### **PHILOSOPHY OF TREATMENT AND INTERVENTION 18th Judicial Circuit Court Department of Probation and Court Services**

In the past ten years, research has identified key factors that are associated with criminal behavior, the process which leads to the commission of criminal acts, and the main steps or stages of behavior change. A general model has emerged that identifies the **principles of effective intervention**.

These principles are **RISK, NEED, RESPONSIVITY** and **PROGRAM INTEGRITY**. Risk involves matching the duration, levels, and intensity of treatment and services to the criminal risk level of the individual. High-risk clients require more intensive and extensive services while low-risk clients require minimal or no intervention. The need principle focuses on the appropriate targets for intervention. Six factors are directly correlated to an individual's propensity to commit crime. They are: 1) history of antisocial behavior; 2) antisocial personality; 3) antisocial values and attitudes; 4) criminal/deviant peer association; 5) substance abuse and 6) dysfunctional family relations. Responsivity refers to the delivery of effective treatment programs in a style and mode that is consistent with the ability and learning style of the individuals. Factors to consider in the area of responsivity are motivation, culture/ethnic issues, gender, verbal skills, communication barriers and cognitive and emotional development. Program integrity refers to organizations that develop policies and procedures to enhance integrity and professional conduct, provide ongoing training and supervision of staff and adherence to program designs.

Appropriate corrections interventions have been found to reduce recidivism about 30%. Interventions that have produced these long-term outcomes are behaviorally based, focus on changing criminogenic attitudes and beliefs, increase system competence (e.g., families, peers, schools, employment) and aim to increase the ratio of pro-social to antisocial behavior.

It is the goal of the Department of Probation and Court Services to develop access to a broad continuum of community-based services that adequately address offender risk, need and responsivity for the purpose of significantly reducing criminal re-offending, utilizing the most cost-effective services.

The Department of Probation and Court Services has developed the following objectives to guide the establishment of service delivery plans for those individuals under their supervision.

1. Intervention intensity and duration are based on the client's risk for re-offending, based on current research and methodology for identifying key risk factors.
2. Criminogenic beliefs, attitudes and behaviors are the highest dynamic risk factors for re-offending and need to be the primary focus of any intervention.
3. System interventions that are community-based and involve entire systems (families, spouse, peers, employment) are more likely to be effective.
4. Treatment for emotional/behavioral issues that are not linked to criminal conduct, nor are criminogenic in nature will not result in recidivism reduction.
5. Preferred treatment interventions are those which are designed to change antisocial attitudes, to increase personal skills (self-control, self-management and problem solving), to increase collateral/familial support (collateral's knowledge of client's risk factors and willingness to support client in making behavioral changes), to build on the offender's strengths and focus

- on assessing the offender's total situation and treating it rather than using a strict individual or medical model approach.
6. Traditional insight-oriented, psychodynamic or non-directive therapeutic interventions are not supported for high-risk criminal offenders or for changing criminal behavior and attitudes.
  7. All interventions require a behavioral treatment plan with measurable, concrete objectives and timelines that have been reviewed and accepted by probation and meet departmental guidelines for interventions.
  8. Effective interventions will provide opportunities for offenders to participate in skill training with directed practice.
  9. Short- and long-term behavioral outcome data, along with satisfaction measures, will be collected by the Probation Department and by the service provider.
  10. Services will be monitored to assess the offender's progress in line with the service delivery plan.
  11. Service plans will address public safety issues as well as behavior change.
  12. Service plans will outline steps to actively engage pro-social supports for offenders in their communities in order to positively reinforce desired behaviors.

Any such HEALTH DEPARTMENT PERSONNEL, shall be deemed employees or under the control of the HEALTH DEPARTMENT as to the performance of their duties, and the HEALTH DEPARTMENT shall be responsible for all employee benefits it chooses to extend to them, and for all applicable statutory protections accruing to them.

If the PUBLIC DEFENDER determines, in his sole discretion, that any HEALTH DEPARTMENT PERSONNEL are or act in a manner unsuitable to the nature of pre-trial services, he may give written notice to the HEALTH DEPARTMENT to remove that individual and the HEALTH DEPARTMENT shall comply within the time set in the notice. No notice need be given in an emergency, as determined by the PUBLIC DEFENDER or his Deputy on the scene. If the PUBLIC DEFENDER determines, in his sole discretion, that the situation is one that may be corrected, he can, but is not required to, permit the HEALTH DEPARTMENT a reasonable opportunity for correction prior to removal.

8. Termination: Either party may terminate this AGREEMENT upon sixty (60) days written notice, and the parties may also mutually agree to termination. Upon termination, this AGREEMENT shall be and become of no further force and effect and each of the parties shall be relieved and discharged of their respective obligations from the date of termination.
9. Insufficient funds: This AGREEMENT may be terminated if the PUBLIC DEFENDER fails to have sufficient funds in the Illinois Criminal Justice Information Authority grant to support the AGREEMENT and/or the DuPage County Correctional Center Substance Use Disorder Recovery Pod Program and/or the DuPage County Correctional Center Behavioral Health Re-Entry Program.
10. ## FIRM QUALIFICATIONS

- a) **A summary of the Bidder's general qualifications including specific disciplines represented that are applicable to the proposed work, number of employees, office locations, etc.**

Favorite Healthcare Staffing, LLC (Favorite Healthcare) is the longest-standing nursing solutions provider in the United States. Established in 1981 as a per diem nurse staffing company, Favorite Healthcare has adapted its services over time to meet partner needs. Our proprietary technology, developed from this per diem foundation, allows us to respond quickly to both partners and healthcare professionals.

Our skilled nurses collaborate with hundreds of healthcare organizations across the U.S., covering roles such as locum tenens, nursing, float pool management, allied health professionals, non-clinical staff, and more. In 2021, Acacium Group, headquartered in the U.K., acquired Favorite Healthcare, making us the first global healthcare solutions provider offering new delivery models in health, social care, and life sciences.

For this opportunity, Favorite Healthcare is offering our expertise in supplying Registered Nurses, Nurse Practitioners, and Director of Nursing candidates to DuPage County by leveraging an extensive recruitment network and deep expertise in healthcare staffing.

We recruit by utilizing a dedicated team of recruitment specialists who focus on matching candidates' qualifications and cultural fit with the specific needs of DuPage County facilities. Our approach includes an ongoing screening process that verifies credentials, evaluates performance records and checks references, ensuring that each candidate meets the strict standards required for these roles.

In response to the requirements listed in the RFP, Favorite uses Primary Source verification of CPR cards as well as other required certifications as needed (ACLS, PALS, etc.). Fingerprint Clearance is obtained for each nurse prior to assignment and criminal background checks are performed in a manner compliant with DuPage County and always in accordance with government regulations.

To ensure that all assigned nurses have up-to-date certifications and training, Favorite Healthcare Staffing upholds stringent HR and Compliance protocols aligned with The Joint Commission's Healthcare Staffing Services Certification standards. These protocols are actively monitored and enforced throughout the duration of each nurse's assignment.

All nurses are required to hold an unencumbered license to practice in the applicable state or possess a multistate license under the Nurse Licensure Compact. We verify licensure status and relevant credentials at the time of onboarding and regularly throughout their assignment via

automated systems and manual compliance checks. We also mandate that all nurses hold an active CPR/BLS certification at all times.

All of Favorite Healthcare’s nurses possess the following qualifications and undergo the following credentialing requirements.

Favorite Healthcare Staffing utilizes **Relias** for specific skill competency checks and training. **Relias** is a trusted online learning platform that provides our nurses with up-to-date, evidence-based training and certifications tailored to the required specialty. Finally, we also have an annual training and orientation exam that delves into the specific certification required by DuPage County.

To ensure that we only assign appropriately licensed and/or certified personnel to FCS, we follow a rigorous process of verification and maintenance. First, we ensure all employees' licenses are checked with the relevant DuPage County requirements and the State Board of Nursing, providing an initial level of assurance that they hold the necessary credentials to effectively perform their roles. Additionally, all employee references are cross verified with two professional sources.

Our verification process ensures that every candidate's education, experience, and qualifications are meticulously cross-checked before they are approved for work. To optimize this process, we utilize our Mobilize platform, a tool that significantly simplifies and accelerates the vetting and verification process. Further, there are automated precautions put in place, expiration alerts are triggered on the employee's profile whenever specific required credentials have lapsed. The system blocks scheduling of the employee until the new license has been verified and entered into the system.

### **Mobilize Platform Technology**

Favorite Healthcare has consistently prioritized investing in technology that offers tangible benefits to our clients. Mobilize is an end-to-end staffing software solution that significantly simplifies the onboarding of candidates and accelerates the staffing process. The Mobilize platform is an in-house technology solution that empowers our clients to have full control in the management and organization of candidate profiles, onboarding, credentialing, scheduling, back-office tasks, automated timecard processing, and payroll and invoicing.

The software integrates seamlessly with other third-party technologies, allowing for a fully optimized and streamlined staffing process from a singular platform. Additionally, our Mobilize App allows employees to apply for per diem or contract positions that are available with DuPage County, as well as manage their active schedule calendar, credentials, and timecards directly from their phone.

Our Mobilize platform centralizes confirmation and scheduling details for both clients and staff within its technology. For per-diem assignments, clients can easily access agency schedules and

check available staff through the client portal. After one of our healthcare professionals completes a shift, the client also has the option to toggle timecard receipts, which send a copy to any designated contact(s) that wishes to oversee those details. This receipt includes the staff's name, date, time, approver/signee, and other details. These images are also included in our invoices, but the ability to see receipt of a timecard immediately is a benefit that our clients often choose to have turned on.

Comprehensive testing, verification of references, behavioral interviewing, and candidate AI skill matching technology helps Favorite Healthcare ensure the nurses we present are well worth your time to review and that the one decided upon has a high likelihood of success.

Each healthcare worker we hire is put through an extended interview and credential checklist template required by our company. Any client specific credentials are added to this list as healthcare workers are offered these positions. Licenses are verified online via each state. Staff credentials are stored electronically and available for request by the County at any time using our *Mobilize* platform. During the interview, we emphasize work history, clinical expertise, and we review all of their test results.

Favorite Healthcare provides applicants with critical information about performance requirements and standards, Favorite Healthcare’s policies, and of course, relevant County policies and procedures. The assignment of employees is made with consideration of the skills and expertise of the employee, the needs of the County, and your acceptance of the suitability of the employee to perform the duties of the assignment.

We maintain a database built over nearly 45 years, which currently includes over 20,000 full- and part-time healthcare professionals in DuPage County, enabling us to quickly identify suitable applicants, while our Chicago team supports rapid placements by managing day-to-day staffing requirements.

Our track record of meeting client expectations is highlighted by our long-term relationships; Over 50% of healthcare organizations have relied on our staffing support for more than five years, with 10% maintaining partnerships for over 20 years.

We also utilize our technology platform to monitor performance metrics such as time to fill, candidate conversions, and quality assurance, which allows us to adjust the recruitment strategy and maintain high service standards in line with DuPage County’s goals.

This integrated recruitment and management approach allows us to not only supply high-caliber Registered Nurses, Nurse Practitioners, and Director of Nursing professionals, but also provide ongoing support through our local and corporate teams, ensuring that DuPage County receives a responsive and reliable staffing solution.

**b) An outline of the Bidder’s depth and breadth of knowledge needed to carry out the scope and the extent of the work required, especially that of the project lead.**

Favorite Healthcare has extensive depth and breadth of knowledge and capability in healthcare staffing. Founded in 1981, we are Joint Commission certified, meeting national standards for determining staff qualifications, placement, and competence. Through this certification, our clients are provided with assurance of audited clinical quality and compliance, including adherence to standards set by the National Commission of Correctional Healthcare, the American Correctional Association, the Illinois Department of Corrections, and county jail standards.

We have continuously expanded our service offerings as the healthcare staffing industry has evolved. Today, Favorite Healthcare is proud to offer a whole workforce staffing model, including over 600 classifications of high-quality clinical and non-clinical nursing staff and has provided customized staffing support to hundreds upon hundreds of hospitals, clinics, school districts, prisons, rehabilitation centers, veterans homes, nursing homes, and retirement communities across the nation. Favorite’s ability to provide immediate, coordinated responses for rapid deployment at the local, regional, and national levels is crucial and remains as one of Favorite’s key differentiators.

Our services include per-dem, travel, block and contract staffing, as well as direct hire solutions covering nursing, allied health, advanced practice, physician roles, rapid response, and disaster and project staffing. We understand that the DuPage County Sheriff’s Office employs its own medical personnel, and as a provider of supplemental staffing, we will work closely with these medical professionals to maintain a continuum of care and meet the high standards of care provided by the Sheriff’s Office.

Favorite Healthcare revolutionized healthcare staffing by being the first agency in the United States to create a National Operations Center. This center ensures that skilled representatives are available, on-demand, 24/7, 365 days a year. We use our proprietary Mobilize technology platform and app to instantly notify clinicians and subcontractor vendors of staffing requirements, enabling swift responses to meet urgent demands.

Favorite Healthcare also takes pride in our thorough verification process, ensuring that every candidate's education, experience, and qualifications are meticulously cross-checked before they are approved for work. To optimize this process, we utilize our Mobilize platform, which significantly simplifies and accelerates the vetting and verification process. Furthermore, there are automated precautions put in place, where expiration alerts are triggered on the employee’s profile whenever their required credentials are nearing expiration, as well as other automated checks on their annual training and skills. If there is ever a lapse in their licensure, our Mobilize system blocks scheduling of the employee until the new license has been verified and entered into the system.

Favorite Healthcare’s Account Manager (Project Lead) and our regional operations team will play a crucial role in ensuring the needs of the Sheriff’s Office are met efficiently and consistent with our high standards. The Account Manager builds relationships with client departments and ensures clear communication, the resolution of issues, the advocacy of client preferences, and the collection of feedback on a regular basis. Our account management team oversees the successful execution of the service contract, including daily activities like order management, scheduling support, overseeing project timelines, and working with our local recruitment teams to help fulfil the needs of DuPage County Sheriff’s Office.

Our Account Managers confirm role details with hiring managers upon requisition receipt, adjusting candidate selection based on skills and cultural fit, and utilize our technology technology to broadcast open roles instantly to clinicians through the mobile app.

### **Sentinel Standard Operating Procedures for DuPage County Process for Collections**

#### **SCOPE**

This procedure details the responsibilities of the intake and fee collections process for both Sentinel and DuPage County.

#### **NEW CLIENT ENROLLMENT**

- 1.) Every new referral must have the required paperwork provided at the time of enrollment. If the entire referral package is not provided to the Sentinel Representative on the day of enrollment, the Sentinel Representative will notify the assigned probation officer via a Status Report of what information is missing.
- 2.) On the day of enrollment, the client will be instructed to contact the Sentinel representative and make the initial payment of \$140.00. If contact does not occur, and no later than 24 business hours following enrollment, the Sentinel Representative will contact the program participant and require an initial payment of \$140.00. This payment will cover the first two weeks of program supervision.

#### **SENTINEL RESPONSIBILITIES**

- 1.) Each morning, a Sentinel Representative will compare the active caseload in the Monitoring Application with the active cases in DNA Case Management to ensure any offender added to active monitoring by DuPage has also been entered into DNA by Sentinel and had their daily invoicing initiated.
- 2.) Daily, the Sentinel Representative will contact each participant who is currently delinquent and require a payment that brings the client current, plus an amount equal to two weeks in advance
- 3) The Sentinel Representative will deliver the following message to participants when calling for payment on fees:
  - a) You have been ordered by the court to participate in a GPS monitoring program. It is your responsibility to remain current with supervision program fees. Thus, in order to remain compliant and avoid being violated, you must make a payment today in the amount of \$XXX

#### **IF CLIENT CANNOT PAY OR CLAIMS TO BE HOMELESS**

- 1.) If a client claims that he/she cannot pay for program fees or states they are homeless, a Status Report will be immediately sent to the Supervising Officer requesting that the officer instruct Sentinel as to what steps will be taken by the Department. Regardless of which option below is chosen, a Status Report will summarize the decision. Options include:
  - a. Consider the client to be indigent and count the participant as part of the indigent allotment outlined in the contract (This is only an option if the indigent allotment has not been fully fulfilled).

**Participating Addendum Number for  
Electronic Monitoring Products and Services**

Between **DuPage County, IL** and  
**Sentinel Offender Services, LLC**

- b. Confirmation that the officer will contact the client within 24 hours and require payment within 24 hours for the first two weeks of the program
  - c. Instruction from the officer to transfer the client into a county paid group that will be paid for by the county monthly at the current GPS rates paid for Juvenile participants
- 2.) If the officer is contacted and indicates the client will pay within 24 hours and no payment is received, a Non-Compliance Report (NCR) will be submitted to the Supervising Officer outlining the client's failure to comply with program requirements. The NCR will also formally request that an Administrative Hearing with the client and the court occur.
- a. Every Friday, a Financial Status Report will be provided to the DuPage Supervisors that identifies those individuals who are not in full compliance with their financial obligation.
  - b. For clients who have an arrearage amount greater than \$70.00, the Supervising Officer will be given one week to get the client into compliance
  - c. For clients who owe more than \$140.00 there shall be a corresponding Non-Compliance Report submitted to the Supervising Officer requesting either
    - removal from the program or
    - change in the classification of the client from self-pay to County-paid
- 3.) At the end of the billing quarter, Sentinel will provide DuPage County with a detailed invoice outlining the total payment and total number of monitoring days. When the aggregate daily collected rate is less than \$5.35 per client per monitoring day, DuPage County will supplement the total payments collected in the amount necessary to result in a \$5.35 daily client monitoring rate (less the 5 free units afforded to indigent participants).

<i>Overview</i>			
<p>DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). The Sheriff's Office wants to do an E.A. (Enterprise Agreement) with Fortinet. The E.A. work is similar to the county's Microsoft License E.A. This will consolidate most of the service agreements into a single five-year agreement. There are some online services we use that are year-to-year. This covers the majority of systems. There are multiple benefits to this in terms of service and cost. The first benefit is that we would receive a 15-minute response time for critical items and 2 hours for non-critical items. Currently, we are experiencing delays of over an hour for critical issues and one day or more for non-critical issues. The E.A. also locks in the price of hardware and services for five years upon the day of signing. The current estimated cost per year is about \$211,000 for our current needs. That totals about \$1,055,000 for 5 years. The E.A. and other non-E.A. items for the five years are about \$970,000.00. The most significant advantage is the cost savings and the upgraded support. We would save approximately \$84,000 over the five years. The Fortinet ECO system provided the Sheriff's Office with Edge Security (Web Filtering, IPS, DNS, Firewall, etc.), networking, wireless, Web Application Firewall, Sandbox, Email Filtering, SOCaaS, Log Collection, Network Access Control, MDR/XDR, Endpoint security, Dark web Monitoring, and Authentication. All these services require a subscription for the items to operate and a warranty on the hardware in case something goes wrong that needs to be fixed or replaced.</p> <p>They are on the TIPS Contract 220105</p> <p>JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished          If we stay with the current year-to-year approach, we would not receive the benefits of the upgraded support and the cost savings between the E.A. contract and price locking for the 5 years.</p>

DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING	

<b>SECTION 3: DECISION MEMO</b>	
SOURCE SELECTION	Describe method used to select source. We have already invested heavily in the Fortinet Eco system. We have had their Firewall, network infrastructure, and endpoint security for many years. We are working towards establishing their security operation center to gain end-to-end visibility of our systems, which we achieved this year. This will enable us to provide better services and save the county money over the next five years.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). If we go with another company, the system will be unable to integrate. If we stay status quo, we would still have to pay for the support services but on a yearly bases with no benefits of that come from the E.A,

## SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

<b>JUSTIFICATION</b>	Select an item from the following dropdown menu to justify why this is a sole source procurement.
<b>NECESSITY AND UNIQUE FEATURES</b>	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
<b>MARKET TESTING</b>	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
<b>AVAILABILITY</b>	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

**SCOPE**

This procedure details the responsibilities of the intake and fee collections process for both Sentinel and DuPage County.

