7. CHAIR'S REPORT

Chair Conroy made the following remarks:

I'm very pleased to report that both the Illinois House and Senate passed our housing bill during

the spring session. House Bill 4571 allows DuPage County to set up a program addressing attainable housing and the missing middle. Passage of this measure was very much a team effort. Join me in thanking our Government Affairs Coordinator Kate Kissane who worked with our Springfield team and our DuPage legislators on getting this bill over the finish line. The bill is awaiting the Governor's signature within 60 days or it automatically becomes law.

As was discussed in Finance Committee this morning, we are in the middle of planning for our 2027 budget and are about halfway through the 2026 fiscal year. As this is a fiscally responsible Board… I know that you will join me in taking a careful approach as we consider our revenue picture. If Board Members have ideas for programs you would like to see funded… **if there are surplus dollars available at the end of the year…** please **email** me. I would like to have a formal list of Board suggestions so that they can be systematically considered if we find ourselves in a position to approve expenditures outside the 2026 budget.

We have two events to remind you about. First, there's today's Time Capsule Closing which takes place this afternoon at 1 p.m. Please join us outside the 421 Building where we will drop items into our time capsule, along with countywide elected officials and DuPage Mayors and Village Presidents. And please join us June 16th at 12:30 p.m. for the dedication of our Memorial to victims of violence, on the other side of County Farm Road near the 422 Building at the east pond. That's next Tuesday at 12:30 p.m.

Certified "Green" Home Appraiser

Green technology and the popularity of green living is advancing rapidly.

Appraisers all over the country are seeing an increased need for the valuation of green homes and green home features such as solar panels, green building materials, and more. As energy efficiency and sustainability are increasingly valued by consumers, incentivized by governments, and marketed by builders and real estate professionals, appraisers need to take a building's "green-ness" into account in order to accurately reflect the actions of buyers and sellers in the market.

Benefits of being "Green":

1. Energy savings
2. Physical health benefits
3. Reduction in water usage
4. Sustainable materials
5. Geographic location

A Skilled appraiser will recognize how the various components of the home uphold to each benefit:

- Exterior & envelope systems, including windows, doors, roofing, and siding
- Mechanical systems, such as solar, wind and geothermal energy systems
- Energy-efficient electrical and lighting, lightbulbs, and dimmers, etc.
- Plumbing system and fixtures: WaterSense faucets, low-flow toilets, water timers for sprinkler systems, etc.
- Finish materials and coatings, including insulation, and weatherproofing
- Waste management systems designed to reduce and reuse
- Sustainable landscaping and yard maintenance

Michael Pearson is prepared to provide a sound opinion of value on this complex and increasingly common type of residential property.

Specialized knowledge and expertise in eco-friendly housing.

RESOLUTION
AUTHORIZING THE ADDITION OF ONE (1) FULL-TIME HEADCOUNT
TO THE STAFF OF THE CORONER'S OFFICE

WHEREAS, the DuPage County Board has approved personnel budgets for all County Departments; and

WHEREAS, there are times when it is necessary to revise those budgets to ensure efficient and effective County operations.

NOW, THEREFORE, BE IT RESOLVED, that the headcount for the Coroner's office and personnel budget for the Coroner's office be revised to reflect the addition of an increase of headcount by one deputy coroner. Wages and benefits will be paid from the Coroner's Fee Fund ~~for Fiscal Year 2026~~ permanently.

Full-Time
1300-4130-50000 (1) Deputy Coroner
Salary range beginning at $47,972

BE IT FURTHER RESOLVED that the County Clerk be directed to transmit copies of this resolution to the County Board and the Human Resources Department.

Enacted and approved this 23rd, day of June, 2026 at Wheaton, Illinois.

Reason for Changes: Our office has operated with 10 deputy coroners since 2008. One additional headcount was approved for FY 2026. We have filled this new headcount, and the deputy is in training. The collective bargaining agreement mandates that deputy coroners work 12-hour shifts. The approval of only one position leaves half the staffing short, as we work in two teams.
Death investigations have increased 77% from 3,780 in 2007 to 6,695 in 2025. An increase in headcount is required to compensate for the increased workload. One more deputy coroner is needed to conduct additional on-site investigations to be in compliance with the State of Illinois statutes. The number of on-site investigations has grossly diminished over these years due to staffing shortages. In addition to aligning our office with Illinois law, the additional deputy will reduce overtime, reduce the number of hours a deputy coroner is working alone at night, reduce the turnaround time for cremation permits and death certificates, and provide excellent service to the people of DuPage County.
Our senior-most deputy coroner has informed us that he will retire on 06/05/2026. We currently have a deputy coroner out on a 12-week FMLA that started 04/22/2026. We are requesting a double-fill for a deputy coroner

position, temporary-to-permanent, to fill this absence. In addition, the average training for a new deputy is approximately 6 months. It would likely be a short time with a double fill as June 5, is very soon.

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. 14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or

governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. - Grantee shall make payments under this Award with respect to households with income, which does not exceed a level determined and communicated by Grantor.

- Grantee shall place top priority on outreach efforts to the elderly and disabled populations, but must not discriminate against any other population groups. Grantee must conduct outreach activities designed to ensure that eligible households are made aware of the assistance available under this Award, and any similar energy-related assistance available under the federal and state statutes and rules referenced in Exhibit A, herein, including Subpart H of the Department of Health and Human Services Energy Assistance Block Grant Regulations (45 CFR Part 96), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 establishing the Low Income Home Energy
- Assistance Act of 1981 (the "Act"), the Federal Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.,* Chapter 94, Subchapter II)), the Energy Assistance Act (305 ILCS 20/1 *et seq*.), and the Illinois Administrative Rules (47 Ill. Admin. Code Part 100).

- Grantee shall coordinate activities under this Award with similar and related programs administered by the federal government and the State of Illinois, particularly low income energy-related programs relating to Community Services Block Grant Program, the Supplemental Security Income Program under Part A of Title IV of the Social Security Act, or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)) before the date of the enactment of the Act.

- Grantee shall provide, in a manner consistent with the efficient and timely payment of benefits, the highest level of assistance to those households which have the lowest incomes and the highest energy costs in relation to income, also taking into account the number of members in the household.

- Grantee shall establish procedures to notify each participating household of the amount of assistance paid on its behalf. Grantee shall assure that no payment is made to a home energy supplier unless the Grantee or the Grantor has a separate written agreement outlining the terms for the supplier's acceptance of such payment.

- Grantee shall provide assurances that owners and renters will be treated equitably under the LIHEAP.

- Grantee shall permit and cooperate with federal investigations undertaken in accordance with Section 8627 of the Low Income Home Energy Assistance Act of 1981 (42 USC § 8627).

- Grantee shall provide beneficiary applicant an opportunity to participate in a fair hearing and appeal process if the individual's claims for assistance under the LIHEAP State Plan is denied or not acted upon with reasonable promptness (47 Ill. Admin. Code 100.90).

- Grantee shall provide to Grantor an implementation plan, which shall include a detailed description of Grantee's intake/outreach processing and approval systems. If an appointment system is used, then it too should be described in detail in the implementation plan. Grantee shall maintain its detailed description of the intake/outreach processing and approval systems on file for the Grantor's review.

- Grantee shall respond in writing to all written technical assistance recommendations by the Grantor. The Grantee must submit all required reports to the Grantor, in the prescribed manner, by the required date of submission. A list of all required reports is outlined in the Grantor OCA program manual(s).

- Grantee shall perform any and all other tasks, as requested by Grantor and in furtherance of the LIHEAP requirements.

EXHIBIT D

PERFORMANCE MEASURES AND STANDARDS

Grantee's performance for this Award will be measured based on the LIHEAP and/or PIPP requirements, as applicable, that Grantor will review periodically during the Award Term, including, but not limited to the following:

1. Application Status Report (LH004):
   - Are GFE/CPR applications being processed (approved or denied) timely?
   - Are the applications in LAA Approved/Verified status that indicate the electronic communications stalled and the LAA needs to intervene?
   - Are there any LOF (Lack of Funds) applications the LAA should research and resolve?
   - Are there applications that have exceeded the 30-day timeframe to reach approved or denied for LIHEAP benefit status?
   - Are there crisis assistance applications that aren't processed within the 18/24 hour federally mandated timeframe?
   - Are there rejected applications that require LAA follow-up?

2. 90 Days Closeout Report (LH022): Applications on this report are past 30 days from the application date and therefore, out of compliance, and could be in jeopardy of being automatically denied by the LIHEAP database as "Application Lapsed."

3. Audit Invoices and Register Report (LH429): Does the LAA have unpaid registers that are more than 45 days from the Register Accepted date?

4. PIPP Finance Reports: These reports will be used to determine the timeliness of processing applications and paying vendors.

The Grantor reserves the right to deny any voucher request(s), at its discretion, based on lack of progress toward meeting the performance measures listed in Exhibit E. If the Grantee fails to meet any of the performance measures, and if deemed appropriate at the discretion of the Grantor, the Grant Funds may be decreased, and/or the Grantee may be responsible for the return of Grant Funds in the amount specified by the Grantor. The Grantor may initiate a unilateral Agreement modification(s) to de-obligate Grant Funds based on non-performance.

EXHIBIT E

SPECIFIC CONDITIONS

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

No Specific Conditions.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII
AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV
ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV
ADDITIONAL MONTORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI
ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to $500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above $500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity

associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX
ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq*. (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX
ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (**Exhibits A**, **B** and **D**).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A**, **B** and **D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

(a) Cash payment of the entirety or a portion of the real property acquisition;

(b) Cash Payment of a down payment for the acquisition;

(c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or

(d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

ARTICLE XXXIII
APPLICABLE STATUTES

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 *et seq.*). The Grantee will not expend Grant Funds under this Agreement which result in the destruction, alteration, renovation, transfer or sale, or utilization of a historic property, structure or structures, or in the introduction of visual, audible or atmospheric elements to a historic property, structure or structures, which will result in the change in the character or use of any historic property, except as approved by the Illinois Department of Natural Resources, Historic Preservation Division. The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.3. Victims' Economic Security and Safety Act (820 ILCS 180 *et seq.*). If the Grantee has one (1) or more employees, it may not discharge or discriminate against an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence, for taking up to the allowable amount of leave from work to address the domestic violence, pursuant to the Victims' Economic Security and Safety Act. 820 ILCS 180/20(a)(2). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 *et seq.*). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 *et seq.*). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 *et seq.*).

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 *et seq.*) and Personal Information Protection Act (815 ILCS 530/1 *et seq.*). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) Personal Information Defined. As used herein, “Personal Information” shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 (“PIPA”).

(b) Protection of Personal Information. The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) Security Assurances. Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) Breach Response. In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) Injunctive Relief. Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) Compelled Access or Disclosure. GRANT-SPECIFIC TERMS/CONDITIONS

37.1. This Agreement is issued contingent upon the Grantee's successful completion of the 2026 Low-Income Home Energy Assistance Program ("LIHEAP"). Failure of the Grantee to comply with the terms and conditions of the 2027 LIHEAP Grant Agreement may result in termination of this Grant Agreement.

37.2. Federal Grant Requirements.

(a) In addition to the federal requirements set forth in Article VII, herein this Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200, (the "Uniform Requirements").

