Quoted prices here are estimates based on Customer’s current consumption levels. The underlying actual consumption unit pricing is set forth in the applicable Addendum/Sub-Addendum relating to the Services. Final charges will be determined in accordance with the pricing methodologies specified in the applicable Addendum/Sub-Addendum.

Pricing Validity. The pricing quoted herein expires thirty (30) days from the publish date of this SOW. Upon the SOW being fully executed, the pricing shall remain fixed for the length of the Initial Term, except as adjusted as set forth in this SOW.

Quarterly Under-Charge True-Up. If the Services are charged, in whole or in part, on a Variable Pricing basis (for example, based on consumption), Customer acknowledges and agrees that monthly charges may fluctuate depending on the applicable variables, but will not be less than the MRC stated in the Table above or in a Sub-Addendum. Once every three (3) months during the Term, Logicalis shall review all charges to Customer based on Variable Pricing that were invoiced in the preceding three (3) months period against actual usage. If Logicalis determines that it has under-charged Customer in the invoices for the Services rendered in the preceding three (3) month period, Logicalis will invoice Customer, and Customer agrees to pay, any such additional “true-up” charges. In addition, if Logicalis determines that Customer’s usage is or will consistently exceed current pricing thresholds, Logicalis may recommend that Customer adjust the MRC into higher variable pricing brackets to account for their increased usage. Any such adjustment will require Customer’s agreement and will follow the Change Management Process set forth below.

Annual Price Adjustment. On each annual anniversary of the Commencement Date during the Initial Term, the Pricing stated herein shall automatically increase by three percent (3%) over the prior year’s Pricing to account for inflation, and cost of living increases. This adjustment applies to all of the following: (i) any and all Unit Pricing , (ii) the underlying rate structures used to calculate Variable Pricing (including but not limited to per-user rates, per-device rates, consumption based charges, and

other any tiered pricing methodologies), and (iii) out-of-scope T&M rate stated in Section 4. For greater certainty, the three percent (3%) increase shall apply to the rates themselves, not to the volume or quantity of units consumed.

2. Terms & Conditions

This Statement of Work ("SOW") is made and entered into pursuant and subject to the terms and conditions of the Master Solutions Agreement between Dupage Cty Clerk of the Cir Court and Logicalis, Inc., dated December 5, 2012 and are incorporated herein by reference. All services and other items not specifically detailed in this SOW are considered out of scope. All capitalized terms in this SOW shall have the same meanings as defined in the Agreement, unless otherwise specifically defined in this SOW.

The terms of this SOW may be set forth within this document itself (the "SOW-Specific Terms") or on webpages linked by URL herein (the "Service Definitions"). The SOW-Specific Terms are intended to set forth objectives, commitments, and engagement-specific transactional terms which may include, without limitation, price and payment, SLAs, SOW duration, and termination. The Service Definitions are intended to set forth solution-specific Service descriptions and assumptions as well as widely applicable transactional terms which may include, without limitation, Change Management, expense reimbursement, and invoicing.

The Service Definitions are regularly updated by Logicalis, and the current version of a given Service Definition is as described on the webpage for such Service Definition. By executing this SOW, Customer acknowledges that the Service Definitions are subject to change without notice at Logicalis' sole option and discretion. Customer agrees that the Service Definitions, including revisions thereto which occur after the execution of this SOW, are incorporated herein by reference, shall apply and govern this SOW, and shall be given the same force and effect as if they were expressly set forth in full within this document itself. To the extent that any Service Definitions are inconsistent with the SOW-Specific Terms, the Service Definitions shall control unless such SOW-Specific Terms expressly reference the applicable inconsistent Service Definitions and clearly state that the specific SOW-Specific Terms shall supersede the inconsistent Service Definitions. Logicalis continually endeavors to improve the services it offers to its customers. Accordingly, during the Term, Logicalis reserves the right to modify the SOW-Specific Terms at any time for the purpose of improving the Services or delivery thereof (examples of such modifications include, but are not limited to, enhancement of existing or addition of new technological support, changes in tools or systems, and similar modifications to services), provided, that such modifications shall not change the agreed upon service levels, pricing, or the Term (which would require a PCR signed by both parties).

If an addendum with special terms applicable to a general category of Services (each an "Addendum") or a sub-addendum with special terms applicable to a specific line of Services (each a "Sub-Addendum") is attached to this SOW, such terms apply to any applicable Services provided under this SOW. In the event of any inconsistencies between the terms of this SOW and any Addendum or Sub-Addendum, the inconsistency shall be resolved according to the following order of precedence: (1) The terms of the applicable Sub-Addendum; (2) The terms of the applicable Addendum; and (3) the terms of the SOW. For the avoidance of doubt, Addendum- and Sub-Addendum-specific terms are considered SOW-Specific Terms.

3. Service Level Agreements (SLAs)

Any service level agreements or service level objectives applicable to this SOW are as set forth in the Addendum attached hereto.

4. Out-of-Scope Requests, Expenses, & Billing

Out-of-Scope Requests

Any non-recurring Services within the scope of this SOW will be billed to Customer on a time-and-materials ("T&M") basis. For the first year of the Initial Term, the standard T&M rate is \$290.00 per hour. This rate is subject to the Annual Price Adjustment throughout the duration of the Term. A minimum charge of one (1) hour for off-site Services and eight (8) hours for on-site Services may apply. Should any such out-of-scope work be scheduled outside of normal business hours (8:00 AM – 5:00 PM, Monday through Friday), on a holiday, or on the weekend, a 33⅓% uplift to the standard T&M rate will apply.

Any request by Customer for delivery of Services outside of the scope of this SOW, including any non-recurring services requests, will be evaluated by Logicalis on a case-by-case basis and, if approved by both parties, will be executed through a separate SOW or a Project Change Request to this SOW. This process is set forth in full under the "Change Management Process" section below.

Travel Expenses

Travel expenses will be tracked separately and billed directly to Customer. Travel expenses will include costs incurred from travel (airfare, rental car, mileage, tolls, and lodging). Meals, if any, will be billed at the per diem rate of \$65.00.

Invoicing

Invoicing for charges relating to out-of-scope service requests and travel expenses will occur once per month at the end of the month in which they are incurred, as applicable.

Invoicing for all other charges, including MRC, will occur once per month at the end of the month.

All charges are due within thirty (30) days of the date of invoice unless otherwise set forth in the Agreement.

Setup / Onboarding

Logicalis provides setup Services as part of the onboarding process of the Services set forth in Section 1. Such Services are billed as onboarding charges, if any, upon execution of this SOW and are as set forth in the table under Section 1.

Solution-specific setup and integration terms are provided within the Service Definitions and/or an Addendum to this SOW, where applicable.

Audits

If Customer requests that Logicalis perform activities in support of or in cooperation with Customer's audit of the Services performed under this SOW, including but not limited to requests for custom reports, information gathering, and conference calls with internal or external auditors ("Audit Related Activities"), such Audit Related Activities, as well as all training costs if required for Logicalis or its personnel to meet Customer's specific compliance requirements in relation to Customer's audit, will be charged at the T&M rate(s) set forth in this SOW.

5. Change Management Process

Process

Changes to this SOW will be negotiated separately through the Change Management process set forth herein. "Change" shall mean the addition, modification or removal of any Services or Service components that could have an effect on Services or delivery thereof. Examples of Changes include, without limitation, modifications to the scope of Services, modifications to the term of this SOW, and pricing changes, but do not include modifications to the Agreement or terms that are otherwise legal

in nature. As the term is used herein, "Change Management" means the process of tracking and managing Changes throughout their life cycles.

In the event either party desires to effectuate a Change to this SOW, the parties shall follow the following procedures:

- Either party shall notify the other party of any requested Changes. These Changes may be requested via the Logicalis ticketing system.
- Following Logicalis' review of Customer's request (if applicable), Logicalis may deliver a Project Change Request ("PCR") to Customer identifying the Changes and any cost or time impact for review and execution. The Project Change Request will describe the nature of the Change, the reason for the Change, and the effect the Change will have on the Statement of Work, which may include modifications to the contracted Services and/or prices.
- If both parties agree to implement the Project Change Request, the authorized representative of each party will sign the Project Change Request, indicating the acceptance of the Changes set forth therein by each party.

Executed Project Change Requests

Each fully executed Project Change Request will be incorporated into, and made part of, this SOW. If Project Change Request or PCR is defined using different terminology in the Agreement, "Project Change Request," as used herein, shall have the same meaning.

Neither party is under any obligation to implement any Changes set forth in a Project Change Request until such time as the Project Change Request has been executed by both parties.

In the event of a conflict between a Project Change Request and the original SOW or a previous fully executed Project Change Request, the most recent fully executed Project Change Request shall prevail.

Change Requests Involving a Removal of Services or Reduction in Scope

In the event that Customer requests a Change involving the removal of any Services or a reduction in the scope of Services resulting in a decrease to the MRC, provided that Logicalis agrees to execute a PCR to effectuate such a Change, then such reduction in scope or removal of the Services shall not take effect until no less than 30 days from the date the PCR is executed.

If, at any point during the Term, the cumulative effect of all executed PCRs results in a reduction of the MRC to below 70% of the Original MRC, then Customer shall pay a volume reduction fee equal to 25% of the difference between the Original MRC and the then-current MRC. The volume reduction fee will be invoiced monthly and apply each month until a PCR is executed to increase the MRC in excess of 70% of the Original MRC.

As used in this SOW, the term "Original MRC" means the MRC as of the Commencement Date. For greater certainty, if the total MRC set forth in the pricing table in Section 3.1 is adjusted prior to the Commencement Date as part of the network discovery and assessment phase, the updated MRC set forth in the corresponding PCR is the Original MRC.

6. Term

Commencement Date

As used in this SOW, "Commencement Date" means the first day of the month in which the total monthly recurring Services are billed to the Customer. The Commencement Date will be deemed the earlier of the following: (a) sixty (60) days after execution of this SOW or (b) acknowledgment by Customer, in Customer's reasonable judgment, that any required onboarding Services have been completed and that it is prepared for Logicalis to commence delivery of monthly recurring Services. Logicalis will begin setup Services after this SOW is executed and will begin billing the customer for

the setup Services upon signature of the SOW. Should Logicalis provide monthly recurring Services in advance of the Commencement Date, Customer shall be responsible for payment of such monthly recurring Services upon invoice and in accordance with all applicable payment terms.

