objectives, the total compensation and reimbursement payable by the Grantor to the Grantee shall be in compliance with and not exceed the amount specified in the Budget (Attachment A). The Grantor shall distribute/pay the total amount of the Grant Funds to the Grantee in accordance with the Energy Assistance Act (305 ILCS 20/1 *et seq.*), applicable sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR Part 75), Subpart H of the Department of Health and Human Services Block Grant Regulations (45 CFR Part 96), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 establishing the Low Income Home Energy Assistance Act of 1981, the Federal Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)), the Illinois Administrative Rules (47 Ill. Admin. Code Part 100), and any other applicable regulations and policies promulgated by the federal and state governments and by the Grantor. The Grantee further agrees that this Agreement is subject to such modifications which the Grantor determines may be required by federal or state laws, rules, or regulations applicable to this Agreement. Any such modifications to this Agreement shall be incorporated in accordance with the applicable provisions herein, including but not limited to, paragraphs 5.2 and 6.2.

- Grantee shall provide, in a manner consistent with the efficient and timely payment of benefits, the highest level of assistance to those households which have the lowest incomes and the highest energy costs in relation to income, also taking into account the number of members in the household.
- Grantee shall establish procedures to notify each participating household of the amount of assistance paid on its behalf. The Grantee must submit all required reports to the Grantor, in the prescribed manner, by the required date of submission. EXHIBIT D

PERFORMANCE MEASURES AND STANDARDS

Grantee's performance for this Award will be measured based on the LIHEAP and/or PIPP requirements, as applicable, that Grantor will review periodically during the Award Term, including, but not limited to the following:

1. Application Status Report (LH004):
 - Are GFE/CPR applications being processed (approved or denied) timely?
 - Are the applications in LAA Approved/Verified status that indicate the electronic communications stalled and the LAA needs to intervene?
 - Are there any LOF (Lack of Funds) applications the LAA should research and resolve?
 - Are there applications that have exceeded the 30-day timeframe to reach approved or denied for LIHEAP benefit status?
 - Are there crisis assistance applications that aren't processed within the 18/24 hour federally mandated timeframe?
 - Are there rejected applications that require LAA follow-up?
2. 90 Days Closeout Report (LH022): Applications on this report are past 30 days from the application date and therefore, out of compliance, and could be in jeopardy of being automatically denied by the LIHEAP database as "Application Lapsed."
3. Audit Invoices and Register Report (LH429): Does the LAA have unpaid registers that are more than 45 days from the Register Accepted date?
4. PIPP Finance Reports: These reports will be used to determine the timeliness of processing applications and paying vendors.

The Grantor reserves the right to deny any voucher request(s), at its discretion, based on lack of progress toward meeting the performance measures listed in Exhibit E. If the Grantee fails to meet any of the performance measures, and if deemed appropriate at the discretion of the Grantor, the Grant Funds may be decreased, and/or the Grantee may be responsible for the return of Grant Funds in the amount specified by the Grantor. The Grantor may initiate an Agreement modification(s) to de-obligate Grant Funds based on non-performance.

EXHIBIT E

SPECIFIC CONDITIONS

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

No Specific Conditions.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV ADDITIONAL MONITORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(9), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

**ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS**

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but vary more than ten percent (10%) of the current approved Budget line item amount, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

**ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES**

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

- (a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;
- (b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;
- (c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;
- (d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:
 - (i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;
 - (ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;
 - (iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and
 - (iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity associated

with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX

ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (Exhibits A, B and D).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (Exhibits A, B and D) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee will not expend Grant Funds under this Agreement which result in the destruction, alteration, renovation, transfer or sale, or utilization of a historic property, structure or structures, or in the introduction of visual, audible or atmospheric elements to a historic property, structure or structures, which will result in the change in the character or use of any historic property, except as approved by the Illinois Department of Natural Resources, Historic Preservation Division. The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.3. Victims' Economic Security and Safety Act (820 ILCS 180 et seq.). If the Grantee has one (1) or more employees, it may not discharge or discriminate against an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence, for taking up to the allowable amount of leave from work to address the domestic violence, pursuant to the Victims' Economic Security and Safety Act. 820 ILCS 180/20(a)(2). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 et seq.). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 et seq.).

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) **Personal Information Defined.** As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

(b) **Protection of Personal Information.** The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) **Security Assurances.** Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) **Breach Response.** In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) **Injunctive Relief.** Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) **Compelled Access or Disclosure.** The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

**ARTICLE XXXIV
ADDITIONAL MISCELLANEOUS PROVISIONS**

35.2. Federal, State and Local Laws; Tax Liabilities; State Agency Delinquencies. The Grantee is required to comply with all federal, state and local laws, including but not limited to the filing of any and all applicable tax returns. If Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor will disburse Grant Funds only if the Grantee enters into an installment payment agreement with the applicable tax authority and remains in good standing with that authority. Grantee is required to tender a copy of all relevant installment payment agreements to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. **The execution of this Agreement by the Grantee is its certification that: (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.**

ARTICLE XXXVII
GRANT-SPECIFIC TERMS/CONDITIONS

37.1. This Agreement is issued contingent upon the Grantee's successful completion of the 2025 Low-Income Home Energy Assistance Program ("LIHEAP"). Failure of the Grantee to comply with the terms and conditions of the 2026 LIHEAP Grant Agreement may result in termination of this Grant Agreement.