**NEW CLIENT ENROLLMENT**

- 1.) Every new referral must have the required paperwork provided at the time of enrollment. If the entire referral package is not provided to the Sentinel Representative on the day of enrollment, the Sentinel Representative will notify the assigned probation officer via a Status Report of what information is missing.
- 2.) On the day of enrollment, the client will be instructed to contact the Sentinel representative and make the initial payment based on the type of Alcohol Monitoring Equipment required. If contact does not occur, and no later than 24 business hours following enrollment, the Sentinel Representative will contact the program participant and require an initial payment covering the first 14 days of the program. This payment will cover the first two weeks of program supervision.

**SENTINEL RESPONSIBILITIES**

- 2.) Daily, the Sentinel Representative will contact each participant who is currently delinquent and require a payment that brings the client current, plus an amount equal to two weeks in advance.
- 3.) The Sentinel Representative will deliver the following message to participants when calling for payment on fees:

**IF CLIENT CANNOT PAY OR CLAIMS TO BE HOMELESS**

- 1.) If a client claims that he/she cannot pay for program fees or states they are homeless, a Status Report will be immediately sent to the Supervising Officer requesting that the officer instruct Sentinel as to what steps will be taken by the Department. Regardless of which option below is chosen, a Status Report will summarize the decision. Options include:
  - a. Consider the client to be indigent and count the participant as part of the indigent allotment outlined in the contract (This is only an option if the indigent allotment has not been fully fulfilled).
  - b. Work out a payment plan with the participant and follow up to ensure all agreed fees will be paid prior to their program sentence ending.

**Participating Addendum Number for  
Electronic Monitoring Products and Services**

Between **DuPage County, IL** and

- c. Confirmation that the officer will contact the client within 24 hours and require payment within 24 hours for the first two weeks of the program.
- 2.) If the officer is contacted and indicates the client will pay within 24 hours and no payment is received, a Non-Compliance Report (NCR) will be submitted to the Supervising Officer outlining the client's failure to comply with program requirements. The NCR will also formally request that an Administrative Hearing with the client and the court occur.
    - a. Every Friday, a Financial Status Report will be provided to the DuPage Supervisors that identifies those individuals who are not in full compliance with their financial obligation.
    - b. For clients who owe more than \$140.00 and the participant has not abided by any payment schedule agreed to, there shall be a corresponding Non-Compliance Report submitted to the Supervising Officer requesting.
  - 3) It is agreed that once the ability to pay for services has been assessed, program participants who willfully do not pay the program fees at the time fees are due, will be subject to a supervisory meeting between Customer, its designated agent, Sentinel, and the participant to determine circumstances for non-payment. At the conclusion of any supervisory meeting, if it is determined the participant continues to have the ability to pay but continues with the willful non-payment of services for 14 days, they will be subject to revocation.

# **Flood-Simulation System Support for Salt Creek, East Branch DuPage River, and West Branch DuPage River in DuPage County, Illinois through November 2026**

## **CENTRAL MIDWEST WATER SCIENCE CENTER**

### **Summary**

The Salt Creek, East Branch DuPage River, and West Branch DuPage River are small headwater watersheds in northeastern Illinois. A near real-time streamflow simulation system has been developed and is being tested and enhanced by the USGS Central Midwest Water Science Center (CMWSC) in cooperation with the DuPage County Stormwater Management Department (DPC-SMD) to evaluate different rainfall amounts and/or structure operation scenarios.

### **Background/Introduction**

DuPage County, Illinois is highly urbanized and is one of five collar counties that border Chicago's Cook County in northeastern Illinois. The DuPage County Stormwater Management Department (DPC-SMD) selected continuous simulation and dynamic routing models for use in watershed analysis and floodplain mapping, instead of single-event steady-state models, so that the impacts of antecedent moisture on runoff volumes and peaks, non-uniform precipitation distributions, backwater, flood plain storage, and complex urban stream systems could be studied (County of DuPage, 2020). The County uses the Hydrologic Simulation Program – FORTRAN (HSPF) (U.S. Environmental Protection Agency, 2017) model for hydrologic modeling and the one-dimensional dynamic-wave model Full Equations (FEQ) (Franz, D.D., and Melching, C.S., 1997a) for hydraulic modeling and has developed models for the watersheds in the County.

The USGS CMWSC and DPC-SMD have continued a cooperative program that began in approximately 1985 to install and maintain a precipitation and streamflow gaging network. In 2025, the cooperative gaging network consisted of ten discharge sites (streamgages), three continuous stage sites, 30 tipping-bucket precipitation sites, and one Ott Pluvio precipitation gage site located throughout the county (fig 1). The DPC-SMD operates and maintains three

stage sites in the Salt Creek watershed at Irving Park Road, Elmhurst Quarry, and Harger Road; and one stage site in the West Branch DuPage River watershed at Fawell Dam.

**Figure 1.** Salt Creek, East Branch DuPage River, and West Branch DuPage River watersheds in Northeastern, Illinois.

The USGS CMSWC in cooperation with DPC-SMD started development in approximately 1997 of a near real-time streamflow simulation system for the Salt Creek watershed to evaluate different rainfall amounts and/or hydraulic structure operation scenarios. The near real-time streamflow simulation system uses existing HSPF and FEQ models furnished and used by DPC-SMD in watershed analysis and floodplain mapping studies. The models were modified for use in the simulation system, and programs were developed for retrieving and processing near real-time streamflow and precipitation data from the gaging network (Ortel and Martin, 2010; Bera, ScienceBase data releases), National Weather Service (NWS) Next Generation Radar (NEXRAD) Multisensor Precipitation Estimates (MPE) data (Bera and Ortel, 2018; Ortel and Spies, 2015), U.S. Department of Energy Argonne National Laboratory (ANL) meteorological data (Murphy, 2005; Murphy, 2006; Over and others, 2010; Bera, ScienceBase data releases), NWS precipitation and meteorological forecast data, and computation of potential evapotranspiration (PET) estimates (Murphy, 2005) using the retrieved meteorological data. The runoff time series generated by HSPF are input to the FEQ model for routing (Ishii and others, 1998). The GENERation and analysis of model simulation SCeNarios (GENSCN) (Kittle and others, 1998) module of the U.S. Environmental Protection Agency's Better Assessment Science Integrating Point and Non-point Sources (BASINS) (U.S. Environmental Protection Agency, 2017) system was utilized for data input, HSPF simulation, display of the meteorologic and hydrologic data, and for display and analysis of the observed and simulated stage and discharge hydrographs. The hydraulic model was also used to create a flood inundation map library for a 1.6 mile section of the Salt Creek (Soong and others, 2012).

The near real-time streamflow simulation system developed for the Salt Creek was applied to the West Branch DuPage River watershed in 2010 and the East Branch DuPage River watershed in 2018 by the USGS CMWSC in cooperation with the DPC-SMD. The Salt Creek watershed is 115 square miles to the downstream streamgage 05531500 (Salt Creek at Western Springs, IL) and contains several offline flood-control reservoirs whose operations can be optimized by using accurate estimates of the timing and elevation of flood peaks. The West Branch DuPage River watershed is 123 square miles to the downstream streamgage 05540130 (West Branch Du Page River near Naperville, IL) and contains one operable in-line dam. The East Branch DuPage River is 75.8 square miles to the downstream streamgage 05540250 (East Branch Du Page River at Bolingbrook, IL) and has a levee system and pump stations along a flood prone area but does not have flood-control structures to help reduce flood damages from major storm events.

The USGS CMSWC in cooperation with DPC-SMD has supported and documented the FEQ model (Franz and Melching, 1997a; Franz and Melching, 1997b), applied it in verification studies (Ishii and Turner, 1996; Turner and others, 1996), and developed utility software for data input and review (Ancalle and others, 2017; Ern and others, 2019) from approximately 1996 to present. As part of the flood simulation system development, an FEQ output file of computed water surface elevations and flows has been reformatted for input and display in HEC-RAS software (Brunner, 2016). HEC-RAS can be used with RAS Mapper to create inundation maps of the streamflow-simulation system water-surface profiles from the FEQ simulations.

## Problem

The highly urbanized land use in DuPage County combined with extreme hydrologic events such as high intensity or long duration rainfall can produce flooding that is a risk to life and property. In August 1987, extreme rainfall in the Chicago area flooded thousands of homes along the Des Plaines River and Salt Creek resulting in \$78 million in damages and parts of Cook and DuPage Counties being declared disaster areas (McCoppin, 2007). Continued urban growth in DuPage County since 1987 and the construction of additional flood control structures and updated hydrologic and hydraulic models necessitates ongoing testing, updates, and enhancements for a near real-time flood simulation system that utilizes real-time and forecast data to evaluate forecast precipitation and hydraulic structure operation scenarios. Real-time precipitation and streamflow data are needed to monitor local conditions and for streamflow simulation. This will allow for the simulation results to be based on the most current conditions in the watershed using up-to-date hydrologic and hydraulic models.

## Objectives and Scope

The USGS proposes to continue testing, updating, and enhancing flood-simulation systems for three watersheds in DuPage County according to the most current watershed conditions of Salt Creek, West Branch DuPage River, and East Branch DuPage River using updated hydrologic and hydraulic models and near real-time input data. The flood-simulation systems are comprised of furnished hydrologic (HSPF) and hydraulic (FEQ) models. The systems use real-time data from the USGS-DuPage County network streamgages, continuous stage gages, and precipitation gages. The system also utilizes NWS NEXRAD MPE precipitation data, NWS precipitation and meteorological forecast data, and ANL meteorological data in the simulations. Furnished stream stage data at DuPage County gages are compared to simulation results.

Study objectives include:

1. Maintain an existing USGS-DuPage County cooperative gage network of ten streamgages, three continuous stage gages, 31 precipitation gages, and one co-located webcam.
2. Testing and refinement of furnished hydrologic and hydraulic models for running in a near real-time continuous simulation system.
3. Update and enhance processes for real-time data acquisition, conversion, and filling of missing data from multiple agencies for input to hydrologic and hydraulic models and to verify model results.
4. Support for FEQ and FEQUTL, and support for HSPF recalibration processes.
5. Develop, update, and maintain web pages for custom data display.

## Relevance and Benefits

The gage network and flood simulation system updates will allow DuPage County managers and decision makers to evaluate alternative scenarios of forecast precipitation amounts and/or hydraulic structure operations to better prepare and respond to flooding risks and potentially reduce stormwater damages. It will provide emergency responders with a tool to protect life and property, and emergency responders and public works will have better anticipation of road

closures, evacuation areas, routes of egress, and overall planning during flooding. U.S. Geological Survey water mission goals addressed by this study include addressing the anticipation and response to water-related emergencies (flooding), prediction of changes in the quantity of water resources in response to land use and management changes and contributing to the advancement of hydrologic monitoring networks and delivery of timely hydrologic data (Everson and others, 2013).

## Approach

Five tasks will be completed to accomplish the objectives of this study. These tasks are: 1) network gage data collection and compilation, 2) model assessment and refinement, 3) near real-time scenario simulations and process updates, 4) hydraulic and hydrologic model updates and support, and 5) reporting. A general timeline for the completion of these tasks is provided in the Timeline and Budget section of this proposal.

### Task 1: Network Gage Data Collection

The USGS and DuPage County will maintain a gage network consisting of ten streamgages, three continuous stage gages, and 31 precipitation gages (table 1). The gage data are critical for running forecast simulations in near real-time and for model calibration. The gage data are published according to USGS standards and provide water data for the nation. The USGS and DuPage County will maintain one webcam located at USGS streamgage 05531175, Salt Creek at Wood Dale, IL, to provide visual confirmation of stream stage at a critical location.

#### Task 2. Model Assessment and Refinement to Maintain Continuous Simulation

The continuous-simulation time period spans multiple years; to reduce the computer run time the hydrologic model initial conditions will be periodically moved forward in time to maintain a simulation time span of nine months or less. The start and end dates of the hydraulic model simulations will be moved forward in conjunction with the hydrologic model. The hydraulic models will be modified as needed to prevent numerical breakdowns during low flow periods or sudden changes in flow, by adding cross sections, changing baseflow, or changing the numerical solution parameters. The hydraulic and hydrologic models will be periodically reviewed to help determine causes for differences between simulated and observed elevations and flows at streamgage sites. The hydraulic models also create output files that can be reformatted and input to HEC-RAS and RASmapper for creating inundation surfaces.

Currently (September 2025), the Salt Creek simulation system consists of an old set (four models from approximately 1995) and a new set of hydraulic models (15 models from approximately 2015). The system will be updated to not run the old models of the upper Salt Creek and Spring Brook tributary because they are primarily in Cook County; however, the old hydraulic model of the lower Salt Creek in DuPage County that uses a streamgage as an upstream boundary condition will continue to be run for results comparison with the new hydraulic models of the same area. A copy of the new set of hydraulic models for the upper Salt Creek and Spring Brook tributary will be modified to use stream gage data at Rolling Meadows and Elk Grove Village, respectively, as the upstream boundary condition. In the modified models, the streamflow upstream of the stream gage will be represented by the stream gage data, and the streamflow downstream of the stream gage will be represented by the HSPF hydrologic model. The new hydraulic models that use HSPF hydrologic modeling for the entire watershed will be ran in addition to the modified models for results comparison. The FEQ input file of the old version of the lower Salt Creek model will be reformatted to run using the latest version of FEQ so that all the Salt Creek hydraulic models use the same FEQ version.

### Task 3. Conduct Near Real-Time Scenario Simulations

The three forecast simulation systems (Salt Creek, East Branch DuPage River, and West Branch DuPage River) consist of scripts and programs that retrieve and process near real-time and forecast data, run hydrologic and hydraulic models, and create time-series graphs of the results at selected locations. The real-time scenario simulations consist of separate hydrologic simulations that are run using different precipitation data sources, precipitation gage data and NWS NEXRAD MPE data, and separate hydraulic simulations that use different upstream boundary conditions, for example data at different streamgage sites. The results can be compared between the two precipitation data sources and upstream boundary conditions. The simulation systems will be run daily using a scheduling program and the results will be reviewed two or more times per week by USGS CMWSC staff to check for data and simulation errors. Updates to resolve modeling issues will be sent to DPC-SMD staff. Annual updates of the Watershed Data Management (WDM) database of the processed input data will be published according to USGS standards.

The systems consist of 20-25 Perl scripts per system that retrieve and process data and/or execute other programs. Most of the scripts were developed more than 10 years ago and need to be refactored to remove obsolete code, reduce code complexity, and improve readability so that the scripts can be more easily maintained and/or updated to incorporate new functionality.

The USGS CMWSC maintains a Local Data Manager (LDM) connection with the NWS to receive NWS NEXRAD MPE data from the North Central River Forecast Center. The LDM connection is difficult to maintain and alternative methods for obtaining the NEXRAD MPE data are under review. The LDM may be replaced if a preferred alternative is found. Additionally, the CMWSC maintains a local web server and processed data are shared with the DPC-SMD using it. The use of the CMWSC web server will be replaced with a national USGS web server.

### Task 4. Hydraulic and Hydrologic Model Support

Support for the FEQ (Franz, D.D., and Melching, C.S., 1997a) and FEQUTL (Franz, D.D., and Melching, C.S. 1997b) programs will be provided. The FEQ and FEQUTL code for the latest versions will be made available on the USGS Git website (<https://code.usgs.gov>) and the FEQ and FEQUTL latest manuals will be included. Support for the utility software previously

developed by the USGS for data input and review (FEQinput and FEQ-GDI) will be provided but problems requiring source code modification and/or program recompilation are beyond the scope. Support provided will be limited in scope, for example answering questions on model application or providing existing support programs; support requiring an extensive time commitment may be conducted under separate agreement. The CMWSC maintains a local web server with FEQ and FEQUTL resources web pages. These web pages will be moved from the CMWSC web server (<https://il.water.usgs.gov/>) to an USGS national web server (<https://cm.water.usgs.gov/>) because the CMWSC web server may be decommissioned at a future date.

The computer programs and Graphical User Interface (GUI) to assist with HSPF recalibration due to land-use and precipitation changes using DPC-SMD hydrologic procedures will be maintained. The GUI is used to retrieve, process, review, and store the input data in a Watershed Data Management (WDM) database; disaggregate daily rainfall totals to hourly values; edit and run HSPF model input files; process and review the HSPF model results; and create a list of storm events for FEQ simulation. The GUI will be made available on the USGS Git website and a user's manual will be published. The programs and GUI used in the periodic recalibration of the HSPF model will be transferable to other studies that use HSPF.

#### Task 5. Reporting

Network gage data collected under Task 1 will be available on the USGS Water Data for the Nation (WDFN) web sites. Processed data used in the hydrologic simulations will be published as annual updates to USGS ScienceBase data releases (Bera and Over, 2025; Bera, 2025a; Bera, 2025b). The USGS CMWSC will move existing project web pages developed for the DPC-SMD from a CMWSC web server to an USGS national web server. The USGS CMWSC will maintain and update a public web page at <https://cm.water.usgs.gov/data/precip/il> that contains USGS precipitation gage totals and NWS NEXRAD data for reviewing precipitation amounts and spatial distribution. The USGS CMWSC will also maintain web sites for sharing processed data for the streamflow simulation systems with DPC-SMD. The DPC-SMD maintains a public web page (County of DuPage, 2025) containing forecast discussions and recent simulation results for public dissemination.

## Quality Assurance Plan

Quality assurance (QA) measures will be followed to ensure the completeness of the information communicated during the study. The QA objectives for the collection and communication of information will:

- Withstand scientific scrutiny
- Be obtained by methods appropriate for its intended use, and
- Be representative and of known completeness and comparability.