Term & Renewal

Term. The initial term of this SOW is ("Initial Term") is sixty (60) months and will commence on the Commencement Date. Customer may elect to extend the Initial Term for up to two (2) months by giving Logicalis written notice no less than 30 days before the expiration of the Initial Term ("Renewal Term", together with the Initial Term is referred to as the "Term"). The MRC for the Renewal Term will automatically increase by twenty percent (20%) over the MRC set forth in the Initial Term.

Early Termination. Customer may not terminate this SOW for convenience during the first thirty-six (36) months of the Term ("Minimum Term"). After the Minimum Term, Customer may terminate this SOW for convenience upon a minimum of one hundred and twenty (120) days' prior written notice to Logicalis; provided, that such termination will not become effective unless and until Customer has paid all of the following: (i) any outstanding invoices; (ii) the costs incurred by Logicalis to decommission any equipment, software, or systems dedicated to the Services, which will be billed at the T&M rates; (iii) the remaining balance owed of the Total Extended Price as set forth in the Pricing Table relating to any equipment, software, third-party services, and any other customer-specific assets resold to Customer or that are acquired or licensed by Logicalis in connection with performing its obligations under this SOW for Customer; (iv) any undepreciated value of implemented client-specific dedicated infrastructure. Logicalis will invoice for the costs described in (iii) and (v) after receiving the termination notice. Logicalis will invoice Customer for remainder of the foregoing charges associated with such early termination once such costs are determined.

7. Setup Responsibilities & Assumptions

A. Customer Responsibilities – Customer shall:

- Without limiting the specificity of the following, provide all onboarding information requested by Logicalis, including, at a minimum, contact information (telephone, cell phone, e-mail), for Customer personnel involved in overseeing or interacting with Logicalis.
- For all Customer responsibilities, including but not limited to requests by Logicalis, approvals, actions, changes, and provision of information, Customer shall fulfill such responsibilities promptly and within any timeframes set forth herein or otherwise agreed between Logicalis and Customer.
- Provide a point of contact with authority to act and make decisions for Customer in all aspects of the Services, including modifications of existing Services through PCRs, to Logicalis. Such point of contact may be changed by Customer by providing written notice to Logicalis. Logicalis may, without penalty, pause SLA timers if the Customer contact is not available for necessary information or decisions.
- Complete Logicalis' information requests as necessary for completion of onboarding and enablement of Services and make available all technical matter, data, information, operating supplies, and computer system(s), as reasonably required by Logicalis.
- Provide necessary prerequisites as identified by Logicalis, including but not limited to:

 - Required compute / infrastructure / networking (including any associated financial impact) requested by Logicalis for the deployment of Logicalis tooling and / or access technologies.
 - Approval to work with third parties engaged with or contracted by Customer (if required)

- Other resources (such as Customer Project Manager or subject matter experts)
- In addition to other documentation identified in this section, provide existing knowledge documentation or, if required by Logicalis to facilitate performance under this SOW, create knowledge base articles for services, which may include, without limitation:
- Any maintenance schedules for servers (scheduled downtime, etc.)

- Any / all system passwords (relative to the scope of Services)
- Topology diagrams (as applicable)
- Business applications and infrastructure dependency mapping
- Monitoring platform alert notification contacts.
- Identify any unique/custom VM or other deployments – e.g.: a checklist or running script.
- Make available relevant subject matter experts to facilitate knowledge transfer.
- Provide 3rd party Vendor Contacts list, sites and primary list and software management/licensing details (if applicable) and keep updated.
- To the extent the Services rely upon, involve, or interact with Microsoft Products (including Cloud Services), Customer shall, at no additional cost to Logicalis, grant and maintain the necessary delegated administrative permissions required to deliver the Services, including but not limited to: (i) Microsoft Partner Center delegated administration; (ii) Microsoft Lighthouse access and role assignments; and (iii) any required Azure, Entra ID, or Microsoft 365 administrative roles.
- In addition, the Services assume that Customer maintains an active Microsoft Cloud Services Provider (“CSP”) agreement with Logicalis for the duration of the Term of this SOW and further that Logicalis is the CSP partner of record for customer with the authorization to engage directly with Microsoft for licensing, support, and escalation purposes as necessary to perform the Services. Where Logicalis is not the Customer’s CSP, Customer shall ensure that Logicalis is granted all required delegated administrative rights through Microsoft Partner Center and Microsoft Lighthouse to perform the Services. Customer shall provide and maintain current contact information for its CSP provider and authorize Logicalis to engage directly with such CSP for technical support, licensing, and Microsoft escalation purposes as required to deliver the Services.
- Provide a distribution list within Customer’s email service for alarm notifications, and ensure that Logicalis is kept up to date with changes to distribution list alarm notification contacts.
- Complete Logicalis’ user information requests so that applicable portal licenses can be enabled.
- Conduct knowledge workshop and if identified as required job shadowing across all areas in scope.
- Participate in meetings to understand processes for assignment, escalation, Change enablement, and status communication.
- Customer acknowledges that during the performance of services, Customer may be asked to download software as part of or to facilitate or enable such services. In downloading or receiving such software, Customer acknowledges that it has received the software from Logicalis for use in its internal systems only and agrees to only use the software internally according to the instructions set forth by Logicalis.
- Configure devices to report SNMP traps unless otherwise provided in this SOW.

- Work with Logicalis' engineers to tune alarm thresholds where necessary.
- Complete Logicalis' configuration requests detailing Customer's technical environment.
- Follow applicable vendors' device recommendations for all devices that are not hosted by Logicalis; for example, recommendations or specifications for cooling and room temperature.
- Either use a Logicalis-supplied VPN endpoint (preferred) or provide Logicalis access to ping Customer's external interface of its VPN endpoint. This is important in determining the root cause of alarms. In either case, the VPN must be a persistent LAN-to-LAN connection.
- Implement Logicalis' recommendations in general. Logicalis is not responsible for Customer requests that do not follow best practices, Customer requests that lead to poor account integrity, or Customer's failure to implement Logicalis' recommendations.
- Work with Logicalis to determine the severity, course of action, and remote assistance for issue resolution.
- Where necessary, provide personnel to work with hardware vendor service personnel requiring on-site access.
- Follow Logicalis' recommendations to resolve identified environmental or resource issues which are currently causing or may potentially cause future problems.
- Provide access to vendor ticketing system where required.
- Customer acknowledges that billing will commence in accordance with the Commencement Date provision above despite Customer's failure to fulfill its obligations under this Responsibilities and Assumptions section, regardless of whether Service enablement is feasible.
- Comply with and agree to the General Responsibilities and Assumptions set forth at www.us.logicalis.com/gcr, which are incorporated herein by reference, which apply to Onboarding and any Professional Services provided under the SOW.

B. Logicalis Responsibilities

1. Portal setup, including access to reports and dashboards as set forth in an applicable Service Definition.
2. Participation in meetings to discuss processes for assignment, escalation, Change enablement, and status communication.
3. Connectivity setup on Logicalis' network including IP addressing information, VPN connectivity, testing, and documentation of Customer's networking support contacts.
4. Agent, smart plug-in (SPI), or probe installation and configuration.
5. Provide a point of contact with authority to act and make decisions for Logicalis in all aspects of the Services, modifications of existing Services through PCRs, to Customer. Such point of contact may be changed by Logicalis by providing written notice to Customer.
6. Enable reports and portal setup for Service delivery.

C. Assumptions

- Software applications and services not expressly provided under this SOW are excluded.
- Client-side network connectivity including VPN setup and configuration is the responsibility of the Customer unless Logicalis is specifically contracted for this work, which may be at additional charges.
- Customer's responsibilities for timely and proper completion of the transition and integration project will be discussed and agreed upon prior to project initiation. In order to ensure timely

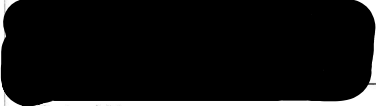

and proper completion of the transition and integration project and unless otherwise mutually agreed, Customer must provide all requested integration data within five (5) days from execution of the SOW. If all such data is not provided within such five (5) day period, Logicalis will follow up, by phone or email, after the five (5) day period to attempt to gather outstanding data. If Logicalis does not receive the data within the time period above, Logicalis will send a consultant to Customer's site, at standard T&M and travel rates, to gather the outstanding integration data.

- Logicalis maintains an information security and compliance program designed to protect Customer Data and Logicalis-managed systems, which includes controls aligned to industry standards and independent assessments (ISO 27001, SOC 2, NIST CSF, and SSAE21) (the "Baseline Controls").
- Logicalis will apply the Baseline Controls to the Services. - All equipment is housed on Customer's premises or premises which Customer is entitled to use for storage of such equipment for the Term unless stated otherwise in this SOW.
- Connectivity between Logicalis and Customer facility will be via a VPN connection.
- Logicalis reserves the right to limit performance metrics in the event the primary connectivity fails and Customer has not established backup network connectivity.
- All Customer WAN devices will be available for instrumentation and monitoring via one Customer site router, unless otherwise noted. Customer must maintain on-site support if it does not have qualified staff for hardware replacement.
- Customer will be directly responsible for all hardware and software maintenance contracts.
- Instrumentation tools, as well as monitoring agents, probes, and smart plug-ins (SPIs) placed on Customer systems are, and will be, owned by Logicalis unless otherwise noted in this SOW.
- Any hardware or software deployment is the responsibility of Customer unless specifically stated herein and agreed upon by both parties.
- If this SOW calls for Logicalis to meet any of the Applicable Frameworks (as defined in this SOW), Customer acknowledges that Logicalis' ability to meet such Applicable Frameworks depends on Customer's implementation of customer-side controls (including, without limitation, identity/access governance, data classification, application configurations, and end-user processes) and on Customer's timely cooperation and accurate disclosure. Logicalis' obligations under this Section are limited to the scope and systems within Logicalis' control as defined in the SOW. If a change in law, regulation, standard, or a new Customer requirement materially impacts the Services, the parties will in good faith update the SOW to adjust scope, timelines, and fees accordingly.
- Service pricing is based on a fully deployed, functional, tested, and production-ready environment available at contract commencement. All parts of Customer's systems are subject to operational review by Logicalis. Logicalis reserves the right to adjust the pricing based on information found during due diligence or integration.

