4. CHAIR REMARKS - CHAIR EVANS

Chair Evans began her remarks by informing the Committee of the following upcoming Budget Presentation schedule. On August 1, the Coroner's Office and the Office of Homeland Security and Emergency Management will be presenting their budget. Then, on August 15, the 18th Judicial Circuit Court Clerk will present its budget at the regular meeting at 8:00 AM. That same day, at a Special Call meeting at 1:00 PM, Budget Presentations will be offered by the 18th Judicial Circuit Court, the Sheriff's Office, the State's Attorney's Office and the Public Defender. Chair Evans looks forward to hearing these Budget Presentations and encouraged all Committee members to be in attendance.

In addition, Chair Evans advised the Committee of an item which will appear on the July 18 Finance Agenda pertaining to the Public Defender's compensation. It is required by statute that the Public Defender receive 90% of what the State's Attorney is compensated. The State's Attorney is receiving a cost of living adjustment (COLA) from the State, which necessitates that the Public Defender's salary be increased accordingly. Chair Evans further reported that 66-1/3% of the Public Defender's salary is reimbursed by the State.

As the investigation into the Father's Day shooting continues, Chair Evans alerted the Committee that requests for overtime compensation are likely to be coming forward from the Sheriff's Office. She thanked the law enforcement officials for the hard work they are doing and encouraged the Committee members to be supportive of their efforts.

Lastly, Chair Evans introduced Chief Marc Maton from the Lemont Police Department who presented the DuPage County Sheriff's Office with the 2023 Tier II Illinois Law Enforcement Accreditation Program (ILEAP) Award. This highly sought after award required intense amounts of work by the Sheriff's Office to ensure that their policies and procedures meet the established criteria set by the Illinois Association of Chiefs of Police. In addition to being the Chief of Police in Lemont, Chief Maton currently serves as the First Vice President of the Illinois Association of Chiefs of Police. Chief Maton gave a brief overview of what the Illinois Association of Chiefs of Police does as well as describe the requirements needed to be selected for the 2023 Tier II ILEAP Award. He then presented the award to Deputy Chief Dan Bilodeau and Megan Kupiszewski from the DuPage County Sheriff's Office. Member Brian Krajewski then asked Chief Maton how many of the 102 counties in Illinois are Tier II certified. Chief Maton responded that there are three counties.

Average monthly activity year-to-date is \$38K, compared to \$19K for the same period in FY22. Further, wages increased due to the MAP side letter agreement approved in March 2023. This is a budget neutral transfer because the general fund receives payment from the entities using the Sheriff's Detail services. Year-to-date receipts exceed the FY2023 budget. (Sheriff's Office)

The shortfall is amplified because the PBLC contract approved after the FY23 budget was submitted included significant increases in wage rates. (Sheriff's Office)

Member Yeena Yoo asked for clarification of the difference between the transfer requested in this item compared to the transfer requested in the previous item. She also stated that the dollar amount of this transfer is quite high. Deputy Chief Dan Bilodeau clarified the differences between the various accounts and explained that his office is requesting to internally transfer the funds they currently have between these accounts to eliminate the need to ask for additional funds for jail overtime. Member Mary Ozog asked whether this request is budget neutral and Deputy Chief Bilodeau confirmed that it is. Member Brian Krajewski inquired about contingency funds. Any work requests by Customer outside of the scope of the Project contained in the initial Order Form, Investment Summary or Statement of Work shall be billed on a time and materials basis or milestone basis as set forth in a subsequent Order Form or addendum signed by Customer and cFive and paid by Customer pursuant to the Invoicing and Payment Policy. Project scope changes must be approved in an Order Form or other addendum signed by Customer and cFive. cFive and Customer, acting through their respective project managers, will agree on a schedule for all Applicable cFive Deliverables to be documented in the Statement of Work or Order Form. In consideration for the commitment by cFive to assign staff to Customer's project in accordance with the agreed Project plan and schedule, Customer agrees to conform to all Project scheduling once confirmed by both parties' project managers and to diligently and timely review all materials provided by cFive (including, without limitation, all Applicable cFive Deliverables). Customer’s purchases are not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments made by cFive regarding future functionality or features of any Applicable cFive Deliverables.
2. **Term.** The term of this Agreement shall commence as of the Effective Date and continue for an initial period of four (4) years thereafter, provided that, subject to other provisions of this Section, absent a party providing the other party with written notice of termination no later than 90 days prior to the end of the then current term, the then current term shall automatically renew for subsequent one-year periods. Notwithstanding anything to the contrary in the immediately preceding sentence, the term of this Agreement shall in no event be less than (i) the longest term pursuant to which any Applicable cFive Deliverables are being provided, or (ii) the term of the Maintenance Agreement and/or Support Agreement as set forth in the Investment Summary or in the Maintenance Agreement and/or Support Agreement.
3. **Assistance.** The parties acknowledge that the implementation of the cFive Software, cFive Subscription and/or cFive Professional Services, and the ability to meet Project deadlines and other milestones in connection therewith, is a cooperative effort requiring the time and resources of personnel of both parties. The parties agree to use all reasonable efforts to cooperate with and assist

each other as may be reasonably required to meet the agreed upon Project deadlines and other milestones for the Project. This cooperation includes working together to schedule the implementation-related services outlined in this Agreement and any exhibits and schedules hereto.

4. **Project Delays.** In the event the Project or the delivery of any Applicable cFive Deliverables is delayed beyond the time set forth in the Investment Summary or any Order Form as a result of Customer's actions or failure to act, then cFive may, in its sole discretion upon notice to the Customer (and notwithstanding any other provision of this Agreement or any other document entered into in connection herewith), (a) increase the scope and amount of the cFive Professional Services (including, without limitation, any project management services) to be provided to Customer in relation to the Project, (b) increase the fees for such additional cFive Professional Services to the standard rates then charged by cFive, and (c) deem the commencement date for Applicable cFive Deliverables (including, without limitation, the commencement of the Maintenance Agreement and/or Support Agreement) impacted by such delay to occur as of the date such Applicable cFive Deliverables would have been delivered absent the occurrence of such delay; provided, however, that in the event there is a cap on the overall amount that Customer may be charged for Applicable cFive Deliverables that is legally binding against cFive, in lieu of exceeding such cap cFive may elect in its sole discretion upon notice to Customer to reduce the scope or term of any Applicable cFive Deliverables provided to Customer in order to implement any of cFive's rights pursuant to clauses (a), (b) and (c) in this Section.
5. **Escrow.** cFive will maintain the Escrow Agreement with a reputable escrow agent pursuant to which cFive has deposited the cFive Software and Documentation, including the source code for each major release of the cFive Software. The Customer agrees to complete a standard beneficiary enrollment form and to pay the annual beneficiary fee required to be a beneficiary of the Escrow Agreement. cFive will use commercially reasonable efforts to assist the Customer in becoming a beneficiary under the Escrow Agreement. Release of source code for the cFive Software is strictly governed by the terms of the Escrow Agreement.
6. **Invoicing and Payment.** cFive will invoice the Customer for all fees set forth in the Investment Summary and/or any Order Form per the Invoicing and Payment Policy, subject to Section 10.
7. **Invoice Disputes.** If the Customer disputes one or more fees identified on an invoice, because the fees relate to software or services that the Customer contends do not conform to the warranties in this Agreement or because the fees described therein are otherwise not consistent with this Agreement, the Customer will give cFive written notice within thirty (30) days of its receipt of the applicable invoice. The written notice must contain reasonable detail of the issues the Customer contends are in dispute so that cFive can confirm the issue and respond to the Customer's notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in the Customer's notice. cFive will work with the Customer as may be reasonably necessary to develop an action plan that outlines reasonable steps to be taken by each party to resolve any issues presented in the Customer's notice. The Customer may withhold payment of the amount(s) which are in good faith actually in dispute, and only those amounts, until cFive completes the action items outlined in the plan. If cFive is unable to complete the action items outlined in the action plan because of the Customer's failure to complete the items agreed to be done by the Customer, and the Customer does not rectify that failure within five days after cFive has notified the Customer of its failure to complete such items, then cFive may demand full payment of the invoice within thirty days. cFive reserves the right to suspend delivery of all services, including maintenance and support services, if the Customer fails to pay an invoice not disputed as described above within five days of notice of cFive's intent to do so. The Customer's payment of an invoice for delivered software or services does not constitute acceptance of cFive Software that subsequently is determined to have a Defect or cFive Subscription that are the subject of a warranty claim under Exhibit A of this Agreement.

8. **Overdue Accounts.** A late fee shall be charged by cFive on overdue accounts, and on any other fees and expenses not paid to cFive as provided under this Agreement and its exhibits and schedules, at the rate of one and one percent (1.00%) per month or part thereof commencing with the date payment was due unless such late fee is restricted, prohibited, or limited by applicable law. In the event that late fees are by law restricted, limited, or prohibited, the parties agree that the fees intended hereby will not exceed such legal limit and that neither party will hold the other liable for any unintended violation of such limits.
9. **Termination.** If a party has breached this Agreement, such party will invoke the dispute resolution clause set forth in Section 16. Either party may terminate this Agreement in the event the other party does not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the 90-day window set forth in Section 16. Any failure of Customer to timely make payments as required by this Agreement and the other documents entered into in connection herewith shall be a material breach of this Agreement and, notwithstanding any other provision of this Agreement to the contrary and in addition to such other rights as cFive may have, should non-payment continue for a period of 30 days past the date of delivery of the applicable invoice, cFive may terminate any or all of its obligations under this Agreement and the other documents entered into in connection herewith without any penalty or claim by Customer immediately upon notice. Either party may immediately terminate upon notice if a party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors. Automatic extensions of the term of this Agreement may also be cancelled by either party, upon 90 days prior written notice to the other party, prior to the incurrence of any automatic extensions. In the event of termination, the Customer will nonetheless pay to cFive all fees and expenses related to the software, products, and/or services the Customer has received under this Agreement prior to the effective date of termination and all invoices in respect thereof. In the event of a termination under this Section, cFive will be entitled to a pro rata payment for any portion of a deliverable if only a portion of that deliverable has been provided to the Customer as of the effective date of termination. Disputed fees will be subject to the dispute resolution process set forth in Section 16. In the event of termination by Customer or for non-payment, as discussed above, Customer shall immediately cease using the Applicable cFive Deliverables and destroy or return all copies of cFive Software, Documentation and related materials in its possession to cFive within 60 days of the termination date. cFive may require Customer certify in writing to it what actions have been taken by Customer in accordance with the immediately preceding sentence.
10. **Non-Appropriation of Funds.** In the event the proper appropriation of funds for the continuation of this Agreement is not available for any fiscal year after the first fiscal year, then this Agreement may be terminated. To effect the termination of this Agreement, the Customer shall, within 45 days following the beginning of the fiscal year for which the proper appropriation is not available, provide cFive with written notice of the failure to obtain the proper appropriation of funds. Such notice shall be accompanied by the payment of all sums then owed cFive under this Agreement as described above, if any. No penalty shall accrue to the Customer in the event of exercise of termination due to non-appropriation of funds. If this Agreement is terminated pursuant to this Section, the Customer agrees to grant cFive a right of first refusal to continue under the terms of this Agreement for a period of two years from the date of exercising rights under this Section should funds subsequently be appropriated. If funds should not become available within two years of said date, the Customer shall be free to contract with cFive or any other available source when they do become available.
11. **Intellectual Property Infringement Indemnification.** cFive will defend, indemnify and hold harmless the Customer and its employees from and against any third-party claim(s) that the cFive Software, the cFive Subscription or the Documentation infringes that third party's U.S. published patent, copyright or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which cFive consents). The Customer must notify