Data used in the modeling process will be derived from reliable host sources, including the USGS WDFN system for precipitation, stage, and streamflow data, the U.S. Department of Energy ANL for meteorological data, and the NWS for forecast data. USGS streamflow and precipitation data will be collected and published as documented in Rantz (1982) and Office of

Surface Water (OSW) Technical Memorandum 2017.10. All digital data and models will be reviewed by USGS personnel to ensure proper documentation and technical standards documented in OSW Technical Notes 2015.03 and recent OSW guidance for hydraulic modeling studies documented in OSW Technical Notes 2015.37 and 2016.25. The models, modeling results, and data releases will be archived in accordance with OSW Technical Memorandum 2015.01 ([Model Archive Memo](#)). Policies and procedures for archiving Surface-Water data and project information also provided in the Central Midwest Water Science Center data management plans. The project and project budget will be reviewed by USGS management on a quarterly basis to ensure project timelines are met.

## Deliverables

USGS ScienceBase data releases will reflect annual updates for the Salt Creek database, West Branch DuPage River database, and Argonne National Laboratory meteorological database. Precipitation, stage, and streamflow data will be archived and available through the USGS WDFN web sites. Code repositories for the HSPF recalibration GUI, FEQ, and FEQUTL will be made available on <https://code.usgs.gov/>.

Dear Mr. Snyder:

The Illinois Department of Transportation (Department) is in receipt of DuPage County's (County) letter dated December 6, 2018 requesting state financial participation in two locally initiated improvement projects: Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road. The Department has reviewed your request and offers the following information.

The Department will consider state financial participation in the non-federal portion of the payable construction and construction engineering associated with the Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road improvements for approaches currently under the Department's jurisdiction. It is the Department's understanding that the County will be seeking Federal Surface Transportation Program (STP) funding through the DuPage Mayors and Managers Conference, or through the Shared Regional Fund, to allow for full funding of the County's projects.

Based on the cost estimates provided by the County, the anticipated costs for Phase I engineering are provided in the table below. The Department can provide fifty percent (50%) of the cost of the locally initiated Phase I engineering. These amounts can be made available in a program year to correspond with the County's schedule for Phase I engineering. Please note that a qualifications-based selection (QBS) process is required for the procurement of engineering services for federally funded projects.

JN-120-502

Project Location	Total Cost	County Participation	State Participation
Illinois Route 38 at Naperville Road	\$250,000	\$125,000	\$125,000

Mr. Christopher C. Snyder, P.E.  
December 20, 2018  
page two

The Department's anticipated maximum financial participation for the Phase I engineering in these locally initiated improvements shall not exceed \$300,000. Any increase in anticipated state financial participation resulting from refined costs estimated during the project development process must be requested in writing and approved prior to any additional expenditure. This will serve as Letter of Intent and will serve as a basis for the preparation of the future formal intergovernmental agreement for the improvements. The County will continue to act as the lead agency for these improvements and will continue to process this project through the District's Bureau of Local Roads and Streets. Future cost sharing in subsequent phases of work will be contingent upon the availability of federal funds and scope of work on the intersection approaches.

At the end of this letter, there is an area where you can state your concurrence to the state financial participation in this locally initiated improvement. Please indicate your concurrence and return an original signed copy of this letter at your earliest convenience.

If you have any questions or need additional information, please contact me or Mike Sullivan, Area Programmer, at (847) 705-4078.

Very truly yours.

DIV. OF TRANSPORTATION

Dear Mr. Snyder:

The Illinois Department of Transportation (Department) is in receipt of DuPage County's (County) letter dated December 6, 2018 requesting state financial participation in two locally initiated improvement projects: Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road. The Department has reviewed your request and offers the following information.

The Department will consider state financial participation in the non-federal portion of the payable construction and construction engineering associated with the Illinois Route 38 at Naperville Road and US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road improvements for approaches currently under the Department's jurisdiction. It is the Department's understanding that the County will be seeking Federal Surface Transportation Program (STP) funding through the DuPage Mayors and Managers Conference, or through the Shared Regional Fund, to allow for full funding of the County's projects.

Based on the cost estimates provided by the County, the anticipated costs for Phase I engineering are provided in the table below. The Department can provide fifty percent (50%) of the cost of the locally initiated Phase I engineering. These amounts can be made available in a program year to correspond with the County's schedule for Phase I engineering. Please note that a qualifications-based selection (QBS) process is required for the procurement of engineering services for federally funded projects.

	Project Location	Total Cost	County Participation	State Participation
JN-120-503	Illinois Route 38 at Naperville Road	\$250,000	\$125,000	\$125,000
JN-120-502	US Route 34 (Ogden Avenue) at Cross Street and at Finley/Belmont Road	\$350,000	\$175,000	\$175,000

Mr. Christopher C. Snyder, P.E.  
December 20, 2018  
page two

The Department's anticipated maximum financial participation for the Phase I engineering in these locally initiated improvements shall not exceed \$300,000. Any increase in anticipated state financial participation resulting from refined costs estimated during the project development process must be requested in writing and approved prior to any additional expenditure. This will serve as Letter of Intent and will serve as a basis for the preparation of the future formal intergovernmental agreement for the improvements. The County will continue to act as the lead agency for these improvements and will continue to process this project through the District's Bureau of Local Roads and Streets. Future cost sharing in subsequent phases of work will be contingent upon the availability of federal funds and scope of work on the intersection approaches.

At the end of this letter, there is an area where you can state your concurrence to the state financial participation in this locally initiated improvement. Please indicate your concurrence and return an original signed copy of this letter at your earliest convenience.

If you have any questions or need additional information, please contact me or Mike Sullivan, Area Programmer, at (847) 705-4078.

Very truly yours.

**SECTION 3: DECISION MEMO**

SOURCE SELECTION	Describe method used to select source. The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry and responses were received from 28 firms qualified to perform this work. Based on the review of the Statements of Interest, 3 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the firm's understanding of the project, strategies to ensure timely completion of the project, experience on similar projects, and experience of key personnel. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Thomas Engineering Group, LLC is qualified and has the staff available to perform the work on behalf of the County.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award a contract to Thomas Engineering Group, LLC. This is the recommended option. 2. In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, the CONSULTANT may at the COUNTY'S option have the responsibility to cure same under this provision.

## **11.0 BREACH OF CONTRACT**

11.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of the CONSULTANT'S sub-consultants shall be deemed a breach by CONSULTANT subject to the terms of this AGREEMENT.

## **12.0 OWNERSHIP OF DOCUMENTS**

- 12.2 The documents and materials made or maintained under this AGREEMENT shall be and will remain the property of the COUNTY which shall have the right to use same without restriction or limitation and without compensation to the CONSULTANT other than as provided in this AGREEMENT. The CONSULTANT waives any copyright interest in said deliverables.

- 13.2 The CONSULTANT, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, age, handicap, or national origin, or otherwise commit an unfair employment practice. The CONSULTANT, and sub-consultant(s), shall comply with the provisions of the Illinois Human Rights Act, as amended, 775 ILCS 5/1-101, et seq., and with all rules and regulations established by the Department of Human Rights.
- 13.3 The CONSULTANT, by its signature on this AGREEMENT, certifies that it has not been barred from being awarded a contract or subcontract under the Illinois Procurement Code, 30 ILCS 500/1-1, et seq.; and further certifies that it has not been barred from contracting with a unit of State or local government as a result of a violation of Section 33E-3 or 33E-4 of the Illinois Criminal Code (Illinois Compiled Statutes, Chapter 720, paragraph 5/33E-3).
- 13.4 The CONSULTANT, by its signature on this AGREEMENT, certifies that no payment, gratuity or offer of employment, except as permitted by the Illinois State Gift Ban Act and the County of DuPage Ethics Ordinance, was made by or to the CONSULTANT, or CONSULTANT'S personnel, in relation to this AGREEMENT. The CONSULTANT has also executed the attached Ethics Disclosure Statement that is made a part hereof and agrees to update contribution information on an ongoing basis during the life of the AGREEMENT as required by said Ordinance.

- 13.5 The CONSULTANT covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of the CONSULTANT'S services under this AGREEMENT.
- 13.6 **In accordance with the Vendor Information Reporting Act (35 ILCS 200/18-50.2), the COUNTY is required to collect and electronically publish data from all consultants and subconsultants as to:** (1) whether they are a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/.01 et seq.); and (2) whether the consultant or any subconsultants are self-certifying or whether they hold certifications for those above-referenced categories. If self-certifying, the consultants and subconsultants shall disclose whether they qualify as a small business under federal Small Business Administration standards. **In compliance with the Vendor Information Reporting Act, within 60 calendar days of the COUNTY's award of the contract for work covered under this AGREEMENT, the awarded consultant, and each subconsultant, must complete the Awarded Vendor Questionnaire (found at <https://mwv.dupageco.org/>).**

#### **15.0 TERM OF THIS AGREEMENT**

- 15.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

  - (b) The expiration of this AGREEMENT on May 31, 2028, or to a new date agreed upon by the parties, or

(c) The completion by the CONSULTANT and the COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before May 31, 2028.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above, or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

## **16.0 TERMINATION**

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

16.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, but they shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for services rendered prior to termination. There shall be no termination expenses.

16.3 Upon termination of the AGREEMENT, all data, work products, reports and documents produced because of this AGREEMENT shall become the property of the COUNTY. Further, the CONSULTANT shall provide all deliverables within fourteen (14) days of termination of this AGREEMENT in accordance with the other provisions of this AGREEMENT.

## **17.0 ENTIRE AGREEMENT**

- 17.2 There are no other covenants, warranties, representations, promises, conditions or understandings; either oral or written, other than those contained herein.
- 17.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.
- 17.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

## **18.0 ASSIGNMENT**

- 18.1 Either party may assign this AGREEMENT provided, however, the other party shall first approve such assignment, in writing.

## **19.0 SEVERABILITY**

- 19.1 In the event that any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. 22.1 The parties agree that the waiver of, or failure to enforce, any breach of this AGREEMENT shall not be construed, or otherwise operate, as a waiver of any future breach of this AGREEMENT and shall not prevent the remaining party from enforcing this AGREEMENT with respect to a different breach.

## **23.0 FORCE MAJEURE**

23.1 Neither party shall be liable for any delay or non-performance of their obligations caused by any contingency beyond their control including but not limited to Acts of God, war, civil unrest, strikes, walkouts, fires or natural disasters.

DECISION MEMO REQUIRED        Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
PROFESSIONAL SERVICES EXCLUDED PER DUPAGE ORDINANCE (SECTION 2-353) AND 50 ILCS 510/2 (ARCHITECTS, ENGINEERS & LAND SURVEYORS)

<b>SECTION 3: DECISION MEMO</b>	
<b>SOURCE SELECTION</b>	Describe method used to select source. The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry and responses were received from 29 firms qualified to perform this work. Based on the review of the Statements of Interest, 3 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the firm's understanding of the project, strategies to ensure timely completion of the project, experience on similar projects, experience of key personnel and coordinating projects with multiple agencies. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Civiltech Engineering, Inc. is qualified and has the staff available to perform the work on behalf of the County.
<b>RECOMMENDATION AND TWO ALTERNATIVES</b>	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award a contract to Civiltech Engineering, Inc. This is the recommended option. 2. Contract with another firm. Not recommended due to staff's determination that Civiltech Engineering, Inc. is the most qualified. 3. Do not award a contract. Not recommended as the DOT does not possess the staff resources to perform this work and must contract for these services.

### SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

<b>JUSTIFICATION</b>	Select an item from the following dropdown menu to justify why this is a sole source procurement.
<b>NECESSITY AND UNIQUE FEATURES</b>	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
<b>MARKET TESTING</b>	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
<b>AVAILABILITY</b>	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

**INTERGOVERNMENTAL AGREEMENT FOR PARATRANSIT SERVICE –  
SENIOR GRANT PROGRAM**

This Intergovernmental Agreement for Paratransit Service – Senior Grant Program (“Agreement”) is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation (“Pace”), and the County of DuPage, a body politic and corporate of the State of Illinois (“County”).

Pace was established under the Regional Transportation Authority Act (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance.

The Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) authorizes and encourages intergovernmental cooperation.

The parties are units of local government within the meaning of article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) and have the power and authority to enter into this Agreement.

On January 24, 2006, the parties entered into an Intergovernmental Agreement for the creation of a coordinated paratransit program known as Ride DuPage (“Project”) in DuPage County, IL (“2006 IGA”).

County has requested that Pace provide paratransit service on behalf of County’s clients, constituents, and/or Project sponsors.

In consideration of the foregoing recitals, the mutual promises in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Effective Date.** This Agreement will be in effect beginning on December 1, 2025. If a party signs this Agreement but fails to date its signature, the date that the other party receives the signing party’s signature on this Agreement will be deemed to be the date that the signing party signed this Agreement.
2. **Service Description.** Demand response curb-to-curb paratransit service will be provided for eligible riders as described in Exhibit A (“Service”).
3. **Term and Termination.** This Agreement will remain in effect through November 30, 2026 unless earlier terminated by:
  - (a) County upon 60 days’ advance written notice to Pace;

- (b) Pace upon written notice to County in the event: (i) sufficient funds have not been appropriated to cover County's financial obligations to Pace under this Agreement or to any other agency funding the Service; (ii) Pace develops alternative public transportation services, which, as determined by Pace, will better meet the transportation needs of the public; or (iii) County fails to make payments as required by paragraph 6; or
- (c) the 2006 IGA ceasing to be in full force and effect.

Termination of this Agreement pursuant to paragraph 3(a) will be effective on the 60th day following Pace's receipt of County's notice. Termination of this Agreement pursuant to paragraph 3(b) will be effective upon County's receipt of Pace's notice. Termination of this Agreement pursuant to paragraph 3(c) will be effective upon the date that the 2006 IGA ceases to be in full force and effect.

4. **Service Provider.** Pace shall contract with one or more outside service provider(s) to provide the Service ("contracted outside service provider(s)"). Pace will not be responsible for any failure to provide the Service due to circumstances beyond the reasonable control of Pace and/or Pace's contracted outside service provider(s). Pace shall make every reasonable effort to have the Service restored as soon as practical. No fees will be charged by any contracted outside service provider for Service not performed.

5. **Reporting.** Pace shall provide County with electronic access to or, in the event electronic access is unavailable, a copy of the reports shown on Exhibit B. Pace, in its sole discretion, may design additional reports, as needed.

6. **Reimbursement.** County shall reimburse Pace monthly for the total expense incurred by Pace in providing the Service ("Total Expense") less any fare revenue from the Service ("County Reimbursement").

- (a) The Total Expense will equal the sum of the hourly Service expense and the per-trip Service expense. The hourly Service expense will be calculated by multiplying the number of vehicle revenue hours by the hourly rate charged to Pace by Pace's contracted outside provider(s) delivering the Service. The per-trip Service expense will be calculated on a trip-by-trip basis. The operating expense will be the aggregate of rates and/or fees charged to Pace by Pace's contracted outside service provider(s) delivering the Service.
- (b) The County Reimbursement will not exceed \$172,450. County will be responsible for promptly submitting written Service change requests to Pace to avoid exceeding that amount.
- (c) County shall pay Pace within 30 days after receiving the monthly bill for the County Reimbursement. County shall mail payment to:

Pace, the Suburban Bus Division of the Regional Transportation Authority  
550 W. Algonquin Road  
Arlington Heights, IL 60005  
Attention: Accounts Payable

7. **Independent Relationship.** Pace is an independent contractor and not an employee, agent, joint venture, or partner of County, and nothing in this Agreement will be construed as creating any other relationship between Pace and County or between any employee or agent of Pace and County. Pace employees will at all times remain employees of Pace, and Pace will be solely responsible for all aspects of their employment, including, without limitation, compensation, benefits, payment or withholding of taxes, Social Security, Medicare, unemployment or other insurance, and workers' compensation.

8. **Insurance.** Pace shall require its contracted outside service provider(s) providing the Service to obtain and maintain insurance coverage and furnish Pace with evidence of such coverage, including a certificate of insurance. Pace shall provide County with a copy of the certificate of insurance upon written request by County.

9. **Indemnification.** County shall indemnify, defend, and hold harmless Pace, the Regional Transportation Authority, and their respective directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from County's intentional or negligent acts or omissions concerning the performance of any of County's obligations under this Agreement. Pace shall indemnify, defend, and hold harmless County and County's directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from Pace's intentional or negligent acts or omissions concerning the performance of any of Pace's obligations under this Agreement. No party will be liable for or be required to indemnify another party, entity, or person indemnified under this paragraph 9 for claims based upon the intentional or negligent acts or omissions of third persons. Upon written notice by a party, entity, or person claiming indemnification ("Claimant") to the indemnifying party ("Indemnitor") regarding any claim which Claimant believes to be covered under this paragraph 9, Indemnitor shall appear and defend all suits brought upon such claim and shall pay all costs and expenses related to that claim, but Claimant will have the right, at Claimant's option and expense, to participate in the defense of any suit, without relieving Indemnitor of Indemnitor's obligations under this paragraph 9.

10. **Compliance with Laws.** The parties shall comply with all local, state, and federal laws, statutes, ordinances, regulations, and rules applicable to this Agreement, including but not limited to section 2-105(A)(4) of the Illinois Human Rights Act (775 ILCS 5/2-105(A)(4)).

11. **Headings.** The headings in this Agreement are for reference and convenience only and will not affect the meaning or interpretation of this Agreement.

12. **Waiver.** Failure of a party to exercise any right or pursue any remedy under this Agreement will not constitute a waiver of that right or remedy.

13. **Binding Effect.** This Agreement is binding upon the parties and their respective directors, officers, employees, agents, representatives, successors, and approved assigns.

14. **Entire Agreement.** This Agreement, including the introductory recitals and attached exhibits, which are hereby incorporated into and made a part of this Agreement, constitutes the entire agreement between the parties and supersedes any prior written or oral understandings, agreements, or representations between the parties that may have related in any way to the subject matter of this Agreement, and no other written or oral warranties, inducements, considerations,

**INTERGOVERNMENTAL AGREEMENT FOR PARATRANSIT SERVICE –  
SENIOR GRANT PROGRAM**

This Intergovernmental Agreement for Paratransit Service – Senior Grant Program (“Agreement”) is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation (“Pace”), and the County of DuPage, a body politic and corporate of the State of Illinois (“County”).

Pace was established under the Regional Transportation Authority Act (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance.

The Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) authorizes and encourages intergovernmental cooperation.

The parties are units of local government within the meaning of article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) and have the power and authority to enter into this Agreement.

On January 24, 2006, the parties entered into an Intergovernmental Agreement for the creation of a coordinated paratransit program known as Ride DuPage (“Project”) in DuPage County, IL (“2006 IGA”).

County has requested that Pace provide paratransit service on behalf of County’s clients, constituents, and/or Project sponsors.