Managed Services Addendum

The terms of this Managed Services Addendum apply and are incorporated into the SOW to the extent that Logicalis provides Managed Services or Monitoring-Only Services. "Managed Services" means any Services involving full-service monitoring and management of Customer's Configuration Items, while "Monitoring-Only Services" are any Services involving only monitoring of Customer's Configuration Items. Managed Services and Monitoring-Only Services may include such services as are defined in a Sub-Addendum attached to the SOW. For purposes of this Managed Services Addendum and any Sub-Addendum, "Configuration Item" or "CI" means the device or software instance being monitored or managed under this SOW. Any capitalized terms used herein shall have the meaning ascribed in the SOW.

1. Setup Responsibilities and Assumptions

A. Customer Responsibilities

- a. Customer shall:
 1. Provide notification, alert, and escalation contacts to Logicalis based on priority and device types. Customer must document who will be notified and how notification will be received (Customer may request single or multiple notifications and specify an escalation path).
 2. Modify self-service user account information as required and upon any changes to such information.
 3. Without limiting the generality of any other provision in this SOW, assign and make available a contact person with the authority to make decisions regarding Logicalis' delivery of services, including but not limited to Incident resolution, Change Management, and request fulfillment. Customer acknowledges and agrees that Logicalis may, without penalty, pause SLA timers if the Customer contact is not available to provide necessary information or make necessary decisions and that such unavailability constitutes a Pause Condition.
 4. Enable event forwarding to Logicalis' management systems; i.e., Customer will open all Logicalis required ports to enable monitoring and management.
 5. Provide any access and information required for Logicalis to perform management or monitoring actions under this SOW. SLA timers are paused while Logicalis is waiting for such action to be taken by Customer or a vendor, where applicable.
 6. Ensure that all CIs are installed, set up, configured, and fully operational prior to any onboarding activities.
 7. Provide all relevant information for all CIs, including an identification of each CI to be supported, support identifiers, IP addresses, host names, serial numbers, IDs, passwords, support contract details and contact information, and configuration documentation.
 8. Customer shall maintain a valid hardware or software support contract for each CI for the duration of this SOW, and any CI not covered by such a support contract is outside the scope of this SOW. Hardware external to the managed / monitored device enclosure is excluded from any applicable service level agreements or service level objectives. Software applications not specifically listed in such service level agreements or service level objectives are excluded. Notwithstanding anything herein to the contrary, Logicalis disclaims all responsibility and liability for CIs not supported by a vendor support contract, including, without limitation, any service level agreement or service level objective penalties which might otherwise be incurred.

B. Logicalis Responsibilities

1. Review of (Customer completed) Configuration Item information that includes each item to be supported, support identifiers, IP addresses, IDs, passwords, support contract IDs and contact information, and configuration documentation.

C. Assumptions

1. Logicalis provides remote monitoring or management services for CIs owned or properly licensed by Customer. Customer owns (or otherwise possesses all rights and licenses necessary for Logicalis to monitor and/or manage) and will continue to own (or otherwise possess all necessary rights and licenses for Logicalis to monitor and/or manage) all CIs being monitored or managed.
2. Customer will grant Logicalis personnel access to support contracts and vendor information and grant Logicalis the ability to place support calls on behalf of Customer.
3. Customer servers require remote console access such as KVM, console cards, or RILO cards to establish remote communications. This technology must be provided by Customer.
4. Host names or IP addresses changed without notification to Logicalis will result in temporary discontinued monitoring/management and will require additional services, billed on a T&M basis, to reconfigure.
5. For Managed Services, Logicalis provides ticketing system functionality designed to ensure that Customer's disaster recovery ("D/R") service fail-over functionality is accommodated in Logicalis' ticketing system functionality. Customer must identify its production/primary devices and fail-over devices. In the event Customer's production server fails and Customer's D/R server is activated as the primary server, Customer may call Logicalis and request that such specific D/R server be moved to "D/R Active" status. Thereafter, Logicalis will confirm that Customer's production server is in failed mode and will then activate Customer's "D/R Active" status (in Logicalis' ITSM system) on the D/R server. The "D/R Active" status will ensure that all incidents and problems are handled with the same priority they would be for the equivalent production server. Customer will be responsible (as part of its D/R procedures) for calling to activate and deactivate the D/R status. Customer will also be responsible for identifying D/R & production device relationships during the onboarding process and ensuring that Logicalis receives timely updates when changes to the D/R device relationships are made.
6. A monitoring hub is required at each Customer network-isolated data center. The monitoring hub shall be a virtual device unless otherwise agreed between Logicalis and Customer. Logicalis requires full administrative access to this device in Customer's environment. If Customer does not provide full administrative access to this device, additional T&M charges will apply for any activities requiring coordination with Customer's administrators, and an additional fifty percent (50%) upcharge to MRC will be applied to any device where Logicalis does not have administrative system access. Customer shall pay setup fees for integration work between Logicalis' monitoring API and Customer's ticketing system, and Customer shall provide knowledgeable resources to assist with this integration. The Customer can choose Logicalis-provided devices or import Logicalis' preconfigured Linux monitoring VM into Customer's VMware environment. Logicalis has full redundancy in its monitoring technology. Customer by default does not have full redundancy in its on-premises hub that is responsible for the collection of monitoring data from CIs. Customer has the option, at an additional charge, of an additional on-premises hub that operates in an active/passive manner thereby providing full redundancy. Logicalis will have sole responsibility to setup probes, change configurations, troubleshoot probes, and remove devices. A URL, username, and password will be provided to allow Customer access to the monitoring reporting.
7. Logicalis will perform maintenance on its infrastructure at such times as it deems appropriate and in such a manner so as to maintain compliance with all other provisions of this SOW. Customer will be provided advance notice of any maintenance or planned interruption to any element of the Services (for example, access to Logicalis' service portal).

- 8. All onboarding activities will take place remotely unless otherwise stated in this SOW. Any request by Customer for onsite engagement will be considered by Logicalis but may incur additional charges.

Logicalis Hardware

Any equipment (including but not limited to VPN routers and universal hub appliances) provided to Customer by Logicalis as part of the Managed Services or Monitoring-Only Services remains the property of Logicalis. Equipment that is not returned to Logicalis within thirty (30) days from the date of termination of this SOW will be charged back to Customer at the then-current manufacturer’s suggested retail price(s) for such equipment, and Customer agrees to pay Logicalis any such amount.

2. Service Level Agreements (SLAs)

The Service Level Agreements applicable to the Managed Services sold under this SOW are as set forth hereunder.

Priority	Incident		
	Email Notification	TRT*	Phone Call (24x7)
Priority 1	15 min	4 hr	15 min
Priority 2	15 min	8 hr	N/A
Priority 3	Upon Request**	16 hr	N/A
Priority 4	Upon Request**	32 hr	N/A
Priority 5	Upon Request**	48 hr	N/A

* “TRT” or “Target Resolution Time” means the amount of time in which Logicalis will endeavor to resolve an Incident (for high, medium, and low service levels). Failure to meet a TRT does not constitute a breach of this SOW. An “Incident,” as the term is used herein, is an unplanned interruption to a service or reduction in the quality of a service.

For the avoidance of doubt, SLAs and resolution [remediation] apply only to Managed Services. To the extent the Services are Monitoring-Only Services, no SLAs or resolution apply. Incident resolution for Monitored-Only Services may be performed on a T&M basis. SLAs do not apply for the first sixty (60) days after Commencement Date.

** Customer may request to receive email notifications for these Incidents.

Priority Calculations

Incident Priorities

Incident priority is determined by Table 4 below. For example, a High Urgency event on a High Impact device is a Priority 1 Incident, whereas a Medium Urgency event on a Medium Impact device is a Priority 3 Incident.

Incident Priority Matrix

	Device Impact		
Event URGENCY	High	Medium	Low
High	Priority 1	Priority 2	Priority 3
Medium	Priority 2	Priority 3	Priority 4
Low	Priority 3	Priority 4	Priority 5

Incident Priority Notes:

Event Urgency is determined by either:

- System Alarm Events – The Urgency is automatically classified as High, Medium, or Low based on the severity of the alarm event.
- Service Call Events – Event urgency is determined by the situation described by the caller.

SLA Penalties and Refunds

If any TRT from the corresponding table above is not met, an SLA penalty shall be paid to Customer in accordance with the penalty percentages set forth in the table below and the calculations set forth further below:

Service Level Penalty Percentages

Incident Priority	Penalty %
Priority 1 (P1)	50%
Priority 2 (P2)	40%
Priority 3 (P3)	30%
Priority 4 (P4)	20%
Priority 5 (P5)	10%

Penalty payments are calculated as follows:

E (Exceeded Hours) x P (Penalty %) x V (CI Value) = Penalty paid per Incident incurring a missed TRT

Where:

- E = Exceeded Hours - The total number of elapsed hours between the Target Resolution Time and the time the specific Incident is resolved. This is for Closed Incidents in the given month and excludes hours elapsed due to Pause Conditions. "Closed" Incidents are Incidents which have been (1) opened by Customer's notification of the Incident to Logicalis or Logicalis' detection of the Incident and then (2) resolved by Logicalis, without any further complaint or objection by Customer within five (5) days thereafter after such resolution. "Pause Conditions" are conditions beyond the reasonable control of Logicalis which prevent partial or complete resolution of the Incident or avoidance of the Incident, including but not limited to circumstances in which action by Customer or a third party is necessary for resolution. Calculation example: A P1 incident has 4 TRT hours. If the total elapsed time is 5.5 hours, then Exceeded Hours = 1.5 hours.
- P = Penalty % - This is derived from the Service Level Penalty Percentages table above. Each Incident is assigned a specific priority level as set forth in the Priority Calculations above, and each priority level has a corresponding Penalty %.
- V = CI Value - This is the MRC paid or owed by Customer for the full month immediately preceding the Incident for the device or software instance being monitored or managed under this SOW (each a "Configuration Item" or "CI") associated with the Incident for which Logicalis missed the TRT.

