I love to call out those folks who contribute to our success here at the County. Today I want to thank everyone associated with the DuPage Care Center Golf outing that took place June 27th. Not only did they exceed the amount of money raised last year, but they also blew it out of the water…grossing $53,600!
Thanks to the Care Center Foundation, volunteers, and staff. And in case you didn't get to attend

but would still like to support the programs and residents of the DuPage Care Center, you may easily do so by visiting DPCCfoundation.org. There are many ways to give, and all of them benefit our friends and neighbors who call the Care Center home.

ZONING-25-000022 – ORDINANCE – Perez: To approve the following zoning relief: Rezoning from B-1 Local Business to R-4 Single Family Residential. (Addison/District 1)
ZHO Recommendation to Approve
Development Committee VOTE (Motion to Approve): 5 Ayes, 0 Nays, 1 Absent

WHEREAS, a public hearing was held on June 4, 2025, in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Rezoning from B-1 Local Business to R-4 Single Family Residential, on the property hereinafter described:

LOT 7 AND THAT PART OF LOT 6 LYING SOUTH OF A LINE DRAWN FROM THE SOUTHWEST CORNER OF SAID LOT 6 TO A POINT ON THE EAST LINE OF SAID LOT 6 THAT IS 32.00 FEET NORTH OF THE SOUTHEAST CORNER OF SAID LOT 6; ALL IN BLOCK 2 IN GRAUE'S LAKE TERRACE, BEING A SUBDIVISION OF PART OF SECTION 20, TOWNSHIP 40 NORTH, RANGE 11 EAST OF THE THIRD PRINCIPAL MERDIAN, ACCORDING TO THE PLAT THEREOF RECORDED MAY 8, 1925 AS DOCUMENT NO. 192604, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on June 18, 2025, does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that they seek the subject zoning relief to rezone the subject property from B-1 Local Business to R-4 Single Family Residential.

B. That petitioner testified that he is downzoning the subject property and converting the existing building into a single-family home.

C. That petitioner testified that other than the properties directly north and east of the subject property, all other properties west and south of the subject property are zoned single family residential in both the Village of Addison and unincorporated DuPage County.

D. That petitioner testified the subject property zoned as B-1 Local Business is not compatible with the surrounding area and that the subject property has been vacant for over eight (8) years.

   a. Furthermore, that there are only single-family homes being constructed in the surrounding area.

E. That the Zoning Hearing Officer finds that petitioner has demonstrated the minimum of Standards for a Map Amendment (Rezoning) and that the Hearing Officer finds that downzoning the subject property from B-1 Local Business to R-4 Single Family Residential is suitable for the subject property and compatible with the surrounding area and neighborhood trend of development.

STANDARDS FOR MAP AMENDMENT (REZONING):

That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the map amendment (rezoning) is in harmony with the general purpose and intent of the Zoning Ordinance, and that the petitioner has demonstrated the following standards for a map amendment (rezoning):

1. Existing uses of property within the general area of the property in question, as petitioner **has demonstrated** that the property directly to the west is located in the Village of Addison and is a single family home; that the property to the south is located in the Village of Addison and is a single family home; that the property directly to the east is located in the Village of Addison and is an office building; and that the property directly to the north is located in the Village of Addison and is a commercial Tupperware store.

2. The zoning classification of property within the general area of the property in question, as petitioner **has demonstrated** that the property directly to the west is located in the Village of Addison and is a single family home; that the property to the south is located in the Village of Addison and is a single family home; that the property directly to the east is located in the Village of Addison and is an office building; and that the property directly to the north is located in the Village of Addison and is a commercial Tupperware store.

3. The suitability of the property in question for the uses permitted under the existing zoning classification, as petitioner **has demonstrated** that the subject property is not suitable under the existing zoning classification as it has remained vacant for over eight (8) years and that

the subject property is primarily surrounded by single family homes.

4. The trend of development, if any, in the general area of the property in question, including changes, if any, which may have taken place since the property in question was placed in its present zoning classification, as petitioner **has demonstrated** that the trend of development in the general area is primarily toward single family homes.

5. The length of time the property has been vacant as zoned, considered in the context of the land development in the area surrounding the subject property, as petitioner **has demonstrated** that the subject property has been vacant for over eight (8) years as a B-1 Local Business property.

6. The extent to which the property values are diminished by particular zoning restrictions, as petitioner **has demonstrated** that the existing B-1 Local Business zoning district is not compatible with the surrounding land uses, and that the subject property has remained vacant for over eight (8) years as a commercial property.

   a. Furthermore, that petitioner testified that the subject home has no basement or usable attic space and that they require additional storage on the property.

   a. As such, petitioner testified that the only location to place a shed on the subject property is in front of the front wall of the home, approximately three (3) feet from the interior side property line.

e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the location of the proposed shed will not increase the potential for flood damages to adjacent properties.

f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the location of the proposed shed will not incur additional public expense for flood protection, rescue, or relief.

ZONING-25-000031 – ORDINANCE – Blachuciak: To approve the following zoning relief:
Variation to increase the height of a new fence in the rear yard from permitted 6'6" to approximately 8'. (Downers Grove/District 3)
ZHO Recommendation to Approve
Development Committee VOTE (Motion to Approve): 5 Ayes, 0 Nays, 1 Absent

WHEREAS, a public hearing was held on June 4, 2025, in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Variation to increase the height of a new fence in the rear yard from permitted 6'6" to approximately 8', on the property hereinafter described:

LOT 11 IN GALLAGHER AND HENRY'S BROOKHAVEN MANOR UNIT NUMBER 1, BEING A SUBDIVISION IN SECTION 28, TOWNSHIP 38 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED NOVEMBER 13, 1957 AS DOCUMENT NUMBER R67-46437 AND R68-6858, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on June 18, 2025 does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is to construct an 8-foot-tall privacy fence in the rear yard where the subject property directly backs up to Cass Avenue.

B. That petitioner testified that she has no privacy or security for her backyard as the subject property is situated lower in elevation than Cass Avenue, resulting in pedestrians walking along the Cass Avenue sidewalk looking directly into her backyard and making comments to her children.

C. That petitioner testified that she has a practical difficulty and particular hardship with her land as the subject property has a sloped yard that sits lower than Cass Avenue, resulting in no backyard privacy even with a 6'6" privacy fence, and that she requires an 8' tall privacy fence in order to safely secure her backyard area.

D. That the Zoning Hearing Officer finds that petitioner has demonstrated a practical difficulty and particular hardship with her land, as the subject property has a sloped yard and sits lower in elevation than Cass Avenue and that she requires an 8' tall privacy fence in order to safely secure her backyard area.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

    a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the proposed 8-foot fence in the rear yard will not impact the light and air to adjacent properties, as the subject property backs up to Cass Avenue.

    b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that she will receive a building permit for the proposed fence and that it will be constructed pursuant to all building codes.

    c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the location of the proposed fence will not diminish the value of land and buildings throughout the County and will be an added benefit to the surrounding area.

    d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the proposed fence will not unduly increase traffic congestion in the public streets and highways as the subject property sits lower in elevation than Cass Avenue.

    e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the proposed fence will not increase the potential for flood damages to adjacent properties.

f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the proposed fence will not incur additional public expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the proposed fence will not impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County and will be an added benefit to the surrounding area.

DuPage County Member Initiative Program
May 2025

Request

Bridge Communities is requesting $50,000 in support of our Employment Services Program for Adults Experiencing Homelessness.

Bridge Communities

The mission of Bridge Communities is to transition families experiencing homelessness to self-sufficiency by working with community partners to provide mentoring support, holistic services, and stable housing. Bridge Communities is committed to transforming the lives of families facing homelessness by improving their education and employment opportunities and strengthening their financial and life skills. Since 1988, we have supported families as they achieve financial stability and secure long-term housing. We believe in a two-generation approach to breaking the cycle of poverty and homelessness, addressing the needs of both parents and their children.

As DuPage County's largest provider of transitional housing for families, Bridge has become a regional leader in housing stability. Bridge Communities provides safe housing, personalized financial coaching, and a wide array of services through our Employment Services Program, the Children's Program, and the Family Wellness Program. Bridge staff also refer adults and children to community partners for additional services depending on their individualized needs and goals, including mental and behavioral health counseling, legal services, and food pantries. Bridge's commitment to collaboration with community partners enhances the services we provide, expanding the opportunities for families to achieve financial independence and overall wellness.

Over the course of their tenure at Bridge, client families learn the foundational skills necessary to achieve their long-term goals of increased income, improved financial stability, improved employability and education, improved life skills, and improved mental health and overall wellbeing for each member of the family. Our work and mission are focused on creating equitable opportunities for all the families we serve so that they can all achieve self-sufficiency regardless of their original circumstances. Ultimately the goal is to achieve financial stability and break the generational cycle of poverty and homelessness.

Our model is unique because each family is paired with a team of volunteer mentors who serve as their primary support system, helping them manage their finances and meet their goals. This transformative relationship between clients and mentors has proven to empower our client families toward financial self-sufficiency and often outlasts the formal duration of the program. Our program is designed to be personalized so that each family member can set goals that are focused on improving the issues that

contributed to the root cause of their family's homelessness. No two families have the same past circumstances or future goal plan, and clients are an integral part of creating and implementing solutions for their family.

Over the past 37 years, Bridge has served over 1,000 families, helping them create lasting change. In 2024, Bridge helped to promote self-sufficiency in 102 families, including 280 individuals. Thirty-three (33) families exited our core housing programs during the year. For these families, 91% exited with increased assets, 91% exited with decreased debt, 67% exited with increased income, and 82% exited with stable to thriving employment. Eighty-five percent (85%) exited to permanent housing.

Employment Services Program

Bridge provides critical employment support to help wage earners advance their careers and increase their income while in our program, all so they can better support their family, achieve financial stability, and escape homelessness. The Employment Services Program connects individuals to stable employment and prepares clients for success in the workplace. In DuPage County, a single adult supporting two children would need to earn over $70,000 per year to afford the most basic needs, relevant taxes, and permanent sustainable housing without being housing-cost burdened. Personalized employment coaching continues to be essential as clients navigate the high cost of housing and living needs in DuPage County as they try to secure a high-quality, family-sustaining job with benefits.

Staff meet one-on-one with every incoming adult to assess their educational and employment status, and then develop a customized plan with goals that fit with their skills, interests, and financial circumstances. Staff assist clients with resume writing, securing and retaining a job, and navigating the application and financial aid process for education and training programs.

The Program includes:

- **Employment and education coaching**: With staff support, clients set employment and education-related goals, secure and retain a job, and develop their career through education and training.
- **"Steps to Success":** This job readiness workshop provides a group setting for participants to practice skills such as presentations, networking, and interviewing.
- **Career assessments:** Staff use assessment tools to evaluate job readiness and educational gaps. These assessments help identify our clients' aptitudes, interests, and educational gaps.

Our staff also work with clients to ensure that they have the formal education and training they need to succeed in the workplace. Bridge works with each client to determine the best educational opportunities for their background and interests. Staff assist clients in choosing an area of study and help them plan and execute, including financial strategies to minimize expenses. Our staff help clients complete college entrance and FAFSA applications, register for classes, and find scholarship opportunities.

Expected outcomes for the program include:

- In 2025, 60 adults experiencing homelessness will benefit from personalized employment coaching to increase their income and employment stability

- For adults exiting Bridge in 2025, 80% will be stable to thriving in employment
- For adults exiting Bridge in 2025, 75% will increase their income from program entry to exit
- For adults exiting Bridge in 2025, 85% will believe themselves able to achieve their employment goals

The Employment Services team consists of a Director and two Employment Counselors who work with clients throughout their time with Bridge. Combined, these three professionals have decades of experiencing in human resources, employment coaching, training, recruitment and hiring, and consulting. Bridge Communities requests $50,000 in support of salaries for the Employment Counselors.

Dear Members Zay and Krajewski,

This request for financial support is on behalf of Repeat Boutique, a nonprofit in Carol Stream that has served DuPage County for over 50 years. We provide free clothing and household items to individuals and families experiencing hardship.

We have experienced unprecedented growth in the past few years. Currently, we serve 4000 families representing 18,000 individuals annually (a 25 percent increase in the past year and 100% increase in the past 2 years). This growth stretches our financial resources, and we will use these funds for operating expenses. This allows us to continue enriching the lives for people of need by providing support with free clothing and household items.

By providing basic needs to struggling residents, we believe we help reduce strain on emergency shelters, healthcare providers, and other public services. A warm coat, a clean blanket, or a set of dishes can mean the difference between crisis and stability for a neighbor in need.

With gratitude,
Lynn Dugan

DUPAGE COUNTY

ANIMAL SERVICES

DuPage County Board
421 N County Farm Rd
Wheaton, IL 60187

June 30, 2025

DuPage County Board Members:

DuPage County Animal Services is submitting a request to consider funding for a pet safety net program called A Pawsitive Pathway. This program is for pet owners experiencing personal and financial hardship, allowing them time and financial relief to seek resources to address their unique situation while removing the added stress of pet care. Temporary, confidential pet housing and resource programs can make all the difference for vulnerable families.

The department has seen an increase in people surrendering pets due to temporary hardship such as short-term hospitalization, domestic violence, housing insecurity, or financial challenges with affording critical veterinary care. This program would help reduce the number animals the shelter has to rehome, allow the pet owner an opportunity to get social services for themselves, and make sure pets in our community are healthy, safe and have the option to stay with their family.

Too many times our department receives a request from the Health Department or other agencies that are trying to admit a patient, but the patient is denying care because they do not have someone to care for their pet. We can give them the peace of mind to get the medical care they need and be reunited with their pet afterwards.

Often our department accepts pets that are clearly loved by their owners, but surrendered because they can't afford veterinary care. We can help them get care and then save on the costs of rehoming while also allowing that pet to stay with the family it knows and loves.

We understand the Member Initiative Program is reimbursement-based, and we will expend the funds and follow the proper rules to receive reimbursement. We are requesting consideration in the amount of $50,000 to fund the program. Thank you for your time and consideration of our proposal.

Thank you,

A Pawsitive Pathway

A safety net program designed to help DuPage County families keep their pets healthy and safe while addressing their own unique needs during times of hardship.

Desired Outcomes:

- DuPage County residents will be able to seek human support services without the added stress of pet care.

- The program aligns with DuPage County's Strategic Plan objectives of Community Well-Being in ensuring all county residents can access services and programs that lead to independent and healthy lives.

Program Details:

- Pet owners will execute a boarding agreement of up to 30 days. DuPage County Animal Services will have an option to extend the boarding agreement at their discretion. Boarding will have a cost of $15/day for the purpose of reporting grant expenditures.
- Boarding an animal will also make those animals eligible to receive a comprehensive wellness exam and any necessary vaccines, microchipping or other medically necessary services. Wellness exam and other veterinary services will be priced at competitive non-profit clinic rates for the purpose of reporting grant expenditures.
- Owned pets that require critical medical care can be evaluated for admission to the program after completing a questionnaire, providing historical medical records (if available), and after an exam by staff veterinarians at DuPage County Animal Services. If medical services can be provided at DuPage County Animal Services, those rates will be at competitive non-profit clinic rates. If medical services need to be provided by 3rd party veterinary providers, the selection of a provider will be based on appointment availability compared to procedure urgency, expertise of any specialty medicine providers, and competitive pricing for procedures. Receipts for any 3rd party services will be included in reporting grant expenditures.

SCARCE

July 3, 2025

Sheila Rutledge
DuPage County Board Member & Chair of the Environmental Committee
421 North County Farm Road
Wheaton. IL 60187

Dear Member Rutledge,

Thank you for inviting SCARCE to submit an application for the 2025 Member Initiative Grant Program.

The grant would be used to purchase a free standing reusable banner (printed on both sides) to promote the collection of unwanted, used smoke detectors at recycling extravaganzas in DuPage County.

The grant will also fund 2 collection bins, shipping, de-manufacturing, recycling and final safe storage of the toxic materials in the Smoke Detectors. There is a small amount of radioactive material known as Americium 241 in most residential smoke detectors. Americium 241 has a half–life of 432 years. After 432 years the Americium 241 decays into Neptunium 237 which has a half-life of 2.14 million years.

This project builds awareness and educates residents on the need for proper disposal of smoke detectors and helps keep radioactive material out of our landfills.

SCARCE has worked with both of the companies, Blooming Color in Lombard and Curie Environmental Services in New Mexico, for many years.
We are attaching the forms requested as well as the quotes from the companies we will be working with.

Thanks again for this opportunity to help residents protect our future from this very toxic, long lived isotope.

Sincerely,

Kay McKeen, SCARCE Founder and Executive Director

INTERGOVERNMENTAL AGREEMENT

INTERGOVERNMENTAL AGREEMENT BETWEEN COUNTY OF DUPAGE, ILLINOIS AND CITY OF WARRENVILLE FOR ECONOMIC DEVELOPMENT EFFORTS

This INTERGOVERNMENTAL AGREEMENT (the "AGREEMENT") is made this 21st day of July, 2025, by and between the COUNTY OF DUPAGE, a body politic and corporate, with offices at 421 North County Farm Road, Wheaton, Illinois (hereinafter referred to as the "COUNTY") and CITY OF WARRENVILLE, a body politic and corporate, with offices at 3S258 Manning Ave., Warrenville, Illinois (hereinafter referred to as the "CITY").

R E C I T A L S

WHEREAS, the CITY and the COUNTY are public agencies within the meaning of the Illinois "Intergovernmental Cooperation Act" and as authorized by Article 7, Section 10 of the Constitution of the State of Illinois; and

WHEREAS, the purposes of the "Intergovernmental Cooperation Act" and Article 7 of the Constitution of the State of Illinois include fostering cooperation among government bodies; and

WHEREAS, the Illinois General Assembly has granted the CITY authority to operate, maintain and keep in repair necessary CITY facilities, and to enter into agreements for those purposes pursuant to 65 ILCS 5/11-129-1 (hereinafter "PROJECT"); and

WHEREAS, the COUNTY has created the Member Initiative Program, which sets aside certain County funds for use by members within their districts; and

WHEREAS, the PROJECT will benefit local residents by promoting economic development and community engagement in the City of Warrenville; and

WHEREAS, in order to coordinate their respective roles in the PROJECT, the COUNTY and CITY have agreed to the terms and conditions set forth in this AGREEMENT; and

WHEREAS, the CITY shall undertake the PROJECT and the COUNTY shall reimburse the CITY for PROJECT expenses up to twenty-five thousand dollars ($25,000) in accordance with the terms and conditions of this AGREEMENT; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

1.1 All recitals set forth above are incorporated herein and made a part thereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

1.3 The COUNTY and CITY shall be referred to herein collectively as the "Parties," or individually as a "Party."

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the construction of a pop-up market to promote economic development in the City of Warrenville. The Project is more fully described in the application attached as **Exhibit A** to this Agreement.

3.0 FUNDING.

3.1 The PROJECT'S gross total expenses are estimated to be in excess of sixty-two thousand dollars ($62,000).

3.2 It is the intention of the Parties that up to twenty-five thousand dollars ($25,000) in Project costs will be reimbursed by the COUNTY. The COUNTY, by this AGREEMENT, does not assume responsibility for directly paying any PROJECT costs and shall only be responsible for reimbursing portions of the CITY'S PROJECT costs.

3.3 Allowable PROJECT expenses may include third-party professional services (architect/engineering fees, construction management, etc.), construction (labor and materials), bidding related costs, advertising, permit fees, and other related construction costs. Notwithstanding the foregoing, allowable expenses shall not include administrative costs, overhead, payroll or accounting services.

4.0 CITY'S RESPONSIBILITIES.

4.1 The CITY shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The CITY shall select, and contract with, all vendors providing professional services for the PROJECT.

4.2 The CITY shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.

4.3 The CITY shall be responsible for submitting copies of all plans, specifications, bid documents, permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of verifying the PROJECT's work components have been completed.

4.4 The CITY shall submit one final invoice to the COUNTY upon the completion of the material portion of the project. Repaving, landscaping or other seasonal work shall not be considered a material portion of this PROJECT. The COUNTY shall remit payment to the CITY within 30 days of submission of invoice.

4.5 The CITY shall make direct payments to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the CITY.

4.6 The CITY'S contractors and consultants shall be solely responsible for the safety of all individuals performing work on the PROJECT. The CITY shall take such measures as are necessary to ensure that its contractors and consultants maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and strictly enforce all applicable safety law, rules and regulations. This provision is not intended to create any new burden or liability for the CITY beyond the usual burdens and liabilities for a municipality or other unit of government in the construction of public improvements.

4.7 The CITY shall provide the COUNTY unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for reimbursement.

5.0 COUNTY'S RESPONSIBILITIES.

5.1 The COUNTY reserves the right to review the PROJECT'S plans, specifications and bid documents prior to the CITY'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto.

5.2 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT.

5.3 Upon receipt of the CITY'S invoice, and all necessary supporting documentation, the COUNTY shall promptly reimburse the CITY for approved costs associated with the PROJECT. The total reimbursement amount paid by the COUNTY to the CITY shall not exceed twenty-five thousand dollars ($25,000.00). In the event PROJECT costs total less than twenty-five thousand dollars ($25,000.00), the CITY's total reimbursement amount shall be one hundred percent (100%) of the actual total PROJECT costs.

6.0 GOVERNMENT REGULATIONS.

6.1 The Parties shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT. Nothing in this agreement shall be found to act as an approval of any specific works which require separate county permitting approval, such as stormwater or building permits.

7.0 INDEMNIFICATION.

7.1 To the extent permitted by law, each Party ("First Party") shall indemnify, hold harmless and defend the other Party ("Second Party"), and any of the Second Party's officials, officers, and employees from and against all liability, claims, suits, demands, liens, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the First Party's negligent or willful acts to the fullest extent that each Party is so authorized under the law; provided, however, that the First Party shall not be obligated to indemnify, hold harmless and defend the Second Party for any negligent or intentional wrongful misconduct or omissions by the Second Party's officials, employees, agents, contractors or personnel.

7.2 The CITY shall require each consultant and contractor responsible for the construction, maintenance, or monitoring of the PROJECT to name the CITY and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers as additional insureds on said consultant's and contractor's liability insurance policy. Further, the CITY shall require that its consultants and contractors indemnify, defend and hold harmless the CITY and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and, or contractor.

7.3 Nothing contained herein shall be construed as prohibiting the Parties, their officials, directors, officers, agents and employees, from defending through

the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or Paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove CITY'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the Parties or their consultants, contractors or agents. The First Party's indemnification of the Second Party shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

8.1 The Parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both Parties, excluding term extensions as provided for in the following provision.

8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment to this AGREEMENT pursuant to Paragraph 8.1, above.

9.0 **TERM OF THIS AGREEMENT.**

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect the completion by the CITY and COUNTY of their respective obligations under this AGREEMENT.

9.2 All funds must be expended prior to November 30, 2025. Failure to submit funding requests before November 30, 2025 shall render payment of the funds under this agreement subject to re-appropriation by the DuPage County Board.

10.0 **ENTIRE AGREEMENT.**

10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between Parties.

10.2 There are no other covenants, warranties, representations, promises, conditions or understandings; either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In event of a conflict between the terms or conditions or this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 GOVERNING LAW.

12.1 The laws of the State of Illinois shall govern this AGREEMENT as to both interpretation and performance.

12.2 The venue for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the judicial circuit court for DuPage County.

13.0 NOTICES.

14.0 WAIVER OF/FAILURE TO ENFORCE BREACH.

14.1 The Parties agree that the waiver of, or failure to enforce, any breach of this AGREEMENT by the remaining party shall not be construed, or otherwise

operate, as a waiver of any future breach of this AGREEMENT. Further the failure to enforce any particular breach shall not bar or prevent the remaining Party from enforcing this AGREEMENT with respect to a different breach.

15.0 NO THIRD-PARTY BENEFICIARY.

15.1 This Agreement is entered into solely for the benefit of the Parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person and/or entity who is not a party to this Agreement or to acknowledge, establish or impose any legal duty to any third party.

Dear Jeremy:

Re: Letter of Engagement for Community Pop-Up Market in Warrenville

This letter is intended to outline the engagement for the upcoming Community Pop-Up Market in the City of Warrenville. The market would deliver a vibrant, community-focused experience that celebrates local businesses while fostering economic growth and social connectivity in our area.

Scope of Engagement:

1. **Event Overview**
   The Community Pop-Up Market is conceptually intended to be an open-air market featuring a variety of local vendors, artisans, food trucks, and entertainment. The goal of the annual market is to provide a platform for small businesses, artisans, and community organizations to showcase their goods while bringing the community together.

2. **Event Date(s)**
   The inaugural market season is proposed to begin late spring or early Summer of 2026, and continue into fall in the Old Town Center of the community located at Batavia and Warrenville Roads. The location will be a public space in Warrenville, with easy access for both participants and visitors, and public parking. A "sneak peak" experience is being tentatively planned for the fall to provide vendors an opportunity to see the space, and the community to gather in celebration of the upcoming first market season. This will be a single weekend event.

3. **Target Audience**
   The market will be open to the general public, with items of interest to local residents of all ages, as well as nearby communities.

4. **Vendors and Participants**
   The first phase of the market will include 2-3 structures, supplemented by vendor temporary tents, plus some food trucks. Vendor participation will be based on their alignment with the market's goals to promote local commerce and culture. The City also intends to partner with local entertainers to feature live music, or interactive community activities.

5. **Logistics and Operations**
   The City of Warrenville will work with vendors to ensure that all necessary permits, insurance requirements, and County health & safety standards are met. We will ensure adequate parking and signage is available for attendees.

6. **Marketing and Promotion**
   The City will coordinate marketing efforts, including:

   - Digital and social media campaigns
   - Flyers, posters, and email newsletters
   - Press releases to local media outlets
   - Outreach through local business partnerships

7. **Financial Terms**
   - **City's Financial Contribution**: The City is still in the process of developing its total budget for the market operations. The County's $25,000 grant will assist in the purchase of the first few shed structures. Based on preliminary information, the grant would cover up to three structures. Pre-fabricated units are approximately $7,000 each with additional expenses tied to heating and A/C units and generator power.
   - **Vendor Fees**: Each vendor will be charged a participation fee, which will cover operational costs such as site preparation, permits, and logistics. There will likely be some investment from the City to assist the vendors with personalizing their spaces and encourage participation.
   - **Revenue Sharing**: Any profits or revenue generated from vendor fees, sponsorships, or ticket sales will be allocated to the market operation costs.

8. **Evaluation and Reporting**
   Following the season, an evaluation will be conducted to assess the success of the first year, including vendor feedback, attendee participation, and economic impact.

Expectations of the City of Warrenville:

We request the following support from DuPage County to ensure the success of the event:

- The $25,000 grant to support some of the initial investment into the market.
- Promotion of the event through County communication channels (website, social media, etc.).
- Support in identifying and meeting any DuPage County requirements.

Conclusion

We are excited to work together to bring the first of this type of experience to the DuPage County area and believe that it will provide a valuable experience for all involved. We look forward to your feedback and to confirming the next steps for moving forward with the planning and execution of the Community Pop-Up Market.

Please do not hesitate to contact Liam Walker, Economic Development Specialist at lwalker@warrenville.il.us should you require any additional information or wish to discuss further details.

Sincerely,

SECTION II Project Description

Project Title	Passenger Bus for Little Friends Employment Services
Cost of the Project	$52,000 ($7,000 grant)
Brief Description of the Scope of Initiative	Little Friends requests $7,000 to purchase a 14-passenger bus, which will provide transportation to DuPage County residents participating in Little Friends Employment Services. Identifying transportation as a major barrier to accessing employment, Little Friends will use this bus to provide adults with disabilities transportation to job skills training, experiential learning opportunities, on-site employer tours, and internships. Having secured partial funding to make this one-time capital purchase, critical funding from DuPage County would cover the remaining cost of this purchase and ensure this project is completed in FY 26. Little Friends Employment Services opens competitive integrated employment pathways for adults with disabilities in underrepresented employment sectors, including manufacturing, data analytics, and retail. In addition to one-on-one job coaching, Little Friends offers a 12-week "Connecting Adults with Communities" job skills training program, serving cohorts of 8-12 adults with disabilities. Little Friends has partnered with Ken's Krew, a national program that has secured employment for 900 individuals with disabilities at retail providers like Home Depot. Offering 72-100 hours of on-site job training, Ken's Krew has secured employment for 4 individuals at a local Home Depot since being introduced to DuPage County in Februray 2025.
Desired Outcomes	1. Purchase a 14-passenger van and begin providing transportation to Employment Services participants residing in DuPage County, so they can attend experiential learning opportunities like internships and tours of local manufacturing companies. 2. Greater than 95% of Connecting Adults with Communities participants will graduate from the 12-week course. Post-graduation, 75% of participants will either secure employment or pursue additional training. 3. As measured by pre- and post-service assessments, Connecting Adults with Communities participants will demonstrate increased self-advocacy and communication, as well as confidence in finding a job. 4. The majority of Little Friends Employment Services participants will reside in DuPage County, including Warrenville, Aurora, and Naperville. Little Friends Employment Services annually supports over 50 adults with disabilities.

Letter of Engagement

The Community House is pleased to collaborate with DuPage County to improve access to services provided by both government and non-profit organizations for one of the most under-resourced and lowest income census tracts in the entire county. The amount requested to facilitate the project is $6,600. A project summary is below for your review.

Objective: Improve access to education support in the form of a study group with tutoring for students attending Hinsdale South High School and living in the Hinsdale Lake Terrace apartments.

Background: Hinsdale South High School identified a gap in participation in their in-school hosted study and tutoring opportunities from students living in the under-resourced and unincorporated Hinsdale Lake Terrace apartment area. Students reported transportation challenges and family/work responsibilities as barriers to participating in the school offered sessions. Member Galassi, Hinsdale South High School leadership, and Community House leadership convened and identified offering alternative tutoring and study group sessions within walking distance of the student's apartments. In the first year of the program, 49 unique students accessed the study group for a total of 196 students visits, with an average weekly attendance of 8 students.

2025/26 School Year Program: This grant would fund year #2 facilitators for this successful pilot and continue offering a supervised place for students and add subject area tutoring and post-secondary exploration. When students have access to programs that encourage academic success, provide specific subject area tutoring, and explore post-secondary education and work options; they are best positioned to succeed academically and break persistent and systemic cycles of poverty.

Program Budget:
$6,600: Payments to two independent contractors hired by The Community House to supervise the program, provide information about additional School District resources for success, and supervise subject area volunteer tutors.

Thank you for the opportunity to collaborate to better serve residents.

Dan

SECTION II Project Description

Project Title	Protecting Our Planet by Composting Food Waste
Cost of the Project	$290,000 ($15,000 requested)
Brief Description of the Scope of Initiative	Loaves & Fishes is requesting $15,000 to support a composting project at our Food Distribution Hub that will reduce food waste and strengthen environmental sustainability. The funding will help cover critical infrastructure needed to operate an industrial composting system, including a protective shelter, electrical installation, and site preparation. This system will allow us to compost inedible rescued food on-site, reducing landfill waste and lowering disposal costs, while supporting a healthier community and environment.
Desired Outcomes	Loaves & Fishes rescues food daily from local grocery stores through our Food Rescue Program, ensuring families in need have access to healthy, nutritious food. While the majority of rescued food is high quality, a small portion must be discarded due to poor condition or compromised packaging, making it unsuitable for distribution. Currently, this food must be hauled away and disposed of in landfills at our expense. This project will allow us to compost that inedible food on-site, diverting over 300,000 pounds of waste from landfills each year. The compost will be picked up and used by collaborators such as The Conservation Foundation and the Naperville Park District to support local gardens and green spaces. In addition to reducing environmental impact, composting on-site will lower our waste hauling costs, allowing us to reinvest those funds into food distribution and client support. This project strengthens our operational sustainability while deepening collaboration across the community.

Hi Evan,

Hope you had a great weekend! Attached please find our Board Member Initiative request paperwork for County Board Member Sadia Covert. The request is for $15,000 toward our "Feed the Earth, Feed the Community" initiative. I've provided more context below. Please don't hesitate to reach out with any questions and thanks again!

Feed the Earth, Feed the Community

At Loaves & Fishes Community Services, we believe that nourishing people and caring for the planet go hand-in-hand. That's why we launched **Feed the Earth, Feed the Community**—a community-driven fundraising campaign to support our new composting initiative. This project brings food full circle, from farm to grocer to pantry—and back to the soil.

An industrial-size composter is slated to be installed by the end of 2026 at our Aurora Food Distribution Hub, located at 580 Exchange Court in DuPage County. This investment supports our ability to serve 10,000+ people each week while aligning with long-term environmental sustainability goals.

Here's how it works:

- On an average food distribution day, Loaves & Fishes provides 20 tons of food to our clients.
- Approximately 35% of the food we distribute is rescued from generous local grocery partners.
- While the majority of that food goes directly to the families we serve, some items aren't suitable for distribution—totaling more than 300,000 pounds of food waste annually.
- Instead of sending that food waste to landfills, we will process it on-site with our own commercial composter.
- With this new system, inedible rescued food will be converted into rich, nutritious compost. That compost will then be shared with local community partners, including The Conservation Foundation, which grows fresh produce that returns to Loaves & Fishes for distribution—closing the loop in the most sustainable way.

This project strengthens our food recovery efforts, supports sustainability, and reinforces our commitment to building a healthier, more resilient regional food system. We appreciate the DuPage County Board's consideration and would welcome the opportunity to discuss this project further.

Thank you!

To Whom it May Concern:

The Roselle Community Food Pantry was birthed in the basement of the Roselle United Methodist Church 10 years ago. We became an independent 501c3 5 years ago. We moved into our current location this past March. We serve families in northern DuPage County. Specifically, Roselle, Bloomingdale, and Medinah.

Our new location is an air-conditioned warehouse on the Amperage Campus at 425 W Irving Park Rd. but needed some build out to make it functional for our needs and to meet the requirements of the Department of Public Health. We have completed some things (flooring, walls, painting) but still have work to do and that's what we need funds for.

We still need to put in the required air curtain over a 14 foot door to prevent flying critters from entering, put up our industrial shelving to increase storage space, purchase two glass front commercial refrigerators to increase fresh produce storage capacity and purchase a glass front freezer to replace 2 smaller units and increase frozen capacity to better serve our families. Those units cost $4389 each at our vendor The Webstaurant Store. We also need to purchase a scissor ladder to reach inventory on those higher shelves.

These are our most pressing needs. Thank you for your consideration.

AGREEMENT BETWEEN COUNTY OF DUPAGE, ILLINOIS AND INDIAN PRAIRIE SCHOOL DISTRICT 204 FOR THE INDIAN PRAIRIE CARES PROGRAM

This AGREEMENT (the "AGREEMENT") is made as of the Effective Date as set forth in Section 17 below, by and between the COUNTY OF DUPAGE, a body politic and corporate, with offices at 421 North County Farm Road, Wheaton, Illinois (hereinafter referred to as the "COUNTY") and the Board of Education of COMMUNITY HIGH SCHOOL DISTRICT 204, an Illinois School District, with offices at 780 Shoreline Drive, Aurora, IL (hereinafter referred to as the "DISTRICT").

RECITALS

WHEREAS, this Agreement is made in the exercise of the Parties' rights and powers granted under Article VII, Section 10 of the Constitution of the State of Illinois, the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 and all other rights and powers vested in the Parties by their respective governing statutes.

WHEREAS, the assistance to be provided under this Intergovernmental Cooperation Agreement ("Agreement") includes personnel, equipment and staging facilities appropriate to the nature of the catastrophic event;

WHEREAS, the District shall make available qualified personnel (each a "Provider") to provide on-site mental health counseling services for School District's students pursuant to the terms of the Member Initiatives Program ("Project"). In providing these services, the District and its Providers shall comply with all applicable rules, regulations, policies, and procedures of School District and those of any federal, state, or local regulatory agency/body. The scope of work and deliverables in providing these services will be set forth more particularly in the Statement of Work attached to future subcontracts between the District and the Providers, of which copies can be made available to County for review.

WHEREAS, the COUNTY has created the Member Initiative Program, which sets aside certain County funds for use by members within their districts; and

WHEREAS, the PROJECT will benefit local citizens by improving access to counseling and mental health treatment for students, and

WHEREAS, in order to coordinate their respective roles in the PROJECT, the COUNTY and DISTRICT have agreed to the terms and conditions set forth in this AGREEMENT; and

WHEREAS, the DISTRICT shall undertake the PROJECT and the COUNTY shall reimburse the DISTRICT for PROJECT expenses up to twenty thousand dollars ($20,000) in accordance with the terms and conditions of this AGREEMENT; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

1.1 All recitals set forth above are incorporated herein and made a part thereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

1.3 The COUNTY and DISTRICT shall be referred to herein collectively as the "Parties," or individually as a "Party."

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the provision of mental health treatment and counseling for students of the District.

2.2 The PROJECT shall be undertaken essentially in accord with the agreement between District and Referral GPS, as prepared by the DISTRICT's Staff which have been mutually approved by the DISTRICT and the COUNTY, and which document is attached hereto and incorporated herein as **Exhibit A.**

3.0 FUNDING.

3.1 The PROJECT'S gross total expenses are estimated at twenty thousand dollars ($20,000).

3.2 It is the intention of the Parties that up to twenty thousand dollars ($20,000) in Project costs will be reimbursed by the COUNTY. The COUNTY, by this AGREEMENT, does not assume responsibility for directly paying any PROJECT costs and shall only be responsible for reimbursing portions of the DISTRICT'S PROJECT costs.

3.3 Allowable PROJECT expenses may include third-party professional services (architect/engineering fees, construction management, etc.), construction (labor and materials), bidding related costs, advertising, permit fees, and other related construction costs. Notwithstanding the foregoing, allowable

expenses shall not include administrative costs, overhead, payroll or accounting services.

4.0 DISTRICT'S RESPONSIBILITIES.

4.1 The DISTRICT shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The DISTRICT shall select, and contract with, all vendors providing professional services for the PROJECT.