37.2. Federal Grant Requirements.

(a) In addition to the federal requirements set forth in Article VII, herein this Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for U.S. Department of Health and Human Services ("HHS") awards at 45 CFR Part 75, which implement the language in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200, (the "Uniform Requirements"). For the avoidance of doubt, all references in this Agreement to any of the OMB Circulars are subject to the Uniform Requirements referenced herein.

(b) Grantee must also comply with the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. §§ 8621-8630), the federal LIHEAP block grant rules (45 CFR Part 96), the federal Energy Conservation and Production Act of 1976 (P.L. 94-385), the Energy Assistance Act (305 ILCS 20), the Illinois LIHEAP administrative rules (47 Ill. Admin. Code Part 100), and all related Grantor policies and procedures. Any specific exceptions to the Uniform Requirements adopted by HHS may be found at 2 CFR Part 300.

37.3. Administrative Costs. Pursuant to Article VII, herein Grantee shall receive reimbursement for Allowable Costs under the general Administrative, Client Assistance (solely for outreach purposes under HHS' Assurance 16 as required by law), and Program Support cost budget categories at a ratio of allowable expenditure to amounts budgeted no higher than the ratio of total allowable client benefit expenditures to the total amounts budgeted in the Client Assistance cost budget categories. As an example, a grantee which expends 75% of the total budgeted Client Assistance funds will only be allowed to spend 75% of the amount budgeted for general Administrative, Client Assistance (solely for outreach purposes under Assurance 16), and Program Support, respectively.

37.4. Additional Reporting Requirements. In addition to the reporting requirements set forth in paragraphs 10.1, 11.1 and 36.3, herein, as applicable, the Grantee must provide the following additional reports to Grantor:

- (a) For each Award, a certified cost report must be submitted via the GRS Fiscal electronic reporting system prior to submitting a request for Grant Funds;
- (b) Programmatic reports as required by Grantor; and
- (c) Any additional reports requested from Grantee by the Grantor.

37.5. Method of Compensation.

(a) In addition to the payment requirements described in Article IV, herein the Grant Funds will be distributed in accordance with the invoice-voucher procedures of the Office of the State Comptroller. The first payment of Grant Funds will be for program initiation and will be based on the Grantee's reported obligation for the program's immediate cash needs. Thereafter, the Grant Funds will be distributed for the

dual purpose of covering the allowable expenditures to date, as well as the immediate cash needs of the Grantee to operate the program under this Agreement in accordance with the financial management standards set forth in Article VII, herein.

(b) Costs allocated to this Award must conform to the HHS cost principles at 45 CFR Part 75 and as set forth in the Uniform Requirements, as applicable. Further, costs charged under this Agreement cannot exceed the total amount of this Award.

37.6. Additional Audit Requirements. In addition to the audit requirements in Article XII, herein Grantor reserves the right to conduct limited scope audits, at any time, of any Grant Funds expended under this Agreement or of the Grantee's agency-wide financial statements. Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including, but not limited to, federally-owned and exempt property, equipment and supplies (collectively referred to as "Non-Expendable Personal Property") costing **\$5,000** or more without Grantor's prior written approval.

(b) In addition to Article XVIII, herein the Grantee agrees to comply with the applicable property standards set forth in 45 CFR §§ 75.316–75.323, as specifically related to its organization, in the management of Non-Expendable Personal Property for authorized LIHEAP purposes under this Award. Specifically, as set forth under 45 CFR §§ 75.319 – 75.321, Non-Expendable Personal Property includes such property acquired under this Agreement and also such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by the Grantee in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 45 CFR 75.320 and paragraph 18.4, herein. Grantee must not sell, abandon or otherwise dispose of such Non-Expendable Personal Property without the prior written approval of Grantor.

(d) In accordance with 45 CFR §§ 75.320–75.321, Non-expendable Personal Property must be used for LIHEAP purposes, as required under this Agreement, for as long as needed. While being used on the program under this Award, Non-Expendable Personal Property may be made available for "shared use" with other activities, provided that such use will not interfere with its primary use for the original purposes of LIHEAP prescribed under this Award. When no longer needed for the program, equipment may be used for other projects subject to Grantor's written approval.

(e) The Grantee must maintain appropriate property records and annually conduct an inventory of all Non-Expendable Personal Property purchased with Grant Funds. Within thirty (30) days of receipt of purchased equipment, an "Equipment Acquisition Form" must be completed by Grantee and sent

to Grantor. Upon the termination of the Agreement and upon the election of Grantor, the Grantee must surrender possession of such property to Grantor.

37.8. Procurement. Grantee shall follow the procurement standards as established in 45 CFR §§ 75.326 – 75.335.

37.9. Travel Costs.

(a) Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the Grantee performing duties/services related to this Agreement in accordance with 45 CFR 75.474. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the Grantee's non-federally-funded activities and in accordance with the Grantee's written travel reimbursement policies. Absent a policy, the Grantee must follow the rules of the Governor's Travel Control Board. Notwithstanding the provisions of 45 CFR 75.444, travel costs of officials covered by that section are allowable with the prior written approval of the Federal awarding agency or Grantor when they are specifically related to the Federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at www.gsa.gov and 41 CFR Subtitle F, Chapters 300-304. Grantee's policy cannot exceed the federal travel and per diem rates. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee's control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

37.10. Publication, Reproduction and Use of Material. In addition to Article XIX, herein no material produced in whole or in part under this Award shall be subject to copyright in the United States or in any other country. Grantor shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under the Agreement.

