3. PUBLIC COMMENT

No public comments were offered.

4. CHAIR REMARKS - CHAIR SCHWARZE

Chair Schwarze stated that on January 17, 2024, in cooperation with the DuPage Foundation, DuPage County will announce the opening of round four of the DuPage Community Transformational Partnership Grant. This grant will provide for transformational intervention in the areas of food insecurity, housing instability, mental health and substance use disorders. DuPage County will deliver a press release on Thursday, January 18. Please share with members of your district and on social media.

Members discussed the partnership grant, and a broader reach of agencies. Chair Schwarze replied there are only so many large organizations that can qualify for funding and recommended members canvas their district to inform agencies of the grant. Mary Keating responded that Giving DuPage has an email blast, and there is also a 211-email blast, reaching between 300 to 500 people. The DuPage Foundation notifies their entire database, which includes hundreds of nonprofits. The grant information is also sent out through our Homeless Continuum of Care. Ms. Keating emphasized the recipients must serve a larger area and their program must be serving one of the four areas; food insecurity, housing instability, mental health, or substance use disorders.

Members asked about obtaining information regarding who has applied and why agencies were rejected. Ms. Keating recommended members contact Barb Szczepaniak, Vice President of Programs at the DuPage Foundation. Chair Schwarze added that he will bring up the concerns when he attends the first meeting at the DuPage Foundation with Vice Chair Paula Garcia.

13. DUPAGE CARE CENTER UPDATE - JANELLE CHADWICK

Anita Rajagopal, Assistant Administrator to the DuPage Care Center stated there are currently no units on isolation due to Covid-19. The Care Center is still following masking protocols. They monitor hospital re-admissions related to covid to determine what protocol they will follow. DuPage County is currently at a medium level, higher than surrounding counties. The Care Center often takes a more conservative approach to the state guidance, including additional masking.

Ms. Rajagopal gave an update on the remodel at the Care Center, stating the floors have all been laid, bathroom tiling and painting in resident rooms has been completed. Cabinets are being installed, and the front lobby’s installation of the nursing station cabinets is complete. Tours are available to County Board members. The remodel of the 4N unit should be completed in mid-March. They will need approval from the Illinois Department of Public Health (IDPH) before occupancy is allowed.

The Valentine Balloon Fundraiser will be in February. The Care Center will be seeking the County Board members’ support.

14. COMMUNITY SERVICES UPDATE - MARY KEATING

Mary Keating, Director of Community Services, offered a statistic from the 2023 Annual Report, stating the Community Services’ outreach team was at 129 different events in 2023, reaching over 6000 people. Community Services was able to obtain these numbers through ARPA funding, allowing Community Services to hire a specific person to reach out to communities in need.

Mary Keating introduced Victoria Kappas, the Administrator of the Family Center to discuss the impact of the new daytime security staff, approved by the 2024 county budget. Ms. Kappas thanked the committee for the new security guard, stating that the presence has been amazing, both for de-escalation of volatile situations and the comfort of staff having them present.

Two judges from juvenile court have reached out to the Family Center to establish services at a neutral site for the foster parent/biological parent dynamics for child exchange and/or to obtain information through reports. Ms. Kappas concluded that this is another untapped referral source and another way to serve children in DuPage County. She will keep the committee updated with numbers as the program develops.

Action Requested: CDC staff recommend approval of Agreement Modification #2 for the Villag of Glendale Heights Norton Ave & E. Schubert Ave Water Main Replacement project, extending the timeline to 03/01/2024.

Details: The project provided watermain replacement in the Village of Glendale Heights along Norton Avenue from Pearl Avenue to Winthrop Avenue, and E. Schubert Avenue from President Street to Bloomingdale Road.

Modification #1 was approved by the Director of Community Services on 10/16/2023 extending the timeline of the project from 10/31/2023 to 12/31/2023.

Substantial completion was reached mid-October 2023 with punch list items completed in early November 2023. A discrepancy between the General Contractor (GC) and one Sub-Contractor regarding final quantities and amounts due resulted in delayed submission of required final paperwork to the department for review and approval.

The Village is working with the GC on final paperwork and staff anticipates receipt of final documentation prior to the requested extension date of 03/01/2024.

Attention: Mary Keating
Director of Community Services

Subject: Second Request for Time Extension CDBG Funds
Village of Glendale Heights
Norton Avenue and E. Schubert Avenue Water Main Replacement Project (CD22-05)

Dear Ms. Keating:

In accordance with Section XI – Timeliness of the Community Development Block Grant (CDBG) Agreement between the County of DuPage and the Village of Glendale Heights for the subject project, the Village is requesting an additional two (2) month extension. It is understood via Modification One that the project was to be completed by December 31, 2023. If approved, the revised date for the grant extension shall be March 1, 2024.

Since Modification One was approved, the Contractor completed the heavy construction portion of their contract (mid-October 2023). After construction and the punch list were completed (early November 2023), the Contractor began finalizing their closeout documentation. During this process, the Contractor encountered issues with their subcontractors out of their control. These currently unresolved issues have delayed closing out the project. If approved, the time extension will allow for the Contractor to resolve the outstanding issues and complete the remainder of the required process for project closeout.

The Village is continually thankful for the CDBG department for their ongoing mission to help serve our community and looks forward to continuing our great working relationship in the future.

- Project Timeline:** Community Development Block Grant (CDBG) program funds are required by the U.S. Department of Housing and Urban Development (HUD) to be spent in a timely fashion. If HUD determines there is an excess amount of unexpended CDBG funds for a given program year, corrective action will be required by HUD. Corrective action includes, and is not limited to, a reduction of the unexpended funds. Projects that lead to a slow expenditure of CDBG funds and/or a reduction of CDBG funds by HUD are subject to a reduction in the project award amount.

As reflected in the CDBG Neighborhood Investment Application, it is expected that all projects awarded CDBG funding will be completed within one year of the Agreement date.

In the table below, please complete the implementation schedule for the awarded project. If the awarded project does not include acquisition or zoning change, please reflect "N/A" for those activities. All aspects of the project must be completed within one year of the Agreement date.