(b) Grantee must also comply with the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. §§ 8621-8630), the federal LIHEAP block grant rules (45 CFR Part 96), the federal Energy Conservation and Production Act of 1976 (P.L. 94-385), the Energy Assistance Act (305 ILCS 20), the Illinois LIHEAP administrative rules (47 Ill. Admin. Code Part 100), and all related Grantor policies and procedures. Any specific exceptions to the Uniform Requirements adopted by U.S. Department of Health and Human Services (HHS) may be found at 2 CFR Part 300.

37.3. Administrative Costs. Pursuant to Article VII, herein Grantee shall receive reimbursement for Allowable Costs under the general Administrative, Client Assistance (solely for outreach purposes under HHS' Assurance 16 as required by law), and Program Support cost budget categories at a ratio of allowable expenditure to amounts budgeted no higher than the ratio of total allowable client benefit expenditures to the total amounts budgeted in the Client Assistance cost budget categories. As an example, a grantee which expends 75% of the total budgeted Client Assistance funds will only be allowed to spend 75% of the amount budgeted for general Administrative, Client Assistance (solely for outreach purposes under Assurance 16), and Program Support, respectively.

37.4. Additional Reporting Requirements. In addition to the reporting requirements set forth in paragraphs 10.1, 11.1 and 36.3, herein, as applicable, the Grantee must provide the following additional reports to Grantor:

(a) For each Award, a certified cost report must be submitted via the GRS Fiscal electronic reporting system prior to submitting a request for Grant Funds;
(b) Programmatic reports as required by Grantor; and
(c) Any additional reports requested from Grantee by the Grantor.

37.5. Method of Compensation.

(a) In addition to the payment requirements described in Article IV, herein the Grant Funds will be distributed in accordance with the invoice-voucher procedures of the Office of the State Comptroller. The first payment of Grant Funds will be for program initiation and will be based on the Grantee's reported obligation for the program's immediate cash needs. Thereafter, the Grant Funds will be distributed for the dual purpose of covering the allowable expenditures to date, as well as the immediate cash needs of the

Grantee to operate the program under this Agreement in accordance with the financial management standards set forth in Article VII, herein.

(b) Costs allocated to this Award must conform to the federal cost principles at 2 CFR Part 200 and as set forth in the Uniform Requirements, as applicable. Further, costs charged under this Agreement cannot exceed the total amount of this Award.

37.6. Additional Audit Requirements. In addition to the audit requirements in Article XII, herein Grantor reserves the right to conduct limited scope audits, at any time, of any Grant Funds expended under this Agreement or of the Grantee's agency-wide financial statements. Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including, but not limited to, federally-owned and exempt property, equipment and supplies (collectively referred to as "Non-Expendable Personal Property") costing **$10,000** or more without Grantor's prior written approval.

(b) In addition to Article XVIII, herein the Grantee agrees to comply with the applicable property standards set forth in 2 CFR §§ 200.310–200.316, as specifically related to its organization, in the management of Non-Expendable Personal Property for authorized LIHEAP purposes under this Award. Specifically, as set forth under 2 CFR §§ 200.312 – 200.314, Non-Expendable Personal Property includes such property acquired under this Agreement and also such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by the Grantee in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 2 CFR 200.313 and paragraph 18.4, herein. Grantee must not sell, abandon or otherwise dispose of such Non-Expendable Personal Property without the prior written approval of Grantor.

(d) In accordance with 2 CFR §§ 200.315 and 200.316, Non-expendable Personal Property must be used for LIHEAP purposes, as required under this Agreement, for as long as needed. While being used on the program under this Award, Non-Expendable Personal Property may be made available for "shared use" with other activities, provided that such use will not interfere with its primary use for the original purposes of LIHEAP prescribed under this Award. When no longer needed for the program, equipment may be used for other projects subject to Grantor's written approval.

(e) The Grantee must maintain appropriate property records and annually conduct an inventory of all Non-Expendable Personal Property purchased with Grant Funds. Within thirty (30) days of receipt of purchased equipment, an "Equipment Acquisition Form" must be completed by Grantee and sent to Grantor. Upon the termination of the Agreement and upon the election of Grantor, the Grantee must surrender possession of such property to Grantor.

37.8. Procurement. Grantee shall follow the procurement standards as established in 2 CFR §§ 200.317 – 200.327.

37.9. Travel Costs.

(a) Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the Grantee performing duties/services related to this Agreement in accordance with 2 CFR 200.475. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the Grantee's non-federally-funded activities and in accordance with the Grantee's written travel reimbursement policies. Absent a policy, the Grantee must follow the rules of the Governor's Travel Control Board. Notwithstanding the provisions of 2 CFR 200.444, travel costs of officials covered by that section are allowable with the prior written approval of the Federal awarding agency or Grantor when they are specifically related to the Federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at www.gsa.gov and 41 CFR Subtitle F, Chapters 300-304. Grantee's policy cannot exceed the federal travel and per diem rates. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee's control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

37.10. Publication, Reproduction and Use of Material. In addition to Article XIX, herein no material produced in whole or in part under this Award shall be subject to copyright in the United States or in any other country. Grantor shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under the Agreement.

37.11. Debarment. In addition to Grantee's certification in paragraph 3.5(j) and the representations and warranties in paragraph 28.1, herein Grantee must additionally certify that all contractors and subcontractors are in compliance with paragraphs 3.5(j) and 28.1 prior to engaging their services under this Agreement and must certify such compliance at least annually thereafter.

37.12. Bond and Depository Insurance Requirements.

(a) Pursuant to 2 CFR 200.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of **$100,000** or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 2 CFR 200.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 2 CFR 200.305(b)(11). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 2 CFR 200.308, subject to the following:

- **Program Support:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or $5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may *decrease* the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.

- **Client Benefits:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or $5,000, whichever is greater) for the Client Benefits budget Line 0201 only. In no event may such transfers in this specific cost category result in an increase to the total Budget without prior Grantor written approval.

- **Direct Administrative Costs:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or $5,000, whichever is greater) for each of the 300 series sub-line items except Line 317 Indirect Costs in the Direct Administration cost category of the Budget. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.

- **Indirect Costs**: Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse or misconduct associated with any LIHEAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff, or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

For grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs , which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO**, **PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. 9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. The following information defines the scope of service for the Tobacco Enforcement Program (TEP) for compliance monitoring of tobacco retail establishments across Illinois to assure that Tobacco products are not sold to individuals under 21 as defined by state or local law. The TEP establishes a program of local compliance monitoring to be implemented by municipalities across Illinois. Applicants are to conduct three compliance checks by contracting with individuals under 21 who will attempt to purchase tobacco products through three supervised visits at tobacco retailers where individuals under 21 can legally enter. Tobacco retailers included in the unannounced compliance checks are to be provided with information on what constitutes illegal sales to individuals under 21 provided by the state. Three rounds of unannounced compliance checks during a specific period of all retailers by supervised minors of tobacco retailers within a municipality will complete the requirements of this program.

"Tobacco product" means any product containing or made from tobacco that is intended for human consumption, whether smoked, heated, chewed, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, including, but not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff, snus, and any other smokeless tobacco product which contains tobacco that is finely cut, ground, powdered, or leaf and intended to be placed in the oral cavity. "Tobacco product" includes any component, part, or accessory of a tobacco product, whether or not sold separately.

Grant funds may not be used, directly or indirectly, to purchase, prescribe, or provide marijuana or treatment using marijuana. Treatment in this context includes the treatment

of opioid use disorder. Grant funds also cannot be provided to any individual who or organization that provides or permits marijuana use for the purposes of treating substance use or mental disorders. See, e.g., 45 C.F.R. 75.300(a) (requiring HHS to "ensure that Federal funding is expended . . . in full accordance with U.S. statutory . . . requirements."); 21 U.S.C. 812(c) (10) and 841 (prohibiting the possession, manufacture, sale, purchase, or distribution of marijuana). This prohibition does not apply to those providing such treatment in the context of clinical research permitted by the DEA and under an FDA-approved investigational new drug application where the article being evaluated is marijuana or a constituent thereof that is otherwise a banned controlled substance under federal law.

VI. Payment

A. Funding Methodology

Grantees will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Grantees will automatically be paid via Reimbursement Method unless a request for Advance Payment Method or Working Capital Advance Method is made using the IDHS Advance Payment Request Cash Budget Template. However, fixed rate grants are only eligible to use Reimbursement method.

I. Advance Payment Method (Advance and Reconcile)

1. Since IDHS is subject to the Grant Accountability and Transparency Act (GATA), IDHS is required by 44 Ill. Admin. Code 7000.120 to remit Award payments via advance payment when Awardees meet the requirements set forth in 2 CFR 200.302 (Financial Management), 44 Ill. Admin. Code 7000.120(b)(i)(A)(i and ii) (Advance Payments), and other requirements as described in this Directive.
2. Awardees may request advance payment for each Award issued by IDHS. Requests shall be submitted to the respective Award Program Manager by the method prescribed in the Grant program Notice of Funding Opportunity (NOFO) or the Catalog of State Financial Assistance (CSFA) - Program Listing. A separate request shall be submitted for each IDHS Grant program application. Subsequent monthly payments will be based on each monthly invoice submitted by Grantee to Grantor, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
3. Requests for advance payment shall be accompanied by an IDHS Advance Payment Request Cash Budget Template (Cash Budget) for each Award. Cash Budgets shall be signed by either the Chief Executive Officer (or equivalent) or Chief Financial Officer (or equivalent) for the entity. The executive's signature certifies that their entity complies with the requirements set forth in 2 CFR 200.302 (Financial Management) and 44 Ill. Admin. Code 7000.120(b)(i)(A) (Advance Payments). The Cash Budget shall demonstrate the estimated monthly cash requirements for each month of program Award operation. Advance payments shall be limited to the minimum amounts needed and be timed to be

in accordance with the actual, immediate cash requirements of the Awardee in carrying out the purpose of the approved program or project. The timing and amount of advance payments shall be as close as is administratively feasible to the actual disbursements by the Awardee for direct program or project costs and the proportionate share of any allowable indirect costs. Additionally, the Awardee entity shall make timely payments to sub-recipients and contractors.

4. Upon program approval for advance payment, an initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.
5. Grantees shall submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. The first invoice is due within 15 days after the first month of the Award's term. Invoices shall include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
6. Subsequent monthly payments will be based on each monthly invoice submitted by Grantee to Grantor, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
7. Grantees that do not expend all advance payment amounts by the end of the Award term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective budget, shall return the funds within 45 days.
8. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
9. Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

II. Reimbursement Method

1. Grant Fixed Rate: means payments for non-Medicaid services based on a rate, unit cost or allowable costs incurred, that are based on a statement, bill or DARTS submission as required by IDHS. Fixed Rate payments are subject to all federal administrative regulations and requirements including, but not limited to, OMB Circular A-102, OMB Circular A-100, OMB Circular A-133, and are subject to all

applicable cost principles, including OMB Circular A-21, OMB Circular A-87 and OMB Circular A-122. A Fixed Rate agreement, in common terminology, is a non-Medicaid fee-for-service agreement. Fixed Rate grants will be paid on a Reimbursement basis.

2. IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.
3. Grantees shall submit monthly invoices in a format prescribed by Grantor. Invoices shall include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices shall be submitted on or before the 15th calendar day following the end of each monthly invoice period. As practicable, Grantor shall process payment within 30 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.
4. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III. Working Capital Advance Method

1. IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.
2. Grantees shall submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. The first invoice is due 15 calendar days after the first month of the Award term. Invoices shall include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
3. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
4. Working Capital Advance Payments are limited to a single occurrence per grant term.
5. Following the initial working capital advance payment, grantees will be paid via advance or reimbursement method as appropriate.