cFive promptly in writing of the claim. Nothing in this provision shall abridge or delegate the responsibility of the DuPage County State's Attorney's Office as Customer's legal representative nor shall it cause waiver of any defenses, privileges, or immunities which may be available to Customer in litigation. The State's Attorney shall not unreasonably withhold approval of an attorney recommended to him by an indemnifying party who meets his approval as a "special" assistant state's attorney for the purposes of the litigation and will likewise not unreasonably interfere with cFive's defense strategy. cFive's counsel, should it choose to retain one for litigation, shall keep the State's Attorney (or his designee) advised of all case developments on a bi-monthly basis. The Customer agrees to provide cFive with reasonable assistance, cooperation, and information in defending the claim, at cFive's expense. cFive's obligations under this Section will not apply to the extent the claim or adverse final judgment is based on: (a) the Customer's use of a previous version of the cFive Software or cFive Subscription and the claim could have been avoided had the Customer installed and used the current version of the cFive Software or cFive Subscription, and cFive provided written notice of that requirement to the Customer as well as a commercially reasonable timeframe within which to perform the version upgrade (which notice may be provided by publishing of a link on an applicable cFive Web site); (b) the Customer combining the cFive Software and/or cFive Subscription with any product or device not provided or approved by cFive in the Documentation or otherwise; (c) the alteration or modification of the cFive Software and/or cFive Subscription by the Customer or third parties at the Customer's direction without cFive's prior written consent; or (d) the Customer's willful infringement, including use of the cFive Software and/or cFive Subscription, after cFive notifies the Customer in writing to discontinue use due to such a claim; provided, however, that in the event of any third party infringement claim, cFive shall not require the Customer to discontinue use of the cFive Software or cFive Subscription during the pendency of such claim unless and until cFive, at its option, either: (i) procures the right for the Customer to continue its use of the cFive Software or cFive Subscription, as applicable, during cFive's defense of such claim; (ii) modifies the cFive Software or cFive Subscription, as applicable, to make same non-infringing while preserving substantially similar functionality as required under this Agreement; or (iii) replaces the cFive Software or cFive Subscription, as applicable, with a functional equivalent. If cFive receives information concerning an infringement or misappropriation claim related to the cFive Software and/or cFive Subscription, prior to the claim being filed, cFive may, at its expense and without obligation to do so, either: (a) procure for the Customer the right to continue use of the cFive Software and/or cFive Subscription, as applicable; (b) modify the cFive Software and/or cFive Subscription, as applicable, to make same non-infringing; or (c) replace the cFive Software and/or cFive Subscription, as applicable, with a functional equivalent, in which case the Customer will stop (i) running the allegedly infringing cFive Software and/or (ii) using the cFive Subscription immediately. Alternatively, cFive may decide to litigate the claim to judgment, in which case the Customer may continue to use the cFive Software and/or cFive Subscription, as applicable, consistent with the terms of this Agreement. If cFive decides to litigate an infringement or misappropriation claim related to the cFive Software or cFive Subscription, and the plaintiff is able to secure an injunction prior to a resolution on the merits, then cFive will either: (a) procure for the Customer the right to continue its use of the cFive Software and/or cFive Subscription, as applicable; (b) modify the cFive Software and/or cFive Subscription, as applicable, to make same non-infringing; or (c) replace the cFive Software and/or cFive Subscription, as applicable, with a functional equivalent. If an infringement or misappropriation claim is fully litigated and the Customer's use of the cFive Software and/or cFive Subscription, as applicable, is enjoined by a court of competent jurisdiction, then in addition to paying any adverse final judgment (or settlement to which cFive consents), cFive will, at its option, either: (a) procure the right for the Customer to continue its use of the cFive Software and/or cFive Subscription, as applicable; (b) modify the cFive Software and/or cFive Subscription, as applicable to make same non-infringing while preserving substantially similar functionality as required under this Agreement; (c) replace the cFive Software and/or cFive Subscription, as applicable, with a functional equivalent; or (d) terminate the Customer's cFive Subscription, in which

case cFive shall return all unused pre-paid fees to Customer within 30 days. cFive will diligently and in good faith pursue these actions in the order listed herein. This Section provides the Customer's exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims. Notwithstanding anything to the contrary in this Section, the provisions of this Section do not apply to any Third-Party Products or other intellectual property of any type created by any party other than cFive directly and cFive makes no representation, warranty or covenant in respect thereof.

12. **General Indemnification.** [Intentionally deleted].
13. **DISCLAIMER; LIMITATION OF LIABILITY; EXCLUSION OF CERTAIN DAMAGES.** EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, CFIVE HEREBY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, CFIVE'S LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO THE CUSTOMER'S ACTUAL DIRECT DAMAGES, NOT TO EXCEED THE LESSER OF (A) \$250,000; OR (B) THE AMOUNT OF ANNUAL FEES AS SET FORTH IN EXHIBIT H PRO RATED FOR THREE MONTHS OF THE ANNUAL FEES DUE OVER THE ANNUAL PERIOD OR PORTION THEREOF IMMEDIATELY PRECEDING THE FIRST INCIDENT OUT OF WHICH THE LIABILITY AROSE AS SET FORTH IN A WRITTEN NOTICE PROVIDED BY CUSTOMER TO CFIVE. THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTION 11. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL CFIVE OR ITS EMPLOYEES, DIRECTORS, AGENTS, REPRESENTATIVES OR SHAREHOLDERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF ANY SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO THIRD PARTY CLAIMS THAT ARE SUBJECT TO SECTION 11.
14. **Insurance.** During the course of performing services under this Agreement, cFive agrees to maintain the following levels of insurance: (a) aggregate Commercial General Liability of at least \$2,000,000 with a \$1,000,000 cap per occurrence; (b) Workers Compensation complying with applicable statutory requirements; and (c) Excess/Umbrella Liability of at least \$4,000,000. cFive will add the Customer as an additional insured to cFive's Commercial General Liability and Excess/Umbrella Liability policies. Upon the Customer's written request, cFive will provide the Customer with a certificate(s) of insurance identifying the Customer as a certificate holder. cFive agrees that its insurance will be primary on claims for which cFive is responsible. Copies of cFive's insurance policies are only available to the Customer in the event of a disputed or litigated claim.
15. **Additional Products and Services.** The Customer may purchase additional cFive products and services at the prices and/or rates set forth in the Investment Summary for the first 12 months from the Effective Date. If no rate is provided in the Investment Summary, the Customer may purchase additional cFive products and services at cFive's then current rates and prices. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided for in the Order Form.

16. **Dispute Resolution.** Each party agrees to notify the other in writing within 90 days of becoming aware of a dispute. The parties agree to cooperate to try to reasonably resolve all disputes. If requested by either party, a senior representative of each party will meet and engage in good faith negotiations; such representatives will convene within 90 days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable State rule. If the parties fail to resolve the dispute, the parties will proceed to non-binding mediation before a single mediator who is jointly selected by the parties. Said mediation will take place at Customer's facility (421 N. County Farm Road, Wheaton, Illinois 60187) or at the location chosen by the mediator, if located within 35 miles of Customer's facility. The cost of the mediation will be paid by the Parties, half paid by cFive and half by the Customer. The mediation shall be conducted by a single mediator selected by the parties. If the parties cannot agree on a mediator within fifteen (15) calendar days of delivery of written notice pursuant to this Section 16, the parties will promptly select a mutually acceptable mediation provider entity, which entity shall, as soon as practicable following such entity's selection, designate a mediator, who is a licensed attorney with general knowledge of contract law, has no ongoing business relationship with either party and, to the extent necessary to mediate the particular dispute, general knowledge of the software domain. Any mediator must confirm in writing that he or she is not, and will not become during the term of the mediation, an employee, partner, executive officer, director, or security holder of either party. If such confirmation is not provided by the appointed mediator, then a replacement mediator shall be appointed by the mutually acceptable mediation provider entity. Nothing in this Section shall prevent either party from seeking necessary injunctive relief from a court of competent jurisdiction at any time.
17. **Taxes.** cFive's fees do not include any taxes, levies, duties or similar governmental assessments of any nature, including, for example, value-added, sales, use or withholding taxes, assessable by any jurisdiction whatsoever (collectively, "Taxes"). Customer is responsible for paying all Taxes associated with its purchases in connection with this Agreement. If cFive has the legal obligation to pay or collect Taxes for which Customer is responsible under this Section, cFive will invoice Customer and Customer will pay that amount unless Customer provides cFive with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, cFive is solely responsible for taxes assessable against it based on its taxable income.
18. **Subcontractors.** cFive is responsible for all actions and work performed by its subcontractors. All terms, conditions and requirements of this Agreement shall apply without qualification to any services performed provided by any cFive subcontractor. cFive reserves the right to subcontract work as it deems necessary to provide any Applicable cFive Deliverables.
19. **Binding Effect; No Assignment.** This Agreement shall be binding on, and shall be for the benefit of, either parties' successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, the Customer's consent is not required for an assignment by cFive as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of cFive's assets.
20. **Force Majeure.** Neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten Business Days after the Force Majeure event, the party whose performance is delayed shall provide the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.
21. **No Intended Third-Party Beneficiaries.** This Agreement is entered into solely for the benefit of the parties. No third party will be deemed to be a beneficiary of this Agreement, no third party will have the right to make any claim or assert any right under this Agreement, and this Agreement shall not be

construed as providing an enforceable right to any third party. This provision does not affect the rights of third parties under any Third-Party Terms.