4.2 The DISTRICT shall be responsible for submitting copies of all plans, specifications, bid documents, permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of verifying the PROJECT's work components have been completed.

4.3 The DISTRICT shall submit one final invoice to the COUNTY upon the completion of the material portion of the project. The COUNTY shall remit payment to the DISTRICT within 30 days of submission of invoice.

4.4 The DISTRICT shall make direct payments to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the DISTRICT.

5.0 COUNTY'S RESPONSIBILITIES.

5.1 The COUNTY reserves the right to review the PROJECT'S plans, specifications and bid documents prior to the DISTRICT'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto.

5.2 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT.

5.3 Upon receipt of the DISTRICT'S invoice, and all necessary supporting documentation, the COUNTY shall promptly reimburse the DISTRICT for approved costs associated with the PROJECT. The total reimbursement amount paid by the COUNTY to the DISTRICT shall not exceed twenty thousand dollars ($20,000.00). In the event PROJECT costs total less than twenty thousand dollars ($20,000.00), the DISTRICT's total reimbursement

amount shall be one hundred percent (100%) of the actual total PROJECT costs.

6.0 GOVERNMENT REGULATIONS.

6.1 The Parties shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT. Nothing in this agreement shall be found to act as an approval of any specific works which require separate county permitting approval, such as stormwater or building permits.

7.0 INDEMNIFICATION.

7.1 To the extent permitted by law, each Party ("First Party") shall indemnify, hold harmless and defend the other Party ("Second Party"), and any of the Second Party's officials, officers, and employees from and against all liability, claims, suits, demands, liens, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the First Party's negligent or willful acts to the fullest extent that each Party is so authorized under the law; provided, however, that the First Party shall not be obligated to indemnify, hold harmless and defend the Second Party for any negligent or intentional wrongful misconduct or omissions by the Second Party's officials, employees, agents, contractors or personnel.

7.2 Nothing contained herein shall be construed as prohibiting the Parties, their officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or Paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove DISTRICT'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the Parties or their consultants, contractors or agents. The First Party's indemnification of the Second Party shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

8.1 The Parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both Parties, excluding term extensions as provided for in the following provision.

8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment to this AGREEMENT pursuant to Paragraph 8.1, above.

9.0 **TERM OF THIS AGREEMENT.**

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

SECTION II Project Description

Project Title	Indian Prairie CARES
Cost of the Project	$20,000
Brief Description of the Scope of Initiative	CARES (Community, Advocacy, Resilience, Engagement and Supports) is an after school program created by Indian Prairie School District and Warrenville-based care navigation partner ReferralGPS that will serve grades 6-12 students at Granger Middle School and Metea Valley High School in DuPage District 5 beginning in September 2025. CARES is rooted in health equity and creates a systems-based approach to de-stigmatizing mental health while providing rapid access to care. CARES pairs in-person no-cost evening mental health treatment sessions for students and families with school staff training to reduce the stigma associated with seeking help. CARES will provide District 5 students and families immediate no-cost after school mental health support at Granger and Metea.
Desired Outcomes	Unlike traditional private practices or hospital-based programs, CARES removes the barriers of money and wait time from families who are seeking mental health support for their children. CARES will meet the needs of low-income and newcomer students and families in DuPage District 5 by: (1) providing multilingual access points to seeking help; (2) offering a discreet referral system external to the school district; (3) cultivating partnerships with local mental health providers; (4) building the capacity amongst and within schools for behavioral health equity; and (5) connecting students and families into care fast by bypassing traditional waitlists. Each student and/or family participating in the program will receive up to six (6) no-cost 50-minute treatment sessions regardless of their insurance delivered in-person after school hours at Granger Middle School and Metea Valley High School.

Saba Haider
DuPage County Board

Dear Member Haider:

I am writing this letter of engagement to express my full support for Indian Prairie School District 204's Member Initiative application, Indian Prairie CARES. As County Board members are aware through various overviews provided during public comment in the 2024-2025 academic year, Indian Prairie CARES is a groundbreaking initiative dedicated to improving access to high-quality mental health services for students and families. At ReferralGPS, we have had the privilege of partnering with District 204 on the CARES program and witnessing firsthand the unwavering commitment of Indian Prairie Superintendent, Dr. Adrian B. Talley to addressing mental health needs in a way that is both impactful and transformative. Outlined below is a summary of engagement for ReferralGPS should the County Board choose to fund Indian Prairie's Member Initiative application.

Indian Prairie and ReferralGPS will partner to ensure that the CARES program stands out for its exceptional approach to providing **access to care**. Our organizations have prioritized breaking down barriers to mental health support, ensuring that students and families—regardless of their financial situation—can access the help they need. Together, our efforts go beyond simply offering resources; we work tirelessly to connect individuals with the right providers and services, fostering genuine and lasting outcomes. Each eligible student and/or family (residency checks will be completed by my organizations prior to placement in the program) will receive up to six (6) no-cost 50-minute mental health treatment sessions at Granger Middle School and Metea Valley High School (DuPage District 5).

Indian Prairie and ReferralGPS will also work together throughout the funded project to provide an extraordinary level of **organization and efficiency**. The systems and structures we have implemented previously during the Illinois Department of Public Health (IDPH) funded pilots to manage mental health referrals are both innovative and effective. Our willingness to embrace creative solutions, such as leveraging community partnerships and technology, has set a new standard for what school-based mental health programs can achieve.

ReferralGPS

Moreover, the CARES program embodies a **willingness to think outside the box**, always searching for new ways to meet the evolving needs of their community. Whether it's creating tailored interventions for specific populations or addressing the stigma surrounding mental health, District 204 and ReferralGPS consistently lead with bold and forward-thinking strategies. This proactive approach has inspired confidence and collaboration across stakeholders, including educators, families, and community partners like ReferralGPS.

It is clear that Indian Prairie CARES is not just an application to fund a service—it is a lifeline for many students and families in DuPage District 5. As we hope we made clear during public comment, our dedication to ensuring equitable, accessible, and effective mental health care is paramount and has resulted in a model program that has been replicated in other districts in DuPage and Lake counties. ReferralGPS is proud to stand alongside District 204 in their mission to support mental health and we remain committed to supporting the CARES program by providing care navigation and facilitating rapid access to care through clinical placements.

Thank you for considering this letter of engagement as a testament to the outstanding work being done through the CARES program. If this application is approved, the CARES program will launch a new expanded pilot at Granger Middle School and Metea Valley High School in September 2025. If you have any questions or require additional information, please do not hesitate to contact me directly.

Sincerely,

WHEREAS, the VILLAGE shall undertake the PROJECT, and the COUNTY shall reimburse the VILLAGE for PROJECT expenses up to twenty-five thousand dollars ($25,000) in accordance with the terms and conditions of this AGREEMENT; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

1.1 All recitals set forth above are incorporated herein and made a part thereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

1.3 The COUNTY and VILLAGE shall be referred to herein collectively as the "Parties," or individually as a "Party."

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the rehabilitation of a veteran's memorial by the Village of Bloomingdale. The Project is more fully described in the application attached as **Exhibit A** to this Agreement.

2.2 The PROJECT shall be undertaken essentially in accord with the plans, as prepared by the VILLAGE's Staff which have been mutually approved by the VILLAGE and the COUNTY, and which document is attached hereto and incorporated herein as **Exhibit B.**

3.0 FUNDING.

3.1 The PROJECT'S gross total expenses are estimated at fifty thousand dollars ($50,000).

3.2 It is the intention of the Parties that up to twenty-five thousand dollars ($25,000) in Project costs will be reimbursed by the COUNTY. The COUNTY, by this AGREEMENT, does not assume responsibility for directly paying any PROJECT costs and shall only be responsible for reimbursing portions of the PROJECT'S VILLAGE'S PROJECT costs.

3.3 Allowable PROJECT expenses may include third-party professional services (architect/engineering fees, construction management, etc.), construction (labor and materials), bidding related costs, advertising, permit fees, and other related construction costs. Notwithstanding the foregoing, allowable expenses shall not include administrative costs, overhead, payroll or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.

4.3 The VILLAGE shall be responsible for submitting copies of all plans, specifications, bid documents, permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of verifying the PROJECT's work components have been completed.

4.4 The VILLAGE shall submit one final invoice to the COUNTY upon the completion of the material portion of the project. Repaving, landscaping or other seasonal work shall not be considered a material portion of this PROJECT. The COUNTY shall remit payment to the VILLAGE within 30 days of submission of invoice.

4.5 The VILLAGE shall make direct payments to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE.

4.6 The VILLAGE'S contractors and consultants shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors and consultants maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and strictly enforce all applicable safety law, rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality or other unit of government in the construction of public improvements.

4.7 The VILLAGE shall provide the COUNTY unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for reimbursement.

5.2 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT.

5.3 Upon receipt of the VILLAGE'S invoice, and all necessary supporting documentation, the COUNTY shall promptly reimburse the VILLAGE for approved costs associated with the PROJECT. The total reimbursement amount paid by the COUNTY to the VILLAGE shall not exceed twenty-five thousand dollars ($25,000.00). In the event PROJECT costs total less than twenty-five thousand

dollars ($25,000.00), the VILLAGE's total reimbursement amount shall be one hundred percent (100%) of the actual total PROJECT costs.

6.0 GOVERNMENT REGULATIONS.

6.1 The Parties shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT. Nothing in this agreement shall be found to act as an approval of any specific works which require separate county permitting approval, such as stormwater or building permits.

7.0 INDEMNIFICATION.

7.1 To the extent permitted by law, each Party ("First Party") shall indemnify, hold harmless and defend the other Party ("Second Party"), and any of the Second Party's officials, officers, and employees from and against all liability, claims, suits, demands, liens, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the First Party's negligent or willful acts to the fullest extent that each Party is so authorized under the law; provided, however, that the First Party shall not be obligated to indemnify, hold harmless and defend the Second Party for any negligent or intentional wrongful misconduct or omissions by the Second Party's officials, employees, agents, contractors or personnel.

7.2 The VILLAGE shall require each consultant and contractor responsible for the construction, maintenance, or monitoring of the PROJECT to name the VILLAGE and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers as additional insureds on said consultant's and contractor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, and their respective elected and appointed officials, employees, agents and volunteers from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and, or contractor.

7.3 Nothing contained herein shall be construed as prohibiting the Parties, their officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or Paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the Parties or their consultants, contractors or agents. The

First Party's indemnification of the Second Party shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

8.1 The Parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both Parties, excluding term extensions as provided for in the following provision.

8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment to this AGREEMENT pursuant to Paragraph 8.1, above.

9.0 **TERM OF THIS AGREEMENT.**

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed and shall continue in full force and effect the completion by the VILLAGE and COUNTY of their respective obligations under this AGREEMENT.

9.2 All funds must be expended prior to November 30, 2025. Failure to submit funding requests before November 30, 2025, shall render payment of the funds under this agreement subject to re-appropriation by the DuPage County Board.

The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 GOVERNING LAW.

VETERANS OF FOREIGN WARS OF THE U.S
BLOOMINGDALE POST NO. 7539

April 03, 2025

Pietro Scalera
Village Administrator
Village of Bloomingdale
201 S. Bloomingdale Road
Bloomingdale, Illinois 60108

Dear Pietro,

Bloomingdale VFW Post 7539 would like to request a grant for the installation of flag poles representing the various branches of our esteemed military. This initiative is aimed at honoring and recognizing the invaluable contributions of our service members who have dedicated their lives to the defense and service of our nation.

Purpose of the Project

The primary objective of this project is to install flag poles at or near the Bloomingdale Public Library Gazebo, located at 101 Fairfield Way, Bloomingdale, IL. Individual Poles would display the flag of our individual military branches. The branches include the Army, Navy, Air Force, Marine Corps, Coast Guard, and Space Force. The installation serves as a visual tribute to these branches and fosters a sense of respect, unity, and patriotism within the community and would finish off the area where our Memorial Monument is located.

Significance of the Flag Poles

- Symbol of Honor: Each flag pole will symbolize the honor and pride associated with the military branch it represents.
- Educational Value: The flag poles will serve as an educational tool for the community, particularly for the younger generation, to learn about the history and significance of each military branch.
- Community Engagement: The installation will provide a focal point for community events, ceremonies, and commemorations, enhancing civic engagement and unity.

Project Details

Location: The flag poles will be installed at our Memorial location at the corner of Fairfield Way and Bloomingdale Road.

Design and Materials: The flag poles will be constructed of high-quality, durable materials to ensure longevity and withstand various weather conditions. Each pole will have a plaque detailing the history and achievements of the respective military branch.

Timeline: The project is scheduled to commence when funding is approved and conclude on or before July 4, 2025.

Budget and Funding Request

The estimated budget for the project is $25,000, which includes costs for materials, labor, installation, flags, and maintenance. We kindly request a grant of $25,000 to cover these expenses.

Conclusion

We believe this project will have a profound impact on our community by paying homage to our military branches and fostering a spirit of patriotism and unity. We respectfully request your support in funding this noble initiative.

Thank you for considering our request. We look forward to the possibility of partnering with you to bring this project to fruition.

Sincerely,

Clifford D. Hall

SCOPE OF WORK

The Bloomingdale VFW Post 7539 has made a request to add six flag poles for each branch of the service in addition to the current single pole that has the American flag along with the POW flag.

The flag display would complement the stone monument added to the site in 2023 that pays tribute to the men and women who served in the armed forces as well as those serving our country. The work includes the following items:

- Addition of six (6) new flagpole bases with spun aluminum poles (map included);
- Relocation of any existing ComEd and/or fiber lines; and

Bloomingdale, Illinois 60108

Dear Pietro,

Bloomingdale VFW Post 7539 would like to request a grant for the installation of flag poles representing the various branches of our esteemed military. This initiative is aimed at honoring and recognizing the invaluable contributions of our service members who have dedicated their lives to the defense and service of our nation.

Purpose of the Project

The primary objective of this project is to install flag poles at or near the Bloomingdale Public Library Gazebo, located at 101 Fairfield Way, Bloomingdale, IL. Individual Poles would display the flag of our individual military branches. The branches include the Army, Navy, Air Force, Marine Corps, Coast Guard, and Space Force. The installation serves as a visual tribute to these branches and fosters a sense of respect, unity, and patriotism within the community and would finish off the area where our Memorial Monument is located.

Significance of the Flag Poles

- Symbol of Honor: Each flag pole will symbolize the honor and pride associated with the military branch it represents.
- Educational Value: The flag poles will serve as an educational tool for the community, particularly for the younger generation, to learn about the history and significance of each military branch.
- Community Engagement: The installation will provide a focal point for community events, ceremonies, and commemorations, enhancing civic engagement and unity.

Project Details

Location: The flag poles will be installed at our Memorial location at the corner of Fairfield Way and Bloomingdale Road.

Design and Materials: The flag poles will be constructed of high-quality, durable materials to ensure longevity and withstand various weather conditions. Each pole will have a plaque detailing the history and achievements of the respective military branch.

Timeline: The project is scheduled to commence when funding is approved and conclude on or before July 4, 2025.

Budget and Funding Request

The estimated budget for the project is $25,000, which includes costs for materials, labor, installation, flags, and maintenance. We kindly request a grant of $25,000 to cover these expenses.

Conclusion

We believe this project will have a profound impact on our community by paying homage to our military branches and fostering a spirit of patriotism and unity. We respectfully request your support in funding this noble initiative.

Thank you for considering our request. We look forward to the possibility of partnering with you to bring this project to fruition.

Sincerely,

Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the Parties or their consultants, contractors or agents. The

First Party's indemnification of the Second Party shall survive the termination, or expiration, of this AGREEMENT.

10.4 In the event of a conflict between the terms or conditions or this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

The Order generally prohibits Subcontractors/Sub-Recipients and subcontractors/sub-recipients from hiring the then- serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

27. Subcontractor/Sub-Recipient certifies that information technology, including electronic information, software, systems and equipment, developed or provided under this contract comply with the applicable requirements of the Illinois Information Technology Accessibility Act Standards as published at (www.dhs.state.il.us/iitaa). 30 ILCS 587.

A Subcontractor/Sub-Recipient claiming exemption under the Act must provide a detailed explanation of the legal basis for the claim with its bid or offer and must provide additional detail upon request. If Subcontractor/Sub-Recipient fails to provide the mandatory documentation with the bid or offer, or does not provide additional detail upon request within the timeframe specified in said request, then the State may deem the Subcontractor/Sub-Recipient as being non-responsive or not responsible and may disqualify the Subcontractor/Sub-Recipient.

☐

D. Subcontractor/Sub-Recipient certifies it is a legal entity, and is an entity otherwise recognized under Illinois law as eligible for a specific form of exemption similar to those found in the Illinois Business Corporation Act (805 ILCS 5/13.75). 31. Subcontractor/Sub-Recipient certifies that it is in compliance with the Pro-Children Act of 1994, (Public Law 103-227).

The Subcontractor/Sub-Recipient prohibits smoking in any portion of its facility used for the provision of health, day care, early childhood development services, education or library services to children under 18 years of age which services are supported by Federal or State government assistance (except portions of the facilities which are used for inpatient substance abuse treatment).

Failure to submit such payment request timely will render the amounts billed Unallowable Costs which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee shall timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension shall not be unreasonably withheld.

Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs , which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. 9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non -compliance, Grantee may avail itself of any opportunities to object and challenge such suspension , termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. 14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. 18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. PAYMENT

Grantees will receive payment by one of the three payment methodologies (Advance Payment, Reimbursement or Working Capital Advance). Grantees will automatically be paid via Reimbursement Method unless a request for Advance Payment Method or Working Capital Advance Method is made using the IDHS Advance Payment Request Cash Budget Template (Cash Budget).

I. Advance Payment Method (Advance and Reconcile)

A.An initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement.
B.Grantees must submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. Invoices must be submitted no later than 15 days following the end of any respective monthly invoice period, or as indicated in their UGA Exhibit F - Payments. Invoices must include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
C.Subsequent monthly payments will be based on each monthly invoice submitted to the grant program, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.
D.Grantees that do not expend all advance payment amounts by the end of the grant term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective grant budget, must return the funds or be subject to grant funds recovery.
E.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
F.Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

II. Reimbursement Method

A.IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.
B.Grantees must submit monthly invoices in a format prescribed by Grantor. Invoices must include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices must be submitted no later than 15 days following the end of any respective monthly invoice period, or as indicated in their UGA Exhibit F - Payments. As practicable, Grantor shall process payment within 30 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.

EXHIBIT F

PAYMENT

C.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

III. Working Capital Advance Method

A.IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.
B.Grantees must submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. Invoices must be submitted no later than 15 days following the end of any respective monthly invoice period, or as indicated in their UGA Exhibit F - Payments. Invoices must include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.
C.Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.
D.Working Capital Advance Payments are limited to a single occurrence per grant term.
E.Following the initial working capital advance payment, grantees will be paid via reimbursement method unless an IDHS Advance Payment Request Cash Budget Template is submitted for Advanced Payment Method.

PART TWO –GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII

(a) **Adult Protective Services Act.** Grantee certifies that it is in compliance with the Adult Protective Services Act to protect people with disabilities who are abused, neglected or financially exploited and who, because of their disability, cannot seek assistance on their own behalf. Anyone who believes a person with a disability living in a domestic setting is being abused, neglected or financially exploited must file a complaint with the Illinois Department on Aging. Grantee has an obligation to report suspected fraud or irregularities committed by individuals or other entities with whom it interacts on Grantor's behalf and should make a report to the appropriate program office (320 ILCS 20/1 *et seq.*).

(b) **Grant Award Requirements.** Grantee certifies that it is in compliance with 45 CFR Part 93 and 45 CFR Part 94.

(c) **Business Entity Registration.** Grantee certifies that it is not required to register as a business entity with the State Board of Elections pursuant to the Procurement Code (30 ILCS 500/20-160 and 30 ILCS 500/50-37). Further, Grantee acknowledges that all contracts between State agencies and a business entity that do not comply with this Paragraph shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

ADDITIONAL TERMS

24.1 Renewal. This Agreement may be renewed for additional periods by mutual consent of the Parties, expressed in writing and signed by the Parties. Grantee acknowledges that this Agreement does not create any expectation of renewal.

24.2 Multiple Locations. In the event that Grantee has more than one location, Grantee shall include in **EXHIBIT C** either (1) the address, phone number and hours of operation of each location, or (2) the address, phone number and hours of operation of Grantee's primary location.

24.3 Changes in Key Grant Personnel. When it is specifically required as a condition of an Award, the replacement of the Program director or a key person or a substantial reduction in the level of their effort, e.g., their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Award purposes, requires Prior Approval from Grantor. When it is specifically required as a condition of an Award, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by Grantor to be critical to the Award's successful completion. All requests for approval of changes in key Grant personnel shall be signed by Grantee's authorized representative and submitted to the appropriate Grantor program personnel. Evidence of the qualifications for replacement personnel (such as a résumé) shall be included. 2 CFR 200.308.

24.4 Grant Funds Recovery. The provisions of 89 Ill. Admin. Code 511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

Any request for an exception to this rule must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction. Grantee will also supply Grantor with a list of individuals assigned to work on DHS' premises at least ten (10) working days prior to the start of their employment, unless circumstances prevent Grantee from giving a list within that time. If Grantee cannot provide a list, or the name of an individual, at least ten (10) working days prior to his/her employment, it shall do so as soon as possible. Grantor may conduct, at its expense, criminal background checks on Grantee's employees and subcontractors assigned to work on Grantor's premises. To the extent permitted by Illinois law, Grantee agrees to indemnify and hold harmless Grantor and its employees for any liability accruing from said background checks.

24.6 Gifts. In addition to the Gift ban described in Paragraph 22.1, Grantee will provide Grantor with advance notice of Grantee's provision of gifts, excluding charitable donations, given as incentives to community-based organizations in Illinois and clients in Illinois to assist Grantee in carrying out its responsibilities under this Agreement.

24.7 Current Contact Information and Notices. Grantee shall update its contact information, including email address, phone number and job title, in the Community Services Agreement (CSA) Tracking System under the My Info tab, when any such information changes. In addition, Grantee shall contact the DHS Office of Contract Administration when its mailing address changes to update that information. Grantee acknowledges and agrees that any notices from Grantor may be made to its mailing address, electronic mail (email) address, or facsimile (fax) telephone number, at Grantor's choosing. Such notice shall be effective upon dispatch.

Grantor may also object to the publication on grounds other than confidentiality. As to the latter objections, Grantee and Grantee will attempt to resolve Grantor's concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. Grantor waives any objections not made to Grantee in writing before expiration of the review period.

26.4 Unresolved Objections; Disclaimer. If Grantor's objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Grantee may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the [Grantor], the [Grantor] does not endorse or adopt the opinions or conclusions presented in the article." 13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. 14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. PROJECT DESCRIPTION

The DuPage County Forensic Science Center (DPCFSC) is a department of the DuPage County Sheriff's Office. Established in 1971, the laboratory is located at 501 N. County Farm Road, Wheaton, IL 60187. The laboratory provides forensic analysis free of charge for any law enforcement agency (approximately 35 agencies) investigating crime in DuPage County, IL. The agencies provide law enforcement for the residents of DuPage County. The current services provided by the laboratory include drug analysis, latent prints, forensic biology and DNA. Staff testify when needed and the laboratory maintains accreditation to the industry recognized standards.

Provides a clear, concise summary of the proposal and states outcomes to be gained.
The laboratory seeks to improve quality and timeliness by seeking training, equipment, supplies and contractual purchases. Over 88% of the requested fundings' use is related to the testing of suspected opioid and synthetic drugs.

The drug chemistry section receives on-site training in MassHunter software, an enhanced data analysis tool that can assist in the analysis of mass spectral data during analysis of suspected controlled substances including opioids. One staff member participates in a web-based and in person continuing education program in management and quality to strengthen that staff members' knowledge and identify potential areas of improvement for laboratory operations before they become an issue and impact quality and timeliness of service. The training consists of a 12-week web-based program cumulating in a two-day on-site class, followed by a two-and-a-half day in-person training event.

Equipment purchases include a replacement security filing cabinet to store room-temperature drug standards. The cabinet would meet DEA requirements for storage of controlled drug standards. Additionally, the laboratory would purchase a standalone mass spectrometer detector (MS) with a front-loading Atmospheric pressure Solids Analysis probe (ASAP) with integrated diaphragm backing pump and accompanying nitrogen generator uninterrupted power supply, and workstation (PC & monitor) equipped with software which allows for real-time classification of

the sample as well as the ability to manually inspect data and add standards to the library. ASAP-MS technology provides rapid screening of seized drug evidence with minimal sample preparation and limited samples such as residue items. The data generated is more selective than other screening methods employed by the laboratory (e.g., color tests, Ultraviolet-Visible Spectrophotometry (UV-Vis)) and provides results faster than running general screening methods on the laboratory's Gas Chromatograph-Mass Spectrometers (GC-MS) (e.g., seconds vs. ~15 minutes). ASAP-MS will assist analysts distinguish between isomers (e.g., LSD/LAMPA), rapidly detect Novel Psychoactive Substances (NPS) (e.g., designer benzodiazepines, nitazenes), and screen residue items for the presence of fentanyl and other opioids.

The laboratory would purchase a supply of glass capillaries and a gas regulator to be used with the ASAP-MS. Additionally the lab would purchase drug standards to support method development, quality control and casework, and ALS vial kits and inserts for samples analyzed via GC/MS.

Contractual funding will be used to support the laboratory's quality assurance program with the purchase of proficiency tests for drug chemistry, latent prints and/or forensic biology/DNA to demonstrate continued competency by staff. Additionally, to support continuing accreditation by funding the annual accreditation fee to the accrediting body, the surveillance assessment fee. Funding would be used for two training events, training and travel for one staff member to the American Society of Crime Laboratory Directors symposium and leadership academy and on-site training in MassHunter software that can be used during GC/MS analysis, and two memberships to the National Association of Forensic Science Boards to support the Illinois Forensic Science Commission. Additionally a user license for the LiveID software for the ASAP-MS, a 2nd year software maintenance license and an equipment maintenance contract for up to 2 years after the included 90-days maintenance.

Opioid Impact

Between the years of 2015 and 2019, DuPage County experienced an 88% increase in deaths caused by opioid

overdose from either heroin, fentanyl, a combination of the two drugs or an opioid prescription medication. Several agencies within DuPage County responded to the rising threat of opioid deaths. The DuPage County Health Department collaborated with the Coroner, Sheriff, State's Attorney, and Chiefs of Police to create the DuPage Narcan Program (now part of HOPEDuPage, https://hopedupage.org/) which put the life-saving opioid reversal drug, naloxone, into the hands of first responders and anyone who can access one of the following sites:

Chart 2: from 2023 DNP Annual Report, https://hopedupage.org/ArchiveCenter/ViewFile/Item/56

Despite these efforts, the county is still seeing an average of 100 deaths a year from drug overdoses.

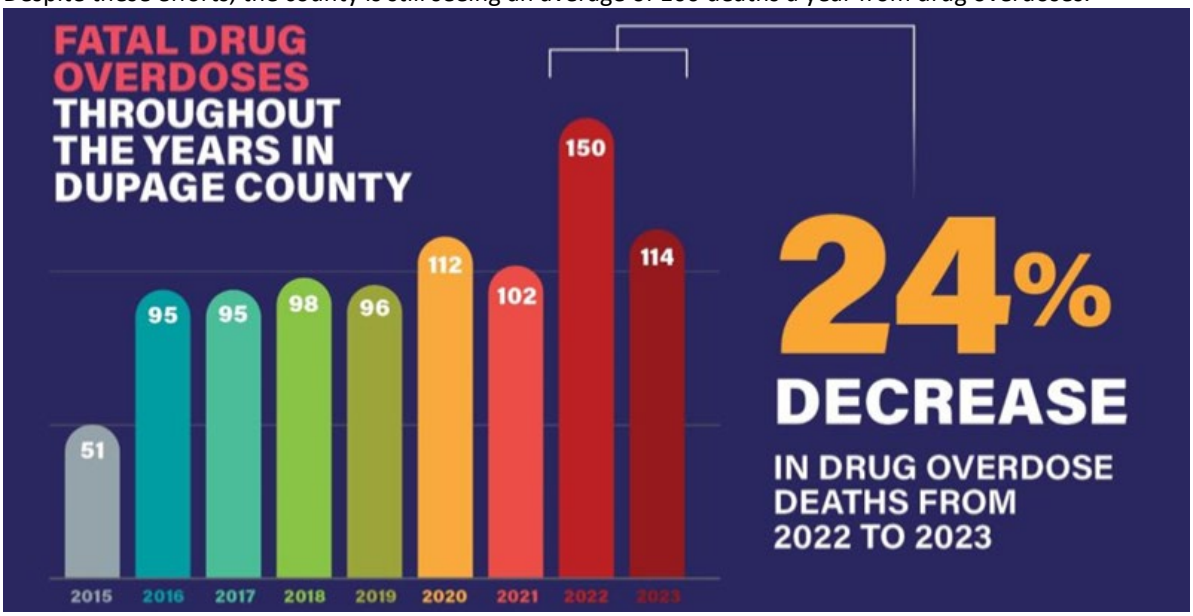

Chart 3: DuPage fatal drug overdoses from https://hopedupage.org/189/Data

The county's aggressive approach to training law enforcement officers on Narcan use, and the availability of Narcan to the public, results in regular overdose reversals, saving lives.

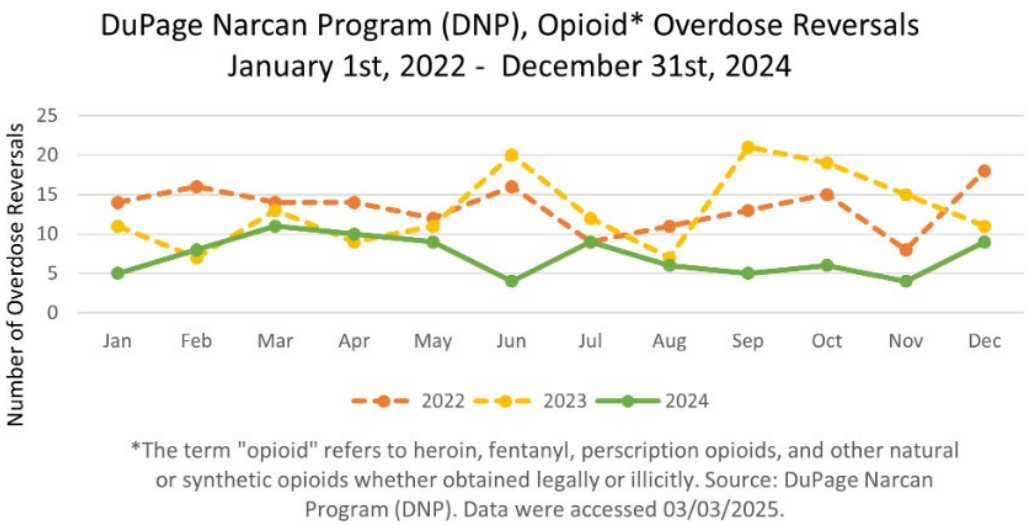

Chart 3: DuPage overdoes reversals from https://hopedupage.org/189/Data

The Chemistry Section of the DuPage County Forensic Science Center (DCFSC) averages roughly 1,000 assignments a year, which results in approximately 2,000 individual exhibits being analyzed. The below chart depicts the trends in the number of exhibits tested and reported opioids (Chart 4). Each year, the DCFSC reported approximately a fifth of drug exhibits analyzed as containing an opioid. Typically, these samples are present in lower concentrations due to their potency and are more challenging to analyze. From 2022 to 2023 there was a decrease in the number of exhibits tested due to a policy aimed to reduce unnecessary testing of analytes controlled by count, not by weight. From 2023 to 2024 there was a decrease in the number of exhibits containing a heroin/fentanyl mixture, but an increase in the number of exhibits containing fentanyl.

Strategies Being Implemented

The DuPage County Forensic Science Center (DCFSC) assisted with the County's response to the opioid crisis in numerous ways. The Chemistry Section, which analyzes seized drug evidence for the presence of cannabis and controlled substances, prioritized cases related to opioid buys and search warrants when typical officer field tests provided inconclusive results for low level drugs or mixtures. Prioritized cases also included instances when officer safety was a concern due to evidence being coated in powder or if the officer suspected personal exposure to an opioid. The laboratory's evidence acceptance policy for seized drug evidence requires there be a suspect in the case upon submission. Due to the rising number of opioid overdose deaths where a suspect may not yet be identified, the laboratory enacted an exception to the policy and began accepting the submission of one item for analysis to assist with investigations. In July 2018, the Chemistry Section and the Forensic Biology Section of the laboratory began to work closely together to collect DNA from evidence found with the victim in an effort to identify the person delivering the drugs. Through September 2019, the drug evidence obtained from nineteen different opioid related deaths had the packaging (i.e., plastic bag) swabbed for DNA and the contents analyzed for the presence of controlled substances. DNA results were eligible for upload into CODIS (Combined DNA Index System) for three of those cases, with one hitting to a convicted offender after entry. The controlled substance results in those cases are provided to the agency to facilitate testing at the coroner's office or provide probable cause for additional buys/search warrants.

The work product of the DCFSC assists the criminal justice system, in particular the DuPage County State's Attorney's Office (DC-SAO) which has taken an aggressive stance against opioid use in the county.
Drug mixtures are more complicated to analyze than pure samples. When a sample is pure, confirmatory results are easily obtained with the instruments available in the laboratory. With mixtures, a separation technique is applied to isolate each drug for identification. In the DCFSC, the primary instrument used for both separation of mixtures and ultimate confirmation of a drug's identity is the Gas Chromatograph/Mass Spectrometer (GCMS). With opioid casework trending towards more complex mixtures and mixtures of low concentration drugs, the laboratory relies heavily on the GCMS to meet testing requirements for identification. The laboratory plans to use an ASAP-MS to assist with screening exhibits in a manner more selective than currently available.

Project Implementation

The DCFSC would use grant funds for the following opioid related activities:

- Equipment purchase of an ASAP-MS and support equipment and service contracts to ensure continued operability.
- Supply purchases of capillary tubes to be used with ASAP-MS, drug standards for use in method development, quality control and casework, ALS vial kits and inserts for samples analyzed via GC/MS.
- Drug chemistry proficiency tests.
- Onsite training for drug chemistry section on MassHunter software to facilitate analysis via GC/MS.

The DCFSC would use grant funds for the following non-opioid related activities:

- One staff member to attend management training and meeting training of the American Society of Crime Laboratory Directors (travel and registration).
- Annual accreditation fee.
- Accreditation surveillance fee.

- Proficiency tests for latent prints and forensic biology/DNA.
- Two memberships to the National Association of Forensic Scientists.

The DCFSC follows the County of DuPage procurement process (updated for FY21). For goods and equipment up to $14,999, the purchase can be approved by the department head. For purchases from $15,000 to $29,999 the purchase has to be approved by the department head and county parent committee (judicial and public safety) with procurement or the department obtaining three quotes or submitting a decision memo. Purchases over $30,000 require approval by the department head, county parent committee (judicial and public safety), county finance committee and county board. These purchases are competitive unless they meet sole source justification

Procurement transactions include the purchasing of equipment, commodities, goods and services. Procurement transactions do not include the making of sub-grants. Grantee may use their own procurement regulations which reflect State and local law, rules, and regulations, provided that all procurements made with grant funds minimally adhere to standards established by the Illinois Procurement Code (30 ILCS 500) and 2 CFR 200.318 - 327.

30.2. If the Grantee's established procurement process is less competitive than the following requirements, the following more competitive requirements must be adhered to in lieu of the Grantor's procurement process per 30 ILCS 500/20-20.

- For procurements of $100,000 or less, the Grantee is encouraged to formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process. If this is not possible, the Grantee must solicit quotes or bids from at least three sources.

- For procurements over $100,000, the Grantee must utilize a competitive source selection such as formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process.

33. Food Costs. Grantee agrees to act in accordance with Grantor's food policy for any food costs paid in whole or in part by funds under this agreement. Grantees must maintain records of actual food costs and how the food supported its program. For events, grantees must maintain records of the event, including receipts for food and other costs and the number of program participants. For emergency food provisions, grantees must maintain records of both the cost of the food provided and the program participant who received it.

34. Transportation Costs. Grantee must utilize a tracking system for any transportation costs funded by this agreement. At minimum, the tracking system must track the purpose of each trip and the cost per trip.

Grantee shall submit a description of the tracking system to Grantor prior to incurring any transportation costs. This section applies to costs for both staff and participants.

35. Copyrights and Patents.

35.1. If this Agreement results in a copyright, the Grantor reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for government purposes, the work or the copyright to any work developed under this Agreement and any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

35.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.

36. Management and Disposition of Equipment and Commodities.

36.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.

36.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee shall provide equivalent insurance coverage for grant funded equipment and supplies as provided for other equipment and supplies owned by Grantee. Any loss, damage or theft of equipment and supplies shall be investigated and fully documented, and immediately reported to Grantor.

36.3. Equipment purchased using Grantor funds shall be made available for inspection during site visits, and upon request of Grantor as part of its grant monitoring and oversight responsibilities.

36.4. If, for an item of equipment described in the Budget to be purchased with Grantor funds, Grantee does not have, at a minimum, a purchase order dated within 90 days after the start date of the agreement, Grantee shall submit a letter to Grantor explaining the delay in the purchase of equipment. Grantor may, in its discretion:

A. Reduce the amount of funding;
B. Cancel this agreement;
C. Allow Grantee to reallocate the funds that were allocated for such equipment to other allowable Grantor approved costs; or
D. Extend the period to purchase this equipment past the 90-day period.

37. Program Income. All income, including income resulting from asset seizures or forfeitures, generated as a direct result of the program shall be deemed program income. Program income must be used for the

purposes and under the conditions applicable to the use of grant funds. Program income may be used by Grantee for any purpose that furthers the objectives of the grant or deducted from the total allowable costs in accordance with Part I, 7.7. Grantee shall report and account for such program income as required by the Grantor.