In consideration of the foregoing recitals, the mutual promises in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Effective Date.** This Agreement will be in effect beginning on December 1, 2025. If a party signs this Agreement but fails to date its signature, the date that the other party receives the signing party’s signature on this Agreement will be deemed to be the date that the signing party signed this Agreement.
2. **Service Description.** Demand response curb-to-curb paratransit service will be provided for eligible riders as described in Exhibit A (“Service”).
3. **Term and Termination.** This Agreement will remain in effect through November 30, 2026 unless earlier terminated by:
  - (a) County upon 60 days’ advance written notice to Pace;

- (b) Pace upon written notice to County in the event: (i) sufficient funds have not been appropriated to cover County's financial obligations to Pace under this Agreement or to any other agency funding the Service; (ii) Pace develops alternative public transportation services, which, as determined by Pace, will better meet the transportation needs of the public; or (iii) County fails to make payments as required by paragraph 6; or
- (c) the 2006 IGA ceasing to be in full force and effect.

Termination of this Agreement pursuant to paragraph 3(a) will be effective on the 60th day following Pace's receipt of County's notice. Termination of this Agreement pursuant to paragraph 3(b) will be effective upon County's receipt of Pace's notice. Termination of this Agreement pursuant to paragraph 3(c) will be effective upon the date that the 2006 IGA ceases to be in full force and effect.

4. **Service Provider.** Pace shall contract with one or more outside service provider(s) to provide the Service ("contracted outside service provider(s)"). Pace will not be responsible for any failure to provide the Service due to circumstances beyond the reasonable control of Pace and/or Pace's contracted outside service provider(s). Pace shall make every reasonable effort to have the Service restored as soon as practical. No fees will be charged by any contracted outside service provider for Service not performed.

5. **Reporting.** Pace shall provide County with electronic access to or, in the event electronic access is unavailable, a copy of the reports shown on Exhibit B. Pace, in its sole discretion, may design additional reports, as needed.

6. **Reimbursement.** County shall reimburse Pace monthly for the total expense incurred by Pace in providing the Service ("Total Expense") less any fare revenue from the Service ("County Reimbursement").

- (a) The Total Expense will equal the sum of the hourly Service expense and the per-trip Service expense. The hourly Service expense will be calculated by multiplying the number of vehicle revenue hours by the hourly rate charged to Pace by Pace's contracted outside provider(s) delivering the Service. The per-trip Service expense will be calculated on a trip-by-trip basis. The operating expense will be the aggregate of rates and/or fees charged to Pace by Pace's contracted outside service provider(s) delivering the Service.
- (b) The County Reimbursement will not exceed \$172,450. County will be responsible for promptly submitting written Service change requests to Pace to avoid exceeding that amount.
- (c) County shall pay Pace within 30 days after receiving the monthly bill for the County Reimbursement. County shall mail payment to:

Pace, the Suburban Bus Division of the Regional Transportation Authority  
550 W. Algonquin Road  
Arlington Heights, IL 60005  
Attention: Accounts Payable

7. **Independent Relationship.** Pace is an independent contractor and not an employee, agent, joint venture, or partner of County, and nothing in this Agreement will be construed as creating any other relationship between Pace and County or between any employee or agent of Pace and County. Pace employees will at all times remain employees of Pace, and Pace will be solely responsible for all aspects of their employment, including, without limitation, compensation, benefits, payment or withholding of taxes, Social Security, Medicare, unemployment or other insurance, and workers' compensation.

8. **Insurance.** Pace shall require its contracted outside service provider(s) providing the Service to obtain and maintain insurance coverage and furnish Pace with evidence of such coverage, including a certificate of insurance. Pace shall provide County with a copy of the certificate of insurance upon written request by County.

9. **Indemnification.** County shall indemnify, defend, and hold harmless Pace, the Regional Transportation Authority, and their respective directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from County's intentional or negligent acts or omissions concerning the performance of any of County's obligations under this Agreement. Pace shall indemnify, defend, and hold harmless County and County's directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from Pace's intentional or negligent acts or omissions concerning the performance of any of Pace's obligations under this Agreement. No party will be liable for or be required to indemnify another party, entity, or person indemnified under this paragraph 9 for claims based upon the intentional or negligent acts or omissions of third persons. Upon written notice by a party, entity, or person claiming indemnification ("Claimant") to the indemnifying party ("Indemnitor") regarding any claim which Claimant believes to be covered under this paragraph 9, Indemnitor shall appear and defend all suits brought upon such claim and shall pay all costs and expenses related to that claim, but Claimant will have the right, at Claimant's option and expense, to participate in the defense of any suit, without relieving Indemnitor of Indemnitor's obligations under this paragraph 9.

10. **Compliance with Laws.** The parties shall comply with all local, state, and federal laws, statutes, ordinances, regulations, and rules applicable to this Agreement, including but not limited to section 2-105(A)(4) of the Illinois Human Rights Act (775 ILCS 5/2-105(A)(4)).

14. **Entire Agreement.** This Agreement, including the introductory recitals and attached exhibits, which are hereby incorporated into and made a part of this Agreement, constitutes the entire agreement between the parties and supersedes any prior written or oral understandings, agreements, or representations between the parties that may have related in any way to the subject matter of this Agreement, and no other written or oral warranties, inducements, considerations,

promises, representations, or interpretations, which are not expressly addressed in this Agreement, will be implied or impressed upon this Agreement.

15. **Conflict.** In the event of a conflict or ambiguity between the terms and conditions of this Agreement and any exhibit to this Agreement, the terms and conditions of this Agreement will control.

## INTERGOVERNMENTAL AGREEMENT FOR PARATRANSIT SERVICE

This Intergovernmental Agreement for Paratransit Service (“Agreement”) is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation (“Pace”), and the County of DuPage, a body politic and corporate of the State of Illinois (“County”).

Pace was established under the Regional Transportation Authority Act (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance.

The Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) authorizes and encourages intergovernmental cooperation.

The parties are units of local government within the meaning of article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) and have the power and authority to enter into this Agreement.

On January 24, 2006, the parties entered into an Intergovernmental Agreement for the creation of a coordinated paratransit program known as Ride DuPage (“Project”) in DuPage County, IL (“2006 IGA”).

County has requested that Pace provide paratransit service on behalf of County’s clients, constituents, and/or Project sponsors.

In consideration of the foregoing recitals, the mutual promises in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Effective Date.** This Agreement will be in effect beginning on December 1, 2025. If a party signs this Agreement but fails to date its signature, the date that the other party receives the signing party’s signature on this Agreement will be deemed to be the date that the signing party signed this Agreement.
2. **Service Description.** Demand response curb-to-curb paratransit service will be provided for eligible riders as described in Exhibit A (“Service”).
3. **Term and Termination.** This Agreement will remain in effect through November 30, 2026 unless earlier terminated by:
  - (a) County upon 60 days’ advance written notice to Pace;

- (b) Pace upon written notice to County in the event: (i) sufficient funds have not been appropriated to cover County's financial obligations to Pace under this Agreement or to any other agency funding the Service; (ii) Pace develops alternative public transportation services, which, as determined by Pace, will better meet the transportation needs of the public; or (iii) County fails to make payments as required by paragraph 6; or
- (c) the 2006 IGA ceasing to be in full force and effect.

Termination of this Agreement pursuant to paragraph 3(a) will be effective on the 60th day following Pace's receipt of County's notice. Termination of this Agreement pursuant to paragraph 3(b) will be effective upon County's receipt of Pace's notice. Termination of this Agreement pursuant to paragraph 3(c) will be effective upon the date that the 2006 IGA ceases to be in full force and effect.

4. **Service Provider.** Pace shall contract with one or more outside service provider(s) to provide the Service ("contracted outside service provider(s)"). Pace will not be responsible for any failure to provide the Service due to circumstances beyond the reasonable control of Pace and/or Pace's contracted outside service provider(s). Pace shall make every reasonable effort to have the Service restored as soon as practical. No fees will be charged by any contracted outside service provider for Service not performed.

5. **Reporting.** Pace shall provide County with electronic access to or, in the event electronic access is unavailable, a copy of the reports shown on Exhibit B. Pace, in its sole discretion, may design additional reports, as needed.

6. **Reimbursement and Pace Contribution.**

(a) **Reimbursement.** County shall reimburse Pace monthly for the total expense incurred by Pace in providing the Service ("Total Expense") less any fare revenue from the Service ("County Reimbursement").

(i) The Total Expense will equal the sum of the hourly Service expense and the per-trip Service expense. The hourly Service expense will be calculated by multiplying the number of vehicle revenue hours by the hourly rate charged to Pace by Pace's contracted outside provider(s) delivering the Service. The per-trip Service expense will be calculated on a trip-by-trip basis.

(ii) The County Reimbursement will not exceed \$690,000. County will be responsible for promptly submitting written Service change requests to Pace to avoid exceeding that amount.

(iii) County shall pay Pace within 30 days after receiving the monthly bill for the County Reimbursement. County shall mail payment to:

## INTERGOVERNMENTAL AGREEMENT FOR PARATRANSIT SERVICE

This Intergovernmental Agreement for Paratransit Service (“Agreement”) is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation (“Pace”), and the County of DuPage, a body politic and corporate of the State of Illinois (“County”).

Pace was established under the Regional Transportation Authority Act (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) authorizes units of local government to contract or otherwise associate among themselves in any manner not prohibited by law or ordinance.

The Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.) authorizes and encourages intergovernmental cooperation.

The parties are units of local government within the meaning of article VII, section 10 of the Constitution of the State of Illinois (Ill. Const. art. VII, § 10) and have the power and authority to enter into this Agreement.

On January 24, 2006, the parties entered into an Intergovernmental Agreement for the creation of a coordinated paratransit program known as Ride DuPage (“Project”) in DuPage County, IL (“2006 IGA”).

County has requested that Pace provide paratransit service on behalf of County’s clients, constituents, and/or Project sponsors.

In consideration of the foregoing recitals, the mutual promises in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Effective Date.** This Agreement will be in effect beginning on December 1, 2025. If a party signs this Agreement but fails to date its signature, the date that the other party receives the signing party’s signature on this Agreement will be deemed to be the date that the signing party signed this Agreement.
2. **Service Description.** Demand response curb-to-curb paratransit service will be provided for eligible riders as described in Exhibit A (“Service”).
3. **Term and Termination.** This Agreement will remain in effect through November 30, 2026 unless earlier terminated by:
  - (a) County upon 60 days’ advance written notice to Pace;

- (b) Pace upon written notice to County in the event: (i) sufficient funds have not been appropriated to cover County's financial obligations to Pace under this Agreement or to any other agency funding the Service; (ii) Pace develops alternative public transportation services, which, as determined by Pace, will better meet the transportation needs of the public; or (iii) County fails to make payments as required by paragraph 6; or
- (c) the 2006 IGA ceasing to be in full force and effect.

Termination of this Agreement pursuant to paragraph 3(a) will be effective on the 60th day following Pace's receipt of County's notice. Termination of this Agreement pursuant to paragraph 3(b) will be effective upon County's receipt of Pace's notice. Termination of this Agreement pursuant to paragraph 3(c) will be effective upon the date that the 2006 IGA ceases to be in full force and effect.

4. **Service Provider.** Pace shall contract with one or more outside service provider(s) to provide the Service ("contracted outside service provider(s)"). Pace will not be responsible for any failure to provide the Service due to circumstances beyond the reasonable control of Pace and/or Pace's contracted outside service provider(s). Pace shall make every reasonable effort to have the Service restored as soon as practical. No fees will be charged by any contracted outside service provider for Service not performed.

5. **Reporting.** Pace shall provide County with electronic access to or, in the event electronic access is unavailable, a copy of the reports shown on Exhibit B. Pace, in its sole discretion, may design additional reports, as needed.

6. **Reimbursement and Pace Contribution.**

- (a) **Reimbursement.** County shall reimburse Pace monthly for the total expense incurred by Pace in providing the Service ("Total Expense") less any fare revenue from the Service ("County Reimbursement").
  - (i) The Total Expense will equal the sum of the hourly Service expense and the per-trip Service expense. The hourly Service expense will be calculated by multiplying the number of vehicle revenue hours by the hourly rate charged to Pace by Pace's contracted outside provider(s) delivering the Service. The per-trip Service expense will be calculated on a trip-by-trip basis.
  - (ii) The County Reimbursement will not exceed \$690,000. County will be responsible for promptly submitting written Service change requests to Pace to avoid exceeding that amount.
  - (iii) County shall pay Pace within 30 days after receiving the monthly bill for the County Reimbursement. County shall mail payment to:

Pace, the Suburban Bus Division of the Regional Transportation Authority  
550 W. Algonquin Road  
Arlington Heights, IL 60005  
Attention: Accounts Payable

- (b) **Pace Contribution.** The Pace Contribution to County under this Agreement will be limited to:
- (i) a maximum annual (12-month) subsidy of \$292,673 and a one-time additional subsidy of \$43,901, for a total of \$336,574; and
  - (ii) 100% of the Mobility Management/Call Center Services annual (12-month) operating costs, which are covered by a federal grant to Pace, up to the budgeted total grant amount of \$241,274.

The annual Pace Contribution specified in paragraph 6(b)(i) will be calculated monthly at 75% of the Operating Deficit on a year-to-date basis.

7. **Independent Relationship.** Pace is an independent contractor and not an employee, agent, joint venture, or partner of County, and nothing in this Agreement will be construed as creating any other relationship between Pace and County or between any employee or agent of Pace and County. Pace employees will at all times remain employees of Pace, and Pace will be solely responsible for all aspects of their employment, including, without limitation, compensation, benefits, payment or withholding of taxes, Social Security, Medicare, unemployment or other insurance, and workers' compensation.

8. **Insurance.** Pace shall require its contracted outside service provider(s) providing the Service to obtain and maintain insurance coverage and furnish Pace with evidence of such coverage, including a certificate of insurance. Pace shall provide County with a copy of the certificate of insurance upon written request by County.

9. **Indemnification.** County shall indemnify, defend, and hold harmless Pace, the Regional Transportation Authority, and their respective directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from County's intentional or negligent acts or omissions concerning the performance of any of County's obligations under this Agreement. Pace shall indemnify, defend, and hold harmless County and County's directors, officers, employees, and agents from and against any and all liability, losses, damages, claims, suits, payments, settlements, judgments, demands, awards, expenses, and costs, including attorneys' fees, resulting from Pace's intentional or negligent acts or omissions concerning the performance of any of Pace's obligations under this Agreement. No party will be liable for or be required to indemnify another party, entity, or person indemnified under this paragraph 9 for claims based upon the intentional or negligent acts or omissions of third persons. Upon written notice by a party, entity, or person claiming indemnification ("Claimant") to the indemnifying party ("Indemnitor") regarding any claim which Claimant believes to be covered under this paragraph 9, Indemnitor shall appear and defend all suits brought upon such claim and shall pay all costs and expenses related to that claim, but Claimant will have the right, at Claimant's option and expense, to participate in the defense of any suit, without relieving Indemnitor of Indemnitor's obligations under this paragraph 9.

10. **Compliance with Laws.** The parties shall comply with all local, state, and federal laws, statutes, ordinances, regulations, and rules applicable to this Agreement, including but not limited to section 2-105(A)(4) of the Illinois Human Rights Act (775 ILCS 5/2-105(A)(4)).

11. **Headings.** The headings in this Agreement are for reference and convenience only and will not affect the meaning or interpretation of this Agreement.

12. **Waiver.** Failure of a party to exercise any right or pursue any remedy under this Agreement will not constitute a waiver of that right or remedy.

18. **Assignment.** No party may assign, delegate, or otherwise transfer all or part of its rights and obligations under this Agreement without the prior written consent of the other party.

19. **Amendment.** No changes, amendments, or modifications to this Agreement will be valid unless they are in writing and signed by the duly authorized signatory of each party.

Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. (c) **Financial Statement Audit.** If, during its fiscal year, Grantee expends less than \$1,000,000 in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) **Publicly-Traded Entities.** If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. **Performance of Audits.** For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. **Delinquent Reports.** When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

### **ARTICLE XIII TERMINATION; SUSPENSION; NON-COMPLIANCE**

#### 13.1. **Termination.**

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in Exhibit A, PART TWO or PART THREE.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIV  
SUBCONTRACTS/SUBAWARDS**

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

#### **ARTICLE XV NOTICE OF CHANGE**

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

#### **ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP**

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or

governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

#### ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

#### ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the

Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

#### **ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION**

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

#### **ARTICLE XX INSURANCE**

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in PART TWO or PART THREE.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

#### **ARTICLE XXI LAWSUITS AND INDEMNIFICATION**

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) Non-governmental entities. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

**ARTICLE XXII  
MISCELLANEOUS**

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 et seq. Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10 Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq.*) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees, costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. Code 7000.90 and ARTICLE XII ; (e) property management and disposition requirements established in 2 CFR 200.310 through 2 CFR 200.316 and ARTICLE XVIII; or (f) records related requirements pursuant to ARTICLE IX. 44 Ill. Admin. Code 7000.440.

EXHIBIT A

PROJECT DESCRIPTION

Grantee must complete the Award Activities described on this Exhibit A, the Deliverables and Milestones listed on Exhibit B and the Performance Measures listed on Exhibit D within the term of this Agreement, as provided in Paragraph 2.1, herein.

**AUTHORITY:** The Grantor is authorized to make this Award pursuant to statutes cited in the Program Objective below.

The purpose of this authority is as follows:

To provide grants for client services under a comprehensive low income energy assistance program which incorporates assistance in regards to utility services(LIHEAP), and energy conservation measures via weatherization, in an effort to ensure citizens have access to affordable energy services.

**PROJECT DESCRIPTION:**

Through the Low Income Home Energy Assistance Program (“LIHEAP”), Grantee shall assist eligible households with the costs of home energy by incorporating fuel assistance, home weatherization and other related measures in accordance with the current LIHEAP regulations and requirements.

Grant Funds will be allocated to Local Administering Agencies (individually, each a “Grantee”) to administer the LIHEAP on a local level, assisting low income residents in Illinois with energy and heating bills and providing other LIHEAP-related services. Grantee must comply with all LIHEAP regulations, requirements, policies and procedures set forth by federal and state laws and by Grantor including, but not limited to, the Grantor Office of Community Assistance (“OCA”) program manual(s), technical assistance memoranda, written directives, training, and any other guidance or instructions in connection with the LIHEAP.

Program Objective

Grantee must use Grant Funds provided under this Agreement for the LIHEAP to develop and implement a program to assist low income, Illinois residents conserve fuel and defray rising costs of energy as set forth in Exhibits A and B, herein. For carrying out such program objectives, the total compensation and reimbursement payable by the Grantor to the Grantee shall be in compliance with and not exceed the amount specified in the Budget (Attachment A). The Grantor shall distribute/pay the total amount of the Grant Funds to the Grantee in accordance with the Energy Assistance Act (305 ILCS 20/1 *et seq.*), applicable sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards (45 CFR Part 75), Subpart H of the Department of Health and Human Services Block Grant Regulations (45 CFR Part 96), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 establishing the Low Income Home Energy Assistance Act of 1981, the Federal Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)), the Illinois Administrative Rules (47 Ill. Admin. Code Part 100), and any other applicable regulations and policies promulgated by the federal and state governments and by the Grantor. The Grantee further agrees that this Agreement is subject to such modifications which the Grantor determines may be required by federal or state laws, rules, or regulations applicable to this Agreement. Any such modifications to this Agreement shall be incorporated in accordance with the applicable provisions herein, including but not limited to, paragraphs 5.2 and 6.2.