Additional Penalty Terms:

- The penalty paid per Incident is limited to the monthly value of the CI (i.e., the value of the amount the Customer pays Logicalis for the service associated with the CI each month), but in no event will the penalty or penalties, in the aggregate, exceed the MRC paid for the month giving rise to the Incident(s).
- Penalties will be calculated monthly and paid quarterly as a credit issued on Customer's account.
- In addition to any other limitations on SLA penalties set forth in this SOW, a missed SLA will not be considered a penalty if the missed SLA is caused by reasons beyond the reasonable control of Logicalis. In this situation, the Incident will be flagged as an "invalid missed SLA" and will not be counted toward a penalty payment.
- All Customer obligations in this SOW must be met for an Incident to be counted toward a penalty calculation. For example, if a service offering is disabled due to Customer's changes in the environment, that Incident will not give rise to a penalty calculation or payment. Any failure to meet a TRT with respect to a CI which is not in compliance with all terms of this SOW (including, without limitation, failure to maintain any applicable vendor support contract), will not give rise to a penalty payment hereunder.

SLA and Incident Handling Terms:

- Incidents related to system or service availability are considered resolved and the TRT met (if resolved timely) when the service is restored even if in a workaround state. In such an event, Logicalis will continue to address the underlying problems for complete resolution.
- "Email Notification" referred to in any Service Level Agreement table above is delivered in the form of an automatic system-generated message.
- In addition to an Email Notification, for Priority 1 Incidents affecting managed CIs, Customer will receive a phone call within fifteen (15) minutes of the Incident being logged. Customer is responsible for maintaining correct escalation and contact information for such phone calls.
- A TRT timer is paused when an Incident is due to a Pause Condition(s).
- SLA timers are paused when an Incident requires a Change to be executed for resolution. The timers will pause from the initiation of the Change Management process to the completion or

cancelation of the Change Management process. If Logicalis does not manage or monitor a CI(s) that prevents its ability to detect an Incident(s), then such Incident(s) is considered outside of Logicalis' control and no penalty will apply.

- Logicalis reserves the right to adjust ticket priority levels based on urgency and impact information gathered throughout the ticket life cycle. For example, this may apply if initial information provided by any Customer user reporting an issue or making a request (each a "Caller") is discovered to be inaccurate.

The penalties and/or credits provided under this section are Customer's sole and exclusive remedy with respect to any failure by Logicalis to meet the SLAs described herein.

Engagement

Customer will engage Logicalis for Incident resolution or service requests using the following methods of communication: Email: Standard Logicalis support (or Customer-specific) email address in Logicalis ITSM

- Phone: Authorized Customer personnel may escalate tickets by phone to Logicalis' support team
- Portal: Authorized Customer personnel may log and review the progress of their tickets within Logicalis' ITSM self-service portal

Based on the actual or perceived priority of a given Incident or request, Customer must engage Logicalis for support in accordance with the following table:

Priority	Logging Options
P1	Must be logged by phone (where identified by Customer and not by Logicalis' systems).
P2	Must be logged by phone (where identified by Customer and not by Logicalis' systems).
P3	May be logged via any available mechanism.
P4	May be logged via any available mechanism.
P5	May be logged via any available mechanism.
Service Requests	May be logged via any available mechanism sufficient to ensure that any required information is provided to Logicalis, with a preference to utilize the web portal.

Logicalis will not be obligated to pay an SLA penalty payment(s) otherwise arising from an Incident(s) if the above procedure is not followed with respect to the applicable CI(s).

Managed Enterprise Cloud Services Addendum

The Logicalis Enterprise Cloud is a multi-tenant environment and provides secure, virtual operating environments supporting network services via a Virtual Data Center (VDC) and selected operating systems with compute, memory, and storage delivered via a Virtual Machine (VM) and/or Logical Partition (LPAR).

1. Setup Responsibilities and Assumptions

A. Customer Responsibilities

Customer shall:

1. Customer is responsible for third party application software licensing and associated financial obligations for any software deployed on Customer's Enterprise Cloud. Prior to deploying any software, including trial software, on Customer's Enterprise Cloud, Customer must notify Logicalis of any such software, provide details regarding such software as requested by Logicalis, and provide Logicalis with the applicable vendor documentation which evidences that Customer is entitled to deploy the software on Customer's Enterprise Cloud.
2. Logicalis reserves the right to audit Customer's Enterprise Cloud resources and software deployed thereon at any time to ensure that Customer is in compliance with the terms of the SOW and the terms of any applicable vendor documentation, and further as necessary for Logicalis to confirm compliance with any legal or contractual requirements applicable to Logicalis. Customer agrees to fully cooperate with Logicalis on any audit requests, including by providing documentation and evidence necessary to confirm the existence of, and Customer's compliance with, any vendor requirements or restrictions.
3. Customer acknowledges that during the performance of services, Customer may be asked to download software as part of such services. In downloading or receiving of such software, Customer affirms that it has received the software from Logicalis for use in its internal systems only and will use the software internally according to the instructions set forth by Logicalis.

2. Service Level Agreements (SLAs)

Logicalis Cloud Suite – Enterprise Cloud Availability

Logicalis maintains 99.9% availability for all Enterprise Cloud services. Unscheduled Downtime occurs when the Customer's Enterprise Cloud services are unavailable as defined below.

Availability: Availability for each Customer's Enterprise Cloud services will be calculated daily using the following formula:

$$\text{Availability} = (\text{Base Time} - \text{Unscheduled Downtime}) / (\text{Base Time})$$

Base Time is 1440 minutes (24 hours per day multiplied by 60 minutes per hour) minus scheduled downtime

Unscheduled Downtime equals the time (in minutes) in the applicable day during which any single component of the Customer's Enterprise Cloud service is not operational excluding "Scheduled Downtime". For purposes of assessing the SLA Availability penalties below, the clock will start at the commencement of the Unscheduled Downtime and will stop when all single components of the Enterprise Cloud services are operational. Unscheduled Downtime does not include the following:

- o Applications not managed by Logicalis within the environment,
 - o Downtime due to the actions or inactions of the Customer,
 - o Customer's primary connectivity to the Enterprise Cloud outside of Logicalis' control.
- **Scheduled Downtime** equals the aggregate total of all minutes of planned and scheduled maintenance performed during a day to perform any necessary hardware, operating software, network, database, application software maintenance, repairs, updates, and upgrades.
 - o Cloud Suite infrastructure maintenance windows are targeted for the second Saturday of each month from midnight to 6:00 AM in the time zone of the Logicalis Cloud Data Center.
 - o Logicalis reserves the right to schedule additional Scheduled Downtime events for emergency purposes with at least 24 hours notice given to affected customers. To minimize the impact on the Customer's business, Logicalis and the Customer will determine the dates, times, and timeframe lengths of emergency Scheduled Downtime.

Availability SLA

In the event 99.9% availability for the Customer's Enterprise Cloud services is not achieved for a day, Customer shall be entitled to one credit of 1/30th of the current MRC associated with the Customer's Enterprise Cloud services part numbers with a PRV prefix. In the event multiple days within a month occur, the table below details credits:

Monthly Events	Total Monthly Credits
One (1)	1 / 30 th
Two (2)	5 / 30 th
Three (3)	15 / 30 th
Four (4)	Full credit, termination with no penalty

- Credits will be applied to the Customer's next invoice.
- Total credits per month may not exceed the amount of one month's MRC for the service.
- If Customer requires clarification of or modification to a credit, a request must be submitted by the Customer to Logicalis within thirty (30) days of credit issuance.

Because Region 14 ESC is a governmental entity responses submitted are subject to release as public information after contracts are executed. If a vendor believes that its response, or parts of its response, may be exempted from disclosure, the vendor must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, the

The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 14 ESC must comply with the opinions of the OAG. Region 14 ESC assumes no responsibility for asserting legal arguments on behalf of any vendor. Respondent are advised to consult with their legal counsel concerning disclosure issues resulting from this procurement process and to take precautions to safeguard trade secrets and other proprietary information.

Region 14 ESC will evaluate proposals in accordance with, and subject to, the relevant statutes, ordinances, rules, and regulations that govern its procurement practices. NCPA will assist Region 14 ESC in evaluating proposals. Award(s) will be made to the prospective vendor whose response is determined to be the most advantageous to Region 14 ESC, NCPA, and its participating agencies. To qualify for evaluation, response must have been submitted on time, and satisfy all mandatory requirements identified in this document.

Contract Administration

The contract will be administered by Region 14 ESC. The National Program will be administered by NCPA on behalf of Region 14 ESC.

Contract Term

The contract term will be for three (3) year starting from the date of the award. The contract may be renewed for up to two (2) additional one-year terms or any combination of time equally not more than 2 years.

It should be noted that maintenance/service agreements may be issued for up to (5) years under this contract even if the contract only lasts for the initial term of the contract. NCPA will monitor any maintenance agreements for the term of the agreement provided they are signed prior to the termination or expiration of this contract.

Contract Waiver

Any waiver of any provision of this contract shall be in writing and shall be signed by the duly authorized agent of Region 14 ESC. The waiver by either party of any term or condition of this contract shall not be deemed to constitute waiver thereof nor a waiver of any further or additional right that such party may hold under this contract.

Included with the request must be documentation and/or formal cost justification for these changes. Requests will be formally reviewed, and if justified, the amendment will be approved.