37.11. Debarment. In addition to Grantee's certification in paragraph 3.5(j) and the representations and warranties in paragraph 28.1, herein Grantee must additionally certify that all contractors and subcontractors are in compliance with paragraphs 3.5(j) and 28.1 prior to engaging their services under this Agreement and must certify such compliance at least annually thereafter.

37.12. Bond and Depository Insurance Requirements.

(a) Pursuant to 45 CFR 75.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of **\$100,000** or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 45 CFR 75.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 45 CFR 75.305(b)(8). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 45 CFR 75.308, subject to the following:

- **Program Support:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may *decrease* the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.
- **Client Benefits:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Client Benefits budget Line 0201 only. In no event may such transfers in this specific cost category result in an increase to the total Budget without prior Grantor written approval.
- **Direct Administrative Costs:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 300 series sub-line items except Line 317 Indirect Costs in the Direct Administration cost category of the Budget. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.
- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse or misconduct associated with any LIHEAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff, or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

For non-personnel items, Contractor agrees to provide proofs of payments, in the form of canceled checks, contractor invoices (stating paid in full) or any other proof that payment has been made. Contractor agrees to provide time sheets for any temporary employees or contractual employees hired by Contractor to fulfill the duties of this Agreement.
- 6.3. Reimbursement.** The Department shall reimburse Contractor for Contractor's performance of all duties and obligations hereunder. Unless specifically provided herein, no payment shall be made by the Department for extra charges, supplies or expenses. Reimbursement is subject to the following:
- 6.3.1** The Department shall not be liable to pay Contractor for any supplies provided or services performed, or expenses incurred prior to the term of this Agreement.
 - 6.3.2** Reimbursement will be made in the amount expended to date of expenditure report.
 - 6.3.3** All reports required under this Agreement must be received by the Department within the time period set forth in this Agreement.
 - 6.3.4** The parties will make final determination of the necessary expenditures Contractor has incurred as a result of this Agreement. Such expenditures, mutually agreed upon and subject to Federal Financial Participation (FFP), shall be determined as of the close of business on the date of termination of this Agreement from expenditure reports submitted by Contractor. The Department will reimburse Contractor for any underpayment of such finally determined expenditures and Contractor shall reimburse the Department for any overpayment.
 - 6.3.5** Reimbursements made by the Department pursuant to this article shall constitute full payment owed to Contractor by the Department or the IV-D client under Federal or State law for the duties performed by Contractor under this Agreement. Contractor shall not seek any additional payment from the Department or the IV-D client for the performance of these duties.
 - 6.3.6** Contractor shall be solely responsible and liable for all expenditure disallowance resulting from Contractor's actions as set forth in any audit by the federal Office of Child Support Enforcement or by the Department. Contractor shall reimburse the Department for any such disallowance; provided however, the Department will be required to give Contractor timely notice of any such disallowances and an opportunity to rebut any question of Contractor's liability. Contractor, however, will not be held liable for any disallowance concerning expenditures Contractor undertook at the written request of, or with the written approval of, the Department.
 - 6.3.7** All Title IV-D funds held by Contractor (not including reimbursements for expenditures made pursuant to this agreement previously made by Contractor) shall be deposited in an interest-bearing bank account and

any interest earned on this Title IV-D money shall be identified and deducted from actual expenditures reported to the Department each month.

- 6.3.8** If the Department determines that this Agreement is a grant, then the terms of the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*) shall apply.
- 6.3.9** Prior written approval from the Department's Agreement Manager must be secured by Contractor in order to receive reimbursement for the following:
- a.** The cost of new or additional leases or rental agreements for either real or personal property;
 - b.** The cost of any non-expendable personal property exceeding \$100.00 in unit cost and having a life expectancy of more than one year. After receiving said request, the Department shall provide a written response within ten (10) business days for electronic data processing (EDP) equipment requests and three (3) business days for non EDP equipment requests. Any equipment purchased during the terms of this Agreement, if approved by the Department, having a unit acquisition cost of \$25,000 or less may be claimed in the period acquired. Equipment purchased and approved by the Department under the terms of this Agreement having a unit acquisition cost of more than \$25,000 shall be depreciated in equal amounts over a five-year period, at the discretion of the Department.
- 6.3.10** Contractor shall be responsible for obtaining hardware, software and office equipment maintenance agreements, excluding software purchased by the Department and for purchasing supplies (i.e., paper, toner, ink cartridges, cleaning kits) for all equipment under this or any Agreement between the parties. All purchases made regarding this Article 6.3.10 are reimbursable up to the limit of the entire budget amount found in Appendix A of this Agreement.
- 6.3.11** Each local Contractor's Office will be connected to the HFS KIDS system, or any successor system, via a Department-provided Child Support data circuit installed to the County facility. Contractor will work with the Department's technical staff to establish this connectivity in the most cost-effective manner possible for the taxpayers of Illinois. As technology changes are made by the Department and the State of Illinois that allow more cost-effective connectivity solutions, Contractor will work with the Department's technical staff to allow these solutions to be used for Department-provided connections at Contractor's Office.
- 6.4 Retention of Payments.** In addition to pursuit of actual damages, or termination of this Agreement, if any failure of Contractor to meet any requirement of this Agreement result in the withholding of Federal funds from the State, the Department will withhold and retain an equivalent amount from payment(s) to Contractor until such Federal funds are released to the State, at which time the Department will release to Contractor the equivalent withheld funds.
- 6.5 Computational Error.** The Department reserves the right to correct any mathematical or computational error in payment subtotals or total contractual obligation. The Department will notify Contractor of any such corrections.