22. **Entire Agreement; Amendment; Conflicts.** This Agreement, in its final composite form (including its exhibits and schedules), constitutes the entire agreement between cFive and the Customer with respect to the subject matter hereof, and supersedes all prior negotiations, representations, agreements or understandings, either written, oral or expressed, between cFive and the Customer relating to the subject matter hereof. This Agreement between the parties shall be independent of and have no effect on any other agreements between the parties or of either party. Purchase orders submitted by the Customer, if any, are for the Customer's internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement shall be amended, modified or otherwise altered only by the written agreement and approval of both cFive and the Customer. Every amendment or addendum shall specify the date on which its provisions shall be effective.
23. **Severability.** If any term or provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Agreement shall not be affected and each provision of this Agreement shall be enforced to the fullest extent permitted by law.
24. **Waiver.** Waiver of any breach of any provision in this Agreement shall not be a waiver of any prior or subsequent breach. Any waiver shall be in writing and any forbearance or indulgence in any other form or manner by the Customer shall not constitute a waiver.
25. **Independent Contractor.** In the performance of this Agreement, cFive shall act in its individual capacity and not as agent, employee, partner, joint venture or associate of the Customer. The employees or agents of one party shall not be construed to be the employees or agents of the other party for any purpose whatsoever. cFive accepts full responsibility for payment of unemployment insurance, workers compensation, social security, income tax deductions and any other taxes or payroll deductions required by law for its employees engaged by it in work authorized by this Agreement.
26. **Notices.** All notices or communications required or permitted as a part of this Agreement must be in writing and will be deemed to have been delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified or registered mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of a courier service delivery (e.g., Federal Express or similar service), return receipt signed by an employee or agent of the receiving party; or (d) upon receipt by sender of proof of email delivery at the address set forth on the signature page hereto or such other address as a party may have designated by proper notice to the other party. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.
27. **News Releases, Public Statements, and/or Other Communications.** The Customer authorizes cFive to use Customer's name and any Customer trademark(s) or trade name(s) in any promotional or marketing material and for inclusion in any cFive customer list, without the prior disclosure by or approval of Customer. Any other use must be approved in writing by the parties.
28. **Confidentiality.**
 - (a) Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to Confidential Information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Each party agrees that it will not disclose any Confidential Information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement.

Each party further acknowledges that in the course of performing its obligations under this Agreement, each such party shall treat such Confidential Information with the same degree of care to avoid disclosure to any third party as is used with respect to its own information of like importance that is to be kept confidential. Without limiting the generality of the foregoing:

- (i) Each party and its agents, employees and subcontractors shall use such Confidential Information only as needed in the course of performing its obligations, or exercising its rights, under this Agreement and shall take commercially reasonable precautions to ensure the security and confidentiality of such Confidential Information.
 - (ii) Each party shall not disclose (nor allow its agents, employees and subcontractors to disclose) any Confidential Information collected, maintained or used in the course of performing its obligations, or exercising cFive's rights under this Agreement except as authorized by applicable law, either during the term of this Agreement or thereafter. Each party may only disclose Confidential Information only to its agents, employees and subcontractors who have a reasonable need to know such Confidential Information.
 - (iii) Confidential Information shall remain the property of the disclosing party. The parties will return or destroy all Confidential Information (including copies) received from the other within its possession, custody, or control promptly upon termination or expiration of this Agreement or upon an earlier written request. Within 30 days after such return or destruction the recipient shall certify in writing that such return or destruction has been accomplished. Notwithstanding the return or destruction of any Confidential Information, the parties shall be bound by their obligations of confidentiality in perpetuity.
 - (iv) All Confidential Information shall be and shall remain the sole property of the disclosing party.
- (b) Either party shall immediately report to the other party any requests for the other party's Confidential Information if the request is made to such party pursuant to a subpoena or similar process or a request pursuant to a state open records act or equivalent statute.
- (c) The parties' obligations under this Section shall not apply to information that:
- (i) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its agents, employees or subcontractors;
 - (ii) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure; or
 - (iii) a party can establish by reasonable proof that it received such information from a third party who then had the right to disclose it to the receiving party.
- (d) Confidential Information shall not be deemed to be in the public domain merely because any part of such data is embodied in general disclosures or because individual features, components or combinations thereof are now or become known to the public. A party may refuse to accept any particular Confidential Information under this Agreement if it determines such data is nonessential for the Project. No warranties of any kind are given with respect to Confidential Information disclosed under this Agreement or with respect to any use thereof.
29. **Governing Law; Jurisdiction.** This Agreement will be governed by and construed in accordance with the laws of the State of Illinois. Without limiting the terms of the Dispute Resolution provision set forth in Section 16, a party shall bring any and all legal proceedings arising hereunder in the Eighteenth Judicial Circuit Court for the State of Illinois, Wheaton, Illinois.
30. **Multiple Originals and Authorized Signatures.** This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Any electronic, faxed,

scanned, photocopied, or similarly reproduced signature on this Agreement or any amendment hereto will be deemed to be an original signature and will be fully enforceable as if an original signature.

31. **Cooperative Procurement.** To the maximum extent permitted by applicable law, cFive agrees that this Agreement may be used as a cooperative procurement vehicle by eligible jurisdictions. cFive reserves the right to negotiate and customize the terms and conditions set forth herein, including but not limited to pricing, to the scope and circumstances of that cooperative procurement.
32. **Statutes.** Each and every provision of applicable law and clause required by such applicable law to be inserted in this Agreement shall be deemed by this reference to be inserted herein, and this Agreement shall be read and enforced as though it were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then on the application of either party this Agreement shall be amended to make such insertion or correction.
33. **Care of Customer Property.** cFive shall be responsible for the proper care and custody of any Customer-owned personal tangible property and real property furnished for cFive's use in connection with cFive's performance of its obligations under this Agreement. Any property loss or damage to such property caused by cFive or its agents, employees or subcontractors, except for normal wear and tear, shall be resolved under the dispute resolution process set forth in Section 16.
34. **Change Orders.** If the parties want to make any changes to the scope of Applicable cFive Deliverables set forth in any Statement of Work or Order Form, they must do so in a writing signed by both parties.
35. **Ownership Rights; Work Product Use.** The Customer acknowledges that cFive or its third-party suppliers own all right, title and interest in the Applicable cFive Deliverables and other intellectual property developed in connection therewith, including but not limited to all worldwide copyrights, trade secrets, trademark, confidential and proprietary rights therein. To the extent that ownership of any rights or property described in the preceding sentence may not otherwise vest in cFive, Customer will take all necessary steps to properly assign to cFive, now or upon its creation without further consideration, the ownership of all such rights and property. Notwithstanding any provisions of this Agreement or any document executed in connection herewith, cFive may utilize freely any and all ideas, concepts, methods, know-how or techniques related to programming and processing of data, discovered or developed by cFive during the performance of Applicable cFive Deliverables. The Customer further agrees that it shall not (a) represent that it has ownership of any cFive trademarks; (b) at any time do, or cause to be done, any act or thing contesting, or in any way impairing cFive's right, title and interest in such trademarks; (c) remove from any Applicable cFive Deliverable any of such trademarks, copyright notices or other product identification; (d) affix to from any Applicable cFive Deliverable any other trade name or trademarks; or (e) use any of such trademarks on any advertisement, business card, sales brochure or other document available to the public without the prior written approval from a duly authorized representative of cFive. Notwithstanding any provisions of this Agreement or any other document entered into in connection herewith, cFive may utilize freely any and all ideas, concepts, methods, know-how or techniques related to programming and processing of data, discovered or developed by cFive during the performance of the Applicable cFive Deliverables.
36. **Survival.** Notwithstanding termination of this Agreement for any reason, Sections 6-9, 11-13, 16, 17, 19-29, 35, 36, all payment obligations of Customer in favor of cFive wherever set forth, and such other provisions as otherwise expressly or otherwise would reasonably be expected to survive termination shall survive the termination or expiration of this Agreement.

Exhibit B

cFive Subscription Agreement

cFive will provide the Customer with the cFive Subscription subject to the following additional terms and conditions. Capitalized terms used but not otherwise defined in this exhibit will have the meaning assigned to such terms in the Agreement to which this exhibit is appended.

1. **Subscription License Grant and Specific Restrictions.**

- a. Solely to the extent expressly identified and set forth in the Order Form, Statement of Work and/or Investment Summary, cFive grants to the Customer a non-exclusive, nontransferable, non-assignable and limited license for the term set forth therein to use the cFive Subscription for internal business purposes only. Thereafter, the term will renew automatically for additional one-year terms unless terminated in writing by either party at least 90 days prior to the end of the current term, unless the parties mutually agree in writing to some other notice period. The Customer's rights to use the cFive Subscription as licensed in this Section will commence upon payment in full of the cFive Subscription license fee(s) set forth in the Order Form, Statement of Work and/or Investment Summary, but cFive may suspend those rights (or take such further action as permitted by the Agreement) if the Customer does not comply with the terms of the Agreement, the exhibits and schedules thereto and/or the Documentation and the Customer does not correct that non-compliance within 15 days of cFive's notice of that non-compliance.
- b. Solely to the extent expressly identified and set forth in the Order Form, Statement of Work and/or Investment Summary, cFive grants to the Customer a non-exclusive, nontransferable, non-assignable and limited license for the term set forth therein to use and copy the Documentation for internal, non-commercial reference purposes only on the same basis as set forth for the cFive Subscription as in Section 1(a).

2. **General Terms For cFive Subscription.**

- a. In no event shall cFive be responsible for the supply, installation or proper functioning of Third-Party Products (including, but not limited to, hardware, network, or other software or products) not supplied by cFive.
- b. The license terms herein or in the Agreement apply to updates and Enhancements cFive provides or makes available to the Customer through the Maintenance Agreement or other agreements between the parties.
- c. The Customer may not: (a) transfer or assign the cFive Subscription to a third party; (b) reverse engineer, decompile, or disassemble the cFive Subscription or any cFive Software; (c) rent, lease, lend, or provide commercial hosting services with the cFive Subscription or any cFive Software; or (d) publish or otherwise disclose the cFive Subscription or Documentation to third parties. cFive reserves all rights to the cFive Subscription, cFive Software, and Documentation not expressly granted to the Customer in the Agreement or this exhibit. The cFive Subscription, cFive Software, and Documentation are protected by copyright and other intellectual property laws and treaties. cFive owns the title, copyright, and other intellectual property rights in the cFive Subscription, cFive Software, and the Documentation.
- d. Use of Data. cFive will retain rights to use Customer data entered in the cFive Subscription without personal identifiable information for their generic analysis and re-marketing purposes.
- e. The Customer agrees to pay to cFive the license and other fees itemized in the Order Form, Statement of Work and/or Investment Summary in accordance with such forms, the Invoicing and Payment Policy, and other terms of the Agreement. Increases to the Customer's unit price after the initial term for cFive Subscription licensed on a subscription basis will be limited to an

annual escalation price of not more than 7%. cFive will notify the Customer no later than 90 days prior to the current year subscription expiration of increases anticipated in the next year.

