# OFFICE OF THE COUNTY AUDITOR

To: Hon. Greg Schwarze, Chairman  
DuPage County Emergency Telephone System Board (ETSB)

ETSB Members

From: Bill White, J.D., C.I.A. *WFW*  
County Auditor

Subject: Internal Audit of Accounts Payable  
#24-70

Date: December 5, 2024

The Office of the County Auditor has completed a limited scope internal audit of the transaction processing of ETSB invoices submitted for payment. The audit identified no exceptions that required correction by the ETSB or Finance Department.

All of the invoices submitted have been reviewed and released for payment by the County Auditor. The results of the audit are presented below.

## **Results**

My Office has performed voucher pre-audit procedures for the invoices submitted for approval by the ETSB at the December 11, 2024, Board Meeting. The invoices listed on the Bank Account Payment History Report dated December 3, 2024, have been examined and are recommended for payment. The total amount of the expenditures is \$7,834,324.95:

- |  |                |
|--|----------------|
| • FY2024 Equalization Fund (4000-5820) | \$1,182,925.47 |
| • FY2025 Equalization Fund (4000-5820) | \$6,651,399.48 |

No exceptions were identified by the County Auditor.

It was noted that the FY2025 expenditure for Motorola Solutions Credit Company LLC for the annual lease payment in the amount of \$6,651,399.48 was paid from the Pre-Paid Expense account code (4000-9102-14001) and not from the Capital Equipment and Machinery account code (4000-5820-54110). This was due to the cancellation of the November ETSB Meeting that was scheduled to approve the budget transfer necessary to move funds from the Capital Contingencies account (4000-5820-54199) to Capital Equipment and Machinery to pay this invoice. The County Auditor will perform follow-

up procedures to verify the budget transfer scheduled for the December ETSB meeting is approved and the journal entries to move the payment from Pre-Paid Expense to Capital Equipment and Machinery are accurate and timely.

**Objective**

---

The County Auditor will perform a series of procedures designed to evaluate the internal controls involved in the processing of transactions in the accounts payable system. The actual procedures performed will depend upon the County Auditor's assessment of risks associated with the transactions.

**Background/Audit Scope**

---

Invoices and the related supporting documentation are initially prepared and submitted for payment processing by County departments to the centralized accounts payable function administered by the Finance Department.

The County Auditor performs audit procedures on the payment documentation after the information has been entered into the accounts payable system by the Finance Department. These procedures include reviewing the scanned images of the invoice and supporting documentation and comparing it to the information entered into the system. Significant discrepancies noted between the supporting documentation and the information recorded in the system are identified by the County Auditor as exceptions. In these situations, the County Auditor notifies the Finance Department of the problem. When the discrepancies are resolved, the County Auditor approves the invoice.

A Bank Account Payment History Report is generated by the Finance Department after the invoices have been approved and the County Auditor verifies that each of the recommended payments was properly posted to the County's General Ledger.

**Audit Findings and Recommendations**

---

The County Auditor audited 24 invoices submitted for payment, no exceptions were identified.

The ETSB should continue to regularly review available ERP reports and real-time transaction information to monitor the progress of invoices submitted for payment to preclude the potential for incorrect payments.

Thank you for your continued assistance.
