Requesting Department: Division of Transportation	Department Contact: William Bell
Contact Email: william.bell@dupageco.org	Contact Phone: 630-407-6931
Vendor Name: Lakeside International	Vendor #: 24397

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

Requesting approval to increase contract 5608-1-SERV to purchase International replacement parts needed to repair the DOT Plow Trucks.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

Division of Transportation annually contracts for international repair and replacement parts. Due to DOT Fleet being fully staffed, we have transitioned many of our plow truck repairs from outside contracts to internal repairs. During winter preparations, expensive repairs were identified in many of our plow trucks requiring DOT Fleet to increase this parts contract to ensure plow trucks will be operational for the winter season. This increase will be significantly offset by savings in our outside repair contracts.

Strategic Impact

Quality of Life

Select one of the five strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

During the winter snow season, it is imperative that trucks are operational to plow. Acquiring these parts and performing the repairs will help ensure we have plow trucks readily available and operational to respond to winter weather events.

Source Selection/Vetting Information - Describe method used to select source.

Contract was awarded to low bidder #19-168-DOT.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

Division of Transportation staff recommends the increase as they have the replacement parts in stock and readily available for delivery. Bidding this would delay receipt of necessary replacement parts and completion of the winter get ready work prior to start of snow season.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

There is sufficient funds in the FY2023 budget for this increase.

WHEREAS, a cooperative intergovernmental agreement is appropriate and such an agreement is authorized and encouraged by Article 7, Section 10 of the Illinois Constitution and the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.).

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION

- 1.1. All recitals set forth above are incorporated herein and made part thereof, the same constituting the factual basis for this AGREEMENT.
- 1.2. The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 SCOPE OF PROJECT

- 2.1. The COUNTY and CITY agree to cooperate in and make every effort to cause the construction of the PROJECT.
- 2.2. The PROJECT includes construction of a modular block retaining wall and wood fencing along the southside right-of-way of CH 31/Plainfield Road at Cass Avenue and extending east to Linden Avenue and would be approximately 300 feet in length. Other related work would include, but not be limited to, partial removal of the existing retaining wall, tree and brush removal, filling gap between existing and proposed walls, and landscape restoration.

3.0 RESPONSIBILITIES OF THE CITY

- 3.1. The CITY shall act as the lead agency and be responsible for completing all preliminary and design engineering, permit processing, right-of-way acquisition, awarding of contract(s), utility coordination, construction engineering and construction for the PROJECT. The CITY shall be responsible for securing/paying for all PROJECT costs, subject to reimbursement from the COUNTY as noted in Section 4.0 herein below.

- 3.2. Both the COUNTY and CITY agree that the CITY shall manage the contract for the construction of the PROJECT. The CITY agrees to manage the PROJECT in the best interest of both parties and to consult with, and keep advised, officials of the COUNTY regarding the progress of the PROJECT and any problems encountered or changes recommended. No change order which affects COUNTY'S facilities, or COUNTY cost, except normal minor variations in quantities of pay items required to complete the PROJECT shall be authorized except with prior written approval by the COUNTY.
- 3.3. The CITY shall require the General Contractor selected for the PROJECT to name the COUNTY as an additional-insured for the Commercial General Liability in the Special Provisions section of the contract for the PROJECT.
- 3.4. The CITY shall provide plans for the PROJECT to the COUNTY for review. The CITY will address any reasonable comments or correct any errors submitted by the COUNTY after said review.

4.0 RESPONSIBILITIES OF THE COUNTY

- 4.1. The COUNTY agrees to reimburse the CITY for 50% of the actual construction cost for the PROJECT, COUNTY share estimated to be \$150,000.00 (see Exhibit A).
- 4.2. The COUNTY also agrees to reimburse the CITY for 50% of the actual design and construction engineering for the PROJECT, COUNTY share estimated to be \$37,500.00 (see Exhibit A). The COUNTY agrees to pay the CITY its share of design engineering costs upon award of a contract for construction or in accordance with Section 10.2.
- 4.3. The COUNTY agrees to pay the CITY eighty (80%) percent of its share of the PROJECT construction cost (\$120,000.00) upon award of the contract for the PROJECT based upon as-bid unit prices for the PROJECT. Upon completion of the PROJECT and based upon the documentation of final costs and quantities, submitted by the CITY and a final invoice, the COUNTY agrees to reimburse the CITY for the balance of its share of the PROJECT cost within sixty (60) days of receipt of a properly documented invoice from the CITY.
- 4.4. The COUNTY hereby grants to the CITY, its employees, contractors and agents a right-of-entry for ingress and egress onto, over, under and above the COUNTY property within the boundaries of the PROJECT for the purpose of constructing the PROJECT. The COUNTY shall retain the right of ingress and egress over said areas so long as it does

not interfere with the CITY's work. The CITY shall provide twenty-four (24) hour notice when it will be entering COUNTY property and commence work. Upon completion of the PROJECT, the right-of-entry shall terminate.