B. Payments Processed by Division

All Payments are subject to post-payment audit and recovery procedure as set forth in IX, F. of this attachment.

C. Grantee Compliance Enforcement System: Illinois Stop Payment List

The Grant Accountability and Transparency Act (GATA) established a Grantee Compliance Enforcement System that outlines a statewide framework for State agencies to manage occurrences of noncompliance with grant requirements. See 44 ILCS 7000.80 For example, organizations that do not submit monthly invoices or quarterly periodic performance reports as per deliverable requirements in their UGA can be referred to IDHS for placement on the IDHS stop-pay list. Possible non-compliance repercussions include referral to the State stop pay system which impacts all agencies' payments.

D. Final Billing Submission Date

The final submission date for billing all non-Medicaid funded services is close of business of the first Monday of August. Notification is provided twice a year in writing of the actual final submission date. It is the responsibility of each organization to ensure that all fiscal year billings are submitted for DARTS or manual processing by this date. As a reminder, it is critically important that DARTS or manual billing errors be resolved when they occur as delays in billing reconciliation from the organization that result in non-accepted or late submissions will not be eligible for payment through the Court of Claims. Examples of such delays that are the responsibility of the organization are:

1. Submission of claims past the August date.
2. Non-reconciliation of software reporting problems resulting in inability to submit bills by the August date.
3. Non-reconciliation of DARTS or manual billing errors by the August date.
4. Non-submission of manual payment vouchers by the August date.

To assist with compliance to year-end submissions, it is strongly recommended that June DARTS or manual earnings/expenditures, as well as any other prior month's

earnings/ expenditures, be submitted as early as possible in July to allow time for correction of errors. Adherence to this submission deadline is a factor that is evaluated during each state fiscal year contracting process.

VII. Eligibility Criteria

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantor may make site visits as warranted by Program needs. 2 CFR 200.329; 200.332. Additional monitoring requirements may be in **PART TWO** or **PART THREE**.

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

(d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. 13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII

Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. PAYMENT

Payments occur after service has been provided and documentation has been received by IDHS. Payment is contingent upon providers having on hand the 25% required match.

Title XX Social Services Block Grant Donated Funds Initiative is a fixed rate grant program for which the payments are made on the basis of a rate or allowable actual cost incurred per the Program Plan and is based on a statement or bill as required by IDHS.

Billings, with substantiating documentation, are submitted by the Provider within fifteen days following the end of the month for which payment is requested.

Reimbursement of costs incurred prior to the execution date of this agreement, but not before the July 1, 2025 Start Date of this agreement, will be allowed for use as specified in the Exhibit A Project Description of this agreement, as approved by the Department. If not associated with activities clearly identified in the Exhibit A Project Description of this agreement, any such costs incurred will be disallowed.

UGA Payment Language Guidance
Grantees will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Grantees will automatically be paid via Reimbursement Method unless a request for Advance Payment Method or Working Capital Advance Method is made using the IDHS Advance Payment Request Cash Budget Template (Cash Budget).
I. Advance Payment Method (Advance and Reconcile)
A. An initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.
B. Grantees must submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. Invoices must be submitted on or before the _15th___ day following the end of any respective monthly invoice period. Invoices must include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
C. Subsequent monthly payments will be based on each monthly invoice submitted to the grant program, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
D. Grantees that do not expend all advance payment amounts by the end of the grant term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective grant budget, must return the funds or be subject to grant funds recovery.
E. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

EXHIBIT F

PAYMENT

F. Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

II. Reimbursement Method

B. Grantees must submit monthly invoices in a format prescribed by Grantor. Invoices must include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices must be submitted on or before the __15th__ day following the end of any respective monthly invoice period. As practicable, Grantor shall process payment within 15 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.

C. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III. Working Capital Advance Method

A. IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.

B. Grantees must submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. Invoices must be submitted on or before the _15th___ day following the end of any respective monthly
invoice period. Invoices must include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

C. Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

D. Working Capital Advance Payments are limited to a single occurrence per grant term.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII
AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV
ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV
ADDITIONAL MONTORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI
ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to $500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above $500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity

associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX
ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq*. (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX
ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (**Exhibits A**, **B** and **D**).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A**, **B** and **D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

ARTICLE XXXII
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

(a) Cash payment of the entirety or a portion of the real property acquisition;

(b) Cash Payment of a down payment for the acquisition;

(c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or

(d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

ARTICLE XXXIII
APPLICABLE STATUTES

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 *et seq.*). The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.3. Victims' Economic Security and Safety Act (820 ILCS 180 *et seq.*). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 *et seq.*). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 *et seq.*). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 *et seq.*).

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 *et seq.*) and Personal Information Protection Act (815 ILCS 530/1 *et seq.*). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) Personal Information Defined. As used herein, “Personal Information” shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 (“PIPA”).

(b) Protection of Personal Information. The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) Security Assurances. Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) Breach Response. In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) Injunctive Relief. Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) Compelled Access or Disclosure. The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

ARTICLE XXXIV

35.2. Federal, State and Local Laws; Tax Liabilities; State Agency Delinquencies. The Grantee is required to comply with all federal, state and local laws, including but not limited to the filing of any and all applicable tax returns. 37.1. This Agreement is issued contingent upon the Grantee's successful completion of the 2026 Illinois Home Weatherization Assistance Program ("IHWAP"). Failure of the Grantee to comply with the terms and conditions of the 2026 IHWAP Grant Agreement may result in termination of this Agreement.

Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. Grantee also is required to provide reasonable access to its facilities, office space, resources and assistance for Grantor to conduct site visits to review project accomplishments and management control systems and to provide technical assistance, if required. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and any site visits and in the resolution of audit findings.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including but not limited to, federally owned and exempt property, equipment, and supplies (collectively referred to as "Non-Expendable Personal Property") costing **$10,000** or more without Grantor's prior written approval.

(b) In addition to Article XVIII, herein the Grantee agrees to comply with the applicable property standards set forth in 2 CFR §§ 200.310–75.316, as specifically related to its organization, in the management of Non-Expendable Personal Property for authorized IHWAP purposes under this Award. Specifically, as set forth under 2 CFR §§ 200.312 – 75.314, Non-Expendable Personal Property includes such property acquired under this Agreement and also such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 2 CFR 200.313 and paragraph 18.4, herein. While being used on the program under this Award, Non-Expendable Personal Property may be made available for "shared use" with other activities, provided that such use will not interfere with its primary use for the original purposes of IHWAP prescribed under this Award. When no longer needed for the program, equipment may be used for other projects subject to Grantor's written approval.

(e) The Grantee must maintain appropriate property records and annually conduct an inventory of all Non-Expendable Personal Property purchased with Grant Funds. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the Grantee's non- federally-funded activities and in accordance with the Grantee's written travel reimbursement policies. Absent a policy, the Grantee must follow the rules of the Governor's Travel Control Board. Notwithstanding the provisions of 2 CFR 200.444, travel costs of officials covered by that section are allowable with the prior written approval of the federal awarding agency or Grantor when they are specifically related to a federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at www.gsa.gov and 41 CFR Subtitle F, Chapters 300-304. Grantee's policy cannot exceed the federal travel and per diem rates. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee's control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

37.10 Publication, Reproduction and Use of Material. In addition to Article XIX, herein no material produced in whole or in part under this Award shall be subject to copyright in the United States or in any other country. Grantor shall have unrestricted authority to publish, disclose, distribute, and otherwise use, in whole or in part, any reports, data or other materials prepared under the Agreement.

37.11 Debarment. In addition to Grantee's certification in paragraph 3.5(j) and the representations and warranties in paragraph 28.1, herein Grantee must additionally certify that all contractors and subcontractors are in compliance with paragraphs 3.5(j) and 28.1 prior to engaging their services under this Agreement and must certify such compliance at least annually thereafter.

37.12 Bond and Depository Insurance Requirements.

(a) Pursuant to 2 CFR 200.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of **$100,000** or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 2 CFR 200.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 2 CFR 200.305(b)(11). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds provided under this Agreement for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility, or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 2 CFR 200.308, subject to the following:

- **Program Support Grant Funds**: Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or $5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget under this Award; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may decrease the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.
- **Client Benefits (Materials/Labor and Health and Safety):** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or $5,000, whichever **is** greater) for the Materials/ Labor and Health and Safety sub-line items in the Client Benefits cost category. In no event may such transfers in these specific cost categories result in an increase to the total Budget without prior Grantor written approval.
- **Direct Administrative Grant Funds:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or $5,000, whichever is greater) for each of the 300 series sub-line items except Line 317 Indirect Costs in the Direct Administration cost category of the Budget. . In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or an increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.
- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget under this Award.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse, or misconduct associated with any IHWAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse, or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse, or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse, or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty-five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may

request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

Admin. Code 7000.370(b)(7).

ARTICLE VII
ALLOWABLE COSTS

7.1. Allowability of Costs; Cost Allocation Methods. The allowability of costs and cost allocation methods for work performed under this Agreement will be determined in accordance with 2 CFR Part 200 Subpart E and Appendices III, IV, V, and VII.

7.2. Indirect Cost Rate Submission.

(a) All grantees, except for Local Education Agencies (as defined in 34 CFR 77.1), must make an Indirect Cost Rate election in the Grantee Portal, even grantees that do not charge or expect to charge Indirect Costs. 44 Ill. Admin. Code 7000.420(e).

(i) Waived and de minimis Indirect Cost Rate elections will remain in effect until Grantee elects a different option.

(b) Grantee must submit an Indirect Cost Rate Proposal in accordance with federal and State regulations, in a format prescribed by Grantor. For grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. For grantees who have previously negotiated an Indirect Cost Rate, the Indirect Cost Rate Proposal must be submitted for approval within 180 days of Grantee's fiscal year end, as dictated in the applicable appendices, such as:

(i) Appendix VII to 2 CFR Part 200 governs Indirect Cost Rate Proposals for state and Local Governments and Indian Tribes,

(ii) Appendix III to 2 CFR Part 200 governs Indirect Cost Rate Proposals for public and private institutions of higher education,

(iii) Appendix IV to 2 CFR Part 200 governs Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations, and

(iv) Appendix V to 2 CFR Part 200 governs state/Local Government-wide Central Service Cost Allocation Plans.

(c) A grantee who has a current, applicable rate negotiated by a cognizant federal agency must provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs, which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. 2 CFR 200.451.

7.4. Commercial Organization Cost Principles. The federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.5. Financial Management Standards. The financial management systems of Grantee must meet the following standards:

(a) **Accounting System**. Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

(b) **Source Documentation**. Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO**, **PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control**. Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control**. Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management**. Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

7.6. Profits. It is not permitted for any person or entity to earn a Profit from an Award. See, e.g., 2 CFR 200.400(g); see also 30 ILCS 708/60(a)(7).

8.1. Improper Influence. Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than $10,000, and not more than $100,000, for each such failure.

Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. 10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. Admin. Code 7000.80 and 7000.260.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or

governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX

These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A**, **B** and **D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or an increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.
- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget under this Award.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse, or misconduct associated with any IHWAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse, or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse, or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse, or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty-five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

Grantee may be subject to additional requirements in **PART TWO,** **PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than $750,000 in State-issued Awards, but expends at least $500,000 in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) Program-Specific Audit. If, during its fiscal year, Grantee expends at least $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. (d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII
TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII
MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees,

costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. Code 7000.90 and ARTICLE XII ; (e) property management and disposition requirements established in 2 CFR 200.310 through 2 CFR 200.316 and ARTICLE XVIII; or (f) records related requirements pursuant to ARTICLE IX. 44 Ill. This includes prorated prospective payments and payments made by DHS on an estimated basis or any other basis when DHS does not know the actual amount earned by the provider. This does not include advance payments made under the authority of the State Finance Act (30 ILCS 105/9.05) (89 Ill.Adm. Zoning Petition ZONING-26-000011 Elliott

WHEREAS, a public hearing was held on May 6, 2026 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 year, on the property hereinafter described:

THE NORTH 18.00 FEET OF LOT 21, AS MEASURED ALONG THE EAST AND WEST LINES OF SAID LOT, ALL OF LOT 22 AND THE SOUTH 20.00 FEET OF LOT 23, AS MEASURED ALONG THE EAST AND WEST LINES SAID LOT, ALL IN BLOCK 9, IN NORDIC PARK, BEING A SUBDIVISION OF PART OF THE EAST ½ OF SECTION 13, TOWNSHIP 40 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF, RECORDED DECEMBER 6, 1928, AS DOCUMENT NUMBER 270732, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on May 20, 2026 does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is for a Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 years.

B. That petitioner testified that they purchased the subject property in 1993 and installed an above-ground pool on the property approximately thirty (30) years ago.

C. That petitioner testified that they are unable to move the subject above-ground pool as in doing so would destroy the pool in the process.

D. That petitioner testified that the pool is older and has very limited use now that their children have grown.

E. That the Zoning Hearing Officer finds that petitioner has presented sufficient evidence to satisfy the Standards for a Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 years.

F. That the Zoning Hearing Officer further finds that the existing pool and pool equipment do not adversely impact adjacent properties or roadways, do not negatively affect drainage patterns in the area, and do not impede adequate light or ventilation to the subject property or neighboring properties.

G. In addition, the Zoning Hearing Officer finds that approval of the Conditional Use for eighteen (18) months allows the subject pool to be used for two (2) additional seasons as petitioner testified and concurred that the pool is older and has very limited use currently.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically that the granting of the Conditional Use will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the existing above-ground pool and pool equipment does not impact the supply of light and air to adjacent properties.

   b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that the existing above-ground pool and pool equipment was installed thirty (30) years ago and has been maintained for thirty (30) years with no hazards.

   c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the existing above-ground pool and pool equipment has existed for thirty (30) years and does not diminish the value of land and buildings throughout the County.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the existing above-ground pool and pool equipment is located in the rear yard and does not increase or impact traffic congestion.

   e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the existing above-ground pool and pool equipment has existed for thirty (30) years and does not increase the potential for flood damages to adjacent property.

   f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the existing above-ground pool and pool equipment does not incur additional public expense for flood protection, rescue or relief.

   g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the existing above-ground pool and pool equipment has existing for

thirty (30) years and does not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

2. That the Conditional Use zoning relief shall expire after eighteen (18) months from the date of approval of the subject zoning relief by the DuPage County Board or upon one of the following circumstances, whichever shall come first:

    a. The structure or use is destroyed or damaged by fire or other casualty or act of God to the extent that the cost of restoration for the above ground portion of the building, structure, or use to the condition it was prior to the destruction or damage exceeds fifty percent (50%) or more of its replacement value.

    b. The structure is voluntarily removed.

3. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.

4. That petitioner maintains the existing landscaping around the perimeter of the subject property.

5. That the property be developed in accordance with all other codes and Ordinances of DuPage County.

ZHO Recommendation to Approve

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is for a Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 years.

B. That petitioner testified that they purchased the subject property in 1993 and installed an above-ground pool on the property approximately thirty (30) years ago.

C. That petitioner testified that they are unable to move the subject above-ground pool as in doing so would destroy the pool in the process.

D. That petitioner testified that the pool is older and has very limited use now that their children have grown.

E. That the Zoning Hearing Officer finds that petitioner has presented sufficient evidence to satisfy the Standards for a Conditional Use to allow an existing pool and pool equipment to remain less than 10 feet from the rear property line (approximately 1 foot) where the pool has existed for at least 5 years.

F. That the Zoning Hearing Officer further finds that the existing pool and pool equipment do not adversely impact adjacent properties or roadways, do not negatively affect drainage patterns in the area, and do not impede adequate light or ventilation to the subject property or neighboring properties.

G. In addition, the Zoning Hearing Officer finds that approval of the Conditional Use for eighteen (18) months allows the subject pool to be used for two (2) additional seasons as petitioner testified and concurred that the pool is older and has very limited use currently.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically that the granting of the Conditional Use will not:

    a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the existing above-ground pool and pool equipment does not impact the supply of light and air to adjacent properties.

    b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that the existing above-ground pool and pool equipment was installed thirty (30) years ago and has been maintained for thirty (30) years with no hazards.

    c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the existing above-ground pool and pool equipment has existed for thirty (30) years and does not diminish the value of land and buildings throughout the County.

    d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the existing above-ground pool and pool equipment is located in the rear yard and does not increase or impact traffic congestion.

    e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the existing above-ground pool and pool equipment has existed for thirty (30) years and does not increase the potential for flood damages to adjacent property.

    f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the existing above-ground pool and pool equipment does not incur additional public expense for flood protection, rescue or relief.

    g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the existing above-ground pool and pool equipment has existing for thirty (30) years and does not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

Zoning Petition ZONING-26-000014 Ansari

WHEREAS, a public hearing was held on May 6, 2026 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

1. Variation to reduce the front setback from required 30 feet to approximately 19 feet for a new single-family house.
2. Variation to reduce the corner side setback from required 30 feet to approximately 23 feet for a new single-family house and approximately 20 feet for a new detached garage.

on the property hereinafter described:

THE WEST ½ OF LOT 48 IN SURGES FARM ESTATES, BEING A SUBDIVISION OF PART OF THE SOUTHWEST ¼ OF SECTION 7, AND OF THE NORTHWEST ¼ OF SECTION 18, TOWNSHIP 39 NORTH, RANGE 11 EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED OCTOBER 19, 1943 AS DOCUMENT 454869, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on June 3, 2026 does find as follows:

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Variation to reduce the front setback from required 30 feet to approximately 19 feet for a new single-family house and a Variation to reduce the corner side setback from required 30 feet to approximately 23 feet for a new single-family house and approximately 20 feet for a new detached garage.

2. That petitioner testified that he proposes to construct a new single-family ranch home for himself and his father.

3. That petitioner testified that the Illinois Department of Transportation (IDOT) would not permit new driveway

access onto IL-53; therefore, the property was designed by his engineer to provide access from Harding Road.

4. That petitioner testified that, due to the required septic system setbacks from surrounding wells, the proposed house and detached garage were positioned closer to Route 53 and Harding Road, as required by the DuPage County Health Department.

   a. That petitioner testified that due to the requirements by the Health Department and IDOT, the only location to place a single-family home on the subject property is approximately nineteen (19) feet from the front property line and approximately 20 feet from the corner side property line.

5. That, as requested by the Zoning Hearing Officer at the May 6, 2026 public hearing, the Petitioner submitted additional information from its septic engineer and from IDOT confirming the testimony presented at the hearing regarding: (a) the proposed location of the residence, which is necessitated by the required access to Harding Road; and (b) the proposed location of the septic system, which is designed to satisfy the required isolation distances from surrounding wells.

6. That the Zoning Hearing Officer finds that the Petitioner has demonstrated a practical difficulty and particular hardship warranting the requested Variations. Specifically, the subject property cannot obtain access from Route 53 and therefore must be accessed from Harding Road. This access requirement, together with the need to maintain the required isolation distances between the septic system and surrounding wells, necessitates shifting the proposed residence to the west and north.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed home will not impair an adequate supply of light and air to the adjacent property and will be ranch home.

   b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will obtain a building permit for the proposed home and that it will be built pursuant to all DuPage County building codes.

   c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed home will be an added benefit to the surrounding area and not diminish the value of land and buildings throughout the County.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed home will be a single-family house and will not increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that they will receive a building permit for the proposed home and will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that they will receive a building permit for the proposed home and will not incur additional public expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed home will meet all building requirements and will not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

SECTION 1. AGREEMENT DOCUMENTS

This Agreement, together with Exhibit A: Scope of Work – Workforce Development Services, constitutes the entire agreement between the parties and supersedes all prior negotiations, discussions, or agreements, whether written or oral, relating to the subject matter hereof.

In the event of any conflict between the terms of this Agreement and Exhibit A, the terms of this Agreement shall control unless expressly stated otherwise.

SECTION 2. SCOPE OF WORK

The scope of work that Consultant agrees to perform is set forth in Exhibit A to this Agreement.

SECTION 3. EFFECTIVE DATE; TERM

This Agreement shall be effective upon execution and shall be in effect for a one-year period with the option to renew for four additional one-year periods. At the end of any contract term, DuPage County reserves the right to extend this contract for a period of 60 days for the purpose of negotiating a new or extended agreement. For any year beyond the initial contract term, this contract is contingent upon the appropriation of sufficient funds.

The County shall pay the Vendor the agreed hourly rate for each placed employee, plus an administrative fee pursuant to the table below:

Position Type	**Administrative Fee**
Work Experience, Internship, Training	28.5%

Firm Fixed Administrative Fee. The Vendor's administrative fee shall remain fixed for the full term of the Agreement, including any renewals or extensions.

Employee Pay Rate Adjustments. Employee pay rates may be increased for long-term assignments with the County's prior written approval. A long-term assignment shall mean a continuous period of twelve (12) months performed by the same employee.

No Guaranteed Volume or Minimum Commitment. All services shall be provided on an as-needed basis at the sole discretion of the County.

Vendor shall permit a representative from DuPage County to inspect and audit relevant records related to the services performed under this Agreement. Vendor shall make such records available at reasonable times during the Agreement period and for one (1) year after the end of the Agreement.
B. All payments shall be made in accordance with the Illinois Local Government Prompt Payment Act, which generally requires approval of a Vendor's bill within 30 days of receiving the invoice for the services contained in it, and payment within an additional 30 days (50 ILCS 505/1 *et seq.*).
C. Other than the timeframe for payments related to the end of DuPage County's fiscal year, DuPage County shall not be held financially liable for payment of any services rendered if the invoice for such services is not sent to the County within 90 days from the date the services were provided.

   If this Agreement is terminated prior to its expected expiration date, the Vendor must submit all invoices to DuPage County no later than 30 days after the effective date of the termination.

   Payment for invoices received beyond the time periods in this subsection will be denied, absent an agreement to the contrary. Failure of the Vendor to invoice the County in the timeframes noted in this section shall constitute the Vendor's waiver of the Vendor's right to payment.

The Contract Modification shall set forth in detail: (i) the Modification requested, (ii) the reason for the proposed Modification; (iii) the cost of the Modification; and (iv) the Modification's impact on the time for completing the project.

