3. **CHAIRWOMAN'S REMARKS - CHAIR LAPLANTE**

Chair LaPlante welcomed the Committee and briefly discussed the upcoming presentation on the results of Phase II of the Feasibility Study. Results from Phase I of the Feasibility Study were presented on April 16, 2024. Phase II focuses solely on the DuPage County Fairgrounds as a potential site for a performing arts venue. Phase I concluded with the analysis that there was not sufficient reasons to move forward at this time with pursuing sports. However, Phase I showed that there is room and a need for more growth in the area of the arts. This report is the most comprehensive study to-date on the arts in DuPage County. Chair LaPlante thanked the consultants for their diligent and thoughtful work on this study. There is no need for action today on this matter as this is a presentation only. There will be opportunities for further in-depth discussions at future meetings.