- f. The Customer may not copy, modify, adapt, or create derivative works of the cFive Software or cFive Subscription or incorporate the cFive Software or cFive Subscription in computer programs not provided by cFive. In the event of any unauthorized modification, adaptation or creation of a derivative work of the cFive Software or cFive Subscription, cFive reserves the right to terminate this Agreement or discontinue any warranty or support service in relation to such adapted or modified cFive Software, cFive Subscription, or derivative work thereof.
- g. The Customer acknowledges that cFive owns all rights, title and interest in the cFive Software and cFive Subscription, including but not limited to all worldwide copyrights, trade secrets, trademark, confidential and proprietary rights therein. Customer also acknowledges that the cFive Software and cFive Subscription contain proprietary information belonging to cFive, and that nothing herein gives Customer any right, title or interest in the cFive Software or cFive Subscription except for Customer's limited express rights pursuant to Section 1 of this exhibit.
- h. The use of the cFive Subscription is subject to the terms of the Documentation as the same may be modified from time to time via email notice to Customer or by Web posting on support.cfive.com/support/login.
- i. The cFive Subscription shall be considered accepted for all purposes (“cFive Subscription Acceptance”) upon the earlier of: (a) notification by Customer to cFive that the cFive Subscription is in compliance with the Documentation, by delivering a notice to cFive confirming such acceptance; or (b) completion of user training by cFive. If the cFive Subscription has the above-noted material non-conformity, Customer shall promptly notify cFive in writing and cFive shall attempt to correct such nonconformity. If after a reasonable period of time cFive is unable to correct such nonconformity in the cFive Subscription, Customer may, as its sole and exclusive remedy, invoke the termination provisions of Section 9 of the Agreement.
- j. cFive warrants that the cFive Subscription will be without Confirmed Defect(s) from the cFive Subscription Acceptance date and thereafter as long as the Customer is receiving the cFive Subscription in accordance with the terms of this Agreement and is in full compliance with the terms of the Agreement. If the cFive Subscription does not perform as warranted above, cFive will use commercially reasonable efforts to cure the Confirmed Defect or otherwise provide the Customer with a functional equivalent so long as the Customer is providing to cFive necessary access, information, testing time, and support including remote access. Notwithstanding anything herein to the contrary, cFive does not warrant that the cFive Subscription shall be free from interruption, minor defects or errors that do not materially affect performance (which minor defects or errors may not be corrected by cFive) or that the cFive Subscription is designed to meet all of the Customer’s business needs.

NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, CFIVE MAKES NO WARRANTY WITH RESPECT TO COMPUTER SYSTEMS OR THIRD-PARTY SOFTWARE, THIRD-PARTY PRODUCTS OR ANY DATA. CFIVE EXPRESSLY DISCLAIMS ALL WARRANTIES FOR COMPUTER SYSTEMS, DATA, THIRD-PARTY PRODUCTS AND THIRD-PARTY SOFTWARE, WHETHER EXPRESSED OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE.

For the avoidance of doubt, to the extent any Third-Party Software is embedded in the cFive Subscription, the Customer’s warranty rights are limited to cFive’s defect resolution obligations set forth in the Agreement; the Customer does not have separate rights against any developer or

owner of Third-Party Products in connection with the Agreement.

Exhibit B

INTENTIONALLY BLANK

Exhibit C

cFive Professional Services Agreement

cFive will provide Customer with professional services pursuant to the terms of this Professional Services Agreement. Capitalized terms used but not otherwise defined in this exhibit will have the meaning assigned to such terms in the Agreement to which this exhibit is appended.

- cFive Deliverables; Scope; Scheduling.** cFive will provide Customer the cFive Deliverables in accordance with this Professional Services Agreement and an associated Order Form, pursuant to the rates specified on such Order Form. cFive and Customer, acting through their respective project managers, will agree on a project plan and schedule for all cFive Deliverables, with such schedule to be documented as part of the Order Form. In consideration for the commitment by cFive to assign staff to Customer's project in accordance with the agreed project plan and schedule, Customer agrees to conform to all project scheduling, to meet Customer responsibilities on time once a schedule is confirmed by both parties' project managers, and to promptly and diligently review all cFive Deliverables and other materials provided by cFive. Customer's purchases of cFive Professional Services are not contingent on the delivery of any future functionality or features of any cFive Software, or dependent on any oral or written public comments made by cFive regarding future functionality or features of any cFive Software. cFive does not provide maintenance or support of cFive Software Deliverable unless cFive and Customer enter into a separately scoped and priced maintenance or support agreement related to such cFive Software Deliverables.
- Change Orders and Additional Services.** Any change(s) to the scope of cFive Professional Services as specified in an Order Form, even if such change(s) have no impact on the estimated price, must be approved in an addendum or amendment to the original Order Form, specifying the revised scope and revised estimated price if applicable, and signed by Customer and cFive. Any requests by Customer for additional cFive Professional Services outside of the scope specified in an Order Form must be either (i) set forth in an addendum or amendment to an existing Order Form, specifying the additional scope and estimated price, and signed by Customer and cFive, or (ii) set forth in a new Order Form, specifying the additional scope and estimated price, signed by Customer and cFive. A change order or request for additional services may require the development of specific requirements to provide a response to Customer in connection with the change order or request for additional services. Customer understands and agrees that Customer will be charged for the development of requirements by cFive if, following notice to Customer, Customer instructs cFive to proceed with requirements gathering and definition, whether or not Customer ultimately requests cFive to perform all or a part of such work.
- Project Delays; Rescheduling; Cancellations.** In the event the delivery of any cFive Deliverable is delayed beyond the time set forth in any Order Form as a result of Customer's actions or failure to act, then cFive may, in its sole discretion and upon notice to Customer (and notwithstanding any other provision of this Professional Services Agreement or any other document entered into in connection herewith), (a) increase the scope and amount of the cFive Professional Services (including, without limitation, any project management services) to be provided to Customer in relation to the effect on the project from such delay and (b) deem the commencement date for cFive Deliverables (including, without limitation, the commencement of any maintenance or support agreements separately scoped and priced in relation to any cFive Software Deliverable) impacted by such delay to occur as of the date such cFive Deliverables would have been delivered absent the occurrence of such delay (for example, if a maintenance period on cFive Software was expected to start at an initially scheduled go live date, but go live is delayed due to Customer's actions or failure to act, then the maintenance period and associated maintenance payments will remain associated with the originally scheduled go live date despite the actual later go live date); provided, however, that in the event there is a cap on the overall amount that Customer may be charged for cFive Deliverables that is legally binding

against cFive, in lieu of exceeding such cap cFive may elect in its sole discretion upon notice to Customer to reduce the scope or term of any cFive Deliverables provided to Customer in order to implement any of cFive's rights pursuant to clauses (a) and (b) in this Section. If Customer cancels cFive Professional Services with less than 30 Business Days advance written notice to cFive (other than for breach of this Professional Services Agreement by cFive), Customer will be liable for all (a) non-refundable travel expenses incurred by cFive on Customer's behalf related to such canceled cFive Professional Services (whether such travel has actually occurred or not), and (b) daily fees associated with cancelled cFive Professional Services if upon such cancellation cFive is, using commercially reasonable efforts, unable to reassign personnel scheduled to perform cFive Professional Services for Customer to other billable projects. cFive will make commercially reasonable efforts to reassign its personnel to other billable projects in the event Customer cancels within 30 Business Days of scheduled commitments.

4. **Invoicing and Payment.** cFive will periodically invoice Customer for all fees set forth in an Order Form, including for time incurred providing professional services based on rates set forth in an Order Form. Invoices are generated at the time of delivery by cFive of cFive Deliverables and not at the time of cFive Deliverables acceptance by Customer. Payment for undisputed invoices is due within 60 days from the invoice date. A late fee shall be charged by cFive on overdue accounts not paid to cFive as provided under this Section at the rate of one percent (1.00%) per month or part thereof commencing with the date payment was due unless such late fee is restricted, prohibited, or limited by applicable law. In the event that late fees are by law restricted, limited, or prohibited, the parties agree that the fees intended hereby will not exceed such legal limit and that neither party will hold the other liable for any unintended violation of such limits.
5. **Invoice Disputes.** If Customer disputes one or more fees identified on an invoice, because the fees relate to services that Customer contends do not conform to the terms in this Professional Services Agreement, Customer will give cFive written notice of such dispute within thirty (30) days of its receipt of the applicable invoice. The written notice must contain reasonable detail of the issue(s) Customer contends are in dispute so that cFive can confirm the issue(s) and respond to Customer's notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in Customer's notice. cFive will work with Customer as may be reasonably necessary to develop an action plan that outlines commercially reasonable steps to be taken by each party to resolve any issue(s) presented in Customer's notice. Customer may withhold payment of the amount(s) invoiced which are, in good faith, actually in dispute, and only those amounts, until cFive completes the action items outlined in such action plan. If cFive is unable to complete the action items outlined in the action plan because of Customer's failure to complete the items agreed to be done by Customer, and Customer does not rectify that failure within five Business Days after cFive has notified Customer of such failure, then cFive may demand immediate full payment of the disputed invoice and Customer shall pay such invoice in full within five Business Days. cFive reserves the right to suspend performance and delivery of all services, including cFive Professional Services and maintenance and support services pursuant to any separate Maintenance Agreement and/or Support Agreement(s), if Customer fails to pay an invoice not disputed as described above within five Business Days of notice of cFive's intent to do so. Customer's payment of an invoice for cFive Deliverables does not constitute acceptance of cFive Deliverables that subsequently are the subject of any applicable warranty claim pursuant to the warranty provisions of this Professional Services Agreement.
6. **Intellectual Property Infringement Indemnification.** cFive will defend, indemnify, and hold harmless Customer and its employees from and against any third-party claim(s) that cFive Software, cFive Software Deliverables or Documentation infringes that third party's U.S. published patent, copyright or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which cFive consents). Customer must notify cFive

