Re: Invitation# 23-097-WEX
Weatherization

Mr. Watkins,

Thank you for this opportunity for allowing us to bid on the weatherization program for DuPage County. As you will see, Arcos has the knowledge and experienced licensed professionals to complete weatherization jobs. Arcos has helped many families through the weatherization program since 2009, and look forward to helping many more.

We, Arcos Environmental Services, Inc., acknowledge that there are NO addendums pertaining to Weatherization 23-097-WEX bid.

Sincerely,

Aaron A Villegas
President

Firm Qualifications

Arcos currently employs approximately 25 employees at our office in Tinley Park. In June of 2023 we moved from a rented office, and purchased our own building, while staying in Tinley Park. We are conveniently located next to the I-80 exit.

Our employees are experienced to handle many different job tasks such as:

- Energy Audits/Assessments
- Attic, Basement, Crawlspace Insulation
- Dense-Pack Sidewall Insulation
- Air Bypass Sealing
- Caulking and Weather-Stripping
- Window and Door Replacement
- Furnace/AC Cleaning, Tuning, Repair, Replacement
- Installation of ASHRAE fans

To complete jobs, Arcos has their own fleet of box trucks, specific to the tasks at hand. We have 2 architectural trucks, 2 mechanical trucks, 1 injection foam truck, 1 lead truck and 2 warehouse trucks. Each truck is fully stocked with whatever materials they may need for that day's job. All company trucks are yellow with our company logo.

Having the proper equipment is a must. The following equipment is what we have on hand.

- Insulation machines
- Fuel Gas Analyzers
- HEPA Vacuums
- Infrared Cameras
- Blower Doors
- Bore Scope
- Gas Leak Detector
- Ladders – different sizes and types
- Table Saw, Chop Saw, Reciprocating Saw
- Hammer Drills
- Oscillating Tools
- Generators
- Air Compressor

One of the things that sets us apart from other companies is that we're bilingual. Our crew consists of English and Spanish speakers. Arcos's office personnel is versed in English and Spanish as well, and can communicate very well with our customers. We are also proud to be MBE Certified.

The following is a list of customers with services we have provided in the past and present.

Weatherization Projects Completed for:
Will County Center for Community Concerns
Kankakee County Community Services Inc.
CEDA
Nortek Environmental

LIHEAP Services Completed for:
Will County Center for Community

CITY OF CHICAGO

DEPARTMENT OF PROCUREMENT SERVICES

JUL 11 2023

Aaron Villegas
Arcos Environmental Services Inc.
7413 Duval Drive, Unit 2
Tinley Park, IL 60477

Dear Mr. Villegas:

We are pleased to inform you that **Arcos Environmental Services Inc.** is certified as a **Minority-Owned Business Enterprise ("MBE")** by the City of Chicago ("City"). This certification will remain effective for as long as your firm continues to meet all certification eligibility requirements and is contingent upon the firm affirming its eligibility by filing an **annual No-Change Affidavit** each year. In the past, the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. Therefore, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days before your annual anniversary date of June 15th.**

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification, you must **file an annual No-Change Affidavit by your anniversary date of June 15th**. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the anniversary date for timely processing. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firm's eligibility for certification **within 10 days** of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a **MBE** if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;

- Notify the City of any changes affecting your firm's certification **within 10 days** of such change; or
- File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the **City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-448-4754).**

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining a contract with the City by falsely representing the individual or entity, or the individual or entity assisted is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months, or a fine of not less than \$5,000 and not more than \$10,000 or both.

Your firm's name will be listed in the City's Directory of Minority and Women-Owned Business Enterprises in the specialty area(s) of:

NAICS Code(s):

236118 – Remodeling and Renovating General Contractors, Residential

541620 – Environmental Consulting

Your firm's participation on City contracts will be credited only toward **MBE** goals in your area(s) specialty. While your participation on City contracts is not limited to your area of specialty, credit toward goals will be given only for work that is self-performed and providing a commercially useful function that is done in the approved specialty category.

Thank you for your interest in the City's Minority, Women-Owned Business Enterprise, Veteran-Owned Business Enterprise and Business Enterprise Owned or Operated by People with Disabilities (MBE/WBE/VBE/BEPD) Program.