RE: Sole Source Letter

Dear Melissa,

As requested, I am providing a letter that confirms that JusticeText is the Sole Source of the technology we provide. JusticeText is an audiovisual evidence management platform for public defenders designed to expedite the review of body-camera footage, interrogation videos, jail calls, and other crucial digital discovery. This software includes:

AI-powered analysis, tailored to public defense

- **Automatically identify key moments specific to public defense** in audio or video files including Miranda rights, field sobriety tests and arrests
- **Automatically generate single-paragraph summaries** of each piece of evidence to more easily navigate high volumes of discovery
- **Generate timelines** that break discovery into discrete chapters and summarize key events across all case files (video, audio, documents, images)
- **Generate lists of all relevant parties** mentioned across all case files (video, audio, documents, images)
- **Synthesize an entire folder of discovery** in seconds, identifying key facts, charges, locations and the most relevant issues to the defense
- **Compare and contrast audio/video evidence** using natural language questions (e.g., “what contradictions does the witness make between statements?”)
- **Ask any question** in natural language across a folder of discovery (e.g., “what moments in these video support my argument?”, “is there evidence of the Reid interview technique?”)
- **Develop custom, repeatable prompts** to consistently surface the moments most useful to each attorneys’ unique caseload
- **Automatically identify key words relevant to public defense** from a generated transcript (e.g. “gun”, “harass”, “attorney”)
- **Search** across all uploaded evidence and filter the results by evidence type, speaker, case folder, and additional custom tags
- **Analyze the visual elements of videos** (e.g., identifying a red car in hours of silent surveillance footage)

Streamlined viewing, editing, note-taking, redacting, and clipping

- **Create video clips** of relevant parts of the file, simply by highlighting the transcript
- **Automatically sync multiple videos** (e.g., body-worn camera footage) from multiple angles to review, search, and analyze from a single screen
- **Export synced videos** for use in court
- **Add subtitles** to created video clips
- **Redact portions** of audio/video evidence to protect confidential information
- Generate an automatically **timestamped notebook** as the video plays
- **Edit and annotate** the output transcript, with all changes automatically saved, via a best-in-class user experience with unlimited editing
- **Navigate to key moments in a video** by selecting a word in the transcript
- **Edit timestamps** to align text to specific moments in the audio/video files

Transcription for multiple languages and file formats

- Transcribe discovery in **80+ languages**, including Spanish, Mandarin, and more
- Transcribe **up to 100 files in one batch**, processed in parallel
- Include **custom vocabulary** (e.g., streets, neighborhoods, witness names) to incorporate local context and improve transcript accuracy
- Create **multi-lingual transcriptions** for media files containing up to three spoken languages
- **Translate transcripts** from other languages (e.g., Spanish) to English
- **Clearly identify** up to 10 speakers in a file
- **Quickly assign speaker names** throughout a piece of evidence

Support for proprietary formats and integrations with existing tools

- **Upload proprietary file types** (e.g., GTL jail calls, Panasonic AV Viewer videos, WatchGuard body cameras, For the Record court proceedings, Avigilon videos) directly onto JusticeText without converting in advance, in addition to all standard file types (MP4, MP3, MOV, etc.)
- **Upload files directly from cloud storage** locations (e.g., OneDrive, Box, Dropbox, Google Drive, etc.)
- **Upload files from evidence links** provided by prosecutor
- **Integrate with case management systems** for easier upload and download

Document and image analysis

- **Upload PDFs, word documents and image** directly to JusticeText
- **Automatically extract text from documents** via OCR (Optical Character Recognition) for typed text, handwriting, tables, and images without any preprocessing
- **Develop timelines and surface key details** from hundreds of pages of documents in seconds
- **Identify inconsistencies between video and documents** (e.g., between bodycam and police reports)
- **Summarize and search through hundreds of images** for the most relevant files

In-app support

- **Live in-app support** directly with JusticeText team, with ~30 min average response time
- Review 1-2 minute **tutorial videos** explaining all of the main features on JusticeText

JusticeText is the Sole Source of the software listed above, and no other company or firm sells or distributes such software.

Providing technological support for public defenders is at the core of our company's mission. My co-founder and I started building this product while we were college students at the University of Chicago to [address the challenges](#) faced by the local public defender's office. We currently work with **roughly 100 state and local public defense organizations** across the nation, working hand-in-hand to co-create a product built specifically to address their needs, including:

- Committee for Public Counsel Services (CPCS)
- Metropolitan Public Defender in Portland, OR
- Harris County Public Defender, in Houston, TX
- Montana State Office of the Public Defender (OPD)
- Tennessee District Public Defender Conference
- DuPage County Public Defender
- Public Defender Services of Lane County

Our commitment to public defenders has been highlighted by the [ABA Journal](#), [Texas Lawyer](#), [Mass Lawyers Weekly](#), [Axios](#), [MIT Technology Review](#), and the [Public Defenseless Podcast](#).

To the best of my knowledge, there are no other items and/or services available for purchase that would serve the same purpose or function as JusticeText.

Sincerely,

Devshi Mehrotra

and

WHEREAS, there are times when it is necessary to revise those budgets to ensure efficient and effective County operations.

NOW, THEREFORE, BE IT RESOLVED, that the headcount for the Coroner's office and personnel budget for the Coroner's office be revised to reflect the addition of an increase of headcount by one deputy coroner. Wages and benefits will be paid from the Coroner's Fee Fund for Fiscal Year 2026 **permanently**.

Reason for Changes: Our office has operated with 10 deputy coroners since 2008. One additional headcount was approved for FY 2026. We have filled this new headcount, and the deputy is in training. The collective bargaining agreement mandates that deputy coroners work 12-hour shifts. The approval of only one position leaves half the staffing short, as we work in two teams.

Death investigations have increased 77% from 3,780 in 2007 to 6,695 in 2025. An increase in headcount is required to compensate for the increased workload. One more deputy coroner is needed to conduct additional on-site investigations to be in compliance with the State of Illinois statutes. The number of on-site investigations has grossly diminished over these years due to staffing shortages. In addition to aligning our office with Illinois law, the additional deputy will reduce overtime, reduce the number of hours a deputy coroner is working alone at night, reduce the turnaround time for cremation permits and death certificates, and provide excellent service to the people of DuPage County.

Our senior-most deputy coroner has informed us that he will retire on 06/05/2026. We currently have a deputy coroner out on a 12-week FMLA that started 04/22/2026. We are requesting a double-fill for a deputy coroner

position, temporary-to-permanent, to fill this absence. In addition, the average training for a new deputy is approximately 6 months. It would likely be a short time with a double fill as June 5, is very soon.

The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor’s report(s) or (ii) nine (9) months after the end of Grantee’s audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor’s report(s) or (ii) six (6) months after the end of Grantee’s audit period.

The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. 12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in PART TWO or PART THREE.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities.** This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities.** This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

**ARTICLE XXII
MISCELLANEOUS**

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq.*) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees,

costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. The following information defines the scope of service for the Tobacco Enforcement Program (TEP) for compliance monitoring of tobacco retail establishments across Illinois to assure that Tobacco products are not sold to individuals under 21 as defined by state or local law. The TEP establishes a program of local compliance monitoring to be implemented by municipalities across Illinois. Applicants are to conduct three compliance checks by contracting with individuals under 21 who will attempt to purchase tobacco products through three supervised visits at tobacco retailers where individuals under 21 can legally enter. Tobacco retailers included in the unannounced compliance checks are to be provided with information on what constitutes illegal sales to individuals under 21 provided by the state. Three rounds of unannounced compliance checks during a specific period of all retailers by supervised minors of tobacco retailers within a municipality will complete the requirements of this program.

This prohibition does not apply to those providing such treatment in the context of clinical research permitted by the DEA and under an FDA-approved investigational new drug application where the article being evaluated is marijuana or a constituent thereof that is otherwise a banned controlled substance under federal law.

All individuals who inject drugs that request treatment and cannot be placed in an IDHS-DBHR licensed treatment program within 14 days shall have interim services made available to them.

Interim Services or Interim Substance Use Disorder Services means services that are provided until an individual is admitted to a substance use disorder treatment program. The purposes of the services are to reduce adverse health effects, promote the health of the individual, and reduce the risk of transmission of disease. At a minimum, interim services include counseling and education about HIV and tuberculosis (TB), risks of needle-sharing, risks of HIV and TB transmission to sexual partners and infants, and steps that can be taken to ensure HIV and TB transmission does not occur, as well as referral for HIV or TB treatment services if necessary. For pregnant women, interim services also include counseling on the effects of alcohol and drug use on the fetus, as well as referral for prenatal care.

E. Tuberculosis (TB) Services (45 CFR 96.121, 45 CFR 96.127)

Organizations receiving SUPTRS BG funding to provide treatment services shall comply with the TB requirements per [45 CFR 96.121](#) and [45 CFR 96.127](#). At a minimum:

- Conduct TB screening to determine risk of infection with mycobacterium tuberculosis and provide a referral for appropriate medical evaluation and treatment.

If unable to admit a pregnant woman because of insufficient capacity or because the organization does not deliver the necessary services, referral to another organization shall be made and documented within 48 hours of the request. The organization shall also notify DBHR regarding such persons for whom it lacks the capacity to admit. This notification shall be made using the CapMan system which will enable the Division to identify an organization with the capacity to provide the necessary treatment.

G. Annual SUPTRS BG Compliance Survey [formerly the Annual Certification Plan (ACP) Survey]

SUPTRS BG funded organizations shall complete the Annual SUPTRS BG Compliance survey [formerly the Annual Certification Plan Survey] in a prescribed format. Additional information can be found in the Contractual Policy Manual.

H. Independent Peer Review

An independent peer review, coordinated through IDHS-DBHR will be conducted annually on selected SUPTRS BG funded organizations to assess the quality, appropriateness, and efficacy of treatment services delivered in accordance with 77 Ill. Adm. Code 2060 and the requirements of [45 CFR, Part 96.136](#).

IV. Prevention Services

Services are driven by deliverables specified in Uniform Grant Agreement exhibits specific to the type of prevention program. The types of prevention programs are specified in the Contractual Policy Manual. The Drug Overdose Prevention Program is

part of the Office of Prevention and Health Promotion and activities are specified in the Substance Use Disorder Act ([20 ILCS 301/5-23](#)).

V. Deliverables

Fee-for-Service (Medicaid) and Grant Funded

A. Contractual Policy Manual and Specific Exhibits

The terms and conditions and deliverables set forth in the IDHS-DBHR Contractual Policy Manual and in all applicable Exhibits and/or service requirements located in the manual shall be in addition to those contained in this principal Attachment and in the Uniform Grant Agreement. They are incorporated herein by reference.

B. Conflict Between Attachment C, Exhibits and Service Requirements

In the event of a conflict between Attachment C and an Exhibit or Service Requirement, the terms of the latter shall supersede and govern.

Grant Funded Only

C. Continuity of Services

The funds obligated under this award are for the entire twelve-month period of the state fiscal year referenced herein unless a specific start date is indicated due to funding restrictions. Therefore, the organization shall ensure that all services funded by this award are available for the entire twelve-month period of the fiscal year irrespective of when full disbursement of the award occurs. IDHS-DBHR Grant-funded programs should prioritize the development of comprehensive plans to guarantee the lasting sustainability of the critical services they provide to individuals and communities.