EXHIBIT B

DELIVERABLES OR MILESTONES

Grantee shall perform the following tasks, including but not limited to:

- Grantee shall make payments under this Award with respect to households with income, which does not exceed a level determined and communicated by Grantor.
- Grantee shall place top priority on outreach efforts to the elderly and disabled populations, but must not discriminate against any other population groups. Grantee must conduct outreach activities designed to ensure that eligible households are made aware of the assistance available under this Award, and any similar energy-related assistance available under the federal and state statutes and rules referenced in Exhibit A, herein, including Subpart H of the Department of Health and Human Services Energy Assistance Block Grant Regulations (45 CFR Part 96), Title XXVI of the Omnibus Budget Reconciliation Act of 1981 establishing the Low Income Home Energy Assistance Act of 1981 (the "Act"), the Federal Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)), the Energy Assistance Act (305 ILCS 20/1 *et seq.*), and the Illinois Administrative Rules (47 Ill. Admin. Code Part 100).
- Grantee shall coordinate activities under this Award with similar and related programs administered by the federal government and the State of Illinois, particularly low income energy-related programs relating to Community Services Block Grant Program, the Supplemental Security Income Program under Part A of Title IV of the Social Security Act, or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 (42 USC § 2701 (*see also* 42 USC § 8621 *et seq.*, Chapter 94, Subchapter II)) before the date of the enactment of the Act.
- Grantee shall provide, in a manner consistent with the efficient and timely payment of benefits, the highest level of assistance to those households which have the lowest incomes and the highest energy costs in relation to income, also taking into account the number of members in the household.
- Grantee shall establish procedures to notify each participating household of the amount of assistance paid on its behalf. Grantee shall assure that no payment is made to a home energy supplier unless the Grantee or the Grantor has a separate written agreement outlining the terms for the supplier's acceptance of such payment.
- Grantee shall provide assurances that owners and renters will be treated equitably under the LIHEAP.
- Grantee shall permit and cooperate with federal investigations undertaken in accordance with Section 8627 of the Low Income Home Energy Assistance Act of 1981 (42 USC § 8627).

If an appointment system is used, then it too should be described in detail in the implementation plan. Grantee shall maintain its detailed description of the intake/outreach processing and approval systems on file for the Grantor's review.
- Grantee shall respond in writing to all written technical assistance recommendations by the Grantor. The Grantee must submit all required reports to the Grantor, in the prescribed manner, by the required date of submission. PERFORMANCE MEASURES AND STANDARDS

Grantee's performance for this Award will be measured based on the LIHEAP and/or PIPP requirements, as applicable, that Grantor will review periodically during the Award Term, including, but not limited to the following:

1. Application Status Report (LH004):
  - Are GFE/CPR applications being processed (approved or denied) timely?
  - Are the applications in LAA Approved/Verified status that indicate the electronic communications stalled and the LAA needs to intervene?
  - Are there any LOF (Lack of Funds) applications the LAA should research and resolve?
  - Are there applications that have exceeded the 30-day timeframe to reach approved or denied for LIHEAP benefit status?
  - Are there crisis assistance applications that aren't processed within the 18/24 hour federally mandated timeframe?
  - Are there rejected applications that require LAA follow-up?
2. 90 Days Closeout Report (LH022): Applications on this report are past 30 days from the application date and therefore, out of compliance, and could be in jeopardy of being automatically denied by the LIHEAP database as "Application Lapsed."
3. Audit Invoices and Register Report (LH429): Does the LAA have unpaid registers that are more than 45 days from the Register Accepted date?
4. PIPP Finance Reports: These reports will be used to determine the timeliness of processing applications and paying vendors.

The Grantor reserves the right to deny any voucher request(s), at its discretion, based on lack of progress toward meeting the performance measures listed in Exhibit E. If the Grantee fails to meet any of the performance measures, and if deemed appropriate at the discretion of the Grantor, the Grant Funds may be decreased, and/or the Grantee may be responsible for the return of Grant Funds in the amount specified by the Grantor. The Grantor may initiate an Agreement modification(s) to de-obligate Grant Funds based on non-performance.

**EXHIBIT E**

**SPECIFIC CONDITIONS**

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

No Specific Conditions.

**PART TWO – GRANTOR-SPECIFIC TERMS**

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

**ARTICLE XXIII  
AUTHORIZED SIGNATORY**

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

**ARTICLE XXIV  
ADDITIONAL AUDIT PROVISIONS**

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

**ARTICLE XXV  
ADDITIONAL MONITORING PROVISIONS**

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

**ARTICLE XXVI  
ADDITIONAL INTEREST PROVISIONS**

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to \$500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above \$500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

**ARTICLE XXVII  
ADDITIONAL BUDGET PROVISIONS**

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

**ARTICLE XXVIII  
ADDITIONAL REPRESENTATIONS AND WARRANTIES**

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity

associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

#### ARTICLE XXIX

#### ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.* (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

**ARTICLE XXX**  
**ADDITIONAL MODIFICATION PROVISIONS**

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (Exhibits A, B and D).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (Exhibits A, B and D) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

**ARTICLE XXXI  
ADDITIONAL CONFLICT OF INTEREST PROVISIONS**

31.1. Bonus or Commission Prohibited. The Grantee shall not pay any bonus or commission for the purpose of obtaining the Grant Funds awarded under this Agreement.

**ARTICLE XXXII  
ADDITIONAL EQUIPMENT OR PROPERTY PROVISIONS**

32.1. Equipment Management. The Grantee is responsible for replacing or repairing equipment and materials purchased with Grant Funds that are lost, stolen, damaged, or destroyed. Any loss, damage or theft of equipment and materials must be investigated and fully documented, and immediately reported to the Grantor and, where appropriate, the appropriate law enforcement authorities.

32.2. Purchase of Real Property. If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

- (a) Cash payment of the entirety or a portion of the real property acquisition;
- (b) Cash Payment of a down payment for the acquisition;
- (c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or
- (d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

**ARTICLE XXXIII  
APPLICABLE STATUTES**

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). No Grant Funds will be paid to any trustee of a land trust, or any beneficiary or beneficiaries of a land trust, for any purpose relating to the land, which is the subject of such trust, any interest in such land, improvements to such land or use of such land unless an affidavit is first filed with the Grantor identifying each beneficiary of the land trust by name and address and defining such interest therein. This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 et seq.). The Grantee will not expend Grant Funds under this Agreement which result in the destruction, alteration, renovation, transfer or sale, or utilization of a historic property, structure or structures, or in the introduction of visual, audible or atmospheric elements to a historic property, structure or structures, which will result in the change in the character or use of any historic property, except as approved by the Illinois Department of Natural Resources, Historic Preservation Division. The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

33.3. Victims' Economic Security and Safety Act (820 ILCS 180 et seq.). If the Grantee has one (1) or more employees, it may not discharge or discriminate against an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence, for taking up to the allowable amount of leave from work to address the domestic violence, pursuant to the Victims' Economic Security and Safety Act. 820 ILCS 180/20(a)(2). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 et seq.). If the Grantee has one (1) or more employees, it is prohibited by the Equal Pay Act of 2003 from: (a) discriminating between employees by paying unequal wages on the basis of sex for doing the same or substantially similar work; (b) discriminating between employees by paying wages to an African-American employee at a rate less than the rate at which the Grantee pays wages to another employee who is not African-American for the same or substantially similar work; (c) remedying violations of the Equal Pay Act of 2003 by reducing the wages of other employees or discriminating against any employee exercising their rights under the Equal Pay Act of 2003; and (d) screening job applicants based on their current or prior wages or salary histories, or requesting or requiring a wage or salary history from an individual as a condition of employment or consideration for employment. Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.5. Steel Products Procurement Act (30 ILCS 565/1 et seq.). The Grantee, if applicable, hereby certifies that any steel products used or supplied in accordance with this Award for a public works project shall be manufactured or produced in the United States per the requirements of the Steel Products Procurement Act (30 ILCS 565/1 et seq.).

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 et seq.) and Personal Information Protection Act (815 ILCS 530/1 et seq.). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) Personal Information Defined. As used herein, "Personal Information" shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 ("PIPA").

(b) Protection of Personal Information. The Grantee must use at least reasonable care to protect the confidentiality of Personal Information that is collected or maintained as part of the Award activities and (i) not use any Personal Information for any purpose outside the scope of the Award activities and (ii) except as otherwise authorized by the Grantor in writing, limit access to Personal Information to those of its employees, contractors, and agents who need such access for purposes consistent with the Award Activities. If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) Security Assurances. Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) Breach Response. In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) Injunctive Relief. Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) Compelled Access or Disclosure. The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

**ARTICLE XXXIV  
ADDITIONAL MISCELLANEOUS PROVISIONS**

34.1. Workers' Compensation Insurance, Social Security, Retirement and Health Insurance Benefits, and Taxes. The Grantee must provide Workers' Compensation insurance where the same is required and accepts full responsibility for the payment of unemployment insurance, premiums for Workers' Compensation, Social Security and retirement and health insurance benefits, as well as all income tax deduction and any other taxes or payroll deductions required by law for its employees who are performing services specified by this Agreement.

The Grantee makes the following certifications as a condition of this Agreement. These certifications are required by State statute and are in addition to any certifications required by any federal funding source as set forth in this Agreement. Grantee's execution of this Agreement shall serve as its attestation that the certifications made herein are true and correct.

35.2. Federal, State and Local Laws; Tax Liabilities; State Agency Delinquencies. The Grantee is required to comply with all federal, state and local laws, including but not limited to the filing of any and all applicable tax returns. If Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor will disburse Grant Funds only if the Grantee enters into an installment payment agreement with the applicable tax authority and remains in good standing with that authority. Grantee is required to tender a copy of all relevant installment payment agreements to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. **The execution of this Agreement by the Grantee is its certification that: (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.**

35.3. Lien Waivers. If applicable, the Grantee must monitor construction to assure that necessary contractors' affidavits and waivers of mechanics liens are obtained prior to release of Grant Funds to contractors and subcontractors.

35.4. Grant for the Construction of Fixed Works. Grantee certifies that all Projects for the construction of fixed works which are financed in whole or in part with funds provided by this Agreement will be subject to the Prevailing Wage Act (820 ILCS 130/0.01 *et seq.*) unless the provisions of that Act exempt its application. In the

construction of the Projects, Grantee must comply with the requirements of the Prevailing Wage Act including, but not limited to: (a) paying the prevailing rate of wages required by the Illinois Department of Labor, or a court on review, to all laborers, workers and mechanics performing work with Grant Funds provided through this Agreement, (b) inserting into all contracts for such construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the Project must be paid to all laborers, workers, and mechanics performing work under this Award; and (c) requiring all bonds of contractors to include a provision as will guarantee the faithful performance of the prevailing wage clause as provided by contract.

36.4. Changes to Reporting Schedule. Changes to the schedules for periodic reporting, the external audit reports and the annual financial reports do not require a formal modification to this Agreement pursuant to Paragraph 22.4 and ARTICLE XXX, and may be changed unilaterally by the Grantor if necessitated by a change in the project schedule or at the discretion of the Grantor. The Grantee may not modify the reporting deliverable schedules in ARTICLES X, XI, XII and XXXVI unilaterally, and must obtain prior written approval from Grantor or the Grant Accountability and Transparency Unit of the Governor’s Office of Management and Budget, if applicable, to change any reporting deadlines.

#### **ARTICLE XXXVII GRANT-SPECIFIC TERMS/CONDITIONS**

37.1. This Agreement is issued contingent upon the Grantee’s successful completion of the 2026 Low-Income Home Energy Assistance Program (“LIHEAP”). Failure of the Grantee to comply with the terms and conditions of the 2026 LIHEAP Grant Agreement may result in termination of this Grant Agreement.

37.2. Federal Grant Requirements.

(a) In addition to the federal requirements set forth in Article VII, herein this Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for U.S. Department of Health and Human Services (“HHS”) awards at 45 CFR Part 75, which implement the language in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR 200, (the “Uniform Requirements”). For the avoidance of doubt, all references in this Agreement to any of the OMB Circulars are subject to the Uniform Requirements referenced herein.

(b) Grantee must also comply with the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. §§ 8621-8630), the federal LIHEAP block grant rules (45 CFR Part 96), the federal Energy Conservation and Production Act of 1976 (P.L. 94-385), the Energy Assistance Act (305 ILCS 20), the Illinois LIHEAP administrative rules (47 Ill. Admin. Code Part 100), and all related Grantor policies and procedures. Any specific exceptions to the Uniform Requirements adopted by HHS may be found at 2 CFR Part 300.

37.3. Administrative Costs. Pursuant to Article VII, herein Grantee shall receive reimbursement for Allowable Costs under the general Administrative, Client Assistance (solely for outreach purposes under HHS’ Assurance 16 as required by law), and Program Support cost budget categories at a ratio of allowable expenditure to amounts budgeted no higher than the ratio of total allowable client benefit expenditures to the total amounts budgeted in the Client Assistance cost budget categories. As an example, a grantee which expends 75% of the total budgeted Client Assistance funds will only be allowed to spend 75% of the amount budgeted for general Administrative, Client Assistance (solely for outreach purposes under Assurance 16), and Program Support, respectively.

37.4. Additional Reporting Requirements. In addition to the reporting requirements set forth in paragraphs 10.1, 11.1 and 36.3, herein, as applicable, the Grantee must provide the following additional reports to Grantor:

- (a) For each Award, a certified cost report must be submitted via the GRS Fiscal electronic reporting system prior to submitting a request for Grant Funds;
- (b) Programmatic reports as required by Grantor; and

- (c) Any additional reports requested from Grantee by the Grantor.

37.5. Method of Compensation.

(a) In addition to the payment requirements described in Article IV, herein the Grant Funds will be distributed in accordance with the invoice-voucher procedures of the Office of the State Comptroller. The first payment of Grant Funds will be for program initiation and will be based on the Grantee's reported obligation for the program's immediate cash needs. Thereafter, the Grant Funds will be distributed for the dual purpose of covering the allowable expenditures to date, as well as the immediate cash needs of the Grantee to operate the program under this Agreement in accordance with the financial management standards set forth in Article VII, herein.

(b) Costs allocated to this Award must conform to the HHS cost principles at 45 CFR Part 75 and as set forth in the Uniform Requirements, as applicable. Further, costs charged under this Agreement cannot exceed the total amount of this Award.

37.6. Additional Audit Requirements. In addition to the audit requirements in Article XII, herein Grantor reserves the right to conduct limited scope audits, at any time, of any Grant Funds expended under this Agreement or of the Grantee's agency-wide financial statements. Grantor has the right to examine Grantee's corporate books and records which may be necessary to test the allocation equity of Grant Funds and to determine the ability of the Grantee to safeguard the Grant Funds. The Grantee must fully cooperate, in a timely manner, in preparing for and conducting the audit and in the resolution of audit findings.

37.7. Non-Expendable Personal Property.

(a) Grantee must not purchase non-expendable personal property, including, but not limited to, federally-owned and exempt property, equipment and supplies (collectively referred to as "Non-Expendable Personal Property") costing **\$10,000** or more without Grantor's prior written approval.

(b) In addition to Article XVIII, herein the Grantee agrees to comply with the applicable property standards set forth in 45 CFR §§ 75.316–75.323, as specifically related to its organization, in the management of Non-Expendable Personal Property for authorized LIHEAP purposes under this Award. Specifically, as set forth under 45 CFR §§ 75.319 – 75.321, Non-Expendable Personal Property includes such property acquired under this Agreement and also such property transferred to this Agreement from prior Grant Agreements.

(c) The Grantee may hold title in its name to all Non-Expendable Personal Property purchased with Grant Funds for operation of the program subject to the following: It is understood and agreed to by the Grantee that all Non-Expendable Personal Property purchased by the Grantee with Grant Funds or received from the Grantor shall not be the property of the Grantee but must instead be held by the Grantee in trust for the benefit of the people of the State of Illinois. As such, the Non-Expendable Personal Property held by the Grantee is subject to the following conditions: (i) Grantee must use the equipment for the authorized purposes of this Award during the period of performance, or until the property is no longer needed for the purposes of this Award; (ii) Grantee shall not encumber the property without approval of the Grantor; and (iii) Grantee shall use and dispose of the property in accordance with 45 CFR 75.320 and paragraph 18.4, herein. Grantee must not sell, abandon or otherwise dispose of such Non-Expendable Personal Property without the prior written approval of Grantor.

(d) In accordance with 45 CFR §§ 75.320–75.321, Non-expendable Personal Property must be used for LIHEAP purposes, as required under this Agreement, for as long as needed. While being used on the program under this Award, Non-Expendable Personal Property may be made available for "shared

use” with other activities, provided that such use will not interfere with its primary use for the original purposes of LIHEAP prescribed under this Award. When no longer needed for the program, equipment may be used for other projects subject to Grantor’s written approval.

(e) The Grantee must maintain appropriate property records and annually conduct an inventory of all Non-Expendable Personal Property purchased with Grant Funds. Within thirty (30) days of receipt of purchased equipment, an “Equipment Acquisition Form” must be completed by Grantee and sent to Grantor. Upon the termination of the Agreement and upon the election of Grantor, the Grantee must surrender possession of such property to Grantor.

37.8. Procurement. Grantee shall follow the procurement standards as established in 45 CFR §§ 75.326 – 75.335.

37.9. Travel Costs.

(a) Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the Grantee performing duties/services related to this Agreement in accordance with 45 CFR 75.474. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the Grantee’s non-federally-funded activities and in accordance with the Grantee’s written travel reimbursement policies. Absent a policy, the Grantee must follow the rules of the Governor’s Travel Control Board. Notwithstanding the provisions of 45 CFR 75.444, travel costs of officials covered by that section are allowable with the prior written approval of the Federal awarding agency or Grantor when they are specifically related to the Federal award.

(b) Grantee must retain receipts on file as source documentation in accordance with Article VII, herein for travel expenses of its employees. Information on the federal domestic travel and per diem rates can be found at [www.gsa.gov](http://www.gsa.gov) and 41 CFR Subtitle F, Chapters 300-304. Grantee’s policy cannot exceed the federal travel and per diem rates. However, if Grantee is required to exceed the federal travel rate due to circumstances beyond Grantee’s control for the purpose of travel related to this Agreement, Grantee must seek an exception in writing from Grantor to exceed the federal rate.

37.10. Publication, Reproduction and Use of Material. In addition to Article XIX, herein no material produced in whole or in part under this Award shall be subject to copyright in the United States or in any other country. Grantor shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data or other materials prepared under the Agreement.

37.11. Debarment. In addition to Grantee’s certification in paragraph 3.5(j) and the representations and warranties in paragraph 28.1, herein Grantee must additionally certify that all contractors and subcontractors are in compliance with paragraphs 3.5(j) and 28.1 prior to engaging their services under this Agreement and must certify such compliance at least annually thereafter.

