

DUPAGECOUNTRY

Technology Committee – IT Projects Update

Cybersecurity Incident

What: On April 28th, a cybersecurity incident occurred, and DuPage County has since recovered. However, the county continues to implement changes to enhance our security and recovery capabilities.

Highlights:

- Lessons Learned Session: Completed
- Data mining exercise: Completed

Watch Items:

1. Invest more funding into IT security countywide
2. Formalize disaster recovery and business continuity plans
3. Empower County IT to manage all security and infrastructure operations directly or as the Lead Support Team

ERP Systems

What: Implementing new ERP systems to enhance performance and streamline workflows for Finance and HR

Highlights:

- HR/Payroll System (Dayforce) Implementation
 - **Go-live Date: April 1, 2026**
 - Actively addressing implementation challenges and moving things forward
 - Hot Issues:
 - New parallel testing
- Finance ERP RFP
 - RFI to be released soon
 - To be released in **2026**

Watch Items:

- Timing of Financial ERP RFP launch and integration requirements