38. Separate Revenue and Expenditure Accounts**.** Grantee must have an accounting system that meets the following requirements prior to receiving grant funds:

(a) Provides for the clear identification, in its accounts, of all Federal awards, State awards, and matching funds received or expended.
(b) Enables the preparation of reports required by general and program-specific terms and conditions of Grantee's awards.
(c) Allows the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes; regulations; and the terms and conditions of the Federal or State award.
(d) Requires each Federal award, State award, and matching fund revenues and expenditures to be accounted, recorded, and tracked separately by funding source.
(e) Includes classification of expenditures (e.g., personnel, commodities, equipment).
(f) Maintains a system coding or classification system that permits summarization and reporting of grant revenue and expenditures by specific accounts, programs, projects, etc.
(g) Ensures that Federal and State awarded funds and matching funds are not commingled with funds from other Federal, State, or private sources. 2 CFR 200.302.
(h) Maintain an accounting system that utilizes generally accepted standards of accounting.

Upon request, Grantor may allow Grantee to receive funds without meeting the above requirements. Such exception shall be granted in writing and Grantee shall be given no more than six (6) months after the exception to meet all requirements of this section.

39. Publications.

39.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

39.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than $1000 to create or produce. These publication review requirements do not apply to press releases, flyers advertising approved program activities only, newsletters and issue analyses.

39.3. Grantor reserves the right to require the resubmission of any publication for additional review and comment, prior to its printing.

39.4. All publications shall supplement the language required by Part I, Article XIX with the following statement:

"Funding provided in whole or in part by the Illinois Criminal Justice Information Authority*. Points of view or opinions contained within this document are those of the author and do not necessarily represent the official position or policies of the State of Illinois, or the Illinois Criminal Justice Information Authority*."

When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal grant funds, Grantee shall clearly state (1) the percentage of the total cost of the program or project which will be funded under this agreement, and (2) the dollar amount of funding for the project or program in addition to the statement required in 42.4.

39.6 Exceptions to the above requirements shall only be allowed upon Grantor's written prior approval.

40. Reporting Grant Irregularities.

40.1. Grantee shall promptly notify Grantor through their Grant Monitor when an allegation is made, or Grantee otherwise receives information, reasonably tending to show the possible existence of any irregularities or illegal acts in the administration of Grant Funds. Grantor, per its agency policy, shall determine the reasonableness of the allegation of the irregularities or illegal action and determine the appropriate course of action. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

40.2. Grantee shall inform any sub-recipient of Grantor's Grant Funds that the sub-recipient is similarly obligated to report irregularities.

40.3. Failure to report known irregularities can result in suspension of the Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. If the possible misconduct involves Grantee's director, Grantee staff member shall provide prompt notice directly to Grantor.

40.4. 40.5. Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to Grantor and appropriate federal, State, and local law enforcement officials.

40.6. Grantee agrees to develop and maintain a record-keeping system to document all Agreement related activities and expenditures. These records will act as the original source material for compilation of the data and all other program activity.

40.7. The reporting of any irregularities, illegal acts and the proposed or actual corrective action shall be reported to Grantor at:

Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

44. Safeguarding Constitutional Protections Related to Religion

44.1 Grantee certifies that grant and match funded services must be offered without regard to religious affiliation. Grantee also certifies that the receipt of services through the grant funded program shall not be contingent upon participation in a religious event or activity. Grant or match funds may not be used for any explicitly religious activities such as worship, religious instruction, or proselytization. Grantee may engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and beneficiaries cannot be compelled to participate in them.

44.2 Faith-based organizations may consider religion when hiring staff if consistent with the Religious Freedom Restoration Act and other applicable laws. If the grant is funded with federal funds, Grantee must receive prior approval from the Department of Justice, Office for Civil Rights.

45. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters. Grantee and any entity that receives a contract or subcontract with any funds under this award, may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste,

fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

a. In accepting this award, Grantee –

   i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
   ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to Grantor, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Grantor.

b. If Grantee makes subawards or contracts under this award –
   i. it represents that –

      1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
      2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

   ii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

46. Background Checks for youth programs. Background checks are required for all program staff, independent contractors, and volunteers, including program staff, independent contractors, and volunteers for subawards and subcontractors, who have direct contact with youth before hiring or before working on the program. Grantee must have a written protocol on file requiring fingerprint-based background checks through the Illinois State Police for all persons and maintain documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

47. Project Monitoring and Evaluation.

47.2. Grantor Evaluation: As required by Grantor, Grantee agrees to cooperate with Grantor's evaluation of the grant project, conducted either by Grantor or external parties.

47.3. Grantee Evaluation: Project evaluation is limited to evaluation of Grantee's project, as described in this Agreement, to determine the project's effectiveness. Grantee understands and agrees that grant and match funds cannot be used for research purposes, as defined under 45 CFR 46.102(d). Grantee will provide Grantor with aggregate project data and summary reports related to project performance, including process and outcome, and any other information, as requested by Grantor.

48. Confidentiality of Records. In the event that a Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor shall disburse Grant Funds only if the Grantee enters into an installment payment agreement with said tax authority and remains in good standing therewith. Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

The Department of Justice guidance on compliance with this requirement may be found at "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons." (67 Fed. Reg. 41455-41472)(https://www.federalregister.gov/d02-15207) and is incorporated by reference here.

53.2. Should a question arise as to whether a particular use of federal funds by Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the Grantee is to contact Grantor for guidance, and may not proceed without the express prior written approval of Grantor.

54.2. In the event that an award-related question arises from the documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the Grantee is to contact Grantor promptly for clarification.

55. Reporting potential fraud, waste, and abuse, and similar misconduct.

55.1. Grantee, and any subrecipient ("subgrantee") at any tier, must promptly refer to Grantor any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award - (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct.

56.1. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38. Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to Grantee organizations that engage or conduct explicitly religious activities, as well as rules and requirements that pertain to Grantees that are faith-based or religious organizations.

56.2. Grantees that provide social services under this award must give written notice to beneficiaries and prosecptive beneficiaries prior to the provision of service (if practicable) which shall include language substantially similar to the language in 28 CFR Part 38, Appendix C, sections (1) through (4). A sample written notice may be found at https://www.ojp.gov/program/civil-rights-office/partnerships-faith-based-and-other-neighborhood-organizations. In certain instances, a faith-based or religious organization may be able to take religion into account when making hiring decisions, provided it satisfies certain requirements. For more information, please see https://www.ojp.gov/funding/explore/legaloverview2024/civilrightsrequirements.

56.3. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

56.4. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

57.1. Grantee and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences

(as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

57.2. Information on the pertinent DOJ definition of conference and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

57.3. Any training or training materials that Grantee – or any subrecipient ("subgrantee") at any tier – develops with funds under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at https://www.ojp.gov/funding/implement/training-guiding-principles-grantees-and-subgrantees.

58. Determination of suitability to interact with participating minors.

SCOPE: This condition applies to this award if it is indicated – in the application for the award (as approved by Grantor)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute – that a purpose of some or all of the activities to be carried out under the award (whether by the Grantee, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

58.1. Grantee, and any subrecipient ("subgrantee") at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

58.2 The details of this requirement are posted on the OJP web site at https://ojp.gov/funding/Explore/Interact-Minors.htm (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

59. Employment eligibility verification for hiring under the award.

59.1. Grantee (and any subrecipient at any tier) must—

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, Grantee (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with Grantee (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and
(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

59.2. Monitoring. Grantee's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

59.3. Allowable costs. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

59.4. Rules of construction

A. Staff involved in the hiring process For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require Grantee, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 33.4.B., shall be understood to relieve Grantee, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

59.5. Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (https://www.e-verify.gov/) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email EVerify at E-VerifyEmployerAgent@dhs.gov.

59.6. Questions about the meaning or scope of this condition should be directed to Grantor.

60. Encouragement of policies to ban text messaging while driving. Grantor encourages Grantee and subrecipients (“subgrantees”) to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this agreement, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

61. Restrictions and certifications regarding non-disclosure agreements and related matters. No Grantee, subrecipient (“subgrantee”) or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

62. Approval required to use a noncompetitive approach in any procurement contract that would exceed $250,000.

62.1. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

62.2 The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $250,000)), and are incorporated by reference here.

63. Prohibitions on Reprisal.

63.1. Grantee (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

64. Trafficking in Persons.

64.1. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantee, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of Grantee or of any subrecipient.

64.2. The details of Grantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

65. Requirement to report actual or imminent breach of personally Identifiable Information (PII). Grantee (and any “subrecipient” at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a sub-grantee)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of a grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). Grantee's breach procedures must include a requirement to

report actual or imminent breach of PII to Grantor or an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

66. Compliance with restrictions on the use of federal funds – prohibited and controlled equipment under OJP awards. Consistent with Executive Order 14074, "Advancing Effective, Accountable Policing and Criminal Justice Practices To Enhance Public Trust and Public Safety", OJP has prohibited the use of federal funds under this award for purchases or transfers of specified equipment by law enforcement agencies. Grantee, and any subrecipient ("subgrantee") at any tier are required to put in place specified controls prior to using federal funds under this award to acquire or transfer any property identified on the "controlled equipment" list. The details of the requirement are posted on the OJP web site at https://www.ojp.gov/funding/explore/prohibited-and-controlled-equipment (Award condition: Compliance with restrictions on the use of federal funds – prohibited and controlled equipment under OJP awards), and are incorporated herein by reference here.

67. Restrictions on "lobbying".

67.1. In general, as a matter of federal law, federal funds awarded by OJP may not be used by Grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

67.2. Grantee, or any subrecipient at any tier, will not use grant funds to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

67.3. Should any question arise as to whether a particular use of Federal funds would or might fall within the scope of this prohibition, the recipient is to contact Grantor or OJP for guidance, and may not proceed without the express prior written approval of Grantor and OJP.

68. Specific Federal Authorization. Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract"). The details of the requirement for authorization of any subaward are posted on the OJP web site at https://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.1

Pre-award Costs for Continuum of Care Planning

The Recipient may, at its own risk, incur pre-award costs for continuum of care planning awards, after the date of the HUD selection notice and prior to the effective date of this Agreement, if such costs: a) are consistent with 2 CFR 200.458; and b) would be allowable as a post-award cost; and c) do not exceed 10 percent of the total funds obligated to this award. The incurrence of pre-award costs in anticipation of an award imposes no obligation on HUD either to make the award, or to increase the amount of the approved budget, if the award is made for less than the amount anticipated and is inadequate to cover the pre-award costs incurred.

These provisions apply to all Recipients:

The Recipient:

(1) shall not use grant funds to promote "gender ideology," as defined in E.O. 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government;

(2) agrees that its compliance in all respects with all applicable Federal anti-discrimination laws is material to the U.S. Government's payment decisions for purposes of section 3729(b)(4) of title 31, United States Code;

(3) certifies that it does not operate any programs that violate any applicable Federal anti-discrimination laws, including Title VI of the Civil Rights Act of 1964;

(4) shall not use any Grant Funds to fund or promote elective abortions, as required by E.O. 14182, Enforcing the Hyde Amendment; and

(5) Notwithstanding anything in the NOFO or Application, this Grant shall not be governed by Executive Orders revoked by E.O. 14154, including E.O. 14008, or NOFO requirements implementing Executive Orders that have been revoked.

The recipient must administer its grant in accordance with all applicable immigration restrictions and requirements, including the eligibility and verification requirements that apply under title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended (8 U.S.C. 1601-1646) (PRWORA) and any applicable requirements that HUD, the Attorney General, or the U.S. Center for Immigration Services may establish from time to time to comply with PRWORA, Executive Order 14218, or other Executive Orders or immigration laws.

No state or unit of general local government that receives funding under this grant may use that funding in a manner that by design or effect facilitates the subsidization or promotion of illegal immigration or abets policies that seek to shield illegal aliens from deportation.

Subject to the exceptions provided by PRWORA, the recipient must use SAVE, or an equivalent verification system approved by the Federal government, to prevent any Federal public benefit from being provided to an ineligible alien who entered the United States illegally or is otherwise unlawfully present in the United States.

HUD will not enforce provisions of the Grant Agreement to the extent that they require the project to use a housing first program model.

As stated in Section III.A.2 of the NOFO, Faith-based organizations may be recipients or subrecipients for funds under this agreement on the same basis as any other organization. Recipients may not, in the selection of subrecipients, discriminate against an organization based on the organization's religious character, affiliation, or exercise.

If any new projects funded under this Agreement are for project-based rental assistance for a term of fifteen (15) years, the funding provided under this Agreement is for the performance period stated herein only. Additional funding is subject to the availability of annual appropriations.

The budget period and performance period of renewal projects funded by this Agreement will begin immediately at the end of the budget period and performance period of the grant being renewed. Eligible costs incurred between the end of Recipient's budget period and performance period under the grant being renewed and the date this Agreement is executed by both parties may be reimbursed with Grants Funds from this Agreement. No Grant Funds for renewal projects may be drawn down by Recipient before the end date of the project's budget period and performance period under the grant that has been renewed.

Eligible costs, as defined by the Act and the Rule, incurred between the end of Recipient's final operating year under the grant being transitioned and the execution of this Agreement may be paid with funds from the first operating year of this Agreement.

HUD designations of Continuums of Care as High-performing Communities (HPCS) are published on HUD.gov in the appropriate Fiscal Years' CoC Program Competition Funding Availability page. Notwithstanding anything to the contrary in the Application or this Agreement, Recipient may only use grant funds for HPC Homelessness Prevention Activities if the Continuum that designated the Recipient to apply for the grant was designated an HPC for the applicable fiscal year.

The Recipient must use the Grant Funds only for costs (including indirect costs) that meet the applicable requirements in 2 CFR part 200 (including appendices), as may be amended from time to time. The Recipient's indirect cost rate information is as provided in Addendum #1 to this Agreement. The Recipient must immediately notify HUD upon any change in the Recipient's indirect cost rate, so that HUD can amend the Agreement to reflect the change if necessary.

Waste, Fraud, Abuse, and Whistleblower Protections. Any person who becomes aware of the existence or apparent existence of fraud, waste or abuse of any HUD award must report such incidents to both the HUD official responsible for the award and to HUD's Office of Inspector General (OIG). HUD OIG is available to receive allegations of fraud, waste, and abuse related to HUD programs via its hotline number (1-800-347-3735) and its online hotline form. You must comply with 41 U.S.C. § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce. Under 41 U.S.C. § 4712, employees of a government contractor, subcontractor, grantee, and subgrantee—as well as a personal services contractor—who make a protected disclosure about a Federal grant or contract cannot be discharged, demoted, or otherwise discriminated against as long as they reasonably believe the information they disclose is evidence of:

2. Waste of Federal funds;
3. Abuse of authority relating to a Federal contract or grant;
4. Substantial and specific danger to public health and safety; or
5. Violations of law, rule, or regulation related to a Federal contract or grant.

HUD may terminate all or a portion of the Grant in accordance with the Act, the Rule and 2 CFR 200.340. The Agreement constitutes the entire agreement between the parties and may be amended only in writing executed by HUD and the Recipient.

All grantees must complete and submit a CYEFR through the Grantee Portal, except those exempted by federal or State statute or regulation, as set forth in **PART TWO** or **PART THREE**. The CYEFR is a required schedule in Grantee's audit report if Grantee is required to complete and submit an audit report as set forth herein.

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. If Grantee is not required to complete audited financial statements, the CYEFR must cover Grantee's fiscal year and must be submitted within 6 months of the Grantee's fiscal year-end.

(b) The CYEFR must include an in relation to opinion from the auditor of the financial statements included in the audit.

(c) The CYEFR must follow a format prescribed by Grantor.

12.3. Entities That Are Not "For-Profit".

The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) Program-Specific Audit. If, during its fiscal year, Grantee expends at least $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII
TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement or funded in whole or in part by this Agreement and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or otherwise acquired, or

improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. 22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. PROJECT DESCRIPTION

The project has been implemented and the VOCA funds will be utilized to continue partially funding one (1) case manager who provides victim services and referrals to child victims of sexual and severe physical abuse as well as their non-offending family members. The Case Managers work together in teams providing criminal justice support/advocacy; personal, medical and emergency legal advocacy; information, referrals and follow-up contact. Generally, the case management duties include conducting service needs assessments, following up and assessing client progress and modifying service plans to accommodate changes. A case manager is assigned to each team and becomes involved in the case from intake.

The DuPage County Children's Advocacy Center interacts with the YWCA as well as other counselors in the community by informing the victims of the counseling services they provide to help the victims and their non-offending families through these difficult times. The Center also interacts with Edward Hospital by having them perform specialized exams of the victims when needed. The doctors and nurses at Edward Hospital are trained to provide a caring environment which puts the victims a little more at ease with these types of examinations.

Normal hours of operation are Monday through Friday, 9:00 a.m. to 4:30 p.m. In addition, investigators are on call 24 hours a day, 365 days a year. The Center investigators and Case Managers will also adjust their working hours to accommodate the scheduling needs of a victim's family.

There are several ways victims and their non-offending families are made aware of the Crime Victim's Compensation Program. Every non-offending family that comes to the Children's Center is given a Crime Victim's Compensation Program application and pamphlet. The application and pamphlet are also available in the waiting room of the Children's Center. When a case manager attends a specialized medical exam with the families at Edward Hospital, they are also given Crime Victim's Compensation Program information. Many of the counselors to whom the case managers refer the families also give Crime Victim's Compensation Program information for counseling reimbursement.

The DuPage CAC's facility is large enough to safely accommodate the clientele and is handicapped accessible. The facility contains sufficient equipment and furniture to provide the services offered.

Due to the sensitive nature of the investigations, the Center does not use volunteers. All investigators and staff are employees of the DuPage County Stat's Attorney's office and are subject to a criminal background check and fingerprinting at hiring.

Staff training is given a high priority at the Center and every effort is made to provide training to staff on a regular basis, to update and improve skills and to keep current on best practices and research in the field of child abuse investigation, prosecution and treatment. Funds for training are available through the DuPage County State's Attorney's Office as well as the Friends of DuPage County Children's Advocacy Center. Training will be identified as it becomes available and determined relevant to the tasks of the case manager.

PART TWO –GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

23. Definitions

"Youth" means an individual under 18 years of age.

24. Mandatory Attendance. Grantee shall attend meetings as required by Grantor.

25. Commencement of Performance.

25.1. If performance has not commenced within 60 days of the execution date of this Agreement, Grantee agrees to report by letter to Grantor the steps taken to initiate the program, the reasons for the delay, and the expected starting date.

25.2. If the program is not operational within 90 days of the execution date of this Agreement, Grantee agrees to submit a second letter to Grantor explaining the implementation delay. Grantor may at its discretion either cancel this Agreement or extend the implementation date of the program past the 90-day period.

25.3. If the program is interrupted for more than 30 days after commencement, Grantee agrees to notify Grantor in writing explaining the reasons for the interruption and the steps being taken to resume operation of the program. Grantor may, at its discretion, reduce the amount of grant funds awarded and/or terminate this Agreement if the program is interrupted for more than 90 days.

26. Budget Changes. Grantee may transfer funds among direct cost categories, however line-item transfers are capped at $50,000 and limited to 10% of the total award. Line-item transfers larger than this amount require a budget revision approval from Grantor.

27. Reporting and Evaluation Requirements.

27.1. Grantee shall submit the following reports to the Grantor:

- Performance reports for the preceding quarter relevant to the performance indicators listed in the Agreement. The quarterly progress reports are due not more than 15 days after the end of the quarter, unless another reporting schedule has been required or approved by the Grantor. and
- Fiscal reports detailing financial expenditures for the previous month. Fiscal reports shall be submitted by the 15th of every month following the first complete month of the grant period.

27.2. Grantor may give the grantee permission, in writing, to report on a quarterly schedule. Such permission can be revoked by the grantor at any time. If such permission is given, the quarterly reports should be submitted based on the following schedule:

Quarter End Date	Due Date
September 30	October 15
December 31	January 15
March 31	April 15
June 30	July 15

28. Timekeeping.

28.1. Grantee shall maintain the following time keeping records on-site for all grant-funded and match personnel:

A. Personnel who spend less than 100% of their time on the funded program must maintain records that accurately reflect the time the employee spends performing the program and any other duties. These records must:
   1. reflect an after-the-fact distribution of the employee's actual activity (not budgeted time);
   2. account for attendance and the daily total activity for which the employee is compensated (by all funding sources);
   3. be prepared at least monthly and coincide with one or more pay periods;
   4. be signed by the employee and approved by a supervisor having firsthand knowledge of the work performed; and
   5. be supplemented with daily attendance timesheets.

B. Personnel who spend 100% of their time on the funded program must certify on a semi-annual basis. This time certification form must:
   1. include an-after-the fact certification that 100% of the employee's time was spent in support of activities associated with the program;
   2. be signed every six months by the employee and a supervisor having firsthand knowledge of the employee's work; and
   3. be supplemented with daily attendance timesheets.

28.2. Payroll records must reflect either the after-the-fact distribution of an employee's actual activities or the certification of an employee's actual work performed.

28.3. Volunteers whose time fulfills a match requirement must complete a daily attendance timesheet or log that includes dates and hours worked on the grant program.

28.4 Grantee shall maintain a Quarterly Time Keeping Certification to Grantor with each quarterly report, or every third monthly report. The Quarterly Time Keeping Certification shall include a certification listing all employees who must maintain records as set forth in this Section, and match volunteers, including their 1) program working hours and 2) total working hours. The Quarterly Time Keeping Certification should be made available to Grantor upon request.

29. Closeout requirements. Within 30 days of the expiration date of this Agreement or any approved extension thereof the following documents must be submitted by Grantee to Grantor: (a) final financial status report; (b) final progress reports; (c) property inventory report; and (d) other documents required by Grantor.

30. Procurement Requirements and Requests for Proposals.

30.1. All procurement transactions shall be conducted by Grantee in a manner to provide, to the maximum extent practical, open and free competition. Procurement transactions include the purchasing of equipment, commodities, goods and services. Procurement transactions do not include the making of sub-grants. Grantee may use their own procurement regulations which reflect State and local law, rules, and regulations, provided that all procurements made with grant funds minimally adhere to standards established by the Illinois Procurement Code (30 ILCS 500) and 2 CFR 200.318 - 327.

30.2. If the Grantee's established procurement process is less competitive than the following requirements, the following more competitive requirements must be adhered to in lieu of the Grantor's procurement process per 30 ILCS 500/20-20.

- For procurements of $100,000 or less, the Grantee is encouraged to formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process. If this is not possible, the Grantee must solicit quotes or bids from at least three sources.

- For procurements over $100,000, the Grantee must utilize a competitive source selection such as formally advertise the proposed procurement through an Invitation for Bids (IFB), or a Request for Proposals (RFP) process.

30.3. As required by Grantor, Grantee shall submit documentation regarding its procurement procedures and grant-funded purchases for Grantor review and approval to assure adherence to applicable guidelines.

30.4. Grantee may use a non-competitive procurement process under some circumstances in accordance with 2 CFR 200.320(c). Grantee must request and receive approval, in writing, from Grantor before entering into an agreement through a non-competitive procurement process.

31. Subcontracting.

31.1. Grantee shall make reasonable efforts to assure that all subcontractors adhere to the terms and conditions of this agreement. Grantor shall not be responsible for the performance, acts or omissions of any subcontractor.

31.2. Grantee shall submit documentation regarding contracts to be funded with grant funds for Grantor review and approval, to assure adherence to applicable guidelines. This includes a copy of the subcontract, Addendum to the Agreement, Required Documentation for Contractor Payment with Compensation and Rate of Pay certifications form, Sole Source Justification form, if applicable, disclosure of any Conflicts of Interest to Grantor and any other related documents requested by Grantor.

31.3. Costs under any subcontract shall only be allowed back to the date of the complete submission of the documents described in this Article except for those subcontractors approved under Article XIV or an exception under Grantor exception policy.

31.3. Approval of the use of subcontractors by Grantor does not relieve Grantee of its obligation to assure performance under this agreement. Grantee shall be responsible for the recovery of any unspent and/or misspent grant funds paid to the subcontractor by Grantee.

32. Subawards.

32.1 Grantee will monitor subawards to ensure compliance with State and/or Federal statutes, regulations, and the terms and conditions of the subaward. Approval of a subaward does not relieve Grantee of its obligation to assure performance under this Agreement.

32.2 Subawards are subject to site visits by both Grantee and Grantor, and must make available all fiscal, personnel, and programmatic data to Grantee and Grantor at either's request. Grantor reserves the right to conduct site visits of all subawards.

32.3 Grantee will require all subawards to submit, at a minimum, periodic performance reports and periodic financial reports to Grantee.

32.4 As Grantee awards each subaward, Grantee will forward a site visit schedule to Grantor along with any increased monitoring provisions. Any site reports created by Grantee that require a corrective action by a subaward shall be submitted to Grantor along with verification of the corrective action.

32.5 If the use of a subaward is approved by Grantor, the terms and conditions of this Agreement shall apply to and bind the party to whom such work is subawarded as fully and completely as Grantee is bound and obligated. Grantee is obligated to ensure that the terms of this Agreement are contained in any written subaward agreement.

32.6 Grantee will ensure that all subawardees have an active Unique entity Identifier (UEI); have a Federal Employer ID (FEIN); are in good standing with the Illinois Secretary of State; are not on the Illinois Stop Payment List; are not on the SAM.gov Exclusion list; and are not on the Illinois Medicaid Sanctions List.

32.7 Prior to the execution of its grant agreement, Grantee will submit their subaward monitoring protocol to Grantor for approval.

32.8 Grantee shall use a competitive bidding process for the selection of any subaward not specifically named in this Agreement.

32.9 Grantee shall conduct a programmatic risk assessment of every subaward that receives a subaward through this Agreement.

32.10 Grantee will evaluate each subaward's risk of noncompliance with federal and state statutes; regulations; rules; laws; guidelines; and conditions of this award. Grantee will impose specific conditions upon a subaward, if appropriate.

32.11 Grantee will make fiscal and programmatic technical assistance available to all subawards.

32.12 All unspent subaward funds will be returned by Grantee to Grantor within 30 days after the end of each subaward's period of performance.

32.13 Grantee will be responsible for the recovery of any unspent and/or misspent grant funds paid to the subaward by Grantee.

32.14 Grantor is not responsible for the performance, acts, or omissions of any subaward. Grantor will not mediate disputes between Grantee and subawardees.

33. Food Costs. Grantee agrees to act in accordance with Grantor's food policy for any food costs paid in whole or in part by funds under this agreement. Grantees must maintain records of actual food costs and how the food supported its program. For events, grantees must maintain records of the event, including receipts for food and other costs and the number of program participants. For emergency food provisions, grantees must maintain records of both the cost of the food provided and the program participant who received it.

34. Transportation Costs. Grantee must utilize a tracking system for any transportation costs funded by this agreement. At minimum, the tracking system must track the purpose of each trip and the cost per trip. Grantee shall submit a description of the tracking system to Grantor prior to incurring any transportation costs. This section applies to costs for both staff and participants.

35. Copyrights and Patents.

35.1. If this Agreement results in a copyright, the Grantor reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for government purposes, the work or the copyright to any work developed under this Agreement and any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

35.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.

36. Management and Disposition of Equipment and Commodities.

36.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.

36.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee shall provide equivalent insurance coverage for grant funded equipment and supplies as provided for other equipment and supplies owned by Grantee. Any loss, damage or theft of equipment and supplies shall be investigated and fully documented, and immediately reported to Grantor.

36.3. Equipment purchased using Grantor funds shall be made available for inspection during site visits, and upon request of Grantor as part of its grant monitoring and oversight responsibilities.

36.4. If, for an item of equipment described in the Budget to be purchased with Grantor funds, Grantee does not have, at a minimum, a purchase order dated within 90 days after the start date of the agreement, Grantee shall submit a letter to Grantor explaining the delay in the purchase of equipment. Grantor may, in its discretion:

A. Reduce the amount of funding;
B. Cancel this agreement;
C. Allow Grantee to reallocate the funds that were allocated for such equipment to other allowable Grantor approved costs; or
D. Extend the period to purchase this equipment past the 90-day period.

37. Program Income. All income, including income resulting from asset seizures or forfeitures, generated as a direct result of the program shall be deemed program income. Program income must be used for the purposes and under the conditions applicable to the use of grant funds. Program income may be used by Grantee for any purpose that furthers the objectives of the grant or deducted from the total allowable costs in accordance with Part I, 7.7. Grantee shall report and account for such program income as required by the Grantor.

38. Separate Revenue and Expenditure Accounts**.** Grantee must have an accounting system that meets the following requirements prior to receiving grant funds:

    (a) Provides for the clear identification, in its accounts, of all Federal awards, State awards, and matching funds received or expended.
    (b) Enables the preparation of reports required by general and program-specific terms and conditions of Grantee's awards.
    (c) Allows the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes; regulations; and the terms and conditions of the Federal or State award.
    (d) Requires each Federal award, State award, and matching fund revenues and expenditures to be accounted, recorded, and tracked separately by funding source.
    (e) Includes classification of expenditures (e.g., personnel, commodities, equipment).
    (f) Maintains a system coding or classification system that permits summarization and reporting of grant revenue and expenditures by specific accounts, programs, projects, etc.
    (g) Ensures that Federal and State awarded funds and matching funds are not commingled with funds from other Federal, State, or private sources. 2 CFR 200.302.
    (h) Maintain an accounting system that utilizes generally accepted standards of accounting.

    Upon request, Grantor may allow Grantee to receive funds without meeting the above requirements. Such exception shall be granted in writing and Grantee shall be given no more than six (6) months after the exception to meet all requirements of this section.

39. Publications.

    39.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

    39.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than $1000 to create or produce. These publication review requirements do not apply to press releases, flyers advertising approved program activities only, newsletters and issue analyses.

    39.3. Grantor reserves the right to require the resubmission of any publication for additional review and comment, prior to its printing.

    39.4. All publications shall supplement the language required by Part I, Article XIX with the following statement:

"Funding provided in whole or in part by the Illinois Criminal Justice Information Authority. *Points of view or opinions contained within this document are those of the author and do not necessarily represent the official position or policies of the State of Illinois, or the Illinois Criminal Justice Information Authority*."

39.5. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal grant funds, Grantee shall clearly state (1) the percentage of the total cost of the program or project which will be funded under this agreement, and (2) the dollar amount of funding for the project or program in addition to the statement required in 42.4.

39.6 Exceptions to the above requirements shall only be allowed upon Grantor's written prior approval.

40. Reporting Grant Irregularities.

40.1. Grantee shall promptly notify Grantor through their Grant Monitor when an allegation is made, or Grantee otherwise receives information, reasonably tending to show the possible existence of any irregularities or illegal acts in the administration of Grant Funds. Grantor, per its agency policy, shall determine the reasonableness of the allegation of the irregularities or illegal action and determine the appropriate course of action. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

40.2. Grantee shall inform any sub-recipient of Grantor's Grant Funds that the sub-recipient is similarly obligated to report irregularities.

40.3. Failure to report known irregularities can result in suspension of the Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. If the possible misconduct involves Grantee's director, Grantee staff member shall provide prompt notice directly to Grantor.

40.4. In addition, Grantor, if in its judgment there is a reasonable allegation of irregularity or illegal act, shall inform the Office of Justice Program's Office of the Comptroller, the Department of Justice's Office of Professional Responsibility and the Office of Inspector General, and state and local law enforcement agencies or prosecuting authorities, as appropriate, of any known violations of the law within their respective area of jurisdiction.

40.5. Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to Grantor and appropriate federal, State, and local law enforcement officials.

40.6. Grantee agrees to develop and maintain a record-keeping system to document all Agreement related activities and expenditures. These records will act as the original source material for compilation of the data and all other program activity.

40.7. The reporting of any irregularities, illegal acts and the proposed or actual corrective action shall be reported to Grantor at:

Illinois Criminal Justice Information Authority
Attn: Office of General Counsel

CJA.OGCreport@illinois.gov

41. Reporting Potential Fraud, Waste, or Similar Misconduct.

41.1. Grantee shall promptly refer to Grantor, via their assigned Grant Monitor, any credible evidence that a principal, employee, agent, contractor, subcontractor, or subaward has either submitted a false claim for grant funds in violation of the False Claims Act or committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity or similar misconduct involving grant funds.

41.2. Potential fraud, waste, abuse or misconduct shall be reported to Grantor at:

Illinois Criminal Justice Information Authority
Attn: Office of General Counsel
60 E. Van Buren Street, Ste 650

CJA.OGCreport@illinois.gov

42. Crimes of Dishonesty. Grantee shall notify Grantor as soon as practical if any of its own or any of its subawards' and/or its subcontractors' board members, executive officers, directors, administrators, supervisors, managers, or financial officers or anyone holding such a position of authority is criminally charged with or convicted of theft, fraud, or any other crime involving dishonesty at any point during the period of performance of this grant. Grantor may terminate this agreement, at Grantor's sole discretion, if Grantee's or any of its subawards' and/or its subcontractors' board members, executive officers, directors, administrators, supervisors, managers, or financial officers or anyone holding such a position of authority become convicted of theft, fraud, or any crime involving dishonesty.

43. Conflict of Interest in Hiring and Procurement. In addition to the requirements of Part I, Article XVII, no employee, officer, or agent of Grantee shall participate in the selection of a contractor, award of a contract, administration of a contract, or hiring of personnel supported by grant funds if a conflict of interest, real or apparent, would be involved. Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

44. Safeguarding Constitutional Protections Related to Religion

44.1 Grantee certifies that grant and match funded services must be offered without regard to religious affiliation. Grantee also certifies that the receipt of services through the grant funded program shall not be contingent upon participation in a religious event or activity. Grant or match funds may not be used for any explicitly religious activities such as worship, religious instruction, or proselytization. Grantee may engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and beneficiaries cannot be compelled to participate in them.

44.2 Faith-based organizations may consider religion when hiring staff if consistent with the Religious Freedom Restoration Act and other applicable laws. If the grant is funded with federal funds, Grantee must receive prior approval from the Department of Justice, Office for Civil Rights.

45. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters. Grantee and any entity that receives a contract or subcontract with any funds under this award, may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

    a. In accepting this award, Grantee –

        i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
        ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to Grantor, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Grantor.

    b. If Grantee makes subawards or contracts under this award –
        i. it represents that –

            1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
            2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

        ii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

46. Background Checks for youth programs. Background checks are required for all program staff, independent contractors, and volunteers, including program staff, independent contractors, and volunteers for subawards and subcontractors, who have direct contact with youth before hiring or before working on the program. Grantee must have a written protocol on file requiring fingerprint-based background checks through the Illinois State Police for all persons and maintain documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

47. Project Monitoring and Evaluation.

47.1. Project Monitoring: Grantee understands that Grantor may impose additional reporting requirements during the grant period by providing notice in writing to Grantee. Grantee agrees to report any additional information required by Grantor.

47.2. Grantor Evaluation: As required by Grantor, Grantee agrees to cooperate with Grantor's evaluation of the grant project, conducted either by Grantor or external parties.

47.3. Grantee Evaluation: Project evaluation is limited to evaluation of Grantee's project, as described in this Agreement, to determine the project's effectiveness. Grantee understands and agrees that grant and match funds cannot be used for research purposes, as defined under 45 CFR 46.102(d). Grantee will provide Grantor with aggregate project data and summary reports related to project performance, including process and outcome, and any other information, as requested by Grantor.

48. Confidentiality of Records. Grantee agrees not to use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with this program and all applicable federal guidelines and legislation without written consent from Grantor. Grantee shall notify Grantor within three (3) business days of any such request.

49. Tax Liabilities; State Agency Delinquencies. Grantee is required to file of any and all applicable tax returns. In the event that a Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor shall disburse Grant Funds only if the Grantee enters into an installment payment agreement with said tax authority and remains in good standing therewith. Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

50. Compliance. Grantee agrees to comply with all applicable laws, regulations, and guidelines of the State of Illinois, the Federal Government and Grantor in the performance of this Agreement.

Costs that are not in accordance with the final approved budget (necessary, reasonable, allowable, and allocable) shall be disallowed.

52. Applicability of Part 200 Uniform Requirements.
The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this Agreement.

Record retention and access: Records pertinent to the award that the Grantee (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the Grantee (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by Grantor that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the grantee is to contact ICJIA promptly for clarification.

53. Requirement to report actual or imminent breach of personally identifiable information (PII). Grantee (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to Grantor no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

54. Effect of failure to address audit issues. Grantee understands and agrees that Grantor may withhold award funds, or may impose other related requirements, if (as determined by Grantor) the Grantee does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

55. Requirements of the award; remedies for non-compliance or for materially false statements.

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the Grantee that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqts.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the Grantee, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in Grantor taking appropriate action with respect to the recipient and the award. Among other things, the Grantor may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

56. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination.

56.1 28 C.F.R. Part 38: The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.
Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to grantee and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at https://www.ecfr.gov/cgi-bin/ECFR?page=browse), by browsing to Title 28-Judicial

Administration, Chapter 1, Part 38, under e-CFR "current" data.

56.2 28 C.F.R. Part 42: The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

56.3 28 C.F.R. Part 54: The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

57. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees).

The Grantee (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the Grantor for guidance.

58. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

59. Requirement for data on performance and effectiveness under the award. The Grantee must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to Grantor in the manner (including within the timeframes) specified by Grantee in the NOFO or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

60. Requirements related to "de minimis" indirect cost rate. A Grantee that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise Grantor in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

61. Determination of suitability to interact with participating minors. This condition applies to this award if it is indicated that a purpose of some or all of the activities to be carried out under the award (whether by the

Grantee, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The Grantee, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at https://ojp.gov/funding/Explore/Interact-Minors.htm (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors) and are incorporated by reference here.

62. Compliance with DOJ Grants Financial Guide. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at https://ojp.gov/financialguide/DOJ/index.htm), including any updated version that may be posted during the period of performance. The Grantee agrees to comply with the DOJ Grants Financial Guide.

63. Encouragement of policies to ban text messaging while driving. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), Grantor encourages Grantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

64. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2022). The Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2022, are set out at https://ojp.gov/funding/Explore/FY22AppropriationsRestrictions.htm, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by the Grantee (or any subrecipient) would or might fall within the scope of an appropriations-law restriction, the Grantee is to contact Grantor for guidance, and may not proceed without the express prior written approval of Grantor.