- 6.7.1** Notwithstanding any other provision of this Agreement, all invoices for supplies ordered or services performed, and expenses incurred by Contractor prior to July 1 of each year must be presented to the Department no later than August 5th of each year in order to ensure payment under this Agreement. Failure by Contractor to present such invoices prior to August 5th may require Contractor to seek payment of such invoices through the Illinois Court of Claims and the Illinois General Assembly.
 - 6.7.2** All payments shall be made to conform to State fiscal year requirements regardless of what might or might not be stated elsewhere in this Agreement or any order placed pursuant to the Agreement. Contracts that extend beyond the end of the State's fiscal year (July 1 - June 30), or the payments thereon, may have to be prorated to ensure funds of the appropriate fiscal year are utilized for payment.
 - 6.7.3** It is recognized by the parties that payments at the beginning of the State's fiscal year (July and August payments) are often delayed because of the appropriation process. Such delayed payments shall not be considered late for any purpose, nor shall they constitute a breach.
- 6.8 Funding.** Funding shall be a combination of 66% federal funds and 34% state funds.

ARTICLE 7 — GENERAL TERMS

- 7.1 Amendments.** This Agreement may be amended or modified by the mutual consent of the parties at any time during its term. Amendments to this Agreement must be in writing and signed by the parties. No change, in addition to, or waiver of any term or condition of this Agreement shall be binding on the Department unless approved in writing by an authorized representative of the Department.
- 7.2 Amendments Necessary for Statutory or Regulatory Compliance.** Contractor shall, upon request by the Department and receipt of a proposed amendment to this Agreement, negotiate in good faith with the Department to amend the Agreement if and when required, in the opinion of the Department, to comply with Federal or State laws or regulations. If the parties are unable to agree upon an amendment within sixty (60) days, or such shorter time required by Federal or State law or regulation, the Department may terminate this Agreement.
- 7.3 Assignment and Subcontracting.** After notice to Contractor, the Department may transfer this Agreement or payment responsibility to another State agency or assign this Agreement to a third party for financing purposes. Assignment, subcontracting, or transfer of all or part of the interests of Contractor in the work covered by this Agreement is prohibited without prior written consent of the Department. In the event the Department gives consent to Contractor to assign, subcontract or transfer all or part of the interests of Contractor in the work covered by this Agreement, the following provisions shall apply:
- 7.3.1** The terms and conditions of this Agreement shall apply to and bind the party or parties to whom such work is subcontracted, assigned, or transferred as fully and completely as Contractor is hereby bound and obligated.
 - 7.3.2** Any proposed assignee, subcontractor or transferee must meet the same requirements applicable to Contractor, including, but not limited to, certifications and disclosures.
 - 7.3.3** Contractor shall list the names and addresses of all subcontractors in an addendum to this Agreement, together with the anticipated amount of money that each subcontractor is expected to receive pursuant to this Agreement.
- 7.4 Audits and Records.**
- 7.4.1 Right of Audit.** This Agreement, and all books, records, and supporting documents related thereto, shall be available for review or audit by the Department, the Office of Inspector General for the Department, the United States Department of Health and Human Services, the Illinois Auditor General and other State and Federal agencies with monitoring authority related to the subject matter of this Agreement (“Authorized Persons”), and Contractor agrees to cooperate fully with any such review or audit. Upon reasonable notice by any Authorized Person, Contractor shall provide, in Illinois, or any other location designated by the Authorized Person, during normal business hours, full and complete access to the relevant portions of Contractor’s books and billing records as they relate to payments under this Agreement. If the audit findings indicate overpayment(s) to Contractor, the Department shall adjust future or final payments otherwise due Contractor. If no payments are due and owing Contractor, or if the overpayments(s) exceed the amount otherwise due Contractor, Contractor shall immediately refund all amounts which may be due to the Department.
 - 7.4.2 Retention of Records.** Contractor shall maintain all business, professional, and other records in accordance with State law 45 CFR Part 75 subpart D, 45 CFR Part 160 and 45 CFR Part 164 subparts A and E, the specific terms and conditions of this Agreement, and pursuant to generally accepted accounting practice. Contractor shall maintain such books and records for a period of six (6) years from the later of the date of final payment under the Agreement or completion of the Agreement, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with this Agreement. If an audit, litigation, or other action involving the records is begun before the end of the six-year period, the records must be retained until all issues arising out of the action are resolved. Failure to maintain the books, records, and supporting documents required by this Article shall establish a presumption in favor of the Department for the recovery of any funds paid by the Department under the Agreement for which adequate books, records, and other documents are not available to support the purported disbursement.
- 7.5 Background Checks.** The Department reserves the right to conduct background checks of Contractor’s officers, employees or agents who would directly supervise the Agreement or physically perform the Agreement requirements

at Department facilities to determine their suitability for performing this Agreement. If the Department finds such officer, employee or agent to be unsuitable, the Department reserves the right to require Contractor to provide a suitable replacement immediately. The Department reserves the right to perform, cause to be performed, or be given access to previously performed background checks of Contractor's officers, employees, or agents who have access to FTI and/or access to KIDS, or any successor system, as required and in accordance with IRS Publication 1075 (and any updates thereto).

7.6 Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. Any claim against the Department arising out of this Agreement must be filed exclusively with the Illinois Court of Claims (705 ILCS 505/1) or, if jurisdiction is not accepted by that court, with the appropriate State or Federal court located in Sangamon County, Illinois. The State shall not enter into binding arbitration to resolve any Agreement dispute. The State of Illinois does not waive sovereign immunity by entering into this Agreement.