promptly in writing of the claim. Nothing in this provision shall abridge or delegate the responsibility of the DuPage County State's Attorney's Office as Customer's legal representative nor shall it cause waiver of any defenses, privileges, or immunities which may be available to Customer in litigation. The State's Attorney shall not unreasonably withhold approval of an attorney recommended to him by an indemnifying party who meets his approval as a "special" assistant state's attorney for the purposes of the litigation and will likewise not unreasonably interfere with cFive's defense strategy. cFive's counsel, should it choose to retain one for litigation, shall keep the State's Attorney (or his designee) advised of all case developments on a bi-monthly basis. Customer agrees to provide cFive with reasonable assistance, cooperation, and information in defending the claim, at cFive's expense. cFive's obligations under this Section will not apply to the extent the claim or adverse final judgment is based on: (a) Customer's use of cFive Software that is not Supported cFive Software and the claim could have been avoided had Customer installed and used Supported cFive Software, and cFive provided written notice of that requirement to Customer as well as a 30 Business Day time frame within which to perform the version upgrade (which notice may be provided by publishing of a link on an applicable cFive Web site); (b) Customer combining cFive Software and/or cFive Software Deliverables with any product or device not provided or approved in the Documentation or otherwise in writing by cFive; (c) the alteration or modification of cFive Software and/or cFive Software Deliverables by Customer or third parties at Customer's direction without cFive's prior written consent; or (d) Customer's willful infringement, including use of cFive Software and/or cFive Software Deliverables, after cFive notifies Customer in writing to discontinue use due to such a claim; provided, however, that in the event of any third party infringement claim, cFive shall not require Customer to discontinue use of cFive Software or cFive Software Deliverables during the pendency of such claim unless and until cFive, at its option, either: (i) procures the right for Customer to continue its use of cFive Software or cFive Software Deliverables, as applicable, during cFive's defense of such claim; (ii) modifies cFive Software or cFive Software Deliverables, as applicable, to make cFive Software or cFive Software Deliverables non-infringing while preserving substantially similar functionality; or (iii) replaces cFive Software or cFive Software Deliverables, as applicable, with a functional equivalent. If cFive receives information concerning an infringement or misappropriation claim related to cFive Software and/or cFive Software Deliverables, prior to the claim being filed, cFive may, at its expense and without obligation to do so, either: (a) procure for Customer the right to continue use of cFive Software and/or cFive Software Deliverables, as applicable; (b) modify cFive Software and/or cFive Software Deliverables, as applicable, to make cFive Software or cFive Software Deliverables non-infringing; or (c) replace cFive Software and/or cFive Software Deliverables, as applicable, with a functional equivalent, in which case Customer will immediately stop (i) running the allegedly infringing cFive Software and/or (ii) using cFive Software Deliverables. Alternatively, cFive may decide to litigate the claim to judgment, in which case Customer may continue to use cFive Software and/or cFive Software Deliverables, as applicable, consistent with the terms of this Professional Services Agreement. If cFive decides to litigate an infringement or misappropriation claim related to cFive Software or cFive Software Deliverables, and the plaintiff is able to secure an injunction prior to a resolution on the merits, then cFive will either: (a) procure for Customer the right to continue its use of cFive Software and/or cFive Software Deliverables, as applicable; (b) modify cFive Software and/or cFive Software Deliverables, as applicable, to make same non-infringing; or (c) replace cFive Software and/or cFive Software Deliverables, as applicable, with a functional equivalent. If an infringement or misappropriation claim is fully litigated and Customer's use of cFive Software and/or cFive Software Deliverables, as applicable, is enjoined by a court of competent jurisdiction, then in addition to paying any adverse final judgment (or settlement to which cFive consents), cFive will, at its option, either: (a) procure the right for Customer to continue its use of cFive Software and/or cFive Software Deliverables, as applicable; (b) modify cFive Software and/or cFive Software Deliverables, as applicable to make same non-infringing while preserving substantially similar functionality as required under this Agreement; or (c) replace cFive Software and/or cFive Software Deliverables, as applicable, with a

functional equivalent. cFive will diligently and in good faith pursue these actions in the order listed herein. This Section provides Customer's exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims. Notwithstanding anything to the contrary in this Section, the provisions of this Section do not apply to any Third-Party Products or other intellectual property of any type created by any party other than cFive directly and cFive makes no representation, warranty, or covenant in respect thereof.

7. **General Indemnification. [Intentionally deleted].** .
8. **Ownership Rights and Use.** Customer acknowledges that cFive or its third-party suppliers own all right, title, and interest in the cFive Deliverables and other intellectual property developed in connection therewith, including but not limited to all worldwide copyrights, trade secrets, trademark, confidential and proprietary rights therein. To the extent that ownership of any rights or property described in the preceding sentence may not otherwise vest in cFive, Customer will take all necessary steps to properly assign to cFive, now or upon its creation without further consideration, the ownership of all such rights and property. Customer further agrees that it shall not (a) represent that it has ownership of any cFive trademarks; (b) at any time do, or cause to be done, any act or thing contesting, or in any way impairing cFive's right, title and interest in such trademarks; (c) remove from any cFive Deliverable any of such trademarks, copyright notices or other product identification; (d) affix to any cFive Deliverable any other trade name or trademarks; or (e) use any of such trademarks on any advertisement, business card, sales brochure or other document available to the public without the prior written approval of cFive. Notwithstanding any provisions of this Professional Services Agreement or any other document entered into in connection herewith, cFive may utilize freely any and all ideas, concepts, methods, know-how or techniques related to programming and processing of data, discovered or developed by cFive during the performance of cFive Professional Services and delivery of cFive Deliverables.
9. **Warranty.** cFive will perform the cFive Professional Services for Customer under this Professional Services Agreement in a commercially reasonable manner. In the event Customer believes cFive Professional Services do not conform to this warranty, Customer will notify cFive in writing of such alleged breach of such warranty within five Business Days of the discovery of such a breach after the completion of each such cFive Deliverable that is identified in the applicable Order Form or other relevant document, setting forth in reasonable detail the reasons Customer believes cFive Professional Services were not performed in a commercially reasonable manner. If cFive agrees with Customer that cFive Professional Services did not conform to this warranty, then cFive will re-perform the deficient cFive Professional Services or, at its option, refund the fees paid by Customer for such applicable deficient cFive Professional Services. cFive shall not be responsible or liable for any failures associated with determining the scope of the cFive Professional Services or determining whether the cFive Deliverables will achieve Customer's business objectives. Except as otherwise expressly set forth herein, cFive makes no guarantees or representations as to the results of the cFive Deliverables or cFive Professional Services.

OTHER THAN AS EXPRESSLY SET FORTH ABOVE, CFIVE DOES NOT MAKE ANY EXPRESS OR IMPLIED WARRANTIES, CONDITIONS, OR REPRESENTATIONS TO CUSTOMER, ANY OF ITS AFFILIATES OR ANY OTHER PARTY WITH RESPECT TO ANY SERVICES OR DELIVERABLES PROVIDED HEREUNDER OR OTHERWISE REGARDING THIS AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED OR STATUTORY. WITHOUT LIMITING THE FOREGOING, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED AND DISCLAIMED.

10. **Site Access and Requirements.** Customer will provide cFive with full and free access to its personnel, facilities, and equipment as may be reasonably necessary for cFive to provide cFive

Professional Services, subject to any reasonable security protocols or other written policies provided to cFive. For onsite work, as applicable, Customer will provide a reasonably suitable environment, location, and space for the installation of cFive Software, cFive Software Deliverables, and any Third-Party Products, including, without limitation, sufficient electrical circuits, cables, and other reasonably necessary items required for the installation and operation of cFive Software Deliverables and any Third-Party Products. Customer is responsible for ensuring satisfactory Third-Party Product requirements required to run cFive Software Deliverables.

11. **Progressive Acceptance.** When cFive has delivered any portion of a cFive Deliverable subject to acceptance criteria defined in an Order Form, cFive will notify Customer (“Notice of Completion”) and request review and acceptance of the cFive Deliverable listed in such Notice of Completion. Customer shall promptly commence performing any required review or acceptance tests to determine whether the specified cFive Deliverables meet any acceptance criteria specified in the Order Form (“Acceptance Test”). Absent written notice from Customer rejecting the cFive Deliverable (“Notice of Rejection”), which shall be delivered by Customer to cFive within five Business Days from the Notice of Completion, the cFive Deliverables shall be deemed immediately accepted by Customer at the end of such period. Any Notice of Rejection shall specify in reasonable detail in which respects the cFive Deliverables failed the Acceptance Test. Customer shall first provide cFive the opportunity to make corrections and modifications to the cFive Deliverables, at cFive’s expense, within ten Business Days from the date of receipt of Customer’s Notice of Rejection. cFive shall notify Customer when such corrections and modifications have been made and Customer shall commence re-testing such cFive Deliverables as quickly as possible. If the cFive Deliverables still fail to pass the Acceptance Test, Customer and cFive shall repeat this process; provided, however, if the cFive Deliverables still fail to pass the Acceptance Test after 90 Business Days from cFive’s initial receipt of Customer’s first Notice of Rejection, Customer shall promptly notify cFive in writing and shall have the right, at its option, to cancel cFive Professional Services by giving immediate written notice of such cancellation to cFive.

Exhibit D

cFive Maintenance Agreement

cFive will provide Customer with maintenance for Supported cFive Software listed in Schedule 1 pursuant to the terms of this Maintenance Agreement. Capitalized terms used but not otherwise defined in this exhibit will have the meaning assigned to such terms in the Agreement to which this exhibit is appended.

1. **Maintenance.** During the term in which this Maintenance Agreement is in effect, as part of resolving Confirmed Defects pursuant to this Maintenance Agreement, cFive will provide Customer with cFive Software Updates for Supported cFive Software pursuant to the terms herein.
 - a. Notwithstanding anything to the contrary contained herein, this Maintenance Agreement will be in effect only during periods of the term in which Customer is current on all undisputed invoices from cFive to Customer (whether such invoices relate to this Maintenance Agreement or to any other agreement between cFive and Customer).
 - b. All support for cFive Software will be provided pursuant to the terms of the Support Agreement. Any maintenance outside the scope of this Maintenance Agreement, or any additional cFive services, will be provided pursuant to the terms of the Professional Services Agreement.
 - c. cFive, in its sole discretion, may determine that new functionality in cFive Software comprises a new product or module. New products or modules are not included as cFive Software Updates under this Maintenance Agreement and must be separately licensed by Customer. Such separate license may entail additional license and service fees. Customer will not be charged for a new product or module, or for any additional services related thereto, without a new Order Form authorized by Customer.
 - d. Under no circumstances does cFive represent or warrant that all Defects or Confirmed Defects can or will be corrected.
 - e. Schedule 1 to this Maintenance Agreement lists cFive Software covered by and subject to this Maintenance Agreement. The Investment Summary in Exhibit H lists the fees and payment obligations related to this Maintenance Agreement.
2. **Software Covered by Maintenance.** cFive's obligations under this Maintenance Agreement shall extend only to Supported cFive Software that is listed in Schedule 1 to this Maintenance Agreement.
 - a. cFive has no obligations under this Maintenance Agreement to provide any maintenance for any future cFive Software Deliverables purchased by Customer unless Customer and cFive first agree in writing to explicitly include such as Supported cFive Software by specifically listing such in Schedule 1 to this Maintenance Agreement and updating the maintenance fees in the Investment Summary in Exhibit H (with such additional fees to be paid by Customer prior to such additional maintenance becoming effective).
 - b. If Customer desires maintenance for cFive Software that is not Supported cFive Software (including, without limitation, Enhancements or earlier versions of cFive Software that are not Supported cFive Software), such maintenance may be provided for additional fees. In general, for additional fixed fees, cFive is able to offer maintenance on unmodified cFive Software Deliverables it has developed and entirely controls, such as most Enhancements. However, in general, cFive is unable to offer maintenance for additional fixed fees on cFive Software Deliverables it has developed but does not entirely control, such as interfaces dependent on Third-Party Software. In the event Customer desires maintenance of cFive Software Deliverables and cFive is unable to offer such maintenance for additional fixed fees, cFive may

provide such maintenance services on a time and materials basis pursuant to the terms of the Professional Services Agreement. In addition, in the event Customer desires maintenance of earlier versions of cFive Software that are not Supported cFive Software, cFive may provide at its discretion such maintenance services on a time and materials basis pursuant to the terms of the Professional Services Agreement.