65. Employment eligibility verification for hiring under the Agreement.

65.1. Grantee (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the Grantee (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1).

B. Notify all persons associated with the Grantee (or any subrecipient) who are or will be involved in activities under this award of both—

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

65.2. Monitoring. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

65.3. Allowable costs. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

65.4. Rules of construction

A. Staff involved in the hiring process. For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all Grantee (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify. For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the Grantee (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

D. Nothing in this condition shall be understood to authorize or require any Grantee, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any Grantee, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (https://www.e-verify.gov/) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to Grantor, before award acceptance. Should a question arise as to whether a particular use of federal funds by Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the Grantee is to contact Grantor for guidance, and may not

proceed without the express prior written approval of Grantor.

66. Restrictions and certifications regarding non-disclosure agreements and related matters. No grantee or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

66.1. In accepting this award, the Grantee--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
2. If the Grantee does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the grantee's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

67. Reclassification of various statutory provisions to a new Title 34 of the United States Code. On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in

Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this Agreement to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

68. OJP Training Guiding Principles. Any training or training materials that the Grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm.

69. All subawards ("subgrants") must have specific federal authorization. The grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at https://ojp.gov/funding/Explore/SubawardAuthorization.htm (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

70. Requirements related to System for Award Management and Universal Identifier Requirements. Grantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at https://www.sam.gov/. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The details of the Grantee's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at https://ojp.gov/funding/Explore/SAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

71. Restrictions on "lobbying".

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Grantee, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by the Grantee (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact Grantor for guidance, and may not proceed without the express prior written approval of Grantor.

72. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed $250,000.

Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $250,000)), and are incorporated by reference here.

73. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and Grantor authority to terminate award).

Grantee, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Grantee, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the Grantee or of any subrecipient.

The details of the Grantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and authority to terminate award)), and are incorporated by reference here.

74. Requirement to report potentially duplicative funding.

If the Grantee currently has other active awards of federal funds, or if the Grantee receives any other award of federal funds during the period of performance for this award, the Grantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the Grantee must promptly notify the Grantor in writing of the potential duplication, and, if so requested by the Grantor, must seek a budget to eliminate any inappropriate duplication of funding.

75. Reporting potential fraud, waste, and abuse, and similar misconduct.

The Grantee, and any subrecipients ("subgrantees") at any tier, must promptly refer to the Grantor any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Additional information is available from the DOJ OIG website at https://oig.justice.gov/hotline.

76. VOCA Requirements.

The Grantee assures that Grantee and its subrecipients will comply with the conditions of the Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 34 U.S.C. 20103(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required.

77. FFATA reporting: Subawards and executive compensation.

Grantee must comply with applicable requirements to report the names and total compensation of the five most highly compensated executives of the Grantee. The details of obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at https://ojp.gov/funding/Explore/FFATA.htm (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than $30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

78. The recipient agrees that it will submit quarterly financial status reports to Grantor, no later than the deadlines set out this Agreement. Delinquent reports may lead to funds being frozen and other remedies.

79. Discrimination Findings. The Grantee assures that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against the Grantee, the Grantee will forward a copy of the findings to Grantor.

80. Grantee integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings.

The Grantee must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from Grantor.

The details of Grantee obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at https://ojp.gov/funding/FAPIIS.htm (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

81. The Grantee agrees to promptly provide, upon request, financial or programmatic-related documentation related to this award, including documentation of expenditures and achievements. The Grantee understands that it will be subject to additional financial and programmatic in-depth or on-site monitoring, which may be on short notice, and agrees that it will cooperate with any such monitoring. The Grantee agrees to develop or maintain effective internal controls to manage this award (see 2 C.F.R. 200.303) and effective financial management policies and procedures to manage this award (see 2 C.F.R. 200.302).

82. Match.

    82.1. Grantee certifies that it (a) meets the requirements of this agreement and (b) has at least 20

percent of its support (including in-kind contributions) from sources other than federal funds for the program described in the attached exhibits. Therefore, one dollar in cash or in-kind match is required for each four dollars of federal funding received.

82.2. Failure of Grantee to apply non-federal financial support to the program described in the attached exhibits in the amount of at least 20 percent of such program's costs, shall result in a proportionate reduction in the amount of federal funds awarded under this agreement and may result in the return of funds already awarded. To meet this matching funds requirement, Grantee shall apply non-federal financial support to the program, as described in the Budget.

82.3. Grantee shall maintain records that clearly show the source and amount of the program match amount, and the period of time for which such contributions were allocated. The basis for determining the value of personal services, materials, equipment, and space and facilities shall be documented. Volunteer services shall be substantiated by the same methods used by the Grantee for its paid employees. The value of volunteer services must be consistent with the rate of compensation (which may include fringe benefits) paid for similar work in the program, but if the similar work is not performed in the program, the rate of compensation shall be consistent with the rate found in the labor market in which the program competes.

83. Program Description, Budget, Exhibits, and Amendments.

83.1. Grantee agrees to undertake and perform in a satisfactory manner in accordance with the terms and conditions of this agreement, the program described in the Program Description attached and incorporated as the attached exhibits and the Budget attached and incorporated.

83.2. The documents appended are made a part of this agreement, as exhibits and amendments as the case may be. Any amendment to this agreement must be signed by the parties to be effective. Grantee shall perform the services subject to this agreement in accordance with all terms, conditions, and provisions set forth in such exhibits and amendments.

84. Background Checks/Youth Program.

84.1. Background checks are required for all program staff and volunteers who have direct contact with youth (under 18 years) before hiring or before working on the program. Grantee must have a written protocol on file requiring background checks for all such staff and volunteers, and maintain documentation of their completion and results. Background checks must include fingerprint-based background checks through the Illinois State Police.

84.2. Staff or volunteers with a record of the following offenses will automatically be excluded from having direct contact with youth: 1) any sex offense or 2) an offense in which the victim is, by statute, a youth, including but not limited to, child abuse and child endangerment. Staff or volunteers with a Class X felony for which the person has completed parole/supervised release within the past 5 years will automatically be excluded from having direct contact with youth, unless the program model or service provision relies on staff access or credibility with at-risk populations.

84.3. No waivers to this policy shall be granted.

85. Sub-granting.

85.1. Sub-Grantee Monitoring.

a. Grantee will monitor sub-grantees to ensure compliance with State and/or Federal statutes, regulations, and the terms and conditions of the sub-award. Grantee will ensure that all sub-grantees comply with Grant Accountability and Transparency Act (30 ILCS 708/1 et al.) and 2 CFR 200 requirements.

b. Sub-grantees are subject to site visits by both Grantee and Grantor, and must make available all fiscal, personnel, and programmatic data to Grantee and Grantor at either's request. Grantor reserves the right to conduct site visits of all sub-grantees.

c. Grantee will require all sub-grantees to submit, at a minimum, quarterly data and fiscal reports to Grantee.

d. As Grantee awards each sub-grant, Grantee will forward a site visit schedule to Grantor along with any increased monitoring provisions.

e. Grantee shall submit all sub-grantee site visit reports resulting in corrective action along with verification of the completed corrective action to Grantor with its Close-Out report.

85.2. Grantee will select all sub-grantees based upon need, capacity, and quality, and must adhere to a competitive selection process as follows:

- For sub-awards of $50,000 or less, the Grantee is encouraged to formally advertise the proposed sub-award through a Notice of Funding Opportunity (NOFO) or a Request for Proposals (RFP) process. If this is not possible, the Grantee must solicit quotes or bids from at least three sources.

- For sub-awards over $50,000, the Grantee must formally advertise the proposed sub-award through a NOFO or a Request for Proposals (RFP) process.

If justification is pre-approved by Grantor, Grantee may enter into a sole source sub-grant.

85.3. Any sub-grant under this Agreement shall be specified by written contract, and shall be subject to all terms and conditions contained in this Agreement. If the use of a sub-grantee is approved by Grantor, the terms and conditions of this Agreement shall apply to and bind the party to whom such work is sub-granted as fully and completely as Grantee is bound and obligated. Grantee will ensure that all sub-grantees comply with the requirements to obtain a DUNS number and to register with SAM.gov, unless the sub-grantee is a sole proprietor.

85.4. Grantor reserves the right to deny a sub-grantee, impose additional conditions to the sub-grant, or reduce the amount of the sub-grant. Grantee shall submit to Grantor a copy of a sub-grantee's grant agreement and budget for Grantor approval. Approval of a sub-grantee does not relieve Grantee of its obligation to assure performance under this Agreement.

85.5. Grantee shall be responsible for the recovery of any unspent and/or misspent grant funds paid to the sub-grantee by Grantee.

85.6. Grantor is not responsible for the performance, acts, or omissions of any sub-grantee.

85. 7. Grantee will evaluate each sub-grantee's risk of noncompliance with federal and state statutes; regulations; rules; laws; guidelines; and conditions of this award. Grantee will impose specific conditions upon a sub-grantee, if appropriate.

86. Nondiscrimination.

(c) A grantee who has a current, applicable rate negotiated by a cognizant federal agency must provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs , which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. 2 CFR 200.451.

7.4. Commercial Organization Cost Principles. The federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

(b) **Source Documentation**. Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO**, **PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control**. Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control**. Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management**. Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

8.1. Improper Influence. Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. 8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than $10,000, and not more than $100,000, for each such failure.

Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Docusign Envelope ID: 8E4EB485-DA0C-41A9-8AEC-B50FE89DBAA5

and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

Docusign Envelope ID: 8E4EB485-DA0C-41A9-8AEC-B50FE89DBAA5

The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

Docusign Envelope ID: 8E4EB485-DA0C-41A9-8AEC-B50FE89DBAA5

Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

PROJECT DESCRIPTION

The purpose of the Illinois Family Violence Coordinating Council (IFVCC) is to improve the justice system's institutional, professional, and community response to family violence, including intimate partner abuse, child abuse, teen dating violence, and abuse against older adults and people with disabilities.

Family Violence Coordinating Councils (FVCCs) are designed to improve the criminal justice system's response to family violence issues. The councils support prevention, education, and service coordination efforts for victims and perpetrators of domestic abuse, child abuse, teen dating violence, and abuse against people with disabilities and older adults using a three-pronged approach that includes the following:

- Coordinating and convening committees and workgroups to make policy, protocol, practice, and system change.
- Improving knowledge of criminal justice and social service professionals on family/domestic violence related topics through trainings.
- Increasing awareness and knowledge on family violence issues in the community.

The three-pronged approach provides opportunity for impact and change at different levels within the criminal justice system.

Local FVCCs provide opportunities for communication between criminal justice professionals and community service providers and encourage the sharing of information and resources, thereby providing for development of a network of safety and assistance for family violence victims.

36.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

(i) If, during its fiscal year, Grantee expends at least $750,000 in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS). Grantee may be subject to additional requirements in **PART TWO, PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than $750,000 in State-issued Awards, but expends at least $500,000 in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. 12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII
TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform

grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII
MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are

governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq*.) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees,

costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. DCAS agrees to not use any of the grant, or the interest or income thereon, to conduct tests for public safety, to influence any legislation or the outcome of any election, to conduct a voter registration drive, to satisfy a charitable pledge or obligation of any person or organization, or to provide any tangible economic benefit to any substantial contributor, or their respective family members.

Unused Funds Grant Within the Fiscal Year. Any unused funds should be carried by DCAS into each fiscal year beginning 12/01/2026, until fully expensed. Additionally, any interest earned on this grant should also be transferred to the DAFCAP2 grant and carried into each fiscal year until fully expensed for the Animal Services Phase II Capital Project (DAFCAP2).

Nothing contained in this grant letter shall be deemed to create a joint venture, partnership relationship, or employer/employee relationship between DAF and DCAS.

WHEREAS, CEDA is a sole source provider as the only Community Action Agency (CAA) in Illinois with the requisite technical experience and proven capacity to complete multifamily weatherization projects in compliance with the U.S. Department of Education standards; and

WHEREAS, the COUNTY is encouraged by the State of Illinois to utilize CEDA for the PROJECT as CEDA has the required certifications to complete the PROJECT; and

WHEREAS, the parties acknowledge the necessary oversight to ensure compliance with the federal and state guidance over the scope of work as identified in the attached Exhibit A through the Illinois Home Weatherization Assistance Program (IHWAP).

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION

1.1 All recitals set forth above are incorporated herein and made part thereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

1.3 The exhibits referenced in this AGREEMENT shall be deemed incorporated herein and made a part hereof.

2.0 SCOPE OF SERVICES

2.1 Services are to be provided by CEDA according to the Scope of Work specified as Exhibit A, attached hereto. CEDA shall complete all the services set forth in said exhibit for the compensation set forth in Section 6.0 below, unless otherwise modified as provided herein.

2.2 The COUNTY may, from time to time, request changes in the Scope of Work in this AGREEMENT. Any such changes, including any increase or decrease in CEDA's compensation and Scope of Work, shall be documented by an amendment to the originally approved Work Order, or by issuance of a new Work Order to cover the changes in scope provided that the increase does not increase the total compensation set forth in this AGREEMENT.

2.3 The relationship of CEDA to the COUNTY is that of independent contractor, and nothing in this AGREEMENT is intended nor shall be construed to create an agency, employment, joint venture relationship, or any other relationship allowing the COUNTY to exercise control or direction over the manner or method by which CEDA or its sub-contractors/sub-consultants provide services hereunder. Neither CEDA nor CEDA's employees shall be entitled to receive any COUNTY benefits. CEDA shall be solely responsible for the payment of all taxes and withholdings required by law which may become due with regard to any compensation paid by the COUNTY to CEDA.

2.4 Services deemed to be a professional service under this AGREEMENT shall be performed and/or supervised by individuals licensed to practice by the State of Illinois in the applicable professional discipline.

The schedule is subject to approval by the COUNTY. All of the services required hereunder shall be completed by June 30, 2026, unless the term of this AGREEMENT is extended in conformity with Article 13 below.

5.3 If CEDA is delayed at any time in the progress of the work by any act or neglect of the COUNTY or by any employee of the COUNTY or by changes ordered by the COUNTY, or any other causes beyond CEDA'S control, the sole remedy and allowance shall be an extension of time for completion. Such extension shall be that which is determined reasonable by the COUNTY upon consultation with CEDA. CEDA shall accept and bear all other costs, expenses and liabilities that may result from such delay.

6.0 COMPENSATION

6.1 The COUNTY shall pay CEDA for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.

6.2 Total payments to the CONSULTANT under the terms of this AGREEMENT shall not under any circumstances exceed $126,000.00. This amount is a "not to exceed" amount. In the event the COUNTY directs CEDA to perform services which would cause the

stated amount to be exceeded, CEDA shall not be responsible for such services until this AGREEMENT is modified pursuant to Article 13.0.

6.3 CEDA shall submit invoices for services rendered, including any allowable expenses, to the COUNTY. All invoices shall include a remittance address. The COUNTY shall not be required to pay CEDA more often than monthly. Each invoice shall be submitted in a format agreed to in advance by the COUNTY. Payment will not be made for services completed or expenses incurred more than six-months (180 days) prior to submission of any invoice and any statute of limitations to the contrary is hereby waived. When requested by the COUNTY, CEDA shall submit certified time sheets as additional documentation for the invoiced services.

6.4 Upon approval of properly documented invoices, the COUNTY shall reimburse CEDA the amount invoiced for services completed in accordance with this AGREEMENT, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."

6.5 In the event of any overcharge by CEDA, CEDA shall refund the COUNTY within thirty (30) days of discovery of said overcharge by CEDA or notice to CEDA by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing to CEDA under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.

The CONSULTANT shall provide the COUNTY endorsements at the beginning of each year evidencing same or a new carrier policy that has a retroactive date prior to the date of this AGREEMENT.

7.2 It shall be the duty of CEDA to provide to the COUNTY copies of CEDA'S Certificates of Insurance, as well as all applicable coverage and cancellation endorsements before issuance of a Notice to Proceed. It is the further duty of CEDA to immediately notify the COUNTY if any insurance required under this AGREEMENT has been cancelled, materially changed, or renewal has been refused, and CEDA shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of CEDA curing any breach of its required insurance coverage, the COUNTY shall notify CEDA that CEDA can resume work under this AGREEMENT. CEDA shall accept and bear all costs that may result from the cancellation of this AGREEMENT due to CEDA'S failure to provide and maintain the required insurance.

7.3 The coverage limits required under subparagraphs 7.1.c and 7.1.d above may be satisfied through a combination of primary and excess coverage. The insurance required to be purchased and maintained by CEDA shall be provided by an insurance company acceptable to the COUNTY, and except for the insurance required in subparagraph 7.1.e licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the limits of the liability specified herein or required by law or regulation whichever is greater; and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least thirty (30) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. If CEDA is satisfying insurance required through a combination of primary and excess coverage, CEDA shall

require that said excess/umbrella liability policy include in the "Who is Insured" pages of the excess/umbrella policy wording such as "Any other person or organization you have agreed in a written contract to provide additional insurance" or wording to that effect. CEDA shall provide a copy of said section of the excess/umbrella liability policy upon request by the COUNTY.

7.4 CEDA shall require all approved sub-consultants, anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable under this AGREEMENT to maintain the same insurance required of CEDA, including naming the COUNTY as an additional insured in the same coverage types and amounts as CEDA, per Section 8.0. The COUNTY retains the right to obtain evidence of sub-consultants' insurance coverage at any time.

8.0 INDEMNIFICATION

8.1 CEDA shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, CEDA'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT.

8.2 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officer and employees from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 8.1, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. The COUNTY'S participation in its defense shall not remove CEDA'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.

8.3 Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. CEDA'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.4 The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 *et seq.*) or otherwise available to it, or to CEDA, under the law.

9.0 SATISFACTORY PERFORMANCE

9.1 The COUNTY is entering into an AGREEMENT with CEDA because CEDA professes to the COUNTY that it will employ the standard of care within its profession in the performance of the services herein contracted. Accordingly, CEDA'S and sub-consultant(s) standard of performance under the terms of this AGREEMENT shall be that which is to the satisfaction of the COUNTY and meets the quality and standards commonly provided by similar professional multi-family weatherization firms practicing in the COUNTY and the State of Illinois.

9.2 In the event there are no similar professional firms practicing in DuPage County, Illinois, with respect to the type of work for which CEDA has been engaged, CEDA'S services shall be performed in a manner consistent with the customary skill and care of its profession.

9.3 If any errors, omissions, or acts, intentional or negligent, are made by CEDA, or its' sub-consultant(s), in any phase of the work, the correction of which requires additional field or office work, CEDA shall be required to perform such additional work as may be necessary to remedy same without undue delay and without charge to the COUNTY. In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, CEDA may at the COUNTY'S option have the responsibility to cure same under this provision.

9.4 Acceptance of the work shall not CEDA of the responsibility for the quality of its work, nor its liability for loss or damage resulting from any errors, omissions, or negligent or willful acts by CEDA or its sub-consultants.

10.0 BREACH OF CONTRACT

10.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 15.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice.

Notwithstanding the above term, CEDA'S failure to maintain insurance in accordance with Section 7.0, above, or in the event of any of the contingencies described in Paragraph 15.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of CEDA'S sub-consultants shall be deemed a breach by CEDA subject to the terms of this AGREEMENT.

11.0 OWNERSHIP OF DOCUMENTS

11.1 CEDA agrees that any and all deliverables prepared for the COUNTY under the terms of this AGREEMENT shall be properly arranged, indexed and delivered to the COUNTY either i) on or before the expiration of this AGREEMENT or, ii) 14 days after notice of termination or, iii) as otherwise agreed to by the COUNTY and CEDA. An electronic copy of all applicable deliverables, in a format designated by the COUNTY'S representative, shall be provided to the COUNTY.

11.2 The documents and materials made or maintained under this AGREEMENT shall be and will remain the property of the COUNTY which shall have the right to use same without restriction or limitation and without compensation to CEDA other than as provided in this AGREEMENT. CEDA waives any copyright interest in said deliverables.

11.3 The COUNTY acknowledges that the use of information that becomes the property of the COUNTY pursuant to Paragraph 11.2, for purposes other than those contemplated in this AGREEMENT, shall be at the COUNTY'S sole risk.

11.4 CEDA may, at its sole expense, reproduce and maintain copies of deliverables provided to the COUNTY.

12.0 COMPLIANCE WITH THE LAW AND OTHER AUTHORITIES

12.1 CEDA, and sub-consultant(s), shall comply with Federal, State and Local statutes, ordinances and regulations and obtain permits, licenses, or other mandated approvals, whenever applicable.

12.2 CEDA, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, age, handicap, or national origin, or otherwise commit an unfair employment practice. CEDA, and sub-consultant(s), shall comply with the provisions of the Illinois Human Rights Act, as amended, 775 ILCS 5/-101, *et seq.*, and with all rules and regulations established by the Department of Human Rights.

12.3 CEDA, by its signature on this AGREEMENT, certifies that it has not been barred from being awarded a contract or subcontract under the Illinois Procurement Code, 30 ILCS 500/1-1, *et seq.*; and further certifies that it has not been barred from contracting with a unit of State or local government as a result of a violation of Section 33E-3 or 33E-4 of the Illinois Criminal Code (Illinois Compiled Statutes, Chapter 720, paragraph 5/33E-3).

12.4 CEDA, by its signature on this AGREEMENT, certifies that no payment, gratuity or offer of employment, except as permitted by the Illinois State Gift Ban Act and the County of DuPage Ethics Ordinance, was made by or to CEDA, or CEDA'S personnel, in relation to this AGREEMENT. CEDA has also executed the attached Ethics Disclosure Statement that is made a part hereof and agrees to update contribution information on an ongoing basis during the life of the AGREEMENT as required by said Ordinance.

12.5 CEDA covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of CEDA'S services under this AGREEMENT.

12.6 **In accordance with the Vendor Information Reporting Act (35 ILCS 200/18-50.2),** the COUNTY is required to collect and electronically publish data from all consultants and subconsultants as to: (1) whether they are a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/.01 *et seq.*); and (2) whether the consultant or any subconsultants are self-certifying or whether they hold certifications for those above-referenced categories. If self-certifying, the consultants and subconsultants shall disclose whether they qualify as a small business under federal Small Business Administration standards. **In compliance with the Vendor Information Reporting Act, within 60 calendar days of the COUNTY'S award of the contract for work covered under this AGREEMENT, the awarded consultant, and each subconsultant, must complete the Awarded Vendor Questionnaire (found at** https://mwv.dupageco.org/**).**

14.2 CEDA shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 14.1(b), above or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse CEDA for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay CEDA for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 5.1, above.

14.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 13.1 above.

15.0 TERMINATION

15.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CEDA'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if CEDA is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 12.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

SCOPE OF WORK

CEDA

Project Management, Technical Implementation & Training Services

CEDA – Multi-Family Weatherization

Dear DuPage County Team,

CEDA is pleased to present this proposal detailing the services we will provide for your multi-family weatherization projects. Our goal is to offer comprehensive Technical Assistance, Operational/Implementation Services, and Training, with a compliance-centered approach and seasoned technical expertise.

Our work will encompass two key areas:
1. Technical Expertise: Detailed proposal reviews, energy modeling with TREAT, construction coordination, and optimization of timelines and equipment lead times.
2. Training & Technical Assistance: A customized training plan delivered through classroom instruction, hands-on sessions, and onsite workshops. This will include multifamily weatherization assessment and quality assurance training, as well as ongoing technical support for DuPage County staff.

Scope of Services

Technical Expertise

- Review of contractor proposals for availability and compliance.
- Evaluation of lead times and procurement processes.
- Develop TREAT energy model.
- Cost-effectiveness oversight using Savings-to-Investment Ratios (SIR).

Training and Technical Assistance

- Classroom, hands-on, and onsite workshops focused on multifamily weatherization assessments and QA monitoring
- Site-based training, at the College Park Apartments for both assessment and QA/QC phases
- Learning objectives include understanding common Illinois multifamily deficiencies, selecting appropriate retrofit measures, and executing QA/QC inspections
- Ongoing technical support tailored to DuPage County's needs

Approach

Initial Assessment

- Review of project requirements, funding, and compliance standards.
- Discuss projections with stakeholders to clarify priorities.

Transparent Communication

- Regular updates, milestone reporting, and issue resolution.
- Stakeholder project throughout the project lifecycle.

Training Delivery

- On-site training sessions at identified multifamily building
- Virtual sessions as needed
- Follow-up technical assistance to reinforce learning and provide QA/QC monitoring experience

Deliverables

- Comprehensive project management plan including milestones and roles
- Regular progress reports with compliance tracking and budget updates
- Final report summarizing project outcomes, cost analysis, and lessons learned
- Documented training modules and attendance logs for delivered sessions
- Recommendations for future process and program improvements

Compensation & Payment Terms - Percentage of Completion Pay Schedule

To ensure transparency and accountability, CEDA will operate on a percentage of completion pay schedule. This payment structure aligns our compensation with project progress, thereby incentivizing timely and efficient completion of each project phase. The total project cost of $126,000.00 will be divided into the following key milestones, each representing a significant phase of the project. The above proposed cost is inclusive of all aspects of the project for the entire project as it pertains to College Park Apartments.

Payments will be issued as follows:

1. **Mobilization (15%)**
2. **Site Preparation and Initial Work (20%)**
3. **Training: Assessment-Focused Onsite (15%)**
4. **Final Stages and Inspections (20%)**
5. **Training: QA/QC-Focused Onsite (15%)**
6. **Project Closeout (15%)**

Monthly Invoicing Based on Milestones and Deliverables

CEDA intends to invoice DuPage County monthly, corresponding with the completion of specific milestones and deliverables. Each invoice will reflect the percentage of work completed during the month, ensuring that payments are directly tied to project progress. This approach provides several benefits:

- **Transparency:** Clear documentation of progress and associated costs.
- **Accountability:** Regular updates and reviews to keep the project on track.
- **Cash Flow Management:** Predictable payment schedules for both parties.

Additional Services

If services beyond the defined scope are required, CEDA will issue a new proposal outlining additional tasks and terms.

Sole Source Justification

Please see attached "Sole Source 6.23.25.docx" for detailed information regarding why CEDA is the only Community Action Agency (CAA) in Illinois with the requisite technical expertise and proven capacity to complete multifamily weatherization projects

Conclusion

CEDA is committed to delivering high-quality, transparent, and technically sound project management, training, and implementation support for your weatherization initiatives. We look forward to collaborating and making a meaningful impact on your community.

CEDA

Acceptance

This Proposal, together with any mutually agreed upon terms and conditions, constitutes the understanding between the parties. Any modifications must be made in writing and signed by both parties.

CEDA

Sole Source Justification: CEDA as the Only Qualified Community Action Agency for Multifamily Weatherization in Illinois

n accordance with **2 CFR § 200.320(c)(2)**, noncompetitive procurement may be used when "the tem is available only from a single source" or when "the public exigency or emergency for the equirement will not permit a delay resulting from competitive solicitation." This proposal seeks to ustify a sole source selection of the **Community and Economic Development Association of Cook County, Inc. (CEDA)** as the only Community Action Agency (CAA) in Illinois with the requisite echnical expertise and proven capacity to complete multifamily weatherization projects in compliance with U.S. Department of Energy (DOE) standards.

CEDA is the only CAA in the State of Illinois that:

1. Maintains a **dedicated and credentialed multifamily technical team**, including certified energy auditors, quality control inspectors, and project managers with specialized training in multifamily systems, mechanical ventilation, and health and safety protocols under Weatherization Program Notice (WPN) 17-7;

2. Has demonstrated **successful implementation of over 100 multifamily weatherization projects**, including high-rise and mid-rise buildings with centralized HVAC and DHW systems, in both public and private housing sectors;

3. Regularly conducts **ASHRAE-compliant energy modeling** using advanced software, such as TREAT, to inform scope development and verify cost-effectiveness;

4. Possesses the tools, testing equipment, and experience necessary to conduct blower door testing, combustion safety diagnostics, and zone pressure mapping in large, occupied multifamily buildings;

5. Maintains contractual relationships with qualified mechanical, architectural, and weatherization contractors capable of performing multifamily retrofits under strict federal, state, and local compliance requirements;

6. Has established cross-sector partnerships with utility programs, housing finance agencies, and municipal departments to braid funding, streamline inspections, and accelerate project timelines.

While other CAAs across Illinois have capabilities for single-family or small multi-unit dwellings, **CEDA is the only organization with the multifamily-specific infrastructure, technical capabilities, and workforce capacity to meet the demands of complex multifamily weatherization projects at scale.** No other agency has demonstrated the ability to deliver multifamily work to DOE standards within Cook County or statewide.

CEDA

Based on these unique qualifications and the absence of comparable capacity among peer agencies, this request complies with the noncompetitive procurement provisions outlined in **2 CFR 200.320(c)**, specifically under the condition that **the services are available only from a single source** due to **technical expertise and demonstrated performance history**.

Excerpt from IHWAP PY26 Program Operations Manual:

OCA will assist any agency in terms of identifying multifamily projects from the HUD and USDA categorically eligible list, provide training & technical assistance in conducting assessments, creating SOW in IWx, final inspections, and any other aspect of the multifamily process. The CEDA Expansion team can aid agencies on multifamily projects that require a TREAT energy model to be created. ICRT currently offers multifamily training for MF QCI but will be enhancing this training with additional coursework for BPI Multifamily Building Analyst and offering BPI certification. The ICRT team can also provide technical assistance and on-site training for assessments and final inspections.

Furthermore, not all HOMES and HEAR funding will be distributed by formula allocation, a large portion of the funding will be distributed to agencies completing multifamily projects and spending the largest percentage of overall funding.

2-4 Unit Multi-Family Projects

Agencies can use the IWx energy audit tool just as they do for single-family for assessing 2-4 unit multi-family projects. These projects can also be modeled in IWx and do not require an engineer's report.

2-4 unit buildings must meet the following eligibility requirements:

# of Units	Eligibility Requirements
2	1 (50%)
3	2 (67%)
4	2 (50%)

If a building meets these eligibility requirements, the entire building can be weatherized (including non-qualified units and common areas).

All units need to be assessed and final inspected. In terms of blower door diagnostic, whole building, guarded, or compartmentalized blower door test are optional. However, these tests are considered best practice. Assessors and final inspectors should also use the multi-family ASHRAE spreadsheet to calculate required ventilation.

1. DESCRIPTION OF SUPPLIES AND SERVICES

1.1. GOAL: It is the intent of the State of Illinois to establish a Joint Purchase Master Contract for drugs and pharmaceuticals to be purchased on an as-needed basis during the contract period.

This Joint Purchase Master Contract (JPMC) may be utilized by all Governmental Units and Qualified Not-For-Profit Agencies as defined in Section 5 of this Contract.

1.2. SUPPLIES AND/OR SERVICES REQUIRED:

1.2.1. All items must conform to specifications of the current United States Pharmacopeia (U.S.P.) or National Formulary (N.F.) where applicable and must be so labeled.

1.2.2. The Vendor must be a primary wholesaler with the ability to distribute all drug manufacturer brands. The Vendor must be able to source pharmaceuticals directly from the manufacturer.

1.2.3. Only products of drug and pharmaceutical manufacturers that have applied for and received approval by the U.S. Food and Drug Administration as a manufacturer for drug and drug products for use by State of Illinois institutions will be considered for purchase. The State of Illinois recognizes the official U.S.

The Vendor must allow changes to the State's formularies during the contract period; Vendor must be able to meet the demands of additions of drugs in any formation and dosage.

1.2.4. The Vendor shall always be capable of providing no less than a four (4) week supply of all medications included on the State's formulary or formularies. This requirement will not apply to manufacturer backorders and recalled products.

1.2.5. Repacking of drug and pharmaceutical products must be performed according to the standard manufacturing practices.

1.2.6. The Vendor must provide and maintain a secure internet ordering site that is available to the authorized ordering entities at no additional charge. The site will include, but not be limited to:

1.2.6.1 Disclose on-hand inventories and available quantities of drugs.

1.2.6.2 Disclose Wholesale Acquisition Cost (WAC), Public Health Services (PHS), and Group Purchasing Organization (GPO) price offerings.

1.2.6.3 Use coding to indicate unavailable products, preferred products and contract products.

1.2.6.4 Ordering entities will be able to select the manufacturers and products needed. After ordering, the Vendor shall not substitute manufacturers or products without agency approval.

1.2.6.5 Be capable of allowing internet online drug ordering, re-ordering and tracking by class.

1.2.6.6 Allow searches for products: keyword, item number, description, generic name, National Drug Center (NDC), and Universal Product Code (UPC).

1.2.6.7 Be capable of receiving automated messages for reorders via electronic connectivity with automated repacking machines.

1.2.6.8 Provide regular updates of changes to drug prices.

1.2.6.9 Allow the creation and downloading of reports by approved users. The reports shall include the item number, NDC number, drug name, strength, unit of measure, quantities ordered, and total amounts of orders. Time intervals shall be previous month, previous quarter, and annually.

1.2.6.10 Display generic alternatives to brand name drugs and pharmaceuticals.

1.2.6.11 Be capable of producing electronic purchase schedule review and electronic confirmation of orders placed.

1.2.6.12 Be capable of reporting the records or purchases separately by agency and agency section.

1.2.6.13 Be capable of billing and invoicing purchases separately by agency and agency section.

1.2.6.14 Include access passcodes that shall be available to the governmental units and not-for-profits purchasing drugs under this contract.

Be able to distinguish and maintain accessibility parameters that can limit the rights of users to one location or multiple locations; non-ordering/administrative only, purchasing only, and both; and approval for final purchase.

1.2.7. When the Vendor's website does not reflect any quantity on-hand, or quantities listed are insufficient to meet the requirements, the order may be placed with

the manufacturer or another vendor. If this results in increased acquisition costs to the state, the prime vendor will be held fiscally responsible for the difference in price.

1.2.8. Bulk orders (generally 1,000+ tablets) of individual drugs must be filled from the same lot and must have an expiration date of a minimum of two (2) years or best dating available from manufacturer. All other drugs shipped must have a minimum expiration date of six (6) months from the date of the order. If the Vendor is unable to meet this requirement, then the vendor must contact the ordering entity to determine if proposed expiration date is acceptable. Vendor will facilitate special dating product requests as requested by State of Illinois based on what is available from the product's manufacturer/supplier.

1.2.9. Governmental units and qualified not-for-profit agencies reserve the right to purchase products from other vendors in cases when the manufacturer's direct price would be less than the price provided by the Vendor's (wholesaler) contract. This includes the right to purchase drugs that need to be repackaged in unit dose configuration from alternative vendors that re-package medication.

1.2.10. Certain drug and pharmaceutical needs are, or may be, met during the term of the contract by placing orders with other sources. For example, an agency may have contracts or will enter into contracts with health care providers and facilities that will include provision of drugs and pharmaceuticals. Such needs are not automatically covered by this contract.

1.2.11. Vendor must allow authorized entities to enroll in and participate in pricing with multiple Group Purchasing Organizations (GPO). Vendor agrees to facilitate contractual pricing resulting from any GPO to which any shipping location is enrolled.

1.2.12. The Aids Drug Assistance Program (ADAP) which operates under the Illinois Ryan White Part B Program of the Illinois Department of Public Health has negotiated ADAP crisis task force agreements with national manufacturers for discounted pricing on certain drugs. The Vendor must honor those discounted price points if they are lower than contract pricing. Approximately 95% of the drugs purchased for ADAP are in Category 1 – Antiretrovirals: Protease inhibitors, reverse transcriptase inhibitors and non-nucleoside reverse transcriptase inhibitors (see Attachment DPH ADAP Product List).

1.2.13. Under the contract Pharmacy Services Agreement guidelines in the Veteran's Health Care Act of 1992, 42 U.S.C.A. 256(A)4(C), the Illinois Department of Public Health Service (IDPH) is determined to be a "covered entity" for 340B Public Health Service (PHS) pricing. This entitles the IDPH and any other governmental

unit or qualified not-for-profit agency that is considered a "covered entity" under this agreement, to prices no higher than calculated under the Medicaid Act, at U.S.C.A. 1396R-8 (C) (1) and the "best price" definition at 42 U.S.C.A. 139R-8 (C) (1) (C). Under this form of agreement, Vendor may negotiate with the manufacturers for prices lower than the average PHS price.

1.2.14. The Vendor must work with the Illinois Department of Human Services (DHS) to ensure a seamless Electronic Data Interface within 30 days of Contract execution. DHS currently uses the RxWorks 11 system. In the event DHS or another agency modifies or changes their systems, the Vendor must work to ensure that the interface is not effected.

1.2.15. Vendor is encouraged to develop and utilize the "Punchout" module to process purchase orders through Illinois' eprocurement system, BidBuy. The punchout may be linked to the Vendor's order entry system for fulfillment.

For procurements conducted in BidBuy, the State may include in this contract the BidBuy Purchase Order as it contains the agreed Supplies and/or Services.

1.3. MILESTONES AND DELIVERABLES:

1.3.1. The Vendor must be able to provide pedigrees for all drugs and pharmaceuticals purchased.

1.3.2 The Vendor must maintain records as required by the Pharmacy Practice Act 225 ILCS 85, the Rules and Regulations Promulgated for the Administration of the Illinois Pharmacy Act, 68 Illinois Administrative Code 1130 and the Illinois Controlled Substance Act (Rules), 77 Illinois Administrative Code 3100 or subsequent update.

1.3.3 The Vendor will be expected to take an active role in communicating the contract and its provisions to using governmental agencies or qualified not-for-profit agencies. However, such communications will generally be initiated by the potential or current using governmental agencies or qualified not-for-profit agencies.

1.3.4 The Vendor will report to the Department of Central Management Services Bureau of Strategic Sourcing (BOSS) an annual Contract Usage Report. This report shall be in a tab-delimited text file or an Excel spreadsheet that references the BidBuy Purchase Order (PO) number, time period being reported, and must include the following:

NDC#, Quantity, Unit of Measure, 340B/non-340B classification, and Delivery Address.