VI. Payment

A. Funding Methodology

Grantees will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Grantees will automatically be paid via Reimbursement Method unless a request for Advance Payment Method or Working Capital Advance Method is made using the IDHS Advance Payment Request Cash Budget Template. However, fixed rate grants are only eligible to use Reimbursement method.

I. Advance Payment Method (Advance and Reconcile)

1. Since IDHS is subject to the Grant Accountability and Transparency Act ([GATA](#)), IDHS is required by 44 Ill. Admin. Code 7000.120 to remit Award payments via advance payment when Awardees meet the requirements set forth in 2 CFR 200.302 (Financial Management), 44 Ill. Admin. Code 7000.120(b)(i)(A)(i and ii) (Advance Payments), and other requirements as described in this Directive.
2. Awardees may request advance payment for each Award issued by IDHS. Requests shall be submitted to the respective Award Program Manager by the method prescribed in the Grant program Notice of Funding Opportunity (NOFO) or the Catalog of State Financial Assistance (CSFA) - Program Listing. A separate request shall be submitted for each IDHS Grant program application. Subsequent monthly payments will be based on each monthly invoice submitted by Grantee to Grantor, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
3. Requests for advance payment shall be accompanied by an IDHS Advance Payment Request Cash Budget Template (Cash Budget) for each Award. Cash Budgets shall be signed by either the Chief Executive Officer (or equivalent) or Chief Financial Officer (or equivalent) for the entity. The executive's signature certifies that their entity complies with the requirements set forth in 2 CFR 200.302 (Financial Management) and 44 Ill. Admin. Code 7000.120(b)(i)(A) (Advance Payments). The Cash Budget shall demonstrate the estimated monthly cash requirements for each month of program Award operation. Advance payments shall be limited to the minimum amounts needed and be timed to be

in accordance with the actual, immediate cash requirements of the Awardee in carrying out the purpose of the approved program or project. The timing and amount of advance payments shall be as close as is administratively feasible to the actual disbursements by the Awardee for direct program or project costs and the proportionate share of any allowable indirect costs. Additionally, the Awardee entity shall make timely payments to sub-recipients and contractors.

4. Upon program approval for advance payment, an initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.
5. Grantees shall submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. The first invoice is due within 15 days after the first month of the Award's term. Invoices shall include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
6. Subsequent monthly payments will be based on each monthly invoice submitted by Grantee to Grantor, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
7. Grantees that do not expend all advance payment amounts by the end of the Award term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective budget, shall return the funds within 45 days.
8. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
9. Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

II. Reimbursement Method

1. Grant Fixed Rate: means payments for non-Medicaid services based on a rate, unit cost or allowable costs incurred, that are based on a statement, bill or DARTS submission as required by IDHS. Fixed Rate payments are subject to all federal administrative regulations and requirements including, but not limited to, OMB Circular A-102, OMB Circular A-100, OMB Circular A-133, and are subject to all

applicable cost principles, including OMB Circular A-21, OMB Circular A-87 and OMB Circular A-122. A Fixed Rate agreement, in common terminology, is a non-Medicaid fee-for-service agreement. Fixed Rate grants will be paid on a Reimbursement basis.

2. IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.
3. Grantees shall submit monthly invoices in a format prescribed by Grantor. Invoices shall include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices shall be submitted on or before the 15th calendar day following the end of each monthly invoice period. As practicable, Grantor shall process payment within 30 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.
4. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III. Working Capital Advance Method

1. IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.
2. Grantees shall submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. The first invoice is due 15 calendar days after the first month of the Award term. Invoices shall include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
3. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
4. Working Capital Advance Payments are limited to a single occurrence per grant term.
5. Following the initial working capital advance payment, grantees will be paid via advance or reimbursement method as appropriate.

B. Payments Processed by Division

All Payments are subject to post-payment audit and recovery procedure as set forth in IX, F. of this attachment.

C. Grantee Compliance Enforcement System: Illinois Stop Payment List

The Grant Accountability and Transparency Act (GATA) established a Grantee Compliance Enforcement System that outlines a statewide framework for State agencies to manage occurrences of noncompliance with grant requirements. See 44 ILCS 7000.80 For example, organizations that do not submit monthly invoices or quarterly periodic performance reports as per deliverable requirements in their UGA can be referred to IDHS for placement on the IDHS stop-pay list. Possible non-compliance repercussions include referral to the State stop pay system which impacts all agencies' payments.

D. Final Billing Submission Date

The final submission date for billing all non-Medicaid funded services is close of business of the first Monday of August. Notification is provided twice a year in writing of the actual final submission date. It is the responsibility of each organization to ensure that all fiscal year billings are submitted for DARTS or manual processing by this date. As a reminder, it is critically important that DARTS or manual billing errors be resolved when they occur as delays in billing reconciliation from the organization that result in non-accepted or late submissions will not be eligible for payment through the Court of Claims. Examples of such delays that are the responsibility of the organization are:

1. Submission of claims past the August date.
2. Non-reconciliation of software reporting problems resulting in inability to submit bills by the August date.
3. Non-reconciliation of DARTS or manual billing errors by the August date.
4. Non-submission of manual payment vouchers by the August date.

To assist with compliance to year-end submissions, it is strongly recommended that June DARTS or manual earnings/expenditures, as well as any other prior month's

earnings/ expenditures, be submitted as early as possible in July to allow time for correction of errors. Adherence to this submission deadline is a factor that is evaluated during each state fiscal year contracting process.

Grantee will be notified, in writing, of any adjustment of the estimated amount of this Agreement. In the event of such reduction, services provided by Grantee under **Exhibit A** may be reduced accordingly. Grantor must pay Grantee for work satisfactorily performed prior to the date of the notice regarding adjustment. 2 CFR 200.308.

4.7. Interest.

(a) All interest earned on Grant Funds held by a Grantee or a subrecipient will be treated in accordance with 2 CFR 200.305(b)(12), unless otherwise provided in **PART TWO** or **PART THREE**. Grantee and its subrecipients must remit annually any amount due in accordance with 2 CFR 200.305(b)(12) or to Grantor, as applicable.

(b) Grant Funds must be placed in an insured account, whenever possible, that bears interest, unless exempted under 2 CFR 200.305(b)(10), (b)(11).

4.8. Timely Billing Required. Grantee must submit any payment request to Grantor within fifteen (15) days of the end of the quarter, unless another billing schedule is specified in **ARTICLE II, PART TWO, or PART THREE**. Failure to submit such payment request timely will render the amounts billed Unallowable Costs which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

4.9. Certification. Pursuant to 2 CFR 200.415, each invoice and report submitted by Grantee (or subrecipient) must contain the following certification by an official authorized to legally bind Grantee (or subrecipient):

By signing this report [or payment request or both], I certify to the best of my knowledge and belief that the report [or payment request] is true, complete, and accurate; that the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the State or federal pass-through award; and that supporting documentation has been submitted as required by the grant agreement. I acknowledge that approval for any other expenditure described herein is considered conditional subject to further review and verification in accordance with the monitoring and records retention provisions of the grant agreement. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise (U.S. Code Title 18, Sections 2, 1001, 1343 and Title 31, Sections 3729-3730 and 3801-3812; 30 ILCS 708/120).

All requests for scope revisions that require Grantor approval must be signed by Grantee's authorized representative and submitted to Grantor for approval. Expenditure of funds under a requested revision is prohibited and will not be reimbursed if expended before Grantor gives written approval. 2 CFR 200.308.

Within thirty (30) calendar days from the date of receipt of the request for Budget revisions, Grantor will review the request and notify Grantee whether the Budget revision has been approved, denied, or the date upon which a decision will be reached. 44 Ill. Admin. Code 7000.370(b)(7).

ARTICLE VII ALLOWABLE COSTS

7.1. Allowability of Costs; Cost Allocation Methods. The allowability of costs and cost allocation methods for work performed under this Agreement will be determined in accordance with 2 CFR Part 200 Subpart E and Appendices III, IV, V, and VII.

7.2. Indirect Cost Rate Submission.

(a) All grantees, except for Local Education Agencies (as defined in 34 CFR 77.1), must make an Indirect Cost Rate election in the Grantee Portal, even grantees that do not charge or expect to charge Indirect Costs. 44 Ill. Admin. Code 7000.420(e).

(i) Waived and de minimis Indirect Cost Rate elections will remain in effect until Grantee elects a different option.

(b) Grantee must submit an Indirect Cost Rate Proposal in accordance with federal and State regulations, in a format prescribed by Grantor. For grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. For grantees who have previously negotiated an Indirect Cost Rate, the Indirect Cost Rate Proposal must be submitted for approval within 180 days of Grantee's fiscal year end, as dictated in the applicable appendices, such as:

(i) Appendix VII to 2 CFR Part 200 governs Indirect Cost Rate Proposals for state and Local Governments and Indian Tribes,

(c) A grantee who has a current, applicable rate negotiated by a cognizant federal agency must provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs, which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. 2 CFR 200.451.

7.4. Commercial Organization Cost Principles. The federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.5. Financial Management Standards. The financial management systems of Grantee must meet the following standards:

(a) **Accounting System.** Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

(b) **Source Documentation.** Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO, PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control.** Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control.** Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management.** Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

7.6. **Profits.** It is not permitted for any person or entity to earn a Profit from an Award. *See, e.g.,* 2 CFR 200.400(g); *see also* 30 ILCS 708/60(a)(7).

7.7. **Management of Program Income.** Grantee is encouraged to earn income to defray Program Costs where appropriate, subject to 2 CFR 200.307.

ARTICLE VIII LOBBYING

8.1. **Improper Influence.** Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the

making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. (b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

For certain construction-related Awards, such reports may be exempted as identified in **PART TWO** or **PART THREE**. 2 CFR 200.329.

11.2. Performance Close-out Report. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

11.3. Content of Performance Reports. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and project or program accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the reporting period (for example, comparing costs to units of accomplishment); computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; the reasons why established goals were not met, if appropriate; and additional information, analysis, and explanation of any cost overruns or higher-than-expected unit costs. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

ARTICLE XII AUDIT REQUIREMENTS

12.1. Audits. Grantee is subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules and policies set forth by the Governor's Office of Management and Budget. 30 ILCS 708/65(c); 44 Ill. (a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in PART TWO or PART THREE.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities.** This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities.** This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

**ARTICLE XXII

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees,

costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. EXHIBIT F
PAYMENT

Payments occur after service has been provided and documentation has been received by IDHS. Payment is contingent upon providers having on hand the 25% required match.