3. **cFive Responsibilities.** cFive will use commercially reasonable efforts to provide maintenance for Supported cFive Software pursuant to the terms of this Maintenance Agreement and the Maintenance and Support Process, and cFive will:
 - a. provide (i) a complete, installable copy of each cFive Software Update that Customer can install in up to three non-production Customer software environments, along with, if applicable, installation and release documentation, and (ii) a complete, installable copy of each Software Update that can be installed in one production Customer software environment;
 - b. perform cFive's maintenance obligations in a professional manner to resolve Confirmed Defects in Supported cFive Software;
 - c. maintain personnel that are sufficiently trained to be familiar with Supported cFive Software;
 - d. provide Customer with a copy of cFive Software Updates in accordance with cFive's release schedule (generally 2 to 4 version releases per year), along with the documentation that cFive makes generally available; and
 - e. provide remote Defect diagnosis and Confirmed Defect resolution using a widely available third-party secure connectivity tool designated by cFive, subject to any reasonable applicable security protocols.

If, in the process of diagnosing a maintenance issue, cFive discovers that a Third-Party Product is the cause of a reported issue, cFive will notify Customer so that Customer may (i) contact the support agency for such Third-Party Product, and (ii) resolve such Third-Party Product issue.

4. **Maintenance Exclusions.** cFive has no obligations under this Maintenance Agreement to provide maintenance, support, or services that are outside the scope of this Maintenance Agreement. Maintenance, support, and services that are outside the scope of this Maintenance Agreement include, without limitation, the following:
 - a. design, development, installation, implementation, configuration, testing, maintenance, or support for any Enhancements, modifications or interfaces;
 - b. implementation, configuration, testing, maintenance, integration of, or support for any Third-Party Products;
 - c. installation of cFive Software or cFive Software Updates on any environments other than the one non-production software environment described in the Support Agreement;
 - d. implementation or deployment of cFive Software or cFive Software Updates;
 - e. training, consulting, or other services including, without limitation, Customer data cleanup, Customer data migration, or configuration of cFive Software or cFive Software Updates;
 - f. onsite issue diagnosis, maintenance, or support;
 - g. support of cFive Software (such support to be provided pursuant to the terms of a separate Support Agreement) or professional services (such professional services to be provided pursuant to the terms of a separate Professional Services Agreement);
 - h. changes to cFive Software required as a result of changes in any applicable law or regulation;
 - i. integration of cFive Software with any Third-Party Software, including, without limitation,

design, development, testing, maintenance, or support of any interface between cFive Software and Third-Party Software;

- j. program management, project management, or any recurring meetings or calls; and
- k. data recovery services, regardless of the cause of data loss.

If Customer or its vendors other than cFive modifies cFive Software without cFive's prior written consent, then cFive will have no further obligation to provide maintenance on such cFive Software notwithstanding anything herein to the contrary.

5. **Customer Responsibilities.** During the term in which this Maintenance Agreement is in effect, Customer will:
- a. assign one Customer Executive, two Designated Staff, and one System Administrator;
 - b. follow cFive's Maintenance and Support Process;
 - c. adhere to cFive minimum specifications and requirements for Customer's Third-Party Products (understanding and acknowledging that implementation of cFive Software Updates may require Customer to upgrade its Third-Party Products), and perform all tasks necessary to manage Customer's Third-Party Products including, without limitation, installing and maintaining all required Third-Party Software on Customer's hardware;
 - d. maintain current and appropriate Maintenance Agreement and/or Support Agreements for all Third-Party Products associated with cFive Software;
 - e. provide ongoing internal Tier 1 support for all Customer's users by establishing and maintaining an internal help desk or its equivalent staffed with Customer subject matter experts who are knowledgeable of cFive Software, Customer's infrastructure and relevant Third-Party Products, and Customer's operations and business processes;
 - f. diagnose and attempt to resolve all issues via Customer's internal Tier 1 support to eliminate any issues not caused by Defects prior to reporting any issue to cFive (issues that are not Defects include, without limitation, problems caused by Third-Party Products, insufficient or incorrect user training, Customer custom configurations, Customer business process changes, and Customer data problems);
 - g. provide complete Defect Documentation concurrent with reporting an issue that is a suspected Defect;
 - h. be responsible for installation, integration, and training with respect to each cFive Software Update (including, without limitation, installing cFive Software Updates in Customer software environments other than the one Customer testing (non-production) software environment specified in the Support Agreement);
 - i. perform, at a minimum, daily database backups and periodically verify that such backups are restorable;
 - j. allow cFive remote access using a widely available third-party secure connectivity tool designated by cFive;
 - k. maintain a high-speed Internet connection capable of connecting cFive to Customer's server(s) and maintain a VPN accessible to cFive for connectivity purposes; and
 - l. provide multiple cFive personnel with login accounts and local administrative privileges as cFive may reasonably require to provide remote Defect diagnosis and Confirmed Defect resolution, and provide access to servers, equipment, information, logs, infrastructure, and other resources that

cFive may reasonably request.

If third-party participation and cooperation is required for the performance of Customer responsibilities, Customer shall be responsible for securing such participation and cooperation. Notwithstanding anything to the contrary contained herein, this Maintenance Agreement shall cease to be in effect for any period during which Customer fails to comply with all of its responsibilities as detailed in this Section, and the Maintenance Agreement shall again be in effect only after Customer cures all areas of non-compliance with its responsibilities.

Schedule 1 to cFive Maintenance Agreement:
cFive Software Covered By and Subject To Maintenance Agreement

Supported cFive Software is limited to (i) the current and immediately preceding version of cFive Software, where each major or minor release of cFive Software is a version, plus (ii) Enhancements listed in the Investment Summary as of the Effective Date. No other software (including, without limitation, all modifications and interfaces) is covered by and subject to the Maintenance Agreement.

Exhibit E

cFive Support Agreement

Provided the Maintenance Agreement is in effect, cFive will provide Customer with support, pursuant to the terms of this Support Agreement, for Supported cFive Software listed in Schedule 1 of the Maintenance Agreement. Capitalized terms used but not otherwise defined in this exhibit will have the meaning assigned to such terms in the Agreement to which this exhibit is appended.

1. **Support.** During the term in which this Support Agreement is in effect, cFive will provide support, pursuant to the terms herein, related to Supported cFive Software listed in Schedule 1 of the Maintenance Agreement.
 - a. cFive will provide Customer with support, during Business Hours unless otherwise arranged pursuant to the terms of the Maintenance and Support Process, of Supported cFive Software up to the point each month that aggregate hours expended by all cFive staff in connection with such support in a given calendar month meet but do not exceed the Monthly Support Hours Allotment. All cFive staff expending time in connection with a support issue will record such time in fifteen-minute increments beginning from the time assistance is provided, and all such time will be aggregated and periodically compared to the Monthly Support Hours Allotment. Any additional support in excess of the Monthly Support Hours Allotment can be requested by Customer and provided by cFive pursuant to the Professional Services Agreement.
 - b. Time expended by cFive staff diagnosing and resolving a Confirmed Defect that is ultimately determined by cFive to be a Severity 1, Severity 2, Severity 3 or Severity 4 issue (as defined in the Maintenance and Support Process) is maintenance covered by the Maintenance Agreement and will not be counted against the Monthly Support Hours Allotment. Time expended by cFive staff related to any issue that is ultimately determined by cFive to be a Severity 5 issue (as defined in the Maintenance and Support Process) is not maintenance and will be counted against the Monthly Support Hours Allotment.
 - c. The Monthly Support Hours Allotment is a fixed amount applicable to each calendar month, and the Monthly Support Hours Allotment resets on the first calendar day of each month (there is no rollover of unused support hours from one month to the next).
 - d. If Customer desires a higher Monthly Support Hours Allotment, such higher Monthly Support Hours Allotment may be provided for additional fees. Such a change would result in updating Schedule 1 to the Support Agreement to reflect the higher Monthly Support Hours Allotment and updating the support fees in the Investment Summary in Exhibit H (with such additional fees to be paid by Customer prior to such higher Monthly Support Hours Allotment becoming effective).
 - e. Schedule 1 to this Support Agreement states the Monthly Support Hours Allotment available to Customer. The Investment Summary in Exhibit H lists the fees and payment obligations related to this Support Agreement.
2. **cFive Responsibilities.** cFive will provide support for Supported cFive Software pursuant to the terms of this Support Agreement and the Maintenance and Support Process, and cFive will use commercially reasonable efforts to:
 - a. if Monthly Support Hours Allotment is 30 or more hours, assign a Support Account Manager who will be the primary point of contact for Designated Staff and who will coordinate provision of cFive support to Customer;
 - b. install cFive Software Updates on one agreed upon Customer testing (non-production) software environment;

- c. perform cFive’s support obligations in a professional manner;
 - d. maintain personnel that are sufficiently trained to be familiar with Supported cFive Software; and
 - e. provide remote support services using a widely available third-party secure connectivity tool designated by cFive, subject to any reasonable applicable security protocols.
3. **Support Exclusions.** cFive has no obligations under this Support Agreement to provide maintenance of any kind, or to provide support or services that are outside the scope of this Support Agreement, including any support in excess of the Monthly Support Hours Allotment. Support and services that are outside the scope of this Support Agreement include, without limitation, business analysis, consulting, data cleanup or migration, development or code modification related to Enhancements or interfaces, project management (including any recurring meetings), report development, and training. Any support outside the scope of this Support Agreement, or any additional cFive services, will be provided pursuant to the terms of the Professional Services Agreement.
4. **Customer Responsibilities.** During the term in which this Support Agreement is in effect, Customer will have the same responsibilities as Customer has under the Maintenance Agreement.

**Schedule 1 to cFive Support Agreement:
Monthly Support Hours Allotment**

Customer's Monthly Support Hours Allotment is 8 hours.

Exhibit F

Maintenance and Support Process

This Maintenance and Support Process supplements the Maintenance Agreement and the Support Agreement. Capitalized terms used but not otherwise defined in this exhibit will have the meaning assigned to such terms in the Agreement to which this exhibit is appended.

Support Resources

Resources and documentation are available on the cFive Website (<https://www.cfive.com/support/>), or other location as may be designated from time to time, to assist in Customer's provision of its Tier 1 support.