The report will be sent to the following email address: CMS.BOSS.Sourcing@illinois.gov.

1.4. VENDOR / STAFF SPECIFICATIONS:

1.4.1. The Vendor agrees that neither Vendor nor any staff in its employ will divulge or release any data or information developed or obtained in connection with the performance of this contract unless authorized to do so in writing by the State. The Vendor agrees that all records and other information maintained by the Vendor about persons receiving benefits under this contract are confidential and shall be protected by the Vendor from unauthorized disclosure.

1.4.2. All governmental units, qualified not-for-profit agencies, and the Vendor shall remain compliant with Drug enforcement Administration (DEA) and Food and Drug Administration (FDA) regulations including but not limited to ordering, shipping, and maintenance of inventory. Vendor will ensure that all necessary credentials are verified and active including but not limited to DEA numbers from locations before allowing the placement and delivery of orders.

Vendor must be in compliance with Drug Supply Chain Security Act (DSCSA), including but not limited to authorized trading partners, verification requirements, and product tracing.

1.4.3. Vendor shall have current drug distributor accreditation by the National Association of Boards of Pharmacy (NAPB).

1.4.4 Bidder must be a licensed pharmaceutical wholesaler/distributor and must also be compliant with the Drug Enforcement Agency (DEA) and Federal Drug Administration (FDA) guidelines and must maintain this license during the life of the contract.

1.4.5 The Vendor must be a primary wholesaler with the ability to distribute all drug manufacturer brands. The Vendor must be able to source pharmaceuticals directly from the manufacturer.

1.4.6 Vendor compliance to all contract requirements will be monitored. A "Complaint to Vendor" form will be filed with Department of Central Management Services-Bureau of Strategic Sourcing (BOSS) and the vendor when an infraction occurs. Failure to immediately resolve the complaint may cause contract cancellation.

1.5. TRANSPORTATION AND DELIVERY:

1.5.1. Deliveries to ordering entities will be made within one (1) business day of receipt of the order if placed by 4:00 p.m. CST unless the item is out of stock at the forwarding distribution center that fills the orders. The ordering entity reserves the right to cancel orders and obtain said products from alternative sources if delivery cannot be made within one (1) business day.

1.5.2. Delivery will be made F.O.B. Destination to any location within the State of Illinois. It is the expectation of the State of Illinois that shipping and handling will be provided to the governmental unit or qualified not-for-profit at no additional cost.

1.5.3. It is the responsibility of the vendor to ensure that all necessary licensing and regulations are followed and/or established and verification of the 340B identification number (as applicable) of the ordering entity before delivery to any location is allowed.

1.5.4 The Department of Public Health will notify the Vendor of the name and shipping address of:

1.5.4.1 The ADAP contracted dispensing pharmacy, along with the IDPH hospital identification number (HIN) for the purchase of drugs.

1.5.4.2 The Immunization Promotion Center Warehouse for STD and TB drugs and pharmaceuticals delivery.

1.5.6. Vendor must be able to deliver to any governmental unit or qualified not-for-profit within Illinois.

1.5.7. Packing lists showing order number provided to Vendor must be furnished with each shipment and must be shown on the outside of each shipping container along with the Vendor name.

1.5.8. Deliveries made to State Agencies will be delivered between 9:00 AM and 3:00 PM (Monday through Friday), excluding State holidays, unless pre-approved by the ordering entity.

1.5.9. Deliveries made to non-State Agencies will be arranged between the ordering entity and the Vendor.

1.5.10. There is no guarantee of quantities for actual orders or usage. Vendor shall furnish all requirements for the Contract period.

1.5.11. If Vendor is unable, or anticipates that it will not be able, to fulfill an order in accordance with the requirements of the Contract, Vendor will submit a request to delay order fulfillment to the ordering entity in writing within 72 hours of receipt of the applicable order and will include in such request its best estimate of the duration of the delay and the reasons for the delay. At the ordering entity's discretion, the entity may choose to approve the delay or be relieved from its obligations to purchase any quantities of supplies or equipment in such order and may cancel such quantities effective upon notice to the Vendor. The ordering entity may elect to pursue alternative sources to fulfill the obligations of the canceled order. Solicitation Number: 101223

CONTRACT

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and Axon Enterprise, Inc., 17800 N. 85th St., Scottsdale, AZ 85255-6311 (Supplier).

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to eligible federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Public Safety Video Surveillance Solutions with Related Equipment, Software and Accessories from which Supplier was awarded a contract.

Supplier desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

A. EFFECTIVE DATE. This Contract is effective upon the date of the final signature below.

EXPIRATION DATE AND EXTENSION. This Contract expires December 15, 2027, unless it is cancelled sooner pursuant to Article 22. This Contract allows up to three additional one-year extensions upon the request of Sourcewell and written agreement by Supplier. Sourcewell retains the right to consider additional extensions beyond seven years as required under exceptional circumstances.

B. SURVIVAL OF TERMS. Notwithstanding any expiration or termination of this Contract, all payment obligations incurred prior to expiration or termination will survive, as will the following: Articles 11 through 14 survive the expiration or cancellation of this Contract. All other rights will cease upon expiration or termination of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

A. EQUIPMENT, PRODUCTS, OR SERVICES. Supplier will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Supplier's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new and the current model. Supplier may offer close-out or refurbished Equipment or Products if they are clearly indicated in Supplier's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. WARRANTY. Supplier warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Supplier warrants the Equipment, Products, and Services will perform in accordance with the manufacturer's specifications. Supplier's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that extends beyond the expiration of the Supplier's warranty will be passed on to the Participating Entity.

C. DEALERS, DISTRIBUTORS, AND/OR RESELLERS. Upon Contract execution and throughout the Contract term, Supplier must provide to Sourcewell a current means to validate or authenticate Supplier's authorized dealers, distributors, or resellers relative to the Equipment, Products, and Services offered under this Contract, which will be incorporated into this Contract by reference. It is the Supplier's responsibility to ensure Sourcewell receives the most current information.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced at or below the price stated in Supplier's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Supplier must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities, in accordance with Supplier's warranty process. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Supplier as soon as possible and the Supplier will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity in accordance with Supplier's warranty process.

Supplier must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcewell may declare the Supplier in breach of this Contract if the Supplier intentionally delivers substandard or inferior Equipment or Products.

B. SALES TAX. Each Participating Entity is responsible for supplying the Supplier with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Supplier may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Supplier determines it will offer Hot List Pricing, it must be submitted electronically to Sourcewell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcewell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Supplier may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcewell Price and Product Change Request Form to the assigned Sourcewell Supplier Development Administrator. This approved form is available from the assigned Sourcewell Supplier Development Administrator. At a minimum, the request must:

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

- Identify the applicable Sourcewell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Change Request Form will become an amendment to this Contract and will be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Supplier understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Supplier is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential participating entities to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Supplier's employees may be required to perform work at government-owned facilities, including schools. Supplier's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Supplier that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

Supplier. Typically, a Participating Entity will issue an order directly to Supplier or its authorized subsidiary, distributor, dealer, or reseller. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration or cancellation of this Contract. For avoidance of doubt, if a Participating Entity order extends beyond the Contract's expiration or cancellation, in addition to the survival terms set forth in Section 1.B of this Contract, Supplier's Master Services and Purchasing Agreement (MSPA) shall also apply, governing the order until all obligations of both the Participating Entity and Supplier are fulfilled.

Supplier's acceptable forms of payment are included in its attached Proposal. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM. The Supplier's Master Services and Purchasing Agreement (MSPA) attached hereto as Exhibit A is hereby added and incorporated into this Contract. Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Supplier, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum, the terms of which will be negotiated directly between the Participating Entity and the Supplier or its authorized dealers, distributors, or resellers, as applicable. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. SPECIALIZED SERVICE REQUIREMENTS. In the event that the Participating Entity requires service or specialized performance requirements not addressed in this Contract (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements), the Participating Entity and the Supplier may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. TERMINATION OF ORDERS. Participating Entities may terminate an order, in whole or in part, immediately upon notice to Supplier in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the equipment, products, or services to be purchased; or
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements.

E. GOVERNING LAW AND VENUE. The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

7. CUSTOMER SERVICE

A. PRIMARY ACCOUNT REPRESENTATIVE. Supplier will assign an Account Representative to Sourcewell for this Contract and must provide prompt notice to Sourcewell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcewell and Participating Entity inquiries; and
- Business reviews to Sourcewell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Supplier must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, sales data reports, performance issues, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Supplier must provide a contract sales activity report (Report) to the Sourcewell Supplier Development Administrator assigned to this Contract. Reports are due no later than 45 days after the end of each calendar quarter. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Supplier must submit a report indicating no sales were made).

The Report must contain the following fields:

- Participating Entity Name (e.g., City of Staples Highway Department);
- Participating Entity Physical Street Address;
- Participating Entity City;
- Participating Entity State/Province;
- Participating Entity Zip/Postal Code;
- Participating Entity Contact Name;
- Participating Entity Contact Email Address;
- Participating Entity Contact Telephone Number;
- Sourcewell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcewell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Supplier.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcewell, the Supplier will pay an administrative fee to Sourcewell on all Equipment, Products, and

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Supplier may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Supplier will submit payment to Sourcewell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Supplier's name and Sourcewell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcewell's banking institution per Sourcewell's Finance department instructions. Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Supplier agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Supplier is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Supplier in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Supplier's Authorized Representative is the person named in the Supplier's Proposal. If Supplier's Authorized Representative changes at any time during this Contract, Supplier must promptly notify Sourcewell in writing.

10. AUDIT, ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. AUDIT. Pursuant to Minnesota Statutes Section 16C.05, subdivision 5, the books, records, documents, and accounting procedures and practices relevant to this Contract are subject to examination by Sourcewell or the Minnesota State Auditor for a minimum of six years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

B. ASSIGNMENT. Neither party may assign or otherwise transfer its rights or obligations under this Contract without the prior written consent of the other party and a fully executed assignment agreement. Such consent will not be unreasonably withheld. Any prohibited assignment will be invalid.

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

C. AMENDMENTS. Any amendment to this Contract must be in writing and will not be effective until it has been duly executed by the parties.

D. WAIVER. Failure by either party to take action or assert any right under this Contract will not be deemed a waiver of such right in the event of the continuation or repetition of the circumstances giving rise to such right. Any such waiver must be in writing and signed by the parties.

E. CONTRACT COMPLETE. This Contract represents the complete agreement between the parties. No other understanding regarding this Contract, whether written or oral, may be used to bind either party. For any conflict between the attached Proposal and the terms set out in Articles 1-22 of this Contract, the terms of Articles 1-22 will govern.

F. RELATIONSHIP OF THE PARTIES. The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. INDEMNITY AND HOLD HARMLESS

Supplier must indemnify, defend, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including reasonable attorneys' fees incurred by Sourcewell or its Participating Entities, arising out of any negligent act or omission in the performance of this Contract by the Supplier or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications. In no event will Supplier be liable for any special, indirect, incidental, exemplary, or consequential damages for any cause of action, whether in contract or tort. Sourcewell's responsibility will be governed by the State of Minnesota's Tort Liability Act (Minnesota Statutes Chapter 466) and other applicable law.

12. GOVERNMENT DATA PRACTICES

Supplier and Sourcewell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcewell under this Contract and as it applies to all data created, collected, received, maintained, or disseminated by the Supplier under this Contract.

Participating Entities may have additional requirements based on specific funding source terms or conditions. Within this Article, all references to "federal" should be interpreted to mean the United States federal government. The following list only applies when a Participating Entity accesses Supplier's Equipment, Products, or Services with United States federal funds.

A. EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with

DocuSign Envelope ID: CB7601E9-C34C-4224-A447-0295D1527B21

Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.).
The Sheriff's Office security solution. We seek to enhance our security by adding a protective layer to our computer and infrastructure systems. We plan to utilize FortiSOCaaS (Fortinet Security Operations Center as a Service) and a Managed Firewall. This is the top layer of security. This will provide 24/7 security monitoring for all security systems. The endpoint layer we currently utilize is FortiMDR (Fortinet Managed Detection and Response) with FortiEMS (Fortinet Endpoint Management Server). By having FortiSOCAaaS manage our FortiGate along with our FortiMDR and FortiEMS, they will provide security monitoring from the Edge of the network to the clients. This is similar to having a security guard at the subdivision's entrance and another at every resident's front door. They are on the TIPS Contract #220105

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
We currently have an FortiMDR solution, which is comparable to any other MDR solution available. There is a misconception that more security software is better, but it turns out that it is not. By having two MDR systems from different vendors on the same computer, they will conflict, causing numerous unnecessary alerts and a significant number of false positives. False positives distract the analyst from true threats, causing malicious activity to be detected far slower or missed entirely. If we opt for FortiSOCaaS and CrowdStrike/ILSOC, this will create a hole in the overall security plan. The FortiSOC will not have insight into the endpoint, and the IL-SOC will not have insight into the edge of the network. We are looking for a whole package from start to finish. Considering we already utilize several products from FortiNet, it is only logical to complete the package from the same vendor and product line. Going with FortiSOC and the managed services is like bundling your home and auto insurance under one.

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required. COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. We currently utilize their firewalls, endpoint security, networking equipment, and several other of their security systems. This is to complete our security solution, and they are on the TIPS contract.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). If we incorporate other security systems, we run the risk of bigger issues such as diffusion of responsibility from vendors or software conflicts. Alternative solutions include hiring SOC analysts for 24/7 coverage and status quo until the next incident.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

See my attached spreadsheet....

All payments shall be made payable to the County of DuPage, c/o Facilities Management, 421 North County Farm Road, Wheaton, Illinois, 60187, with the total payment of $12,000.00 being due on or before August 1, 2026.

2. Use and Occupancy. Lessee shall use and occupy said Premises solely for the purpose of providing training space for Court Reporters.

Lessee shall be further responsible for damaged or broken furnishings, fixtures or other equipment damaged by third persons in which the damage is due to Lessee's failure to exercise due care in the operation of the Premises, including failure to supervise its officers, agents, employees, wards, charges, clients, guests, and invitees. Prior to commencing any use and/or occupancy of the Premises, Lessee shall provide Lessor with proof(s) of insurance coverage as required herein.

3. Improvements, Maintenance and Repair. Lessee shall be solely responsible for undertaking, at Lessee's sole expense: (a) any future improvements to the interior portions of the Premises; and (b) any part of the Premises damaged or broken (reasonable wear and tear excepted)

by Lessee's acts or neglect, or that of its officers, agents, employees, wards, charges, clients, guests, and invitees.

Lessee shall not make additions or improvements to the Premises, or change, replace or attempt repair of any flooring, walls, doors, glass, lighting or fixtures, without Lessor's prior and express written consent. All work on, to, on behalf of, or for the Premises, undertaken by Lessee directly or through the use of third-party vendors, shall be performed at not less than the prevailing hourly wage rate as determined by, and verified with, the Illinois Department of Labor pursuant to the Illinois Prevailing Wage Act (820 ILCS 130). Lessee agrees to indemnify, defend, and hold Lessor harmless from and against all violations of said statute.

4. Insurance. Throughout the Term of the Lease, Lessee shall obtain liability insurance, at its own expense, in accordance with and subject to the following:

a. All Lessee insurance herein required shall specifically name the "County of DuPage" as an additional named insured, and shall be on a primary and non-contributory basis. All policies shall contain a provision that the coverage afforded will not be canceled, materially changed, or a renewal refused without providing written notice to Lessor as an additional insured and Lessee as a named insured prior to said cancellation, material change, or refusal to renew the insurance policy.

b. Lessee shall maintain a General Liability insurance policy with a limit of not less than Two Million Dollars ($2,000,000) per occurrence. Lessee shall also maintain Workman's Compensation in the statutorily required amount(s).

c. Lessee shall have the duty to provide Lessor with copies of certificates of insurance required by Lessor prior to the commencement of the Term of this Lease and/or any Renewal thereof, or as soon thereafter as may be reasonably practicable and agreeable to Lessor, as well as renewal certificates of insurance within fifteen (15) days prior to the expiration of any insurance policy herein required.

d. Insurance required by this Lease shall be provided by an insurance company licensed to provide insurance in the state of Illinois and which is acceptable to Lessor, or may be satisfied by participation in a risk management group or self-insuring up to the specified amount(s).

In the event Lessee improves, maintains, or repairs the Premises as provided for herein, all of Lessee's third-party vendors, contractors, or servicemen entering onto the Premises shall maintain Workman's Compensation insurance in statutory amounts; and further Employer's Liability and General Commercial Liability insurance in coverage amounts acceptable to the County which expressly name the "County of DuPage and its officers and employees" as an additional insured on a primary and non-contributory basis and include a waiver of subrogation endorsement. Such insurance shall only be issued by a company license to do business in Illinois.

Lessee shall provide Lessor with copies of its vendor's, contractors', and/or servicemen's Certificates of Insurance, as well as all applicable coverage endorsements, prior to commencing any work on the Premises.

f. Each Party agrees to waive subrogation for any claim(s) based on that Party's negligent or willful acts or omissions.

Nothing contained herein shall be construed as prohibiting Lessor, its officials, directors, officers, agents, and employees from defending any claims, suits, demands, proceedings, and actions brought against them through the selection and use of their own agents, attorneys, and experts. Pursuant to Illinois law, the attorney representing Lessor under this paragraph must be the State's Attorney of DuPage County. Lessor's participation in its defense shall not remove Lessee's duty to indemnify, defend, and hold Lessor harmless as set forth above. Any indemnity as provided in this Lease shall not be limited by reason of the enumeration of any insurance coverage herein provided. Lessee's indemnification obligation shall survive the termination, or expiration, of this Lease for two (2) years. INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF DUPAGE, ILLINOIS AND THE VILLAGE OF CAROL STREAM FOR THE GUNDERSEN OUTFALL DAYLIGHTING PROJECT

This INTERGOVERNMENTAL AGREEMENT is made this 12th day of August 2025 between the COUNTY OF DUPAGE, a body politic and corporate, with offices at 421 N. County Farm Road, Wheaton, Illinois (hereinafter referred to as the COUNTY) and VILLAGE OF CAROL STREAM, a body politic and corporate, with offices at 500 N Gary Ave, Carol Stream, Illinois 60188 (hereinafter referred to as the VILLAGE).

R E C I T A L S

WHEREAS, the VILLAGE and the COUNTY are public agencies within the meaning of the Illinois "Intergovernmental Cooperation Act" and as authorized by Article 7, Section 10 of the Constitution of the State of Illinois; and

WHEREAS, the purposes of the "Intergovernmental Cooperation Act" and Article 7 of the Constitution of the State of Illinois include fostering cooperation among government bodies; and

WHEREAS, the Illinois General Assembly has granted the COUNTY authority to take action to manage stormwater and control flooding and to enter into agreements for the purposes of stormwater management and flood control (Illinois Compiled Statutes, Chapter 55 paragraphs 5/5-1062.3 and 5/5-15001 et. seq.); and

WHEREAS, the COUNTY has adopted the DuPage County Stormwater Management Plan which recognizes the reduction of stormwater runoff and improving water quality as an integral part of the proper management of storm and flood waters; and

WHEREAS, the VILLAGE has developed a conceptual design for the daylighting of a waterway segment and the construction of a bioswale at Community Park (herein referred to as the "PROJECT"); and

WHEREAS, the COUNTY and the VILLAGE have determined that the construction of the PROJECT will benefit local citizens by improving the water quality in Winfield Creek, a tributary to the West Branch DuPage River; and

WHEREAS, the VILLAGE has requested COUNTY participation in cost sharing of the PROJECT through a grant from the COUNTY'S Water Quality Improvement Program in an amount not to exceed twenty thousand dollars ($20,000); and

WHEREAS, the VILLAGE shall pay PROJECT expenses to the contractors as they become due and will be reimbursed by the County for qualified expenses not to exceed twenty thousand dollars ($20,000) per this AGREEMENT; and

WHEREAS, the VILLAGE shall share any available data collected from the PROJECT for the purposes of fostering community education and improving upon similar future projects; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

1.1 All recitals set forth above are incorporated herein and made a part hereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the removal of approximately 120 linear feet of pipe and the addition of a native vegetation bioswale at the site. The improvements include the daylighting of a waterway and the addition of native vegetation to .5 acres within Community Park. The goal of the VILLAGE is to reduce erosion and pollutant loadings associated with urban runoff into Winfield Creek, and West Branch DuPage River watershed.

2.2 The PROJECT shall be developed essentially in accord with the conceptual design (Gundersen Outfall Daylighting), as prepared by the Village of Carol Stream and submitted December 30, 2024, which document is incorporated herein by reference but is not attached hereto due to space limitations.

3.0 FUNDING.

3.1 The total water quality related PROJECT costs are estimated to be eighty thousand dollars ($80,000). The cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

VILLAGE OF CAROL STREAM	$60,000
COUNTY OF DUPAGE	$20,000
TOTAL	$80,000

3.2 The VILLAGE shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the VILLAGE and COUNTY agree to apportion such extra costs in writing before they are incurred.

3.3 This AGREEMENT shall in no way obligate the VILLAGE to undertake this PROJECT if the VILLAGE in its sole discretion determines that it is no longer in the VILLAGE'S best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by November 30, 2026, the VILLAGE shall promptly reimburse the COUNTY any monies paid by the COUNTY to the VILLAGE pursuant to this AGREEMENT. The VILLAGE'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the VILLAGE'S timely and satisfactory completion of the PROJECT.

3.4 The VILLAGE may only seek COUNTY reimbursement for allowable PROJECT expenses. Allowable PROJECT expenses incurred and paid by the VILLAGE in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the VILLAGE'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.

4.2 The VILLAGE shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.

4.3 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.

4.4 The VILLAGE shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.

4.5 The VILLAGE shall be responsible for obtaining all required land rights necessary for the completion of the PROJECT.

4.6 The VILLAGE shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.

4.7 The VILLAGE may enter into additional agreements to secure its portion of the local PROJECT costs.

4.8 The VILLAGE shall submit no more than one invoice per month to the COUNTY during the construction of the PROJECT. Under no circumstances should the COUNTY be invoiced more than twenty thousand dollars ($20,000). The invoice shall show the quantities and cost per item and be summarized by PROJECT area.

4.9 The VILLAGE shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE in the amounts herein agreed upon, nor shall this provision affect the VILLAGE'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.

4.10 The VILLAGE shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY.

4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. The VILLAGE and VILLAGE'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the VILLAGE shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S Water Quality Improvement Program.

4.12 During the PROJECT and after its substantial completion, the VILLAGE shall be solely responsible for the ownership, operation, supervision, staffing, control, and maintenance of the PROJECT.

4.13 The VILLAGE must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage and other promotion of the PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 **COUNTY'S RESPONSIBILITIES.**

5.1 The COUNTY shall reserve the right to review the PROJECT'S plans and specifications, prior to the VILLAGE'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT components qualify for reimbursement through the COUNTY'S Water Quality Improvement Program. The COUNTY shall promptly provide the VILLAGE with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.

5.2 The COUNTY shall cost share in the PROJECT as follows:

5.2.1 The COUNTY shall reimburse the VILLAGE for approved costs associated with the PROJECT which have been incurred and paid for by the VILLAGE, as specified in Paragraph 3.1.

5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed twenty thousand dollars ($20,000).

5.2.3 In the event PROJECT costs total less than eighty thousand dollars ($80,000), the COUNTY'S total reimbursement amount shall not be more than twenty five percent (25%) of the actual total PROJECT costs. Any amounts overpaid by the COUNTY shall be promptly refunded by the VILLAGE.

5.2.4 The COUNTY shall not be obligated to pay invoices received after November 30, 2026, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.

5.3 The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT. The COUNTY shall provide the VILLAGE reasonable advance notice of when the COUNTY requires such access.

6.0 GOVERNMENT REGULATIONS.

6.1 The VILLAGE shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.

7.0 INDEMNIFICATION.

7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE 'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.

7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.

7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove the VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors or agents. The VILLAGE'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.0 AMENDMENT OR MODIFICATION OF THIS AGREEMENT.

8.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties, excluding term extensions as provided for in the following provision.

8.2 Notwithstanding Paragraph 8.1, above, the term for performing this AGREEMENT may be extended by any suitable COUNTY designated form, signed by both parties without formal amendment pursuant to Paragraph 8.1, above.

9.0 TERM OF THIS AGREEMENT.

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

9.1.1 November 30, 2026, or to a new date agreed upon by the parties.

9.1.2 The completion by the VILLAGE and COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before November 30, 2026.

10.0 ENTIRE AGREEMENT.

10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between the parties.

10.2 There are no other covenants, warranties, representations, promises, conditions or understandings, either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In the event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

12.0 GOVERNING LAW.

12.1 The laws of the State of Illinois shall govern this AGREEMENT as to both interpretation and performance.

12.2 The venue for resolving any disputes concerning the parties' respective performance, or failure to perform, under this AGREEMENT, shall be the judicial circuit court for DuPage County.

The improvements include bank stabilization, installation of native plant species, and construction of pool-riffle complexes within the creek. The goal of the VILLAGE is to reduce erosion and pollutant loadings associated with urban runoff into Prentiss Creek, and East Branch DuPage River watershed.

2.2 The PROJECT shall be developed essentially in accord with the conceptual design (Prentiss Creek Streambank Stabilization), as prepared by the Village of Downers Grove and submitted December 30, 2024, which document is incorporated herein by reference but is not attached hereto due to space limitations.

3.0 FUNDING.

3.1 The total water quality related PROJECT costs are estimated to be one million, fifty-two thousand dollars ($1,052,000). The cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

VILLAGE OF DOWNERS GROVE	$952,000
COUNTY OF DUPAGE	$100,000
TOTAL	$1,052,000

3.2 The VILLAGE shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the

VILLAGE and COUNTY agree to apportion such extra costs in writing before they are incurred.

3.3 This AGREEMENT shall in no way obligate the VILLAGE to undertake this PROJECT if the VILLAGE in its sole discretion determines that it is no longer in the VILLAGE'S best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by November 30, 2026, the VILLAGE shall promptly reimburse the COUNTY any monies paid by the COUNTY to the VILLAGE pursuant to this AGREEMENT. The VILLAGE'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the VILLAGE'S timely and satisfactory completion of the PROJECT.

3.4 The VILLAGE may only seek COUNTY reimbursement for allowable PROJECT expenses. Allowable PROJECT expenses incurred and paid by the VILLAGE in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the VILLAGE'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.

4.2 The VILLAGE shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.

4.3 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.

4.4 The VILLAGE shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.

4.5 The VILLAGE shall be responsible for obtaining all required land rights necessary for the completion of the PROJECT.

4.6 The VILLAGE shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.

4.7 The VILLAGE may enter into additional agreements to secure its portion of the local PROJECT costs.

4.8 The VILLAGE shall submit no more than one invoice per month to the COUNTY during the construction of the PROJECT. Under no circumstances should the COUNTY be invoiced more than one hundred thousand dollars ($100,000). The invoice shall show the quantities and cost per item and be summarized by PROJECT area.

4.9 The VILLAGE shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE in the amounts herein agreed upon, nor shall this provision affect the VILLAGE'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.

4.10 The VILLAGE shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY.

4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. The VILLAGE and VILLAGE'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the VILLAGE shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S Water Quality Improvement Program.

4.12 During the PROJECT and after its substantial completion, the VILLAGE shall be solely responsible for the ownership, operation, supervision, staffing, control, and maintenance of the PROJECT.

4.13 The VILLAGE must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage and other promotion of the PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 **COUNTY'S RESPONSIBILITIES.**

5.1 The COUNTY shall reserve the right to review the PROJECT'S plans and specifications, prior to the VILLAGE'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT components qualify for reimbursement through the COUNTY'S Water Quality Improvement Program. The COUNTY shall promptly provide the VILLAGE with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.

5.2 The COUNTY shall cost share in the PROJECT as follows:

5.2.1 The COUNTY shall reimburse the VILLAGE for approved costs associated with the PROJECT which have been incurred and paid for by the VILLAGE, as specified in Paragraph 3.1.

5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed one hundred thousand dollars ($100,000).

5.2.3 In the event PROJECT costs total less than one million, fifty-two dollars ($1,052,000), the COUNTY'S total reimbursement amount shall not be more than twenty five percent (25%) of the actual total PROJECT costs. Any amounts overpaid by the COUNTY shall be promptly refunded by the VILLAGE.

5.2.4 The COUNTY shall not be obligated to pay invoices received after November 30, 2026, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.

5.3 The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT. The COUNTY shall provide the VILLAGE reasonable advance notice of when the COUNTY requires such access.

6.0 GOVERNMENT REGULATIONS.

6.1 The VILLAGE shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.

7.0 INDEMNIFICATION.

7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE 'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.

7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.

7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove the VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors, or agents. The VILLAGE'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the stabilization of the pond shoreline and planting native vegetation to prevent future erosion and improve water quality. 2.2 The PROJECT shall be developed essentially in accord with the application packet (Oakhurst North Stormwater Pond 3 Stabilization), as submitted on January 3, 2025, which document is incorporated herein by reference but is not attached hereto due to space limitations. The best management practices shall be maintained and monitored by the ASSOCIATION or its consultant.

However, in the event the PROJECT is not substantially completed (excepting post-construction monitoring) by June 30, 2026, the ASSOCIATION shall promptly reimburse the COUNTY any monies paid by the COUNTY to the ASSOCIATION pursuant to this AGREEMENT. The ASSOCIATION'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the ASSOCIATION'S timely and satisfactory completion of the PROJECT.

Allowable PROJECT expenses incurred and paid by the ASSOCIATION in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the ASSOCIATION'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

Vendor Name: Knight E/A, Inc.	Vendor #:

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

The DOT has determined that the contract issued to Knight E/A, Inc. for Professional Phase II Design Engineering Services for the CH 21 / Fabyan Parkway from IL 38 to County Line requires additional work beyond the original scope of the project resulting in an increase to the contract in the amount of $75,452.66.

Increase the upper limit of the contract by $75,452.66.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

The Fabyan Parkway - IL 38 to County Line project is progressing through Phase II engineering. During the development of the Phase II plans, it was determined that the project's use of the Kress Creek Reservoir for detention and compensatory storage would require additional modeling and permitting in order to determine if the reservoir had the additional capacity needed for the project. This would cause the project to be delayed an indefinite amount of time. In order to keep the project on schedule, a new detention and compensatory design needs to be pursued within the project site. This will require the plans, specifications, estimates, and stormwater permit to be updated by Knight E/A, Inc. Additionally, during the development of the Phase II plans, the DOT received notice from the FAA that the original Aeronautical Study has expired and a new Aeronautical Study must be submitted and approved in order for construction to commence. All of this work is not included in the original scope of the contract.

Original Source Selection/Vetting Information - Describe method used to select source.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry. Statements of Interest were received from 24 firms. Based on the review of the Statements of Interest, 3 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the qualifications of the firm and understanding key issues of the project, experience of the firm and key personnel on similar projects, and any strategies to ensure timely completion of the phase I updated and design phase are met. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Knight E/A, Inc. was most qualified and had the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

1. Supplement the contract to Knight E/A, Inc. This is the recommended option.
2. Contract with another firm. Not recommended due to staff's determination that Knight E/A, Inc. is the most qualified to perform this work and has been awarded a design engineering contract for this work.
3. Do not supplement the current contract. Not recommended as the DOT does not posses the staff resources or the technology to perform this work and must contract for these services.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

The FY25 fiscal impact for this supplement is anticipated to be $75,452.66. The DOT has sufficient funds to account for this increase.

SCOPE OF WORK

Proposed improvements to Fabyan Parkway (CH 21) from IL 38 to the County Line, Section 08-00210-03-FP, are anticipated to include two 12-foot thru lanes in each direction separated by an 18-foot barrier median, with dual left turn lanes and a right turn lane in both directions at the intersection of Fabyan Parkway and Technology Boulevard. Additional scope includes a multi-use path on the south side of Fabyan Parkway between Technology Boulevard and McChesney Road, a combination of open and closed drainage, and the replacement of the double box culvert at Kress Creek.

The proposed limits of construction will extend from approximately eight hundred feet west of IL 38 to the DuPage/Kane County line. The limits of improvement measure approximately 8,000 feet.

During the development of the Phase II plans, after the prefinal submittal, meetings were held with DuPage County Stormwater Management (Stormwater) and the City of West Chicago to discuss the project's use of the Kress Creek Reservoir for detention and compensatory storage for the Fabyan Parkway Project and general project detention and compensatory storage requirements. There was prior discussions during Phase I that would have allowed excess capacity of the reservoir to be use for the roadway detention and compensatory storage. From the meetings with Stormwater and West Chicago, additional modeling and permitting would be required in order to determine if the reservoir had the additional capacity needed for the roadway project. DuPage County decided that in order to keep the project on schedule, they would pursue a design that provides detention and compensatory storage on the project site. New detention calculations, new compensatory storage calculations, revised plans, right-of-way analysis, new/revised quantities, and revised stormwater permit application will be required meeting the City of West Chicago requirements will be required.

During the development of Phase II plans, after the prefinal submittal, DuPage County Division of Transportation received notice that the Aeronautical Study which was submitted in 2009 was expired and con not be extended. A new Aeronautical Study must be submitted and approved in order for construction to be allowed. Filing of Form 7460-1 and location exhibit is required in order to obtain a Determination of No Hazard to Air Navigation Letter for this project.

Knight proposes to perform the following supplemental Phase II Engineering services. These services are in addition to the services provided in the original agreement dated May 10, 2020 and Amendment 1 dated August 29, 2024 . The attached Workhour Estimate and CECS provide additional detailed information in a similar order as provided below.

KNIGHT

Stormwater Detention and Compensatory Storage Determination and Analysis

Fabyan Parkway will need detention and compensatory storage provided for the increased imperviousness and fill in the floodplain from the widening and reconstruction. Previously, the volumes for this were assumed to be provided in the Kress Creek reservoir, which is unknown if it is presently available to be used. Because of this, a new concept and analysis is needed for detention and compensatory storage. Additionally, the Stormwater Permit application which was developed for the Kress Creek Reservoir for submittal to DuPage County Stormwater Management will need to be modified to reflect the new concept/analysis and to be submitted to the City of West Chicago. Knight will provide the following:

- Outlet evaluation of all six outlets
- Calculate pre- and post-development runoff rates using NRCS Curve Number and TR-55 methods
- Delineate drainage subbasins
- XPSWMM model setup for existing and proposed conditions for all six outlets
- Size outlet structure to meet release rate criteria
- Design overflow spillway to prevent upstream flooding
- Attempt to locate detention in available ROW thru oversized ditches and/or storm sewers
- Attempt to locate Compensatory Storage volume in available ROW to accommodate floodway fill
- Recommend necessary revisions to right of way and/or easements to accommodate detention and compensatory storage areas.
- Prepare technical memorandum that documents the results and recommendation
- Coordinate with DuPage County and West Chicago and Prepare a Disposition of Comments to address comments.
- Revise Proposed Drainage Plans and Profiles, Drainage Schedules
- Develop Detention Basin and Outlet Control Details
- Develop Detention Basin Grading
- Develop Detention volume calculations to show what is required
- Develop Compensatory Storage Calculations to show what is required
- Develop a concept plan that reflects the Detention and Compensatory Storage, requirements
- Revise the Stormwater Permit Application to reflect the new concepts
- Provide City of West Chicago site development permit application.

Deliverables: Detention and Compensatory Storage Calculations and Concept Plan, Revised Stormwater Permit Application, City of West Chicago Site Development Permit Application.

KNIGHT

PreFinal Plan Resubmittal

Based on the findings of the Stormwater Detention Analysis, Plans, Specifications, and Estimates will be revised to reflect the requirements of the Stormwater Detention and Compensatory Storage Analysis. Additionally, grading of the southern shoulder area from Kress Creek to the Poorman development for a future multi-use path shelf will be investigated and provided if feasible. We anticipate the following will be revised:

Sheets to have design updates:

Summary of Quantities	4 sheets
Schedules	5 sheets
Maintenance of Traffic	6 sheet
Erosion Control Plans	15 sheets
Drainage Plans	15 sheets
Drainage Schedules	8 sheets
Landscaping Plans	15 sheets
Cross Sections	60 sheets
Plan Detail for Comp. Storage	1 sheet (new)
Outlet Control Structures Details	1 sheet (new)

Sheets that will have updates due to revised ROW, easements, structures, pipes, etc:

Removal Plans	15 sheets
Plan and Profiles	15 sheets
Maintenance of Traffic	68 sheets
Pavement Marking and Signing Plan	15 sheets
Temporary Traffic Signal Plan	6 sheets
Traffic Signal Plans	2 sheets
Lighting Plans	15 sheets

Specifications will need to be updated for new pay items
Cost Estimate will need to be updated for quantity revisions

Deliverables: Knight will provide revised plans, specifications, and cost estimate reflecting the changes associated with the detention and compensatory storage changes identified in the previous task.

Aeronautical Study

Due to the expiration of the 2009 Aeronautical Study, a new submission is required to the FAA. Knight will prepare FAA Form 7640-1 along with a location exhibit on a USGS 7.5 minute Quadrangle Map and submit to the FAA for review. The expected result of this is a Determination of No Hazard to Air Navigation Letter, since nothing has changed since the 2009 submittal. One round of comments and resubmittal is included in this work.

Deliverables: Knight will submit FAA Form 7640-1 and location exhibit. Knight will respond to one round of comments and resubmit the required documents in order to obtain a Determination of No Hazard to Air Navigation Letter.

KNIGHT

Coordination

Meetings with DuPage County Stormwater Management, City of West Chicago, and DuPage County are needed to discuss the projects path forward regarding the change in stormwater design. Knight will or has attended three (3) meetings and will/has prepared agendas and meeting minutes.

Assumptions

All assumptions from the original agreement and Amendment 1 are still in effect. There are no new general assumptions, other than what is outlined in the proposed items above.

QC/QA

All work shall be completed to meet current IDOT and DuPage County policies, procedures and standards and reviewed according to Knight quality control and quality assurance procedures.