7.7 Confidentiality.

7.7.1 Proprietary Information. Performance of the Agreement may require Contractor to have access to and use of documents and data which may be confidential or considered proprietary to the State or to a State County, or which may otherwise be of such a nature that its dissemination or use, other than in performance of the Agreement, would be adverse to the interest of the State or others. Any documents or data obtained by Contractor from the Department in connection with carrying out the services under this Agreement shall be kept confidential and not provided to any third party unless disclosure is approved in writing by the Department. Each party shall protect the confidentiality of information provided by the other party, or to which the receiving party obtains access by virtue of its performance under this Agreement, that either has been reasonably identified as confidential by the disclosing party or by its nature warrants confidential treatment. The receiving party shall use such information only for the purpose of this Agreement and shall not disclose it to anyone except those of its employees who need to know the information. These nondisclosure obligations shall not apply to information that is or becomes public through no breach of this Agreement that is received from a third party free to disclose it that is independently developed by the receiving party, or that is required by law to be disclosed. Confidential information shall be returned to the disclosing party upon request.

7.7.2 Confidentiality of Program Recipient Identification. Contractor shall ensure that all information, records, data, and data elements pertaining to applicants for and recipients of public assistance shall be protected from unauthorized access, use, and disclosure by Contractor, Contractor's employees, and subcontractors and their employees, pursuant to 42 USC 654(26); 45 CFR 303.21; 305 ILCS 5/11-9, 11-10, and 11-12; and 42 CFR Part 431, Subpart F. Contractor shall establish appropriate safeguards to comply with the provisions of these rules and regulations.

7.8 Disputes Between Contractor and Other Parties. Any dispute between Contractor and any subcontractor or other party, shall be solely between such party or subcontractor and Contractor, and the Department shall be held harmless by Contractor.

7.9 Fraud and Abuse. Contractor shall report in writing to the Agency's Office of Inspector General (OIG) any suspected fraud, abuse or misconduct associated with any service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including but not limited to, Contractor staff, Contractor Subcontractor, Agency employee or Agency contractor. Contractor shall make this report within three days after first suspecting fraud, abuse or misconduct. Contractor shall not conduct any investigation of the suspected fraud, abuse or misconduct without the express concurrence of the OIG; the foregoing notwithstanding, Contractor may conduct and continue investigations necessary to determine whether reporting is required under this paragraph. Contractor must report to OIG as described in the first sentence above. Contractor shall cooperate with all investigations of suspected fraud, abuse or misconduct reported pursuant to this paragraph. Contractor shall require adherence with these requirements in any contracts it enters with Subcontractors. Nothing in this paragraph precludes Contractor or its Subcontractors from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

7.10 Gifts. Contractor and Contractor's principals, employees and subcontractors are prohibited from giving gifts to Department employees, and from giving gifts to, or accepting gifts from, any person who has a contemporaneous Agreement with the Department involving duties or obligations related to this Agreement.

7.11 Indemnification.

7.11.1 Contractor assumes all risk of loss and shall indemnify and hold the State, its officers, agents and employees harmless from and against any and all liabilities, demands, claims, suits, losses, damages, causes of action, fines or judgments, including costs, attorneys' and witnesses' fees, and expenses incident thereto, for any and all injuries to persons (including death), and any or all loss of, damage to, or destruction of property (including property of the State), resulting from the negligent or intentional acts or omissions of Contractor or any employee, agent, or representative of Contractor or Contractor's subcontractors. Contractor shall do nothing to prejudice the State's right to recover against third parties for any loss, destruction of, or damage to State property, and shall upon request and at the State's expense, furnish to the State all reasonable assistance and cooperation, including assistance in the prosecution of suit and the execution of instruments of assignment in favor of the State in obtaining recovery.

7.11.2 Neither party shall be liable for incidental, special or consequential damages.

7.11.3 Contractor further agrees to assume all risk of loss and to indemnify and hold the Department and its officers, agents, and employees harmless from and against any and all liabilities, demands, claims, suits, losses, damages, causes of action, fines or judgments including costs, attorneys' and witnesses' fees, and expenses incident thereto, for Contractor's failure to pay any subcontractor, either timely or at all, regardless of the reason.

7.12 Media Relations and Public Information. Subject to any disclosure obligations of Contractor under applicable law, rule, or regulation, news releases pertaining to this Agreement or the services or project to which it relates shall only be made with prior approval by, and in coordination with, the Department. Contractor shall not disseminate any publication, presentation, technical paper, or other information related to Contractor's duties and obligations under this Agreement unless such dissemination has been previously approved in writing by the Department.

7.13 Multiple Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document shall be deemed original for all purposes.

7.14 Nondiscrimination. In compliance with the State and Federal Constitutions, the Illinois Human Rights Act, the U. S. Civil Rights Act, and Section 504 of the Federal Rehabilitation Act, the Department does not unlawfully discriminate in employment, Agreements, or any other activity. Contractor and Contractor's principals, employees and subcontractors shall abide by all Federal and State laws, regulations and orders which prohibit discrimination because of race, creed, color, religion, sex, national origin, ancestry, age, or physical or mental disability, including but, not limited to, the Federal Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, the Federal Rehabilitation Act of 1973, the Illinois Human Rights Act, and Executive Orders 11246 and 11375. Contractor further agrees to take affirmative action to ensure that no unlawful discrimination is committed in any manner, including, but not limited to, in the delivery of services under this Agreement.