Support Channels

cFive provides the following channels of support for use by Designated Staff to report issues in connection with Supported cFive Software:

- a. Online submission via cFive Connect: Designated Staff can create issues through cFive Connect available on the cFive Website (<https://www.cfive.com/support/>); and
- b. Telephone: For urgent Severity 1 and Severity 2 issues, Designated Staff may utilize telephone support subject to cFive's support availability described below.

Support Availability

Maintenance under the Maintenance Agreement and support under the Support Agreement are each provided only during Business Hours.

After Hours Support

Upon Customer request, cFive will provide After Hours Support pursuant to the terms of this paragraph. Any maintenance or support requested by Customer to be rendered by cFive outside of Business Hours will be provided at cFive's then-current After Hours Support rates (cFive maintains a list of rates that are updated periodically). After Hours Support is provided in one-hour minimum increments (the minimum amount of billable time for maintenance or support outside of Business Hours is one complete hour even if such maintenance or support requires less than one hour of work). Response to support requests outside of Business Hours is offered without any targeted response time by cFive notwithstanding anything herein to the contrary.

cFive Personnel: Maintenance

For customers with a cFive maintenance agreement in effect, maintenance consists of four types of personnel:

- a. Maintenance and Support Representatives are responsible for responding to and coordinating resolution of issues.
- b. Maintenance and Support Engineers are development staff responsible for providing technical assistance to Maintenance and Support Representatives to help diagnose and resolve issues. Customer's interactions with Maintenance and Support Engineers will be limited to contact initiated by Maintenance and Support Engineers in connection with providing maintenance and support.

- c. Maintenance and Support Manager is responsible for managing Maintenance and Support Representatives.
- d. cFive Executive is responsible for customer satisfaction.

cFive Personnel: Support

For customers with a cFive maintenance agreement in effect and an active cFive support agreement in effect that includes a Monthly Support Hours Allotment of 30 hours or more, maintenance and support consists of five types of personnel: (i) the four types of personnel available to customers with a cFive maintenance agreement in effect, plus (ii) a designated Support Account Manager who is a Maintenance and Support Representative designated as the primary point of contact for Designated Staff as described in the Support Agreement.

Issue Handling

Issue Tracking

All maintenance and support issues are logged into cFive Connect and given a unique issue number. The cFive Connect system tracks the history of each issue. The issue number is used to track and reference open issues when Designated Staff contact cFive support, and Customer may track issues using the issue number through cFive Connect.

Issue Severity

Each issue reported to cFive by Customer will ultimately be assigned a severity level by cFive. cFive will use its reasonable judgment in assigning an appropriate severity level to each issue based on the criteria described in the severity levels below. The issue resolution process described below may not address every type of issue, and certain characteristics described in this process may or may not apply to a particular issue. The goal of defining the process below is to help guide Customer and its Designated Staff towards clearly understanding and communicating the severity of an issue and to describe generally expected response and resolution targets.

cFive recognizes that Customer's business and technical priorities may evolve over time. If Designated Staff believe the severity level of an issue should be changed, then Designated Staff should discuss reclassifying severity level by contacting (i) the Support Account Manager, if one is assigned, or (ii) a Support Representative, if no Support Account Manager is assigned. cFive will make the final determination on the severity level classification of an issue.

Issue Priority

Independent of severity level, each issue may be assigned a priority level (e.g., low, medium, high, and urgent) in cFive Connect to allow cFive and Customer to sequence the resolution of issues.

Issue Severity Levels, Associated Response Times, and Resolution Process

Upon receipt of a reported issue, cFive will use commercially reasonable efforts during Business Hours to meet the resolution targets set forth below. Due to the complex nature of software development and operating environments, cFive does not guarantee the time that it will take to resolve an issue. cFive may not be able to provide a Workaround within the targeted resolution time, particularly if the issue was reported after Third-Party Product updates or changes. For all Confirmed Defects, at cFive's discretion, a Workaround can be considered a permanent resolution.

Severity 1 Issue

- a. **Definition.** An issue that is a Confirmed Defect that results in the complete failure of Supported cFive Software and which causes a severe and ongoing material adverse impact on Customer's operations.
- b. **Response Time.** During Business Hours cFive shall provide an initial response within four hours of receipt of Defect Documentation. Unless Customer requests After Hours Support as described herein, outside of Business Hours cFive will provide an initial response within one Business Day of receipt of Defect Documentation.
- c. **Response.** cFive's initial response will include an acknowledgement of notice of the issue and either confirmation that cFive has received sufficient information (such as, in the case of a Defect, Defect Documentation) or a request for additional information related to the issue. cFive will review and diagnose the issue, set its initial severity level, and assign appropriate personnel to either correct the issue or, in the case of a Confirmed Defect, identify a Workaround.
- d. **Resolution and Resolution Time.** cFive will use commercially reasonable efforts to provide a Workaround for a Severity 1 Confirmed Defect within three Business Days of receiving from Customer enough information to allow cFive to confirm and/or recreate the Defect. cFive will deliver to Customer correcting software in a future cFive Software Update.

Severity 2 Issue

- a. **Definition.** An issue that is a Confirmed Defect that results in a partial failure of Supported cFive Software and which causes a significant and ongoing material adverse impact on Customer's operations.
- b. **Response Time.** cFive will provide an initial response within one Business Day of receipt of Defect Documentation.
- c. **Response.** cFive's initial response will include an acknowledgement of notice of the issue and either confirmation that cFive has received sufficient information (such as, in the case of a Defect, Defect Documentation) or a request for additional information related to the issue. cFive will review and diagnose the issue, set its initial severity level, and assign appropriate personnel to either correct the issue or, in the case of a Confirmed Defect, identify a Workaround.
- d. **Resolution and Resolution Time.** cFive will use commercially reasonable efforts to provide a Workaround for a Severity 2 Confirmed Defect within six Business Days of receiving from Customer enough information to allow cFive to confirm and/or recreate the Defect, and cFive may deliver to Customer, at cFive's discretion, correcting software in a future cFive Software Update.

Severity 3 Issue

- a. **Definition.** An issue that is a Confirmed Defect that significantly impairs the use of Supported cFive Software but which has only a limited ongoing impact on Customer's operations.
- b. **Response Time.** cFive will provide an initial response within five Business Days of receipt of Defect Documentation.
- c. **Response.** cFive's initial response will include an acknowledgement of notice of the issue and either confirmation that cFive has received sufficient information (such as, in the case of a Defect, Defect Documentation) or a request for additional information related to the issue. cFive will review and diagnose the issue, set its initial severity level, and assign appropriate personnel to either correct the issue or, in the case of a Confirmed Defect, identify a Workaround.

- e. **Resolution and Resolution Time.** cFive will use commercially reasonable efforts to provide a Workaround for a Severity 3 Confirmed Defect, and cFive may deliver to Customer, at cFive's discretion, correcting software in a future cFive Software Update.

Severity 4 Issue

- a. **Definition.** An issue that is a Confirmed Defect that is cosmetic or that does not significantly impair usability of Supported cFive Software on an ongoing basis.
- b. **Response Time.** cFive will provide an initial response within ten Business Days of receipt of Defect Documentation.
- c. **Response.** cFive's initial response will include an acknowledgement of notice of the issue and either confirmation that cFive has received sufficient information (such as, in the case of a Defect, Defect Documentation) or a request for additional information related to the issue. cFive will review and diagnose the issue, set its initial severity level, and, at cFive's discretion, cFive may assign appropriate personnel to either correct the issue or, in the case of a Confirmed Defect, identify a Workaround.
- d. **Resolution and Resolution Time.** cFive may deliver to Customer, at cFive's discretion, correcting software in a future cFive Software Update.

Severity 5 Issue

- a. **Definition.** An issue that is not a Severity 1, Severity 2, Severity 3 or Severity 4 issue (Severity 5 issues include, without limitation, Enhancement requests, usage questions, user errors, issues caused by or related to Third-Party Products, suspected Defects that are ultimately determined to not be Confirmed Defects, any issues related to cFive Software that is not Supported cFive Software, and any questions or other requests).
- b. **Response Time.** cFive will provide an initial response within ten Business Days.
- c. **Response.** Severity 5 issues are outside the scope of the Maintenance Agreement, and cFive is not required to provide resolution to any Severity 5 issues. Customer may choose to have cFive address certain Severity 5 issues using support time counted against the Monthly Support Hours Allotment pursuant to the Support Agreement (subject to any limitations provided therein) or as requested by Customer to be provided by cFive pursuant to the Professional Services Agreement.

Lost or Corrupted Data

Customer is solely responsible for its data. cFive has no liability for lost or corrupted data, and cFive's responsibility in the event of lost or corrupted data is limited to assisting Customer to restore the Supported cFive Software database to a known, accurate state using Customer backups (with such assistance using support time counted against the Monthly Support Hours Allotment pursuant to the Support Agreement or as requested by Customer to be provided by cFive pursuant to the Professional Services Agreement.).

Maintenance Issue Escalation

If cFive is unable to resolve a maintenance issue pursuant to the resolution and resolution times described above or if cFive is unable to, in cFive Connect, assign the resolution of a Confirmed Defect to a specific future cFive Software Update, then after the applicable resolution time described above has elapsed Customer may escalate the maintenance issue pursuant to the following maintenance issue escalation process.

- a. Designated Staff will first communicate with the Support Account Manager (if one is assigned) in an effort to resolve the issue or, in cFive Connect, assign a Confirmed Defect to a specific future cFive Software Update. If no Support Account Manager is assigned, then System Administrator will first communicate with cFive Support Manager as described in (b) below.
- b. If the same issue remains unresolved or unassigned to a specific future cFive Software Update for ten or more Business Days after step (a) above, then System Administrator will communicate with cFive Support Manager in an effort to establish a mutually satisfactory plan and timeframe to resolve the unresolved issue.
- c. If the same issue remains unresolved or unassigned to a specific future cFive Software Update for ten or more Business Days after step (b) above, then Customer Executive will communicate with cFive Executive in an effort to establish a mutually satisfactory plan and timeframe to resolve the unresolved issue.

Support Issue Escalation

If cFive is unable to resolve a support issue (issues other than Severity 1, Severity 2, Severity 3, or Severity 4 Confirmed Defects), then Customer may escalate the support issue pursuant to the following support issue escalation process.

- a. Designated Staff will first communicate with the Support Account Manager (if one is assigned) in an effort to resolve the issue. If no Support Account Manager is assigned, then System Administrator will first communicate with cFive Support Manager as described in (b) below.
- b. If the same issue remains unresolved for ten or more Business Days after step (a) above, then System Administrator will communicate with cFive Support Manager in an effort to establish a mutually satisfactory plan and timeframe to resolve the unresolved issue.
- c. If the same issue remains unresolved for ten or more Business Days after step (b) above, then Customer Executive will communicate with cFive Executive in an effort to establish a mutually satisfactory plan and timeframe to resolve the unresolved issue.