In the event either party desires a Modification, the Project Manager for such party shall submit to the other party's Project Manager a proposed Contract Modification. If the receiving party does not accept the Contract Modification in writing within ten (10) business days, the receiving party shall be deemed to have rejected the Contract Modification. If the parties cannot reach agreement on a proposed Modification, Vendor shall nevertheless continue to render performance under this Agreement in accordance with its unmodified terms and conditions. All Modifications shall comply with the Illinois Criminal Code, 720 ILCS 5/33E-9.

From: Lisa Schvach, Executive Director, Workforce Development Division/workNet DuPage
Memo RE: Utilizing The Salem Group as Employer of Record for WIOA Work-Based Learning Program Participants

Background:

In recent years, there has been an increasing emphasis from the Department of Labor on utilizing Workforce Innovation and Opportunity Act (WIOA) funds on work-based learning services including paid work experience. Historically, paid work experiences ("internships") have been offered to young adult workNet clients.
Young adult clients are matched with a local business at which they perform specified job functions, gain exposure to professional workplaces, and develop skills and experience that either lead to job placement at their host company or increase their marketability for open positions elsewhere. DuPage County serves as employer of record.

Over the past five grant years, workNet DuPage has averaged 4 paid work experience placements annually. During the current program year, we increased that volume to 13 in alignment with State and Federal governments' strategic priorities. Significant challenges were experienced as a result. Utilizing The Salem Group to serve as employer of record and handle key administrative functions related to WIOA paid work experience was identified as a solution.

Lake County issued a Request-For-Proposals- Temporary Employment Staffing Services on January 20, 2026, that included a joint purchasing agreement. The Salem Group was awarded on March 10, 2026. The provision in Lake County's contract allows DuPage County and workNet DuPage to establish a similar contract.

The Salem Group has successfully provided the employer of record service for work-based learning in Lake County for 12 years. This relationship will resolve many of the outstanding challenges and limitations of the current set-up.

Benefits:

workNet/Programmatic benefits

- **Increase capacity** of workNet staff to develop and initiate more work-based learning placements
    - Expansion to Adult and Dislocated worker participants in addition to Youth
    - Full-time paid work experience placements will be possible
    - Anticipated increase in total participants served
    - Reduction of administrative burden- pre-employment screening, timesheets, paycheck delivery
    - Staff focus on employer relationship development and participant matching only
    - All grant dollars spent toward this contract count toward the Illinois Workforce Innovation Board's 50% Direct Training requirement

County/Compliance benefits

- **Reduction of risk**—The County will no longer serve as employer of record for these program participants as they work at businesses throughout the area. The County's Risk Management consultant stated that a new arrangement (with Salem Group) would be preferable to the current arrangement from a risk standpoint.

- **Misalignment within HR**-- There is not a clear fit for work-based learning participants within County HR's classification system. These individuals are not technically temporary County staff, but they are classified as such.

- **Grant Management within Finance**-- Work-based learning has served as a point of confusion for Finance this program year as staff adjust to WIOA procedures following key personnel turnover. With this new arrangement, Finance will only need to pay one weekly invoice rather than handling paychecks for participants. This will help streamline some aspects of WIOA grant management.

- **Department of Commerce and Economic Opportunity (DCEO) Monitoring**-- Salem Group is highly experienced with DCEO monitoring as a result of their experience with Lake County. They provide all required documentation for work-based learning participants in advance of annual monitoring. Lake County has had 12 consecutive years of successful DCEO monitoring of their work-based learning programming.

Contract Not to Exceed: $200,000
Time frame: July 1, 2026- June 30, 2027
Funding: WIOA Grants

Note: The State's Attorney Office has reviewed the proposal and found it an appropriate, legal procurement.

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
The DPCC currently does not have the resources to bill Medicare Part B for these products. Allowing a company to bill Medicare is a cost-effective way of providing these products. DPCC is regulated by the IL Department of Public Health which mandates & monitors our ongoing compliance with all applicable State & Federal regulations that govern our practices, policies & procedures which in turn drive our deliver system. Adherence to physician prescribed orders for tube feeding & enteral daily supplements is necessary to provide an appropriate level of care to the residents, as well as maintaining compliances.

Quoted prices here are estimates based on Customer's current consumption levels. The underlying actual consumption unit pricing is set forth in the applicable Addendum/Sub-Addendum relating to the Services. Final charges will be determined in accordance with the pricing methodologies specified in the applicable Addendum/Sub-Addendum.

Pricing Validity. The pricing quoted herein expires thirty (30) days from the publish date of this SOW. Upon the SOW being fully executed, the pricing shall remain fixed for the length of the Initial Term, except as adjusted as set forth in this SOW.

Quarterly Under-Charge True-Up. If the Services are charged, in whole or in part, on a Variable Pricing basis (for example, based on consumption), Customer acknowledges and agrees that monthly charges may fluctuate depending on the applicable variables, but will not be less than the MRC stated in the Table above or in a Sub-Addendum. Once every three (3) months during the Term, Logicalis shall review all charges to Customer based on Variable Pricing that were invoiced in the preceding three (3) months period against actual usage. If Logicalis determines that it has under-charged Customer in the invoices for the Services rendered in the preceding three (3) month period, Logicalis will invoice Customer, and Customer agrees to pay, any such additional "true-up" charges. In addition, if Logicalis determines that Customer's usage is or will consistently exceed current pricing thresholds, Logicalis may recommend that Customer adjust the MRC into higher variable pricing brackets to account for their increased usage. Any such adjustment will requirement Customer's agreement and will follow the Change Management Process set forth below.

Annual Price Adjustment. On each annual anniversary of the Commencement Date during the Initial Term, the Pricing stated herein shall automatically increase by three percent (3%) over the prior year's Pricing to account for inflation, and cost of living increases. This adjustment applies to all of the following: (i) any and all Unit Pricing , (ii) the underlying rate structures used to calculate Variable Pricing (including but not limited to per-user rates, per-device rates, consumption based charges, and

other any tiered pricing methodologies), and (iii) out-of-scope T&M rate stated in Section 4. For greater certainty, the three percent (3%) increase shall apply to the rates themselves, not to the volume or quantity of units consumed.

2. Terms & Conditions

This Statement of Work ("SOW") is made and entered into pursuant and subject to the terms and conditions of the Master Solutions Agreement between Dupage Cty Clerk of the Cir Court and Logicalis, Inc., dated December 5, 2012 and are incorporated herein by reference. All services and other items not specifically detailed in this SOW are considered out of scope. All capitalized terms in this SOW shall have the same meanings as defined in the Agreement, unless otherwise specifically defined in this SOW.

The terms of this SOW may be set forth within this document itself (the "SOW-Specific Terms") or on webpages linked by URL herein (the "Service Definitions"). The SOW-Specific Terms are intended to set forth objectives, commitments, and engagement-specific transactional terms which may include, without limitation, price and payment, SLAs, SOW duration, and termination. The Service Definitions are intended to set forth solution-specific Service descriptions and assumptions as well as widely applicable transactional terms which may include, without limitation, Change Management, expense reimbursement, and invoicing.

The Service Definitions are regularly updated by Logicalis, and the current version of a given Service Definition is as described on the webpage for such Service Definition. By executing this SOW, Customer acknowledges that the Service Definitions are subject to change without notice at Logicalis' sole option and discretion. Customer agrees that the Service Definitions, including revisions thereto which occur after the execution of this SOW, are incorporated herein by reference, shall apply and govern this SOW, and shall be given the same force and effect as if they were expressly set forth in full within this document itself. To the extent that any Service Definitions are inconsistent with the SOW-Specific Terms, the Service Definitions shall control unless such SOW-Specific Terms expressly reference the applicable inconsistent Service Definitions and clearly state that the specific SOW-Specific Terms shall supersede the inconsistent Service Definitions. Logicalis continually endeavors to improve the services it offers to its customers. Accordingly, during the Term, Logicalis reserves the right to modify the SOW-Specific Terms at any time for the purpose of improving the Services or delivery thereof (examples of such modifications include, but are not limited to, enhancement of existing or addition of new technological support, changes in tools or systems, and similar modifications to services), provided, that such modifications shall not change the agreed upon service levels, pricing, or the Term (which would require a PCR signed by both parties).

If an addendum with special terms applicable to a general category of Services (each an "Addendum") or a sub-addendum with special terms applicable to a specific line of Services (each a "Sub-Addendum") is attached to this SOW, such terms apply to any applicable Services provided under this SOW. In the event of any inconsistencies between the terms of this SOW and any Addendum or Sub-Addendum, the inconsistency shall be resolved according to the following order of precedence: (1) The terms of the applicable Sub-Addendum; (2) The terms of the applicable Addendum; and (3) the terms of the SOW. For the avoidance of doubt, Addendum- and Sub-Addendum-specific terms are considered SOW-Specific Terms.

3. Service Level Agreements (SLAs)

Any service level agreements or service level objectives applicable to this SOW are as set forth in the Addendum attached hereto.

4. Out-of-Scope Requests, Expenses, & Billing

Out-of-Scope Requests

Any non-recurring Services within the scope of this SOW will be billed to Customer on a time-and-materials ("T&M") basis. For the first year of the Initial Term, the standard T&M rate is $290.00 per hour. This rate is subject to the Annual Price Adjustment throughout the duration of the Term. A minimum charge of one (1) hour for off-site Services and eight (8) hours for on-site Services may apply. Should any such out-of-scope work be scheduled outside of normal business hours (8:00 AM – 5:00 PM, Monday through Friday), on a holiday, or on the weekend, a 33⅓% uplift to the standard T&M rate will apply.

Any request by Customer for delivery of Services outside of the scope of this SOW, including any non-recurring services requests, will be evaluated by Logicalis on a case-by-case basis and, if approved by both parties, will be executed through a separate SOW or a Project Change Request to this SOW. This process is set forth in full under the "Change Management Process" section below.

Travel Expenses

Travel expenses will be tracked separately and billed directly to Customer. Travel expenses will include costs incurred from travel (airfare, rental car, mileage, tolls, and lodging). Meals, if any, will be billed at the per diem rate of $65.00.

Invoicing

Invoicing for charges relating to out-of-scope service requests and travel expenses will occur once per month at the end of the month in which they are incurred, as applicable.

Invoicing for all other charges, including MRC, will occur once per month at the end of the month.

All charges are due within thirty (30) days of the date of invoice unless otherwise set forth in the Agreement.

Setup / Onboarding

Logicalis provides setup Services as part of the onboarding process of the Services set forth in Section 1. Such Services are billed as onboarding charges, if any, upon execution of this SOW and are as set forth in the table under Section 1.

Solution-specific setup and integration terms are provided within the Service Definitions and/or an Addendum to this SOW, where applicable.

Audits

If Customer requests that Logicalis perform activities in support of or in cooperation with Customer's audit of the Services performed under this SOW, including but not limited to requests for custom reports, information gathering, and conference calls with internal or external auditors ("Audit Related Activities"), such Audit Related Activities, as well as all training costs if required for Logicalis or its personnel to meet Customer's specific compliance requirements in relation to Customer's audit, will be charged at the T&M rate(s) set forth in this SOW.

5. Change Management Process

Process

Changes to this SOW will be negotiated separately through the Change Management process set forth herein. "Change" shall mean the addition, modification of removal of any Services or Service components that could have an effect on Services or delivery thereof. Examples of Changes include, without limitation, modifications to the scope of Services, modifications to the term of this SOW, and pricing changes, but do not include modifications to the Agreement or terms that are otherwise legal

Docusign Envelope ID: 83F6264B-5B73-823B-8245-4443A9E1AD9B

in nature. As the term is used herein, "Change Management" means the process of tracking and managing Changes throughout their life cycles.