37.12. Bond and Depository Insurance Requirements.

(a) Pursuant to 45 CFR 75.304, Grantee must provide bonding for every officer, director or employee who handles Grant Funds under this Agreement. The amount of coverage must be the higher of **\$100,000** or the highest cash draw during the term of the Agreement.

(b) In accordance with the payment standards and requirements set forth in 45 CFR 75.305, Grantee must place Grant Funds in an insured account, whenever possible, that bears interest, unless exempted under 45 CFR 75.305(b)(8). In the event the Grantee's Grant Funds deposits exceed insured limits, the Grantee must require the depository to pledge securities sufficient to cover the uninsured exposure.

37.13. Real Property Expenditures Prohibited. Grantee expressly understands and agrees not to use Grant Funds for the purchase or improvement of land or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related repairs as authorized by Grantor) of any building, facility or other real property.

37.14. Additional Budget Modification Provisions.

(a) Grantee expressly understands and agrees that the total amount of Grant Funds available under this Award is contingent upon the Grantee's ability to spend the Grant Funds in accordance with the Budget, as submitted by Grantee and approved by Grantor, and incorporated herein as an attachment (the "Budget").

(b) Grantor reserves the right to establish an initial amount of Grant Funds available to Grantee based on programmatic performance in previous years. Modifications to the Grantee's Budget will be initiated by Grantor if: (i) the Client Assistance cost category has been expended; (ii) the Grantee fails to expend Grant Funds in accordance with the original Budget or a revised Budget previously approved by Grantor; or (iii) Grantor determines that additional Grant Funds are necessary.

(c) In accordance with Article VI, herein Grantee shall obtain prior approval from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 45 CFR 75.308, subject to the following:

- **Program Support:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 100 series sub-line items in the Program Support cost category of the Budget; provided, however, the cumulative allocation of Grant Funds for Program Support (total sum of each sub-line item) may not exceed the original allocation for the Program Support cost category and may not result in an increase to the total Budget (as originally approved by Grantor at application) without prior Grantor written approval. However, Grantee may *decrease* the allocation of Grant Funds in the Program Support cost category without seeking Grantor approval.
- **Client Benefits:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for the Client Benefits budget Line 0201 only. In no event may such transfers in this specific cost category result in an increase to the total Budget without prior Grantor written approval.
- **Direct Administrative Costs:** Pursuant to paragraph 27.1, herein Grantor hereby approves a variance up to 25% (or \$5,000, whichever is greater) for each of the 300 series sub-line items except Line 317 Indirect Costs in the Direct Administration cost category of the Budget. In no event may such transfers in this specific cost category result in an increase to the total Grant Budget or increase to the total original allocation for the Administration cost category [total of the combined amounts of the Direct Administrative and Indirect Costs lines] without prior Grantor written approval.

- **Indirect Costs:** Grantee is required to obtain prior Grantor written approval for any *increase* in allocation of Grant Funds to the Indirect Costs category in the Budget.

Any variance in cost categories or line items within the terms listed above shall not alter the requirement for formal modification of this Agreement when the goals, objectives and activities listed herein are measurably changed.

37.15. Fraud, Waste, Abuse or Misconduct.

(a) Grantee Reporting. Grantee shall report to the Grantor's program staff or the Grantor's Ethics Officer any suspected fraud, waste, abuse or misconduct associated with any LIHEAP service or function provided for under this Agreement by any parties directly or indirectly affiliated with this Agreement including, but not limited to, Grantee staff, Grantee subrecipients, Grantee subcontractors, Grantor employees or Grantor subrecipients. Grantee shall make this report as soon as practical after first suspecting fraud, waste, abuse or misconduct. In addition to reporting suspected fraud, waste, abuse or misconduct to the Grantor, Grantee may report the suspected behavior to any other relevant governmental entity, including, but not limited to, the Office of the Executive Inspector General for the Agencies of the Illinois Governor and the Illinois Attorney General. Grantee shall cooperate with all investigations of suspected fraud, waste, abuse or misconduct reported pursuant to this paragraph. Grantee also shall require its subrecipients affiliated with this Agreement to follow the requirements to report suspected fraud, waste, abuse or misconduct as set forth in this paragraph. Nothing in this paragraph precludes the Grantee or its subrecipients from establishing measures to maintain quality of services and control costs that are consistent with their usual business practices, conducting themselves in accordance with their respective legal or contractual obligations or taking internal personnel-related actions.

(b) Definitions.

(i) "Fraud" is generally defined as knowingly obtaining or attempting to obtain a benefit from or control over property of another person or entity by means of deception intended to benefit the deceiver or create a loss or potential liability to the other party.

(ii) "Abuse" is any activity that may not necessarily be fraudulent but is a misuse of resources through means which are inappropriate, outside acceptable standards of conduct or programmatically or economically unnecessary.

(iii) "Waste" is conduct that is not necessarily intentionally inappropriate but is reckless and generally not in conformity with sound business practices, which may include, but is not limited to, acts that deprive citizens and program participants reasonable value in connection with any government-funded activity due to an inappropriate act or omission by persons with control over government resources.

(c) Grantee Training. Grantee shall adhere to all required training and policies of Grantor's Office of Community Assistance regarding fraud, waste, abuse, and misconduct, including, but not limited to, ensuring that all of Grantee's employees and volunteers, and the employees and volunteers of Grantee's subrecipients, participate in annual training and certify participation in such annual training.

(d) Grantor Remedies. Grantor reserves the right to suspend Grantee's use of funds, terminate this Agreement, require the use of different Grantee staff, or take any other action permitted by law if the Grantor receives evidence of fraud, waste, abuse or misconduct by the Grantee, Grantee's staff, or Grantee's subrecipients or subcontractors or their staff related to this Award or any other State or federal award.

37.16. Billing Schedule. Notwithstanding the billing requirements set forth in paragraph 4.8 and the billing schedule set forth in paragraph 29.5, Grantee must submit any payment requests to Grantor within forty five (45) days after the grant end date. Failure to submit such payment requests timely will render the amounts billed an unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

Home Energy Savings Single-Family Utility Braided IHWAP Initiative

January 1, 2026

## INTRODUCTION

The Home Energy Savings – Braided IHWAP Initiative (“**Program**”) is sponsored by ComEd, Nicor Gas, North Shore Gas and Peoples Gas (the “**Utilities**”), and managed by Resource Innovations, Inc. (“**Company**”). The Program provides financial assistance (“**Incentives**”) to install eligible energy efficiency measures (“**Braided Retrofits**”) in existing single-family or multi-family homes with household incomes at or below 200% of Federal Poverty Level (“**Income Eligible**”) per IHWAP guidelines. Customers must meet the minimum income qualifications and be current residential delivery service customers of ComEd, and/or residential customers with natural gas service from Nicor Gas, North Shore Gas or Peoples Gas (“**Customers**”). The Program will be offered in coordination with the Illinois Home Weatherization Assistance Program (“**IHWAP**”). A detailed description of the Program is provided in **Exhibit 1 – Program Description**.

This Participating Agency Agreement (“**Agreement**”) between Resource Innovations, Inc. (“**Company**”) and DuPage County Community Services (“**Agency**”) sets forth the terms and conditions governing Agency’s participating in the Program. By signing this Agreement, Agency is agreeing to comply with and be bound by these terms. The Agreement may be extended or modified by written consent of the parties via an addendum.

## COMPANY ROLE

Company is the Program Implementer. The Program Implementer is the designated representative of the Utilities. Company and its subcontractor, the Illinois Association of Community Action Agencies (“**IACAA**”), are responsible for developing an Agency network and administrative process to support delivery of Braided Retrofit services to Income Eligible customers. Company and IACAA will provide Program oversight, process incentive requests from the Agency, conduct quality assurance trainings, and provide general support to the Agency for successful participation in the Program.

## AGENCY ROLE

To qualify as an agency authorized to participate in the Program, Agency must complete **Exhibit 2 – Applicant Information Forms**. Company reserves the right to deny applications at its sole discretion.

Agency is responsible for Program promotion and marketing in collaboration with Company and/or the Utilities, Customer enrollment, intake and scheduling of the assessment, completing the in-home assessment, scoping and specifying Braided Retrofit projects, managing installation of energy efficiency measures, combustion safety testing, following Program-provided safety protocols and coordinating quality assurance and control activities with Company and/or its designated representative. Agency shall be responsible for the proper disposal of all materials, including any hazardous material when applicable.

The Program offers eligible Customers Braided Retrofits at no-cost to the Customer. Agency will conduct an assessment of eligible Customer homes, develop a work order with eligible Program measures and obtain a signed customer authorization form. Agency is responsible for entering all required project details and submitting Program required documentation in the Data Collection Tool (DCT) provided by the Program. Upon completion of the project, Agency will submit the signed customer authorization form, invoices, and final inspection report to Company via the DCT. Invoices will include Program eligible measures and measure-level costs from the measure catalog approved by IHWAP.

Agency shall treat all customers fairly and attempt in good faith to deliver promised services in a timely, respectful, and responsible manner. Failure to adhere to generally accepted principals of professional conduct may result in Agency being excluded from participation in the Program.

Agency shall conduct themselves in a professional, respectful, and reasonable manner when interacting with any Utility, Company, Customer, or affiliated Program staff. Agency shall not engage in behavior that adversely

impacts the Utilities or Company, tarnishes their service marks, and/or diminishes the profession or service in the eyes of the public. Failure to adhere to generally accepted principals of professional courtesy may result in Agency being excluded from participation in the Program.

“**Subcontractors**” are service providers, installation contractors, or any other individual or entity engaged by Agency to perform Program work on behalf of Agency pursuant to this Agreement. If Agency uses a third-party Subcontractor for any of the Braided Retrofit measure installations, Agency must complete **Exhibit 2b – Subcontractor Information**.

To the extent permitted by law, Agency shall be fully responsible for all work performed by any Subcontractor and its employees, their compliance with all applicable terms and conditions of the Program and this Agreement, compliance with any plans or specifications, the professional interaction of Subcontractor and its employees with Customers, the required quality of the work, the costs of any subcontracted work and to ensure that there is no gap between the work of individual Subcontractors in any instance. Agency shall be solely responsible to pay all Subcontractors for their respective work on each project and shall promptly pay each Subcontractor amounts owed to such Subcontractor.

## ACCEPTABLE PRACTICE

Agency must comply with the Program standards, processes and procedures outlined in the following exhibits to the Agreement.

- Exhibit 1 – Program Description
- Exhibit 3 – Illinois Home Weatherization Assistance Program (IHWAP) – Program Operations Manual
- Exhibit 4 – Safety Guidelines
- Exhibit 6 - Illinois Home Weatherization Assistance Program (IHWAP) – Field Standards Manual

Exhibits 1, 3, 4, and 6 form the basis of “**Acceptable Practice**” for the Program that Agency must comply with to participate in the Program and to receive payment of incentives offered by the Program. Company reserves the right to exclude Agency from participating in the Program if Agency does not comply with the Acceptable Practices. Company may also withhold Incentive payments from Agency with Braided Retrofit projects that do not comply with Acceptable Practice.

## MANDATORY ORIENTATION

A management-level representative employed by Agency must attend a Program Orientation Meeting provided by Company. Company may deny payment of Incentives to Agency or exclude Agency from participation in the Program if this requirement is not met. The Program Orientation Meeting will include training on the Program Terms and Conditions and Acceptable Practice as outlined in Exhibits 1, 3, 4, and 6 of the Agreement.

## MARKETING

Company will collaborate with the Utilities to provide Program collateral, customer education and promotional materials, and website content to support Agency marketing and Customer enrollment efforts (“**Program Marketing Materials**”). Agency may only use approved Program Marketing Materials provided by the Program for the express purpose of promoting the Program and subject to Agency’s compliance with promotional guidelines provided in writing to Agency, if any. Agencies may propose to create supplemental marketing tactics for use in promoting the Program, subject to review and pre-approval in writing by Company before public release or use. Company will respond to requests for pre-approval of such marketing tactics within ten business days of receipt. Company reserves the right to exclude Agency from participation in the Program for failure to secure written pre-approval of marketing tactics from Company.

Agency must submit all supplemental marketing tactics for pre-approval to Company contact:

mmancuso@resource-innovations.com

## NAME AND LOGO USE

Agency agrees to allow their name and contact information to appear on participating agency lists that might be offered on the Program website and on other Program marketing materials.

For purposes of this Agreement, the “**Marks**” means any trademarks, service marks, corporate and program names, logos, designs of a Utility or its programs, including all intellectual property rights therein that are now or hereafter owned, claimed, adopted, acquired, or used by a Utility, its parent, subsidiaries, affiliated or related companies. Agency shall not use a Utility’s Marks or any other intellectual property capital of a Utility or its programs (including the Program Marketing Materials) without prior written consent of Company and the Utilities. Each Utility reserves all ownership rights in its respective Marks.

Failure to comply with the marketing and use of Marks requirements is grounds for suspension from the Program. If Agency is suspended from the Program or upon termination of this Agreement, Agency shall immediately cease all use of Marks and Program Marketing Materials.

## INCENTIVE PAYMENTS

The Utilities fund eligible Customer projects as outlined in the Customer Eligibility section of Exhibit 1. Company will issue incentive payments to Agency for approved projects after Company receives payment from the Utilities. Incentive payments will be made directly to Agency by Company. Agency is solely liable for payment of costs associated with performance of the Work. Agency must request payment of Incentives by submitting the completed project via the Program-provided tool. Payment of any incentives is contingent upon Agency’s compliance with Acceptable Practices. Company reserves the right to make final determination of customer eligibility, qualifying measures, Program compliance and final incentive amounts.

To be considered for payment, projects submitted by Agency must:

- Be submitted within 30 days following the project completion date, or by Thursday, **December 17, 2026**, whichever comes first.
- Have an electric and/or natural gas customer account number provided by the Utility(ies).
- Include eligible measures at the agreed upon cost-share with the IHWAP grants.
- Measure-level eligibility is contingent upon the equipment fuel and corresponding utility account(s), as detailed in Exhibit 1 – Program Description.

Project submissions are accepted on a first-come, first-served basis until **December 17, 2026** or until Program funds are no longer available. Once total funding available for the Program is exhausted within the Program Term, no further Incentive payments will be made for any Work completed in that Program Term. Agency must adhere to the Budget provided to Agency by Company to ensure available incentive funding for all projects prior to commencing work.

Company may withhold payment to Agency based on any failure to comply with any term, requirement, guideline, or expectation set forth in this Agreement, including without limitation, Acceptable Practices or for any of the following reasons:

1. Agency fails to submit project documentation or deliverables in accordance with Program documentation submission requirements or such submission, or a part thereof, is incomplete or inaccurate;
2. Nonconforming or defective work has not been corrected in a timely fashion;
3. Failed inspection, including inspections performed by OCA
4. Company has reasonable suspicion that Agency is involved in fraudulent activity.

If the Program identifies payment has been made to Agency which it is not entitled, Company, without prejudice to any other right or remedy, may, at any time and without notice to Contractor, set off or deduct from payments it owes to Agency against any liability for which Company determines Agency is liable to Company.

Neither Company nor the Utilities shall be responsible for any taxes that may be imposed on Agency, its subcontractors or customers as a result of receiving Incentives through the Program.

## AGENCY INCENTIVE ALLOCATIONS

This Agreement includes the Agency's initial incentive allocation ("**Budget**") as provided in the Budgets by Agency Table in Exhibit 5. Agency agrees to make every effort to utilize the full Budget for eligible projects participating in the Program, while managing participation within the Budget. Company is not responsible for Agency expenditures beyond the Budget, unless otherwise agreed to in writing by Company and Agency.

Company and Agency will monitor Agency's progress to the Budget during the Term of this Agreement. Company and Agency will reconcile monthly, at a minimum, actual expenditures against the Budget. When the Agency has forecasted a complete spend of the Budget, which the Company deems reasonable to achieve, an additional allocation to the Agency may be provided, at Company's discretion.

Company and Agencies participating in the Program will go through a mid-year fund utilization review which may result in a redistribution of funds among participating agencies and a change in Agency's Budget and savings goals. Once finalized, relevant agencies will sign a "Reallocation Notice" and will be responsible for the revised Budget and achieving savings goals as provided in the Reallocation Notice.

In the event Company and/or Agency forecast the Agency spending less than the Budget, and the Agency is unable to develop or achieve a reasonable plan of action to address the shortfall, Company may reallocate any or all of the remaining Budget away from the Agency to ensure the Company's goals are achieved.

## AGENCY REPORTING EXPECTATIONS

Agency will submit completed projects via the Program-provided tool, known as the Data Collection Tool (DCT), for incentive processing and payment. Agency will also report the below key reporting data and information to Company on an agreed-upon schedule. Failure to provide the below key reporting data and information to Company on the agreed-upon schedule may result in the termination of this Agreement and Agency's removal from the Program. Agency will provide the information to Company either via the Program-provided tool or via a mechanism established between Agency and Company.

Key reporting data and information:

- Project pipeline (e.g., number of planned assessments for month/year, number of assessments completed that are pending project scheduling, and number of scheduled project installations) on an ongoing basis via the DCT.

- Scheduled assessment and installation appointments on an ongoing basis via the DCT.
- Completed projects pending submittal data (e.g., installed but not yet inspected, inspected but not yet submitted) on an ongoing basis via the DCT.
- Forecasted number of completed project submissions to Company each calendar month, on a monthly basis, via SharePoint link provided by Company.
- Changes to the forecasted number of project submissions to Company on an ongoing basis via email.

Agency is responsible for maintaining records that demonstrate obtainment of the required technical credentials by its designated employee and will provide copies to Company upon request. Agency must notify the Program within 5 business days of a change in the status of staff that provided for Agency's compliance with technical credential requirements. Company reserves the right to exclude Agency from participation in the Program and deny Incentive payments for failure to meet the technical credential requirements of the Program.

Agency shall comply with, and cause its Subcontractors to comply with, as applicable, the requirements applicable to installers of energy efficiency measures under Section 16-128B of the Public Utilities Act ("Act") [220 ILCS 5/16-128B]<sup>1</sup> and 83 Ill. Adm. Code 462 ("Part 462")<sup>2</sup> and provide evidence of certification and good standing upon request by Company. Per the requirement, "An entity is only required to seek certification pursuant to Code Part 462 if the entity performs, while installing energy efficiency measures, electrical connections other than connections of class 2 circuits as defined in the National Electric Code effective August 24, 2016." Incentive payment may be contingent upon Agency and/or Subcontractor(s) completing the required certification.

## COMPLIANCE WITH LAWS

Agency and its Subcontractors, at their own expense, shall maintain any relevant licenses required by federal, state, county, or municipal governments or any other agencies for work in the trades undertaken in the Program. Agency shall abide by all local, state, and federal guidelines, applicable laws, building codes, and regulations; and perform work in accordance with the Program standards. Agency shall be fully responsible for their own employees and/or subcontractors, including but not limited to direction, supervision, discipline, training, compensation, tax withholdings, benefits, insurance, classification, and verification of work status.