Title XX Social Services Block Grant Donated Funds Initiative is a fixed rate grant program for which the payments are made on the basis of a rate or allowable actual cost incurred per the Program Plan and is based on a statement or bill as required by IDHS.

Billings, with substantiating documentation, are submitted by the Provider within fifteen days following the end of the month for which payment is requested.

Reimbursement of costs incurred prior to the execution date of this agreement, but not before the July 1, 2025 Start Date of this agreement, will be allowed for use as specified in the Exhibit A Project Description of this agreement, as approved by the Department. If not associated with activities clearly identified in the Exhibit A Project Description of this agreement, any such costs incurred will be disallowed.

UGA Payment Language Guidance

Grantees will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Grantees will automatically be paid via Reimbursement Method unless a request for Advance Payment Method or Working Capital Advance Method is made using the IDHS Advance Payment Request Cash Budget Template (Cash Budget).

I. Advance Payment Method (Advance and Reconcile)

A. An initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.

B. Grantees must submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. Invoices must be submitted on or before the 15th day following the end of any respective monthly invoice period. Invoices must include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

C. Subsequent monthly payments will be based on each monthly invoice submitted to the grant program, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.

D. Grantees that do not expend all advance payment amounts by the end of the grant term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective grant budget, must return the funds or be subject to grant funds recovery.

E. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

EXHIBIT F
PAYMENT

F. Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

II. Reimbursement Method

A. IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.

B. Grantees must submit monthly invoices in a format prescribed by Grantor. Invoices must include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices must be submitted on or before the __15th__ day following the end of any respective monthly invoice period. As practicable, Grantor shall process payment within 15 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.

C. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III. Working Capital Advance Method

A. IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.

B. Grantees must submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. Invoices must be submitted on or before the __15th__ day following the end of any respective monthly invoice period. Invoices must include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

PART TWO –GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

**ARTICLE XXIII
ADDITIONAL CERTIFICATIONS**

23.1 **Certifications.** Grantee shall be responsible for compliance with the enumerated certifications to the extent that the certifications legally apply to Grantee:

(a) **Adult Protective Services Act.** Grantee certifies that it is in compliance with the Adult Protective Services Act to protect people with disabilities who are abused, neglected or financially exploited and who, because of their disability, cannot seek assistance on their own behalf. Anyone who believes a person with a disability living in a domestic setting is being abused, neglected or financially exploited must file a complaint with the Illinois Department on Aging. Grantee has an obligation to report suspected fraud or irregularities committed by individuals or other entities with whom it interacts on Grantor's behalf and should make a report to the appropriate program office (320 ILCS 20/1 *et seq.*).

(b) **Grant Award Requirements.** Grantee certifies that it is in compliance with 45 CFR Part 93 and 45 CFR Part 94.

(c) **Business Entity Registration.** Grantee certifies that it is not required to register as a business entity with the State Board of Elections pursuant to the Procurement Code (30 ILCS 500/20-160 and 30 ILCS 500/50-37). Further, Grantee acknowledges that all contracts between State agencies and a business entity that do not comply with this Paragraph shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

**ARTICLE XXIV
ADDITIONAL TERMS**

24.1 **Renewal.** This Agreement may be renewed for additional periods by mutual consent of the Parties, expressed in writing and signed by the Parties. Grantee acknowledges that this Agreement does not create any expectation of renewal.

24.2 **Multiple Locations.** In the event that Grantee has more than one location, Grantee shall include in **EXHIBIT C** either (1) the address, phone number and hours of operation of each location, or (2) the address, phone number and hours of operation of Grantee's primary location.

24.3 **Changes in Key Grant Personnel.** When it is specifically required as a condition of an Award, the replacement of the Program director or a key person or a substantial reduction in the level of their effort, e.g., their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Award purposes, requires Prior Approval from Grantor. When it is specifically required as a condition of an Award, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by Grantor to be critical to the Award's successful completion. All requests for approval of changes in key Grant personnel shall be signed by Grantee's authorized representative and submitted to the appropriate Grantor program personnel. Evidence of the qualifications for replacement personnel (such as a résumé) shall be included. 2 CFR 200.308.

24.4 Grant Funds Recovery. The provisions of 89 Ill. Admin. Code 511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

24.5 Employee and Subcontractor Background Checks. Grantee certifies that neither Grantee, nor any employee or subcontractor who works on Grantor's premises, has a felony conviction. Any request for an exception to this rule must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction. Grantee will also supply Grantor with a list of individuals assigned to work on DHS' premises at least ten (10) working days prior to the start of their employment, unless circumstances prevent Grantee from giving a list within that time. If Grantee cannot provide a list, or the name of an individual, at least ten (10) working days prior to his/her employment, it shall do so as soon as possible. Grantor may conduct, at its expense, criminal background checks on Grantee's employees and subcontractors assigned to work on Grantor's premises. To the extent permitted by Illinois law, Grantee agrees to indemnify and hold harmless Grantor and its employees for any liability accruing from said background checks.

24.6 Gifts. In addition to the Gift ban described in Paragraph 22.1, Grantee will provide Grantor with advance notice of Grantee's provision of gifts, excluding charitable donations, given as incentives to community-based organizations in Illinois and clients in Illinois to assist Grantee in carrying out its responsibilities under this Agreement.

24.7 Current Contact Information and Notices. Grantee shall update its contact information, including email address, phone number and job title, in the Community Services Agreement (CSA) Tracking System under the My Info tab, when any such information changes. In addition, Grantee shall contact the DHS Office of Contract Administration when its mailing address changes to update that information. Grantee acknowledges and agrees that any notices from Grantor may be made to its mailing address, electronic mail (email) address, or facsimile (fax) telephone number, at Grantor's choosing. Such notice shall be effective upon dispatch.

24.8 Supplies Disposition. Grantee must obtain disposition instructions from Grantor when supplies, purchased in whole or in part with Grant Funds, are no longer needed for their intended purpose. Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any supplies to Grantor or a third party for any reason, including, without limitation, an Award is terminated or Grantee no longer conducts Award activities. The Grantee shall properly maintain, track, use, store and insure the supplies according to applicable best practices, manufacturer's guidelines, federal and State laws or rules, including without limitation those contained at 2 CFR 200.310 to 2 CFR 200.326, and Department requirements stated herein. All obligations regarding use and ownership of supplies, purchased in whole or in part with Grant Funds, shall survive the termination of this Agreement.

24.9 Reporting Requirements. The reporting timeframes described in Paragraphs 10.1, 10.2, 11.1 and 11.2 are specified in **EXHIBIT B**. In addition, Grantee acknowledges it must cooperate with all Grantor-initiated post Close-out audits or reviews, including, but not limited to, submission of any Grantor-required forms.

24.10 Payment Information. Payment information described in PART ONE is specified in EXHIBIT F.

ARTICLE XXV MONITORING AND INFORMATION

25.1 Monitoring of Conduct. In addition to ARTICLE IX of **PART ONE**, Grantor shall monitor Grantee's conduct under this Agreement which may include, but shall not be limited to, reviewing records of performance in accordance with administrative rules, license status review, fiscal and audit review, Agreement compliance and

compliance with the affirmative action requirements of this Agreement. Grantor shall have the authority to conduct announced and unannounced monitoring visits and Grantee shall cooperate with Grantor in connection with all such monitoring visits. Failure of Grantee to cooperate with Grantor in connection with announced and unannounced monitoring visits is grounds for Grantor's termination of this Agreement.

25.2 Requests for Information. Grantor may request, and Grantee shall supply, upon request, necessary information and documentation regarding transactions constituting contractual (whether a written contract exists or not) or other relationships, paid for with funds received hereunder. Documentation may include, but is not limited to, information regarding Grantee's contractual agreements, identity of employees, shareholders and directors of Grantee and any party providing services which will or may be paid for with funds received hereunder, including, but not limited to, management and consulting services rendered to Grantee.

25.3 Rights of Review. This O does not give Grantor the right to review a license that is not directly related to the Award being audited nor does it allow Grantor to unilaterally revoke a license without complying with all due process rights to which Grantee is entitled under Federal, State or local law or applicable rules promulgated by Grantor.

ARTICLE XXVI WORK PRODUCT

26.1 Assignment of Work Product. "Work Product" means all the tangible materials, regardless of format, delivered by Provider to DHS under this Agreement. Grantee assigns to Grantor all right, title and interest in and to Work Product. However, nothing in this Agreement shall be interpreted to grant Grantor any right, title or interest in Grantee's intellectual property that has been or will later be developed outside this Award.

26.2 License to Grantor. To the extent Grantee-owned works are incorporated into Work Product, Grantee grants to Grantor a perpetual, non-exclusive, paid-up, world-wide license in the use, reproduction, publication and distribution of such Grantee-owned works when included within the Work Product. Grantee shall not copyright Work Product without Grantor's prior written consent.

26.3 License to Grantee; Objections. Grantor grants to Grantee a perpetual, non-exclusive, paid-up license to publish academic and scholarly articles based upon the services rendered under this Agreement. All materials to be published shall first be submitted to Grantor at least forty-five (45) days prior to publication or other disclosure. Upon written objection from Grantor, Grantee shall excise any confidential information, as that term is defined in applicable State and Federal statutes, federal regulations and Grantor administrative rules, from materials before publication. Grantor may also object to the publication on grounds other than confidentiality. As to the latter objections, Grantee and Grantor will attempt to resolve Grantor's concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. Grantor waives any objections not made to Grantee in writing before expiration of the review period.

26.4 Unresolved Objections; Disclaimer. If Grantor's objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Grantee may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the [Grantor], the [Grantor] does not endorse or adopt the opinions or conclusions presented in the article." Notwithstanding the above, Grantor shall not have the right to control or censor the contents of Grantee publications.