In the event either party desires to effectuate a Change to this SOW, the parties shall follow the following procedures:

- Either party shall notify the other party of any requested Changes. These Changes may be requested via the Logicalis ticketing system.
- Following Logicalis' review of Customer's request (if applicable), Logicalis may deliver a Project Change Request ("PCR") to Customer identifying the Changes and any cost or time impact for review and execution. The Project Change Request will describe the nature of the Change, the reason for the Change, and the effect the Change will have on the Statement of Work, which may include modifications to the contracted Services and/or prices.
- If both parties agree to implement the Project Change Request, the authorized representative of each party will sign the Project Change Request, indicating the acceptance of the Changes set forth therein by each party.

Executed Project Change Requests

Each fully executed Project Change Request will be incorporated into, and made part of, this SOW. If Project Change Request or PCR is defined using different terminology in the Agreement, "Project Change Request," as used herein, shall have the same meaning.

Neither party is under any obligation to implement any Changes set forth in a Project Change Request until such time as the Project Change Request has been executed by both parties.

In the event of a conflict between a Project Change Request and the original SOW or a previous fully executed Project Change Request, the most recent fully executed Project Change Request shall prevail.

Change Requests Involving a Removal of Services or Reduction in Scope

In the event that Customer requests a Change involving the removal of any Services or a reduction in the scope of Services resulting in a decrease to the MRC, provided that Logicalis agrees to execute a PCR to effectuate such a Change, then such reduction in scope or removal of the Services shall not take effect until no less than 30 days from the date the PCR is executed.

If, at any point during the Term, the cumulative effect of all executed PCRs results in a reduction of the MRC to below 70% of the Original MRC, then Customer shall pay a volume reduction fee equal to 25% of the difference between the Original MRC and the then-current MRC. The volume reduction fee will be invoiced monthly and apply each month until a PCR is executed to increase the MRC in excess of 70% of the Original MRC.

As used in this SOW, the term "Original MRC" means the MRC as of the Commencement Date. For greater certainty, if the total MRC set forth in the pricing table in Section 3.1 is adjusted prior to the Commencement Date as part of the network discovery and assessment phase, the updated MRC set forth in the corresponding PCR is the Original MRC.

6. Term

Commencement Date

As used in this SOW, "Commencement Date" means the first day of the month in which the total monthly recurring Services are billed to the Customer. The Commencement Date will be deemed the earlier of the following: (a) sixty (60) days after execution of this SOW or (b) acknowledgment by Customer, in Customer's reasonable judgment, that any required onboarding Services have been completed and that it is prepared for Logicalis to commence delivery of monthly recurring Services. Logicalis will begin setup Services after this SOW is executed and will begin billing the customer for

Docusign Envelope ID: 83F6264B-5B73-823B-8245-4443A9E1AD9B

the setup Services upon signature of the SOW. Should Logicalis provide monthly recurring Services in advance of the Commencement Date, Customer shall be responsible for payment of such monthly recurring Services upon invoice and in accordance with all applicable payment terms.

Term & Renewal

Term. The initial term of this SOW is ("Initial Term") is sixty (60) months and will commence on the Commencement Date. Customer may elect to extend the Initial Term for up to two (2) months by giving Logicalis written notice no less than 30 days before the expiration of the Initial Term ("Renewal Term", together with the Initial Term is referred to as the "Term"). The MRC for the Renewal Term will automatically increase by twenty percent (20%) over the MRC set forth in the Initial Term.

Early Termination. Customer may not terminate this SOW for convenience during the first thirty-six (36) months of the Term ("Minimum Term"). After the Minimum Term, Customer may terminate this SOW for convenience upon a minimum of one hundred and twenty (120) days' prior written notice to Logicalis; provided, that such termination will not become effective unless and until Customer has paid all of the following: (i) any outstanding invoices; (ii) the costs incurred by Logicalis to decommission any equipment, software, or systems dedicated to the Services, which will be billed at the T&M rates; (iii) the remaining balance owed of the Total Extended Price as set forth in the Pricing Table relating to any equipment, software, third-party services, and any other customer-specific assets resold to Customer or that are acquired or licensed by Logicalis in connection with performing its obligations under this SOW for Customer; (iv) any undepreciated value of implemented client-specific dedicated infrastructure. Logicalis will invoice for the costs described in (iii) and (v) after receiving the termination notice. Logicalis will invoice Customer for remainder of the foregoing charges associated with such early termination once such costs are determined.

7. Setup Responsibilities & Assumptions

A. Customer Responsibilities – Customer shall:

Where Logicalis is not the Customer's CSP, Customer shall ensure that Logicalis is granted all required delegated administrative rights through Microsoft Partner Center and Microsoft Lighthouse to perform the Services. Customer shall provide and maintain current contact information for its CSP provider and authorize Logicalis to engage directly with such CSP for technical support, licensing, and Microsoft escalation purposes as required to deliver the Services.

- Implement Logicalis' recommendations in general. Logicalis is not responsible for Customer requests that do not follow best practices, Customer requests that lead to poor account integrity, or Customer's failure to implement Logicalis' recommendations.
- Work with Logicalis to determine the severity, course of action, and remote assistance for issue resolution.
- Where necessary, provide personnel to work with hardware vendor service personnel requiring on-site access.
- Follow Logicalis' recommendations to resolve identified environmental or resource issues which are currently causing or may potentially cause future problems.

6. Enable reports and portal setup for Service delivery.

C. Assumptions

- Software applications and services not expressly provided under this SOW are excluded.
- Client-side network connectivity including VPN setup and configuration is the responsibility of the Customer unless Logicalis is specifically contracted for this work, which may be at additional charges.
- Customer's responsibilities for timely and proper completion of the transition and integration project will be discussed and agreed upon prior to project initiation. In order to ensure timely

Docusign Envelope ID: 83F6264B-5B73-823B-8245-4443A9E1AD9B

and proper completion of the transition and integration project and unless otherwise mutually agreed, Customer must provide all requested integration data within five (5) days from execution of the SOW. If all such data is not provided within such five (5) day period, Logicalis will follow up, by phone or email, after the five (5) day period to attempt to gather outstanding data. - Logicalis maintains an information security and compliance program designed to protect Customer Data and Logicalis-managed systems, which includes controls aligned to industry standards and independent assessments (ISO 27001, SOC 2, NIST CSF, and SSAE21) (the "Baseline Controls").
- Logicalis will apply the Baseline Controls to the Services. Any Customer-required controls or attestations beyond the Baseline Controls (including configuration, documentation, assessments, or audits unique to the Applicable Frameworks) must be scoped, scheduled, and priced expressly within this SOW or a mutually executed PCR.
- Logicalis will perform maintenance on its infrastructure at such times as it deems appropriate and in such a manner to maintain compliance with all other provisions of this SOW. Customers will be provided advance notice of any maintenance expected to create an outage.
- All equipment is housed on Customer's premises or premises which Customer is entitled to use for storage of such equipment for the Term unless stated otherwise in this SOW.
- Connectivity between Logicalis and Customer facility will be via a VPN connection.
- Logicalis reserves the right to limit performance metrics in the event the primary connectivity fails and Customer has not established backup network connectivity.
- All Customer WAN devices will be available for instrumentation and monitoring via one Customer site router, unless otherwise noted. Customer must maintain on-site support if it does not have qualified staff for hardware replacement.
- Customer will be directly responsible for all hardware and software maintenance contracts.
- Instrumentation tools, as well as monitoring agents, probes, and smart plug-ins (SPIs) placed on Customer systems are, and will be, owned by Logicalis unless otherwise noted in this SOW.
- Any hardware or software deployment is the responsibility of Customer unless specifically stated herein and agreed upon by both parties.
- If this SOW calls for Logicalis to meet any of the Applicable Frameworks (as defined in this SOW), Customer acknowledges that Logicalis' ability to meet such Applicable Frameworks depends on Customer's implementation of customer-side controls (including, without limitation, identity/access governance, data classification, application configurations, and end-user processes) and on Customer's timely cooperation and accurate disclosure. Logicalis' obligations under this Section are limited to the scope and systems within Logicalis' control as defined in the SOW. If a change in law, regulation, standard, or a new Customer requirement materially impacts the Services, the parties will in good faith update the SOW to adjust scope, timelines, and fees accordingly.
- Service pricing is based on a fully deployed, functional, tested, and production-ready environment available at contract commencement. All parts of Customer's systems are subject to operational review by Logicalis. Logicalis reserves the right to adjust the pricing based on information found during due diligence or integration.

Managed Services Addendum

The terms of this Managed Services Addendum apply and are incorporated into the SOW to the extent that Logicalis provides Managed Services or Monitoring-Only Services. "Managed Services" means any Services involving full-service monitoring and management of Customer's Configuration Items, while "Monitoring-Only Services" are any Services involving only monitoring of Customer's Configuration Items. Managed Services and Monitoring-Only Services may include such services as are defined in a Sub-Addendum attached to the SOW. For purposes of this Managed Services Addendum and any Sub-Addendum, "Configuration Item" or "CI" means the device or software instance being monitored or managed under this SOW. Any capitalized terms used herein shall have the meaning ascribed in the SOW.

1. Setup Responsibilities and Assumptions

A. Customer Responsibilities

a. Customer shall:

1. Provide notification, alert, and escalation contacts to Logicalis based on priority and device types. Customer must document who will be notified and how notification will be received (Customer may request single or multiple notifications and specify an escalation path).
2. Modify self-service user account information as required and upon any changes to such information.
3. Without limiting the generality of any other provision in this SOW, assign and make available a contact person with the authority to make decisions regarding Logicalis' delivery of services, including but not limited to Incident resolution, Change Management, and request fulfillment. Customer acknowledges and agrees that Logicalis may, without penalty, pause SLA timers if the Customer contact is not available to provide necessary information or make necessary decisions and that such unavailability constitutes a Pause Condition.
4. Enable event forwarding to Logicalis' management systems; i.e., Customer will open all Logicalis required ports to enable monitoring and management.
5. Provide any access and information required for Logicalis to perform management or monitoring actions under this SOW. SLA timers are paused while Logicalis is waiting for such action to be taken by Customer or a vendor, where applicable.
6. Ensure that all CIs are installed, set up, configured, and fully operational prior to any onboarding activities.
7. Provide all relevant information for all CIs, including an identification of each CI to be supported, support identifiers, IP addresses, host names, serial numbers, IDs, passwords, support contract details and contact information, and configuration documentation.
8. Customer shall maintain a valid hardware or software support contract for each CI for the duration of this SOW, and any CI not covered by such a support contract is outside the scope of this SOW. Hardware external to the managed / monitored device enclosure is excluded from any applicable service level agreements or service level objectives. Software applications not specifically listed in such service level agreements or service level objectives are excluded. Notwithstanding anything herein to the contrary, Logicalis disclaims all responsibility and liability for CIs not supported by a vendor support contract, including, without limitation, any service level agreement or service level objective penalties which might otherwise be incurred.

