Overview	1	J				

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Hire a firm specializing in native vegetation management to assist DuPage County staff with the maintenance of native vegetation at various County owned properties. This contract is an interdepartmental shared services for SWM, PW, DOT and Facilities Management. The cost of these services will be provided on an on-call basis for a cost not to exceed \$75,000.00

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished

Selected through DuPage County Procurement Department's RFP process for professional services. RFP #23-021-SWM

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED RFP (REQUEST FOR PROPOSAL)	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.

SECTION 3: DECISION MEMO				
STRATEGIC IMPACT	Select an item from the following dropdown menu of County's strategic priorities that this action will most impact. QUALITY OF LIFE			
SOURCE SELECTION	Describe method used to select source. Maintenance of the native vegetation on the County owned properties is necessary for both functional and aesthetic performance. Many of the properties are located in residential or business areas that are frequently viewed or used for passive recreation by many DuPage County residents. The County has a responsibility to maintain these properties and to prevent infestations of unsightly and non-native weedy vegetation.			
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1) Approve contract with V3 Construction Group to provide native vegetation maintenance services on County owned properties as directed by staff for an amount not to exceed \$75,000. 2) Complete native vegetation management services for the projects in-house. Not feasible due to the limitations of staff capabilities such as required herbicide licenses, prescribed burn training; and lack of proper equipment. 3) Do nothing. This option is not recommended as DuPage County has a responsibility to maintain the vegetation on their facilities.			

	SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.