Requests for copies, scanning, assembly, etc. of paperwork are billed at an administrative rate of \$45.00 per hour. Any additional written exam questions, if needed, will be written and billed at \$49.00 each. Additional assessment center exercises, if needed, will be billed at a rate of \$1,500.00 each. If an in-basket exercise is requested, there is a \$2,500.00 fee to create a 10 item in-basket exercise. Data for Decisions in Management

- If a second S&A consultant is needed on site for the AC administration to help manage multiple panels and testing rooms (for larger groups like the Corrections Bureau Sergeant and Law Enforcement Bureau Sergeant processes) they will be billed at a rate of \$1,250.00 per day.
- The DuPage County Sheriff's Merit Commission will be responsible for securing a location for all process administrations, where applicable.
- A contact person for the project will be designated who is responsible for coordinating activities, such as providing S&A with requested information and scheduling meetings with internal SMEs and external assessors (if applicable).
- While S&A strives to become familiar with each client's local circumstances, its consultants are not attorneys, and we rely on contact personnel and/or the client agency's legal counsel to ensure processes and procedures adhere to local rules (e.g., civil service commission rules, bargaining agreements, etc.).
- Work performed or meetings scheduled on weekends or outside of normal business hours requiring S&A's attendance or assistance will be billed at 1.5 times the quoted project rate.
- S&A invoices for one-half payment up front and the other half upon project completion.

Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. The Grantee shall properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

22.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, the Grantee should, to the greatest extent practicable under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). Grantee may be subject to additional requirements in PART TWO, PART THREE or Exhibit E based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than \$500,000 in State-issued Awards, but expends \$300,000 or more in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantor determines that non-compliance cannot be remedied by

imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently . However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a

subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.113; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer’s guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a

preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in PART TWO or PART THREE.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities.** This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities.** This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

**ARTICLE XXII
MISCELLANEOUS**

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. This Agreement and Grantee's Obligations and services hereunder must be performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules

which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.11. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.12. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.13. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.14. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees, costs and expenses associated with such proceedings.

22.15. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Admin. PART TWO –GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

**ARTICLE XXIII
ADDITIONAL CERTIFICATIONS**

29.1 **Certifications.** Grantee shall be responsible for compliance with the enumerated certifications to the extent that the certifications legally apply to Grantee:

(a) **Adult Protective Services Act.** Grantee certifies that it is in compliance with the Adult Protective Services Act to protect people with disabilities who are abused, neglected or financially exploited and who, because of their disability, cannot seek assistance on their own behalf. Anyone who believes a person with a disability living in a domestic setting is being abused, neglected or financially exploited must file a complaint with the Illinois Department on Aging. Grantee has an obligation to report suspected fraud or irregularities committed by individuals or other entities with whom it interacts on Grantor’s behalf and should make a report to the appropriate program office (320 ILCS 20/1 *et seq.*).

(b) **Grant Award Requirements.** Grantee certifies that it is in compliance with 45 CFR Part 93 and 45 CFR Part 94.

(c) **Business Entity Registration.** Grantee certifies that it is not required to register as a business entity with the State Board of Elections pursuant to the Procurement Code (30 ILCS 500/20-160 and 30 ILCS 500/50-37). Further, Grantee acknowledges that all contracts between State agencies and a business entity that do not comply with this Paragraph shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

**ARTICLE XXIV
ADDITIONAL TERMS**

24.1 **Renewal.** This Agreement may be renewed for additional periods by mutual consent of the Parties, expressed in writing and signed by the Parties. Grantee acknowledges that this Agreement does not create any expectation of renewal.

24.2 **Multiple Locations.** In the event that Grantee has more than one location, Grantee shall include in **EXHIBIT D** either (1) the address, phone number and hours of operation of each location, or (2) the address, phone number and hours of operation of Grantee’s primary location.

24.3 **Changes in Key Grant Personnel.** When it is specifically required as a condition of an Award, the replacement of the Program director or a key person or a substantial reduction in the level of their effort, e.g., their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Award purposes, requires Prior Approval from Grantor. When it is specifically required as a condition of an Award, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by Grantor to be critical to the Award's successful completion. All requests for approval of changes in key Grant personnel shall be signed by Grantee’s authorized representative and submitted to the appropriate Grantor program personnel. Evidence of the qualifications for replacement personnel (such as a résumé) shall be included. 2 CFR 200.308.

24.4 Grant Funds Recovery. The provisions of 89 Ill. Admin. Code 511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

24.5 Employee and Subcontractor Background Checks. Grantee certifies that neither Grantee, nor any employee or subcontractor who works on Grantor's premises, has a felony conviction. Any request for an exception to this rule must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction. Grantee will also supply Grantor with a list of individuals assigned to work on DHS' premises at least ten (10) working days prior to the start of their employment, unless circumstances prevent Grantee from giving a list within that time. If Grantee cannot provide a list, or the name of an individual, at least ten (10) working days prior to his/her employment, it shall do so as soon as possible. Grantor may conduct, at its expense, criminal background checks on Grantee's employees and subcontractors assigned to work on Grantor's premises. To the extent permitted by Illinois law, Grantee agrees to indemnify and hold harmless Grantor and its employees for any liability accruing from said background checks.

24.6 Gifts. In addition to the Gift ban described in Paragraph 26.1, Grantee will provide Grantor with advance notice of Grantee's provision of gifts, excluding charitable donations, given as incentives to community-based organizations in Illinois and clients in Illinois to assist Grantee in carrying out its responsibilities under this Agreement.

24.7 Current Contact Information and Notices. Grantee shall update its contact information, including email address, phone number and job title, in the Community Services Agreement (CSA) Tracking System under the My Info tab, when any such information changes. In addition, Grantee shall contact the DHS Office of Contract Administration when its mailing address changes to update that information. Grantee acknowledges and agrees that any notices from Grantor may be made to its mailing address, electronic mail (email) address, or facsimile (fax) telephone number, at Grantor's choosing. Such notice shall be effective upon dispatch.

24.8 Supplies Disposition. Grantee must obtain disposition instructions from Grantor when supplies, purchased in whole or in part with Grant Funds, are no longer needed for their intended purpose. Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any supplies to Grantor or a third party for any reason, including, without limitation, an Award is terminated or Grantee no longer conducts Award activities. The Grantee shall properly maintain, track, use, store and insure the supplies according to applicable best practices, manufacturer's guidelines, federal and State laws or rules, including without limitation those contained at 2 CFR 200.310 to 2 CFR 200.326, and Department requirements stated herein. All obligations regarding use and ownership of supplies, purchased in whole or in part with Grant Funds, shall survive the termination of this Agreement.

In addition to Article XII of **PART ONE**, Grantor shall monitor Grantee's conduct under this Agreement which may include, but shall not be limited to, reviewing records of performance in accordance with administrative rules, license status review, fiscal and audit review, Agreement compliance and compliance with the affirmative action requirements of this Agreement. Grantor shall have the authority to conduct announced and unannounced monitoring visits and Grantee shall cooperate with Grantor in connection with all such monitoring visits. Failure of Grantee to cooperate with Grantor in connection with announced and unannounced monitoring visits is grounds for Grantor's termination of this Agreement.

25.2 Requests for Information. Grantor may request, and Grantee shall supply, upon request, necessary information and documentation regarding transactions constituting contractual (whether a written contract exists or not) or other relationships, paid for with funds received hereunder. Documentation may include, but is not limited to, information regarding Grantee's contractual agreements, identity of employees, shareholders and directors of Grantee and any party providing services which will or may be paid for with funds received hereunder, including, but not limited to, management and consulting services rendered to Grantee.

25.3 Rights of Review. This ARTICLE XXV does not give Grantor the right to review a license that is not directly related to the Award being audited nor does it allow Grantor to unilaterally revoke a license without complying with all due process rights to which Grantee is entitled under Federal, State or local law or applicable rules promulgated by Grantor.

ARTICLE XXVI WORK PRODUCT

26.1 Assignment of Work Product. "Work Product" means all the tangible materials, regardless of format, delivered by Provider to DHS under this Agreement. Grantee assigns to Grantor all right, title and interest in and to Work Product. However, nothing in this Agreement shall be interpreted to grant Grantor any right, title or interest in Grantee's intellectual property that has been or will later be developed outside this Award.

26.2 License to Grantor. To the extent Grantee-owned works are incorporated into Work Product, Grantee grants to Grantor a perpetual, non-exclusive, paid-up, world-wide license in the use, reproduction, publication and distribution of such Grantee-owned works when included within the Work Product. Grantee shall not copyright Work Product without Grantor's prior written consent.

26.3 License to Grantee; Objections. Grantor grants to Grantee a perpetual, non-exclusive, paid-up license to publish academic and scholarly articles based upon the services rendered under this Agreement. All materials to be published shall first be submitted to Grantor at least forty-five (45) days prior to publication or other disclosure. Upon written objection from Grantor, Grantee shall excise any confidential information, as that term is defined in applicable State and Federal statutes, federal regulations and Grantor administrative rules, from materials before publication. Grantor may also object to the publication on grounds other than confidentiality. As to the latter objections, Grantee and Grantor will attempt to resolve Grantor's concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. Grantor waives any objections not made to Grantee in writing before expiration of the review period.

26.4 Unresolved Objections; Disclaimer. If Grantor's objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Grantee may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the [Grantor], the [Grantor] does not endorse or adopt the opinions or conclusions presented in the article." Notwithstanding the above, Grantor shall not have the right to control or censor the contents of Grantee publications.

ARTICLE XXVII POST-TERMINATION/NON-RENEWAL

27.1 Duties. Upon notice by Grantor to Grantee of the termination of this Agreement or notice that Grantor will not renew, extend or exercise any options to extend the term of this Agreement, or that Grantor will not be contracting with Grantee beyond the term of this Agreement, Grantee shall, upon demand:

(a) Cooperate with Grantor in assuring the transition of recipients of services hereunder for whom Grantee will no longer be providing the same or similar services or who choose to receive services through another Grantee.

(b) To the extent permitted by law, provide copies of all records related to recipient services funded by Grantor under this Agreement.

(c) Grant reasonable access to Grantor to any and all Program sites serving recipients hereunder to facilitate interviews of recipients to assure a choice process by which recipients may indicate provider preference.

(d) Provide detailed accounting of all service recipients' funds held in trust by Grantee, as well as the identity of any recipients for whom Grantee is acting as a representative payee of last resort.

27.2 Survival. The promises and covenants of this Article shall survive the Term of this Agreement for the purposes of the necessary transition of recipients of services hereunder.

**ARTICLE XXVIII

28.1. Applicability. This Article does not apply to governmental bodies or institutions of higher education.