B. Logicalis Responsibilities

C. Assumptions

1. Logicalis provides remote monitoring or management services for CIs owned or properly licensed by Customer. Customer owns (or otherwise possesses all rights and licenses necessary for Logicalis to monitor and/or manage) and will continue to own (or otherwise possess all necessary rights and licenses for Logicalis to monitor and/or manage) all CIs being monitored or managed.
2. Customer will grant Logicalis personnel access to support contracts and vendor information and grant Logicalis the ability to place support calls on behalf of Customer.
3. Customer servers require remote console access such as KVM, console cards, or RILO cards to establish remote communications. This technology must be provided by Customer.
4. Host names or IP addresses changed without notification to Logicalis will result in temporary discontinued monitoring/management and will require additional services, billed on a T&M basis, to reconfigure.
5. For Managed Services, Logicalis provides ticketing system functionality designed to ensure that Customer's disaster recovery ("D/R") service fail-over functionality is accommodated in Logicalis' ticketing system functionality. Customer must identify its production/primary devices and fail-over devices. In the event Customer's production server fails and Customer's D/R server is activated as the primary server, Customer may call Logicalis and request that such specific D/R server be moved to "D/R Active" status. Thereafter, Logicalis will confirm that Customer's production server is in failed mode and will then activate Customer's "D/R Active" status (in Logicalis' ITSM system) on the D/R server. The "D/R Active" status will ensure that all Incidents and problems are handled with the same priority they would be for the equivalent production server. Customer will be responsible (as part of its D/R procedures) for calling to activate and deactivate the D/R status. Customer will also be responsible for identifying D/R & production device relationships during the onboarding process and ensuring that Logicalis receives timely updates when changes to the D/R device relationships are made.
6. A monitoring hub is required at each Customer network-isolated data center. The monitoring hub shall be a virtual device unless otherwise agreed between Logicalis and Customer. Logicalis requires full administrative access to this device in Customer's environment. If Customer does not provide full administrative access to this device, additional T&M charges will apply for any activities requiring coordination with Customer's administrators, and an additional fifty percent (50%) upcharge to MRC will be applied to any device where Logicalis does not have administrative system access. Customer shall pay setup fees for integration work between Logicalis' monitoring API and Customer's ticketing system, and Customer shall provide knowledgeable resources to assist with this integration. The Customer can choose Logicalis-provided devices or import Logicalis' preconfigured Linux monitoring VM into Customer's VMware environment. Logicalis has full redundancy in its monitoring technology. Customer by default does not have full redundancy in its on-premises hub that is responsible for the collection of monitoring data from CIs. Customer has the option, at an additional charge, of an additional on-premises hub that operates in an active/passive manner thereby providing full redundancy. Logicalis will have sole responsibility to setup probes, change configurations, troubleshoot probes, and remove devices. A URL, username, and password will be provided to allow Customer access to the monitoring reporting.
7. Logicalis will perform maintenance on its infrastructure at such times as it deems appropriate and in such a manner so as to maintain compliance with all other provisions of this SOW. Customer will be provided advance notice of any maintenance or planned interruption to any element of the Services (for example, access to Logicalis' service portal).

8. All onboarding activities will take place remotely unless otherwise stated in this SOW. Any request by Customer for onsite engagement will be considered by Logicalis but may incur additional charges.

Logicalis Hardware

Any equipment (including but not limited to VPN routers and universal hub appliances) provided to Customer by Logicalis as part of the Managed Services or Monitoring-Only Services remains the property of Logicalis. Equipment that is not returned to Logicalis within thirty (30) days from the date of termination of this SOW will be charged back to Customer at the then-current manufacturer's suggested retail price(s) for such equipment, and Customer agrees to pay Logicalis any such amount.

2. Service Level Agreements (SLAs)

The Service Level Agreements applicable to the Managed Services sold under this SOW are as set forth hereunder.

	Incident		
Priority	Email Notification	TRT*	Phone Call (24x7)
Priority 1	15 min	4 hr	15 min
Priority 2	15 min	8 hr	N/A
Priority 3	Upon Request**	16 hr	N/A
Priority 4	Upon Request**	32 hr	N/A
Priority 5	Upon Request**	48 hr	N/A

* "TRT" or "Target Resolution Time" means the amount of time in which Logicalis will endeavor to resolve an Incident (for high, medium, and low service levels). Failure to meet a TRT does not constitute a breach of this SOW. An "Incident," as the term is used herein, is an unplanned interruption to a service or reduction in the quality of a service.

For the avoidance of doubt, SLAs and resolution [remediation] apply only to Managed Services. To the extent the Services are Monitoring-Only Services, no SLAs or resolution apply. Incident resolution for Monitored-Only Services may be performed on a T&M basis. SLAs do not apply for the first sixty (60) days after Commencement Date.

** Customer may request to receive email notifications for these Incidents.

Priority Calculations

Incident Priorities

Incident priority is determined by Table 4 below. For example, a High Urgency event on a High Impact device is a Priority 1 Incident, whereas a Medium Urgency event on a Medium Impact device is a Priority 3 Incident.

Incident Priority Matrix

	Device Impact		
Event URGENCY	High	Medium	Low
High	Priority 1	Priority 2	Priority 3
Medium	Priority 2	Priority 3	Priority 4
Low	Priority 3	Priority 4	Priority 5

Incident Priority Notes:

Event Urgency is determined by either:

- System Alarm Events – The Urgency is automatically classified as High, Medium, or Low based on the severity of the alarm event.
- Service Call Events – Event urgency is determined by the situation described by the caller.

SLA Penalties and Refunds

If any TRT from the corresponding table above is not met, an SLA penalty shall be paid to Customer in accordance with the penalty percentages set forth in the table below and the calculations set forth further below:

Service Level Penalty Percentages

Incident Priority	Penalty %
Priority 1 (P1)	50%
Priority 2 (P2)	40%
Priority 3 (P3)	30%
Priority 4 (P4)	20%
Priority 5 (P5)	10%

© Logicalis 2026

Docusign Envelope ID: 83F6264B-5B73-823B-8245-4443A9E1AD9B

Penalty payments are calculated as follows:

E (Exceeded Hours) x P (Penalty %) x V (CI Value) = Penalty paid per Incident incurring a missed TRT

Where:

E = Exceeded Hours - The total number of elapsed hours between the Target Resolution Time and the time the specific Incident is resolved. This is for Closed Incidents in the given month and excludes hours elapsed due to Pause Conditions. "Closed" Incidents are Incidents which have been (1) opened by Customer's notification of the Incident to Logicalis or Logicalis' detection of the Incident and then (2) resolved by Logicalis, without any further complaint or objection by Customer within five (5) days thereafter after such resolution. "Pause Conditions" are conditions beyond the reasonable control of Logicalis which prevent partial or complete resolution of the Incident or avoidance of the Incident, including but not limited to circumstances in which action by Customer or a third party is necessary for resolution. Calculation example: A P1 incident has 4 TRT hours. If the total elapsed time is 5.5 hours, then Exceeded Hours = 1.5 hours.

P = Penalty % - This is derived from the Service Level Penalty Percentages table above. Each Incident is assigned a specific priority level as set forth in the Priority Calculations above, and each priority level has a corresponding Penalty %.

V = CI Value - This is the MRC paid or owed by Customer for the full month immediately preceding the Incident for the device or software instance being monitored or managed under this SOW (each a "Configuration Item" or "CI") associated with the Incident for which Logicalis missed the TRT.

Additional Penalty Terms:

- The penalty paid per Incident is limited to the monthly value of the CI (i.e., the value of the amount the Customer pays Logicalis for the service associated with the CI each month), but in no event will the penalty or penalties, in the aggregate, exceed the MRC paid for the month giving rise to the Incident(s).
- Penalties will be calculated monthly and paid quarterly as a credit issued on Customer's account.
- In addition to any other limitations on SLA penalties set forth in this SOW, a missed SLA will not be considered a penalty if the missed SLA is caused by reasons beyond the reasonable control of Logicalis. In this situation, the Incident will be flagged as an "invalid missed SLA" and will not be counted toward a penalty payment.
- All Customer obligations in this SOW must be met for an Incident to be counted toward a penalty calculation. For example, if a service offering is disabled due to Customer's changes in the environment, that Incident will not give rise to a penalty calculation or payment. Any failure to meet a TRT with respect to a CI which is not in compliance with all terms of this SOW (including, without limitation, failure to maintain any applicable vendor support contract), will not give rise to a penalty payment hereunder.

SLA and Incident Handling Terms:

- Incidents related to system or service availability are considered resolved and the TRT met (if resolved timely) when the service is restored even if in a workaround state. In such an event, Logicalis will continue to address the underlying problems for complete resolution.
- "Email Notification" referred to in any Service Level Agreement table above is delivered in the form of an automatic system-generated message.
- In addition to an Email Notification, for Priority 1 Incidents affecting managed CIs, Customer will receive a phone call within fifteen (15) minutes of the Incident being logged. Customer is responsible for maintaining correct escalation and contact information for such phone calls.
- A TRT timer is paused when an Incident is due to a Pause Condition(s).
- SLA timers are paused when an Incident requires a Change to be executed for resolution. The timers will pause from the initiation of the Change Management process to the completion or

© Logicalis 2026

Docusign Envelope ID: 83F6264B-5B73-823B-8245-4443A9E1AD9B

cancelation of the Change Management process. If Logicalis does not manage or monitor a CI(s) that prevents its ability to detect an Incident(s), then such Incident(s) is considered outside of Logicalis' control and no penalty will apply.

- Logicalis reserves the right to adjust ticket priority levels based on urgency and impact information gathered throughout the ticket life cycle. For example, this may apply if initial information provided by any Customer user reporting an issue or making a request (each a "Caller") is discovered to be inaccurate.

The penalties and/or credits provided under this section are Customer's sole and exclusive remedy with respect to any failure by Logicalis to meet the SLAs described herein.

Engagement

Customer will engage Logicalis for Incident resolution or service requests using the following methods of communication: Email: Standard Logicalis support (or Customer-specific) email address in Logicalis ITSM

- Phone: Authorized Customer personnel may escalate tickets by phone to Logicalis' support team
- Portal: Authorized Customer personnel may log and review the progress of their tickets within Logicalis' ITSM self-service portal

Based on the actual or perceived priority of a given Incident or request, Customer must engage Logicalis for support in accordance with the following table:

Priority	Logging Options
P1	Must be logged by phone (where identified by Customer and not by Logicalis' systems).
P2	Must be logged by phone (where identified by Customer and not by Logicalis' systems).
P3	May be logged via any available mechanism.
P4	May be logged via any available mechanism.
P5	May be logged via any available mechanism.
Service Requests	May be logged via any available mechanism sufficient to ensure that any required information is provided to Logicalis, with a preference to utilize the web portal.

Logicalis will not be obligated to pay an SLA penalty payment(s) otherwise arising from an Incident(s) if the above procedure is not followed with respect to the applicable CI(s).

Prior to deploying any software, including trial software, on Customer's Enterprise Cloud, Customer must notify Logicalis of any such software, provide details regarding such software as requested by Logicalis, and provide Logicalis with the applicable vendor documentation which evidences that Customer is entitled to deploy the software on Customer's Enterprise Cloud.
2. Logicalis reserves the right to audit Customer's Enterprise Cloud resources and software deployed thereon at any time to ensure that Customer is in compliance with the terms of the SOW and the terms of any applicable vendor documentation, and further as necessary for Logicalis to confirm compliance with any legal or contractual requirements applicable to Logicalis. Customer agrees to fully cooperate with Logicalis on any audit requests, including by providing documentation and evidence necessary to confirm the existence of, and Customer's compliance with, any vendor requirements or restrictions.
3. Customer acknowledges that during the performance of services, Customer may be asked to download software as part of such services. In downloading or receiving of such software, Customer affirms that it has received the software from Logicalis for use in its internal systems only and will use the software internally according to the instructions set forth by Logicalis.