7.15 Non-solicitation of Employees. Contractor shall give notice to the Department's Ethics Officer, or such other person as the Department may designate, if Contractor solicits or intends to solicit for employment any Department employee during any part of the term of this Agreement and for one (1) year after its termination or expiration. This notice shall be given in writing at the earliest possible time. Contractor shall not employ any person or persons employed by the Department at any time during the term of this Agreement for any work required by the terms of this agreement.

7.16 Purchase of Equipment.

7.16.1 In accordance with the provisions of 45 CFR 95.705, 44 Ill. Adm. Code 5010.660, and other State and Federal laws and regulations, Contractor shall transfer to the Department, upon request, all equipment purchased under the terms of this or any preceding Agreement between the parties, if this Agreement is terminated or if said equipment is no longer needed by Contractor to perform its duties under this Agreement.

DuPage County Member Initiative
District 2 and District 6

Re: The Conservation Foundation's Funding Proposal for the DuPage Member Initiative in District 2 and District 6.

Dear DuPage Member Initiative District 2 and District 6 Funding Boards,

On behalf of People's Resource Center (PRC), I am pleased to express our support for The Conservation Foundation's funding proposal to the DuPage Member Initiative for the Green Earth Harvest farm program and its Farm to Pantry initiative.

Through these programs, The Conservation Foundation has been able to provide fresh, locally grown vegetables to several food pantries across DuPage and Will Counties, ensuring that families facing food insecurity have access to nutritious, high-quality produce. At PRC, we are eager to partner with The Conservation Foundation to better serve our communities—particularly by increasing fresh produce options at our WeGo Market at Leman Middle School in West Chicago.

This partnership directly supports PRC's commitment to nutrition and wellness, which prioritizes providing culturally familiar, nutrient-rich foods to the diverse populations we serve. By increasing access to fresh vegetables at our Leman Middle School pantry, we will make a tangible impact on the health and well-being of local families.

Additionally, we see this collaboration as a crucial first step in scaling the program to expand fresh produce offerings at our Wheaton and Westmont pantry locations. Over the next year, we look forward to working with The Conservation Foundation to develop a cost-effective, sustainable purchasing model that will strengthen food access across DuPage County.

We strongly encourage your support of this funding proposal, which will help ensure that families in our community receive the fresh, nutritious food they need to thrive. Please feel free to contact me if you need any additional information.

Sincerely,

Jeni Fabian
CEO

WHEREAS, the VILLAGE shall undertake the PROJECT and the COUNTY shall reimburse the VILLAGE for PROJECT expenses up to ten thousand four hundred thirty dollars and sixty-five cents (\$10,430.65) in accordance with the terms and conditions of this AGREEMENT; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

- 1.1 All recitals set forth above are incorporated herein and made a part thereof, the same constituting the factual basis for this AGREEMENT.
- 1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.
- 1.3 The COUNTY and VILLAGE shall be referred to herein collectively as the "Parties," or individually as a "Party."

2.0 PROJECT DESCRIPTION.

- 2.1 The PROJECT involves installation of certain pedestrian signs and lights at the intersection of Fair Oaks Road and the meeting of the West Branch DuPage River Trail and the Lies Road Trail. The Project is more fully described in the application attached as **Exhibit A** to this Agreement.
- 2.2 The PROJECT shall be undertaken essentially in accord with the plans, as prepared by the VILLAGE's Staff which have been mutually approved by the VILLAGE and the COUNTY, and which document is attached hereto and incorporated herein as **Exhibit B**.

- 3.2 It is the intention of the Parties that up to ten thousand four-hundred thirty dollars and sixty-five cents in Project costs will be reimbursed by the COUNTY. The COUNTY, by this AGREEMENT, does not assume responsibility for directly paying any PROJECT costs and shall only be responsible for reimbursing portions of the VILLAGE'S PROJECT costs.
- 3.3 Allowable PROJECT expenses may include third-party professional services (architect/engineering fees, construction management, etc.), construction (labor and materials), bidding related costs, advertising, permit fees, and other related construction costs. Notwithstanding the foregoing, allowable expenses shall not include administrative costs, overhead, payroll or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

- 4.1 The VILLAGE shall be responsible for the acquisition of all materials for the PROJECT, as set forth in Exhibit A together with the installation of the PROJECT materials by Village Public Works employees.
- 4.2 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.
- 4.3 The VILLAGE shall be responsible for submitting copies of all paid receipts for Project materials and the final PROJECT inspection report to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of verifying the PROJECT's work components have been completed.
- 4.4 The VILLAGE shall submit one final invoice to the COUNTY upon the completion of the material portion of the project. Repaving, landscaping or other seasonal work shall not be considered a material portion of this PROJECT. The COUNTY shall remit payment to the VILLAGE within 30 days of submission of invoice.
- 4.5 The VILLAGE shall make direct payments to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE.
- 4.6 The VILLAGE'S contractors and consultants shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors and consultants maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and strictly enforce all applicable safety law, rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality or other unit of government in the construction of public improvements.
- 4.7 The VILLAGE shall provide the COUNTY unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for reimbursement.

- 5.2 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any

The total reimbursement amount paid by the COUNTY to the VILLAGE shall not exceed ten thousand four hundred thirty dollars and sixty-five cents (\$10,430.65). In the event PROJECT costs total less than ten thousand four hundred thirty dollars and sixty-five cents (\$10,430.65), the VILLAGE's total reimbursement amount shall be one hundred percent (100%) of the actual total PROJECT costs.