RECREATIONAL LEASE

THIS RECREATIONAL LEASE (the "**Lease**") is made as of August 12, 2025 by and between COMMONWEALTH EDISON COMPANY, an Illinois corporation ("**Landlord**") and the COUNTY OF DUPAGE ("**Tenant**") a municipal corporation (hereinafter referred to as "**Tenant**") whose address is 421 North County Farm Road, Wheaton, IL 60187.

WHEREAS, Landlord is the owner of various parcels of land on or adjacent to the former rights-of-way of the City of Prospect Heights, IL and more fully described on Exhibit A ("**Landlord's Property**");

NOW THEREFORE, Landlord, for and in consideration of the payment of Rent (as hereinafter defined) by Tenant, and of the covenants, conditions and agreements of Tenant hereinafter set forth, does hereby lease and demise to the Tenant (without warranty of title), and Tenant does hereby lease from Landlord, a portion of Landlord's property located in DuPage County, Illinois as shown on Exhibit A attached hereto and made a part hereof (the "**Leased Premises**"), for the purposes specified in Section 2 below.

1. TERM.

A. The term of this Lease (the "**Term**") shall begin on August 12, 2025 (the "**Commencement Date") and shall terminate on June 30, 2045 unless sooner terminated as provided herein.**

B. Subject to the terms and provisions of this Lease, Landlord hereby grants to Tenant one (1) option to renew this Lease on the same terms and conditions (each, a "**Renewal Option**") for a renewal term of ten (10) years (each, a "**Renewal Term**"). If Tenant desires to exercise a Renewal Option, it shall notify Landlord in writing no earlier than one (1) year and not later than one hundred eighty (180) days prior to the then current expiration date of the Term (before the operation of the Renewal Option being exercised); and, once exercised, shall operate to extend the Term to end concurrently with the Renewal Term set by the Renewal Option so exercised.

C. Subject to Subsection 1.D. below, such notice shall only be effective if delivered at a time when Tenant is not in default hereunder and when to the knowledge of Tenant, no default, breach, unsatisfied condition or other event has occurred or circumstances exist that constitute or which, with the giving of notice or the passage of time (including the passage of time during which a default has occurred and has not yet been cured during any applicable grace period) or both, would constitute such a default.

D. In addition to any other inspections of the Leased Premises that Landlord may conduct during the Term of this Lease, during the period between the exercise of a Renewal Option and the start of the associated Renewal Term, Landlord shall review the Leased Premises and determine whether Tenant is in compliance with the terms and conditions of the Lease. Landlord shall notify Tenant in writing if any deficiencies in the performance of Tenant's obligations under the Lease are discovered during such review and any actions needed to correct them. Unless otherwise agreed in writing by Landlord, Tenant shall correct any item on such notice prior to the start of the Renewal Term in question.

E. Prior to the beginning of any Renewal Term, the parties shall execute an amendment to this Lease to memorialize such Renewal Term. If Tenant does not exercise a Renewal Option, such Renewal Option and all subsequent remaining Renewal Options (if any) shall thereupon expire.

2. PURPOSE. The Leased Premises shall be used by Tenant solely for the purposes of a Ten (10) foot wide recreational trail for pedestrians and bicyclists and equestrians ("**Tenant's Facilities**"), in compliance with all Legal Requirements (as defined in the next sentence) and the terms and provisions of this Lease, and for no other purposes (the "**Permitted Use**"). For purposes hereof, the term "**Legal Requirements**" shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes (including the National Electrical Safety Code), executive orders, court orders, rules of common law, and any judicial interpretations thereof, extraordinary as well as ordinary, of all governmental authorities, and all rules, regulations and government orders with respect thereto, and of any applicable fire rating bureau, or other body exercising similar functions, affecting the Leased Premises or the maintenance, use or occupation thereof, or any street, sidewalk or other property comprising a part thereof, regardless of whether imposed by their terms upon Landlord or Tenant, or the use and occupancy thereof by Tenant. "Legal Requirements" shall include "Environmental Laws" as defined in Section 15, below. Tenant's use of the Leased Premises shall also be and remain subject to Landlord's superior right to use all or any portion of the Leased Premises for its business purposes, including the installation, use and maintenance of any transmission, distribution or communications improvements, fixtures, facilities, machinery, equipment and/or other property owned by Landlord and now or hereafter installed by Landlord on or near the Leased Premises ("**Landlord's Facilities**").

3. RENT.

A. Base Rent. Landlord acknowledges its receipt of the payment of "**Base Rent**", a one-time payment by Tenant in the amount of One and No/100 Dollars ($1.00) and no other Base Rent shall be assessed during the term of this Lease.

B. Rent. For purposes of this Lease, the term "**Rent**" shall mean the Base Rent, together with all other amounts due and payable by Tenant to Landlord under this Lease.

C. Payment of Rent. All Rent due and payable by Tenant under this Lease shall be paid to the following address:

Commonwealth Edison Company
Real Estate Department, 4th Floor
Three Lincoln Center
Oakbrook Terrace, Illinois 60181
Attn: Lease Payment Department

or to such other place as Landlord may from time to time designate in writing. All payments due from Tenant hereunder which are not paid when due shall bear interest at a rate equal to ten percent (10%) per annum from the date due until paid (the "**Default Rate**"). Such interest shall be compounded monthly. In addition to, and not in lieu of, the foregoing (and any other rights and remedies to which Landlord is entitled under this Lease), in the event that any payment due from Tenant hereunder is not paid within five (5) business days of the date that the same is due, then a late fee in the amount of ten percent (10%) of the unpaid amount shall be due and payable by Tenant to Landlord. All Rent shall be paid by Tenant without notice or demand, and without any set-off, counterclaim, abatement or deduction whatsoever, in lawful money of the United States by bank check or wire transfer of immediately available funds. Tenant's obligations to pay Rent are independent of each and every covenant contained in this Lease.

E. Net Lease. Except as otherwise provided in this Lease, the Rent herein shall be absolutely net to Landlord, so that this Lease shall yield, net to Landlord, the Rent in each year during the Term of this

Lease and any renewals thereof, and that all costs, expenses and obligations of every kind and nature whatsoever, relating to the Leased Premises which may arise or become due during the Term of this Lease or any renewal or extension thereof, or as a result of Tenant's use or occupancy of the Leased Premises, shall be paid by Tenant, and Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord from all such costs, expenses and obligations.

4. TAXES. Tenant shall pay the following amounts as "Taxes" to Landlord in each case no later than thirty (30) days after Landlord's written demand therefor:

A Tenant's proportionate share of the land component of all real estate taxes for each tax parcel of which the Leased Premises is a part for all periods falling within the Term, which proportionate share shall be calculated as follows: (i) the total land component of each tax bill for each such real estate tax parcel which includes any portion of the Leased Premises, multiplied by (ii) a fraction, the numerator of which shall be the acreage of the portion of such tax parcel which falls within the Leased Premises, and the denominator of which shall be the total acreage of such tax parcel; plus

B All real estate taxes and other assessments which are allocable to any improvements, structures or fixtures constructed, installed, or placed by Tenant at the Leased Premises for all periods falling within the Term, plus

C Any increase in the real estate taxes and other assessments payable with respect to the Leased Premises (or any tax parcel of which the Leased Premises is a part) which is allocable to this Lease, Tenant's use or occupancy of the Leased Premises, or any improvements, structures or fixtures constructed, installed or placed by Tenant at the Leased Premises (but without duplication of any amount payable pursuant to clause (B) above), for all periods falling within the Term; plus

D For purposes of this Lease, Taxes "for" or "with respect to" any particular period (or portion thereof) shall mean the Taxes which are payable during the calendar year in which any portion of such period falls, irrespective of the fact that such Taxes may have accrued with respect to a different period.

E Tenant hereby covenants and agrees that Tenant shall, no later than the Tax Exemption Date (as hereinafter defined), at Tenant's sole cost and expense, execute and deliver all documents, instruments petitions and applications, and take all other actions which may be reasonably necessary and/or appropriate, in order to cause the Leased Premises to be exempted from the payment of real estate taxes, to the extent that it is possible without the transfer of any ownership or change in the property owner name in the records of the applicable taxing jurisdiction, under applicable Legal Requirements. Concurrently with the delivery of any such documents, instruments, petitions and applications, Tenant shall furnish Landlord with copies thereof. In the event that Tenant is successful in obtaining any such real estate tax exemption for the Leased Premises, then Tenant shall thereafter cause such real estate tax exemption to be continued for each tax year (or portion thereof) during which this Lease is in effect (and Tenant shall execute such documents, instruments, petitions and applications, and take such other actions which may be reasonably necessary and/or appropriate, to cause such property tax exemption to be so continued). In the event that Tenant is unsuccessful in obtaining or continuing any such real estate tax exemption with respect to the Leased Premises, then Tenant shall thereafter use commercially reasonable efforts to continue to seek such exemption (or continuance thereof, as applicable) and shall, from time to time if Landlord so requests, take such actions as may be reasonably necessary to apply for such exemption (or continuation); provided however, in no event shall Tenant have any power or authority to change, alter or modify in any way, the tax parcel number, property owner name or mailing address of the Leased Premises in the records of the applicable taxing jurisdiction. For purposes hereof, the term "Tax Exemption Date" shall mean the date that is the earlier of: (i) sixty (60) days after the date of this Lease, or (ii) the deadline for submitting a real estate tax exemption petition or application for the real estate taxes for the year in which this Lease is

executed and delivered. Notwithstanding anything contained in this paragraph, to the extent Tenant fails to obtain a tax exemption with respect to the Leased Premises for any reason, Tenant shall pay the Taxes as required above in this Section 4.

5. CONDITION. Tenant has examined the Leased Premises and knows its condition. Tenant hereby accepts the condition of the Leased Premises in its **AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS**. No representations or warranties as to the condition, repair or compliance with Legal Requirements thereof, and no agreements to make any alterations, repairs or improvements in or about the Leased Premises have been made by or on behalf of Landlord. By accepting possession of the Leased Premises, Tenant shall be conclusively presumed to have accepted the condition thereof and to have unconditionally waived any and all claims whatsoever related to the condition of the Leased Premises.

6. MAINTENANCE; SERVICES AND UTILITIES.

A. Tenant agrees at its sole cost and expense, to keep and maintain **the Leased Premises together with the [adjacent] open grass way area (such open grass way area together with Tenant's Facilities being the "Specified Area")]** in a clean, safe, neat, sanitary and sightly condition and repair, and commensurate with the conditions existing at the time this Lease is executed to Landlord's satisfaction at all times during the Term hereof. Without limiting the generality of the foregoing, Tenant shall (subject to the terms and provisions of this Lease and all at Tenant's sole cost and expense): (i) perform any and all necessary paving, grading, landscaping, cutting and mowing of grass and weeds (including all Canadian thistles and other noxious weeds and growths at the Leased Premises) and
(ii) promptly (and if Landlord provides written notice, no later than three (3) business days after receipt of such notice) remove all litter, garbage and graffiti from, and repair any vandalism (except for vandalism to Landlord's Facilities) to, the Specified Area or any nearby area, including, without limitation, any structure or bridge crossing used for Tenant's Facilities, on or near the Specified Area. Tenant's obligations under this Section 6 are solely those of Tenant and Landlord shall have no responsibility to undertake such obligations or to perform any action required of Tenant hereunder.

B. Landlord shall not be responsible for furnishing or providing any services or utilities to the Leased Premises (or any costs or expenses associated therewith), but rather, Tenant shall be responsible, at Tenant's sole cost and expense, for providing all such services and utilities. Landlord has made no representation, warranty or covenant of any kind regarding the availability (or future availability) of any such utilities and services, and no failure to provide or interruption of any such services or utilities or services shall give rise to any right or remedy in favor of Tenant under this Lease. Landlord may from time to time, but shall have no obligation to, maintain the Leased Premises in accordance with its customary maintenance program then in effect and Tenant shall have no right to require Landlord to maintain the Leased Premises in any manner.

C. Tenant assumes all of the responsibilities normally identified with the ownership of the Leased Premises, including, but not limited to, responsibility for the condition of the Leased Premises, such as the operation, repair, replacement, maintenance and management of the Leased Premises, including, without limitation, repairs to all buildings, structures, fixtures, equipment and other property thereon; provided, that (except as expressly set forth below) in no event shall Tenant maintain, repair, gain access to or in any way use or operate any of Landlord's Facilities.

7. SURRENDER OF LEASED PREMISES; RESTORATION. Tenant agrees that upon termination of the Term of this Lease, whether by expiration or otherwise, Tenant will peaceably quit and surrender the Leased Premises to Landlord, and will, at its sole cost and expense, remove all Tenant's personal property, fixtures, structures and improvements, and will, at Landlord's sole and absolute

discretion, restore and regrade the Leased Premises to substantially the same condition the Leased Premises were in on the date hereof (other than any improvements, installations and modifications made by Landlord). This Section shall survive the termination or expiration of the Lease.

8. COMPLIANCE WITH LAWS; WASTE; OTHER COVENANTS OF TENANT.

A. General. Tenant, at its sole expense, shall comply, and cause the Leased Premises to comply, with all Legal Requirements, Landlord's vegetation management practices and procedures and all of the requirements listed in Exhibits C-1 and C-2 attached to this Lease and made a part hereof. In addition, Tenant covenants and agrees that it will not commit waste, loss or damage to the Leased Premises or any other property of Landlord.

B. Change in Law. Tenant acknowledges that Landlord may incur costs as a result of the enactment of new Legal Requirements relating to the Leased Premises, and/or changes in Legal Requirements relating to the Leased Premises. Tenant agrees that any such costs incurred by Landlord for complying with such new or changed Legal Requirements and due in whole or in part to Tenant's use and/or occupancy of the Leased Premises shall be an expense recoverable by Landlord from Tenant. To the extent any such expense paid by Tenant to Landlord is subsequently recovered by or reimbursed to Landlord through insurance or recovery from responsible third parties or other action, Tenant shall be entitled to a proportionate share (as reasonably determined by Landlord) of such recovery or reimbursement.

C. Notice of Violations. Tenant shall immediately provide Landlord with written notice: (i) upon Tenant's obtaining knowledge of any potential or known violations of any Legal Requirements relating to the Leased Premises, and/or (ii) of Tenant's receipt of any notice, correspondence, demand or communication of any nature from any governmental authority related to the Leased Premises, including without limitation, any alleged or actual violation of any Legal Requirements or any request for additional information, rejection or confirmation regarding any application for exemption from real estate taxes.

D. Height and Other Limitations. No vehicles, equipment or anything else (including, but not limited to, any equipment attached to vehicles or equipment such as antennas, and/or any trees, shrubs or other plants or vegetation planted or installed per Exhibit E at the Leased Premises by Tenant) having a height which exceeds the maximum allowable height under OSHA's height standards in effect from time to time during the Term, shall be driven, moved or transported on the Leased Premises without Landlord's prior written consent with the exception of maintenance (including third party) vehicles or emergency vehicles. Tenant shall not allow any activity which could result in a wire to ground electrical contact or damage to towers or poles; such as, flying kites, model airplanes, driving minibikes, go carts and snowmobiles. If Landlord so requests, Tenant will post signs prohibiting such activities.

9. ALTERATIONS.

A. Generally. Tenant shall not make any alterations, installations, improvements, additions or other physical changes (collectively, the "**Alterations**") in or about the Leased Premises without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any Alterations shall be performed: (i) by Tenant, at Tenant's sole cost and expense (and Landlord shall have no duty or obligation with respect thereto), (ii) pursuant to plans and specifications approved in writing by Landlord (in Landlord's sole discretion), (iii) by contractors and subcontractors approved in writing by Landlord (in Landlord's sole discretion), (iv) in compliance with all Legal Requirements, and (v) in a good and workmanlike manner, free of all liens. Tenant shall, at Tenant's sole cost and expense, obtain any and all permits and approvals necessary for the performance of any Alterations. During the performance of any Alterations, Tenant shall carry, and shall cause its contractors and subcontractors to carry, such insurance as Landlord shall, in its sole discretion, direct. Neither Tenant

nor any of Tenant's authorized agents shall, at any time prior to or during the Term, directly or indirectly, employ, or permit the employment of, any contractor, mechanic or laborer in the Leased Premises, or permit any materials to be delivered to or used in the Leased Premises, whether in connection with any Alteration or otherwise, if, in Landlord's sole judgment, such employment, delivery or use will interfere or cause any conflict with other contractors, mechanics or laborers engaged in the construction, maintenance or operation of the Leased Premises (or any other property) by Landlord, Tenant or others, or the use and enjoyment of the Leased Premises by Landlord or other tenants or occupants of the Leased Premises. In the event of such interference or conflict, upon Landlord's request, Tenant shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Leased Premises immediately. At the sole discretion of Landlord, any proposed Alterations shall be subject to a review fee, the amount of which will be determined by Landlord upon receipt of Tenant's request for consent to such Alterations. Such fee shall be due and payable by Tenant within five (5) days from receipt of notice from Landlord of the amount of such review fee and Landlord shall not be required to consider Tenant's request for Landlord's consent to any Alterations until the review fee for such Alterations is paid.

B. Paving, Filling and Planting. Without limiting the generality of the terms and provisions of Subsection 9.A. above, Tenant acknowledges and confirms that any and all grading, leveling, adding or removing soil and/or paving of the Leased Premises (or any portion thereof), and any and all planting, seeding and similar activities shall constitute "**Alterations**" for purposes of this Lease, and shall be subject to each and all of the terms and provisions relating thereto. In any event, any and all debris from any Alterations of Tenant shall be promptly removed from the Leased Premises by Tenant. In the event that, in connection with Tenant's Alterations, Tenant elects to fill any low spots on the Leased Premises, only clean fill (defined as not containing debris such as gravel, concrete, tree roots, brick or any contaminants) shall be used prior to the spreading of base fill underlying any paving. No paving or grading work (or similar work) of any kind will be undertaken within a ten (10) foot radius of any tower leg (or similar equipment, improvement or facility) of Landlord. Paving shall be well drained, firm and solid blacktop (or other substance approved in writing by Landlord), and shall be neat and clean in appearance. In addition, and not in lieu of the foregoing, any such grading, leveling, paving, filling and/or planting or seeding of the Leased Premises shall comply with the terms and provisions of Section 12 below and Landlord's vegetation management practices and procedures. Tenant shall not cause or permit the existing ground grade on the Leased Premises to be increased or decreased in excess of 8 inches (8") without Landlord's prior written consent.

C. Drainage. Tenant covenants and agrees that no Alterations made by Tenant pursuant to this Lease shall cause any surface water drainage problems for Landlord or any adjoining landowners. In the event that any such water drainage problems are caused by Tenant's Alterations, Tenant shall correct such problems immediately at Tenant's sole cost and expense.

D. Fencing and Barriers. Tenant covenants and agrees that, in the event that Tenant installs (or is required (by Landlord or otherwise) to install) any fencing and/or gates in connection with Tenant's Alterations at the Leased Premises (or its use or occupancy of the Leased Premises), Tenant will install, maintain and operate such fences and/or gates in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto and made a part hereof, and any and all other fencing and locking rules, regulations and guidelines which Landlord may deliver to Tenant from time to time prior to or during the Term. Tenant also acknowledges and confirms that, in connection with Landlord's review and/or approval of the plans and specifications for Tenant's Alterations at the Leased Premises (as provided in Subsection 9.A. above), Landlord may require, prior to or at any time during the Term of this Lease, that barriers ("**Barriers**") be installed on the Leased Premises in order to protect Landlord's Facilities and/or other equipment, improvements and facilities of Landlord and other users and occupants of the Leased Premises. Any such Barriers shall be installed, at Landlord's sole option, either: (i) by Tenant, at Tenant's sole cost and expense, in a manner satisfactory to Landlord, or (ii) by Landlord, in which event Tenant shall pay to Landlord, prior

to such installation, Landlord's reasonable estimate of the cost of such installation of the Barriers. Any barriers required to be installed hereunder shall be installed, maintained and operated by Tenant in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto, and any and all rules, regulations and guidelines regarding barriers which Landlord may deliver to Tenant from time to time prior to or during the Term.

E. Soil Removal. Tenant hereby agrees that it will not remove any soil from the Leased Premises without the prior written consent of Landlord. Any soil removed from the Leased Premises to which Landlord consents (as provided in the preceding sentence) shall become the property of Tenant and shall be: (i) transported and disposed of by Tenant (at its sole cost and expense) in a manner approved in writing by Landlord and in compliance with all Legal Requirements, and (ii) promptly replaced by Tenant at its sole cost and expense, with clean soil not contaminated with Hazardous Materials (as defined in Section 15 below).

F. Third Party Facilities. Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection reasonably required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

G. Supervision. Landlord shall have the right (but not the obligation) to monitor and observe Tenant's performance of any Alterations at the Leased Premises (or any component thereof) and, in the event that Landlord so elects, Tenant shall reimburse Landlord for any and all costs of such monitoring and observation, together with a charge for Landlord's overhead, as determined by Landlord. In the event that Landlord elects to monitor or observe any such work, in no event shall Landlord be deemed to have approved or made any representation or warranty regarding the same.

H. Notification. In addition to and not in lieu of, Tenant's other obligations under this Section 9, Tenant also agrees to notify Landlord's Representative, at ComEdRealEstateFacilities@comed.com, at least seventy two (72) hours prior to the commencement of any Alterations at the Leased Premises.

10. INDEMNITY. To the maximum extent permitted under Legal Requirements, Tenant agrees to protect, indemnify, defend (with DuPage County counsel acceptable to Landlord) which acceptance shall not be unreasonably withheld because under Illinois law, 55 ILCS 5/3-9005, any attorney representing the County of DuPage, who is not already an Assistant State's Attorney, is to be appointed as Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008 and hold harmless Landlord and Exelon Corporation, a Pennsylvania corporation, and their respective parents, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, the "**Indemnified Parties**") from and against any and all losses, costs, damages, liabilities, expenses (including, without limitation, reasonable attorneys' fees) and/or injuries (including, without limitation, damage to property and/or personal injuries) suffered or incurred by any of the Indemnified Parties (regardless of whether contingent, direct, consequential, liquidated or unliquidated) (collectively, "**Losses**"), and any and all claims, demands, suits and causes of action brought or raised against any of the Indemnified Parties (collectively, "**Claims**"), arising out of, resulting from, relating to or connected with: (i) any act or omission of Tenant or its officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, "**Tenant Group**") at, on or about the Leased Premises, and/or (ii) any breach or violation of this Lease on the part of Tenant, and notwithstanding anything to the contrary in this Lease, such obligation to indemnify, defend and hold harmless the Indemnified Parties shall survive any termination or expiration of this Lease. This indemnification shall include, without limitation, claims made

under any workman's compensation law or under any plan for employee's disability and death benefits (including, without limitation, claims and demands that may be asserted by employees, agents, contractors and subcontractors). Neither party makes any representation of the extent or nature of its authority to defend or indemnify.

11. WAIVER. Any entry onto the Leased Premises by Tenant and, to the extent permitted by law, each and every member of the Tenant Group, shall be at such parties' sole risk, and Landlord makes (and has heretofore made) no representations or warranties of any kind whatsoever regarding the Leased Premises or the condition of the Leased Premises (including, without limitation, the environmental condition thereof). To the fullest extent permitted by law, Tenant and each member of the Tenant Group hereby waives any and all claims, demands, suits and causes of action against the Indemnified Parties, and fully and forever releases the Indemnified Parties, for any loss, cost, damage, liability or expense (including, without limitation attorneys' fees) suffered or incurred by Tenant or any member of the Tenant Group in connection with any entry onto the Leased Premises pursuant to this Lease. Without limiting the generality of the foregoing, in no event shall any of the Indemnified Parties be responsible or liable for any loss, damage, destruction, theft or misappropriation of any of the property of Tenant or any member of the Tenant Group. This Section will survive termination or expiration of the Lease.

12 DIGGING WORK. If Tenant performs any grading, leveling, digging or excavation work on the Leased Premises (which work shall be subject to Landlord's prior written approval), Tenant will notify J.U.L.I.E. at telephone number (800) 892-0123, C.U.A.N. at (312) 744-7000 if the Leased Premises are located in the City of Chicago, or in the event the Leased Premises are located outside J.U.L.I.E.'s or C.U.A.N.'s jurisdiction, any other services required by the utilities in the jurisdiction, at least seventy-two (72) hours prior to the commencement of such work in order to locate all existing utility lines that may be present on the Leased Premises. If Tenant damages any such underground facilities in the course of its work, Tenant will promptly reimburse Landlord or the owner of such equipment or facilities for any and all expense incurred in repairing or replacing such damage.

13. CASUALTY. In the event of any damage to or destruction of the Leased Premises, by fire or other casualty, which materially and adversely affects Tenant's use and enjoyment of the Leased Premises for the purposes specified in this Lease, then either Landlord or Tenant shall have the right, no later than ninety (90) days after such party becomes aware of such damage or destruction, to terminate this Lease upon sixty (60) days' prior written notice to the other. In the event of any damage or destruction which is not so extensive, or in the event that Landlord and Tenant elect not to terminate this Lease pursuant to the preceding sentence, then this Lease shall continue in full force and effect, and Tenant will promptly and diligently, at its sole cost and expense, repair, restore, rebuild and replace the Leased Premises (and all improvements, fixtures, equipment and property thereat) as nearly as possible to the condition they were in immediately prior to such damage or destruction. Any such work shall be done in a manner satisfactory to Landlord, and in accordance with all Legal Requirements and the terms and provisions of this Lease. Landlord shall not be liable or responsible for any loss or damage caused to any property of Tenant or any member of the Tenant Group (including, without limitation, any such loss or damage caused by fire, vandalism or other casualty) at any time during the Term hereof.

14. CONDEMNATION. If the Leased Premises, or a substantial part thereof, or a portion which prevents use of the Leased Premises for the purposes specified herein, shall be taken or condemned by any competent authority for any public use or purpose, the Term shall end on the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of any condemnation award or proceeds (it being understood that Landlord shall be entitled to the entire amount of any such award or proceeds, and Tenant shall have no right to share therein). Then current Rent shall be apportioned as of the date of such termination.

15. ENVIRONMENTAL PROTECTION.

A. General. Tenant covenants and agrees that Tenant shall conduct its operations on the Leased Premises in compliance with all applicable Environmental Laws (as hereinafter defined) and further covenants that neither Tenant nor any member of the Tenant Group shall use, bring upon, transport, store, keep or cause or allow the discharge, spill or release (or allow a threatened release) in each case of any Hazardous Materials (as hereinafter defined) in, on, under or from the Leased Premises. Without limiting any other indemnification obligations of Tenant contained herein, Tenant hereby agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless the Indemnified Parties from and against any and all Losses and Claims (including, without limitation, (i) reasonable attorneys' fees, (ii) liability to third parties for toxic torts and/or personal injury claims, (iii) fines, penalties and/or assessments levied or raised by any governmental authority or court, and (iv) assessment, remediation and mitigation costs and expenses and natural resource damage claims) arising out of, resulting from or connected with any Hazardous Materials used, brought upon, transported, stored, kept, discharged, spilled or released by Tenant, any member of the Tenant Group or any other person or entity (except for any person or entity which is an Indemnified Party) in, on, under or from the Leased Premises. For purposes of this Lease, the term "**Hazardous Materials**" shall mean all toxic or hazardous substances, materials or waste, petroleum or petroleum products, petroleum additives or constituents or any other waste, contaminant or pollutant regulated under or for which liability may be imposed by any Environmental Law. For purposes hereof, the term "**Environmental Laws**" shall mean all federal, provincial, state and local environmental laws, statutes, ordinances, regulations and other requirements (including common law) regulating or imposing standards of care with respect to the handling, storage, use, emitting, discharge, disposal or other release of Hazardous Materials, including, but not limited to, the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901 et seq., the Clean Air Act, 42 U.S.C. §§7401, et seq., the Federal Water Pollution Control Act, 33 U.S.C. §§1251, et seq., the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 1101, et seq., the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §§ 9601 et seq., the Toxic Substances Control Act, 15 U.S.C. §§2601, et seq., the Oil Pollution Control Act, 33 U.S.C. §§2701, et seq., any successor statutes to the foregoing, or any other comparable local, state or federal statute or ordinance pertaining to protection of human health, the environment or natural resources, including without limitation the preservation of wetlands, and all regulations pertaining thereto, as well as applicable judicial or administrative decrees, orders or decisions, authorizations or permits.

B. Wetlands. If there are wetlands on the Leased Premises, or if wetlands should develop on the Leased Premises during the Term, Tenant shall strictly comply with and observe all applicable Environmental Laws. At Landlord's request, Tenant shall, at Tenant's sole cost, furnish Landlord with a survey of the Leased Premises delineating any wetland areas located on the Leased Premises. Under no circumstances shall Tenant change the physical characteristics of any wetland areas located on the Leased Premises, or any other adjoining land or place any fill material on any portion of the Leased Premises, or any adjoining land, without in each instance obtaining Landlord's prior written consent (which may be granted or withheld in Landlord's sole discretion), and only then in compliance with applicable Environmental Laws.

C. Notice of Violation/Release. Tenant shall provide Landlord with prompt written notice upon Tenant's obtaining knowledge of the existence of any Hazardous Materials on, in or under the Leased Premises in violation of Environmental Laws, or of any potential or known release or threat of release of any Hazardous Materials affecting the Leased Premises.

D. Survival. This Section shall survive the expiration or other termination or expiration of the Lease.

16. INSURANCE. Tenant shall comply with the insurance provisions contained in Exhibit D attached hereto and made a part hereof.

17. ZONING. Tenant hereby acknowledges that Landlord has made no representations that the Leased Premises may be used or is properly zoned for the Permitted Use, and Tenant further agrees that it will (at its sole cost and expense) obtain all necessary permits and other approvals prior to undertaking the Permitted Use. Tenant assumes all obligations and responsibilities for compliance with all Legal Requirements including, without limitation, all applicable zoning laws and ordinances, building codes and governmental regulations. This Lease is not preconditioned on Tenant obtaining any zoning or use permits or approval. This Lease does not constitute the authority to seek a zoning change to permit the Permitted Use, and in no event shall Tenant seek or apply for any such zoning change to the Leased Premises without Landlord's prior written consent, which consent may be given or withheld in Landlord's sole and absolute discretion.

18. NO SIGNS. Tenant shall not place or permit to be placed by any person or entity (other than Landlord) on the Leased Premises any signs or billboards (including, without limitation, any advertising signs or billboards) without the prior written approval of Landlord, which approval Landlord may give or withhold in Landlord's sole and absolute discretion. Tenant may place signs on the Specified Area without the consent of Landlord relating solely to safety and directional matters involving the Permitted Use. Tenant agrees to place a sign in a visible area within the Specified Area that contains an acknowledgment of Landlord's assistance and cooperation with the Tenant with respect to the Permitted Use, all in a manner and form reasonably acceptable to Landlord.

19. DAMAGE TO LANDLORD'S FACILITIES. Tenant agrees that in the event any work done by or on behalf of the Tenant on the Leased Premises causes damage to Landlord's Facilities, Tenant will promptly reimburse Landlord for any and all expense incurred for the repairing or replacement of such damage, within thirty (30) days, after presentation to Tenant of Landlord's statement therefor.

20. DEFAULT.

A. The occurrence of any of the following shall be considered a "**Default**":

(i) Tenant shall at any time fail to make any payment of Rent (or any portion thereof) or any other payments required of Tenant hereunder when required, and such failure continues for a period of more than ten (10) days (without necessity of any notice or demand therefor); or

(ii) Tenant shall breach or violate any of its duties or obligations set forth in Section 7 (Surrender of Leased Premises; Restoration), Section 8 (Compliance with Laws), Section 16 (Insurance), Section 22 (Covenants Against Liens), Section 23 (Assignment and Subletting) or Section 30 (Subordination; Estoppel) of this Lease; or

(iii) Tenant shall at any time be in default of any other covenants and conditions of this Lease to be kept, observed and performed by Tenant, which and such default continues for more than thirty (30) days (or such shorter time period as may specifically be set forth in this Lease) after notice from Landlord; or

(iv) this Lease or Tenant's interest therein, or any interest in Tenant, shall be assigned, transferred, mortgaged or pledged, levied on or attempted to be taken by execution, attachment or other process of law, or if any execution or attachment shall be issued against Tenant, or any of Tenant's property in the Leased Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Tenant; or

(v) a receiver, assignee or trustee shall be appointed for Tenant or Tenant's property or if the Tenant shall file bankruptcy, or if involuntary bankruptcy proceedings shall be filed against Tenant; or

(vi) Landlord shall receive notice of any alleged violation of any Legal Requirements resulting from or in any way connected with Tenant's use of the Leased Premises and such violation is not cured (and all liabilities connected therewith fully satisfied) by Tenant prior to the earlier of (a) the last day of the period permitted by law for curing such violation or (b) the first date Landlord becomes subject to any fine, penalty, lien, judgment, order or other liability due to the continued existence of such violation; or

(vii) Tenant shall abandon the Leased Premises or vacate same during the Term hereof.

B. If a Default occurs, Landlord may do any or all of the following (all of which remedies shall be cumulative and not exclusive, and all of which remedies shall be in addition to, and not in lieu of, any other rights and remedies to which Landlord may be entitled under this Lease, at law or in equity):

(i) At its option, at once, without notice to Tenant or to any other person, terminate this Lease and at its option, require payment in full of the Rent due for the unexpired term of the Lease;

(ii) Enter into the Leased Premises, and remove Tenant's property and effects therefrom, and/or take and hold possession thereof, without such entry and/or possession terminating this Lease or releasing Tenant in whole or in part from Tenant's obligations to pay Rent and perform all its other obligations hereunder for the full Term, and to relet the Leased Premises or any part or parts thereof, either in the name of for the account of Landlord or Tenant, for such Rent and for such term and terms as Landlord may see fit, which term may at Landlord's option extend beyond the balance of the Term of this Lease. Except to the extent required under applicable Legal Requirements, Landlord shall not be required to accept any tenant offered by Tenant or to observe any instructions given by the Tenant about such reletting. In any case, Landlord may make such repairs, alterations and additions in or to the Leased Premises as it sees fit. Tenant shall pay Landlord any deficiency between the Rent hereby reserved and covenanted to be paid and the net amount of the rents collected on such reletting, for the balance of the Term of this Lease, as well as any expenses incurred by Landlord in such reletting, including, but not limited to attorney's fees, broker fees, the expenses of repairing, altering the Leased Premises, and otherwise preparing the same for re-rental. All such costs, other than the rental, shall be paid by Tenant upon demand by Landlord. Any deficiency in rental amounts shall be paid in monthly installments, upon statements rendered by Landlord to Tenant, unless Landlord has declared the entire Rent for the balance of the Term due, as elsewhere in this Lease provided. Any suit brought to collect the amount of the deficiency for any one or more months' Rent shall not preclude any subsequent suit or suits to collect the deficiency for any subsequent month's Rent;

(iii) Require that upon any termination of this Lease, whether by lapse of time, the exercise of any option by Landlord to terminate the same, or in any other manner whatsoever, or upon any termination of Tenant's right to possession without termination of this Lease, the Tenant shall at once surrender possession of the Leased Premises to the Landlord and immediately vacate the same and remove all effects therefrom, except such as may not be removed under other provisions of this Lease. If Tenant fails to do so, Landlord may forthwith re-enter the Leased Premises, with or without process of law, and repossess itself thereof as in its former estate and expel and remove Tenant and any other persons and property therefrom, using such force as may be necessary without being deemed guilty of trespass, eviction or forcible entry, without thereby waiving Landlord's rights to Rent or any other rights given Landlord under this Lease or at law or in equity;

(iv) Remove, at its option if the Tenant shall not remove all effects from the Leased Premises in this Lease as provided, any or all of such effects in any manner that Landlord shall choose and store the same without liability for loss thereof, and Tenant will pay Landlord, upon demand, any and all expenses incurred in such removal and also storage of said effects for any length of time during which the same shall be in Landlord's possession or in storage, or Landlord may at its option, without notice, sell any or all of said effects in such manner and for such price as the Landlord may deem best and apply the proceeds of such sale upon any amounts due under this Lease from the Tenant to Landlord, including the expenses of removal and sale;

(v) Collect from Tenant any other loss or damage Landlord may sustain by reason of any breach (including, without limitation, the unamortized portion of any brokerage fee or commission paid by or on behalf of Landlord to any broker or finder with respect to this Lease) and any diminished value of the Leased Premises resulting from said breach;

(vi) Enjoin any such breach of this Lease by Tenant; and/or

(vii) Take any and all corrective actions Landlord deems necessary or appropriate to cure the default of Tenant in question and charge the cost thereof to Tenant, together with (i) interest at the Default Rate, and (ii) an administrative charge in an amount equal to ten percent (10%) of the cost of the corrective action to defray part of the administrative expense incurred Landlord in administering such cure, such payment to be made by Tenant upon Landlord's presentment and demand therefor.

C. Except as specifically provided in this Section Tenant expressly waives the service of any notice of intention to terminate this Lease or to terminate Tenant's right of possession of the Leased Premises or to re-enter the Leased Premises and waives the service of any demand for payment of Rent or for possession and waives the service of any and every other notice or demand prescribed by any statute, law or ordinance and agrees that the simple breach of any of the covenants of this Lease (beyond any applicable notice and cure periods) shall, of itself, without the service of any additional notice or demand whatsoever, at Landlord's option, constitute a default on the part of Tenant. No receipt of monies by the Landlord from or for the account of Tenant or from anyone in possession or occupancy of the Leased Premises after termination in any way of this Lease or after the giving of any notice, shall reinstate, constitute or extend the Term of this Lease or affect any notice given to the Tenant prior to the receipt of such money, it being agreed that after the service of notice of the commencement of a suit, or after final judgment for possession of the Leased Premises, Landlord may receive and collect any Rent or other amounts due Landlord and such payment not waive or affect said notice, said suit, or said judgment.

D. Any and all rights and remedies which Landlord may have under this Lease at law or in equity, shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of said rights and remedies may be exercised at the same time or at different times and from time to time.