2. Service Level Agreements (SLAs)

Logicalis Cloud Suite – Enterprise Cloud Availability

Logicalis maintains 99.9% availability for all Enterprise Cloud services. Unscheduled Downtime occurs when the Customer's Enterprise Cloud services are unavailable as defined below.

Availability: Availability for each Customer's Enterprise Cloud services will be calculated daily using the following formula:

Availability = (Base Time – Unscheduled Downtime) / (Base Time)

Base Time is 1440 minutes (24 hours per day multiplied by 60 minutes per hour) minus scheduled downtime

© Logicalis 2026

Docusign Envelope ID: 83F6264B-5B73-823B-8245-4443A9E1AD9B

Unscheduled Downtime equals the time (in minutes) in the applicable day during which any single component of the Customer's Enterprise Cloud service is not operational excluding "Scheduled Downtime". For purposes of assessing the SLA Availability penalties below, the clock will start at the commencement of the Unscheduled Downtime and will stop when all single components of the Enterprise Cloud services are operational. Unscheduled Downtime does not include the following:

- Applications not managed by Logicalis within the environment,
- Downtime due to the actions or inactions of the Customer,
- Customer's primary connectivity to the Enterprise Cloud outside of Logicalis' control.

- Scheduled Downtime equals the aggregate total of all minutes of planned and scheduled maintenance performed during a day to perform any necessary hardware, operating software, network, database, application software maintenance, repairs, updates, and upgrades.
  - Cloud Suite infrastructure maintenance windows are targeted for the second Saturday of each month from midnight to 6:00 AM in the time zone of the Logicalis Cloud Data Center.
  - Logicalis reserves the right to schedule additional Scheduled Downtime events for emergency purposes with at least 24 hours notice given to affected customers. To minimize the impact on the Customer's business, Logicalis and the Customer will determine the dates, times, and timeframe lengths of emergency Scheduled Downtime.

Availability SLA

In the event 99.9% availability for the Customer's Enterprise Cloud services is not achieved for a day, Customer shall be entitled to one credit of 1/30th of the current MRC associated with the Customer's Enterprise Cloud services part numbers with a PRV prefix. In the event multiple days within a month occur, the table below details credits:

Monthly Events	Total Monthly Credits
One (1)	1 / 30th
Two (2)	5 / 30th
Three (3)	15 / 30th
Four (4)	Full credit, termination with no penalty

- Credits will be applied to the Customer's next invoice.
- Total credits per month may not exceed the amount of one month's MRC for the service.
- If Customer requires clarification of or modification to a credit, a request must be submitted by the Customer to Logicalis within thirty (30) days of credit issuance.

RE: Sole Source Letter

Dear Melissa,

As requested, I am providing a letter that confirms that JusticeText is the Sole Source of the technology we provide. JusticeText is an audiovisual evidence management platform for public defenders designed to expedite the review of body-camera footage, interrogation videos, jail calls, and other crucial digital discovery. This software includes:

AI-powered analysis, tailored to public defense

- **Automatically identify key moments specific to public defense** in audio or video files including Miranda rights, field sobriety tests and arrests
- **Automatically generate single-paragraph summaries** of each piece of evidence to more easily navigate high volumes of discovery
- **Generate timelines** that break discovery into discrete chapters and summarize key events across all case files (video, audio, documents, images)
- **Generate lists of all relevant parties** mentioned across all case files (video, audio, documents, images)
- **Synthesize an entire folder of discovery** in seconds, identifying key facts, charges, locations and the most relevant issues to the defense
- **Compare and contrast audio/video evidence** using natural language questions (e.g., "what contradictions does the witness make between statements?")
- **Ask any question** in natural langauge across a folder of discovery (e.g., "what moments in these video support my argument?", "is there evidence of the Reid interview technique?")
- **Develop custom, repeatable prompts** to consistent surface the moments most useful to each attorneys' unique caseload
- **Automatically identify key words relevant to public defense** from a generated transcript (e.g. "gun", "harass", "attorney")
- **Search** across all uploaded evidence and filter the results by evidence type, speaker, case folder, and additional custom tags
- **Analyze the visual elements of videos** (e.g., identifying a red car in hours of silent surveillance footage)

Streamlined viewing, editing, note-taking, redacting, and clipping

- **Create video clips** of relevant parts of the file, simply by highlighting the transcript
- **Automatically sync multiple videos** (e.g., body-worn camera footage) from multiple angles to review, search, and analyze from a single screen
- **Export synced videos** for use in court
- **Add subtitles** to created video clips
- **Redact portions** of audio/video evidence to protect confidential information
- Generate an automatically **timestamped notebook** as the video plays
- **Edit and annotate** the output transcript, with all changes automatically saved, via a best-in-class user experience with unlimited editing
- **Navigate to key moments in a video** by selecting a word in the transcript
- **Edit timestamps** to align text to specific moments in the audio/video files

Transcription for multiple languages and file formats

- Transcribe discovery in **80+ languages**, including Spanish, Mandarin, and more
- Transcribe **up to 100 files in one batch**, processed in parallel
- Include **custom vocabulary** (e.g., streets, neighborhoods, witness names) to incorporate local context and improve transcript accuracy
- Create **multi-lingual transcriptions** for media files containing up to three spoken languages
- **Translate transcripts** from other languages (e.g., Spanish) to English
- **Clearly identify** up to 10 speakers in a file
- **Quickly assign speaker names** throughout a piece of evidence

Support for proprietary formats and integrations with existing tools

- **Upload proprietary file types** (e.g., GTL jail calls, Panasonic AV Viewer videos, WatchGuard body cameras, For the Record court proceedings, Avigilon videos) directly onto JusticeText without converting in advance, in addition to all standard file types (MP4, MP3, MOV, etc.)
- **Upload files directly from cloud storage** locations (e.g., OneDrive, Box, Dropbox, Google Drive, etc.)
- **Upload files from evidence links** provided by prosecutor
- **Integrate with case management systems** for easier upload and download

Document and image analysis

- **Upload PDFs, word documents and image** directly to JusticeText
- **Automatically extract text from documents** via OCR (Optical Character Recognition) for typed text, handwriting, tables, and images without any preprocessing

- Review 1-2 minute **tutorial videos** explaining all of the main features on JusticeText

JusticeText is the Sole Source of the software listed above, and no other company or firm sells or distributes such software.

Providing technological support for public defenders is at the core of our company's mission. My co-founder and I started building this product while we were college students at the University of Chicago to address the challenges faced by the local public defender's office. We currently work with **roughly 100 state and local public defense organizations** across the nation, working hand-in-hand to co-create a product built specifically to address their needs, including:

- Committee for Public Counsel Services (CPCS)
- Metropolitan Public Defender in Portland, OR
- Harris County Public Defender, in Houston, TX
- Montana State Office of the Public Defender (OPD)
- Tennessee District Public Defender Conference
- DuPage County Public Defender
- Public Defender Services of Lane County

Our commitment to public defenders has been highlighted by the ABA Journal, Texas Lawyer, Mass Lawyers Weekly, Axios, MIT Technology Review, and the Public Defenseless Podcast.

To the best of my knowledge, there are no other items and/or services available for purchase that would serve the same purpose or function as JusticeText.

Sincerely,

SECTION 3: DECISION MEMO

STRATEGIC IMPACT	Select an item from the following dropdown menu of County's strategic priorities that this action will most impact. QUALITY OF LIFE
SOURCE SELECTION	Describe method used to select source. A request for proposal was sent out for a Safety Program Manager. We received two responsive, responsible bidders that were evaluated. Based off the evaluation criteria, Sheffield Safety and Loss was selected.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Renew the contract with Sheffield Safety and Loss Control, LLC for the Safety Program Manager in the amount of $150,000. 2. Do not award Sheffield Safety and Loss Control and award the second lowest bidder. Not recommended due to the selection committees recommendation and price variation, as well as work that is under way with Safety Program Review for the County. 3. Do not award the Safety Program Manager bid. Not recommended due to the importance of having a Safety Program Manager on call to review safety procedures and manuals.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Recommendation for the approval of a contract to Mid American Water, for Waterous Pacer Hydrants, for the period of June 26, 2026 to June 25,2027, for a total contract amount not to exceed $62,500, per most qualified offer, per bid #24-078-PW, second of three to renew.

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
Replacement of water hydrants is necessary periodically due to deterioration of old hydrants from age and/or unrepairable hydrant damage. Having these hydrants in Public Works stock is prudent so they are available when needed, particularly in an emergency situation.

☒ Cumulative Increase Greater Than $10,000 (Row 'F' Above) ☐ Other - Explain In Summary Explanation Box Below

Summary Explanation - Provide a summary of the action. Explain why it is necessary and what is to be accomplished.

HLR is managing the DuPage Central Signal System #3 project and is in the process of project closeout. Paperwork to be filed with IDOT and other administrative duties are currently in progress and anticipated completion is by the end of 2027. Therefore, a supplement, and extension of time is the recommended course of action.

Original Source Selection/Vetting Information - Describe method used to select source; for instance, bid, RFP, sole source, etc.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry and responses were received from 13 firms qualified to perform this work. The DOT reviewed each submittal with specific attention to the experience of staff to be assigned to the project and relevant past work. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Hampton, Lenzini and Renwick, Inc. is qualified and has the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

An increase and extension of time is the recommended course of action since Hampton, Lenzini & Renwick, Inc. has completed the work to date in a satisfactory and timely manner. DOT does not have the staff resources in order to complete design engineering on assigned projects and manage other projects as well. Terminating this contract and soliciting proposals for a new contract would delay the work and result in higher costs.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number

There is sufficient Fiscal Year 2026 funds for this supplement.

APPROVALS - *Initials Only*

RE: Request for Supplemental Agreement No. 02. DuPage Central Signals System Expansion #3 County Section: 19-DCCSS-03-TL

Dear Kathleen,

We are submitting this letter to request formal approval and execution of a Supplement to the Agreement for the subject project in the amount of $22,000.00 for the final administrative close-out of the project.

After the negotiation and execution of the original Phase III agreement, the Department mandated the completion of as-built ADA inspection forms for all modernized intersections. This work required field measurement and documentation not accounted for in the original 240-hour post-construction estimate.

The general contractor's execution extended beyond the originally anticipated 150-working-day timeframe. This required HLR to maintain mobilization to oversee extended punch list resolution, document unforeseen Time & Materials (T&M) work, and conduct negotiations regarding final contract quantities. Additionally, securing final material inspection approvals required multiple resubmittals and extended coordination efforts, driving the actual post-construction oversight to 357 hours.

Item	Current Max Allowable	Supplement 02 Requested	Requested Max-Allowable
HLR (CPFF)	$566,044.16	$22,000	$588,044.16
Services by Others			
DLZ Illinois (CPFF)	$167,789.13		$167,789.13
Rubino Engineering (CPFF)	$7,573.71		$7,573.71
Total Max Payable	**$741,407.00**	**$22,000.00**	**$763,407.00**

If you have any questions please do not hesitate to contact me at our Elgin office at 847-697-6700, or at rlivingston@hlreng.com.

Yours truly,