6.0 GOVERNMENT REGULATIONS.

- 6.1 The Parties shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT. Nothing in this agreement shall be found to act as an approval of any specific works which require separate county permitting approval, such as stormwater or building permits.

7.0 INDEMNIFICATION.

- 7.1 To the extent permitted by law, each Party ("First Party") shall indemnify, hold harmless and defend the other Party ("Second Party"), and any of the Second Party's officials, officers, and employees from and against all liability, claims, suits, demands, liens, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the First Party's negligent or willful acts to the fullest extent that each Party is so authorized under the law; provided, however, that the First Party shall not be obligated to indemnify, hold harmless and defend the Second Party for any negligent or intentional wrongful misconduct or omissions by the Second Party's officials, employees, agents, contractors or personnel.
- 7.2 The VILLAGE shall require each consultant and contractor responsible for the construction, maintenance, or monitoring of the PROJECT to name the VILLAGE and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers as additional insureds on said consultant's and contractor's liability insurance policy. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or Paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the Parties or their consultants, contractors or agents. The First Party's indemnification of the Second Party shall survive the termination, or expiration, of this AGREEMENT.

- 10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between Parties.
- 10.2 There are no other covenants, warranties, representations, promises, conditions or understandings; either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 GOVERNING LAW.

12.1 The laws of the State of Illinois shall govern this AGREEMENT as to both interpretation and performance.

12.2 The venue for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the judicial circuit court for DuPage County.

Members of our community have petitioned for the installation of a Rectangular Rapid-Flashing Beacon (RRFB) with crossing signage at the crosswalk on Fair Oaks Rd. The scope of this project includes a push button in addition to said signage and RRFB. The crosswalk connects the Village of Carol Stream trail system with the West Branch DuPage River trail system and the DuPage County West Branch Forest Preserve. The crosswalk is highly traveled by cyclists and pedestrians. The desired outcome is for increased notification to motorists traveling North and Southbound on Fair Oaks Rd. to minimize the potential for a vehicle/pedestrian collision.

Members of our community also feel that Fair Oaks Road and Lies Road intersection as the busiest intersection between Army Trail Road and North Avenue for pedestrian and car traffic. They feel that the intersection, as it is functioning now, creates a substantial danger to human traffic, especially on the weekends. The speed limit on these two roads is 35 mph and the petitioners said they have observed many drivers drive 50 mph or more since there are no traffic lights or stop signs on Fair Oaks Road between Army Trail Road and North Avenue.

If awarded the monies, the Village of Carol Stream fully commits to the completion of the installation of rapid flashing beacons and additional signage on Fair Oaks Rd.

Sincerely,

Adam Frederick, P.E.

Re: Petition to Install Pedestrian Stoplights at the Intersection of Fair Oaks Road and Lies Road

Dear Mayor Saverino,

The intersection of Fair Oaks Road and Lies Road is the busiest intersection between Army Trail Road and North Avenue for pedestrian and car traffic. This intersection is situated at the main entrance to the West Branch Forest Preserve and connected with the bike and pedestrian trail along Lies Road. In addition, at this same location there is another north/south bike and pedestrian trail along Fair Oaks Road which crosses Lies Road. Attached are nearly 200 signatures from residents who use these trails.

The trail to the West Branch Forest Preserve, the trail along Fair Oaks Road, and the trail on Lies Road are very popular. Every day, especially during the spring and summer, dozens if not more people cross this intersection including children, adults and elderly who are running, walking or riding from early morning to late evening. The intersection, as it is functioning now, creates a substantial danger to human traffic, especially on the weekends. Even worse, the speed limit on these two roads is 35 mph. Many drivers drive 50 mph or more since there are no traffic lights or stop signs on Fair Oaks Road between Army Trail Road and North Avenue. It would be tragic to learn in the news of any person being hurt or killed at this busy intersection.

There is an urgent need to install pedestrian "stoplights on demand" at this intersection that will allow people, especially children and elderly to safely cross the road in either direction. There are many examples of pedestrian stoplights on demand on other roads close to the Chicago area Forest Preserves which excellently fulfill this role.

As concerned residents of Carol Stream, West Chicago, or other surrounding villages, including the unincorporated areas in Wayne Township, we request that you resolve this problem as soon as possible.

Sincerely,

Concerned Citizens for Safety

Dear Members of the DuPage County Board,

On behalf of the Wood Dale Park District, I am pleased to present the following project scope for the renovation of Calvary Church, a recently acquired facility that we intend to repurpose into a dedicated center for senior community programming. As our senior population continues to grow, so does the need for inclusive, accessible, and forward-thinking spaces that support active aging, lifelong learning, and social connection. This project reflects our commitment to meeting those needs through thoughtful renovation, technology integration, and innovative program delivery.

Project Objectives & Scope of Work

Letter of Proposal for Board Member Initiative: Technology Funding to Support Parents Alliance Employment Project

Dear County Board Members,

I am writing on behalf of Parents Alliance Employment Project (PAEP), a non-profit organization located in DuPage County that is devoted to improving the life of people with disabilities through individualized employment services. We are seeking funding through the Board Member Initiative to support the acquisition of laptops for use by participants within our job preparation and skills training program, Project SEARCH located at Northwestern Medicine Central DuPage Hospital in Winfield and Inspired by ABILITY located in Lisle and throughout DuPage County. Providing laptops to our participants will significantly help individuals with disabilities in their job search by giving them access to online job portals, resume-building tools, and virtual interviews. This funding will play a crucial role in increasing efficiency and enabling individuals with disabilities in our communities gain independence within their job search process.