The Agreement is subject to federal and state laws and regulations regarding nondiscrimination. As a material term of this Agreement, Agency agrees to comply with all such applicable laws and regulations. The terms and provisions of the Equal Opportunity Clause, Sections 60-1.4, 250.4 and 741.4 of Chapter 60 of Title 41 of the Code of Federal Regulations, regarding "Nondiscrimination in Employment by Government Contractors and Subcontractors" are incorporated by reference and made a part of this Agreement. In addition, Agency agrees to comply with the provisions of 29 CFR Part 470. Upon request, Agency shall supply Company with a certificate demonstrating compliance with the foregoing.

- Worker's Compensation as required by applicable statutory code for all applicable federal and state laws.

## **WARRANTY**

Agency shall provide the property owner associated with the work with a written warranty on labor and materials for a minimum period as established by IHWAP protocols. Equipment and materials installed shall carry manufacturer's warranty, plus any extended warranty coverage, if applicable. Agency shall deliver the written warranty by leaving it affixed to a readily visible location and notifying the Customer of its location, or otherwise providing written documentation of warranty to the customer upon completion of the work.

## **MECHANIC'S LIENS**

To the extent allowed and provided under IHWAP, Agency shall keep each Customer's property free of liens and claims associated with the Work. Agency, in compliance with the Mechanic's Lien Act (770 ILCS 60), shall provide the customer with a signed statement listing all companies that provided services for the project. This will always include the Agency's own company and any subcontracted companies that worked on the project.

## **CONFIDENTIALITY AND SECURITY**

Reports, correspondence, and other documents relating to the Work are Company and the Utilities' property and are to be considered as proprietary and confidential during the Term of the agreement. Agency shall maintain

intellectual property rights in its self-created training materials or other created materials whose use in this Program is not specific to performing the obligation of this Agreement alone.

Agency agrees that in the course of participation in the Program, Agency may have access to or receive information relating to the Utilities' customers, including, without limitation, personal information, account information and energy usage data, obtained in connection with performance of any services as a result of this Agreement or arising out of the Program ("**Customer Information**") and proprietary information relating to Company's business that is not available to the general public ("**Internal Information**"), Internal Information together with Customer Information ("**Confidential Information**").

Agency agrees and covenants that during and subsequent to the term of this Agreement, Agency shall (a) maintain Confidential Information in the strictest confidence, and protect Confidential Information, including Agency systems containing Confidential Information from unauthorized use, access, disclosure, dissemination, or publication using the same degree of care which it uses to protect its own proprietary and confidential information of a like nature, but no less than a reasonable degree of care; (b) not use or access Confidential Information for any purpose whatsoever other than for the purpose of performing the services and fulfilling its obligations pursuant to this Agreement; (c) not disclose the Confidential Information to any person, firm, corporation or other entity other than to its employees and Subcontractors (i) who have a need to know such Confidential Information in order to perform Program services and then only to the extent necessary to carry out such services and (ii) who are bound by written confidentiality obligations no less protective than the terms contained herein. Agency shall at all times cause its employees and Subcontractors to abide strictly by Agency's obligations under this Agreement and its standard policies and procedures. Agency shall remain responsible for any breach of the obligations set forth in this Confidential Information section and any violation of any applicable privacy laws by Agency's employees and Subcontractors to the same extent as if Agency caused such breach or violation.

Agency represents and warrants that its creation, collection, receipt, access, use, storage, disposal, and disclosure of personal information does and will comply with all applicable federal and state privacy and data protection laws, as well as all other applicable regulations and directives.

In the event that Agency or its Subcontractors are requested or required to disclose any Confidential Information subject to this Agreement in a legal or regulatory proceeding, Agency shall provide the Company with prompt written notice of any such request or requirements in order to provide Company an opportunity to seek a protective order or other appropriate remedy. Agency shall cooperate with Company and its counsel in their efforts to prevent or limit such disclosure of Confidential Information.

Upon request or in any event within thirty (30) days of termination of its Agreement, Agency shall, and shall ensure all employees and Subcontractors, return or destroy all original and copies of Confidential Information which is in a physical form and delete or destroy any other records (including electronic records) containing Confidential Information, and certify in writing to Company that such Confidential Information has been returned or disposed of securely.

"**Security Incident**" means (a) any act or omission that compromises (which includes any unauthorized use, access or disclosure) the security or confidentiality of Confidential Information or Agency systems, or Company systems to which Agency has access, storing or processing Confidential Information; or (b) receipt of a complaint in relation to the privacy and data security practices of Agency. Agency shall notify Company within 3 hours, upon becoming aware of Security Incident and, at Agency's cost and expense, assist and cooperate with Company and the Utilities concerning any investigation, disclosures or notices to affected parties and other remedial measures as requested by the Utilities or Company or required under applicable privacy laws. Agency shall reimburse the Utilities and Company's reasonable costs and expenses, including without limitation, claims,

internal administrative costs, third-party fees and expenses (including attorneys and consultants) and any other costs or losses related to such access, disclosure, use, loss, corruption, compromise or destruction of Confidential Information. Agency shall not inform any third party of any Security Incident involving Confidential Information without first obtaining Company's prior written consent, other than to inform a complainant that the matter has been forwarded to Company's legal counsel. Further, Agency agrees that the parties shall mutually agree as to: (y) whether notice of the Security Incident is to be provided to any individuals, regulators, law enforcement agencies, consumer reporting agencies or others as required by law or regulation; and (z) the content of such notice, whether any type of remediation may be offered to affected persons, and the nature and extent of any such remediation.

Agency shall, and shall cause its Subcontractors, to implement and maintain a written information security program including appropriate policies, procedures, and risk assessments that are reviewed at least annually. Agency's information security program shall include administrative, physical, organizational, and technical safeguards to protect Confidential Information and systems storing or processing Confidential Information that are no less rigorous than accepted industry standards and practices for information security. Upon Company's written request, to confirm compliance with this Agreement, as well as any applicable laws and industry standards, Agency shall promptly and accurately complete a written information security questionnaire provided by Customer, or a third party on Company's behalf, regarding Agency's business practices and information technology environment in relation to all Confidential Information being handled and/or services being provided by Agency pursuant to this Agreement. Agency shall fully cooperate with such inquiries.

Agency acknowledges that disclosure or misuse of Confidential Information by the Agency, a Subcontractor or a Agency employee may result in irreparable harm to the Company or the Utilities, the amount of which may be difficult to ascertain and which could not be adequately compensated by monetary damages, and that therefore the Company or the Utilities is entitled to seek specific performance and/or injunctive relief to enforce compliance by the Agency with the terms of this Agreement. Such right of the Company and the Utilities shall be in addition to the remedies otherwise available at law and in equity or under this Agreement. The Agency agrees to waive any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief.

The obligations of this section shall survive any termination of this Agreement for a period of three (3) years provided, however, that any Confidential Information retained by Agency in accordance with any permitted exception herein shall remain subject to these obligations.

## INDEMNIFICATION AND LIMITATION OF LIABILITY

To the extent permitted by law, Agency shall defend, protect, indemnify and hold harmless Company, the Utilities and their respective affiliates, directors, employees, subcontractors, and agents (collectively, the "**Indemnified Parties**") against all claims, losses, damages, demands, judgments, causes of action, costs, expenses, (including attorney's fees and expenses) and liability of every kind and character whatsoever ("**Claims**") arising out of or incident to, or related in any way to, directly or indirectly, this Agreement or Agency's participation in the Program; provided however, that Agency shall not be required to indemnify and hold harmless any Indemnified Party against Claims adjudicated to have been caused by an Indemnified Party's sole negligence or willful misconduct.

Company's and the Utilities' total liability arising out of or related to this Agreement, regardless of the number of claims, will be limited to Agency's actual costs associated with providing goods and services under this Agreement, and Company, the Utilities and their respective directors, employees, agents, and subcontractors shall not be liable to Agency or any other party for any other obligation. To the fullest extent not prohibited by applicable law, in no event shall Company, the Utilities, or their respective directors, employees, agents, and

subcontractors be liable hereunder for any other type of damages, whether indirect, special, incidental, consequential, exemplary, reliance or punitive (even if advised of the possibility of such damages), including, without limitation, loss of use or loss of profits, regardless of the legal theory on which the claim is based, notwithstanding any other provision of this Agreement to the contrary.

## **WARRANTIES AND REPRESENTATIONS**

## Exhibit 1 – Program Description

The Home Energy Savings – Braided IHWAP Initiative (“**Program**”) is offered in partnership with the Illinois Home Weatherization Assistance Program (“**IHWAP**”), administered by the Office of Community Assistance (“**OCA**”). The Program leverages the existing operations and funding of IHWAP, while establishing a dedicated relationship with each participating agency. The Program strives to achieve greater customer participation within the income eligible segment, enhance the services, products and home improvements offered to each customer, and support each agency’s success in the Utilities’ energy efficiency portfolio.

### PROGRAM SERVICES

The Utilities, in collaboration with Agency, will offer income-eligible customers the following services at no-cost to the customer.

- Customer engagement, eligibility verification and enrollment
- Home energy assessment and home retrofit project scoping
- Direct installation of energy-saving products
- Installation of comprehensive home retrofit measures
- Quality assurance and quality control inspections

The Program and all services provided by Agency in the Program will adhere to IHWAP operations and standards, in addition to Program requirements and procedures as provided in this Agreement. IHWAP and Program requirements may be modified or updated during the Program year in collaboration with OCA. Agency shall comply with the most current version of such requirements provided to Agency in writing. Projects for which assessments have been completed and data entered into the Company’s data collection tool by Agency will be processed to completion under the terms and conditions in effect at the time of the project’s entry.

Agency will accept incoming customer inquiries and other customer referrals, conduct an income and utility account eligibility verification, and schedule the customer for an assessment. Agency will conduct an in-home assessment and comprehensive retrofit project scoping, including the installation of free and eligible energy-saving products. Following the scoping of a comprehensive project, if approved by the customer to move forward, Agency will schedule the customer for an installation appointment. Agency, using either qualified personnel or approved third-party installers that adhere to IHWAP and Program requirements, will install eligible weatherization and HVAC measures, and conduct necessary home repairs to facilitate the project, in the second visit.

### CUSTOMER ELIGIBILITY

The Program will serve existing single-family homes, which includes detached homes and attached homes, including duplexes, condominium tenant spaces, and other similar properties. Multi-unit complexes with less than three units per complex will serve each unit as a single-family home. The Program will serve multi-family properties with three or more units through the Agency, as outlined in **Exhibit 5 – Program Incentive Allocation and Funding**.

The Program is designed to serve income-eligible customers, with incomes up to 200% of Poverty Level in partnership with IHWAP, leveraging IHWAP funds as outlined in the following section.

Agency will adhere to fuel-source eligibility requirements for each customer, as defined by the Program in collaboration with OCA. In the event a project includes a measure that will not be funded through the cost-share with IHWAP and the Utility funding, the IHWAP grant(s) will cover 100% of the cost as long as the measure

qualifies for IHWAP. For example, for a customer who has Nicor Gas and natural gas heating and water heating, but has a municipal electric utility account (in place of ComEd), the IHWAP grant(s) will fully fund any qualifying LEDs and other electric-only saving measures. The measures with natural gas savings will be funded 50% by Nicor Gas, as defined in the following section.

Customer eligibility for each offer is defined as:

1. Customers with incomes up to 200% of Poverty Level will be served in partnership with IHWAP where possible, leveraging IHWAP funds as outlined in the following section.
  - a. Agencies should prioritize serving as many customers as possible leveraging both IHWAP and utility funding (i.e., “braided” projects).
2. Nicor Gas and municipal electric utility or Ameren Electric
  - a. Nicor Gas will fund 50% of the total project cost, with the exception of any electric-only measures (e.g. central air conditioners, window air conditioners, refrigerators, freezers and LEDs), which will be funded at 100% by the IHWAP grant(s).
3. ComEd only (electric-only, or an alternative heating fuel source, e.g., propane)
  - a. ComEd will fund 50% of the total project cost.

## MEASURE-LEVEL INCENTIVE CALCULATIONS AND BRAIDING IHWAP FUNDS

Agency will braid IHWAP and Utility funds for each eligible Agency-selected project, allocating 50% of the total project cost to the IHWAP grant(s) and 50% of the total project cost to the Utility funds. Agency may choose which projects to braid IHWAP and Utility funding throughout the year, but agrees to allocate funds at the full 50% allocation to each source (IHWAP grant or Utility funds) for all installed measures in the selected project.

The total project cost, also referred to as the “**True Grant Expenditure**,” includes the Materials and Labor cost, in addition to the Program Support and Administrative costs as defined and calculated by the associated IHWAP grant. The Utility funding will be matched one-for-one to the IHWAP grant amount allocated for that measure, as detailed below.

### State and Health and Human Services (HHS) Grants:

Agency will indicate, by measure, the total Material and Labor Cost amount allocated to the State and/or HHS Grants, which will then be funded by the Utility per the following calculation:

- **Total Material and Labor Cost** = (Material Cost + Labor Cost)
- **Program Support** = (Total Material and Labor Cost x Program Support (35%))
- **Total Administration** = (Total Material and Labor Cost + Program Support) x (State (8%) and HHS (6%) Administration)

**Utility Funded Amount = (Total Material and Labor Cost + Program Support + Total Administration) x 50%**

For example:

- **Total Material and Labor Cost** = (\$800 + \$200) = \$1,000
- **Program Support** = (\$1,000 x 35%) = \$350
- **Total Administration** = (\$1,000 + \$350) x 6% = \$81
- **Utility Funded Amount** = (\$1,000 + \$350 + \$81) x 50% = **\$715.50**

### **Department of Energy (DOE) Grants:**

Agency will indicate, by measure, the total Material and Labor Cost amount allocated to the DOE Grant, which will then be funded by the Utility per the following calculation:

- **Total Material and Labor Cost** = (Material Cost + Labor Cost)
- **Program Support** = (Total Material and Labor Cost x Program Support (35%))
- **Total Administration** = (Total Material and Labor Cost + Program Support) x (DOE Administration (7.5% or 12.5%, as defined below))
  - Agency with an annual DOE Grant allocation of up to \$350,000 receives 12.5% Administration, as directed by the Office of Community Assistance
  - Agency with an annual DOE Grant allocation of \$350,000 or more receives 7.5% Administration, as directed by the Office of Community Assistance

**Utility Funded Amount = (Total Material and Labor Cost + Program Support + Total Administration) x 50%**

For example, for an Agency with an annual DOE Grant allocation of up to \$350,000:

- **Total Material and Labor Cost** = (\$800 + \$200) = \$1,000
- **Program Support** = (\$1,000 x 35%) = \$350
- **Total Administration** = (\$1,000 + \$350) x 12.5% = \$1518.75
- **Utility Funded Amount** = (\$1,000 + \$350 + \$168.75) x 50% = **\$759.38**

For example, for an Agency with an annual DOE Grant allocation of more than \$350,000:

- **Total Material and Labor Cost** = (\$800 + \$200) = \$1,000
- **Program Support** = (\$1,000 x 35%) = \$350
- **Total Administration** = (\$1,000 + \$350) x 7.5% = \$101.25
- **Utility Funded Amount** = (\$1,000 + \$350 + \$101.25) x 50% = **\$725.63**

## **ADDITIONAL REQUIREMENTS AND EXPECTATIONS**

Agencies will be responsible for procuring products and materials that match product specifications and minimum expectations, as determined by the IHWAP requirements. The energy-saving products may be modified during the Program Year, which runs from January 1 to December 31, with sufficient time for the Agencies to procure the new product or material, and the required operations and procedures to be updated.

A post-installation inspection will be completed by the Agency's inspector for each completed project. A sampling of all completed projects will be inspected by the Program, as outlined in the Agreement.

The Program will work with each Agency on a plan to achieve the annual savings and spending goals of the Program. Additional funds may be allocated during the Program Year at the discretion of the Program. Payment of the incentive allocation is not guaranteed and is dependent on the Agency's ability to complete the necessary projects to spend the funds available.

The Program will monitor Agency activity and collaborate with the Agency, no less than monthly, to determine additional resources that may be required to achieve the Program targets (e.g., marketing support, training series for new staff, additional installation contractors, etc.). If the Agency forecasts achieving the savings and spending targets, and the Program finds the forecast reasonable, an additional incentive allocation may be provided to the Agency for use in the remainder of the Program Year. Alternatively, if the Agency is unable to

achieve the targets, previously provided incentive allocations may be redistributed to one or more Agencies upon written notice to the Agency, to ensure the Program achieves the full annual savings and spending goals.

The Program aims to achieve high customer satisfaction through quality program delivery. Agencies are expected to provide each customer with a high level of customer service. Agencies should strive to:

- Return all customer inquiries within 24 hours of receipt, either via phone or email
- Resolve all customer escalations and complaints within two business days of receipt
- Avoid damage to customer property and minimize the potential for accidents
- Maintain customer confidentiality and protect customer information provided to the Program at all times
- Provide customers with professional, courteous, high quality and customized interactions and services
- Achieve a 4.5 out of 5.0 on customer satisfaction surveys

The Program additionally strives to continually improve and enhance the services offered and internal operations and procedures. Each Program partner, including the participating agencies, will serve as key contributors for the necessary input and recommendations to continue improving the Program.

## **Exhibit 2 – Applicant Information Forms**

Exhibit 2 consists of Exhibit 2a – Participating Agency Information, which is required of all applicants, and Exhibit 2b – Subcontractor Information, which is required for each Subcontractor used by the Agency to fulfill the work associated with this Agreement.

Agency must complete Exhibit 2a – Participating Agency Information only if there are changes to the originally submitted form. If Agency uses a third-party contractor for any of the Braided measure installations under the Program, Agency must complete Exhibit 2b – Subcontractor Information, unless previously submitted and no changes apply.

## Exhibit 4 – Safety Guidelines

### INTRODUCTION

The Utilities and Company are committed to safety as the number one priority when delivering, implementing and overseeing the Home Energy Savings – Braided IHWAP Initiative (“**Program**”) for all contractors, subcontractors, customers and other program participants. As a Program partner, each Community Action Agency agrees to support the Program in this mission by implementing a comprehensive safety plan, monitoring operations for improvements, minimizing risks and hazardous conditions, and providing the proper training and resources to all staff working on the Program.

Each Agency is expected to be knowledgeable of and in compliance with all applicable laws, regulations and OSHA requirements pertaining to daily operations. Agency Staff must be properly trained and provided with sufficient time, resources and guidance to personally support the Agency’s safety mission during Program operations.

The Program reserves the right to suspend or disqualify an Agency from participation in the Program in the event minimum safety requirements are not met, and/or an Agency fails to remedy any situation or procedure that has been deemed unsafe.