- 4.5. This AGREEMENT shall serve in lieu of COUNTY permit(s) for the construction of the PROJECT and upon execution of this AGREEMENT the CITY will be bound by the General Terms of Highway Permits as they exist on the date of execution of this AGREEMENT by the COUNTY.

5.0 MAINTENANCE

- 5.1. Upon completion of the PROJECT, the CITY shall own and be responsible for all future maintenance of the modular block retaining wall and wood fence.

6.0 INDEMNIFICATION

- 6.1. The COUNTY shall, indemnify, hold harmless and defend the CITY, its officials, officers, employees, and agents from and against all liability, claims, suits, demands, proceedings and action, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the COUNTY'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT to the extent permitted by law. The COUNTY does not hereby waive any defenses or immunity available to it with respect to third parties.
- 6.2. The CITY shall indemnify, hold harmless and defend the COUNTY, its officials, officers, employees, and agents from and against all liability, claims, suits, demands, proceedings and action, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the CITY'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT to the extent permitted by law. The CITY does not hereby waive any defenses or immunity available to it with respect to third parties.
- 6.3. The COUNTY and the CITY acknowledge that neither has made representations, assurances or guaranties regarding their or any successor's or assign's authority and legal capacity to indemnify the other as provided for in this AGREEMENT. In the event a court of competent jurisdiction holds that

either, or any successor or assign, is deemed to lack the lawful authority or ability to indemnify, defend or hold harmless the other party, or any person or entity claiming a right through either, or in the event of change in the laws of the State of Illinois governing their or any successor's or assign's indemnification authority, such occurrence(s) shall not affect the validity and enforceability of the remainder of this AGREEMENT or the parties rights and obligations provided for therein.

- 6.4. Nothing contained herein shall be construed as prohibiting either the COUNTY or the CITY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, 55 ILCS 5/3-9005, any attorney representing the COUNTY, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008. The COUNTY or the CITY'S participation in its defense shall not remove the others duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.
- 6.5. Neither party waives, releases or otherwise compromises, by these indemnity provisions, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) or otherwise available to it, or to the other party, under the law." There are no third-party beneficiaries of these mutual indemnifications or this AGREEMENT.
- 6.6. Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. Except with respect to occurrences arising before the completion of the Project, the CITY'S and COUNTY'S indemnification under Section 6.0 hereof shall terminate when the PROJECT is completed and the CITY and COUNTY assume its maintenance responsibilities as set forth in Section 5.0 hereof.

7.0 GENERAL

- 7.1. It is understood and agreed by the parties hereto that this AGREEMENT is intended to address the PROJECT and no changes to existing roadway and appurtenance maintenance and/or jurisdiction are proposed.

- 7.2 Whenever in this AGREEMENT, approval or review of either the COUNTY or CITY is provided for, said approval or review shall not be unreasonably delayed or withheld.
- 7.3 In the event of a dispute between the COUNTY and CITY representatives in the preparation of the plans and specifications, or changes thereto, or in carrying out the terms of this AGREEMENT, the County Engineer and the CITY Manager or their duly appointed representatives shall meet and resolve the issue.
- 7.4 No later than fourteen (14) days after the execution of this AGREEMENT, each party shall designate a representative to the other party who shall serve as the full-time representative of said party during the carrying out of the construction of the PROJECT. Each representative shall have authority, on behalf of such party, to receive notices and make inspections relating to the work covered in this AGREEMENT. Representatives shall be readily available to the other party.
- 7.5 This AGREEMENT may be executed in two or more counterparts, each of which shall be deemed an original and all of which shall be deemed one in the same instrument.

8.0 ENTIRE AGREEMENT

- 8.1. This AGREEMENT represents the entire AGREEMENT between the parties with respect to the PROJECT and supersedes all previous communications or understandings whether oral or written.

9.0 NOTICES

- 9.1.