Parents Alliance Employment Project is dedicated to improving the life of people with disabilities through individualized employment services and has existed since 1982. It is unique in that it was parent initiated and operated for many years staffed solely by parent volunteers. This network of parents became proactive when the only employment option for their developmentally disabled young adults was a sheltered workshop. Services are based on the philosophy that all individuals have the right to work in the communities in which they live.

With the work of twenty (20) full-time Employment Program Managers and Specialists, PAEP provides a variety of programs and services annually to over 150 individuals with developmental disabilities including career counseling, job skill training and preparation, job development, job placement, and job coaching and follow-up. A tailored program specific to building job skills is our nationally accredited, Project SEARCH model. The Project SEARCH program implemented at Northwestern Medicine Central DuPage Hospital in Winfield is a business led, one-year work program that takes place entirely at the workplace. The majority of the participants come from the surrounding Dupage county area high schools including Wheaton/Warrenville, Carol Stream, West Chicago, Naperville, and Glenbard school districts and attend the program located at Northwestern Medicine Central DuPage Hospital Monday through Friday from 7:30am-2:15pm. The morning

portion, 7:45-8:45am includes classroom instruction, while the remainder of the day, 9am-2pm participant's complete internships in departments throughout the hospital. Participants are exposed to 3, 10 week long internships to build skills. The goal for each participant is competitive employment. The program prioritizes real-life, hands-on work experience combined with classroom training in employability, work readiness and independent living skills to help youth with disabilities make successful transitions to productive adult life.

In addition to the Project SEARCH program, PAEP is successfully implementing Inspired by ABILITY (IBA), an individualized, year-long program that provides preparation of employment skills training and mentoring through job-readiness curriculum classroom instruction at our Lisle location one day per week for 3 hours. During the remaining days of the week, participants engage in work based learning internships at community businesses throughout DuPage County to build transferable work skills. Some notable employment training sites include: Monarch Landing (Food and Nutrition Department, Environmental Services Department, and Maintenance Department), Wyndemere (Food and Nutrition departments), Anytime Fitness (multiple locations), UFC Gym (multiple locations), Aperion Care (laundry Department, Food and Nutrition Department, and Housekeeping Department), Chartwell's at Elmhurst College, WESCO, GMC Dealership, PetPeople, TJ Maxx, Chick-Fil-A, Northwestern Medicine, Aramark, Marianjoy, Hyatt, UPS, Cinemark, Tabor Hills, Main Event, Fresh Thyme, Jiffy Lube, WeatherTech, Buffalo Wild Wings. Following on the job training, participants are placed into unsubsidized, competitive employment with supports provided by PAEP to ensure independent success.

As our agency and individualized job skill training programs continue to grow and expand, we have greatly recognized the need to implement technology within the classroom portion of these programs. Implementing the use of individual laptops for each participant would allow them to increase their technology skills as well as their independence in the job search process by: 1) allowing each participant to have access to a professional email account specific for the job searching process, 2) providing easy access to online job portals like Indeed, Glassdoor, 3) create, edit and customize resumes and cover letters, 4) research job companies and roles within each company identifying the skills they are looking for in an employee, 5) prepare for interviews, and 6) conduct and participate in virtual interviews.

With the funding provided by the DuPage County Board Member Initiative through Districts 6 and 4, PAEP plans to purchase twelve (12) laptops for the Project SEARCH program for participants and eleven (11) laptops for PAEP staff and all necessary software. The laptops will be used for daily use in the classroom and one on one with each participant for job readiness activities and to allow staff to provide on-line case management and virtual meetings with parents and employers. Utilizing the laptops within the classroom will increase independence and problem solving skills and empower each program participant to lead more independent, inclusive and fulfilling lives in the world of work and social engagement. The participants of the program will:

- 1) Gain access to an array of information and job resources
- 2) Create resumes
- 3) Practice video interviewing
- 4) Enhance communication through email and video to bridge gaps and access to employers

The total cost for this project is estimated at \$21,300 which includes a total of \$400 per classroom laptop acquired for each student of each program (12) and a total of \$1500 per staff (11) laptop acquired for each PAEP staff.

- \$4,800: Student Laptop and Software Purchase/Adapters and Accessories/Installation and Setup: \$400 (12)
- \$16,500: Staff Laptop and Software Purchase/Adapters and Accessories/Installation and Setup: \$1500 (11)

The request from each district breakdown would be as follows:

District 6: Project SEARCH Central DuPage Hospital for 12 participants and 4 staff: \$10,800

District 4: Project SEARCH Central DuPage Hospital for 7 additional PAEP Staff: \$10,500

PAEP is committed to maintaining the technology to ensure that each participant of the program can access and learn to navigate their job search process independently with the use of the laptops. A portion of the classroom curriculum will cover the training and use of the laptop for each participant.

In conclusion, the support from the DuPage County Board Member Initiative will have a lasting impact on our ability to increase efficiency and enable individuals with disabilities gain independence within their job search.

I would like to extend an invitation to you all and any DuPage County Board Member to visit Parents Alliance Employment Project and the Project SEARCH program at Northwestern Medicine Central DuPage Hospital to see and learn more about our program.

If you should need any additional information to supplement this request or have any questions, please feel free to contact me at (630) 697-8199 or. We appreciate the work you do in our community, your support and thank you for your consideration.

Sincerely,

Kristen A. Sheffield