This Safety Guidelines document is not comprehensive, and does not supersede any established or existing IHWAP, Agency or Installing Contractor safety guidelines, requirements or expectations. It is ultimately the Agency’s responsibility to fulfill and comply with all relevant safety requirements and regulations. The Program agrees to support the Agency in implementing and improving safe operations throughout the duration of the Program. Agency feedback and recommendations to the Program on improving safety standards and operations are encouraged and expected. The Program will provide regular safety tips, recommendations and reminders to the Agency in support of the safety mission.

### GENERAL GUIDELINES AND EXPECTATIONS

Agency shall adhere to all relevant Illinois Home Weatherization Assistance Program (“**IHWAP**”), organization and industry-standard safety protocols when providing services on behalf of the Program. Minimum expectations are established and outlined, below.

**Responsibility and Accountability:** Agency is ultimately responsible for providing a healthy and safe workplace for all Agency staff and any subcontractors working on the Program. Agency’s internal staff, subcontractor and/or contractor personnel, and any other staff working at each job site (“**Field Staff**”), including Assessors, Inspectors (as defined by IHWAP) and other staff who may interact with customers or visit customers’ homes, have a further obligation to comply with all safety protocols and instructions given by Agency, IHWAP and the Program, as applicable.

**Safety Plan:** Agency will develop and use a comprehensive safety plan (the “**Safety Plan**”) in all operations related to the implementation of the Program. The Safety Plan should include, at a minimum, the following safety requirements and guidelines:

- Environmental and occupational health and safety rules
- Job hazard identification protocols and mitigation strategies
- Safe driving practices
- Personal Protective Equipment (PPE) requirements and instructions for use
- Walk-away policies for unsafe conditions and situations
- Reporting and tracking procedures

**IHWAP and Industry Standards:** Agency will adhere to all IHWAP safety protocols, as well as any relevant industry standards applicable to Program operations. Agency agrees to advise fully all Field Staff, of the risks and all necessary environmental, safety, and health procedures, as applicable and required.

**Continuous Monitoring, Evaluation and Improvements:** Agency is expected to have a comprehensive monitoring and evaluation process to ensure and verify safety protocols are adhered to during Program operations. Agency will also have a feedback and improvement process to identify, address and further prevent deficiencies and gaps in safety protocols, with the goal of reducing the number of safety incidents and near-misses that happen during Program operations.

**Incident Handling:** Agency is expected to have a written process for handling incidents. In addition to reporting incidents as required to IHWAP, Agency agrees to adhere to the protocols outlined in the Community Action Agency Agreement – Safety section for reporting incidents to Company.

**OSHA Compliance:** Agency is responsible for being aware of and maintaining compliance with all applicable regulations established by the Occupational Safety and Health Association (OSHA) under the Federal Occupational Safety and Health Act of 1970 and the American National Standards Institute, and any applicable amendments or revision thereof whether associated with the furnishings or equipment and/or systems, the construction of facilities, the performance of services, or any other similar contractual relations.

## COMMUNITY ACTION AGENCY FIELD OPERATIONS

Agency will adhere to IHWAP Assessment Protocols and follow all relevant industry standards for safe operating procedures and protocols. Agency Assessors and Inspectors must be Training and Certification Program (TCP) certified within one year of employment as, specified in the IHWAP Program Operations Manual.

Agency will adhere to IHWAP, industry and Program safety standards while traveling to and from project sites, and while performing any and all Work associated with the Program.

Agency is expected to designate a responsible member of its organization at each work site who will enforce the Agency Safety Plan, identify opportunities for improvement in operations, track near-misses and incidents, and report any issues to the Program Manager or supervisor.

The Program recommends the Agency include a professional code or standards within the Agency Safety Plan to establish expected professional behavior on job sites for Field Staff.

Field Staff are required to follow all manufacturer guidelines and recommendations when installing measures and will practice caution when handling potentially hazardous materials and equipment.

Agency representatives and all Field Staff will train staff on and adhere to OSHA Safe Driving Practices for Employees<sup>3</sup> guidelines, and, as appropriate, institute other OSHA safe driving training and techniques, as found on the OSHA website<sup>4</sup>. In the event a driving incident occurs when traveling to, from or between customer sites, Agency will follow guidelines in the Community Action Agency Agreement – Safety section for reporting incidents to Resource Innovations.

Additionally, to further support safe driving, Agency is encouraged to instruct all staff to:

- Conduct a visual inspection of the vehicle prior to each use;
- Use well-maintained vehicles, free of defects and damage;
- As possible, avoid driving during inclement weather when unsafe driving conditions occur or are possible during the work-day;

---

<sup>3</sup> [https://www.osha.gov/Publications/Safe\\_Driving\\_Practices.pdf](https://www.osha.gov/Publications/Safe_Driving_Practices.pdf)

<sup>4</sup> [https://www.osha.gov/Publications/motor\\_vehicle\\_guide.html](https://www.osha.gov/Publications/motor_vehicle_guide.html)

- Take extra precaution while driving in inclement weather and use good judgment to determine whether it is safe to drive; and
- Allow sufficient time for travel, understanding a late arrival to a customer's home is preferable to unsafe or reckless driving.

Field Staff are expected to establish and support a safe working environment for themselves, as well as for other Field Staff and customers they may encounter (e.g., Agency staff, Assessors and Inspectors; Installing Contractor staff; household members and visitors). Field Staff will:

- Assess each work environment for potential hazards, resolve potential hazards prior to commencing work and not commence work if the hazard cannot sufficiently be resolved;
- Maintain a safe, tidy, and organized work environment;
- Look after their personal safety and well-being on project sites;
- Notify customers and other Field Staff of potential hazards;
- Keep all equipment safe and secured, well maintained, and in good working order;
- Only use equipment and tools that have been tested, are in good working order and are free of defects;
- Strive to eliminate or reduce risk of slips, trips, and falls by being aware of and correcting or resolving, as possible:
  - Uneven surfaces, hole in floors, carpet edges, drop-clothes or changes in floor surface level and
  - Ladders, equipment and other obstacles that may be present in the work area;
- Wear and/or use all relevant personal protective equipment (PPE) as determined by IHWAP, OSHA and/or industry standards, and be trained in its proper use; and
- Adhere to Agency walk-away protocols for unsafe conditions, environments or situations.

## Exhibit 5 – Program Incentive Allocation and Funding

### INCENTIVE ALLOCATION METHODOLOGY

Agency 2026 Incentive Allocations (“2026 Allocation(s)”) were developed with input from each Agency, based on capacity and potential, aligned with the Utilities’ priority of maximizing braided production across the network.

### INCENTIVE ALLOCATIONS

The initial allocations are based off the following information, with an annual Single-Family budget from the Utilities of \$4,755,094.

Agency will be responsible for managing project and measure-level costs within its Budget as outlined in the Budgets by Agency table below. Agency may also submit a request for additional braided Single-Family funding throughout the year, under the condition that at least 50% of planned Single-Family production is complete.

### AGENCY PARTICIPATION TARGETS

The 2026 Incentive Allocations correspond, by Agency, to the following electric savings (kWh) and natural gas savings (therms). These initial targets are intended to provide Agency with a target of the associated savings for the incentive funds that the Utilities aim to achieve in 2026. The Utilities will calculate, per the Illinois Technical Reference Manual, measure-level savings on behalf of Agency. Actual Agency results may vary, and Company will continuously monitor Agency participation and provide recommendations, as appropriate, in support of achieving these targets.

As a reference, for Single-Family production, the following targets were used:

ComEd kWh per project	Nicor Gas Therms per project	Peoples Gas Therms per project	North Shore Gas Therms per project
3,159 kWh	508 Therms	679 Therms	638 Therms

Community Action Agency	Targeted kWh (Electric Savings)	Targeted Therms (Natural Gas Savings)

## MEASURE-LEVEL INCENTIVES

The Utility(ies), via Company, will fund Agency for 50% of the True Grant Expenditure incurred by the Agency for each qualifying measure in an eligible Braided Retrofit home, subject to Agency's compliance with Program requirements and this Agreement. Agency will allocate IHWAP grant funds and/or invoice the Office of Community Assistance (OCA), per existing IHWAP protocols, for the remainder of the true grant expenditure at the measure level. As of the initial distribution of this Agreement, Agency must adhere to the existing IHWAP per-home, per-measure and per-measure category maximums or spending limits established in the IHWAP Operations Manual, inclusive of Utility incentive funds.

## RECONCILIATION PERIOD FUNDING

Utilities and Company may fund Agency for 50% of the True Grant Expenditure, as defined in Exhibit 1, for any qualifying projects installed on or after **January 1, 2026** but prior to the date this Agreement is executed.

Company will coordinate with OCA and Agency to determine the necessary steps to complete this Reconciliation Period Funding process, which may include, but is not limited to, establishing processes for:

1. Capturing the required data from OCA and/or the Agency,
2. Validating eligibility of Agency-installed projects and measures,
3. Updating the IHWAP system and accounting information for the Utility-funded amount, and
4. Funding Agency directly for the eligible Incentives

## AGENCY FORECASTS AND PRODUCTION COMMITMENTS

Agency agrees to spend 100% of its Budget outlined in this document, per the following guidelines:

1. Agency will develop a project pipeline schedule that reasonably achieves the monthly and quarterly commitments outlined in the Production Schedule below. Agency shall consider the customer intake, assessment, installation, and inspection volumes necessary to complete the targeted jobs within the schedule to ensure reasonable commitments are provided. Agency shall provide monthly forecasts based on Agency's ability to submit the full count of committed projects by the last project submittal date of the month. For example, Agency may commit two Braided IHWAP projects for the month of January 2026, which must be submitted no later than January 15, 2026 to be considered against the committed forecast.
2. Activity will be monitored each month, including, but not limited to:

- a. Agency shall provide a forecasted number of project submissions and estimated incentives to Company each calendar month, on a monthly basis, via SharePoint link provided by Company.
  - b. Company and Agency shall review all deviations (both overages and shortfalls) to the Production Schedule and determine whether further monthly or quarterly adjustments are needed to manage to the overall 2026 Allocation.
  - c. Agency shall provide monthly pipeline details, such as customer intake, assessment, installation and inspection targets, as requested by Company, to demonstrate the targets are reasonable and attainable.
  - d. Agency shall add projects to the Data Collection Tool after the project has been assessed, including customer / preliminary project information, estimated project cost, and estimated milestone dates (contractor assignment, installation, inspection, project submittal dates). Agency shall revise estimated milestone dates (contractor assignment, installation, inspection and project submittal dates) if the schedule changes and update the project with actual dates when the actual milestones occur.
3. Company and Agency will review actual activity from the prior months, in addition to the upcoming commitments, to determine any further adjustments that may be needed to ensure reasonable commitments are made for the remaining months within 2026.
  4. Agency shall notify Company of any anticipated shortfall in production, whether monthly, quarterly or for the full 2026 period, as soon as a shortfall is identified.
    - a. Company shall inquire no less than monthly on Agency’s pipeline schedule and confidence level in achieving the targets in the current Production Schedule.
  5. Upon identifying a shortfall, Company and Agency will work together to identify any opportunity for making up the shortfall within the month, quarter or year.
    - a. In the event Company and Agency agree that the shortfall cannot be made up by Agency, Agency shall relinquish the funding to Company for reallocation to another Agency or effort that can spend the available funding.
    - b. In the event Company and Agency agree that the shortfall can be made up by Agency, Agency shall provide a revised Production Schedule for the remainder of 2026 which outlines monthly commitments for all remaining months. Agency shall additionally provide monthly pipeline details, such as customer intake, assessment, installation and inspection targets, as requested by Company, to demonstrate the targets are reasonable and attainable.

Agencies shall complete and provide the following Production Schedule to Resource Innovations upon submittal of the signed Addendum, outlining the initial plan for spending the Agency Allocation.

GRANT AGREEMENT BETWEEN THE COUNTY OF DUPAGE  
AND THE CHILD FRIENDLY COURTS FOUNDATION  
FOR THE SAFE HARBOR CHILDREN'S WAITING ROOM  
IN THE AMOUNT OF \$106,000  
(ARPA INTEREST)

WHEREAS, the County of DuPage ("County") is a body corporate and politic; and

WHEREAS, the Child Friendly Courts Foundation ("Agency") is a 501(c)(3) organization that maintains a children's waiting room for children whose parents have business in the DuPage County courthouse, known as the Safe Harbor Children's Waiting Room; and

WHEREAS, the County and the Agency are hereafter sometimes referred to as the "Party" and collectively referred to herein as "the Parties"; and

WHEREAS, the Parties have prepared this Agreement to govern the distribution of the grant funds identified above.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties hereby agree as follows:

1. **Purpose of the Agreement.** The purpose of this Agreement is to reimburse the Agency up to \$106,000 to support the continuation of services provided by the Safe Harbor Children's Waiting Room to children whose parents have business before the 18<sup>th</sup> Judicial Circuit Court. The Agreement provides a process for the reimbursement of eligible expenses and a process for reporting on the funds in compliance with federal, state, and local requirements.
2. **Eligible Uses.** Funds appropriated by the County Board for disbursement under this Agreement shall be used to support the Agency's operating expenses for the Safe Harbor Children's Waiting Room for the period of December 1, 2025 through November 30, 2026.
3. **Recitals.** The recitals to this Agreement are incorporated as though set forth fully herein.
4. **Term.** This Agreement shall remain in effect through December 15, 2026. Sections 6, 7, 8, 9, 10, 11, 13, 14, 15 and 16 of this Agreement shall remain in effect indefinitely and shall survive the termination of this Agreement.

5. **Termination, Breach.** This Agreement may be terminated upon thirty (30) days' notice to the other Party with the written consent of the other Party. All terms of this Agreement shall be considered material terms and therefore all breaches shall be deemed material breaches. In the event of a breach of this Agreement by any Party, the non-breaching Party shall provide the breaching Party with written notice of the breach and shall provide a period of not less than thirty (30) days to cure said breach.
6. **Venue, Applicable Law.** The exclusive venue for disputes arising from this Agreement shall be the 18<sup>th</sup> Judicial Circuit Court, sitting in Wheaton, Illinois. This Agreement shall be governed by the laws of the State of Illinois.
7. **Payment.** The County agrees to reimburse the Agency up to \$106,000 for operational expenses related to the services provided by the Agency for the Safe Harbor Children's Waiting Room. For payments to be issued, the Agency must provide the County with a fully executed copy of this agreement, subsequently accompanied by monthly invoices.
8. **Report to the County.** The Agency shall submit monthly performance reports using the County's ARPA on-line portal. Said reports are due no later than 15 days after the end of the month. Reports shall include performance metrics and expenditure summaries. Performance reports shall include, but not be limited to, monthly data on: (i) the number of children served for the reporting month, and (ii) the cumulative number of children served. Expenditure summaries shall include monthly expenditures, cumulative expenditures and supporting documentation that verify these expenditures (i.e., bank statements, invoices, payroll ledgers, timesheets, and the Finance Department's payroll planning worksheet).
9. **Audit.** The use of these funds may be audited and reviewed by the Office of the County Auditor and external audit. The Agency agrees to retain and provide access to all financial records and documents related to this Agreement for a period of not less than seven (7) years for audit purposes.
10. **Review of Operations.** The County may monitor and conduct an evaluation of operations funded. An evaluation may include a visit from County personnel to observe and review the Agency's financial and program materials relating to the activities financed.
11. **Liquidated Damages.** If the cumulative expenditures in the final performance report are less than the amount awarded by the County to the Agency, then the County shall keep any unused funds in the ARPA Interest fund. Further, in the event that any entity authorized by law audits the County's

disbursal of these funds and determines that the funds disbursed to the Agency were used for purposes other than those permitted under this Agreement, the Agency agrees to indemnify the County and hold the County harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, related to the disbursal of funds to the Agency.

12. **Assignment.** Neither Party shall assign performance under this Agreement, nor shall either Party transfer any right or obligation under this Agreement without the express written approval of the County.
13. **Amendment.** Any amendment to the terms of this Agreement must be in writing and will not be effective until it has been executed and approved by the same Parties who approved and executed the original agreement or their successors in office.
14. **Waiver.** If the County fails to enforce any provision of this Agreement, that failure does not waive said provision or the County's right to enforce it.
15. **Sole Agreement.** This Agreement contains all negotiations between the County and the Agency. No other understanding regarding this grant Agreement, whether written or oral, may be used to bind either Party.
16. **Liability.** The Agency agrees to indemnify, save, and hold the County, its officers, agents and employees, harmless from any claims or causes of action, including attorney's fees incurred by the County, arising from the performance of this Agreement by the Agency, its officers, agents or employees. This clause will not be construed to bar any legal remedies the Agency may have for the County's failure to fulfill any of the County's obligations under this Agreement. Notwithstanding any provisions of this Agreement to the contrary, indemnification of this Agreement shall be limited to the Agency's allocation, less any amount returned to the County pursuant to Section 11 of this Agreement.

1. Justify the department’s need for this grant.

DuPage County has been taking active steps to address mental health and substance use issues across the justice system continuum. This includes re-entry and post-incarceration supports for individuals with mental health issues and the administration of Vivitrol prior to release. Collaboration between DuPage County Sheriffs Office and other professional organizations proving continued care would expand the services and opportunities to provide Medicated Assisted Recovery to inmates currently detained in the DuPage County Corrections Facility.

2. Based on the County’s Strategic Plan, which strategic imperative(s) correlate with funding opportunity. Provide a brief explanation.

The strategic imperative that best correlates with the funding opportunity is quality of life. This funding opportunity will not only assist in combating the heroin crisis by combining resources and providing MAR to inmates, but will also provide connections between those in need with physical and mental health assistance provided in multiple platforms. Services provided will be for incarcerated individuals to ensure continuity of care while in custody. These services will also assist individuals post-incarceration with developing coping mechanisms.

3. What is the period covered by the grant?

# Grant Proposal Notification

1. Justify the department’s need for this grant.

The DuPage County Sheriff’s Office has over 383 sworn Deputies and 12 Court Security Officers, all who need to wear protective gear. The type of protective gear is dependent on the Bureau current assignment for each deputy. Those assigned to Corrections will wear a level 2 ballistic/stab resistant vest and those assigned to Law Enforcement, Judicial Office Facility, SWAP, and the Warrants/Transport Bureau will wear a level 3 bulletproof vest. Each vest is uniquely fitted for each deputy to allow for ease of movement and proper breathing while protecting the wearer with ample coverage. These vests have a life span of five years. The protection the two vests offer are not interchangeable. The Sheriff’s Office has a policy on the Use and Care of Body Armor mandating members to wear body armor while performing their duties as a member of the Sheriff’s Office. Providing potential lifesaving protective gear has a large associated cost. The Sheriff’s Office must budget for approximately 100 new or replacement vests a year.

2. Based on the County’s Strategic Plan, which strategic imperative(s) correlate with funding opportunity. Provide a brief explanation.

The strategic imperative that correlate most to this funding opportunity is Quality of Life. By providing up-to-date, high quality, and compliance tested protective vests can save a deputies life. Either in the corrections facility if faced with an edged weapon or if shot at while protecting the citizens of DuPage County.