E. If Landlord is required to incur expense, legal, incidental, or consequential, because of the breach of this Lease by Tenant, the Tenant shall promptly reimburse Landlord for such expense upon being given a written itemization and explanation thereof. In the event of commencing a court action as a result of any breach, it is agreed that such expenses are to be considered a part of the damages claimed in said action and any expense incurred in prosecuting that action shall be included. It is agreed that the term "expenses" as used herein shall include, but not be limited to, attorney's fees, court costs, district justice costs, and any and all other costs and expenses reasonably related to such breach.

F. The failure of Landlord to enforce rights under this Lease on one or numerous occasions shall not affect the Landlord's ability to enforce that right on any subsequent occasion or occasions.

G. Upon the occurrence of a Default or any breach or default under this Lease by Tenant, Tenant shall be liable for and shall reimburse Landlord upon demand for all reasonable attorney's fees and costs incurred by Landlord in enforcing Tenant's obligations under this Lease, whether or not Landlord files legal proceedings in connection therewith.

H. In the event that a Default shall occur and Landlord elects to terminate this Lease, or upon expiration of this Lease, Tenant shall not be relieved of its duties or obligations under this Lease so long as Tenant or any of Tenant's property remains on the Leased Premises. Additionally, any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

I. In the event of a threatened breach by Tenant of any of the covenants or provisions of this Lease, Landlord shall (without limiting any of Landlord's other rights or remedies hereunder, at law or in equity) have the right to enjoin any such threatened breach.

21. LIMITATION ON LIABILITY. It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements continued in this Lease are made or intended as personal covenants, undertakings or agreements by Landlord or any entity which is affiliated with Landlord its parent or subsidiaries. Tenant specifically agrees to look solely to Landlord's interest in the Leased Premises for the recovery of any sums, damages, awards or judgments from Landlord. It is agreed that neither Landlord, nor any entity which is affiliated with Landlord (nor any of their respective parents or subsidiaries, nor any of their respective shareholders, venturers, officers, directors or employees) shall be personally liable for any such sums, damages, awards or judgments. This Section will survive termination or expiration of the Lease.

22. COVENANTS AGAINST LIENS. Tenant hereby covenants and agrees that it will not cause or permit any lien (including, without limitation, any mechanic's lien) or claim for lien to be asserted against the Leased Premises or any interest therein, whether such lien or claim for lien results from or arises out of any act or omission of Tenant or any member of the Tenant Group or otherwise. In the event any such lien or claim for lien is filed, Tenant will immediately pay and release the same. In the event such lien or claim of lien is not released and removed within five (5) days after notice from Landlord, Landlord, at its sole option and in addition to any of its other rights and remedies, may take any and all action necessary to release and remove such lien or claim of lien (it being agreed by Tenant that Landlord shall have no duty to investigate the validity thereof), and Tenant shall promptly upon notice thereof reimburse Landlord for all sums, costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Landlord in connection with such lien or claim of lien. Tenant hereby agrees to indemnify, defend and hold harmless Landlord from and against any and all liens or claims to the extent permitted by law for lien arising out of or in any way connected with Tenant's use and occupancy of the Leased Premises. Any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

23. ASSIGNMENT AND SUBLETTING. Tenant shall not, directly or indirectly, assign, mortgage, pledge, encumber, or otherwise transfer this Lease (or any interest of Tenant herein), whether by operation of law or otherwise, and shall not sublet (or underlet), or permit, or suffer the Leased Premises or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any assignment, sublease, mortgage, pledge, encumbrance or transfer by Tenant in contravention of the provisions of this Section shall be void. For purposes of this Lease any transfer, directly, indirectly or by operation of law, of a "controlling" interest in Tenant shall constitute an assignment of this Lease, and shall be subject to the terms and provisions of this Section. For purposes hereof, a "controlling" interest in Tenant shall mean: (a)

the ownership, directly or indirectly, of a majority of the outstanding voting stock or interests of Tenant, or (b) the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting securities or other ownership interests, by statute, or by contract.

24. **TERMINATION**. Prior to the end of the Term, this Lease may be terminated at any time by either of the parties hereto by giving ninety (90) days prior written notice to the other party of such termination. This Lease may also be terminated by Landlord, if Landlord is required to do so by a regulatory body, by a court of competent jurisdiction or Legal Requirements. In the event this Lease is terminated for any reason, any Rent paid in advance shall be prorated to the effective date of such termination and the unearned portion thereof refunded to Tenant.

25. **LANDLORD'S RIGHTS.** The rights of the Landlord to utilize the Leased Premises in its utility business, at all times, will be and remain paramount to the rights herein granted to Tenant by Landlord and nothing stated herein is to be construed as restricting Landlord from granting rights to other parties or persons in, upon or under the Leased Premises. Without limiting the generality of the foregoing, the parties specifically refer to rights relating to sewers, water pipes and mains, drainage tiles and pipes, gas main and pipelines and other associated uses. In addition, Landlord shall have the right to enter upon the Leased Premises at any time and from time to time during the Term to (a) show the same to prospective tenants, mortgagees and/or purchasers, and to place "For Rent" and/or "For Sale" signs thereon and (b) to conduct any and all vegetation management in, on, or about the Leased Premises in accordance with Landlord's then current vegetation management practices and procedures.

26. **RIGHT OF ENTRY.**

A. Tenant agrees that Landlord and Landlord's agents, representatives, employees, contractors, licensees, invitees, tenants, successors and assigns (collectively, "**Landlord Parties**"), shall have the right to enter the Leased Premises at any time Landlord deems necessary, to alter, modify, augment, supplement, improve, upgrade, use, operate, repair, replace, install, construct, maintain or protect Landlord's Facilities and to conduct vegetation management activities, including the right to cut down, trim and remove any trees, brush or other vegetation that interferes with or potentially interferes with Landlord's Facilities on the Leased Premises as Landlord deems necessary in its sole discretion. Tenant shall not plant any trees or other vegetation on the Leased Premises without the prior written consent of Landlord which it may withhold in its sole discretion. Landlord has the right to require Tenant to remove and relocate any paving, improvements or property owned or used by Tenant at the Leased Premises, in connection with the use, operation, maintenance, repair, installation and/or removal of Landlord's Facilities by any Landlord Party, and/or or in connection with any other use (present or future) of the Leased Premises by the Landlord Parties, all of which removal and relocation shall be at Tenant's sole cost and expense. In the event that Tenant fails to remove and/or relocate any such paving, improvements or property upon notice from Landlord, then Landlord shall have the right (but not the obligation) to remove such paving, improvements or property on Tenant's behalf, and at Tenant's cost, and Tenant shall promptly reimburse Landlord for any costs and expenses paid or incurred by Landlord in connection therewith. Tenant agrees that it will cooperate with Landlord in connection with any entry on, and work at, the Leased Premises by the Landlord Parties, and shall coordinate Tenant's use of the Leased Premises with any use of the Leased Premises by any of the Landlord Parties, including but not limited to vegetation management. Landlord shall not in any event be liable for inconvenience, disruption, disturbance, loss of business or other damage to Tenant by reason of any entry on, or work at, the Leased Premises by any Landlord Party, or on account of bringing materials, supplies, and equipment into or through the Leased Premises. Tenant understands that the business of the Landlord involves, among other things, the construction, installation, maintenance, operation, and use of Landlord's Facilities now or which may

hereafter be erected or installed upon, along, on, over, across or under the Leased Premises, or property adjacent thereto, which are used or useful in connection with the generation, conversion, transmission or distribution of electricity and gas and communications services. Tenant covenants and agrees (as a specific condition of this Lease) that Tenant and each member of the Tenant Group will not, under any circumstances whatsoever, touch, handle, tamper with or contact, directly or indirectly, any of the Landlord's Facilities, nor damage, destroy, interfere with, obstruct or otherwise adversely affect, Landlord's Facilities.

B. Landlord and its representatives may enter the Leased Premises at all reasonable times for the purpose of inspecting the Leased Premises, or to show the Leased Premises to prospective purchasers, investors, encumbrancers, or tenants. In the case of an emergency, Landlord or its agents may enter the Leased Premises without prior notice, and may enter forcibly, without liability to Tenant, and without affecting this Lease. During the final twelve (12) months of the Term, Landlord may place customary "For Sale" or "For Lease" signs on the Leased Premises

27. LANDLORD'S RIGHT TO TRANSFER. This Lease shall not in any manner or to any extent limit or restrict the right of Landlord to use or dispose of the Leased Premises as Landlord may in its discretion desire, subject to rights of Tenant hereunder. Landlord shall have the right, without notice to or consent from Tenant, to assign this Lease to any person or entity that succeeds (directly, indirectly or by operation of law) to any of Landlord's right, title or interest in or to the Leased Premises.

28. TENANT'S PROPERTY. It is expressly understood and agreed that all equipment and other personal property that Tenant may install upon the Leased Premises during the Term shall remain the property of Tenant and shall be removed by Tenant (as set forth in Section 7 hereof), at its sole cost and expense, at the expiration of the term of this Lease or at any time prior thereto.

29. HOLDING OVER. Tenant shall have no right to remain in possession of all or any part of the Leased Premises after the expiration of the Term. In the event that Tenant remains in possession of all or any part of the Leased Premises after the expiration or earlier termination of the Term, at Landlord's option (exercised by giving Tenant written notice): (a) such tenancy shall be deemed to be either (at Landlord's sole option) a periodic tenancy from month-to-month only, or a tenancy at sufferance terminable at will by Landlord; (b) such tenancy shall not, unless Landlord otherwise elects (as set forth above), constitute a renewal or extension of this Lease for any further Term; and (c) such tenancy may be terminated by Landlord upon the earlier of thirty (30) days' prior written notice or the earliest date permitted by law. In the event Tenant remains in possession after the expiration or earlier termination of the Term, then: (i) Landlord shall have the right to charge Tenant a monthly Base Rent equal to Landlord's estimate (as determined by Landlord in its sole discretion) of two hundred percent (200%) of the fair market monthly rental value of the Leased Premises, and any other sums due under this Lease shall be payable in the amount and at the times specified in this Lease, and (ii) Tenant agrees to the extent permitted by law to indemnify, defend (with counsel acceptable to Landlord, which acceptance shall not be unreasonably withheld) and hold the Indemnified Parties harmless from and against any and all Losses and Claims sustained, incurred and/or brought against any of the Indemnified Parties by reason of such retention of possession of the Leased Premises (which may include, without limitation, any Claims made by any actual or prospective subsequent lessee or other user or occupant of the Leased Premises or any portion thereof). Any such month-to-month tenancy or tenancy at sufferance shall be subject to every other term, condition, and covenant contained in this Lease.

30. SUBORDINATION; ESTOPPEL.

A. This Lease and the rights of Tenant hereunder shall be and are hereby made expressly subject and subordinate at all times to the lien of any mortgage now or hereafter existing against all or any portion of the Leased Premises. Tenant acknowledges that its title is and always shall be subordinate to the title of the owner of the Leased Premises and nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of the owner of the Leased Premises. In confirmation of such subordination, Tenant shall promptly execute and deliver any instrument that Landlord or any mortgagee of Landlord may request to evidence such subordination no later than ten (10) business days after Landlord's request therefor. If any mortgagee of Landlord (or its successors or assigns), or any other person or entity, shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlord's rights ("**Successor Landlord**") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's Landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such attornment. Upon such attornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such attornment.

B. Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than ten (10) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant, (a) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the Base Rent, (c) setting forth the date to which the Rent has been paid, (d) stating whether or not, to the best knowledge of the Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such default, (e) stating whether there are any subleases affecting the Leased Premises, (f) stating the address of Tenant to which all notices and communication under the Lease shall be sent, and the Commencement Date, and (g) containing any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered pursuant to this paragraph may be relied upon by others with whom Landlord may be dealing, including any purchaser or owner of the Leased Premises, or of Landlord's interest in the Leased Premises or any lender or mortgagee of Landlord. If Tenant fails to execute and return such written statement to Landlord within such ten (10) day period, such failure shall constitute Tenant's agreement as to the accuracy of the information contained in the written statement submitted to Tenant by Landlord.

31. MISCELLANEOUS.

A. Illinois Commerce Commission Approval. Landlord and Tenant acknowledge that Landlord is a public utility regulated by the Illinois Commerce Commission ("**Commission**") and other governmental authorities, and this Lease and the obligations of the parties hereto are subject to all Legal Requirements applicable to Landlord as a public utility. Although it is not expected that the Commission's or other governmental authorities' approval will be required for this Lease, the rights and obligations of the parties hereunder are conditioned upon the Commission's and any other applicable governmental authorities' approval of this Lease, under any circumstances in which such approval is required. It is further agreed and understood that this Lease may be terminated by Landlord immediately at any time in the event that Landlord is required to do so by the Commission or some other governmental authority.

Unless otherwise specified to the contrary in this Lease, all notices shall be deemed to have been given upon receipt (or refusal of receipt) thereof.

C. Prohibition on Recording. To the maximum extent permitted under Legal Requirements, Tenant agrees not to record this Lease. This Section will survive the termination or expiration of this Lease.

D. Waiver of Jury Trial. Landlord and Tenant, by this Section, waive trial by jury in any action, proceeding, or counterclaim brought by either of the parties to this Lease against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Leased Premises, or any other claims, and any emergency statutory or any other statutory remedy.

E. Captions. The section headings appearing in this Lease are for convenience of reference only and are not intended, to any extent and for any purpose, to limit or define the text of any section or any subsection hereof.

F. Binding Effect. The covenants, conditions, and agreements contained in this Lease will bind and inure to the benefit of Landlord and Tenant and their respective heirs, distributees, executors, administrators, successors and permitted assigns. In the event that Tenant is comprised of more than one individual or entity, the obligations of such individuals or entities under this Lease shall be joint and several.

G. Entire Agreement. This Lease, the exhibits and addenda, if any, contain the entire agreement between Landlord and Tenant regarding the subject matter hereof, and fully supersede all prior written or oral agreements and understandings between the parties pertaining to such subject matter. No promises or representations, except as contained in this Lease, have been made to Tenant respecting the condition or the manner of operating the Leased Premises.

H. Further Assurances. Each party agrees that it will execute and deliver such other documents and take such other action as may be reasonably requested by the other party to effectuate the purposes and intention of this Lease.

I. No Waiver. The failure of either party to enforce at any time any provision of this Lease shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Lease or any part hereof or the right of such party thereafter to enforce each and every such provision. No waiver of any breach of this Lease shall be held to constitute a waiver of any other or subsequent breach.

J. No Third Party Beneficiaries. Landlord and Tenant agree and acknowledge that, except as expressly set forth herein, there are no intended third party beneficiaries of this Lease nor any of the rights and privileges conferred herein.

K. Governing Law. The terms and provisions of this Lease shall be governed by and construed in accordance with the laws of the State of Illinois. With respect to any suit, action or proceeding relating to this Lease (each a "**Proceeding**"), the parties hereto each irrevocably: (a) agree that any such Proceeding shall be commenced, brought, tried, litigated and consummated in the courts of the State of Illinois located in the County of DuPage or (as applicable) in the United States District Court for the Northern District of Illinois, (b) submit to the exclusive jurisdiction of the courts of the State of Illinois located in the County of DuPage and the United States District Court for the Northern District of Illinois, and (c) waive any objection which they may have at any time to the laying of venue of any Proceeding brought in any court, waive any claim that any Proceeding brought in any such court has been brought in an inconvenient forum, and further waive the right to object, with respect to such Proceeding, that any such court does not have jurisdiction over such party.

L. Counterparts. This Lease may be executed by the parties in counterparts. Each such counterpart shall be deemed an original and all such counterparts, taken together, shall constitute one and the same agreement.

M. Subordinate. This Lease, and all of Tenant's rights and interests hereunder, are subject and subordinate to any and all recorded and unrecorded easements, licenses, leases and permits, and all other matters (whether recorded or unrecorded) affecting the Leased Premises (or title thereto) dated prior to the date of this Lease.

N. Severability. COVERAGE #1

Workers' Compensation Insurance with statutory limits, as required by the state in which the work is to be performed, –and Employers' Liability Insurance with limits not less than One Million dollars ($1,000,000.00) each accident/occurrence

COVERAGE #2

Commercial General Liability (CGL) Policy or Policies (with coverage consistent with ISO CG 0001 (12 04)) covering all contractors, subcontractors and all their subcontractors with limits not less than Four Million dollars ($4,000,000.00) per occurrence covering liability for bodily injury and property damage arising from premises, operations, independent contractors, personal injury/advertising injury, blanket contractual liability and products/completed operations for not less than three (3) years from the date the work is accepted. (CGL insurance includes, but is not limited to coverage for claims against Landlord for injuries to employees of Tenant and its contractors or any subcontractors) Landlord shall be added as an Additional Insured providing coverage consistent with ISO Form CG 20 26 11 85 or the combination of ISO Form CG 20 10 10 01 and CG 20 37 10 01.

COVERAGE #3

Automobile Liability in an amount of not less than one million dollars ($1,000,000) per accident for bodily injury and property damage, covering all owned, leased, rented or non-owned vehicles, which shall include automobile contractual liability coverage.

Policies covering contractors may substitute lower limits for any of the policies listed above, provided that Contactors maintains an umbrella or excess liability policy or policies which provide a total minimum limit of four million dollars ($4,000,000) per occurrence for general liability and one million dollars ($1,000,000) for automobile liability, and that all other requirements of this insurance clause are satisfied by such umbrella or excess policy or policies.

There shall be furnished to Landlord, prior to commencing the work above described a certificate of insurance showing the issuance of insurance policies pursuant to the requirements contained in Coverages #1, #2, and #3 of this paragraph. Insurance coverage as required herein shall be kept in force until all work has been completed.

Insurance coverage provided by Tenant's contractors shall not include any of the following; any claims made insurance policies; any self-insured retention or deductible amount greater than two hundred fifty thousand dollars ($250,000) unless approved in writing by Landlord; any endorsement limiting coverage available to Landlord which is otherwise required by this Article; and any policy or endorsement language that (i) negates coverage to Landlord for Landlord's own negligence, (ii) limits the duty to defend Landlord under the policy, (iii) provides coverage to Landlord only if Tenant or its contractors are negligent, (iv) permits recovery of defense costs from any additional insured, or (v) limits the scope of coverage for liability assumed under a contract.

To the extent permitted by applicable Laws, all above-mentioned insurance policies shall provide the following:

(1) Be primary and non-contributory to any other insurance carried by Landlord

(3) Provide for a waiver of all rights of subrogation which Tenant's, or its Contractors' insurance carrier might exercise against Landlord; and

(4) Any Excess or Umbrella liability coverage will not require contribution before it will apply

Landlord hereby reserves the right to amend, correct and change from time-to-time the limits, coverages and forms of polices as may be required from Tenant and/or its contractors.

WAIVER OF SUBROGATION

Tenant and its contractors shall waive all rights of subrogation against Landlord under those policies procured in accordance with this Lease.

EXHIBIT E

Additional Requirements

Tenant shall adhere to the following requirements:

1. Tenant shall maintain the Leased Premises and Additional Area to be Maintained (which includes the open grass way area) of the Landlord right of way property.
2. The metallic goal structures are not to be permanent fixtures and must be removed after each use. It is suggested the metallic structures be grounded to guard against induced voltages.
3. No part of the field or goal structures shall be located within ten (10) feet of any Landlord equipment or facilities.
4. Care must be used when mowing the fields such that no Landlord structures are touched.
5. If lighting and landscaping is required, plans and details must be provided to ComEd for review to ensure safety clearances are not violated.
6. Tenant's facilities on Landlord's property should be designed for HS20 axle loading per AASHTO highway specifications in order to withstand Landlord's construction traffic.
7. Tenant must not excavate and /or store material or construction equipment within 10 feet of the existing metallic and/or wood structures installed on Landlord property. Tenant shall contact the Overhead Transmission Engineering department with any questions concerning this request.
8. Tenant must use care when working on Landlord property to avoid damage to existing facilities and equipment. The owners of the various pipelines and /or owners of underground facilities shall be contacted by the Tenant to provide any restrictions such as grade cover and/ or specific protection and/or restrictions during any penetration and/or disturbing of the Landlord property and surface.
9. There are existing buried hand holes for the LLR fiber in the area. If these hand holes were paved over during the installation of the bike path it poses a maintenance concern. Slack coils exist in the hand holes for emergency restoration purposes. The cable route should be located to verify the newly installed bike path is not over the cable or hand holes. If it is over the hand holes access to those hand holes needs to be addressed by either rerouting the path or other means. This applies to plan se 05-655 and 06-689.
10. Staging and stockpiling of material during construction must not exceed ten (10) feet in elevation above grade. Construction equipment shall not be placed on the upper-most sections of the stockpiles.
11. Tenant must remove all scrub brush, limbs and/or tree trunks from the Leased Premises. Burning of vegetation, scrub brush, limbs and/or tree trunks is not permitted.
12. Tenant must not plant trees within fifteen (15) feet of existing overhead transmission facilities, distribution structures or other Landlord's Facilities.
13. Tenant shall only plant vegetation and /or trees that will not exceed ten (10) feet in elevation at maturity.
14. Landlord reserves the right to trim vegetation and /or trees and remove any vegetation or trees to (i) assure National Electrical Safety Code (NESC) electrical clearances are met (ii) perform maintenance and/or repairs to Landlord's Facilities.
15. The path shall not meander, but it may curve around existing structures and shall maintain fifteen (15) foot spacing from all existing transmission structures.
16. At all path access points, Tenant must post highly visible signs indicating that motorized vehicular use of the path by the public is prohibitedexcept for required County maintenance, including third party maintenance or emergency service activities as may be required. Further, Tenant shall take responsibility to ensure that motorized vehicular use does not occur.
17. The path surface for Tenant's project cannot use aggregate concrete or curbs. A crushed limestone or asphalt surface is acceptable.
18. Tenant's proposed grade change cannot exceed eight (8) inches within the Landlord's property and must ensure that the existing drainage and storm water will not pool on the Leased Premises or adjacent properties.

19. Any damage to Landlord's property caused by Tenant shall be repaired at Tenant's expense.

Under no circumstances shall truck beds be raised underneath Landlord's distribution and /or transmissions lines. This paragraph shall be added to any construction drawings.

24. Tenant acknowledges that the Landlord does use heavy equipment and that Landlord will not be responsible for any damage to the Tenant's facilities that may occur due to the Landlord's right to access Landlord's property to operate and maintain new and existing transmission and distribution facilities.

RECREATIONAL LEASE

THIS RECREATIONAL LEASE (the "**Lease**") is made as of August 12, 2025 by and between COMMONWEALTH EDISON COMPANY, an Illinois corporation ("**Landlord**") and the COUNTY OF DU PAGE ("**Tenant**") a municipal corporation (hereinafter referred to as "**Tenant**") whose address is 421 North County Farm Road, Wheaton, IL 60187.

WHEREAS, Landlord is the owner of various parcels of land on or adjacent to the former rights-of-way of the DU PAGE COUNTY and more fully described on Exhibit A ("**Landlord's Property**").

NOW THEREFORE, Landlord, for and in consideration of the payment of Rent (as hereinafter defined) by Tenant, and of the covenants, conditions and agreements of Tenant hereinafter set forth, does hereby lease and demise to the Tenant (without warranty of title), and Tenant does hereby lease from Landlord, a portion of Landlord's property located in Du Page County, Illinois as shown on Exhibit A attached hereto and made a part hereof (the "**Leased Premises**"), for the purposes specified in Section 2 below.

1. TERM.

A. The term of this Lease (the "**Term**") shall begin on August 12, 2025 (the "**Commencement Date") and shall terminate on June 30, 2045 unless sooner terminated as provided herein.**

B. Subject to the terms and provisions of this Lease, Landlord hereby grants to Tenant one (1) option to renew this Lease on the same terms and conditions (each, a "**Renewal Option**") for a renewal term of ten (10) years (each, a "**Renewal Term**"). If Tenant desires to exercise a Renewal Option, it shall notify Landlord in writing no earlier than one (1) year and not later than one hundred eighty (180) days prior to the then current expiration date of the Term (before the operation of the Renewal Option being exercised); and, once exercised, shall operate to extend the Term to end concurrently with the Renewal Term set by the Renewal Option so exercised.

C. Subject to Subsection 1.D. below, such notice shall only be effective if delivered at a time when Tenant is not in default hereunder and when to the knowledge of Tenant, no default, breach, unsatisfied

condition or other event has occurred or circumstances exist that constitute or which, with the giving of notice or the passage of time (including the passage of time during which a default has occurred and has not yet been cured during any applicable grace period) or both, would constitute such a default.

D. In addition to any other inspections of the Leased Premises that Landlord may conduct during the Term of this Lease, during the period between the exercise of a Renewal Option and the start of the associated Renewal Term, Landlord shall review the Leased Premises and determine whether Tenant is in compliance with the terms and conditions of the Lease. Landlord shall notify Tenant in writing if any deficiencies in the performance of Tenant's obligations under the Lease are discovered during such review and any actions needed to correct them. Unless otherwise agreed in writing by Landlord, Tenant shall correct any item on such notice prior to the start of the Renewal Term in question.

E. Prior to the beginning of any Renewal Term, the parties shall execute an amendment to this Lease to memorialize such Renewal Term. If Tenant does not exercise a Renewal Option, such Renewal Option and all subsequent remaining Renewal Options (if any) shall thereupon expire.

2. PURPOSE. The Leased Premises shall be used by Tenant solely for the purposes of a one thousand two hundred(1,200) foot recreational trail for pedestrians and bicyclists and equestrians ("**Tenant's Facilities**"), in compliance with all Legal Requirements (as defined in the next sentence) and the terms and provisions of this Lease, and for no other purposes (the "**Permitted Use**"). For purposes hereof, the term "**Legal Requirements**" shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes (including the National Electrical Safety Code), executive orders, court orders, rules of common law, and any judicial interpretations thereof, extraordinary as well as ordinary, of all governmental authorities, and all rules, regulations and government orders with respect thereto, and of any applicable fire rating bureau, or other body exercising similar functions, affecting the Leased Premises or the maintenance, use or occupation thereof, or any street, sidewalk or other property comprising a part thereof, regardless of whether imposed by their terms upon Landlord or Tenant, or the use and occupancy thereof by Tenant. "Legal Requirements" shall include "Environmental Laws" as defined in Section 15, below. Tenant's use of the Leased Premises shall also be and remain subject to Landlord's superior right to use all or any portion of the Leased Premises for its business purposes, including the installation, use and maintenance of any transmission, distribution or communications improvements, fixtures, facilities, machinery, equipment and/or other property owned by Landlord and now or hereafter installed by Landlord on or near the Leased Premises ("**Landlord's Facilities**").

3. RENT.

A. Base Rent. Landlord acknowledges its receipt of the payment of "Base Rent", a one-time payment by Tenant in the amount of One and No/100 Dollars ($1.00) and no other Base Rent shall be assessed during the term of this Lease.

B. Rent. For purposes of this Lease, the term "**Rent**" shall mean the Base Rent, together with all other amounts due and payable by Tenant to Landlord under this Lease.

C. Payment of Rent. All Rent due and payable by Tenant under this Lease shall be paid to the following address:

or to such other place as Landlord may from time to time designate in writing. All payments due from Tenant hereunder which are not paid when due shall bear interest at a rate equal to ten percent (10%) per annum from the date due until paid (the "**Default Rate**"). Such interest shall be compounded monthly. In addition to, and not in lieu of, the foregoing (and any other rights and remedies to which Landlord is entitled under this Lease), in the event that any payment due from Tenant hereunder is not paid within five (5) business days of the date that the same is due, then a late fee in the amount of ten percent (10%) of the unpaid amount shall be due and payable by Tenant to Landlord. All Rent shall be paid by Tenant without notice or demand, and without any set-off, counterclaim, abatement or deduction whatsoever, in lawful money of the United States by bank check or wire transfer of immediately available funds. Tenant's obligations to pay Rent are independent of each and every covenant contained in this Lease.

E. Net Lease. Except as otherwise provided in this Lease, the Rent herein shall be absolutely net to Landlord, so that this Lease shall yield, net to Landlord, the Rent in each year during the Term of this Lease and any renewals thereof, and that all costs, expenses and obligations of every kind and nature whatsoever, relating to the Leased Premises which may arise or become due during the Term of this Lease or any renewal or extension thereof, or as a result of Tenant's use or occupancy of the Leased Premises, shall be paid by Tenant, and Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord from all such costs, expenses and obligations.

4. TAXES. Tenant shall pay the following amounts as "Taxes" to Landlord in each case no later than thirty (30) days after Landlord's written demand therefor:

A Tenant's proportionate share of the land component of all real estate taxes for each tax parcel of which the Leased Premises is a part for all periods falling within the Term, which proportionate share shall be calculated as follows: (i) the total land component of each tax bill for each such real estate tax parcel which includes any portion of the Leased Premises, multiplied by (ii) a fraction, the numerator of which shall be the acreage of the portion of such tax parcel which falls within the Leased Premises, and the denominator of which shall be the total acreage of such tax parcel; plus

B All real estate taxes and other assessments which are allocable to any improvements, structures or fixtures constructed, installed, or placed by Tenant at the Leased Premises for all periods falling within the Term, plus

C Any increase in the real estate taxes and other assessments payable with respect to the Leased Premises (or any tax parcel of which the Leased Premises is a part) which is allocable to this Lease, Tenant's use or occupancy of the Leased Premises, or any improvements, structures or fixtures constructed, installed or placed by Tenant at the Leased Premises (but without duplication of any amount payable pursuant to clause (B) above), for all periods falling within the Term; plus

D For purposes of this Lease, Taxes "for" or "with respect to" any particular period (or portion thereof) shall mean the Taxes which are payable during the calendar year in which any portion of such period falls, irrespective of the fact that such Taxes may have accrued with respect to a different period.

E Tenant hereby covenants and agrees that Tenant shall, no later than the Tax Exemption Date (as hereinafter defined), at Tenant's sole cost and expense, execute and deliver all documents, instruments petitions and applications, and take all other actions which may be reasonably necessary and/or appropriate, in order to cause the Leased Premises to be exempted from the payment of real estate taxes, to

the extent that it is possible without the transfer of any ownership or change in the property owner name in the records of the applicable taxing jurisdiction, under applicable Legal Requirements. Concurrently with the delivery of any such documents, instruments, petitions and applications, Tenant shall furnish Landlord with copies thereof. In the event that Tenant is successful in obtaining any such real estate tax exemption for the Leased Premises, then Tenant shall thereafter cause such real estate tax exemption to be continued for each tax year (or portion thereof) during which this Lease is in effect (and Tenant shall execute such documents, instruments, petitions and applications, and take such other actions which may be reasonably necessary and/or appropriate, to cause such property tax exemption to be so continued). In the event that Tenant is unsuccessful in obtaining or continuing any such real estate tax exemption with respect to the Leased Premises, then Tenant shall thereafter use commercially reasonable efforts to continue to seek such exemption (or continuance thereof, as applicable) and shall, from time to time if Landlord so requests, take such actions as may be reasonably necessary to apply for such exemption (or continuation); provided however, in no event shall Tenant have any power or authority to change, alter or modify in any way, the tax parcel number, property owner name or mailing address of the Leased Premises in the records of the applicable taxing jurisdiction. For purposes hereof, the term "Tax Exemption Date" shall mean the date that is the earlier of: (i) sixty (60) days after the date of this Lease, or (ii) the deadline for submitting a real estate tax exemption petition or application for the real estate taxes for the year in which this Lease is executed and delivered. Notwithstanding anything contained in this paragraph, to the extent Tenant fails to obtain a tax exemption with respect to the Leased Premises for any reason, Tenant shall pay the Taxes as required above in this Section 4.

5. CONDITION. Tenant has examined the Leased Premises and knows its condition. Tenant hereby accepts the condition of the Leased Premises in its **AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS**. No representations or warranties as to the condition, repair or compliance with Legal Requirements thereof, and no agreements to make any alterations, repairs or improvements in or about the Leased Premises have been made by or on behalf of Landlord. By accepting possession of the Leased Premises, Tenant shall be conclusively presumed to have accepted the condition thereof and to have unconditionally waived any and all claims whatsoever related to the condition of the Leased Premises.

6. MAINTENANCE; SERVICES AND UTILITIES.

A. Tenant agrees at its sole cost and expense, to keep and maintain **the Leased Premises together with the [adjacent] open grass way area (such open grass way area together with Tenant's Facilities being the "Specified Area")]** in a clean, safe, neat, sanitary and sightly condition and repair, and commensurate with the conditions existing at the time this Lease is executed to Landlord's satisfaction at all times during the Term hereof. Without limiting the generality of the foregoing, Tenant shall (subject to the terms and provisions of this Lease and all at Tenant's sole cost and expense): (i) perform any and all necessary paving, grading, landscaping, cutting and mowing of grass and weeds (including all Canadian thistles and other noxious weeds and growths at the Leased Premises) and (ii) promptly (and if Landlord provides written notice, no later than three (3) business days after receipt of such notice) remove all litter, garbage and graffiti from, and repair any vandalism (except for vandalism to Landlord's Facilities) to, the Specified Area or any nearby area, including, without limitation, any structure or bridge crossing used for Tenant's Facilities, on or near the Specified Area. Tenant's obligations under this Section 6 are solely those of Tenant and Landlord shall have no responsibility to undertake such obligations or to perform any action required of Tenant hereunder.

B. Landlord shall not be responsible for furnishing or providing any services or utilities to the Leased Premises (or any costs or expenses associated therewith), but rather, Tenant shall be responsible, at Tenant's sole cost and expense, for providing all such services and utilities. Landlord has made no representation, warranty or covenant of any kind regarding the availability (or future availability) of any such utilities and services, and no failure to provide or interruption of any such services or utilities or

services shall give rise to any right or remedy in favor of Tenant under this Lease. Landlord may from time to time, but shall have no obligation to, maintain the Leased Premises in accordance with its customary maintenance program then in effect and Tenant shall have no right to require Landlord to maintain the Leased Premises in any manner.

C. Tenant assumes all of the responsibilities normally identified with the ownership of the Leased Premises, including, but not limited to, responsibility for the condition of the Leased Premises, such as the operation, repair, replacement, maintenance and management of the Leased Premises, including, without limitation, repairs to all buildings, structures, fixtures, equipment and other property thereon; provided, that (except as expressly set forth below) in no event shall Tenant maintain, repair, gain access to or in any way use or operate any of Landlord's Facilities.

7. SURRENDER OF LEASED PREMISES; RESTORATION. Tenant agrees that upon termination of the Term of this Lease, whether by expiration or otherwise, Tenant will peaceably quit and surrender the Leased Premises to Landlord, and will, at its sole cost and expense, remove all Tenant's personal property, fixtures, structures and improvements, and will, at Landlord's sole and absolute discretion, restore and regrade the Leased Premises to substantially the same condition the Leased Premises were in on the date hereof (other than any improvements, installations and modifications made by Landlord). This Section shall survive the termination or expiration of the Lease.

8. COMPLIANCE WITH LAWS; WASTE; OTHER COVENANTS OF TENANT.

A. General. Tenant, at its sole expense, shall comply, and cause the Leased Premises to comply, with all Legal Requirements, Landlord's vegetation management practices and procedures and all of the requirements listed in Exhibits C-1 and C-2 attached to this Lease and made a part hereof. In addition, Tenant covenants and agrees that it will not commit waste, loss or damage to the Leased Premises or any other property of Landlord.

B. Change in Law. Tenant acknowledges that Landlord may incur costs as a result of the enactment of new Legal Requirements relating to the Leased Premises, and/or changes in Legal Requirements relating to the Leased Premises. Tenant agrees that any such costs incurred by Landlord for complying with such new or changed Legal Requirements and due in whole or in part to Tenant's use and/or occupancy of the Leased Premises shall be an expense recoverable by Landlord from Tenant. To the extent any such expense paid by Tenant to Landlord is subsequently recovered by or reimbursed to Landlord through insurance or recovery from responsible third parties or other action, Tenant shall be entitled to a proportionate share (as reasonably determined by Landlord) of such recovery or reimbursement.

C. Notice of Violations. Tenant shall immediately provide Landlord with written notice: (i) upon Tenant's obtaining knowledge of any potential or known violations of any Legal Requirements relating to the Leased Premises, and/or (ii) of Tenant's receipt of any notice, correspondence, demand or communication of any nature from any governmental authority related to the Leased Premises, including without limitation, any alleged or actual violation of any Legal Requirements or any request for additional information, rejection or confirmation regarding any application for exemption from real estate taxes.

D. Height and Other Limitations. No vehicles, equipment or anything else (including, but not limited to, any equipment attached to vehicles or equipment such as antennas, and/or any trees, shrubs or other plants or vegetation planted or installed per Exhibit E at the Leased Premises by Tenant) having a height which exceeds the maximum allowable height under OSHA's height standards in effect from time to time during the Term, shall be driven, moved or transported on the Leased Premises without Landlord's prior written consent with the exception of maintenance (including third party) vehicles or emergency vehicles. Tenant shall not allow any activity which could result in a wire to ground electrical

contact or damage to towers or poles; such as, flying kites, model airplanes, driving minibikes, go carts and snowmobiles. If Landlord so requests, Tenant will post signs prohibiting such activities.

