4. CHAIRWOMAN'S REMARKS - CHAIR LAPLANTE

The Chair congratulated Lisa Schvach and the workNet team for winning the National Association of Counties (NACo) award for the "Back to School, Back to Work" initiative for parents returning to the workforce. The chair also stated that to date, over 75 parents have taken advantage of these no-cost programs to boost their confidence, update their job search strategies, and develop current marketable job skills. This workforce development initiative is strengthening the local business community by increasing the volume of talented candidates actively searching for jobs.

5. PUBLIC COMMENT

The following individuals made public comment:

Amy Gruben, Carol Stream, came to show support of the Fine Arts Feasibility Study. She is part of the Glen Ellyn-Wheaton Chorale and shared that they have struggled to find a place to practice

and perform, even after vetting more than 60 venues.

Meeting Date: 06/17/24 **Meeting:** Economic Development Committee **Name:** Jennifer Whiting **Organization:** Glen Ellyn-Wheaton Chorale **Address:** 11398 Bellflower Lane Huntley, IL 60142 **Daytime Phone:** (630) 453-8006 **Subject:** Please support Phase Two of the Feasibility Study for an Arts Venue **Comment:** Glen Ellyn-Wheaton Chorale is a 65-voice volunteer choir. We are a 501c3 non-profit organization that serves the musical needs of our community by presenting two concert seasons per year. After the ticketed events, we then share our music with local retirement communities and long-term care facilities. We also collaborate with other local arts organizations, including Anima-Glen Ellyn Children's Chorus. In the past several years, we have been bumped around to various locations, and I would like to share with you our struggle to find a new home for rehearsing and performing. Two Wheaton churches have terminated their rental agreements with us in the past two years. We have encountered many churches who now restrict access to their buildings. We have thoroughly investigated no fewer than 60 venues as potential locations for our weekly rehearsals and annual concerts-churches, schools, colleges, universities, theaters, and other venues. You can imagine the drain on our time, human resources, and finances caused by this crisis. Non-profit arts organizations such as Glen Ellyn-Wheaton Chorale face a critical need for rehearsal and performance venues in DuPage County. We press on, thanks to the dedication and passion of our volunteers, but we need help to continue our mission, "bringing harmony to the community." We would ask you to help us to keep the music flowing! Please support Phase Two of the Feasibility Study. Thank you, Jennifer Whiting Music Director, Glen Ellyn-Wheaton Chorale

9. PRESENTATION: Greg Bedalov, Choose DuPage Update

Greg Bedalov, President & CEO of Choose DuPage, updated the committee members on several items. He noted the Greater Chicagoland Economic Partnership (GCEP) won a NACo award for Economic Development accomplishment of the year. In its first year, GCEP emerged as a dynamic force, growing the regional economy through the power of collaboration. Mr. Bedalov also discussed the Municipal Analytics Program (MAP), with the help of GCEP, municipalities now have more data on-hand than ever, this can be used to gain insights into communities, create data driven strategies, and drive economic development. Questions were taken from committee members.

Date: June 3, 2024
To: Economic Development Committee
From: Griffin Leininger, Business Services Lead, DuPage Workforce Development Division
RE: Incumbent Worker Training Application – Vonberg Valve Inc

Vonberg Valve, Inc. in Itasca applied for CNC Programming, Setup and Operation training. The training will allow Vonberg to continue to increase capacity in their manufacturing operation and maximize machine productivity. Currently Vonberg has 4 machines that are operating at less than 50% capacity. Without this training, Vonberg could continue to see a decline in productivity, which could lead to lost sales and decreased revenue.

CNC skills are in high demand, and it is very difficult to find workers who have prior experience or training in CNC. Vonberg has chosen to train an existing employee to obtain these skills.

The selected training provides instruction related to programming, setup and operation of computerized numerical controlled machines.

From a company perspective, having a trained operator for these machines will increase the productivity and throughput of these machines by between 50%-100%. As a result of the training, the employee will receive the benefit of a promotion, increase in pay and nationally recognized credentialing.

Notes:

- * Vonberg Valve Inc. —38 Employees
- * Located in Itasca, Illinois
- * Number of Incumbent Workers to be Trained: 1
- * Total Amount Approved: \$7,940.00

I am writing to inform you that the Nicor Gas Workforce, Training, and Employment Program, a seven-week BPI training course hosted by Walker-Miller Energy Services in collaboration with Nicor Gas, is currently unique to DuPage County.

We can confirm that this specific program, with its comprehensive curriculum designed to equip participants with Building Performance Institute (BPI) certification and skills, safety trainings, and wraparound services is not being offered by Walker-Miller Energy Services and Nicor Gas anywhere else within DuPage County at this time.

Our program aims to enhance the skill sets of participants, preparing them for successful careers in energy services. This exclusive offering is a testament to our commitment to providing top-tier training and employment opportunities to the residents of DuPage County. Should you have any questions or require further information, please feel free to contact me directly at the information provided below.

Sincerely,

Founder and CEO
Walker-Miller Energy Services