Sincerely,

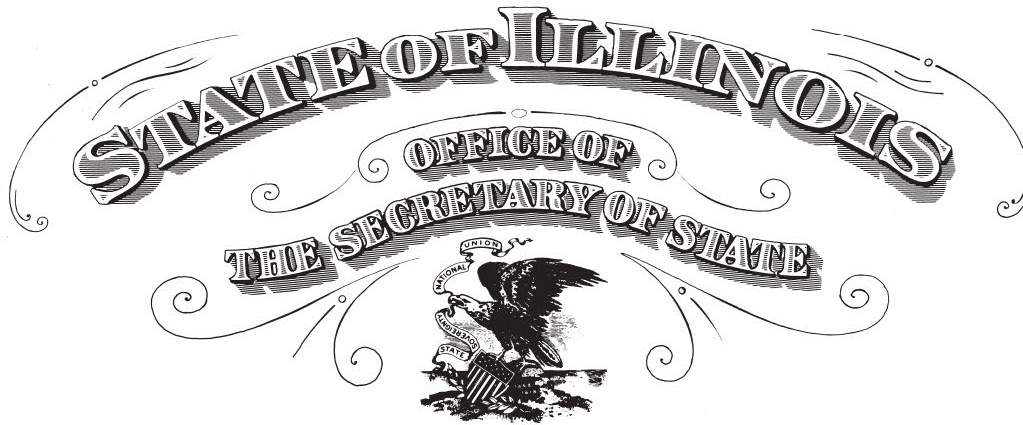

Signature on File

Key Qualifications

Office Personnel

Aaron A Villegas – President (Officer)

- Formed company in November 2002
- 20+ years of experience in lead remediation
- Currently serving 4 large entities with their lead remediation needs

Steve Howard – Chief Operating Officer

- 20+ years of experience in weatherization
- Employed at Arcos since 2009
- Currently serving 3 county agencies with their weatherization needs

Alicia Rybczyk – Bookkeeper

- 20+ years of experience in the accounting department
- Employed at Arcos since 2016
- Accounts Receivables, Accounts Payable, Payroll

Raquel Torres – Project Coordinator

- 4 years of experience coordinating projects
- Employed at Arcos since 2018
- Main contact between Agency and Arcos, puts daily schedules together, change orders jobs

Dawn Maher – Inventory Specialist

- 20+ years of experience
- Employed at Arcos since 2018
- Keeps inventory stocked, places special orders

Brianda Cazares – Administrative Assistant

- 5 years of experience
- Employed at Arcos since 2021
- Main contact between homeowner and Arcos, keeps all job paperwork organized

Once a job is received, Raquel and Brianda work together to schedule a walk between Steve and the homeowner. Once Dawn has all the equipment ordered and delivered, and Raquel has an approved permit, the job is ready to be scheduled. As soon as the work is completed, a change order, if needed, will be sent by Raquel to the Agency. When the approved change order and new work order is sent back, Alicia will send an invoice with all necessary documents to the Agency.

Project Understanding

Arcos Environmental Services, Inc. understands that all jobs have completion dates. For this reason, we have adopted the following job flow for all weatherization jobs. As soon as the job is received, we take immediate action, so that it will be completed in a timely manner.

Job Received

- An e-file is created.
- All necessary Agency documents are created with job specific information.

Job Walked

- Steve reviews the work order.
- Raquel immediately works on scheduling Steve for a walk of the home.
- Brianda makes first contact with the homeowner to schedule a walk.
- After the walk, Steve makes his notes, and prepares documents needed for Dawn to order the proper equipment and materials.
- Occasionally, a change order will be sent for approval, if there is change that is needed to the work order.

Permit Applied For

- A permit is applied for. This process can take days to months depending on the city. Sometimes a home will be part of a Homeowners Association. In that case, an approval for a permit may take a bit longer.

Job Scheduled

- If the permit and all equipment and materials have been received, the job can move forward to being scheduled.
- Raquel works to schedule architectural, mechanical, and injection foam work.
- Brianda calls the homeowner to confirm dates.
- All paperwork coming back to the office from the field, will be looked at and a change order will be prepared and sent, if necessary.

Job Invoiced

- Upon receiving a final approved change order and a new updated work order, an invoice will be prepared along with all necessary documents, and sent to the Agency.

All labor is guaranteed for 1 year. Equipment follows the manufacturer's warranty.
