**4. CHAIR REMARKS - CHAIR SCHWARZE**

Chair Schwarze welcomed County Board Members Patty Gustin and Yeena Yoo to the meeting. The Chair deferred to Member Galassi. Ms. Galassi presented five AP Government students from Hinsdale Central High School. A class requirement is to shadow an elected official for eight hours and they selected Member Galassi. Ms. Galassi met with the students Monday night in which she explained the process. She concluded by saying the students have been great to work with and she is honored to have them here.

Chair Schwarze stated that he met with four of the larger food pantries in our area, along with Mary Keating and Vice Chair Garcia. As a background, Chair Schwarze explained the County Board earmarked \$5M for food assistance last year. \$2.75M was appropriated to food pantries in 2022 with \$2.25M in reserve. Mr. Schwarze, Ms. Garcia, and Ms. Keating met with Loaves and Fishes Community Services, People's Resource Center, Neighborhood Food Pantries, and West Suburban Community Pantry seeking their input related to the allocation of the remaining \$2.25M. They will meet with Northern Illinois Food Bank next week and then some of the smaller food pantries after that to share ideas relating to the allocation of the remaining \$2.25M. Chair Schwarze announced the 19th Annual DuPage Care Center Foundation Golf Outing and Dinner will be held on June 16, in partnership with the Tony Reyes Family Foundation at Prairie Landing Golf Club in West Chicago. The event includes lunch, 18 holes of golf, a raffle and dinner, all for the benefit of the 300 plus individuals that call the Care Center home. This year is exceptionally exciting as we look forward to the Care Center renovations. Lunch begins at noon, with a shotgun golf start at 1:00 p.m. followed by dinner at 6:00 p.m., when they will announce the raffles. Early bird registration is now available through April 28. Golf and dinner are \$225 per person, dinner only is \$50. Individuals can register at [dpcfoundation.org](http://dpcfoundation.org). The handout flyer is attached hereto and made part of the minutes packet.

**12. RESIDENCY WAIVERS - JANELLE CHADWICK**

No residency waivers were offered.

**13. DUPAGE CARE CENTER UPDATE - JANELLE CHADWICK**

Janelle Chadwick, Administrator of the DuPage Care Center, stated there are currently no covid cases at the Care Center. However, there are multiple cases of Human Metapneumovirus (hMPV) on one unit. The virus is a respiratory virus that impacts the immunocompromised, similar to the Respiratory Syncytial Virus (RSV). Staff are in close communication with the Illinois Department of Public Health and the DuPage County Health Department. The Care Center infection control practice is on a high level, staff are wearing full PPE, and monitoring and isolating the infected individuals.

Ms. Chadwick updated the committee on the Care Center renovation, stating they are nearing completion on the Certificate of Need. The Certificate should be complete this week, in plenty of time to submit the paperwork within the required 60 days prior to the Health Facilities Planning & Review Board's quarterly meeting in June. The Illinois Department of Public Health (IDPH) oversees health facilities and other entities with projects related to renovation or new build. Due to the size of the Care Center, the IDPH determined the Care Center must complete the Certificate of Need. The architecture firm hired a consultant to assist that is very well versed in this submission.

Member DeSart referred to an article in the Health in the Headlines publication from the DuPage County Health Department regarding proposed legislation in several states against staffing agencies price gouging during the pandemic, which was a declared emergency. A New York bill includes a cap on the amount staffing agencies can charge health agencies. Ms. DeSart expressed her concerns that the Care Center is not being price gouged by the supplemental staffing agencies. Ms. Chadwick responded, stating one of the big things coming through with legislation is that the Care Center can now hire individuals from that agency. There used to be a non-compete clause or they had to buy them out, which was tens of thousands of dollars. For instance, the CNA tenure payment hourly rate increase has enticed agency staff to want to work at the Care Center, and with new legislation they no longer are required to buy them out. The Care Center staff is working with Procurement to help drive down the rates as much as possible.

**14. COMMUNITY SERVICES UPDATE - MARY KEATING**

Mary Keating, Director of Community Services, explained the Department of Energy (DOE) Bipartisan Infrastructure Law (BIL) provided additional funding for the Weatherization program. Ms. Keating was pleased to see the federal government is continuing to support the programs we provide and continues to fund them.

Gina Strafford Ahmed, Administrator for Intake and Referral, spoke regarding the travel requests to the Family of Distinction Award Ceremony. She stated that for the last fifteen years the Illinois Association of Community Action Agencies (IACAA) has held an awards ceremony that honors families that have graduated out of case management programs. Community Services has nominated individuals for the last ten years, winning a distinction every year. Thirty-six agencies have nominated fifteen families in categories that include success in health, employment, and income. The recipients will be selected by the community action agencies that serve on the IACAA Board. Ms. Strafford-Ahmed hopes to feature the recipient in the Community Services' Annual Report and the at CSBG Advisory Board. The ceremony will be held on April 30, 2023, at the Crown Plaza in Springfield. The cost of the family to attend is provided by the CSBG grant.

Ms. Keating updated the committee on the small agency grant program, stating they will submit the appropriation resolution next week. The County Board will not be asked to approve the application in case there are edits needed along the way. The agency recipients will complete individual agreements, which will be consolidated to a single agreement with the names of the agencies and their list of projects to be submitted to the Committee and County Board.

Ms. Keating expects the application period to open early to mid-April and close at the end of May. The intent will be for the board to have their recommendations by the July meeting or first meeting in August to avoid entering into the heavy budget preparation period.

Ms. Keating added that funding would be split accordingly to any agencies that cross over County Board districts.