ARTICLE XXVII

POST-TERMINATION/NON-RENEWAL

27.1 Duties. Upon notice by Grantor to Grantee of the termination of this Agreement or notice that Grantor will not renew, extend or exercise any options to extend the term of this Agreement, or that Grantor will not be contracting with Grantee beyond the term of this Agreement, Grantee shall, upon demand:

(a) Cooperate with Grantor in assuring the transition of recipients of services hereunder for whom Grantee will no longer be providing the same or similar services or who choose to receive services through another Grantee.

(b) To the extent permitted by law, provide copies of all records related to recipient services funded by Grantor under this Agreement.

(d) Provide detailed accounting of all service recipients' funds held in trust by Grantee, as well as the identity of any recipients for whom Grantee is acting as a representative payee of last resort.

27.2 Survival. The promises and covenants of this Article shall survive the Term of this Agreement for the purposes of the necessary transition of recipients of services hereunder.

**ARTICLE XXVIII

Safe Harbor

May 2026
Monthly Report

Notes from the Executive Director,

May has been a much busier month. A total of 94 children spent time in Safe Harbor. As in previous months we continue to see more children in the afternoon, children are also spending more time with us when they come in.

In May we saw more parents going to the State's Attorney office than in previous months.

There was an incident with an attorney using Safe Harbor for her childcare. I recognized her name because a past Safe Harbor volunteer did an internship with her office and would speak highly of her. When I questioned if she worked at one of the legal offices, she said she was a secretary, but it was a long time ago. She filled out her name but scratched off her last name and then hyphenated it with the last name on her case. When she came and picked up her son, I again questioned if she was an attorney, which she again denied. She told me she was in court with her sister because she had no one to go with her. Her license also had her name that was familiar to me. She checked off she found out about Safe Harbor from the court website, where it clearly states Safe Harbor is not for jurors or attorneys' use.

I made a complaint to DCFS regarding a family who is familiar to staff of Safe Harbor. The older brother (who I had never met) was signing the kids in and out of Safe Harbor since mom was unsure if she was going to be detained. This happened during pick up. Mom wasn't detained and I asked her to come in because her son did not want to leave. While I was sitting at my desk, the 4-year-old and 18-year-old (brother who checked the children in) were standing right in front of me. Klio and I witnessed the 4-year-old girl touch her 18-yr-old brother in his private area and looked up smiling to him saying, "I'm touching you there, I'm touching you there". Mom had her back to this while she was helping pick out a toy for her other child. I discussed it with Klio, and we both felt it was inappropriate and could be an indication of something more happening.

Circuit Clerk of DuPage County

Independent Accountants' Report on Compliance and Report on Internal Control Over Compliance

To the Honorable Chair of the County Board,
The Clerk of the Circuit Court and
Members of the County Board of
DuPage County, Illinois

Report on Compliance

We have examined the compliance by the DuPage County Clerk of the Circuit Court (Office) with the specified requirements listed below where applicable laws, rules, regulations, and court orders require the Office to collect, hold, and disburse moneys to applicable parties or entities, outside of moneys already on deposit in DuPage County's funds and accounts used to finance the regular operations of the Office, as more fully described in the *Circuit Clerk Audit Guidelines (Guidelines)* as adopted by the Administrative Office of the Illinois Courts, during the year ended November 30, 2025. Management of the Office is responsible for compliance with the specified requirements. Our responsibility is to express an opinion on the Office's compliance with the specified requirements based on our examination.

The specified requirements are:

- A. The Office has complied, in all material respects, with applicable laws, rules, regulations, and court orders in its financial and fiscal operations.
- B. Moneys or negotiable securities or similar assets handled by the Office or held in trust by the Office have been properly and legally administered, and the accounting and recordkeeping thereto is proper, accurate, and in accordance with law.

Our examination was conducted in accordance with attestation standards established by the AICPA; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the Clerks of Courts Act (Act); and the *Guidelines*. Those standards, the Act, and the *Guidelines* require that we plan and perform the examination to obtain reasonable assurance about whether the Office complied, in all material respects, with the specified requirements. An examination involves performing procedures to obtain evidence about whether the Office complied with the specific requirements listed above. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance with the specified requirements, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the Office's compliance with the specified requirements.

In our opinion, the Office complied, in all material respects, with the specified requirements for the year ended November 30, 2025.

Report on Internal Control Over Compliance

Management of the Office is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements listed in the first paragraph of this report. In planning and performing our examination, we considered the Office's internal control over compliance with the requirements listed in the first paragraph of this report to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance and to test and report on the Office's internal control over compliance in accordance with the requirements in the Act and the *Guidelines* as noted by the Act, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the types of compliance requirements listed in the first paragraph of this report on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with the types of requirements listed in the first paragraph of this report will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of compliance and internal control over compliance and the results of our testing based on the requirements of the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

May 26, 2026

Baker Tilly US, LLP
1301 W. 22nd St., Ste. 400
Oak Brook, IL 60523

Ladies and Gentlemen:

As the Circuit Clerk of DuPage County, I am responsible for preparing a complete and accurate the Schedule of Accountabilities in accordance with the *Circuit Clerk Audit Guidelines* published by the Administrative Office of the Illinois Courts. I am responsible for and I have established and maintained an effective system of internal controls over the preparation of the Schedule of Accountabilities. I have performed an evaluation of the preparation of the Schedule of Accountabilities during the year ended November 30, 2025. Based on this evaluation, I assert that during the year ended November 30, 2025, the Schedule of Accountabilities is presented in accordance with the *Circuit Clerk Audit Guidelines* published by the Administrative Office of the Illinois Courts, as set forth in Note 1.

Yours truly,

Honorable Candice Adams
Circuit Clerk of DuPage County

Independent Accountants' Report on the Schedule of Accountabilities and on Internal Control Over the Schedule of Accountabilities

To the Honorable Chair of the County Board,
The Clerk of the Circuit Court and
Members of the County Board of
DuPage County

Report on the Schedule of Accountabilities

We have examined the assertion by management of the DuPage County Clerk of the Circuit Court (Office) that the Schedule of Accountabilities (Schedule) for the year ended November 30, 2025, is presented in accordance with the criteria set forth in Note 1, as more fully described in the *Circuit Clerk Audit Guidelines (Guidelines)* as adopted by the Administrative Office of the Illinois Courts. Management of the Office is responsible for its assertion. Our responsibility is to express an opinion on the Schedule for the year ended November 30, 2025, based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the Clerks of Courts Act (Act); and the *Guidelines*. Those standards, the Act, and the *Guidelines* require that we plan and perform the examination to obtain reasonable assurance about whether the Schedule is presented in accordance with the criteria, in all material respects. An examination involves performing procedures to obtain evidence about the Schedule. The nature, timing and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the Schedule for the year ended November 30, 2025, is presented in accordance with the criteria set forth in Note 1, in all material respects, in relation to the basic financial statements as a whole of DuPage County, Illinois for the year ended November 30, 2025.

Report on Internal Control Over the Schedule of Accountabilities

Management of the Office is responsible for establishing and maintaining effective internal control over preparing a complete and accurate Schedule in accordance with the *Guidelines* published by the Administrative Office of the Illinois Courts. In planning and performing our examination, we considered the Office's internal control to determine the examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Schedule and to test and report on the Office's internal control in accordance with the *Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of the Office's internal control. Accordingly, we do not express an opinion on the effectiveness of the Office's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with the specified requirements on a timely basis. A *material weakness in internal control* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material noncompliance with the specified requirements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our examination we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and the results of our testing based on the requirements of the *Guidelines*. Accordingly, this report is not suitable for any other purpose.

Notes to the Schedule of Accountabilities
 Circuit Clerk of DuPage County
 For the Fiscal Year Ended November 30, 2025

Note 1: Basis of Accounting

The Schedule of Accountabilities (Schedule) includes only those accounts and funds where laws, rules, regulations, or court orders require the Circuit Clerk of DuPage County (Circuit Clerk) to collect, hold, and disburse moneys to applicable parties or entities, outside of those funds which finance the Circuit Clerk’s regular ongoing operations. The Schedule is prepared on the cash basis of accounting, where receipts, including interest and investment income, are recorded when physical cash, a negotiable instrument, or an electronic transaction is received by the Circuit Clerk and disbursements are recorded when physical cash, a negotiable instrument, or an electronic transaction is processed by the Circuit Clerk.

Major differences between the presentation of this Schedule and the annual financial statements prepared in accordance with generally accepted accounting principles (GAAP) by DuPage County include revenue and expense (or expenditure) recognition, including the lack of receivables and liabilities and adjustments to fair value to recognize unrealized gains(losses) on investments.

Note 2: Allocation Methodology for Cash Receipts

The Circuit Clerk allocates receipts collected which are for less than the full amount due. Payments are first applied to restitution. In general, after restitution is satisfied, payments are applied to fees due directly to the Circuit Clerk, followed by municipalities, then the County, and lastly to the State. As of November 30, 2025, there is no rule or statute that directs how fees are to be paid.

The Circuit Clerk allocates interest and investment receipts collected. Interest and investment receipts are paid out of the County’s General Fund.

Note 3: Reconciliation of the Schedule of Accountabilities to Account Balances

The Circuit Clerk performed a reconciliation of those accounts and funds where laws, rules, regulations, or court orders require the Circuit Clerk to collect, hold, and disburse moneys to applicable parties or entities, outside of those funds which finance the Circuit Clerk’s regular ongoing operations. Outstanding negotiable instruments, which primarily are checks, occur when a negotiable instrument has been issued and recorded by the Circuit Clerk, but where the activity has not yet cleared and will ultimately become subject to the requirements of the Revised Uniform Unclaimed Property Act (765 ILCS 1026).

Custodial Credit Risk

Custodial credit risk is the risk that, in the event of failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. Custodial credit risk for investments is the risk that, in the event of failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities in the possession of an outside party.

Deposits

In accordance with Section 6 of the Public Funds Investment Act (30 ILCS 235), uncollateralized and uninsured deposits may not exceed 75% of the capital stock and surplus of a bank, 75% of the net worth of a savings and loan association, or 50% of the unimpaired capital and surplus of a credit union.

The bank balance of cash deposits held by the Circuit Clerk was \$5,039,497 at November 30, 2025 of which \$55,544 was not collateralized.

Note 5: Subsequent Events

The Circuit Clerk is not aware of any additional facts, decisions, or conditions that might be expected to have a significant effect on the Schedule during this and future fiscal years.