9. ALTERATIONS.

A. Generally. Tenant shall not make any alterations, installations, improvements, additions or other physical changes (collectively, the "**Alterations**") in or about the Leased Premises without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any Alterations shall be performed: (i) by Tenant, at Tenant's sole cost and expense (and Landlord shall have no duty or obligation with respect thereto), (ii) pursuant to plans and specifications approved in writing by Landlord (in Landlord's sole discretion), (iii) by contractors and subcontractors approved in writing by Landlord (in Landlord's sole discretion), (iv) in compliance with all Legal Requirements, and (v) in a good and workmanlike manner, free of all liens. Tenant shall, at Tenant's sole cost and expense, obtain any and all permits and approvals necessary for the performance of any Alterations. During the performance of any Alterations, Tenant shall carry, and shall cause its contractors and subcontractors to carry, such insurance as Landlord shall, in its sole discretion, direct. Neither Tenant nor any of Tenant's authorized agents shall, at any time prior to or during the Term, directly or indirectly, employ, or permit the employment of, any contractor, mechanic or laborer in the Leased Premises, or permit any materials to be delivered to or used in the Leased Premises, whether in connection with any Alteration or otherwise, if, in Landlord's sole judgment, such employment, delivery or use will interfere or cause any conflict with other contractors, mechanics or laborers engaged in the construction, maintenance or operation of the Leased Premises (or any other property) by Landlord, Tenant or others, or the use and enjoyment of the Leased Premises by Landlord or other tenants or occupants of the Leased Premises. In the event of such interference or conflict, upon Landlord's request, Tenant shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Leased Premises immediately. At the sole discretion of Landlord, any proposed Alterations shall be subject to a review fee, the amount of which will be determined by Landlord upon receipt of Tenant's request for consent to such Alterations. Such fee shall be due and payable by Tenant within five (5) days from receipt of notice from Landlord of the amount of such review fee and Landlord shall not be required to consider Tenant's request for Landlord's consent to any Alterations until the review fee for such Alterations is paid.

B. Paving, Filling and Planting. Without limiting the generality of the terms and provisions of Subsection 9.A. above, Tenant acknowledges and confirms that any and all grading, leveling, adding or removing soil and/or paving of the Leased Premises (or any portion thereof), and any and all planting, seeding and similar activities shall constitute "**Alterations**" for purposes of this Lease, and shall be subject to each and all of the terms and provisions relating thereto. In any event, any and all debris from any Alterations of Tenant shall be promptly removed from the Leased Premises by Tenant. In the event that, in connection with Tenant's Alterations, Tenant elects to fill any low spots on the Leased Premises, only clean fill (defined as not containing debris such as gravel, concrete, tree roots, brick or any contaminants) shall be used prior to the spreading of base fill underlying any paving. No paving or grading work (or similar work) of any kind will be undertaken within a ten (10) foot radius of any tower leg (or similar equipment, improvement or facility) of Landlord. Paving shall be well drained, firm and solid blacktop (or other substance approved in writing by Landlord), and shall be neat and clean in appearance. In addition, and not in lieu of the foregoing, any such grading, leveling, paving, filling and/or planting or seeding of the Leased Premises shall comply with the terms and provisions of Section 12 below and Landlord's vegetation management practices and procedures. Tenant shall not cause or permit the existing ground grade on the Leased Premises to be increased or decreased in excess of 8inches (8") without Landlord's prior written consent.

C. Drainage. Tenant covenants and agrees that no Alterations made by Tenant pursuant to this Lease shall cause any surface water drainage problems for Landlord or any adjoining landowners. In

the event that any such water drainage problems are caused by Tenant's Alterations, Tenant shall correct such problems immediately at Tenant's sole cost and expense.

D. Fencing and Barriers. Tenant covenants and agrees that, in the event that Tenant installs (or is required (by Landlord or otherwise) to install) any fencing and/or gates in connection with Tenant's Alterations at the Leased Premises (or its use or occupancy of the Leased Premises), Tenant will install, maintain and operate such fences and/or gates in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto and made a part hereof, and any and all other fencing and locking rules, regulations and guidelines which Landlord may deliver to Tenant from time to time prior to or during the Term. Tenant also acknowledges and confirms that, in connection with Landlord's review and/or approval of the plans and specifications for Tenant's Alterations at the Leased Premises (as provided in Subsection 9.A. above), Landlord may require, prior to or at any time during the Term of this Lease, that barriers ("**Barriers**") be installed on the Leased Premises in order to protect Landlord's Facilities and/or other equipment, improvements and facilities of Landlord and other users and occupants of the Leased Premises. Any such Barriers shall be installed, at Landlord's sole option, either: (i) by Tenant, at Tenant's sole cost and expense, in a manner satisfactory to Landlord, or (ii) by Landlord, in which event Tenant shall pay to Landlord, prior to such installation, Landlord's reasonable estimate of the cost of such installation of the Barriers. Any barriers required to be installed hereunder shall be installed, maintained and operated by Tenant in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto, and any and all rules, regulations and guidelines regarding barriers which Landlord may deliver to Tenant from time to time prior to or during the Term.

E. Soil Removal. Tenant hereby agrees that it will not remove any soil from the Leased Premises without the prior written consent of Landlord. Any soil removed from the Leased Premises to which Landlord consents (as provided in the preceding sentence) shall become the property of Tenant and shall be: (i) transported and disposed of by Tenant (at its sole cost and expense) in a manner approved in writing by Landlord and in compliance with all Legal Requirements, and (ii) promptly replaced by Tenant at its sole cost and expense, with clean soil not contaminated with Hazardous Materials (as defined in Section 15 below).

F. Third Party Facilities. Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection reasonably required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

G. Supervision. Landlord shall have the right (but not the obligation) to monitor and observe Tenant's performance of any Alterations at the Leased Premises (or any component thereof) and, in the event that Landlord so elects, Tenant shall reimburse Landlord for any and all costs of such monitoring and observation, together with a charge for Landlord's overhead, as determined by Landlord. In the event that Landlord elects to monitor or observe any such work, in no event shall Landlord be deemed to have approved or made any representation or warranty regarding the same.

H. Notification. In addition to and not in lieu of, Tenant's other obligations under this Section 9, Tenant also agrees to notify Landlord's Representative, at ComEdRealEstateFacilities@comed.com, at least seventy-two (72) hours prior to the commencement of any Alterations at the Leased Premises.

10. INDEMNITY. To the maximum extent permitted under Legal Requirements, Tenant agrees to protect, indemnify, defend (with DuPage County counsel acceptable to Landlord) which acceptance shall not be unreasonably withheld because under Illinois law, 55 ILCS 5/3-9005, any attorney representing the County of DuPage, who is not already an Assistant State's Attorney, is to be appointed as Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008 and hold harmless Landlord and Exelon Corporation, a Pennsylvania corporation, and their respective parents, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, the "**Indemnified Parties**") from and against any and all losses, costs, damages, liabilities, expenses (including, without limitation, reasonable attorneys' fees) and/or injuries (including, without limitation, damage to property and/or personal injuries) suffered or incurred by any of the Indemnified Parties (regardless of whether contingent, direct, consequential, liquidated or unliquidated) (collectively, "**Losses**"), and any and all claims, demands, suits and causes of action brought or raised against any of the Indemnified Parties (collectively, "**Claims**"), arising out of, resulting from, relating to or connected with: (i) any act or omission of Tenant or its officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, "**Tenant Group**") at, on or about the Leased Premises, and/or (ii) any breach or violation of this Lease on the part of Tenant, and notwithstanding anything to the contrary in this Lease, such obligation to indemnify, defend and hold harmless the Indemnified Parties shall survive any termination or expiration of this Lease. This indemnification shall include, without limitation, claims made under any workman's compensation law or under any plan for employee's disability and death benefits (including, without limitation, claims and demands that may be asserted by employees, agents, contractors and subcontractors). Neither party makes any representation of the extent or nature of its authority to defend or indemnify.

11. WAIVER. Any entry onto the Leased Premises by Tenant and, to the extent permitted by law, each and every member of the Tenant Group, shall be at such parties' sole risk, and Landlord makes (and has heretofore made) no representations or warranties of any kind whatsoever regarding the Leased Premises or the condition of the Leased Premises (including, without limitation, the environmental condition thereof). To the fullest extent permitted by law, Tenant and each member of the Tenant Group hereby waives any and all claims, demands, suits and causes of action against the Indemnified Parties, and fully and forever releases the Indemnified Parties, for any loss, cost, damage, liability or expense (including, without limitation attorneys' fees) suffered or incurred by Tenant or any member of the Tenant Group in connection with any entry onto the Leased Premises pursuant to this Lease. Without limiting the generality of the foregoing, in no event shall any of the Indemnified Parties be responsible or liable for any loss, damage, destruction, theft or misappropriation of any of the property of Tenant or any member of the Tenant Group. This Section will survive termination or expiration of the Lease.

12 DIGGING WORK. If Tenant performs any grading, leveling, digging or excavation work on the Leased Premises (which work shall be subject to Landlord's prior written approval), Tenant will notify J.U.L.I.E. at telephone number (800) 892-0123, C.U.A.N. at (312) 744-7000 if the Leased Premises are located in the City of Chicago, or in the event the Leased Premises are located outside J.U.L.I.E.'s or C.U.A.N.'s jurisdiction, any other services required by the utilities in the jurisdiction, at least seventy-two (72) hours prior to the commencement of such work in order to locate all existing utility lines that may be present on the Leased Premises. If Tenant damages any such underground facilities in the course of its work, Tenant will promptly reimburse Landlord or the owner of such equipment or facilities for any and all expense incurred in repairing or replacing such damage.

13. CASUALTY. In the event of any damage to or destruction of the Leased Premises, by fire or other casualty, which materially and adversely affects Tenant's use and enjoyment of the Leased Premises for the purposes specified in this Lease, then either Landlord or Tenant shall have the right, no later than ninety (90) days after such party becomes aware of such damage or destruction, to terminate this Lease upon sixty (60) days' prior written notice to the other. In the event of any damage or destruction which is not so extensive, or in the event that Landlord and Tenant elect not to terminate this Lease pursuant to the preceding sentence, then this Lease shall continue in full force and effect, and Tenant will promptly and diligently, at its sole cost and expense, repair, restore, rebuild and replace the Leased Premises (and all

improvements, fixtures, equipment and property thereat) as nearly as possible to the condition they were in immediately prior to such damage or destruction. Any such work shall be done in a manner satisfactory to Landlord, and in accordance with all Legal Requirements and the terms and provisions of this Lease. Landlord shall not be liable or responsible for any loss or damage caused to any property of Tenant or any member of the Tenant Group (including, without limitation, any such loss or damage caused by fire, vandalism or other casualty) at any time during the Term hereof.

14. CONDEMNATION. If the Leased Premises, or a substantial part thereof, or a portion which prevents use of the Leased Premises for the purposes specified herein, shall be taken or condemned by any competent authority for any public use or purpose, the Term shall end on the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of any condemnation award or proceeds (it being understood that Landlord shall be entitled to the entire amount of any such award or proceeds, and Tenant shall have no right to share therein). Then current Rent shall be apportioned as of the date of such termination.

15. ENVIRONMENTAL PROTECTION.

A. General. Tenant covenants and agrees that Tenant shall conduct its operations on the Leased Premises in compliance with all applicable Environmental Laws (as hereinafter defined) and further covenants that neither Tenant nor any member of the Tenant Group shall use, bring upon, transport, store, keep or cause or allow the discharge, spill or release (or allow a threatened release) in each case of any Hazardous Materials (as hereinafter defined) in, on, under or from the Leased Premises. Without limiting any other indemnification obligations of Tenant contained herein, Tenant hereby agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless the Indemnified Parties from and against any and all Losses and Claims (including, without limitation, (i) reasonable attorneys' fees, (ii) liability to third parties for toxic torts and/or personal injury claims, (iii) fines, penalties and/or assessments levied or raised by any governmental authority or court, and (iv) assessment, remediation and mitigation costs and expenses and natural resource damage claims) arising out of, resulting from or connected with any Hazardous Materials used, brought upon, transported, stored, kept, discharged, spilled or released by Tenant, any member of the Tenant Group or any other person or entity (except for any person or entity which is an Indemnified Party) in, on, under or from the Leased Premises. For purposes of this Lease, the term "**Hazardous Materials**" shall mean all toxic or hazardous substances, materials or waste, petroleum or petroleum products, petroleum additives or constituents or any other waste, contaminant or pollutant regulated under or for which liability may be imposed by any Environmental Law. For purposes hereof, the term "**Environmental Laws**" shall mean all federal, provincial, state and local environmental laws, statutes, ordinances, regulations and other requirements (including common law) regulating or imposing standards of care with respect to the handling, storage, use, emitting, discharge, disposal or other release of Hazardous Materials, including, but not limited to, the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901 et seq., the Clean Air Act, 42 U.S.C. §§7401, et seq., the Federal Water Pollution Control Act, 33 U.S.C. §§1251, et seq., the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 1101, et seq., the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §§ 9601 et seq., the Toxic Substances Control Act, 15 U.S.C. §§2601, et seq., the Oil Pollution Control Act, 33 U.S.C. §§2701, et seq., any successor statutes to the foregoing, or any other comparable local, state or federal statute or ordinance pertaining to protection of human health, the environment or natural resources, including without limitation the preservation of wetlands, and all regulations pertaining thereto, as well as applicable judicial or administrative decrees, orders or decisions, authorizations or permits.

B. Wetlands. If there are wetlands on the Leased Premises, or if wetlands should develop on the Leased Premises during the Term, Tenant shall strictly comply with and observe all applicable Environmental Laws. At Landlord's request, Tenant shall, at Tenant's sole cost, furnish Landlord with a survey of the Leased Premises delineating any wetland areas located on the Leased Premises. Under no circumstances shall Tenant change the physical characteristics of any wetland areas located on the Leased Premises, or any other adjoining land or place any fill material on any portion of the Leased Premises, or any adjoining land, without in each instance obtaining Landlord's prior written consent (which may be granted or withheld in Landlord's sole discretion), and only then in compliance with applicable Environmental Laws.

C. Notice of Violation/Release. Tenant shall provide Landlord with prompt written notice upon Tenant's obtaining knowledge of the existence of any Hazardous Materials on, in or under the Leased Premises in violation of Environmental Laws, or of any potential or known release or threat of release of any Hazardous Materials affecting the Leased Premises.

D. Survival. This Section shall survive the expiration or other termination or expiration of the Lease.

16. INSURANCE. Tenant shall comply with the insurance provisions contained in Exhibit D attached hereto and made a part hereof.

17. ZONING. Tenant hereby acknowledges that Landlord has made no representations that the Leased Premises may be used or is properly zoned for the Permitted Use, and Tenant further agrees that it will (at its sole cost and expense) obtain all necessary permits and other approvals prior to undertaking the Permitted Use. Tenant assumes all obligations and responsibilities for compliance with all Legal Requirements including, without limitation, all applicable zoning laws and ordinances, building codes and governmental regulations. This Lease is not preconditioned on Tenant obtaining any zoning or use permits or approval. This Lease does not constitute the authority to seek a zoning change to permit the Permitted Use, and in no event shall Tenant seek or apply for any such zoning change to the Leased Premises without Landlord's prior written consent, which consent may be given or withheld in Landlord's sole and absolute discretion.

18. NO SIGNS. Tenant shall not place or permit to be placed by any person or entity (other than Landlord) on the Leased Premises any signs or billboards (including, without limitation, any advertising signs or billboards) without the prior written approval of Landlord, which approval Landlord may give or withhold in Landlord's sole and absolute discretion. Tenant may place signs on the Specified Area without the consent of Landlord relating solely to safety and directional matters involving the Permitted Use. Tenant agrees to place a sign in a visible area within the Specified Area that contains an acknowledgment of Landlord's assistance and cooperation with the Tenant with respect to the Permitted Use, all in a manner and form reasonably acceptable to Landlord.

19. DAMAGE TO LANDLORD'S FACILITIES. Tenant agrees that in the event any work done by or on behalf of the Tenant on the Leased Premises causes damage to Landlord's Facilities, Tenant will promptly reimburse Landlord for any and all expense incurred for the repairing or replacement of such damage, within thirty (30) days, after presentation to Tenant of Landlord's statement therefor.

20. DEFAULT.

A. The occurrence of any of the following shall be considered a "**Default**":

(i) Tenant shall at any time fail to make any payment of Rent (or any portion thereof) or any other payments required of Tenant hereunder when required, and such failure continues for a period of more than ten (10) days (without necessity of any notice or demand therefor); or

(ii) Tenant shall breach or violate any of its duties or obligations set forth in Section 7 (Surrender of Leased Premises; Restoration), Section 8 (Compliance with Laws), Section 16 (Insurance), Section 22 (Covenants Against Liens), Section 23 (Assignment and Subletting) or Section 30 (Subordination; Estoppel) of this Lease; or

(iii) Tenant shall at any time be in default of any other covenants and conditions of this Lease to be kept, observed and performed by Tenant, which and such default continues for more than thirty (30) days (or such shorter time period as may specifically be set forth in this Lease) after notice from Landlord; or

(iv) this Lease or Tenant's interest therein, or any interest in Tenant, shall be assigned, transferred, mortgaged or pledged, levied on or attempted to be taken by execution, attachment or other process of law, or if any execution or attachment shall be issued against Tenant, or any of Tenant's property in the Leased Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Tenant; or

(v) a receiver, assignee or trustee shall be appointed for Tenant or Tenant's property or if the Tenant shall file bankruptcy, or if involuntary bankruptcy proceedings shall be filed against Tenant; or

(vi) Landlord shall receive notice of any alleged violation of any Legal Requirements resulting from or in any way connected with Tenant's use of the Leased Premises and such violation is not cured (and all liabilities connected therewith fully satisfied) by Tenant prior to the earlier of (a) the last day of the period permitted by law for curing such violation or (b) the first date Landlord becomes subject to any fine, penalty, lien, judgment, order or other liability due to the continued existence of such violation; or

(vii) Tenant shall abandon the Leased Premises or vacate same during the Term hereof.

B. If a Default occurs, Landlord may do any or all of the following (all of which remedies shall be cumulative and not exclusive, and all of which remedies shall be in addition to, and not in lieu of, any other rights and remedies to which Landlord may be entitled under this Lease, at law or in equity):

(i) At its option, at once, without notice to Tenant or to any other person, terminate this Lease and at its option, require payment in full of the Rent due for the unexpired term of the Lease;

(ii) Enter into the Leased Premises, and remove Tenant's property and effects therefrom, and/or take and hold possession thereof, without such entry and/or possession terminating this Lease or releasing Tenant in whole or in part from Tenant's obligations to pay Rent and perform all its other obligations hereunder for the full Term, and to relet the Leased Premises or any part or parts thereof, either in the name of for the account of Landlord or Tenant, for such Rent and for such term and terms as Landlord may see fit, which term may at Landlord's option extend beyond the balance of the Term of this Lease. Except to the extent required under applicable Legal

Requirements, Landlord shall not be required to accept any tenant offered by Tenant or to observe any instructions given by the Tenant about such reletting. In any case, Landlord may make such repairs, alterations and additions in or to the Leased Premises as it sees fit. Tenant shall pay Landlord any deficiency between the Rent hereby reserved and covenanted to be paid and the net amount of the rents collected on such reletting, for the balance of the Term of this Lease, as well as any expenses incurred by Landlord in such reletting, including, but not limited to attorney's fees, broker fees, the expenses of repairing, altering the Leased Premises, and otherwise preparing the same for re-rental. All such costs, other than the rental, shall be paid by Tenant upon demand by Landlord. Any deficiency in rental amounts shall be paid in monthly installments, upon statements rendered by Landlord to Tenant, unless Landlord has declared the entire Rent for the balance of the Term due, as elsewhere in this Lease provided. Any suit brought to collect the amount of the deficiency for any one or more months' Rent shall not preclude any subsequent suit or suits to collect the deficiency for any subsequent month's Rent;

(iii) Require that upon any termination of this Lease, whether by lapse of time, the exercise of any option by Landlord to terminate the same, or in any other manner whatsoever, or upon any termination of Tenant's right to possession without termination of this Lease, the Tenant shall at once surrender possession of the Leased Premises to the Landlord and immediately vacate the same and remove all effects therefrom, except such as may not be removed under other provisions of this Lease. If Tenant fails to do so, Landlord may forthwith re-enter the Leased Premises, with or without process of law, and repossess itself thereof as in its former estate and expel and remove Tenant and any other persons and property therefrom, using such force as may be necessary without being deemed guilty of trespass, eviction or forcible entry, without thereby waiving Landlord's rights to Rent or any other rights given Landlord under this Lease or at law or in equity;

(iv) Remove, at its option if the Tenant shall not remove all effects from the Leased Premises in this Lease as provided, any or all of such effects in any manner that Landlord shall choose and store the same without liability for loss thereof, and Tenant will pay Landlord, upon demand, any and all expenses incurred in such removal and also storage of said effects for any length of time during which the same shall be in Landlord's possession or in storage, or Landlord may at its option, without notice, sell any or all of said effects in such manner and for such price as the Landlord may deem best and apply the proceeds of such sale upon any amounts due under this Lease from the Tenant to Landlord, including the expenses of removal and sale;

(v) Collect from Tenant any other loss or damage Landlord may sustain by reason of any breach (including, without limitation, the unamortized portion of any brokerage fee or commission paid by or on behalf of Landlord to any broker or finder with respect to this Lease) and any diminished value of the Leased Premises resulting from said breach;

(vi) Enjoin any such breach of this Lease by Tenant; and/or

(vii) Take any and all corrective actions Landlord deems necessary or appropriate to cure the default of Tenant in question and charge the cost thereof to Tenant, together with (i) interest at the Default Rate, and (ii) an administrative charge in an amount equal to ten percent (10%) of the cost of the corrective action to defray part of the administrative expense incurred Landlord in administering such cure, such payment to be made by Tenant upon Landlord's presentment and demand therefor.

C. Except as specifically provided in this Section Tenant expressly waives the service of any notice of intention to terminate this Lease or to terminate Tenant's right of possession of the Leased Premises or to re-enter the Leased Premises and waives the service of any demand for payment of Rent or

for possession and waives the service of any and every other notice or demand prescribed by any statute, law or ordinance and agrees that the simple breach of any of the covenants of this Lease (beyond any applicable notice and cure periods) shall, of itself, without the service of any additional notice or demand whatsoever, at Landlord's option, constitute a default on the part of Tenant. No receipt of monies by the Landlord from or for the account of Tenant or from anyone in possession or occupancy of the Leased Premises after termination in any way of this Lease or after the giving of any notice, shall reinstate, constitute or extend the Term of this Lease or affect any notice given to the Tenant prior to the receipt of such money, it being agreed that after the service of notice of the commencement of a suit, or after final judgment for possession of the Leased Premises, Landlord may receive and collect any Rent or other amounts due Landlord and such payment not waive or affect said notice, said suit, or said judgment.

D. Any and all rights and remedies which Landlord may have under this Lease at law or in equity, shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of said rights and remedies may be exercised at the same time or at different times and from time to time.

E. If Landlord is required to incur expense, legal, incidental, or consequential, because of the breach of this Lease by Tenant, the Tenant shall promptly reimburse Landlord for such expense upon being given a written itemization and explanation thereof. In the event of commencing a court action as a result of any breach, it is agreed that such expenses are to be considered a part of the damages claimed in said action and any expense incurred in prosecuting that action shall be included. It is agreed that the term "expenses" as used herein shall include, but not be limited to, attorney's fees, court costs, district justice costs, and any and all other costs and expenses reasonably related to such breach.

F. The failure of Landlord to enforce rights under this Lease on one or numerous occasions shall not affect the Landlord's ability to enforce that right on any subsequent occasion or occasions.

G. Upon the occurrence of a Default or any breach or default under this Lease by Tenant, Tenant shall be liable for and shall reimburse Landlord upon demand for all reasonable attorney's fees and costs incurred by Landlord in enforcing Tenant's obligations under this Lease, whether or not Landlord files legal proceedings in connection therewith.

H. In the event that a Default shall occur and Landlord elects to terminate this Lease, or upon expiration of this Lease, Tenant shall not be relieved of its duties or obligations under this Lease so long as Tenant or any of Tenant's property remains on the Leased Premises. Additionally, any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

I. In the event of a threatened breach by Tenant of any of the covenants or provisions of this Lease, Landlord shall (without limiting any of Landlord's other rights or remedies hereunder, at law or in equity) have the right to enjoin any such threatened breach.

21. <u>LIMITATION ON LIABILITY.</u> It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements continued in this Lease are made or intended as personal covenants, undertakings or agreements by Landlord or any entity which is affiliated with Landlord its parent or subsidiaries. Tenant specifically agrees to look solely to Landlord's interest in the Leased Premises for the recovery of any sums, damages, awards or judgments from Landlord. It is agreed that neither Landlord, nor any entity which is affiliated with Landlord (nor any of their respective parents or subsidiaries, nor any of their respective shareholders, venturers, officers, directors or employees) shall be personally liable for any such sums, damages, awards or judgments. This Section will survive termination or expiration of the Lease.

22. COVENANTS AGAINST LIENS. Tenant hereby covenants and agrees that it will not cause or permit any lien (including, without limitation, any mechanic's lien) or claim for lien to be asserted against the Leased Premises or any interest therein, whether such lien or claim for lien results from or arises out of any act or omission of Tenant or any member of the Tenant Group or otherwise. In the event any such lien or claim for lien is filed, Tenant will immediately pay and release the same. In the event such lien or claim of lien is not released and removed within five (5) days after notice from Landlord, Landlord, at its sole option and in addition to any of its other rights and remedies, may take any and all action necessary to release and remove such lien or claim of lien (it being agreed by Tenant that Landlord shall have no duty to investigate the validity thereof), and Tenant shall promptly upon notice thereof reimburse Landlord for all sums, costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Landlord in connection with such lien or claim of lien. Tenant hereby agrees to indemnify, defend and hold harmless Landlord from and against any and all liens or claims, to the extent permitted by law, for lien arising out of or in any way connected with Tenant's use and occupancy of the Leased Premises. Any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

23. ASSIGNMENT AND SUBLETTING. Tenant shall not, directly or indirectly, assign, mortgage, pledge, encumber, or otherwise transfer this Lease (or any interest of Tenant herein), whether by operation of law or otherwise, and shall not sublet (or underlet), or permit, or suffer the Leased Premises or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any assignment, sublease, mortgage, pledge, encumbrance or transfer by Tenant in contravention of the provisions of this Section shall be void. For purposes of this Lease any transfer, directly, indirectly or by operation of law, of a "controlling" interest in Tenant shall constitute an assignment of this Lease and shall be subject to the terms and provisions of this Section. For purposes hereof, a "controlling" interest in Tenant shall mean: (a) t(he ownership, directly or indirectly, of a majority of the outstanding voting stock or interests of Tenant, or (b) the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting securities or other ownership interests, by statute, or by contract.

24. TERMINATION. Prior to the end of the Term, this Lease may be terminated at any time by either of the parties hereto by giving ninety (90) days prior written notice to the other party of such termination. This Lease may also be terminated by Landlord, if Landlord is required to do so by a regulatory body, by a court of competent jurisdiction or Legal Requirements. In the event this Lease is terminated for any reason, any Rent paid in advance shall be prorated to the effective date of such termination and the unearned portion thereof refunded to Tenant.

25. LANDLORD'S RIGHTS. The rights of the Landlord to utilize the Leased Premises in its utility business, at all times, will be and remain paramount to the rights herein granted to Tenant by Landlord and nothing stated herein is to be construed as restricting Landlord from granting rights to other parties or persons in, upon or under the Leased Premises. Without limiting the generality of the foregoing, the parties specifically refer to rights relating to sewers, water pipes and mains, drainage tiles and pipes, gas main and pipelines and other associated uses. In addition, Landlord shall have the right to enter upon the Leased Premises at any time and from time to time during the Term to (a) show the same to prospective tenants, mortgagees and/or purchasers, and to place "For Rent" and/or "For Sale" signs thereon and (b) to conduct any and all vegetation management in, on, or about the Leased Premises in accordance with Landlord's then current vegetation management practices and procedures.

26. RIGHT OF ENTRY.

A. Tenant agrees that Landlord and Landlord's agents, representatives, employees, contractors, licensees, invitees, tenants, successors and assigns (collectively, "**Landlord Parties**"),

shall have the right to enter the Leased Premises at any time Landlord deems necessary, to alter, modify, augment, supplement, improve, upgrade, use, operate, repair, replace, install, construct, maintain or protect Landlord's Facilities and to conduct vegetation management activities, including the right to cut down, trim and remove any trees, brush or other vegetation that interferes with or potentially interferes with Landlord's Facilities on the Leased Premises as Landlord deems necessary in its sole discretion. Tenant shall not plant any trees or other vegetation on the Leased Premises without the prior written consent of Landlord which it may withhold in its sole discretion. Landlord has the right to require Tenant to remove and relocate any paving, improvements or property owned or used by Tenant at the Leased Premises, in connection with the use, operation, maintenance, repair, installation and/or removal of Landlord's Facilities by any Landlord Party, and/or or in connection with any other use (present or future) of the Leased Premises by the Landlord Parties, all of which removal and relocation shall be at Tenant's sole cost and expense. In the event that Tenant fails to remove and/or relocate any such paving, improvements or property upon notice from Landlord, then Landlord shall have the right (but not the obligation) to remove such paving, improvements or property on Tenant's behalf, and at Tenant's cost, and Tenant shall promptly reimburse Landlord for any costs and expenses paid or incurred by Landlord in connection therewith. Tenant agrees that it will cooperate with Landlord in connection with any entry on, and work at, the Leased Premises by the Landlord Parties, and shall coordinate Tenant's use of the Leased Premises with any use of the Leased Premises by any of the Landlord Parties, including but not limited to vegetation management. Landlord shall not in any event be liable for inconvenience, disruption, disturbance, loss of business or other damage to Tenant by reason of any entry on, or work at, the Leased Premises by any Landlord Party, or on account of bringing materials, supplies, and equipment into or through the Leased Premises. Tenant understands that the business of the Landlord involves, among other things, the construction, installation, maintenance, operation, and use of Landlord's Facilities now or which may hereafter be erected or installed upon, along, on, over, across or under the Leased Premises, or property adjacent thereto, which are used or useful in connection with the generation, conversion, transmission or distribution of electricity and gas and communications services. Tenant covenants and agrees (as a specific condition of this Lease) that Tenant and each member of the Tenant Group will not, under any circumstances whatsoever, touch, handle, tamper with or contact, directly or indirectly, any of the Landlord's Facilities, nor damage, destroy, interfere with, obstruct or otherwise adversely affect, Landlord's Facilities.

B. Landlord and its representatives may enter the Leased Premises at all reasonable times for the purpose of inspecting the Leased Premises, or to show the Leased Premises to prospective purchasers, investors, encumbrancers, or tenants. In the case of an emergency, Landlord or its agents may enter the Leased Premises without prior notice, and may enter forcibly, without liability to Tenant, and without affecting this Lease. During the final twelve (12) months of the Term, Landlord may place customary "For Sale" or "For Lease" signs on the Leased Premises

27. LANDLORD'S RIGHT TO TRANSFER. This Lease shall not in any manner or to any extent limit or restrict the right of Landlord to use or dispose of the Leased Premises as Landlord may in its discretion desire, subject to rights of Tenant hereunder. Landlord shall have the right, without notice to or consent from Tenant, to assign this Lease to any person or entity that succeeds (directly, indirectly or by operation of law) to any of Landlord's right, title or interest in or to the Leased Premises.

28. TENANT'S PROPERTY. It is expressly understood and agreed that all equipment and other personal property that Tenant may install upon the Leased Premises during the Term shall remain the property of Tenant and shall be removed by Tenant (as set forth in Section 7 hereof), at its sole cost and expense, at the expiration of the term of this Lease or at any time prior thereto.

29. HOLDING OVER. Tenant shall have no right to remain in possession of all or any part of the Leased Premises after the expiration of the Term. In the event that Tenant remains in possession of all or any part of the Leased Premises after the expiration or earlier termination of the Term, at Landlord's option (exercised by giving Tenant written notice): (a) such tenancy shall be deemed to be either (at Landlord's sole option) a periodic tenancy from month-to-month only, or a tenancy at sufferance terminable at will by Landlord; (b) such tenancy shall not, unless Landlord otherwise elects (as set forth above), constitute a renewal or extension of this Lease for any further Term; and (c) such tenancy may be terminated by Landlord upon the earlier of thirty (30) days' prior written notice or the earliest date permitted by law. In the event Tenant remains in possession after the expiration or earlier termination of the Term, then: (i) Landlord shall have the right to charge Tenant a monthly Base Rent equal to Landlord's estimate (as determined by Landlord in its sole discretion) of two hundred percent (200%) of the fair market monthly rental value of the Leased Premises, and any other sums due under this Lease shall be payable in the amount and at the times specified in this Lease, and (ii) Tenant agrees to the extent permitted by law to indemnify, defend (with counsel acceptable to Landlord, which acceptance shall not be unreasonably withheld) and hold the Indemnified Parties harmless from and against any and all Losses and Claims sustained, incurred and/or brought against any of the Indemnified Parties by reason of such retention of possession of the Leased Premises (which may include, without limitation, any Claims made by any actual or prospective subsequent lessee or other user or occupant of the Leased Premises or any portion thereof). Any such month-to-month tenancy or tenancy at sufferance shall be subject to every other term, condition, and covenant contained in this Lease.

30. SUBORDINATION; ESTOPPEL.

A. This Lease and the rights of Tenant hereunder shall be and are hereby made expressly subject and subordinate at all times to the lien of any mortgage now or hereafter existing against all or any portion of the Leased Premises. Tenant acknowledges that its title is and always shall be subordinate to the title of the owner of the Leased Premises and nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of the owner of the Leased Premises. In confirmation of such subordination, Tenant shall promptly execute and deliver any instrument that Landlord or any mortgagee of Landlord may request to evidence such subordination no later than ten (10) business days after Landlord's request therefor. If any mortgagee of Landlord (or its successors or assigns), or any other person or entity, shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlord's rights ("**Successor Landlord**") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's Landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such attornment. Upon such attornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such attornment.

B. Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than ten (10) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant, (a) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the Base Rent, (c) setting forth the date to which the Rent has been paid, (d) stating whether or not, to the best knowledge of the Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such default, (e) stating whether there are any subleases affecting the Leased Premises, (f) stating the address of Tenant to which all notices and communication under the Lease shall be sent, and the Commencement Date, and (g) containing any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered

Slack coils exist in the hand holes for emergency restoration purposes. The cable route should be located to verify the newly installed bike path is not over the cable or hand holes. 20. Tenant shall not place obstructions on the Leased Premises that may restrict Landlord's ability to access, operate and maintain existing and future transmission and distribution facilities. Tenant shall not leave trenches open overnight.

21. Due to the presence of Landlord's electrical wires located on the Leased Premises, no vehicles, equipment or anything else having a height more than fourteen (14) feet from grade level including, but not limited to any equipment attached to vehicles or equipment such as antennas, shall be placed, driven, moved or transported thereon. Tenant shall not permit any activity which could result in a wire to ground electrical contact or damage to Landlord's Facilities. Such activities include, but are not limited to flying kites, model airplanes, driving minibikes, go carts and snowmobiles.

22. Tenant shall not leave construction equipment and materials on Leased Premises when there is no work activity actually in progress, including overnight.

25. Upon completion of Tenant's project, Tenant must remove any equipment, construction debris and material from Landlord's property and restore any other disturbed areas of the Landlord's property to their pre-construction condition.

26. All applicable environmental permits must be obtained by Tenant at Tenant's sole cost, including, if required, Wetlands and National Pollutant Discharge Elimination System (NPDES) stormwater permits as required under the Clean Water Act as well as any other applicable environmental permits.

27. Tenant shall comply with requirements of all permits, which may include site monitoring, reporting and restoration extending well beyond the construction time period.

28. Tenant shall comply with all applicable regulations including implementation of a Stormwater Pollution Prevention Plan (SWPPP) and a Soil Erosion and Sediment Control Plan (SESC) to minimize sediment pollution in stormwater runoff as well as any other required practices.

Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.).
Pavement Condition Rating and Annual Maintenance and Support Services for the DuPage County Pavement Management Program

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
DOT tracks its pavement condition biennially in order to evaluate paving methods and strategies, and to budget and program its pavement maintenance program. Pavement condition is important to the economy of DuPage County and the safety of the driving public.

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
LOWEST RESPONSIBLE QUOTE/BID (QUOTE < $25,000, BID ≥ $25,000; ATTACH TABULATION)

DECISION MEMO REQUIRED Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. DOT and Procurement followed an RFI/RFP process. Responding vendors submitted proposals to Procurement Department which were evaluated by a DOT team and vendor was selected based on professional qualifications, technical capabilities and cost proposal.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). : Award contract to IMS 1) Award contract to Vendor (IMS) – Vendor has the technical capability, equipment and experience to collect, review, analyze and integrate the data collected in an efficient manner. The vendor also has staffing and availability to perform this work for the entire system of county highways in the required time. 2) Perform work in-house – DuDOT does not have the time nor the equipment capabilities to perform these services in-house. It would be a challenge to provide pavement assessment on all DuDOT pavements in this calendar year without equipment and experienced staff. 3) Do Nothing – DuDOT requires frequent assessment of pavement to determine the next two to three years of pavement rehabilitation and investment. Doing nothing would put the county's ability to determine the best and most cost-effective pavement treatment locations and strategies at risk.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Price

We understand that the RFP has requested the use of the 2.8 direct labor multiplier applied to fee structures. We normally scope and price projects of this nature on a fixed fee/lump sum basis, primarily based on per-mile rates. Based on the response to questions in Addendum 1, we have built our fee schedule using fixed fees for tasks mainly related to data acquisition and data processing, and the 2.8 multiplier for consulting portions of the scope of work. We welcome a discussion on this topic to work through any adjustments or feedback the county may have on this structure.

The fee schedule below reflects our standard pricing methodology, with a callout to consulting tasks. We believe our consultants, utilizing the 2.8 multiplier method, will result in fees being aligned with the estimated dollars stated per task.

As outlined in our proposal, we are providing the county with two pavement management software (PMS) options, given the broad spectrum of options available in the market that would comply with the stated requirements. We urge the county to gain a thorough understanding of any PMS contemplated for use, as the capabilities vary and many may not meet the desired outputs/results needed for the county to fully leverage the high-quality data they are seeking in the RFP. We have displayed the fees to show a three-year outlook for the two software options, Decision Optimization Technology (DOT) and StreetLogix.

We have also provided our standard pricing for various optional, value-added services for reference. Many clients add on right-of-way inventory extraction, given that the data is obtained through the road condition survey. There is also flexibility in adding these items at a later date, leveraging the same collected dataset.
