4. CHAIRMAN'S REMARKS - CHAIR KRAJEWSKI

Chair Krajewski informed the committee that Animal Services fields many calls regarding wildlife from residents. Because Animal Services does not house or rehabilitate wildlife, these calls are most often forwarded to Willowbrook Wildlife. Because so many residents are referred to Willowbrook Wildlife, Chair Krajewski will be requesting a meeting with the leadership of Willowbrook Wildlife, himself, Dr. Hanek and Laura to discuss current policies, in an effort to better understand current policy and better educate and direct the public on wildlife issues.

Member Garcia requested a summary of the meeting between Animal Services and Willowbrook Wildlife once the meeting has taken place.

Chair Krajewski confirmed that the National Therapy Animal Day proclamation will be on the County Board meeting agenda for Tuesday, April 23rd.

9. ADMINISTRATIVE UPDATE

Dr. Hanek shared that construction is progressing very well. Estimated completion for the new space is July. Estimated completion of the entire facility and move-in is November.

Shelter populations are still being closely managed to keep populations low during construction. In the meantime, animal stress is being managed with extra enrichment, exercise and staff/volunteer time. For those animals that are really struggling, stress-reducing medications are given to help them cope. The intent is to provide the animal with the extra assistance needed to cope until they are settled into their new forever homes, at which time it is always the goal to slowly wean animals off of anxiety medications once they are in a stable, long term environment and no longer showing signs of stress.

Animal Services continues to work with the Sheriff's department to not only help Sheriff's animals and animals in the shelter, but to go out into the community to help animals suffering as a result of hoarding or neglect and to prosecute the individuals responsible.

Chair Krajewski added that staff will be working with Sheriff's deputies to train them on what to look for and how to identify cruelty/neglect when responding to animal welfare calls as these type of calls have increased significantly over the last few years.

10. DISCUSSION - DUPAGE WILDLIFE

Chair Krajewski invited Colleen Jacklich, a current Willowbrook Wildlife volunteer, to address the committee and share her thoughts on the issue of Willowbrook Wildlife's decision to no longer rehabilitate raccoons.

Chair Krajewski shared with the committee that up until 2002, the DuPage County Forest Preserve District was overseen by the DuPage County Board.

11. OLD BUSINESS

Chair Krajewski reminded committee members of the DuPage Animal Friends gala on Friday, April 12th and encouraged everyone to purchase their gala tickets.

12. NEW BUSINESS

13. ADJOURNMENT

With no further business, the meeting was adjourned.

<i>Overview</i>
<p>DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Purchase order for the purchase of canine and feline pet food for Animal Services. Hill's Pet Nutrition offers an extensive variety of pet food including a robust selection of prescription diet for dogs and cats. Pricing was obtained from three of the most popular shelter pet food manufacturers offering both standard and veterinary pet food including Hill's Pet Nutrition, Purina, and Royal Canin. In a side-by-side comparison, Hill's Pet Nutrition was the lowest price at \$36,855.87, compared to Purina at \$45,354.82, and Royal Canin at \$67,627.07 for an estimated one year supply based on actual 2023 usage. The amount requested for the FY24-FY25 contract period has been reduced to reflect the reduction in shelter animal intake expected from June 2024-November 2024 while the kennel areas at Animal Services are under construction. This purchase agreement is for one year.</p> <p>JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished Animal Services will purchase direct from the manufacturer under the Hill's Food, Shelter & Love® Program as opposed to going through a distributor. The Hill's Shelter Program allows Animal Services to feed the recommended diet for shelter canines and felines entrusted in our care, making possible the highest level of care for shelter animals. Animal Services requires a company that offers veterinary prescription diets in order to care for the many animals coming into the shelter with chronic conditions or who present acutely with a medical condition, something that is becoming increasingly common. Hill's Prescription Diet brand addresses all medical conditions along with acute illnesses. Hill's Shelter Program sells food to government and nonprofit animal shelters at deep discounts. Hill's also provides sample bags of puppy, kitten, adult dog and cat food for new adopters at no cost, allowing for an easy transition from shelter to home for both the pet and the adopter. Because Prescription Diet is made widely available for purchase from many veterinary hospitals and specialty pet food retailers, it is also easy for pet owners to continue feeding Prescription Diet once the animal leaves the shelter.</p>

ADDITIONAL APPROPRIATION FOR
THE ANIMAL SERVICES FUND
COMPANY 1100, ACCOUNTING UNIT 1300
\$152,000

WHEREAS, appropriations for the ANIMAL SERVICES FUND for Fiscal Year 2024 were adopted by the County Board pursuant to Ordinance FI-O-0009-23; and

WHEREAS, an order was placed for a 2025 replacement Animal Control Van with no projected delivery date. This was put on order because procuring these vehicles has been challenging with long lead times. The department was notified on 04/30/2024 that the order was fulfilled, and the vehicle was ready for delivery. The current vans are rusted, having more significant maintenance issues, and some have even been pulled for safety concerns. Lead times on customizing the vans with animal cages and equipment are also long. The department would like to take advantage of early delivery to ensure a timely replacement of their fleet. Vans AC1 and AC2 are slated for replacement in 2025. To cover the cost of a new vehicle and increased expenses related to custom fabrication and installation of the animal cages and equipment for two vehicles, there is a need for an additional appropriation in the ANIMAL SERVICES FUND - COMPANY 1100, ACCOUNTING UNIT 1300 in the amount of \$152,000 (ONE HUNDRED FIFTY-TWO THOUSAND AND NO/100 DOLLARS); and

WHEREAS, there is sufficient unappropriated cash in the ANIMAL SERVICES FUND - COMPANY 1100, ACCOUNTING UNIT 1300 to support an additional appropriation of \$152,000 (ONE HUNDRED FIFTY-TWO THOUSAND AND NO/100 DOLLARS); and

WHEREAS, the need to provide an additional appropriation in the amount of \$152,000 (ONE HUNDRED FIFTY-TWO THOUSAND AND NO/100 DOLLARS) in the ANIMAL SERVICES FUND - COMPANY 1100, ACCOUNTING UNIT 1300 creates an emergency within the meaning of the Counties Act, Budget Division, (55 ILCS 5/6-1003).

NOW, THEREFORE, BE IT RESOLVED, by the DuPage County Board that an additional appropriation (Attachment) in the amount of \$152,000 (ONE HUNDRED FIFTY-TWO THOUSAND AND NO/100 DOLLARS) in the ANIMAL SERVICES FUND - COMPANY 1100, ACCOUNTING UNIT 1300 is hereby approved and added to the Fiscal Year 2024 Appropriation Ordinance.

Enacted and approved this 14th day of May, 2024 at Wheaton, Illinois.
